County 4-H Youth 'Steal The Show'

Bailey County Exhibitors "stole the show" at the steer show at the Panhandle South Plains Fair in Lubbock Friday, as the young exhibitors took first place in every division in the steer show, and also exhibited the grand champion steer and the reserve champion steer.

Jim Irwin, assistant county agent, called from

Lubbock Friday afternoon to tell *The Journal* that Jimmy Gleason exhibited the Grand Champion of Show and Grand Champion Cross. His sister, Jacinda, exhibited the Reserve Champion Cross.

He said that Bailey County 4-H youth showed a first place steer in each and every division of the 1980 steer show at the fair.

In the Pure Breed Division, Jerry Gleason had the champion Hereford.

Jacinda had the first in the lightweight Hereford; Shane Claunch, second; Jamie Wheeler, fourth; Mitzi Robertson, fifth; Greg Young, sixth; Sharla Morrison, eighth and Jeanine Robertson, eleventh.

In the heavyweight Hereford division, Jerry Gleason was first and Chris Young, eleventh.

Jimmy Gleason showed the first place lightweight Cross. Julie Claunch was third; Alan Harrison, fifth; Julie Claunch, seventh; Belinda Wheeler, ninth; Sharla Morrison, thirteenth and Greg Young, sixteenth.

Kelly Harrison showed the first place light middleweight Cross; Jay Gleason was second and fourth; Staci Kirby was fifth and sixth; Jamie Wheeler was ninth and Chris Young was nineteenth.

In the heavy middleweight Cross division, Jimmy Gleason had first place; Jacinda Gleason, second; Kelly Harrison, third; Shane Claunch, fifth and Jodie Wheeler, thirteenth.

Jimmy Gleason showed the first place heavyweight Cross; Alan Harrison, third; Belinda Wheeler, sixth; Jeanine Robertson, seventh; Jodi Wheeler, ninth and Mitzi Robertson, tenth.

Irwin said the entire group at Lubbock was very pleased with the showing at the annual fair.

PICKIN' 'EM UP--And puttin' 'em down was Ronnie Angeley, far right, No. 18, as he came into the game as backup quarterback after starting QB Monty Hysinger was injured. Far left, Greg Harrison, No. 60, puts a big block on two Wildcats, and in the background, Bryce Holmes, No. 74, moves up to help.

Mistakes Cost Game For Muleshoe Mules

It was wet, cold and rainy, but Mule mistakes cost them a football game Friday night on their home field.

Two years ago, the Idalou Wildcats defeated the Mules on their home field, and repeated that performance here Friday night, when they scored with 1:49 left on the clock to leave the Mules behind, 7-0.

Despite eight turnovers in the game by the offense, the tough Mule defense had held the team from Idalou until late in the fourth, and the Mule offense dominated the scorecards.

In fact, in every category

Farm Accident

Fatal To Man

Near Enochs

Eighty-seven year old W. R. Adams, who resided southeast of Enochs in Bailey County, was apparently killed instantly around noon Thursday in an accident at his farm home.

Adams was in a large quonset-type barn, apparently working on the rollers for an overhead door when the door collapsed on him, throwing him from a ladder. He was pinned between the door and a camper-shell which was on the floor of the barn. His body was discovered by his wife, who notified authorities.

Bailey County Deputy Sheriff Bob Henderson took Bailey County Justice of the Peace Tana Holmes to the accident site where she pronounced the man dead of accidental injuries. His body was removed to Singleton Funeral Home in Morton for funeral services.

He was born at Coughatta, Louisiana and resided in Bailey County for 47 years, where he was a retired farmer. He was married to Mammie Jaynes on December 23, 1923 at Bonham. Adams was a member of the Enochs Methodist Church.

Survivors include his wife, Mammie; a son, Bobby, Morton; three sisters, Mrs. Sam Moore, Plain

the Mules dominated, including turnovers. The only two places the Wildcats dominated the game was in total penalty yardage and the final 7-0 score.

Twice the Mules were inside the ten with scoring opportunities when procedure penalties cost them five yards each time. One time, the Mules had moved close to the goal line following a five yard penalty call, but lost the ball right on the goal line on a fumble.

Seven fumbles and one interception for the Mules Friday night took away from the Mules domination of both rushing and penetrations. Almost the entire second half of the game was played on Muleshoe's end of the field as the Muleshoe offense could not find the handle on the football and turned it over ... and over ... and over.

With less than two minutes in the first half, Muleshoe quarterback Monty Hysinger went down and was out of the game with a shoulder injury. He was replaced by backup quarterback Ronnie Angeley, who filled in for the rest of

the game. Monty was taken to West Plains Medical Center at halftime with a possible dislocated shoulder. His playing future for the next several weeks was doubtful at Presstime Saturday.

Muleshoe led in first downs, with 10 to five for Idalou. In rushing yardage, the Mules had 176, while holding the Wildcats to 127 yards, which includes James Sherman's 38 yard scamper to paydirt with 1:49 left in the game. Up to his touchdown run, Sherman had only accumulated only a total of 27 yards to that point.

Penalties were relatively low in the game, with 10 yards for the Mules and 45 yards for Idalou. Idalou

Morrison Installed

As Kiwanis Leader

Cliff Burtz, Lt. Governor, District 33 of the Kiwanis International, was guest speaker for the Muleshoe Kiwanis Club Thursday night for their annual officer installation banquet.

He is a member of the Canyon Palo Duro Club, and spoke on the activities of Kiwanis. Burtz told the group that if clubs do not register a protest, Division 33 will be dropped and the Muleshoe, Tulsa and Dimmitt clubs will go to District Seven at Lubbock.

According to the Lt. Governor, the Muleshoe Kiwanis Club is recognized throughout the state as an 'outstanding' civic club because of their involvement in civic work.

Burtz did urge the local organization to become more involved with working with young people and suggested the organization sponsor an elementary school track meet.

Special guests recognized during the banquet included Lt. Gov. and Mrs. Cliff Burtz; Mr. and Mrs. Jim Skinner; Hereford Mayor Bartley Dowell; Bill Bankston and Terry Lanahan, both of the Kiwanis Club from Hereford; Donnie Long, Troy Watson, Muleshoe Mayor and Mrs.

members and other special guests to the banquet. Outgoing president, Robert Montgomery said chosen as Kiwanian of the Year was Terry Bouchelle, former pastor of the 16th and Ave. D Church of Christ, who recently moved to Lewisville. Montgomery

Lazbuddie Homecoming Is 'Sweet'

The Lazbuddie Longhorns didn't let grass grow under their feet Friday night as they set out to entertain a sparse homecoming crowd on their home field by routing the Amherst Bulldogs, 34-0.

In soggy halftime activities, Launa Brockman, a freshman, and daughter of Mr. and Mrs. Phil Brockman, was crowned football queen. Chosen as football hero was Blake Buchenau, a junior, and son of Mr. and Mrs. Rande Buchenau.

Other candidates for queen were junior Susan Glover, daughter of Mr. and Mrs. Jerry Don Glover; sophomore Kim Gregory, daughter of Mr. and Mrs. Greg Gregory.

Hero candidates were senior Steffan Moore, son of Mr. and Mrs. Wayne Moore and Ariel Sanchez, son of Mr. and Mrs. Everist Sanchez.

Escorts were Jeffrey Coker, son of Mr. and Mrs. Gary Coker; Jarah Redwine, son of Mr. and Mrs. Bobby Redwine and Matthew Elliott, son of Mr. and Mrs. Ronald Elliott.

Coach Bob Masters said the Longhorns scored from just about every position on the field. Leaping quickly out to a 14-0 lead, the 'Horns tried some razzle-dazzle plays in the rain ... and they worked.

Blake Buchenau had two touchdowns, 138 yards rushing, and ran one extra point. His touchdowns were

Corn Harvest Stops; Farmers Watch Sky

It is being called a 'mixed blessing' and farmers are beginning to keep a wary eye on the sky as a slow drizzle continued into Saturday, after slow, soaking rain started throughout the area early Friday morning.

By Saturday morning, up to three inches of rain had been reported in this entire area, and corn producers were beginning to worry about the possible effect on the crop they are attempting to harvest.

Although the moisture is called a 'boon' to wheat farmers and to add moisture deep to the soil that has suffered through a long

GTE Adding New Equipment For Exchange

"The sounds which Muleshoe telephone users now hear to distinguish dial, ringback and busy tones will soon be changed. The new tones will be electronically generated and will be much clearer than those presently transmitted," stated O. D. Hearn, division manager for General Telephone.

The new sounds are incidental to new equipment which is being added to the exchange office facilities to meet service requirements over a foreseeable future, he explained.

Additions include increasing the capacity of the internal power equipment, additional toll facilities to and from Muleshoe and equipment which will permit hook-up of up to two hundred new customers in the Muleshoe service area.

Hearn went on to say that toll facilities which service Muleshoe are being carefully conditioned for the additional long line equipment which will soon be installed. "Because of the critical nature of this work most of the required operations are being carried out after midnight by company personnel in Muleshoe and Littlefield. This is a preventative measure to avoid the possibility of any interruption of service," he added.

summer drouth, the farmers said a prolonged wet spell would have an adverse effect on their corn and cotton in the fields.

Little to no moisture was recorded during the summer this year, and extremely hot temperatures kept many farmers from having any type of crop to harvest this fall.

There are virtually no dryland crops, although some farmers did plant late cotton and some grain sorghum, the cotton is not expected to have time to mature before a freeze.

National Weather Service said Saturday morning the chances of additional moisture were diminishing, but a slow drizzle was continuing during the morning hours.

South and west of Bailey County, severe flooding hampered travel as many roads were closed from the eight to 13 inches of rain received.

No roads have been affected in Bailey County or surrounding counties.

At Maple, Maple Grocery said they have received from two and a half to three inches of rain and at Coyote Lake, the figure was two inches.

Claunch Gin at Bula said it was still raining Saturday morning, and they had recorded two and a half inches of moisture. At the

NOTICE!

Effective at 9 a.m. tomorrow, Monday, the Muleshoe City Police Department will be housed in their new quarters at 213 East Avenue B.

Extensive remodeling of the former city hall has been done, and the offices will be open for business following a weekend move.

The emergency telephone number is still 272-4200. For regular business, the phone number for the department has been changed to 272-4569.

The department is located immediately across the street from the Muleshoe Fire Department.

Around Muleshoe

Muleshoe Rainbow Girls will sponsor youth skating at the Bailey County exhibition Center and Coliseum today (Sunday) 2-5 p.m.

They said, "For an afternoon on wheels, come to the civic center."

Admission is \$1 per skater.

Among the 2,300 students at Texas Tech University listed on the dean's honor roll during the second term of the 1980 session for the summer were Brad Baker, Sharla Henry, Elizabeth Isaac and JoRonda Rhodes.

Twenty-eight Texas Tech University students have been named University Scholars and recipients of \$500 scholarships for both semesters of the 1980-81 school year.

Included are Mark Ell Northcutt, graduate of Muleshoe High School and son of Mr. and Mrs. Edward Northcutt.

Second Lt. Bobby Henry, son of Marcia Henry, is now wearing Air Force Silver Wings following graduation from pilot training at Reese Air Force Base, Lubbock.

He will be flying the F-4 Phantom II at Homestead AFB, Florida.

Low Yield Payment Sought By Farmers

Some farmers may receive three low yield checks (disaster checks) for the same piece of land this year, according to Rusty Williamson, manager of the ASC office in Muleshoe.

He explained that some farmers lost their wheat due to drought and wind. They came back and planted cotton, which failed to germinate due to the drought. The farmers then got a shower and planted grain sorghum, which also failed to grow, again due to extreme weather conditions during the summer.

A low yield payment is figured at 60 percent of an average yield for grains and 75 percent of the normal average yield for cotton. In other words, the check would be figured on 60 percent on the pounds of grain a farmer could have

would have harvested and sold.

Williamson did warn, "Get your appraisal from ASC before destroying your crop or plowing it up. Too many farmers are plowing up their crop, then coming to our office. Once the crop is plowed up, there is nothing we can do for them."

"It seems that at times, a farmer with a crop that won't make has heard one of his friends or neighbors say 'I just plowed up my crop' then go out and plow up his own crop before contacting us. There is no way we can determine a payment unless they contact us first."

This will be a year of excessive low yield payments, figured the local ASC manager. However, no payments have been

UT Austin gets fusion study aid

AUSTIN, Texas (Spl.)—A major signal that The University of Texas is destined to become one of the world's leading centers for basic fusion research has come in the form of a \$5 million grant from the U.S. Department of Energy.

That sum, to be paid over five years and matched by UT

Austin, will establish a new Institute for Fusion Studies. The institute will engage in theoretical studies of nuclear fusion, the understanding and mastery of which can provide the basis for extracting energy from an almost inex-

haustible source—water. One pitcher of water would contain enough "fuel" (from deuterium found in sea water) to provide an average household with electricity for a year.

Austin Couple Repeats Nuptials

Beverly Jean Watson and Dennis Wayne Parker were united in an outdoor ceremony at Mayfield Park, Austin, Texas at 9 a.m. on August 30. Judge Guy Herman performed the double ring ceremony.

Attending the bride were her sisters, Rhonda Ratzlaff and Jennifer Anderson, both of Lamesa. Bob Copeland, Jr. of Muleshoe served as best man and David Watson, the bride's son carried the rings.

Given in marriage by her father, Roy E. Ratzlaff of Lamesa, the bride wore a long gown of off white Quiana knit with long fitted sleeves and a high gathered neckline. The gown featured a gathered cumber-

bund. She carried a bouquet of blue, apricot and white carnations, greenery, baby's breath and blue satin ribbons.

Miss Ratzlaff wore an apricot Quiana knit street length dress with cap sleeves and high collar. Mrs. Anderson wore an identical dress in powder blue. They carried blue and apricot carnations with matching ribbons.

The groom was attired in an off white linen suit with an off white shirt and blue boutonniere. The best man wore a powder blue suit and white boutonniere. The ring bearer wore an off white suit with a powder blue shirt. The ring pillow was off white satin and lace with powder blue and apricot streamers.

The bride designed and made all of the wedding attire.

A reception followed the ceremony at the home of the bride's brother, Curtis Ratzlaff of Austin. The heart shaped cake featured

apricot and powder blue satin bows and white doves. Apricot sherbert punch, mints, nuts, and coffee were also served.

The couple are former residents of Muleshoe. Mrs. Parker is a Clerical Supervisor at Teacher Retirement System of Texas in Austin. She is a 1974 graduate of Lamesa High School and the daughter of Mr. and Mrs. Roy E. Ratzlaff of Lamesa. The groom is a 1973 graduate of Muleshoe High School and a 1980 graduate of West Texas State University, Canyon, with a degree in Communicative Graphics. He is employed at Money Savers in Austin and is also

Atchison Fiftieth Wedding Anniversary

MR. AND MRS. ROY ATCHISON

Mr. and Mrs. Roy Atchison were honored with their fiftieth wedding anniversary recently with a reception in the home of their daughter, Mr. and Mrs. Jim Shafer. Hosts for

Muleshoe Fine Arts Boosters

The Muleshoe Fine Arts Boosters met Monday night in the band hall with president Marshall Williams presiding.

Plans were made for the Halloween Carnival which will be Saturday, November 1, 1980. A change was made in the charges for the booths this year. There will be a charge of \$25.00 or 25 percent of the profit made, whichever ever is smaller.

David Gray was elected to serve as 2nd vice president to replace Don Martin who resigned Monday night. Anyone who wishes to have a booth in the Carnival may contact David Gray.

Muleshoe Mule tumbler will now be on sale at the concession stand at the football games.

the occasion were their children, Mr. and Mrs. Gail Hoover of Seagraves, Mr. and Mrs. Charles Compton of Irving, Mr. and Mrs. Leon Atchison of Brady and the Shafers.

Guests were registered in a golden book at a table with a basket of yellow daisies. A three tiered gold and white wedding cake and banana punch was served from a table covered with lace over gold. Gold and white napkins engraved with "Roy - Margaret, 1930-1980" and an arrangement of spring flowers in a brass planter

Sunday Birthday

Dinner Held

Mr. and Mrs. Cass Stegall of Goodland hosted a birthday dinner Sunday for their daughter, LaVon. Mrs. Tommy Galt co-hosted the dinner.

Those present were Mrs. Mary Lee Johnson of Ft. Worth, Mr. and Mrs. Glen Thrush, Mr. and Mrs. Arlyn Cox and Mr. and Mrs. Weldon Hargis and daughter Renee of Lubbock, the Frank Stegall family and Tommy Galts and Ricky, all of Goodland.

Guests were registered and refreshments were served by their granddaughters. They were Dana, Lori and Julie Atchison of Brady.

Joy Choir Monthly Meeting

There were 37 in attendance at the monthly meeting of J.O.Y. choir of the First Baptist Church Monday night, September 22. Mildred Neely, vice president, was in charge of the meeting in the absence of the president, Sherman Inman.

Carroll Rhodes led the prayer of thanks for the evening meal, and later he, Darrell Turner and Charlie Garth led the group in singing both old and new songs.

There was one visitor present, Margaret Griffiths of New Castle, Oklahoma. She was a guest of Jewel Griffiths and Dorothy Rae Harlan.

Many of the group were absent because of harvest, illness and many other reasons.

After singing the theme song, "I Have Joy, Joy

A heirloom gold tablecloth was signed by each guest and will be embroidered by these granddaughters and Marietta Compton of Irving, who was unable to attend.

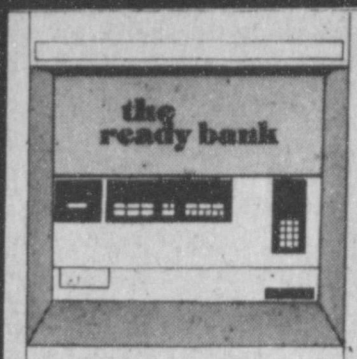

Other grandchildren and great grandchildren attending were Mr. and Mrs. Donnie Hoover, Brent and Kimberly of Seagraves and Jim Roy Atchison of Brady.

Lazbuddie Young Homemakers

Thursday, September 18 was the day of the annual Lazbuddie Young Homemakers membership tea. Mandi Seaton opened the meeting and welcomed the prospective members.

Cindy Cargile introduced the guests speakers, Marsha Overman and Lee Ann Gallman from Beavers' Flowerland. They presented three demonstrations to their audience on silk flower arrangements, fresh flower arrangements and repotting fresh plants. The club members thoroughly enjoyed the program and had several questions. Everyone drew a number and Marsha and Lee Ann gave away the arrangements. Jo Ann McDonald won the silk flowers, Marsha Colm drew the fresh flowers and Debbie Weir received the potted plant.

Mandi Seaton took over the meeting and explained to the new members what the Young Homemakers Club is all about. Cindy Cargile gave the different programs for the rest of the year.

The group was proud to welcome the four new members who joined the Young Homemakers Club. They are Tami Turner, Patti Robinson, Lana Copp and Susan Lassiter. These women along with Debbie Weir, Jo Ann McDonald, Debbie Magby, Rita Mimms, Rickie Seaton, Cindy Cargile, Charlotte Redwine, Mandi Seaton, Marsha Colm, Marc Morris, Sheryl Engelking and Cassandra Cargile enjoyed the membership tea and are looking forward to an exciting year.

Tammi Turner drew the door prize, which was a set of brass butterflies. The meeting was adjourned and refreshments were served.

agri-facts

By Bill Wooley

One of the real old-timers in the cattle business was the subject of a feature story last month in the WALL STREET JOURNAL. This particular "old-timer" has gone from trail drives to the tinsel of Hollywood. From the heights of acceptance and popularity to the depths of disregard and disuse. Now he's on the way back. He's wiry, tough, stubborn, smart and a natural survivor... the Texas Longhorn. Ten years ago, there were less than 5000 Longhorns left. Today, there are just over 28-thousand. Five years ago a Longhorn cow could be had for about \$500. Today it's over \$3000. Some five years ago a three-year old Longhorn bull was headed for the local McDonalds (through the back door) when he was bought for \$350. Today his asking price is \$150-thousand. How long it'll last nobody knows... but the old-timer is definitely on the way back.

Williamson also said that recently a compliance inspector and a production adjustment man from Washington, D.C. were in Bailey County where they toured the local croplands. Accompanying the group were three men from the state office, Williamson and the county committee for the ASC.

The eight hour tour started at Bula, then to Enochs, Three Way, along FM 1760 back to Muleshoe and Circleback.

He said the men told the county group this was one of the most "rewarding experiences and trips made since being with the Wash-

Although incoming director, Dewey Moore, was not at the banquet, incoming directors Tom Lobaugh and Howard Watson were installed by the Lt. Governor.

He then installed Herman Morrison as president; Don Martin, vice president; Rusty Williamson, secretary and Jearl Petree, treasurer.

Outgoing president Montgomery will also serve on the board of directors for the next year.

ington office. We have had an experience we will never forget."

The ASC manager from Muleshoe said they told the Washington, D. C. duo, "We have a problem, and we need some help. We know it is too late for this year, as you can see, but keep this area in mind for the future."

According to Williamson, "This year we are really in trouble with crops, and this office is doing all we can do to help these people".

"Since being here, I have found farmers in Bailey County to be some of the best farmers I have ever seen, and they are also the most honest and the hardest working farmers I have ever worked with."

As some farmers have zero production this year, Williamson predicted that most farmers will survive until next year, although a few beginning farmers will perhaps go out of business.

And, the established farmer will have serious problems if severe weather conditions last another year, he predicted.

Welcome To Muleshoe

This week we welcome Rev. and Mrs. Bill Kent. Martha and Bill come to Muleshoe from Dalhart where he was the pastor of the Central Methodist Church. Kent is now the pastor of the First United Methodist Church of Muleshoe. The Kents are originally from Dallas where Bill graduated from SMU. They have been missionaries to South America and pastored churches in Canyon and Amarillo. Rev. Kent is leaving Monday for Haiti and Barbados. As hobbies, Martha enjoys cooking, sewing, reading, and handcrafts; Bill enjoys collecting stamps and plans to collect rocks when he retires. They now reside at 207 W. Ave. F.

FHA HERO Gives Special Thanks

Muleshoe FHA and HERO Chapters would like to give a special thank you to Paul Poynor of Muleshoe, Mrs. Joe Harmon of Muleshoe, and Mrs. Jack Furguson of Maple for making it possible for our chapters to travel to the Springlake - Earth Workshop September 23.

We called Mr. Poynor at the last minute to ask for the use of his vehicle, and Mrs. Furguson volunteered her afternoon to drive her car earlier.

Our chapters would like to say **THANK YOU** for your support and for the time each of you took so that we could make the trip.

FHA/HERO Chapters Attend Workshop

Muleshoe HERO was active in a workshop held at Springlake - Earth High School on September 23 at 4 p.m. The workshop consisted of three different topics.

Shelli Hawkins HERO president and Area I Vice President of HERO, presented a workshop on "Leadership". Shelli presented all of the qualities of a good leader and what makes a good leader. The next workshop presented was "Up Membership" by Shelia Jordon of Springlake-Earth. The final workshop was presented by the March of Dimes. It featured

September 28-October 4 has been designated National High School Activities Week. It is being sponsored by the National Federation of State High School Associations. Mayor Charles Bratcher has also declared this week High School Activities Week in Muleshoe.

Locally, stress is placed on academics as well as participation in activities. Many of these activities are competitive. One factor used by the American College Testing Service to predict success in commu-

nity participation in adult life is achievement in "Extracurricular" activities.

Surveys made and studies completed throughout the United States show that young people who have hobbies and special interests and who participate in varied activities usually make better citizens. Also, participation helps to keep students in school. Attendance is better and high school dropouts are lower among the students who are "involved".

Muleshoe High has many opportunities for student participation, and many students have received recognition for their achievements.

The active Student Council represents the entire student body of 476 students. Students are elected to represent their classes or clubs, but they may also volunteer as honorary members. This is an opportunity for everyone to be a part of the school.

Clifford Watson, president of the Student Council, was elected by the entire student population of the high school. Council sponsored activities include an annual blood drive, Christmas project for needy families, Junior Olympics, concession stand for Speech Tournament, a program or movie for the school, student telephone, welcome to new teachers, beat tag sales, football raffle for Homecoming, and many others.

Approximately 100 boys are out for football this year. In addition to the 25 Varsity Mules, there is a regular JV team and another team made up of sophomore JV's. The freshman team also builds spirit as well as good sportsmanship and training. All of these teams have regular schedules for competition.

An off-season boy's basketball class is available for boys who will play basket-

ball, but are not presently involved in the football program. They are being coached by Jim Leach, new to Muleshoe this year. Basketball will get into full swing as soon as the football season ends. Girls' basketball is already in progress with workouts each day. Nancy Ray is new and is assistant girls' basketball coach.

The girls' and boys' track programs take up a major part of these athletes' time in the spring. Muleshoe had a state track winner, Shelly Dunham, last year.

Volleyball is in full swing and these girls are doing a fine job and deserve recognition for their efforts.

The tennis and golf programs involve both boys and girls and are gaining interest among the students. Each year, these programs have grown and have developed into year-round activities for many students. The city has built new tennis courts and the

Country Club has an excellent golf course.

Fellowship of Christian Athletes was organized last year. There are about 55 members. Membership is not limited to athletes--any student may belong. Projects planned are a banquet in the spring, sponsoring a golf tournament, sponsoring a clinic for grade school students, raising money for a needy family at Christmas and selling suntan lotion in the spring.

The Cheerleaders are actively involved in boosting spirit. There are six varsity cheerleaders and one mascot, who were selected last spring in tryouts before the entire student body. There are also five JV cheerleaders. The cheerleaders make posters for the gym, plan pep rallies, make favors for varsity players on Friday, and in general boost "Mule Mania".

The National Honor Society is made up of juniors and seniors who have an academic average of 90 or above, who have shown leadership qualities, are of good character, and provide service to the school. At the present time, there are 12 members. New members will be inducted after the first semester grades are out.

The Distributive Education Club of America in Muleshoe is very active. In the program, there are 23 employed and 19 in pre-employment lab. The four areas of projects that develop community awareness are Leadership Development, Civic Consciousness, Social Intelligence, and Vocational Understanding. One project was attendance at the Amarillo Leadership Development Lab September 19 and 20. The Rock-A-Thon for Muscular Dystrophy is a project under Civic Consciousness. In the area of Social Intelligence, DECA hosts an employer-employee banquet in the spring. Guest speakers at meetings throughout the year help develop Vocational Understanding. The DECA Mercantile, while serving as a fund raising project, also provides a convenience to the students and faculty of the high school. Another fund raising project for this year will be the Homecoming Pre-Game Supper on October 10.

There are 35 members in Future Homemakers of America. Their projects include candy sales, a quilt raffle, Stanley sales, adopted grandmothers, secret teachers, babysitting for Texas Future Homemakers meetings, and possibly catering banquets. They also cooperate with Xi Omicron Xi, Chapter of Beta Sigma Phi in the Cystic Fibrosis drive. During FHA Week, they extend courtesies to the faculty; and they spend many hours in projects for the Muleshoe Nursing Home.

The local HERO Chapter is made up of 29 members who are in the Home Economics Cooperative Education Program. They sponsored a pre-game supper on September 26. Members attended an Area Workshop at Springlake-Earth on September 23. They name an Employer-Employee of the month. A candy sale is being planned which will begin in October. HERO members have cho-

attend the Area I meeting in Lubbock and the FHA/HERO State Convention in San Antonio. The National meeting will be held in San Francisco in 1981 with 1981-82 Area Officers attending. Shelli Hawkins is now serving as the Area I Vice President of HERO.

One of the larger organizations in MHS is the Blackburn-Moore Chapter of the Future Teachers of America. FTA has 80 local members and has two District XVII Officers--Clifford Watson, president, and Leslie Wagnon, corresponding secretary. Local projects include student teaching by members in the elementary and junior high schools, selecting a Teacher of the Year and awarding a plaque at the annual breakfast hosted for all teachers, sponsoring a powder puff football game, and cooperating with the Muleshoe Classroom Teachers in providing a scholarship to a deserving FTA member. Each year an outstanding FTA member is awarded a plaque by local members of the Delta Kappa Gamma Society, International, an honorary sorority for outstanding women educators.

The Mighty 'M' Band has 65 members plus a newly organized flag corps with 12 members. The band participates in parades, provides excellent half-time entertainment for football games, leads spirit for the weekly pep rallies, has a Christmas Concert and a spring concert for the community, and participates in both UIL marching contest and in concert. Students also compete in solo and ensemble competition. This past summer, a saxophone ensemble played in state competition. An annual project is the magazine and Muleshoe Journal subscription sales. The band also participates in the Fine Arts sponsored Halloween Carnival and elects candidates for the Halloween King and Queen.

The Future Farmers of America have 80 members and two new sponsors, Mr. Terry Singleton and Mr. Jerry Lawrence. The ag students participate in livestock shows throughout the state, and they maintain the ag farm. The Ag Boosters are very active and support the FFA chapter and the ag program. At the present time, FFA members are selling sausage, and in a short time they will begin their fruit sale. The FFA hosts a Parent/Student banquet in the spring, and their awards are presented at this time. Teachers are also guests at this banquet. Students participate in many judging contests at the District level, advancing on to Area and State competition. Some students work in the Agriculture Co-op program, and all members are actively participating in some area of agriculture or livestock production.

Art Club had their organizational meeting this week. They will have approximately 30 members. Traditionally, they raffie a most popular painting in connection with the Fine Arts Halloween Carnival. They also will have King and Queen contestants for the Halloween Royalty. The Art Club members show

The Dusty Pages are students who assist the secretary in clerical work in the office.

The University Inter-scholastic League provides 25 non-athletic competitive areas for young people. These areas are in speech, drama, literary, journalism, and music.

Muleshoe High's Speech and Drama Department has 52 students competing in 14 different speech and drama events. These students compete in 10 invitational tournaments from December through March. In March, students who have qualified will attend the State Texas Forensics Association Tournament. UIL competition begins at the end of March and continues until the Middle of May. Seven UIL tournaments are provided for contestants to compete and advance to the next tournament. The goal of all UIL competitors is to advance to the State Tournament in Austin. The Drama Department presents theatrical productions in the fall for the community and the school. In January, rehearsals begin for the UIL One Act Play Contest. Competition in this event begins in late March and continues until the middle of May. The MHS Speech and Drama Department also has a King and Queen contestant in the Halloween Fine Arts Carnival.

UIL entries for 1979-80 in addition to Speech and Drama included Journalism in four areas; ready writing, spelling, and number sense. A total of 28 MHS students in the non-athletic areas advanced to Regional and 19 to State.

The 10 member Mule-train-Mule's Tale Staff is a busy group of students. They compose and edit a weekly news page in the *Bailey County Journal*. They publish a yearbook each year. In order to publish a yearbook at a price students can afford, the staff sells advertising for the book to the very supportive Muleshoe businesses. In addition to the paper and the yearbook, the staff handles school picture sales and memory tape pictures for football, basketball, and band students. This staff spends many in and out of school hours to help preserve the high school memories of graduates of Muleshoe High.

Activities, the other side of education, rank high in Muleshoe High School and contribute significantly to academic excellence, but the academics are never overlooked. There are 54 different course offerings for high school students. In addition there are Compensatory Education and Special Education programs as well as Tutorial program and English as a second language.

Approximately 30 percent of the high school graduates attend college with another 10-20 percent enrolling in technical programs. Of the approximately 65 percent taking the ACT and the SAT (college entrance exams), more than half the students rank equal to or above the national average.

SCHOOL ACTIVITY WEEK.....Thursday morning, Muleshoe Mayor Charles Bratcher proclaimed the week of September 28-October 4 as School Activity Week in Muleshoe. Looking on as the mayor signs the proclamation are from left, Michelle Agee, Clifford Watson, Julius Briscoe. Many special activities are planned at MHS during this week.

J.V. Falls To Tulia

The Muleshoe J.V. lost to Tulia's J.V. 36-20, September 18. The Hornets racked up 30 points to the Mule's 14 in the first half. Muleshoe's Hector Orozco returned two kickoffs for touchdowns, one for 94 yards up the middle, the other on an 85 yard return along the sideline untouched.

Tulia didn't manage to score until the fourth quarter with 1:17 left on the clock. Sammy Gonzales scored on a quarterback sneak from one yard out late in the third, putting Muleshoe up to 20 points. On another drive the Mules failed to score as Gonzales was sacked, giving the Hornets the ball and then Tulia ran out the clock.

zales. Those on defense were Jimmy Green and Mark Denny.

The bandit this week was Wayne Precure on defense and Eddie Flowers on offense.

Coaches Comments

There are many things that teams must learn, and we hope that our Mules learned that you must play two full halves. We were naturally upset over the defeat but are looking forward to bigger and better things. We are trying to improve weekly; so that by the time district rolls around we can compete for the title. We are looking forward to getting back into the win column. The spirit that exists in the school is a

Juniors Sale Homecoming Mums

Last Friday, the Junior class officers met and discussed the selling of mums for Homecoming, October 10. It was decided that a wide variety of mums will be available ranging from \$5.00 for a children's mum up to \$15.00 for the largest and most elaborate mum.

Decorator's 216 will be making the mums, and the junior's will have work night with Decorator's on October 8 and 9 to help out.

If you wish to purchase a mum, please contact either Mrs. Pat Black or George Washington, sponsors, at school or at their homes.

IN MOTHER'S FOOTSTEPS

What joy in life is seen in those eyes. That smile is given freely to everyone. Now look at them both. Which one am I talking about? Aren't they both the same? No, she's not an exact, carbon copy, of her mother -- for when you look again, you see that there is a generation between them. She wears the bright colors in her dress with the cute designs. Her dreams are different than her mothers. She is more outgoing. Yet in the mother you can see a quiet humor and in her closeness to her daughter, a gentle protectiveness. Her mother's dreams are sometimes too ambitious, but in the "Encouragement Department" she works just fine.

There is one dream and ambition they both have, however; and that is to be like our Lord and Saviour Jesus Christ, and to be of service to the church. Their goodness is of God.

"For the eyes of the Lord are over the righteous, and his ears are open unto their prayers; but the face of the Lord is against them that do evil." I Peter 3:12.

AGENCY ANNOUNCES
ADOPTION INTAKE**

The Panhandle South Plains Office of the Lutheran Social Service of Texas is inviting couples interested in adoption to contact the agency during the month of September. Each of the eight LSST offices opens "INTAKE" one month per year for families interested in adopting Anglo children, ages 0-8 years. The number of families accepted for study is determined by the volume of referrals anticipated for the following year for Anglo children. Couples seeking to adopt should have no more than one child in the home and be under the age of forty. The agency accepts inquiries from couples of all racial, religious and ethnic backgrounds. It should be noted that intake is always open to families wishing to adopt Anglo children over the age of eight, Mexican American school-age children. Black or mixed Black children of any age, including infants and children or any ethnic or racial background who are slow learners, emotionally disturbed or physically handicapped. For such adoptions there are no restrictions concerning the family size or age. Interested families should contact Lutheran Social Service, in writing, at 2412 13th Street, Lubbock, Texas, 79401. 1-361-81c

**Now I really have
something to cheer about:
58 pounds lost!**

Gladys Conway's True Story:
I never worried about my weight, until my husband started telling me a couple of years ago that I needed to slim down. He was right. At 170 pounds, I was just too heavy. I was determined to get rid of that weight, and since a friend of mine was having a lot of success at Pat Walker's, I started going there, too.
Now, I'm the successful one! I'm down to 112 pounds, and I've lost a total of 68 inches from my waist alone. I love the way my figure has stayed firm and smooth all along... Pat Walker's Symmetricom passive exercise unit takes care of that.
My husband and I go to every football game we can (we haven't missed one University of Texas game in 18 years) I enjoy going more than ever now, because I look as good as I feel!
Pat Walker's program has made a big difference for me. I'm sure it will for you, too.
Free Figure Analysis
Make an appointment now for a free, no-obligation consultation at Pat Walker's. We'll explain how our program works, from the no-muss, no-fuss passive exercise treatments to our belief in your right to privacy. We'll tell you how much you need to lose, how long it will take, and the total cost of your complete figure correction, based on four dollars per thirty-minute treatment.

ANNOUNCING

Write Checks And Earn 5¼% Interest On Savings

If you think there must be a way to get more for your money, you're right! Now First Federal Savings and Loan Association of Littlefield offers you CHECK★MATE Drafts. CHECK★MATE Drafts are a totally new kind of account that **pays** you to use it.

CHECK★MATE Drafts are actually two accounts combined into one. **It's a checking and savings account which you control yourself.**
(And more)

Isn't it about time you earned **interest on your money?** First Federal pays it! Write your check just as you would on a bank checking account and First Federal will pay you 5¼% interest on the remaining balance in your savings account.

There is no service charge on your CHECK★MATE Draft account as long as you maintain a \$100 balance each day of the statement cycle. If your balance falls below \$100 any day of the statement cycle, no interest will be paid and the account will be subject to a service charge of \$3.00

Harvest the seed of Earning Power, open a CHECK★MATE Draft account today and earn 5¼% interest compounded daily and paid monthly.
