Local Veterans Speak Out On Attacks

As I considered how to cover the terrible events of the past two weeks, I decided my thoughts weren't important, as my experience is limited, so I decided to find representatives of our Armed Forces to see what they thought.

John (Jake) Bible was 21 years old on Dec. 7, 1941, the day the Japanese bombed Pearl Harbor. He enlisted in the Marines on Feb. 2, 1942, just two months later. He spoke with great pride of his time served and spoke with even greater pride when he told me of his five children who also served. He had two sons who served in Vietnam; one in the Marines and one in the Army. He also had three daughters who served; one in the Air Force and two in the Army.

When I asked him what he thought we should do after the attack on our country, he said that the best thing we could do is go on with our daily lives. He pointed out that the more we allow this to affect our lives, the more power we give these terrorists. He said all that we can do for the dead is to remember and strive to never let it happen again. He believes we should retaliate, and is impatient for the retaliation. He believes we should have already begun to strike back.

Don Hauck served in Korea during the Vietnam War. I asked him for his thoughts on the War on Terrorism. His first thought was of our young men. He was concerned for their safety. As a father, he said it was his biggest concern.

Don said that we should back our President and said he was glad President Bush is not just bombing Afghanistan, but is taking his time to investigate in order to punish the right people. He doesn't want innocent people to die but realizes that may happen. He said you can't blow up a whole country looking for these guys. Don was especially concerned about what hard task it will be to fight this war. He believes that it will be much harder fighting an organization and group of people than it would be to fight a country. He also thinks we should back Israel and their struggle against terrorism.

Don said he also believes President Bush has done a good job with his speeches and believes Bush has said a lot of good things. He says he will be praying for the President, for the Country, and that God's will is done.

The following is an e-mail received from a Pete R. Reyna, Jr., retired captain in the U.S. Air Force. He participated in the retaliatory attack on

Libya.

I listened to the live broadcast in total shock. As the day went on, each of you was on my mind.

Never until today, since retiring from the USAF have I missed it. Today I would have given anything to be in

an Air Force Disaster Preparedness Control Center. This reminded me of the time I got a 2:00 a.m. phone call about a classified message being received by our night operations staff. This happened when I was

MOTHER'S CIRCLE

Mother's Circle met Wednesday, Sept. 26 at Trinity Baptist Church. Ella Mae Reyna spoke on helping children cope with stress. She pointed out that during this time of National crisis, children can become over loaded with more information than they can handle. There was discussion time and many of the ladies shared what they have done to help their children deal with the stress and fear they are experiencing. After the program, a lunch of lasagna, garden

salad and garlic bread with banana pudding for dessert was enjoyed.

Mother's Circle is a time of fellowship for mothers and their children. They meet on the last Wednesday of the month at 11:00-1:00. The next meeting will be on October 31 at the Methodist Church at 11:00. Every mother is invited. For more information call Shawn Bybee at 779-3255.

McLean Students Collect Proctor Gamble Box Tops For Cash

This year, McLean Schools are participating in the General Mills, Box Tops for Education program. We are asking community members to help our school earn cash through this fundraising program.

Here's how it works, simply clip box top logos from over 330 participating General Mills products and turn them in at the elementary building. Mrs. Greer, the second grade teacher, has a collection box in her room, or you can turn them in to any teacher, student, or to Tammy Hanes in the office. Participating products include General Mills Big G cereal, all Betty Crocker products including Betty Crocker fruit snacks, Yoplait multi-packs, Yoplait Go-

Gurt and Expresse, Lloyd's Barbecue products and many others. Our school gets 10 cents for each Box Top we collect! The more we collect, the more we can earn - up to \$10,000 per year!

Box Tops for Education is ideal for our school because it requires no door to door selling and it cost nothing to become involved. We encourage the entire community to help our school by participating in the Box Tops for Education program.

Thank you for supporting our school and the children in our community! If you have any questions, please contact the program coordinator, Amy Herring, at 779-2457.

School Board Meets With Attorney

The McLean School Board met in yet another special meeting on Sept. 24. Attending were Board members, John Holland, Joe Riley, Billie Ward, Toni Bohlar, Don Dorsey, Neal Odom and Mike Darsey; Elementary Principal Dick Crockett, Leslie Darsey, Secretary Margaret Milam, Pam Crockett, Vonda Averett,

GRANT

Grants to communities that have used their grant money for projects including recycling programs, support for the Keep Texas Beautiful and Don't Mess with Texas Adopt a Highway programs and restoration of historic business districts. This year SBC will award \$139,250.00 in Economic Excellence Grants to 54 recipients in communities throughout Texas.

Ben and Mindy Reeves, Shandee Tolleson, Jim Shaw, Creed Lamb, Brian Quisenberry, Jim Bob and Terri Adams, Sally Bohlar, Betty Warren; from Region 16 were Don Percy, Vicki Eaton, and Cecilia Lemons; and School Attorney, Ken Fields.

Fields stated that he had sent a copy of the audit to Western Surety Bonding Co. and let them know what was going on.

The Board moved into executive session at 7:07 to discuss the matter of Superintendent Griffin with the attorney.

Upon the return to open session at 7:30, Mr. Fields requested the motion made at last week's meeting be amended. Board member Neal Odom made the motion as follows: "I

wish to restate and remake the motion previously made regarding John Griffin: I move to suspend Superintendent John Griffin without pay, and to notify Mr. Griffin of the proposed termination of his contract as Superintendent for good cause, including breach of fiduciary responsibility, and in particular, misapplication of public funds, as reflected in the audit report by Lewis Meers, CPA. Also I would ask that we direct the school attorney, Ken Fields, to draft such notice and deliver to John Holland, Board President, for his signature for mailing to Superintendent, John Griffin."

The motion was seconded by Don Dorsey and vote was unanimous.

Don Percy, Director of Computer Services at Region 16, gave a brief explanation of the services provided by the service center. Neal Odom asked specific question regarding the programs used for accounting, and the reports generated. The software used by the district is not able to produce the type of report that Odom was

requesting at this time. The group from Region 16 answered questions

from the board concerning the amended budget process.

Sue Griffin was terminated from any bus driving duties.

Mr. Griffin was also relieved of any bus driving duties. The two principals will interview

bus driving prospects to fill the districts needs.

The Griffins were notified by Mr. Crockett that their bus driving jobs had been terminated.

Discussion was held concerning policies for credit cards, cell phones and infants riding on buses. No action was taken, but these items will be discussed further at a future meeting.

After a brief discussion on the position of Interim Superintendent, the board agreed to hold a special meeting on Oct. 2 at 7:00 to discuss the matter further.

Under other business, Don Dorsey disclosed that a school employee had filled up a personal vehicle with gas on the school's account. There was no call for an executive session.

The meeting was adjourned at 9:45 pm.

THOUGHTS

stationed in Germany and assigned to the Communication Center at Ramstein AFB, Germany.

The controller that called me asked me what to do regarding the instruction to initiate our emergency recall plan and put the disaster team in place. I asked him if he's authenticated the message and he confirmed that he'd done so twice before calling me. I told him to do as the message instructed and I was getting myself ready to report to our command post, this was hours before we bombed Kadafi.

Aside from the military stuff, my mind was on my family and yours, the security we take for granted was violated because we are a free nation. Is our freedom worth all that happened today? I think it is. We may have our problems but are a great and powerful nation. Our greatest freedom is the one we have in our worship.

While our leaders are trying to figure what happened, who did it, and hopefully how to prevent it, we have the answer in our almighty God. In hearing our congressional leaders proclaim America today from Washington and upholding our constitution, I just hope they some day soon will revert to the very principles our forefathers established in 1776. Our very leaders have driven us away from God and yet like most of us, when the going gets tough, they pray. They pull together and get the job done. How great would America really be if they prayed more often? Just imagine being the real free nation our constitution meant for us to be, now imagine this being spread throughout the world. If it were, we wouldn't see the horrors of terrorism we've seen today. Maybe that's why we've been commanded to spread the gospel to all nations.

I spoke to a member of the Army 1st Infantry who served in the Gulf War. Bill Corley spoke with great pride about his country's Armed Forces. His first impulse was to go and re-enlist. He now serves the the Army

National Guard and is waiting to see if he will be called up. He was not surprised to hear of the attacks or the success that the terrorist had. He was surprised at how long it took. He said our borders are not only open, but welcome people in. He believes our country needs to do what ever it takes, however long it takes to root these criminals out. He doesn't believe air strikes alone will be successful, and believes it will take a long time. He said that while in the Gulf, he worked with the Syrians, Kuwaitis, Saudi Arabians, and the Egyptians. He does not believe that most Muslims are extremists. He believes that if Israel stays out of it, we may get the cooperation of these nations.

MCLEAN SHINES AT LEFORS TRACK MEET
