Ever "read the riot act" to your children? Do you know where the phrase comes from? (Probably nobody cares either, but here it is anyway!) Legally, in England when 12 or more persons are committing a riot it is the duty of the magistrates to command them to disperse in the Queen's name and anyone who obstructs or continues to riot for one hour afterwards is guilty of a felony. The law dates back to 1715, so if you've used that phrase, you are perpetuating a slang phrase that began over 200 years ago.

While waiting for the paper to be printed in Pampa last week, I developed a terrible thirst for a coke. Forgetting that I was in the big city, I went to a coke place and offered them a check! Of course, they said their policy was not to accept checks, and since I had four pennies and a few tobacco crumbs in my coin purse, I wandered around the town for a couple of hours still dying of thirst... one more reason why it's so nice to shop in McLean. If you find yourself without the money for a coke, you can always hang around the drugstore long enough and sooner or later Charlie Morgan or Claude Powell will come by and offer to buy you a soft drink.

Writing a weekly column is one of the most revealing things a person can do. If you are a regular reader of this column, you probably know me as well as any of my friends do, because it is impossible to write for publication week after week without revealing some of ones personality.

For instance, if you read "Loose Marbles" each week, you know by now that Lisa Patman has a unique sense of humor (some might call it weird!) and that was a secret that only her friends knew before she started "Marbles." As the material comes in each week for the paper, I always look forward to reading Jeanette Fish's column "Gone Fishin'." She too has an unusual sense of humor, and after reading her column week after week, I feel that I really know her.

A weekly column is really better than a priest's confession or a psychiatrist's couch, because the writer can vent some of his frustrations and confess some of his secrets and even share some dreams in a column. The only way that I have found that I can write this column is to pretend that no one ever reads it! I usually sit down Thursday afternoon and begin work on this column for the next week's paper, so by the time the paper actually is printed I can pretend that I haven't written anything. I know that sounds rather strange, but it would be almost impossible for me to write if I really believed anyone was reading this!

A few months ago I walked into a room and a friend was reading this column aloud to an

Appraisal Action Contested In Court

The Gray County taxing entities are awaiting a court ruling this week on the legality of a petition signed by the smaller taxing groups in the county.

The petition invoking the 1/4 rule of Senate Bill 621 regarding the formation of a county-wide tax appraisal district board of directors was presented to county clerk Wanda Carter "before Oct. 15", according to superintendent of McLean schools Carl Dwyer. After the resolution was filed, the clerk's office received an opinion from Debbie Wheeler of the School Tax Assessment Practices Board in Austin that the petition was "untimely", in that she said it should have been filed by Oct. 1.

Grandview-Hopkins School District filed suit to force adoption of the resolution which was signed by taxing entities from Grandview-Hopkins, LeFors, Alanreed, and McLean. Last week, Mrs. Carter filed the denial with the 223rd District Court. The resolution would set the number of board members on the Tax Appraisal board at seven, with three members chosen by Pampa, and one member chosen by each of the smaller communities.

"Nothing will be done until the court rules on this question," Mrs. Carter said Tuesday. She also said that as far as she knew no date for a court hearing had been set.

"Everything is in limbo until the courts decide," Mrs. Carter stated. According to Dwyer, he contacted the State Board Sept. 11 and spoke to Debbie Wheeler and was told at that time that there was no deadline for filing the resolutions.

"I urged the other taxing entities to wait and confer with Pampa about the resolution before we did anything," Dwyer said, "or we would have had the resolutions filed before

Tigers 0-2 In District

Kiowas Scalp Tigers 31-8

By Mike Haynes

The McLean Tigers cast their hook in District 1-B waters for the third time this football season Friday night at Duncan Field and for the second time came up with no fish as they fell to the Booker Kiowas 31-8.

The Tigers, now 1-5 for the season and 0-2 in district play trailed only 7-0 after one quarter and played on even terms with the visitors during most of the second half. But Booker's 17 points in the second period and McLean's nine turnovers stifled any hopes the Black and Gold had of upsetting the Kiowas.

Booker raised its season record to 4-2 and stands at 2-0 in loop competition, just behind district favorite Wheeler, which is 3-0.

McLean committed its share of miscues, with five interceptions and four lost fumbles. Booker lost the ball once on an aerial theft and twice on fumbles. The Tigers were able to connect on only five of 18 passes, the same number they "completed" to their opponents.

McLean will make the long trip to Tealine Friday for a 7 p.m. encounter with the Tornados, while Booker will travel to Groom.

The Tigers' troubles started early last Friday as senior quarterback Randy Suggs bobbled the pigskin on the first play from scrimmage, then ran for 8 yards to the McLean 44. But on 2nd down, Booker recovered its first fumble, this one at the Tiger 35.

McLean's defense began more successfully than had the offense, holding the Kiowas and forcing a punt. But the Tigers were unable to move the ball, and a good kick by Suggs moved Booker back to its own 23.

The Tigers had a chance to stop Booker on a 3rd and 1 situation, but the Kiowas came through with a 13-yard run and

a first down at their own 46. With 4:23 remaining in the first quarter, quarterback Brett Maxfield hit Mark Bechthold with a 39-yard touchdown strike to put Booker up 6-0. Brad Helfenbein's kick made it 7-0.

The Tiger offense showed some spark after sophomore Dudley Reynolds returned the kickoff to the McLean 38. On first down, Suggs fired a quick pass to junior Tim Killham for 9, and senior Rex Morris picked up the first down at the Tiger 48 on a quick-count play.

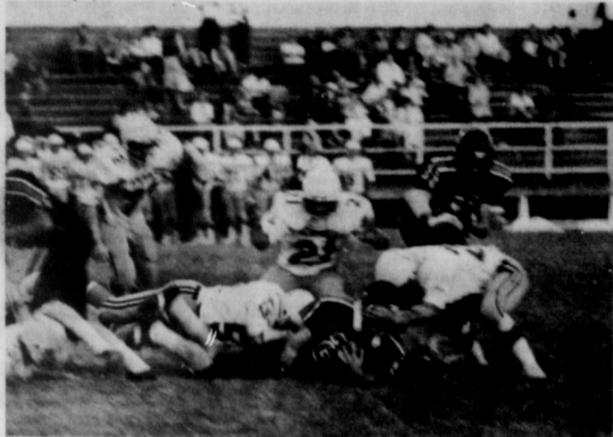

That was the first and last first down of that drive, however, and Booker soon engineered a drive of its own which resulted in its second score. On a 3rd down play, Maxfield broke loose for a gain from the Kiowa 40 to McLean's 41, and the next snap saw Darren Meyer racing for 30 more steps to the Tiger 11 with 27 seconds left in the first quarter. Tailback Bechthold ran to the 4 as the period ended.

Bechthold scored from the 4 on the first play of the second stanza. The clock showed 11:56 remaining in the half as Booker lined up for its second extra point kick, but holder Maxfield rose and passed to Les Born for 2 to make it Booker 15, McLean 0.

Sophomore Billy Joe Skipper returned the kickoff about 30 yards to McLean's 44, but on 2nd down, Dudley Reynolds lost the ball and the Kiowas took over at the Tiger 45. Carl Guy ran 9 yards to the 36 before Morris and junior Billy Frank Hambright tackled Maxfield for a 10-yard loss. A 5-yard penalty moved the Kiowas back even further, and on 3rd down, Skipper sacked Maxfield at the Booker 45, forcing a punt.

Junior Terry Todd returned the boot to the Tiger 38, but Booker was set up for its third TD drive on first down as a Suggs pass was picked off by Maxfield on the McLean 45.

Allison Elected Chamber Head

Jim Allison, president of American National Bank in McLean, was elected president of the newly-formed McLean Chamber of Commerce at a meeting of the board of directors Oct. 23.

Serving as vice-presidents are Jim McDonald, owner of McDonald's Garage, and Britt Harshaw, operator of a bulldozer company. Jane Simpson, owner of Simpson Insurance Agency, was chosen secretary, and Sharon Haynes, a local certified public accountant, was elected treasurer of the group.

The next meeting of the Chamber has been set for Nov. 6 at 7:30 p.m. in the McLean Elementary Cafeteria. The group will meet the first Tuesday of each month in the cafeteria.

The board of directors is acting as the membership committee and attempting to

contact every business organization in McLean.

Dues for business membership are \$50 per year; individuals may join for \$25, and \$15 is the amount set for individual membership of persons over 65 years of age.

Anyone interested in joining

the group is urged to attend the Nov. 6 meeting, according to Allison.

The Chamber plans to undertake several projects to promote business in McLean and to advertise the town to potential businesses.

Alanreed Carnival Planned For Oct. 27

Alanreed School is having its annual Halloween carnival on Saturday, Oct. 27, from 6 until 10 p.m. in the school gym at Alanreed.

A moderately priced dinner of ham, potato salad, baked beans, cole slaw, and bread will be served starting at 6 p.m. Also on the menu will be corn dogs, burritos, cokes, iced tea, coffee, and pie.

The price of the meal will be \$2.50.

At the carnival there will be Bingo, with prizes donated by many of the area merchants, a bean count, dart throw, johnnie throw, and cake walk, and for the younger set, a jack-o-lantern grab, and a sucker tree.

There will be a drawing for a door prize. No admission will be charged at the door. Advance tickets at a reduced price are available from any Alanreed student.

Cubs Score Fifth Win In Pursuit Of District Crown

The McLean Junior High Cubs chased up another victory Thursday night when they defeated the Groom Cubs 28-8 at Groom.

For the first time this season, the McLean eleven fell behind in a game. McLean began the scoring in the first quarter on a 55-yard run by Kevin McDowell, but the two-point extra point try failed. In the second quarter, Groom went 60 yards

for a TD, and converted on the next play to put McLean behind 8-6. With 15 seconds left in the first half, McLean's quarterback Randall Wynn scampered 45 yards on a quarterback keeper and crossed the goal line with no time left on the clock. The extra-point try was good, and the Cubs went to the dressing room with a 14-8 lead.

In the second half, Groom had one touchdown called back

because of a clip, but according to coach Joe Riley, the second half belonged exclusively to McLean. Wynn scored two more times, once in the third

quarter on a 35-yard run and once in the fourth quarter on a quarterback keeper. McDowell ran across for the 2-point conversion and the game ended

28-8. Riley said the Cubs did a good job, although they let down defensively in the second quarter. "They don't quit," Riley said. "They just keep coming back with good play." The Cubs have an open date this week.

Costume Contest, Coronation, Movie Scheduled For Tonight

Tonight (Thursday) will be a busy night at McLean High School. In addition to a spook show for the youngsters, the coronation of the Harvest King and Queen, the movie "The Ghost and Mr. Chicken" will be shown.

Activities will begin at 7:30 with a Spook Show competition for pre-school and elementary children. Cash prizes are to be awarded to the winners. Youngsters who wish to participate should be at the auditorium by 7:15 p.m.

Following the costume contest, the Harvest King and Queen will be crowned. Both activities are sponsored by the Future Business Leaders of America.

At 8:30 p.m. the senior class will sponsor the film "The Ghost and Mr. Chicken" starring Don Knotts.

Admission to the costume contest and coronation is \$2 for adults and \$1 for students.

A separate admission of \$2 for adults and \$1 for children will be charged for the movie.

Candidates for Harvest King and Queen are seniors Brad Melton and Judy Trew, juniors Rozanna Eck and Terry Todd, sophomores Leslie Skipper and Bobby Sprinkles, and freshmen Brock Crockett and Eva Anderson.

The honor court for the king and queen will be Karen Wilson, Kevin McDowell, Patricia Rogers, Sammy Houdyshell, Vera Green, Kirk Anderson,

Jem Ann Rice, Clint Herndon, Arfgela Bradstreet, Jim Anderson, Shandee Rice, Sid Brass, Sissy Barker, Shawn Bradstreet, Lee Ayn Jordan, and Jimmy Cummings.

MHS Band Goes To Contest Tuesday

The Pride of the Tigers band will face UIL competition for the first time this year, when the group travels to Canyon for marching contest Tuesday. Band director Debbie Reipma said that about five or six class B bands will be in the competition, along with bands from every classification in the Panhandle.

The University Interscholastic League marching contest ranks bands on performance. The bands do not compete against each other, Miss Reipma said.

In the contest at Kimbrough Memorial Stadium the Tiger band will march 42 members and will compete at 9:24 a.m. The band will perform a show similar to the one performed at the McLean-Booker game Friday night, Miss Reipma said.

The group will play "Theme from Masterpiece Theater", "Rocky", and "Finale From New World Symphony" by Anton Dvorak. Three judges will rank the performance of the band, both on music and marching precision.

The band received a Division II ranking at the UIL marching contest last year.

RON SLOVER

Slover Announces Bid For Congress

An Amarillo man today stated he would be a candidate in the Republican primary for Congress. Former television news director, Ron Slover, today announced that he would seek the office of United States House of Representatives, District 13, a position now held by Jack Hightower of Vernon.

A native of the Texas Panhandle since 1951, Slover stated his background has revolved around the "real" world, and he's come in contact with people from all walks of life, and income levels. His background includes that of being a stock broker, commodities broker, insurance agent, real estate broker, and specialist in money management. His degree is in Mid-management.

OPINIONS

VIEWS ARE WRITTEN BY LINDA HAYNES, UNLESS OTHERWISE NOTED. IF YOU HAVE AN OPINION ON ANY CURRENT SUBJECT WE WELCOME YOUR SIGNED LETTERS.

NOISE OUT OF CONTROL

If you live on Main Street in McLean, you are faced with a unique problem. You can either learn to love the late movies on television, install sound barriers in front of your house, or grind your teeth in frustration...because if you live on the "drag" you're not going to get much sleep on Friday or Saturday nights in our small town.

The problem of noise on Main Street seems to increase every weekend, with last weekend being one of the worst in several months. Carloads of youngsters were out "dragging Main", honking, running into people's yards, and generally causing disturbance until the wee hours Friday night.

From some of the angry calls received at this office, I know that the residents in that area have just about reached the breaking point, and are ready to look for some sort of solution to this continuing problem.

One solution suggested was to give the kids more homework, but after checking some of the license numbers of the cars involved, I learned that none of those reported to me belonged to high school kids. Apparently, the offenders are some youngsters who recently graduated, and have nothing

better to do than raise hell on the weekend.

If you are one of the victims of this thoughtless behavior, I suggest that you do a little investigating work, and get a description and a license number of the cars involved. We'll help you trace down who the car belongs to, and then I would suggest that the next time you're kept up all night, call the parents of the offending youngster. If you can't sleep, why should they?

Also, you should report the license number and description of the car to John Holland, J.D. Fish, or Jimmy Shelton.

I believe that the City could help with the problem by installing traffic barriers, those "humps" used in some parking lots, at each end of the park. The barriers would certainly slow down some of the fast cars, and would be relatively inexpensive to install.

Of course, the best solution to this problem would be if the offending parties would grow up and realize that a mature adult and a responsible citizen does not behave in such a way that he infringes on the rights of others.

Let's work together and solve this irritating problem.

NEA GOOFS AGAIN!

The banner headline on the October edition of TEXAS OUTLOOK, a publication of the Texas State Teachers Association, reads VICTORY! VICTORY! VICTORY! VICTORY! A DEPARTMENT OF EDUCATION.

TSTA and The National Education Association have been working for many years to convince the federal government to form a separate, cabinet level department of education.

As teacher for thirteen years and a former member of both those organizations, I am totally perplexed at the celebration by these organizations for the formation of one more bureaucracy.

The NEA president Willard McGuire issued the following statement: "Today's vote by the House of Representatives to create a federal Department of Education marks one of education's finest hours. ...43 million American young people will finally have the attention of the President of the United States directed to the quality of their education. Better managed federal education programs will be of immediate benefit to educators; taxpayers will gain from a fiscally responsible federal presence in education; and parents will experience fewer delays and derive more effective help from the federal government in coping with the problems afflicting some of our schools."

What an amazing statement from a so-called educated man! "Fiscally responsible federal presence"...what government do you suppose he is talking about? What other department of the government is "fiscally responsible"...the General Services Administration...the U.S. Postal Service...which one of these government run programs is he referring to?

And have you ever known of "fewer delays" and "effective help" when dealing with the

government? In my opinion, the formation of the Department of Education is the greatest disaster to befall the American school systems. I predict that we will rapidly see an end to local control of school. Never yet has the federal government dispensed funds and "help" without exacting a price. That price will probably come in the form of federally approved curricula of study for all schools, federal licensing of teachers, federal approval of textbooks, and tons and tons and TONS of paper work.

Granted, there are problems in the nation's schools, and each individual community needs to work to solve those problems, but this is not the way to do it.

With this new Department, the federal government will have an inroad into the operation of the schools that will prove destructive. For example, in the 1960's the federal government passed a law entitling schools to federal funds for school libraries. I was a librarian at that time, and in McLean we received about \$400 to spend on library books and visual aids. Along with the money came a 28 PAGE BOOK explaining the paperwork involved in using the money. Each book had to be specially marked, and heaven help you if a child lost or somehow destroyed a book, because then the librarian was required to fill out a form IN QUADRUPPLICATE and mail copies to several different bureaus...all for a \$4.98 book!

I truly believe that the TSTA and NEA are suffering from the common American malady of "getting something for nothing"! It will be interesting to sit back and listen to the howls from these so-called professional educators when they have to pay the price exacted by the federal government!

Subcommittee To Meet In Pampa

PAMPA--A group of Texas legislators will take a hard look at problems concerning the sale and marketing of grain when a House Agriculture and Livestock subcommittee meets in the Commissioners' Courtroom at Gray County Courthouse at 2 p.m. Saturday.

State Rep. Susan G. McBee, chairman of the Agriculture Commodities subcommittee, said the newly appointed panel will organize and hear testimony on all phases of the grain marketing procedure. The Del Rio lawmaker encouraged all area farmers and agri-businessmen to attend and participate in the hearing.

Committee member Rep. Foster Whaley, D-Pampa, said he will ask the subcommittee to launch a study of the feasibility of a state grain insurance corporation similar to the FDIC program for lending institutions.

"Instead of guaranteeing one's money, the SGIC would insure the value of farmers' grain. The present cost of adequately bonding any size grain elevator is prohibitive," he explained.

Whaley said he has several ideas about establishing the program, but at this point he is "wide open for suggestions from farmers."

Other subcommittee members are Betty Denton, D-Waco; Bill Keese, D-Somerville; Pete Patterson, D-Brookston; and exofficio member Forrest Green, D - Corsicana, Agriculture and Livestock Committee chairman.

NEWS FROM ALANREED

Alanreed Community Profile
by Jeanette Fish

J.W. (Jinks) Shaw was born in Alanreed, Texas on July 4, 1901. He was the son of I.D. and Etta Hudgins Shaw. The family lived west of town at that time on the old Terbush farm. There were six other children, Inez Fields, Josephine Stafford, Jewel Aldridge, I.D. Shaw, C.W. Shaw, W.F. (Red) Shaw, and D.W. Shaw, deceased.

Alanreed, remembers S.R. Lofton as one of his teachers. He graduated in 1916 and started farming. He has done that ever since and says "If I could change my life I would still do the same thing. I have loved it."
He and Bainche were married April 1, 1928. They have one son Jimmy of Alanreed and two grandsons. Mrs. Etta Shaw died in April of this year at the age of 100 in Clovis. She was active and her mind was clear until the day she died. She

Jinks started to school in

handled her own business affairs and often inquired about people she had known in McLean.

Jinks remembers the fun they had when the family was the only one around who had an organ. Neighbors would gather at the Shaw home on Sundays. Etta would play the organ and I.D. played the fiddle and there were happy times of singing with neighbors like Wilson Blakney, Miriam Wilson, the Davis sisters and others.

He has many happy memories of a wonderful mother and says "I always told her where I was going and when I'd be back."

Gone Fishin

by Jeanette Fish

Everything was created. Almost everything. Little boys were invented. On the eighth day the Lord said, "For every action there is an equal and opposite reaction. What am I going to do with all these rocks I have made? EUREKA! Little boys to throw them at each other. The next step was a football.

Great truths of life are learned in football games. There have been studies done and books written concerning the mentality of the average football nut. I LOVE FOOTBALL. LOVE IT, LOVE IT, LOVE IT. Oh that feels better. You know you are pretty far gone on the game when you watch it on two TV sets at once. Few things bring out deep emotion. Being in love is one. Football is the other.

There is a continuing game in the yard by my bedroom window. The team consists of three ten-year-old boys, an eight year-old, a six year-old, two dogs, one cat, a set of shoulder pads and two helmets.

I listened to the first game of the season while trying to take a nap Sunday afternoon. SET---HUT---HIKE---the thunder of feet---bodies falling---grunts, groans---silence. After the fourth silent pause, a shaken voice which I recognized as the one I hear asking for clean socks and peanut butter, said weakly, "Now listen! You're supposed to have respect for the quarterback."

I have seen Pope respect. President respect and awe when a baby is born, but never a lick of respect for the quarterback by the guy who is out to get him.

This Alanreed team reminds me of Frances Grubel, a little old neighbor of mine in California. We played canasta. On Saturday nights she played with three other little ladies in North Hollywood. The rules changed weekly. During our games Frances threw in a lot of North Hollywood rules, played for blood, bled easy and beat me 92 times in six years.

Sunday's game played by North Hollywood rules had begun in my kitchen with the team suiting out. I was to time how long Jimmy wore the shoulder pads because Bobby was to have the second turn. Nobody fought over the helmets. They are not very comfortable. It was also my job to

hunt up an old yellow rag-- a T-shirt which said Shazbot on the front. It was weighted down and tied with the belt from my new sweater.

The referee, an expert from Pampa was my 13 year old nephew, Scott. The players were #13, #44, and Ely. I thought Ely might be the quarterback we were supposed to respect. It turned out he had his shirt on wrong side out. I was reading a label.

Scott announced "I will be the all time referee." This was good enough for Jimmy who said, "Then I'll be the all time quarterback." Alas--the referee chided gently--"There is no such thing as an all time quarterback you dummy." Quarterbacks are prone to being carried off the field mid game. You can't count on them until the end like the referee.

Rules were laid down. "O.K. YOU GUYS WE'LL HAVE TEN MINUTE QUARTERS AND A FIFTEEN MINUTE HALFTIME SO EVERYBODY CAN GET A DRINK AND GO TO THE BATHROOM." If you cut through the swath of 10,000 marching bands and several hundred flaming batons--the halftime is--drinks and the bathroom.

REFEREE: "O.K. hold your hand up when you're ready." Five hands went up. "NOT Y'ALL--THE KICKER!" Jimmy hunkered over to hike the ball. There was a breathless, universal, football stillness.

REFEREE: (dirty rag hurled to the ground) YOU'RE OFF SIDES!"

CENTER: (head stuck between his legs, looked up, puzzled) "WHO ME?"

REFEREE: NO! THEM! DUMMY!"

The first thing thrown out of the game was the cat and the shoulder pads. The cat was clipping and the shoulder pads "are gonna git somebody hurt bad."

WANDA ELAIN STOUT AND LELAND MYERS

Stout-Myers Engagement Announced

Mr. and Mrs. B.W. Stout of Poolville announce the engagement of their daughter Wanda Elain to Leland Dewayne Myers, son of the Rev. and Mrs. Z.A. Myers of McLean. Miss Stout was valedictorian of the class of 1976 of Pester High School.

Myers is a 1974 graduate of McLean High School. The couple are currently attending school at Southwestern Assemblies of God College in Waxahachie. They plan a December wedding. Myers operates a cabinet shop in McLean.

4-H CORNER

The annual Gray County 4-H Awards Banquet will be held Saturday, October 27th at 7:30 p.m. at the Pampa Senior Citizens Center, 500 W. Francis. The banquet is being held to honor 4-H'ers who have done outstanding project work during the past year and parents, leaders, and friends of 4-H'ers who have contributed to the 4-H program in Gray County. All 4-H members and their families, leaders and 4-H supporters are invited to attend.

Turkey, bread and drinks will be served by the Gray County 4-H Council. 4-H families are asked to bring a side dish and a dessert.

KIDS, HORSES--A NATURAL COMBINATION IN 4-H: Kids and horses just seem to be a natural combination, and in 4-H the two can spend a lot of time together.

Caring for a horse is more than just a hobby for young people 9-19 in the national 4-H horse program. It helps them become responsible adults. These girls and boys typically spend three to four hours a day during summer and vacation periods and one to two hours a day during the school year caring for their animals.

Since the horses' total welfare usually depends on its owner, 4-H members learn-by-doing about feeding, shelter, health care, equipment, safety, training and riding. Many demonstrate their skills by participating in fairs, horse shows and rodeos, or in judging contests.

4-H horse projects and activities are supervised by the Extension Service and are supported by the American Quarter Horse Association and the National 4-H Congress in Chicago each year.

More information on the 4-H horse program or other 4-H programs is available from the County Extension Office.

SPECIAL NEWS RELEASE

"One" of the strengths of 4-H clubs is their ability to demonstrate practical learning, and shared leadership. The Texas 4-H Center invites 4-H club adult leaders and youth officers to a special weekend workshop which will help explore and develop this strength. Club leaders and officers from all parts of Texas will gather at the Center near Brownwood on Saturday and Sunday, October 27th and 28th for workshop sessions. Topics to be covered include: "The Winning Recipe: Ingredients for Successful Leadership" by Parker County Extension Agent Jean Anderson; "Getting Our Act Together" by Texas 4-H Council officers and Dan James, Area 4-H and Youth Specialist; "A Smorgasbord of 4-H Club Ideas" by 4-H adult leaders, youth officers, and Extension staff, and other helpful subjects. Those interested in this October weekend 4-H training may contact the Gray County Extension Office located in the Courthouse Annex or call 669-7429. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion or national origin.

Talk is cheaper than you think.

How to save up to 60% on Long Distance.
If you're one of those who thinks a Long Distance call is a luxury, read on. The trick to saving money while keeping in touch with family or friends is knowing when to call, and calling One-Plus.

Call between 11pm and 8am.
Before you groan about how you can't stay up late or see straight in the morning, think about it. You'll be saving up to 60%! If you're a night person, you probably don't start counting sheep until after 11 pm anyway. And if you've got friends and family to call out west, it'll be a perfectly civilized 9 or 10 pm when their phone rings. If you like to see the sun rise, and you know folks back east, it'll be an hour later on their end. Call out of state anytime before 8 am and you can talk all day if you want and still save 60%. In-state calls are also greatly reduced. Just remember to dial One-Plus.

Reach out on the weekend and save up to 60%.
Now this is a stroke of good luck: a really cheap Long Distance phone call just when you may want it most. Call any time between 11 pm Friday and 5 pm Sunday and really save. For instance, dial One-Plus and you can

make a ten-minute call to Atlanta for only \$1.55. That's almost worth making a new friend in Atlanta for.

Even on weeknights, save up to 35%.
Sometimes you can't wait for the weekend. Or you don't want to. But you can still save plenty Sunday through Friday from 5 pm to 11 pm. Think about what a bargain it is to call someone 1900 miles away, talk it up for ten minutes, and only run a tab of about \$2.00. There's just no other way to get close to a faraway friend or relative so quickly, so cheaply.

On weekdays it's still a bargain.
Here's a surprise. From 8 am to 5 pm, a Long Distance chat still doesn't cost very much. A five minute call out of state, to anywhere in the continental U.S. is only about \$2.50 when you dial One-Plus. Think of how good the sound of your voice would be to a friend (not to mention your mother!) right in the middle of the day.

Reach out and touch someone.

NEWS FROM LEFORS

KKI Members Learn Secret Pals

The Beta Chi Chapter of Kappa Kappa Iota met Monday evening in the Lefors High School Library for their regular October meeting. The meeting was called to order by President Margaret Parsons and the minutes of the last meeting were read by Secretary Daphne Sullivan.

The program for the evening was the revealing of last year's secret pals through the exchange of Halloween gifts.

Refreshments of sausage balls, vegetable sticks, chips and dips were served from a table adorned with fall gourds and corn, and a large popcorn

jack-o-lantern. Hostesses were Norma Lantz and Marsha Schuman.

After refreshments, club members worked on gifts for the Senior Citizen's Christmas party. Others present were Shirley McKnight, Pauline Phillips, Debbie Bailey, Donna Collins, Becky Stroud, Virginia Archer, JoAnn Fenno, Ardelle Briggs, Paula Whitney, and Lela Harris.

The next regular meeting will be Nov. 26 at 7:00 p.m. in the High School Library. Hostesses for that meeting are Pauline Phillips and Donna Collins.

Bandits Trap Panthers

The Lefors Bandits met a much improved Skellytown Panthers squad Thursday evening. "The first half was really close," explained Coach Don Parsons. "They were ready for us and we weren't really ready for them." The Bandits ended up with a 22-0 victory over the

Panthers with John Winegeart, and Tracy Jennings scoring the points. "The team played a better second half, but not the best," Parsons said. This week will be devoted to getting ready for the Bandits' Thursday clash with the Groom Tigers at Groom.

Club Meets At Dinner Theatre

The Lefors Art and Civic Club had its regular October meeting Friday evening at the Country Squire Dinner Theater in Amarillo. The group enjoyed dinner and the play "Boeing, Boeing." Those attending were Mrs. Betty Hannon, Mr. and

Mrs. Jesse Baker, Mr. and Mrs. Jay Franks, Mr. and Mrs. Don Parsons, Mr. and Mrs. Joe Watson, Mr. and Mrs. Earl Tarbet, Mr. and Mrs. James Ray, Mr. and Mrs. Jerrel Julian, Mr. and Mrs. Babe Hall, Mr. and Mrs. Bud Cumberledge.

HALLOWEEN
 It's Halloween,
 And I'm just a little pumpkin.
 O! there's so much I haven't seen,
 All my friends say I'm just a little dumkin,
 But I think I'm rather keen.
 I am all bright and orange for fall,
 And just as round as a ball.
 And that's not all!
 I'm just waiting for Cinderella

NIGHT
 Night is dark and night is cold,
 At night you have to be brave and bold,
 Night is when the lights are out,
 Night is when the monsters shout.
 Night is when the coyotes howl,
 At night you can hear the hoot of an owl,
 Night is when the shadows creep,
 Cause that's when you try to sleep.
 Night when the castle's dark,
 It's scary when the lights don't spark,
 Night is when the bats all fly,
 Night is when the moon is high.
 Night is when the witches fly,
 Way up in the dark sky,
 Night is when I try to sleep,
 I always hear a little creak.
 Night is when the moon is full,
 Night is never ever dull.

SCARY THINGS
 Ghosts are white,
 They give you a fright.
 They come out at night,
 Boy are they a sight.
 I saw a witch,
 She carried a switch.
 She had a black cat,
 And wore a black hat.
 There was a white ghost,
 Who would always boast.
 He would always wail,
 And steal peoples mail.
 I saw something wobblin,
 And then I saw a little green goblin.

HOMEMAKER NEWS

KEEP HALLOWEEN "SPECIAL"--SAFE:
 Keep Halloween "special" by keeping it safe. "Goblin excitement" is high for this first holiday of the school year, so parents and teachers have a serious challenge in protecting children. Three safety areas--costumes, treats, and traffic--need the most attention.
 Make sure costumes fit children as closely as possible. Avoid too-large costumes, since they can cause tripping, stumbling or falling when children scurry from house to house. Be sure each child can see clearly through his mask. Check to see that the mask does not have a "blinder" effect. Be sure he can see out of the corners of the mask.
 Look for flame-retardant costumes--or safe, flame-retardant fabrics for making costumes. Paper and most gauzy fabrics are highly flammable. Let your child wear his school shoes with the costume. Costume shoes may interfere with his running skills. Keep costumes light in color so they show up in the dark for motorists and others. On dark costumes, use reflective tape.
 Provide wrapped treats for all children. FORBID your children from eating any treats UNTIL YOU CHECK THEM FIRST. Warn them not to sneak bits of goodies on the trick-or-treat run. Encourage your neighborhood to canvas only your neighborhood for treats. Be alert to "goodies" that appear to be re-wrapped--or those that smell funny or look different, especially homemade products.
 Drive very slowly in neighborhoods on Halloween night. Report speedsters to the police immediately. Watch for children darting--from EVERYWHERE. Keep car lights on bright--except when meeting other cars--so you can see darting children.
 Trick-or-treat as close to home as possible. Walk with your children, rather than driving them on their rounds. Know the exact night your community is celebrating Halloween.
 "Trick or treating" is for younger children--from ages three through elementary school age. Junior high and older teens should plan other social activities at Halloween and leave trick-or-treating to the younger children. Also, remember that little children less than age three may be frightened by Halloween customs. Don't force them to dress up or even greet the goblins. Now you're ready to call out the ghosts, the goblins and the witches--and don't forget to call the children, too.

To the People of McLean: Our dad, Roy Alexander, died in the McLean Hospital on October 15. We and our mother were really quite overwhelmed by the goodness of the people there, especially the nurses who ministered to Daddy and to us as we sat by his side those last days and nights. We have all had experience with hospitals, and none of us had ever seen such professional and caring people.

The depth of our gratitude is impossible to express, but we wanted to take this means to let you know that we will be forever grateful. Richard Alexander Martha Schubert Bonnie Lesley Patsy Lesley Alsin Alexander

THE WARE BOYS

By Thomas Thompson "The Ware Boys" will certainly be of interest to those of us who have resided in the Panhandle for a number of years.

This family story by Thomas Thompson very ably presents the history of the Ware family in the banking profession in Amarillo from the earliest days of the city until the present time.

In recounting the progress of the various members of the Ware family, Thompson also presents a capsule history of the City of Amarillo, and interestingly documents the highlights and low spots of the banking profession in Amarillo.

The book is made very interesting because of the personal stories of the members of the Ware family, and the reader will see many names, places and dates that will strike familiar chords if he or she has lived long enough in this country to know anything of the history of the Panhandle and Amarillo. "The Ware Boys" is now available at Lovett Memorial Library.

Here is about the best crime prevention news I have seen. "The California Bar Association is to rid its ranks of any attorney found to have connection with the underworld." Will Rogers

E.M. BAILEY, EDITOR
Carol Coleman, Eighth grade student in the McLean Jr. High School, recently entered several contests in the Collingsworth County Fair. She had entries in the pie, jelly, handcraft, and cookie contests. She won blue ribbons in all of these contests and won a purple grand ribbon. She also won \$7.75 in prize money.

Mr. and Mrs. Milton Carpenter, Mr. and Mrs. James Cliett, and Robert Sailor, Sam Bowers and Curtis Schaffer of Pampa will represent the Gray County Soil and Water Conservation District at the 29th Annual State-wide meeting of Texas Soil and Water Conservation District Directors to be held in Dallas, October 21-23, 1969, at the Adolphus Hotel.

20 YEARS AGO

CHARLES CULLIN, EDITOR
McLean's aggressive Tigers bounced back into the winners circle Friday night as they roared by the Panhandle Panthers, 26-6 in a game played on the Panther's home ground.

Dr. and Mrs. Harold Meador of Dallas are the parents of a son, born Oct. 10. He weighed 9 pounds and has been named James Frederick. Grandparents are Mr. and Mrs. J.A. Meador of McLean and Mr. and Mrs. Feba Fox of Gruver.

Jim Stevens was honored on his birthday last Thursday evening with a 42 party. Those attending were Mr. and Mrs. Bill Boyd, Mr. and Mrs. Arthur Boyd, Mr. and Mrs. Clyde Willis, Mr. and Mrs. Melvin McCabe, Robert McCabe and Larry Boyd.

30 YEARS AGO

LESTER CAMPBELL, EDITOR
Several burglars—at least three and perhaps as many as five—entered the Stubblefield Department Store, either Saturday or Sunday night, and made away with a complete new outfit of clothing, plus between \$60 and \$80 in cash.

Peculiar thing about the burglary was that the looters took time to change clothing in the store, and leave Earl Stubblefield, owner of the store, their old, used clothing in exchange.

Two days of wet weather slowed down harvesting of the cotton and feed crops in the McLean area during the past few days, with the moisture falling bringing a total of .45 of an inch.

Fifteen members of the McLean High School senior class spent Saturday doing a good deed for the class, and for a farmer who was needing help in boll pulling.

The 15 seniors pulled a bale and a half of cotton for George Preston, and had fun, plenty of it, while doing the work. Preston added \$5 to the till, and also treated the group to malts when the work was done for the day. No one went home for lunch, and no one went hungry either, for two of the class mothers, Mrs. Sid Stewart and Mrs. R.A. Young brought lunches to the group of seniors.

Bobby Campbell's minstrels will be given at the high school auditorium next Thursday, Nov. 2.

This will be the second annual performance of this popular show and this year's show is full of new jokes and music.

Mary Ellen Gething of the Webb community was bitten on the finger by a rattlesnake last Thursday afternoon and has been in the hospital ever since. The girl is attending Lefors high school and attempted to catch the snake for class use when bitten.

Chas E. Cooke and Ruel Smith returned last week from a hunting trip in the Canadian Rockies, bagging two moose, three big-horn sheep and a deer. Mr. Cooke says that there is plenty of big game where they staged their hunt, about 80 miles from any sign of civilization, near Alberta, Canada.

They stalked two large black bears most of one day, but the animals were too smart for them to get within shooting distance.

The so-far undefeated McLean Tigers will meet the only once defeated Clarendon Bronchos at Tiger Field Friday evening.

This is expected to be the classic game for the week, with the Bronchos having the weight advantage over the Tigers, but the Tigers will have the big fullback, John Bond, who has been attracting a lot of attention with his power and speed all season.

Mrs. J.M. Noel was hostess to the 1934 Sewing Club at her home on Cedar Street, last Friday.

A covered dish luncheon was served at noon, and sewing and games were features of the afternoon.

Members present were: Mesdames C.E. Anderson, C.S. Rice, T.N. Holloway, Byrd Guill, Ellen Wilson, D.A. Davis, S.L. Montgomery, Ella Cubine, I.D. Shaw, S.W. Rice, J.W. Story, W.B. Upham, C.M. Carpenter, Callie Haynes, J.E. Kirby, J.M. Noel.

Guests were: Mesdames N.F. Maddux, J.B. White, and Sherman White, all of Pampa; Ruby Haynes of Salt Lake City, Utah; Paul Kennedy of Skellytown; Dwight Upham, Wilson Boyd, Annie Wilkins, Bob Thomas, J.S. Morse, Sam Kunkel, Scott Johnston and C.O. Greene; Messrs. C.M. Carpenter and J.M. Noel.

The next meeting will be held with Mrs. D.A. Davis.

TIGERS
Continued From Page 1
The Kiowa signalcaller ran it to the 32, and on Booker's first play, Bechthold scored again. The tailback ran to his right, then cut to the left and crossed the goal with 9:33 left in the half. Helffenbein's PAT made it 22-0.

Dudley Reynolds was the workhorse on McLean's next possession as he returned the kickoff to the Tiger 30, on 2nd down sprinted from the 31 to the 44 for a first, and then gained 4 to the 48. But the drive stalled there, and Suggs was called on to punt.

Bechthold stunned the home crowd as he raced all the way for an apparent touchdown with the kicked ball. But a clipping infraction wiped out the points, setting Booker up at the 31. The Kiowas quickly drove for a first down at the 19.

Maxfield was sacked at the 24, and a holding penalty moved the ball back to the 37. Senior Mike Reynolds stopped Bechthold for 1 yard with 5:18 left in the half, but Maxfield ran out of the pocket from the 36 to the 26 on the next play.

On 3rd and 17, Maxfield connected with Rory Wilmoth for a first down at the 8. The Tiger defense again stiffened, with junior Billy Kincannon tackling Bechthold at the 7 and Kincannon and Mike Reynolds trapping Maxfield at the 18 with 3:35 left. A clip on that play put the ball on the 32.

Booker tried some razzle-dazzle, with Maxfield handing off to Bechthold and Bechthold then passing to the quarterback. But the play netted only 6 yards to the 26. On 3rd down, Carl Guy took a screen pass on the right side of the field and bulled his way to the 9, giving the Kiowas a 4th and goal situation at almost the same spot where they had had first down.

Skipper rushed Maxfield, forcing him to throw hurriedly on 4th down, and the ball fell incomplete as the Tigers took over. After two running plays, Suggs tried to pass from the 10. He ran back to set up and was caught in the end zone with about 15 seconds to go in the half. The safety widened Booker's margin to 24-0.

Suggs punted from his own 20 following the two points, and Booker returned to its 32 with 5 seconds left. The runback was costly for the Kiowas, as Maxfield sustained a broken forearm on the play. After several minutes on the ground, he was taken to a hospital by ambulance. His teammates then ran out the clock on a rushing play.

Bechthold moved to quarterback in the second half to replace the injured Maxfield and was as effective there as he had been as a running back. Kincannon returned the second half kickoff to the McLean 38, but the Tigers couldn't move, and Suggs punted after being sacked on 3rd down.

The McLean defense held, with Kincannon and Hambricht stopping a Kiowa ball carrier for a 3-yard loss in the process, and Booker punted. But an off-sides penalty gave the visitors new life at McLean's 49. Bechthold ran for a long gainer, but his effort also was nullified, this time for holding. Mike Reynolds tackled a Booker back for a loss on 2nd down, and on 4th down, the Kiowas were in a punting situation at their own 47.

The punt turned out to be a pass, however, and senior Wade Smith almost intercepted it. McLean took the ball at Booker's 47. On 3rd down from the Kiowa 44, the visitors were found to be Indian-givers, as Bechthold stole a Suggs pass and returned it to about the McLean 30 with 5:28 left in the third quarter. A penalty pushed the ball to the 19, but a delay-of-game infraction moved it back to the 24.

Bechthold then passed left to Guy for a touchdown with 4:25 remaining in the third period. Helffenbein successfully converted to make it 31-0, and a roughing-the-kicker call enabled Booker to kick off from the McLean 45.

On the first play following the kickoff, Morris started at his own 20, raced for a good gain, and fumbled. The Kiowas took over at the 30 with 4:19 left. Booker completed a pass to the vicinity of McLean's 10, but a holding penalty shoved the Kiowas back to the Tiger 40. Theron Stubbs, a sophomore, led a group of Tigers in stopping Wilmoth on a reverse for a loss of 3, and Booker punted to the 23.

The ball changed hands rapidly in the next few seconds as Suggs had another aerial intercepted and on the next play, Dudley Reynolds covered a Booker fumble on the 50 yard line with about 1 1/2 minutes still in the third stanza. Morris gained 4, but on 3rd down a quick pass to junior James Matheny was incomplete, and Suggs punted to the 22 on the last play of the quarter.

After a penalty moved the ball to the Booker 17, Kincannon fell on another Kiowa fumble at the 24. The Tigers lost 4 on another quick pass, and a penalty backed them up to the 33. Hambricht cleared

the way for Morris on a screen pass to the left for 10 yards, leaving McLean with a 3rd and 9. Suggs scrambled to his right and lost 9 to the 32.

The Tiger quarterback took a deep snap for an apparent punt, but he passed left to Killham, who caught it for a first down at the 13 with slightly more than 9 minutes to go in the game. On the next play, however, Suggs' attempted throw to Matheny was picked off in the end zone with 8:44 left.

With 7:48 on the clock, the contest was delayed for several minutes as Booker center Clinton Nowlin was struck in the neck and had difficulty breathing. The McLean mobile emergency unit transported Nowlin from the field.

Booker then punted and Todd made a good return, but he lost the ball and the Kiowas took over at McLean's 48. Bechthold passed to Guy for a first down at the 33, but two plays later, the converted quarterback barely got his throw away under a big Tiger rush, and Skipper intercepted at the 24 with 5:39 remaining.

A gain of 13 by Morris was nullified by a clip, and McLean started again at the 27. Booker was penalized to the 22, and Suggs scrambled to the 41 for a first down. A few plays later, the senior ran for about 10 more and another first. On the next snap, Suggs passed to Smith for a gain from the 43 to the Kiowa 10 with about 4 minutes left. Morris was stopped just shy of the goal on first down as he ran 9 yards with a screen pass. Then Suggs sneaked in from the 1 with 3:47 on the clock to put the Tigers on the scoreboard.

Smith, who had scored all of McLean's 10 points the week before against Groom, lined up to kick the PAT, but holder Suggs picked up the ball and ran around the right end for two points to narrow the gap to 31-8. Suggs thus accounted for all of the Tigers points against Booker.

The Tigers were not satisfied with 8, and Smith tapped the kickoff just beyond the 50. Todd recovered the inside effort at the Booker 46 with 3:44 left. Suggs ran to the right on first down for 10, but the Tiger offense bogged down and was faced with a 4th and 8. Gary Mills intercepted for Booker with 2:12 to go.

McLean's defenders still were not ready to quit and stopped the Kiowas on 4th down with 19 seconds left. Two passes from the 40 were incomplete, and Suggs was tackled for a loss as he tried to run to the right on the game's last play.

Tiger head coach Jack Dorsett said losing to Booker did not hurt as much as the previous week's loss to Groom, because "they were a lot better ball team than Groom was. We had nine turnovers, and there aren't a lot of people you can beat when you do that."

Dorsett cited the Tigers' subpar play in the first half. "In the second half, we decided to play a little. They only scored one touchdown in the second half, and that was when we had a halfback playing safety (who was not familiar with the new position)."

Dorsett said McLean's problem again was not one of effort but one of too many errors. "A lot of good things happened, along with a lot of bad things." The head coach said his defense played well much of the time, with three or four players scoring more than 20 grade points on tackles. He said the high number of tackles was due partly to the fact that the defense was on the field so much.

Dorsett mentioned Billy Frank Hambricht as one of the Tigers who turned in a good performance. He said senior center Dick Bode was outstanding on offense.

McLean's opponent this week, Texline, has posted an 0-5-1 mark this season, 0-3 in District 1-B. The Tornados have had few successful games in recent years, and Dorsett was asked about the problem of over-confidence on the Tiger squad.

"Not with these kids. We had a good workout today (Monday), and they'll be ready." Dorsett said Texline has some size and "a little speed." "They've moved the ball on everybody they've played; they just can't score."

The Tornados opened the 1979 season by tying Keyes, Okla., and since have lost to Beaver, Okla., Miami, Boise City, Okla., Wheeler, and Follett.

Texline is about 185 miles from McLean. Ron Cummings, MHS principal, said he would advise fans to allow at least 4 hours to drive to the 7 p.m. game. He said the school buses will take even longer.
