Groom Football Captains; Justin Ritter, No.40; Brad Sustaire, No. 11; Sean Crowell, No.64; and Toby Burgin, No. 20 prepare to meet the opposing team captains with faces that explain just how serious they are about winning.

Cheerleaders Martie Phillips, Jessica Kepley, Maggie Thomas, Stephanie Ollinger and Tiger Spirit Carrie Davis lead the fans in the school song before a recent game.

## Groom Tigers Still Undefeated In District Play

The Groom Tigers remained undefeated in district competition after they blasted past Ft. Elliott, 68-31.

"I was very pleased with everyone through this game," stated Coach Larry Reid. "Our younger kids got to play most of the game which will be a great advantage for them when they face this same team next year. Several of these younger players showed that they can really make a contribution."

Justin Ritter ran for 4 carries and 107 yards, scoring two touchdowns in the process, on a 36 yard and 48 yard run. He also had a 45 yard punt return for a touchdown.

## Groom Grocery Store Burglarized, Losses Total Over \$1,000 In Receipts

The Groom Grocery fell victim to a burglary in the early hours of Tuesday morning. It is estimated that over \$1,000.00 in cash and checks were taken as well as some cigarettes, a safe and a two wheeled cart. The thieves ripped a hole in the wall in back of the building going through several layers of steel siding,

ply-wood sheeting, sheetrock and paneling to gain entrance.

They pilfered through the freezers and produce refrigerator. They also pried the safe off the wall and used the 2-wheeled cart belonging to the store to haul it off.

Deputies found tracks leading away from the store and across the alley.

"It's very upsetting," said store owner Sharlene Lewis. "We give items away free when someone is in need. It hurts to think of someone doing this."

Lewis is hoping that insurance will cover repairs to the building, but she doesn't think it will cover her lost receipts.

Sheriff Loren Brand is leading the investigation.

## Groom Prepares For Halloween

Tonight is the night that monsters, ghosts and goblins will roam the streets of Groom and the area. Halloween is a fun time for those who enjoy the tradition of dressing as their favorite monster, super hero or cartoon character and trick or treating at friends and neighbors homes.

Residents are reminded to turn on their porch light if they wish the revelers to stop at their house. Children should respect those homes who don't have the lights on and not bother

Ray and Gaynelle Pool and Bertha Knight recently attended the funeral of their friend Maxine Coursey at Amarillo's Pioneer Chapel.

Fourth graders of Groom Elementary School are tutoring Kindergartners in reading and writing.

### White Deer To Hold Annual Supper

The White Deer Sausage Dinner is being prepared this year by three generations of Poles. The 58th dinner, Sunday, November 3, 1996 at the Sacred Heart Parish Hall in White Deer, is prepared to serve 2,500 sausage lovers.

Sons, daughters, grandchildren and great-grandchildren of the original

Polish families are preparing the seasoning for the Polish sausage, which is served grilled and steamed. Bar-B-Q sauce, old fashioned potato salad, sweet-sour cole slaw, beans and stewed apricots are also on the menu.

Serving hours will be from 11:00 am to 3:00 pm. Adult tickets are \$6.00 and

children, \$3.50. Take out dinners and cooked or raw sausage will be available.

During the dinner, a display of rosaries from many different lands will be shown in the parlour of the parish hall. The Historical Society will also show the rosaries of many Polish families when they first settled in White Deer and built Sacred Heart Church in 1913. Everyone is invited

to see the display.

There will also be a showing of the Polish video, produced by the Carson County Square House Museum, "A Place Called Home - Polish Settlement on the Plains." The video tells the history of how the Poles came to Texas in 1854 and arrived in White Deer in 1909. It is narrated by nine descendants of the original Polish families.

## Lovett Memorial Library Awarded Grant Of \$4293.

The Lovett Memorial Library in McLean has been awarded a Tocker grant to be used for the purchase of reference materials. The Tocker Foundation, a Dallas-based family foundation, promotes public libraries in communities of 12,000 or less. The updated referenced books and materials which can be purchased with grant funds

will be beneficial for all the areas library patrons. The library will also be able to add areas of reference that have not been available. The total amount awarded to the library is \$4293. The ever increasing cost of reference books and expanding amount of

information available has made it difficult for small libraries to stay current. The funds from this grant will supplement the funds budgeted for the library by the City of McLean and Gray County.

This year the Tocker Foundation reviewed more than 120 grant applications for funds to be provided to libraries for projects that will benefit the community. Ann Williams, Librarian of Lovett Memorial in McLean was successful in receiving funds from the Tocker Foundation for McLean's library.

Mrs. Williams will begin selection and purchase of reference books within two weeks. New material will begin to be available by

mid-December. The grant will also fund furniture for the Internet access computer.

Some of the new books at the library are:

Fiction: My Summer With George by Marilyn French; Vegas Rich by Fern Michaels; To the Hilt by Dick Francis; Sweet Revenge by Nora Roberts; The Burning Man by Phillip Margolin; A Regular Guy by Mona Simpson; A Little Yellow Dog by Walter Mosley; Desperation by Stephen King.

Non-Fiction: Favorite Dog Stories by James Herriot; Above the Law by David Burnham and The Race is Run One Step at a Time by Nancy G. Brinker.

## Drug Awareness Week Held

On Monday morning, McLean Elementary students held a drug free rally where Mayor Sam Haynes proclaimed October 28 - November 1 as Red Ribbon Week for the City of McLean. Mayor Haynes urged "all of the citizens of the city to join our youth in becoming more aware of the dangers of drugs". The Cub cheerleaders led the students in drug free cheers. The students were dressed in red to signify their drug free stance. Monday afternoon the first and second graders walked to the bank where they sang

songs and then decorated the parking lot with red ribbons.

Tuesday was twin day and students were to find a friend and dress alike. The emphasis being the buddy system and the importance of surrounding themselves with friends who are also drug free.

On Wednesday students dressed as cowboys or cowgirls to rope up drug free living and boot drugs out of our school and community.

Students were to dress in their favorite drug free character or person for

today (Thursday). All elementary students will gather outside the school at 2:00 p.m. and each student will release a red balloon with their own drug free message inside.

Friday is cap/hat day to cap off a successful drug free week. Celebration of being Drug Free parties will be held in each class room.

Each morning during the week, a seventh grade student was asked to give a drug free message. Other activities included making posters to hang in the hall

## A Staff Editorial. . . . Candidates Visit The News

Some of the McLean News staff have enjoyed visits by candidates who are vying for local and regional elected offices.

It is always nice to realize that some candidates take the time to visit the smaller towns in their districts and care about it's concerns as well as that of the larger towns.

Extra consideration should be given to those who take the time to keep in touch. If they can't find time for McLean, now; will

they after the ballots are cast?

We have been visited recently by Rick Roach, Sammie Morris and Mac Thornberry.

Samuel Silverman, Don Copeland and Frank Sparling have also come by to visit before their offices were decided in the primaries. It's good to know that having talked with them in person we feel more comfortable to call on them when the issues are cloudy and need clarified.

The McLean Circle of Friends membership party on October 8 at the Devil's Rope Museum was a huge, huge success. The Circle of Friends supports the philosophy and goals of the Don & Sybil Harrington Cancer in Amarillo.

Guests enjoyed eating the rib-eye steak dinner and bidding on homespun treasures. Pumpkins, gourds and squash accented with purple placemats and

bows were arranged by "Seasons". The decorations provided a festive fall atmosphere.

Kathy Haynes, Dr. Alan Burns and Dr. Charles Nash were among the special guests representing the Harrington Cancer Center. The Circle of Friends President, Janette Caviness of Amarillo also attended.

# Local Districts To Develop New Farm Programs

"As a result of the 1996 Farm Bill, the Gray County Soil and Water Conservation District (SWCD) #125 with headquarters in Pampa, along with 3,000 other SWCDs in the nation, has been given the charge to

lead the way in developing programs and initiatives to improve soil and water resources at the local level," said Troy Ritter, Chairman of the Gray Co. SWCD.

"After years of applying top-down program management approaches in

federal conservation programs, the new 1996 Farm Bill establishes a locally driven process, coordinated by conservation districts, to guide the state and nation's agricultural conservation efforts. It provides tremendous opportunities for local people to become involved in assessing local soil, water and other natural resource needs, setting priorities, developing conservation policy, providing technical support, accepting program applications and approving conservation plans upon which cost-sharing will be based," Ritter added.

According to Ritter, the process deals with developing a list of priority

areas and concerns for the long range Farm Bill program for Fiscal Year 1998 and beyond.

To enact the Farm Bill on the local level, the Gray Co. SWCD, in partnership with the USDA Natural Resources Conservation Service (NRCS), will conduct a work group meeting with its conservation partners and interested persons or organizations on November 4 at 7:00 P.M. at the Gray County Courthouse Annex located on Highway 60 East (E. Frederic), Pampa, Texas.

The purpose of the local Gray County meeting is to solicit comments concerning local soil, water and other natural resource conservation needs with the focus on what problems the SWCD should address in future years. Local

concerns and recommendations expressed during this local meeting will then flow to the state level where the district's various technical issues, resource priority areas and program policies will be reviewed and integrated into a state, regional and national program.

### Cubs Bash Ft. Elliott Cougars

By Coach Kelm  
The Groom Junior High Cubs continued their winning ways last Thursday night with a 43-19 victory over the Ft. Elliott Junior High Cougars. This raises the Cubs season record to 5-1. The Cubs got off to a great start when Nicholas Anthony took the opening kickoff 60 yards for a touchdown. The extra point run was no good and the Cubs led 6-0. Ft. Elliott tied the score 6-6 but the Cubs defense rose up and stopped the extra point try. The next T.D. was a 1 yard run by Anthony and Dewayne Gray added the extra point run for a 14-6 Cub lead. The Cubs extended the lead to 19-6 on a 38 yard run by Gray. Again the extra point failed. Anthony then scored on a 5 yard run to give the Cubs a 25-6 lead at half time. Ft. Elliott came out in the second half and scored on 2 long runs and 1 extra point pass to narrow the lead to 25-19. The Cubs came back with a 50 yard T.D. run by Anthony, a 4 yard run by Gray and a 15 yard run by Cody Bivens to give the Cubs a final margin of victory at 43-19. Clay Ritter, Grant Weinheimer and Trey Britten provided excellent blocking all night

long. Russell Conrad provided excellent leadership from the quarterback position and was 1-2 passing for 18 yards. He also played well on defense along with Ritter, Weinheimer, Anthony, Watt Britten and Garrett Britten. Luke Pavlovsky, Hugh Weinheimer and Ross Brooks also played well when called upon. It was another total team effort. We are extremely happy and very proud of the improvement these young men continue to show. The next Junior High game is Thursday, October 31 vs. Higgins at Groom at 5:00 p.m. Come out and support these young men and be entertained. See you at the game.

### Halloween

those people who are not participating.

Remember to stay on the side walks and driveway and not run through peoples flower beds and shrubs.

Never use candles in areas where children are going to be. It is always a good idea to check to see if costumes are fire resistant. Also, make sure that children wear something that reflects light on the front, sides and back of their costumes. It is a good idea to have them carry a flashlight in areas that are not brightly lit by porch lights and street lights.

Never eat your treats on the run. Always allow an adult to look them over first when you get home. Be sure to say please and thank-you to those who provide you with goodies.

Let's make this years Halloween the best and the safest ever!

**AN OPEN LETTER TO THE CITIZENS OF GRAY COUNTY**

Dear Folks,

I imagine that most of you are sick and tired of the negative campaigning that has been going on in the District Attorney race. Cindy and I are pretty sick of it too.

We have run a clean campaign and have chosen to stick to the issues and have refrained from making personal attacks against my opponent. We have taken the high road and no matter what the outcome of this race, we will know that we ran a clean, honest race.

I know in my heart that I am the right man to be your District Attorney. I know I am honest, forthright, dependable and qualified. I want you to look to your hearts and ask for wisdom in making your decision on the issues of this race. Don't make your decision on something you may have seen in an ad or newspaper article which may only tell part of the story. This is about 4 more years of a part-time DA vs. a full-time District Attorney. I will do a good job for you and want the opportunity to make a difference. I believe that together we can make a difference for the future of the 31st District and that of our children and grandchildren. I would greatly appreciate your vote.

In closing, Cindy and I want to thank each of you for the courtesy and kindness you showed to us, our kids and our parents as we campaigned door-to-door in your town. God bless you, don't forget to vote, and **ELECT RICK ROACH TO BE YOUR FULL-TIME DISTRICT ATTORNEY.**
