Big Lake Golfer Title Winner In Ozona's Tourney

Aubrey Edwards Noses Out Ozona's Beecher Montgomery

By Ernie Boyd

Aubrey Edwards of Big Lake fired a steady 34 for the final nine holes Sunday afternoon to cop the title at the second annual Ozona Country Club invitational meet as Ozona's Beecher Montgomery came in second with a 37.

For Edwards the win in the final round ended a hard days struggle for the Big Lake golfer who drew medalist Boots Benson in the opening round and had to go an extra hole before ousting him one up.

The third and fourth golfers in the championship bracket were Jerry Scott of Big Springs who shot a 40 and T. J. Bailey of Ozona who had a 41.

In the consolation round, Bill Loftin of Big Lake edged the balance of his quartette with a 38 while Armstrong, Underwood, and Rutledge all fired 39's.

The first flight found Benard Rains of Big Springs the winner with a 38 while Ray Le Boff of Alpine got a 39. Joe Williams of Ozona a 41 and Ken Malone of San Angelo a 44.

In the first flight consolation Red Greer of Ozona and Walter Sneed had to go an extra hole before Greer won the title.

The second flight found Billy Conn of Ozona the winner with a 38 just edging Byron Williams also of Ozona who posted a 39. In third place Charles Tabor, another Ozonan, had a 43 to edge Hawley Vanocourt of Crane who shot a 44.

Consolation trophy in the second flight went to Buddy Moore who had a 38 while Ruston Horton and Ken Williams of San Angelo both had 39 and Steve Presser of McCamey had a 44.

Third flight honors also went to an Ozona golfer as Wayland Jordan won with Dick Tucker of San Angelo. Frank Rutledge of McCamey and Billy Ward of Alpine finishing in that order.

Consolation finals went to Ozona's Bill Clegg with a 38 followed by Jimmy Read of Ozona with a 44 and Jim Colquitt of Rankin with a 43.

In the fourth flight Jim Francis of Alpine had a 41 with Sherman Taylor of Ozona runner up with a 42. E. L. Cherry of Rankin and (Continued on Last Page)

JUNIOR RODEO QUEEN — Pretty Miss Camille Adams was chosen by popular vote to reign as Queen of the second annual Ozona Junior Rodeo which was reeled off here last Friday and Saturday. Miss Adams was crowned after the grand entry heralding the start of the final night's show Saturday night. She was presented with a handsome silver belt buckle by Vic Montgomery, general chairman and show producer.

Miss Camille Adams Chosen Queen Of Second Annual Ozona Junior Rodeo; Sweetwater Miss Is Top Rodeo Hand

The second annual Ozona Lions Club Junior Rodeo was staged under near perfect weather conditions in Ozona last Friday and Saturday nights before two large crowds.

Miss Camille Adams, daughter of Mrs. Clay Adams, was named Queen of the 1959 show following the grand entry Saturday night and was presented a silver belt buckle in token of the selection.

Little Miss Lynn Wilson of Sweetwater took the all-around award as she won first place in the junior pole bending and took second in the junior girls barrel racing. The award goes to the contestant winning the most money and the two events in which Miss Wilson won were two of the big money events.

Ronald London of Dallas was the only contestant to win two first places as he captured first place in the goat hair pulling and took best average in the boy's pole bending in the junior class.

The second annual rodeo saw a great many more Ozona entries than was the case last year, and even though not too many of the local cowboys and girls won, they did put on a good show and gave the crowd something to cheer about in the way of local interest.

Vic Montgomery, chairman and producer of the show, had a snappy show for the two large turnouts as members of the former Crockett County Sheriff's posse, and other like organizations did a fine job of keeping the show moving in an orderly manner.

The vast multitude of paper work and record keeping was managed without a hitch by Oscar Kost, Miller Robison, C. E. Davidson, Jr., and others who gave a great deal of free time to the effort.

Miss Tana Harper, a blond cowgirl from Marfa, captured first place in the senior girls barrel race and also tried her hand with varying results at calf roping and also at calf roping and hair pulling.

Miss Vonda Marie Bell of Carlsbad, New Mexico, captured second place and Miss Betty Baggett of Fort Stockton took third in the senior barrel race.

In the junior girls division, Miss Diana Fisher of Utopia, Texas, took first, Lynn Wilson had second, and in third and fourth places Miss Kathy Greenwood and Miss Rita Sellers came up with a tie.

In the calf roping contest, Mike Sims of Abilene came up with first place with James Richards also of Abilene in second. Benton (Continued on Last Page)

Two Polio Cases In Ozona Prompts Vaccination Drive

Salk Shots Urged For All; 4th Booster Is Recommended

Reports of two paralytic polio cases in Ozona in recent weeks has prompted Mrs. Jack Wilkins, chairman of the Crockett County Chapter of the National Foundation to urge immediate Salk vaccine shots for all persons who have not yet had such shots and a fourth or booster shot for those who have had the recommended three shots.

Stephen Newton, 3-year-old son of Mr. and Mrs. Tommy Newton, is reported making satisfactory recovery after treatment in Shannon Hospital in San Angelo for what physicians diagnosed as an attack of polio. The child is said to have suffered some muscular weakness but will make full recovery, physicians said.

The other case is the 9-month-old daughter of Mr. and Mrs. Jesus Perez who is still in serious condition at the Perez home here after receiving treatment at the San Angelo hospital.

The Salk vaccine is especially recommended for all children but any person up to 50 years of age should receive the immunization. Those who are financially able to have the shots should do so at once and for those who cannot pay for the vaccinations efforts are being made to arrange for free administration, Mrs. Wilkins said. Ozona doctors have proffered their services for such charity inoculations. Mrs. Wilkins said, and efforts will be made to get a supply of vaccine through the State Health Department.

The Newton child had had the three Salk vaccine shots while the Perez baby had had none.

Henry Ridley, Father Of Mrs. M. A. Barber, Dies Of Heart Attack

Funeral services were held in Iraan last Sunday afternoon for Henry Ridley, a long time resident of Iraan and an employe of the Standard Oil Co. for over 30 years.

Mr. Ridley suffered a fatal heart attack just as he prepared to leave his office for lunch Friday. He had been suffering with a heart condition for several years.

Mr. Ridley was the father of Mrs. M. A. Barber of Ozona and of the former Miss Joan Ridley who taught school here for several years and who is now married and living in Kermit.

In addition to the wife and two daughters, Mr. Ridley is survived by two grandchildren, Judy and Craig Barber of Ozona.

Robert Martinez In ROTC Summer Camp At Fort Hood, Texas

Fort Hood, Tex.—Cadet Roberto O. Martinez, son of Mr. and Mrs. Samuel Martinez of Ozona, Texas, is receiving six weeks of training at the Reserve Officers Training Corps summer camp at Ft. Hood, Texas. The training is scheduled to be completed July 31.

The 20-year-old cadet is a 1956 graduate of Ozona High School and is a student at A&M College of Texas.

SUFFERS GUNSHOT WOUND

Wayne Scrivner, 17, son of Mr. and Mrs. W. C. Scrivner, suffered a gunshot wound in both legs Monday while hunting near Ozona. Young Scrivner's 22 caliber pistol was accidentally discharged in the pocket of his trousers, the bullet piercing flesh of the right thigh and entering the left thigh above the knee and lodging under the knee cap. The bullet was removed at Crockett County Hospital and young Scrivner is reported in satisfactory condition.

Mr. J. G. Hufstelder of Ozona is on a European tour with her parents.

AIR FORCE Station softball team, pictured above, plans to enter the 33rd Air Division ball tournament at Ellington Air Force Base, Houston, Texas, in August. S/Sgt. Charles Jenkins, team captain, announced the week. Local teams desiring to play practice games with the Station team are invited to contact Sgt. Jenkins at the radar Station.

In the picture are, back row, l. to, r., TSgt. Vance, Manager, A-2C Boyanton, A-3C Awbrey, A-2C Herring, A-1C Olmstead, A-2C Cox, S-Sgt. Jenkins, team captain, A-1C Blades. Front row, l. to r., A-1C Riddick, A-3C Bullock, A-1C Cardoze, A-1C Vaughn and A-2C Whaling.

PRETTY GOOD BOYS LEFT

Team Spirit And Determination To Win May Offset Loss Of Sutton In Lions Backfield, Opines As New Football Season Nears

By Ernie Boyd

With the rodeo gone and July almost past and with the annual Texas high school coaches association set for the first week in August, Ozona fans began to take notice of the approaching football season this week.

A number of Ozona fans plan to go to Ft. Worth Friday, August 14, for the annual North vs South star game which will have an Ozonan included in the cast this year for the first time.

Bobby Sutton, for four years a star starting back for the Lions, will be on the North roster and has been training hard for weeks in order to be ready for the sum-mer classic and in preparation for his freshman year at Baylor University where he has signed a letter of intent.

All practice dates have been advised this year in class A and Coach Fred Hickman expects to lead his squad down to work August 15 in preparation for this year's opening game in McCamey.

From 32 to 40 boys will be expected to report for the 1959 squad including fifteen boys who ranged from regulars to little used subs, all of whom seem to have the ability to make the Lions pretty good hands this season.

Coach Sonny Cleere will find a regular line stalwarts as B. Ingham, Wayne Albers, Dick Ingham, Tommy Porter, Joe McDaniel, and Ronnie Beal on hand, all of whom are a good deal bigger, stronger and faster than last year.

In addition to the above group, Williams and Jim Doran are expected to be back, all of whom are a good deal bigger, stronger and faster than last year.

The squad reporting to Coaches Fred Hickman and Sonny Cleere on the 17th may be the best combined group the Ozona staff has had in a number of years, but if the above material looks good, it is easy to take a look at the darker side.

First of all, there will be no Bobby Sutton. Sutton has been the mainstay of Ozona's offense for the past three years and it is hard to see an Ozona team without him. It is easy to remember some of the games the Lions won by big margins and see some fine play by the players returning this year, but those who go to the hard play-games will find that Sutton (Continued on Last Page)

Ozona LL Stars Stumbled In 2nd Round Of Playoff

Del Rio's Big Inning Eliminates Locals By 5-1 Count

By Ernie Boyd

The Del Rio all-stars used two hits and four Ozona errors to score all five runs in the second inning Monday night in Del Rio as they downed Ozona's all-stars 5 to 1.

Vennie Sanchez went the distance on the mound for Ozona and except for the second frame when his defense fell apart, he shut out the home team.

Ozona's lone run was also of the tainted type as Pon Seahorn raced home from third base when an effort to catch him going to third base went awry.

The Ozona team had won its way into the second round of play by walloping Sonora 9 to 2 in Sonora last Friday night. Bobby Smith broke the scoring ice when he waloped a pitch over the wall with one on in the first inning.

Linn Merritt went the distance for the Ozona team and was never in any real difficulty as the Ozona team continued the attack against the Sonora hurlers throughout the game.

The loss in Del Rio Monday ended the season for the Ozona team and will pit Del Rio against the winner in the San Angelo play off at a site to be named later.

Ozona Artist's Work To Be Shown In Paris

Mrs. Wayne E. West of Ozona has been notified that one of her paintings, "Forest", has been selected for showing in Paris, France, this fall in an exhibition at the Akademie Raymond Dumean, 31 Rue de Seine.

The painting, one of two by the local artist, was exhibited at the Prix de Paris at the Lijoa Duncan Galerie in New York, a foundation of the Paris Akademie. Mrs. West's painting is one of 75, shown by 37 artists, picked for the Paris showing.

CHURCH OF CHRIST SERVICES BROADCAST

Sunday morning services of the Ozona Church of Christ will be broadcast each Sunday afternoon starting at 1:30 p.m. over Radio Station KBLT at Big Lake. The services will be tape recorded at the morning worship hour and broadcast over the radio station at 1:30 in the afternoon.

Rattle Snake Hunt By Brother-In-Law Of Ozonan Dead Of Heart Attack At London, Tex.

A rattle snake hunt from a Volkswagen bus by two young men from Vermont resulted in a wreck on U. S. Highway 290, 33 miles west of Ozona, Tuesday afternoon which sent one of the young men to the hospital in serious condition and resulted in serious damage to the Volkswagen and a pickup truck.

Wallace Warren, 16, of Burlington, Vt., a passenger in the Volkswagen, is in Crockett County Hospital, his condition described as serious yesterday, as a result of the mishap. Carmi Richard Rushlow, 18, driver of the car and also from Burlington, was not seriously hurt.

The two Vermont men were traveling west when Warren thought he saw a rattlesnake and Rushlow stopped the car and reversed direction, according to the version of the wreck given Highway Patrolman Walter Cawyer. Satisfied they had missed the rattler, the Volkswagen driver started a U-turn on the highway and was struck by a pickup driven by Buford Andrews of Pecos, an employe of a Gulf Oil Corp., seismic-geograph crew. Two other cars were a short distance behind the pickup, traveling in the same direction, but Rushlow told Patrolman Cawyer he did not see any of the cars behind him before starting his turn. Andrews was only slightly hurt.

MAD SKUNK ATTACKS OZONAN IN BACK YARD

Mrs. N. W. Graham was attacked and bitten on the ankle by an apparently rabid skunk in the backyard of her home this morning. The animal lunged at Mrs. Graham unexpectedly and continued to attack as Mrs. Graham retreated into the house. Sheriff Billy Mills and deputies were hunting the skunk in the southeast part of the city this morning. Residents are warned to keep a sharp lookout for these animals around their premises.

Albie Elliot, Brother-In-Law Of Sam Beasley Of Ozona, Died Of Heart Attack At London, Tex.

Albie Elliot, brother-in-law of Sam Beasley of Ozona, died of a heart attack at his home in London, Texas, late Tuesday, according to word received by Mr. and Mrs. Beasley.

Funeral services were to have been held at 10 o'clock this morning at Valley Springs, in Llano county. Mr. and Mrs. Beasley left here Wednesday to be present for the funeral, planning to return to Ozona Thursday night.

Survivors include the widow and one son, Eugene Elliot. Mrs. Elliot is Mr. Beasley's sister.

Middle Queen Sand Discovery Finaled In West Crockett County

R.E. Sutton of Midland No. 1 Half Estate has been completed as a Middle Queen sand discovery in northwest Crockett county.

On a 24-hour potential test, the strike flowed 156 barrels of oil and no water, through a 23-64 inch choke and perforations from 1,350 to 1,372 feet. Gas-oil ratio was 500-1.

The pay section was fractured with 10,000 gallons of sand-oil mixture.

The discovery is 6 1/2 miles southeast of Iraan, 330 feet from north and west lines of Section 63, Bl. 1, I&GN survey and one mile south of the Half (Queen Sand) field.

THEY HAVE JUST BEGUN TO FIGHT US

No matter how concerned we may be about what the Communists are doing to us — at home and abroad — we are forced to admit that keeping up with their activities, above ground and beneath, is a career in itself.

Under the modern pressures of making a living, finding a little time for family life and performing even the most essential duties of citizenship leaves little time for worrying about a conspiracy, however ruthless and tireless, that is directed against us from the Kremlin, thousands of miles away.

As a result, it is all too human to shrug off the monstrous plot that is enveloping us and to accept the deadly tranquillizer the Reds have prepared for us — that Communism in this country is dying out, that we need not fear those who are left, even that our Congressional investigating committees are of doubtful value.

In seeking the simplest, most convincing means of alerting his fellow citizens to the vitally important fact that no attitude could be farther from the truth — or better calculated to destroy us — Lyle H. Munson, publisher and patriot who has spent his adult life fighting Communism, has just compiled a pocket-sized indexed "distillation" of quotations from official Government documents entitled, "For the Skeptic." (Post-paid \$3. The Bookmailer, Box 101 Murray Hill Sta., New York 16, N. Y.)

While it should convince the most stubborn unbeliever, it is not just for the skeptics. It is for everybody. Into its less than 200 pages, Editor Munson has compressed the highlights of 22,000 pages of official testimony, which, he notes, reflect millions of man-hours or toil by members and staffs of the various investigating Committees — for whose work Mr. Munson prays encouragement.

This editor notes in his introduction that "the FBI is precluded, by law, from publishing such re-

ports, the Executive Branch has generally refrained from doing so, and the judiciary has shunned doing so". He might have added that too many of our biggest publishers have the cynical attitude that the day of Paul Revere is over — and that details of a local sex-crime will sell more papers. But he does call to mind the fundamental reason why every American should read these pages:

"How little any of us would know about our Communist enemy," says Mr. Munson. "If this Committee work had not been done!"

Chief Donaghey To Complete 30 Years of Service For Sinclair

Ozona, Texas — M. B. (Chief) Donaghey, pumper in the production department for Sinclair Oil & Gas Company at Ozona, will complete 30 years with the company July 26. He will receive a pin and certificate in recognition for his long service.

Donaghey joined Sinclair July 26, 1929, as a pumper at Sasakwa, Oklahoma. He has worked in Oklahoma, Wyoming and Texas oil fields.

Born at Allen, Okla., he attended Ada High school and East Central State College at Ada.

Mr. and Mrs. Donaghey, who reside on Ranch Road No. 33, 18 miles north of Ozona, have five children, Col. J. B. Donaghey, Fort Benning, Georgia; Mary Jo Harris, Manvel, Texas; B. J. Donaghey, Sinton, Texas; G. L. Donaghey, Houston, and T. H. Donaghey, Burbank, Calif. Another son, Capt. M. B. Donaghey was killed and is buried in France.

Donaghey is a member of the Church of Christ.

FOR SALE—12,800 acre ranch in Terrell county. All net fences, well watered. Belongs to an estate and must be sold. Price \$12.50 per acre. Best ranch in Texas. C. E. SCHAUER, Del Rio, Texas. 18-3tc

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford

Texas Press Association

Austin, Texas — Tired reading about the Texas legislature?

Well — my friend — you're not alone. Seems like most everybody feels that way — including many members of the House and Senate.

Okay, then, for a little diversion let's look north and see what has been going on in our neighboring states.

Oklahoma's legislators also faced a financial crisis. How did they meet it? First they cut some needless expenses, eliminated waste and duplication. Then they appropriated for 18 months instead of 24. But they did not increase any existing taxes. Fortunately for them, financially at least, Oklahoma voted in liquor and they now have some brand new tax income — or will very, very soon.

Oklahoma, it must be remem-

bered, has a state income tax and an across-the-board two per cent sales tax—two things Texas doesn't have.

Putting the state in a better light, Texas legislators have met almost continuously since January 13. They may even have to go into a fourth special session. But if they do, they will earn the wrath of the old folks whose pensions stop in mid-August unless a sizeable tax bill is enacted. There is no doubt about it in Texas, the people are disgusted. And the legislators are disturbed.

There is much talk that many of them will not be re-elected. Undoubtedly there are some who don't ever want to return to the legislative halls.

Many of the senators and representatives have tried hard to formulate a tax program that would

care for the needs of the state. Their efforts have been stymied.

During the past six months there has been talk of a gubernatorial legislature, like Nebraska's. Also there has been talk of a special election to let the public decide on taxes — especially sales taxes. Some officials feel that the public, if it had its say today, would vote for a sales tax — and thus take the monkey off the backs of the legislators. But so far no one has had the courage to introduce such a measure.

Soundings by the press indicate that a sales tax might very well be acceptable to the people — that the people fully realize the dilemma — that they at least would go along with a reasonable sales tax, although they might be strongly opposed to an income tax.

Maybe a special election on the subject of a sales tax is the answer. At least the public would have a say in the matter and our senators and representatives would not have to face the criticism they now fear.

With somebody had thought of that earlier, don't you? An election could have been held on the subject at much less expense than

that incurred in financing additional special sessions which actually costered that very topic.

New Building — While the state and House are busy trying to find a way to finance their future operations, government buildings still are being built around the Capitol. In fact, they are beginning to dwarf the edifice.

Occupancy of the first of just been made by the Texas Employment Commission. Its 1000 employees now are housed in the \$2,400,000 structure.

A total of 11,000 pieces of equipment were moved last week to the new six-story building.

Long Invited Pledged — An attempt to get legislative approval of an invitation to Earl Long of Louisiana to the Texas legislature last week.

The latest effort by Rep. Jones of Dallas, drew little support.

Jones said that his was matter of "common sense" to the governor, who has expressed a willingness to let the Texas legislature work through the state recently.

One-key control: only Chevy in its field has done away with fumbling for two or three keys. The same key unlocks the door, starts the engine, opens the glove box and trunk.

WHY DO WITHOUT THIS CONVENIENT LITTLE TOUCH... LET ALONE

THESE BIG CHEVY VIRTUES!

BIGGER BRAKES

Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR-conducted test of repeated stops from highway speeds.

GREATER ROOMINESS

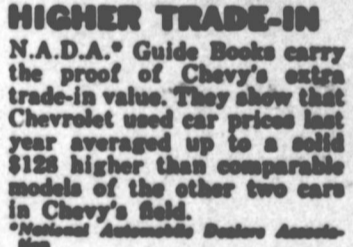

Official dimensions reported to the Automobile Manufacturers Association make this point abundantly clear. For example, Chevy's front seat room is up to 5.9 inches wider than in comparable cars. And Chevy even offers more front seat head room than all but one of the high-priced cars!

MOST ADVANCED ENGINES

We'll let SPORTS CARS ILLUSTRATED talk about Chevy's standard passenger car and Corvette V8's: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." And every motor magazine concurs! There are eight V8's to pick from—the widest choice in Chevy's field.

FRESH STYLING

POPULAR SCIENCE magazine's experts took one look and said, "In its price class, Chevy establishes a new high in daring styling."

HIGHER TRADE-IN

N.A.D.A.* Guide Books carry the proof of Chevy's extra trade-in value. They show that Chevrolet used car prices last year averaged up to a solid \$128 higher than comparable models of the other two cars in Chevy's field.

FULL COIL RIDE

You've almost got to find a really rocky road to show off Chevy's easygoing ride to full advantage. MOTOR TREND magazine gives you an idea, though: "... the smoothest, most quiet, softest riding car in its price class."

BIGGER SAVINGS

Two Chevrolets packing our penny-pinching 6 with Powerglide delivered a whopping 22.28 mpg in this year's Mobilgas Economy Run, winning the first two places in their class and walking away with top honors among all full-size cars. How can you argue with a figure like that?

See your local authorized Chevrolet dealer and see how much more Chevy offers!

**Notes From The
County Agent's Office**

By Pete W. Jacoby

Reading the U. S. Department of Agriculture's "Balance of Agriculture" the other day ran across some facts that interest you. For one thing, in this country there are 100 million dollars worth of financial assets that you could turn on a moment's notice into cash in your pocket. Bank accounts and United Savings Bonds. Maybe you don't have, but what surprised me was to learn that more than a billion dollars — roughly 10 percent of these liquid assets — is in Savings Bonds. A part of this is in that lovely "war days" — the E bonds — which seem to be still going after 18 years. Between 1941 and 1952, thousands of farmers purchased Series G Savings Bonds — the issues paying 2 1/2 percent. If you have any of these that have matured, or will mature soon, you should about a recent Treasury rule — special exception provisions matured F and G Bonds may be converted into new E or G bonds returning a higher rate of interest, without regard to the purchase limitation. Not all are worried about not being able to buy more than \$10,000 worth a year. But whether F and G holdings are large or small it's good to know you can cash them at maturity for E and G bonds.

The curly mesquite supplies the forage produced on the Plateau, studies were conducted during 1949-51 on the Plateau by the Texas Agricultural Experiment Station to rates of utilization, composition, productivity and quality of this grass. The studies carried out by L. B. Merrill,

associate in range management at the Seneca Substation and Dr. Vernon A. Young, head of the Range and Forestry Department at Texas A&M College. Copies of the publication MP-331 are available from the Agricultural Information Office, College Station, Texas.

Curly mesquite and other species of the short grasses have increased on the Plateau while the more productive bunch grasses have decreased. This, said the authors, was due to little or no attention given to the degree of utilization which should be applied to desirable range plants to obtain sustained forage yields or to maintain a proper ecological balance.

The dominant grass over large areas of the Plateau is curly mesquite, occupying 50 to 90 percent of the basal ground cover and furnishing a major source of livestock forage.

Three sites were set up on different soil phases where curly mesquite was the predominant grass. Plots one by two feet in size were established on each site to determine the effect of clipping frequencies and heights on the grass. The plots were clipped at intervals of two weeks, four weeks, twice yearly and once yearly at heights of ground level, one inch, two inches, and three inches for each frequency.

Three replicate plots were established for each treatment, making a total of 48 plots on each site, the authors said.

Clipping at ground level twice yearly produced the maximum vegetative yields for all treatments, but the rather heavy reduction in vegetative for 1950 indicated that there might eventually be a loss of producing ability over a period of years.

Clipping at a height of one inch twice yearly produced the second highest forage yield. These yields might be expected to be maintained on a sustained basis, the authors added.

**New Rules Laid Out
For 4-H Lamb Feeding
Program For 1959-60**

Some changes in the Crockett County lamb feeding program for the coming year were made at a meeting of 4-H members and others held last week, County Agent Pete Jacoby announced this week.

Some of the major changes from last year's program are as follows: Lambs will be left in the wool and will not be shorn; lambs will be blocked the same as regular show lambs; ten lambs of each prime group will be placed at the county show; feeders may draw for and place on feed their lambs as soon as lambs are available; a minimum of three groups must be selected from any flock; a feeder may start five lambs and must start with at least three, with a maximum of four lambs of each breed, Rambouillet and Suffolk-Rambouillet cross, to be on feed after official starting date for each feeder.

Official starting weights and ending weights will be recorded

for gain prizes on the lambs. Only lambs bred and raised in Crockett County and approved by the 4-H lamb committee are eligible for the county show. 4-H members may feed additional lambs approved by the county agent for other shows if they wish.

The county 4-H show will be held around the middle of January on a Friday afternoon, with a barbecue supper and auction sale after the barbecue.

The official starting date of the 4-H feeding program has not been set but will be sometime in early September. No one may feed lambs for the county show except those who start by the official starting date.

All boys and girls who plan to feed lambs in the 4-H lamb feeding program this year must notify county agent Pete Jacoby as soon as possible so that necessary arrangements can be made for lambs and feeding facilities.

For general home repairs — Air Conditioners reconditioned and furniture repairs — Call Ted Deggett. Phone 2-3083.

"It is a joy to keep up with the Ozona news and friends," writes Mrs. E. H. Gallenkamp, the former Mattie D. Word, now living in Baytown, Texas. Mrs. Gallenkamp is a sister of Mrs. J. B. Miller of Ozona.

Junction To Open 3 Days Of Races, Billy Goat Sale August 6

Opening with a street parade containing out of town entries Thursday morning, Aug. 6, three big days of horse racing, a huge two-day billy sale and three nights of dancing will start in Junction under the sponsorship of the Hill Country Fair Assn., a non-profit organization.

This will mark the 23rd annual affair with more horses here for the races than ever before. Twenty-four additional stalls have been built for them.

Special will be the Hill Country Feature, a three-fourths mile open for a purse of \$500 on opening day, and the Junction Derby, a one-mile open for a \$250 purse at the final race on Saturday.

Open jack pot calf roping will be held between each race throughout the meet.

Every type of goat a buyer might want and of the best quality ever offered, in the opinion of the goat committee, will be sold in the mammoth sale Aug. 7 and 8.

Twenty top stud billies out of the 204 will be sold Friday. Over 100 goats will be sold each day.

Texas Top Hands will play for the open air dancing in the pavilion at the Fair Grounds three nights.

BAKERS BACK FROM INSURANCE CONVENTION

Mr. and Mrs. Hubert Baker have returned from a week's stay in Biloxi, Miss., where they attended a national convention of officials, agents and employees of the Fidelity Union Life Insurance Co. of Dallas. Mr. Baker is Ozona agent for Fidelity Union. The convention was held at the Edgewater Hotel, halfway between Biloxi and Gulfport, Miss. Agents attending the convention outing had to qualify for the privilege by meeting certain production standards during the past year. The group enjoyed deep sea fishing, swimming, golf and Mr. Baker took part in a minstrel show staged by the group, singing with a 20-man choral group. About 300 insurance men and their families attended the gathering.

ON U. T. HONOR ROLL

Miss Carol Friend, daughter of Mr. and Mrs. W. E. Friend, Jr., of Ozona, is listed on the University of Texas College of Education scholastic honor roll for the Spring, 1959, semester. Dean L. D. Haekew of the College of Education, announced this week. Miss Friend is among 53 students in the department who made the honor roll.

Nick Bryan is here from Houston for a visit with his grandparents, Mr. and Mrs. Ray Post.

Fabens Firm Is Low Bidder On Pandale Road Extension Job

A contract for 7.1 miles of construction on R. M. 2063 in Crockett County has been awarded to a Fabens firm, it was announced in Austin this week by the State Highway Commission.

MacQuire-Gleaser Company submitted the low bid of \$118,944 on the project. Construction of grading, structures, base and surfacing from 31.4 miles southwest of U. S. 290 southwest 7.1 miles, an extension to the Pandale road, is expected to take 120 working days, according to J. A. Snell, District Highway Engineer at San Angelo.

Robert A. McCulloch, Resident Engineer at San Angelo, will be in active charge of the project while it is under construction.

Mr. and Mrs. T. A. Kincaid have returned from a visit in San Marcos with their son and daughter-in-law, Mr. and Mrs. Tom Kincaid. They brought their grandson, Trus, for a visit.

DAUGHTER TO YOUNGS

Mr. and Mrs. James Garland Young are the parents of a daughter born July 23 in the Crockett County Hospital. The baby has been named Pamela Lynn. Mr. Young is a barber at the Beall Barber Shop.

Mr. and Mrs. Leonard Drago, Leon and Lary, have returned from their vacation. They went through New Mexico (via Santa Fe where Leon sketched the San Miguel Mission, the oldest mission in the United States), Colorado, Yellowstone National Park in Wyoming, on into the Glacier National Park in Montana. Leon and Lary took a guided tour to see the glaciers that gave the park its name. In some areas the snow and ice is over 100 feet deep, and it never melts. From there they went to the province of Alberta, Canada and visited the Waterton-Glacier International Peace Park.

LOTS FOR SALE — See Brock Jones, Real Estate Insurance. Ph. EXbrook 2-3152.

"Sure enjoy The Stockman," writes Lee Wilson, former Ozonite, in a note accompanying his subscription renewal. "It keeps us posted on happenings out there. Also we get a kick out of The News Reel. Brings back old memories. Say hello to everyone." Mr. Wilson, now manager of a hotel in Harlingen, Texas, was for many years Buick dealer in Ozona and bought up sales records with Buick nearly every year.

Dr. Logan Adams, attending the Texas Association workshop on Dentistry and Public Health at Texas State College, Austin, July 23, 24 and 25.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, July 30, 1939

Crockett county fell less than 100 votes short of her full voting strength in expressing a choice for county, district and state officers in Saturday's first Democratic primary.

R. E. Thomason, mayor of El Paso, won the Democratic nomination for U. S. Congressman from the 16th district in Saturday's election.

Roger Blain, Bohnhart area ranchman, died Tuesday in a Temple hospital following a long illness.

Announcement of the engagement and approaching marriage of Miss Maggie Mae Kay, daughter of Mr. and Mrs. Albert Kay, to Elton Hall of San Angelo.

Weaver H. Baker of Junction will be the next district attorney of 112th district.

George Russell, serving his first term as county and district clerk, hung up a record in the primary election here Saturday.

Carnival attractions the like of which Ozona has never seen before are in store for local people Saturday night when the Ozona Lions will stage a carnival and jam-boree on the grounds of the now defunct miniature golf course.

Bill Williams, operator of a truck here for the past several years, has purchased the interest of Horace Rogers in the Ozona Truck

Co. and is now associated with Elmo Taylor in the operation of the truck line between Ozona and San Angelo.

The annual picnic of the Methodist church Sunday School will be held in the usual place on Live Oak Creek August 15.

Bob Murchison this week bought 2500 head of yearling ewes from John Fogarty at \$6 a head. The ewes are to be shipped to Murchison's ranch south of Fort Stockton.

Straight To The Point

A Summary of Valedictor News From The Teenage Set
By Sally Baggett

Everyone is returning from vacations from various parts of the country and the ones who stayed home have their postcards to look at. Right, Barbara Barbee! Barbara got one from Montana.

The rodeo drew a big crowd Friday and Saturday. It seemed like everyone was here! Bob Childress and Sam Perner made Ozona's name shine bright in senior goat roping and goat hair pulling. Congratulations.

Congratulations are also due to Camille Adams as the new rodeo queen. She makes a pretty one.

After the rodeo Friday and Saturday night a dance was held on the platform. Saturday night it was so crowded you did more bumping than dancing.

Barbara Hatcher, Glen and Gail Rowe and Alvin Blundell were here. It was sure good to have them with us again. Come back soon, kids!

Janet Mason has company from Midland. Her name is Paula. She's cute, too, boys.

Bob Childress is at Yellowstone National Park.

Joanne Wood is here and will be for about two weeks. She is visiting Don Nell Carnes — there's another date for you boys.

Judy Black has returned from sunny San Antonio.

The cheerleaders went to San Angelo to get their shoes. It seems they had a pretty good time.

The Student Council workshop is in Dallas at SMU this summer. Jim Freeman, Johnny Childress, Pierce Miller, Barbara Barbee, Sandra Whitaker and I are the representatives from Ozona. We are going to the All-Star game in Fort Worth Friday 7. Sounds like we're going to learn a lot.

See you next week.
Look!

Team Spirit -

(Continued from page one)

was the Lion's big stick. Sutton and Holden, who is also gone by way of graduation, carried the offensive load for the Lions, carrying the ball on at least seven of every ten offensive efforts.

Coch Fred Hickman will have Johnny Jones back at quarterback, and Jones has a good deal of experience as well as ball handling ability, but his passing was so rare that there is certainly plenty of room to wonder if he can throw the ball.

Jim Williams and Johnny Jones are the only two defensive backs returning this year and Jones was not a regular until late season.

While there are several backs around who can defend well against ground plays, there will be some question about the pass defense.

In the line, B. B. Ingham and Tommy Porter look to have great seasons, and there will be Dickie Flannigan, Wayne Albers, and Joe McMullan along with Bill Meinecke and perhaps others but once again the Lions will be without ends on defense. Jim Freeman and Jim Doran, along with Wayne Albers and Johnny Cooper, handled most of the end play last year, but Freeman is going to be counted on to take a much bigger part in the backfield activities this year, and Doran too is being considered for a change to a backfield post, Cooper graduated, and that leaves Albers who might go to guard.

On the brighter side, the Lions look to have good line backing with Bob Meinecke and Johnny Jones proven in combat and Tommy Porter, Muggins Good and Joe Friend all seeming to have a great deal of ability in these key defensive spots.

Team speed should be as good or better than last year but power wise there is considerable doubt. Sutton's bullet like jabs up the middle will be gone and it is likely that the Lion attack will branch out to more off tackle and around end running, backed up with a stronger emphasis on the air game to loosen up the enemy secondary.

Then, of course, that big factor that does not appear in weight charts or number of lettermen, that is desire to play and win. Without desire the best looking

squad in the district can finish last and with it the Lions might really have a pretty fair year.

According to the Sonora and Junction papers of the past two weeks, everyone is looking to Ozona and Menard to be the class of the district this year, but when Joe Turner gets to talking about how little he has it is probably time to start looking out.

Junction reports its team will be faster this year and will have big backs but lacks size in the line. The Lions will have to face both Junction and Menard away this year, and the Lions have never had an easy game with Junction in Junction.

Big Lake has a new coach and reports from that place say that the new head mentor has the much-trod-on Owls up and making a real effort to do better this season. One observer stated recently that people were going to be surprised at the change this year.

All in all, it's still a little over two weeks until it all begins but there is a lot of thought being given to the matter already.

Junior Rodeo -

(Continued from Page One)

Wardlaw of Del Rio took third place money in the event.

In the bull riding, Ronald Shaw of Knott took first place with Bill Davis of Sterling City second and Harry Reed and Johnny Weddle of San Angelo tied for third.

Fred Ramirez, Jr., of Fort Stockton last year's all around cowboy, won first place in the senior calf roping while Bill Davis had second and Bob Childress of Ozona, third.

In the boys junior pole bending, Carl London had first, Randy Kirkendall of Valley Springs second, and Bryan Montgomery third. Bryan, son of Mr. and Mrs. Beecher Montgomery, won first place in the first go-around.

In the junior girls pole bending, Miss Wilson won first, and a family tie resulted in second and third places as Miss Kathy Greenwood and Miss Francis Greenwood, sisters from Carlsbad, tied and Miss Rita Sellers of Midland took third.

Golf Tourney -

(Continued from Page One)

C. I. Aschcraft of Big Lake rounded out the foursome.

Pete George of Ozona copped the consolation title with a 38 while Jim Thompson of Big Spring edged E. S. Hamilton of Big Lake by one stroke for runner up spot.

The fifth flight found Brooks Dozier of Ozona downing Bill O'Connell of Del Rio 45 to 46 or by one stroke.

Consolation honors went to Jerry Cowden of Crane who edged Joe Williams of Ozona by one stroke with A. N. Wright and Bill Schneemann of Crane and Big Lake coming in third and fourth.

In the sixth flight Tony Wilkerson of Big Spring edged Art Kyle Jr., of Ozona by one stroke while in the consolation round L. M. Bryant of Iran edged Tom Passmore of Peecos by one with Red Harrison of Ozona and Pete Aycock of San Angelo bringing up third and fourth place.

In the seventh and final round W. W. Renfro of Sonora came out victorious with a 43, three strokes better than Armond Hoover of Ozona. Wayne Love of Del Rio had third.

In the consolation round Howard Lemmons formerly of Ozona and now of Odessa won with a 44 while Dick Kirby finished second some distance back.

The tourney ran smoothly all the way and in spite of having to few hitches. Even though some been postponed for a week ran in of the entries who had intended
