Eagles topple Wall 37-0, clinch playoff berth

by David E. Hill

Eldorado Eagle fans witnessed a great effort from the Eagles football team last Friday night, resulting in a 37-0 shutout of the Wall Hawks. Eldorado dominated the game offensively, defensively, and on special teams. Joey Bullard put in a spectacular effort running and throwing the ball and the Hawks were helpless to stop him. All in all it was a huge win for the Eagles as they clinched their 7th consecutive playoff berth. The win runs Eldorado's district record to 3-0. The team is 6-2 on the season.

The Eagles won the coin toss and opted to receive the opening kickoff, beginning the game with decent field position. After a couple of running plays, however, the Eagles went to the air and suffered a Wall interception. Eldorado's defense made its first showing of the night by forcing the Hawks to turn the ball over on downs.

Bullard broke loose on a 69 yard run, for the Eagles, taking the ball to the Wall 2 yard line where he was hauled down by Will Doyle of the Hawks. Moments later, Bullard the score 6-0 with 7:45 left in the first period. The PAT was blocked.

While the Eagles offense was scoring, the defense simply smothered the Hawks, holding them to only 3 first downs in the half.

> Special teams also had a big night. They stopped a fake punt short of a first down as well as having a 63 yard punt return. The kick off team held a very quick Will Doyle to very few return yards. Extra points as they have all season have continued to be an adventure for the Eagles..

If Eagle fans saw anything negative on the night, it was two turnovers and 13 penalties.

"This was as big as they get," Coach Jim Fryar said after the game. "We challenged these young men at the beginning of the week and boy did they come out ready to play. Our offensive line had a great night and the defense really played well. I am extremely happy with where we are right now.

Eldorado will travel to Grape Creek this tomorrow night for the first ever meeting between these two ball clubs. The Eagles will again need to come out and play a good ball game as they need to continue to improve week to week.

"They play extremely hard each week," Coach Fryar said of the Grape Creek team. "Their record is not a good indication of what kind of ball club they have."

Everyone is encouraged to make the 50 mile trip to northern Tom Green county and watch the Eldorado Eagles take on the Grape Creek Eagles. Wear your GREEN and WHITE and BE LOUD!

She drove the ball towards the 8th hole 200 yards then her second shot of 145 yard hit the 8 pin and bounced into the hole. O'Harrow and Albert Torres heard the ball hit the pole. Chris McCravey drove up to the hole and found the ball snuggly inside. Other witnesses included Tom and Branda Gray. Mabel Freitag believes this maybe the first Double Eagle in the golf course's

"Hard Working" "Responsible"

"Todicated"

What people say about a person is more important than what a person says about himself. During this campaign, others have voiced their confidence in my ability as Sheriff and I am extremely grateful for their support. In the end, however, it is my name that is on the ballot and I am the one asking for your vote. So, I would like to take this opportunity to outline my experience and qualifications.

• I am a native of Schleicher County with 12 years of law enforcement experience, 4 of that as your Sheriff. I have 1087 hours of law enforcement training and have worked hard to bring my department up to date on current procedures. I pledge to continue that trend if you allow me to continue as Sheriff.

• I have sought to be pro-active in deterring crime. Through programs like DARE, and other youth oriented intervention programs, I have tried to address the problem of juvenile crime before it occurs. Again, if re-elected, I pledge to continue that effort, as well.

• My professional affiliations include a position on the board of the Concho Valley Council of Governments' Criminal Justice Academy and the CVCOG's Criminal Jus-

tice Grant Board. I am a member in good standing of the Texas Sheriff's Association.

• I have integrated new programs into my department's operations including the Meals for Friends Program and the Inmate Work Program. The Sheriff's Department can and should continue to serve an active role in this community and I will work hard to see that remains the case

 I am active in several community organizations and encourage my officers to actively participate in organizations they find beneficial. I currently serve on the financial board of the Schleicher County Volunteer EMS. I am chairman of the Explorer Scout's Emergency Service post and serve as chairman of the local Salvation Army.

I have been honored to be your Sheriff these past 4 years. I would like to continue and ask for your vote in the November 7th General Election. Together We can make a difference in our community
