State Capital News

By Vern Sanford

Welfare costs may go sharply next year if Congress passes a new Medicaid bill. The Senate Committee on Labor Reform heard estimates that Medicaid expenditures alone will require at least \$25.9 million in additional state outlays during the next biennium.

Gov. G. Hackney, State Finance Commissioner, presiding over the Family Planning Council's Family Planning Act of 1969. The cost of the program is estimated to be \$2 million more each year than the state would pay.

While welfare officials are optimistic over being able to continue present programs until the next legislative session, they will be in debt \$12.5 million by January. That's the amount Gov. Preston Smith has transferred to welfare from the school construction fund to head off the scheduled cut in payments to the state.

Though estimates presented to the committee are correct, the legislature will be looking at an increase of \$70 million for new programs during the next fiscal year. That's not to mention another \$100 million "catch-up" money coming over from the current year.

Congress places mental retardation under new limitations on patient services, the state will end up with another \$9 million a year in new obligations, plus \$8.2 million in unexpected expenses for the present fiscal period.

COOL FUND
The single piece of income tax the Texas permanent school fund, \$139 million, has been reduced. After 11 months of discussion, School Land Board accepted a unitization agreement with the huge new sulphur deposit in Culberson County by the Duval Corporation of Houston. Deposit is the second largest in the world. It contains 81 billion long tons of sulphur. Agreement involves the drilling of 3,000 wells.

High bids on public school oil and gas leases totaled \$1 million, representing an average of \$36.84 an acre. Twenty-two per cent of the acreage sold was in El Paso and Borden counties, Land lying in Loving and Ward counties brought a bid of \$120,000, topped all others.

COURTS SPEAK
Third Court of Civil Appeals held the 1969 law giving tobacco distributors 15 days to pay for cigarettes tax stamps is constitutional, but State Treasurer James said he will appeal.

POINTMENTS
Governor Smith named 75 to the governor's advisory committee on aging and appointed a steering committee of children and youth to plan participation in the White House conference on children and youth.

RULINGS
Atty. Gen. Crawford Martin, in an opinion requested by Wiley L. Cheatham of Cuero, said a justice of the Peace may not act on criminal cases on Sundays. He added that he also will enter judgments and collect fines on Sundays.

In another opinion, Martin said that Commissioners Courts may enter into contact with the U. S. to administer job training programs under a concentrated employment project.

FEDERAL-STATE GRANTS
Office of Child Development sent \$208,594 in new federal grants to Bee County Community Council for Head Start school programs in Beeville, Alamo and Pettus.

A federal recreation grant of \$6,800 has been approved for acquisition of 15.5 acres of land to enlarge Pasadena's Memorial Park.

WEEKLY MARKETING TIPS

Fresh asparagus at moderate prices has hit produce counters, says Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University.

Other fresh produce at the economical prices includes oranges, grapefruit, apples, bananas, pears, carrots, potatoes, head lettuce, celery cabbage, dry yellow onions, radishes and green onions.

Mrs. Clyatt suggests buying these foods this week to help save on the food bill. At meat counters, look for best beef values this week on calf and beef liver, round steaks and roasts, chuck roasts and steaks, ground beef and short ribs.

Pork values include picnics and end cut loin roasts and chops, shoulder roasts and steaks.

Fryer chickens remain an excellent bargain in most meat departments and grade A large eggs offer the best value in eggs.

PRODUCE HIGH QUALITY HAY
High quality hay is no accident - it requires planning and action now, says Neal Pratt, Extension agronomist. He suggests these steps for a quality hay program. Get a soil test; follow the test recommendations on fertilizer use; harvest the hay before the plants mature and top dress hay fields for additional cuttings.

Visiting with Mr. and Mrs. Roy McCracken over the weekend were Mr. and Mrs. J. M. Bilderback of McLean; Mr. and Mrs. Dennis Bolner and family of Amarillo; Mr. and Mrs. Ernie McCracken of Canyon; Mr. Charles Roberts, C. E. Marlena and Rodney of Amarillo.

Texas Highway Patrol Investigate 20 Accidents In March

The Texas Highway Patrol investigated 20 accidents on rural highways in Gray County during the month of March, according to Sergeant J. L. Dalrymple, Highway Patrol Supervisor of this area.

These crashes resulted in 13 persons injured, and an estimated property damage of \$20,210.00.

The rural traffic accident summary for this county during the first three months of 1970 shows a total of 56 accidents resulting in two persons killed, 38 persons injured, and an estimated property damage of \$63,705.00.

The final entry in the 1969 Texas traffic records has been entered and closed. An all-time record of 3,551 persons killed, an estimated 233,000 suffered injuries, and an estimated property loss of \$955 million was sustained.

Since the death count of 2,254 in 1960, Texas has gained steadily each year. The Sergeant stated, "If the number of deaths continue to increase as they have since 1960 by 1978 they will have increased 100 per cent."

FHA Chapter Discuss Careers For Women

Sherry Calcote, FHA president, presided at the monthly meeting Monday night, when members discussed possible careers open to women.

Mrs. Mary Tom Riley, School Counselor, held an informal talk with the girls as they discussed what profession they would like to follow. Refreshments were served to the group.

Martha Pulliam, 101 Is Buried April 9

Mrs. Martha Ann Pulliam, age 101 years, 5 months and 7 days old, died April 6 after a long illness in a Henryetta, Okla. Hospital.

She was born October 3, 1868 in Glasgow, Tenn., and moved to Missouri as a small child. She was married to John L. Pulliam in 1887, who died in 1958. They had 8 children with 4 of them still living. She was a member of the Methodist Church in Paden, Okla.

Funeral services for Mrs. Pulliam were held Thursday, April 9 at Prague, Okla. in the United Pentecostal Church.

Survivors include two sons, C. C. Pulliam of Henryetta, Okla. and J. T. Pulliam of Fort Worth; two daughters, Mrs. Nola Holland of St. Louis, Mo. and Mrs. J. N. Smith of McLean; 33 grandchildren; 65 great-grandchildren; 14 great-great-grandchildren.

Grandsons, James Pulliam, J. N. Smith, Richard Pulliam, Don Loyd Smith, Delbert Matthew and Jimmy Black served as pallbearers.

Dr. Ken McCarty Moves To New Office

Dr. Ken McCarty, who started coming here from Amarillo several months ago, has recently set up his new office in the building next to S. A. Cousin Agency, Dr. McCarty formerly had his office at the McLean Hospital.

Dr. McCarty is in McLean each Thursday to take care of your eye care. For appointment you may call 779-2401.

Brownie Troop No. 76 Get Ready For Camp

Brownie Troop No. 76 held a meeting Thursday, April 9.

The girls are readying themselves for the day camp in June at Camp Mel Davis. Twine drinking cups were made.

Refreshments of cookies and punch were served to twelve girls and two leaders.

Seaman Doiel Wright Serving Aboard USS Hollister

Navy Seaman Doiel W. Wright, son of Mrs. Venice Wright of McLean is serving aboard the award-winning destroyer USS Hollister with the Seventh Fleet in the Western Pacific.

The Hollister recently won the Navy's Battle Efficiency "A" for outstanding achievement in the field of anti-submarine warfare.

Aspirins have become a prime poisoner of children. Youngsters are often attracted to objects which resemble candy in bottles and advises that aspirin and sleeping tablets be kept well out of harm's reach for children.

I looked unto the heavens high and sought the God above. Needed to feel His presence - The blessing of His love.

The trouble with being right all the time is that no one would want to be around us if they had to be the one that came up wrong on all occasions.

Some folks go out hunting for trouble - others just wait for it to catch up with them.

Children learn how to operate the parents and usually before they do the family car. They can operate the grandparents even sooner.

It is not so bad to hit bottom if we land on our feet.

Some folks think they have a surplus of wisdom so they try to use their mouth for a pop off valve.

The things we do on our feet are just as important as the things that we say on our knees.

If we can't believe anything we hear, and only half of what we see, then we wonder what it is safe to think about.

One is said to be a success socially when he learns to get along with those he can't get ahead of.

The reason some people have so much advice for the next generation is that they have so much unused advice left over from their parents. It ought to be in good condition as it was never used very much. Good as advice is most folks have to learn things for themselves.

McLean Lions Club To Sponsor A Political Rally

The McLean Lions Club is sponsoring a candidate's rally, Saturday, April 18, at 7:30 p.m. on Main Street in McLean, weather permitting. If the weather is bad, it will be held in the gym building.

All candidates running for public office have been invited and will be given an opportunity to say a few words, if he so desires.

There will be a short program and pies and cakes donated by Lions Club members will be auctioned off to the highest bidder.

Everyone is invited to come out Saturday and hear each of these candidates speak, which will help in your decision as to who to vote for on Saturday, May 2.

V. F. W. Auxiliary To Have Rummage Sale

The VFW Auxiliary is sponsoring a rummage sale on April 17th and 18th in the Bob Massey Building next to the McLean Cafe. The building will be open from 10 to 6 each day.

If you have anything you would like to contribute to this sale call Mrs. Doug Groves or Mrs. Lester Bailey.

Brownie Troop No. 5 Get Acquainted

Brownie Troop No. 5 met Tuesday, April 14 at the Kindergarten for a get acquainted meeting with their new leaders, Mrs. Jeanie Smith and her assistant, Sue Marsh.

Refreshments were served to twelve girls and two leaders.

Volunteer Fire Dept. To Canvass For Cancer Drive Tonight

The Volunteer Fire Department will be making a door-to-door canvass soliciting donations for the Cancer Drive, Thursday, (tonight).

So many people, young and old, are dying of cancer now. Won't you please have your donation ready when they come to your house tonight and do your part to help find a cure for this dread disease.

Alanreed Study Club Meets With Mrs. Nola Crisp

The Alanreed Twentieth Century Study Club met April 9th in the home of Mrs. Nola Crisp, with Mrs. Lulu Crisp as co-hostess.

The president opened the meeting with the reading the club collect led by Lena Carter. The program chairman, Mrs. Lucy Goldston presented the program for the coming year and it was accepted by the club.

Roll call was answered with a household hint, gardening ideas or news items. Mary Davis was leader for an interesting program on gardening. She showed pictures to illustrate how to make cold frames and hot beds for early plants and how to set them out.

Also how to plant a rose garden and where, Lucy Goldston gave "A Hobby Cactus Gardens." She also said to sprinkle bird seed where you wanted to grow fine grass.

Lena Carter told how to layer the rocks for a rock garden. The program adjourned and delicious refreshments were served to the following: Larue Hambricht, Lena Carter, Judy Easton, Lucy Goldston, Mary Davis, Barbara Hambricht and a guest, Mrs. Craig.

CONFESSIONS OF A COLUMNIST

by Vant Neff

Lesson in Kremlinology: Communists support and subsidize expressions of "freedom" in other countries but consider it a punishable offense in their own land. This duplicity of opinion was displayed when a young Scandinavian law student was sentenced to a one-year term in a forced labor camp as punishment for his one-man demonstration in the streets of Leningrad demanding freedom of expression for Soviet intellectuals.

Plainly, this well-meaning young man forgot what befell the intellectuals who dared to proffer their own views on that forbidden topic!

What price patriotism? Americans appear to be boycotting a certain foreign airline whose country harbors some of our military deserters and whose premier favors our enemy. It's another indication that people are registering their indignation and disgust at such situations by refusing to patronize people or places that are anti-American. Wouldn't we be fools to continue proffering money and friendship (in typical altruistic American fashion!) to those who aid the very forces committed to our eventual downfall?

Japanese workers recently made substantial financial contributions to striking electrical workers in the United States. Their motive was not sympathy, kindness nor sheer generosity. Not at all. They are far too practical for anything like that. It was their primary intention to keep their American counterparts idle longer, by increasing the price of the products they produce - so that foreigners would have a better opportunity of selling their own competitive goods on the world market, securing for themselves the former customers of the Americans, and in the long run, contributing to their economic destruction. It's a shame, in my viewpoint, that the American strikers didn't see through this money-coated ruse at once.

Time, I am glad to note, seems to have matured and enlightened the attitudes and judgment of Dean Acheson, former Secretary of State who was regarded by many as a "parlor pink". Ironically, he has recently become one of President Nixon's staunchest supporters in securing approval for our country's ABM defense system. It is always satisfying to see any individual awakened to the very real threat

that the Communists pose to our nation, but in the case of an influential public personage like Mr. Acheson, it is doubly rewarding. Incidentally, the Russians have an anti-ballistic missile system. If they can afford it, can we afford to be without one?

If we are to pay more than lip service to honoring the role of our President of the United States, we must make the most concentrated effort to assure his safety and well-being, in view of past murderous events. When the appointment of a railroad engineer who had not been accorded top Secret Service clearance to run the Presidential train was challenged and his replacement secured, a certain union official was so morally outraged that he wrote a searing letter to the people responsible for the switch, declaring that "the unions will not tolerate this sort of thing". Submission to this union demand could gravely affect our national

continue paying attention to the dupes of the Communists at the risk of our national security? It remains a mystery to me why so many militant blacks are appropriating Arab dress, adhering to Arab religious beliefs and even assuming Arab names. Centuries of Black African history have recorded the sordid tales of Arab slave dealers raiding native villages, murdering the weak and placing the strong in bondage. Is it a desire on the part of some black leaders to become latter-day slave masters or is it simply one more instance of the self-designated "Muhammed Alis" and others who are only leading their own people hopelessly astray?

Some cynical observers claim that the new 3R's in American education are Radicalism, Rambling, and Rioting. Is the student then awarded a D.R. (Doctor of Revolution) degree?

I looked unto the heavens high and sought the God above. Needed to feel His presence - The blessing of His love.

The trouble with being right all the time is that no one would want to be around us if they had to be the one that came up wrong on all occasions.

Some folks go out hunting for trouble - others just wait for it to catch up with them.

Children learn how to operate the parents and usually before they do the family car. They can operate the grandparents even sooner.

It is not so bad to hit bottom if we land on our feet.

Some folks think they have a surplus of wisdom so they try to use their mouth for a pop off valve.

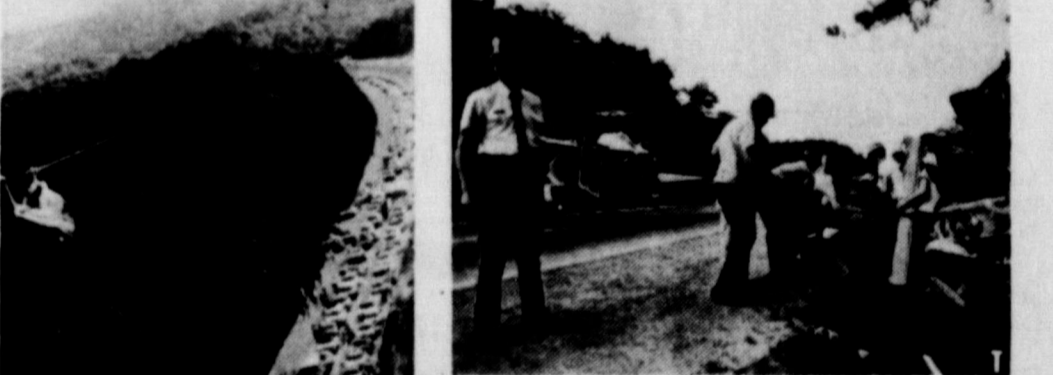

The things we do on our feet are just as important as the things that we say on our knees.

If we can't believe anything we hear, and only half of what we see, then we wonder what it is safe to think about.

One is said to be a success socially when he learns to get along with those he can't get ahead of.

The reason some people have so much advice for the next generation is that they have so much unused advice left over from their parents. It ought to be in good condition as it was never used very much. Good as advice is most folks have to learn things for themselves.

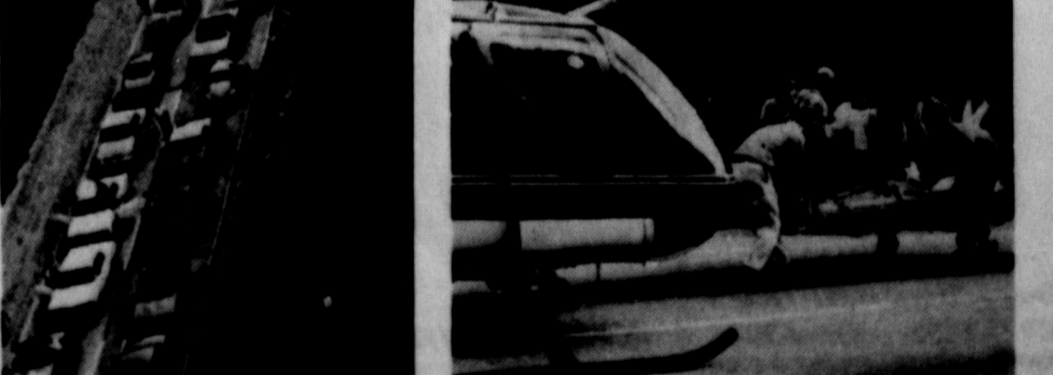

A FLYING AMBULANCE TO THE RESCUE

LEFT: The man lay bleeding and hurt in the crumpled wreckage of his car on the Baltimore-Washington Expressway. Hundreds of cars and trucks were tied up in the traffic jam. Swiftly out of the sky came a flying ambulance.

ABOVE: The Fairchild Hiller FH-1100 helicopter dropped down beside the wreckage and gently lifted the injured man to a hospital within minutes. A ground ambulance would have taken much longer.

BELOW: The Washington D.C. Medical Society employed the air ambulance to demonstrate how swiftly and effectively highway accident victims can be airlifted to the closest hospital. The FH-1100 is now being used in five states for air ambulance and police patrol work.

MENUS SUBJECT TO CHANGE BASED ON ORDERS AND SUPPLIES

A paint brush and a bucket of water don't sound very creative... but they can be.

Jennie Kitching, Extension family life education specialist at Texas A&M University, says they are tools for creativity.

A child will paint everything in sight with the water, she says, and love it. Children like to paint and cover things; this helps develop their creativity.

Bolder parents can give their child finger paint. It is a legitimate excuse for him to be messy and a child does need to be messy sometimes, says the Extension specialist.

AMERICAN BIBLE SOCIETY SETS NIGERIA EMERGENCY APPEAL

The American Bible Society has launched an emergency appeal for funds to meet the mounting requests for Scriptures in Nigeria to replace those lost or destroyed in the civil conflict.

Needed are 250,000 Bibles, 55,000 New Testaments, 360,000 Gospels and Gospel portions, and 1,000,000 Scripture selections, according to the Rev. John D. Erickson, executive secretary of the Society's Ways and Means Department. The estimated cost for printing and supplying these Scriptures is \$200,000.

This aid will be channeled through the Bible Society of Nigeria, said Mr. Erickson.

In a letter to churches and individuals in the U.S., Mr. Erickson said: "Thousands have lost their treasured Bibles, and we receive moving appeals from them for new copies of the Word of God."

"The work of peace and reconciliation in Nigeria has just begun," the letter said. "Bodies must be healed and fed. And we thank God that there are many dedicated people there devoted to this task."

"But there is another hunger—a spiritual hunger—whose pangs are as severe for many Nigerians," Mr. Erickson

stated. "They know the pain of scattered hopes, shattered lives, the anger and fear of brother against brother."

Last year, "in the midst of grave difficulties," the Bible Society of Nigeria, which is only 4½ years old, distributed almost a million Bibles, New Testaments and other parts of Scripture," Mr. Erickson said. "Now with many obstacles removed, the Bible Society can more effectively perform its mission. This year their task

will be greater than ever before."

Scriptures on order or already in stock will be provided in more than a score of Nigerian languages, including Ibo, Efik, Hausa and Yoruba as well as in English and in Braille for the blind.

Orders for specific Scriptures and their distribution in Nigeria are being arranged by Ross Manning, general secretary of the Nigerian society, assisted by W.J. Wood, administrative officer.

In a recent letter to the American Bible Society from Nigeria Mr. Wood pointed out that "entry around Owerri and Onitsha is as yet restricted. Thus, initial distribution of the Scriptures in the region is being achieved through representatives of several agencies with access to the area." However, appointment by the society of a person to head up special distribution through church organizations and schools is pending.

"To the loss and destruction of Scriptures," said Mr. Wood, "must be added the effect of the cutting off of supplies, in some parts for over two years. Eastern Nigeria is an area which formerly absorbed about 75,000 Bibles a year. It is

evident that, however inaccurate estimates of the need may be, it is very great and urgent."

Because of the lack of money, especially in the former "Biafran" area, said Mr. Wood, "it is likely that a very considerable proportion of the Scriptures made available in the next few weeks will have to be given, not sold."

As relief needs are assessed by various authorized agencies, and new aid programs are implemented, requirements for Scriptures also are being tabulated.

"A preliminary estimate of needs is 12 to 15 tons of Scriptures, in Bibles, Testaments, portions and selections," said Mr. Wood.

Although English is the official and business language of

Nigeria there are some 250 African languages and dialects spoken in the country, according to Mr. Manning.

The whole Bible has been translated into the seven major languages, as well as parts of the Scriptures in another 52. The work of translating more of the Bible into more of these languages, though slowed somewhat by the war, is resuming full pace again," he added.

The American Bible Society, founded in 1816, translates, publishes and distributes the Scriptures without note or comment. The society seeks to

provide all men everywhere with a copy of the Scriptures in the language they can read at a price they can afford.

Mr. and Mrs. Raymond Smith have returned home after visiting their children at Andrews.

CARD OF THANKS

JUDITH MARGARET WOOD

Judith Kingston & Mr. Gary Wood Exchange Vows

In a candlelight ceremony... held recently in the First Baptist Church of McLean, Miss Judith Margaret Kingston, daughter of Mrs. Bill Kingston Sr. and the late Bill Kingston of McLean, became the bride Mr. Gary Wood, Wood is the son of Mrs. M. E. Wood and the late Mr. Wood of Shamrock. Minister Dave Craddock was officiant for the double ring ceremony.

Decorations featured two tall... white baskets of yellow mums and pompoms. Floor candelabra forming pyramids provided illumination. The prayer bench completed the setting. Pews were marked with yellow satin bows.

Mrs. Mike Limer of Weatherford, Okla. presided at the guest register.

Mrs. Joann Miller, organist, played a prelude of wedding music and accompanied Mrs. Jeane Brown as she sang "Twelfth of Never," "Whither Thou Goest," and "Our Wedding Prayer" as the benediction. The organist played the traditional wedding marches for the processional and recessional.

Matron of honor was Mrs. Robert McCabe of Dumas, Mrs. Bill Kingston Jr. of McLean and Mrs. Jim Kingston, of Harlingen were bridesmaids. Bridesmaid was Miss Marsha Hunt of McLean.

The attendants wore floor length gown of yellow peau de soie. Styled on empire lines, they featured bell-shaped sleeves. A yellow velvet ribbon accented the empire waistline. Their matching headpieces were fashioned of tulle gathered to a yellow satin bow. The matron of honor carried two long-stemmed yellow roses. Each of the other attendants carried one long-stemmed yellow rose.

Jerry Adair of Pampa was best man. Groomsmen were Jim Kingston, brother of the bride, from Harlingen, Chuck Honeycutt, nephew of the groom, from Pampa, and Jimmy Hunt of Pampa.

Ushers were Bobby Hall of Wellington and Dave Thompson from Charleston, West Virginia.

Tapers were lighted by Joel Kingston, nephew of the bride, and Jackie Sparlin of Dill City, Oklahoma.

Ringbearers were Jeffery Kingston, nephew of the bride.

Little Miss Amber Charee Kingston, niece of the bride, and Lurie Ann Sparlin of Dill City, Okla. were flower girls. They wore dresses identical to the ones worn by the attendants and each carried a basket of petals.

The bride who was escorted to the altar and given in marriage by her brother, Bill Kingston Jr., was attired in a formal length gown of white peau de soie. The empire bodice was accented with a sabrina neckline and long fitted sleeves tapering to petite joints at the wrist. The full skirt was enhanced by applied lace roses trimmed with iridescent. The skirt flowed into an aisle wide court sweep.

Her full length veil of bridal illusion, fell from a pearl and iridescent studded crown. The

four tiers of the veil were trimmed with lace and iridescents. The gown and veil were fashioned and made by Mrs. Dalton Honeycutt, sister of the groom. She carried a white Bible topped with feathered carnations, stephanotis, lily of the valley, and showered with white satin ribbon streamers tied in love knots.

The bride carried out the traditional "something old, new, borrowed and blue and a penny in her shoe."

The bride's mother wore a yellow ensemble with matching accessories and the mother of the bride groom wore a blue two-piece ensemble with matching accessories. Both mothers wore feathered carnation corsages.

Following the ceremony, a reception was held in the church fellowship hall.

The bridal table was laid with a yellow cloth covered with lace. A three-tiered wedding cake decorated with yellow roses and topped with a miniature bride and groom was served with punch. Table appointments were in crystal. The centerpiece was of yellow galdoli.

Serving the wedding cake was Miss Betty McDonald of McLean and Mrs. Glen Sparlin of Dill City, Oklahoma. Miss Iva Honeycutt, niece of the bride, served the punch.

For travel the bride wore a black and white plaid dress with matching accessories and the corsage lifted from her wedding bouquet.

The bride is a graduate of McLean High School and attended Claiborne College. The bride groom graduated from Shamrock High School and is employed by Cabot Corporation in Pampa.

CARD OF THANKS

I am taking this method to... express my thanks to everyone who sent me cards, flowers and gifts and to the ones who called on me.

Also to the doctors and nurses for their kind attention to me during my stay in the McLean Hospital. Mrs. Burl (Iona) Glass

It never needs oil. So what if your phone never needs oil? Neither do most other household appliances and services. But what about costs when repairs are needed? Southwestern Bell makes house calls, and there's no extra charge for repair service. We may be the only phone company in town, but we try not to act like it.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Extra bonus for prompt action on your part! Yours absolutely free--well almost free--a premise with no mosquitoes.

You can have this mosquito-free home and yard if you'll spend just a little of your time in a do-it-yourself vector control program, says the Texas State Department of Health.

CARD OF THANKS

We would like to take this means of expressing to your thanks for your thoughtfulness during our stay in the hospital. To the doctors and the rest of the hospital staff a special "Thank You."

In addition to eliminating mosquitoes, you can also free your premises of flies and rodents with a little extra precaution. The cost can be just a little effort on your part.

Spring is the time of year when mosquitoes start breeding. So take an inventory of your property. Walk around the outside of the house and take a good look. What do you see? Did you notice whether the gutters were level and not sagging? Mosquitoes like to breed in the water that collects in sagging or stopped up gutters. Just a few minutes time on your part will eliminate this breeding site.

How many bottles, cans, tires, or other water-holding containers are partially hidden under the shrubs? These provide more breeding places for mosquitoes.

You may be surprised to know that most people grow the mosquitoes that bite them. Since most of the water-holding containers are valueless, again it is a simple matter to place them in the garbage pick up.

Should you have a container

Derby Town Tops Club Elect New Officers

By Lucille Tucker, Reporter
The Derby Town Tops Club met Monday, April 13th at 6:45 in the home of Gladys Smith for their weekly meeting.

There was an impressive installation of new officers for the coming year. The installation ceremony was led by Ann Smith the outgoing treasurer. Ann presented each new officer with their color ribbon, naming their post and read to each the duties of their post. The new officers elected were Marilyn Mounce, as leader, Cheryl Smith as co-leader, Mary Bybee as secretary, Lucille Tucker as reporter and Delores Ward as weight recorder. All members then formed a circle and joined hands and repeated the "Tops Pledge."

Deloris Bailey won the fruit basket with the largest weight loss for the week. Nola Crisp won the fruit basket the week before.

Charm bracelets will be presented at a later meeting to

you want to keep, place it in a shed so it won't collect water.

Mosquitoes won't breed on your premise if you don't leave any water standing around. If there's a knothole in one of your trees, it can be plugged with cement mortar, roofing tar, or anything that will keep the water out.

If you have pets, develop a routine of washing the watering bowl a couple of times a week. And while you are at it, you should clean the birdbath the same number of times. This will also keep the growth of algae down and tend to do away with that ugly green, slimy look.

Since mosquitoes always develop in water, it would be well to stock your fish pond or lily pond with gambusia (top-water minnows) or goldfish. The fish will eat the wigglertails.

Anything you can do to eliminate mosquitoes will be to your advantage since the insects are a nuisance and can cause disease.

Luther Petty has been dismissed from High Plains Baptist Hospital at Amarillo and is convalescing at the home of his daughter, Mrs. H. M. Billingsley and husband, Mrs. Petty is also in Amarillo. Visiting and calling Mr. Petty were Mr. and Mrs. Oba Kunkel, the Raymond Smiths, R. L. Brown, Harold Petty and family of Moberly, Mo., and granddaughter, Mrs. Francis Hutchinson of Mexico, Mo., Mr. and Mrs. Herman Petty of Abilene and Francis L. Petty of Midland.

Pre-addressed Label On Tax Forms Help Avoid Errors

Many income tax errors, particularly those that delay refunds, can be eliminated by using the pre-addressed label on forms received in the mail. Income tax returns with labels can be quickly identified and processed since they contain necessary identifying information Ellis Campbell, Jr., District Director of Internal Revenue for North Texas said today.

If your name or address has changed, make the necessary corrections on the label and lightly strike through the wrong pre-printed information. If you have a refund due, this will help in sure delivery of the check to the incorrect address.

Lillie Mae Williams and Lucille Tucker for a weight loss four weeks or longer. The "Calorie Counting Cuties" were served to the members pre-won over the "Dieting Dolls" sent. They were Marilyn Mounce, Mary Bybee, Cheryl Smith, Lillie Mae Williams, Mary Lou Glass, Lucille Tucker, Delores Ward, Deloris Bailey, Pearl Dickinson, Wanda Lamb, Ann Smith, Gladys Smith, Virginia Tate and Mary Lou Glass. The club welcomes all new members.
