## Tigers Set For Home Opener

### JUNIOR HIGH GRIDDERS TO OPEN SEASON HERE TONIGHT

McLean's Junior High football team will open its 1958 season tonight in Duncan Field at 7:30, as they encounter the Wheeler Junior High squad.

Coached by Bill Adams, the team will field 22 players, having a schedule of six games arranged. The remaining games slated for the team will be McLean at Clarendon Sept. 18; McLean at Memphis Sept. 25; Canadian at McLean Oct. 2; Lefors at McLean Oct. 9 and McLean at Wheeler Oct. 16.

Admission for the games will be 25 cents for students and 50 cents for adults. The school has encouraged McLean residents to turn out for the games and back the future High School gridlers.

### First Clash Won Over Irish, 32-20

With a 32-20 victory over the Shamrock Irishmen as a starter, the McLean Tigers will take the field for the second time this season tomorrow night as they meet the Wheeler Mustangs on one ground at 8 p.m.

Coach Louis Boynton's Mustangs opened their season last Friday night with a 46-14 loss to the Canadian Wildcats, which will place them on the wrong side of the pickings for this week's battle with McLean.

Although falling by the wide margin to the powerful Canadian squad, the Mustangs have been pre-selected to be a threat in their district. They will measure up in weight to the Tiger squad and entered this season protecting a runner-up district title.

In last week's fray with Shamrock, the Tigers of Coach Jack Riley turned in an exceptional game in downing the heavier Shamrock team.

The two cousins, David Crockett at halfback and Billy Crockett at fullback, powered the fired-up Tigers to two scores in the first quarter and once in each of the remaining three to collect a decisive win over the heavier Irish squad.

Also displaying exceptional prowess in the McLean offensive machine was quarterback Jim Rice and halfback Jerry Biggers. Rice engineered the Tigers to a net of 327 yards rushing against 170 for Shamrock, and also carried the pigskin over the goal for two of the Tiger scores.

Biggers got 53 yards rushing, averaging six yards per carry. For the home standing Irish, quarterback Joe Jernigan and fullback L. H. Tucker provided the bulk of the offensive power. Tucker rammed over for two of the Irish scores while Jernigan contributed aerially by connecting with five of eight passes for 55 yards.

The Tigers drew first blood with 2:32 gone in the opening quarter when they cashed in on a Shamrock fumble on the Irish 20-yard line. Two plays moved them to the eight, from where David Crockett packed across left tackle for the score. A running try for the points after failed.

After one exchange of the ball, Shamrock jumped back into the game when Jernigan grabbed a Tiger punt at midfield and raced 40 yards to the McLean ten. On the following play Tucker dashed over for an Irish TD.

McLean was then fast to prove its ability on the long gallops as David Crockett took the kickoff and sped 55 yards back to the Irish 15. Two plays later quarterback Rice went over for the score on a keeper from the nine.

The next score for Shamrock came with an unexpected twist as right guard, Jerry Jernigan intercepted a screen pass from the arm of Rice and romped 40 yards into the end-zone. Again the extra point try failed and the halftime score was 18-22, McLean.

The only score in the third period came with two minutes gone as the Tigers climaxed a 77-yard drive with Billy Crockett going off tackle from eight yards out for the score. A pass from Rice to end O. K. Lee gained the first two extra points for the Tigers.

Early in the final period, the Tigers got their last score as again they managed a sustained drive across a major part of the field, taking an Irish punt on their own 38 and collecting three first downs in moving to the Shamrock ten. Billy Crockett then carried over for the tally. A running attempt for the extra points was no good.

The final Shamrock score came after their only continuous march of the game, as they took the ensuing kickoff on their own 48 and used eight plays to move to the Tiger nine. From there Tucker carried over for the score. A pass from Jernigan to end Charles Tyler netted the two point conversion and the score stood at 32-20.

Standouts in the Tiger line were ends Frank Worsham and Lee, tackles Ray Hupp and Benny Woods, guards Paul McCurley and Kent Wiggins and center Melvin Butrum. Furnishing the main defensive strength for the losers were tackles Jerry Smith and Kenneth Foster, guard Jerry Jernigan.

Following the game, head coach of the Tigers Jack Riley said of his McLean crew, who were picked to be one of the weaker teams in District 2-A, that he as very proud of his club's showing. Although light, he said, the entire line both offensive and defensive played an outstanding game.

## Schools Enroll 452 Total

### Baptist Church To Hold Revival Meeting

A revival meeting will be held at the First Baptist Church with Rev. Thurman Upshaw, pastor of the Central Baptist Church in Pampa, as evangelist. Dates for the meeting have been set for September 28 to October 5.

Serving as song leader for the meeting will be Weldon W. Louis, educational director for the Calvary Baptist Church in Borger.

Times for the services will be 10 a.m. and 8 p.m. Rev. Jesse Leonard, pastor of the church, urged all persons to attend.

A total of 452 students were enrolled in McLean for the new school year. Freeman Melton Jr., superintendent, announced this week. Of these, 278 are enrolled in the elementary grades and 174 in high school.

In the high school classes these were broken down with 58 freshmen; 40 sophomores; 32 juniors and 44 seniors.

In early meetings of the classes the group elected officers and sponsors for the new sessions. Bennie Woods was named as president of the senior class, with Billy Crockett as vice president; Frank Worsham as treasurer; Joe Howard as secretary; Lester Sitter as corr. secretary and Jimmy Allison as reporter. Coach Darryl Christian and Miss Steelman were elected by the class as sponsors.

In the junior class David Crockett was elected president; Jerry Stubblefield vice president; Robert Weaver secretary treasurer; O. K. Lee reporter and Don Cash sentinel. Mr. Wolfe and Mr. Dye were named sponsors.

For the sophomores Bill Herron will serve as president; Jack Back vice president; Gary Gordin secretary; Doyal Billingsley, treasurer; Douglas Crockett, reporter and Joe D. Smith, sentinel. Mrs. Riley and Mr. Dwyer will serve as sponsors.

In the freshman class Jimmy Watson was named president; Michael Nicholson, vice president; Nona Beck, secretary; Charles Jones, treasurer; and Margie Rainsback, reporter. Mr. Cook and Mrs. Glass will serve as sponsors.

Leon Savage, minister of the North Amarillo Church of Christ, officiated.

Survivors, other than the parents, are the grandparents, Mr. and Mrs. Sam Bruner of McLean and Mr. and Mrs. Rob Keetch of Amarillo.

### RESERVED SEAT GRID TICKETS NOW ON SALE

Reserved football tickets for the McLean High School home games are now on sale, and can be purchased at Brown's Rexall Drug. Superintendent of Schools Freeman Melton, Jr., reported that many good seats are still available for persons who desire to secure them.

It was also announced that persons who had purchased tickets and have not picked them up may do so at Brown's.

Season tickets are priced at \$5.00, which is \$1.00 for each of the home games. The first is to be tomorrow against Wheeler. Game time is 8 p. m.

### PTA HOLDS FIRST MEET

McLean Parent-Teacher Association opened its activities for the 1958 year with a "Back to School" meeting Tuesday night.

Over 100 parents attended the gathering, which served mainly as a means of getting acquainted with the faculty of the schools.

At the meeting it was decided to hold the regular meetings on the second Wednesday of each month. Last year they were held on the first Wednesday of the month. Meetings will begin at 3:45 p. m.

Refreshments were served to the group at the close of the meeting.

### BROWN DRUG TO HOLD OPENING

Brown's Rexall Drug will hold its grand opening Friday and Saturday after a complete remodeling of the building.

Although the store never closed to business, the interior is completely re-done, to become one of the most modern drug stores in the area.

The opening will feature \$300 in prizes to be given away, including a \$175 VM Hi Fi set. Also door prizes will be given away during the two-day opening.

The period of construction covered about two months, including both the interior and exterior remodeling.

Spectacles are called amacines in English slang.

Acetylsalicylic acid is a technical name for aspirin.

### GILBREATH INFANT DIES

Graveside services for Calvin Wayne Gilbreath, infant son of Mr. and Mrs. Norman Gilbreath, formerly of McLean, were held at 2 p.m. at Hillcrest Cemetery Monday.

The child, born Aug. 16 in Farmington, N. M., died Sept. 5 in Astec, N. M.

Survivors, in addition to the parents are the maternal grandparents, Mr. and Mrs. Wayne Melroy, of McLean and the paternal grandparents, Mr. and Mrs. J. C. Gilbreath of Alameda.

David Fultz, minister of the McLean Church of Christ, officiated at the graveside services, which were under the direction of the Richardson-Lamb Funeral Home of McLean.

### Lions to Hold Ladies Night On Sept. 16

McLean's Lion Club will hold its Ladies night banquet Tuesday, September 16, in the basement of the Methodist Church.

The banquet will serve in place of the regular meeting, which would have been held on that date.

## Ex-Students Group Formed With McLean Homecoming

McLean's first homecoming ever to be held was reported to be highly successful, with 233 ex-graduates of the school in attendance. In addition to the past students, 12 ex-coaches returned for the occasion.

While holding the homecoming, an ex-students organization was formed, with officers elected to plan the activities for the forthcoming year. Named as president for the group was Sammy Haynes, with Bill Reeves to serve as vice president. S. A. Cousins was elected secretary treasurer.

The largest single class representation came in the class of 1933 and 1944. Both groups had 13 attending. The only classes not represented were 1913, 1919, 1920, 1921, 1922, and 1927. It was requested that if any person knows of any graduates during these dates, they would report it to any of the officers of the organization so that they may be contacted before next year.

The homecoming in 1959 will also be held following the first football game of the season, which

will be a home game.

Jimmie Don Morris, who served as this year's chairman for the homecoming, stated that he wished to express his appreciation to Freeman Melton Jr., superintendent of schools, for his help in the meeting, and also to all those who helped in making the homecoming possible.

Those registering for the occasion were:

### DR. FREEMAN TO SPEAK IN McLEAN

Dr. John A. Freeman, who will be guest speaker on September 14th and 21st, at the First Baptist Church in McLean is assistant professor of psychology at Wayland College, going to Wayland State Baptist University, where he held a similar appointment.

Dr. Freeman also heads Wayland's new laboratory for research in the field of extra-sensory perception which has been produced by an anonymous donor. At OBU his students conducted similar projects and testing programs.

Dr. Freeman is a graduate of Ouachita Baptist College and holds the Th. M. degree from Southern Baptist Seminary, Louisville. In addition, he has been granted the D. Ed. degree by Oklahoma A. & M. College with emphasis in psychology and counseling.

Both Dr. and Mrs. Freeman are frequent contributors to many Southern Baptist publications. He writes a regular column for "Ambassador Life," the magazine for teen-age boys. Mrs. Freeman, who is the author of a junior missions study book on inter-racial problems for the Woman's Missionary Union, is a former assistant book editor for the Southern Baptist Sunday School Board.

One of Dr. Freeman's hobbies is assisting county judges with juvenile delinquency problems when he has time from his other duties.

Since his arrival in Plainview in the summer of 1956, he has served as interim pastor for First Baptist Church, Phillips, and appeared before many churches and clubs as guest speaker.

Rev. Jesse Leonard, pastor, will be conducting a revival at the First Baptist Church in Clarendon.

**THUNDER OUT OF CHINA**—The dawn truly comes up like thunder, "out of China, 'cross the bay," on the island of Quemoy, where Nationalist Chinese troops are shown stringing barbed wire. The Quemoy island complex has been under massive artillery bombardment from mainland-based Communist Chinese batteries as the Reds hot up the cold war.

Both Rep. Joe Burkett of Kerrville and incumbent Speaker Waggoner Carr of Lubbock claim a majority. But each says he does not have permission from the signers to show all his pledge cards. There are rumors that several House members, wanting to be scrupulous, pledged support to both candidates, never dreaming that the contest would be so close as to bring a "judgment day."

**FATER WELFARE CHECKS**  
An across-the-board increase of \$5 per person in checks to the aged, needy blind and disabled begins Oct. 1.

Gov. Price Daniel said the increase was made possible by liberalization of the Social Security Act during the last session of Congress.

**WATER WELLS IN REVERSE**  
State Highway Department will try out a plan of digging wells to put water into the ground, rather than take it out. Purpose is to drain the "wet weather lakes" which sometimes block highways for days or weeks at a time. Such lakes are not uncommon in the Plains area after a rainy spell has filled low places.

**PHOTO FINISH**—Race for speaker of the House seems stalemated with the likelihood that the winner will not be known until all 150 members convene and vote in an all-exits-barred showdown.

Education Commissioner J. W. Edgar was authorized to prepare recommendations for Texas participation in the newly passed federal aid to education program. Texas would be eligible for some \$9,600,000 to bolster the training of teachers, scientists, mathematicians and other kindred purposes.

A side benefit of the plan, noted Highway Commission Chairman Marshall Formby, would be the re-charging of underground reservoirs.

other legislative suggestions, for which ammunition is already being stacked, is foreseen in the area of labor union regulation.

Sen. George Parkhouse of Dallas, longtime champion of restrictive labor laws, has announced he has some more in mind. He said his proposals were prompted by abuses reported to him by union members. Parkhouse said he would sponsor bills to (1) provide state regulation of union pension funds, (2) prohibit union assessments for political campaigns, (3) require public disclosure of union spending and (4) correct practices whereby, according to the Senator, union leaders prevent some members from getting work.

Jerry Holleman, State AFL-CIO president, stated that organized labor would welcome state regulation of pension funds. The other proposals, Holleman said, are taken care of under existing law.

**Highlights and Sidelights FROM your State CAPITOL**

By Vern Sanford

**AUSTIN, Tex.**—How best to educate Texas children—and how to pay for it—will be a key issue in the upcoming legislative session.

Problems were spotlighted when the Hale-Aikin Committee made its first report. Included were 12 recommendations for improvement or expansion of public education.

Several proposals reflect the concerns of the times. In an age of mounting traffic death tolls

and almost universal availability of high-speed cars to teenagers, state-supported driver education was urged. In the face of widespread reports of the superiority of educational systems in other countries, the committee recommended state aid for classes for the "academically gifted." It also proposed increasing the school year from a minimum 175 days to 180 days plus five days for teacher training.

Other proposals were to provide state support for (1) more principals, (2) assistant superintendents in large districts, (3) pre-school teaching of children unable to speak English, (4) larger allowances for maintenance, (5) replacing school buses and paying drivers (6) buses for city children living more than two miles from school, and (7) state and local guidance services.

It also suggested basing teacher-pupil ratios on current attendance rather than figures for the year before and urged the setting aside of TV channels for future educational use.

Final decision on other recommendations was postponed until Sept. 15. These include raising the minimum pay for teachers \$595 a year (from \$3255 to \$3800) and releasing state property taxes to allow for more local district collections.

Hale-Aikin Committee is a 24-member study group of lawmakers and private citizens set up by the last legislature to study public schools and make recommendations to the 1959 session. Grass-roots discussion has been going on for nearly a year in cities and counties over the state. Proposals being made now result from sifting and weighing of hundreds of ideas urged by educators and interested citizens.

Committee members are not blind to the likelihood of stiff legislative resistance to the additional money-spending called for by most of the proposals. Cost of the state foundation program for the present school year is estimated at \$349,416,000. H-A Committee's "enrichment" suggestions could add from \$50,000,000 to \$150,000,000 to that figure. Most lawmakers already are feeling financially gloomy because of a predicted \$240,000,000 gap between state revenue and cost of present programs—without any kind of improvement anywhere.

One committee member suggested that, while all the proposals might not be put into effect right away, they could serve as "a pattern for years to come."

**WHAT, NOT HOW**—Greater emphasis on what to teach, rather than how to teach will be reflected by this year's college graduates majoring in education.

A law passed in 1955 requires future teachers, beginning with the 1959 grads, to have 40 per cent of their credits in subjects they will teach, 40 per cent in "cultural subjects," 20 per cent in educational courses.

State Board of Education called attention to this change at its September meeting.

Board also hit a lick in its unrelenting battle against all plans to dip into principal of the permanent school fund for current expenses. Its resolution warned of possible "tragic consequences."

**GRAY COUNTY SOIL CONSERVATION NEWS**

A step-by-step description of how a farmer can put all or part of his land in the 1959 Conservation Reserve of the Soil Bank was given today by W. C. Moseley, Chairman, Gray ASC County Committee. He emphasized that the most important step is for a farmer to ask the county ASC office committee to establish maximum annual payment rates for his farm. Payment rates will not be established for a farm unless requested by the farmer. At the same time, the farmer should furnish the Committee with information on acreage and yields for his farm and give an estimate of the value of his land. This information is needed before the rates can be established. The deadline for farmers to request that rates be established for their farms is September 26, 1958. On basis of the information supplied by the farmer and other data, the County ASC office will establish maximum annual rates of payment for the farm and will send the farmer an application form for placing land in the program. The application form will show the rates established for the farm. The farmer then decides how much cropland he wants to put in the Conservation Reserve, how long he wants his contract to run, and the rate of annual payment at which he will offer his land. He enters this information on the application form. The application must be returned to the County ASC office on or before October 17, 1958, the deadline for filing applications. In connection with the filing out of this application, Chairman, W. C. Moseley, pointed out that a farmer may offer to put land in the Conservation Reserve at less than the maximum annual payment rate established for his farm. He stressed that this could be particularly important since priority in accepting applications will be given to farmers who make the best offers. Thus, the farmer who offers land at less than the maximum rate set for his farm will be more certain of having his application accepted.

Contracts will be offered to farmers after the deadline for returning applications to the County ASC office Committee. Before a contract is concluded, someone from the County ASC office will

visit the farm and examine it for eligibility and measurement of land acreage. Where only part of the cropland of a farm is offered for the Reserve, the land will be examined to determine if it is substantially as productive as the average of all cropland on the farm. Then, Chairman Moseley said, the contract is ready for the signature of the farmer and the approval of the County ASC Committee.

Any farmer can participate in the Conservation Reserve who has cropland which is regularly used for cultivated crops or tame hay.

**Bible Comment:**

**Even Worst Men Have the Latent Capacity for Good**

Joseph told his brothers that they should bring their brother Benjamin down to Egypt with them on their next journey to procure grain. The brothers protested that the loss of Benjamin would kill their father, Jacob, who had been dreadfully upset when Joseph had gone from home.

Joseph was insistent and, since the famine was so keen, there was no other way. When they next came—with Benjamin—and had secured their grain for the journey home, Joseph planted a silver cup in Benjamin's sack.

When they had gone a little way, they were overtaken and the silver cup discovered. It was, of course, a very serious situation. Judah, the brother who had originally suggested selling Joseph to the Midianites, thus starting him on his journey to Egypt, came to the front.

Assuring Joseph that the loss of Benjamin would kill Jacob, Judah asked that he be taken as a substitute and punished for the alleged theft and that Benjamin should be allowed to go home.

Here is illustrated sharply the latent capacity for goodness and nobility that is in human nature. It is exemplified quite often in men whose lives have been by no means free from serious fault but who rise to the heights of courage and sacrifice in a crisis.

This latent capacity is a hopeful fact for humanity. We find it exemplified in Americans and others, but it is regrettable that it so often requires great crises to bring it out.

Perhaps the greatest task for the Christian church is to so influence men in times of prosperity and peace that what is best in them must be expressed without the stimulus of some extreme situation.

**HEAVENLY TREASURES**

By George P. Dolak,  
Pastor Trinity Lutheran Church, Pakan

The Savior urges all Christians, "Lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through and steal." Sad as it is to say, there are many people who neglect these words of the Lord. There are countless Christians who "have set their hearts on earthly things," who are constantly striving to acquire more and more of this world's goods. The Lord tells us that to neglect the spiritual side of life and to place emphasis only on the things of this world is very foolish. Concerning the treasures of this world the Savior says, "Moth and rust doth corrupt, thieves break through and steal."

The desire of a true Christian is to be a spiritual treasure hunter. By the grace of God Christians are people who are able to see beyond the limits of this world and life on earth. They know from God's own word that the most important part of our life has not yet been lived. It will be lived in heaven with God Himself. For that reason the Lord tells us to be concerned with the spiritual side of life. We are to pay attention to those things which pertain to the life which is yet to come.

A Christian gathers spiritual treasures when he makes the Word of God the most important thing in his life. A Christian who "lays up for himself treasure in heaven" will LIVE in the Word of God. He will search the Scriptures faithfully because they are the writings which testify of Christ. To lay up treasure in heaven is to be present to hear His Word at every opportunity so that faith might be strengthened.

If you are neglecting the heavenly treasures, resolve today that you will begin "laying them up for yourself." Take the Word of God and let it live in your heart. Be diligent in the study of the Word so that you may grow in grace and in the knowledge of Jesus Christ, who loved you and redeemed YOU with His own life. When you do this, you store up treasures in heaven—treasures which will never be lost, but which will last through eternity.

## NEW DEPARTMENTS ADDED TO TRI-STATE FAIR IN AMARILLO

Three departments of major interest to many persons throughout the Golden Spread area have been added to the 29th Tri-State Fair in Amarillo, September 22-27, according to Rex B. Baxter, Manager of the regional organization.

The new divisions in which persons in the Tri-State regions are urged to participate are for china painting, ceramics and a rose show.

"Time still remains for interested persons to enter their handiwork and roses for competition," said Baxter, "and we shall be delighted to cooperate with them in every way possible." He said the additions to the Fair were made in response to requests from persons in the area served by

the Fair.

Entries for china painting and in the ceramics department will be received until 5 p.m. Sept. 20. Entries for the rose show will be received between 8 and 11 a.m. Sept. 22, opening day of the Fair. Superintendent of the china painting department is Mrs. Forest Minton, 1295 West 20th St., Amarillo. The ceramics department is headed by Mrs. Albert Partin, 656 North Hivins, Amarillo. Mrs. A. C. Keith, 101 Parkview, Amarillo, is directing the rose show. Complete details about these departments may be obtained by contacting those named above or the Tri-State Fair office in Amarillo.

With nine performances of Wa-

ter Follies of 1958 in Fair Park Coliseum, free exhibits of the nation's latest attack and defense weapons, a model of the world's first atomic powered submarine and the U. S. Navy's earth satellite, plus numerous free acts, a wealth of midway attractions, and record numbers of agricultural, livestock and commercial exhibits, this year's fair is expected to surpass all previous ones in the Golden Spread.

In keeping with custom, the 1958 Fair will open with a gigantic parade in downtown Amarillo at 11 o'clock Monday morning, September 22. The last two days of the Fair have been designated as Kid Days, featuring numerous free attractions, including the personal appearance of Smiley Burnette, the froggie-voiced western comic of radio, TV and motion picture fame.

## WT TO OPEN NEW SESSION SEPT. 25

CANYON, Sept. 11. (Special)—

West Texas State College will open its 49th session here Sept. 25, and like most colleges throughout the nation, will expect a new record enrollment. Well over 2,000 students are expected to enroll for the fall semester.

Activity around the campus will get underway Sept. 12, when the Student Senate will open conferences to plan student affairs for the year. The 12 class senators

representatives of campus organizations will meet with DeWayne Neel of Friona, student body president, to set a social calendar and to arrange activities for the first, or "Get Acquainted" week.

The student conferences will be held at 2 p.m. Friday and Saturday in the student union building.

A faculty breakfast and business session will be held at 8 a.m. Sept. 13, and dormitories will be opened for students to move in on Sunday, Sept. 14.

Students will come back to WT's campus again this year, as they have for the past few years, to see continued construction on major buildings. A new fine arts building, a capacity-doubling addition to the science building, and a new stadium are under construction and are expected to be com-

pleted in the fall of 1959.

WT's freshmen will start orientation at 8:30 a.m. on Sept. 15, continuing through the day with freshman tests, and will be given counseling Sept. 16 before beginning registration, along with sophomores that afternoon. Freshmen and sophomores continue registering in the morning of Sept. 17, while juniors, seniors and
