L Stars Finals In Littlefield Tourney

Ernie Boyd

The League All-Stars from Breckenridge High School and Littlefield last Saturday when they dropped a 3-1 decision to Littlefield in the final game of the tourney. The game was played in the afternoon and the Littlefield team got into the game by ousting top pitcher Joe Garcia in the third inning. The game was tied 1-1 in the fifth inning when Ronnie Mason's single out and two on in the sixth spelled the end of the game.

Funeral Services For Frank S. Lugo Held Wednesday Afternoon

Funeral services were held at 4 o'clock Wednesday afternoon from the Ozona Church of Christ for Frank S. Lugo, 72, employed for many years by the late Joe Oberkampf in his store and in other business places in Ozona.

Principals Return To Duty Monday For New Term Preparation

The four principals in the Ozona School system are scheduled to return to duty Monday in preparation for the beginning of the 1960-61 school term.

El Paso Dixie Gas Station Established Here, Mobil Changes

A change in product brands at two local service stations has been made recently in Ozona.

Garden of the Week Chosen by Civic Committee

The Williams Magnolia Station on highway 290 has been purchased by The El Paso Natural Gas Company which is establishing and expanding its operations in this area of West Texas.

Kent Babb, an Ozona senior at Texas Western this fall, has been notified by the Dean that he was on the honor roll last spring.

Ozona Reservist Gets Training At Ft. Chaffee

Fort Chaffee, Ark. — Bobby L. Halydier of Ozona, Texas recently received refresher military training at Fort Chaffee with the 95th Division, the nation's top-ranked reserve training division.

Band Members Called To Meet New Director Monday Night Aug. 15

All members of the Ozona High School band are asked to be present at a meeting of the band in the High School band hall Monday night, Aug. 15th at 7:30 p. m.

Mr. Campbell will succeed Corbett Smith who leaves Ozona to take over direction of the Sul Ross College band.

Mr. Campbell comes to Ozona from Breckenridge High School. Prior to going to Breckenridge, Mr. Campbell was band director at Plains for three years.

The new Ozona director has been studying at the University of Texas this summer where he has been taking some advanced work. He is a graduate of North Texas State and has his Masters from Texas Tech.

Mr. Campbell is married and he and his wife have two children.

3 Crockett 4-H Members To Range Management Camp

Three Crockett County boys will attend the Texas Section Range Camp at Junction, August 14-20. Bill Williams will attend on a scholarship from the Texas Sheep & Goat Raisers' Association as 1959 State Winner of the 4-H Range Management Result Demonstration.

Field Trips, Instruction, Recreation In Week's Program

A number of outstanding men on range management will work with the youngsters on plant identification, use of grass, salt, water, livestock, wildlife, and other things that work together for the most returns on a ranch.

Kent Babb On Honor Roll At Tex. Western

Kent Babb, an Ozona senior at Texas Western this fall, has been notified by the Dean that he was on the honor roll last spring.

The Williams Magnolia Station on highway 290 has been purchased by The El Paso Natural Gas Company which is establishing and expanding its operations in this area of West Texas.

Fall Football Practice Begins Monday Morning

Fall practice for the up and coming football season is to get under way Monday with the season's first contest with McCamey set for Ozona Sept. 2.

Coaches Fred Hickman and Sonny Cleere have been working this week getting equipment and plans ready for the two sessions a day grind what will begin next week and run until school starts Aug. 29.

The Ozona coaches will be expecting the smallest squad in recent years to report Monday. Expectations are that the number of candidates for the 1960 team will run between twenty and twenty-five.

The 1960 squad will include nine lettermen and six squadmen and in addition will have two who were ineligible last year and from four to six new candidates.

Letter men returning to the squad will be Wayne Albers, Carl Montgomery, Jim Doran, Mark Baggett, Darrel Rasberry, Deeny Holden, Jim Freeman, Phillip Carnes, and Tony Parker.

Squadmen who will return are Bob Childress, Richard Sikes, Tommy Fields, Charles Bingham, Brent Moore, Buddy Anderson, Penn Baggett and Robert Montgomery.

Mike Stiles and Hal Long, both of whom were ineligible last season, will be additions to the squad.

On paper, the Lions appear to have a strong first unit but with a few exceptions there are few reserves. The 1960 Lions will have, if anything, more speed over all than last year and will have ample size as long as its mainstays can avoid injury.

District Court Room To Be Air Conditioned And Heated In Winter

Prospective jurors, and that's every qualified citizen of Crockett county, attorneys, court officials, witnesses and even defendants will be glad to know that Crockett county is going to do something to insure their comfort in the big district courtroom in the court house.

The Commissioners Court advertised for bids this week on installation of a combination heating and air conditioning unit to be installed in the district court room.

The big court room on the second floor of the courthouse has long been a sweat box in the summer time and frigid in winter, and the increase in court business with the local expanding population, the Commissioners decided to modernize the court at least to the point of providing a comfortable temperature inside.

Kent Babb On Honor Roll At Tex. Western

Kent Babb, an Ozona senior at Texas Western this fall, has been notified by the Dean that he was on the honor roll last spring.

Ozona Reservist Gets Training At Ft. Chaffee

Fort Chaffee, Ark. — Bobby L. Halydier of Ozona, Texas recently received refresher military training at Fort Chaffee with the 95th Division, the nation's top-ranked reserve training division.

Microwave Brings New Quality Signal From Midland TV Station

To bring its subscribers better television reception from Midland's Channel 2 NBC station, the Ozona Television System, furnishing television signal from a community antenna for Ozona, last week inaugurated microwave reception of the Midland station for its cable system.

After several weeks delay beyond the original target date, engineers completed the installation and testing of equipment the end of last week and hooked the new and improved reception into the cable system.

The microwaved signal is picked up on a new 420-foot tower in Big Lake, where reception from the Midland station is clear, and relayed over the microwave to the Ozona tower where it is fed into the system.

The local system plans later to include signal from the Odessa Channel 7 station over the same microwave system.

Reserved Seat Sale For Football Season Gets Under Way Here

Season reserve football ticket holders for the 1959 season were notified by mail last week that they could claim options on their seats again this year by notifying the High School by August 24th of their intentions.

After August 24th all seats not reclaimed will go on sale to the public on a first come first served basis.

Reserves season tickets are on sale at the same price that the same number of general admission tickets would cost during the season, and assure the ticket holder of a good seat regardless of his being early or late to the game.

The sale of season tickets aids the school in assuring it of a certain number of tickets sold to each game regardless of the circumstances that might prevail by game time later in the year.

In the last few years Ozona has established an outstanding record in buying the advance tickets with an average of over 300 a year. A recent article in a Texas newspaper in a city over three times the size of Ozona, revealed that its booster group hoped to sell 100 such seats this season, a mark slightly higher than last year's.

4-H Club Members Start Lamb Feeding Programs For Season

A number of 4-H members have started lamb feeding projects for the coming year. Those having show lambs selected are Mark and Penn Baggett, Duwain and Eugene Vinson, Diana and Buddy Couch and James A. Harvick.

A number of 4-H members have selected or have made arrangements for the selection of lambs for the Crockett County Show in January. Those who have selected lambs or have made arrangements for lambs are Bob Childress, Bill Jacoby, Frank Childress, Tom Davidson, Mark Baggett, Penn Baggett, David Jacoby, Jimmy Baggett, Duwain and Eugene Vinson, Jack Applewhite, and Bill Ross Childress.

Boys and girls who plan to feed in the 4-H club program are urged to contact the County agent at your earliest convenience so arrangements can be made for the selection of lambs for the feeding program.

Ozona Reservist Gets Training At Ft. Chaffee

Fort Chaffee, Ark. — Bobby L. Halydier of Ozona, Texas recently received refresher military training at Fort Chaffee with the 95th Division, the nation's top-ranked reserve training division.

Two Men Wanted For Burglary At Junction Caught

Two men wanted for burglarizing two business places in Junction were apprehended west of Ozona on Highway 290 Wednesday afternoon by Sheriff Billy Mills and Deputy Levon Parker.

The arrest of the pair resulted from the prompt reporting of a minor theft by the pair from a local service station. When the two men pilfered a screwdriver and a can of oil from the Woody Mason Motor Co. station, Mason reported to the sheriff.

The officers stopped the pair at Bachelor hill west of Ozona. A search of their car revealed a quantity of item from a hardware and plumbing supply house, including plumbing fixtures, three tarps, tools and other items. The men told officers they bought the items from a hitchhiker for \$1.

Telephone investigation later disclosed that two places in Junction had been burglarized a beer joint and a hardware store.

The two men, James William Wheeler, 29, and Paul Jarvis, 37, both from Austin, were turned over to the Junction officers.

Jarvis is an exconvict, having served a term in San Quentin prison in California, the sheriff's department here reported.

4-H Electric Clinic At Rankin Attended By Local Club Members

Bill Jacoby and Frank Childress were delegates from the Crockett County 4-H Club to the District 4-H Electric Clinic held at Rankin on Monday of this week. The Electric Clinic, sponsored by the West Texas Utilities Company was attended by 180 4-H members and adult leaders from throughout the West Texas District.

An excellent program on use of electricity on the farm and ranch was given by personnel of the West Texas Utilities Company. 4-H demonstration teams on electric uses were given during the program.

The utilities company served a free lunch to all delegates of the clinic and provided free swimming in the Rankin pool afterwards.

Light To Heavy Rains Hop-Skip Over County Area

Light to heavy rains fell over parts of Crockett County Tuesday and Wednesday with some reports indicating as much as two inches of needed moisture.

Good rains were reported from ranches along the divide, north of Ozona and between Ozona and Sonora. Dempst Jones reported from just over to just under an inch Tuesday night and reports indicated even heavier falls in the far southern portions of the county.

Rain fell along the Pecos with one or two places reporting as much as two inches.

Ozona itself got only 2 but continued cloudy weather gave hope of additional rainfall this week.

The rain was the first recorded this month with the last measurable fall in Ozona having fallen July 16.

THURSDAY, AUG 11, 1960

PRINCIPLE BEFORE PARTY

From the Dallas News —
The Dallas News feels that the crises facing this country call for support of the man, irrespective of his political party. Our decision to support Republicans Richard Nixon and Henry Cabot Lodge was in a sincere conviction that they are best fitted to confront a day of peril and put courage again in the heart of a freedom-hungry world.

America today is engaged in a battle for its life. Amid the taunts of the Kremlin, the insults of Khrushchev, the contempt of the Communist riots in Tokyo, the halting of our ships, the shooting down of our airplanes, the deunciation of the Monroe Doctrine, the open invasion of Cuba and the sneaking infiltration of half a dozen other Latin-American republics, no sane man can deny that ours is the gravest danger which our beloved land has faced in this century.

Not even in World War I or World War II did complete extinction overhang as it now threatens like an evil and poisonous cloud, the liberties and lives and the very souls of mankind.

Surely it is the duty, it is opportunity, it is the glory of our America to gird for the struggle, meet the challenge and compel destiny itself.

A situation so desperate, contrived by an enemy so ruthless, calls for the ablest leadership available from among our boldest men. Mr. Nixon has distinguished himself in opposing the treachery of Communism.

Henry Cabot Lodge, in the halls of Congress and before the delegates of the civilized world in the United Nations, has proved a fearless champion and defender of the aspirations of the free world.

America is also in grave danger of bankruptcy through the drugged and drunken spending of our cash and our credit at a time when defense calls for the most careful and conscientious use of our every resource.

Every indication now warns us that we have come to the point where we cannot just shame Russia into good words and isolate it from aggression and conquest.

We must adopt sterner measures. This means that we need to enter

MR. RANCHER

When You Die will your ranch be sold to pay your Federal Estate Tax and Debts?

It might be

upon a strict marshaling of all our wealth and all our man power, to the end that these sterner measures shall succeed and that America may endure and the world may be free.

The record of the four men who now offer their services to the country in this campaign is open for all to note and read.

Senators John Kennedy and Lyndon Johnson are running on a platform dictated in large part by ultra-liberals who know not the meaning of a sound dollar or the perils of continued inflation — a platform which gives little indication that excessive spending and big government will be curtailed.

Both major parties have become more liberal through the years, but the Republican platform adopted as Chicago gives substantial hope to business — and for conservatives and believers in the free-enterprise system, the voting record of Mr. Nixon is more encouraging than that of his Democratic opponent.

The News takes its stand as a free institution in the same spirit that you — a free voter — can exercise yours. In the future we shall discuss the issues objectively and without rancor.

But in the beginning, we feel that one point should be emphasized because it is vital: The American people have but one choice and that is a choice between men. The News has chosen to put loyalty to country and to principle, before loyalty to party.

Mr. and Mrs. Phillip Schneemann returned to their home in Grants New Mexico, Sunday following a visit with Mr. and Mrs. Max Schneemann and other relatives in Crockett County last week.

Y. W. A. NEWS

The Young Women's Auxiliary of the First Baptist Church were honored with a slumber party by Mr. and Mrs. Quebe Alford at their home. Bama Burton presented a "Book Talk". Throughout the night, refreshments were served. Those attending the party were Beverly Alford, Bama Burton, Janie Everett, Roberta Johnigan, Vicki Carroll, Helen McCaleb and Mrs. Harold Shaw. Our thanks and appreciation go to the Alfords.

At the last Y. W. A. meeting, held August 3, members present were Priscilla Stewart, Beverly Alford, Helen McCaleb, Bama Burton, Roberta Johnigan, Vicki Carroll and Ann Shaw. A program was presented by the members. At the close of the program, hymns were sung.

Our Y. W. A. girls who have been sick, are in much better condition. Marty Burt, who underwent an operation, is to be dismissed from the hospital about Friday. Charlotte Adams has moved to Waco to make her home in a more healthful climate for her illness. Her address is: Miss Charlotte Adams, 3700 North 23rd, Waco, Texas.

FIFTH FOR SIMONS

Dr. and Mrs. Ralph Simon are the parents of a daughter, their fifth, born Tuesday morning in the Crockett County hospital. The newest addition to the all-girl Simon household has been named Mildred Ruth Cecilia and she weighed 8 pounds at birth.

A daughter, Cynthia Ann, was born Monday, August 8, in the Crockett County Hospital to Mr. and Mrs. Walter Leamons.

Merchants Meet Independents in Ozona

The Merchants picked up 13 hits during the course of the contest but garnered only 2 runs and one of them came on Donald McCaleb's home run, one of three hits for him during the afternoon.

anything. The Merchants, who almost did not have enough to play, stayed in the game until the seventh when Robert Lee broke away for an 8 to 2 win.

Ron Henning went the distance for the Ozona team and did very well until the late stages of the game when he began to tire. In this case one just tired since no relief was available.

In addition to McCaleb's three hits, Stuart, Ronnie Paulk, Charles Annette and Henning all had two hits but poor base running and failure to get more hits when needed were the Merchants' undoing.

CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960. HOUSE JOINT RESOLUTION NO. 8 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas...

No. 4 of Comanche County. "If such tax is authorized, no political subdivision within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall be responsible for such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system and the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to the District.

CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960. HOUSE JOINT RESOLUTION NO. 9 proposing an Amendment to Section 49-b of Article III of the Constitution of the State of Texas...

FOR the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3-1/2%) per annum.

CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960. HOUSE JOINT RESOLUTION NO. 10 proposing an Amendment to Section 24 of Article III of the Constitution of the State of Texas...

FOR the Amendment to Section 24 of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3-1/2%) per annum.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas...

FOR the Amendment to Section 11, Article XVI of the Constitution of Texas by adding thereto a provision authorizing the Legislature to classify loans and lenders, license and regulate lenders, define interest and regulate interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation setting maximum rate of interest...

Mrs. Coralie Meinecke, Goodwill Ambassador For Ozona, Tireless Association Worker, Is Lauded By Prexy Of Texas Title Association

"Goodwill ambassador" from Ozona, "Mrs. Ozona, Texas" herself, Mrs. Coralie Meinecke, is first to be introduced to the membership of the Texas Title Association among the new officers of the Association for the coming year in the president's bulletin, a copy of which has reached the Stockman news desk.

Jimmie Pigman of Dalhart, 1960-61 president of the Association of abstract and title company people, devoted a page of his bulletin, complete with picture of Mrs. Meinecke, a director for the coming year, to introducing her to the membership, first in a series of such introductory sketches.

"Each month we hope to bring you some inside dope on the people whom you have selected to guide the destiny of the Texas Title Association," the sketch began.

"And the only choice to lead the parade is the 'First Lady' of Texas Title, Mrs. Coralie Meinecke. Coralie is serving this year as a director after having put in much work and time as a regional Vice President during 1958-59, and was chairman of the Membership and Organization committee, 1959-60.

"Coralie is 'Mrs. Ozona, Texas', and the best member of the Ozona Chamber of Commerce when it comes to telling one and all about the virtues of this wonderful West Texas Community.

"Her first claim to fame is the proud accomplishment of being mother to two fine boys and two beautiful girls. The next claim to fame is being grandmother to their children. Bud Meinecke, Coralie's youngest is assistant manager of

the Crockett County Abstract Co. Coralie has been manager since August 1, 1934.

"Coralie is a real estate broker, 'expert' in oil and gas, and owner of an insurance agency. She is not busy enough doing all of this, so she is a director in the Desk and Derrick Club of San Angelo, chairman of the Crockett County Heart Association, chairman of the Oil Information Committee of the American Petroleum Institute for Crockett county, sponsor of Epsilon Sigma Alpha Society, president of the City Bowling Association and president of the Miller-Ettes bowling league.

"Coralie's untiring efforts and cheerful acceptance of any assignment given her have made her forever in the debt of the Title Industry. We are proud to salute you, Coralie Meinecke."

A Summary of Vacation News From The Teenage Set

By Pam Jones

The Senior Class of 1961 wishes to thank all the wonderful people who gave a hand helping the concession stand workers during the steer roping last week-end. We wish to thank all who bought from us and to remind 'some' Seniors that there is still work for them to do.

The exes have not found it just real easy to pass by work. Some of them went to San Angelo to try on clothes for the Maurice style show.

Liz Pierce entertained Alma Ingham with a bridge party last weekend at the Pierce ranch. The players included Alma, Liz, Gail McMullan, June, Wanda B., Martha H., Carol, Janice, Susie, Sally, Nancy, Frances and Nonie. Some of the high school kids

are out of town, either on vacation with their parents or visiting relatives and friends.

Joe Boy and Cheryl left for Ruidosa, N. M. They plan to stay there for a while and to do some sightseeing. While the Claytons are in N. Mex., Janet North and Janet Mason are in Big Lake and Linda is in Abilene visiting Frances Sayles.

Mark White, Sally and Jim Baggett have had visitors.

Tommy Mayfield of Del Rio has been visiting Mark and Steen and Hy Brown of Austin and Lynn Glass of Sterling City visited Sally and Jim.

Sally and Jim just can't stay in town. They plan to go to Weslaco for a wedding and then on to the coast.

Notes From The County Agent's Office

By Pete W. Jacoby

Texas cattlemen are invited to attend and participate in the annual Beef Cattle Short Course, to be held on the campus of Texas A&M College, August 8, 9, 10.

Dr. O. D. Butler, head of the Animal Husbandry Department, says that every effort has been made to insure a program that will meet the needs of the cattlemen. Members of the College Staff and leaders in the Texas beef cattle industry will discuss feeding, breeding, carcass evaluation studies and other subjects and interest. Those attending will have an opportunity to discuss individual problems with members of the staff.

Warm weather brings on all kinds of insects such as flies, ants, moths and other insects that endanger health, feed on fabrics, contaminate food and are general nuisances all-around.

Up-to-date control measures on insects are available in a leaflet compiled by the extension entomologists of Texas A&M College

that offers directions for and applying insecticides. This handy leaflet, "Control of Household Insects," classifies all major pests and the termite into specific groups relating to types of infestation and concise measures are given for each. Also listed are some precautions to observe in using insecticides.

Copies of this leaflet are available at the county agent's office for the asking.

Accurate and Complete
RANCH RECORD
Are More Important
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

We make beautiful music together

It's been a long, hard winter and your car has suffered too. With the coming of spring and warm weather, give the old buggy a break with a springtime change-over. Your cooling system needs a warm-weather check-up to get ready for summer driving. Your motor oil has taken a beating in the long, cold winter — better let us drain and flush your crankcase and put in fresh oil. Oil filters, air cleaners, carburetors need checking in the season change.

Bring your car to us and we'll make it sing sweet music again.

Graduate Student To Tour Africa On Trip Grant From American University, Washington, D. C., For Study Of Governments

Start on a six months tour on a scholarship from American University in Washington, D. C., to do research on government look-up completion of his PhD at the University, Roy Stockman, at the Ozona, at the Stockman, has pre-writing article descriptive and objective trip, which, if conditional, will take him into the Republic of Congo and Union of South Africa.

Student's account of trip follows:

On August 20, 1960, I will leave for Paris, France, to do comparative government. The American University in Washington, D. C. While in Paris, I will confer with the French Government as a sightseeing.

I will go to Lisbon, where I will talk with officials, since my graduate school has been in the Sahara, with a grant in Portuguese to be in Portuguese in the year and it will be of these talks in Lisbon to acquaint me with the political side of the picture.

In Lisbon, I will go to the University of Africa, there from the Johns University. This group of students in several universities.

In Africa, I will go to the hospital of Dr. Alzter in Lamberene, at this point, my travel to Brazzaville, the capital of the Congo would conditions prove to go into the going there to look at schools. This has been by Bishop N. S. the Methodist Church, at this point are con- developments in Katanga Province. I will go to the Fed- eration and Nyasaland.

The first stop here will be to visit a "mixed university" in Lusaka, the capital of Northern Rhodesia. I have been asked to give several lectures concerning the policy of the United States towards Africa.

From this point, I go to Salisbury, the capital of the Federation where I again will address some of the seminars of a former Johns Hopkins visiting Professor.

I will arrive in Capetown, Union of South Africa, on November 1, there to be associated with the University of Stellenbosch, located some thirty miles outside Capetown. The month of November will be spent in touring the Union of South Africa and attempting to analyze the influences of migratory labor coming from the Portuguese Provinces to the Union.

The month of December, I shall become part of a research team from the university which will take us to both Mozambique and Angola, both provinces being under Portuguese administration. The granting of a scholarship by this university makes possible some basic field research which may culminate in a PhD dissertation. This tour will be finished in February and I will return to the United States on February 25, to complete my degree at American University.

My educational background includes Ozona Public Schools, Schreiner Institute in Kerrville, Texas; also the University of Texas and the University of Mexico for undergraduate training; on the graduate level I have attended Duke University, Howard University, The American University, and the School of Advanced International Studies of the John Hopkins University.

Political Announcements

The Stockman is authorized to announce the following names of candidates for office subject to action of the General Election in November:

For State Representative 78th District of Texas:

JAMES L. (JIM) NUGENT of Kerr County (Democratic Candidate)

W. G. (Bill) STACY of Kerr County (Republican Candidate)

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Aug. 13, 1931

A sewer system for Ozona seemed almost assured this week with a determined drive in progress under the direction of a committee representing the Lions Club and the Commissioners Court to secure a minimum of 75 signers of agreements to tie on to the sewer lines if the system is installed. A 5-acre site for the disposal plant was purchased by the county from T. W. Patrick and right of way for the line to the disposal plant secured. The county plans to donate this site to the sewer company planning to install a system here.

Friends here have received announcement of the marriage of Clifton B. Brooks, son of Mr. and Mrs. Lawrence Brooks, who ranch in the northern part of this county, to Miss Lillian White, niece of Mr. and Mrs. S. E. McKnight of Sonora.

Crockett county valuations will be hiked nearly a half million dollars as a result of the action of the state tax board recently in rendering for county taxes the upwards of three million acres of University lands in 17 West Texas counties. Action of the board carried out the wishes of the people who approved a constitutional amendment to tax for county purposes University lands. The University acreage in Crockett county was rendered at \$1.25 an acre for tax purposes, the same figure

at which privately owned land is rendered.

Mr. and Mrs. H. C. McCaleb are the parents of a boy born last Tuesday morning. The youngster has been named Ralph Lee McCaleb. Mr. McCaleb is in charge of the Illinois Pipeline Co. pump station No. 4 on the Pat Lee Ranch.

For the first time in its history, Ozona is to have an X-Ray machine. Dr. F. T. McIntire has placed

an order for the newest X-Ray equipment available and the new machine will be installed within the next few weeks.

Farmers of Ochiltree county, Texas, are planning to use wheat for fuel this winter, finding it cheaper at present prices than coal. Special type grates are being obtained for the purpose. (Ed. Note — How different from the 1960 wheat farmer who sells his surplus wheat to the government.)

Gene Williams has returned from Camp Stewart at Kerrville, a summer camp for boys. While in camp, Gene passed the Red Cross life saving tests and secured his badge.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — How much income does an older person need to decently during the retirement live years?

Governor's Statewide Advisory Committee on Aging sought to discover this and other information in a survey on the needs and problems of Texas' older citizens.

For a couple, 43 per cent of Texas counties estimated the minimum need at \$1,500 to \$2,000 a year. Thirty-five per cent set the minimum at \$2,000 to \$2,500.

For a single elderly person, 58 per cent of the counties suggested \$1,000 to \$1,500 as a minimum annual income. Twenty-four per cent named a higher figure, \$1,500 to \$2,000.

Some 4,000 persons took part in the grass-roots, county-by-county survey. Recommendations growing out of their findings will be discussed at a conference in Austin on September 7 and 8. Out of this will come the Texas contribution to the White House Conference on Aging next January.

Surprise! — Amid all the upped budget requests they have received lately, state officials were happily stunned when University of Texas officials asked approval to spend a comparatively picaresque sum for a president's home.

UT asked to spend \$40,000 to build a home for its president Harry R. Ransom.

Last year legislative tempers blew over the \$100,000-plus president's homes built by two smaller state colleges. Officials responsible for the expenditures were called on the carpet.

This time the scene was played in reverse. "Do you really think this will be enough?" worried the Legislative Budget Board. Plenty, said UT officials.

They said they'll use a site the University already owns, clear it with University equipment and cut material costs by using "historic" bricks from UT buildings that have been torn down.

Driver Curbs Studied — Ways to clip the wings of irresponsible drivers who carry no insurance are being studied by a committee of the Texas Legislative Council.

Spokesmen for the casualty insurance industry told the panel they were opposed to a compulsory insurance law. They suggested that pressure could be exerted by such measures as requiring uninsured drivers involved in accident to put up a money deposit, revoking licenses, impounding cars etc.

Committee also heard Department of Public Safety Director Homer Garrison Jr., urged a system of traffic courts for Texas. County courts are completely bog-

ged down by the appeals from traffic cases said Garrison.

Highway lease Prospects Dim — Chances of the state's earning money by leasing mineral rights along state roadways are not encouraging, a legislative committee found.

Committee learned from a natural survey that only two oil and gas producing states get income from leasing along highways rights of way. One reported earnings of less than \$100; one of \$5,763.

An Attorney General's opinion recently held that the state owned mineral rights along the roadways. But State Highway Engineer D. C. Greer reported there's not much demand for highway leases.

School "Hospitality" Hit — Texas School for the Deaf has been serving free meals under circumstances not authorized by law, reported State Auditor C. H. Cavness.

During the past two years, said Cavness, the school has served 3,525 free meals. Most were for pre-school-age deaf and blind children and their parents here for special summer courses for parents.

School is authorized by the State Board of education to hold the summer courses, Cavness observed, but it is not directed either by law or the board to serve free meals to participants.

Cavness' audit showed the school has an average of 503 pupils at a cost of \$192 a month per pupil.

BRIDE-TO-BE HONORED

Miss Alma Ingham, bride-elect of Neville Smart of Rocksprings, was honored at a bridge party Saturday at the home of Mrs. Joe Pierce IV.

High score award went to Mrs. George Bunker, Jr., second high to Miss Carol Friend and low to June Bunker. Bingo award went to Sally Baggett.

Others attending were Misses Frances Childress, Susie Chandler, Nonie Conklin, Janice Spencer, Nancy Friend, and Gail McMullan of Big Lake and Mrs. Sonny Henderson.

College Gridders From Ozona Slated To Play Top Roles This Season

By Ernie Boyd

Kent Babb and Jake Young, both members of the Texas Western 1960 football squad, have been mentioned for prominent roles in the Miners 1960 plans.

Two football publications now on the news stands both gave the two former Lion stars prominent mention.

Babb was a regular half back at the El Paso school last year and distinguished himself as one of the outstanding members of the squad.

Coach John Bridgers of Baylor was quoted in the Ft. Worth Star

Telegram recently as being most concerned about finding a reliable kicker for the coming season. Ozona's Bobby Sutton is believed to be one of the top candidates for this job.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

On several occasions the nation's independent businessmen, voting through the National Federation of Independent Business, have asked for more protective tariff protection for American industry and labor.

Biggest opposition usually comes from the U. S. State Dept. which the past few years seems to engage in all manners of activities.

One of the principal features of these activities has been guiding C. W. Harder the huge foreign give away programs which have made it possible for any nation so inclined to have the most modern mass production equipment largely paid for by the American taxpayer. That's now called statesmanship.

With foreign competitors so well equipped to produce, it is interesting to see what the odds now are against the American producer since protective tariffs have been so drastically cut. For example, take the case of the American textile manufacturer.

His Japanese competitor pays the help 16 cents per hour, the Italian competition 27 cents per hour, French 31 cents, German 66 cents, English 68 cents, while he pays \$1.58 per hour.

Or take the situation of an American auto maker, who has no plants in foreign lands.

His Japanese competitor pays 38 cents per hour, the Italian 38 cents per hour, the French 54 cents per hour, the German 54 cents per hour, the German 54 cents per hour, the German 54 cents per hour.

58 cents, the English 94 cents, while he pays \$2.99 per hour.

Or consider the American manufacturer of chemicals.

His Japanese competitor provides the help with about 37 cents per hour, the Italian pays 37 cents, the Frenchman 49 cents, the German 57 cents and the English 68 cents. But the American pays \$2.44 per hour.

The American glass plant has a tough situation, too.

His competitors pay the help as follows: Japanese 26 cents per hour, Italian 36 cents, French 47 cents, German 55 cents, English 78 cents, and the American manufacturer pays \$2.22 per hour.

When it comes to steel, the American producer faces even more a hurdle.

His Japanese competitor keeps the help reasonably happy with 41 cents per hour, the Italian with 46 cents, the French with 53 cents, the German 59 cents, the English 83 cents. The American producer has a difficult time keeping his employees reasonably satisfied with \$3.19 per hour.

And the differentials are even more pronounced when there is added in all the fringe benefits that the American producer must pay, ranging from social security payments, to in some cases, a fully paid holiday for each employee on his or her birthday.

Without adequate tariff protection, U. S. producers cannot compete in the home market, with such odds against them. Even the famed and legendary Man of War never won the Kentucky Derby carrying a 200 pound jockey.

Gerald Dingus To Enter Seminary For Church Music Study

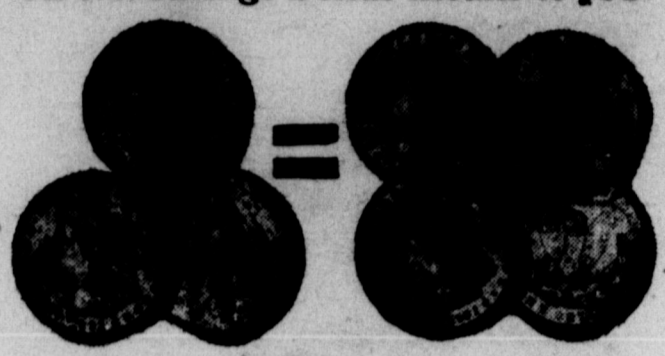

Mr. and Mrs. Gerald Dingus and family will move within the next few days to Ft. Worth where Mr. Dingus plans to enter the Southwestern Baptist Seminary. Mr. Dingus has been employed in the Ozona Schools, teaching in Junior High for four years and since his resignation from the school last spring has been full time education and music director at the First Baptist Church in Ozona. Mr. Dingus plans to prepare himself in school in order that he might enter the church music and education field on a full time basis.

FOR RENT — Nice, newly painted two-bedroom furnished house. 110 Ave. I. Call 2-2230. 1tc

Mr. and Mrs. Corbett Smith and children have returned to Ozona from Fayetteville, Arkansas, where Mr. Smith has been in summer school at the University of Arkansas.

The Smiths will move soon to Alpine where Mr. Smith will become band director and music instructor at Sul Ross State College.

Here's what the new 3 3/4% interest rate on U.S. Savings Bonds means to you:

\$3.75
 fourteen months faster than before

The Bonds you own are better than ever, too
 The new 3 3/4% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.
 Then, all older Bonds, both Series E and H, pay more now—an extra 1/8% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity. These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds
 You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remember, the money you don't touch can't slip through your fingers.
 You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. Put, it pays well to hold them.
 Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.
 You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound. Start saving with U. S. Savings Bonds today. You'll save more than money.

You save more than money with U.S. Savings Bonds

The U.S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

SEPTEMBER 4 is the wedding date chosen by Miss Alma Lucille Ingham and Neville Gordon Smart, Jr. Miss Ingham is the daughter of Mr. and Mrs. B. B. Ingham, Jr., and the bridegroom-to-be is the son of Mr. and Mrs. Neville G. Smart of Rocksprings. The couple will repeat vows in the Ozona Methodist Church with members of their families attending.

Vacation Bible School At Church Of Christ Is Scheduled Aug. 22-26

The annual Vacation Bible School will be conducted at the Ozona Church of Christ August 22-26. In the absence of a regular preacher, the school will be under the direction of Robert Boyle, minister of the Church of Christ in Sheffield. Mr. Boyle will also conduct a class for adults using the audio-visual method of teaching. The adult class is a feature of the school inaugurated last year and proved so successful that it is being emphasized again this year.

Mr. Boyle has just completed a course of study in which he served as instructor at the ACC workshop in Abilene.

Following is a list of teachers and classes:

Nursery — Mrs. Bud Loudamy, Mrs. Paul Ballard.
Pre-School — Mrs. O. D. Paulk, Mrs. Glen Sutton, Mrs. Fred Hickman.

Grades 1-2 — Mrs. Armond Hoover, Jr., Mrs. O. Bengé, Mrs. Bud Harrison, Mrs. R. H. Knox, Mrs. Glenn Cox, Mrs. Homer Boyd.

Grades 3-4 — Mrs. T. C. Goodman, Mrs. A. E. Gilliam, Mrs. Peery Holmsley.
Grades 5-6 — Mrs. Armond Hoover, Sr., Mrs. Buster Miller, Mrs. J. D. Nairn.
Grades 7-8 — Pascal Northcutt, R. H. Knox.
Adults — Robert Boyle.

Children will be classified according to the grade which they will be entering this school term. The minimum age for the nursery class is 18 months, with the preschoolers being ages 4-5.

An attempt will be made to contact everyone interested in a house-to-house campaign, but in case anyone is missed in the pre-enrollment, it will still be possible for them to enroll on the opening day or any day throughout the week. Everyone is invited to attend.

BEFORE YOU BUY your Encyclopedias, see Hack Leath for CHILDCRAFT and WORLD BOOKS. Phone EX 2-3068. 16-6tc

S-Sgt and Mrs. D. C. Cunningham are parents of a daughter born in the Crockett County Hospital Saturday, August 6.

DO YOU KNOW ...

Just what a watch is? A watch is a timepiece — a delicate instrument that will tell you the time of day with just a quick flick of the wrist. Notice, I said "timepiece" for a lot of people are sold watches and led to believe that they are also timepieces. Today there are many so-called watches on the market that are fairly expensive looking, but are they actually timepieces? Chances are they will not keep accurate time.

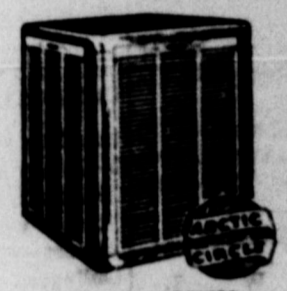

A person can buy a timepiece with lever escapement (not pin lever, which I will talk about at a later date) for as little as \$18.95 and up and receive years of reliable service from it. For the best that money can buy we highly recommend an OMEGA or MIDO. These watches are priced from \$69.00 up, are automatic, shock proof and can be either a dress style or a round waterproof. Other fine watches we carry are Bulova, Elgin, Wyler and Hamilton, all guaranteed for proper performance.

Why not use our lay-away or payment plan for Christmas — it's nearer than you think!
