Large Crowd Reported At Story Hour

"Creature Features" is the theme of the summer long reading program for the children at the Groom Branch Library.

The program kicked off Monday, June 5, when John Greene of the Square House Museum presented the story hour on Indians. A group of approximately 80 children and adults enjoyed his many facts about the Indians.

A second story hour was held Wednesday, June 7, at 1:00 p.m. also in the Groom

Community Center. The Future Homemakers of America hosted the Story Hour. These young women presented skits, enjoyed by sixty-six adults and children. Cookies and koolaid were also enjoyed on the lawn and action packed games were enjoyed by all, the helpers were Julie Lyles, Susan Babcock, Karen Babcock, Jolee Burger, Marie Conrad, Kristy Case, Amy Brown, Melinda Burgin, Tricia Fraser, Lisa Sweatt and Leslie Brinkley.

Hail Storm Pelts Groom

The worst hail storm since 1965 hit Groom on Monday night as marble to golf ball size hail lasted approximately 30 minutes. It pelted roofs, cars and crops. The crop damage was not as major, as Johnny Brumley termed it as light to med-

ium. Johnny Brumley said, "Adjusters statewide are busy because of all the storms statewide, but they will get out to estimate the damage as soon as possible."

Garretson Retirement Center Kicks-Off Fund Raiser

An open house on June 25, 1989 at 3:00 to 4:30 in the afternoon will also act as the kick-off for a period of fund raising to allow the much needed major repair and refurbishing of the center. A goal of \$25,000.00 has been set by the Board of Directors as a necessary fund to support the upgrading of the center by replacement of carpets, draperies, heating, cooling/equipment, etc. Donations of one-time gifts, time-pledge giving and in any denomination will be welcome and appreciated and will benefit not only the current residents, but those who will reside at Garretson's for years to come.

The Garretson Retirement

Center is a residential facility for those persons who can care for themselves. There are 13 large resident rooms in the center, each of which may be furnished by the occupant or can be basically furnished by the center for suitable living quarters. At the election of the individuals, a room may be occupied by two residents or of course may be a private occupancy. The current cost per month is for single occupancy \$500.00.

The Open House at the Center will be open to all the people of the surrounding area. All persons interested are urged to come visit the center during this period. The center is managed by Mrs. Joan Green of Panhandle.

Baptist Attend Panfork Encampment

The First Baptist Church of Groom took six children to day camp at Panfork Baptist Encampment near Wellington. The children who attended were Josh Crooks, Dean Fields, Jeremy Lewis, Caleb Pool, Wade Ritter and Dara Whatley. Sponsors were Eddie Hogan and Carole Fields (Both of whom were troopers to the very end.)

Activities included a nature hike, Bible stories, and friendship games. Lunch consisted of chili dogs, chips and cookies. Dean Fields traded his chili dog to Josh Crooks for a cookie. Both seemed pleased as punch with these developments.

Along the way they had six disagreements, one stop at Allsup's, fourteen trips to

the restroom and thirty two mosquito bites. All in all they reported it to be a successful day at camp.

The First Baptist Church also took eight adults to senior adult day at Panfork Baptist Encampment. Brother Eddie sponsored the event. He realized when the ladies showed up at 6:40 a.m. he was in for a treat. The van ride to Wellington

was full of spirit, conversation and tremendous anticipation of the days events. They were somewhat embarrassed to have shown up an hour early but they did not let this dampen their spirits.

In the morning they had services in the tabernacle. The music was inspiring as was the speaker, Bill Thorn. Lunch consisted of chicken patties, potatoes and salad,

no trades were made, although Bertha Knight and Cleo Musser were seen sneaking some dinner rolls into their purses.

The afternoon session included a musical by the Golden Airs Choir from Pampa. Their favorite song was a round called Rheumatis, Rheumatism sung to the tune of Frere Jacques. They headed home

at 3:30, glad they had spent a wonderful day full of fun, fellowship and friendship.

Those attending included Bertha Knight, Cleo Musser, Mary Lee Friemel, Nettie Fields, Mildred Burgin, Ruby Milton, Ruby Marchman, and Eddie Hogan.

Weather

Since the first part of June, Groom has had approximately 7 inches of rain.

On Sunday an-almost silent tornado smashed into the Howardwick community near Lake Greenbelt, only a flash from an electric transformer herald its arrival!

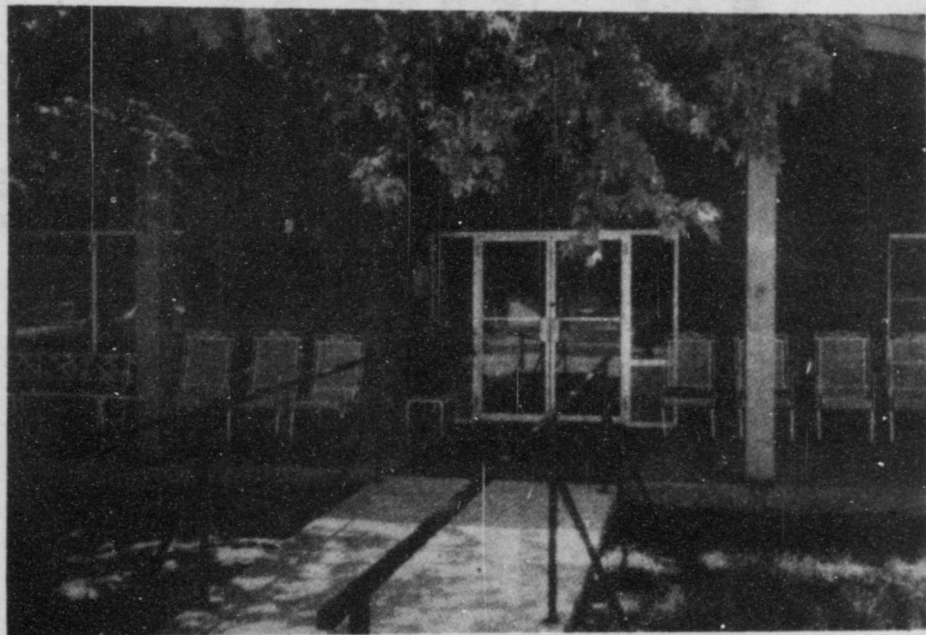

Liz Thompson, wife of Donley County Sheriff Jimmy Thompson, said the sheriff's office was watching the weather after a tornado had been sighted near Groom.

"But the rain was so

heavy, if it hadn't been for the transformer we would have never seen it," she said. The tornado struck about 11:30 p.m. and lasted several minutes, she said.

"We believe it was the same one they sighted at Groom," she added.

The tornado cleared a half mile swath about four or five blocks long through almost the center of Howardwick, traveling from northwest to southeast. Small hail peppered the town just before the tornado struck, Mrs. Thompson said. Approximately two inches of rain also fell within a matter of minutes.

hail, and it hailed and hailed and rained some more.

Windows were broken crushed beneath the force of large chunks of ice.

Roofs leaked puddles everywhere. Gardens and crops were beaten to shredded pulp.

R.L. Winebrinner said, "I looked at my garden and it was beaten right back into the ground. I checked the rain gauge I had emptied on Monday it now had three and fourth inches of water in it. I looked at my shade trees, bushes of leaves now lay shattered on the ground."

"I talked to several at coffee and as I picked up the mail, all had damage to windows, roofs and gardens, R.L. said. A great deal of damage was done by water blown through broken windows and holes beaten in the roofs. There was much damage done to cars and trucks that were caught outside during the storm.

The pictures of the hail are in Winebrinner's front yard and the close up shows the size of the huge pellets of ice.

Jane Herndon of Simpson Agency said she had been bombarded with calls on insurance questions and claims. The insurance adjusters will be in town soon to look and appraise the damages.

There is one bright side though, the ground should be a little softer for those Luck-Less Cowboys that hit the dust this weekend at the Rodeo.

The rains came and came and came. Last week it showered just over three inches in my rain gauge. But the Lord won't be out done and it poured inside the church. We had over six make decisions for Christ

Baptism of the Holy Spirit last week. God has been sending in people from all over and our average attendance is now 40 to 50 people and if all attended at once we could break 80. Praise God for this Spiritual out pouring.

Last week the Ladies of the church had a pie baking and sell day to bring in funds for the youth group they made and sold over 20 dozen pies. This weekend out in front of the church, the ladies and the church will have a bake sale and garage sale to further build the youth fund and also the garage sale will go towards the building fund. The Lighthouse will be starting to put up a new Worship Center in front of the existing building. It will be 35 feet wide and 75 feet long and will seat approximately 300 people. This work is scheduled to start towards the end of this month. If you need a Home Church try the Lighthouse, our motto is a church everyone is someone and Jesus Christ is Lord of all. So what if you have made a

mistake. Peter made a bunch and Jesus still loved him. God is a God of a second chance, let him heal the wounds that men and churches have made. Come try the Lighthouse let us love you for Jesus. Services will be 10:30 a.m. Sunday and 7:30 p.m. Sunday evening. Youth Groups meet at 6:30 p.m. Sunday evening, just before church. Mid-week service is at 7:30 p.m. on Wednesday night.

YOUR HEALTH

By Dennis Roark

Shyness can be cured. For some people whose social phobia made them unable to function in ordinary situations, researchers at the National Institute of Mental Health offered drug and/or psychological therapy for 12 weeks. Most improved to lead normal social lives.

Doctors at the University of California/San Francisco report success in using hydralazine, an anti-hypertensive drug, to reverse heart enlargement caused by leaky aortic valves. Patients were able to delay or avoid surgery.

Scientists measuring the blood cholesterol levels of youngsters not only spotted those at risk for coronary problems, they also found that many of their parents had unrecognized coronary artery disease, the Southern Medical Journal reported.

New drug, Eminase, injected right after a heart attack, halved the number of deaths in the first 30 days following, British researchers reported. Drug manufacturers are awaiting FDA approval.
