Gen. Marshall Warns Against Delaying Draft

WASHINGTON, Sept. 20 (AP)—General George C. Marshall warned congress today against "dimming the power" of great Allied offensives by forbidding the drafting of fathers.

"We are on the offensive now," the chief of staff said. "It would be unfortunate to do anything that would dim the power of that offensive."

Testifying before the senate and house military committees on the Wheeler bill to postpone induction of pre-Pearl Harbor fathers until January 1, Marshall apologized "for expressing myself rather vigorously."

The general said that whether army quotas could be met without drafting fathers heretofore deferred was a question "for the manpower people," but he told Senator Austin (R-Vt) that failure to obtain the quotas "probably would force us to emasculate some of our units."

"It would emasculate the tail end of our army and put us in a serious position," Marshall added. Even a postponement of such a draft by three months, the chief of staff said, would seriously interfere with the army's program.

"While you've got the other fellow on the run, the more you do to cut him down before he regains his balance, the better it is," Marshall testified. Asserting that the American armed forces have reached their peak of training and are poised for aggressive deployment all over the world, the chief of staff said he was puzzled "by the reaction at this time."

It seemed to him, Marshall said, that if congress stepped in to interrupt the flow of men through selective service, "all we can do is reduce our program and change our strategy."

"Certainly," Marshall testified, "if you cut us now, we suffer much greater loss than we anticipate from the Germans and the Japs."

With Admiral Ernest J. King, commander of the fleet, sitting beside him, Marshall testified before a jammed hearing room on a bill by Senator Wheeler (D-Mont) to postpone the induction of pre-Pearl Harbor fathers until after January 1. In his preliminary remarks Marshall noted that Lieut. Joseph T. McNarney, deputy chief of staff, had given the committee many details in opposition to the proposal in previous testimony.

Marshall said that the army plans to activate soon between 430 and 440 battalions, adding that four divisions now had only 1,500 men each and needed an additional 14,000 each. The general added that 50,000 special troops, including engineers, mechanics and signal corps men, were being shipped to England this month, along with 600 bomber crews. These latter, he said, were not to increase the weight of bomber participation but to maintain the operation of bombers already there.

James Ready For Whitehouse Bed. LOS ANGELES, Sept. 20 (AP)—Back from the Aleutians, Lt. Col. James Roosevelt says he's headed for that "extra bed" in the White House.

The president's eldest son, who has not seen his father for 18 months, left here by plane last night for Washington, where he said he would confer with his superior officers in the Marine Corps.

Noe Withdraws. NEW ORLEANS, Sept. 20 (AP)—James A. Noe of Monroe announced his withdrawal Saturday night as a candidate for the governorship of Louisiana in a formal signed statement which said Noe hoped other candidates would take similar action in order to unite opposition to the "hand-picked" candidate of Governor Sam Jones. Noe did not name the Jones candidate.

BISHOP VISITS MOSCOW. MOSCOW, Sept. 20 (AP)—The Archbishop of York, representative of the Church of England, arrived yesterday at a Moscow airport for a series of conversations with the hierarchy of the rejuvenated Russian Orthodox church.

Reds Within 30 Miles Of Smolensk

Soviet Advance In High Gear Over 700-Mile Front

MOSCOW, Sept. 20 (AP)—Red army troops under Gen. Andrei Yeremenko, hero of the battle of Stalingrad, cracked through the gateway to Smolensk on the central Russian front over the weekend as the Soviet advance shifted into high gear all along the active 700-mile battle line, a Russian communique announced last night.

In the north the Red army moved to within 30 miles of Smolensk, capturing Duhovschina, while another Soviet column, striking down the railroad from Nezhin, was only 42 miles from Kiev, capital of the Ukraine.

The Russian war bulletin indicated that the Red army was sweeping westward rapidly, meeting only lightly armed Nazi rearguards as they captured village after village.

The Smolensk area was apparently a focal point of the present drive. Roslavl, to the south, was also menaced by the Red army, which, the Soviet communique said, stormed across the Desna river, to capture Dubrovka, 32 miles to the southeast, in an advance of nine miles during which 100 villages were taken.

Other army units advancing westward from Bryansk took 300 towns, in a drive of 12 miles, the bulletin added. In the main drive on Kiev the cities of Priluki, 80 miles east, Iubny, Pryluki, Mirgorod, and Krasnograd, all fell to the rapid Russian advance.

The entire southern flank of the German army, including the great forces concentrated in the Crimea, was endangered by the Soviet drive along the Sea of Azov from Mariupol toward Melitopol, railroad center on the only line running to Sevastopol, at the southwestern tip of the Crimea.

Convict's Skin May Save Child's Life. PHILADELPHIA, Sept. 20 (AP)—A convicted murderer, serving a life term in Eastern penitentiary prepared to give some of his skin today to save the life of 10-year-old Judy Rosen.

Warden Herbert M. Smith identified the inmate, one of a number who volunteered, as Thomas J. Caulfield, 33, sentenced on a charge of killing a policeman during an attempted cigar store robbery in 1929.

Physicians at Mt. Sinai hospital, where the skin grafting operation was to be performed, said it offered the only hope for the girl's recovery. She was badly burned on the arms and chest when her dress caught fire last May.

Jews Seek Passage Into Palestine. KIAMESHA LAKE, N. Y., Sept. 20 (AP)—Demanding unrestricted immigration into Palestine, the National Association of Jewish Veterans is on record today as urging immediate withdrawal of the British White Paper of May, 1939.

Jewish immigration into Palestine is limited to 75,000 between 1939 and 1944, and prohibited after that time, by the directive which also restricts sale of Arab land to Jews in certain sections of the Holy Land, considered by Jews one of the havens for them from Nazi dominated Europe.

Plans Disclosed For Electrical Automatic Pilot For United States. NEW YORK, Sept. 20 (AP)—Details of "one of America's best kept military secrets"—the use of an electronically-controlled automatic pilot—were disclosed today with army approval.

The device, said by the army air force to have been one of the factors responsible for the devastation in raids over Europe and Asia, provides a stable platform for high altitude bombing "of vastly increased accuracy," and its use was said to be "equivalent to a material increase in the number of planes participating in an attack."

Death Ends Tom Jordan's Long Career Of Service

Herald's Founder Succumbs To A Heart Attack

The career of Thomas Edwin Jordan, 75, founder of the Big Spring Herald and a lifelong newspaperman, came to an end Monday.

He succumbed to a heart attack at 3 a. m. at his home, 609 Washington Blvd. His passing came as a shock to the community, for he remained active to the last. Although he had suffered a light attack Friday evening, he was back at work in his printing establishment Saturday and Sunday morning he attended services at the First Baptist church as was his custom. He became ill again at 8 p. m. Sunday.

Arrangements were pending word from two sons in the service, and in the meantime, the body likely will lie in state at the Eberley Funeral Home. A native of Clinton, Ky., where he was born July 1, 1868, Tom Jordan came to Texas while a young man. Although an uncle tried to interest him in a mercantile career, he found his calling among early day print shops at Weatherford and Stephenville.

His life was cut out for him when he came here in 1904, bought the remnants of the old school house for \$300, moved it to a location where the Big Spring Motor Co. now stands, and equipped it with about \$1,500 of type and machinery, including a primitive press.

Although he had formed a partnership with his brother-in-law, W. G. Hayden, Mr. Jordan operated the new venture for its first year and a half. Applying himself with energy, he published the first issue of the Herald on Oct. 7, 1904.

His training had been in mechanical departments of papers. (See TOM JORDAN, Pg. 8, Col. 6)

Navy Hits At Jap Islands

PEARL HARBOR, T. H., Sept. 20 (AP)—America's growing naval strength has lashed again and in force against the outer fringe of Japan's bone of conquest in the Pacific, striking the enemy-held Tarawa and Nauru Islands in prolonged attack.

The simultaneous assaults, made along the line of the Equator some 2,900 statute miles southwest of Hawaii, began Saturday night (east longitude time) and carried well into the following day. Their exact nature was not immediately disclosed but the assumption was that they were spearheaded by carrier-borne torpedo and dive bombers such as raided Marcus Island to the northwest on Sept. 1.

The two task forces sailed from the scene of their devastation, maintaining radio silence to handicap possible pursuit. There was good reason to believe that destruction of military objectives on the two islands may have been thorough and perhaps complete. In temporarily neutralizing Marcus Island, 1,200 miles from Tokyo, in the Sept. 1 attack, the navy raiders were over the target for nine hours. Admiral Nimitz' announcement yesterday indicated that the assault on Tarawa and Nauru lasted at least as long and probably longer.

SPANISH RADIO CHANGES. LONDON, Sept. 20 (AP)—The Spanish government's radio network read Allied communiques first on a news program today. Up to now the official radio airwaves had led off with axis war bulletins.

War Heroes Will Be Presented Thursday At Ritz Bond Show

The commanding officer of the Big Spring Bombardier school, Col. Robert W. Warren, will preside for a program in which war heroes will be presented, to be staged at the Ritz theatre Thursday evening in connection with the special war bond showing scheduled as one of this week's features of the Third War Loan campaign.

Air force men who have been decorated for bravery during combat action in the European and African theatres will appear on the stage. They are fliers who now are stationed at the Big Spring and Midland air fields, and men who know first hand of the tasks involved in war.

The presentation will be in connection with the screening of "We've Never Been Licked," a story of Texas A. & M., and filmed on the Aggie campus. Admission to the program is by War Bond only, and a ticket is being presented with each bond purchase made this week, at any local issuing agency. Previously it was announced that tickets were available only at the Ritz and bond headquarters, but they are now to be had at the banks and postoffice also. One ticket goes with one bond, bought this week up to Thursday evening.

Loge seats at the Ritz—16 of them—have been priced at a minimum of \$1,000 bonds, and campaign leaders said Monday that all of these have been sold. Special sales efforts this week will be centered around the war bond show, Drive Chairman Ted O. Groehl announced. Members of the Aggie club and the A & M mothers club are assisting in promoting the event, and hope to arrange a reserved section in the theatre for all A & M exes and families of Aggie students.

Bonds may serve as admission to the State theatre on Tuesday, Wednesday, and Thursday. Purchases must be made at the State box office on those days, and facilities have been set up for handling applications. Bond sales were going at a good pace this morning, as a new week of the campaign started. Headquarters remain open in the chamber of commerce from 11 a. m. on each day. It has been emphasized that people listing names in the "Bonds for Buddies" program do so at the headquarters. All information must be cleared through there.

Coupons To Expire. Coupons No. 7 of "A" gasoline ration books will be good for three gallons until Tuesday midnight, the OPA price ration office reminded Monday. After that time the coupons expire and No. 8 tickets, good for three gallons, become valid.

DEFICIT DOWN. AUSTIN, Sept. 20 (AP)—The state's general fund deficit stood at \$21,104,949 today, a decrease of \$784,209 since last Aug. 20 and a decline of \$9,985,147 from a year ago.

Bay's South Side Under Control Of The Fifth Army

By WES GALLAGHER. ALLIED HEADQUARTERS IN NORTH AFRICA, Sept. 20 (AP)—The American Fifth army has seized control of the south side of the Bay of Naples by capturing all the commanding heights of Sorrento peninsula, Allied headquarters announced today.

Already padlocked on the seaward side by the occupation of the islands of Capri, Ischia and Procida on either side of the bay, Italy's second largest port, thereby came under the gaze of Allied soldiers across 12 miles of water and within range of "Long Tom" artillery.

Easily within artillery range also were the Italian naval base of Castellammare, recently bombarded by the British navy, and the key railway town of Torre Annunziata, both in the lower elbow of the bay. Smoking Vesuvius rose but 10 miles from the Allied mountain positions.

While troops occupied the peninsula stretching 22 miles west of Salerno, other parts of the Fifth army slashed eastward and northward from their Salerno beachhead in the Montecorvino and Battipaglia sectors where the Germans apparently were making a full-scale retreat under a merciless air lashing reminiscent of the days when the British were trying to get out of Greece under the blows of the Nazi air force.

The British Fifth corps, closing in from the Italian heel, captured Gioja, 23 miles from Taranto on the road to Allied-held Bari, and a headquarters spokesman said the Germans had completed the evacuation of Sardinia, the huge island and air base which Mussolini had regarded as the No. 2 defense outpost of Italy.

(The German high command admitted that Sardinia had been given up.) With the capture of Sardinia by Italian troops acting under orders of Premier Marshal Pietro Badoglio, the position of the Germans in Corsica, only seven miles to the north, apparently became untenable and the Allies gained the potential use of 10 airfields from which to press attacks on northern Italy and southern France.

It was not likely that much use was being made of Sardinia by Allied forces as yet, however, because of the floodtide of operations on the mainland now beating against Naples. (A Morocco radio broadcast said the German commander had ordered a state-of-siege in the Naples area.)

The fifth army advances were reported made "against decreasing enemy resistance." Further reinforcements continued to arrive on the Salerno beaches to swell the ranks of Lt. Gen. Mark W. Clark's American and British forces which yesterday were reported to have captured Battipaglia and Altavilla.

There were indications the Germans were making a full retreat from the Salerno bridgehead, the spokesman said, adding that "considerable columns of enemy vehicles were observed." (See NAPLES, Page 8, Col. 3.)

Churchill To Make Report To Commons. LONDON, Sept. 20 (AP)—Prime Minister Churchill, back in Britain after a momentous six-week visit to Canada and the United States, plunged today into the task of preparing a war review to be presented shortly to the House of Commons.

The review, which will be Churchill's first since his brief attendance at Commons July 27 and which is expected to be one of his longest, will open a two-day war debate when Parliament reconvenes after a brief summer recess.

New Talk Stirred On An Allied Push Into Balkans. LONDON, Sept. 20 (AP)—An Allied war fleet was reported steaming up the Aegean Sea off the west coast of Turkey today, stirring new talk of an imminent lunge into the Balkans.

Italian refugees reaching Turkey reported the presence of the large concentration of war vessels and London morning newspapers quoted them as saying that Allied forces had occupied the island of Castellorosso, most southerly of the Dodecanese group, four miles from the Turkish coast and 90 miles east of Rhodes. These refugee reports were linked in London with similar accounts four days ago of Allied occupation of the islands of Samos, Lero, and Cos, all in the Dodecanese north of Rhodes, and with the reported departure of Britain's Ninth army from Middle East bases.

Rhodes itself, largest island in the group, was reported last week to be under German control after the Nazis overcame the Italian garrison in several days of bloody fighting. An early cleanup of all German forces in the Dodecanese chain was anticipated in London. The Germans, apparently anticipating a probable Allied thrust into the Balkans, were reported by London morning newspapers as still rushing troops into southeastern Europe. These reports said troops were being shipped into Salonika for eventual reinforcement of the garrisons on the Aegean island defenses, even light flanking craft, had been commandeered for transportation of supplies to the island.

Miss Dorothy Mathews And Lieut. Churchill Marry

Ben LeFevers Of Big Spring Are Attendants

In a single ring ceremony read Sunday morning at 9 o'clock in St. Paul Methodist church at Abilene, Miss Dorothy Mathews, daughter of Dr. and Mrs. W. J. Mathews, and Lieut. Leon F. Churchill, son of Mr. and Mrs. W. L. Churchill of Phillipsburg, Kas., were married by the Dr. J. O. Haymes.

A program of pre-nuptial music was presented by Mrs. Sam V. McLelland of Odessa, organist, Mrs. Ralph Hardy, violinist, and Don Moore, singer. Mrs. McLelland wore a gaberline dress of yellow and black, and a shoulder corsage of gardenias. Mrs. Hardy was attired in a yellow crepe frock, and wore a shoulder corsage of gardenias.

The bride, escorted by her father, wore a powder blue crepe frock fashioned with a fitted bodice and tiered skirt, finished edges of which were scalloped. She wore a fuchsia-toned velvet hat with veil, fuchsia gloves and a corsage of roses in fuchsia shades. Something old and borrowed was a lace handkerchief, belonging to her sister, Mrs. Ben L. LeFever of Big Spring, who was matron of honor.

Mrs. LeFever wore a brown two-piece crepe dress, with brown and green accessories, and a corsage of peach-colored gladioli. Birdie Bell of Pecos, maid of honor, was attired in two pieces dress the color of wild grapes. Her hat was in shades of purple, her corsage purple gladioli and other accessories of black.

Lieut. Norris Raun of El Campo, was best man, and Ben L. LeFever, Big Spring, was groomsmen. Ushers included Charles Graham, E. G. Johnson and Harold Girdner.

Mrs. Mathews, mother of the bride, wore a two piece dress of raisin color with lighter trim. Her corsage was of orchid asters.

The bride was graduated from McMurry college where she majored in speech and English, and she studied one year at Northwestern University, Evanston, Ill. At McMurry she took part in all dramatic activities, served as secretary-treasurer of the student body, was president of the T. I. P. Girl's social club, and was secretary-treasurer of the Wah Wah-tayee drum corps. Lieut. Churchill attended Kansas State College at Fort Hays, where he was a member and house manager for Sigma Tau Gamma fraternity. He was drum major and a member of the college theatre. He is now stationed at the Midland Bombardier School as an instructor.

Dr. and Mrs. Mathews entertained with a reception for out-of-town guests from Pecos, Rotan, Odessa, Big Spring, Dallas and Austin. White gladioli and carnations were used as the table centerpiece for the refreshment table.

Mr. and Mrs. Ben LeFever were hosts Saturday evening for a rehearsal supper which was held in the Mathews' home for members of the wedding party.

Wedding Trip
The couple left for a short honeymoon to Carlsbad, N. M. Mrs. Churchill was attired in a suit of flying blue with russet and beige accessories.

They will live in Odessa, and the bride will continue to teach speech, and serve as dean of women at the Odessa high school.

BUYS ORCHIDS FOR BONDS

Open House Held At The Eason Home

In observance of Mr. and Mrs. S. T. Eason's 50th wedding anniversary Saturday, open house was held at the Eason home, 404 Goliad, Sunday from 3 to 10 o'clock. Floor baskets of seasonal flowers which decorated the entertaining rooms, were presented to the honored couple by relatives and friends.

The receiving line included Mr. and Mrs. Eason and their children, Wyatt Eason, Howard Eason of San Francisco, Calif., Mrs. Kate Gillmore, Mrs. Lois Herring of Long Beach, Calif., and Mrs. Maud Waters.

Mrs. Eason was attired in navy blue sheer ensemble, and she wore a shoulder corsage of gardenias. Refreshments were served from a table centered with a mixed bouquet of flowers, and ornamented with a miniature bride and bridegroom standing before a white lattice, underneath a golden bell. Lyssa Herring, granddaughter, presided at the refreshment table, and a white wedding cake was served with other refreshments. Anna Clare Waters and Mrs. George Holt, granddaughters, presided at the register.

Mr. and Mrs. Eason were presented with gold wedding rings from their children—and other gifts from friends and relatives were on display. Around 100 persons called during the afternoon and evening.

DOWNTOWN STROLLER

Whoops, and pardon us, but we miscalled a name in Friday's Downtown Stroller. We referred to Mrs. ALBERT FISHER's son and the story should have read "EDWARD, who is taking specialized training in the Air Corps at Pasadena, Calif., was also visited by his mother."

Mrs. L. A. EUBANKS had her first ride in a jeep the other day when Capt. CHESTER H. DRAPER took her over to see the new colored-USD building. Riding in a jeep, according to Mrs. EUBANKS, is quite an experience but she got a kick out of the jolting ride.

MARGARET McDONALD really got surprised Saturday morning on her birthday anniversary when the girls in her office presented her with a pretty tea-cloth with napkins to match. The cloth was handmade and MARGARET claimed it would have to be a really special occasion before she was going to use it.

Dining down town Saturday night were Mrs. J. C. LANE and ANNABELL and Mrs. W. G. WILSON, all looking mighty dressed up for the occasion.

Congratulations to Mr. and Mrs. S. T. EASON on their 50th wedding anniversary which they observed Saturday. Their children were all on hand for the event which included a family dinner Saturday noon and open house for their friends Sunday afternoon.

Chaplain J. L. PATTERSON of the BSAAFBS is to be guest speaker Tuesday night at the B&PW meet, and the girls are looking forward to hearing him talk.

Our nominations for oblivion are the bus drivers who cart you just to the gate of the AAFBS, let you off to get a pass, and then drive away, leaving you standing there to wait another 15 minutes or more for the next bus. That isn't chivalry, or even cricket to our way of thinking.

COUPLE HONORED ON 4TH WEDDING ANNIVERSARY

Cpl. and Mrs. Stanley Baugh were honored with a surprise party on their fourth wedding anniversary with a party in their home Sunday. Games were played and refreshments served. Those attending were T-Sgt. and Mrs. Arthur Golobich, Pvt. and Mrs. Bob Fotherston, Elouise Haley, Cpl. Jasper De Carlo, Sgt. and Mrs. George Miller and Cpl. and Mrs. Bill Mavromatis.

First Fall P-T. A. Meeting Is Held At The Midway School

Mrs. Walter Smyrl presided over the first fall meeting of the Midway Parent-Teacher's Association which was held at the school Friday evening.

The session was devoted to business, and the following room mothers were named. Mrs. W. L. Wandridge, Mrs. Freeman Denton, Mrs. M. G. Riggan and Mrs. H. F. Malone, room mothers for the first and second grade; Mrs. B. D. Rice, Mrs. Jack Tibbs, Mrs. J. B. King and Mrs. Whitworth, third and fourth grades; Mrs. Leo Floyd, Mrs. Walter Smyrl, Mrs. Hoover and Mrs. Pat Wilson, fifth and sixth; Mrs. Edgar Stringfellow, Mrs. Hollis Shirley, Mrs. Spradling and Mrs. Floyd White, seventh and eighth.

The luncheon project was discussed, and it was announced that the room would probably open around October 1. The meeting was followed by a social hour and refreshments were served. Around 30 persons attended.

Clarence Cooper was honored with a party at the Midway school recently when he celebrated his 10th birthday anniversary. The party was held in Miss Arah Phillips' room.

Gifts were presented to the honored guest, and refreshments were served.

Former Continental Worker Here Dies

Word was received here Saturday of the death earlier in the day of Harold Spratt, formerly an employe of the Continental Oil Corp. at Foran. He resided in Louisiana at the time of his death.

Ladies, they used to say: "That's TABOO!" Now read these facts

Not long ago, women didn't discuss periodic pain. Now they openly praise CARDUI's 2-way help. Taken as a tonic, it usually peps up appetite, aids digestion by increasing flow of gastric juices, thus helps build resistance for those trying days. Taken as directed 3 days before the time, it may help relieve purely functional periodic pain. Praised for 62 years! Next time try CARDUI. (adv.)

Franklin D. Roosevelt

Italy has fallen - but the war is not over and you know it! Think of Berlin and Tokio - think of the men dying at this moment.

Can we, you and I, afford to let them down - to turn their battlefield victory into a homefront defeat? Let's buy more War Bonds than ever ... let's back up their victory with ours - the success of the 3rd War Loan!

There are battles coming - tough, bloody, hard-to-win battles - before this war is over. And it's the last battle that counts. We've got to back up our fighting men ... we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of

the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments ..."

Our fighting men will do their job - it's up to you, personally, to keep their victories safe by buying War Bonds NOW with every dollar you can - not with what you'd ordinarily save or invest, but more - every bit more you can manage.

Farm Needs Filled Fully At Western Grain And Seed

Farmers who want to make one trip do will find Joe's Food Store and Western Grain & Seed Co. at 802 NE 2nd street the answer to the riddle.

Located conveniently for those who bring cotton to the city's "gin belt," the concerns, located under a single roof, have in stock most items that the farmer will normally need.

The food store carries complete lines of staple and fancy grocery items, has a complete meat department and has eggs, butter, etc. The feed store has rations suitable for any farm animal with the mixtures properly balanced for minerals and protein content.

J. B. Stevenson, who operates the concerns, stressed the importance of feeding a proven laying mash now in order to insure a maximum autumn egg production. And while the feed store has the thing to boost production, the food store is a ready market at all times for eggs. Stevenson is a heavy buyer of eggs and is prepared to handle an even heavier volume this season.

Another timely development at the food store is the booking of a truck load of good apples for delivery this week. Sound offerings from the New Mexico mountain country, these will be sold in bushel lots. They will be, said Stevenson, ideal for canning purposes.

Speaking of canning, Joe's Food Store still carries a good stock of canning supplies even after a tremendous run all during the summer season.

Now that cotton picking season is coming on, cotton pickers will find an ample supply of cotton sacks available at Joe's. Owing to the shortage of ducking, sacks have been difficult to secure in some quarters.

Thus, with a few of these items in mind, it is easily seen how "one trip will do" when farmers bring their cotton into gin this fall if they trade at Joe's.

Regular Prices Are Maintained On Darby Bakery Products

"Even though the materials used in the baking of bread have advanced in price, we are still maintaining our regular bread price, anxious for our customers to know that despite adjustments which we must make as time goes on, we are grateful for their purchases of Darby's Sally Ann Bread," stated Albert S. Darby, who has operated Darby's bakery here for the past eight years.

Darby came to Big Spring in 1935 from Quanah when he foresaw an opening for such a business in this area. For the enjoyment of its customers, the bakery sponsors a radio program "Albums of Family Music" over KBST every morning at 11:30 o'clock.

The bakery concentrates its services to Big Spring and surrounding territories, rather than long distance hauls, and even though Darby specializes in pastries and bread service, he explained that due to food rationing, pastry service has proved to be of little profit. The service is still maintained for local coffee shops and restaurants nevertheless.

Darby stated that after the war the bakery will be back with all former services. "At present we want to extend our appreciation to our customers for their continued

patronage," he stated. "Probably the best news which has reached bakers recently is the fact that the new wheat crop has produced a better quality of flour, thus helping the flavor and texture of bread," Darby concluded.

Officials Advanced In Dr. Pepper Co.

Dr. Pepper Company, Dallas, announces the election of J. B. O'Hara, as chairman of the board, and Don C. Bryan to succeed him as president.

O'Hara has been president since 1933; prior to that, as executive vice-president and general manager. Bryan has been executive vice-president since September, 1941. The move is in keeping with the growth of the business and the multiplied executive responsibilities.

The business was founded at Waco in 1885 by the late R. S. Lazenby, who perfected the Dr. Pepper formula. It had achieved no more than local or sectional fame until 1924, when O'Hara succeeded to the management. He was the first to seriously exploit a soft drink in the food category, deserving a legitimate place in the daily diet as a between-meals

Roofing Company—One of the major firms of its type in West Texas is the Underwood Roofing company, located at 302 Lancaster and pictured here. It is owned and operated by J. E. Underwood who has established an outstanding reputation in roof construction and repair, during the nine years of operation here. With limitations of wartime on construction materials, Underwood stresses the importance of keeping roofs in good repair, so that whole structures are properly protected. (Kelsey Photo).

Equipment Repair Featured At George Oldham Company

Headquarters for Farmall tractors and International Trucks is the George Oldham Implement Company, located on the Lamesa Highway, and owned and operated by George Oldham.

In its new quarters, erected here in 1941, the implement company has ample display room for its service and sales departments. The company has both new and used equipment that ranges from garden tools to oils and greases.

Today, Dr. Pepper is available both in bottles and at the soda fountain in 38 states. The company has approximately 410 franchised bottlers and twelve hundred jobbers supplying Dr. Pepper syrup to the fountain trade. Distribution will be extended to national coverage as soon as present supply restrictions are lifted.

A large part of the implement business, growing steadily since the war, is the tractor and truck overhaul service. Farmers, unable to get new trucks and tractors, are overhauling and repairing present equipment.

Oldham urged that farmers bring their tractors and trucks into the shop as soon as their crops are laid by in order that their equipment can be gotten in number one shape and ready for the next crop.

The company, like other dealers, sometimes has trouble getting quick response for parts and essential items and man power shortage has reduced the number of mechanics to only three men. By getting tractors into the shop early and repaired during slack season, the farmers help themselves as well as the shop.

The company has a number of peanut pickers on hand now, including both the Liverman and

Turner machines. Oldham pointed out that he offers liberal terms on both types of peanut pickers. Farmers, raising peanuts for the first time in many instances in Howard county, are urged to investigate the machinery.

In addition the Oldham company carries steel goods, fence stretchers, insecticides, oils and greases, oil filters and cartridges, cans of oil, spark plugs, and many machine parts.

Will Yanks "Blow" With 5 Games Left?

By TED METER
Associated Press Sports Writer

It sounds fantastic, but can it be that the New York Yankees will "blow" the American League pennant to Washington, or perhaps even Cleveland, in the last two weeks of the season?

On top by a nine-game margin over the second place Senators and by 12 games over the third place Indians, the Yanks need to win only five of their remaining 14 games to clinch their seventh championship in eight years.

Under the circumstances this would seem no hardship for the

Bronx Bombers, but there is every indication that gaining those five victories will be one of the toughest tasks the Yankees have faced this year.

The fact that they missed clinching at least a tie for the title by dropping a doubleheader to the Senators yesterday may prove the turning point. The double loss, 3 to 2 in 10 innings, and 5 to 1, gave the Senators a sweep of the three-game series against three of the best Yankee pitchers, Charley Wenzloff, Spud Chandler and Ernie Bonham.

The sweep boosted Washington's winning streak to nine in a row. If the Senators win all of their remaining 12 games they will finish the season with 21 straight victories (remember the Chicago Cubs in 1935)? In that case the Yankees would have to win four games from the always difficult Detroit Tigers, Cleveland Indians, St. Louis Browns and Chicago White Sox to tie.

The Indians have 13 games left to play, all on the road. Four are against the Yanks and three against Washington. If the Indians, who beat Detroit twice yesterday, 1 to 0 and 6 to 2, win all 13 while the Senators win 9 of 12 and the Yanks only one of 14, the trio would finish on top by half a game.

The National League champions, the St. Louis Cardinals, clinched the title on Saturday, were beaten twice by the Chicago Cubs, 6 to 0 and 10 to 9, but the big news in the Senior Circuit was Ace Adams, star pitcher for the New York Giants. In helping the Giants take a doubleheader from Brooklyn, 3 to 1 and 7 to 4, Adams appeared in his 66th game of the season, equalling the Major League record set by Ed Walsh of the Chicago White Sox, 35 years ago.

Pittsburgh got back into the thick of the fight for second place by beating the Cincinnati Reds, 10 to 3 and 2 to 1.

The Boston Braves made it five in a row over the Phillies, 3 to 2 and 6 to 5 in 14 innings behind excellent pitching by Jim Tobin and Al Javery. Butch Nieman's homer with one on in the 14th won the nightcap.

The White Sox and the St. Louis Browns split, the Browns taking the opener, 7 to 4, and the Sox the nightcap, 6 to 1. The Boston Red Sox and the Philadelphia Athletics also split. Joe Dobson shut out the A's in the opener, 14 to 0, with five hits.

Schoolboys On All Fronts This Week

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas schoolboy gridiron march on all fronts this week with conference games taking the spotlight away from an array of classy interdistrict struggles.

After Saturday the campaign will be in full blast because all of the 104 class AA teams in the state will have seen action.

The Dallas district, which started playing for keeps last week, has three more conference tilts, while District 11 opens the title drive with a game between Athens and Tyler.

Crosier Tech, upsetter of high-ranking Woodrow Wilson in District 8, tackles the favorite—Sunset—which went to the state finals last year but has only a shell of that team back this season.

Of top interest among the interdistrict games will be Waxahachie's class with Highland Park at Dallas. Waxahachie produced the state's major upset last week by toppling Corsicana, while Highland Park, which had been widely heralded, was not particularly impressive in a 14-0 victory over Fort Worth Tech.

Sherman's veteran Bearcats, who rolled over Sulphur Springs 54-6 in the opener, engage a rejuvenated Greenville team which batted down Bonham 33-0 last week.

Lufkin, which had been favored to win the state title until it lost All-State Jitter McKinney under an eligibility ruling, still looks strong enough to take its district title. Oliver McKay, who understudied McKinney last fall with much success, will step into Jitter's position. The Panthers, victors 26-6 over Tyler last week, will tackle Conroe Friday night at Conroe.

Goose Creek, already winner of two games, meets Jeff Davis, one of the Houston favorites, in Davis' inaugural, while over in East Texas a Henderson-Lonview game carries much interest and West Texas looks forward to a clash between Lubbock and San Angelo at San Angelo.

One game will be played tonight, Fort Arthur meeting Austin (Houston) at Houston. The tilt was scheduled for Saturday but was postponed.

There are close to 60 games on this week's schedule, four of them conference affairs, 36 interdistrict and two intersectional.

COLOMBO HAS ALERT
COLOMBO, Ceylon, Sept. 20 (AP)—Colombo experienced its first night alert when a hostile plane, apparently on reconnaissance, approached the city early today. No bombs were dropped.

(Colombo is the site of a naval base on the British island of Ceylon off the lower tip of India.)

Unanswered Question
Coast Guard Shadness of Pitt, has been awarded the title of "Safety Ace." Wonder if his quick departure from Stanford and Maryland had anything to do with it?

Employment Level But Payrolls Up
AUSTIN, Sept. 20 (AP)—Industrial employment in Texas has evidently levelled off although payrolls still show an increase over those of 1942, the University of Texas Bureau of Business Research reported today.

Employment in all manufacturing industries of the state was up in August only .9 per cent from July and 2.6 per cent from August of last year. Weekly payrolls, however, rose 5 per cent from July levels and 27.9 per cent above those for August, 1942, the bureau report indicated.

The number of employees in manufacturing plants totaled 165,673 in August at a weekly payroll of \$5,218,437, the bureau revealed.

4-F CANINE
ARTESIA, N. M.—Legs Boy Dog Thomas, (CQ) 12-year-old Manchester, was rejected by the dog army. At 7 pounds, he was too small.

But he did his bit by buying a \$100 war bond, signing for it with a paw print.

His owner, Hooper Thomas, appears on the bond as guardian.

NEYLAND SAYS COLLEGE FOOTBALL OFFERS MORE THRILLS THIS YEAR
DALLAS, Sept. 20 (AP)—College football this season will produce greater thrills than ever before, although the quality may be below par, and after the war-man, on man! Says Col. Bob Neyland.

Col. Neyland, division engineer for the United States Army whose 14-year-record of 117 victories, 13 losses and 8 ties at Tennessee was tops in college football, predicted today that the sport would soar to its greatest heights when the world conflict was over and that "stadiums will have to be rebuilt to hold the crowds."

Fans will be frantic for big-time football once travel restrictions are lifted, he said.

He declared that now more than

SPORTS ROUNDUP

By HUGH FULLERTON, Jr.
NEW YORK, Sept. 20, (AP)—The first rumble of the bowling season brings word that Brig. Gen. D. P. Hardy, commanding officer at Camp Pendleton, Va., is asking Keplers (and what does that word mean, anyway?) to contribute a few old bowling balls . . . seems that Camp Pendleton has six new alley beds but only five bowling balls to use on 'em . . . On the same subject, the manager of the Keeler Field, Miss., bowling alleys figured out that during the first year 175,000 games were bowled on the 12 lanes with 128 teams participating in league play. High score was 272.

Today's Guest Star
Bob Phillips, Birmingham (Ala.) Age-Herald: "Bob Ford, who opened at quarterback and caught two touchdown passes for Fort Riley against Great Lakes, was with the Maroons. That gives you a pretty good idea of what it took in those days to play on one of our college teams."

You Pick 'Em
(Short Bits About the World Series Shortstops)

Frank Crosetti, Yankees—It would hardly be a world series without Frank; this will be his seventh since he broke in with the 1932 Yanks. Played only one game in last year's series when Scooter Rizzuto did the short-stopping but is a regular again although he's hitting below his usual .250. Holds a flock of series and major league records, mostly for fielding. Plans to work this winter as a riveter in a shipyard—a natural choice, since he's riveted several infielders together.

Martin (Slats) Marion, Cardinals—the lath that walks like a man fights like a whiz. Maybe it's his extra length and reach that enables Slats to come up with so many hot grounders; certainly he isn't broad enough to stand in front of 'em . . . hit only .111 against the Yanks last fall but drove in three runs . . . his current batting average is around .280, the best he ever has had in the majors. . . .

Service Dept.
Lieut. Red Strader, former St. Mary's (Cal.) coach whose job at Whidbey Island, Wash., is conditioning fliers on their way to and from the combat zones reports: "The men on their way to combat for the first time are not always enthusiastic for more fitness work at the base. But the first thing the men back from action do is hit for the gymnasium. They know." . . . When Sgt. Dave Smulker, former Temple and Philly Eagles fullback, learned that his old pal, Lieut. Dave Zinkoff, had landed in Iceland, Dave, now teaching callisthenics at Princeton, sent a bill of sale for his share of the place. Smulker spent last year up there.

Former Senator Taken By Death
SAN ANTONIO, Sept. 20 (AP)—Funeral arrangements were being made today for John G. Willacy, 84, former state senator and Texas pioneer, who died at his home here yesterday.

Willacy county was named after him. He sponsored a bill granting individual counties the vote on local option. He served for 16 years in the general assembly.

His daughter, Mrs. Walter E. Prosser, is the wife of Maj. Gen. Prosser, now at Camp Crowder, Mo. Other survivors include the widow and another daughter.

Sleeps On Tracks
NEW YORK—Passengers waiting on the platform of the 14th Street subway station gulped when they saw a man's body lying between two tracks, trains whizzing by within a few inches of either side.

Several men stopped the next train and jumped to the tracks to investigate.

They found Max Rydczewski, 59, snoring blissfully—unhurt except for a minor bruise or two. He was sent to Columbus Hospital to finish his nap.

American Girls Best
SALT LAKE CITY—"Wonderful, brother, wonderful!" That's what Pfc. Edward W. Lewis, home after a year in the South Pacific, says about American girls.

New Guinea damsels? "They didn't have any modesty," he complained. And not much clothing, either.

Joe Louis May Be Making His Last Ring Appearances

By CHIP ROYAL
AP Features Sports Editor

NEW YORK — Heavyweight champion Joe Louis is worried! He is afraid the servicemen won't like him in his nation-wide tour of the Army camps—AND HE MAY BE MAKING HIS LAST APPEARANCES IN THE RING.

Before the Brown Bomber's professional handlers, and others who stand to lose a lot of shekels, get apoplectic over the fact that Joe may not fight again professionally, let us hasten to quote the champ:

"I'm really scared about this big trip we're on. My title and any plans for after the war seem unimportant. I have a job to do. I don't care if I never fight again as long as I can give the boys a good-enough show, help with some fun, and push home the idea that good physical condition makes better soldiers.

"Have you heard how the boys are enjoying it? I'm worried that they won't get enough out of it. We're supposed to rest Saturdays and Sundays but I'm hoping to crowd a few more shows in on those days.

"The hard work won't hurt me any. It will help me keep in shape. I really think I am in better condition than ever because of this Army life."

Will Joe defend his title again?

"Well, that's hard to say," answered the husky sergeant. "I'm looking forward to at least one or two more championship fights. But this war will have to end soon or I'll be like Tanney and retire. I'm 29 now and in three years I'll have white whiskers as champs go."

In that case who do you think will be the next champion?

"You've got me again. It could be Billy Conn or that (Fred)dy Mills fellow over in England. I'd like to fight them both before I quit but it all depends on how long Uncle Sam needs me. He comes first."

James Joy Johnston, who has been a big noise in the fight racket for more than 50 years, says the next champion will come out of the services but he will be a youngster who goes in just before the war ends.

"We're bound to get a new set of champs out of the war," declares Jimmy, "but they will be boys who haven't been in the service long enough to see action. Once any of our fighters see action their ring days will be over."

"In the case of Louis, he'll have to fight next year or the long lay-off and his age will be too much of a handicap for a comeback."

JOE LOUIS
"Title Seems Unimportant"

Six Games For Texas Colleges This Week

By The Associated Press

Six games make up the Texas college football schedule this week with two of the three teams that opened the season last Saturday again in action.

Power-laden Southwestern, which rolled back North Texas Agricultural college 20-0 at Fort Worth, will journey to Corpus Christi Saturday to meet the Naval Air Technical Training Center (Ward Island Marines).

Texas Tech, which opened the campaign with a 26-14 decision over Lubbock Army Air Field, plays Oklahoma A. and M. at Oklahoma City Friday night.

Five of the six Southwest conference teams—four of them from Texas—will open the drive Saturday, with Rice meeting Randolph Field at Houston in a night game, Texas A. and M. engaging Bryan Field at College Station, Southern Methodist tackling Tulsa at Dallas and Texas playing Blackland Army Air Field at Austin, Arkansas, the lone conference member outside this state, plays Missouri Mines at Fayetteville.

North Texas Aggies will rest this week and Texas Christian does not open the season until Oct. 2 when the Horned Frogs meet Arkansas at Little Rock.

Randolph Field, Rice's opponent, beat Bryan Field 30-0 Saturday and showed enough to give Rice coaches much concern. Glenn Dobbs, former all-America star at Tulsa, sparked the Rambler offensive.

Coach Reminds Team Of Friday Mistakes

The Big Spring Steers turned today to a point-by-point reminder of their mistakes in the Colorado City game Friday as Coach John Dibrell readied them for the Cisco tilt her Friday evening.

While the Steers looked good on the whole, Dibrell had an abundance of fundamental and tactical errors to go over with his charges before they tackle a foe that

School officials today urged football fans to make purchase of tickets in advance of all home games. Terrific long lines before the ticket windows last Friday caused many to be late although the opening kickoff was delayed for a quarter of an hour.

Tickets may be secured at the school tax office on the high school campus and it is possible that they will be made available downtown during the week.

promises to be tougher than that met in the opener.

Cisco collapsed before Abilene, 44-0, Saturday evening, but then Abilene is reputed to have one of the strongest teams in district 3-AA this year. Consequently, Big Spring is not due to pile up any such score against the Lobos, who certainly will be much wiser when they come here.

Fortunately, all the Steers came through the opening tilt without injury despite the fact that everybody who had been coming out and was in good physical condition got to play. Making the most of this, Dibrell planned to devote much of Monday's practice to loosening up and trying to knock off a few rough edges.

Tuesday, he said, there "will be plenty of rough stuff," and of course there will be still more scrimmages on Wednesday as his boys buckle down to prepare not only for Cisco here Friday, but for a game against Lubbock in Lubbock the following weekend. Lubbock, incidentally, drubbed Odessa 19-6, in the opener Saturday, and any team that can dish it out to Odessa on these terms is bound to be pretty potent.

On the basis of showings in the Colorado game, anyone of the starting backfield combination is far from secure in his spot. The least bit of loafing will mean that John McIntosh or PeeWee Simmons step in, for these youngsters sparked with their running as much or more than the starters. There are spots on the line, too, where reserves could take over starting assignments if the regulars do not hustle to the utmost.

Va. Professional Wins Angelo Open

SAN ANGELO, Sept. 20 (AP)—A last-minute spurt and a score of 282 gave Staff Sgt. Jack Isaacs, professional from Langley Field, Va., the championship of the Goodfellow Field all-service open golf tourney.

Isaacs ended a blistering final round yesterday with a 136 for the 36 holes after starting the day sixth in the field and five blows behind the second-day leader. He stroked the front 18 in 65, six under par, and came home on the final 18 in even par figures.

Pvt. Ray Hill of Randolph Field and Dallas finished second with a 285. He went around the first 18 holes yesterday in 72 and collected a 66 on the home round.

Third place went to Corp. Frank Steidle of Arkansas and Camp Bowie, Tex. Steidle, the second day leader, amassed a total of 287. He scored 78 on the first round yesterday and dropped to 70 for the last 18.

A 288 won fourth place for Pvt. Earl Stewart of Dallas and the Fort Worth Army Air Field.

Sgt. Lloyd Watkins of Joplin, Mo., and the Midland, Tex., bombardier school, won fifth place with 292; Lt. E. H. McKinney of Kearney, Neb., and Kirtland Field, N. M., sixth with 293; and Lt. Al Escalante of Brownsville, Tex., and Big Spring, Tex., Army Air Field, and Staff Sgt. John Stammer of Oklahoma City and Sheppard Field, Tex., tied for seventh place with 294 each.

Honored War Hero Is Victim Of Death

SAN ANTONIO, Sept. 20 (AP)—An illness of several years caused the death yesterday in the Kelly Field hospital of Col. Richard Aldworth, 46, credited with organizing the Flying Tigers and a pioneer in the U. S. army air corps. Only last Saturday he was awarded the Legion of Honor medal.

Funeral services will be conducted at Fort Sam Houston tomorrow.

The Legion of Merit medal was presented to Colonel Aldworth at Randolph Field by Maj. Gen. Gerald C. Brant, commander in chief of the central flying training command, in behalf of Gen. Henry H. Arnold, chief of the army air corps.

Army officials here said Colonel Aldworth organized the American Volunteer Group who attained fame as the Flying Tigers and that Brig. Gen. Clair Chennault gave them their tactical training.

Colonel Aldworth was a member of the flying contingent that proved a battleship could be sunk by an aerial bomb. The group blasted the old battleship Arizona off the Virginia coast and sent it to the bottom.

He was awarded the Distinguished Flying Cross by President Roosevelt after he had set down his pursuit plane in the sea off Rockaway Beach, N. Y., in 1937 rather than crash the disabled craft on the crowded beach. He was forced into retirement by injuries suffered in that accident.

Ernst Named To Head Southern AAU

NEW ORLEANS, Sept. 20, (AP) Representatives at a meeting Saturday night of the Southern Amateur Athletic Union elected Lee Ernst of New Orleans as president of the organization.

L. Dibenedetto, president of the National A. A. U., was re-elected secretary and treasurer of the Southern Division and begins his 37th consecutive year in that position.

Danny Greene of Texas A. and M., was the group's choice for this section for the James E. Sullivan A. A. U. award. Greene recently splashed away with top honors in the 100, 220, and 440 yard free style events in the Senior Swimming Championships here.

Chamber Seeks Aid To Combat Feed Shortage

The chamber of commerce appealed Monday to dairymen, stockmen, and sheep raisers to aid in building up a factual case which might forestall a repetition of last spring's crucial protein feed shortage.

Already prospects of an even more acute shortage of this vital feed are being manifested. Midland dairymen have urged Rep. R. E. Thomson to help secure protein feeds which are not available in sufficient quantity.

The Big Spring Cotton Oil Co., which has been selling a considerable volume of cotton seed meal at that point, explained that its supply was greatly reduced this year. Gins are claiming their full 40 per cent of gross seed weight in cotton seed meal. Thus, of every ton of seed, gins get 800 for distribution to producers, etc., leaving only 360 for handling by the mill.

In this particular area the cotton crop is short and the number of farms is equalled almost by ranches to be serviced in the area. Thus, a protein feed shortage appears almost certain, especially with pastures dry and with slight prospects of fall grass and winter weeds.

In order to put in bids for soybeans, which might be crushed when the current supply of cotton seed is exhausted, the Big Spring Cotton Oil Co. will need to be armed with facts and figures. The chamber of commerce, which led in the campaign to secure additional meal last spring, urged ranchers, dairymen and sheepmen to list the size of their herds, the tonnage of protein feed required last year and estimated to be needed this winter. This should be left at the chamber offices.

New Carrier To Be Launched

HOUSTON, Sept. 20, (AP)—The Aircraft Carrier U. S. S. San Jacinto will be launched by the New York Shipbuilding Corporation at Camden, N. J., next Sunday the navy announced today.

The carrier, one of a number converted from 10,000-ton cruiser hulls, will be sponsored by Mrs. Jesse H. Jones, wife of the Secretary of Commerce.

The navy officially classifies the ship as a CVL—light carrier—to distinguish her from first-line combat carriers of greater tonnage.

The U. S. S. San Jacinto will be the second in U. S. navy annals to bear the name of the famous battle.

The first U. S. S. San Jacinto, a 1,446-ton steam sloop, mounting 10 guns, played a historic role in the war between the states. Under command of Capt. Charles Wilkes, USN, she halted the British Royal Mail Ship Trent by a shot across the bows in the old Bahama channel November 7, 1861, and forcibly removed two confederate emissaries, Mason and Silldell.

State Welfare Plans Revision Of Assistance
AUSTIN, Sept. 20 (AP)—The state department of public welfare today planned a re-examination of its assistance programs on the basis of actual need, Executive Director John Winters announced. Scheduled to start Oct. 20, the re-examination is expected to take a year, Winters said. It will involve nearly 200,000 cases in the old age assistance, aid to blind, and aid to dependent children programs.

Those actually in need should have no worries about the changes, Winters declared. "The department will do its best to make the available money go to those who need it most."

Cotton Picker Shortage Cut

Relief from the cotton picker shortage appeared in prospect Saturday as the migration of laborers from the South Texas area increased.

During the past week, reported County Agent O. P. Griffin, there were 713 agricultural placements. He estimated that counting farm families, there were perhaps 1,000 hands at work in Howard county fields.

Meanwhile, the tempo of ginning was increasing. Through Friday evening there had been ginned a total of 869 bales at the five local units. On this basis, this would indicate around 1,650 baled in the county thus far.

Griffin estimated that there were fully another 8,000 bales open in the fields.

Encouraging signs in the labor situation were reports from other areas of plenty of pickers except in the South Plains.

Warnings of hurricane approaching the Texas coast made many farmers uneasy lest high wind — and even rain — damage open cotton.

Man Arrested Here On Car Theft Charge

Sweetwater officers came here Monday morning to gain custody of Robert Ross, Chicago, Ill., wanted on a charge of car theft.

Ross was taken into custody here Sunday not long after a car missed at Sweetwater was found parked and locked beside the highway just east of town.

He was picked up by police on descriptions furnished by witnesses who saw a woman and a man abandon the car. Elizabeth Mitchell, Patterson, N. J., returned with officers to Sweetwater as a material witness. She said she had been hitch-hiking her way west and had been picked up by Ross.

AAFBS Band Does More Than Share In War Bond Drive

When the reports for September are all in, few organizations can say that they worked harder for success of the Third War Loan drive than the post band of the Big Spring Bombardier School.

Already the band has made four appearances in interest of the bond campaign and has at least three others lined up before the end of the month.

A week ago today the band led a big parade and played for a rally at Snyder. Cpl. Phil Tucker was master of ceremonies for the occasion and Pfc. Westenberg, 812th sang.

It all started with the big bond rally here the evening of Sept. 9 with the band, under the direction of W-O Robert Bruner, leading, cadets and WAC detachments marching, and some motorized equipment joining in the parade.

Saturday morning the band opened up a busy day by leading the western parade here which touched off a spirited bond buying spree in which movie stars participated. Hurrying to Colorado City, the band marched in a bond parade there and played for the rally.

Tuesday at 8 p. m. the band will play for a big rally at Coahoma. Cpl. Tucker will be the master of ceremonies and Maj. H. W. Wheeler is to speak Saturday at 3 p. m. the appearance will be duplicated at Stanton, and in addition WACS will march and some motorized equipment will be in the procession.

Currently, the only other engagement on the books is at Lore-aine on the evening of Sept. 29 when that community has its bond rally. Cpl. Tucker and Pfc. Westenberg will be on the program. However, if Big Spring or any other community gets in the hole and needs patriotic music to stimulate the home-street drive, the band probably won't be above jumping in to help.

Colorado Hotel Is Purchased By Crawford, Boykin

Announcement of the purchase of a fourth hotel which will carry the Crawford name—the Colorado hotel at Colorado City—was made Monday by A. J. Crawford of Carlsbad, N. M., and Calvin Boykin of Big Spring.

Boykin was in Colorado City in connection with the transfer, and to draft plans for extensive remodeling of the hotel. He said some \$15,000 will be spent in renovating and redecorating.

Boykin, maintaining central offices here, will supervise operations of the Colorado unit, as he does the Crawford hotel at Midland. A manager for Colorado City has not been named, he said.

This makes the fourth hotel holding in the West Texas-New Mexico area for the Crawford interests. Others are at Carlsbad, Midland and Big Spring.

The Colorado hotel is an 80-room facility, built in the 20's by cooperative interests of that town. It recently has been owned and operated by Ben Smith.

withdrawing."

"The fifth army also has advanced north of Battipaglia in the face of stubborn opposition," the spokesman said. Small gains also were made in the vicinity of Montecorvone.

The British troops who captured Gioia, he said, encountered no Germans, but only extensive minefields and booby traps.

There was little news from the British eighth army, which now has advanced some 250 miles from the southernmost toe, but it was considered probable that the German withdrawal reported by the invaders near Contursi might have been caused by the eighth army cutting due north past the Salerno bridgehead.

In sweeping out of the Sorrento peninsula, the Allied forces mounted a direct threat to the port of Naples from yet another side. Amphibious forces have taken over all islands immediately off the port.

"As we control all the heights of the Sorrento peninsula we undoubtedly control all of the peninsula since it is unlikely the Germans would stay in the lower parts just to be destroyed," the spokesman declared.

Amalfi and other towns on the south side of the peninsula were declared in Allied hands.

Pays \$50 Fine After Auto Collision

Otis J. Quigley, Ballinger, entered a plea of guilty to dangerous driving and was fined \$50 in corporate court Monday.

He was haled into court following a collision between his machine and a parked car near 900 Main street early Sunday morning.

Record Number Of Texans In Newest Class

The latest class of aviation cadets arrived at the Big Spring Bombardier School last Thursday afternoon for their intensive course from which they will emerge as full fledged "Hell from Heaven Men." Men from 33 states and gathered from scattered fields in the Gulf Coast area make up the large class.

Of interest was the fact that 23 members of the new unit hail from the Lone Star State. This is the largest contingent of Texans which has been found in any class over the past several months. They are:

Fire Destroys Local Gin Unit

Fire Monday afternoon all but destroyed the Big Spring Gin Co. plant at 901 E. 2nd street.

Flames apparently centered in the gin room and spread both to the engine and seed houses. Firemen were held back because of intense heat and the galvanized iron covering hampered efforts to combat the blaze.

Equipment of the unit, owned by the Chickasha Cotton and Oil Co., was regarded as a total loss. No estimates on damage were available.

Enrollment Low In County Schools

First reports into the office of the county superintendent, from rural school principals, indicate that enrollment of pupils in the county is slightly lower this year than last.

All but three schools, Moore, Hartwells and Vealmore, have reported enrollment totals. Walker Bailey, county superintendent, estimated the three unreported would have approximately 80 pupils to make a total of 550 pupils in the county. Last year there were 679 pupils by the end of the school year.

However, Bailey pointed out that the schools would show a slight increase by the first of the year when the cotton picking season is over and many pupils enroll for the first time.

Pupils by schools show, Gayhill, 39; Centerpoint, 45; Midway, 89; Forsan, 228; Elbow, 33; Couble, 20, and Lomax, 27.

Tom Jordan

(Continued From Page 1)

but Mr. Jordan was an editorial man at heart. He immediately established the precedent of no advertising on the front page, a policy that only the Dallas News then followed among Texas newspapers.

A firm believer in the future of Big Spring, he accurately prophesied in his first issue that the destiny of his paper and that of Big Spring were inseparably linked. Thus, it was natural to see Tom Jordan campaigning for agricultural development so effectively that the empires of early day cattle barons, who had employed almost despotic measures against settlers, were dissolved.

He had the privilege of chronicling the story of the county's first bale of cotton and lived to see the time when 45,000 bales were ginned here in a single season. He saw vast grazing grounds turned into feed lots, and farmers turn more to the diversification he had championed.

Moreover, it was Mr. Jordan who kept alive the spark which encouraged oil wildcaters to continue their search for most of a decade before petroleum was discovered in commercial quantities in the area.

Down through a quarter of a century he was linked with the cause of civic and industrial development. Mr. Jordan was no less outspoken on political and other issues as they related to what he believed to be the welfare of his community and territory. More than once he found himself on the unpopular side of a question; but his editorials were none the less forceful.

In 1926 he bought out Hayden's interest in the growing newspaper venture and two years later he found that the field had so expanded in the face of an oil boom that he was forced to "go daily." This he did on June 3, 1928.

A year of night and day efforts to keep his paper on the right level convinced him that the job was one for a larger organization than his. Accordingly, he sold out to the present publishing corporation in 1929 and laid aside his editorial mantle.

In the 14 years that followed he operated a printing establishment here and never re-entered the newspaper field except on rare occasions to pen poignant "letters to the editor" on burning issues.

Always a man of infinite good humor, he laughingly classified himself as a "good editor," which, he said, came from being in the first of two categories: "An editor retired and living in his home town or a deceased editor." Monday he had filled the second category.

Although funeral arrangements are incomplete, he will be buried beside the grave of his wife, Mrs. Mamie Hayden Jordan, who succumbed in 1922 and was buried in the Catholic cemetery.

Five daughters, Mrs. Jack Wilcox, Van Horn; Mrs. Cecil Wasson, Lillian Jordan, Mrs. Thurman Gentry and Mrs. Ray Jackson of Big Spring; and three sons, Albert Jordan, Big Spring, Sgt. Tommy Jordan, in the air corps at Liberal, Kas., and Harry Jordan, stationed at Honolulu, Hawaii, survive. One daughter, Mrs. Jena Barker, preceded him in death.

Survivors include two grandchildren, Margaret Elizabeth and James Roy Jackson; a niece, Mrs. Cressie Watkins, Fort Worth, whom he and Mrs. Jordan reared; two sisters, Mrs. J. T. Hayden, Huntington Park, Calif., and Mrs. Walter Gowell, Maywood, Calif.; three brothers-in-law, W. G. Hayden, A. C. Hayden, and H. R. Hayden, all of Big Spring; sons-in-law including Carl Barker, Fort Worth, a nephew, Joseph Hayden, and two nieces, Mrs. Everett Lomax and Mrs. Loy Acuff, all of Big Spring.

WARPLANES ESCAPE ALLIED HEADQUARTERS IN NORTH AFRICA

Italian warplanes are continuing to escape from German-held portions of Italy and a considerable number of them have now safely reached Allied fields, Northwest African air force officials said today.

Here 'n There

District Judge Cecil Collings and district attorney, Martelle McDonald will attend the district and appellate judge's Association meeting in Austin on Friday.

The Big Spring men will go from here with Judge Garland of Lamesa and will leave here Thursday for the two day session. Judge Collings spent Saturday in Midland and Odessa where he handled several divorce cases.

Charges of aggravated assault were filed in county court Monday against Bascom Ashley by members of the sheriff's department.

The AAA office is sending notice this week to farmers in the county notifying them their applications for soil conservation payments for 1943 are ready. Those who have not filed reports of performance should do so at once as no payments for compliance with the program can be given until the reports are filed at the AAA office.

The payments are for cotton compliance and soil building program as set up by the AAA.

Robert Hillburn, Mexican, charged here with perjury, was apprehended Sunday by the sheriff's department. According to Denver Dunn, deputy, Hillburn was indicted by the grand jury for car theft, pleaded guilty to the charge but was given a suspended sentence after he swore he had never been convicted of a felony offense before.

However, Dunn said that records later revealed that Hillburn was convicted of theft from a person in Lamb county in 1940 and charges of perjury were subsequently filed.

The annual meeting and war conference of the West Texas county judges and commissioners association will be attended on September 22-24 in Midland by Howard county judge, James T. Brooks, and county commissioners.

Judge Gilbert Smith of Anson and Judge Lee Thompson of Farwell, president and secretary of the regional organization have completed details of the meeting.

According to Smith, judge of Jones county, war time economy and efficiency in county government will be the theme of the meeting.

Men who have received induction notices from the Selective Service board, and who will be shipped to Lubbock on the September draft call were reminded Monday of a difference in army and navy automatic furloughs.

The army grants an automatic 21 day furlough after induction for men to finish up business and other arrangements before reporting to duty while the navy furlough is only seven days.

Cpl. Winsett Nance drops a note to say that he, Wayne Nance, Long Beach, Calif., and Mrs. Hazel Streety and daughter, L. Rita, of Walters, Okla. have been visiting with their parents, Mr. and Mrs. C. C. Nance in Comanche, Texas. Mr. and Mrs. C. C. Nance are former residents.

One of the better signs that cotton picking season is about to buckle down in earnest showed up on the police blotter Saturday. He was one of those pay-day drunks and so far gone officers could not even ascertain his name. Monday, with aching head, he probably will be back in the patch.

Police Chief J. B. Bruton felt he had a kick coming Saturday. In answer to some who quipped about only one officer and an MP for the entire parade, the chief exhibited a chart which not only showed the entire parade route but had assignments diagrammed so that each intersection would be protected by an officer a block in advance. A highly complicated plan; it even took into consideration the possibility of a last minute change in routes.

Mr. and Mrs. B. F. Robbins are in El Porvenir, N. M. where they plan to rest for a couple of weeks.

Three camping grounds located at 1000 Lamesa Drive have been rented by Howard county commissioners court for a site for itinerant cotton pickers.

Water and all other accommodations are furnished at the site, according to commissioners, and will be used by the cotton picking crews during the picking season.

A summary of enforcement statistics by districts for the month of August, as published by the Texas Liquor Control Board magazine, "Review," shows that the Big Spring district filed four cases during the month.

There were six convictions during August and no jail terms. One dismissal was made but no acquittals and fines totaled \$728.70. There was also one non-criminal case handled during the month.

Two volunteer enlistees in the army were shipped to Lubbock Monday morning according to the Selective Service board, and include Marion Allen Shaffer and J. W. Petty.

A travelling U. S. Coast Guard, recruiting unit will be here Saturday to grant interviews with all interested persons, it was announced Monday.

The chamber of commerce has granted office space for the day and Stanley E. Mathes, officer in charge, and other members of the party may be contacted there.

Mrs. W. E. Hughes Taken By Death

Mrs. W. E. Hughes, 35, wife of an oil worker on the Schermhorn lease in the Lees community, succumbed Monday morning in a local hospital following a brief illness. She was brought to the hospital Sunday night.

Mrs. Hughes had resided in this area for the past five years. Funeral arrangements under direction of the Nalley-Reeder Funeral home, were incomplete, pending receipt of word from relatives.

Besides her husband, Mrs. Hughes is survived by two young sons, Billy Joe and Richard Neal Hughes; her father, Marvin Ward of Wilson, Okla., four brothers, Barrie and Mutt Ward of Hilton, Okla.; Sam Ward of California and M. D. Ward, a prisoner of war in the Philippines; and two sisters, Mrs. Demmie Wiley, of Nevada and Mrs. Jackie Kinney of California.

Negro Is Held After Another Wounded

Police were holding a negro Monday pending the outcome of injuries sustained by another negro, Alex Banks, in an altercation at 11:30 p. m. Saturday in a northwest quarter cafe.

Banks, said officers, suffered a punctured lung from a wound inflicted with an "East Dallas special"—a long bladed knife.
