Sign-Up Complete For Brucellosis Tests In County

Testing Expected To Begin In About 4 Months

A sufficient number of Crockett County cattle producers have signed a petition asking the Texas Animal Health Commission to declare the county as a brucellosis control area.

One hundred twenty-eight ranchmen signed the petition which is well over the 75% needed and the number of cattle rendered by these producers is well over the necessary 51%.

When the petition is received by the Texas Animal Health Commission, a 90-day waiting period will precede a hearing and the proclamation by the Commission declaring the county as a Type II Brucellosis Control Area.

When testing starts, probably some four months from now, 20% of all beef breeding cattle of three years of age and up, all registered stock, all milk stock and bulls will be blood tested for brucellosis. Testing will probably take only two to three weeks to complete.

Dick Henderson served as chairman of the brucellosis petition committee with the following ranchmen and individuals helping with the petition; B. G. Owens, Troy Williams, Boyd Clayton, Bill Childress Dempster Jones, Ralph Jones, Frank McMullan, Beal Barbee, Charles Williams, Oscar Kost and James and Joe B. Chapman.

Two Ozonans Get PTA Life Memberships

Two Ozonans, L. B. T. Sikes, superintendent of the Ozona Public School system, and Mrs. Martin Harvick, were presented life memberships in the Parent-Teachers Association at the Sixth District P. T. A. convention at Fort Clark last week.

The two Ozonans were among seven P. T. A. workers to receive life memberships presented by Mrs. W.N. Huddleston of San Angelo, district chairman. Mrs. Huddleston extended yellow roses for the living theme and scrolls in tribute to life memberships for the seven persons.

Mrs. Harvick is the retiring president of the Ozona P. T. A.

Crackdown Promised On Local Drivers Who Drive Without License

Highway Patrolman Jack Holmes issued a warning to those drivers who are driving motor vehicles, cars, motorcycles or motor scooters, without a valid driver's license that a stricter enforcement of laws against such driving is in the offing.

Frequent driver license checks are to be made locally in coming weeks with a view to reducing the incidence of illegal driving, the patrolman said.

"No matter how I or anyone else may feel about the matter, the law provides that no person under 14 years of age may secure a valid driver's license and no person of any age may legally drive a motor vehicle without a valid license," Patrolman Holmes said.

The patrolman pointed out that a check of accident records in this county for the past six months period shows that at least 50 percent of all accidents in the county involved one or more persons who were driving without a driver's license.

A 14-year-old child can get a driver's license if he has successfully passed a Driver Education course in the public schools and passes a written and drivers test. Those 14 who have not had driver education may secure a motor scooter only license by passing the written tests. Without the driver education course, no person can get a regular driver's license until he or she is 16 years of age.

Where underage children are found driving without licenses, traffic violation tickets will be issued to their parents rather than to the children, the patrolman said.

Annual Cleanup Drive Slated To Start Here; Hauling Set For Apr. 25

Ozona's annual spring clean-up, sponsored by the Ozona Woman's Club, with the cooperation of county authorities, is under way, with a date set for the pick-up of trash by trucks furnished by the county.

Hauling of trash will begin April 25, Mrs. S. M. Harvick, clean-up chairman for the club, announced following a conference with members of the Commissioners Court.

Residents are urged to begin cleaning up the premises now in order to have trash available for the trucks when the actual hauling begins.

Cash awards to winners in the clean-up poster contest, sponsored by the Woman's Club in the North and South Elementary and Lockett schools, are scheduled for this afternoon following judging of the posters earlier in the week.

First Baptist Choir To Present Easter Cantata Sunday Night

The chancel choir of First Baptist Church, under the direction of Miss Lucille Farmer, will present "Lord of Lords", an Easter Cantata, on Sunday, April 10, 7:45 p.m. Misses Roberta Johnigan and Jan Pridemore will accompany at the piano and organ.

The Cantata was written by M. E. Graham and published by The Willis Music Company of Cincinnati. It begins with the actual crucifixion at the third hour. Prophecies foretelling the event are brushed into the background. Jesus commends his spirit into the hands of the Father.

At this point the description moves to the women as they seek to find where He is buried. They are met and informed that Jesus is risen from the dead. As they leave the garden Jesus meets them and instructs them to tell His disciples to meet Him in Galilee. The whole creation rejoices at the triumph of Christ the Lord. Assurance is given to all who believe in Him that they too shall be with Him as He reigns victoriously forever and ever.

As the scenes are sketched musically by the choir, solo parts and trios fill in the details.

The public is cordially invited to attend.

Joe Willis Gets Two-Year Term In Benson Slaying

Negro Shine Boy Convicted In Slashing At Harlem Cafe

Joe Willis, Negro shine boy employed at Sam's Barber Shop here, was found guilty of murder and assessed a term of two years in the state penitentiary by a Crockett County jury in 112th district court here late Tuesday.

Willis was charged in the knife murder of Silas Benson, Jr., the night of February 16, 1960, at Douglas Smith's Harlem Cafe in the Negro settlement in Ozona.

Benson and Willis engaged in an argument outside the cafe and in the resulting melee, Benson received a slash across his throat and down his chest. After Smith had stopped the fight by wielding a two-by-four club, Benson got in a pickup belonging to his employer, J. B. Parker rancher, and drove across town to the vicinity of the Crockett County Hospital where he died from loss of blood before reaching medical assistance.

Although officers found a closed pocket knife in Benson's trouser pocket, no witness, except the defendant, testified that he was using a knife in the fight. Several witnesses testified that Willis had asked a number of persons at the cafe to take him to "The Line," the county line inn where he wanted to buy beer. Among the persons Willis asked to take him to the inn was Benson, witnesses said, but Benson refused, saying that he was "driving a truck". Witnesses were unable to say whether this was the sole cause of the argument and resulting fatal fight.

Willis was defended by Houston Smith of Ozona and Jack Bundrant of Big Lake. Handling the prosecution were District Attorney Connel Ashley and County Attorney Dixon Mahon.

Willis was one of ten persons indicted by the Crockett County grand jury which met following the opening of the April term of court by Judge Hart Johnson of Fort Stockton.

In addition to the murder count against Willis, five other indictments were returned by the grand jury, naming a total of nine persons on charges of burglary, theft and forgery.

Only four of the defendants are in custody. Three teen-age boys from Big Spring, charged with a fourth a juvenile now in the Gatesville school for boys, with burglary of the Fuantox Dixie Service Station here Dec. 17, 1959, are slated to be tried in district court this morning.

The three boys, ranging in age from 17 to 19, are Jackie Snow, Gerald Graham and Bobby Ward. Floyd Holland, a juvenile, is already named in the indictment, is already confined at Gatesville. The other three are unde, suspended or probation sentences at Snyder and face similar charges at Big Spring.

Red Cross Fund Drive Over The Top

Ozona topped its 1960 Red Cross Fund drive quota, Roy Thompson, drive chairman, announced this week.

With final reports from all workers, Mr. Thompson announced, the total contribution to the mercy organization reached \$1,226.36. The Ozona chapter's assigned quota was \$1,200.

Ozona FFA Teams Win Sweepstakes In Sul Ross Meet

Three Local Teams Compete Against Area Judges

First place wool grading and judging team, second place grass judging team and fifth place livestock team won Ozona FFA a nice large first place sweepstake banner at Sul Ross College last Saturday, April 2. Three Ozona teams competed against teams from all over the West Texas area. The High School FFA that made the highest score after all three contest scores of wool, grass and livestock were added won the sweepstake award. This year Ozona FFA was the winner.

Bob Cooke, Jimmy Adams, Leslie Deland and Weldon Day won the wool grading and judging contest by placing first in this contest. Cooke led in this contest as high individual with 505 points out of a possible 400 points. Team mate Jim Adams tied for second high with Dosez Remez of Marfa with 304 points each. Leslie Deland placed 4th with 289 points. The three high teams in wool judging: Ozona 898, Marfa 833, Del City 641.

Herbie Noelke was high individual in the grass contest with 216 points out of a possible 250. Three boys from Robert Lee ranked 2nd, 3rd, and 4th in this contest. Three high teams: Robert Lee 561, Ozona 533, Del City 492. Other Ozona FFA team members were Tommy Everett 7th high individual and Jim Brock Hoover 8th.

Ozona FFA Livestock team composed of Frank Childress, Jay Miller, Bob Childress, and Billy Troy Williams placed 5th in a field of top livestock judges from this West Texas area. Frank ranked 7th high individual out of the group of 68 livestock judges, Jay was fourth in sheep judging. The contest consisted of placing 3 classes of sheep, 4 classes of cattle and 3 classes of hogs. Questions were asked on a number of classes.

In the livestock contest the top five teams were: Odessa 1679, Bronte 1620, Robert Lee 1601, Midland 1596, Ozona 1584.

Cleophas Cooke and M. A. Barber were sponsors on the judging trip.

Dr. Joe Logan Heads Ozona Lions Club For 1960-61 Club Year

New officers were recently elected by the Ozona Lions Club for the 1960-61 club year.

Dr. Joe B. Logan was named president of the organization for the coming year. He succeeds President Corbett Smith.

Other officers elected include Woody Mason, first vice president; Clarence Key, second vice president; Dick Ketchum, third vice president; Bill Akers and Major Leroy Zunker, two-year directors; Dick Webster, one-year director; Ray Collins, secretary; Quebe Alford, taitwister; Larry Albers, assistant taitwister; Jim Cordes, Lion tamer. Holdover director is Ernie Boyd.

The new officers will be installed at a Ladies Night banquet in May. Date for the banquet will be determined at a later date.

led the ticket with 305 ballots, and James Childress, who polled 288 for third place. Dr. Ralph Simon, who polled 294 votes for second place, and Dick Henderson who received 283 favorable votes were new members picked by the voters.

P. C. Perner and Chas. E. Davidson, III, ran a close race for fifth place on the overcrowded ballot. Perner and Davidson wound up in a dead heat in the Ozona box vote with 241 each, but the vote from over the county left Perner with a two-vote lead with 256 to Davidson's 254. The two men were just 27 and 29 votes short of being in the magic circle of the top four.

Jesse Adams polled 180 votes while Maurice Lemmons and J. B. Miller, the two members of the present board who sought re-election, trailed in eighth and ninth places, Lemmons with 153 votes and Miller with 129.

The 558 total vote cast was an all-time record in such an election in this county. The total exceeded the previous record of 420 votes cast in the 1954 election. The Ozona box polled 526 votes, the Powell field 6, the Owens box and power plant, 10 each and the Mills-paugh box, 6.

Three Ozonans received write-in votes for membership on the board. Armando Reina received 9 votes, Mrs. Boyd Clayton 3 and Mrs. R. A. Harrell 1.

The three unopposed members of the county board, Charlie Black in precinct 2, Jeff Owens in Precinct 3 and Marshall Montgomery in Precinct 4 were re-elected.

Crack Big Spring Volleyball Team To Play Here Sat.

Former State Champs To Engage Ozona Girls at 2 p. m.

By Ernie Boyd

Miss Geneva Knox's Ozona High School girls volleyball team will play both an A and B exhibition game with the powerful Big Spring High School team at Davidson Gym Saturday afternoon.

The first game will begin at 2 p. m. and the second game at 3 and 25 cents for students and 50 cents for adults will be charged for admission.

The Big Spring team was the 4A state champion in 1957 and '58 and the 1957 team was the first high school team ever to enter the National volleyball tourney held at Memphis Tenn. that year.

The powerful Big Spring team amazed fans and spectators alike in the National meet where they were pitted against AAU teams composed of older and more experienced players.

Miss Bernice Waggoner is coach of the Big Spring team and is a disciple of Miss Anna Smith who was coach in 1957-58 and who is now on the staff at Howard County College.

Miss Knox has a strong team in Ozona this year and feels that even though the Big Spring team will boast too much power that her team can give a good account of itself and could possibly win making the contest one of considerable interest to fans.

The Ozona team was runner up in the state 1-A meet last year and has been a much stronger team this season.

Ozona and Big Spring have met one common foe this season in Colorado City with Big Spring winning over Colorado City by 12 points following a tie score at half. Ozona in playing the same team in the same tourney finished the game one point ahead but lost in an overtime when tourney (Continued on Last Page)

Ozona P.T.A. Wins Excellence Awards At Dist. Convention

The Thirty-Ninth Annual Conference of 6th District P. T. A. was held in Brackettville March 29 and 30. The District Board met on the 29. Mrs. L. S. Vashiner, district president, appointed Mrs. Boyd Baker as district parliamentarian, to fill the vacancy caused by the resignation of Mrs. James Baggett from the district board. Board members were honored with a dinner, by the Board of Education, at Fort Clark Guest Ranch. Regular sessions began the morning of the thirtieth. The conference theme was "Such Is the P. T. A. Story". Guest speakers and panel members included Mrs. F. C. McConnell, 2nd State Vice President, Austin; Mrs. J. W. Miller, State Council Chairman, San Antonio; and Mrs. Chesley McDonald, President 16th District, Sterling City. The conference theme was presented by the Del Rio Junior High students. Panels and workshops followed during the remainder of the morning and following lunch at the guest ranch.

After the afternoon panel, Roy Killingsworth of Ozona starred,

as Sgt. Saturday, in a skit concerning the investigation of P. T. A. members who do not subscribe to the P. T. A. magazines. Mrs. Boyd Baker was the suspect. Other actors were members of 2SC County Council.

After conference evaluation, Life Memberships were presented. Mr. Mr. Killingsworth made the presentation for the Ozona P. T. A., to Mrs. Martin Harvick and L. B. T. Sikes.

Ozona won gold seals for excellence on Press book, Yearbook and Evaluation sheet.

Attending from Ozona were Mrs. Boyd Baker, Mr. and Mrs. Martin Harvick, L. B. T. Sikes, and Roy Killingsworth; and the entire new slate of P. T. A. officers: Mrs. R. L. Bland, Mrs. S. E. Carnes, Mrs. Charles Ratliff, Mrs. Joe Couch, Mrs. Harold Shaw, Mrs. Nelson Long, and Mrs. Dick Webster. The new officers made a conference report which was mailed last week to all P. T. A. members.

MODERATION, A FORMULA FOR MEDIOCRITY

By June Bunger
 John is a senior medical student at Harvard. He is well on his way to being a doctor. The chances that John will fulfill his ambition are very good. The chances that he will ever be the doctor that he is capable of being, however, are few. The reason for this is because John wants only to do just enough to get by, and that is all. John is not alone in his attitude, though. Since World War II moderation, defined by Webster as "temperate" and "not to excess," has become almost a byword for American living.

Americans are the lucky possessors of the highest standard of living in the world. And yet, instead of taking advantage of this privilege, we abuse it. Instead of continually striving to improve our standards, we are content to sit back and rest on our laurels. Every American feels it a great necessity to keep up with the Joneses. However, nobody gives any thought at all to getting ahead of the Joneses.

The reason for this trend toward moderation can be explained in one word — conformity. Americans are so anxious to be average, no more and no less, that we are sacrificing the very thing that America stands for — individuality. How can any man or woman ever hope to achieve any degree of perfection in their chosen field by putting into practice new ideas and theories, when they shrink at the very thought of being different?

Moderation, the result of conformity makes for mediocrity; and mediocrity makes a weak nation. In this day and time when Russia is making great strides in almost every field, average is something that America cannot afford to be. If our nation is to remain superior, people must begin to take a long hard look at themselves, and not at their neighbors. Then, they must

act accordingly.

HOW FREE SHOULD FREE SPEECH BE

By Roy Killingsworth
 In the Constitution of the United States of America, freedom of speech is guaranteed to every United States citizen, but the exact amount of freedom is not defined. Whether or not the right to freedom of speech gives the speaker a right to do damage to any of God's creation is a subject much debated in the halls of time. This problem is not one of universal questioning, but it is more of a personal problem.

God gave each person living on the face of the earth the ability to speak. This right was given in good will and it should be received in the same light with the receiver being able to use the ability to the good of himself and God. The ability to speak is not just through the voice or the vocal cords. A person is able to speak in many ways. Love, expression and actions are some of the ways in which a person can speak, and these are usually used with more thought and foresight than the actual speech through sound.

If the freedom of speech were to be thusly, "Speech is an intangible right than can only be given to those who use it wisely," there would be many people without the ability to speak. What makes people speak without thought is a question that will probably remain unsolved through the ages. Yet, speech has been controlled in places — through oppression! This is not the answer but there is a way for the right to speak to become a modified form of what it is today; it is through thought and consideration.

If each person were to think before speaking, "Would God approve of what I am about to say? Is it going to help or hinder the Creation?" the right to freedom of speech would not be a problem to the world. The answer to the question, "How free should free speech be" is found in one of the oldest books in the world, the Bible. The phrase that would solve it is, "Do unto others as you would have them do unto you."

SENIORS OF THE WEEK

The three seniors for this week are Ronald Wayne Carnes, Susie Chandler and Linora Jane Conklin. Ronald is the son of Mr. and Mrs. S. E. Carnes. He was born on July 8, 1942. Ronald moved to Ozona in 1948.

During high school, Ronald has been the football manager and was in the science club. This past year Ronald has taken pictures of school activities for the annual. Ronald will attend Texas Tech next fall.

Mr. and Mrs. Early Chandler are the parents of Susie Chandler who was born July 17, 1942 in San Angelo.

Susie has attended Ozona schools from kindergarten thru high school. She plans to go to T. C. U. next year to major in business.

Among Susie's activities in high school, she has been cheerleader, 4-H sweetheart, F. F. A. sweetheart and class favorite. Susie is the Lion's Roar Editor, annual editor, and class secretary.

Linora, better known as Nonie, was born on December 10, 1941 in San Angelo. Her parents are Mr. and Mrs. W. P. Conklin.

Nonie plans to enter Southwestern University in September and major in music.

While in high school, Nonie was a member of the band, a twirler, a member of the annual staff and choral club. This year Nonie is head twirler, Band Sweetheart and Lion's Club Sweetheart.

INTERSCHOLASTIC LEAGUE EVENTS

By Margo Pogue
 Last Saturday, the district Interscholastic League meet was held in Menard. Ozona had entries in typing, declamation, poetry reading, ready writing, spelling, number sense, and slide rule.

Roy Neil Killingsworth was first in typing; Roberta Johnigan, second; Peggy Harvick was fifth; Roy Neil was also first in number sense and third in slide rule.

Mary Lou Zunker, our entry in poetry reading, was third.

Sally Baggett received fourth place in declamation.

Ray Moxley got first in extemporaneous speaking.

Third place in spelling went to Golda Goodman and Margo Pogue.

EVERYONE COME TO THE SENIORS' BAR-B-Q SATURDAY AT THE FOOTBALL FIELD

On Saturday, the Seniors are giving a barbecue at the football field. Tickets will be \$1.00 and the dinner will start at 12 noon.

The money is to go for the Senior Trip. Chief chef for the affair is "Le Pierre" Harlan.

Everyone come to the barbecue and enjoy yourselves while helping the Seniors.

SENIOR PLAY MAKES HEADWAY

Progress reports on the Senior play, The Brat, — a three act comedy—shows rapid strides. The blocking of the first act was completed last week and the second act, which should be finished by next Friday, is being blocked this week.

The Senior actors express pride in the selection of this play which they hope will be a success.

Attend the Senior Barbecue.

IN A FULL-SIZE WAGON! You'd never know it by looking, but this is America's lowest-priced full-size wagon! Its 97 cubic feet of loadspace is the biggest in its field. Extra-wide rear gates open easily, with one hand, to make loading a cinch. And this Ford Ranch Wagon is built for people. You get a foam-padded front seat, plus leg, hip and head room to spare. And it's built for savings, too. It thrives on low-cost regular gas. A Full-Flow oil filter lets you go 4,000 miles without an oil change. The aluminized muffler normally lasts twice as long as conventional types. And its Diamond Lustre Finish never needs waxing.

It's been a long, hard winter and your car has suffered too. With the coming of spring and warm weather, give the old buggy a break with a springtime change-over. Your cooling system needs a warm-weather check-up to get ready for summer driving. Your motor oil has taken a beating in the long, cold winter — better let us drain and flush your crankcase and put in fresh oil. Oil filters, air cleaners, carburetors need checking in the season change.

Bring your car to us and we'll make it sing sweet music again.

THINGS N' STUFF

Well! Well! Well! Spring is finally here and all the girls are trying their best to get a dark tan. One of the newest methods for getting black is by rubbing a lotion on one's skin that turns it dark without getting out in the Sun. It sounds pretty good — that is if one puts it on evenly.
 Two new couples are being seen more and more around campus. Janet N. and Frank C. and Peggy

H. and Jay M. Looks like the sophomores are finally getting together. The track boys had a fine time in Eagle Pass. They got to go across the border to Matamoros to eat and shop for curios. Most of them came back with big straw hats, bongo drums and other such items. Coach Cleere also discovered that his appearances sometimes misled people.
 Anne D., Camille, and Linda seemed to have a fine time at Austin. They say round-up is quite a celebration. Bill M. and Pierce M. also made a trip to Austin. Bill went to try out for the Longhorn band and Pierce just went along for the ride. There's a nasty rumor going around that these people are going to have to take final exams for missing school Friday. That would be too bad but Camille says she would do it again.
 Looks like Tony Parker won't collect any district medals this year. The red measles have taken

up most of his time.
 Speaking of track meets the Seniors are planning to have a big bar-b-que feed the same day, April 9th. Tickets are on sale for \$1.00 right now so don't miss out on some real good chow.

Easter is just around the corner so as a closing word, don't forget to mind your manners' cause the watch-bird is watching you and is liable to snitch to the Easter Bunny!!

STUDENT COUNCIL CONVENTION

By Roberta Johnigan
 Four members of the Student Council and their sponsor, Miss Powers attended the State Texas Association of Student Councils Conventions in Amarillo Thursday through Saturday.
 The student who went were Saundra Whitaker, Jim Freeman, Barbara Barbee, and Johnny Chil-

dress.
 The group attended discussion groups and problem clinics on officer's duties and problems common to all student councils. They heard such outstanding speakers as Dr. Don Proctor, member of National Boy Scouts of America executive board and vice-president of Star Engraving Co., and Dr. R. G. Lee, world famous Christian lecturer. Dr. Lee is pastor emeritus of Bellevue Baptist Church of Memphis, Tenn. He is the author of the famous sermon, "Pay-day-Someday".
 Miss Powers led a discussion group on "Common Errors — of Student Council" and a problem clinic on "Relationship Between Clubs and Student Councils."
 Attend the Senior Bar-B-Q.

SPORTS NEWS

Last weekend, the Golf team, composed of Art Kyle, Joe Friend,

Brent Moore, and Bill Jacoby went to San Angelo. The match was rained out after the seventh hole. Until the game was rained out, the team as a whole was playing 3 under par. Mr. Pelto took the boys to Big Lake yesterday for practice.

The volleyball team will play Big Lake tomorrow night. Saturday, the Big Spring volleyball team will play the Ozona girls at 2 o'clock.

Last Saturday, the Ozona track team went to Eagle Pass. They placed third.

GOOD CREDIT IS EARNED

In America the credit system has become a boon to the masses of the people.

Someone has said "You can go around the world with a credit card and only a dollar and a half in your pocket." This is somewhat exaggerated—but people who pay their bills promptly do enjoy the privilege of using this wonderful system.

You have made it possible for our merchants to extend to you this courtesy of buying the things you need and paying for them at a later date. Millions of Ameri-

cans find it possible to provide more things for their families — things that make for better living.

It is very important that you do not abuse this privilege and forfeit your right to buy on credit. Have you arranged your budget and your spending so that you will be able to take care of all of your obligations by the 10th of this month?

Your creditors are expecting you to. Be sure and insure your credit privilege by paying promptly!

Notes From The County Agent's Office

By Pete W. Jacoby

Crockett County 4-H Club members had a very successful 4-H awards banquet at the school cafeteria last week. Deserving 4-H members were rewarded for their efforts and achievements during the year.

Two hundred people were served which was a capacity crowd for the facilities. Attendance grows each year so it seems the 4-H club will have to find a larger place to hold its banquet.

Crockett County people are to be commended for their interest and support of 4-H club work. Out-of-town people who attend our 4-H banquet are amazed at the local interest in this youth organization.

The 4-H Mother's Club is to be commended for the efficient and enthusiastic manner in which they put on the banquet each year. A number of Extension people and others who have attended 4-H gatherings over the state have commented that the Crockett County 4-H Banquet is one of the best they ever attended.

Direct payments to Texas sheep producers through the incentive payment program on shorn wool during the 1958 marketing year were slightly more than 14.5 million dollars. Of this, 525 thousand dollars were contributed to the fund for the promotion of sheep and lambs and the products thereof. Payments were made on 52,735,000 pounds, or on about 8.0 million more pounds of wool than actually were produced because of the large carry-over from the 1957 marketing year.

Shorn wool sold in 1958 brought a total of 35.0 million dollars (including incentive payments) to the 20,425 sheep producers in Texas, or an average of about \$1,800 per producer. The average price before incentive payments for Texas shorn wool was 39.2 cents per pound and 65.7 cents per pound after incentive payments, or con-

siderably more than the national average price of 36.4 and 62.0 cents respectively. This indicates that Texas sheepmen produce and market a superior quality wool.

Crockett County ranked second in the state in wool production with 2,800,798 pounds of wool marketed. 163 producers in the county received \$1,887,888.24 in gross sales plus incentive payments for the 1958 marketing year. The average price received before incentive payment was 40.2 per pound and 67.4 with incentive payment.

Val Verde County outranked all other counties in the state with 3,666,148 pounds of shorn wool sold during the 1958 marketing year. Other neighboring counties ranked in the following order: Sutton, Tom Green, Concho, Coleman, Gillespie, McCulloch, Kinney, Pecos, Kimble, Kerr, Schleicher, Terrell and Uvalde.

Ozona Track Team Wins Third Place In Eagle Pass Meet

By Ernie Boyd

Coach Chick Womack's Ozona High School track team finished its pre-district competition last Saturday in Eagle Pass by rolling up 28½ points to finish third in a field of almost exclusively 3A and 4A schools.

Bob Meinecke took first place in the pole vault and second in the shot to lead the Lions and Jim Doran won first in the hundred yard dash and fourth in the 220 along with a leg of the second place 440 relay to garner second place among the Lion point winners.

Joe McMullan, hampered with a spiked toe, finished second in the 120 yard high hurdles and Muggins Good and Phillips Carnes picked up additional points in the hurdles.

Carl Montgomery had a busy day as he got fourth in the shot, third in the high jump and ran a leg of the sprint medley team which finished fifth.

Tommy Porter picked up third place in the 220 and ran a leg of both relays to boost the Lions' points.

The Ozona track team was without the services of Junior sprinter Tony Parker who could have accounted for some additional points in the 100 and 220 in all likelihood. Parker missed the meet due to measles which will also keep him out of the district meet this week. Parker's place on the 440 relay was taken by Jim Williams.

Mr. and Mrs. J. M. Olsen of Ozona are the parents of a daughter born in the Crockett County Hospital last Thursday, March 31. The baby has been named Sharon Kay.

Shallow Prospector For Robison Ranch

Neville G. Penrose, Inc., Fort Worth, will drill the No. 1 Robison as a 900-foot Permian wildcat in Crockett County, two miles north of Ozona. The project will be drilled with cable tools.

Location is 330 feet from the south and west lines of 5-OP-GC&SF.

Volleyball —

(Continued from Page One) rules called for a two point lead in order for one team to be victor.

In district play the Ozona team will travel to Big Lake Friday night to meet the Reagan team and then will close its district schedule with Menard here next Tuesday.

The Ozona team needs to win only one of its last two games in order to cop the district crown.

In an exhibition game played in Iraan Tuesday night the Ozona team walloped the Bravettes 38 to 16 in the A contest and 33 to 13 in the B game.

District Meet —

(Continued from Page One)

Sonora figures to get most of its points in the distance events such as the 440, 880, and mile. The Lions hope to place two men, Carl Montgomery and Pleas Childress in the 440 and it is felt that Martin Castellano can pick up a third or fourth in the mile.

Junction looks to win the low hurdles with Howard McKissick, who will also place high in the high jump. Emil Schaffer could win the high jump and the broad jump, and Junction's Jones will place high in the pole vault.

Coach Bill Lewis has been working hard with his junior team but the absence of much previous competition between the district schools on a junior high level makes any comparison of favorites a guess.

Girls Auxiliary Installs Officers

Farm life and rural churches was the theme of a mission study held for Girls Auxiliary in the fellowship hall of the First Baptist Church March 26. Fifteen girls, dressed as farm helpers and carrying sack lunches were present for the study of "Mike and His Four-Star Goal" led by the counselors, Mrs. Doran and Mrs. Glynn. Games, songs and notebook work were included in the day's activities.

On Wednesday evening at 8:30, an installation service for the incoming officers of the G. A. was led by Mrs. Gerald Dingus. Mrs. Dingus presented each officer with a rose as she gave the charge of office. The roses were then put together in an arrangement to

stress "togetherness."

New officers are President, Lana Alford; vice president, Patricia Allen; secretary, Bonnie Glynn; program chairman, Fannie Everett, Mary Ann Pitts; stewardship, Margaret Simon; forward step, Dale Dover, Lucille Childress; community missions, Marjorie Carens,

Connie Hubbard; mission study, Beverly Loudmay; prayer, Teresa Trulove; social chairman, Gloria Loudamy, Jacque Meadows.

Mrs. H. B. Tandy left Wednesday for Lubbock where she will attend the state convention of Federated Music Clubs, in session

through Saturday. Mrs. G. Pridemore and daughter, Lane go to Lubbock Friday to play a piano selection in the Music Clubs program Saturday morning.

A Sincere

THANK YOU!

Mr. and Mrs. Ozona!

I have enjoyed serving you during the past 2 years and want to express to all my customers and friends my sincere appreciation for the patronage I have enjoyed.

I have sold the Caruthers Jewelry to Baker Jewelers and the new owners took charge on April 1. I feel sure the new owners will give Ozona the kind of jewelry and gift center of which all of us can be proud and I wish them all success.

Again my thanks for your liberal patronage and for your friendship. Sincerely,

Mrs. Louise Tucker

TEXAS INDUSTRIAL WEEK April 1-7

Texas Industry and Reddy Kilowatt are old friends. The West Texas Utilities Company, itself a growing West Texas industry, is starting the "Soaring Sixties" with construction of new power plants, transmission and distribution lines, and other facilities to provide more and more power to spark the industrial development of West Texas.

Industry in West Texas means more people, more jobs, and more payrolls, which mean more business and a better living for all of us. West Texas Utilities is building ahead to provide the power for a growing industrial West Texas.

CHEAPER BY THE DOZEN...

Your electric service—the more you use it, the bigger the bargain—as you put more and more electricity to work in your home, you actually pay less per kilowatt hour.

While today, you are getting more work saving, time saving conveniences out of your electric service than before,

your bill is likely to be higher than it used to be. But, remember while you are using so much more electric service, the cost per kilowatt hour is actually 16% less than it was in 1950.

"...the most significant engineering advance" of 1960
... Motor Trend Magazine

Corvair named "CAR OF THE YEAR"

"Four-wheel independent suspension totally unlike any other U.S.-built car" ... "air-cooled aluminum engine ... not dependent on the properties of a liquid coolant" ... a rear-mounted transaxle "allowing a flatter floor and a lower roofline. . . ." These are some of the praises heaped upon Corvair by the editors of Motor Trend—the world's largest general automotive magazine—in announcing their coveted Car-of-the-Year award. Other cars didn't even come close. The Motor Trend experts, who evaluated every make in the country, were unanimous in their decision, published in the April issue. But, unless you have personally driven a Corvair, you can't appreciate what this engineering achievement really means in combining compact car economy and agility with big car room and sure-footedness. Drop down to your dealer's, take a trial drive and then judge the Car of the Year for yourself!
