Lions Travel To Fort Stockton Friday Night In Search of Revenge For a 20 to 0 Pasting Administered By AA Panthers Here Last Season

By Ernie Boyd

The Ozona Lions will travel to Fort Stockton Friday when they will meet the Fort Stockton Panthers in a non-district clash, the kickoff slated for 8 p. m.

Fort Stockton will be the second AA school the Lions have met this season, having dropped a 24 to 12 opening decision to McCamey.

Last year the Lions were slight favorites to trip the Panthers when they came to Ozona but after out-playing the visitors all through the first half the Lions collapsed and played poor football to lose a 20 to 0 decision.

The Panthers will be working under a new coach this season and despite reports that the club was to be down this year the Panthers looked big and strong in their one-sided win over Iran last week.

Even though size is not expected to play much part in the outcome of this game, the Panthers will go into the contest with a slight advantage.

The new Fort Stockton Coach is Floyd Coker, who came to Texas from Arkansas with a record of 31 straight wins, 32 since last week's game.

In early scrimmage Sanderson came off best and then Ector of Midland scored seven times to 0 for the Panthers but those in Fort Stockton who viewed the contest felt that the Fort Stockton team had shown vast improvement since the Sanderson scrimmage, an impression shared by Brooks Dosier, who scouted the Panthers for the Lions last week.

The Lions emerged from the Coahoma rout with no injuries, and are expected to be at top strength for this week's game. Films of the game are being graded and any lineup changes called for will be made today.

The Lions top unit hit three straight touchdowns Friday night with David Sikes, Bobby Sutton, and Bob Meinecke each throwing one. The Lion air game, even though used sparingly, was very sharp.

The running of Billy Bob Holden at the fullback slot was also a notable improvement. There was really very little that could be said about the first team after the contest since the top men went to the bench early and saw little action after that.

Coach Pete Hickman had expressed the intention of getting some of his front line reserves into action against the Bulldogs but had not expected for the reserves to see most of the action.

Junior High Cubs To Open Season Tonight In Lion Stadium Against Junction; Coach Womack, In 8th Year Here, Sees Brightest Prospects

By Roy Killingsworth

Coach Chick Womack is starting his eighth year as head of the Ozona Junior High Cubs football team. This year he feels that he is coming up with his best over all team in a number of years. To prove his point, before his first game, he has experience, speed, size and the desire to play which makes a good combination for any coach.

Freshman boys out to make the team this year are: Carl Montgomery, Phillip Carnes, Bill Semmler, Floyd Danley, Bobby Herrera, Bill Cornelius, Glenn Rowe, Durrell Raspberry, Charles Bingham, Tommy Everett, L. D. Long, Johnny Childress, Gary Lee Stewart, Van Miller, Rudy Martinez, Frank Childress, Fletcher Costes, Abojas Lara, Freddy Dobbs, and Joe Sanchez.

Only five eighth grade boys are out for the team this year. They are: Penn Baggett, Brent Moore, Pete Montgomery, Ronnie Houston and Rutugio Zamarippa.

In addition to the above there are twenty-one boys from the seventh grade who are working out daily with Mr. Lewis learning the fundamentals of the game. Two games have been scheduled with Eldorado so that these boys will get some actual game experience

The Lions gained one man Monday when Johnny Jones, expected to be quarterback this season, came out for practice. Jones is recovering from a broken foot and is nowhere near ready for action yet.

On the other hand, the Lion squad lost one member when Don Powers, reserve fullback who scored 8 points in the Lions win Friday dropped football. Dizzy Reeves who had been moved to the defense, will take over the second string role.

On offense, the Lions will go with Jerry Jacobs and Jim Williams at ends, Johnny Cooper and Dick Flannigan at tackles. Kenneth Deland and Adolf Rivera or Tommy Porter at guards with B. B. Ingham at center. In the backfield, David Sikes will be at quarter, Bobby Sutton and Jim Freeman at half and Bill Holden at fullback.

On defense it will be Adolf Rivera and Wayne Albers at ends, Johnny Cooper and B. B. Ingham at tackles, Kenneth Deland and Rivera or Reeves at guards with Holden, Williams, Sikes, Sutton, and Jacobs in the defensive secondary.

Wayne Albers, Leslie Deland, and Joe McMullan along with Bob Meinecke are all threatening to break into the defensive lineup and any of these might replace a starter by game time.

Shallow Wildcat In Western Crockett Co. Spotted By Buchanan

J. H. Buchanan of San Angelo filed application to drill a 2,500-foot wildcat in Crockett County, seven miles northeast of Sheffield. It will be drilled as the No. 1 H. B. Cox.

Location, on an 80-acre lease, is 2,310 feet from the north and west lines of 36-GG-HE&WT.

The prospector is 1/2-mile southeast of Hoffman 1 Cox, a 2,518-foot failure, that was plugged and abandoned Sept. 6, 1958. It is also 1 1/4 miles east of production in the Half field, that produces from pay topped at approximately 1,666 feet.

EPISCOPAL SERVICES HERE

Services will be held next Sunday mornings at 11 o'clock and each Sunday morning thereafter at the same hour in the Chapel at Third Street and Avenue G by the Rev. Al Brown, Rector of St. John's Episcopal Church, Sonora. Everybody is invited to attend the services.

during the latter part of October. These boys are: Jimmy Semmler, Randy Mock, Richard Ross, Dude Melton, Daniel Enriquez, Estallo Rodriguez, Ramon Sanchez, Morgan Wayne Tolle, Paul Perner, Rodney Stewart, Leroy Cooper, Bryan Montgomery, Christoval Martinez, Scott Mahon, Mykle Stahl, Joe Boy Chapman, John Nerren, Stan Thomas, Douglas Moore, Donnie Pearson, and Norris Haire.

At the present time only six games have been scheduled for the freshman team, two each with Del Rio, Junction and Menard. Two games have been scheduled with Eldorado for the boys of the eighth and seventh grades and perhaps two others will be secured for them later on.

The first game of the season for the Cubs will be here in Lion Stadium on Thursday for this week, Sept. 18th at 8:00 p. m. Junction will bring a team composed wholly of freshmen for the game. Other games scheduled are Menard there on Sept. 25th, Del Rio there on Oct. 9th, Menard here at 7 p. m. on Oct. 23rd., and Del Rio here at 7 on the 30th of Oct.

For the game here Thursday at 8 with Junction, Coach Womack will start Carl Montgomery at fullback, Bobby Herrera at center, (Continued on Last Page)

Mexican National Deported Under 5 Years Probation

Theft of Car Charged To Wet In Indictment Here

Isidro Auses Ramirez, a Mexican national, entered a plea of guilty to charges of theft of a jeep on a Crockett county ranch, and was given a 5-year adult probation sentence in district court here Monday, the court order specifying that Ramirez remain outside the continental limits of the United States and in the Republic of Mexico during the entire term of the sentence. Ramirez was apprehended by a Highway Patrolman between Ozona and Sonora.

Two other indictments were returned by the fall term grand jury impaneled by District Judge Jim Langdon Monday. J. R. Campbell and Jack Edward Kelly were indicted on charges of forgery and passing a forged instrument in connection with a \$100 check, drawn on a Cameron Drilling Co. printed check, cashed by J. P. Pogue at the Ozona Oil Co. J. D. Williams was indicted on a charge of felony theft in connection with the alleged theft of a car from Buddy Moore of the Moore Motor Co.

Judge Langdon heard a civil case, a trespass to try title suit styled Paul Perner vs Oliver A. Eylar and others and rendered judgment for the plaintiff. There being no cases pending to require a jury, Judge Langdon relieved the petit jury from reporting as scheduled Tuesday morning.

P.T.A. Entertains With Ice Cream Supper In Honor Of Faculty

Members of the Ozona school faculty were honored at an ice cream supper in the school cafeteria Monday night by the P. T. A. Mrs. Martin Harvick, president, welcomed the parents and teachers and outlined plans for the year's work.

"Education Is Life in the Making," the program theme, was outlined by Mrs. Kirby Moore.

The Tri-County P. T. A. will meet in Ozona October 9 in the high school auditorium. The group will meet for coffee at 9:30 to be followed by a business meeting at 10 a. m. Everybody is invited to attend.

October 31 is the date set for the annual P. T. A. Carnival. Each class will have a booth as last year and a parade of North Elementary and pre-school children will open the event.

In the Spring, the annual Conference, Sixth District, Texas Congress of Parents and Teachers will be held in Ozona.

The executive committee acted as hosts at the ice cream supper. Miss Lola Mae Daniel's first grade won the attendance award. About 100 persons attended the opening meeting.

Almost Daily Rains Soak Ozona Country; Heavier Falls South

Although lacking any spectacular downpours such as have been reported from other parts of the state and even in this county, to the south, rainfall so far in September in Ozona has been moderate but frequent enough and coming on top of bountiful rains all through the month of August to make this immediate ranching area the wettest it has been in more than a decade.

Measurable rainfall has been recorded in Ozona seven out of the last ten days, for a total of 1.32 inches of moisture. The heaviest falls this month have been only .3 of an inch but in the last ten days the falls have been almost daily to keep the ground soaked and the moisture deepening.

The month's record read as follows: Sept. 7, .31; Sept. 8, .06; Sept. 9, .10; Sept. 12, .31; Sept. 15, .14; Sept. 16, .30 and Sept. 17, .10. During August, rains record on nine separate days reached the whopping total (for August at least) of 5.02 inches. The August rains were recorded at the fire station official gauge as follows: .90, .70, .24, .02, .08, .60, 1.65, .65, and .18.

Reports from the south part of Crockett county indicate falls in that area up to a total of 12 inches so far this month.

4-H Feeders Draw For Lambs; 25 To Launch Programs

Show Type, Commercial and Registered In 1959 Project

Twenty-five Crockett 4-H Club members started mutton lamb feeding projects last Saturday when they drew for lambs that had been selected from Crockett County sheep flocks. Suffock-Rambouillet crossbred lambs and Rambouillet lambs were shaped up into groups of three lambs for the young feeders to draw from. Seventeen groups of crossbreds and twelve groups of Rambouillets were drawn and placed on feed by 25 4-H club members. The lambs will be fed 90 days and graded into market grades. The 51 crossbred lambs averaged 72 pounds and the 36 Rambouillet lambs averaged 72 pounds, shorn weight.

Fourteen 4-H members have 40 show-type lambs on feed in addition to commercial lambs. Three 4-H members are feeding only registered Rambouillet breeding sheep. They are Pierce and Jay Miller, and Pam Jones. Billy Troy and Larry Williams have on feed three milk-fed steers, two dry-lot steers and seven registered Hereford heifers. Fred Baker has one dry-lot steer on feed.

Commercial lamb feeders are Mark and Penn Baggett with three crossbreds, Pleas Childress, the breeder, and three Rambouillet lambs, Eugene Miller, the breeder; Bill and David Jacoby have three crossbreds, John Childress, the breeder, and three Rambouillet lambs, James Childress, the breeder; Milton and Candace Colquitt, three crossbreds, Joe T. Davidson, the breeder; and three Rambouillet lambs, Paul Perner & Son, the breeder; B. B. Ingham, three crossbreds, John Childress, the breeder, and three Rambouillet lambs, one Eugene Miller, the breeder, and two, C. O. Walker, the breeder; Fred Baker, three crossbreds, Joe Tom Davidson, the breeder, and three Rambouillet lambs, James, the breeder; Bob Childress, three crossbreds, Charlie Boy Davidson, the breeder, and three Rambouillet lambs, C. Tax Values Drop Million And Half From Last Year

Depressed Oil Industry Responsible For Tax Decrease

Total valuations for tax purposes in Crockett County dropped approximately one and a half million dollars this year over last, due primarily to depressed conditions in the oil industry and from depletions in producing fields in the county.

The final valuations for tax purposes in the county were revealed this week when the rolls were completed in the office of the county sheriff, tax assessor and collector.

The total valuations for county purposes this year will be \$32,485,405, against last year's total of \$34,169,235. The valuations for state purposes will be \$31,443,090 compared to last year's total of \$33,032,310 and for school purposes the total this year will be \$30,952,875 against last year's total of \$32,514,915. The difference in valuations for county and school purposes is explained by the fact that University of Texas lands in the county are not taxable for school purposes, nor are intangible values.

The net decreases in valuations in the three categories are: county, \$1,683,830; state, \$1,589,220, and schools, \$1,562,240. The drop in revenue for school purposes will be offset by an increase of 16 cents in the maintenance rate and 3 cents in the bond retirement levies for school purposes, set recently by the Commissioners Court after voter approval of an increase in the maximum rate for school taxes.

A slight increase in livestock numbers is noted in this year's renditions, except in the case of horses. Horse numbers dropped from 1,270 last year to 1,229 this year. Cattle increases from 4,901 last year to 6,496 this year, sheep from 170,837 to 183,266, and goats from 28,540 last year to 30,445 this year.

Taxpaying period begins October 1, with a 3 percent discount on payments in October, 2 percent in November and 1 percent in December, except there will be no discount allowed on school taxes nor on poll taxes.

Two Bunk Houses On Crockett Ranches Are Destroyed By Fire

Bunk houses on two Crockett county ranches were destroyed by fire early this week.

A small house used by ranch hands on the P. C. Perner ranch in west Crockett county was destroyed Monday night and Tuesday night one at the James Baggett ranch in the south part of the county was a total loss. Origin of the fires had not been learned here.

A burning flare from an oil well being tested on the Couch ranch west of Ozona caused a run by the fire department Tuesday night. A motorist, unaccustomed to seeing a flare in that locality (the well was drilled several years ago and was being tested,) reported a blaze and firemen investigated.

HARVARD KICK-OFF

Vice President Nixon, talking in Boston the other day at the 50th birthday party of the Harvard Business School, made it pretty plain to his hearers that they were listening to his first campaign speech for the Presidency.

Most significant in the address that can be expected to make political history, was a proposal for tax reform to provide incentives that will stimulate business — and in turn produce the increased Federal revenues that we must have if we are ever to end the shiftless habit of deficit spending and balance our budgets, or make a start on bringing the newly-raised "temporary" \$288 billion debt ceiling earthward.

Mr. Nixon took pains to make it clear that these tax proposals were not to be attributed to the Eisenhower Administration, but were his own. He was disregarding, he said, any political risks that might be involved. "After all, I'm not running for anything," he observed with a smile. He paused and added, "this year."

Based on the thesis that "prosperity for the American people is inseparable from prosperity for American business" — the Vice President declared for a reduction in the 52 percent corporate income tax rate, "more liberal" depreciation allowance, relief from the almost confiscatory personal income tax rates in the brackets and a 1 1/2 per cent general manufacturers' excise tax to replace all present excise taxes except those on cigarettes and liquor which he would leave unchanged.

Using the phrase "re-orientation" to describe his proposals to the Administration and to Congress in his term, he said: "We must not allow the fear of a temporary budget deficit to put us in a strait jacket which will keep us from doing what we ought to do to insure economic growth. Our goal should be to fashion a tax structure which will create more jobs, more income and more genuine security."

In principle, if not in detail, the Vice President is proposing the very thing that thoughtful citizens have long been urging — not just tax-cutting but a re-examination and reformation of the tax rate-structure. The premise that increased incentive, both individual and corporate, can produce greater revenues at more reasonable rates is, we believe, entirely valid. And we agree with Mr. Nixon that to withhold action until everything is hunky-dory in the Treasury would merely delay an essential overhaul job. Forever, maybe.

In a way, it's too bad our Vice President is "not running for anything — this year!"

Pioneer To Purchase Gas From Irion Field

A gas purchase contract covering the purchase of gas from wells in the Ketchum Mountain field in Irion County, Texas has been signed between Pioneer Gathering System, Inc. and Sinclair Oil and Gas Company. The announcement was made Wednesday, September 10, by Burton P. Smith, President of Pioneer Gathering System.

The gas purchased by Pioneer Gathering is to be produced from wells which have been heretofore flared for lack of an available market.

Pioneer Gathering, a subsidiary of Pioneer Natural Gas Company, is already buying gas in this area and delivering it to Permian Basin Pipeline Company.

To tie the wells to its system, Pioneer Gathering has made application to The Federal Power Commission for the construction of 2 miles of 2 1/2 inch pipeline.

Construction is expected to start this fall and the company expects to begin delivery by January 1, Smith said.

GIRL SCOUT TROOP 9

Girl Scout Troop 9 held its first meeting of the new year Thursday, the regular weekly meeting day of the troop. Leaders of the troop are Mrs. Clovis Womack and Mrs. Bud Coates.

Troop government was discussed and planning of troop activities. Mrs. Womack told the girls that one of the nice things about a Girl Scout troop is that it belongs to the members. "You have the privilege of planning your own meetings and the success of your troop depends on you," she said. "Your meetings will be fun if you take part in the work, play and government of your troop."

The following new officers were elected: President, Janie Gilliams; vice president and game chairman, Shirley Wagner; secretary, Vicki Good; corresponding secretary, Diana Coates; treasurer, Terry Jean Newton; reporter, Pat Womack; scrap book chairman, Jeannene Hester; song leader, Alice McKee; and sergeant at arms, Pat Wise.

Nine girls were registered and the troop is looking forward to an active and interesting year.

Mrs. Dick Webster assumed the presidency of the Beta Rho chapter of Epsilon Sigma Alpha Sorority at the first executive board meeting held in her home last week. Mrs. Webster moves up to fill the office vacated by Mrs. C. V. Tubbs who moved from the city last month.

Mrs. J. A. Felto was appointed to fill the office of first Vice President and membership chairman. The group will hold their first meeting of the year tonight at 7:30 in the home of Mrs. Coralie Meinecke. Dr. Lloyd Sherrill will again be the first guest speaker of the year. He will talk on the subject "Emotions our Power House and Emotions in Action."

EDITOR'S CORNER

Life would be dull and common place if we didn't have the thing called challenge. Improvement and advancement would be forgotten, each day bringing the old routine.

Challenges meet us around every bend in life's road. Our bosses, parents, ministers, neighbors, and teachers give us ideals and goals to attempt to reach.

Although few of us make them, we have tried and have become better because of it. The feeling of accomplishment repays one a hundred-fold.

As this school year begins, an "inventory" should be taken by everyone to assure his greatest benefits. See where your challenges lie and plan to conquer them.

FISH DAY

Wednesday marked the date of the annual Freshmen Day proceedings. The Student Council varied the initiation by having the first-year students wear dressy clothes instead of the usual tacky dress. The girls wore gloves, a hat and high heels; the boys, a suit and tie. Appropriate games were led by the sponsoring group. Each "slave" treated his master to a sandwich lunch in addition to carrying his books and running errands. Air raids were conducted differently. At the cry "Air raid" from an upper-classman, the freshmen would search the sky for approaching danger. Good sportsmanship among the students led to a morning of fun and frolic.

THE LINE-UP

By Priscilla Stewart

Whoever missed the football game last Friday night missed the time of their lives. Our boys and coaches had worked harder than ever before on every angle of football plays. We saw the results of team work at its best, and isn't that what it takes for a good football team?

We have 3 three-year letter men back on the squad this year which includes Seniors Billy Bob Holden, guard; Jerry Jacobs, end; and Bobby Sutton, half-back.

We can truly say that no team is complete without eleven men. Our two-letter men are David Sikes, senior half-back and quarter-back; B. B. Ingham, junior center; Kenneth Deland, Senior guard; and Johnny Cooper, Senior tackle.

Then there are those with only one year as a letter man. These include Johnny Jones, junior quarter-back; Don Powers, senior full-back; Diz Reeves, senior full-back; Adolfo Rivera, junior guard; and Leslie Deland, junior tackle.

Of course, we can't do without the so called little guys in football, the boys who will someday be better men. Our juniors includes Bob Meinecke, quarter-back, Muggins Good, half-back; Joe Friend, half-back; Roberto Rodriguez, center; Bill Meinecke, guard and tackle; Joe McMullan, guard; Ronnie Beall, center and tackle; Tommy Porter, guard; Dickie Flanagan, tackle; Jim Williams, end; and Alonzo Galindo, end.

Our first year men or sophomores include Jimmy Freemann, half-back; Tony Parker, half-back; Wayne Albers, tackle; Jim Doran, end; Mark Baggett, tackle; Deeney Holden, back; Alvin Blundell, back; Richard Sikes, back; and Martin Castellano, back.

Let us all with the best in us, work toward making our school the best in work and play.

For general home repairs — Air conditioners reconditioned and furniture repairs — Call Ted Doggett. Phone 2-3063.

POST-GAME PARTIES

After the last two football games there have been dances out at the country club. Week before last there were people hanging out the window and doors. McCamey, I-ran, and Big Lake kids were there along with all of the Ozona kids.

You know that old saying "a girl in every port"? Well, some of our boys were having quite a time keeping up with all their girls that happened to appear at this dance.

The Coahoma game really called for a victory dance! There weren't near as many people there, but we had just as much fun.

SOPHOMORE OFFICERS

The Sophomore Class met Tuesday during the activity period to elect the head of their class for this year. They re-elected Jim Freeman as President. Jim did a good job last year, and we are sure he will do equally as well this year. We know that the Vice-President has to be someone that is a hard-worker and is willing to plan with the president. To fill this post the Sophomores have chosen Sandra Whitaker. The Secretary-Treasurer this year is the very capable Roberta Johnigan. Roberta is one of the better students and is a good person for a job like this. Our Student Council representatives are Barbara Barbee and Art Kyle. Art was our representative last year, but Barbara is being broken in this year.

They are good leaders and workers and will lend much to the organization. We elected as our class sponsors Miss North and Mr. Harlan. Miss North is known as one of the "mists" in High School, and we are looking forward to working with her. Mr. Harlan was Senior sponsor last year, and it may be a little dull for him since the Sophomores do not take trips, but there will always be the Christmas dance to keep us busy.

FOR SALE — 22-foot upright freezer. See J. C. O'Rear. Phone 2-2208.

BEHIND THE BANDSTAND

You say a band was marching on the baseball diamond? Yes, the OHS band began practicing a week before school started. They had to march at the baseball field because the football boys were always practicing. The band worked very hard on marching and football shows in the morning. In the afternoon they played in the auditorium because it was air-conditioned. Since school has begun, they have presented two shows. The first one was a showing of the different types of "sock" dresses to help people decide if they liked them or not. The twirlers acted as models and did a very good job. There was a difference of opinion about liking them — a few do, quite a few don't! The band formed the dresses as they were presented.

A salute to the school personnel was the second one. It expressed our thanks to the superintendent, principal, teachers, bus drivers, cafeteria workers, and janitors in a small way.

Twirlers Linda Millsbaugh, Nonie Conklin, Molly Sue Richardson, Sally Baggett and Sandra Whitaker did a very fine job of twirling. Congratulations to the twirlers and

the band on two fine shows! Also, our thanks to Mr. Smith who made them a success.

FRESHMAN CLASS NEWS

Seventy-six new faces grace the halls of OHS this year. It looks as if Doc Washburn, their class president, will have her hands full planning for the Thanksgiving Day Dance. Daniel Harkness will assist her as vice-president, while secretary Pam Finner will record all the class news.

They will be very grateful for the help Mr. Hopkins and Mr. Dobbs will give them.

At the present the Freshmen's thoughts are centered around "Freshman Day" which was held Wednesday on the school ground.

JUNIOR ELECTIONS

Last Tuesday class elections for '58-59 were held. This year junior officers are Jimmy Williams, president; and Susie Chandler, secretary. Also chosen were class sponsors, who are Mr. Leath and Miss Powers. Students Council representatives are Ronnie Beall and Sally Baggett. As in the past the junior class will be responsible for the Junior-Senior banquet and

dance. Our hope will be the coming of football home district will begin in about ten days.

SENIORS

Wednesday, the Senior class officers and sponsors met for their year. Elected officers were Miss Tuggle, Mr. Moody, Officers Jerry Jacobs, Pam Cooper, Vice - Davidon, Secretary Spurgers, Treasurer Council representatives Dale and David.

The Seniors are looking to their last year, the biggest — and possibly the most exciting too. The climax of years together isn't naturally their time of great anxiety and

"COKE" —

Far off in the grand cry "Coke" — wasn't a do-do kind of Senior. He was willing. (Continued on Page 5)

Moderate Receipts of Cattle At Major Markets Firms Trade

Fort Worth, Sept. 15 — Fears expressed in the trade last week that excessive runs of cattle and calves might arrive at points around the major marketing circle proved unfounded Monday. The twelve major markets showed over 14,000 fewer cattle and calves, although Fort Worth had nearly ten percent more.

Trade developed along active lines on most cattle and calves at all points, although the feeder cattle trade was inclined to shy away from heavyweight yearlings and feeder steers unless some concessions in price were accomplished. Stocker cattle and calves suitable for pasture purposes were in broad demand at all points.

At Fort Worth, the stocker trade was very active and again there were both large and small stockmen from all over the Southwest seeking replacement cattle and calves. Cattle and calves were active and fully steady with some sales on calves strong to 50 cents above the low close of last week.

Good to choice slaughter steers and yearlings bulked at \$24 to \$26.50 and medium to lower grades cashed at \$18 to \$24. Fat cows sold mostly at \$18 to \$21, a few heiferish kinds higher. Canners and cutters sold for \$13 to \$18. Bulls brought \$18 to \$22 in most sales, odd head outside that range.

Good to choice slaughter calves cashed at \$24 to \$26.75 and a few to \$27. Common and medium slaughter calves drew \$18 to \$23 and culls sold at \$16 to \$18. Medium and good stocker steer calves ranged from \$28 to \$33 and common to medium sorts cashed at \$20 to \$27. Stocker heifer calves ranged downward from \$30. Stocker steer yearlings of medium to good grades sold from \$20 to \$25 and some lightweights drew \$26 to \$27. A few medium fairly good stocker cows sold from \$18 to \$20.

Slaughter Lambs Were Very Scarce, Weak to 50c Off

Despite being in negligible supply, packer types of lambs were weak to 50 cents or more lower at Fort Worth Monday. Packers displayed little interest and feeder buyers were active at firm prices. Hence, the bulk of the offerings was sold as replacement lambs.

Stocker sheep found strong prices, quality considered. Slaughter classes of sheep and goats were also firm.

Slaughter lambs were dull and

weak to 50 cents or more lower. The trade was lacking an adequate test on fat lambs, as most offerings were mixed fat and feeder lambs and the feeder prices usually outstripped packer offers except on culls.

Medium to good fat lambs drew \$18 to \$20 and cull to medium lambs drew \$12 to \$18. Stocker and feeder lambs sold from \$19 to \$21, a few buck lambs around \$16 to \$18. Slaughter ewes sold from \$7 to \$8. Fat goats sold at \$7, with light canners at \$8 and a few billies at \$5. Kid goats sold at \$10 to \$11.

Solid mouthed stocker ewes sold at \$15 to \$16 per head and yearling, two-year-old and three-year-old ewes sold from \$18 to \$21.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas — Texas Democrats now look toward 1960, the year some think they might nominate the next U. S. President. And added to the party's tumultuous history is the 1958 Democratic convention. It was billed as a "harmony" meet, but more resembled a family reunion to fight over grandpa's will.

Gov. Price Daniel's liberal foes are hotter under the their collars than ever, but despite their noisy opposition, the governor "ruled the roost" in San Antonio. And, with an executive committee acceptable to him and a platform reflecting his views, he holds the reins of party leadership for two years.

Test in the struggle between Daniel's supporters and the liberal DOT faction championed by U. S. Sen. Ralph Yarborough came over the selection of a presiding officer. Congressman Frank Icard of Wichita Falls, with the support of Senator Johnson, Speaker Rayburn and a comfortable majority of delegates, showed under Louisiana Judge Jim Sewell.

But the real grudge being nursed by the Yarborough faction was over the bouncing of two executive committee nominees selected by the delegates from their districts. They were replaced, on the recommendation of the nominations committee and vote of the convention, by people regarded as more friendly to the governor.

Liberals, who haven't been "let" with a Texas governor for years, have fought bitterly against this traditional veto over the making-up of the executive committee. They feel the committee members should be like a legislature, reflecting the varying views of the sections which elect them.

Having lost out on this in 1956 they raised protests and finally stomped out as being promising revenge.

Principals — States rights and cooperation within the official party framework were stressed in the Democratic convention resolutions.

Delegates resolved against: (1) Unauthorized use of the name "Democrats of Texas" by the DOT; (2) "overstepping of power" by the U. S. Supreme Court; (3) use of military troops to enforce school desegregation; (4) state income or sales taxes; (5) excessive foreign imports and (6) federal aid to schools.

They favored (1) enactment of laws to prevent members of one political party from voting in the primary of another and (2) Governor Daniel's platform for the next two years.

Republicans Agree — Delegates to the GOP convention had little difficulty uniting on a Down with the Democrats' platform.

Conservation Democrats, they declared, must join with the Republicans to keep the country from going completely socialistic.

With apparent nervousness, the Republicans adopted a "kid gloves" resolution on school segregation. They recommended the "solution in Texas be left to the people, the school boards and courts within this state."

Another resolution swatted at Democratic office holders who failed to support states rights legisla-

tion in the last session of Congress. Republicans also affirmed their approval of Sec'y of Agriculture Ezra Benson and their disapproval of federally financed hydro-electric dams.

"Speakers" Still Spat — So tense and tight is the race for Speaker of the House that the possibility of winning with Republican backing has become an issue.

Rep. Joe Burdett of Kerrville has accused present Speaker Wagoner Carr of Lubbock of seeking support among the GOP candidates for House posts.

Twenty-nine Republicans are opposing Democratic nominees for House posts. Conceivably, if a few, or maybe even one, of the Republicans won, his could be the deciding vote.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 13, 1929

Two men were arrested and ten gallons of whiskey, two gallons of wine and 130 bottles of beer were seized by Sheriff W. S. Willis and a group of U. S. prohibition agents on a raid on a stilling station five miles north of Iraan, across the Pecos river from that town, on the Crockett county side.

— news reel —

J. S. Barlow, consulting engineer, has been employed to draw the design and supervise installation of a sewer system in Ozona by the Southwest Sewer Co. of Dallas. The Southwest Sewer Co. was recently granted a franchise by the county to install a sewer system there.

— news reel —

Investments at Crockett county

lamb to northern feeders and market centers continues. Last week seeing a total of 6,000 shipped out of Barnhart and approximately 6,000 head of old ewes changing hands at the shipping point also.

— news reel —

Ozona football fans will be treated to the first game of the season on the local gridiron next Saturday afternoon when the Eldorado High School Eagles invade the stronghold of the Ozona Lions. Seven of eight last year's lettermen will probably see action, the eighth, Red McGee being confined to a San Angelo hospital. The seven veterans include Captain Dock Lee, George Bunger, Carl North, Earl Deland, Thalis Elledge, Walter Kyle and Herman Chandler. Woodrow Wilson, a substitute on last year's team, and Fatty Kyle are possible starters at quarterback, Coach Lewis said.

— news reel —

Two firsts, four seconds, two thirds, five fourths and one fifth place were prizes won by ten head of registered Hereford cattle from the Joe T. Davidson herd at Crockett county in the cattle

show in San Angelo Tuesday in connection with the West Texas Exposition now in progress there.

Mixed kids are selling for \$4.50 and lambs are in demand at 10 cents a pound. O. L. Richardson of the T. L. Benson Livestock Commission Co. reports.

Opening Meet Sept. 23

The Ozona Woman's Club will open its new club season in a meeting Tuesday, Sept. 23, in the home of Mrs. Stephen Perner, with Mrs. Will Baggett as assisting hostess. Miss Becky Davidson, who spent the summer at the fabulous National Music Club at Interlochen, Michigan, will describe some of her experience at the camp and present a flute solo.

The club plans to have representation at the San Angelo Standard-Times Club Women's Forum to be held in the Cactus Hotel Sept. 16 at 10 a. m. The Forum is for club presidents and publicity chairman.

On Sept. 20, the Sixth District Board meeting will be held in Abilene at the Woman's Club building.

GIRLS SCOUT TROOP 3

Girl Scout Troop No. 3 met Sept. 9 in the first meeting of the year. Twelve Girl Scouts were present. We will have our meetings every Tuesday. Lana Kay Alford was elected president; Lucille Childress, vice president; Lynn Cox, secretary-treasurer; Vicki Lynn Montgomery, reporter; Barbara Kirby, song leader; and Marilyn Millsbaugh, scrapbook keeper. On a committee to plan meetings are Helen Hayes, Fannie Beth Everett, Mary Jo Walker and Donna Moon.

The Troop met in second meeting Sept. 13. Melissa Harvick was elected corresponding secretary. Cella Hudson joined the troop. We played the \$64,000 Question and gave prizes.

Roy Harrell, son of Mr. and Mrs. R. A. Harrell, left Saturday for Washington, D. C., where he will enroll in the School of International Service of American University at Washington. This is the first year the American University has offered the course in International Service, a school preparing student for diplomatic service.

Harrell received his B. A. degree from the University of Texas and last year did graduate work at Duke University, Durham, N. C.

WELL, THEY'RE BOTH IN
ABILENE AREN'T THEY?

Bill Hannah writes from Denver, Colo.: "May we be the 100th to tell you that Oliver Jackson and Bobby Morrow are from A. C. C. instead of HSU."

A little late, but you can qualify for the 100th. Might be 100th in pointing to PTA meeting Tuesday in headline and Monday in story, or sugar at 89 cents a pound at Modern Way (same issue.) Thanks anyway for trying to keep the record straight.

GLEANERS CIRCLE

The Gleaners Circle of the Methodist WSCS met Wednesday morning in the home of Mrs. L. B. Cox, III, Mrs. P. C. Perner, Circle chairman, conducted the meeting. The program theme was "Christian Concerns of North American Neighbors." Mrs. Ralph Jones led the opening prayer. Mrs. Allie Lock talked on Hawaii. Mrs. Stephen Perner on the Caribbean Islands and Mrs. N. W. Graham on the United States. Mrs. R. A. Harrell gave the benediction.

Others present were Mrs. Dempster Jones, Mrs. J. S. Pierce, III, Mrs. John Childress and Mrs. L. B. T. Sikes.

Roy G. Pearson, production superintendent for the Continental Oil Co., has been transferred to McCamey where he will hold the same position, in charge of Conoco production in several counties of the area, exclusive of Crockett county.

Reshuffled Lions -

ponded to Bobby Sutton's pass call by firing a 27-yard strike to end Jim Williams, who ran into the end zone for the second score. This time the point try was voided when a penalty set the Lions back.

Fans hardly had time to get seated before the Lions were back again. Quarterback Royce Aberegg dropped back to pass, was rushed hard and Jerry Jacobs intercepted for the Lions.

David Sikes raced 18 yards to put the ball on the seven and Bobby Sutton went over from there with Billy Bob Holden running over the two points to give the Lions a 22 to 0 first quarter lead.

Even though a lot of reserves had already seen action in the first period, this about marked the end of the first team's play even as a mixed unit except for one series in the third quarter.

The reserves did not give the Bulldogs much relief as Bob Meinecke took over the reserve backfield and guided the Lions to two touchdowns in the second quarter.

Meinecke first hit Jerry Jacobs for a 30 yard touchdown pass and Don Powers ran over the two points. Then with just seconds to go before half-time, a pitchout to halfback Tony Parker sent the fleet Lion 26 yards around left end for a score. The play capped a sixty-yard drive by the reserves and left the half time score 36 to 0.

After the half time intermission, Coach Hiskman sent his starters in to receive the kickoff and they quickly marched 82 yards for a score. Sutton ripped off two gainers for 15 and 10 yards, Holden added 17 and 12 on two tries and Sikes added one for 12 before throwing a perfect strike to Williams for 16 yards and the score. Holden cracked the middle for 2 more points.

That was all for the regulars and they retired to let the reserves log time for the last half.

The reserves added the final Lion score early in the fourth period when Meinecke sent Don Powers off left tackle for 37 yards and then fired a perfect pass to Williams, who lateralled to Powers for 27 yards and the final score on the night's most beautifully executed play.

The Bulldogs broke into the scoring game late in the fourth period when fullback Lonnie Anderson picked off a Meinecke pass and ran 40 yards to score. The try for extra points and no good.

The reserves would have scored even more, doubtless, except for frequent penalties which stalled drives and offset long gains.

The regulars saw little service but when in action David Sikes, Bobby Sutton, and new fullback Billy Bob Holden were outstanding. Sike's faking, passing, and running were key factors, while Holden and Sutton ran with power and speed. As usual Jerry Jacobs was a tremendous pass receiver and Jim Williams in his first receptions caught all four thrown in his direction and turned three of them into touchdowns.

Defensively the Lion regulars played so little it was hard to tell much about them. Dizzy Reeves played a good hit on defense and was outstanding, among the reserves Butch Albers and Joe Friend were terrors and anchored the reserve defense.

The Lions rolled up 340 yards rushing and added 146 more passing while holding Coahoma to 80 yards rushing and 49 passing. In first downs the Lions had 14 to Coahoma's 10. The Lions drew 9 penalties for 85 yards while Coahoma drew 2 for 10 yards.

Leading ground gainers for the Lions were Parker 83, Sutton 69, Powers 57, Holden 55, Sikes 42 and Meinecke 34. For Coahoma, Anderson had 31 and Darden 27.
