Wesleyan Service Guild Meets Here Tuesday Night

The Wesleyan Service Guild of the McLean Methodist Church met Tuesday night in the church parlor.

Erma Hester, president, conducted the business meeting.

The devotional, "The Pathway to Brotherhood," was given by Johnie Rodgers. The program, the last lesson on the study, "Youth in a Responsible Society," was given by Ruth Magee. She closed the meeting with two of Peter Marshall's prayers.

Loree Brown and Lois Page served refreshments to Mrs. A. H. Kelley of Memphis, Tenn., Tressie Mantooth, Fern Boyd, Isabel Cousins, Frances Kennedy, Sue Cubine, Erma Hester, Johnie Rodgers, Ruth Magee, Maybell Nash, Dorothy Andrews, Bessie Hamilton, Mabel Worsham, and Ruth Ellen Riley.

Installation of officers and a pledge service will be held at the next meeting May 28.

Officers to be installed are president, Loree Brown; vice president, Frances Kennedy; promotional secretary, Fern Boyd; Christian social relations, Billie Perkins; local church activities, Lois Page and Naomi McCarty; recording secretary, Betty Bunch; treasurer, Ruth Magee; missionary education, Sinclair Armstrong; spiritual life, Rosemary Melton; status of women, Bessie Hamilton; reporter or publicity, Mary Tom Riley and Dorothy Andrews; coordinator, Ruth Ellen Riley; supply chairman, Erma Hester; membership, Isabel Cousins and Tressie Mantooth.

Everyone is urged to attend the installation.

Baptist Circles Meet Tuesday

Members of the Baptist WMS met in circles Tuesday as follows:

The Helen Carpenter circle met in the home of Mrs. Leo Gibson. Mrs. George Colebank taught the Bible lesson.

Refreshments of coffee, lemonade and cookies were served by the hostesses to Mesdames Bill Pettit, Homer Abbott, Colebank, Bunia Kunkel, Opal Hugg and Joe Suderman; and a new member, Mrs. Tom Windom.

The Oleta Snell circle met in the home of Mrs. Creed Lamb for mission study.

Refreshments were served to Mesdames Oscar Tibbets, Raymond Smith, Lawrence Nicholson, Jesse Leonard, Clarence Voyles, L. F. Giesler, and Leroy Williams; and a visitor, Mrs. Hoover, mother of Mrs. Lamb.

The Lena Lair circle met in the home of Mrs. Jim Stevens for Bible study.

Mrs. Joe Taylor, chairman, was in charge of the meeting which opened with prayer by Mrs. F. E. Stewart. Reports were given by committee chairmen.

A Bible lesson from Psalm 8 was brought by Mrs. Arthur Boyd. The meeting closed with a session of prayers of thanks for blessings received during the recent revival.

The hostess served refreshments of cake, coffee and Cokes to Mesdames Taylor, Stewart, Arthur Boyd, Bill Boyd, Frank Simpson, and Luther Petty; and a visitor, Mrs. Ona Wright of Dallas.

Clean Up Week

Weeds and Grass

Due to wet weather, clean up week will be extended through May 31. Please have all your rubbish piled in alley or accessible to trucks. Keep it down to one man size.

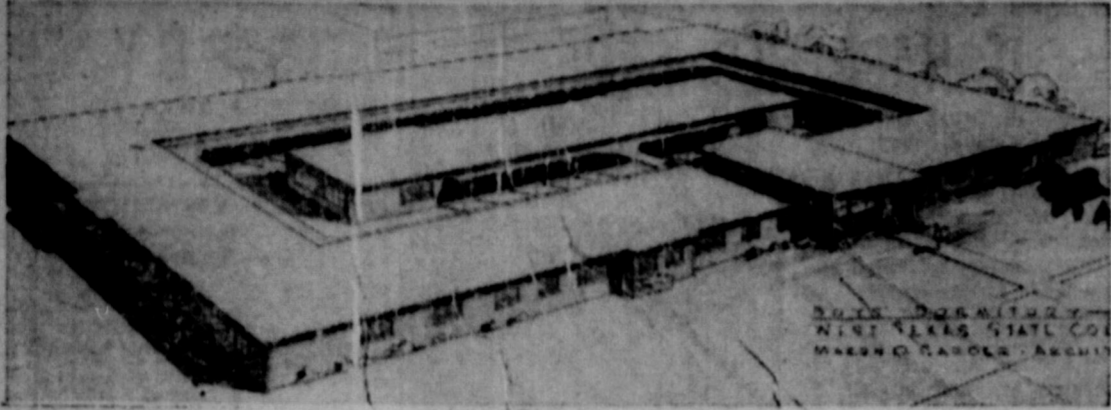

Weeds and grass will be a problem. We will try to keep streets and alleys mowed and clean. Property owners should keep their vacant lots mowed and clean. The City will mow these vacant lots for you at a charge of fifty cents per lot to be added to your next utility bill. If you want this done call the City office.

Two new dormitories for men and women are nearing completion at West Texas State College at Canyon and will be ready for the fall semester in September. Long, one-story brick buildings, the dormitories feature separate housing units for 12 and 16 students each. Each unit opens into a central court, with one main outside entrance at the front of

each structure. The units feature four bedrooms, with central bath facilities and lounges and study rooms. An addition to Stafford Hall for men and an addition to the college cafeteria also are expected to be completed for the fall, with total construction costs at WTSC running \$1,600,000. Pictured is the men's dormitory, already named Terrill Hall.

TELEPHONE TALK

By George Newberry, Manager

WHY NOT PERSONALIZE IT?

"Telephone service is telephone service," a friend of mine said the other day. "What's so different about it now than before?" I was glad he asked me. It gave me a chance to bring him up to date about complete, convenient telephone planning. "Look at it this way," I said. "A Model-T will still get you from here to there. But you wouldn't want one for your family car. You have the latest model. And before you bought it, you looked over all the models, styles, special features—even colors—and picked out the one that suited you best. "And it's the same way with phone service these days. You can select a telephone arrangement that exactly fits your own needs."

Here's what I meant: Enough telephones so you don't have to run to answer (or walk halfway through the house to make a call). Telephones in color in bedrooms and kitchen to harmonize or contrast with your room decorations. Phone book listings for everyone in the house. And maybe a second main line for teen-agers. And extra bells or signal lamps if necessary, so nobody misses important incoming calls.

We're always happy to plan a personalized home telephone arrangement. Lots of McLean people already are taking advantage of the many low-costs "extra" services we offer.

For more details, why not call the telephone business office today? The number is 1.

MONEY SAVING IDEA

The idea of making Long Distance calls station-to-station instead of person-to-person seems to be catching on more all the time. Makes sense, too.

"Station" rates are about 1/3 lower. You can actually make three out-of-town calls for the price of two.

Here's an example. Three station-to-station calls from here to Plainview cost only \$1.20 (3 minutes, after 6 p. m. week days and all day Sunday). Two person-to-person calls would cost \$1.00.

Business men have known the economy of station-to-station calling for a long time. Many like to make all their calls that way.

Whether you make a lot of Long Distance calls, or just a few, I think you'll find worthwhile savings in regular use of station-to-station service. And you'll save time, too, if you'll always call by number.

READY WHEN YOU NEED IT

There's a special value in telephone service that always comes to mind when vacation time rolls around.

No matter how far away your vacation takes you, it's always easy to phone home and make sure everything's okay. Or to stop at a road-side booth and call ahead for hotel or motel reservations.

No matter where you go, the telephone is always nearby—ready when you need it.

Call by number. It's twice as fast.

5 out of 10 smaller cars wear a Pontiac price tag—yet none give you any of Pontiac's advantages

PONTIAC GIVES YOU MORE SOLID CAR PER DOLLAR THAN THE BIGGEST OF THE SMALLER JOBS!

The so-called "low-price" numbers just aren't in it—Pontiac gives you up to 8.9% more solid car per dollar! And your Pontiac dealer can prove it—with official specifications. Check them yourself. Starting with Pontiac's rugged X-member frame and continuing through every inch of the car, you'll discover engineering advances and advantages the smaller cars haven't even thought of. Then put the facts and figures to a test—with you behind the wheel. Feel the safe, solid security of Pontiac's extra-rugged heft... the way it holds the road... the absence of bounce and shake. More important, you'll discover that this big heavyweight handles like a dream in traffic or on the open road, because only Pontiac offers you Precision-Touch Controls for almost effortless steering and braking. No doubt about it—here's driving that puts the smaller cars in the shade!

NO SMALLER CAR EVEN APPROACHES PONTIAC'S 122-INCH WHEELBASE!

You can't ride on overhang—but you can on wheelbase! Pontiac gives you from 4 to 7 inches more length between the wheels where it counts! From bump-smoothing comfort to interior stretch-out room, this is real man-size bigness! Add to this extra length Pontiac's exclusive Level-Line Ride and you have a car that makes the smaller jobs seem like toys!

NOTHING ON WHEELS PERFORMS LIKE A PONTIAC... THE SMALLER CARS DON'T EVEN COME CLOSE!

Your Pontiac dealer can show you on-the-record proof that Pontiac is America's Number One Road Car. And he can give you a point-by-point comparison to show you why no smaller car can hope to imitate Pontiac's alert, effortless response to every driving demand from stop-and-go traffic to superhighway cruising... why Pontiac loafs while smaller cars strain... how Pontiac's all-around performance superiority has made it the talk of the automotive writers! But don't stop with facts and figures—prove it yourself behind the wheel. You'll be spoiled for the smaller cars forever!

PONTIAC'S TOP TRADE-IN VALUE IS FAMOUS!

Pontiac's high trade-in value is a tradition in the industry! A quick check with your Pontiac dealer for his eye-opening offer will prove beyond a shadow of a doubt that you're getting not only a wonderful buy but a wonderful investment! Editorial

FAITH AND RELIGION

Forty years ago all patients at Bellevue Hospital in New York had to be seen by a minister. This recognition of the importance of religion by a hospital was then termed unique.

Today the once-unique has become the commonplace. Of the 7,000 hospitals in the United States, 1,100 have some religious affiliation and most have available the services of ministers of three major faiths.

This change is cited in an article and editorial appearing in the Journal of the American Medical Association. The point is that American medicine and religion are in closer accord today than in any period in modern times.

Why should this be so? The editorial suggests an answer: That the individual is re-emerging from the "part-of-the-mass" status which came with mechanization and specialization of society and, helped by the increase in leisure time that has resulted from the decline in working time, "wants to know more and more about himself and how he relates to all men and all things of all times."

Whatever the causes, medicine and religion seem to be on the threshold of a "unified field theory" of faith and health. Clergymen are developing a greater interest in medicine, especially as it applies to mental health. In some cases theological students are given training in ministering to the sick, while medical students are offered selective courses in religion to help them learn about the resources the church can offer them in their practice.

This is opening up great new frontiers of service to mankind. Its implications were well expressed by a professor at the Cornell University Medical College who said: "Very often we do not know what it is that brings about the recovery of the patient. I am sure that often it is faith which is a most important factor."

Grass Roots Opinion:

Oswego, Kans., Independent: "Dry weather, heat, floods, blizzards may hinder growth and development in field crops, orchards, and livestock, but none of these elements seem to have the slightest effect or retardation on the continuing growth and expansion of the public payrolls, at both the national and state levels, as well as in lower categories. How to head off seems

FLOOD BATTERED, BUT IT'S HOME

ABLENE, TEX. — Familiar surroundings outweighed all flood discomforts with Mrs. Gertrude Hard, 75-year-old blind resident of the flood-struck North Park area here, who insisted on returning to her home as soon as waters went down sufficiently, despite urging from friends and Red Cross workers. Here she sits in her favorite chair from which she says she can find her way to anything in the house. Helping her is Estell Johnson, one of the 56 trained Red Cross national disaster workers who have been dispatched to the Southwest storm area to assist chapter volunteers in helping disaster-stricken families restore homes, furnishings and other living necessities. Red Cross relief operations have been constant throughout the month of April in Tanna, with workers now spread through eight tornado sweep counties and 18 other counties affected by floods.

Bayboro, N. C., Herald: "The Red Cross is truly a saving grace—give it your interest and your financial support. It may well come back to you when disaster strikes again."

Huntingburg, Ind., Independent: "There is probably no newspaper in Indiana which does not have a policy of protecting wayward children whose initial offenses are trivial and deserve to be ignored. J. However, the present major problem is no longer one of bad children but of young criminals.'"

Beaver Falls, Pa., News-Tribune: "The premier of Hungary was recently given a hero's welcome in Moscow. Most puppeteers are equally careful in how they handle their puppets."

Basset, Nebr., Leader: "At the present time with the greatest prosperity our nation has ever known nothing is being done to reduce our national debt, but rather the spending is at an accelerated rate. It is said the high rate of taxation is a curb to inflation. Perhaps it is, but for our money we would prefer to see some of that money used to retire the national debt rather than spent on programs."

St. John, Kans., News: "Divine law does not suggest that the poor tithe and the wealthy pay half their substance. Yet in this nation we are witnessing an accelerating tendency towards taking a larger porportion from those who have more to pay the bill for those who have less."

Moorefield, W. Va., Examiner: "No matter what kind of an income tax payer you are, about one in 30 of you will get audited this year. And that means you'll have to prove a lot of things—especially those unusual deductions and stuff like that. They may even audit your bank account. But you probably won't have to go to Atlanta even if you are a teeny bit crooked. The odds are about two in 10,000 after you get caught. Just pay up, pay the penalty and fine and go and sin no more."

BIBLE TALK

(1 Pet. 4:11)

Division among those who claim to be christians is one of the major causes of infidelity and idolatry, in the world today. Despite modern facilities more than 3/4 of the earth's population is heathen today, in worship. The Bible is being printed in more languages and distributed to more people than has ever been. Yet the above condition continues. Why is this true? Why is it that with all our vaunted 20th century progress most of the peoples of the world continue to live in idolatrous heathenism? There is an answer to these questions and it is found among those who claim to be christians. The answer is found in the division that exists among those who claim to believe in the one God of the Bible, one Lord Jesus Christ, one Holy Spirit, one Bible as the word of God, yet are divided into hundreds of warring sects, churches, denominations, etc. Let us look at the Lord's prayer—this is the Lord's prayer—"Neither pray I for these alone (His apostles) but for them also which shall believe on me through their word; THAT THEY MAY ALL BE ONE; as thou, Father art in me, and I in thee, that they also may be one in us; THAT THE WORLD MAY BELIEVE that thou hast sent me." (John 17:20-21) That is the Lord's Prayer for the unity of his people. The Lord did not pray for the impossible. It is possible for those who claim to be christians to be united, if they would. But they can never be united upon the denominational creeds and doctrines of men. These, and not the Bible, are the very things that cause division. Religious leaders know division is sinful. They have sought to unite all the differing sects and denominations under various human plans such as World Council of Churches. Such human schemes are useless and ineffective and can never succeed. Why don't these wise (?) men use the plan God has given for unity? Because they are not willing to give up their man-made creeds, names, positions, etc. If God's plan for unity was put into effect there would be only one church, only one name, only one organization, only one worship, only one creed—Christ. Next week we will submit God's plan for unity. We will give you God's side of the matter. Have you a question—address it to Box 155.

Visitors From Shamrock.
 Under the direction of Jeff Mankins, the Rebekah degree team from Shamrock visited the McLean lodge Friday evening and conferred degrees on a class of candidates including Mr. and Mrs. J. C. McClellan, Mr. and Mrs. J. W. Keasler, Mr. and Mrs. J. S. Earp, Misses Eva Biggers, Kate and Aderine Ayers; T. J. Turner and Arthur Poncelet.

Dr. Plummer Passes Away
 Friends were grieved to learn of the sudden death of Dr. J. L. Plummer, which occurred at six o'clock Wednesday afternoon. Dr. Plummer's health had been gradually failing for many months and it was known that he must soon pass out but the end came suddenly and as a complete surprise to his wife, who was arranging to start with him for the family home in Peoria, Ill.

No funeral services were held here, but the body was accompanied to the train Thursday by an escort of Masons, of which fraternity Dr. Plummer had been an honored member for many years.

Ozark Trail Highway
 The News is in receipt of a letter from Col. W. H. Harvey in which that gentleman quotes an informant to the effect that McLean has fallen down on its part of the Ozark Trail, thereby spoiling the chances of the northern route. We are pleased to tell the gentleman that such is not the case.

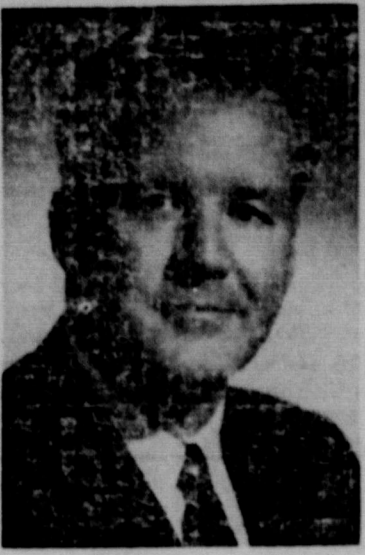

McLean has had two attacks of enthusiasm which manifested themselves in attempts to vote bonds for road improvement, but both attempts failed. They then tried a special tax and it was successful. Therefore the improvement of the Ozark Trail route through Gray County was made possible and work to that end is now in progress.

Personals
 Earle Shell of Cross Plains has accepted a position with the Erwin Drug Co. The gentleman has been a druggist for many years and comes with flattering recommendations both as to his profession and as a druggist. Mrs. Shell and children will arrive in a short time.

Misses Vella and Gaynelle Wilson are spending a month in their old home town, Midlothian. Miss Fannie Bailey and two little sisters were visitors to Amarillo the latter part of the week.

Mrs. A. P. Rippy and Mrs. Nida Green attended the commencement exercises of Clarendon College last week. They were accompanied home by Harold Rippy, who is a student of the

college, and Lloyd Cole of Wheeler, who was a graduate of the college this year.

SMU's president, Dr. Willis M. Tate, will be the speaker for West Texas State College's spring commencement exercises to be held May 26 in Canyon. Some 260 students will be candidates for degrees.

Kingman Reef, approximately 1,000 miles south of Hawaii, is 150 feet long by 120 feet wide. It was discovered by Capt. W. E. Kingman in November, 1853.

CARD OF THANKS

We were named the winner of \$500 in last week's Panhandle Affiliated Grocers contest. We would like to thank Cooper's Food Market for participating in this contest and making it possible for us to enter. All of our tickets came from Cooper's and we have traded there for 15 years. Thanks again to the management and staff at Cooper's Food Market.

Mr. and Mrs. C. Bjerg

CARD OF THANKS

We, the family of the late Ansel Back—his wife, his children, his mother, his sister and brother, and other relatives—wish to express to our neighbors and friends and to all the people of McLean our humble, sincere and grateful appreciation for your many kindly words and messages of condolence—for tender care, the beautiful flowers, the generous food and supplies you brought to us during our hours of bewilderment and grief. There was yet more. Many people canceled debts, debts contracted during and because of Ansel's long illness. Truly, these acts were as flowers of loveliness in our need. Our hurt and poignant grief were the more easy to bear because of you—your help and sweet kindness. You have given us love and courage, sympathy in our sorrow, and aid in our need. Words are to no avail to express our love for you and our gratitude. Sincerely,

The Ansel Back Family

ly barred from all but "educational and charitable activities." Suit to outlaw the organization in Texas was begun last year by Former Atty. Gen. John Ben Shepherd. It has been carried on by the present staff under Atty. Gen. Will Wilson.

A temporary injunction issued by the Tyler court last fall halted all NAACP activity in the state. Present permanent injunction bans solicitation of lawsuits, and lobbying in violation of state law. Court also ordered payment of back franchise taxes plus interest. NAACP attorneys filed immediate notice of appeal.

Water Bill Filibustered
 A water storage buying proposal was down, and maybe out, after a 13-hour "discussion" by Sen. Otis Lock of Lufkin.

Lock's determined opposition meant several days delay on the measure at a time when delay often means death. Sen. George Partridge of Dallas, sponsor, was so disgruntled he threatened to junk the whole water conservation program.

Proposal, if approved by the voters, would allow the state to issue bonds to purchase water storage space in federal reservoirs. Lock contended the plan would be so unpopular with voters it would sink the whole water program at the polls. He objected on grounds it would be non-self-liquidating and would bring in federal controls.

Enough Said
 The Senate apparently wants no more long talks on the segregation bills.

First such bill to come up brought on a record-breaking 36-

hour filibuster. But the second one was shoved through in minutes after a vote to shut off debate.

Passed was a bill to require local elections before schools can

be integrated.

Last apparent hope of the segregation opponents now is that the bills will be referred to the attorney general and ruled unconstitutional. Atty. Gen. Will Wilson said he has made preparations to handle the bills promptly, if asked. Governor Daniel said he plans a thorough staff study of each bill before deciding to seek a ruling.

Better Pay Approved

If voters consent, future legislators may avoid some of the financial pinch many complain of

now.

Senate approved a House constitutional amendment providing for annual sessions and more pay. But it upped the House-suggested salary of \$4,800 to \$7,500 a year.
