## Parallel Parking Is Decreed On Hiway 290 Length Through Ozona

Signs posts were being erected by the State Highway Department along Eleventh street, Highway 290 through Ozona, this week calling for parallel parking in the city in preparation for the opening of the new and wider Johnson Draw bridge and use by highway traffic of a wider Highway 290.

Contractors have just completed the job of widening and resurfacing Highway 290 from Johnson bridge to the Sutton county line east and contract is to be let soon for the balance of the highway from the county line to Sonora.

Widening of the busy highway will necessitate additional traffic space through the town of Ozona and as a consequence the Highway Department has decreed parallel parking the entire route of the highway through the city.

The new parking rules will not become effective until the new bridge, now nearing completion, is opened.

## Annual Reunion Of Patrick Family Held At Camp Allison

One hundred eighteen persons, all descendants and kin of the late Mr. and Mrs. T. W. Patrick of Ozona, pioneer Crockett county family, were present for the 1958 annual reunion of the Patrick family held Saturday and Sunday at Camp Allison park between Sonora and Junction.

Among those present were the seven living Patrick children. They are Mrs. Ida Fields of Uvalde, Mrs. Rufe Everett of Ozona, Mrs. Everett Finnigan of San Antonio, Tim Patrick of Corsicana, Tom Patrick of Lancaster, John Patrick of Pecos and Joe Patrick of Ozona. Death in the past year took two members of the immediate Patrick family, Jim Patrick of Ozona and Dim Patrick of Frankston. Two other deceased of the original eleven children were Mrs. R. J. Cooke of Ozona and Mrs. John Cooke of Fort Stockton.

Heavy rains and a rising Llano river drove the reunion group from the park early Sunday morning but the event was culminated with group dinner in a nearby park Sunday noon.

Cleophas Cooke of Ozona was re-elected president of the reunion and Mrs. Tim Patrick of Corsicana was selected secretary-treasurer.

## Magnolia To Drill Deep Wildcat On E. G. Baggett Ranch

### 10,000 Foot Test Spot- ted 9 Mi. Southwest of Ozona

Magnolia Petroleum Co., filed application to drill a 10,500-foot wildcat in Crockett County, 9 1/2 miles southwest of Ozona. It will be drilled as the No. 1 E. G. Baggett.

Location, on a 658.8-acre lease, is 1,980 feet from the south line and 660 feet from the east line of the west one-half of 24-F-GC&SF.

The prospector is five miles due east of the Refoil (3,200-foot sand) field.

C. L. Norsworthy, Jr., Dallas, was drilling below 2,005 feet at his No. 1 J. M. Shannon Estate, Crockett County 2,700-foot wildcat located 22 miles northwest of Ozona.

Location is 660 feet from the south and west lines of 2-10-GC&SF.

The project is two miles north-northeast of the Todd, North field, but separated by two failures.

M. A. Barber, vocational ag teacher in the Ozona Schools, is enrolled in a short course at Texas Tech in Lubbock this summer devoted to the teaching of new farm shop skills. The course includes instruction incorporating hand tool, jointers, painting, masonry and farm structures. Most of the 23 men enrolled for the course are vocational agriculture teachers.

## Ozona Oil Little Leaguers On Way To Season Title

### First Half Winners Cinch To Make It Clean Sweep

By Ernie Boyd

Ozona Oil with only four games to play, seemed well on the way toward clinching the second half of Little League play and a clean sweep of the 1958 title following their conquest of South Texas Lumber in Tuesday night's game.

The Oilers copped the first half title by downing South Texas following a first half tie between the two. Each club recorded a 7 won and 2 lost record during the first half and it was agreed that the first game of the second half schedule, which pitted the two against each other, would also count as the playoff game for the first half.

Ozona Oil has been sparked by Leroy Cooper and Doug Moore who have done the pitching and Bobby Amthor, Carey Pitts, Michael Stahl and Jimmy Riffe who have been the backbone of the offense and defense. In addition to ranking as one of the leagues' best pitchers Cooper leads his club at bat with a nifty .633 mark.

Adding spice to second half play has been the recent spurt of Moore Oil which copped only one game during the first half of play. The Moore crew began by upsetting Ozona Oil 4 to 3 in a well played and pitched contest and then continued their fine play by downing Mason Motors.

One of the season's highlights recently occurred when Doug Moore and Leroy Cooper combined efforts in hurling a no hit, no run, game during which only two opposing batters reached first base, both via the free pass route.

League play will end the first week in July with the all-star team then advancing into a real competition. The team and its managers will be chosen following the conclusion of the regular season play.

## Calvary Baptist Has Successful Vacation Bible School, Revival

The Calvary Baptist Church of Ozona has just completed a very successful vacation Bible school. There were 81 enrolled in the school of which 73 received perfect attendance certificates.

A spokesman for the school expressed appreciation to all who assisted in making the school a success, especially those from other church who assisted with the daily program.

While the vacation Bible school was in progress, a revival meeting was also under way in the church. Rev. Chester Sylvester of Cotton Center was the evangelist. Mrs. Sylvester was pianist and acted as principal of the vacation Bible school. Gordon Aikman, First Baptist Church song director, directed the song services.

## George Beans Honored On 35th Anniversary

Mr. and Mrs. George Bean were honored with a buffet supper and forty-two party recently on their 35th wedding anniversary. Hosts were their children, Mr. and Mrs. Carl Appel, Mr. and Mrs. Boyd Baker, Mr. and Mrs. Joe Bean and Mr. and Mrs. John C. Johnson.

The party was at the home of Mr. and Mrs. Appel. The house was decorated with coral and white flowers.

Guests were greeted by Mr. and Mrs. Appel and Mr. and Mrs. Bean. Favours of flowers were presented each guest.

After the supper, forty-two was enjoyed. High score prize for the ladies went to Mrs. Monroe Baggett and second high to Mrs. T. J. Bailey. High for the men went to George Bean and second high to Max Schneemann.

Following the games the decorated three-tiered wedding cake was cut and served by the honored couple. Thirty-two guests were present.

## District Cage Mentors Breathe Sigh of Relief As Administrative Field Siphons Off Ozona's Championship Winning Basketball Coach Pelto

By Ernie Boyd

A new era in Ozona basketball will get under way this winter as one of the state's top basketball tutors moves from the coaching field into the realm of administration.

J. A. "Swede" Pelto came to Ozona in 1948 following his graduation from T. C. U. and promptly carried Ozona to the regional finals. Thus began a ten-year stay during which Ozona won the district title seven years, running up five in a row before the Menard team ended his skein last season.

Pelto is a native of Virginia, Minnesota, where he played high school basketball and was a key man on one of the state finalist teams his senior year. Following high school graduation, Pelto went to Junior college in Minnesota where he was spotted by T. C. U. Mentor Hub McQuillan and offered a scholarship.

Pelto came to T. C. U. in 1941 and promptly made the starting five on a team that was to mark itself the next year as one of the Ft. Worth school's better S. W. C. entries.

In 1942 T. C. U. won the Oklahoma City Invitation tourney which at the time was one of the nation's top college classics, and during which Pelto was called the terrible Swede even though in truth he is a Finn and no Swede at all.

The T. C. U. team seemed destined to win the title that year until the Air Force Reserve was called up and the team wrecked.

Pelto became a P-47 pilot and served in combat in Europe and in occupation in the Philippines before returning to T. C. U. where he coached the freshmen team in 1947.

Since coming to Ozona, Coach Pelto has had many offers, some of which came from among the largest high schools in Texas but a number of factors went into his staying in Ozona where he felt he had one of the best basketball jobs available.

In the last few years, Ozona has not been fortunate in having a lot of basketball talent and until the past season, no six footer had played on one of his teams in six years, but people in Ozona were always confident that regardless of how hopeless the material looked early in the season, that by counting time Ozona would be the team to watch.

While Coaching in Ozona Pelto met and married his wife the former Marjo DeMontel of Tyler a teacher in the Ozona system at the time, and they now have two children, Monte, 4, and Jan, 2.

Despite the fact that the friendly Minnesota product is best known for his basketball, he has proven

## Bob Childress To Attend A&M Range Camp August 11-16

Bob Childress, Crockett County 4-H Club members, has been selected as one of 15 4-H club members in Texas to attend the fourth annual 4-H & FFA Range Camp to be held at the A&M College Adjunct at Junction, Texas, August 11-16.

Selection of 4-H members to attend this camp is based on the member's over-all 4-H club activities and especially his interest and ability in range management work. Bob is one of the top 4-H club members in the county in grass and range judging work.

The week's camp will include field trips to ranches, plant, animal and wildlife study, brush control methods, judging range condition and making range condition demonstrations. There will be plenty of recreation to include swimming, boating, team sports, fishing, and movies. All activities will be supervised by qualified personnel of the Texas Section of the American Society of Range Management, sponsor of the camp, and 4-H and FFA personnel.

## Miller Begins Construction Of Shopping Center

### Seven Buildings Plan- ned For New Busi- ness Area Here

J. B. (Buster) Miller, Ozona ranchman and business man, began the construction this week of the first of a number of business buildings which will form a new shopping center for Ozona.

The new shopping center will be located west of Johnson draw, just off Highway 290 and across from the Silver Spur Motel.

Contractors began work early this week in laying the foundation for the first in the series of buildings.

Mr. Miller has announced plans for the construction of seven modern business buildings on the site. Several of the buildings-to-be have already been rented and many inquiries have been received by Mr. Miller on others.

One of the buildings will house a modern super-market type grocery store, another will be a drug store. A beauty parlor and an office quarters are other businesses already assured for the new shopping center. A parking area will be provided in the center's layout.

## Abilene Man To Speak At Rotary Club Tues.

R. E. Kennedy, Abilene, head of the public service department of the West Texas Utilities Co., will be the speaker at the next meeting of the Ozona Rotary Club next Tuesday noon. Mr. Kennedy, who heads the utilities company's advertising and public relations department, will speak on the subject of current business and political trends.

James F. Longley of Abilene, vice president of the West Texas Utilities Co., spoke to members of the club at the meeting Tuesday of this week.

## Jody Jones Places In Championship Rodeo

**DO THEY NEED ALL THIS LAND?**

Have you any idea how much of the US has been commandeered by our armed forces?

Can you visualize 29 million acres? It is some 40,000 square miles. And if that is beyond comprehension, it would constitute a belt 14 miles wide from New York to San Francisco! This is the vast empire that has been preempted by our defenders — who are demanding six million more acres.

Charles Stevenson, writing in the July issue of Reader's Digest, presents a shocking survey of this nationwide land grab that should arouse Americans to the support of their representatives in Congress who are fighting a losing battle against the military real estate fanatics.

The armed forces now own one acre out of every 100 in Virginia, two out of every 100 in Florida and five-and-a-half million acres of California — "an area larger than Connecticut, Delaware and Rhode Island combined." The Air Force has a bombing range adjacent to Las Vegas, Nevada, that is 135 miles long and 50 miles wide; and the Navy, instead of sharing support and aggrandizement of the

By Sally Baggett

Tooter Malone has a friend here with him. His name is Frank Tooter, it would be appreciated by one girl with the initials of Alleane Young if you would come out of hibernation and bring Frank in to see the bright lights of Ozona. Roy Neil Killingsworth, Ronnie Beall, and Johnny Cooper were all excited Monday. Something about a cute girl trying to find me. Well, I can see why they were excited. Connie Jean Cox is visiting her Aunt. Boys, I might add, Connie is something to do a double take on.

Alleane Young and June Bunger are making plans to visit the city of Pandale and their Aunt and Uncle. I guess there just isn't enough going on here. You girls planning on visiting the Dorans and

Force needs only a third — is taking 700,000 more Nevada acres for its own. In addition to a three million acre missile range in New Mexico, "the Army moved in on an adjacent 470,000 acres of public property embracing some of the lushest grazing land in the state," and followed this up by taking over 21 adjoining ranch properties. In Louisiana, Utah and Oklahoma, the depredations of the services are equally outrageous.

The standard argument of the military, that defense must come first, still seems unanswerable. Yet, as the article points out, a two year Congressional investigation headed by Rep. Clair Engle of California revealed that:

The services have refused to use land they already own.

It costs \$21 million a year to maintain over 200 idle installations, bases and camps that usurp

There are six-and-a-half million additional acres still preempted but no longer required by the services.

The time is rapidly approaching whether it is the function of the military to defend the nation, or whether the nation exists for the military.

Jim Doran's cousin, Tige, is here. He is a quite a riot. If you don't believe me, ask June.

Sandra Whitaker has returned from a visit to her Grandmom's. I guess Sandra Rathiff will lose a car and I will lose a good record collection.

Barbara Hatcher has returned from Louisiana. I think maybe she is going to start making shoes or something. She brought home two alligators. She named them Ally and Gator. I'm afraid to step out of the door for fear one will take off a foot. Really, they are very small and they are cute.

Janet North and her Mom are pulling some of Deane's and my tricks, letting trucks run over them. I mean! They are O. K. Just a bent in door or two.

June Bunger and Bill Meinecke are certainly keeping steady company. Could this mean some more steady dating couples?

Bill Black and Pam Perner went to the rodeo in Big Lake Thursday. From all accounts they did pretty good. I have heard many different stories on how they placed and I don't know which is right so I'll just say any of them were fine.

Alma Ingham is certainly keeping herself hidden. Ever now and then you'll see her at the post office. When you ask her where she has been, the reply is always, "the ranch." She is getting a beautiful tan.

Speaking of tans, Molly Sue Richardson should be either the color of a lobster or the color of a nice piece of shoe leather. She is in Galveston on vacation. That's why we never see Joe McMullan in town too often.

Jerry and Gwynel are still hitting it off real well. I guess Jerry will be lonesome next year.

Becky Davidson has gone to Michigan for six weeks to a band clinic or school. All they wear up there is a blue uniform — It's a good thing Becky likes blue.

It's about that time so I'll close. Until next week — so long!

the nation's railroads; the Com-  
munity Facilities Act, cleared by  
the House Banking and Currency  
Committee, which makes available  
at low interest rates \$2.5 billion  
for local public works construc-  
tion; and a bill that would allow  
states to enforce their own laws in  
many fields now largely controlled  
by the Federal Government. This  
"States Rights" bill has just been  
favorably reported by the House  
Rules Committee and therefore,  
cleared for House action.

With these matters pending, and  
some more appropriations bills for  
the President's 1959 FY budget  
still remaining, the session looks  
rugged well into the hot humid  
days of August.

**Monday Cattle Trade Strong to 25 or 50c Higher**

FORT WORTH — Trade was active and prices were strong to unevenly higher in all divisions of the livestock market at Fort Worth Monday. Cattle and calves were sharply curtailed, supply here due to rains and showers in recent days in the territory which has freshened pastures and assured green feed for a while longer. The cattle numbers around the major marketing circle were also nearly 20% smaller as 15,000 fewer arrived than on the same day last week.

Trade got underway quickly at Fort Worth and prices ranged from steady to 25 to 50 cents higher on the cattle and calves. Most strength was noted on cows and calves.

Good and choice slaughter steers and yearlings cashed at \$24.50 to \$27, and common and medium slaughter steers and yearlings drew \$16 to \$24.

Fat cows ranged from \$17.50 to \$21, and canners and cutters drew \$12 to \$17.50, a few strong weight cutters to \$18. Bulls returned \$17 to \$22.

Good to choice slaughter calves brought \$24.50 to \$27.50, a few fancy calves to \$28. Common and medium offerings cashed at \$17.50 to \$24. Cull sorts ranged from \$14 to \$17.50.

Good and choice stocker steer calves ranged from \$27 to \$32, and heifer calves ranged from \$27.50 downward. Lightweight stocker steer yearlings cashed at \$37 down, and feeder steers sold from \$25.50 downward. Some load lots of feeder steers cashed at \$24.50 and \$25.50, and some feeder yearling steers reached \$26.

**Sheep and Lambs Sell In Active, Strong Trade**

Sheep and lambs drew fully steady to strong prices. Good and choice Spring lambs cashed at \$21 to \$23, and those at the higher figure carried a percentage of just good grades. Cull to Medium Spring lambs sold from \$14 to \$20.50. Stocker and feeder lambs were considerably more active and spots were 50 cents higher, as the bulk of those lambs sold from \$18 to \$19. Some choice shorn Spring lambs cashed at \$21.50.

Yearling lambs of good to choice grades cashed at \$17 to \$18, and cull to medium yearlings cashed at \$13 to \$15. Old wethers cashed at \$8 to \$12, and some big weights of around 150 pounds and upwards were bid in the \$7 to \$9 bracket. Slaughter ewes sold from \$6.50 to \$7, and a few aged ewes for stocker purposes sold from \$8 to \$12. A few yearling ewes drew \$18.50. Slaughter bucks sold around \$6 and some aged bucks went back to the territory at around \$7.50. Two-year-olds cashed at \$15 down.

**The News Reel**

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, June 27, 1929

Ozona is on her toes in readiness to receive the thousands of visitors expected to flock to this city next Wednesday Thursday and Friday for the 4th annual Crockett county rodeo, race meet and stock show.

— news reel —

County road crews are grading and shaping up Ozona streets in preparation for the three-day rodeo next week. The Fair Association, in cooperation with the county, will sprinkle the streets each day during the rodeo to keep down dust.

— news reel —

With nearly a hundred entries already received, the second Frog Derby in history gives promise of being a bigger race of high speed-

ping horned frogs than even the promoters dreamed. The second horned toad derby, modified after the first one held last week in Barnhart, will be held in Ozona the afternoon of July 4. Promoters are Alvin Harrell and Doug Kirby.

— news reel —

A pair of silver mounted "Paddy Ryan" spurs, made by Crockett Bit & Spur Co., will be awarded the best bronc rider at the fourth annual Ozona rodeo. Jones Saddlery of Ozona will present the award.

— news reel —

Airplane rides for visitors and homefolks will be an added attraction here during the rodeo next week. Embree Hunt, pilot for the S. E. Couch Ryan Brougham monoplane, announced that the plane will be available for commercial flying all during the rodeo. A charge of \$3 a passenger will be made for short rides over the city.

— news reel —

Mr. and Mrs. W. A. Adams are in Christoval at the bedside of Mrs.

Adams' parents who are reported in ill health.

— news reel —

Mr. and Mrs. Massie West returned Wednesday from Galveston where they went to take Mr. and Mrs. W. E. West who sailed from that port city for a summer Mediterranean tour.

— news reel —

Cam Longley, Jr., left Saturday to enter the U. S. Military Academy at West Point.

— news reel —

Mr. and Mrs. Othro Adams and baby were here to spend the weekend visiting Mr. Adams' parents, Mr. and Mrs. L. B. Adams.

— news reel —

Mr. and Mrs. Worth Odum are the parents of twin daughters born here Saturday night at the home of Mrs. Odum's parents, Mr. and Mrs. John R. Bailey. The twins have been named Jean and Helen.

— news reel —

Mr. and Mrs. Arthur Phillips and little Arthur Byrd Phillips went to San Angelo Wednesday.

Sanford  
 bass fishermen are  
 top-water season.  
 type of fishing we  
 fortunately, however,  
 get out often enough  
 the fullest.  
 lot of luck to bass  
 of science too! The  
 ess is in using the  
 right place. True,  
 s when an old bass  
 anything. But, there  
 s when it seems he  
 thing. Did you say  
 ily is the time you  
 feel the same way  
 too often.  
 fish are caught for  
 or another, the man  
 with a good stringer  
 ually does it because  
 t he was doing.  
 mple of that occurred  
 n a group of fishing  
 en beat the brush in  
 y. They came up with  
 und bass in one af-  
 any of the old timers  
 re, ever remembered  
 one day.  
 these salesmen were  
 sting. However, they  
 ow to study the lay  
 It couldn't be said  
 plug was better than  
 use each rep was us-  
 particular brand, and  
 The two fishermen  
 for the top prizes

were Dave Hawk of Corpus Chris-  
 ti and Ray Bellinger of San An-  
 tonio. Dave makes Pico lures and  
 Ray sells Silaflex rods and Lang-  
 ley reels.  
 Both are wonders in the use of  
 rod and reel. So were all the other  
 reps. But the big payoff came for  
 this team because they picked out  
 places that were natural for bass.  
 They not only worked the points  
 and the pockets, they worked water  
 where it was evident that a  
 fault line lay beneath. For instance,  
 if a rock ledge protrudes into the  
 water, study its range. If there  
 is a known drop-off beneath the  
 surface, fish parallel to this reef,  
 not across it. In that way you'll  
 attract the big bass on the deep  
 side, as well as the yearlings that  
 might be playing near the surface.  
 If there is a little drainage cut  
 entering the lake, where water  
 from the countryside flows in to  
 make a sandbar, that usually is a  
 good place, too. Food particles en-  
 ter the lakes at such places. Small  
 fish feed on this plankton. Big  
 fish feed on the little ones.  
 Some people fish with top water  
 lures almost all the time. They  
 get fish. It is known that a bass  
 will dash 20 feet to take a lure  
 if he wants it.  
 Top-water fishing follows the  
 same general pattern, even though  
 a good top-water fisherman works  
 according to his own experience.  
 For the beginner, top water fish-  
 ing is much easier. He can watch

his plug work. He is less likely  
 to get hung and lose a plug. And he  
 can have plenty of fun when a bass  
 hits.

Working along the shore line  
 the man in the back of the boat  
 takes the close-in water; the man  
 in the front of the boat reaches  
 out. The front man, however, al-  
 ways should be careful not to dis-  
 turb all the waters which will af-  
 fect the fishing of the man in the  
 back of the boat.

Pick your shots. Lay your plug in  
 where there is likely to be a bass.  
 Twitch it, jerk it or chug it, ac-  
 cording to the make of lure you  
 are using. Wind in a couple of  
 times, and then do it again.

Sometimes when you are fishing  
 in brush waters, or in moss pock-  
 ets, it pays to leave your plug  
 where it falls, for 30 seconds or  
 more. Give it a slight twitch oc-  
 casionally. Some bass finally get  
 curious.

In brush fishing, you'll hang  
 your plug many times. But you'll  
 also get bass. The fellow who  
 never hangs a plug doesn't usually  
 get the most bass.

You can go on and on about the  
 methods of top water fishing. It is  
 good on quiet, still water, in the  
 early morning or late evening. It  
 is a wonderful way to catch bass  
 around lily pads, moss beds, rocky  
 shorelines, in the brush, or among  
 the tree stumps.

You can go on and on

**Cane Pole Fishing** — Long the  
 favorite system of thousands has  
 been cane pole fishing. It may be  
 the lazy way to catch fish, but it  
 also contributes a great deal to  
 the contentment of many thou-  
 sands of fishermen.

Go anywhere and you'll find pole  
 fishermen. Usually they are wear-  
 ing flop hats or blue bonnets. But,  
 it also is pretty certain that there  
 will be a stringer of mixed fish  
 hanging in the water nearby.

Now comes South Bend with a  
 new rod for jig and pan fishing. It  
 is called the Lazy Day. It is a 10-  
 foot telescoping glass rod, with a  
 wooden handle. Some of these  
 rods are equipped with line keep-  
 ers so that the lines can be wound  
 on the keepers when the rod is  
 closed.

**HIGHLIGHTS  
AND  
SIDELIGHTS  
From State Capitol**

By Vern Sanford  
Texas Press Association

**AUSTIN, Texas** — First drought, then floods and now grasshoppers have come to plague disaster-wary Texas farmers.

After touring the affected area in Panhandle, Gov. Price Daniel called it the worst grasshopper infestation in 20 years. Unless checked, he said, the 'hoppers could destroy much of the crops and pasturage in 26 counties.

County, state and federal agencies worked with landowners to get crews to spray hatching grounds along roadways. State Agriculture Department, Highway Department, National Guard and Defense and Disaster Relief Office are cooperating in the battle. Aim is to try to kill the insects before they leave the hatching grounds and start chewing their way into crops for which farmers had high hopes this year.

Another threat is fund shortage. At a cost of some \$3,000 a day for spraying crews, Texas Agriculture Department's emergency funds dwindled fast.

Governor Daniel expressed hope that some federal assistance might be obtained.

**Cox Appeal Denied** — Ex-Rep. James E. Cox of Conroe has lost another round in his fight against a two-year prison sentence.

Court of Criminal Appeals, by a 2-1 decision, upheld the trial court conviction on charges of consenting to accept a bribe. Cox's attorneys have one more recourse left — filing a motion for a rehearing. Since the appeals court recesses June 28, this could not be considered until it reconvenes next October.

**Judge's Opponent Out** — One election contest has already been settled, some six weeks before Election Day.

Texas Supreme Court ruled Dist. Judge Graham Purcell of Wichita Falls not eligible to run for the Court of Criminal Appeals against Judge K. K. Woodley. Reason: Judge Purcell has had only nine years experience as a lawyer and judge.

An 1891 amendment to the Constitution requires that Criminal Appeals Court judges have the same qualifications as Supreme Court judges. At that time the requirement for the high court was seven years experience. In 1945 the Constitution was amended to require 10 years experience for Supreme Court judges.

Despite the time lapse, the effect of the two amendments is to require 10 years experience for Criminal Appeals judges, according to the ruling in the Woodley-Purcell case.

**Line-Jumping Threat** — Another

Supreme Court ruling on an election dispute poses an Election Day dilemma for Dallas voters.

It held that Grover Cantrell, Dallas labor official and self-styled "Stevenson Republican," is entitled to oppose Cong. Bruce Alger on the GOP primary ballot.

Cantrell's candidacy is interpreted as a move to inconvenience Dallas conservative voters. Elec-

tion results for 1956 indicate a good percentage of "Big D" voters threw their strength behind conservative Democrats at precinct conventions and primaries, but supported Republican nominees for national offices in the general election. Presumably, unless conservatives are on hand to vote, Cantrell's friends might scratch GOP-favorite Alger in his own

primary. But it's a two-edged sword that applies equally to Dallas liberals. If they go to the Republican primary to help Cantrell, they can't vote for liberal Democratic contenders for state office nor fight conservatives for Democratic precinct control.

**More Money For Land** — Texas Veterans Land Board has made its

third \$12,500,000 sale of bonds to finance land purchases by veterans. This brings to \$37,500,000 the bonds sold since last December. Land Office spokesmen say it gives the program enough money to carry it until August, 1958. A total of \$200,000,000 in bond issues was authorized by voters in a recent constitutional amendment. For a time the program was at

a standstill because unable to find banks would accept the bonds in interest which they lowered under the law.

finer prospect for abundant crops in that country.

The Gonzales Inquirer says that the Sea Island and short staple cotton, planted since the grasshoppers left, and only five weeks old, is nearly knee high, full of squares and growing finely. The corn crop of the same age is six and seven feet high.

S. A. Benton, Esqr., of the Richmond Reporter, has purchased the interest of his former partner, S. H. Ferguson, in that paper, and thereby becomes its sole proprietor. The Reporter is an able and fearless journal — exposing error wherever found — and we trust it may long live to battle for an independent judiciary.

The San Antonio Texan learns through a private letter from New Mexico that great excitement exists in that section of the country in regard to late discoveries of new mines of gold and silver there. Many, it is said, will amass fortunes in a short time.

We have heard it whispered through town that Judge Gibson, the accomplished editor of the Sentinel, who is now absent at San Antonio, is on wife-hunting expedition. We cannot vouch for the truth of the rumor, but if such is the case, we trust our worthy contemporary may succeed in lariatting and bringing home some fair one to cheer his solitary hours.

Judge I. A. Paschal, of San Antonio, arrived in town a few days ago, where he will remain a short time in attendance upon the Federal and District Courts. The Judge appears to be in the enjoyment of excellent health. He says the farming prospects of Bexar and adjoining counties were never better and thinks the yield of corn in that section will be larger this fall than for many years previous.

The friends of education are cordially invited to attend the examination of the pupils of the Austin Collegiate Female Institute on Wednesday and Thursday, the 23rd and 24th insts. B. J. Smith, Principal.

An Artificial Breeze Maker — A new yankee notion is out, in the shape of a rocking chair; and a most singular invention it is. It is so constructed that by the ordinary motion of rocking, a delicious current of air is blown upon the face of the occupant, by means of bellows attached to the rockers; the bellows is attached to an icebox, and by placing a piece of ice in it, the bellows passes over the ice, conveying a refreshing breeze to the face.

Rodeo, Barbecue, Old Settlers Reunion At Rocksprings July 3-5

Rocksprings will have 4 western rodeos, 4 barbecues, 3 dances, and the Edwards County Old Settlers Reunion the week-end of July 3, 4, and 5.

The American Lebon's ninth annual rodeo will have its first performance Thursday night, July 3rd with two performances Friday July 4, and one Saturday night, July 5th. A barbecue will be served before each rodeo.

The first event will be the reception for the old settlers and ex-students at the Park Building, July 3rd beginning at 2 p. m. Mrs. J. C. Clark will be crowned queen of the old settlers at 7 o'clock that evening in the rodeo arena. Miss Louise Whittle, 1958 rodeo queen, will be crowned at the July 4th matinee performance.

**Third Study Series For Methodist WSCS**

Mrs. H. B. Tandy conducted the third session of the current study, "The Social Witness of the Local Church in the Ecumenical Movement," in a meeting of the Methodist W. S. C. S. Wednesday morning at the church.

A drama, "From All Nations," presented by a group of junior high youths, opened the program. Participating were Jan Smith, Marty Burt, Bryan Montgomery, Douglas Moore, Pete Montgomery, Scott Mahon, Tommy Wright, Driscoll Tubbs and Brad Harris.

Mrs. Tandy continued the study with an outline of the objectives of the World Council of Churches, and Mrs. Morris Bratton talked on "Our Ecumenical Task in the Light of History." A round table discussion of the responsibility of the local church followed.

Present were Meses. John Bailey, N. W. Graham, S. M. Harvick, Stephen Perner, Bailey Post, Chas. Williams, Sr., Gordon Smith, R. A. Harrell, J. A. Fussell, C. F. Brown, Clarence Rasberry, Paul Perner, N. T. Wright, Tommy Harris, Beecher Montgomery, Kirby Moore, Dixon Mahon, W. D. Cooper, Morris Bratton, and H. B. Tandy.

The concluding study in the current series will be Wednesday morning, July 2.

**Russell-Mahew Rites Read In Sonora Church**

Sonora — First Baptist Church of Sonora was the setting Tuesday of the wedding of Miss Jennell Mayhew and Hugh Dorsett Russell.

The bride is the daughter of Mr. and Mrs. Frank Mayhew. Her husband is the son of Mrs. George Russell of Ozona and the late Mr. Russell.

The Rev. J. E. Eldridge, pastor, read the ceremony.

Given in marriage by her father, the bride wore a waltz-length gown of antique satin topped with a short bolero. Her headpiece was trimmed with seed pearls and held a shoulder-length veil. She carried a white Bible topped with a gardenia and showers of stephanotis and ribbon.

Miss Addah Wardlow, cousin of the bridegroom, was maid of honor. Bob LaCombe of Ozona was best man, and guests were seated by Freddie Fields and John Ed Neville.

Organ music was presented by Miss Barbara Wilson. She also accompanied Miss Yvonne Davis, soloist.

A reception was held in the recreation room of the church immediately after the ceremony.

Following a wedding trip to Colorado Springs, Colo., the couple will live in Ozona.

**LADIES BIBLE CLASS**
