

King Elected Mayor by Nearly 3-to-1 Margin

Reeves, Carter, Haynes School Trustees

men who were already members of the McLean Independent School District board, and a new member, were elected in a total of 206 voters went to the polls in the annual school election last Saturday.

Selected were John Haynes, Boyd Reeves. The new member of the board is Wheeler Riel Smith, the other member of the board whose term did not seek re-election. King was the heaviest in a number of years. The balloted eight names, with three elected.

ing for the various candidates, was as follows:

Reeves, 114.
Carter, 112.
Haynes, 104.
Dyer, 93.
H. Andrews, 92.
Price, 54.
Crockett, 49.
L. Lenz, 21.

the campaign, despite the number of candidates, was fairly quiet. "politicking" was done over the downtown, although some of the town also did some political maneuvering.

tion officials reported that a ballots were mutilated out of a total of 206 votes cast.

Andrews and Johnson Move to I-H Building

Andrews and Johnson company, which has been operating temporarily in the former bakery building downtown in McLean, has moved to a new building on Highway 66 on the west edge of town.

The firm, owned by Clyde Andrews and Truitt Johnson, is operating in the new building, although all work on the building is not complete.

Leading the staff of mechanics is the company are Amos Thacker and E. J. Windom Jr. Thacker formerly operated his own repair shop in the back of the bakery building, and is well known in McLean. Windom, who also owns a service station and tourist camp here, has had considerable experience in the repair business of different firms.

They are now set up to do business in our new building and in you to visit with us. Our building is not completed yet, but we feel that we would be able to meet for your needs in a better way in the larger building," Andrews and Johnson stated.

The company serves as the national-harvester dealer in the territory, and will handle all tractors, implements, trucks, parts. In addition, they will handle the I-H refrigerator and home lockers, as well as "Lite" batteries.

The new building, when completed, will be one of the larger McLean's business buildings. It is constructed of tile blocks, according to specifications of the International-Harvester Co.

Funeral Rites Held Here for Robert Barnett

Funeral services for Robert W. Barnett, 33 years of age, were held Sunday afternoon at 2 o'clock at the First Methodist Church in McLean, with Rev. H. A. Longino, pastor, conducting the rites.

Barnett died March 31 at St. Francis, Kans., where he and Mrs. Barnett were making their home. Mrs. Barnett is the former Gorda Lou Haynes of McLean.

He was born August 5, 1915, at Shattuck, Okla. He became a member of the Methodist church at the age of ten while living at Woodward, Okla., and during his service with the armed forces in World War II, his membership was with the McLean Methodist Church.

Burial was made in Hillcrest Cemetery under the direction of Claborn-Womack Funeral Home.

Barnett was united in marriage with Miss Gorda Lou Haynes June 15, 1939. On October 5, 1942, he enlisted in the U. S. army and served in the Southwest Pacific area. On December 5, 1945, he received his honorable discharge from the army. For a number of years he has been employed by the Bureau of Reclamation.

Survivors include his wife; his parents, Mr. and Mrs. O. W. Barnett of Clover Lick, West Va.; two sisters, Mrs. Betsy Shreve of Elkins, West Va., and Mrs. Pearl Sybrant of Bellingham, Wash; and one brother, Norman Barnett of Guymon, Okla.

Pallbearers were J. T. Pyle, G. P. Hendrix, Leon Wilson, Morey Droskin, all of St. Francis; W. J. Hayes of Davis Dam, Nev., and Abbie Moore of Woodward, Okla. An honorary pallbearer was W. L. Schutz of St. Francis.

Out-of-town relatives attending the services were Mrs. O. W. Barnett of Clover Lick, N. A. Barnett of Guymon, Barnett Barnett, Otho Barnett, Mr. and (Continued on back page)

THE BODY of Ensign James Everett, who was killed on Mindanao, Philippine Islands, September 10, 1944, is being returned to the U. S. for burial. Funeral services for Ensign Everett, son of Mr. and Mrs. P. B. Everett of McLean, are pending, awaiting the arrival of the remains in McLean.

Tiger Baseball Team to Open District Play

The McLean Tiger baseball team will meet its first District 2-A opponent when the group travels to Wellington Friday to play the powerful Skyrocket nine.

The Tigers last week were downed by the Pampa high team 6-3, and Monday by the Amarillo Sandies 13-4. In both games, L. M. Watson starred as pitcher, whiffing a number of visiting batters. Errors, however, were costly to the Tigers, but Coach Al Duncan believes many of these errors will be erased as the season progresses.

The schedule thus far is as follows:

April 8—Wellington there,
April 15—Shamrock here,
April 16—Amarillo there,
April 22—Memphis there,
April 26—Wellington here,
April 29—Shamrock there,
May 3—Memphis here.

One or two other non-conference games may be scheduled, Duncan said. These games will be announced when arrangements for them are made.

The season will be climaxed with a district tournament, which probably will be held between May 6 and May 14.

HARRIS KING overwhelmingly elected

Davis Re-Elected City Secretary; Beasley and Copeland Aldermen

By a margin of nearly three-to-one over his two opponents, Harris King, formerly mayor of McLean during the 1947-48 term, was swept into the mayor's office again Tuesday when voters went to the polls in the annual city election. King received 245 votes to a total of 84 for his two opponents.

Snow Brings .32 of An Inch In Moisture

April showers bring May flowers. But the April snow which came with the opening of April last week-end may have caused some damage—not to flowers but to fruit in the area.

The snow, falling Friday and Saturday, was soft and wet and covered the ground completely. Most all of the snow had melted by late Saturday, however.

Total amount of moisture brought by the snow was .32 of an inch, Pete Fulbright, local weather observer, reported. This brings the total for the year to 6.68 inches.

Some fruit in the area was damaged by the drop in temperature. Friday night the thermometers in McLean went down to about 25 degrees, a temperature low enough to kill some of the fruit, particularly apricots. Many fruit trees here in town had already bloomed forth beautifully, and the cold snap took off the blooms. The damage caused by the freeze was not expected to be too great.

The series of showers, plus the snow, which fell last week and the week before have been extremely beneficial to farmers and ranchers. Grass over the area looks good, and prospects for a wheat crop are good.

D. A. Davis was chosen as city secretary for another two years, winning the office by a margin of eight votes. Elected as aldermen were Guy Beasley, leading the ticket in the field of five candidates, and W. L. Copeland. J. A. Brawley was elected as the new city marshal by a 40-vote margin.

The voting was as follows:

For Mayor:
King, 245.
Guy Hibler, 78.
J. M. Payne, 6.

For City Secretary:
Davis, 169.
W. E. Bogan, 161.

For Aldermen (two elected):
Beasley, 171.
Copeland, 148.
Dr. J. H. Kritzer, 132.
George Graham, 85.
Lester Campbell, 83.

For City Marshal:
Brawley, 182.
J. A. Sparks, 142.

Surprising thing about the election was the large number of votes cast. A total of 335 people went to the polls during the day, to run up about the highest number ever cast in a city election here. Only 299 people had paid poll taxes this year, indicating that more than one third of the voters were those above 60 years of age or just 21 years of age.

The campaigning was fairly quiet during most of the pre-election time, although the three or four days preceding the election saw much action, particularly in the race for the mayor's position.

The new officials will probably take office some time in April, before May 1. All offices are for two-year terms.

Senior Class To Give Play Next Thursday

Members of the senior class of McLean High School will present their annual play, "Desperate Ambrose," in the high school auditorium Thursday night, April 14, at 8 o'clock.

J. W. Simmons Wins District Boxing Crown

Only one member of the McLean High School boxing team survived the fisticuffs at the annual District 2-A tournament held at Shamrock last week-end.

He was J. W. Simmons, who Saturday night knocked out Leon Mullinax of Clarendon in the second round to take the 118-pound title. Simmons was awarded a jacket for winning in his weight.

The other finalist for McLean was Eddie Reeves, who was floored in the second round by Eugene Parks of Lefors. Reeves was fighting in the 112-pound class, grade school division.

In the opening bouts Thursday night, Harold Hutz lost a decision to Joe Bell of Wellington in the 6-pound grade school class to Gaston Tarbet of Shamrock. Dale Johnston, in the 100-pound high school class, was KO'd by Tommy Harris of Wellington. Jackie Bentley lost a decision to Joe Bell of Wellington in the 105-pound high school class. Alvin Blackshire lost by a technical KO to Wilbur Smith of Wellington in the 112-pound high school class.

On Friday night, Jack Hupp lost a decision to Eddie Clements of Lefors in the 80-pound grade school class. Don Crockett dropped a decision to Kenneth Woods of Shamrock in the grade school 85-pound class. Eddie Reeves won over Edward Carter of Shamrock to advance to the finals in the 112-pound class. Carl Ray Cox lost by decision to Jerry Moore of Clarendon in the 126-pound high school class.

Alanreed Play To Be Friday

Friday evening, April 8, has been chosen for the presentation of the play, "Through the Keyhole," to be given by the juniors and seniors of Alanreed High School. The curtain will rise promptly at 8 o'clock in the school gym.

Jeanette Fort will be seen as Grandma, a sprightly old lady whose keen wit is as plentiful as her money. Edna Miller, as the French maid, will turn in a delightful performance, as will Robert Magill, the butler who has seen better days, sponsors of the play stated.

Others in the cast are Jimmy Bruce, Don Allen, Gene Fort, Willie Davis, and Jessie Hill.

The play is being directed by Supt. Harold Knight, with the assistance of Joan Hill. Admission will be 50 cents for adults and 25 cents for children.

"Proceeds of the play will help finance the class trip, so make this a must on your calendar," sponsors emphasized.

Wood Joins Dysart Firm

Vernon Wood, who has been associated with the Crockett-Downs Motor company for the past year, has joined the staff of the Dysart Motor company, he stated this week.

Wood will serve as sales manager for the Ford agency.

"I wish to express my appreciation for the business you gave me while with the Kaiser-Frazer agency," Wood said, "and invite you to visit me in my new location."

Church Revival To Begin Today

The revival meeting at the Assembly of God Church in McLean, scheduled to begin last Sunday, will get underway tonight, Rev. L. R. Green, pastor, announced.

An all-day meeting of church members is being held at the church today. Dinner will be served at noon, and a fellowship and dedication service will be held.

The meeting, to be conducted by Rev. Bob Rider of Colorado, will continue for two weeks, Rev. Green stated.

McDonald to Preach Here

Rev. Clayton Day, pastor of the First Baptist Church of McLean, is conducting a revival this week at the Midway Baptist Church near Wellington.

In Rev. Day's absence, Rev. Leo McDonald of Fort Worth will deliver the sermons next Sunday at the local church.

The church, last Wednesday night, voted to employ Amon Baker of East Texas Baptist College at Marshall as music and educational director. He will report for work here on June 1.

Guthrie to Quit As Legion Head

Floyd Guthrie, commander of the American Legion in McLean since last summer, announced this week that he is resigning from the position effective Wednesday of next week.

Guthrie urged all members of the Legion to be present at the regular meeting Wednesday night, to elect his successor as commander.

Douglas Groves Named Manager Of New McLean Baseball Club

Douglas Groves was unanimously elected as manager of the McLean Baseball Club, when members of the team met last week. The team will play in the Caprock League this year, with the first game to be played early in May.

Other officers elected at the meeting were as follows: assistant manager, R. C. Shirley; business manager, Floyd Guthrie; secretary, Al Duncan; field captain, J. C. Claborn; water boy, Ollie Tindall.

Practice sessions will be held each Wednesday afternoon at 5 o'clock on the diamond south of the railroad tracks. Each player missing a practice session will be fined 50 cents, Manager Groves explained.

"We need lots of practice to enable us to meet the competition we expect this season," Floyd Guthrie, business manager, said. "All players are urged to work out with us at every practice session. Others who might be interested in playing are requested to contact Manager Groves."

Signing up to play this season are Sammy Haynes, Johnny Haynes, Felton Webb, Douglas Groves, Floyd Guthrie, Bub Smith, Boyd Smith, Jim Cornett, Troy Corbin, R. C. Shirley, J. C. Claborn, Al Duncan, Ollie Tindall, Clyde Andrews, A. D. Shaver, Everett Dorsey, Red Jones, Rex Sheddick, Finis Ratliff, and Bill Bailey.

School Census Is Nearly Complete

Enumeration of children of school age, to be used in determining the per capita allotment for local schools next year from the state, is now in the final stages of checking.

Any children within the ages of 6 to 18 as of September 1, are to be counted. Parents whose children have not been enumerated are urged to contact Mrs. Luther Petty, census taker.

Give what you have. To some one it may be better than you dare to think.—Longfellow.

Merchants Will Rope Calves

cal roping contest featuring champions of McLean—some of whom are not too expert at the art of roping—will be one of the highlights of the American Legion to be held here April 29 and 30 and May 1.

Spending up the merchants for roping contest is Roger Powell, the drugstore cowboy deluxe. Powell has already contacted a number of merchants and collected entrance fees. Prizes awarded to the top ropers in this contest will be a part of the entrance fees collected, he stated.

The rodeo will be held in the stadium near the Grade School, and will probably be one of the last public events to be held there. The stands will be erected shortly after the rodeo to the new site of the stadium in the northwest part of town. Barnes and Son of Hollis, Okla., have already been awarded the contract for moving both the rodeo and Spencer Sitter heads the rodeo committee. He is being assisted by Bob Sherrod, Jud Henley, George Terry, Raymond Glass, Earnest Beck, J. E. Langham, and Luke Henley. Sherrod is in charge of the corral, Jud Henley is in charge of the contestants, and Terry in charge of the advertising.

A booster trip to advertise the rodeo is now being planned for Monday, April 25, Terry stated. Any person who can go with the boosters is urged to contact Terry. Additional cars are needed to make the trip. It is now planned to take along with the boost-

ers a string band, and possibly the high school band if arrangements can be made for the band to make the trip.

Three performances of the rodeo will be held. The first will be Friday night, April 29, at 8 o'clock; second Saturday afternoon, April 30, at 2 o'clock; and final performance Sunday afternoon, May 1, at 2 o'clock.

Two dances will also be held during the rodeo. One will be held Friday night after the first rodeo performance, and the other Saturday night from 9 to 12 o'clock.

Performances will include bronc riding, both saddle and bare back, bull riding and bull dogging, calf roping, and a ladies sponsor con-rope, and a ladies sponsor con-rope. Liberal prizes will be awarded in all events.

Wednesday is named for Woden, chief god in Norse mythology.

Present conditions in general will be throughout 1949. Cultural prices may be lower than in 1948. Leo V. Blakley, C M. College agricu list.

The volume of farm production in 1949 is not expected to be different from 1948. Crop failures should not affect livestock production although increased production will tend to cause beef production. Agriculture Prices May Be Lower In '49, Expert Says

Present conditions indicate that prices in general will continue to rise throughout 1949 while agricultural prices may average slightly lower than in 1948, according to Leo V. Blakley, Oklahoma A. & M. College agricultural economist.

The volume of farm production in 1949 is not expected to be greatly different from 1948 unless crop failures should intervene. Total livestock production may decline although increased pork production will tend to offset decreased beef production.

However, this does not mean that net farm income will remain the same, Blakley points out. In 1948 the net farm income was the highest on record because both prices and production greatly increased relative to the increased costs of production. Cash receipts

are now leveling. Costs for a great many production goods will be higher in 1949. This, with relatively stable prices, will cause the net farm income to be lower than in 1947 and 1948, but will remain higher than any previous year.

At present, the government is committed to support most of the major agricultural commodities at 90 per cent of parity. Many of the prices of major agricultural commodities are at or approaching the support level. Thus, only minor declines could be expected for these crops.

After 1949 production controls are probable under existing laws although this is not certain. However, Blakley points out the possibility that production controls on wheat, cotton and perhaps other crops could be delayed a number of years should Congress introduce stockpiling of these agricultural commodities for defense purposes.

Doctor Says Drink Milk Only From Approved Sources

As a safeguard against the serious and disabling disease known as undulant fever or Malta fever, Dr. Geo. W. Cox, state health officer, advises Texans to drink milk only from approved sources. Undulant fever is usually acquired by human beings

as a result of consuming raw milk or raw milk products from cows infected with Bang's disease.

Raw milk or milk products can be consumed with safety only when they are known to be produced by cows tested and found to be free of Bang's disease. Pasteurization, of course, will kill the germs if present.

To assist in lowering the incidence of undulant fever all dairymen should remove cattle infected with Bang's disease from their herds as soon as the disease is discovered. Even if the milk is made safe for human consumption by pasteurization, infected cows are still a menace to health since they can transmit the disease to healthy animals and to their owner and other persons who handle them.

"Undulant fever from cattle," Dr. Cox said, "is one health hazard we can eradicate in our state through absolutely safe milk supplies from dairy herds free from Bang's disease."

"Unless a herd is known to be free from this infection, only pasteurized milk should be used so that the disease cannot be passed on to the consumer of milk and dairy products."

Mr. and Mrs. James E. Corbin and family, who have been living in Denver, Colo., have moved to McLean to make their home. Mr. Corbin formerly lived here.

A LITTLE BETTER

A NEW BILL calling for voluntary health insurance, instead of the compulsory health insurance which President Truman has sought, has been introduced into the U. S. Congress.

This new bill has many advantages over Truman's requested compulsory insurance, and it could pave the way for handling the nation's health on a voluntary basis. The compulsory insurance sought by the president bordered on socialized medicine, and would probably have been the initial step toward socialized medicine.

The voluntary health insurance bill, however, promotes encouragement of widespread enrollment in the voluntary prepaid plans; provides for the handling of indigent cases through the non-profit prepaid plans as an intermediary agency in much the same manner that many of the plans served the Veterans Administration; and provides for payroll deduction for federal, state, and local government employees who desire to participate in voluntary plans.

Outstanding is the fact that the bill provides protection to persons financially unable to pay all or part of subscription charges for prepayment of hospital or medical care.

Under the plan, the U. S. surgeon general would set up the standards of eligibility of persons unable to pay, the types of care to be provided, the standards for participation in the plan, and the general methods to assist in enrolling the population in prepayment plans.

The state would set up a council which would in turn set up regional authorities. These authorities would then encourage coordination of all health facilities and services in the region and recommend means for their effective use in serving the areas.

Financing of the cases which need aid to pay for the care would be handled on a joint state and federal basis. States which have a lower per capita income would receive more aid from the federal government than those with a high per capita income.

The bill is a great improvement over the compulsory insurance idea, and deserves study by the people and their representatives in Congress.

The mind that is cheerful at present will have no solicitude for the future, and will meet the bitter occurrences of life with a smile.—Horace.

STOP THE MUSIC!

LES TALK
BY LESTER

Now that two of the elections are over, we can start thinking about the third one—that for the issuance of the \$50,000 in bonds. The money, you know by now, will be used in the construction of a combination City Hall and municipal building.

The building will be constructed so that it can be used as a gym for the local schools. The need of a gym is very great. Not only is the floor space of the present gym smaller than a regulation gym, but the seating space is also inadequate. When any type of game which is of interest is played, the crowds cannot be accommodated.

Then, too, McLean cannot play host to a basketball tournament or a boxing tournament since the space available is not large enough.

The building would also have many other uses. It could be used for an auditorium. At the present time the high school auditorium has to be used for all such occasions, and its seating capacity is only about 400, not nearly enough for such events as graduation exercises, etc.

Of course the big question which comes first to the minds of taxpayers is whether the bond issue would result in an increase in taxes. The answer is no. The reason is that the present indebtedness of \$98,000 of the city would be refunded over a longer period of time, and the rate required to pay this indebtedness, plus the added \$50,000 would actually be less than is required now. In other words, the taxes would not be raised, although it naturally would require a longer period of time to pay the bonds off.

If you approve the bond issue, the attorney general will also have to okay the issue. Nobody is absolutely certain that he will approve the issue, but the bonding company representatives feel that he will if the voters okay the issue.

Anyway I still think the building would be a very great asset to the town, and I hope that all you other taxpayers will consider the construction of the building in that light. I say "other taxpayers" since I am one myself.

I will, therefore, pay my share of the cost.

So on April 19, let's put our stamp of approval on the bond issue.

This week-end I go to the annual meeting of the Panhandle Press Association in Amarillo. It's an affair I always look forward to with much pleasure. Not only do I learn something about this business I'm in, but I get to visit with other newspaper friends and acquaintances and also make new ones. Therefore, I thoroughly enjoy the convention.

Quite o'ten we get very favorable comment from one of our

advertisers. It makes us feel that the paper is well read. That it is well read is certainly in evidence when we make an error of some type. Nobody misses those.

You will do us a great favor if you will mention to the advertiser that you "saw it in the paper" when you look at, bargain for, or buy an item—regardless if large or small. Then the advertiser will know, as we do, that their ads are being read. It probably never occurred to you, but it would be a big help to us.

Advertising is the sort of thing which cannot be measured exactly. Take the man who says he doesn't believe in advertising. He gets up in the morning from a Sealy, Simmons, or Morning Glory mattress, shaves with a Gillette, Schick, or Gem razor, uses Palmolive, Ivory, Camay, or Lux soap, eats Wheaties, Post Toasties, or perhaps Pep while he drinks Folgers, Hills Bros., or Admiralty coffee, puts on an Arrow tie with an Arrow or Van Heusen shirt, dresses in a Curlee or Mark Haas suit, drives to town in a Ford, Chevrolet, Plymouth, Dodge, Oldsmobile, Pontiac, or Buick, writes his letters on Hammermill bond paper, uses a Remington, Royal, L. C. Smith, or Underwood typewriter, goes home at noon and night and eats from Del Monte, White Swan, Campbell's, or Monarch cans, sees a movie called "Command Decision" because he read about it in a magazine, comes home and robs his Serval, Frigidaire, Kelvinator, Leonard, Crosley, or Admiral refrigerator, finally goes back to sleep on his Sealy, Simmons, or Morning Glory mattress.

Yet he says he doesn't believe in advertising! But try to sell him an off-brand product of some kind.

Child Diseases Can Be Serious

With the present incidence of chickenpox almost twice as high as records indicate for a seven year median, Dr. Geo. W. Cox, state health officer, has issued a statement declaring, "It is a great mistake to treat even light cases of childhood diseases such as chickenpox, measles, mumps, scarlet fever, or whooping cough as though they did not amount to much. That sort of treatment makes it possible for these diseases to spread and cause serious outbreaks among children and the resulting lowered resistance makes them easy victims to other forms of infection."

A great wooden horse was used by the Greeks to gain entry into the city of Troy.

that a doctor was not called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept at home for a few days, they have returned to school and have scattered the germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly-handled mild case. The result was another epidemic that could have been prevented."

The state health officer says that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the child showing symptoms of illness is put to bed and a doctor's advice sought and followed.

Steps to Join P-TA Congress

(Editors Note: This is another series of articles concerning Parent-Teacher Associations. This article deals with the way local P-T-A units may become Congressional units.)

Independent groups sometimes operate under the name parent-teacher association although they are not organized as units of the state and national Congress of Parents and Teachers. Often these groups fail to achieve their full measure of usefulness because they lack the information, help, and cooperation that are available to units of the state and national congress.

Steps to Be Taken:
The steps necessary for previously organized groups to become units of the state and national congress are as follows:

1. At a regular meeting of the organization, present the aims, purposes, and programs of work of the state branch and the national congress and the advantages of congress membership.
2. Vote to become a unit.
3. Appoint a by-laws committee. This committee should compare the by-laws of the organization with by-laws suggested by the state branch. The committee should then either prepare amendments to its own by-laws to make them conform to the suggested by-laws or prepare an entirely new set of by-laws for adoption.
4. Have the by-laws committee present the amended or new by-laws at the next meeting of the organization. A motion to adopt them is made, seconded, discussed, and voted upon. Notice and method for such amendment must be carried out according to the rules in the by-laws under which the organization has been functioning.
5. Report to the office of the state branch (a) the name of the association; (b) the names and addresses of its officers; (c) a statement of the total number of members, accompanied by the state and national portions of dues for each member; and (d) a copy of the by-laws as adopted.
6. Do not hesitate to call upon

council, district, and state congress leaders for assistance.

After the state office receives the above-mentioned information and dues, the president of the unit will receive, for the use of the association, the Parent-Teacher Manual and Program Planning; a membership card for each member; a subscription to the National Congress Bulletin; other current national material; and publications issued by the state office to keep the membership informed on state, district, and council affairs.

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS
THE STATE OF TEXAS
CITY OF McLEAN
COUNTY OF GRAY
TO ALL QUALIFIED VOTERS OF THE CITY OF McLEAN, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of McLean, Texas, on the 19th day of April, 1949, to determine whether or not the City Council of said City shall be authorized to issue the general obligation tax bonds of said City in the amount of \$50,000 for a public building, to-wit: constructing and equipping a City Hall and Municipal Building.

ing; and which election was duly called and ordered by the order of the City Council of said City, passed on the 23rd day of March, 1949, and which ELECTION ORDER is made a part of this Notice, and is in words and figures as follows, to-wit:

ELECTION ORDER

THE STATE OF TEXAS
CITY OF McLEAN
COUNTY OF GRAY

ON THIS the 23rd day of March, 1949, the City Council of the City of McLean, Texas, convened in special session at the regular meeting place thereof in the City Hall, there being present and in attendance the following members:

Boyd Meador, Mayor; O. G. Stokely, E. J. Lander, Guy Hibler, Aldermen, and with the following members absent: R. T. Dickson and Roger Powers, constituting a quorum; at which time the following, among other business was transacted, to-wit:

It was moved by Alderman Lander and seconded by Alderman Stokely that there be submitted to the qualified voters of the City of McLean, Texas, who are property taxpayers therein, and who have duly rendered their property for taxation, a proposition for the issuance of the general obligation tax bonds of said City in the amount of \$50,000 for a public building, to-wit: constructing and equipping a City Hall and Municipal Building.

The above motion carried by the following vote:

AYES: Aldermen Stokely, Lander, and Hibler.
NOES: None.

Thereupon, Alderman Hibler introduced an order calling an election for the purpose of submitting the proposition to a vote of the qualified property tax-paying voters of said City, and moved the passage and adoption of said order. The motion was seconded by Alderman Stokely.

The motion carrying with it the passage and adoption of the election order, prevailed by the following vote:

AYES: Aldermen Stokely, Lander, and Hibler.
NOES: None.

WHEREAS, the City Council of the City of McLean, Texas, deems it advisable to issue the bonds

of said City for the purpose hereinafter stated; therefore

BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF McLEAN, TEXAS:

I.

That an election be held on the 19th day of April, 1949, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified elector who own taxable property in said City, and who have duly rendered the same for taxation:

"SHALL THE CITY COUNCIL of the City of McLean, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) of general obligation tax bonds of said City, maturing serially over a period of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed FOUR PER CENTUM (4%) per annum, payable annually or semi-annually, for a public building, to-wit: constructing and equipping a City Hall and Municipal Building in and for said City; and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest on said bond, and to create a sinking fund sufficient to redeem said bonds as they become due?"

II.

That said election shall be held at the CITY HALL in the City of McLean, Texas, and the entire City shall constitute one election precinct.

III.

That the following named persons are hereby appointed officers of the election, to-wit:

Byrd Gull, Presiding Judge;
T. N. Holloway, Judge;
Mrs. W. C. Shull, Clerk; and
Mrs. S. A. Cousins, Clerk.

IV.

That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

V.

That the ballots of said election

shall have written or printed thereon the following:

OFFICIAL BALLOT
"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

AS TO the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

VI.

That a copy of this order, signed by the Mayor of the City of McLean, Texas, and attested by the City Secretary, shall serve as proper notice of said election.

VII.

That notice of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words: "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said notice shall be posted at the City Hall and at two other public places in said City, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in the McLEAN NEWS, a newspaper of general circulation, published in the City of McLean, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this the 23rd day of March, 1949.

Boyd Meador, Mayor, City of McLean, Texas.

ATTEST: D. A. Davis, City Secretary, City of McLean, Texas.

(SEAL)

THIS NOTICE of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the above and foregoing order of the City Council of the City of McLean, Texas, and under authority of law.

WITNESS MY HAND AND SEAL OF THE CITY OF McLEAN, TEXAS, this the 23rd day of March, 1949.

Boyd Meador, Mayor, City of McLean, Texas.

ATTEST: D. A. Davis, City Secretary, City of McLean, Texas.

Shamrock Legion to Open Home

One of the finest American Legion homes in Texas, that of the Shamrock DeShazo-Garza Post No. 68, will be dedicated with one of the most outstanding two-day programs in the history of the 18th district at its annual spring convention in Shamrock Saturday and Sunday, April 9 and 10.

Charles C. Gibson, Amarillo newspaperman and commander of the 18th district, has announced that William "Bill" McCraw, Dallas, department commander of the American Legion, and G. Ward Moody, Austin, department adjutant, will be convention speakers. Commander McCraw, former attorney general of Texas, will address a joint session of the American Legion and Auxiliary Sunday morning. Adjutant Moody will address the business session Sunday afternoon, Commander Gibson states.

Sunday morning, April 10, District Commander Gibson has arranged a full day of American Legion business activities. Starting at 9 o'clock, a breakfast for all post, district, division and department officers will be enjoyed. A similar breakfast for officers of the Auxiliary is scheduled. At 10 o'clock Sunday morning, a joint meeting of the Legion and Auxiliary will be called to order. Shamrock churches have been asked to dismiss their congregations and meet with the American Legion and participate in the formal dedication of the new American Legion home and the annual memorial service. State Commander McCraw will be the dedication and memorial speaker.

At 12:15 o'clock a mass initiation under the direction of B. F. Shepherd of Amarillo will be held. Dinner will be served at 12:45 o'clock. Vern Blodgett of Kerrville, fifth division commander, will be among distinguished Legion dignitaries attending the convention.

At 2 o'clock, separate meetings of the American Legion and Auxiliary will be held. Adjutant Moody will address the afternoon business session. This will be followed by a business session at which delegates to the national convention will be elected.

the American Legion, the Auxiliary and the 40 and 8.

At 3:30 o'clock Saturday afternoon, the 46 American Legion posts of the 38th district will parade their post colors. Stratford will lead the parade of posts because it was the first to make its 1949 membership quota. Other posts in the district will be placed in the parade behind Department Commander Bill McCraw's automobile in the order in which they have attained their quota.

The parade promises plenty of color and glamor with a number of bands, headed by the Army band from Fort Sill to participate. Adding gaiety to the parade will be 35 "poor goofs," or initiates, into the 40 and 8. The 40 and 8 annual district "wreck" will begin at 5 o'clock. At 8 o'clock the Auxiliary delegates and guests will enjoy a formal tea.

Mr. and Mrs. C. E. Cooke visited over the week-end in the home of their son, Bill Cooke and family, at Lubbock.

It is expected that the Extension Service will take the lead in connection with general education work which will be necessary at the time the district gets into operational work, and also at future times when such assistance is necessary. Members of the Board of Supervisors and other interested farmers and ranchers, as well as the vocational agriculture department at McLean, will be expected to assist in conducting educational work.

Preparation of Conservation Farm or Ranch Plans

Farm and ranch operators who desire assistance in preparing and carrying out conservation plans will make application to the board of supervisors, who in turn will either approve or reject the applications for assistance. Applications which have been approved will be turned over to the district work unit office with a request to provide assistance in planning and applying the needed soil and moisture conservation plans. Operators will be encouraged to work in groups, both in planning and applying their plans, in order to secure a better understanding and a more effective application of the various adjustments and practices which are needed to secure proper land use and to maintain productivity of the soil.

The Soil Conservation Service will be expected to furnish technical assistance in working with farm and ranch operators in preparation of soil and moisture conservation plans for their operating units. This assistance will include making of detailed soil surveys, furnishing conservation plans maps of individual farms or ranches, furnishing engineering help, and such help as is needed for seeding of land to pasture grasses, making adjustments in cropping systems, range management practices, and any other practices where individual technical help may be needed. Such assistance will be given only in connection with carrying out the various practices and measures as outlined above in this work plan.

It will be the policy of the board of supervisors to encourage all individual farm and ranch operators to develop complete soil and moisture conservation plans for their individual units and to furnish any assistance that may be available in connection with carrying out these plans.

Board Outlines Methods to Use In Obtaining Conservation Help

(Editor's Note: This is another in the series of articles taken from the annual report of the Gray County Soil Conservation Board of Supervisors.)

Establishment and Maintenance of Land Use Adjustments and Conservation Practices

It is expected that, in general, the farm and ranch operators will furnish necessary equipment and labor for carrying out the various phases of field work necessary to secure the needed adjustments in land use and management, and application of the various practices which are needed in order to carry out a complete plan of soil and moisture conservation on the individual operating units. Where equipment is needed that is not owned by the farmers or ranchers, it is expected that this will be furnished by private contractors or in some cases it may be possible to furnish such equipment through the district organization. Technical assistance for preparation and application of the conservation plans will be provided by the district as outlined in previous sections of this plan. Maintenance work which may be needed after the conservation practices have been applied, will be performed by the individual operators.

Pampa Rodeo To Be in June

Dates for the Pampa Rodeo Clubs third annual rodeo have been set for June 10, 11, and 12. H. B. Taylor Jr., secretary of the club, announced this week.

A kid pony show will be held on the night of June 10, and is open to all children from 6 to 16 years of age. Rodeo performances will be held Saturday at 2:30 o'clock and 8 o'clock, with the finals Sunday afternoon at 2:50.

The rodeo is strictly an amateur show, Taylor said.

A calf scramble for boys will be held each performance, with the winner receiving a Hereford calf as first prize.

The rodeo will be held at Recreation Park in Pampa. All entries will have to be in by 6 o'clock on June 10.

It isn't being wise that's hard—it's being wise at the right time that's hard for me.

Almost always it's the fellow who is too slow in his work who thinks he is over-worked.

Ever notice? People stand up when they hear the national anthem—and fall down when they start to sing it.

There's no such thing as an idle rumor—they're always busy.

We're not always busy, but we stay fairly busy. It's simply because of the fast, courteous, efficient service we give, and the good Standard products we sell. Help keep us busy by dropping in often.

Good telephone service requires High-Cost construction

The cost of providing telephone service has steadily increased until present construction costs have, in many instances, more than doubled during the past few years.

Telephone rates, being subject to regulations by state and local authorities, lag far behind the increased cost of materials and wages.

As a result the present high costs of operations and constructions make it increasingly hard to stretch rates based on pre-war conditions to "do the job" necessary to furnish telephone good service and increase telephone facilities.

We are, however, moving fast with our construction and installation program hoping that rates can be adjusted to meet increased costs!

Virginia Chambers, Jimmy L. Newton United in Marriage

Sarah Virginia Chambers and Jimmy Lee Newton were united in marriage Tuesday afternoon at 2 o'clock in the parsonage of the First Baptist Church.

The double-ring ceremony was read by Rev. Clayton Day, Baptist pastor, in the presence of a few close friends and relatives.

Attending the couple were Stella McClellan, a cousin of the bride, as maid-of-honor, and Wes Langham as best man.

The bride was attired in a white suit with navy accessories, and wore an orchid corsage. She carried a white Bible with white streamers. Miss McClellan wore an aqua dress, with gray accessories and a corsage of pink carnations.

The popular young couple are both graduates of McLean High School. Mrs. Newton has lived here with her grandmother, Mrs. J. C. McClellan, all of her life. Mr. Newton has been making his home with his parents. Mr. and Mrs. Claude Robinson of Keller, Tex. He moved there about five years ago from Pampa. He is now employed on the Mert lease near Keller.

Following a brief wedding trip to Amarillo the couple will be at home in McLean.

Wesleyan Service Guild Officers Are Selected

The Wesleyan Service Guild of the First Methodist Church met Tuesday evening in the home of Mrs. Hershel McCarty.

The following officers were elected: Mrs. Wheeler Carter, president; Mrs. Clyde Magee, vice president; Mrs. Marvin Hindman, secretary; Mrs. Victor Chiett, treasurer; Mrs. Harris King, promotions secretary; Mrs. Paul Kennedy, spiritual life; Mrs. Gerald Blizell, missionary education; Mr. Odell Mantooth, Christian social relations; Mrs. Spencer Sitter, social and recreational; Mrs. Roger Powers, membership; Mrs. Hershel McCarty, publicity.

Mrs. J. L. Andrews of the Woman's Society of Christian Service presented the program on "The Maturity of a Christian." Other charter members include Mesdames John Cornett, Guy Hibler, Clifford Allison, Bill Day, Jesse Coleman, Haydn Bodenhamer, Paul Mertel, J. H. Kritzer, and Shelton Nash.

Ladies Auxiliary Meeting Is Held In Church Parlor

The Presbyterian Ladies Auxiliary met at the First Presbyterian Church Tuesday.

The meeting was opened with the theme song, "Let the Beauty of Jesus Be Seen in Me." Devotional was given by Mrs. H. E. Franks and Mrs. F. E. Hambricht gave a prayer. Mrs. Bill Webb reviewed the book, "On Our Own Doorsteps," by Frank S. Mead. The meeting closed with the Mizpah benediction.

Present were Mesdames Alma Turman, Kid McCoy, W. W. Shaddid, Jess Kemp, Cort Meyers, Marvin Wells, C. E. Cooke, C. O. Goodman, K. E. Windom, Mittie Paschal, H. E. Franks, Patterson, Mattie Graham, J. Zuspan Rites Held in Pampa

Funeral services for James C. Zuspan, technician 5th grade, who was killed in action September 10, 1944, in Belgium, were conducted at 2 o'clock Monday afternoon at the First Baptist Church in Pampa, with Rev. E. Douglas Carver, pastor, officiating.

Zuspan was the husband of the former Doris Myatt, daughter of Mr. and Mrs. C. A. Myatt, of McLean.

Burial was in Fairview Cemetery in Pampa under the direction of the Duerkel-Carmichael Funeral Home.

Zuspan was reared and educated in Miami and working on a ranch when he entered the service in May of 1939. He served in Com-

pany C, 237th Engineers, at Fort Bliss and Colorado Springs and went overseas in November of 1943. He was 24 years of age at the time of his death.

Survivors include his wife, Mrs. Doris B. Zuspan and son, Jerry Charles of Amarillo; his mother, Mrs. W. E. Melton of Pampa; and grandmother, Mrs. Minnie Edwards of Miami.

Attending the services from McLean were Mr. and Mrs. C. A. Myatt and son Keith, and Cpl. and Mrs. C. A. Myatt Jr. and Audra.

"He's fearless! He's desperate! He's brave!—That's why he's called 'Desperate Ambrose'."

Work on Our New Building Isn't Completed, But We're

Open for Business

We have moved into our new building on Highway 66 on the west side of town, although the building is not yet completed. We've still a lot of work to do on the new addition to McLean, but we felt we could care for your repair needs better here than in our small, inconvenient downtown location.

We believe we will have a very beautiful, as well as useful building when the interior decorating is completed, and invite you to visit with us at any time. The building is large, and we will be able to take care of your repair needs, big or little. Our staff of expert mechanics includes Amos Thacker and E. J. Windom Jr.

Your I-H Dealer

As your new International Harvester dealer, we now have a complete supply of parts for your I-H tractors and equipment. We will be able to take care of your new tractor needs in the future, if you will place your order now.

COME ON OUT AND VISIT WITH US NOW... AND WATCH FOR OUR FORMAL OPENING DATE

Baptist W. M. U. Meeting Is Held In Church Parlor

The Baptist Women's Missionary Union met Tuesday night in the parlor of the church, with the program, "In the Rural Community," introduced by Mrs. John Cooper, mission chairman.

Mrs. George Colebank brought a devotional from the Sermon on the Mount, showing God's care over all. "Is Satan Winning the Country" was given by Mrs. Frank Howard. Mrs. E. L. Price spoke on "When Christ Dominates, There Is Victory," and Mrs. R. L. Appling's subject was "When Christ Dominates, There Is Progress." "Power for the Task" was discussed by Mrs. R. L. McDonald.

The program was given by the Elizabeth Pool circle, with the Nina Hankins circle serving refreshments. Mrs. Jasper Graham, Mrs. Granville Boyd, and Mrs. Howard Williams were hostesses. Mrs. McDonald, president, conducted a business session, and it was decided to pack eggs for Buckner Orphans' Home in the near future.

Others present were Mesdames: Cohen Gallegly, Luther Petty, C. B. Lee Jr., Bunia Kunkel, Homer Abbott, Clayton Day, and Oba Kunkel.

School Band Gives Concert

The McLean High School band presented its annual spring concert Tuesday night in the high school auditorium before an appreciative audience.

Numbers played under the direction of Band Director Bill Miller, were as follows: "Gallant Marines," "Russian Choral and Overture," "Serenade of the Bella," "With Freedom's Flag," "Merry Men," "Hall of Fame," "March," "Far Away Places," "Two Moods Overture," "Aces of the Air," and "Prairie Jump."

The band will sponsor the appearance of Al and His Saddle Pala, radio stars, Friday night at 8:30 o'clock in the high school auditorium. Proceeds of the show will be used for chartering a bus to take the band to the district contests in Canyon April 29.

Irish Students Give Program

Four students from Shamrock High School presented an unusually good musical program before members of the McLean Lions Club at the regular meeting Tuesday.

The students were Glen Reeves, Leta Mae Hughes, Shirley Lee, and Kenneth Anderson. Reeves and Miss Lee first sang a duet, "When You and I Were Young, Maggie," with Reeves coming in with a fast song to blend with the old-time number. They then sang "Cruising Down the River on Sunday Afternoon." Reeves then sang a solo, "Galway Bay," following which Anderson presented a pantomime to a record playing of "Anything You Can Do." To
