

ROUTE OF RECORD FLIGHT ATTEMPT—This map locates the route a US Army Superfortress will follow on an attempted record-breaking, non-stop flight of 10,300 miles over the top of the world from Hawaii to Cairo, Egypt. The plane flew to Honolulu, takeoff point for the flight, on a 2,490-mile hop from McClellan Field, Calif. (AP Wirephoto Map).

# Yugoslavia Incident Reportedly Heads For Diplomatic Conclusion

## Erratic Showers Fall In Area; Drouth Relieved

Showers ranged from sprinkles to floods in this area Monday, bringing definite relief from severe drouth in spotted areas. Heaviest fall reported was between Luther and Vealmoor, with some estimates going as high as six inches in a terrific downpour Monday afternoon.

## Rain Continues To Drench State

By The Associated Press Showers drenched Texas for the ninth consecutive day today and more are forecast for tomorrow. Mild temperatures were general, with no city reporting any above the 100-degree figure. Warmest spot was Laredo, 98 degrees, and coolest was Guadalupe Pass, 61. The average was in the 80s yesterday.

North of the experiment farm the fall dwindled to a quarter of an inch toward Fairview. Areas to the north and east got heavy sprinkles. At the airport, however, showers sent four inches of water coursing through a hanger on the line.

Vincent had good showers, and west of there four miles four inches was reported. West and south of that point the intensity increased, breaking some terraces and tanks. Vealmoor got three and four inches as a general condition.

Officially, heaviest rain was at Big-Spring and Eules, which reported 1.91 inches each. Dallas had 1.38, Fort Worth 1 inch, Henrietta 1.15, Bridgeport .87, Sulphur Springs .54, Abilene .44, Spur .65, Sherman .55, Brownwood .43, Cuero .28, Paris .58, Albany .33, and Seymour .39.

The forecast for both East and West Texas is continued cloudiness, scattered thundershowers and mild temperatures tonight and tomorrow.

## Search Spreads For Attacker Of GI's Wife

EL PASO, Sept. 3 (AP)—The 22-year-old wife of an El Paso soldier today remained seriously ill in William Beaumont General Hospital as police officials continued their widespread search for a man who broke into the soldier's home Sunday morning and raped the young wife, mother a five-weeks' old girl.

As public indignation ran high over the assault, the El Paso Times announced the posting of a \$1,000 reward for the capture and conviction of the assailant. Friends of the soldier have offered an additional \$200.

The young mother told city police and detectives that the man gained entrance into the house by cutting a hole in a screen, then attacking her in the room where her small daughter was sleeping.

The man was described as a Latin-American descent. He beat his victim unmercifully, officers said, breaking her nose, fracturing her jaw and leaving marks about her face and shoulders.

The soldier-husband was away from home on recruiting duty with the Army. Two persons were arrested yesterday in connection with the case. One was released when the woman failed to identify him.

## Legion Convention Opens In Galveston

GALVESTON, Sept. 3 (AP)—Registration of approximately 400 delegates to the 28th annual state convention of the American Legion began here this morning.

FLIES 578 MILES AN HOUR—Lt. William J. Kelly of San Francisco starts to leave the cockpit of his P-30 jet propelled fighter after averaging 578.36 miles an hour in two runs over a measured one mile straightaway course at the National Air Races in Cleveland, Ohio. (AP Wirephoto).

## UN To Resume Debate On Place On Agenda For Ukraine's Charge

LAKE SUCCESS, N. Y., Sept. 3 (AP)—An authoritative source declared today that Herschel V. Johnson, United States delegate to the United Nations Security Council, will vote to put Soviet Ukrainian charges against Greece on the council's agenda.

The council last Friday declined to invite Manuilsky and Vassili Dendrakis, Greek representative, to sit at the table while it debated whether to put the charges on the agenda.

If the council decides to hear Manuilsky's charges in their present form, it then must deal with a request from the Greek government for a 10-day postponement of the case.

## Two Jurors Selected In Williams Trial

GARDEN CITY, Sept. 3 (Sp.)—Only two jurors had been selected to noon today in the trial of Earl Williams, charged with the slaying of his wife in a northern Glasscock ranch house a month ago.

Clyde E. Thomas, Sr. and George Thomas, attorneys for the defendant, indicated that they would stand on Williams' plea of "not guilty," entered at his arraignment.

Williams was billed on a murder charge after he reported his wife had been bulldozed to death in a tenant shack on Roy C. Davis ranch. Subsequently, he signed a statement admitting she had been killed when they engaged in an argument.

A special venire has been called for the case, and if attorneys are successful in securing a jury, it likely will be Wednesday before the case can go to trial.

## Holiday Named To Demo Committee

DALLAS, Sept. 3 (AP)—R. L. Holliday of El Paso has been named by State Democratic Chairman Harry D. Seay as head of the credentials sub-committee for next week's state convention at San Antonio.

## HEAVY TRAFFIC HEADS SCHOOLWARD TODAY AFTER SUMMER HOLIDAYS

Hundreds of youngsters in Big Spring reported to schools and classrooms this morning after a three month vacation, and indications were for one of the biggest enrollments locally. The double holiday and beginning of school produced heaviest traffic in some time on city streets this morning.

## Clayton Cancels News Conference On Situation

WASHINGTON, Sept. 3 (AP)—The state department today canceled a news conference at which Undersecretary William L. Clayton had intended to discuss developments in the dispute with Yugoslavia over the forced crashes of two American planes.

Clayton's conference was called off suddenly after he had been summoned to the White House for a conference with President Truman. Clayton is acting secretary

of state in the absence of Secretary Byrnes and Undersecretary Dean Acheson.

Government officials said yesterday the situation appeared headed for a diplomatically satisfactory conclusion. It has developed that there were two recent dispatches from Belgrade.

The first of these said the US embassy had received a new note Sunday from Marshal Tito which "roughly meets" American demands for an official apology and assurances that the plane incidents—which cost five American lives—would not recur.

Later Belgrade reports said the Yugoslav embassy in Washington had delivered a note at the state department Friday. The embassy asked for guarantee that no more American planes would fly over Yugoslavia without permission; and added that the Yugoslav government could not bear "any responsibility" for the two crashes.

Earlier, department officials had told newsmen it is "good speculation" that the first Belgrade dispatch—saying American demands had virtually been fulfilled—is correct.

Government officials who have much to do with this country's relations with Russia cite the possibility of an early Yugoslav settlement as one of several reasons why they contend that talk of an impending final showdown—or even war—between the United States and the Soviet Union is far-fetched.

They say they frankly expect American-Russian relations to be difficult for a long time. But they maintain that war talk ignores the fact that Russia in recent months as pulled back on several important fronts, rather than becoming more aggressive.

## 'Miss America' Week In Atlantic City

ATLANTIC CITY, N. J., Sept. 3 (AP)—The 25th "Miss America" pageant opens here today with 48 girls from 37 states and 17 key cities competing for glory, the title "Miss America of 1946" and \$25,000 in scholarships.

The contest opens with a "Mardi Gras" parade along the five-mile long boardwalk and ends Saturday night with the selection of the girl to succeed Bess Myerson of New York as "Miss America."

Main prize for the winning contestant will be a \$5,000 scholarship. Another \$20,000 in scholarships will be shared by the 14 runners-up and the most talented contestant not appearing in the finals.

Immediately if they had rentals. All grade school children reported at 9 a.m. this morning, but it was considered likely that they would be divided into double-day shifts later in the week to alleviate the demands on classroom space and teachers. Upper classmen met this morning at the high school gym to receive enrollment instructions and eighth graders and freshmen met this afternoon. Classes will follow the semester schedules tomorrow.

## Italian Military Limits Placed By Big Four

PARIS, Sept. 3 (AP)—"Big Four" recommendations that the Italian Army, Navy and Airforce be limited to 297,500 men—only a fraction of war-time strength—were approved unanimously today by the Military Commission of the 21-nation peace conference.

Under the approved provisions, Italy is permitted to have an army of 250,000 (including 65,000 Carabinieri), a Navy of 22,500 and an Airforce of 25,000.

She is barred from possession of aircraft carriers and her land airforce is restricted to 200 fighters and reconnaissance planes with an additional 150 transport and training planes.

The Military Commission accepted the foreign ministers' draft setting the strength of the Carabinieri (state police) at 65,000 after Yugoslavia withdrew an amendment to limit the force to 30,000.

Yugoslav delegate Ales Belier answered Italian claims for Trieste with a counter-claim for a greater share of Venezia Giulia and accused Ivanoe Bonomi, former Italian premier, of expressing "ruthless, heartless cynicism" in his speech yesterday.

Belier told the Italian political and territorial commission that Italy was "inspired by the same aggressive spirit" of Fascism. Bonomi said yesterday that creation of the free territory of Trieste would result in a "permanent threat" to Yugoslav-Italian peace.

Belier criticized the so-called "French line" agreed upon by the foreign ministers council as establishing "the most absurd, the most arbitrary frontiers."

The French line, Belier said, "gives the former aggressor excellent strategic position x x x and considerable military advantages."

## Petrillo Orders Musician Strike

NEW YORK, Sept. 3 (AP)—Eight New York hotels were authorized today by the AFL American Federation of Musicians to continue furnishing music to patrons even as James C. Petrillo, union president, moved to extend a strike of musicians to 50 hotels in other cities "within the next few days."

Richard McCann, president of Local 802, said the eight hotels had agreed to abide by the terms of any settlement that might be reached between the union and the main group of struck hotels here and to make the settlement retroactive to Sept. 2.

## May To Encounter Mead Subpoena In Active Campaign

WASHINGTON, Sept. 3 (AP)—Any move by Rep. May (D-Ky.) to wage an active re-election campaign seemed likely today to prompt new demands for an appearance here to explain his connection with the Garsson munitions combine.

Aides of the Senate War Investigating Committee said the group expects a report shortly from May's Prestonburg, Ky., physicians on the Congressman's physical condition. May failed to appear before the Senate Committee when he was stricken last month.

On his last visit to Washington, Chairman Mead (D-NY) told reporters the committee is keeping a careful watch on May's condition and is prepared to issue a new subpoena when he recovers sufficiently to testify.

May said in a statement from his home recently that he would campaign for reelection, but he did not state whether he will conduct an active, personal drive or possibly depend on radio speeches.

He was unopposed in the Kentucky primary. Mead said the committee has not yet been furnished with a copy of the audit May told the House on July 8 was being made of his financial connections with the Cumberland Lumber Co., a subsidiary of the munitions group.

The Kentuckian, chairman of the House Military Committee, has acknowledged interceding in behalf of the combine, but he insisted his only interest was to further the war effort. He denied any personal profit.

## Britain May Invite Other Jew Agencies To Slated Meeting

LONDON, Sept. 3 (AP)—British government officials acting on the assumption that the Jewish Agency for Palestine would boycott the Holy Land Conference scheduled to open here next Monday, today considered inviting representatives of other Jewish organizations instead.

Official spokesmen declined to name any of the other bodies, but recalled that the unsuccessful 1939 London conference included representatives of such organizations as Vaad leumi, the Jewish National Council; the World Mizrahi, and Agridath Israel.

By thus passing, in effect, the Jewish Agency, Britain would follow the course it adopted with Palestine Arabs, inviting others beside the Arab high executive which refused to send representatives after the British declined to accept the ex-mufti of Jerusalem as one of them.

## Nelson Cautions America Against Widening Influence Of Military

WASHINGTON, Sept. 3 (AP)—Donald M. Nelson hoisted a warning today for the nation to be on guard, "not only in war but in peace," against widening military influence.

## Over 300 Killed During Holidays

By The Associated Press More than 300 persons suffered violent deaths as the nation celebrated its final extended holiday week and of the summer.

Homebound vacationists and tourists jammed most of the country's highways over the three-day Labor Day holiday and traffic fatalities surpassed the estimate made by the National Safety Council.

At least 312 persons were killed, including 225 in traffic mishaps. The Council had estimated 350 persons would die from public accidents over the holiday week end, including 210 in traffic accidents.

The 312 total compared with 361 violent deaths for the 1945 Labor Day holiday and 248 for Labor Day week end in 1944.

In addition to the 225 traffic fatalities, there were 50 violent deaths from miscellaneous causes, while 37 persons drowned.

out munitions because of any failure in production. "The army's deliberate attempt to create a contrary impression was one of the most dangerous bits of double talk I ever heard of."

Nelson contended that the heads of the army and navy joined with James F. Byrnes, then war mobilization director, to remove him as WPB chairman in 1943 and replace him with Bernard M. Baruch. The attempt was thwarted, Nelson said, when he got wind of the plan and promptly dismissed Fredrick Eberstadt, a WPB vice chairman who favored the army's view and who was to have become Baruch's deputy.

### Mrs. Charles Bell Party Honoree In Mrs. J. E. Montheith's Home

Mrs. J. E. Montheith entertained in her home Saturday afternoon with a pink and blue gift party honoring Mrs. Charles Bell with Mrs. Luther Redell and Mrs. Cecil Bell as co-hostesses.

Games directed by Mrs. J. E. Reinhart and Jacquelyn Lewis were entertainment for the afternoon. Mrs. E. B. Kimberlin gave the story of "Hannah, the Mother." The house was decorated with summer flowers in pink and blue tones. The honoree was seated in

a chair decorated with pink and blue.

Those attending included Mrs. Leroy Woods, Miss Lewis, Mrs. J. E. Hogan, Mrs. J. L. Davis, Mrs. L. P. Trammell, Mrs. Pete Green, Mrs. Orbin Dally, Mrs. Juanita Fannin, Mrs. Clifton Davis, Mrs. J. C. Woodard, Mrs. R. L. Thompson, Mrs. E. W. Holcombe, Olive Holcombe.

Mrs. H. N. Holcombe, Mrs. Charlie Howard, Mrs. L. E. Phillips, Mrs. Harry Hubbell, Mrs. B. A. Farmer, Mrs. Jerry Buchanan, Mrs. Lelan Wallace, Mrs. Doyle Grice, Mrs. B. B. Brown, Mrs. Bill Beeson, Mrs. John Strother, Mrs. Jim Davis, Mrs. Ruler Jones.

Mrs. Sam Buchanan, Mrs. Maurice Chapman, Mrs. Della Hull, Mrs. Clarence Fryar, Mrs. Jack Kuhlman, Mrs. J. W. Fryar, Mrs. Ruby McWilliams, Mrs. Walter Davis, Mrs. O. B. Warren, Mrs. Charlie Wolf, Mrs. Luther Redell, Mrs. L. G. Ivey, Mrs. Durell Miller, Mrs. Cecil Bell, Mrs. D. E. Pross, Mrs. E. W. York, Mrs. E. B. Kimberlin.

Mrs. Joe Hull, Mrs. E. D. Hull, Mrs. J. C. Eudy, Mrs. Bob Wheeler, Mrs. Lee Wheeler, Mrs. W. C. Fryar, Mrs. Lloyd Wolf, Mrs. C. L. Mason, Mrs. S. E. Buchanan, Mrs. Gene Choate, Mrs. Allie Crow, Mrs. Bobbie McEwen, Mrs. A. E. West the hostess and honoree.

### High Heel Slippers Complete Bids

At a called meeting of the High Heel Slipper Club Monday afternoon in the home of Sue Nell Nall, the girls completed rush bids and drafted a calendar for Rush Week, to begin Friday.

Ten rushes will receive bids Wednesday. Open House for the rushes will be held Friday night in the home of Miss Nall.

The club will detail arrangements for the entertainments at the Wednesday meeting at the home of Tommie Nall.

Present were Joyce Worrell, Dolores Hull, Nancy Hooper, Tommie Nall, Sue Nell Nall and the sponsor, Joan O'Brien.

### Underwood Outing Held In City Park

Mr. and Mrs. Dave Underwood, B. B. and Jerry of Winters, and L. C. Underwood of Norton were guests over the weekend with Mr. and Mrs. Lewis Underwood of Luther.

On Sunday the out-of-town guests were entertained by their hosts at a picnic dinner in the Big Spring city park. Others attending were Mr. and Mrs. L. L. Underwood, Wayne and Nita, L. C. Underwood Jr. and Lloyd Underwood of Luther, Mr. and Mrs. John Underwood, Marie and Dewey Ray, Mrs. S. B. Pinkerton and Jessie Montgomery.

**NEELS VISIT IN COAHOMA**  
Lt. and Mrs. Charles S. Neel spent several days visiting with his parents, Mr. and Mrs. C. S. Neel of Coahoma, La. Neel is now on terminal leave from the army after serving 13 months in the army engineers overseas in the battles for France and Germany. Lt. Neel has accepted a position with an oil company in Houston as a geologist.

### Ladies Meet For WSCS

Mrs. N. W. McCleskey was leader of the First Methodist WSCS program Monday when Circle Three presented the discussion.

Mrs. A. M. Bowden led the group in prayer after they had opened the meeting by singing "Love Divine." Mrs. W. A. Laswell led and Mrs. J. M. Faucett accompanied the group as they sang, "Savior, Like a Shepherd Lead Us." Mrs. W. A. Miller spoke on "Methodists in the Country," and told the story of John's Island in South Carolina. Mrs. H. M. Rowe discussed "The Story of the Tennessee Plateau." Mrs. Rogers Heffley gave information on the newly established Texas Social Welfare Association, a recently organized branch of the WSCS. Mrs. W. A. Laswell concluded the program by giving the Methodist social creed.

Present were Mrs. Arthur Woodall, Mrs. W. A. Miller, Mrs. W. F. Cook, Mrs. H. N. Robinson, Mrs. J. M. Faucett, Mrs. W. A. Laswell, Mrs. A. M. Bowden, Mrs. Frank Wilson, Mrs. Albert Smith, Mrs. R. E. Satterwhite, Mrs. W. L. Meter, Mrs. H. F. Taylor, Mrs. Rogers Heffley, Mrs. S. R. Nobles, Mrs. Lewis Murdoch, Mrs. H. M. Rowe, Mrs. N. W. McCleskey.

**Mary Willis Circle Meets Monday**

Mrs. K. S. Beckett was hostess to the Mary Willis circle Monday for a lesson on "Letters to the Churches of Galatia," given by Mrs. B. Reagan.

Mrs. Beckett opened the meeting with prayer, after which Mrs. R. D. Ulrey led the women in group singing, accompanied by Mrs. J. E. Hardesty.

The Mary Willis circle is sponsor of the G.A., and the counselor, Mrs. G. L. Brooks, gave an outline for the year's work.

Attending were Mrs. Theo Andrews, Mrs. Della K. Agnell, Mrs. R. D. Ulrey, Mrs. B. Reagan, Mrs. J. E. Hardesty, and visitors, Mrs. Dick O'Brien, Mrs. G. L. Brooks, Mrs. T. E. Bowman, and the hostess.

**Here'n There**

Mr. and Mrs. Bill Bonner have had at their guests Mr. and Mrs. Glen Gaedke and Glynda Jo of Lampasas and Emma Gaedke of Fort Worth. The Bonners and son, Billy, left Saturday to visit a few days in Fort Worth.

Gloria Ann Friedman has been reported ill in a hospital in Austin where she has been spending the summer.

Mr. and Mrs. Lewis Atkins and Frances Sheppard spent the week end in Seagraves visiting with Mr. and Mrs. J. L. Simmons and Mr. and Mrs. A. E. Sheppard.

Mrs. H. L. Bear and Ray Henderson of San Antonio and Mr. and Mrs. Tom Hockaday of Houston were visitors Sunday in the home of Mr. and Mrs. A. C. Bass. Mr. H. O. Daniel returned with them for a visit.

Mrs. W. B. Martin, Mary Elizabeth and Margaret have returned from vacationing in the mountains near Las Vegas, N.M.

### Local Members Return From State 4H Club Meeting

Local representatives of 4-H clubs have returned from a statewide meeting which drew about 2,000 4-H club boys, girls, leaders and county agents to Texas A. and M. college at Bryan last week.

The first evening's entertainment included a buffet supper followed by a movie about A. and M. Later in the week the group heard addresses by President Gibb Gilchrist, and Iris Davenport, editor of the women's division of the Southern Agriculture.

Girls were taught handicraft and saw a dress review, and the boys learned to prepare all types of livestock for show.

Attending from Howard county were Club girls Peggy Crow from Centerpoint, Etta May Bly of Luther, Mrs. W. C. Fryar, sponsor, Club Boys, Perry Walker of Centerpoint and Wayne White of Coahoma, T. J. Davidson, leader from Centerpoint, and county agents Margaret Christie and Durward Lewter.

**Mrs. George Hall Gives Bible Study**

First Christian Woman's Council head Mrs. George Hall gave the Bible study on "Making God's New Work Through Conviction."

Mrs. W. B. Martin discussed "The Church United for World Redemption." Mrs. J. D. Benson spoke on "Hidden Answers" Mrs. H. E. Clay gave the devotional.

Attending were Mrs. Brown Rogers, Mrs. S. M. Purser, Mrs. J. T. Allen, Mrs. H. L. Bohannon, Mrs. C. M. Shaw, Mrs. J. E. McCoy, and Mrs. Shelby Hall.

**R. L. Holleys Jr. Have Girl Born Sunday**

Mr. and Mrs. R. L. Holley Sr., are the parents of a daughter born Sunday at 11:35 a.m. She weighed seven pounds, 12 ounces, and has been named Diane Louise.

Paternal grandparents are Mr. and Mrs. R. L. Holley Sr., of Big Spring, and maternal grandparents are Mr. and Mrs. T. L. Biehn of Milwaukee, Wis.

**Butts To School**

Mickey Butts, son of Mrs. Violet Butts left Tuesday for Colorado Springs, Colo., where he will be a junior student at Colorado college. He is majoring in civil and petroleum engineering. He was discharged from the Marines in May and since that time has been working in Big Spring.

### Lloyd Underwood Has Sixth Birthday Party

Mrs. Lewis Underwood entertained at her home in Luther Friday afternoon with a birthday party honoring her son Lloyd, on his sixth birthday anniversary.

After games the decorated birthday cake was served with ice cream.

Attending were Lafayette Stanley, Marcus Stanley, Robbie Yates, Kenneth Yates, G. H. Barber, Sonny Zimmerman, Margaret Hoffman, Nita Underwood, Joyce Kilpatrick, Sherry Lynn Fuller, Gwen Proctor, Mrs. Ralph Proctor, Mrs. Hubert Fuller, Mrs. B. Smith, Mrs. L. L. Underwood and Mrs. S. B. Pinkerton of Littlefield.

**HOLMES CHAMPION**  
PAMPA, Sept. 3. (AP)—The Top of Texas' invitation golf tournament was won here yesterday by W. F. Holmes, Jr., of Shamrock, Tex., who defeated Jack Walker, S. J. M. Nall. They will return soon to Austin where Miller attends the University of Texas.

### Labor Day Holiday Climaxed At Club

Climaxing the Labor Day week end, and the Country club golf tournament, approximately 150 couples attended a dance Monday night at the country club.

Jack Free and his orchestra furnished music for the affair held for club members and participants in the tournament.

Luncheon was served at the country club to tournament guests on Sunday and Monday, and open house was held Saturday and Monday afternoons in the club.

### Gay Studio Of Piano To Open Sept. 9

Roberta Gay will open her studio on piano this week for registration, and classes will begin on September 9. Miss Gay specializes in beginners' classes and gives only private lessons. The Gay studio is located at 600 East 15th street.

### PIN-WORMS NOW CAN BE BEATEN

The miseries of Pin-Worms have been known for centuries, and millions of victims have sought a way to deal with this pest that lives inside the human body.

Today, thanks to a special, medically recognized drug, a highly effective treatment has been made possible. This drug is the first ingredient in P.W. the Pin-Worms tablets developed in the laboratories of Dr. D. Jayne & Son.

The special, easy-to-take P.W. tablets act in a special way to remove Pin-Worms. So don't suffer with the embarrassing, itchy itch caused by this ugly pest. Ask your druggist for JAYNE'S P.W. and follow the P.W. means Pin-Worms relief!

Blushing your wash harshly... or gently?

**HARSHLY**  
with uncontrolled bleach

An uncontrolled bleach, that varies in strength from pot bottle to the next, may overbleach your cottons and linens. Fabric threads fray out, as shown above.

**GENTLY**  
with Controlled-Action Purex

Every bottle of Purex has the same strength, the same correct bleaching action. Used as directed, Purex never overbleaches. It provides Controlled Action because it is purified and stabilized by the Intra-Fil Process—exclusive with Purex. At your grocer's.

**PUREX**  
THE CONTROLLED-ACTION BLEACH

**GENTLE TO LINENS**

Great too for cleaning and disinfecting kitchen, bathroom

For a bright, "new" kitchen, give tile and porcelain a Purex "Bathing Bath" Follow simple directions on bottle.

# London Paper Points Out Some Misconceptions Of Two Peoples

LONDON, Sept. 3 (AP)—The Evening News, this week's London paper straightened out an American teacher on his conception of a typical Englishman and admitted sheepishly that stay-at-home Britons think "Kansas City is entirely populated by war-whooping Indians."

"Devoting its entire editorial column to the transatlantic misunderstanding, the News said Carlos A. Loop of Newport News, Va., one of 74 American teachers here under an exchange, and asked: 'Where are the toppers and the monocles?'"

"He was dumfounded," the paper continued, "when told there were none, and said that the general impression in his country was that almost every man in England wore them."

"Then, confessing to a host of bogey beliefs about the United States, the News continued: 'We do not, ourselves, subscribe completely to the theory (firmly held by an old gentleman of our acquaintance) that America doesn't exist at all but is a legend invented by travelers, film-directors and the salesmen of classy shirtings. We feel that there is some factual basis for believing that this remarkable continent does, indeed, exist.'"

"Our ideas of it, of course, are traditional, but firmly held. The normal greeting of man to man is 'whatya know?'"

"All adult males have false teeth and wear their socks-suspenders where Europeans wear their braces."

"It is impossible to cross a street in Chicago without being shot at; but gangsters send the loveliest wreaths to their victims' funerals. The Woolworth building is very tall and on top of it there is a Statue of Liberty holding an advertisement for chewing gum in her right hand."

"Kansas City is entirely populated by war-whooping Redskins and herds of bison range the prairies of Connecticut."

"And as for Old Virginny—there's not a thing we don't know, Mr. Loop. Lionel Barrymore owns two-thirds of it, and when he isn't putting intractable horses at impossible fences he is assuring his daughter, in a chesty brogue, that the land is all that matters. His daughter is Miss Vivien Leigh, who at an early age marched through Georgia to marry Mr. Errol (Liberator of Burma) Flynn."

"We are thinking of inaugurating a brief course in social studies of and about this fascinating land. Perhaps we ought to get into a huddle with Mr. Loop?"

Loop is an instructor in the Newport News high school.

## FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine. People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This powerful natural medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 15 herbs, roots, vegetables, balsams. Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many say have a mercurial effect. All druggists sell Swamp Root.

# Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barconate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves, if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you feel. More alive, more appearing and active.

# Russia Tells US To Stay Clear Of Trade Pacts

MOSCOW, Sept. 3 (AP)—Russia has rejected American expression of concern relative to bilateral Soviet-Swedish trade negotiations in a note in which the official Russian news agency said the United States was told, in effect, to mind its own business.

Tass, the Russian news agency, announced the rejection last night and quoted the note of rejection as saying that the "Soviet government—and it may be assumed the government of Sweden—are not in need of consultation with the United States government on the question of advantage or disadvantage they will reap from trade agreements."

(Sweden, in effect, rejected the U. S. note—in which the hope was expressed that Russia would not undertake any obligations in conflict with principles expressed in a mutual aid agreement with Russia.)

Uninformed officials in Washington said a second note might be dispatched to Moscow and Stockholm, but that no decision had been reached. The principal US suggestion to both nations in the first expression was that both agree upon a clause specifying that the agreement could be changed later to conform to the international organization on which the American government seeks to establish.)

# Heirens Found Not Insane

CHICAGO, Sept. 3 (AP)—Three psychiatrists informed the State's attorney today they found William Heirens, 17-year-old triple slayer, was not suffering from any psychosis and was able to cooperate rationally with defense counsel.

The report on several weeks of mental tests administered by Drs. Foster Kennedy of Cornell University and Williams Haines and Harry Hoffman of Chicago was delivered today to State's Attorney William J. Tuohy and the youth's counsel.

## Franklin County Reunion Held Sunday

Approximately 300 former residents of Franklin County in East Texas attended the 11th annual Reunion in the City Park Sunday afternoon.

Discussion of old friends and times was in order during the barbecue and basket picnic.

L. H. White of Stanton was re-elected president and Mrs. John Poe of Stanton was re-elected secretary-treasurer. Henry Sneed of Stanton and T. J. A. Robinson of Big Spring were appointed to be in charge of arrangements again for the reunion next year, to be held as usual in the City Park here on the first Sunday in September. These two made arrangements for Sunday's barbecue.

## Livestock

FORT WORTH, Sept. 3 (AP)—Cattle 1,600; calves 1,000; active prices about steady with Monday's levels; common to medium steers and yearlings 11.00-16.00; medium to good fat cows 10.25-13.00; cutter and common cows 8.25-10.25; bulls 8.00-11.50; good and choice fat calves 14.00-15.00; common to medium calves 10.00-13.50. Hogs 150; active and steady with Monday's ceiling price; top and bulk of the barrows, gilts and sows 16.00. Sheep 3,000; fully steady; practically no spring lambs were offered; cull, common and medium slaughter ewes 6.00-50. good and choice ewes 6.75-7.00.

# J. E. Garland Dies In Lamesa

Rites were to be said Tuesday afternoon at the First Methodist church in Lamesa for J. E. Garland, 68, pioneer Lamesa resident and member of the Texas bar for nearly 45 years.

Judge Garland died suddenly at his home in Lamesa Sunday morning. Prior to coming to Lamesa in 1907, Judge Garland had practiced law in Texarkana. During World War I he was county judge in Dawson county and during World War II he served as judge of the 106th district court in the absence of Louis B. Reed. Judge Garland was a veteran of the Spanish-American war and, after having served for years as president of the Dawson county bar association he was made life-time honorary head of the association. He was long active in development of Dawson county and was considered a foremost historian of Lamesa and the county.

Survivors include his widow; two sons, Edward B. Garland and James A. Garland, Lamesa; and Mrs. Margaret Noble, O'Donnell.

## Round Up Club Sets Meeting In Open

Round up club of the chamber of commerce will hold its meeting in the open Wednesday. A breakfast at the city park at 7:30 a. m. has been scheduled. H. W. Wright, in charge of arrangements, said that D. M. McKinney had organized the cooking-crew. Matt Harrington and E. P. Driver, captains of rival teams, were checking workers to make sure that membership contacts have been made in advance of the session.

## Ball Fans On Way To Last Lobo Game

Several cars of fans were in prospect to leave from the chamber of commerce office at 5 p. m. today for Lamesa to help Lamesa baseball fans root for the Lobos in the final home game of the W-T-NM season there this evening. Ira Thurman has been named by Elmo Wasson, chairman of the chamber of commerce good will committee, to head up the group of fans.

# New Fights Flare In Bombay; Death Toll Rises

BOMBAY, Sept. 3 (AP)—A communique said today that 81 persons had been killed and 300 injured since Sunday in violent Hindu-Muslim rioting in this teeming city, where new communal fights flared early this morning.

The city still smoldered with the threat of widespread disturbances and strong forces of troops and police were on duty, following pre-dawn outbreaks in zones outside the area where a curfew was imposed yesterday.

Police were reported to have opened fire three times during the morning to quell outbreaks, with estimated casualties of 10 killed and 50 injured. Two persons were killed and eight injured when Bombay police fired 22 rounds this morning to disperse two armed mobs in a street battle on Victoria Gardens Road. The mobs hurled stones, sticks and bottles.

The violence spread to the northern part of the city, where several assaults and stabbings occurred. Two shops were looted. The police shot a man at one of the shops.

No meat was available in the affected areas and tram and bus traffic was paralyzed.

## Weather Forecast

BIG SPRING AND VICINITY: Cloudy with occasional light showers, little change in temperature today, tonight and Wednesday. High today 85, low tonight 70, high tomorrow 85. WEST TEXAS: Partly cloudy this afternoon, tonight and Wednesday, a few widely-scattered thundershowers. EAST TEXAS: Partly cloudy this afternoon, tonight and Wednesday, a few scattered showers in the southwest- and west-central portions.

TEMPERATURES table with columns for City, Max, and Min. Cities listed include Abilene, Amarillo, Big Spring, Chicago, Denver, El Paso, Fort Worth, Galveston, New York, St. Louis, and Sunset.

## Bly Pleads Guilty To Liquor Violation

Wallace T. Bly, Jr., halled into county court this morning on a charge of selling an alcoholic beverage during prohibited hours, entered a plea of guilty and was fined \$100 and costs. Members of the Texas Liquor Control board made the arrest over the weekend.

# Vernon Girl Reigns As Queen At Closing Of Arlington Show

ARLINGTON, Sept. 3 (AP)—Miss Hulda Cannon, 16-year-old Vernon high school senior, was crowned queen of the North Texas Fair here last night as the first annual Arlington celebration drew to a close.

Miss Cannon was crowned by Wingate Lucas of Grapevine, Democratic nominee for Congress from the 12th District.

Attendance at the 10-day fair has been estimated officially at 150,000. Miss Betty Jane Nunnelee, 22, daughter of Mr. and Mrs. J. W. Nunnelee of Denison, was runner-up to Miss Cannon.

For her prize, Miss Cannon chose Hollywood. E. Paul Waggoner, president of the fair, presented \$1,800 to each of five cowboys, who also received refunds on entry fees in rodeo events in which they were winners.

They were Bill Hancock of Roswell, N.M., Saddle Bronc Riding; Todd Whatley, Bethel, Okla., Bull Riding; Royce Seyalt of Brownwood, Texas, Steer Wrestling; and Louis Brooks of Sweetwater, Texas, Bareback Bronc Riding.

## Postal Receipts Down From Last August

August postal receipts skidded almost \$2,000 from the same period a year ago but are considerably higher than in August, 1942. Postmaster Nat Shick considers the last 'normal' year before the AAF bombardier school started functioning here. Last month's receipts amounted to \$9,771.98 as compared to \$11,721.91 for August, 1945. Income for the eighth month of 1942 came to \$7,555.91. Total for the current year stands at \$75,825.86 as compared to \$104,433.90 for the same eight months in 1945.

## Two Thefts Reported

C. D. Anderson, 88 E. 22nd, San Angelo reported loss of a suit, shirts and some other men's clothing from his car as it was parked in the 200 block of E. 3rd Saturday night. Bill Dawes reported the YMCA had been entered, but a check showed that only a few cents in small change was missing.

# Big Spring Man Shot In Juarez

Word was received here by Sheriff Bob Wolf this morning that M. E. "Pete" Sosa, 38, a Big Spring resident for more than 20 years, was found shot to death several days ago near the river front in Juarez, Mex.

According to the Juarez police, Sosa apparently had been way-laid by hi-jackers who fired a bullet into his head and then took his money from him. He is believed to have had as much as \$5,000 on him.

Sosa, who was preparing to open a tavern on the north side here, had gone to Mexico for the purpose of purchasing a car-load of beer. He had paused in El Paso to check some money out of a bank before going across the river.

## To Get Eagle Badge

Carl McDonald receives his Eagle badge at 7:30 p. m. today at the high school gym in the regular court of honor program. Four second class badges will be presented to Boy Scouts, and James Roy Odum gets his life badge. An Eagle palm, has been earned by Nathan Richardson. A dozen others have qualified for camping awards.

## Y Directors To Meet

Directors of the YMCA have been called to a meeting tonight by president Jack Smith to complete the ending of the fiscal year of the organization and discuss future activities. The group will meet in the basement of the First Methodist church.

## Streets Graded

City maintainers were pressed into action Tuesday to grade streets on the strength of showers which fell Monday. Most of the north half of town received sufficient moisture for blading rough spots out of the roads, pitted by traffic and drought.

## MEN! GET PEP.

Do you want to feel young again? Why feel old at 40, 60 or more? Enjoy youthful pleasures again. If added years have slowed down your vim and vitality, just go to your druggist and ask for Casella tablets. Many men are obtaining remarkable results with this amazing formula.

## DARK DAYS AHEAD FOR TEXAS AGGIES

COLLEGE STATION, Sept. 3 (AP)—Texas A. and M. college students face dark days ahead. Unless, that is, the severe shortage of light bulbs can be alleviated.

B. D. Marburger, head of the colleges' building and utilities department, said the campus would be flooded with about 9,500 students during the next ten days, and the supply of bulbs falls far short of the demand.

He suggested that each student bring at least one 75-watt bulb with him when he comes to school.

Snakebite fatal. MATADOR, Sept. 3 (AP)—Three-year-old Bonny Rich, bitten by a rattlesnake early Saturday night, died yesterday in a local hospital. He was the son of Mr. and Mrs. Clyde Rich of near Turkey.

Mrs. Brownfield will be at the LaDona Beauty Salon beginning Wednesday. We invite all her friends and customers to visit her in this new location.

Sizes 6.50 and larger are now made with stronger RAYON cord! Smaller sizes are made with finest cotton cord."

# Qualified For Responsible Place

Harley Sadler, representative from the Sweetwater district for the past two terms and recently accorded the nomination without opposition for a third, has agreed to allow his name to be entered in the race for speaker of the Texas house.

By virtue of his authority to appoint committees and direct activities of the house, the speaker is in a position to wield great influence, and in some practical respects, to an even greater degree than the governor.

It goes without saying that a capable and experienced legislator should be elected to the position. Harley Sadler meets these qualifications. In addition, he has a reputation for honesty and fair dealing and on the strength of it has built up a wide popular following. He knows how to work with people and how to get things done without

ruffling feelings or butting his head into a brick wall.

There is still another good reason why Harley Sadler should be the choice for speaker of the house. Foremost on the agenda of the session should be the long ignored matter of redistricting the state for legislative purposes. Not since the decennial census of 1920 has the legislature gotten around to this task, and the population complexity of the state has completely changed since that time.

Harley Sadler was the author, and therefore the offensive quarterback, of a redistricting bill which came near getting by the legislature last term.

As speaker, he would be in a still better position to help mould and get a redistricting bill through the legislature. His selection would be most timely.

# Consistency Demands Real Action

Almost everyone shelved hopes of new cars when industry-wide strikes, which remained in prolonged deadlock, tied up automobile production for many months.

When they were finally settled, millions felt that every effort would be expended by management and labor to swing immediately into full stride and to attempt the miraculous in making up for some lost time. At the best, results have been disappointing.

The reason is largely due to the fact that while the major strike difficulties have been overcome, strikes among the suppliers of the automotive industry have hamstrung production. Automobiles are made up of scores of gadgets, parts and accessories.

There is a mistaken idea that the major automotive corporations produce all these things under one roof. On the contrary, they are dependent upon a host of other industries to supply many vital items. Thus, the "name" companies are builders or assemblers.

Recently, the United Automotive Workers have expressed concern of management reports that supplier strikes are retarding and in some instances halting output. It is to be hoped that the UAW is sincere in this concern and will take action to correct the situation, especially since many of the strikes are by UAW affiliates. If for no other reason, consistency demands it.

The Nation Today—James Marlow

# Veto Adds Fireworks In Council

WASHINGTON (AP)—The debates in the security council of the United Nations drone through all the fog of diplomatic doubletalk and then bang a veto.

This veto upsets a diplomatic diplomat. So the diplomats go to work on something else. And they, after a while, bang a veto. Start again.

By this time people must be wondering: What and when and how is a veto? That question stumps some of the diplomats, too.

But to make things even more difficult they keep on talking about "procedural matters"—in which no one can use a veto—and "matters of substance"—in which the veto can be trotted out.

UN was created to keep peace by having nations work out their problems in conference instead of on a battlefield. And the security council is UN's peace-keeping arm.

If the council decides one nation is pushing another around it can call on UN's combined forces to stop the aggressor. That's the theory. It sounds good, when said fast. But—there's a big but.

The council has 11 members.

six small nations and five big ones, the big five: United States, Britain, Russia, France, China. The big five are permanent members.

Suppose some day the council should decide one of the big five is an aggressor and calls on UN's armed forces to crush it. This would never do, thought the big five before UN was created.

It would mean they were organizing a giant which some time might be able to destroy any one of them. So they roped the council around with certain limits. They said:

1. In deciding a procedural matter—like electing a council chairman—the vote of any seven members, large or small, is enough.
2. But in deciding a matter of substance—like investigating a complaint of aggression—no action can be taken unless all five of the big five, plus two small nations, vote "yes."
3. Right there the veto comes in. For if any one of the big five votes "no" on a matter of substance the council, and UN can do nothing. The big five thought up this veto to protect themselves.

# Einfeld's Baby Arrives

By BOB THOMAS

HOLLYWOOD (AP)—When Norma Shearer attached herself to Enterprise pictures this week, Hollywood realized that Charlie Einfeld's baby had arrived.

Many studios had tried to lure the screen's one-time first lady out of retirement, particularly after Joan Crawford's sensational comeback. Her hookup with the infant Enterprise outfit added to the studio's fabulous growth.

A year ago, New York-born Charles Einfeld was being paid \$3,500 a week to publicize Warners' pictures. The brothers offered him a new contract at more money. Faced with sure riches and a life-long job, or starting in business on his own, he chose the latter.

Adrift in a whirl of fantastic offers, Charlie sat and did nothing. Then one night he was attending a party at the house of Independent Producer David Loew. "Why don't we go into business together?" asked Loew. "Why not?" said Einfeld. So they did.

The two enlisted Producer David Lewis who had snapped up the Erich Marie novel "Arch of Triumph." While other Independents were clamoring for space, they took over the compact California studios. Meanwhile they rounded up the most important quantity—stars. Charles Boyer,

Ingrid Bergman, John Garfield, Barbara Stanwyck, Joel McCrea and Ginger Rogers were signed up in a hurry.

His multi-million dollar deal wound up in a tight package. Charlie Einfeld pasted onto it the obvious label—Enterprise.

Charlie has not yet assumed the august nature of most Hollywood bigshots and can still be seen by the common man in his office. There I found him to be a bald, stocky man with sharp, alert eyes.

"I left Warners because I thought it was time for the country boy to go to the big city," he explained. "I thought, with the government cracking down on selling pictures in a block, there would be a demand for a company producing high-quality pictures. That's what we intend to do. We don't ever expect to be a major lot, in the sense that we would make pictures on a production line basis."

# Good Showers Fall In San Angelo Area

SAN ANGELO, Sept. 3 (AP)—The arid San Angelo region today was enjoying the results of its first good rainfall in nearly two months.

Spotted rains, with heaviest a 2.31 inch downpour, at Brady, fell north, east and south of San Angelo yesterday.

Rains were reported also at Millersview on Concho county, Melvin, Eden, Eola, Christoval, Water Valley, Sterling City, Texon, Robert Lee, Mertzon, Blackwell and Marynell.

# House Of Tin Cans Sells For \$5,000

TAMPA, Fla., Sept. 3 (AP)—A house built of tin cans and cement in 1939 was sold today for \$5,000.

About 12,000 quart oil cans gathered from filling stations went into the house, said Fred J. Grace, its builder and owner. They were placed lengthwise and cemented together. The exterior was finished with stucco and painted.

ALL DEMOCRACIES ARE NOT BAD—

# Criticizing Red Critics

NEW YORK — Gene Krupa, the drummer man who makes almost as much noise as nuclear fission in action, has a few firm doubts about the excellence of Russian hot jazz criticism. Gene had in mind, when he started this slight tiff with a Russian writer for Ivestia named E. Grishyov, nothing more than a mild difference of opinion. But he got considerably more enthused as he went along.

Oddly enough, Gene was taking exception to what has come to be a highly unusual Soviet practice, criticism of its own home-grown culture, even of a sort to far off the beaten esthetic path as hot jazz.

Grishyov had described the Soviet's current swing band favorite, a baton-slinger named Eddie Rozner, the USSR version of Harry James—as the practitioner of a musical style which is "trivial... banal... trilling." He went even further to state that Moscow Eddie's brand of hembaba-rosop has "nothing in common with what Soviet audiences love."

word but just a hecat explanation for the uninhibited 52nd Street school of musical culture.

Krupa bubbled on to refute the statement of the Russian jazz expert that Rozner's red tinted tunes are not presented in the style Soviet audiences love. "The fact that the gentleman also declared that Rozner is playing to sellout crowds all over Western Europe should prove the opposite."

Patting our American style on the back, Gene explained that Russian bands do not have the virtuosity so common in modern US swing. Ensemble playing without emphasis on excellent solo or section highlighting, is the Russian rule, he added.

"The result may not sound exactly like a Dorsey or James, but it is sincere. Just as our jazz represents the tempo of American life in the last decade, so Russian music reflects the turmoil in recent Russian history. But, of course, since conditions in the United States and over there are not the same, the result is a different idiom, although many of the components are similar.

"You wouldn't expect 'The Volga Boatman' to sound like 'Yankee Doodle Dandy,' would you?"

Republicans Constructive

The American people, for two principal reasons, will elect a republican congress in November.

1. Because they have come to realize that the republican party offers a constructive and practical program for getting the government out of the people's hair and republican members of congress by their recorded votes as well as their public declarations during the past two years have proved that this program will be written into law as soon as a republican majority takes control of congress.

2. Because the present democratic administration (which is anything but democratic) has proved its utter inability or unwillingness to maintain orderly, prosperous and free economy at home or a respected position on the United States abroad.

Dallas Katy Yards Use Diesel Switches

DALLAS, Sept. 3. (AP)—Diesel switching power is being used exclusively in the Dallas yards of the Missouri-Kansas-Texas railroad.

The last two of six 1,000-horsepower Baldwin-built switcher engines were placed in service this week.

Washington Merry-Go-Round—Drew Pearson

# GOP Congress Foreseen By Reece

(ED. NOTE — While Drew Pearson is on a brief vacation, his column will be written by several distinguished guest columnists—today's by Carroll Reece, chairman of the Republican National Committee.)

By CARROLL REECE

WASHINGTON—The American people are tired of being pushed around by their public servants. They are tired of being received by those in whom they have reposed public trust. They are tired of being offered political bribes of their own money. They are tired of living in a perpetual state of phony emergency. They are tired of seeing the value of their hard-earned dollars decreased by a spendthrift administration which for fourteen years (most of them peacetime years) has spent more than it had to spend.

Americans are tired of paying unnecessarily high taxes to support a profligate and stupid bureaucracy operating on the theory so elegantly phrased by one of its chief exponents, that the people are "too damned dumb" to understand what their bureaucratic chaperones were doing. They are tired of seeing the policies of the government of the United States dictated by a group of counterfeit "liberals" who are actually exponents of an alien and radical totalitarian philosophy of government, and some of whom have been exceedingly dilatory, to say the least, about taking out naturalization papers.

The foregoing observations are based upon information acquired by and thrust upon today's guest conductor of this column during a series of trips which have taken him into almost every corner of the United States during the past four months. A concise summary of these observations is that the people of the United States have determined to get the present government of the United States out of their collective hair.

On the basis of that appraisal of the determined objective of the people, here, in the language of the normal proprietor of this column, is a "prediction of things to come," namely:

Republicans Constructive

The American people, for two principal reasons, will elect a republican congress in November.

1. Because they have come to realize that the republican party offers a constructive and practical program for getting the government out of the people's hair and republican members of congress by their recorded votes as well as their public declarations during the past two years have proved that this program will be written into law as soon as a republican majority takes control of congress.

2. Because the present democratic administration (which is anything but democratic) has proved its utter inability or unwillingness to maintain orderly, prosperous and free economy at home or a respected position on the United States abroad.

public declarations of republican spokesmen and implemented by republican votes in congress. All citizens who are sincerely interested in knowing the details of that program have had ample opportunity to learn them—and they will have additional opportunities as the campaign progresses toward a decision in November.

In this connection, mention should be made of the administration propaganda line to the effect that the republican program is negative and destructive rather than positive and constructive, [according to latest official figures there are more than 40,000 administration press agents on the federal payroll and some of them are skilled craftsmen and probably, they have been able to deceive some gullible citizens who do not realize that their own taxes are being spent to deceive them.] It should be remarked, however, that when a dentist pulls an abscessed tooth the operation may be destructive to the tooth and the abscess but it is quite constructive to the patient.

Democrats Disintegrating

That the present democratic administration is an abscess on the body politic is proved by many evidences of its disintegration and decay.

There is the case of Representative May of Kentucky, democratic chairman of the powerful house committee on military affairs, involving indications of the misuse of political influence in the award of war contracts and misuse of public funds—plus evidence that ammunition supplied to American forces abroad was defective and caused needless sacrifices of American lives during the battle of the bulge.

There is the case of Democrat Representative Coffee of Washington state who admits receipt of \$2,500 from a successful bidder for a war contract and who insists that the \$2,500 was a contribution and not a payment for services rendered although it was reported neither as a campaign contribution nor as income.

There is the case of Democrat Representative Curley of Massachusetts under conviction of a federal court but nevertheless elected mayor of Boston by the political machine of which he is the boss.

There are formal and public assertions of Comptroller General Warren, a lifelong democrat and former democrat member of the house, to the effect that billions of dollars of public funds were wasted during the war because of the administration's slipshod methods of handling war contracts.

# People Robbed

And finally there is the public announcement of the Pendergast PAC machine alliance formed under the public sponsorship of President Truman himself to "purge" Democrat Representative Roger Slaughter of Missouri, who had refused to follow the Truman-PAC party line in congress.

By lending the prestige of his high office to the Pendergast-PAC alliance against Mr. Slaughter, Mr. Truman confirmed assertions repeatedly made by republican spokesmen to the effect that this choice presented to the voters this year is a republican congress on the one hand and a congress controlled by the PAC on the other. For that clarification of the issue the nation owes thanks to Mr. Truman.

Meanwhile it may be taken for granted that the evidences of inefficiency, extravagance and corruption revealed so far in the cases listed constitute only a peephole view of what will be exposed to the pitiless light of day when republicans take control of the investigating committees of congress.

The people are entitled to know who robbed them, how and how much, and they should know before the statute of limitations expires in any more cases. They will find out soon after the new republican congress assembles in January, 1947.

# Ray Marshall Edges E. C. Nix In Golf Finals, 2-1

## Lubbock Veteran Decisions Trout In Semi-Finals

Refusing to yield to pressure at any time during the three-day show, Raymond Marshall of Lubbock wrapped up the big trophy emblematic of the 1946 Big Spring Invitational golf tournament championship Sunday afternoon.

Marshall's victim in the finals was E. C. Nix, a Seminole resident who does his golfing at Hobbs, N. M. Marshall's margin of victory was 2 and 1 and he kept fairly close to regulation figures to emerge with his second 1946 title.

A month ago, Marshall routed the sensational Jack Williams of Plainview in the finals of the Plainview tournament to rack up his first triumph of the year.

Very few of the gallery realized that Marshall was in the tournament until sidelined popular Chick Trout, Lubbock, 3 and 1, in the semifinals.

Nix meanwhile was taking out Big Spring's last entry, Obie Bristow, 4 and 3, for the right to get at Marshall. The winner here in 1940, E. C. was the odds-on favorite to measure his Lubbock foe.

It was apparent, though, that he was going to have his hands full as early as the second hole, which Marshall won with a bird to go one up. It remained that way through nine and Nix had to can a long putt on that one to keep from falling further off the pace.

The elements, which had been threatening most of the afternoon, were kind to the finalists until they finished up on nine. Then the rains came and both the golfers and the gallery scurried for cover.

The sun finally broke through and the linksman renewed the scrap.

Marshall doubled his lead on the 488-yard Tenth hole with a birdie four. They halved No. 11 and Nix pulled the most sensational shot of the match on 12 when he chipped in from off the green for a deuce.

That was as close as he got, however. Both took fours on the 13th. Marshall's long putt on 13 rimmed the cup and cost him the opportunity to increase his lead as both settled for pars.

The Lubbock masher ace, who chewed on a cigar he never lighted throughout the tournament, was in some trouble on 15 but recovered nicely to halve the hole.

On 16, Nix dubbed his third shot and Marshall played every shot safely for a five to go two up.

It was all over on the short 17th when both were on with their tee shots and Nix failed to bag his long putt.

In first round play, Marshall de-

feated Kay Bradshaw, also of Lubbock, 3 and 1. He later cooled off Jimmy Smith of Midland, 2 and 1, to gain the semifinals.

Other results included:

**FIRST ROUND**  
Iverson Martin, Fort Worth, walloped Spud Cason, Fort Worth, 5 and 4. Chick Trout walked over Buster Tuttle, Lamesa, 5 and 4. Jimmy Smith, Midland, spanked Frank Freer, Lamesa, one up 19 holes. Marshall trimmed Bradshaw, Obie Bristow, Big Spring, 6 and 5. Bob Haeffe, Fort Worth, measured Bob Malone, 3 and 2. E. C. Nix, Hobbs, N. M., crowned Sam Cobb, Lubbock, 4 and 4.

**SECOND ROUND**  
Trout surprised Martin, 2 and 1; Marshall tripped Smith, two up; Bristow flattened Morris, one up; Nix bested Haeffe, one up.

Other winners included:  
**CHAMPIONSHIP CONSOLATIONS**  
Kay Bradshaw, Lubbock, crowned Jackie Vaughn, Lamesa, 5 and 4.

**FIRST FLIGHT**  
Bill Roden, Big Spring, decisioned A. G. Barnard, Jr., Lamesa, 2 and 1.

**FIRST FLIGHT CONSOLATIONS**  
Don Starnes, Odessa, outstroked Bob Scott, Colorado City, one up 19 holes.

**SECOND FLIGHT**  
Bill Slaton, San Angelo, took care of R. Neal, Sweetwater, 4 and 3.

**SECOND FLIGHT CONSOLATIONS**  
Jimmy Lyles, Kermit, thumped Jimmy White, Lamesa, 5 and 4.

**THIRD FLIGHT**  
Champ Rainwater, Big Spring, floored Jake Anderson, Big Spring, 3 and 2.

**THIRD FLIGHT CONSOLATIONS**  
Joe Munday, Colorado City, stopped Bill White, Lamesa, 2 and 1.

**FOURTH FLIGHT**  
Jack Keith, Forsan, outlasted W. E. Ramsey, Big Spring, one up.

**FOURTH FLIGHT CONSOLATIONS**  
Bill Craig, Colorado City, beat Novis Womack, one up.

**FIFTH FLIGHT**  
Dave Ducaan, Big Spring, throttled Gene Smith, Lamesa, 6 and 4.

**FIFTH FLIGHT CONSOLATIONS**  
Butch Abbott, San Angelo, corraled Matt Harrington, Big Spring, one up.

**SIXTH FLIGHT**  
W. J. Pierce, Midland, bested Berl McAllen, Big Spring, 4 and 3.

**SIXTH FLIGHT CONSOLATIONS**  
Tom Coffee, Big Spring, hurled Red Womack, Big Spring, one up.

**SEVENTH FLIGHT**  
Clarence Fox, Big Spring, silenced Avery Johnson, Big Spring, 2 and 1.

**SEVENTH FLIGHT CONSOLATIONS**  
T. A. Pence, Monahans, won from Martin Staggs, Big Spring, 4 and 2.

**EIGHTH FLIGHT**  
Johnny Burns, Big Spring, uncupped Avery Falkner, Big Spring, one up.

**EIGHTH FLIGHT CONSOLATIONS**  
Bill Johnson, Forsan, outshot Glen Cope, Lamesa, one up.

**NINTH FLIGHT**  
Kelly Lawrence, Big Spring, pickled Horace Wallin, Big Spring, two up.

**NINTH FLIGHT CONSOLATIONS**  
Skeet West, Big Spring, chilled Carl Smith, Big Spring, two up.

**TENTH FLIGHT**  
Jim Zack, Big Spring, bowled over Gene McAllen, Big Spring, 4 and 2.

**TENTH FLIGHT CONSOLATIONS**  
Gordon Madison, Big Spring, won from default over Creed Coffee, Big Spring.

**Turkey Satisfied With Greek Voting**

ISTANBUL, Sept. 3 (AP) — A source close to the Turkish government expressed satisfaction today with the outcome of the Greek plebiscite which resulted in a heavy majority in favor of recalling King George II to the throne.

The vote presages a new era of unity with Greece, with which Turkey has a "common front", and hence this nation "rejoices", the source said.

Buffalo Bill once was a rider for the Pony Express.

# Brazle Shines As Cards Add To League Lead

By The Associated Press

National League fans long may remember the 1946 pennant race as the "Battle of the Bullpens" with Manager Eddie Dyer of St. Louis uncovering Al Brazle as his latest relief ace to match Leo Durocher's crew of firemen.

The lean left-hander's greatest day of the season came yesterday when he received credit for both ends of a double win over Cincinnati, 6-4 and 8-7, although he, too, needed help from the bullpen in the late stages of the second game.

The twin victories re-established the Cards' lead at 2 1/2 games because Brooklyn, after winning the opener from the Phillies, 5-2, ran afoul of Oscar Judd's left arm and dropped the 3-2 finale.

Walker Cooper was the big noise for the New York Giants in their eighth-inning that earned an 8-3 edge and an even break with Boston, which had won the opener 6-2. Cooper spoiled brother Mort's shoutout bid in the first tilt with a two-run double. It was the first time he had appeared against his brother since they left St. Louis.

Pittsburgh and Chicago swapped decisions, the Pirates grabbing a 4-1 opener for Rookie Edson Bahr. The veteran Russ Bauers, a former irate, earned his first victory of the season on a 7-3 job for the Cubs in the second.

New York's largest crowd of the season, 73,551 paid, watched Boston sweep both games from the New York Yankees, 5-2, and 3-1, moving the Sox toward a mathematical flag clinching with a 15 1/2 game lead.

Bob Newsom thoroughly enjoyed himself on the holiday afternoon by trimming his old Philadelphia mates for a Washington 5-2 win. Jess Flores, one of the better hurlers in the league for the past month, earned his fifth straight victory, 7-1, for an even break.

Hank Greenberg's two-run homer provided the scoring punch for Detroit's 2-1 edge over Chicago in the first half of a double. Frank Rapish outpitched Al Benton to square matters, 6-2.

St. Louis thumped Cleveland, 9-2, on an eight-run spurt in the eighth inning of the opener and the teams played 13 innings to a 2-2 deadlock before darkness forced the second game to be called. It will be re-played as part of a doubleheader today.

# Greenville Gaining Ground In E Texas

By The Associated Press

With the regular schedule of playing ending next Sunday, the East Texas League is still a wide-open race but the Labor Day bargain bills saw only fourth place Greenville gaining ground.

Greenville was the only club to take both games of a holiday doubleheader, defeating Sherman, 4-3 and 4-0. By doing so, the majors increased their advantage over fifth place Paris to four full games. They also reduced Tyler's third place lead to four games.

Elsewhere, the League-leading Henderson Oilers split with Tyler, the Oilers taking the first game, 5-2, and the Trojans the second, 9-0.

Texarkana's Bears blanked the Paris Red Peppers, 3-0, in the opener of their twin bill, while the Peppers coped the nightcap, 4-3.

Jacksonville came back to take a nightcap from Lufkin, 10-8, after the Foresters had won the first game, 7-3.

# Abilene Youngster Wichita Falls Titlist

By The Associated Press

WICHITA FALLS, Sept. 3 (AP) — Billy Maxwell, 19, of Abilene, won the Labor Day invitational golf tournament here yesterday by defeating Coyal Francis of Wichita Falls, 4 and 3.

Dan Withers, 14-year-old Abilene golfer, won the third flight from J. D. Farmer of Fort Worth while Charles Henry Featherston of Wichita Falls took the first flight from Henry Richards of Jacksonboro, 6 and 5.

# LOOKING 'EM OVER

WITH TOMMY HART

Rodney J. Kidd, athletic director of the state inter-scholastic league who dropped in on the ABC Club six-man football coaching school here last Saturday, says that organization is prepared to sanction schoolboy baseball in 1947 and he sees no reason why the spring time sport can't become conspicuous in the high school athletic picture.

Baseball has long been neglected in Texas prep circles and for no good reason. It has been a major sport in other states (e.g., California) and in many places is emphasized more than football.

Too, Organized Baseball is prepared to lend a helping hand in promoting the game, the sport's tall millinery having long since realized that it is to their benefit to get a hand in the business. Next spring, the professional game will operate several baseball camps within the state and prep athletes will be extended a special invitation to enroll and take the training.

Coaches will get a chance, too, to get indoctrinated at the courses.

For the past several years, only the larger cities within the state have sponsored baseball in their high schools. The state tournament, held every year in Dallas, has never attracted more than 16 teams from a commonwealth that has more than a thousand schools. There is no reason why that tournament can't become as large as the annual basketball meeting conducted in Austin every year.

The interscholastic league athletic chieftain says there seems very little likelihood of the organization of a AAA football division in Texas circles within the next few years.

(Such a division, which would have the largest 15 to 20 high schools within the state as members, was discussed last year.)

Kidd says he thinks the present AA setup works admirably for most schools of that category and sees no reason for an additional bracket.

Promoters of the AAA league had argued that the smaller schools within the AA division were always at a disadvantage in competing with the schools boasting a tremendous student body which had for that reason, a wealth of material.

Bobby Yarbro, Forsan's crack-

erjack softball player who only recently departed the military, goes to Denton shortly to re-enter North Texas State Teachers college. He was a student there in 1941-42.

Bob will try to follow in the footsteps of his talented brother, Dan, who was one of the greatest basketball players in the history of NSTC. Robin was a good forward in high school.

There was a possibility of Bobby getting to play on a teamed coached by his brother. Dan has served as mentor of the Denton Teachers' cagers but moved on to Lehigh this year.

J. Z. Thompson is all set to operate as the athletic coach at Coahoma high school this fall. He performed for Texas University and later for the Pensacola Flyers while in the US Navy.

Thompson's aide will be Ralph Marshall, who was a top-draw griddler for the Coahoma-team in 1938.

Lamesa's Frank Freer, who qualified for the Big Spring Invitational Golf tournament with a neat 74, is being tabbed as a future great in West Texas links circles.

Only 15 years of age, Frank performed like a veteran in his first match. He carried Jimmy Smith of Midland to the 19th hole before losing.

TUSCALOOSA, Ala., Sept. 3 (AP)—Alabama is the team to beat in the South this football season, and one glance at the Crimson Tide roster is enough to show the deepest pessimist plenty of reasons for such a rating.

Back from the unbeaten Southeastern Conference and Rose Bowl championship club of last year, and from the wars, are 36 letter winners. This number includes All-America center Vaughn (Panch) Mancha; Little Harry Gilmer, tagged the "best passer I ever saw" by his coach; a great runner in right halfback Lowell Tew, and Ted Cook, all-star end on service eleven.

Coach Frank Thomas says frankly he will "have a good team" but he points with the usual alarm to an exacting schedule.

The only missing cog from the 1945 Rose Bowl eleven is All-Sec End Rebel Steiner, lost to the Army. His place will be filled by Cook. All the members of last year's second team are back.

Nine of the 1942 letter winners have returned, and five more from the 1944 club have reported. This ex-service group includes three grade-A tailbacks in Johnny August, the 1942 sophomore star; Monk Mosley, third and perhaps best of three halfbacking brothers from Blytheville, Ark., and Johnny Hite, a standout at Keesler Field (Miss.) last year.

The schedule:  
Sept. 20—Furman at Birmingham (night); Sept. 23—Tulane at New Orleans; Oct. 5—South Carolina at Columbia; Oct. 12—Southwestern Louisiana at Tuscaloosa; Oct. 19—Tennessee at Knoxville; Oct. 26—Kentucky at Montgomery; Nov. 2—Georgia at Athens; Nov. 9—L. S. U. at Baton Rouge; Nov. 16—Vanderbilt at Birmingham; Nov. 23—Boston College at Boston; Nov. 30—Mississippi State at Tuscaloosa.

# Southwest Conference Grid Teams Begin Rough Drills

## All Clubs Flooded With War Veterans And Letter Winners

By The Associated Press

Southwest Conference football coaches aren't losing any time in getting down to serious business for the first post-war campaign.

The 856 grid candidates who reported yesterday at the seven conference schools, had a full program waiting for them, and in some cases the order of the day was scrimmage.

Southern Methodist's Matty Bell, in dish out a stiff scrimmage session, summed the situation something like this: "We have to find out who likes the rough going because we can't waste time with those who don't."

With every school flooded with lettermen and returned war veterans, as well as numerous freshmen hopefuls, the seven head coaches have keyed the year's conference play as being double tough.

Texas A. & M., with 143 candidates, had the largest turnout, followed by SMU with 140 and the University of Texas with 135.

TCU had 125, Baylor 116, Arkansas 103 and Rice 94.

Bell also announced that E. L. Keeton, an end who lettered in 1939 and 1940, would not be back as expected and that he understood Hoyles Simes, guard, had joined the Navy.

Homer Norton at College Station found 39 lettermen and 25 high schoolers, including Jimmy Flowers, All-State center from Dallas, among his squadmen.

Absence of such stars as All-American end Hubert Bechtol, blocking back Don Fambrough and fullback Ray Borneam overshadowed the presence of a raft of lettermen and freshmen for Dana X. Bible at the University of Texas.

Bechtol is at Texas Tech, Fambrough at Kansas and Borneam reportedly headed for Mississippi.

The Longhorn roster includes 37 lettermen and 65 freshmen. Arkansas, expected to depend primarily upon a ground game under Barnhill, began its early sea-

son go with a forward passing attack.

Handling most of the tossing yesterday were Aubrey Fowler and Charles Gray who were pitching to backs Ross Pritchard, Mitchell Young and Pruitt Kelly and end Alton Baldwin.

Thirty-three lettermen lined up at Houston for Coach Jess Neely and his staff, who have arranged a two-a-day practice schedule behind locked gates.

Bobby Lantrip, Lake Charles, La., regarded as one of the greatest high school stars in the Pelican state, and Floyd Sommer of Breham, who led high school scoring last year, topped 13 freshman Owl backs.

At Fort Worth, Leo Duth-

Meyer joined Bell in entertaining with scrimmage. Meyer split his candidates into an "A" group of four teams and a "B" section of seven teams.

Two newcomers, Harold Kilman, 203-pound tackle from Shamrock and Scott Ellis, 194-pound back from Monahans, moved up to the first team.

Frank Kimbrough didn't let his men scrimmage but announced such a session is in the Saturday program for his Baylor Bears.

Included in the Waco squad are 29 lettermen, 17 from last year and 12 who gained numerals before the war. Among the returned veterans is Kit Kittrell, triple-threat back from McGregor, who sparked the Bears in 1941.

# Dons Win Over Camp Lee, 7-4

WICHITA, Kas., Sept. 3 (AP) — The Waco, Tex., Dons, runner-up in the 1941 National semi-pro baseball tournament, won third place in the 1946 competition here last night by defeating Camp Lee, Va., 7-4.

The Dons took a two-run lead in the second inning as Gilmore and Morrow singled and Gilmore scored on an overthrow from centerfield after the second hit. Morrow reached third on the play and stole home.

The soldiers took a 4-2 lead in the fifth inning, scoring three runs on three hits, two walks, an error and a flyout.

Winning tallies came for Waco in the sixth as the Dons loaded the bases on a walk, error and another walk. Morrow drove in all three with a double.

Waco . . . 020 003 001—7 10 3  
Camp Lee . . . 001 003 000—4 11 4  
Shearin, Bramlett and Chandler; Kelly, Neese and Wiles.

**HARSHANY SIGNS**  
SAN ANTONIO, Sept. 3 (AP) — Sam Harshany, catcher for the San Antonio Missions in the Texas League, has been signed as Athletic coach at Edgewood High School here. He took over his duties this week.

# Longhorns Start Serious Drills

Approximately 75 boys launched serious drills yesterday at Steer Stadium in preparation for Big Spring high school's first football game of the season Friday, Sept. 20, with Cisco.

Coach John Dibrell has indicated that the Bovines will be banging heads by the middle of the week.

The head mentor is being assisted by Herschel Stockton, Conn Isaacs and Jim McWhorter.

The India-Burma oil pipeline, built by the U. S. government at a cost of more than \$31,000,000 to transport oil during the war, were sold as scrap for one-thirtieth of that figure.

## It's Not A Pretty Picture Reported From Berlin Under Soviet Control

By JOSEPH ALSOP

BERLIN—This city, situated in the heart of the Soviet zone of Germany, is a kind of peep-hole through the iron curtain. The zone itself is impenetrable except on watchfully conducted tours. But if you talk to enough people and check the varying reports backwards and forwards with sufficient care, you can form a fairly adequate picture of what life under the Soviets is like.

It is not a pretty picture. The Soviet occupying authorities are still doing business with their gloves on. Perhaps that is why the reports of what they do sound so much like the reports from Germany in the early days of Hitler before the Nazi terror was total.

Take for example the story of Julius Scherf and Herman Loewenthal. Loewenthal was originally a left-wing Socialist. After the surrender he went along with the merger of Socialists and Communists in the new Unity Party which Marshall Zhukov enforced. He was then employed in a confidential capacity in the personnel office of the Berlin magistrate which is headed by Arthur Pieck, brother of the Communist leader, Wilhelm Pieck. He seemed, however, to have been one of those intellectual theorists whose enthusiasms are never chilled until confronted with cold and easily predictable reality.

The reality of the merger, brought about by force and followed by instant establishment of complete Communist control of the new party, caused him to leave the Unity Party and return to the Socialists. As for Julius Scherf, he was but another Berlin Socialist leader who was taking too independent a line.

One afternoon in June Loewenthal left his house with a Soviet officer on a trivial errand. He was never seen again. At the same time, Scherf disappeared. After long waiting, the Socialist newspaper in Berlin announced these disappearances. Dr. Suhr and other Socialist leaders were at once commanded to appear at Soviet headquarters before General Kotikov. The general treated them to a furious tirade against themselves and their party in the course of which he dramatically tore the offending newspaper to bits and intimated plainly that arrests would continue if the Socialists did not moderate their "anti-Bolshevik" attitude. Thereafter the Soviet press charged angrily that Loewenthal, so shortly before the confidential employee of Arthur Pieck and a Jew in the bargain, had been a Gestapo agent under the Nazis.

The fate of Scherf and Loewenthal is by no means exceptional. They lived in Berlin where the presence of the other Allies exercises some restraining influence. But in the zone political terror is the rule. Among those known to have been arrested are Oberbürgermeister Baer, of Magdeburg; the Socialist leader Rudi Rothe, of Leipzig; Bürgermeister Bollman, of Halberstadt, and two town councillors, Pfeifer and Fehr. These

are of course, only a few names which have been carried to Berlin, often at great risk. There seems to be little doubt that the internment camps of the Soviet zone hold innumerable Socialists and other anti-Nazi political independents. Furthermore, the evidence strongly suggests that the anti-Nazi independents are treated with far more cruelty than the Nazis themselves, some of whom have shown a surprising willingness to transfer their loyalties.

Nor is the terror confined to those in positions of political leadership. It is omnipresent. Stories have already reached America of kidnappings of children in the Soviet zone. The stories originated in happenings of last summer. Only recently, the mothers of

some of the children taken last summer in desperation made their way to Berlin, told their stories and asked for help. These early kidnappings appear to have been more or less at random, with the object of securing young Germans to be trained up for Soviet purposes. Now the approach is more systematic.

According to well authenticated reports, the system is to round up former leaders in the Hitler Jugend, point out to them their crimes and warn them that they can expiate their misdeeds only by serving the Soviet Union. These tragic young people, already warped and twisted by one iron system, are then required to become informers and agents provocateurs for the omnipresent NKVD. In their new role, they go among their friends seeking to organize resistance and reporting to their paymasters those who show the will to resist. And the potential resistants are then of course, arrested.

Sometimes, indeed, the test of dangerous thoughts is even simpler. Not so very long ago, students at a Potsdam school—very near Berlin but in the Soviet zone—were ordered to wear red carnations to their classes in celebration of some Soviet high day. A few teen-age boys, as a foolish joke, came to school with white carnations in their buttonholes. They, too, disappeared.

The terror, in truth, is everywhere. It is by no means complete. It can become twenty times worse if NKVD is ever entirely unleashed. But it is only against the background of the existence of terror wherever the forces of the Soviet Union are present in Germany that the German situation can now be judged. For the Soviets, terror is in fact a political weapon of the first importance which they are employing in a determined effort to weld their zone into a single, solid impermeable political bloc. This they regard as the first task. As Wilhelm Pieck is said to have remarked at a strategy meeting of the Unity Party, "The other zones can come later."

#### Actors Can Be Normal, But It's No Cinch

By BOB THOMAS

HOLLYWOOD (AP)—Don DeFore comes up with the startling suggestion that actors can be normal.

What's more, he proposes that actors should work around the calendar, just like any employee.

Yeah, but what about the glamor queen who claims if she makes more than one or two pictures a year she's actually endorsing her checks over to the income tax collector.

"If I make five cents on the dollar it's okay with me," Don persisted. (Anyway, the nickels he would make thusly could play many, many juke boxes.) "The important thing, as far as I'm concerned, is to keep working in good roles in good pictures." He can't be accused of not practicing his theory, because he has worked in six pictures and one play in the last year and a half.

As for being normal, though an actor, the Cedar Rapids, Iowa, flash admitted it's no cinch. "Even my three and a half-year-old daughter doesn't call me 'daddy' any more," he sighed. "She calls me Don DeFore."

Ever wonder what a Hollywood premiere is like? Take last night's for "Holiday in Mexico"—

You step into the forecourt of the Egyptian theater and are deafened by shrill shrieks. Girls, who have waited in the grandstand since morning, have spotted Lon McCallister and give him their usual greetings. You have your way to the theater through an arcade laden with gawkers, Mexican troubadours and gladioli.

Inside, the aisles are crowded with small fry seeking autographs from Carmen Miranda, Glenn Ford, Jane Powell, Mary Pickford, etc. Police hustle them off to one side and the show begins. After the picture, you make your path through the same people outside. They have waited all this time. They must think it's worth it.

—SERVING YOU THROUGH SCIENCE—

Your U. S. TIRE Dealer invites you to a Preview of

## AMERICA'S NEWEST, MOST MODERN PREMIUM TIRE...

**U.S. ROYAL**  
*Air Ride*

There's a great new premium tire on the way—the U. S. Royal Air Ride. Although it has not yet been released for sale, you can preview this important development in tire design at your U. S. Tire Dealer's today!

The Air Ride is more than a new tire. It represents a completely new concept of tire engineering. The result is a wholly new kind of tire performance.

The Air Ride principle is a simple one: more air where it does the most good. You'll get all the dramatic advantages of greatly increased air volume at lower air pressure—for air-tuned riding and driving ease such as you've never known before.

And because of the Air Ride's unique tread and

shoulder design, it is a magnificently balanced tire—a nimble, feet-footed tire that achieves a new high in effortless steering, driving comfort, car control.

When U. S. Royal Air Rides are available for your car, you'll have a new understanding of what smooth riding really means—a new feeling of safety and confidence as you drive. And you can count on these great new tires for thousands of extra miles of safe, dependable service.

The new U. S. Royal Air Ride is now at your U. S. Tire Dealer's for display only, prior to its announcement for regular sale. It's worth seeing, and worth waiting for—the tire you'll want on your car tomorrow. See it now—today!

HUNDREDS OF SHORT SUPPLY ITEMS

No catalog will be available. Your inspection of property is urged. If you are not on WAR ASSETS MAILING LIST to receive notices of sales of this type of property, write for descriptive brochure giving more details of sale, or contact your nearest WAA office.

### WAR ASSETS ADMINISTRATION

728 15th Street, Denver 2, Colorado  
DENVER REGIONAL OFFICE

DC-15-b

**WHO CAN BUY...**  
DEALERS IN AUTO PARTS, FARM MACHINERY... jobbers, distributors, licensed exporters, fleet operators normally buying at wholesale level, and any other legitimate dealers in this type and classification of property. BROKERS are not eligible.  
This property offered priority claimants, including Veterans of World War II, July 1 through July 22, 1946. Priority Groups may participate on an equal basis with non-priority purchasers.

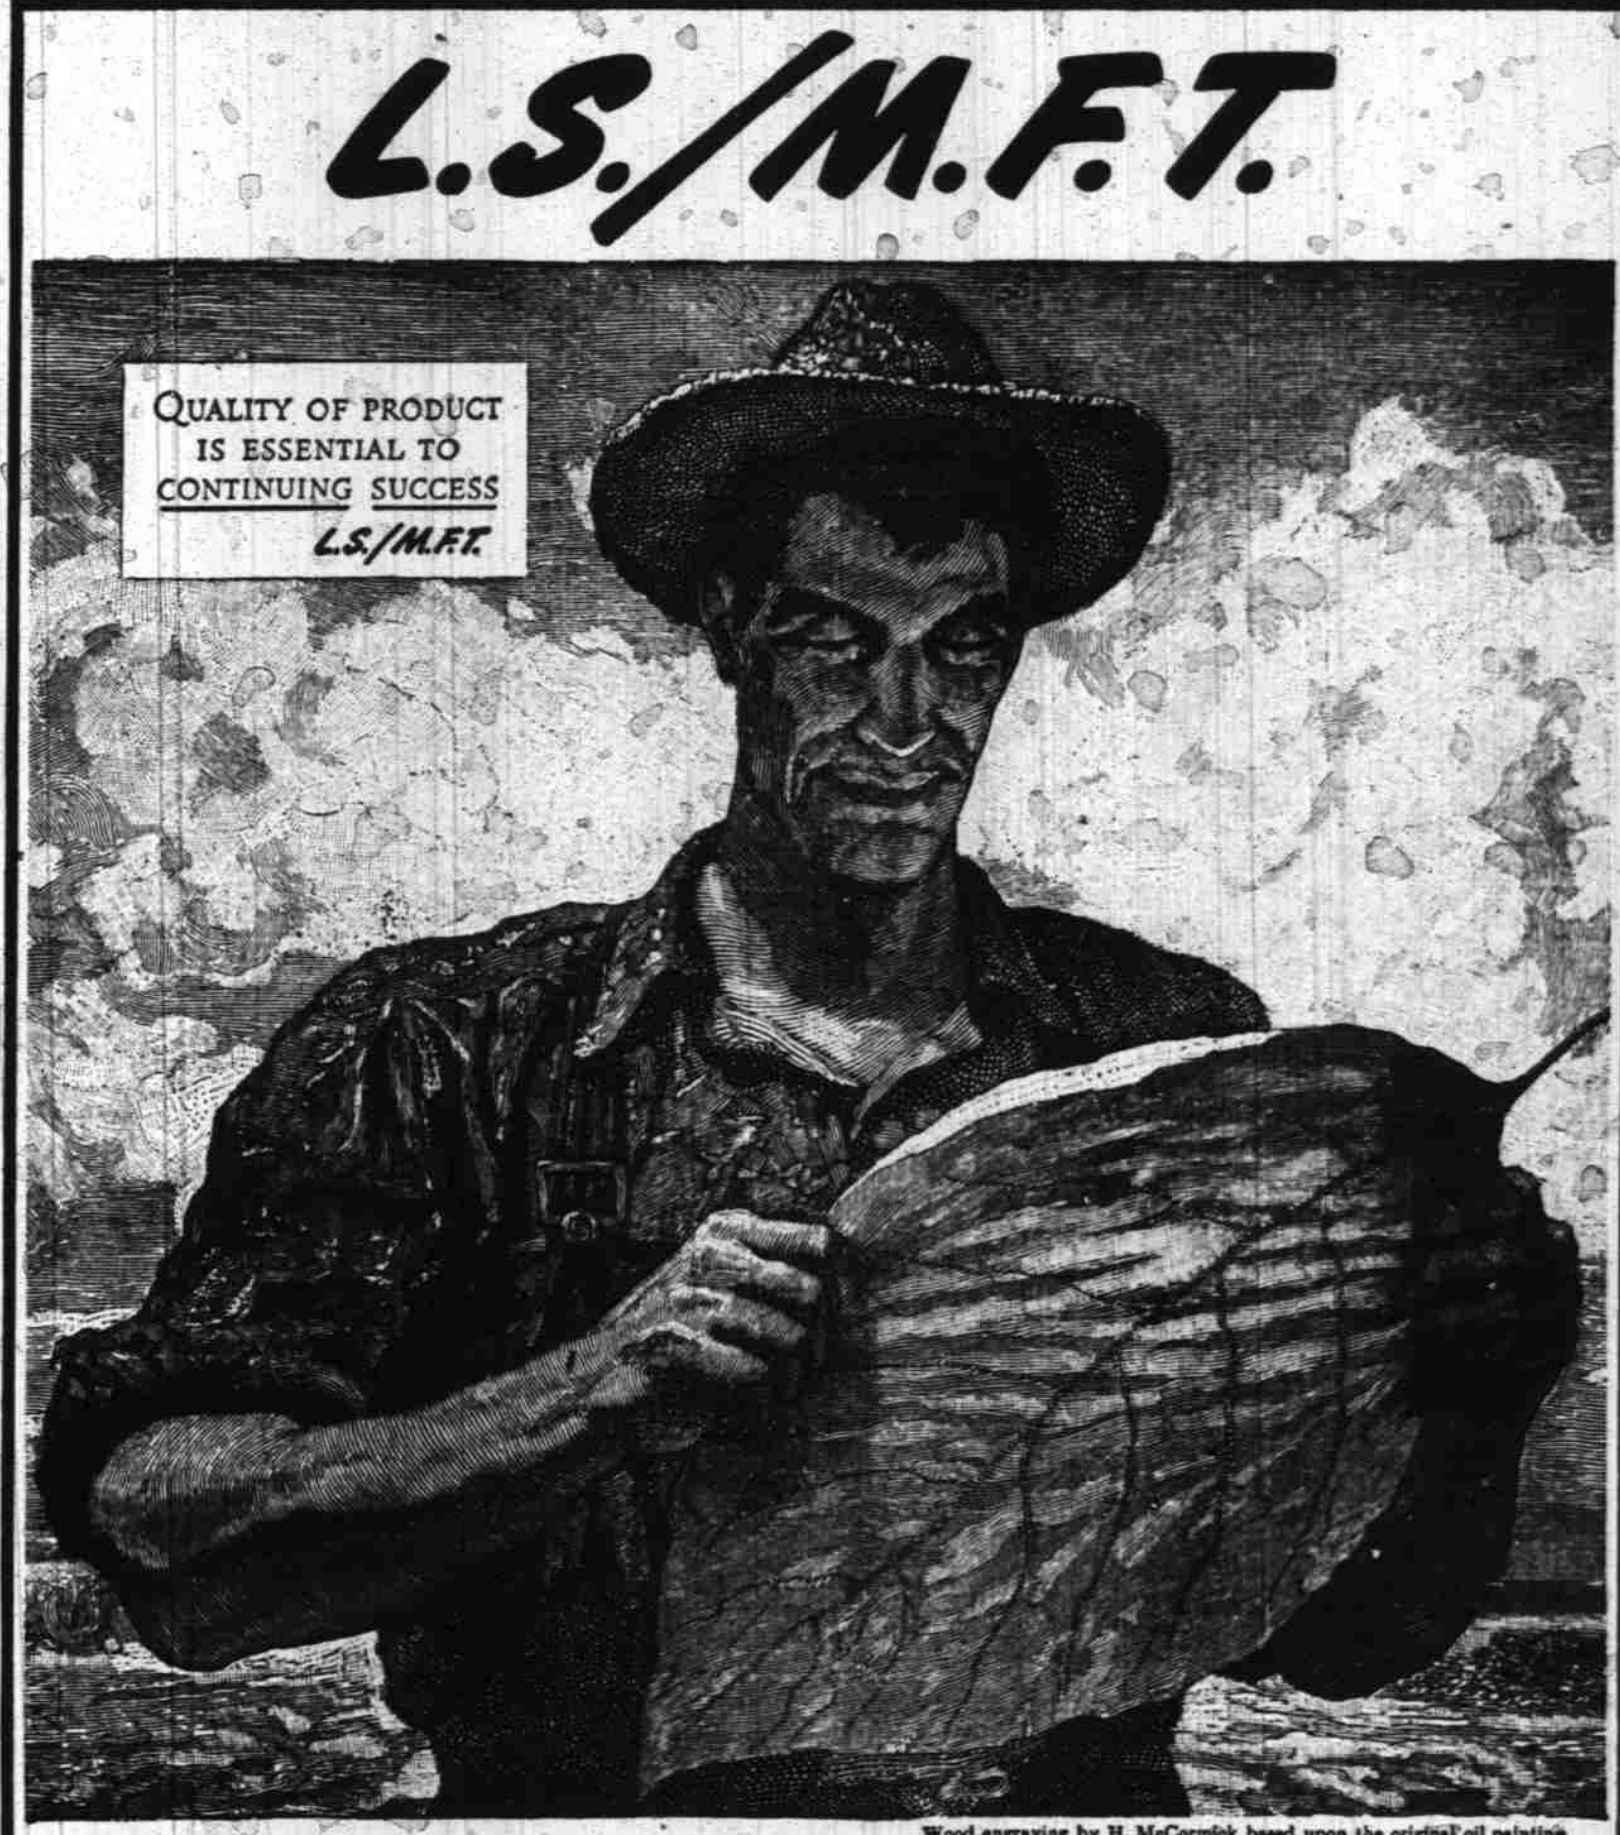

**HOW TO BUY...**  
This is a bid type sale, with awards going to the highest qualified bidders. Sequence of arrival or registration will have nothing to do with the award of property.  
Upon registration, the buyer will be furnished a quantity of bid cards and a chart, showing locations and classifications of property. He sets his own pace during sale dates on inserts in his own bid boxes, deposits it in the bids out one of the bid boxes, and moves on to the next group of lots in which he is interested.

**SALE CLOSES...**  
Sale closes 4 P. M. Saturday. On the following Monday, Sept. 16, 1946, a complete list of awards will have been published and available at the Site. Each successful bidder should then settle his account and leave shipping instructions.  
All sales are subject to War Assets Administration Standard Conditions of Sale.  
Note: At the end of the sale, all sales personnel will change over to shipping. Shipments to buyers will be gotten out as rapidly as humanly possible.

More Than 1,000 CARLOADS!

# Big Spring Paint And Paper Company Finish New Display Room For Items

The Big Spring Paint and Paper store, operating at its new location, 1701 Gregg St. for the past two and one half months, is now putting the finishing touches on a display room where customers may select their choice of items on display.

Owned and operated by O. L. Nabors, the store is going all out in its display of wallpaper, which includes around 10,000 rolls, representing over 200 patterns. Everything from plaids and stripes to soft pastel colors are offered with prices ranging from 20 cents per roll upward.

The newly-completed display

room measures 20 x 22 feet and is comfortably furnished with a double sofa unit.

The store is also featuring plastic shower and window curtains that add a brighter note to any home. The curtains are made by Bfeneman and are made of plastic coated rayon in lovely, harmonizing colors printed in attractive patterns. Nabors states that the curtains are particularly popular in this section of the country since they are color fast and waterproof. Dust can be washed off and housewives need not worry that their shower curtains will mildew since they are mildew-proof.

Nabors now has safety auto glasses for all makes of cars and a new belt machine for cutting the glass. Stone cut glasses often have rough edges that mar the appearance of windshields, but those cut by machine fit more securely and do not chip as easily.

The United States Navy is offering youths from 17 to 30 years of age with high school educations complete college courses, equivalent to a university education costing from \$8,000 to \$9,000.

# McDaniel Offers Expert Cleaning Of Car's Parts

Since many of the cars on the roads today have long outlasted the duration and appear due for many more months of service, it is important for the driver to see that these automobiles are well lubricated.

The best of lubrication is now available at the Ollie McDaniel Service Station at 311 Gregg street. McDaniel and his staff are ready to aid in even the most difficult lubrication problems, solving them with good Gulf products. During the siege of hot weather and in preparation for winter driving, McDaniel stresses the need of the lubricants they offer.

During the war it was necessary for service stations throughout the country to keep oil stored in bulk containers, but now Gulfpride is on the market in sealed cans. These containers assure the motorist of the purest grade of lubricant.

McDaniel reports that Gulf tires, although the manufacturers cannot meet the full demand, are coming through from time to time. One shipment arrived only recently.

The McDaniel station offers rapid Plushmaster cleaning for clogged insides of the motor and suggests regular use of this service to prevent sludge and sediment from ruining difficult-to-replace parts. The station also does quality washing for the outside of the car.

The Jacinth, brownish-yellow variety of zinc, was used as an amulet to protect the wearer against lightning, wounds, injuries, plague, or pestilence, in ancient times.

# Smith Serves Area With Fine Butane Service

Complete and extensive butane gas service is offered by S. M. (Sherman) Smith to the people of Howard and adjacent counties.

Although he covered the county area with his original distribution system, Smith recently purchased another (Fraleigh & Co.) in order to completely blanket his territory.

Thus, with a small fleet of transports and experienced drivers, residents of this county and those in the edges of adjoining ones are reached regularly with butane service.

Smith, a long-time resident of this section, places stress on service. His men are experienced in the butane field, and are trained to watch supplies and to keep de-

# Thornton's Food Store Redone For Fall And Winter Trade

With complete exterior redecoration Thornton's Food store at 1005 11th Place is ready to begin the fall and winter season and to provide not only residents of the east part of town but the entire city with the best of staple and fancy foodstuffs.

Lovers of canned fruits will be glad to learn, Jess Thornton said, that that item will become increasingly plentiful with more shipments. The supply of canned apricots in all forms is exceptionally good now, and peaches, pears and pitted red cherries will be coming in within the next week or 10 days, the dealer said. As for canned pineapple, Thornton declared that shipments on that will be made in larger quantities during the winter, that with less demand and longer supplies from Hawaii.

With deliveries made five days weekly, Thornton's offers one of the freshest stocks of fresh vegetables in town. Always found in shipments are lettuce, carrots, tomatoes, pepper, cucumbers, cabbage, and so forth, sometimes fancier items.

Supplies of meats, both fresh and cured types, are increasing in quantity, and as always, Thornton's sells only the top grades of AA quality. Bacon is coming in fairly regularly now, and ham, though in small quantities, can be obtained. A. S. Alexander, a meat cutter of 17 years experience, is co-owner of the store and deals primarily with the sale of meats.

Thornton's stock of dairy products, including eggs, butter, and

milk are always sure to be fresh and of top-notch quality.

A service particularly helpful to housewives is the twice-daily delivery service to any address in the city limits. All morning orders must be in by 10 a.m., and deliveries will be made before 11 a.m. The afternoon delivery deadline is a 4 p.m. and delivery will be completed by 5 p.m.

In addition to groceries and meats, Thornton's Food store carries a complete line of ice cream, magazines and school supplies.

An important phone number on any homemaker's list is 1302—Thornton's Food Store.

### Red Shot Failing To Heed US Sentry

BERLIN, Sept. 3 (AP)—A Russian sergeant was shot to death yesterday by an American sentry when the sergeant failed to heed repeated challenges to halt at the entrance to a US army ammunition depot, the American provost marshal's office said today.

The sentry who fired the shot was Pvt. William Hicks of (Route Two) Delmar, Ala., of the Third Infantry regiment, the announcement said.

Investigators said the sergeant, accompanied by a Red Army captain, was riding in a German taxi driven by a German civilian. The sentry reported he challenged the party at the main gate of the depot. When this challenge was disregarded and the car drove through the gate, he said, he called again repeatedly. When the car was 50 yards inside he fired. The sergeant was hit in the neck and died at an American hospital. His body was turned over to Russian authorities, who joined in the investigation.

### SHERIFF FINDS MORE BURGLARS

EDINBURG, Sept. 3 (AP)—While checking a home near here to determine the amount of loot taken during a burglary, Deputy Sheriff L. L. Posey of Hidalgo county stumbled onto three men ransacking the place. They were arrested on charges of burglary.

The house was unoccupied.

### Bowel Cleaning Power of Inner-Aid Medicine

One man recently took INNER-AID three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face, dizziness, over-riding, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

INNER-AID contains 12 Great Herbs: they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here.

### Mansfield Outpicks Pettigrew In Calf Event In Midland

MIDLAND, Sept. 3 (AP)—Roping and tying 12 calves in 206.4 seconds, Toots Mansfield of Rankin, five-times holder of the world calf roping championship, won a matched contest here yesterday over Homer Pettigrew of Grady, N. M.

Mansfield averaged 17.2 seconds per calf.

Pettigrew's time was 218.2 or an average of 18.1 seconds.

Best time was 13.5 seconds by Pettigrew.

Jim Espy of Fort Davis won the match steer roping event over Howard Westfall of Sheffield.

Sonny Edwards of Big Spring took the jackpot prize with a time of 16.8 seconds. Clarence Scharbauer, Jr., of Midland, was second with 19.2.

### Three Drown Trying To Enter Illegally

REYNOSA, Mexico, Sept. 3 (AP)—Mexican immigration officials have announced that three and possibly six persons have drowned while attempting to enter the United States illegally by use of a small boat on the Rio Grande a short distance east of the Reynosa-Hidalgo International bridge.

The bodies of three children have been recovered. Officials said it is believed nine persons were in the boat when it capsized. Two men and one other child are thought also to have drowned. A woman, treated at Reynosa, survived.

No names were available. Officials said all the occupants of the boat were Mexican citizens.

### No Forced Landing Found On Vienna Run

VIENNA, Sept. 3 (AP)—Flight control at Tullin airbase, American flying field for Vienna, said today it had no information of any plane on the Vienna-Udine run making a forced landing last Friday near Lubiana as reported last night by the Paris radio.

Flight control said that since the previous incidents on the Vienna-Udine route, very few flights had been made between two bases and these were kept under close watch. No forced landings had been reported.

### Extension For Wheeler Field Is In Prospect

By JOHN B. BREWER

SAN ANGELO, Sept. 3.—A bid by Phillips No. 1-G TXL for a half mile east extension of Ellenburger production in the Wheeler triple-play field on the line of Winkler and Ector counties and preparations to test Stanolind No. 1-GG University, prospective Ellenburger discovery in northeastern Crockett county, held much attention in West Texas oil operations at the week's close.

A wildcat each in Mitchell, Dawson and Hockley counties cemented casing preparatory to testing promising zones and Dawson Andrews, Winkler, Ward, Howard and Runnels counties listed a wildcat location each. The Uni-western Andrews county gained verity Block 12 field in southern second producer from the Tubb zone of the Clear Fork section of the Permian. Atlantic applied for permits to drill eight more tests in the area, Seaboard two and Plymouth one, swelling the number of outposts to 23.

Credited with a high Ellenburger top at 10,430 feet, 7,282 feet below sea level, Phillips No. 1-G TXL in Ector county east of the Wheeler field, cemented 5 1/2 inch casing on bottom at 10,677 feet reportedly for perforating. It is in the C SW SW 11-46-18-T&P. Half mile farther east Samedan Oil Co. staked No. 1 TXL, proposed 10,600-foot test on a Texaco farmout, C SW SE 11-46-18-T&P. Wheeler Ellenburger production was extended one-half mile north-northwest by Sun No. 1-A R. A. Wheeler, C SE NW-12-87-

psl. It flowed 330 barrels of oil in 24 hours after treating pay from 10,600-630 feet with 6,000 gallons of acid, deepened 10 feet and was testing again.

Ralph Lowe of Midland No. 1 Sealy-Smith Foundation, Winkler County wildcat 2 1/2 miles northwest of the North Monahans (Tubb) field, fulfilled expectations of production by settling to an oil flow of 25 barrels hourly through casing perforations at 5,220-80 feet after acidizing with 5,000 gallons. It is in the C SW SW 71-A G&MMB&A. Lowe No. 2 Sealy-Smith, diagonal southwest offset, was spudded.

Stanolind No. 1-GG University, indicated Ellenburger strike in Crockett county, C SW SW 12-38-U, was making electric surveys after drilling plugs from 7-inch casing cemented at 8,298 feet before beginning production tests, bottomed at 8,384 feet.

C. E. Beavers of Wichita Falls No. 1 S. R. Coleman, wildcat in the northwest corner of Mitchell County, cemented 5 1/2 inch casing at 2,558 feet to test oil shows between that point and 2,770 feet. It is 330 feet out of the southeast corner of the northwest quarter of section 74-97-H&T.C.

Seaboard No. 1-A Robinson in Dawson County, half mile north and 3,700 feet east of San Andres production in the Sprayberry pool, recovered stained, porous dolomite from m3,757-87 feet. It cemented 5 1/2 inch casing at 3,732 feet and was to move in cable tools — drill plugs and deepen. Location is in the northeast quarter of section 37-34-5n-T&P.

Ray Albright of Lamson staked No. 1 W. C. Olson, slated 5,000-foot wildcat in eastern Dawson County, C SW SW 15-35-5n-T&P, six miles northeast of the Sprayberry field.

Ballard & Cody No. 1 Talley, Hockley county wildcat two miles northeast of the Levelland (San Andres) field, cemented casing at 4,780 feet to test to 4,845 feet, the interval carrying good indications of production. Location is 440 feet out of the southwest corner of labor 17-783-State, Capitol Lands.

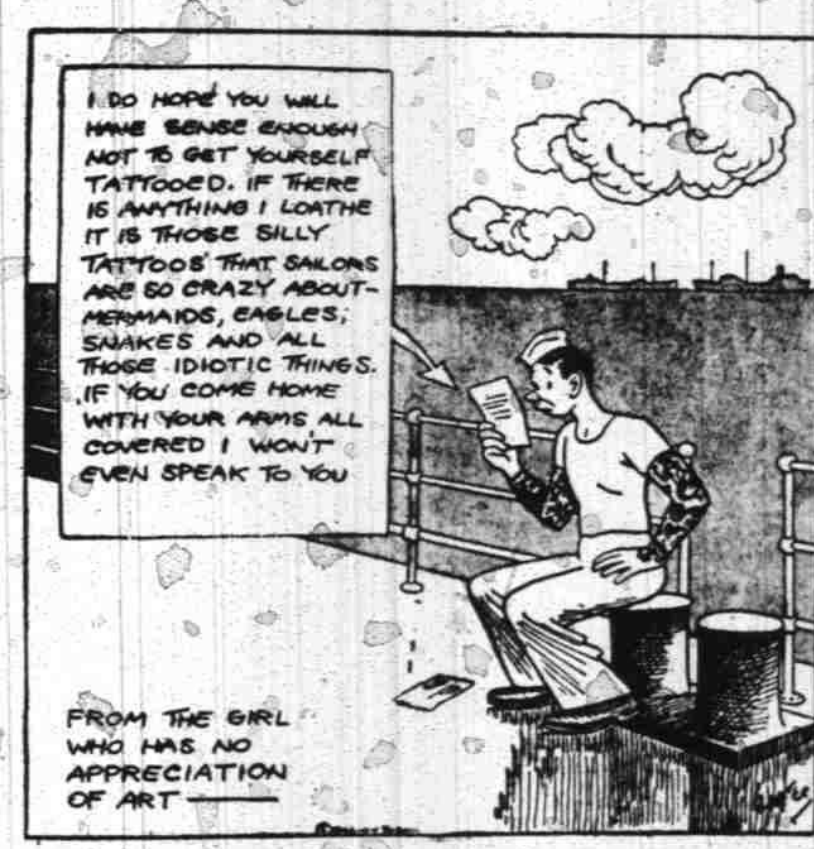

### Stevadores Strike In Nuevo Laredo

LAREDO, Sept. 3 (AP)—Movement of goods through the international border here was paralyzed today following a strike of members of the National Stevedores Syndicate against 33 custom house agencies in Nuevo Laredo, Mexico.

The strike was announced yesterday by Jose Cruz, secretary general of the syndicate. The Stevedores are seeking higher pay and contracts.

CRUSHED IN TERRACER WACO, Sept. 3 (AP)—Wesley H. Lewis, 58, of Sartin, Texas, received serious leg and arm injuries yesterday when crushed by a terracing machine near Colinda.

### Stevadores Strike In Nuevo Laredo

LAREDO, Sept. 3 (AP)—Movement of goods through the international border here was paralyzed today following a strike of members of the National Stevedores Syndicate against 33 custom house agencies in Nuevo Laredo, Mexico.

The strike was announced yesterday by Jose Cruz, secretary general of the syndicate. The Stevedores are seeking higher pay and contracts.

### CRUSHED IN TERRACER

WACO, Sept. 3 (AP)—Wesley H. Lewis, 58, of Sartin, Texas, received serious leg and arm injuries yesterday when crushed by a terracing machine near Colinda.

**Survivors Of Vets Who Died After War, May Have Benefits**

Many survivors of World War II veterans, who died since leaving the service, will benefit from one of the provisions of the Social Security act amendments of 1946, according to George D. Clark, manager of the field office in San Angelo.

The new section of the act provides for the payment of monthly benefits to qualified survivors of veterans who die within three years of the discharge and whose dependents are not qualified to receive compensation or pensions from the Veterans Administration. National Service Life Insurance is not considered as compensation or a pension.

In the case of veterans who died before enactment of the new amendment, the measure provides for monthly benefits retroactive to the date of the veteran's death if the survivors file their benefit claims with the nearest office of the Social Security Administration before midnight Feb. 10, 1947.

Should applications be filed by veterans survivors under the old age and survivor insurance program, it is possible that the new amendment will provide additional benefits. Complete information may be had by writing to Clark at 414 Rust building, San Angelo.

**San Angelo Opens New River Bridge**

SAN ANGELO, Sept. 3 (AP)—Traffic is being routed over the new \$350,000 South Concho River bridge and approaches, southeast of San Angelo.

The new route reduces by nearly a mile the distance from the intersection of the Del Rio and San Antonio highways to downtown San Angelo.

**Russia Would Have Manpower Edge Should War Break Out**

SAN FRANCISCO, Sept. 3 (AP)—House Military Committee members touring the Northwestern Pacific warn of "imminent danger of another Pearl Harbor."

"They also express concern about Russia's intentions, and say American Pacific garrisons are inadequate to defend themselves."

The map shows that US commands Alaska, the Aleutian chain, Japan, Southern Korea, has a small Marine force in North China, and has left-over war bases south of Japan at such spots as Guam, Saipan, Okinawa and the Philippines.

Russia has Komandorskie Island west of the Aleutians, the Kamchatka Peninsula, the newly occupied Kurile chain north of Japan, the partially ice-bound ports of Eastern Siberia, Northern Korea, and Dairen and Port Arthur in Manchuria.

The US Pacific fleet far outweighs the negligible Soviet naval forces in the Far East.

On the other hand, Soviet land power in Siberia equally outweighs the reduced American ground force in the Western Pacific.

Bigger questions hover in the air. The Russians developed parachute troops before the European war, but the American public has little if any idea of what they have done about such aspects of air-power as long range bombers and transports.

On the other hand American potential in the air is well known. The well-tried B-29 already is becoming obsolete as the B-36 promises much longer range.

Still in the realm of airpower

**Measures Planned To Insure High Market Consumption**

WASHINGTON, Sept. 3 (AP)—Looking beyond the post-war relief period, the agriculture department has envisioned the nation facing a choice between "rigid rationing of land and labor" to curtail farm production, and measures designed to maintain a high level of consumption and exports.

Otherwise, it said in effect, agriculture may be thrown into another depression by "revolutionary changes" in farm production.

The department said that "as markets for farm products can be expanded, and as the total volume of farm output cannot be reduced without rigid rationing of land and labor," it appears that the country should reverse the slogan of the thirties—"Adjust production to market demands."

**Texas Photographer Dies In Fort Worth**

FORT WORTH, Sept. 3 (AP)—Guy N. Reid, 64, only Texas member of Camera Craftsmen of America, died at his home here yesterday after an illness of two days.

A native of Defiance, Ohio, Reid established a photographic business in Iowa in 1904 and came to Fort Worth in 1921.

**FREE DEMONSTRATION Figure Control**

of .... "Stauffer System"

**FREE ... Courtesy Treatment**

Because it is not possible to describe the wonderful sense of relaxation and renewed vitality you experience in even one STAUFFER SYSTEM treatment, we invite both men and women to come in for courtesy treatment ... No obligation!

... FIGURE CONTROL? ... AND WHY NOT WHEN THERE IS A STAUFFER SYSTEM NEAR YOU!

Yes! ... the STAUFFER SYSTEM, result of a number of years research into the causes of overweight and faulty posture, is exclusive, patent-protected, and really different from any other method of weight control.

It does not make use of steam, drugs, rollers, strenuous exercises, starvation diets or irritating electricity. No hand touches you during treatment.

The rhythmic passive exercises you receive, while it is so easy and pleasant, is giving you the benefits of active exercises without any of the tiring effects. Scientifically adjusted to reach the spots that need reducing, it promotes healthy circulation and body functions, and tones and relaxes nerves and muscles. There's no exertion, nothing to strain the heart, it's gentle, thorough, exhilarating.
