## WELCOME, SIXTH DISTRICT MUSIC CLUBS!

### Week-End Deluge Damage Offset By Moisture Benefit

### Six Inches Recorded Here; Range From 3 To 16 Inches

Crockett county shared in the heavy rains which soaked most of the county during the past week-end, bringing tremendous flood damage to many parts of the state, leaving in its wake swollen streams, central and east Texas which threaten to inundate further inland areas along their courses. Rainfall from midweek through Sunday varied from an estimated minimum of 3 inches to as much as 16 inches, reported in a small area in extreme west Crockett county.

Ozama gauges measured an approximate 6 inches in the week-end deluge. With an estimated seven inches of rain on the watershed the Gurley draw which courses through Ozama's southeast section, the newly completed flood detention dam on that draw, paid off handsomely in preventing the wash from overflowing into Ozama's residential district. Drainage area below the dam filled the stream bank full but the major part of the flood waters, held back by the dam and discharged over a three-day period, prevented its overflow.

A good grass cover in areas on Ozama draw watershed north of Ozama tended to lessen any possible flood threat, but the series of dams which control run-off in that area held the flow in the draw through town to a bare knee deep, the dam retaining some 600 feet of water in permanent pools.

Running water and washed out crossings interrupted traffic to the north of Ozama for some time and city ranchers report damage from washed out fences, water gaps and damaged roads.

Although heavier than wanted, the rain brought relief from nearly two months of drought in many parts of the county and surrounding areas which had their first rainfall in this spell since mid-July. With relatively minor damage, ranchers welcomed the bountiful moisture with its assurance of better range for livestock.

### Rotary District Governor To Visit Ozama Club Tues.

### Dr. Sloan Batchelor on Annual Visit To 36 Clubs In Dist.

The Rotary club of Ozama will host at its luncheon next Tuesday to Dr. Sloan Batchelor, governor of district 584 of Rotary International, who is making his annual official visit to each of the 36 Rotary Clubs in this district. Dr. Batchelor will address the local club and confer with President, Ernest Dunlap, Secretary A. O. Fields, and committee chairman on Rotary Administration and service activities. Dr. Batchelor was manager of the Methodist Kerrville Assembly for twelve years, retiring in 1957, and is a member and past president of the Rotary Club of Kerrville. He has served numerous pastorates in this Rotary district and as superintendent of the Uvadle, San Angelo and San Antonio districts. A hobby has been the breeding of registered Hereford cattle. He is known as a successful minister, excellent administrator, good business man and ardent Rotarian. He was elected as a district governor of Rotary International for the 1958-59 fiscal year at Rotary's annual convention in New York city last June. He is one of the district governors supervising the activities of more than 10,200 Rotary clubs.

### Cong. Rutherford To Present Achievement Award To Pierce Miller

Congressman J. T. Rutherford, who will stop off for a brief visit in Ozama the morning of October 13 in the course of a tour of the 19 counties composing the 16th District, will take time out to make formal presentation of the Rutherford Achievement Award to the 1959 winner, Pierce Miller.

Young Miller was recently declared winner of the trophy for outstanding achievements in 4-H Club work by vote of a district committee composed of county agents and 4-H leaders.

The presentation will be made by Congressman Rutherford, who sponsors the annual award to one 4-H Club boy and one 4-H Club girl in the district each year, at a special assembly program in the high school auditorium at 9 a. m. Tuesday, Oct. 13. The public is invited to attend the brief ceremony.

### Two Man-Hunts Keep Officers Of 3 Counties Busy

### Four Men Arrested In Hunts Here and Sonora In Car Thefts

Two man hunts which involved officers from three counties, along with the Highway Patrol, Border Patrol and blood hounds, in a period of three days resulted in the arrest of four men, one pair involved in the theft of a pickup truck in Big Spring and the other pair in the theft of an automobile in Ozama.

After an all night and nearly all-day hunt in an area immediately south of Ozama, two men charged in the theft of the pickup in Big Spring, were arrested around 3 p. m. Wednesday eight miles south of Ozama by Border Patrolmen N. M. Morrison and E. R. Brotherton, Sheriff Billy Mills reported.

Two teenage youths, Edward Hightower, 16, of Midland, and Johnny Posey, 15, also of Midland, surrendered to the Patrolmen after tracking a network of searches using bloodhounds and airplanes, as well as horses and patrol cars for nearly twenty-four hours. They have been turned over to Big Spring officers.

Cleophas Cooke found the two youths with their truck mired in the draw on the road to his stock farm south of Ozama late Tuesday afternoon. After helping them get the truck out of the draw, Cooke became suspicious of the youths, who tried to borrow money from him, and reported the incident to Sheriff Mills.

### Crockett Ranch Voters Favor Wool Promotion

Crockett county ranchmen nine to one in favor of continuing the wool promotion deduction from incentive payments under the National Wool Act in the recent nationwide referendum. Claude Russell, ASC office manager, said this week.

The deduction from incentive payments to continue the promotion of wool and lambs was approved by an overwhelming majority in the nationwide poll, and the deductions will continue for the next three years.

A total of 99 Crockett county ranchmen cast ballots in the referendum, 89 of them favoring the deduction and 10 opposing. Ranchers favoring the deduction accounted for 207,607 sheep while those opposing owned 43,681 head.

### Howard Payne College Division Of Music To Present Concert In Auditorium Friday Night To Highlight Dist. Music Clubs Convention

Brownwood — A concert will be presented by the Division of Music of Howard Payne College as a highlight of the thirty-third annual convention of Sixth District, Texas Federation of Music Clubs, October 8-10 in Ozama, announced Mrs. Ellie Locks of Brownwood, district program chairman.

The concert, which is being arranged by Ellis Neese Elsey, chairman of the HPC Music Division, will be presented at 7:30 p. m. October 9 in the Ozama High School Auditorium. It is open to the public.

A highlight of the concert will be Mozart's Trio in E Flat Major for Piano, Clarinet and Viola, to be played by a trio of HPC faculty members. The musicians are James Woodle, instructor of music piano; Ed Cain, band director, clarinet, and Francis Burke, assistant professor of music education, Viola.

Woodle, a graduate of Howard Payne, is a former first place winner in the Texas Federation of Music Clubs student composers contest; song division Burke holds degrees from the Universities of Miami and Arizona. Cain is a graduate of Colorado University.

Woodle also will be at the second piano for the presentation of the Second Piano Concerto in G Minor by Saint-Saens, to be given by Gloria Pittman, student from Menard.

Other students participating will be Russell Corbin, Roswell, N. M., tenor; Billy McKeenan, Brownwood, trumpet; Mike Bennett, Dallas, tenor; Tom Snelten, Dallas, bass-baritone; Barbara Steadman, Belmead, flute; Estella Luna, Del Rio, mezzo-soprano; and Don McBride, Hutchins, baritone.

The program will include selections by Felix Fourdrain, Giacomo Puccini, G. F. Handel-Fitzgerald, Eheron Hart, Saint-Saens, W. A. Mozart, Edward Horstman, Edward Grieg, G. Verdi and Richard Hageman.

Mr. Elsey, who joined the Howard Payne faculty this fall as chairman of the music division, is a native of Oklahoma. He holds degrees from Oklahoma Baptist University and Louisiana State University, has done graduate study at

Ellis N. Elsey  
Chairman, HPC Music Dept.

### Revamped Lions To Invade Sanderson Seeking 4th Win

### Last Non-Dist. Game Set at 8 p. m. In Sanderson

By Ernie Boyd

Coach Fred Hickman sent the Ozama Lions through a hard week of intense work this week, as the team prepared for its invasion of Sanderson this Friday night, intent on gaining their fourth win of the season.

Following last week's indifferent play, Coach Hickman has been grading the players in each practice session this week and giving those with particularly low grades extra home work.

Failure to carry out blocking assignments primarily through lack of fire was pointed out as one of the real keys to the poor offensive showing of the club last week, even though an apparent indifference to what the defense was doing, in play selection also was pointed out as a sore point in last week's contest.

The failure of the Lions to score when deep in enemy territory also

### 6th DIST. MUSIC CLUBS IN CONVENTION HERE

Representatives from fifty music clubs in the Sixth District, Texas Federation of Music Clubs, will gather in Ozama today through Saturday for the thirty-third annual District Convention which gets under way tonight (Thursday) with a Board of Directors meeting and a dinner honoring district, state and club officers.

The convention proper, which begins Friday morning, will be preceded by a Board meeting at 6 p. m. tonight in the home of Mrs. Ted M. White, convention chairman and district treasurer.

Following the Board meeting will be a dinner in the home of Mrs. R. A. Harrell, Ozama Club president, honoring Mrs. R. E. Coleman, of San Saba, District president, other district officers and chairmen, and presidents of all clubs in the district. Mrs. Harrell will be assisted as hostess by Miss Geneva Knox and Miss Lucille Farmer. Other hosts are the Executive Board of the Ozama Music Club.

Mrs. Coleman, the district president, received her musical training at McMurry College, Beaux Arts and Svyain Studios, Los Angeles, Calif., Mary Hardin-Baylor, Howard Payne and Dubuque Conservatory, Dubuque, Iowa. She served three years as Junior Counselor and two years as vice president of the Sixth District before being elevated to the District presidency. She is a member of the Piano Teachers Guild and teaches piano, violin, accordion, organ, guitar, xylophone and cello.

The Friday morning session of the convention opens with registration and coffee at the Methodist church fellowship hall at 8:30 a. m. The business meeting will start at 9:30. Musical numbers by various clubs of the district will be interspersed in the morning and afternoon sessions.

At 12 noon, a luncheon at El Sombrero Cafe will feature a talk by the State President, Mrs. W. Glen Darst of Fort Worth. Mrs. Darst will speak on the topic, "Spokes in the Wheel of the Federation."

Mrs. Darst is a native of Illinois and was graduated from Illinois College Conservatory of Music in Jacksonville, Ill. She later did post-graduate work in voice with Theodore Harrison in Chicago. While studying there she sang second soprano in a quartet that traveled

### Brewer Infant Buried In Services Monday

Funeral services were held at the graveside in Cedar Hill Cemetery here at 10 o'clock Monday morning for the infant son of Mr. and Mrs. D. Jack Brewer, Jr., of Ozama, who died at about 3:40 p. m. Sunday in a San Angelo hospital.

Services were conducted by the Rev. Harry Trulove, pastor of the First Baptist Church of Ozama. Funeral arrangements were under the direction of Cody Funeral home.

Surviving are the parents; the paternal grandparents, Mr. and Mrs. D. J. Brewer of San Angelo; the maternal grandparents, Mr. and Mrs. R. L. Flowers of Ozama, and great grandparents, Mr. and Mrs. W. R. Baggett and Mrs. Mary Flowers, all of Ozama.

### Infant Harlan Buried In Rites Here Tuesday

Graveside rites for the infant son of Mr. and Mrs. Vernon Harlan of Ozama were conducted in the Cedar Hill Cemetery Tuesday afternoon. Mr. Darrell Brawley, Minister of the Ozama Church of Christ officiated.

Survivors other than the parents are: Cythia Harlan, a sister; the maternal grandmother, Mrs. P. B. Harbison of Hebronville, Texas; and the paternal grandmother, Mrs. A. M. Harlan of San Antonio, Texas.

Funeral arrangements were directed by Cody Funeral Home.

MRS. W. GLEN DARST  
State President

MRS. R. E. COLEMAN  
District President

### Congressman To Visit Ozama At 8 Tues. Morning

### Rutherford On Tour Of 16th District In Recess Time

Congressman J. T. Rutherford, swinging through his sprawling, 19-county Congressional District, will be in Ozama at approximately 7:50 a. m. on Tuesday morning, October 13th.

Rutherford's mobile office unit, with interesting displays featured, will be parked in a downtown location to be selected.

Several of the Congressman's friends and supporters plan to have breakfast, coffee and conversation with him at the Hi-Way Cafe, and a cordial invitation is extended to all Ozonians to meet the Congressman and have coffee with him.

"I am hopeful of seeing a number of Ozama citizens," Congressman Rutherford said. "The last time I made this mobile office tour, we had a wonderful turnout in Ozama for a night dinner meeting and since my time in West Texas is limited this year due to the late adjournment of Congress, I hope to see as many people as possible while in Ozama."

The Congressman will come to Ozama after having spent the previous night in Big Lake, where he will make an evening speech.

After leaving Ozama on the morning of October 13th, Rutherford will be in Sheffield at 10:15 a. m. and arrive in Iraan at 10:50 a. m. before going to Rankin to speak at a luncheon.

THURSDAY, OCT. 8, 1959

**Ozona Garden Club To Host Eighth District Convention In 1960**

The Ozona Garden Club, meeting Wednesday in the home of Mrs. Alice Baker, voted to invite the Eighth District Garden Clubs convention to be held in Ozona in the fall of 1960.

Mrs. Stephen Perner, president, called attention to the Eighth District convention of 1959 being held in Abilene today. Mrs. Bailey Post, District chairman of Flower Shows, and Mrs. Stephen Perner, District chairman of Conservation will represent the local club at the convention.

The program was conducted by Mrs. Charles Williams, Jr., on "How to Capture Autumn Beauty in Your Garden." Mrs. Perner, in discussing bulbs in the landscape urged planting in mass, gaining much beauty for little effort and expense. Mrs. A. S. Lock showed the fascination of planting for color effect in the garden, stating that greenery is always a peacemaker among bold colors.

Mrs. Bailey Post conducted a workshop on containers, bases and accessories in arrangements, assisted by Mrs. Hillery Phillips and Mrs. B. B. Ingham, Sr. She told the group that in choosing a container they should consider suitability to plants size and scale to flowers, harmony in color and texture and suitability to mood and style.

Mrs. L. B. Cox, Jr., and Mrs. N. W. Graham were given door prizes of peony tubers. Others present were Mrs. Joe Pierce, Jr., Mrs. John Childress, Mrs. Ira Carson, Mrs. Bert Couch, Mrs. Paul Perner, Mrs. Floyd Henderson, Mrs. Jess Marley and guests, Mrs. W. E. West and Mrs. Myra Estes of San Antonio.

**Junior Music Club Group Hears Concert**

A group from the Ozona Community Center Junior Music Club attended the Young People's Concert in San Angelo, Monday afternoon. These concerts are sponsored by the Junior League of San Angelo and are given twice yearly. Dr. Eric Soantin conducted the San Angelo Symphony Orchestra in numbers from Strauss, Bolzoni, Wagner and Loewe.

The following young people attended: Ninfa Cervantez, Rebecca Cervantez, Alda Vargas, Mickey Vargas, Erlinda Cervantez, Yolanda Cardenas, Christine Cardenas, and Enriqueta Galan.  
Miss Price and Miss Wolf accompanied the group.

**FIRST BAPTIST WMS**

The Women's Missionary Society of the First Baptist Church met Wednesday at the church for installation of officers for the new church year.

Special music was presented by Sam Ligon and officers installed by Mrs. Clovis Womack. The theme for the installation service was "Crown Him King of Kings."

Coffee and cake were served to Mrs. O. C. Webb, Mary Harvey, Walter Dunlap, Harold Shaw, Myrtle Mitchell, L. M. Carnes, Dudley McCary, Jess Sweeten, George Glynn, Ralph Simon, Huey Ingram, Pleas Childress, Bob Pitts, Sam Ligon, Oscar Lout, Doyle Easterwood, Norman Upham, Ivy Mayfield, W. M. Smith, C. H. Hickman, Garland Allen, W. V. Jordan, Johnny Poyner, Jerry Perry, Clovis Womack and Roy Thompson.

**Completed Johnson Draw Flood Control Dams Get Mild Test In Week-End Rains**

Heavy rains which fell on the watershed of Johnson draw in last week-end's turbulent weather disturbance, mildly tested the series of flood control dams completed in the last year as a protection against repetition of the disastrous flood which swept down on Ozona in June of 1954.

And the dams "performed beautifully" as described by Bob Scott, work unit conservationist with the U. S. Soil Conservation Service, who checked each of the seven dams in the series after the rains.

An estimated seven inches of rainfall, with a resultant run-off of 1 inch from 7,155 acres above dam No. 7, across Gurley draw on the W. E. Friend, Jr., ranch northeast of Ozona, sent flood waters approximately six feet above the riser or concrete draw-down tube through which water is released gradually. This hold-back of flood water prevented Gurley draw from overflowing its banks in southeast Ozona, as the heavy fall gathered from approximately 3,000 acres below the dam put the wash nearly bank full for a few hours, this flow passing on while the main bulk of water was

being held back by the detention dam.

Site No. 7 dam caught a total of 621 acre feet of water, which covered 79.3 surface acres. The dam has a capacity of holding back 3,160 acre feet of water at emergency spillway elevation, Mr. Scott said. The water level was 15.5 feet below the emergency spillway at its height in Saturday's rainfall.

Water poured through the 36-inch draw-down tube until sometime Tuesday night before the surplus flood water was drained off. Gurley draw trickled like a mountain stream of almost clear water for three days.

The dam at Site No. 1, on the main Johnson draw, was the only other dam in the series to catch enough water to go over the draw-down tube. The dam impounded approximately 363 acre ft. of water to reach about one foot above the drawn-down opening, and covering 6.3 surface acres. Dams No. 3, 5 and 6 impounded approximately 100 acre feet of water each, covering only the excavated area or sedimentation pool.

State officials of the Soil Conservation Service will be here October 17 to attend a field day and barbecue at one of the dam sites to inspect the completed watershed project. All structures are now finally complete, including stands of planted grass to prevent erosion of the dam structures themselves.

**Presenting the Magnificent Nineteen-Sixty**

*Cadillac*

THE FLEETWOOD SIXTY SPECIAL

**Creating a New Era of Elegance!**

The motor cars represented here will soon introduce a new era of elegance to the world's highways.

They are the Cadillac cars of 1960—and, from every standpoint, they represent the Cadillac tradition in its finest hour.

In appearance, they are regal and majestic as never before—a brilliant symphony of line and contour from the sparkling new front grille to the graceful flow of the rear fenders.

In interior decor, they are truly magnificent—featuring luxurious new fabrics and leathers—new convenience and excellence of appointments.

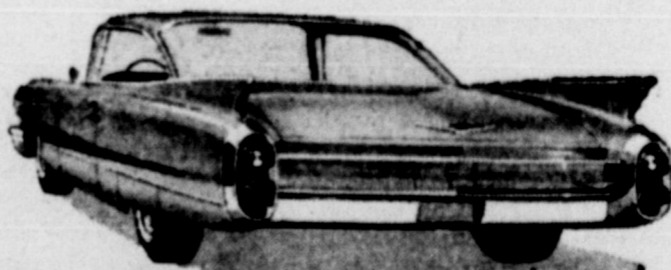

And in the way they drive and handle, they are perfection on wheels. There is a greatly refined engine and transmission that provide even finer performance . . . a ride of unbelievable smoothness and quiet . . . and notable advancements in power steering and braking.

These new Cadillac virtues have been interpreted in thirteen distinctive body styles. Every motorist owes himself an hour at the wheel.

The 1960 Cadillac is waiting for you now at your authorized Cadillac dealer—and your dealer himself is waiting to introduce you to this magnificent new Standard of the World!

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 9, 1930

Voters of Crockett county overwhelmingly approved an issue of \$170,000 in bonds for the purpose of building a modern high school building in Ozona in Saturday's election. The vote in the Ozona box was 216 for and 16 against, a sufficient majority to carry the election regardless of the vote in other boxes. No reports had been received from outlying boxes at press time.

A rise in current livestock prices and the approaching end of the present period of depression is seen as a possible result of general drouth-breaking rains which soaked all Texas and the southwest over the week-end. The slow-steady fall in Crockett county, amounting to more than 3 inches, was one of the most beneficial rains to fall here in years.

— news reel —  
Judge Chas. E. Davidson this week authorized Dean Chenoweth of the San Angelo Standard-Times, director of publicity for the University Land Amendment Association, to draw drafts on Crockett county as needed for its pro-rata share of funds pooled by 17 interested counties seeking to promote passage of the constitutional amendment to tax University lands for county and school purposes.

— news reel —  
Enrollment figures for all schools in Crockett county show a total of 477 pupils, an appreciable increase

over the totals at the same time last year.

— news reel —  
The first contracting of the 1930 crops fall wool in Texas has been made in the Ozona country where Hallowell, Jones & Donald bought the Ralph Watson clip at 20 cents a pound, about a half cent higher than the price received for the fall clip last year.

— news reel —  
Engaging one of the hardest fighting teams of the season, the Ozona Lions nosed out Rankin in Rankin Saturday afternoon by a score of 6 to 0. The Lions played

most of the game in Rankin territory but lacked the punch to push over more than the one touchdown. The lone touchdown came early in the game when a fake center rush caught the Rankin lads napping and Joe Chandler dash over for the marker.

— news reel —  
A matched croquet tournament between champion teams from San Angelo and Ozona will be played on the Barnhart courts this evening. Ozona is to be represented by J. H. McClure and C. P. Williams, named local champions in a tournament which had been under way

here several weeks. J. T. Keeton and Dewey Williams, runners-up, will be ready to take on other teams to be brought by the San Angeloans. The San Angelo champs are H. G. Wendland and Floyd Cornelison.

— news reel —  
A quarter million dollars worth of damage was done in Brady by high water. Wonder how much it would have amounted to if the water hadn't come.

— news reel —  
Victor Pierce of Ozona has sold 500 yearling ewes to Frank Baker of Junction at \$8 per head.

### Rankin Fumbles Lions Win Over Red Devils

Confident Locals Pressed to Beat Visiting Visitors

By Ernie Boyd

The Ozona Lions staggered to a 0-9 win over the hard fighting, fumble-ridden Rankin Red Devils last Friday night in a game with thrills and sloppy play. The Lions, wracked with injuries and illness for the past couple of weeks, were apparently not playing the always tough Rankin Red Devils to be able to put up much fight and almost got tagged for their third loss instead of their third win.

When Fred Hickman and Son were dismayed at the end of their charges played. Head Coach Fred Hickman said after the game that he felt the less said the better in his presence the night. "But I think I will have something to say to the team about next week."

Up-off as to what was to come, nearly in the first period following the Lions' kickoff to Rankin in the second play from scrimmage Tom Aguilar popped through the Lions' left tackle slot and raced 40 yards to the Ozona four yard line before Johnny Jones hauled down.

The Lions with the aid of a penalty and a fumble on third down managed to stave off the visitors. This was only the beginning of a rocky first half which saw the home team manhandle the home team in every way, but fail to score. The defense was leaking a hole here and there the offensive was worse. The Lions managed to tie the game in the first half when ten were thrown for losses, two more failing to gain, and Tom Aguilar popped through the half with a plus sign on yards from scrimmage, only on the work of Bob Meinecke.

The Lions won the game in the quarter when they racked up scores and then lapsed back to their first half lethargic style. The Rankin defense set to the wide play the Lions ran passed wide right into the defense, scoring the recent area over the middle of the half when Coach Hickman pointed out the glaring holes

in the defense.

The Lions cracked the open with a score midway in the third period when Tony Parker slid through a brief hole at right tackle and raced untouched for forty yards up the middle of the split defense. The run capped a sixty yard drive following the Lions' recovery of one of six Rankin fumbles covered by the Lions during the night's play. Bob Meinecke converted the extra point and the Lions led 7 to 0.

The Lions wasted little time getting another marker as the Red Devils took the kickoff and steamed goalward only to see Jimmy Freeman haul in an Aguilar pass and return it from his own thirty to the Rankin 35.

Jones tossed a jump pass to Jim Williams over the middle for 11 yards and then Jim Doran picked up 11 more to gain the 13 yard line, before Parker shot to the four straight up the middle. Doran followed Jones over right tackle for the score. The try for points was short and the scoring for the night was over.

Jim Doran and B. B. Ingham played very well on defense for the Lions along with Johnny Jones and Jim Freeman who racked up a large number of tackles in the secondary.

Rankin led in first downs 10 to 9, in yards rushing 134 to 127, in passing 95 to 60 and in fumbles lost 6 to 1. The latter statistic probably played an important part in the Lions' winning.

Tom Aguilar led all ball carriers for the night with 99 yards on 14 carries, a major portion coming on the long first period run. Tony Parker led the Lions with 97 yards on 20 carries most of it coming in the second half.

### Three Ozona Students At Southwest Texas State

SAN MARCOS — Three Ozona students are among the record 2,433 registered for the fall term at Southwest Texas State College.

Clem Jones, SWTC registrar, said the enrollment exceeds by 5.4 per cent last year's record registration of 2,306 students.

Ozona students attending Southwest Texas are Tom Kincaid, son of Mr. and Mrs. T. A. Kincaid; Benny Friend, son of Mr. and Mrs. Batts Friend; and Alma Ingham, daughter of Mr. and Mrs. B. B. Ingham Jr.

Kincaid is a senior English major, Friend a sophomore business administration major and Miss Ingham a sophomore elementary education major.

### Committees Named To Plan Annual Ladies Golf Tourney Oct. 15

Ozona Ladies Golf Association will be host to lady golfers of the area at the country club here October 15 at the annual ladies invitational golf tournament. Bridge play will also be on the schedule of day's activities.

Committees to plan and manage the tournament were named this week by the Association president, Mrs. Dempster Jones. The committees in charge are as follows:

Invitations, Mrs. Vic Montgomery, Mrs. Frank McMullan, Mrs. A. S. Lock and Mrs. John Lee Henderson.

Golf, Mrs. Jess Marley, Mrs. V. I. Pierce, Mrs. Marshall Montgomery and Mrs. Joe Pierce, Jr.

Registration, Mrs. Charlie Black, Mrs. John Childress, Mrs. Byron Williams, Mrs. Joe Friend and Mrs. Ashby McMullan.

Decorations, Mrs. W. E. Friend, Jr., Mrs. Joe Clayton, Mrs. Nip Plackstone, Mrs. Jack Williams and Mrs. Lloyd Sherrill.

Coffee committee, Mrs. Hillery Phillips, Mrs. Larry Albers, Mrs. George Bunger, Mrs. Sherman Taylor, Mrs. Jack Wilkins.

Luncheon committee, Mrs. Sidney Millsbaugh, Sr., Mrs. W. W. West, Mrs. J. S. Pierce, III, Mrs. James Baggett and Mrs. Eldred Roach.

Bridge committee, Mrs. C. O. Walker, Mrs. Lindsey Hicks, Mrs. Early Baggett, Mrs. Boyd Clayton and Mrs. J. M. Baggett.

A nominating committee to name a new slate of officers to be elected in November, was also named by the president. The new officers will be named at the monthly luncheon in November, with Mrs. R. L. Bland, Jr., as hostess. The nominating committee is composed of Mrs. R. L. Bland, Jr., Mrs. Byron Stuart and Mrs. H. B. Tandy.

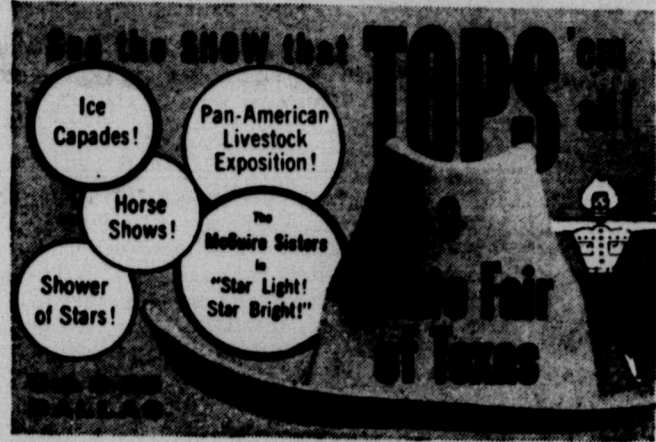

Girl Scout Troop 3 met Tuesday at 3:45. Investiture ceremony was held for Candace Griffen, who came to us from Campfire Girls. A discussion was held on safety rules for hiking and lists of the most important rules were made. Lana Kay Alford, reporter.

### LADIES BIBLE CLASS

Bible study from the first chapter of Acts was taught by Darrell Brawley, minister of the Church of Christ, to the Ladies Bible Class meeting Wednesday morning. Others attending were Mmes. Hubert Baker, Ed Cranfill, Darrell Brawley, Charlie Fuller, T. C. Goodman, Ray Griffin, Paul Hallcomb, Armond Hoover, Peery Holmsley, Bill Johnigan, R. H.

Knox, Bud Loudamy, Jack Shely, J. D. Nairn, J. W. Owens, O. D. Paulk, O. L. Sims, Buck Williams, Ray Valadez and J. B. Miller.

Miss Lola Mae Daniel, president of the local unit of the Texas State Teachers Assn., L. B. T. Sikes, superintendent, and E. M. Boyd, South Elementary Principal, attended the District 11, TSTA Workshop held in Brady recently.

### EDITORIAL

By Margo Pogue

How many times have you been asked to do something for your class? How many times have you found some excuse for not doing it? Far too many of us live by the motto, "let George do it." Unfortunately, "George" may feel the same way.

If everyone is willing to let someone else do his job, we may find that, sooner or later, nothing is being done. But, what right have we to gripe about it? After all, if we wouldn't do it ourselves, how, can we expect someone else to do it for us?

If we want something for our class, the only way to get it is to work for it. Working for our class is working for ourselves.

### FIRST DISTRICT BALL GAME

Ozons's next home game will be the first district one. On October 16th, the Ozona Lions will face the Sonora Broncs, for one of the biggest games of the season.

Next week, will be a turmal. The cheerleaders will be working on the bonfire, which is set for Thursday night, October 15th, the Junior Class will be trying to deliver mums, exs will be returning to join the excitement, and Sonora people will be flocking to Ozona.

Be sure and remember that district games start at 7:30.

### PIERCE MILLER WINS THE RUTHERFORD AWARD

By Pam Jones

Pierce Miller, 17-year-old son of Mr. and Mrs. Eugene Miller of Ozons has been named the 1959 winner of the Rutherford 4-H Achievement Award Trophy, presented each year by Congressman J. T. Rutherford.

Pierce in seven years of 4-H Club work has won a considerable number of awards in the county for 4-H members, including the "Mother Davidson Memorial Trophy," The Gold Star Award, County Showmanship Award, Danforth Leadership Award, and other county medals. Pierce has been on five champion 4-H judging teams.

He is a Senior in Ozona High, an honor student, member of the Student Council, member of the Ozona High School Band, and is active in other clubs and organizations.

Congratulations, Pierce, for all your outstanding work.

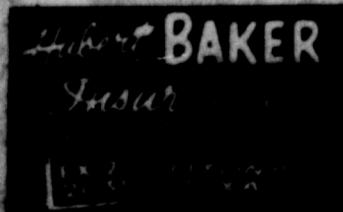

### LIONS OUTSCORE RED DEVILS

After a scoreless first half, the Lions came back and made two touchdowns in the third quarter to win over Rankin 13 to 0.

### WHEN IT'S TIME TO ACT

THINK OF

Tony Parker made the first touchdown on a 40-yard run. The extra point was kicked by Bob Meinecke.

The ball was carried over from the 4 yard line by Jim Doran for the final score.

Ozons will go out of town tomorrow night to play Sanderson. Game time is 8 o'clock.

### SPEECH CLASS VISITS ALAMO

Early Saturday morning the speech classes bound for Brackettville and the Shahan ranch boarded the school bus with a sack of lunch in one hand and if they were smart, an umbrella in the other. Those who went on the trip were Mr. and Mrs. Leath, Linda Leath, Carmen Childress, Jill Applewhite, Robert Monk, Ronnie Houston, Steve Poindexter, Bill Gibson, Jimmy Adams, Mary Lou Zunker, Joe McMullan, Camille Adams, Tommy Porter, June Bunger, Nonie Conklin, Anne Davidson, and Lynn Rice.

Before we reached Sonora we had been one of the first ones to come on a wreck, made our way

through a first class rain and fought a losing battle with a generator that wouldn't charge. After a forty-five minute wait in the Sonora Chevrolet House and thoroughly examining the new 1960 cars, we were once more on our way.

Our next stop was a short one at Rocksprings where we were told of a roadside park that would be a nice place to stop and eat. It was supposed to be twenty-three miles out. Forty miles later and forty times hungrier we finally gave up and stopped on the side of the road. Everyone would have enjoyed his meal more, however, if Tommy and Jimmy had waited until we were all through to kill their rock rattler. The fact that it had been about feet from where we were eating didn't improve our appetites either.

We finally drove into Brackettville and Fort Clark about 1:00. After a not so successful try to see John Wayne (Nonie and Mary Lou are still mad about it) we started out to the Shahan ranch where the movie is being filmed.

There weren't any movie stars around, but San Antonio and the Alamo as in 1835 is something no one should miss. We were shown around by a guide who was very nice about answering all our questions.

After the tour was over we all climbed back on the bus and started for home. Once more we ran into some hard rain and we had some trouble keeping our feet dry. There was a hole in the floor and the wheels kept throwing water up in the floorboard. Mary Lou's purse got rather wet and a few people came up with soggy sandwiches but otherwise no damage was done.

Home again, eighteen people (tired ones at that) dashed through the rain to their cars and headed for home and dry clothes.

### THINGS 'N' STUFF

We have a new history book circulating around school. Coach Cleere certainly enjoyed reading parts of it. The rest he read out loud to the class!

Linda, Peggy, Janet and Nancy are all wearing new ornaments around their necks. Who are the lucky boys, girls?

The cheerleaders gave a dance after the game Friday night. Some of the couples seen there were:

Linda and Joe F., Sandra and Pierce, and Camille and Tommy S. Several couples were interviewed by Grady Grant. These interviews were played back Saturday morning on the radio.

There was going to be a hayride Saturday night, but the rain prevented it. The hayride is going to be October 17. Everyone is invited! Some of the brave ones who got out in the rain Saturday night were: Susie and Roy Neil, June and Tommy P., Linda and Bill, Janet N. and Phillips, Pam and Johnny, Peggy and Ronnie, Barbara and Jim D., Sandra and Jimmy F., Leslie Deland and Glenda Scrivner, Judy and Johnny C., and Janet M. and Bob M.

Alma Ingham was home this week-end. Alma, Nancy, and Buddy went out to Sul Ross to see everyone, namely Tommy Owens.

Looks like Camille is sporting a new car. Really it's her mother's. Helen Henderson has been seen running around in a new Corvair. She said that she thought she was going to get it.

Herbie Noelke has gotten himself "four wheels", also. His is a blue Chevy pick-up.

There was a drag race the other day after school. No, it wasn't boys, it was some of our sweet little girls who were the hot-rod-ders!

The Lions downed the Red Devils 13-0 last Friday. Tomorrow they will meet the Sanderson Eagles in Sanderson. The following week they open district play against the Sonora Broncs.

Let's all back the Lions to victory. Don't look for Sally Baggett this week-end. She will be at T. C. Wonder who she's going to see.

Exams are here! Don't be surprised if you see Mr. Harlan in "fits" — he's just having give tests!

If anyone knows of anybody who would give an assembly, please contact Miss Powers. The Student Council is searching high and low for talent!

Goody, until next week, is Sherlock Shelly signing off.

### TESTS ARE PESTS!

"He who tries to challenge a mind with devices known as tests should have his own mind examined."

These are the words of the famous Mongolian philosopher, Sam Pao (of course, the quotation is something in the translation) but he could not have spoken these words, for the now-used practice of testing one's mind by means of carefully planned snares and traps is a ridiculous procedure.

(Continued on Page Seven)

## DODGE DOES IT IN 1960!

with two completely new, completely different lines of cars

## DODGE DART

A COMPLETE NEW LINE OF ECONOMY CARS IN THE LOW-PRICE FIELD

This is the Dodge Dart—the all-new, low-priced car with the features you've been waiting for. A brand-new Economy Slant "6" Engine that saves up to 20% on gas. All-welded Unibody construction to eliminate squeaks, rattles and rust. Roomier, family-sized interiors that make driving pure pleasure. And a solid look and feel that make it hard to believe Dart is a low-priced car. Dart comes in 20 exciting models—3 great series, Seneca, Pioneer, Phoenix. See America's First Fine Economy Car—the Dodge Dart—at your Dodge Dealer's now!

## '60 DODGE

GREATEST DODGE EVER... BIG, SOLID, BUILT TO COMMAND

This great new '60 Dodge was built to prove you don't have to be extravagant to travel in style. Underneath its bold, crisp styling you'll find a satisfying bonus in stretch-out room and comfort—the strength and silence of exclusive all-welded Unibody construction—the unequalled responsiveness of a new D-500 Ram Induction V-8 Engine.\* Yet for all these exclusive advantages, this magnificent '60 Dodge is most moderately priced. Available in 11 exciting models—two great series, Matador and Polara. See them today!

### Lions Roar

Continued From Page Six

be abolished! The main objection that the students have to tests is that they see the teachers work so hard preparing the tests. This makes the teachers irritable and to get along with, and teenagers must have perfect harmony in which to operate. Every teacher knows, all students are inquisitive and have very inquisitive minds. This is the reason that the students are in favor of abolishing tests. — to preserve exceptional minds.

Closing, I would like to leave with a quotation from Sam's brother, Joe Phfett, "Tests are a bucket with a hole in it. Leave much to be desired!"

### STUDENT COUNCIL SIGN CONTEST

The class of O. H. S. is to engage in the contest sponsored by the student council for the Sonora game.

Signs must be ready and in place by Monday so that they may be hung in the gymnasium, or, with special permission, may be placed outside the building. A prize will be awarded to the class with the best sign at Friday's pep rally.

### 4-H NEWS

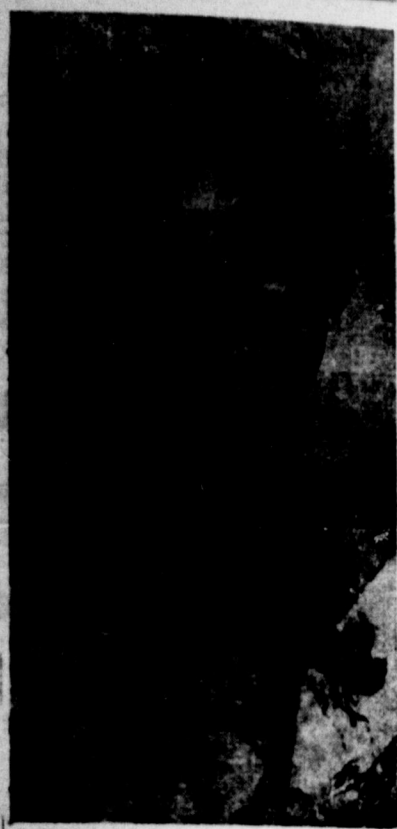

The 4-H Club meeting for last week was postponed. The meeting will be held this Monday October 12, 1959, in the high school building at 7:30 p. m.

### APPENIN'S AROUND OHS

Events on next week's agenda

October 8 — Six weeks tests, one, three, five, and seven.  
October 9 — Football game at Sonora. Six weeks tests, periods four, and six. The only class meeting after school will be sixth grade school out at 2:00 pep rally at 4:49 a. m. in girls gym.  
October 12 — 4-H Meeting.  
October 15 — Snake Dance, Fire, and Pep Rally for Sonora

October 16 — Sonora game 7:30 p. m. Rally — 3:25, girl's gym.

### IN STEP WITH THE BAND

Friday night the Ozona High School band entertained at half-time with a marching routine.

After introducing the twirlers, the band did a spread formation. The next maneuver was a formation that gave the impression of moving diamonds. Then the band did a split formation. The familiar 'O' formation came next in which the band marched off the field playing the school song.

### FFA CHAPTED ELECTS

Ozona FFA Chapter has elected officers for the current year as follows: Jim Doran, president; Jim Williams, vice president; Muggins Good, reporter; Deeney Holden, sentinel; Leslie Deland, secretary; Billy Jacoby, treasurer, and Bob Cooke, parliamentarian. Miss Susie Chandler was chosen FFA Chapter Sweetheart.

### United Nations Study Completed By W.S.C.S. in All-Day Meeting

The study on the United Nations, currently occupying the Methodist Women's Society of Christian Service, was concluded with two sessions Wednesday at the church.

At the morning session, Mrs. L. B. Cox, Jr., director of the study, gave the devotional on "Our Spiritual Social System," Mrs. P. C. Perner gave a talk on "Woman's Expanding World and Status of Wo-

men in the United Nations." Mrs. Cox spoke on "An Expanding Age." "Responsibilities in International Community for Development of New Member States," was discussed by Mrs. Joe Tom Davidson. A film strip entitled, "Let There Be Bread," was shown. "Our Special Concerns" was Mrs. R. A. Harrell's topic, followed by general discussion.

Following a covered dish luncheon, the program continued with Mrs. O. D. West presenting "The Challenge to the United States."

Mrs. Evart White spoke on "Critical Issues of the 14th Assembly." Mrs. John Childress had the topic, "Impressions of the United Nations," and Mrs. J. A. Fussell spoke on "Meeting the Attack on the United Nations." A film strip, "The Children's Fund," was shown.

The devotional was given by Mrs. Joe Pierce, Jr. on "These Things Shall Be." Assisting in the devotional were Mrs. M. J. Read, Mrs. S. M. Harvick, Mrs. J. W. Henderson, Mrs. B. B. Ingham, Sr., Mrs. W. O. Reeves, Mrs. Ralph Jones and Mrs. W. D. Cooper.

## 1960 FRIGIDAIRE "WRINKLES-AWAY" Electric DRYER

CUSTOM IMPERIAL MODEL FEATURES...

Exclusive Filtrator Heat, Lint and Moisture Control

- NO STEAM BATH DRYING
- NO PLUMBING
- NO VENTING

Air is heated by the Radiantube Heating Unit in the back and is pulled through the drum and clothes. Lint and moisture-laden air pass through the Filtrator. Room air entering the dryer through the grille in front cools the Filtrator. Moisture is condensed and collected in the porcelain enameled tray below, for easy disposal — automatically if desired. Lint collected on the Filtrator surface can be easily rinsed or wiped away whenever necessary.

Whatever you wash and wear... just match the fabric to the right drying temperature

**PRESENTING FOR 1960... BUICK'S ALL-TIME BEST**

**TURBINE DRIVE**  
**BUICK '60**

A car with major advances in transmission, suspension, brakes, and engines which are Buick's aloft today  
 A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

**Now comfort, quietness, and quality**  
 Doors that open wider — easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

**Now interior decor and convenience**  
 An entirely new "Mirromatic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option — the Twilight Sentinel — that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments.

**Outstanding performance with economy**  
 1. Buick's Exclusive Turbine Drive Transmission? Is jet-smooth, responsive faster, more economically than ever. No gears ever shift while the car is in motion.  
 2. Buick's Exclusive Air-Flu Aluminum Drum Brakes — found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.  
 Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 1 1/2" size which gives you up to 1/3 more tire life.)  
 3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)

### Notes From The City Agent's Office

**Don't Give Fire A Place**  
 Week is National Fire Prevention Week as proclaimed by President Eisenhower. Farm fire losses have increased by nearly 2 1/2 percent since 1950 and by 2 1/2 percent in the past year. One-sixth of the losses in this Nation occur on farms.  
 It is the time to make a thorough check on your farm and remove all fire hazards before it is too late. Don't give fire a place to start.  
 There are some fire prevention tips: Use a lightning rod on barns and buildings. Replace rods that are damaged or worn. Check ground connections on electrical appliances. Use fire-resistant partitions in farm buildings.  
 Firefighting equipment in barns and buildings is sound investment against fire loss. Outside telephone, fire extinguishers, fifty feet of hose hanging inside or outside with water pressure, a sturdy, safe long enough to reach the top of your highest building, and most ranchmen have a live-prayer, keep it handy and working order and full during periods of fire.  
 Barn facilities should be checked annually for defective heating equipment should be checked thoroughly each year.  
 Family should be trained in what to do and what not to do in case of fire outbreak in home. Plan at least two ways out of every room and keep clear. Keep a flashlight handy to get everyone out of the house at once. Stay near the floor to avoid rising gasses. Never leave small children in your home. Never go back into a burning building. Keep your home free of fire hazards by regular inspections.  
 Club members and their families will meet at the high school Monday night at 7:30 p. m. for national meetings.  
 There are to hold a meeting of cattle producers in the sometime this month to discuss the Brucellosis Program for the County. Time and date announced when meeting.

### Organizational Meet Slated Mon. Night For 4-H Members & Parents

Crockett County 4-H Club members and their parents will meet at the high school on Monday night at 7:30 p. m. for organizational meetings. Senior and Junior 4-H members will elect officers, adult leaders and club sweethearts.

All mothers of 4-H members are to meet with Mrs. Dempster Jones, 4-H Mother's Club Chairman, to plan the 4-H activities for the year and make committee assignments.

Thirty-one 4-H members have about 275 head of cattle and sheep on feed for the county show and major livestock shows next year. Tentative plans are for the county show to be held on January 29, 1960. 4-H members will exhibit livestock at the Dallas Fair, Odessa, El Paso, San Antonio and San Angelo Livestock Shows.

**WOMAN'S CLUB MEET**  
 Ozona Woman's Club will meet next Tuesday afternoon at 3 o'clock in the home of Mrs. Stephen Ferner in regular meeting. The program subject for the day will be Citizenship.

**FOR SALE - To Be Moved.**  
 New two - bedroom house. 364 square feet floor space with bath fixtures, light fixtures and cabinets. Lee Harmes. 2101 Vaughn St., San Angelo. Phone 3809 or 22510. 27-2tp

Pierce Miller brought Crockett County a nice honor by being selected as the outstanding 4-H club boy in the 25-county West Texas District and winning the Rutherford Trophy for outstanding achievement in 4-H club work. Carl Konklin, a senior at Texas A&M College, won this award in 1956.

### Strawn Gas Discovery Completed By Cosden At Crockett Co. Test

Crockett County gained a Strawn gas discovery with completion of Cosden Petroleum Corp. Big Spring No. 1 E. H. Hunt, nine miles southwest of Ozona, for a calculated, absolute open flow of 5,700,000 cubic feet of dry gas per day.

Production was through perforations between 9,004-067 feet and 9,117-137 feet.

Location is 1,980 feet from the south and 1,650 feet from the east lines of 2-1-GC&SF.

Operator suggested the field be designated the Embree field.

Northern Natural Gas Producing Co., Wichita, Kansas, will drill the No. 1-14 University as a 1 1/4-mile northeast outpost to the four well Ingham (Devonian) gas field of Crockett County, 25 miles west of Ozona.

Location is 660 feet from the south and west lines of 14-29-University. Scheduled depth is 7,700 feet.

**FORMER OZONAN WED**  
 Mr. and Mrs. William Clay Phillips, former Ozonans now living in San Antonio, have announced

the marriage of their daughter, Mr. and Mrs. Charles Clemens Petrina Gay (Penny) on Sept. 9 Bode of San Antonio. to Rodney Eugene Bode, son of Mr. and Mrs. Bode are attending school in San Antonio where both will be June graduates. They are residing at 316 Kendalia.

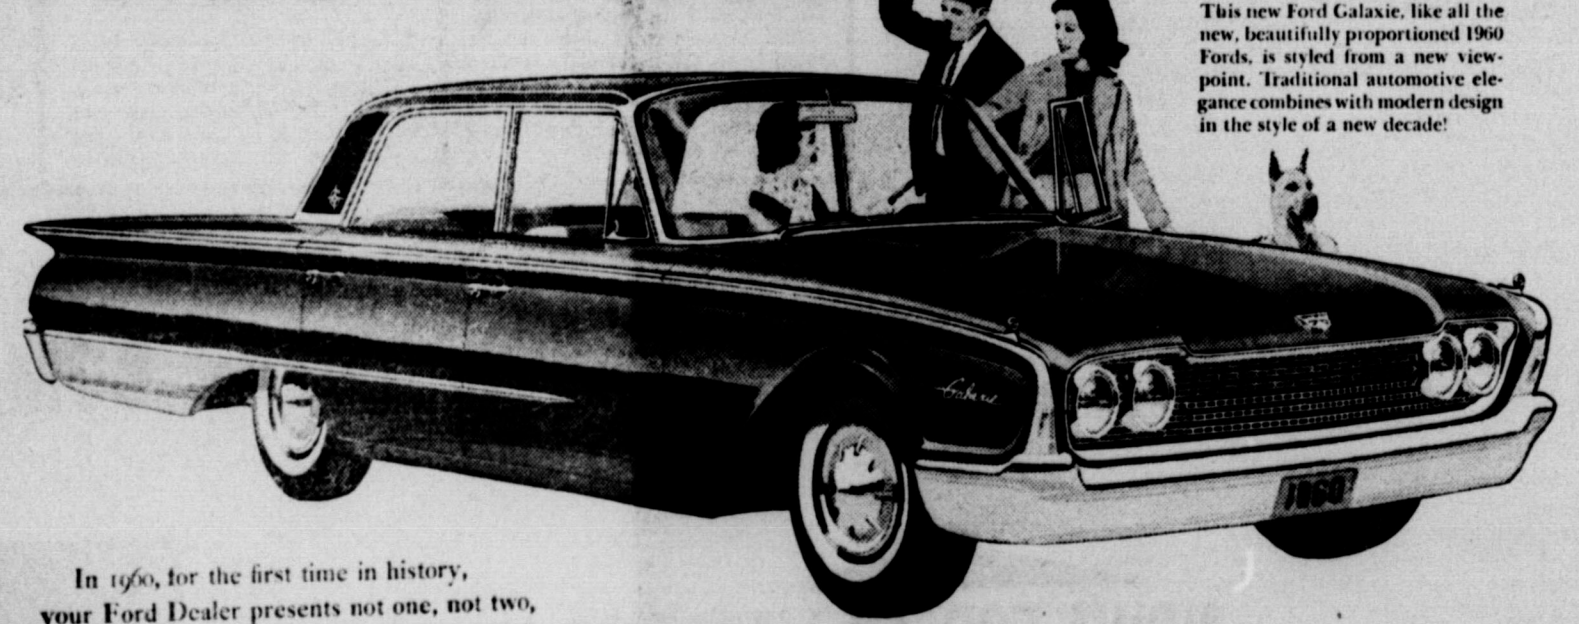

Fall in love with your car again

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible.  
 We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in.  
 Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!

**Ozona Oil Company**

## Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

**FINEST FORDS OF A LIFETIME**

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

- In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .
1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
  2. The 1960 Falcon—The New-Size Ford, the world's most experienced new car and the easiest car in the world to own!
  3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sees the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminum mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Teyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

FORD DIVISION, Ford Motor Company.

### Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-Size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminum mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

THE FALCON FORDOR SEDAN the world's most experienced new car is the easiest car in the world to own!

FORD BUILDS THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

### Music Clubs —

(Continued from Page One)

extensively through the states. Mrs. Darst has held a number of offices in both First District and the State Federation of Music Clubs. She was president of her own club, the Euterpean Club of Fort Worth, then president of First District.

At 1:30 in the afternoon, the business session will reconvene in the fellowship hall. At the afternoon session, Mrs. Darst will conduct a workshop that will be of special interest to all clubs in the district.

A tea complimenting state and district officers here for the convention will be held in the home of Mrs. J. B. Miller from 4:30 to 6 p. m. with the Ozona Music Club as hosts.

Starting at 7:30 p. m. in the high school auditorium, the Howard Payne College Music Department will present a concert to which the public is invited. After the concert, Mrs. Ellie Locks of Brownwood, State ways and means chairman and Convention program chairman, will show slides of the National Biennial Convention and the post-convention tour of Hawaii.

The evening concert will conclude the Senior Clubs' convention, Saturday, October 10, is Junior Day and activities are centered at the High School auditorium where registration begins at 9 a. m. Directing the Junior Day activities will be Mrs. Joe D. Johnson of Melvin, Sixth District Junior Counselor, and Mrs. H. B. Tandy of Ozona, Convention Junior Counselor.

Rehearsals for instrumental and choral ensembles begin at 9:20 with a business session in progress until 11:30. Sack lunches will be served in the girls' gymnasium by the ESA Sorority and the business session will reconvene at 12:30.

Theme for the Junior convention is "Music is the Best Hand of Comradeship." Roy Neil Killingsworth is Junior Chairman, and Sally Baggett, Junior secretary.

Performing on the program will be the Methodist Junior Choir, the Melody Makers and students of Ozona High School band. There will be choral numbers, vocal and piano solos, accordion and Hawaiian guitar numbers throughout the day.

Hosts for the Junior Day meeting are the Methodist Junior Choir, the Community Center Music Club, the Melody Makers, Cleona Quigg Music Club, Lovella Dudley Music Club and the Ozona High School band.

The public is cordially invited to attend any or all of the convention sessions and programs.

### Concert —

(Continued from Page One)

the University of Cincinnati and George Peabody College.

A member of the faculty at Mississippi College from 1944 until this fall, he organized the college's department of music and division of sacred music and designed the recently completed music building.

He is a member of the Music Teachers National Association, Lions International, Phi My Alpha Sinfonia national music fraternity, Phi Delta Kappa, Kappa Delta Pi and the Mississippi Music Teachers Association.

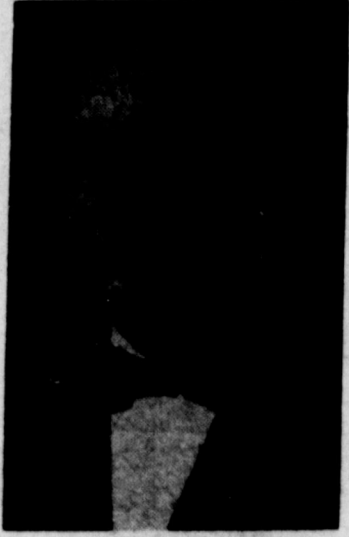

### South Elementary PTA Names New Officers

The South Elementary P. T. A. met Tuesday night in the school cafeteria. New officers for the year were named follows: Armando Reina, president; Mrs. Napoleon Vitela, vice president; Mrs. Raul de la Rosa, secretary; Mrs. Cora Anderson, treasurer and Mrs. Arturo Torres, parliamentarian.

A committee was appointed to plan the annual "Parent Meet Teacher" night in October. Mrs. Napoleon Vitela was named chairman of the committee. Mrs. Raul de la Rosa was named chairman of a membership committee.

### MIKE HAMMER MOBILE HOMES

DR. S. L. BATCHELOR, Rotary District Governor, will visit the Ozona Club at its luncheon Tuesday noon.

### Revamped Lions —

(Continued from Page One)

came in for a lot of attention this week as the Lions drilled on situations where the ball is inside the opponents twenty yard line.

Tommy Porter, Joe McMullan, and Ronnie Beal, were on the injured list Wednesday but Beal and McMullan may be ready for limited use Friday. Jim Williams, and Bob Meinecke both of whom have been ailing for the past two weeks, appear to be recovered from their bout with illness and will be ready to go top speed for the first time in several weeks.

Sanderson's Eagles have dropped but one game this year, having lost a scoring duel to Rankin 32 to 28 and with their single wing attack are expected to be a top opponent for the Lions this week.

Sanderson Coach Carlton Smith, an Ozona graduate, would like nothing better than to post a win over his home town and the Eagles are expected to be ready to go all out to stop the Lions Friday night.

Several lineup changes have resulted from the grading system, and from injury, this week as Darrell Raspberry has moved into a starting offensive guard position with Mark Baggett taking over the offensive tackle slot.

Tommy Porter, one of the Lions starting guards, is expected to be back in uniform next week if results of an x-ray of his hand show satisfactory progress Saturday. The return of Porter would give the Lions offense a big boost as well as bolstering the defense considerably.

Kickoff time in Sanderson Friday night will be 8 p. m. and this will mark the last of the Lions

non-district tilts and the last 8 p. m. kickoff as next week the time will advance to 7:30.

### RUTH CLASS MEETS

The Ruth Class of the First Baptist Church met Tuesday for its monthly meeting.

Miss Lola Mae Daniel, who worked in Alaska this past summer as a missionary, showed the class her slides. The slides were of Alaska, Canada, and her tour home, through Oregon and California.

The hostesses were Mmes. Jerry Perry, Johnny Poyner, Connie Spier, and Ralph Simon.

Members present were: Mmes. L. M. Carnes, Oscar Lout, J. B. Cutright, M. A. Barber, Henry Ridley, Sam Ligon, Garland Allen, Wayland Jordan, Harold Shaw, Donald Sager, Gerald Dingus, and Miss Lola Mae Daniel.

### Mrs. Blaza Perez, 75, Dies

Funeral services for Mrs. Blaza Perez, 75, of Ozona were conducted by the Rev. Father Lynch at Our Lady of Perpetual Help church at 4 p. m. Sunday.

Mrs. Perez, a resident of Ozona for many years, died in the O'Connell County Hospital Saturday. She had been a patient in the hospital for two weeks and had been in several months.

Surviving are 3 sons: Paul and Jesus Perez, both of Ozona, and Jose Perez of Arizona; daughters Mrs. Sara Herrera of Ozona; and Mrs. Neapomuceno of Mexico; 25 Grandchildren and 39 Great-Grandchildren.

Burial was in the Latin-American Cemetery in Ozona, with the funeral home directing.

### Man-Hunts —

(Continued from Page One)

The Sonora sheriff's department, who brought along the bloodhounds joined in the search and Dick Henderson and Gene Williams searched from the air. Sheriff Mills expressed his department's thanks to these groups for their assistance, and also praised Cleophas Cooke for promptly reporting presence of the pair.

In the earlier man-hunt which centered in the Sonora area, resulted in the arrest by Deputy Earl Clark of the Sutton county sheriff's department, of James D. Edwards, 19, of St. Louis, Mo., and Allen P. Phillips, 19, of Chicago, Ill.

Edwards and Phillips were lodged in the Crockett county jail on charges of car theft in connection with theft of a car belonging to Mrs. Ralph Simon. The car was taken Sunday night from in front of the First Baptist Church.

Officers from Sutton and Schleicher counties joined the Crockett county sheriff's department in the search for the two men, as did the Highway Patrol and Border Patrol. Several airplanes were also used in the hunt.

The two men were arrested a mile north of Sonora on the highway by Deputy Clark late Tuesday after a two-day search. The pair told Sheriff Mills they were AWOL from the U. S. Marine Corp Recruit Depot at San Diego, Calif. They had left a trail of stolen abandoned cars from the west coast to here. They left a car stolen in Van Horn here when they took the Simon car. They have been turned over to Van Horn officers for trial on the theft charge there and they are also wanted in El Paso on similar charges. They will be brought back here later to face charges in connection with the Simon car theft.

Dr. and Mrs. Lloyd H. Sherrill left early last Friday morning on their way to Galveston, where Dr. Sherrill will attend the Texas Academy of General Practice.

ALONG THE DRIVEWAY

This summer, enjoy sumptuous outdoor dinners with a GAS PATH BROWLER. Provides tantalizing charcoal flavor with taste of the mans of charcoal! Cooks faster than charcoal, too, and is so simple to operate that even the children can be assistant chef. Ask about it.

Time hallowed... timeless... timely! Gas Lights, sweeping the country with their mellow glow, are all of these. They bring back the charm of the vanished era that bore their name. Yet they reappear, not as period pieces, but as handsomely functional accessories for any home. And their versatility makes them timely, indeed, as people do more and more outdoor living, by night as well as by day. Gas Lights do not attract bugs... they welcome guests, warm away trespassers. Wherever the moon is not enough, a Gas Light belongs! Get details from Pioneer Natural Gas Company, tomorrow.
