New Tiger Post Staff Members Selected on Grades

New staff members for the Tiger Post, McLean High School newspaper, were selected last week on a basis of the grades made in the journalism class.

The six new staff members were chosen from the eight students making the highest grades. The six are LaWanda Spald, managing editor; Elsie Rain, editor; Billy James Rain, assistant editor; Johnny Griffith, business manager; and Leslie Williams, art editor.

The other two students in the class were Jessie Seay and Lynn Mintoosh.

Rites Are Held in McLean for W. L. Hancock

Funeral services for William W. Hancock, well-known 60-year-old resident of McLean, were held Wednesday afternoon at 3 o'clock at the First Baptist Church.

Funeral services were conducted by Rev. Stephen Baptist pastor, assisted by Rev. H. A. Longino, pastor of the First Methodist church. Interment was in Hillcrest cemetery under the direction of the Womack Funeral Home.

Hancock had been in ill health some time. He underwent a major operation a few months ago and had been able to be up and at work. He was taken to a hospital recently, and relatives and friends had held little hope that he would recover. Death came Sunday night after he was returned to McLean.

Hancock was born December 15, 1887, at Weatherford, and was 61 years, 10 months, and 7 days old at the time of his death.

On October 12, 1913, Hancock was united in marriage to Ethel B. Hancock of Lakewood. She preceded him in death July 20, 1947. A son, J. L., also preceded him in death November 22, 1943.

The family moved to McLean in 1918 from Memphis and had lived here since that time. He was a member of the Baptist church, and a former member of the Odd Fellows lodge. He had worked in farming for a number of years, and shortly before his death he was serving as night watchman in McLean.

Survivors include one son, Cleve Hancock of McLean; three daughters, Mrs. Juanita McDoom of Sulphur, Mrs. Naomi Chapman of Lockney, and Faith Hancock of McLean; four brothers, George, M. and W. S. of Lakewood, and Oscar of Memphis; and three sisters, Mrs. Stanley Carlisle of Brandon, Mrs. Homer Hatfield of Canadian, and Mrs. T. H. Yeager of Littlefield.

Funeral services were held at 3 o'clock at the First Baptist church, with Rev. Stephen Baptist pastor, assisted by Rev. H. A. Longino, pastor of the First Methodist church. Interment was in Hillcrest cemetery.

HOW THEY FARED

Week's Games:

- Borger B 12, *McLean 6
- *Shamrock 8, *Clarendon 7
- *Wellington 14, *Memphis 12
- *Lefors idle
- *Denotes 2-A teams.

Week's Games:

- Memphis at McLean
- Clarendon at Lefors
- Wellington at Tulla
- Shamrock, open date.

Home's Standings:

McLean	W 1
Shamrock	6.2
Clarendon	5.2
Lefors	4.2
Wellington	4.3
Memphis	2.3
Denotes	6.8

Station KEVA Building Under Construction

Construction of the first unit of the public block building to house KEVA, the East Panhandle's own radio station, is under way, and Claude Hinton of McLean, contractor, hopes to have the structure ready for installation of transmitter equipment early in November.

The first unit is 28x25 feet and will serve as a combination studio-transmitter room and business office. Plans of owners call for a second unit of the same size later.

Walter Turner of the Graybar Electric Co. of Dallas, representing the Western Electric Co., will begin installation of the radio equipment early in November. At the same time a construction crew from a Fort Worth steel construction company will begin erection of a 200-ft tower and laying of ground wires on the 450-ft tract of ground.

John Kennedy, KEVA manager, is working on advertising and program phases in the hope he can put the 250-watt station on the air early in December. He said the four towns of Wheeler, Erick, Wellington, and McLean will be given the same consideration as Shamrock in planning program and advertising time.

Advertising rates of KEVA are the lowest of any radio station in West Texas.

Kennedy will shortly announce his staff which will consist of a program director-commercial manager, two engineers, lady book-keeper-receptionist, advertising solicitor, and news reporter. He would prefer employing local people if he can find them with sufficient experience or knowledge.

Organizations and individuals having program suggestions are invited to contact Manager Kennedy without delay.

Nation's Voters to Ballot Tuesday

Hallowe'en Carnival Saturday

Baptist Church At Alanreed Nearly Finished

The Alanreed Baptist Church will be completed in about three weeks, according to L. P. Fort, pastor.

The Alanreed community as a whole is proud of this church and it has been built by labor and contribution from a general cross-section of many other denominations helping the Baptist, the pastor said.

The church, when completed will have cost about \$12,000. It will be modern in every construction detail. There will be several classrooms for age groups, an auditorium equipped with factory built pews, a kitchen in the basement with ample room for banquets, and a nursery for infants will be installed. The building is of masonry construction and plastered inside walls with celotex ceilings, giving the best acoustical effects. It is planned to make the church program one that the community will enjoy and participate in, the pastor said.

It is hoped that visual education can be obtained and the best of Christian films will be used to teach young and old. The building has a belfry and each Sunday the bell toll may be heard for miles to remind all that it is time to "Remember the Sabbath to Keep It Holy."

The Sunday school service will be the best possible for old and young.

Alanreed P-TA Plans Carnival Friday Night

One of the biggest, and usually best well-attended, events of the year at Alanreed will be held Friday night when the annual Hallowe'en carnival is staged.

The carnival, to be held in the gymnasium Saturday night beginning at about 7 o'clock.

Big events, of course, will be the coronation of the queen, crowning the carnival near the close of the many concessions which classes will sponsor.

Five girls are entered in the Harvest Queen contest, one candidate from each of five classes. The candidates are Bonnie Willis, representing the senior class; Gloria Stewart, junior class; Patsy Lowry, sophomore class; Treva McConaghe, freshman class; and Dorothy Willis, 8th grade.

Votes for the candidates are one cent each, and each class has devised various means of raising money. Part of the money will go for the expansion of the high school library, and part to each of the participating classes.

No contest for a grade school princess is being conducted, although one will be elected by the students there. In addition, a grade school ring bearer will be chosen.

Last year's carnival attracted a capacity crowd at the gym, and this year's event is expected to be just as successful.

There will be all types of concessions, including a spook house, house of horrors, fishing pond, wedding bureau line, and just about everything else that goes along with a regular carnival. About all that will be missing will be the big rides which are featured in professional carnivals.

Presidential, Senatorial Races Are Most Active in Texas

Local Grid Team Keeps 9th Place in Weekly Rating

The McLean Tigers, despite a loss by the Reserves to the Borger Bull Pups, held on to their 9th place ranking made weekly by Frank A. Godsoe Jr., Amarillo News sports writer.

The Phillip Blackhaws and Levelland Lobos were given a tie for first place ranking by Godsoe.

Others in the first 15 are as follows: 1. Perryton Rangers; 2. Fox Antelopes; 4. Lockney Longhorns; 1. Sandow Roughnecks; 4. Shamrock Irish; 7. Lefors Pirates; 8. Wellington Skyrockets; 8. McLean Tigers; 10. Tulla Hornets; 11. Littlefield Wildcats; 12. Spar Bulldogs; 12. Dalhart Wolves; 14. O'Donnell Eagles; 15. Sudan Hornets.

One of the most talked-about general elections in the history of the United States will be held next Tuesday.

The reason for most of the talk in the U. S. is the large number of candidates, the so-called three-way split in the Democratic party, and the disagreement between the North and the South.

Polls will be open from 8 o'clock in the morning until 7 at night.

In Texas, the election is stimulating more interest than usual due to the race for U. S. Senator Lyndon Johnson, who was finally certified as the Democratic nominee, is facing Jack Porter, the Republican nominee who has the backing of Johnson's Democratic opponent in the primaries, Coke R. Stevenson.

All in all, the election will be one of the warmest in many years, and heavy balloting is expected throughout the U. S.

In the race for president and vice president are candidates from the Democratic, Republican, States' Rights, Prohibitionist, Progressive, and Socialist, and voters have two or more columns for independent candidates and write-in choices.

The Democratic candidates, Harry S. Truman and Alben (Continued on back page)

McLean, Memphis to Play Friday

The McLean Tigers, defeated in their last two gridiron battles, will be ready, willing, and able to go undefeated for the remainder of the season when they meet the Memphis Cyclone, an 8-time loser, on Tiger Field Friday night. The game will start at 7:30 o'clock.

The Tigers, upset by the Wellington Skyrockets two weeks ago by a 13-7 score and then downed by Borger B 13-0 when the locals fielded a team of reserve players, will be favored over the oft-defeated visitors.

But the game is not expected to be a pushover. Memphis has lost to Wheeler 43-7, Quannah 21-7, Hollis 35-0, Elk City 19-12, Lefors 18-7, Shamrock 19-0, Diamond Hill of Fort Worth 33-0, and Wellington 14-12.

The trouble is, however, that the Cyclone has shown improvement in each game. Their main weakness is in tackling a runner after he once gets through the line, but the rest of the defense has been good this season.

The Cyclone offense has been good on occasions. Their backs led by Leroy Green, have shown a great deal of polish, but the offense has been bogging down almost every time the team reaches the opponent's 25 or 30 yard line. Green has also done well in the passing department, and the visitors have pulled several trick pass plays in their games thus far.

The Tiger team is expected to be in good condition, physically, for the Memphis game, barring practice injuries this week. Johnny Hayes, injured in the Wellington game, is expected to be ready for play again.

Most of the starting eleven for (Continued on back page)

Indian People Hit Hard by High Cost of Living, Missionary Says

A missionary to India for the past 36 years, Miss Lena A. Boyd, was a visitor in the home of Mr. and Mrs. J. M. Payne last weekend, addressed members of the First Presbyterian Church Sunday morning and evening, and then spoke at a McLean High School assembly Monday morning.

Miss Boyd, who is home on a furlough, plans to return to India at the end of the year's furlough, although she will be eligible for retirement. She will devote her time and energy when she returns to working for the betterment of the Indian widows.

India and its people are different from those in the United States, Miss Boyd explains. Most noticeable is the difference in the towns and cities from those in the U. S.

Miss Boyd explains that the villages are, for the most part, simply a congregation of farmers who choose to build their small adobe homes in one central gathering spot, rather than to live on their own farms. Some of the larger villages may have a few stores where necessities may be bought, but the smaller villages are merely a collection of farm-homes.

The high cost of living is hitting harder in India, too, perhaps harder than here in the U. S. Food and clothing are not as high there as here, but the cost of necessities has advanced much, much more than wages.

The visitor told of one family of three whose income is only \$30 per month in American money, yet that family can get (Continued on back page)

J. Fred Smith Ill in Fort Worth

J. Fred Smith of Fort Worth, son of W. M. Smith of McLean, and a former resident of McLean, was in serious condition last week, following a sudden illness.

His brother, Ruel Smith of McLean, said early this week that his condition was still serious, although he was reported as some better. He became ill Saturday, October 16, and was most serious the following day.

Borger B Downs Team of Tiger Reserves

Playing without the help of nine of the starting eleven, the McLean Tigers dropped their second straight game last Thursday night to the Borger Bull Pups, B team of Borger High School, in a non-district tilt on Tiger Field. The score was Borger B 12, McLean 6.

Only two of the regular Tiger eleven played. They were Bobby Kramer, end, who was shifted to the backfield for the Borger game, and Bob McConaghe tackle. The other nine regular starters—Johnny Griffith, Johnny Hayes, L. M. Watson, and Junnie Newton, in the backfield; and Bobby Bruner, Johnny Vineyard, Jack Brooks, Lee Roy McCracken, and Vernon Turner—did not suit out for the game.

The reason for playing reserves and members of the local B team against Borger was this: Should there be a three-way tie for the title, the teams would flip a coin (Continued on back page)

and the odd one would be out of the district title. Should there be a two-way tie, the two teams would play for the title. Under the Scholastic League rules, no boy can play more than ten games and still be eligible for the state championship play-offs.

By playing the reserves and members of the B team last Thursday night, Coach Al Damon will still be able to field a first-string team in the event McLean winds up in a tie for the district with another team.

The Bull Pups scored early in the second quarter, and again in the third. Wilkinson, set back for the visitors, made both of the markers, one from the 90-yard line and one from the 5. He also did the passing and the punting for the Borger eleven, as well as the signal-calling.

The visitors made 6 first downs, McLean 4.

The Tigers never threatened to score, although Kramer made a number of nice runs. He was also the outstanding defensive star of the game. Donald Cunningham likewise did some nice running, and on two occasions punted out on the Borger ten-yard line. His punting was one factor which kept the visitors from winning by a higher score.

The Bull Pups, in the first quarter, worked the ball to the McLean 20, but there the Tiger line held and the visitors lost the ball on downs. Cunningham punted out on the McLean 41. From there the Bull Pups worked the ball to the 30, from which marker Wilkinson went over. His attempt to run the ball over for the extra point failed.

The remainder of the first half was played between the two 30-yard lines.

In the third quarter, the Bull (Continued on back page)

Hospital Plans Dissolution Of Corporation

Dissolution of all funds of the McLean Community Hospital project was announced this week by the attorney named for the dissolution, S. G. Robinson.

In a legal notice appearing in this week's issue of The News, the hospital group states that a certificate of dissolution "has been filed with the Secretary of State," since the corporation is unable to carry out plans for building and maintaining a hospital.

Reason given for the failure to carry out the plans is "on account of failing to obtain sufficient funds for that purpose."

The notice is being given to all members and stockholders who have either executed their notes or paid cash into the fund of the hospital.

The notice further states that such members and stockholders should see Robinson, the attorney for the corporation, for the notes or cash, which will be returned "upon the necessary expenses that have accrued or will accrue in the dissolution of the company."

Miracle Hat

For only two dollars any woman can have as many hats as she has scarves, thanks to the "Bobbin" shown above as presented exclusively in the October issue of Cosmopolitan magazine. A patented invention, the "Bobbin" is a rolling frame, double at front, single at back. With the "Bobbin" in her wardrobe, any woman can have as many hats as she has scarves. She doesn't have to be ingenious. She just winds a scarf around the "Bobbin" as shown at lower left. Top shows the "Bobbin" with a sequined scarf, which makes it the perfect hat for dancing. Lower right shows the "Bobbin" adorned with a bold plaid scarf, which makes an ideal out-door hat. Designed by Jamie Ballard, it is expected to make hat history all over America this fall.

Circle of W. M. S. Meets at Church For Bible Study

The Baptist Women's Missionary Elizabeth Pool circle met Tuesday afternoon in the church parlor for Bible study under the leadership of Mrs. George Colebank.

The business session was in charge of Mrs. E. L. Price, circle chairman. Special prayers were offered.

Those present were Mesdames George Colebank, Leo Gibson, R. L. McDonald, Bunia Kunkel, T. A. Langham, Ray Stephens, Luther Petty, Homer Abbott, and John Cooper.

The next meeting will be a Foyal Service program held at 7:30 with members of the Nina Hankins circle giving the program and the Elizabeth Pool circle furnishing the refreshments.

Circle of W. M. U. Meets in Home of Mrs. Montgomery

The Nina Hankins circle of the Baptist W. M. U. met in the home of Mrs. C. J. Montgomery Tuesday evening for mission study.

It was voted to study "Christianity, Our Citadel," by Roland Q. Leavell.

Coffee and cookies were served to the following: Mesdames Leroy Williams, Howard Williams, Boyd Smith, Granville Boyd, Cohen Callegly, C. B. Lee Jr., and Miss Margaret Glass.

Arval Montgomery and Albert Cooper of Shamrock were business visitors in McLean Monday.

Mr. and Mrs. C. B. Lee, C. B. Lee Jr., John Kelly Lee of Lubbock, and Mrs. R. L. Bonner Jr. of Jarkboro attended funeral services in Oak Grove, La., Wednesday of last week for their father and grandfather, J. W. Chapman.

Miss Olivette Rheiner of San Antonio is visiting this week in the home of Mr. and Mrs. C. W. Bogan.

Uncle Sam Says

Farming is a combination of a business and a home. And you farmers realize that a well-managed business must maintain a financial reserve as security against future needs and emergencies. This reserve is built up during the good years, like this one, when many crops are the biggest in history. It must be in the safest possible form and always available. Nothing meets these requirements so well as U. S. Savings Bonds. You know that Savings Bonds provide more security than cash because they will be replaced if lost or stolen and they also bear interest, paying \$4 for every \$3 invested, in ten years.

Farewell Supper At Church Honors Rev., Mrs. Stephens

Members of the First Baptist Church honored Rev. and Mrs. Ray Stephens at a farewell supper Wednesday night at the church. Rev. Stephens will conduct his last services at the church Sunday. He plans to move to his new pastorate at Spearman today, but will return for the Sunday services.

During his 16 months as pastor of the Baptist church here, a total of 126 additions to the church have been made. The present resident membership is 414. Contributions during his period of service here have totaled (to October 1) \$15,548.19.

A number of projects have been completed. Indebtedness against the church of \$2,000 has been paid. The church nursery has been remodeled, and large air conditioners have been installed in the main auditorium. Work is being done this week on raising of funds for purchasing a heating system for the church.

As a member of the Pan-Fork Encampment, the church has built a camp house at the already well-known grounds near Wellington.

Bake and rummage sale each Saturday in the bakery building Presbyterian ladies.

Melody Club Has First Piano Recital In Hughes Home

The Melody Club met October 24 in the home of Lota Mae Hughes in Kellerville for a recital. Hostesses were Mary Beth D'Spain and Norma Chapman.

Miss Hughes presented her pupils in their first piano recital. Gail Sargent, Maymie McPherson, and Mary Lou Tinkler each gave an oral review of music theory.

Those on program for piano numbers were Janet Haslam, Mary Lou Tinkler, Sue Gray, Joyce Nicholas, Gail Sargent, Ginger Jones, Audra Sargent, Barbara Jean Hughes, Maymie McPherson, Druella Sargent, and Donnie Haslam. In conclusion Lota Mae played "Nalaguena," by Ernesto Lecuona.

It was also announced that the club would meet once each month for a recital and business session. The officers are: Barbara Jean Hughes, president; Mary Lou Tinkler, vice president; and Druella Sargent, secretary.

Refreshments of cookies and punch were served to 50 guests and members.

Mr. and Mrs. Joe Back and daughter, Mrs. Everett Clark and children of Carter, Okla., visited last week-end in the homes of Mr. and Mrs. Jim Back and Mr. and Mrs. J. R. Glass.

Miss Railsback Is Given Party On 4th Birthday

Miss Margie Ruth Railsback was complimented with a party Tuesday afternoon, October 26, on her fourth birthday anniversary, in the home of her mother, Mrs. J. J. Railsback.

Hallowe'en decorations were used throughout the entertaining rooms, and favors of Hallowe'en candy and balloons were given to each guest.

Attending were Marsha Nell Andrews, Frankie Sue Magerkurth, Toni Mertel, Janet King, Mary Ann Carter, Pat Shadid, Rose Mary Parker, Rebecca Barker, Frankie Tucker, Joyce Beasley, Lou Ann Graham, Carey Don Smith, Gary Bizell, James Carter, Mrs. Guy Beasley and daughter, and Mrs. Mary E. Harlan.

TO JOHNS HOPKINS

Mrs. Logan Cummings left Tuesday night for Johns Hopkins Hospital in Baltimore, Md., to take her baby daughter, Mary Jane, to a specialist. A diagnosis at Mayo's in Rochester, Minn., recently revealed that the baby has glioma in the eyes. Mr. and Mrs. Cummings have some hope that something may be done for the baby's vision, although the doctors at Mayo's gave little hope when the baby was taken there.

Visitors Honored At Chicken Dinner In Railsback Home

A chicken dinner was given Friday, October 22, in the home of Mr. and Mrs. J. J. Railsback honoring Mr. and Mrs. Maurice Armstrong and Mrs. Allie Mae

Herron of Lefors, and Mr. and Mrs. Edward Gething of Leliston. "42" served as entertainment throughout the evening. Others attending were Mrs. Alma Turman, and Mr. and Mrs. A. H. Patton.

Modern Olympic games were first held at Athens in 1896.

Miss Lena Boyd Guest Speaker At Auxiliary Meet

The Ladies Auxiliary of the Presbyterian Church met Sunday, October 25, in the church parlor.

Mrs. A. B. Haynes of Canyon presented the guest speaker, Miss Lena Boyd, a returned missionary from India. Miss Boyd gave a very interesting description of the different religions of India.

Refreshments were served by the hostesses, Mrs. J. B. Hemminger and Mrs. Arthur Erwin, to Mesdames Curt Meyers, F. H. Williams, P. E. Hambricht, C. O. Woodman, Mattie Graham, H. E. Hicks, Mittie Paschal, C. E. White, K. E. Windom, Travis Johnson, Don Alexander, A. B. Haynes of Canyon, and Miss Boyd.

WONKED AT DINNER

Glenda Joyce Smith, daughter of Mr. and Mrs. Ruel Smith of McLean and a senior at Colorado State College in Denver, was honored by being selected as one of eight students who were dinner guests of the college president, James E. Huchingson, and his wife recently. The dinner was held in the Mason dining room on the campus Sunday, October 17.

Rice Makes the Stew

By FRANCES BARTON

Rice makes the stew. Or should we say that rice makes the stew go further? There are many ways to concoct a stew—you can start from scratch, with one of the less expensive cuts of meat, and raw vegetables. Or you can take leftovers and make up a stew that's quick, easy and a meal in itself. Either way, the addition of a rice adds greatly to the look, and over-all appetite appeal, especially if the rice is white and fluffy. And the quantities of necessary ingredients can be 1-2-3-4-5-6-7-8-9-10 to go a lot further when served on a bed of rice.

A one-dish meal of stew with rice is as simple as A.B.C. to prepare, thanks to a new pre-cooked rice—Texas grown and Texas processed—now on the market in this area. And the rice that results is wonderfully light and fluffy—perfect rice every time.

with each grain separate. No washing, no rinsing, no draining, no steaming necessary. Home-makers in the Lone Star State who know how well rice combines with other foods, will find this new pre-cooked rice the perfect mainstay for quick-quick meals.

Quick Stew with Rice

Serve a mound of fluffy rice with stew made from leftover meat and vegetables for a thrifty, speedy meal. Simply heat the cooked diced or cubed meat with gravy. Mix with cooked vegetables such as carrot slices or small white onions and continue cooking until heated through.

Pre-cooked Rice

To prepare enough rice for 4 or 5 servings, place contents of one package (3 1/2 cups) of pre-cooked rice in saucepan. Add 1 1/2 cups cold water and 1/2 teaspoon salt. Bring to a full rolling boil. Remove from heat, cover, and let stand in a warm place about 10 minutes. Before serving fluff rice gently with a fork.

Bentley Honored At Dinner While Visiting in Georgia

M. D. Bentley, who has been visiting in Atlanta, Ga., and other Eastern points for the past two weeks, was honored at a dinner by Mr. and Mrs. Fortson T. Gunn at Crawfordville, Ga. Sunday, October 17.

The barbecue dinner was given at Camp Stephens. Mr. Bentley returned Tuesday from his visit. It was his first occasion to visit there in 53 years.

Present at the dinner were a large number of relatives and friends.

Sunday visitors in the home of W. L. Hancock and family were Mr. and Mrs. Frank Boyles, Mr. and Mrs. Walter Gentry, Miss Opal Boyles, and Mrs. Ola Thumle, all of Wellington; Mr. and Mrs. Bob Moore, Mildred, Margaret, Anne, and Slick, of Claude; Mrs. Stanley Carlie of Clarendon; Mrs. Scott Hancock, George Hancock, and Isaac Hancock, of Memphis.

NEWS FROM KELLERVILLE

Mr. and Mrs. E. D. Morris were called to Oregon last week on account of the illness and death of a brother of Mrs. Morris. We extend our sympathy.

Mr. and Mrs. Byron Holley took R. M. Holley to Dallas last Thursday for medical treatment.

Mr. and Mrs. Darwin Allen announce the birth of a daughter Oct. 21 at Worley Hospital. She weighed 7 pounds and 7 ounces. Rev. and Mrs. Tommy Austin and children have returned from a two weeks vacation at various points in Texas.

Mr. and Mrs. K. L. Bruton and Lee of Amarillo spent the week-end visiting their parents. Mr. and Mrs. R. M. Both of McLean, and Mr. and Mrs. J. M. Bruton of Kellerville.

Miss Pac Cecil, who has been visiting her sister, Mrs. Jack Harris, has returned to her home in Torrance, Calif.

Mr. and Mrs. Jack Harris and Mary attended the wedding of Mrs. Harris' cousin at Elk Cloy, Okla., Saturday.

Mrs. Rachel Vance of Panhandle is visiting in the home of her daughter, Mrs. Byron Holley, and staying with Ronnie while Mrs. Holley is in Dallas.

Duane McPherson, son of Mr. and Mrs. Ollie McPherson, has gone to San Antonio for military training.

The Kellerville Baptist Church ordained W. H. Barnes as a full gospel minister Sunday afternoon. The Presbytery was composed of moderator, Tommy Austin of Kellerville; applicant was questioned by M. B. Smith of Wheeler; charge to the church was given by Dan Belts of Letors; charge to the candidate was given by James Bryant of Mobeetie; presentation of the Bible by E. C. Derr of Sonawock; ordination sermon by A. J. Quinn, district missionary, of Amarillo; ordination prayer by L. P. Fort of Albrecht. Other ministers composing the Presbytery were Ray Stephens of McLean, and R. L. Milton of Lone Mount. Singing was led by Veldon Lewis of Borger.

Miss Mildred Holloway, who is taking nurses training at Lubbock, spent the week-end in the home of her parents, Mr. and Mrs. Clyde Holloway.

100 THINGS

HERE'S MORE questions and answers from the booklet, "100 Things You Should Know About Communism in the U. S. A.," published by the House Committee on Un-American Activities. Next week will conclude the series which The News has been carrying.

84. What central organization controls all the Communist Parties of the world?

An organization originally set up in Moscow by the government of Russia, and known as the "Communist International" called Comintern for short. It has since changed its name to "Communist Information Bureau" and is known as the Cominform.

85. Who is the most important Communist in the United States today?

The Cominform representative.

86. Why is he here?

To see that American Communists follow the orders of the Soviet-directed Cominform in all things.

87. Do they?

Yes.

88. Has any representative of this central organization ever been caught?

Yes. For example, over a period of 12 years one Gerhart Eisler, alias Brown, alias Edwards, alias Berger, did such work, making regular trips between the United States and Europe. On February 6, 1947, his activities were exposed by the House Committee on Un-American Activities and he has since been convicted in court of perjury and contempt of Congress.

89. What is the best way to combat Communism?

Detection, exposure, and prosecution.

90. Are these things being done?

Millions of dollars have been spent by the Federal Bureau of Investigation, Army and Navy Intelligence, and other executive agencies to detect and keep track of Communists since the party's organization in this country a generation ago. Exposure in a systematic way began with the formation of the House Committee on Un-American Activities May 26, 1938. Prosecution of Communists, as such, has never taken place in this country, as yet.

91. Have any Communists been prosecuted on other grounds?

Yes. For violations of such laws as those governing passports, immigration, perjury, criminal syndicalism, and contempt.

92. Is this enough?

No. The House of Representatives maintains this Committee on Un-American Activities to study the problems of Communism and all other subversive movements and recommend the new laws if it feels they are needed.

93. Has the committee made any such recommendations?

Yes. The latest is H. R. 5852, known as the Mundt-Nixon bill which passed the House of Representatives on May 19, 1948, by a vote of 319 to 58.

94. What does this bill do?

The main points are: To expose Communists and their fronts by requiring them to register publicly with the Attorney General and plainly label all their propaganda as their own. To forbid Communists passports or government job. To make it illegal for ANYBODY to try to set up in this country a totalitarian dictatorship having ANY connection with a foreign power.

LES TALK

BY LESTER

Personally, I thought the reserves and B team members made a good showing against a pretty slick Borger B team last Thursday night. It certainly was no run-away. Of course Bobby Kramer, first string end who was playing the backfield, had something to do with the difference. He was a whiz on defense as well as offense. And Bob McConaghie, the other regular who played, did a bang-up good job. And so did several others, including Donald Cunningham. Among Cunningham's more outstanding accomplishments in the game were his two punts which he very carefully booted out on the Borger 10-yard stripes. Two such punts in one game is pretty good kicking against any team. And one time he had to pick the ball up off the ground before he got to kick it.

For those of you who don't understand why Coach Al Duncan didn't let his first string play, here is the answer. I'll explain it step by step.

First of all, the district 2-A race can easily end in a tie this year, the way things are staking up at the present time. Should there be a three-way tie, the representatives of the three teams meet and a coin is flipped. The team getting the odd coin is eliminated from the race, and the other two play off the tie. Should there be a two-way tie, the two teams meet and play that off.

Now then, under the Inter-scholastic League rules of Texas, no boy can play in more than ten games prior to the beginning of the state championship play-offs. So far this season, all of our first string starters had played in every game—with the exception of Bobby Kramer and Bob McConaghie, who missed the first game. Kramer missed the first two games. They, therefore, could play against Borger, play in the remaining three games, and still not have played in but nine games.

In the event McLean should wind up in a tie for the district title with another team, Coach Duncan will have a full team to field, since no boy will have played in more than nine games.

That's the reason the reserves and B team members played in the Borger game.

There are several possibilities in the way this district title could get tied up. But here is the one which has the most likelihood. I sincerely believe we will go ahead now and win our remaining three games—Memphis this week-end, Shamrock the next, and Lefors the next. I also think Lefors will go ahead and win all of theirs except the one with us. In that event, we would have lost only one, and Lefors only one. But suppose Wellington beats Lefors and we do, too, and then Wellington beats Shamrock—oh, well, you see what I mean when I say there are several possibilities.

Incidentally, I understand the

Memphis eleven stayed ahead of Wellington most of the game last week-end at Wellington. Finally the Rockets got loose on a long run to pull out in front. So Memphis has a much better team than the record shows. It's not likely to be any pushover for McLean this Friday.

Another angle is this. I understand that the Shamrock coach, Scott McCall, used only two regulars in his game with Clarendon last week-end. They were Briggs and Lea, who missed the Lefors game, and therefore will have played in only nine games at the end of the regular season. Apparently McCall is anticipating a possible tie for the district title, too. I am telling you this, so that you won't get too elated about our chances with Shamrock—for it's gonna be a hard game.

Ed Haynes, editor of the Miami Chief, had troubles last week. His press broke down just as he was half through printing the Chief. So he bundles up his type and paper, and comes over last Thursday night and printed part of his paper on our press. We were very happy that we could help him out that much.

That's the redeeming feature of the weekly newspaper business. Any time you get in trouble with machinery, help shortage, etc., almost any other publisher will help you as much as he can. There's a fraternal touch to the business which I certainly like.

Ed would have been glad to do as much for me as we were able to do for him.

I have thought up a good slogan to keep in mind when going to out-of-town football games. Drive carefully—it's better to miss the kick-off than the whole game.

That's pretty clever for me to think up.

I thought fresh strawberry season was over, but I'm sure glad it isn't. Mrs. S. J. Dyer brought me another batch of the delicious berries (oh, how I love strawberries), and I am at a loss in trying to think up words to thank her. Anyhow my stomach is sure thankful.

Henry IV of France, in the Edict of Nantes in 1598, granted toleration to the protestant religion. Louis XIV revoked it in 1685.

There are 15 men on a rugby football team.

Free AIR

A man should work eight hours and sleep eight hours, but not at the same time.

You never see a person swallow a mouthful of milk, make a face, choke, cough, and explain: "Boy, that was good!"

Dude: "Why do you ride while your wife walks?"
Indian: "She no guttom horse."

The three ages of man are: school tablet, aspirin tablet, and stone tablet.

All joking aside, we want you as one of our many customers. We feel certain that you will not be disappointed in either our service or those good standard products.

Influenza Cases In State High

The 414 cases of influenza reported in Texas last month, bring the incidence of this disease up to forty per cent more than the seven year median, as shown from the figures submitted by the 181 counties sending in reports to the State Health Department.

Influenza without complications may be a fairly mild ailment according to Dr. Geo. W. Cox, state health officer, but, he pointed out, complications can turn this disease into a dangerous condition very quickly.

"Many cases of influenza are mild," Dr. Cox said. "Often they lend themselves to treatment readily. However, two important factors enter into the treatment of influenza, and they are, calling the family physician as soon as the first symptoms appear, and taking life very easy for a reasonable length of time after

the acute stage has subsided." Dr. Cox declared that influenza is not mass-controllable. He em-

FLASH!

Chevrolet... Leader in Value

Your choice for QUALITY on all these counts

...at prices that are lower than those of any other car in its field!

Your No. 1 Choice for RIDING SMOOTHNESS	Your No. 1 Choice for PERFORMANCE with ECONOMY	Your No. 1 Choice for ALL-ROUND SAFETY	Your No. 1 Choice for TASTEFUL BEAUTY
---	--	--	---------------------------------------

Men and women agree that Chevrolet gives a much smoother, steadier ride than other cars in its field. The reason is that Chevrolet alone has the original Unitized Kne-Action Ride, backed by more than 14 years' experience in building Kne-Action units. This feature is found elsewhere only in higher-priced cars.

You'll enjoy much finer performance with economy in Chevrolet. Its world's champion Valve-in-Head engine holds all records for miles served, owners satisfied, and years tested and proved. And Valve-in-Head engine design, like so many other Big-Car features, is found only in Chevrolet and more costly cars.

You and your family will ride in safety, thanks to Fisher Unitized Body-Construction—safety plate glass in all windows—the road-steadiness of the Unitized Kne-Action Ride—and the stopping-power of Positive-Action Hydraulic Brakes—fourfold safety-protection exclusive to Chevrolet and costlier cars!

You know—and your friends know—that the emblem, *Body by Fisher*, is the hallmark of bodies that are better by far. Chevrolet's Bodies by Fisher reveal this finer quality in every detail, including the hardware, upholstery and all appointments. Naturally, these bodies are exclusive to Chevrolet and higher-priced cars.

LIBRARY NEWS

By Lady Bryant, Librarian

In looking through the books at the library, I find "The Golden Hawk," an historical novel by Frank Yerby.

Valuable reference material on file: Today's Thoughts on Today's Problems by Today's Leaders, as "Russia in Berlin," "Our United Nations," "Segregation of Negroes in the United States."

Ten new names were added to the files last week, making a total of 818 registered borrowers. Seeing this book is believing, but reading this book is a rich experience. "Peace of Mind" by Dr. Joshua Loth Liebman.

I need a copy of Saturday Evening Post, August 14, 1948.

Book week is coming soon, from November 14 to 20.

Don't forget: Bake and rummage sale Saturday in bakery building. Presbyterian ladies.

Mr. and Mrs. A. H. Patton and Mrs. Alma Turman were Amarillo visitors last week.

He Helped to Feed the World

EDGAR S. McFADDEN
TEXAS AGRICULTURAL EXPERIMENT STATION
COLLEGE STATION, TEXAS
(PART OF THE TEXAS A&M COLLEGE SYSTEM)

DEVELOPED NEW RUST-RESISTANT WHEAT NOW GROWN ON MILLIONS OF TEXAS ACRES.

MY VISITS ARE RUINED! (SOB)

WORKING ALONE IN FIELDS FOR YEARS, HE CROSSED WILD EMMERS WITH BREAD WHEATS, FINALLY DEVELOPED HOPE STRAIN - THEN AUSTIN AND OTHERS

READERS DIGEST AWARDED HIM \$2,500 FOR HIS "EXCEPTIONALLY MERITORIOUS ACHIEVEMENT" FARM JOURNAL CALLED HIM THE "DURBAN OF THE WHEAT FIELD"

HIS RESEARCH HAS INCREASED THE EARNINGS OF AMERICAN FARMERS BY MILLIONS!

WITH TEXAS PLANTED TO RUST-RESISTANT WHEAT, THE MIGRATORY SPORES WHICH CAUSE THE RUST PROBLEM WILL HAVE NO PLACE TO SPEND THE WINTER

GEE, GOVERNOR! IT'S FOR ME!

A MONUMENT HAS BEEN ERRECTED IN McFADDEN'S HOME TOWN, WEBSTER, N.D.

Edgar S. McFadden, agronomist for the United States Department of Agriculture, stationed at the A. and M. College of Texas since 1935, is credited with having done more than any other living man to feed this hungry world. Breeder of the first rust-resistant bread wheat, named "Hope," he has made it possible to grow wheat on millions of acres throughout the world where it could not be successfully grown before. His discovery is authoritatively credited with having saved American farmers \$400,000,000 a year during the past war and with having furnished bread for 25,000,000 people who would have died of starvation. His "Austin" wheat now grows on more than a million Texas acres and his new "Seabreeze" variety is spreading throughout the Gulf Coast area rapidly.

BOYCE HOUSE
"Gives You Texas"

Orators don't coin phrases like their predecessors did in the good old days.

For example, the one who referred to a political party with its motley groups as "held together by the cohesive power of plunder."

And Tom Corwin's phrase that if his native land were invaded,

"We would welcome them with hospitable hands to bloody graves."

A man who had just listened to a speech said it reminded him of "the peace of God" because "it passes all human understanding."

All that a Texan wants is what is coming to him—not any less but not a bit more. But some are receiving more than they are entitled to because of the greater growth in population of some parts of the state in comparison to others.

Representation in the legislature is not based on today's population as it should be—but what the population was 28 years ago.

The state constitution calls for redistricting after each census but there has been no redistricting since 1921. A few members of the legislature have blocked redistricting because they might have to run against each other.

They put their own political interests above their oath to carry out the constitution. They place their own selfish individual ambitions above doing justice to 7,500,000 Texans.

The folks back home do not share any such selfish view. Texans believe in a square deal; they are fair-minded.

That's the reason why Constitutional Amendment No. 2 should pass in the general election; it provides a sure way of bringing about redistricting every 10 years.

Food Poisoning In Texas High

From statistics compiled by the State Health Department, Dr. W. Cox, state health officer, has disclosed that a lack of proper refrigeration contributes materially to the total disease outbreaks for one year, caused from foods other than milk and milk products.

During the year, there were 299 outbreaks of diseases from contaminated foods, incapacitating 12,526 persons, 17 of whom died.

"The food poisoning was usually caused from contamination thru insanitary conditions, infections of food handlers, or of even more significance, lack of early and adequate refrigeration," Dr. Cox said. "Even when contaminated, foods will seldom develop toxins sufficient to cause poisoning if properly refrigerated promptly after preparation. Outbreaks caused have totaled nearly six times the number caused from water or milk."

The state health officer pointed out that the consuming public is, in many areas, protected by proper enforcement of sanitation standards for eating establishments such as are set up in the United States Public Health Service Milk Ordinance and Code. The public is entitled to a good, clean, safe and wholesome food supply, including milk which has been produced under strict sanitary conditions and properly refrigerated. This is a great protection against disease outbreaks caused by contaminated foods of various kinds, and Dr. Cox said this was especially obvious in view of the fact that no disease outbreak has as yet been traced to pasteurized grade A milk, which has been adequately refrigerated.

Miss Jewell Glass of Amarillo visited during the week-end with her mother, Mrs. Anna Glass.

Edwin O. Thompson of Memphis visited during the week-end with Mr. and Mrs. Lester Campbell.

Good eats at the bake and rummage sale Saturday in the bakery building. Presbyterian ladies.

Mealtime Magic

FUDGE CAKE

This cake is so-o-o good while it lasts, but we can guarantee that it won't last long. Always a favorite, this delicate, fine-flavored cake hits the bullseye for any occasion from party refreshments to family dessert. And what a delightful treat for an after-school snack!

Fudge Cake

- 1/2 cup fortified margarine
- 1/2 teaspoon salt
- 1 cup sugar
- 2 EGGS
- 2 squares melted chocolate
- 1 2/3 cup flour
- 2 teaspoons baking powder
- 1/2 teaspoon vanilla
- 1/2 cup milk

Cream together margarine, sugar, and salt. Stir in melted chocolate and beaten eggs. Sift flour, salt, and baking powder together and add alternately with milk. Add vanilla. Bake in two layers (8-inch) or square flat cake pan (9-inch) in a moderate oven (350° F.) for 20 to 25 minutes. Ice with chocolate icing (recipe below), and sprinkle top with coarsely chopped nuts.

Chocolate Icing

- 2 lbs. fortified margarine
- 1 egg yolk
- 2 squares melted chocolate
- 1 1/2 cups confectioners sugar
- 1/2 teaspoon salt
- 2 tablespoons cream

Blend margarine, salt, and egg yolk together. Add melted chocolate. Stir in sugar, beating to a spreading consistency.

For other taste-tempting recipes write today for your free copy of the two-color, 32-page recipe book, "Mealtime Magic," to National Motion Council, Box 18, Memphis

First Draftees To Take Exams

The first contingent of 19 men, 15 white and 4 Negroes, was scheduled to leave today for Lubbock from Pampa for pre-induction physical examinations. The group is the first from the area served by Local Board 52 of the Selective Service system to take their physicals.

C. H. Walker, chairman of the local board, stated that the area has been assigned its second quota of 17 men by November 11.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Leonard E. Morrison, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of December, A. D., 1948, at or before 10 o'clock a. m. before the Honorable District Court of Gray County, at the Court House in Pampa, Texas.

Said plaintiff's petition was filed on the 5th day of October, 1948. The file number of said suit being No. 9229.

The names of the parties in said suit are: Doris Jean Morrison as Plaintiff, and Leonard E. Morrison as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce. Plaintiff alleges that defendant was guilty of harsh, cruel, and inhuman treatment toward her and such conduct was of such a nature as to render their further living together as husband and wife insupportable and also for the custody of their minor child.

Issued this the 19th day of October, 1948.

Given under my hand and seal of said Court, at office in Pampa, Texas, this the 19th day of October, A. D., 1948.

DEE PATTERSON, Clerk
Dist. Court, Gray County, Texas.
By LOUISE STUART, Deputy.

Cotton Ed Says . . .

CONFIDENCE IS TURRIBLE ESSENTIAL

Man's a funny creature. He would go stark crazy if he didn't have somebody he could have confidence in. He's got to have confidence in his religion, an' in his family, an' in his friends 'fore he can be happy. An' he's got to have confidence in his government an' in the feller he does business with, or the things that we call government an' business would just fall plum apart. It's all based on confidence. That's the trouble in the furren countries today. Ain't nuthin ner nobody that a feller can put no confidence in.

I just been thinkin' 'bout them Elk Cottonoil Boys. I been doin' business with 'em fer forty-four year, an' I know from experience that you can depend with confidence on that outfit. They're our Paymaster Friends. They play a awful important part in this territory in the cotton gin an' oil mill business. Fact is, they're the backbone of it all. They're the ones that makes the good prices an' the good ginnin' an' the good service available.

Yep, they're shore a asser, an' it's a mighty good thing fer us and fer this community that we can depend with confidence on Elk Cottonoil Co.

Sincerely

COTTON ED

"Friendly as Cotton"

Did You Know Hayfever Is Caused By Love— Love of the Ragweed for Its Mate?

In the Fall a ragweed's fancy turns to thoughts of love and this month, throughout most of the United States, every up-blowing ragweed will be on the hunt for a mate.

All this seedy pursuit of happiness is all right for ragweeds. It's tough on you if you are one of the millions who suffer from hay fever as the result of inhaling pollen. In that case you cannot afford to look down your nose at the activities of the ragweed. Many of them may not be such other, but find your nose instead. Worse, they may have a date there.

In that case you ought to know about Neohetramine (2-(N-methylaminoethyl)-N-p-methylaminoethyl-pyrimidine hydrochloride) and don't sneeze at that either. This interesting sounding and acting drug, now made available by a product now made available by a prescription, has been found to give relief to 82 per cent of seasonal hay fever sufferers, and what is most remarkable of all with almost complete absence of deleterious, or "side," effects.

The tests, as reported by Dr. Leo H. Crip and Theodore Aaron of the University of Pittsburgh Medical School and Montefiore Hospital to the American Academy of Allergy, showed Neohetramine to be the most effective of all similar drugs. In fact the incidence of side effects was so low that they named it the "safest" antihistaminic.

Neohetramine, the physicians showed, has also proved startlingly effective in curing of irritating headache, bronchial asthma, the skin eruption known as urticaria, and allergic rhinitis. The tests were extensive, 124 hay fever sufferers being treated with Neohetramine by Drs. Crip and Aaron.

The development of Neohetramine is the result of clever medical detection work. Allergies are comparatively recent medical discovery. The word "allergy" has been in the language only half a century. It is now known that the inhalation of pollens, especially that of ragweed, can produce asthma, sneezing, face swelling and other allied symptoms. Many foods, shellfish and strawberries, for example, wool, cat fur and some of other things may cause serious unhappy reactions among those allergic to them.

When a disease germ enters the body, the body automatically sets up its own defense by manufacturing anti-bodies to combat the germ. Pollens and other allergens are also met in

the body with anti-bodies. But the real villain of the hay fever and other similar greivis is now believed to be a chemical called histamine which is normally found in minute quantities in most of the body tissues. Pollen and the antibodies it creates combine to cause the liberation of histamine in the body. The histamine in turn dilates the blood vessels so that the tissues which the blood vessels feed become swollen and gorged, like the stomach of a man who has eaten far too much. When the tissues of the mucous membrane of the nose get this indigestion of histamine, the result is hay-fever or perhaps rhinitis. Other tissues so afflicted may result in hives, asthma or worse.

Histamine thus acts as a sort of fifth columnist in the body for allergens. But it was only recently that histamine's devious underground work was discovered. Once that was established, however, the research laboratories got to work and developed the so-called antihistaminics. Of these, Neohetramine, as shown in the Crip-Aaron report, is the least likely to produce in the patient such side reactions as dizziness and drowsiness.

The antihistaminics have been found valuable also in other respects—notably in overcoming certain patients' allergies to drugs which it is necessary to administer to them. During a recent operation for tumor at Temple's University Hospital, penicillin injections had to be given a woman patient. To these she showed pronounced and

WMU Association All-Day Meeting Is Held at Lefors

The North Fork Association W. M. U. held an all-day meeting at the Lefors Baptist Church Tuesday of last week as a "School of Instruction." Lunch was served at the noon hour.

The associational president, Mrs. Claude Nichols of Lefors, called the meeting to order and introduced Mrs. Stanley Key of Perryton, district president, who gave a few words of greeting. Then introduced was Mrs. W. D. Howell of McKinney, who conducted two sessions of instruction in W. M. U. work.

Mrs. Howell introduced the guest speaker, Miss Miriam Willis, formerly from Cliff Temple Baptist Church of Dallas, and now a missionary on furlough from Paraguay, South America.

Miss Willis stated that missionaries never send themselves, but feel a call from God and accept, being "an instrument in God's hands." She reviewed briefly the methods for one to receive an appointment, which is a very tedious task. After a strenuous educational requirement, the applicant is interviewed by representatives of the mission board, given a thorough physical and mental examination, and is finally received or rejected by the board.

Miss Willis spoke at some length on customs and languages in Paraguay, where Spanish is spoken, illustrating her talk by picture slides.

In the afternoon a sextet from Lefors High School, composed of Moses Joy Browning, Betty Lou Pulliam, Mary Beth Hammond, Geraldine Dunn, Barbara Robertson, and Melba Miller, sang.

Some 70 attended the meeting with representatives present from Kellerville, McLean, Mobette, Midway, Lela, Shamrock and Lefors churches. From McLean were Mesdames R. L. McDonald, Bunia Kunkel, T. A. Langham, E. L. Price, Homer Abbott, and Luther Petty; and Vernon Kennedy.

Mrs. W. E. Bogan left Tuesday for Borger where she will visit for a few days in the home of her son, Creed Bogan and family.

Mr. and Mrs. E. L. Sitter are visiting at Mineral Wells, and also at Houston with their daughter, Mrs. W. H. Foster.

NOTICE OF FORECLOSURE SALE

The State of Texas
County of Gray

Notice is hereby given that default has occurred in the conditions of that certain mortgage wherein Wesley Baker is mortgagor and American National Bank in McLean is mortgagee dated April 19, 1946, by reason of failure to said mortgagor to pay the debt hereby, and that there is now due

Methodist WSCS Meets in Home Mrs. J. L. Hess

The W. S. C. S. of the First Methodist Church met in the home of Mrs. J. L. Hess Tuesday afternoon at 2 o'clock in the morning for a "Week of Prayer and Self-Denial" meeting.

R. N. Ashby had charge of the morning meditation; opening prayer was by Mrs. S. J. Andrews and Mrs. J. L. Andrews closed the closing prayer.

A covered dish luncheon was served at the noon hour.

The afternoon session opened with a song. Mrs. J. L. Andrews presented life membership certificates and pins to Mrs. J. O. Magee and Mrs. C. J. Magee for their mother, Mrs. J. L. Hess.

The afternoon meditations were by Mrs. Bob Black and Mrs. J. L. Andrews. Mission program for which the day's offering was presented by Mrs. Kirby. Closing prayers were by Mrs. Ashby and Mrs. Hess.

ART CLASSES will be organized by Mrs. Alma Turman soon. Contact Mrs. Turman for details of hours, etc., at her home. 1c

Ted Simmons of Amarillo spent the week-end with his parents, Mr. and Mrs. Claude Simmons.

Presbyterian ladies bake and rummage sale each Saturday in bakery building.

M. D. Bentley returned Tuesday from Georgia where he has been visiting for the past few weeks with a sister, Mrs. S. E. Gunn, in Atlanta. Mr. Bentley visited other relatives in Crawfordville, Savannah, Augusta, and Atlanta.

Election—

(Continued from page 1)

Barkley will face their toughest opposition since Franklin D. Roosevelt swept over Herbert Hoover in 1932. Representing the Republican ranks are Thomas E. Dewey and Earl Warren. The States Rights, the third strongest party which is expected to gain some electoral votes, has as candidates for president and vice president, J. Strom Thurmond and Fielding Wright.

The Progressive party, organized and led by Henry Wallace, former vice president, has as its candidates Wallace for president, and Glen Taylor for vice president. This party, however, has been gradually losing ground, and is not expected to garner any electoral votes.

Outside of the presidential race, the U. S. Senate race in Texas will probably cause more voters to cast their ballots than any other race. Johnson's name will appear in the Democratic column, since he was finally certified as the nominee. Porter, a Houston oil man, was the choice of the Republican party, and he recently received the backing of Stevenson, who lost to Johnson in the official primary run-off count by a mere 87 votes out of nearly a million cast. Should Johnson win in the general election, and he is expected to do that without much trouble, then Stevenson plans to protest his seating when the newly-chosen senators are installed in January.

Absentee voting in Gray County has been light so far, and voters have until Saturday to cast their votes if they plan to be out of the county next Tuesday.

The big ballot will be eight columns wide, including six political parties, one column for independents, and one for write-ins.

Outside of the national races, few offices are being sought by candidates other than members of the Democratic party. Gene Worley, U. S. Congressman from the 18th district, is opposed by Everts Haley, Canyon writer and rancher, but Haley has made no active campaign for the office. Haley is representing the Republican party for the office, although he states that he has been a member of the Democratic party for many years.

Sunday visitors in the home of Mr. and Mrs. H. E. Franks were Mr. and Mrs. G. M. Strandberg of Caldwell, Kans. Mr. and Mrs. Axel Strandberg of Amarillo, Mr. and Mrs. C. C. Stockstill, Mrs. W. D. Stockstill, Mr. and Mrs. Bill Stockstill and son, David, all of Pampa, and Billie Jewel Barnett of Miami, Okla.

Mr. and Mrs. Elmer Decker of Mountainair, N. M., visited in McLean this week with their son, Bobby, and other relatives.

Memphis—

(Continued from page 1)

The Tigers rested last week-end when the locals met the Borger B team. Coach Al Duncan anticipates a tie for the District 2-A title, in which event he will still be able to field a full team of regulars.

The Memphis Cyclone, having already lost three 2-A games, have no hopes for a share in the 2-A crown, but a victory over McLean would give them a great deal of satisfaction. A loss to the Cyclone would probably put McLean out of the running for the district title.

India—

(Continued from page 1)

People live, many homes are finely built.

For the past two or three years, Miss Boyd has been serving as manager or director of a girls' school in one of the villages in Punjab. The schools are, of course, very different from those here, she stated, and the girl students are usually very poor. Not all of the villages have girls' schools, but almost all villages of any size do have schools for boys.

There is still a great deal of class discrimination in India, she said, but that class discrimination is not nearly so pronounced as in the past. The great breach among the classes is gradually being closed.

Miss Boyd addressed Presbyterian members Sunday morning and evening, and then the school assembly Monday. She left Monday for Canyon, where she was to speak Tuesday.

Warren Stakes New Test Location

A new location was staked this week by the Warren Oil Corporation on the Ella Bradley place about 18 miles east of McLean.

The site is in the center of the north half of the southwest one-fourth of Section 4, Block 17, in Wheeler County. The test will be designated the Mrs. Ella Bradley R No. 1.

Warren also announced completion of the Dr. A. S. Plummer No. 1, located about five miles east of Kellerville. The well will pump about 25 barrels.

Fun Nite Planned After Grid Game

Fun Nite for teen-agers will be held Friday night at the American Legion Hall, sponsors of the events said this week.

The dance will begin immediately after the McLean-Memphis grid game.

Haynes to Preach Here on Sunday

Rev. A. B. Haynes of Canyon will be the guest preacher at the First Presbyterian Church in McLean Sunday, it was announced this week.

He will conduct both the morning and evening services.

Educational Opportunities Available

The Marine Corps Institute, a correspondence school offering a variety of more than 200 well-chosen courses, free of charge to Marines everywhere, has been aptly described as a made-to-order education for on-the-go Marines. Above, a MCI instructor explains the advantages of the Institute and some of the courses offered to a prospective Marine student.

BIRTHDAYS

Oct. 31—O. G. Stokely, Jo Ann Origsby, Allison Cash, Bobby Crawford, Rex Colie, Danny Douglas.

Nov. 1—Lonnie Day, Mrs. C. A. Davis, Mrs. Geraldine Connell, Jennie Ray Hicks.

Nov. 3—Mary Ruth Holloway, Marie Watson, E. H. Kramer, Wanda Joyce Curry, Mrs. Florence Hunt, Orville Cunningham.

Nov. 4—T. A. Langham.

Nov. 5—Mrs. D. C. Carpenter, Mrs. Gladys Smulcer, F. B. Landers.

Nov. 6—Mrs. J. L. Bidwell, Paul Mertel, J. L. Hess, Mrs. C. A. Gatlin, Kay Stephens, Jean Rath.

Mr. and Mrs. C. A. Conyers, who live near Denver, Colo., were week-end visitors in the home of Mr. and Mrs. W. R. Cooper. Mr. Conyers is an uncle of Mrs. Cooper and she had not seen him for 44 years. Before returning home they will visit with Mr. and Mrs. A. J. Hale at St. Jo and relatives in Oklahoma.

Club Sponsors To Meet Here

A meeting of sponsors of 4-H Clubs of this district will be held in McLean this afternoon at 1:30. Mary Anne Duke, county home demonstration agent, has announced.

The session will be held to make plans for the 4-H Club yearbook.

To be present will be club sponsors from McLean, Alanreed, Lefors, and Pampa. Local 8th grade sponsors are Mrs. Andy Watkins and Mrs. J. D. Coleman.

Sponsors for the 6th and 7th club members at the local grade school are needed, and two mothers of girls in those two classes are being asked to volunteer to serve as sponsors.

Both the Suez and the Janama canals were begun by Ferdinand de Lesups, a French engineer.

John Brown, an abolitionist, was hanged for seizing the state armory at Harpers Ferry, W. Va.

Davis Member Advisory Council

Roy S. Bourland of Pampa and D. A. Davis of McLean have accepted appointment to the State Advisory Council of the Texas Committee for Redistricting, committee chairman John Ben Sheppard has announced from state headquarters in Dallas.

Sheppard, former president of the United States Junior Chamber of Commerce, disclosed that a number of prominent Texans have already agreed to serve on the advisory council.

A non-political organization, the Texas Committee for Redistricting was established to enlist popular support for passage of Amendment Two on the general election ballot in the November 2 election.

Abraham Lincoln, James A. Garfield, and William McKinley were assassinated while serving as President of the United States.

"Old Ironsides" was the nickname of the 44 gun frigate, Constitution.

7th, 8th Graders Lose to Lefors

McLean's 7th and 8th grade grid team lost to a heavy Lefors 7th-8th grade eleven Tuesday night 27-7, but not without putting up a fight.

The Lefors eleven scored once in the second period, once in the third, and twice in the fourth to walk away with the winning honors.

The lone touchdown for the McLean team was made by B. W. Duncan on a 85-yard kickoff return at the beginning of the second half.

Mr. and Mrs. M. W. Volle and their three children have moved to McLean from Mena, Ark.

Charles Mason and Jeremiah Dixon surveyed the boundary line between Pennsylvania and Maryland which came to be known as the Mason-Dixon Line.

In 1869 the gypsy moth was accidentally introduced into North America by a naturalist carrying on experimental work with insects.
