IC Stock Show--Huge Success

The big event in Mertzon this week was the 1989 Irion County Stock Show. From cooks to cleanup crew, from auctioneers to animal handlers, everyone pitched in to make this year's stock show a smashing success.

Chickens, lambs, swine, goats, rabbits, were judged and champions were determined for each class. Hundreds of Irion County residents attended this function. Friends and merchants from all over the area made premium purchases to assist the young people in future stock replenishing.

A fine lunch consisting of beef brisket, potato salad, beans, pickles and relishes, was served by the Mertzon Lions Club.

We of the Success congratulate these young people on their wonderful work and wish them every success in their future endeavors.

Taste of Eldorado

The Third Annual "Taste of Eldorado", in conjunction with the annual Schleicher County Chamber of Commerce meeting, will be held Monday evening, January 30, at 7 p.m. in the Memorial Building. At this meeting, three chamber board members will be elected following the meal.

Participants in this year's event are: Eagle Dairy Mart, chicken bits and gravy; Kim-et Nelson, decorated cakes; Casa Arispe No. 1, super fajitas; Casa Arispe No. 2, catfish; Ranch House, variety of delicious, easy-to-prepare foods; Old Main Street Cafe, pizza; Rabbit Club, rabbit spaghetti; Sid Johnson, barbecue brisket and lamb; and Danny Crowder, barbecue and beans.

Tickets are available from any chamber of commerce members, at the chamber office, and may be purchased at the door. The price is \$10 for adults and \$5 for children 12 and under.

Hospital Administrator Resigns

Jack Black, administrator of the Schleicher County Medical center, resigned Tuesday night at a called meeting of the hospital board.

The meeting had been called to review the financial report ending 1988. In executive session, that was called to discuss employee relations, Mr. Black tendered his resignation. In the open meeting, following the executive session, the hospital board accepted Mr. Black's resignation.

William Edmiston, chairman of the hospital board, will be serving as acting administrator.

Many hospitals throughout West Texas have recently experienced financial problems over which they have no control.

Some of these problems are...

- *collapse of oil prices
- *crisis in the farm economy
- *declining rural population in some counties
- *high cost of health care
- *competition for scarce health care workers
- *Government controls and regulations
- *Insurance controls and regulations

Our hospital board is doing all that it can to see to it that the people of Schleicher County have adequate medical care. Careful considerations as to the type of services that the hospital needs to offer are presently under consideration.

Editor's Clips

By Mary Jenkins

I always wonder if anyone is reading what we print in the newspaper, especially this column that I attempt to write each week.

Last week I wrote on gossip, that ever-popular past time we all seem to be guilty of at some time or other. One lady told me she really enjoyed it, that it was so true how rumors spread, even if they aren't true. Another person told me that she received a copy of the article in the mail with a little attachment asking "Is this you?"

I know that at least three people read last week's article. Well, I found another subject this week that could create some comments also.

I was reading "Reader's Digest" when I came across an article on using a certain word in everyday language. I'm sure you can guess what word I am talking about without my actually naming it.

Have you stopped to think for a minute the language that is used in our

everyday language and is considered acceptable? I wonder if we really accept it or just don't say anything to the contrary.

There are a lot of good movies these days--movies that could have been made for the entire family if the language had been cleaned up a bit. Why is it that the movie makers use such foul language in the language spoken. Surely everyone in Hollywood doesn't speak that way all the time.

I think words say a lot about a person. If that person has to resort to using foul language to get his message across then our communication system of speech has fallen somewhere. It has taken a bad turn for the worse if this is "how people talk".

When foul words are used, stop to consider who might be listening. Is there a young person standing nearby who might hear? What effect will the use of such words

have on this young person?

We use words to communicate. If a person has to resort to using foul language to communicate, this says a lot about that person, about that person's life. Surely that person isn't a happy person.

The future generation is out there listening. What will they hear? What will our future be like if someone doesn't start now to make a change? Will our society of the future communicate in nothing but foul language?

I have more faith in our young people of today. Sure, they are going to "try it out". It is supposed to "cool" (or whatever the phrase is now-a-days) to use a bad word now and then. But if we teach our kids early, maybe there will be hope for the future. Maybe the communication of words for the future will not include these foul words.

Think about it.

A friend of mine told me that he was going to buy a gyro-copter. A gyro-copter is a small one-man flying machine. Supposedly, these machines will fly as fast as 100 miles per hour.

I thought, "Oh, wow! A hundred miles an hour! I could get every place I need to go and get all the work I need to do, if I could fly from place to place. Maybe all I need is a gyro-copter."

But then I thought again. If I could go 100 miles an hour in six months I'd be wanting to go 200 miles an hour, and six months after that 400, and six months after that 800.

We live in a world that is always on the run. In some ways, I long for a slower time--

A time when families sit down at the dinner

table and talk about their days activities--

A time when after dinner the family gathers around the fire and reads from the Book--

A time when our lives were not so cluttered by busy schedules and meetings and committees--

A time when people would come over on Sunday afternoon *just to visit*--

A time when rocking on the front porch was part of an everyday's activity.

I realize that the "good ole days" are gone. Probably, the "good ole days" never were. Still, I can't help believing that the world might be just a little bit better if we took a moment now and then, stepped out of the fast lane, to just take a rest.

Until the next time, may God bless.

Life Among the Fishes

By Thomas Giovannitti

I guess because I come from a pretty large family my Mom had us eat dry cereal most mornings. Feeding seven or more people hot cakes and sausage sounds good but even in those days could get expensive. Dry cereal was a cheap (at least the way my Mother bought it) alternative that got everyone fed and off to school with a minimum of time and effort.

Of course, my Dad did not eat such things but Mom fed him first, usually a sandwich of the same type as he would take in his lunch.

The problem today though is that the dry cereal manufacturers have gone kind-a crazy. For one thing there are just too many kinds and some of them are so nasty tasting that even children won't eat them. They have one now that is blue. I don't mean blueberry blue. Food should, except for blueberries, not be blue.

Much of the hype in selling these more exotic flavors is to include something "free" in the box for your child. Who are they kidding, free? Some of the air-puffed wheat and oats sells for over \$3 now. They would have to have the keys to a new Buick in the box to consider the prize "free". Even worse,

on some of the offers you don't have to spend any "money" but you do have to send in two "POPS" (Proof of Purchase Seals) to get the proffered item. I don't know about you, but I was a little slow on the uptake and threw away many a POPS before I even knew what it was.

It was better in the "old days" when the back of nearly every cereal box had an item that you could cut out, fold, insert the tabs in the slots and all of a sudden you had a cardboard car or plane or whatever else it would fold into. This served two purposes, one, it made for a free toy (since you had to have a box anyway) and second, it made the rest of the box easier to crush so it didn't take up all the room in the trash can.

Last but not necessarily least, how is it that they can make the generic brand cereal taste worse than the name brands? I mean how can exploding grain into flakes or "O's" or loops or "whatever" be done so that the only palatable ones are ten times more expensive than the cheap stuff. I tried to start the younger kids directly on the cheap stuff, figuring they would have nothing to compare it against, but it didn't work. They refused to eat the generic oats so, of course, I had to do it. You know, I don't like the stuff either!

Senior Spring Fling

The San Angelo Senior Services Division, in conjunction with the Concho Valley Area Agency on Aging and the Concho Valley Retired Senior Volunteer Program is sponsoring the Second Annual "Senior Spring Fling", to be held Wednesday, May 10 from 9 a.m. to 1:30 p.m. in the San Angelo Convention Center.

The purpose of the event will be to honor older persons during May, which is Older Texans Month and to provide information to seniors concerning the community services available to them.

Activities planned for the day include

a barbecue (or plain) chicken lunch; entertainment and door prizes; free health screening; educational and information talks and much more.

Meals will be available at a cost of \$3 per person. Lunch will be provided to seniors age 60 plus at no charge. However, donations are accepted.

If you have any questions or concerns regarding the Second Senior Spring Fling, please feel free to contact Bill Worley, Director of Senior Services Division at 657-4490.

Eldorado Meals Program

The New Year begins with hope of what great things are to come for the Meals Program. Through the holidays-giving to the Meals Program in Eldorado, this was shown in a lot of ways.

The first and fourth grades of the local school made Christmas items for the meals' recipients. Three churches (Agape, Catholic and Presbyterian) sent out fruit and

cookies to each meals recipient.

Donations were made by individuals as well as community groups. These included the Rodeo Club, Ministerial Alliance, Woman's Club and Hospital Auxiliary. Along with these, the County Commissioners and City officials have monetarily contributed and supported this program.

To complete this support system in Eldorado there are the volunteers. There are 24 who regularly commit to a month at a time one day a week to deliver these meals, along with 10 others who substitute when needed.

The future looks bright for the continued success of the Meals Program.

Quincy's Quotes

"Like sands through the hourglass - so are the days of our lives."

If you are a regular watcher of the daytime drama, "Days of our Lives", you hear this often.

We are given each grain to use or to waste as we choose. How we spend our grains of sand are important because we have exchanged a portion of our lives for them. As the grain passes through the narrow passage of the hourglass, it is gone forever when tomorrow comes. Hopefully we will have done what we can to help others while being all we can be on each day and not regret the price we have paid for it.

"Do not let what you cannot do interfere with what you can do."

Our Sympathy

We offer our sympathy to the family of Lula Mae Alexander. This long-time Eldorado resident was visiting her daughter in Hobbs, New Mexico, when she passed away last Saturday.

Funeral Services were held Tuesday at the First United Methodist Church of Eldorado.

Mrs. Alexander is survived by a son, James Alexander, of Sonora and a daughter, Mary Lou Thompson of Hobbs.

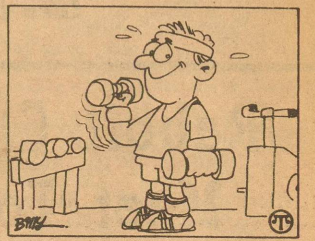

HEALTH HINTS

Indoor Exercise—Hazardous To Your Health?

Pulled muscles and dislocated joints aren't what you had in mind when you set out to get in shape. However, as colder weather forces your shaping up indoors, that's what you could end up with. Here are some helpful hints from the 3M First Aid Center to help you get all the benefits of exercise without making muscle-straining blunders.

- **DO** make sure you have enough room for whatever exercise you'll be doing. Move away any objects or furniture which can get in your way. This is especially true with exercise videotapes. It's easy to get carried away, focusing on the television, and not your surroundings. You should also move area rugs that could slip during exercise and cause you to fall, and, position yourself away from any walls to avoid unnecessary obstruction.

- **DON'T** use exercise equipment unless it's been maintained and is in good working order. Equipment which hasn't been used in a while should be tested. If the seat on your stationary bike is loose, or the joints which

Always warm up before you workout indoors.

support the bike aren't tightened, you could cause some serious injury. Keeping a 3M Cold Comfort cold pack handy to "ice" down any bumps or sprains is a good idea, just in case you do slip or fall.

- **DO** try these cold weather indoor exercises: aerobics/calisthenics, stationary bicycling, bowling, dancing, rowing machine, ice and roller skating, swimming, tennis, racquetball, squash, walking on a stationary treadmill, weight training.

- **DON'T** workout without warming up. Ten minutes of stretching will go a long way in cutting down on minor injuries.

Teacher of the Week

Glen Nix

He was referred to as a real "Goose". This may be taken in many ways. But once you get to know this real "Goose" you can't help but like him.

Glen Nix is Eldorado Elementary School Principal. He was born in Hamlin and grew up in Andrews, Wink and Colorado City. He graduated from high school at Colorado City.

He graduated from McMurry College and earned his Masters degree in guidance and counseling and mid-management from Sul Ross University.

Nix coached for 13 years in Odessa, Seagraves, Whitney and Clifton. He became a guidance counselor in Clifton and came to Eldorado three years ago as Elementary Principal.

He is a member of the First Baptist Church where he is charge of young men's Royal Ambassadors. He is also a member of the Eldorado Lions Club. He is also on the Board of Directors of the Eldorado Golf Club.

Glen and his wife, Glenda, have been married for 16 years and have one son, Pepper, and one daughter, Sundi.

Glen's favorite hobbies are hunting, fishing, bird dogs, gardening and golf.

Rabbit Club--4-H Meet Together

The Eldorado Rabbit Club and the 4-H Funny Bunnies met in a joint meeting Sunday, January 22.

New officers were elected at this meeting and are as follows: president, Barry Bevens; vice president, Janet Hunley; secretary treasurer, Susie Lloyd, reporter, Lisa Meador; and rabbit superintendent, Marvin Clark.

Anyone wishing to show rabbits in the San Angelo Stock Show and Rodeo in March are urged to get your entry form and money to Jerry Swift by the end of January.

The next meeting, set for February 12, will consist of setting by-laws and the constitution, and membership dues.

The Rabbit Club will be participating in this year's "Taste of Eldorado", to be held January 30 at 7 p.m. at the Memorial Building.

A Useful Vessel

It's not what we keep but what we share,
Not what we have but what we spare,
Not what we clasp but what we lose,
Not what we hide but what we use.

A vessel He will make for you,
If small or great, 'twill surely do---
Great joy and peace will always fill

School Nurse Awareness Week

Texas Governor Bill Clements has recognized the week of January 23 to 27 as School Nurse Awareness Week to honor all school nurses. Shari Wink's Kindergarten class has written a story about their school nurse, Frances Edmiston.

Each week Mrs. Wink's Kindergarten class writes a story on a different subject. They chose Mrs. Edmiston this week in honor of school nurse week.

Each student thinks of a word they want to use in writing the story. They play with the words all during the week, learning the meaning, the letter sounds and how to use them in the story. The students then use

Nurse Edmiston gave a kid an ice bag. She gave the kid an X-ray because he had a headache. The sick kid got a shot. The kid cut his arm and yelled, "HELP"! The nurse put on bandage. The friendly nurse gives us tests. The nurse brings medicine and bandaids. Nurse Edmiston was nice and gave the boy an ice bag for his fever. She smiles when she put the thermometer under our tongues.

High School Scholarships

High School students who are interested in applying for \$1,000 college scholarships should request applications by March 16 from Educational Communications Scholarship Foundation, 721 N. McKinley Road, Lake Forest, Illinois 60045.

To receive an application, students should send a note stating their name, address, city, state and zip code, approximate grade point average and year of graduation.

Sixty-five winners will be selected on the basis of academic performance, involvement in extra-curricular activities and need for financial aid.

SPORTS SHORTS

Whether you're a ski enthusiast or a ski expert, these facts about one of our most popular sports will interest and surprise you. The most popular form of skiing is Alpine or downhill skiing, where a highly skilled downhill skier can race down steep mountain slopes at speeds of about 60 miles an hour.

Some 600 skiers from 50 nations will participate in the World Alpine Ski Championship.

The most important Alpine ski racing competition, the World Alpine Ski Championships, will be coming to Vail, Colorado, January 29 through February 12, 1989 and will be televised nationally by ABC and ESPN. Often called the #1 skiing event in the world, "Drakkar Noir" by Guy Laroche, the #1 selling fragrance in the world, will be a sponsor. It's a fragrance, some say, that appeals to men who crave competition.

Great American Smokeout

The results of the Gallup Survey conducted after the Great American Smokeout are as follows:

* 36.9 percent of the nation's 50 million smokers participated. This means 18.4 million smokers quit or cut down for the day.

* 10.7 percent of the nation's smokers successfully abstained from smoking for 24 hours. This is a total of 5.4 million smokers.

* 3.4 million smokers were still abstaining from tobacco use one to three days after the Smokeout.

* 86 percent of those surveyed (1,203 men and women 18 or over, by telephone)

had heard of the Great American Smokeout.

It is not surprising that participation figures are down from last year. As the country's smoking population continues to decrease, we are left with a "hard core" of smokers who are more difficult to reach.

We can expect decreases in participation because they reflect increases in the number of ex-smokers and nonsmokers in the population. The number who are successful for 24 hours and the number who are quitting for longer periods are very consistent from year to year.

IT'S A FACT!

According to the U.S. Census Bureau, 26 percent of seniors 65 and older have annual incomes under \$5,000. They rely on Social Security for 79 percent of their income!

The 34 percent of older Americans with annual incomes between \$5,000 and \$10,000 get 73 percent of it from Social Security!

Beta Sigma Phi Has Busy Schedule

Beta Sigma Phi met January 9, with 15 members repeating the Opening Ritual.

Following roll call and reading of the minutes, Kathy Cheatham gave a breakdown on the expenses on the New Year's Eve dance and the treasurer's report.

Since the New Year's Eve dance is a service project, it was considered a success again this year. There were no known reports of anyone being hurt or killed on this night from our area from being on the road going to or coming from an out-of-town party.

The Valentine's Dance scheduled for the kids through sixth grade has been tabled until more details can be worked out.

The Chamber of Commerce asked Beta Sigma Phi to turn in recommendations

for its choice of man and woman of the year. The club's nominations are Flora Hubble and Elton McGinnes.

Jenny Standeford gave the program on manners and refreshments were served by Mary Jenkins and Cheryl Richardson. Stacey Haynes won the Sunshine gift. The meeting was adjourned with the next meeting being on January 23.

The January social was a movie and supper in San Angelo. On Sunday, January 15, seven members managed to escape their routine and attend.

Those attending were Jan Bailey, Kathy Smith, Flora Hubble, Mary Leigh Dunagan, Glenda Harris and hostesses Kathy Cheatham and Tonya Mahanay.

The group went to see "Working Girl", for which all could relate to. These movie critics gave it a solid 8!

With the movie being let out too late for lunch and too early for supper, the group proceeded to Wal-Mart for a bit of shopping.

By this time the group had worked up an appetite. El Chico's to the rescue. The entire evening was deemed a success and those who could not go were missed. Kathy Smith became the straw-flipping champion. The entire evening was rated a terrific 12!

Genealogical Society

The San Angelo Genealogical and Historical Society is hosting a Heritage Quest Road Show, from Orting, Washington, Monday, January 30 at 7 p.m. at Days Inn. Dewayne Lemer will be the speaker, using Federal Tax records, state censuses, and little-known sources of genealogical information. Books and forms will also be displayed. Cover charge will be \$3.

There will be a discussion on the Pat Attebery Show on Friday, January 27, with a speaker from the Genealogical Society giving information about this road show.

The regular monthly meeting will be February 7, at 7:30 p.m. in the Fellowship Hall of the Colorado and Jackson Street Church of Christ. Mary Robinson will speak on "Names", and Todd Young on "Nicknames".

High Flying Eagles

Coach Greg Cleveland's Eldorado Eagles are having a great season. The Eagles tied the Ozona Lions for the Championship position for the first half of the 1988-89 basketball season.

On Tuesday, January 24, the Eagles extended their chain of victories by defeating the Stanton Buffaloes, 64-53. Dusty Barton led the scoring for the Eagles with 15 pts., followed by Carter Edmiston with 14 and Jeff

Patton 12. The boys had a strong second quarter with 19 pts.

Although Katy Hardy had a season high score of 20 pts., our Lady Eagles did not fare quite as well with Stanton. The 53-36 score does not reflect the determination that these fine young women exhibit. Claudia Martinez made 4 field goals for a total of eight pts. and Tina Dacy made 2 field goals for 4 pts.

The Eldorado Eagles display their talents during last Friday night's game against the Ozona Lions. Our boys defeated Ozona to tie for the Championship position for the first half of the season. (photo by Cathy Smith)

Attention Drivers

EDITOR'S NOTE -- The following information came from Jimmy Martin, Irion County Sheriff and Department of Public Safety Trooper, Tom Usery. It was deemed to be of great importance and is being printed again.

Effective January 1, 1984 the State of Texas began issuing driver's license under a classified licensing plan. The classified plan does not effect the validity of an operator or chauffeur license issued under the old law. These license continue in effect according to their terms until such time they are converted to an equivalent class of license.

Regarding the application of minors who would apply for a driver's license; a Class C driver is one who is under the age of eighteen (18) years, provided the person is sixteen (16) years of age or older and has completed a driver training course approved by the Department, and has passed the examination required by Section 10 of this Act. The Department of Public Safety will not grant the application of any minor under the age of eighteen (18) years for a driver's

license unless application is signed by the parent of the applicant who has the custody of the applicant, otherwise by the guardian having the custody of the applicant, or in the event a minor under the age of eighteen (18) years has no parent, or guardian, the license shall not be issued to the minor unless his application therefore is signed by his employer or by the county judge of his residence.

Section 35 of the Statute concerns permitting unauthorized minors to drive.

This section states that no person shall cause or knowingly permit his child or ward under the age of eighteen (18) years to drive a motor vehicle upon any highway when such minor is not authorized hereunder or in violation of any provisions of this Act.

Section 36 further states that "No person shall authorize or knowingly permit a motor vehicle owned by him under his control to be driven upon any highway by any person who is not authorized hereunder or in violation of any provisions of this Act.

Everett is Fireman of The Year

A highlight of the Annual Barnhart Community Christmas Tree Program was the naming of the fireman for the Fireman of the Year Award.

By secret ballot, the firemen of the Barnhart Station choose their fellow member to receive the award. Starting in 1986 two members were selected, Mr. Bill Avery and Mr. Jimmy Baker. In 1987, the chief, Mr. J.B. Baker, was chosen. The winner this past year was Mr. Douglas C. Everett.

Douglas grew up in Barnhart, finished school and married one of his school mates, Miss Joyce Cox. Douglas and Joyce have four children and two grandchildren.

Joyce is also a fireman and a certified E.C.A., along with her husband and one daughter.

Douglas has attended fire training school

at A&M University and San Angelo. He also completed training to become a certified E.C.A.

Douglas is a very dedicated person not only to the fire department, but also to his many friends in and around Barnhart. His favorite sports are hunting and fishing, that is when he gets time to go.

The larger part of his life has been spent working in and around the oil fields. He is presently employed by Prime Movers and Supply of Big Lake.

From all of your fellow firemen, "CONGRATULATIONS!"

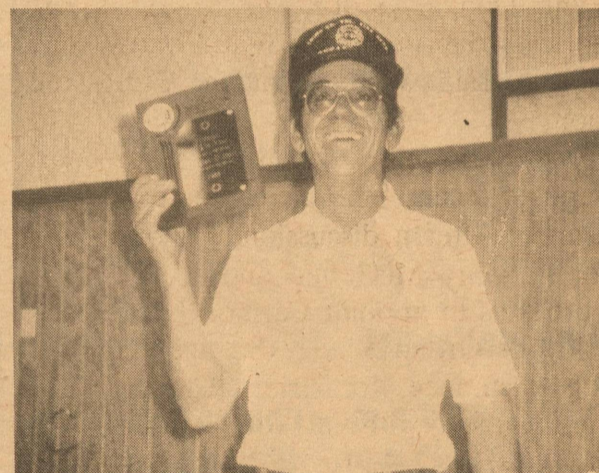

IC Extension Homemakers

The January meeting of the Irion County Extension Homemakers Club was a successful one. Betsy Lehnert of Halfmann's Cake Cottage presented a program on Cake Decorating. She brought a German Chocolate cake and decorated a birthday cake. Lorena Wilson won the cake since her birthday is January 2.

Betsy explained many secrets to cake baking, including the secret to a level cake. Bake with a damp towel wrapped around the metal pan. (There are strips to wet and place around your pans available in stores and bakery shops.) If you still have high rising cakes, you may still cut off the top to level the cake and use the extra cake for the recipe "goof balls."

Marion Rivers, Vice-President presided at the meeting. Reba Criner, Mary and Jerry Brokaw are compiling a scholarship book for all high school students. The book will list all scholarships available.

The program for the February meeting of the Irion County Extension Homemakers Club will be on diet and exercise. A computer analysis will be completed on a one day's menu. Please bring your menu with you the ninth so that I can work on them before the February meeting.

IC Commissioner's Court

The Irion County Commissioners' Court met in regular session on January 9 with the following present: County Judge James D. Westfall, Commissioner Precinct 1 Mike Dolan, Commissioner Precinct 2 O.K. Wolfenbarger, Commissioner Precinct 3 Steve Elkins, Commissioner Precinct 4 Gary McGehee, and County Clerk Jane Ethridge.

The minutes of the December 30, 1988 meeting were read and approved.

A discussion followed on the sheriff's department. A phone line was requested for the strict use of the intoxilizer machine and also a request for more office space for the DPS officer and Game Warden. A new sheriff's car was also requested. No formal action was taken.

John Nicholson, Mayor of the City of Mertzon, met with the court to discuss the city landfill. Due to the proposed rules for municipal solid waste landfills which will apply to all new and existing sites the city is trying to work out a plan to comply with criteria. In an effort to do so they have asked the county for financial help to operate the landfill. After a discussion, no action was taken at this time.

A motion was made by Gary McGehee and seconded by Mike Dolan to appoint Donna George to serve as the Historical Chairman for Irion County. The motion carried with all voting "FOR" the motion.

Carmon Lozpoen met with the court to update them on the counties health insurance. After a discussion, a motion was made by Gary McGehee and seconded by Steve Elkins to appoint Carmon Lozpoen of Employer's Group Services as agent for the health insurance for Irion County. The motion carried with all voting "FOR" the motion.

A motion was made by Gary McGehee and seconded by Mike Dolan to pull the following names from the jury wheel to serve on the Grievance Committee with six elected officials: Sheriff, Tax Collector-Assessor, County and District Clerk, Treasurer, County Attorney and Judge, for a term of one year from January 1, 1989 through the second Monday in January, 1990:

E. Hinojosa, Mikayla Nicholson, and James D. Cook. The motion carried with all voting "FOR" the motion.

The court then reviewed the depositing contract with First National Bank. It was tabled.

A motion was made by Gary McGehee and seconded by Steve Elkins to approve the Treasurer's Monthly Report as it was submitted to the court. Motion carried with all voting "FOR" the motion.

Other action taken was:

-- Motion made and carried with all voting "FOR" to approve the County Treasurer's monthly report.

-- Motion made and carried with all voting "FOR" to approve payment of payables as presented to the court and appears in the Minutes of Accounts Allowed in the office of the County Clerk.

-- Motion made and carried with all voting "FOR" to approve the County Treasurer's claim report for January 1, 1989 through January 6, 1989.

There being no further business, motion was made by Mike Dolan and seconded by Gary McGehee to adjourn. The motion carried.

Hen House "Clucks"

"Clucks" from the Hen House is still working on a flower garden quilt. The club elected new officers for the coming year. They are: June Bullard, President; Doris Vinson, Vice-President; Vesta Davis, Secretary, and Mildred James, Treasurer.

The club's project for the new year will be making lab robes for one of the Veteran's Hospitals. Permission was given by the Volunteer Services of the hospital to make these. We hope to make at least a hundred.

We are also taking individuals quilt tops to quilt. If you have a quilt top and are interested, you can contact any member of the club.

Thanks to everyone for making our year a pleasant process. Thanks also for the scraps everyone has donated for our Lap Robe Project. We appreciate your support.

Tippy Pet Tips

by Amy Dail

A puppy should be fitted with a small leather collar as soon as he enters his new home. It does not take him long to become used to wearing a collar and within a day or two he will learn to be led around the back yard on a long leather leash.

Outstanding Citizens To Be Honored

The outstanding Man and Woman of the Year will be recognized at the annual "Taste of Eldorado" to be held on Monday, January 30, at the Memorial Building.

These awards are being given by the Schleicher County Chamber of Commerce to show appreciation for contributions to the community. All civic organizations were asked to select two nominees.

These people did not have to be members of the nominating organization. Organizations making nominations included: The American Legion, the Historical Society, Lions Club, Beta Sigma Phi Sorority and Woman's Club.

Final determination will be made by a committee of chamber members. Jim Martin is serving as chairman of this committee.

SA Stock Show Set

The San Angelo Stock Show and Rodeo will be held March 8 through 12. For the past 27 years the Creative Arts Department has been a part of the Stock Show and Rodeo.

There will be nine divisions and they are: clothing, foods, hobbies and crafts, needlework, flower arrangements, art, handpainted china, ceramics and plaster art and photography.

The special contests are pies and cake, and "For Men Only". There is a \$1.00 entry fee per entry for the special contests.

There is no entry fee for the remaining nine divisions and are open to men, women and children. The deadline for entries is Saturday, February 4. Entry forms will be accepted at the Stock Show office and the Community Booth at Sunset Mall on Saturday, February 4 from 10 a.m. to 4 p.m.

For more information contact the San Angelo Stock Show and Rodeo Office at 200 West 43rd, San Angelo, Texas 76903.

A Touch of History

By Rene Calcote

Texas' first traffic law was passed by the 30th legislature on April 17, 1907. In part it provided that: "All owners of automobiles or motor vehicles shall before using such...upon the public roads, streets or driveways, register with the county clerk of the county in which he resides, his name, which shall be registered by the county clerk in consecutive order in a book to be kept for that purpose, and shall be numbered in the order of their registration...." There was a fee of fifty cents.

The law was enacted in 1907, registration began in 1909 in Schleicher County with W.D. Ake's Buick No. 1,

and ended, after April 5, 1916, with J.B. Christian's Oakland, No. 143. The State of Texas then took over registration.

W.D. Ake settled in the Rudd Community in north eastern part of Schleicher County in 1892. He was Rudd postmaster from 1898 until 1920. Ake was also the first commissioner for Precinct No. 3. He was elected in 1901 when Schleicher County established her first government. He

Angus Association Honors Locals

Jack G. and Lou Ann Turner of Eldorado have been elected to membership in the American Angus Association, reports Dick Spader, executive vice-president of the national organization with headquarters in St. Joseph, Missouri.

The American Angus Association, with over 30,000 active adult and junior members, is the largest beef cattle registry association in the world. Its computerized records include detailed information on nearly 11 million registered Angus.

The Association records ancestral information and keeps records of production on individual animals for its members. These permanent records help members select and mate the best animals in their herds to produce high quality, efficient breeding cattle which are then recorded with the American Angus Association. Most of these registered Angus are used by the U.S. farmers and ranchers who raise high quality beef for U.S. consumption.

kept this position until he resigned in 1920.

Ake was a rancher. He built a large three story frame house on his ranch. The third story of the home was used for a classroom where his grandchildren were taught.

Ake's automobile, a Buick Sevlinder, had two cylinder chain drive. It was cranked on the side, and had a rod for the steering device.

This was considered to be the most modern way of travel...but, word was...Ake was seen walking more than once...maybe not quite a dependable as horse and buggy!

The first automobile registered in Schleicher County—a Buick owned by W.D. Ake.

THANK YOU

Beta Sigma Phi would like to take this opportunity to thank all the Eldorado residents who helped make our picture venture a success.

We also want to apologize for the inconvenience caused by Majestic by failing to ship orders here for Christmas delivery. Most of these have been taken care of during the past several weeks. If anybody purchased reprints or frames and have still not received them, please contact one of the Beta Sigma Phi members listed below and we will try to take care of it. Kathy Smith 853-2046; Glenda Harris 853-2744 or 853-3367; or Flora Hubble 853-2825 or 853-2882.

Again we apologize for the problems caused by Majestic Marketing Associates who we let use our name to sell their products.
