State Capital News

By Vern Sanford

Homeowners throughout Texas apparently are in for a substantial increase in their insurance payments. The State Insurance Board's staff recommended these average increases:

- Statewide extended coverage, 6.9 per cent.
- Fire insurance, 1.7 per cent.
- "Homeowners" policies 18 per cent.

Recommendations were made by the insurance board held its usual hearing preparatory to promulgating new rates and making some new changes in rules concerning these forms insurance.

The board will set new rates at the end of next month, making the effective date early in 1971.

Rates actually will vary according to location, building and construction.

Another jolt would be Texas Insurance Advisory Association's recommendation of mandatory \$250 deductibles statewide on all windstorm, hurricane and hail coverage. Mandatory deductibles now apply only to seacoast territory for type coverage, and that is limited to \$100.

IIA further suggested one optional "homeowners" policy be permitted. Present policies now run for three years.

DRINKS LAW TO BE ENFORCED

Texas Alcoholic Beverage Commission served notice it intends to enforce the law against sale of liquor by the drink despite the court's invalidating its private club "guest" rule.

Case involving the rule is on appeal to the State Supreme Court. Meanwhile, ABC said homeowners are mistaken in interpreting the Court of Civil Appeals' decision as giving them the go-ahead for mixed-drink sales to walk-in guests. ABC also predicted an early court test of the law under which distribution of Coors Beer has been restricted in Texas, but already has held invalid 1968 directive which said that "no requirement of warehousing refrigeration was termed forbidden 'inducement.'"

SINE REFERENDUM CONSIDERED

Gov. Preston Smith asked the Democratic Executive Committee to consider putting a question of school busing to a referendum on the 1972 Democratic primary as a referendum issue.

While not stating his own position, Smith argued that Texas voters should have a chance to express their opinions. He noted that the problem is "a local and local issue," and led on federal officials to assist us at the state and local level to upgrade our neighborhoods and our schools.

Meanwhile, the busing issue is in for attention from Democratic Senatorial candidate Lloyd Bentsen, who called compulsory busing "the most disruptive threat facing public education in America."

Smith sent a telegram to Sen. John Tower in Washington, asking him to "use your influence with the Republican administration" to obtain "more realistic, impartial and reasonable" treatment of Texas school districts by the Department of Health, Education and Welfare. He cited his meeting with 150 citizens from East Texas school districts (particularly Tyler and Longview) as motivating his request.

COURTS SPEAK

Court of Criminal Appeals held the new state anti-riot law which permits prosecution of a participant in a disturbance even though there is no evidence he committed acts of violence.

Supreme Court backed the Antonio Court of Civil Appeals in ruling that a juvenile is sentenced for as much as five years in a reformatory if an act punishable by no more than a year in prison is committed by an adult.

High Court reversed the 10th Court of Civil Appeals' conclusion that a two-way telephone service in McAllen is a telephone service subject to state gross receipts taxes.

Dennis Duniven Is Selected As Most Valuable Player

The 1969 McLean High School Tiger Football banquet was held last Saturday night at the McLean Country Club.

Following the welcome by Jay Thompson, Lions Club president, Jackie Enright, 1969 Football Queen was presented by Dennis Duniven, David Brown and Jim Barker.

The McLean News Most Valuable Player Award was presented this year to Dennis Duniven for his outstanding play during this football season. Dennis is a senior and the son of Mr. and Mrs. Bob Duniven.

The main speaker for the banquet was Weldon Trice from West Texas State University.

GRAY COUNTY FARM NEWSLETTER

by Evelyn Mason

SING-UP IN 1970 PROGRAMS

Sign-up in the 1970 programs on cotton, wheat and feed grain began on Feb. 2 and will last through March 20. Several producers have already been in to sign in the programs. The programs are very similar to last year's programs. Some changes are:

There are no advance payments made in 1970 programs. Sweet Sorghum is not authorized as an approved cover on diverted acres. Diverted acres must not be grazed between May 1 and October 1.

BREAKING OUT NEW LAND

If new land is broken out on the farm, the conserving base will be increased acre for acre by the amount of new land broken out.

RELEASE AND REAPPORTIONMENT OF COTTON ACRES

The final date to release any unused 1970 cotton allotment is March 8. This is also the final date to request more cotton for your farm. Producers who do not plan to use the cotton allotment may want to check into releasing it for 1970.

LOAN PROGRAM

Extension of the 1969-crop grain sorghum under warehouse loan has been authorized. The 1967 and 1968 crop of grain sorghum under extended loan is not authorized for extension and requires settlement.

prices they are getting for calves. The stocker-feeder operator will be in a squeeze for the next few months. Watch out for a fall shake up in prices on all classes. Unemployment and tight money will have its effect by then. This is contrary to what most economists are predicting. We are overdue due for a 1950 Model sudden price drop. In my opinion don't turn down any fancy prices in advance contracts for fall on any class of cattle. Beef is the luxury item in the food budget. It is the first item cut out of an unemployed person's diet. It is the first item added when he gets a job.

SCHOOL DISTRICT TO VOTE MONDAY ON BOND ISSUES

Open House March 5 At McLean Schools

March 2-6, has been designated as Texas Public School Week. Jack R. Riley, Superintendent of McLean Public School, Carl A. Dwyer, High School Principal, Billy Bob Adams, Elementary School Principal and all school personnel would like to extend an invitation to each and every citizen of this community to visit their school during Public School Week. You are always welcome to visit your schools, but are especially encouraged to do so at this time.

Open House will be held in the McLean Schools on Thursday, March 5, from 6:00 p.m. to 8:00 p.m. The teachers will be in their respective rooms to welcome and visit with parents and other interested patrons. We hope all of you will make a special effort to attend.

PFC Earl Tidwell Killed In Action, Buried Sunday

Funeral services were held Sunday, February 22 in Parkway Church of Christ for P.F.C. Earl Tidwell Jr. of Arlington, who was killed in action in Vietnam on Cambodian Border Saturday, February 14th.

He was married to the former Carolyn Stroud. He was a brother-in-law to Mrs. Don Hauck and Mrs. Laura Goodman's granddaughter's husband. Attending the funeral from McLean were Mrs. Laura Goodman, Mr. and Mrs. Don Hauck and Mrs. J. D. Fish.

McLean Stock Show Saturday, Feb. 28

Judge for this show will be Mr. Jerry Hawkins, ag teacher at Clarendon Junior College.

The members of the FFA and 4-H club extend an invitation to everyone to attend and support the youth.

PEP Meeting Confab Set For March 3 In Amarillo

Marketing of High Plains Agricultural Products in the Seventies" will be the theme of PEP (Panhandle Economic Program) Marketing Conference slated for March 3 in Amarillo.

The conference will be held at the Holiday Inn West and will begin with registration at 8 a.m., reports County Agricultural Agent Foster Whaley. It is being sponsored by the PEP Agricultural Marketing and Policy Task Force and the Texas Agricultural Extension Service.

Program chairman will be R. C. (Dick) Cline of Amarillo who is also chairman of the Marketing and Policy Task Force and vice-chairman of the PEP Executive Committee.

The \$450,000 Bond Election for the McLean Independent School District is drawing near with those "For" and "Against" going to the polls Monday, March 2.

Three propositions are to be voted on Monday at the City Hall. The ballot will read as follows:

PROPOSITION NO. 1
"For" or "Against" Maintenance Tax

PROPOSITION NO. 2
"For" or "Against" The issuance of bonds and levying taxes in payment thereof.

PROPOSITION NO. 3
"For" or "Against" The assumption of bonded indebtedness and the levying of the tax in payment thereof.

You must vote each proposition separately, place an (X) either by For or Against on each Proposition, or posted voting instructions state you can vote "Against" by crossing out the Proposition. There is a sample ballot on the inside of the paper.

Qualified voters in the McLean Independent School District will go to the polls on Monday, March 2, to make a decision on \$450,000 in bonds which has been requested by the Board of Trustees. According to recent Federal Court Ruling, every qualified voter, whether he is a property owner or not, must be allowed to vote in the bond election. A qualified voter is one who has resided in Texas one year, Gray, Wheeler or Collingsworth Counties (within the boundaries of McLean ISD) six months; and holds a voter registration certificate. This is one of the most important decisions to the future of our schools and it is absolutely vital that patrons and taxpayers be informed on the issues of this election.

The funds from the proposed bonds will be used to remodel the existing gymnasium and build new high school facilities.

NOTICE

The City, County and School business offices will be closed Monday due to the School Bond Election.

Hospital Auxiliary To Have Garage Sale

The McLean Hospital Auxiliary will have a garage sale March 5th, 6th and 7th from 10:00 a.m. until 5:20 p.m. The sale will be held in the building one door north of Bob Massey's McLean Cafe. Proceeds of the sale will be used to buy divider curtains for the hospital rooms.

Enrollment Period For Medicare Ends March 31

The annual period for enrolling in the supplemental medical insurance program under Medicare will end on March 31, 1970, according to Howard L. Weatherly, manager of the Pampa social security office.

This will be the last opportunity for many persons over 65 to become eligible for the doctor bill part of Medicare. Those enrolling during this period will have this coverage effective July 1, 1970.

Pampa Lions Minstrel Show To Be In McLean March 7

The McLean Lions Club will sponsor a performance of the Pampa Lions Minstrel Show, Dixieland USA on Saturday, March 7, in the high school auditorium at 8:00 p.m. The Minstrel is an annual show put on by the Lions of Pampa and is a real treat. Reserve seats are on sale at the present time. Don't miss this affair. Call some Lion now and get your tickets to this show whether reserve or general admission. No one will want to miss this show. Crackerjacks will be sold at intermission and prizes will be given to lucky persons finding a prize number in their crackerjacks box. An abundance of good prizes will be on hand.

Support your local Lions Club by attending this show. Proceeds will be used by your Lions Club for the promotion of worthy causes. It was very difficult to get this show to come to McLean and we must have a full house on hand to make this event successful. Please call now and make arrangements for your tickets. Lion Guy Hester is in charge of the ticket sales, however any Lion you contact will be glad to deliver your tickets to you. See you Saturday, March 7, in the high school auditorium at 8:00 p.m. for an evening of family fun and entertainment.

February 21-28 Is FFA Week

The Future Farmers of America is a national organization of, by, and for students studying Vocational Agricultural in the public schools. The FFA is an educational, non-profit, non-political youth organization of voluntary membership, designed to develop agricultural leadership, character, thrift, scholarship, cooperation, citizenship and patriotism. One of the requirements for membership is that the students must be enrolled in a high school class of Vocational Agriculture. The age limit is 12 - 21. In these vocational agriculture classes, students are provided an opportunity to secure and scientific training in all phases of agriculture.

Texas is the largest of the fifty chartered State Associations with over 10% of the national membership. Texas has 940 chapters with a membership of over 49,000. The national membership is over 450,000 and is sponsored by the State Department of Education. The Texas Association of FFA is sponsored by the State Department of Education. The high schools in Texas serve as local sponsors. The local vocational agriculture teachers serve as the local FFA Chapter Advisor.

The FFA provides training for those interested in production agriculture as well as those anticipating careers in off-farm agricultural occupations. The FFA, through the vocational agriculture classes, provides training for the entire agriculture industry, both on-farm and off-farm. Four out of every ten employed persons in the United States work in some phase of the agriculture industry.

The FFA strives to furnish well-trained leaders and citizens for responsible positions in agricultural business and industry, professional agricultural work, farming, and ranching. Presently Texas high schools are offering vocational agriculture classes in production agriculture, agricultural mechanics, horticulture, meat processing, forestry, and off-farm agriculture.

Don't Delay In Filing Income Tax

February 22 was not only the birthday of the Father of our Country, it is also the midpoint between January 1 and April 15. Although many taxpayers have taken advantage of the 52 days before February 22 to file their 1969 income tax return, at least 30% - and probably 1/3 - won't take advantage of at least 50 of the 52 days between February 22 and April 15. There are far too many taxpayers who cost themselves money by crowding the income tax filing deadline and then forgetting many of their deductions as well as making other errors in their last minute rush to beat the deadline.

If you didn't celebrate George's birthday with your income tax filing chore behind you, it will pay to take advantage of the many figuring days you have left, rather than joining the 11:59 p.m. club on April 15. Income tax Revenue will appreciate not having to correct those last minute errors you would make and you will enjoy keeping the money you didn't owe.

Wanda Lamb On Dean's Honor Roll At C. C.

The list of names on the Dean's Honor Roll at Clarendon College for the Fall semester of 1969 was released this week.

Listed on the Dean's Honor Roll from McLean was Mrs. Wanda Lamb with a 2.5 point average.

Band Boosters To Meet Friday

There will be a special meeting of the Band Booster Club Friday, February 27, at 7:30 p.m. Parents of high school band student are urged to attend this meeting, as an effort is being made to plan the annual band banquet.

Butch Lands Is On All-District Basketball Team

The District 2-A All-District Boys Basketball selection for 1970-71 have been released. On the All-District team from McLean is Butch Lands, a senior.

Receiving Honorable Mention were Steve Thacker, a senior and Tommy Duniven, a sophomore.

The McLean Boys "A" team had a district record of 5-5 and a season record of 12 wins and 14 losses.

McLean placed fourth in all teams district standings.

STRENGTH FOR THESE DAYS

The Bible

I send my messenger to prepare the way before me. (Mal. 3:1)

Divine order is a right state of mind, body and affairs. We prepare for the way for good by declaring Divine order. When we need light and guidance, clear our minds for the light of Christ to guide us. Let Him guide us in our human relations, work and in choosing the right paths for divine order in coming to wise decisions. Let's give thanks that God's good plans and purposes are revealed to us.

Filing Deadline Nears On School Trustees

Deadline for placing your name on the ballot for school trustee is Wednesday, March 4. There will be three openings for school trustees.

LOOKIN' BACK

by Vera Featherston Back

An interesting group of visitors last week was the Brownie Troop No. 76. Along with their Brownie Mothers, Mrs. J. C. McAnear and Mrs. Teron Bradley, the girls really enjoyed their visit and Cindi Carpenter - on duty for the day - was pleased to show them through. The young visitors were: Robin Smith, Terry Rollison, Jo Ann Morris, Belinda Bradley, Diane McAnear, Cindy Young, Dixie Marsh, Coy Nicholas, Sherry Glass, Teresa Lynn Durham, Jeanette Hatfield, and Rachel Glenn. Come again girls!

Sunday afternoon marked another success at Open House. Among our visitors whom we enjoyed as much as they did the exhibits were: Mrs. Loyd Rentfro and Mrs. Rob Harlan of Skellytown. They were on their way to help Sam and Eva McClellan celebrate their golden wedding. Congratulations to another woman for having lived with the same man for 50 years! The next 50 will be easier. While in Pampa last week, looking for a doll big enough to

fill out Hugh Grogan's baby dress - the one he had on when as an eight-month-old youngster he won the prize for being the prettiest baby - I met Edith Mann and it was at her suggestion that I checked the Salvation Army rummage sales. Here I found the proper doll. Edith and her husband Harold and son Fred came down Sunday to see what we had. The nice part is that they brought Mrs. L. M. Blaylock along with them. Though Mrs. Blaylock lives in McLean and is in town several days a week, she had not thought about coming by. Now she is a regular fan of the museum.

D. V., a former McLean boy, and his wife Zena visited Annie and Boyd Reeves Sunday and, of course, signed our registry. Along with the above foursome was Louie James, just back from a visit with her daughter Alline in California.

Another original McLeanite, R. B. Cooke, and his wife from Pampa were here. They were accompanied by his sister, Bobbie Cooke Edney of Texoma, Okla. It was more like reunion day with all these good folks present. Also Zora Petty Billingsley and husband Milton viewed the showings and visited with old friends while doing so.

Mary E. Webb, loved by so many of us, was here from Canadian. Signing the registry right after her was Hugh Parsell of Canadian. It's always nice to see these two. Mr. Parsell said John B. Vannoy one time worked for his father. It's a little world, folks, Mabel Rives, in Galtersburg, Maryland, and she informed me that Joellene Vannoy was to spend the afternoon with them. Joellene has joined the Washington D. C. Health Department.

CAROLYN ANN HOLT

Carolyn Holt Announces March 7 As Wedding Date

Mrs. Viola Holt announces the approaching marriage of her daughter, Carolyn Ann to Barry Ledell Cotton, son of Mr. and Mrs. T. J. Cotton of San Antonio. The couple will exchange vows on March 7th at 6:00 pm in the First Baptist Church of McLean. Friends of the couple are invited to attend. The reception will be held in the McLean Country Club.

That's what happened Sunday. The L. W. Weddings and their son Kent has just registered and found their way to the back of the museum when Mr. and Mrs. De Wayne Furr came in with their two children, Carissa and Brooke. Presently L. W. and young Kent came to the front. Carissa, a sweet bundle at five years, spied Kent of the same age and went over for a reunion. The parents looked puzzled until it came out that the two youngsters were desk-mates at school and each had sung the praises of the other at home. The menshook hands and soon the women were talking. I predict that there was born a lasting friendship right there in the museum while Grandma Davis, Mrs. Vannoy, Mrs. Uphman, and Nida Rippey Green's mannequins looked down in approval. Incidentally, Mrs. Furr is the younger daughter of Juanita Brooks Carpenter, a member of the Class of 1935 at MHS. Still it's a small world and it didn't take two trips to the moon to prove it.

Friends of our columnist, Mr. and Mrs. A. R. Granberg of Amarillo, were very complimentary - especially of the arrangement - of our efforts here.

Non-Food Items Make Grocery Bill 20% Higher

Needles, lightbulbs, paper goods, toothpaste... all added to the grocery bill making it at least 20 per cent higher than it actually is.

About 23 per cent of every dollar spent in a food store isn't for food, according to Jimmie Lou Wainscott, Gray County home demonstration agent. It's for soap, magazines, bug spray the list goes on and on.

For the average family of four this adds up to more than seven dollars a week for non-food items and shoppers blame food costs.

Convenient one-stop shopping at grocery stores shows that in the past ten years, non-food sales there have increased 140 per cent while food sales increased 51 per cent.

Food shoppers spend most of their non-food money for household supplies and housewares, alcoholic beverages, tobacco products, health and beauty aids, soft drinks and pet products.

More than half of all toothpaste sales, half of all aspirin sales and almost half of all shampoo sales in the country are made in food stores.

To combat non-food items on the food bill, resist impulse buying of them. Purely on impulse, shoppers buy small kitchen utensils and gadgets, snack sets and patio furniture, nylons, socks and children's wear.

Mr. and Mrs. Luther Petty attended the North Fork Worker Conference at the Kelton Baptist Church Thursday night and were at Eleventh Street Baptist Church Friday night for the showing of slides on India and the Holy Land by the Groom Baptist pastor.

Lucille Tucker attended the funeral of her cousin, Charles Buck Cowan in Mobeetie on Thursday of last week.

By "our" I mean the entire communities of Alanreed and McLean, for without the cooperation of so many, the museum would not have taken shape. Mrs. Grandberg was most fascinated with the loom from the Pagan Community for she is adept at manipulating such an instrument. We hope to have her back next summer when we have the loom in cooperative condition.

Mrs. O. L. Thompson of Amarillo and her husband came down just to see her name among the many others in Dr. C. E. Donnell's registry of babies delivered by him from 1905 to 1915. Mrs. Thompson was a Rousser, daughter of William and Edna Belle Rousser. Her mother was the daughter of Jack McClain and sister of Mrs. Charles (Beula) Guill.

There were many others there Sunday and everybody had a good time, including John C. Haynes who just couldn't leave that Claxtonola to his granddaughters. The songs brought back memories to John and he will be applying for the job of operating the machine from now on. I am glad I was there Sunday and so were around 100 other people.

CARD OF THANKS
I would like to thank all the people who sent cards, flowers and wrote me while I was in the McLean Hospital. A special thanks to the doctors and hospital staff.

Elderly Women Have Higher Injury Rate

Elderly women have a higher injury rate than elderly men, the Texas Safety Association reports after preliminary analysis of a statewide study now being conducted for the Governor's Committee on Aging.

Females were treated in 84% of reported accidents, whereas elderly males accounted for only 36% of the total reported by hospitals and physicians through seven months of the year-long survey.

"Our study indicates that active senior women need to be particularly careful," states Lloyd F. Palmer, TSA General Manager. "Spry senior citizens may tend to overestimate their physical abilities and take chances when actually they should be just a little less daring for safety's sake."

He named the most common places of accident occurrence as the home and the common cause as falls. Fractured and broken bones were listed as the most common serious injury.

For greater safety, Palmer suggested that conditions in the home be adapted to the needs of advancing age. Floors and floor coverings should be of nonskid type. There should be no loose rugs. All parts of the house, particularly stairs, should be well lighted.

Bathrooms should have stout handrails and nonskid surfaces. Unless older Texans are absolutely certain they can climb safely, they should stay from ladders. TSA warns that overconfidence can lead to bone-breaking accidents.

New Camaro. Feb. 26th.

We've never announced a car at this time before. But then nobody's ever announced a car like this before.

Super Hugger

If it were an ordinary sportster, we'd have introduced it at the ordinary time.

Instead, we took the time to build a whole new Camaro.

We started with a sleek new shape and a low road-hugging stance.

And added more hood. A faster fastback. Wider doors. And new deeply contoured bucket seats.

The instrument panel wraps around you. With enough dials to make you think you're piloting a 747.

There are four transmissions. And six power plants up to the Turbo-Jet 396 V8 that you can order.

Pick the one that best suits your driving. Then go pick on an open road.

And make it one with plenty of twisting turns. Because Camaro has a remarkable new suspension. And standard front disc brakes for a leech-like grip on the road.

New Camaro. The Super Hugger.

Other sportsters always feared it might come to this.

And they were right. Only their timing was wrong.

Putting you first, keeps us first.

INFORMATION CONCERNING THE MCLEAN ISD BOND ELECTION

Two of the most frequent questions asked about any bond election are: What will it cost? What will be my increase in taxes? The table below indicates the number of taxpayers by monetary category, the present tax paid by each category and the amount of increase of each category should the qualified voters of this school district approve the bond issue. This information is from a public record and is available to any citizen at the McLean ISD business office. Do not accept mis-information that may be passed along by another person. If you have questions, check the record for yourself and get the information you seek first hand. This table represents only the voting taxpayers residing in McLean ISD. It should represent fairly the tax increases required for each category. Check the tax records if 100% accuracy is desired in your tax situation.

The average taxpayer residing in the McLean ISD pays \$45.33 in school tax. The proposed bond issue will require an increase of \$15.11 from the average taxpayer, making a total of \$60.44 per year in school tax. This increase from the average taxpayer is LESS than HALF the COST of ONE CUP OF COFFEE PER DAY for one year. (\$36.50) This is a small price to pay for educational facilities for our students.

McLean Independent School District Maintenance Tax and School Bond Election
March 2, 1970

SAMPLE

GENERAL BALLOT

(Place an "X" in the square beside the statement in each proposition indicating the way you wish to vote)

PROPOSITION NO. 1

FOR } MAINTENANCE TAX

AGAINST }

PROPOSITION NO. 2

FOR } THE ISSUANCE OF BONDS AND LEVYING TAXES IN PAYMENT THEREOF

AGAINST }

PROPOSITION NO. 3

FOR } THE ASSUMPTION OF BONDED INDEBTEDNESS AND LEVYING TAXES IN PAYMENT THEREOF

AGAINST }

(NOTE: Voter's signature to be affixed on the reverse side)

PROPOSITION NO. 1

Places a limit of \$1.50 rate, if needed, for maintenance and permits only the amount required for the annual payment on the school building. For example: if \$1.40 is needed for maintenance and .40¢ is required for the annual payment on the school building, your tax rate could not exceed \$1.80.

PROPOSITION NO. 2

Allows the issuance of bonds in the amount of \$450,000 for the purpose of remodeling, constructing and equipping school buildings.

PROPOSITION NO. 3

This proposition has to do with prior changes in the school district's boundaries due to annexations of land from other school districts. State law requires that when a school district's boundaries change, a bond assumption and tax rate election must be held for the purpose of properly setting the new boundaries of the school district to include the land annexed. It also permits the redistribution of existing bonded indebtedness and the setting of the same tax rate for all land in the newly created district. Two annexations of this type have occurred in our district for which no election was held. Therefore it must be voted on favorably in order that the boundaries of our district be properly designated. This does not require additional taxes. It has to do with our boundary designations to make us a legally recognized school district. Naught can be gained by defeating proposition 3. It could cost money and time consuming legal action if it is not passed.

NOTE: ALL THREE PROPOSITIONS MUST BE PASSED OR THE BONDS CANNOT BE ISSUED.

SUPPORT YOUR SCHOOL BY VOTING YES TO ALL PROPOSITIONS ON MARCH 2ND

Easter Seal Appeal Letters In Mail

Easter Seal Appeal letters are being delivered this week in Gray County, according to Paul Keim, who is the County Easter Seal Representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As representative, Mr. Keim serves as local contact for disabled persons needing Easter Seal rehabilitation services and also is treasurer of the Easter Seal Appeal in Pampa.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment

loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the Annual Easter Seal Appeal.

The Society also provided for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarship for training of professional personnel to staff rehabilitation centers.

He pointed out that all of these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1969, the Texas Easter Seal Society helped to provide

treatment and services to 20,378 children and adults who were in need of rehabilitation services. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Keim added.

The 1970 Easter Seal Campaign will run through Easter Sunday, March 29. He urged increased support for the Easter Seal Society and its program of services to crippled children and adults.
