Administrator Fires Hospital's Head Nurse; Board Will Meet Today

While the county judge and several members of the Commissioners Court were in the city attending a session in El Paso, the Crockett County Hospital marked time early last week after two emergency sessions were called by Administrator Jack Baggett, following the dismissal late last week of Mrs. Charles L. Williams, Jr., R. N. as head of the nursing staff of the hospital, a position she has held since the hospital was created here.

Mrs. Williams was dismissed by newly appointed Hospital Administrator Norman Olson, formerly of Kerrville, who was employed by the hospital as anesthetist and promoted to administrator when veteran administrator, J. B. Post, asked to be relieved of the responsibility because of poor health. Olson had had no previous experience as a hospital administrator, though he had served as nurse and anesthetist in the Veterans Hospital at Kerrville and in the Sid Peterson Memorial Hospital there.

Kitty's Korner

Tomorrow night is the big night in Ozona, the annual PTA Carnival in the park. This is one event that Ozona turns out en masse for, and people come from miles around to participate.

Things got a little out of control last year with aerosol sprays containing everything from hair spray to flea powder being sprayed around pretty freely. However, this year Mr. Sikes and the Sheriff's department joining forces, perpetrators of these pranks will be dealt with severely.

This is the only fund raising project sponsored by the PTA, so let's all turn out to make it the biggest success yet.

— k k —
 It was quite a day last Monday afternoon in Eldorado at least quite a day for the football fans. After our first game, our scores ebbed considerably. However, it didn't dampen the spirit of the Ozona group. I dare say we'll all be in places at Sonora this afternoon.

— k k —
 The way everyone who has been from Ozona without their fifty cents is to kindly send same to Eldorado. I understand this money for vitamins and health food for the football squad.

 George Smith is back on the job after suffering a broken arm during moving into the new house which she bought. Mrs. Smith purchased the house and is up to doing the work yet, but she does need one armed man. I can prove that you can't have a good woman down.

Lions Turn On Speed To Crash Junction Eagles

Using their main asset — speed — to its best advantage, the Lions ran and passed their way to a 37-0 victory over the Junction Eagles Friday night, running the district record to 2 wins and 1 loss.

The Lions' smooth running halfback, George Cox, scored five touchdowns and two extra points, and Bet Ramos booted 2 extra points and one field goal for 5 points as the Lions blanked the Eagles for the third whitewashing of the 1965 season.

Although the Lions were held scoreless in the first quarter, they threatened the Eagle goal line on two occasions. Midway in the initial quarter, the Lions had one score nullified because of an illegal motion penalty. Cox had taken the ball on a fake kick and gone 40 yards to paydirt on a quick opener. Shortly afterwards, Junction, held to a minus eight yards rushing by Ozona, completed a pass in the flat to Preston Joy who was hauled down from behind by safetymen Cox. The pass and run was good for 50 yards and the Eagles' only offensive thrust of the night.

7th Graders Win, 8th And B Team Lose At Eldorado

A football triple-header at Eldorado last Thursday saw only the seventh grade squad coming out victorious with an 8-0 win. The eighth grade Cubs were smashed to the tune of 50-6 and the B team lost a 16-12 squeaker.

Ozona's seventh grade Cubs outplayed the heavier Eldorado squad by a wide margin and had possession of the ball for the most part of the first half, picking up first downs right and left but unable to score. It was 6-0 at halftime.

After halftime, quarterback Jim Montgomery broke through the Eldorado defense on a 15 yard roll out and dove in for the touchdown. Montgomery also ran over for the two extra points, putting Ozona out in front 8-0 for the only score in the game.

Eldorado was unable to move against the Ozona defense who played heads up ball all the way.

The eighth grade Cubs had a bad night with the Eldorado eleven running over, around and through them. From the moment the whistle blew, it was Eldorado's ballgame and they scored just about every time they got the ball.

Quarterback Tony Cullens got over in the fourth quarter for the Cub's only score. They were lucky to get out with a 50-6 loss, and wouldn't have except for the fine defensive playing of Gregory Stuart, seventh grader, who got credit for making well over half of the tackles, and the fact that three of the Eldorado touchdowns were called back on penalties.

Parents And Students Poised For Annual PTA Carnival Friday Night

Use Of Aerosol Sprays Barred At P. T. A. Carnival

At a faculty meeting Tuesday morning Supt. L. B. T. Sikes, asked that all teachers tell their students that aerosol sprays, flea powders, grease paint etc. will obsoletely not be tolerated this year at the PTA carnival.

The sheriff's department also asked the Stockman to announce that officer's will be on hand from 5:30 on to see that these offenses do not occur. Sheriff Mills asked that the parents cooperate with school officials and officers to put an end to these dangerous pranks.

Lions Using Off Week To Mend Injuries & Colds

The Ozona Lions are off this week and preparing for the second half of their 10 game schedule. With a season record of 3 wins and 2 losses, coach Sam Mosley's squad hopes the extra week before the Menard encounter next week in Lions' Stadium will permit time for some minor injuries and some colds to clear up.

Mosley and the Lions lost their veteran quarterback, Billy Carson, for the season last week when the two year letterman was felled by mononucleosis. Carson, a starter on the 1964 team, was the Lion punter and passer as well as the operator of the Ozona rushing game. Carson's passing record was near 50% completion, and his punting average better than 36 yards per kick.

In the Junction game last Friday night, Coach Mosley went with freshman quarterback Randel Clepper. Despite no experience, Clepper came through and the Lions roared to a 37-0 win. For the first time since district play began 3 weeks ago, the favorites came through in four ball games. Eldorado and Sonora still lead 8A, but Eldorado runs into the Owls in Big Lake tomorrow night.

With half the season behind them, the Lions, with three wins, can point to their losses by a mere four points. Ozona has racked up 119 points to their opponents 28. The Lions have rushed for 1266 yards and an average of 213 per ball game. Passing yardage totals 528, an average of 105 per game. On four occasions, the Lion defensive unit has allowed its opponent less than 50 yards rushing, last week holding Junction to a minus yardage total.

Leading the Lion rushers has been George Cox with 764 yards and an average per carry of 9.1. Halfback Randy Upham, running harder each game has a 5.4 average and a total of 284 yards rushing. Cox and end Pon Seahorn lead the pass receivers with 200 yards and 159 yards.

Memorial Fund Set Up To Provide Girl Scout Camperships

A Memorial Fund has been set up by the Crockett County Chapter to provide Camperships for deserving Crockett County Girl Scouts.

A committee has been appointed to set up rules governing the distribution of these Camperships which will be available by application. Anyone wishing to contribute to this fund may do so by contacting Mrs. Thelma Janes or by mailing their contributions to the Crockett County Girl Scout Memorial Fund.

Early in the morning the activity will begin in the city park, unless, due to inclement weather, it is moved to the 4-H barn.

Everything will be ready by the time the food booth opens at 4:30.

Mothers and older children who will work in the booths will have an hour's rest before opening time at 5:30.

The food booth will be run by PTA members and will feature hotdogs, hamburgers, sandwiches, cup-cakes and all kinds of goodies. If you prefer hot tamales, they will be available also. Sam Martinez will furnish them as usual and you may buy one or a dozen.

Seniors will have the cold drink stand, and the senior boys and girls will be doing all the work. They get half the profit to help finance senior activities.

There will be a cake-walk this year with all the good cooks in town contributing their specialty. Juniors will manage this one and take half the profits for their own.

Sophomores have been gathering up merchandise for the country store, and expect to have it well stocked by opening time. You will find all kinds of bargains there.

Freshmen have the side show. They have been selling tickets in advance and getting the show in shape. It will be held in the courtroom as usual and there will be two performances. Tickets will also be sold at the door.

For sports enthusiasts the basketball booth manned by the eighth grade will be a big attraction.

Holden written to his parents, Mr. and Mrs. Bill Holden, I feel that I've just been on a round trip to Viet Nam Deeney wrote a novel in just two letters about his trip and his arrival there.

I've never read such descriptive prose. For instance on his first sight of Viet Nam he writes "I imagine old Cris Columbus was a heck of a lot happier to see land than I was this morning when I looked out over the bow of our ship, and I'll bet his natives weren't anymore hostile than ours are going to be." In another part of his letter he mentions "the morale amongst all of us is about as high as Claude Russell's on New Year's Eve."

He says it is pretty lonely and that he would like to hear from his friends in Ozona. If you'd like to write him a line, address Pfc E. D. Holden, US 54360835, 229th Co. C, 1st Cavalry Division, San Francisco, Calif. APO 96490.

EDITORIAL

By Vicki Lynn Montgomery

In the near future, many high school seniors will make the final important arrangements in securing a higher education. More young people are attending college than ever before. This is not only good for them, but for the future and welfare of our country.

A college graduate will have lifetime earnings of about \$200,000 more than those stop with high school. But perhaps even more important, the college graduate will lead a fuller, more satisfying, and creative life.

Students should begin deciding which college they plan to attend as early as their junior year. By his senior year, a student should definitely know his choice. One should be familiar with the entrance requirements of the school which he plans to attend. Many high school students are surprised, often bitterly disappointed, to learn that, after long consideration and effort, their achievement records make them ineligible to attend the college or university of their choice.

PRANKS PLAYED BY OHS STUDENTS

By Helen Hayes

In the past years many tricks have been played by the students of Ozona High School. Some have been harmless, but they have usually been funny and, almost always, ingenious.

Teachers have been a great source of amusement in the past. There have been such pranks as mailing Mr. Green in his house and putting pies in Mr. Moody's chair.

On many occasions animals have been involved. A skunk has been found in a bus, a goat has been put in the library, dead rabbits have appeared on the steps of OHS.

Some pranks are habitually played. On Halloween, trash cans are often overturned. Any time during the year, cars and streets are papered, and signs are painted on streets all over town.

Of course there are a few that don't fall into any one certain category. Once a car was disassembled and reassembled on top of the court house. The pranksters possibly received a shock when they discovered that the sheriff was waiting for them at the foot of the ladder. One year the freshmen replaced innocent sticks of gum with a laxative gum and gave it to upper-classmen and teachers with absolute impartiality.

One of the most recent tricks was the raising of a skull-and-cross-bones flag on the flag-pole in the park. Most tricks are harmless and add a spice to the everyday drudgery of school.

HELEN HAYES RECEIVES COMMENDATION LETTER

By Jacqué Meadows

Helen Hayes has been honored with a letter of Commendation for her high performance on the National Merit Scholarship Qualifying Test give last spring, according to Mr. J. A. Pelto. She is among 38,000 students across the nation recognized for scoring in the top two per cent of students who will complete high school in 1966.

The President of the National Merit Scholarship Corporation has said that in a rigorous competition like the Merit Program, it is unavoidable that many fine students

will miss being semifinalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for her distinguished effort.

Only the highest scoring students in each state remain eligible for further competition for Merit Scholarships. Although students receiving Letters of Commendation advance no farther in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they named at the time they took the NMSQT as their first and second choices. NMSC also reports home addresses, test scores, anticipated college majors, and career intentions of the Commended students to the same colleges.

HALFTIME FUMBLES

By Lana Alford

Just before I left home, Mother and Daddy gave me all their last-minute instructions for my first halftime show: pick your feet up real high, play real loud, make all turns real sharp, and most of all, wave real big at them.

Well, there I was fixing to go onto the field, trying to remember all they had said. All of a sudden, I saw that the rest of the band had started onto the field without me. Oh, no! I was already five yards behind them. Running with all my might, I finally caught up with my rank. I was worrying about who all had seen me when I realized that I wasn't playing. I put my horn to my mouth and began to play. Much to my dismay, I was playing the wrong song! I was so shocked over this that I forgot to do the counter-march. I had to turn around and catch up again! There was the 50-yard line just ahead. That meant that it was nearly time to stop and play for the majorettes. Where were they? Oh, over there. O. K., kid, think. I was too late to think — the 50 was about four steps behind me. Whoop! I didn't even see that bass drum in front of me.

We made it through the song and I was so proud that I took the opportunity to wave at Mommy and Daddy. There I was, having to run to catch up with the rest of the band. I got into my place

and marched off down the field — out of step the whole time.

Ah! At least we were off the field. I gave a sigh of relief. A half-time show wasn't nearly as bad as I thought it would be.

HERE AND THERE WITH SPORTS

By David Lewis
The Ozona Lions bounced back into the winning column Friday night as they beat the Junction Eagles, 37-0.

After a scoreless first quarter, the Lions opened up and scored two touchdowns in the second quarter. Twenty-five points were made in the second half with the final three points coming on a field goal.

This win sets the Lions' district record at 2-1 and their season record at 3-2.

This week the Lions have an open date, but next week they will meet the Menard Yellowjackets, here at Lions Stadium.

In district games last week, Eldorado beat Menard 47-19, Big Lake took Sanderson 36-0, Sonora tackled Rankin 25-6, and Iraan was edged by McCamey 6-0 in a non-district game.

In other district games

this week Sanderson will travel to Sonora, Eldorado and Big Lake tangle in a vital district game at Big Lake. Rankin takes on Iraan at Iraan, and Junction meets Menard at Menard.

In college football, the Oklahoma University Sooners will travel to the Cotton Bowl in Dallas to meet the Texas University Longhorns, rated number one in the nation.

Baseball fans may try to sneak their transistor radios into class for the rest of the week as yesterday marked the beginning of the 1965 World Series. It should be a good match between Minnesota's strong hitting and Los Angeles' pitching.

PROTECT OUR CHILDREN!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We have newer and finer schools than ever before. This is one of the marks of progress.

But another is that we have more and faster automobiles than ever before.

So we guard each "school zone" with signs and safety patrols and policemen and volunteers. We do this to protect our children from the dangers of progress, while they are enjoying the fruits of progress.

The dangers of progress are not always physical. Many are moral. They threaten the character and faith of a rising generation, caught in the erratic tempo of modern life.

Happily, in every community of our land, PARENTS and CHURCHES are joining hands to promote the spiritual development of youth... to protect the souls of our children.

And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-quick handling. But you'll discover those things when you slip behind the wheel and turn a '66 tiger loose. **Wide-Track Pontiac/'66**

possession, the Lions scored again on a 54 yard pass and run from end Pon Seahorn to Cox. Ramos' placement was wide to the right. Half-time score Ozona 14 — Junction 0.

Ozona wasted no time in the 3rd quarter, adding seven points to their score on their first possession following intermission. From the Ozona 37, Cox and Upham moved the ball to the Junction 29 yard line. From there, freshman quarterback Randal Clepper connected with

Cox who was open in the end zone. Ramos' kick was good.

Three minutes later in the quarter, Upham intercepted an Eagle pass at the Junction 18. Upham and Cox carried to the seven where Cox scored off tackle, carrying two Junction boys with him into the end zone. Ramos' kicked true again, and Ozona led 28-0 at the end of the third quarter.

Following a fumble recovery at the Junction 37, full-back Derold Maney gained two, and Cox turned the corner on the right side of the line, squirmed his way down the sidelines through several would-be tacklers for the fifth touchdown. A fumble on the extra point attempt did not give Ramos an opportunity to try for his third extra point. Moments later Dwight Childress recovered a Junction fumble at their 8 yard line.

On the first play after the recovery, Ramos kicked a field goal — his first of the season — from the 16 yard line. Final score, Ozona 37, Junction 0.

The Ozona defense, which has been tough all season, held the Eagles to minus eight yards rushing and 2 first down. Leading the defense was linebackers Larry Williams and Ramos and cornerman Oscar Flores with 10, 6, 6 tackles.

Leading the rushers were Upham and Cox. Upham gained 99 yards in 11 carries, and Cox, 87 yards in 11 tries. Cox piled up 84 yards in two pass receptions.

Ozona B allowed the El-dorado B a touchdown and a field goal to give them a 9-0 halftime led, but came back to score two touchdowns in the third quarter. Ozona's first score came when speedy Fleet Coates broke loose and hit paydirt. A few moments later Larry Kilgore intercepted an Eagle pass and ran all the way to put the Lions B out in front 12-9.

It was Ozona's ball game

until the final moments of the last quarter when El-dorado scored on a deceptive pass play ending the game with a 16-12 score.

Today the Cubs and Lions B journey to Sonora to try their luck. The Cubs will be out to revenge a 32-6 loss at the hands of the Sonora squad the opening game of the season here in Ozona. Lions B, still hoping for their first win of the season, will be looking for better than the 12-12 tie that ended their season opener with Sonora B.
