Top Quarter Horses Of Area Compete For Honors In 9th Annual Ozona Show; Sonora Stallion, Coleman Mare Champs

The ninth annual Ozona Quarter Horse Show was held last Saturday at the Crockett County Fair grounds with a number of fine classes and good performances on display before West Texas horse men and admirers.

Play, owned by Billy Galbreath of Sonora was chosen grand champion stallion and Flashy Skie, owned by McDaniel and son of Coleman was judged reserve champion mare. Reserve champion stallion honors went to Barret, owned by Jess Koy of Eldorado. Reserve champion mare was Carol Nance, owned by Dublin, Jr. of Barnhart.

Horses in nine classes were presented for judging during the afternoon session with a performance play in Junior western riding, and reining, Junior and Senior barrel racing and Junior and Senior roping place beginning at 8 p. m.

A parade of horses and riders was staged at 5:30 p. m. Saturday through downtown Ozona.

Class winners were named as follows; 1960 mares, Crockett Canyon owned by Charlie Black, Jr., was first and Carls Blake owned by the Rocker B of Barnhart was second.

In 1959 mares, Carol Nance, owned by John Dublin, Jr., of Barnhart was first, and Crockett owned by Charlie Black of Ozona was second.

Class winners were named as follows; 1959 mares, Carol Nance, owned by John Dublin, Jr., of Barnhart was first, and Crockett owned by Charlie Black of Ozona was second.

Class winners were named as follows; 1959 mares, Carol Nance, owned by John Dublin, Jr., of Barnhart was first, and Crockett owned by Charlie Black of Ozona was second.

Homecoming Planners Seek Addresses Of All Former Ozona Students

Committees planning Ozona's fourth Homecoming, scheduled for July 13, are in need of the addresses of former Ozona school students who live away from Ozona.

A group of volunteer helpers will be sent on a house to house canvass of the city next week rounding up addresses of exes in order to compile a mailing list for invitations to this year's homecoming.

Persons who have addresses of relatives who are former Ozona students are asked to list them and be ready when the canvassers call.

Shooting Insulators On Phone Lines May Be Expensive, Sheriff Says

Sheriff Billy Mills issued a warning this week to persons who have been shooting insulators from telephone poles on highways near Ozona, particularly on the road south of Ozona.

The roadsides have been used as target practice shooting areas for many years, with officers overlooking the law violation which occurs when any persons fires a gun from a highway right of way, whether target practicing or hunting.

But when tin cans and paper targets are no longer satisfactory and glass insulators become targets, officers do not plan to further overlook the violations. A close watch will be kept on roads near town if the practice continues with a view to apprehending the violators, the sheriff's department announced.

FFA Members Attend Area II Convention In San Angelo This Week

Five members of the Ozona FFA chapter accompanied by their instructor M. A. Barber, will be in San Angelo today and Friday for the Area II FFA convention which is being held in that city for the first time in a number of years.

Area II embraces 43 counties and about 250 boys are expected to be present at the two-day session.

Keith Mitchell of Ozona, district winner in public speaking a few weeks ago, will be seeking the Area title when he enters competition this weekend. Mitchell's speech is on Water Conservation.

Tommy Everett will attend the meeting with his record books to the State award on project records. This is the highest award given by the Texas Association to FFA students.

The Ozona Chapter scrap book which has been under the supervision of Donnie Dunlap this year will also be in competition. Should it win the chapter would be awarded a plaque.

Frank Childress and Paul Perner will be attending the meeting as voting delegates from Ozona.

Also on the agenda for the two-day meeting will be the selection of an area sweetheart. Miss Joyce Warrick, last year's area sweetheart, will crown the winner.

Area officers for this meeting will be on channel 8 TV, Thursday afternoon at 5:15 p. m.

The meeting will be staged in the Central High School with the Sarah Bernhardt Auditorium site of the opening activities.

Homeward Trek Of Students Under Way

The ranks of Ozona's younger generation of young adults is receiving daily reinforcement this week as dozens of college students are returning home following the close for the summer of colleges and Universities over the country.

Some of the young men are seeking summer jobs here in order to help finance next year's schooling while others, both boys and girls, have indicated they would attend summer school or had accepted jobs for the summer away from home.

Students from Baylor, Hardin-Simmons, Texas Tech, Southwestern, Sul Ross, Colorado and others are already home with other schools dismissing this week or early next week.

T. J. Bailey Wins WTU Golf Tournery Title; Dozier Wins At Wink

Two Ozona golfers had successful weekends last week in winning their flights in tournaments held in Abilene and in Kermit.

T. J. Bailey of Ozona won the Annual West Texas Utility golf tournament for the tenth time.

The tournament this year was the largest ever held by the Utility firm during the 33 years it has been held but the Ozona veteran did not find things too tough as he fired even par golf to cop the event.

Brooks Dozier, Ozona basketball coach and math teacher, continued to shoot good golf to win the first flight in the Winkler County Country Club tournery.

Dozier shot a 37 to win the first flight title for which he received merchandise awards.

Dozier and Bailey were the only two Ozona golfers reported in tournament action over the weekend as play around the area was pretty far removed from Ozona.

Garden of the Week

Mr. and Mrs. Foy Moody of Ozona will be in Commerce, Texas, for the next month and a half where Mr. Moody will be doing graduate work in East Texas State.

Committees For Homecoming Plan Details At Meet

School Exes, Former Ozonans To Gather Here July 13

Members of the executive committee of the Ozona Homecoming celebration met Monday night in the home of Mrs. Monroe Baggett to discuss plans for the event and to go over action already taken.

The Homecoming activity which is to take place July 13 in connection with the Lions Club Junior Rodeo which will be held on the 13th, 14th and 15th, will be the fourth for the organization since the first one was held in 1948.

President James Baggett had each chairman go over his plans with the group and in many instances the go ahead signal was given to various committees on plans.

A plea for pictures of graduation groups or school groups particularly old ones was made by the President in order that the homecoming pamphlet may be presented in as interesting and colorful manner as possible.

Exes who have old pictures are urged to send the mto Ernie Boyd, Box 962, or James Baggett, Ozona, along with a return address or instructions on where to return them. The pictures will be examined and those felt by the group to be most suitable will be used in the pamphlet and all returned upon completion of the task.

Mrs. W. E. West, the oldest Ozona school ex, will be queen of the activity which will see a program and reception held in the high school auditorium, a downtown parade at 4 p. m. and a barbecue dinner served in the park.

The parade chairman, Charles Ratliff, serving for the Lions Club, and Jack Baggett, for the ex-students, discussed the parade content and order and the place to be held by the annual Lions Club Junior Rodeo in the parade.

Miss Judy Black, daughter of Mr. and Mrs. Charlie Black, will be reining Rodeo Queen, holding the office until the new queen is crowned at the last performance Saturday night.

A committee to solicit funds and meat for the barbecue was named along with a nominating committee to select a slate of officers at the business meeting in connection with the affair.

A reception that had been planned for the cafeteria was moved to the high school auditorium tentatively because of the air conditioning available there.

Mrs. Brock Jones discussed plans for registering the visitors and the creation of a hospitality committee to greet guests and Cleophas Cooke discussed details of the barbecue dinner.

Homecoming Queen

Mrs. W. E. West

Little League's First Half Title To Moore Oilers

Second Half Race Begins Tonight With Renewed Action

Moore Oil scored two well earned wins Friday and Monday, one a three-hit shutout by Randy Uplham, to clinch the first half of the little league pennant chase with a 7 won and 1 lost mark.

Moore tagged Mason pitchers for four doubles and one home run by George Cox last Friday night to win 7 to 3, while the Oilers' closest competition, B&B, was dropping a 9 to 8 decision to Ozona Oil.

Tony Garza on the mound for B&B and shut out Ozona Oil for four innings leaving the game with a 6 to 0 lead, but his relievers could not hold it and the game was lost. Gary Sutton and Humberto Ramos both homered in the losing cause.

Ozona Oil edged Mason 14 to 13 with a run in the bottom of the sixth inning in the final game. After Moore had posted its 5 to 0 win over B&B George Cox pitched the final inning of the game after Uplham had finished the first five.

During the second half games scheduled to get under way tonight, the first game will begin at 6:30 p. m. instead of 6, with the minor league games scheduled to get under way at 6 on Tuesdays and 7:30 on Friday nights.

The final first half standings were as follows:

	W	L
Moore Oil Co.	7	1
B&B Grocery	4	4
Ozona Oil Co.	3	5
Mason Motor	2	6

J. Gual, Department Store Manager, Dies Of Heart Attack

Juarez Gual, age 60, manager of Joseph's Department Store in Ozona, died last Friday morning in Methodist Hospital in Dallas following a heart attack suffered last Thursday morning.

Mr. Gual, prior to coming to Ozona about three months ago, had been employed for many years by Sears-Roebuck in Dallas, having but recently joined Joseph's.

Mr. Gual had returned to Dallas to arrange for the moving of his furniture and effects to Ozona when he suffered the fatal attack.

Mr. Gual is survived by his wife and four children, two boys and two girls.

Shell Spots Offset To Crockett Producer

Shell Oil Co. will drill the No. 1-24 C. D. Johns as a 1,118-foot southwest offset to El Cinco Production Co., Ltd. No. 2 C. D. Johns, Crockett County Devonian discovery, four miles south-southwest of McCamey.

Location is 3,738 feet from the northeast and 660 feet from the southeast lines of 24-31-H&TC. Contract depth is 6,000 feet.

The discovery was finished May 26 for 225 barrels of 2 gravity oil through a 31-64-inch choke and perforations between 5,218 - 272 feet.

Republican Tower Favored By Ozona Voters 182 To 160

Light Vote Registered In Special Run-Off Senatorial Race

Crockett county voters last Saturday went with the rest of Texas in choosing for the first time since Reconstruction days a Republican Senator to represent this state in the United States Senate.

By a vote of 182 to 160, voters in this county favor John G. Tower of Wichita Falls, Republican party candidate last fall in a race against Lyndon B. Johnson for the Senate. Johnson's election to both the Senate seat and the United States Vice Presidency created the situation which called for the special election to elect a Senator to succeed Johnson, who accepted the Vice Presidency.

Tower defeated interim Senator William A. Blakley of Dallas, who was serving his second hitch as interim Senator, having served for a brief time after Price Daniel became governor of Texas, necessitating a special election to fill the post.

The vote in Crockett county was light, 342 out of about 1200 possible, but was in about the same proportion as the state as a whole. The Tower margin over Blakley in this county was a little more than the statewide average, percentage wise. The Crockett county vote was 53.2 percent for Tower while over the state the victory percentage for the Wichita Falls college professor was approximately 50.4 percent.

The vote by precincts in this county:

	Blakley	Tower
Courthouse	140	159
Powell Field	6	7
Owens Ranch	5	7
Power Plant	9	9

Ellenburger Gas Strike Indicated On Bailey Ranch

Two New Gas Discoveries In County Are Recorded

An Ellenburger gas discovery was indicated in Crockett County with the flowing of gas at the daily rate of 1.05 million cubic feet daily at Humble Oil & Refining Co., No. 1 J. R. Bailey, in 2-GH-GC&SF, 15 miles northeast of Ozona, and six miles southeast of the depleted Buckhorn (Ellenburger oil and gas) field.

Flow was through a 12-64-inch choke and perforations between 3,565-97 feet, which had been washed with 500 gallons of mud acid. Testing continued.

El Cinco Production Co., Ltd., Midland, No. 2 C. D. Johns, Crockett County Devonian discovery, four miles southwest of McCamey and 1 1/2 miles southeast of the Crockett County portion of the Crossett, South (Devonian) field, was finished for a calculated, daily flowing potential of 223 barrels of 42 gravity oil, plus 1 per cent water, with gas-oil ratio of 750-1.

Potential was based on an actual 13-hour flow of 122 barrels of oil through a 31-64-inch choke and perforations between 5,218-272 feet, which had been acidized with 3,000 gallons.

Tubing pressure was 50 pounds, with packer on casing.

Total depth is 5,590 feet, with 4 1/2-inch casing set at 5,524-54 feet. Operator requested discovery allowable and field designation.

Location is 660 feet from the southeast and 4,620.3 feet from the northeast lines of 24-31-H&TC.

Ambassador Oil Corp., Fort Worth, will drill the No. 1-B University as a location east offset to the discovery in the two-well Mesa (Strawn reef) field of Crockett County, eight miles south of Big Lake.

Location is 660 feet from the north and 1,980 feet from the east lines of 29-University. Contract depth is 8,500 feet.

78 Enroll In Baptist Vacation Bible School

The annual vacation Bible school of the First Baptist Church got under way at the Church Monday with some 178 children enrolled in ten-day school.

Commencement exercises for the school will be held in the Church on Wednesday night with parents and friends invited to attend. The offering taken through the school is to be used this year to supply Bibles and hymnals for the school.

Rev. Harry Trulove, who is principal of the school this year, related that illness and other hindrances had caused considerable loss of the original faculty but that placements had been found to fill those places.

The children study the Bible, biblical characters, and have a period of handwork during the morning sessions in addition to the evening exercises and activity or play periods.

IT WON'T HELP IN VIENNA

If it seems reasonable that the subject matter of President Kennedy's recent broadcast speech to a joint session of Congress might just as well have been sent by messenger, the real purpose of this show becomes a matter for speculation.

To call Congress away from its very considerable chores at this time to serve as a waxworks or window-dressing for a grand gesture for either foreign or domestic consumption — or both — would seem to indicate serious concern on the part of the President over impressing his countrymen or others. And in view of the impending Vienna meeting with Khrushchev — and the lack of enthusiasm of his fellow citizens for what appears to be a hastily contrived conference with a dangerously confident foe — we would say President Kennedy was talking to an unseen audience.

In the course of outlining proposals for beefing up the military and our allies for less-than-atomic war, increasing foreign aid, reviving civil defense, fighting unemployment and getting to the moon (and back) first, the President spoke vigorously of our dedication to the freedom of all the striving nations of the earth, and he warned those who oppose us that "our determination to protect our security is resolute." But his only reference to Cuba was to cite the growing volume of Communist propaganda being beamed from Havana to Latin America — this in the course of proposing that we outdo the Reds in our own Spanish and Portuguese broadcasts.

It was a well-written speech. It presented bold concepts of our national duty and our plans to perform it. But it followed, unfortunately, on the heels of ill-advised half-hearted support (betrayal, some are saying) of the pathetic efforts of Cuban patriots to free their country. And it followed, by a single day, President Kennedy's shameful plea to Americans to contribute to the blackmail in the form of tractors that Castro has demanded in exchange for invasion prisoners.

No doubt the Democratic go-long Congress will grant the \$14 billion budget increase and \$7 to \$9 billions for a five-year man-to-the-moon race. But Khrushchev will not be impressed.

The Beautiful Unused Terraces of the U. S. Capitol, according to Senator Hubert Humphrey, would make fine Parisian style sidewalk cafes and provide taxpayers with a "satisfying and beautiful experience."

Perhaps he has something there. If we converted all Federal buildings in the US into saloons, keeping only enough help to run them, we could soon repeal all taxes!

Bleeding Hearts Of Agitators Against Capital Punishment Indifferent To Innocent Victims Of Murderers And Rapists, Head of FBI Points Out

The capital punishment question, in which law enforcement officers have a basic interest, has been confused recently by self-styled agitators "against the evil of capital punishment." FBI Director J. Edgar Hoover wrote in a recent bulletin to law officers over the nation. A brochure released not long ago, pleading for "rehabilitation" of murderers while passing lightly over the plight of the killer's innocent victims and families, charges that law enforcement officers "become so insensitized by their dealings with vicious criminals that they go to the extreme of feeling that the death penalty is absolutely necessary." The bulletin continued:

"To add to the burden of conscience borne by peace officers, prosecutors, and jurists and to brand law enforcement officers as callous, unfeeling men "insensitized" to the sanctity of human life are gross acts of injustice to these servants of the public. This ridiculous allegation is mutely refuted by the compassion which wells up in quiet tears flowing down the cheeks of hardened, veteran officers who too often see the ravaged bodies of victims of child molesters.

"There can be no doubt of the sincerity of many of those who deplore capital punishment. A realistic approach to the problem, however, demands that they weigh the right of innocent persons to live their lives free from fear of bestial killers against statistical arguments which boast of how few murderers kill again after "rehabilitation" and release. No one, unless he can probe the mind of every potential killer, can say with any authority whatsoever that capital punishment is not a deterrent. As one police officer has asked, how can these "authorities" possibly know how many people are not on death row because of the deterrent effect of executions.

"Mauldin viewers of the death penalty call the most wanton slayer a "child of God" who should not be executed regardless of how heinous his crime may be because "God created man in his own image, in the image of God created he him." (Genesis 1:27) Was not this small, blonde 6-year-old girl a child of God? She was choked, beaten, and raped by a sex fiend whose pregnant wife reportedly helped him lure the innocent child into his car and who sat and watched the assault on the screaming youngster. And when he completed his inhuman deed, the wife, herself bringing a life into the world, allegedly killed the child with several savage blows with a tire iron. The husband has been sentenced to death. Words and words and words may be written, but no plea in favor of the death penalty can be more horribly eloquent than the sight of the battered, sexually assaulted, body of this child, truly a "child of God."

"The proponents of "rehabilitation" for all murderers quote those portions of the Bible which they believe support their lavender-and-old-lace world where evil is neither recognized nor allowed. But the Bible clearly reveals that enforcement of moral justice is nothing to our age. In fact, in referring to man as the "image of God", the Old Testament, so freely quoted by opponents of the

death penalty, also states, "Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man." (Genesis 9:6) There are many passages in the Old Testament which refer to capital punishment being necessary to enforce the laws of society. Since the Old Testament was written about and to a nation while the New Testament was written to individuals and to a nonpolitical body known as the Church, there is a difference in emphasis and approach. Certainly, however, the moral laws of the Old Testament remain with us today.

"Misguided do-gooders frequently quote the Sixth Commandment, "Thou shalt not kill," to prove that capital punishment is wrong. This Commandment in the 20th chapter, verse 13, of Exodus has also been interpreted to mean: "Thou shalt do no murder." Then the 21st chapter, verse 12, says, "He that smiteth a man, so that he die, shall be surely put to death." We can no more change the application to our society of this basic moral law in the Old Testament than we can change the meaning of Leviticus 19:18: "thou shalt love thy neighbor as thyself," which Jesus quoted in the New Testament.

"To "love thy neighbor" is to protect him; capital punishment acts as at least one wall to afford "God's children" protection."

A shipment of 500 milk fat lambs from the Early Baggett ranch broke two records yesterday. Loaded out at Barnhart Tuesday afternoon around 3 o'clock, the lambs were sold on the Fort Worth market within 24 hours from the time they were loaded at Barnhart. The second record was the top price of the day milk fat lambs, \$4.50 per hundred-weight.

—news reel—
Savings that will run into millions will be realized by West Texas ranchmen as a result of perfection of a serum for inoculation of sheep against soremouth, the climax of research and experimentation carried on for the past two years at the Ranch Experiment

station between Sonora and Rock-springs. The serum was tried out last year on a limited scale and highly satisfactory results were obtained. This year experiments were carried out on a larger scale and improvements were made in the serum. One of the trials was made on the Wise Owens ranch in Crockett county. Several hundred lambs were vaccinated at marking time. Later 48 head of lambs that had been missed were rounded up and out of the number 44 were suffering from soremouth, four of them in such condition that it was necessary to destroy them. Of the lambs vaccinated not one case of soremouth appeared. Absolute control of soremouth, which this treatment promises, will be one of the greatest advances the livestock industry has ever made.

1910 — THE OZONA WOMAN'S CLUB — 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. Ira Carson, the seventeenth president of the Ozona Woman's Club, was the first second-generation president, as her mother, Mrs. W. E. West, a charter member, was an early-day president.

Other officers in her administration were Mrs. George Bean, first vice president, Miss Elizabeth Fussell, second vice president; Mrs. Joe Pierce, Jr., recording secretary; Mrs. Will Baggett, corresponding secretary; Mrs. A. C. Hoover, treasurer, and Mrs. W. J. Grimmer, parliamentarian and critic. A new officer was added that year, Counselor to the Junior club, who was Mrs. Joe Pierce, Jr.

There were twenty-seven members, including a new member, Mrs. Elton Smith.

The program chairman, Miss Elizabeth Fussell, and her committee prepared an attractive yearbook and an interesting study on modern literature. Books studied were *The Fountain*, by Charles Morgan; *Oscure Destinies*, by Willa Cather; *Mourning Becomes Electra*, by Eugene O'Neill; *Sheltered Life* by Ellen Glasgow; *The Store*, by T. S. Stripling, which won the 1933 Pulitzer prize; *One More River* by John Galsworthy and *As the Earth Turns*, by Gladys Hasty Carroll. These books were reviewed and the characters and plots discussed.

Other programs were on *The American Poets*, *Successful Texas Authors*, *An Art Program on Architecture*, a *Health program* with a lecture by Dr. F. T. McIntire on health problems here, *Federation Day program*, which was *Guest Day* honoring Mrs. A. C. Hoover; the *Sixth District second vice president*, who gave a report on the state convention. The president's day program was held in the home of Mrs. J. W. Henderson, Jr., and Mrs. P. L. Childress gave the highlights of the *World's Fair*, the *Century of Progress* in Chicago.

Mrs. Carson's second year as president was a continuation of the year before, with the same officers and committees, with the exception of Mrs. Paul Perner as

Mrs. Ira Carson
1933-1935

Junior Club secretary. There were twenty-six members, with Mrs. Anna Stenberger, Mrs. Peck Miller, Mrs. Royce Smith and Mrs. B. Scob Cox as new members.

The study was again on *Modern Literature* with Mrs. George Bean as chairman. The yearbook was extremely pretty and well arranged. Books studied were *Lamb in His Bosom*, by Miller; a Pulitzer prize winner; *Within This Present* by Barnse; *Cry Havoc*; *Mary of Scotland*, a play; *Journey on the Flame* and *I Went to Pit College*. Other program topics were *Homecoming*, a review of vacations by members, *Original Day*, with each member exhibiting something original she had created.

One program that drew a lot of interest in the community was the stunt night on March 25, 1935, which was directed by Mrs. W. J. Grimmer and representing many community groups as shown by an old program which presented such numbers as:

"Athletic Stunts," schools, directed by Norine Allison.

"The Newspaper Wedding" Ft. Worth League, directed by Mrs. Joe Pierce.

"Hollywood Next Stop" playlet

by Nan Grimmer, featuring Mary Jeanette Grimmer as Ruby Keeler and Mary Louise Perner as Jean Harlow. This stunt won first place a \$5 cash prize.

"Hero Enter" Ozona Music Club, characters, Dixie Davidson, Beth Davidson and Bryan McDonald.

"Not Yet Marie" Ozona Lions Club, directed by Mrs. A. W. Jones.

"Man on the Flying Trapeze" Mr. Van Zandt of WTU.

"The Dark Town Strutters Ball" Junior Weman's Club, directed by Mrs. Massie West.

"The Flyover Family" PTA — by Mrs. Joe T. Davidson.

"When Mother had the Ladies Aid" WMU, recitation by Adele Keeton.

"Shadow Pictures" Ozona Women's Club, by Mrs. Nan Grimmer, Nita Nelson and Dixie Davidson. The special project for Mrs. Carson's regime was securing and landscaping a plot in West Ozona for a city park. She received the award of best president's report in Sixth District.

Wilma Carson is a native of Ozona, the daughter of William E. West and his wife, Alma Smith West. She attended the local schools and Baylor University.

June Brides-To-Be Are Complimented At Country Club Breakfast Here Saturday Morning

"Gingham breakfast" at Ozona country club Saturday complimented two brides-to-be, Miss Friend of Ozona and Miss Ann Robison of Marfa. Hostesses were Mrs. Pleas Childress, T. J. Bailey and Mrs. Lowell Childress.

Miss Friend and F. H. Whitehead of Del Rio will be married at 10 in Ozona Methodist Church. Miss Robison will marry John Childress of Waco June 6 in First Church of Marfa.

The receiving line to greet guests were Miss Robison, her mother, Mrs. Miller Robison, Mrs. Childress, Mrs. W. E. Whitehead, Mrs. F. H. Whitehead, Mrs. Ralph Mayer, mother of Miss Friend's fiancé; Max Schneemann and Mrs. Max Robison, grandmother of Miss Robison; Mrs. Glen Richardson, sister of Miss Friend.

The hostesses made sun bonnets and arranged them on tables in a "country store" fashion from members of the houseparty. The buffet table was covered with a dark green linen cloth and center piece was an arrangement of pomegranate blossoms and dandelions. Serving at the table were Mrs. S. M. Harvick, Mrs. Stephen Perner, Mrs. V. I. Pierce, Mrs. Paul Perner, Mrs. C. O. Walcott, and Mrs. Noble Taylor. Pastries in baskets of assorted pastries were Mrs. John Childress, Mrs. Lee Henderson, and Mrs. Elford Roach. Pouring from an antique copper coffee service were Mrs. Lee Childress, Mrs. Will Baggett, and Mrs. Fred Hagelstein.

Furnishing music for the enjoyment of the guests were Mrs. Betty Russell at the piano and Mrs. M. A. Barber playing the violin.

At the register were Mrs. Edward Jarrett and Mrs. Max Schneemann, Jr. Saying good byes to guests were Mrs. T. A. Kincaid, Mrs. Roy Henderson. Others in the houseparty were: Mrs. Schneemann, Mrs. R. E. Hardinger, Miss Sue Graham, Miss Barbara Kirby and Miss Lucille Childress.

The breakfast tables were de-

Miss Carol Friend, Bride-To-Be, Honored At Series of Parties

Miss Carol Friend, whose marriage to F. H. Whitehead, Jr., of Del Rio, is set for June 10, was honored at a number of parties during the past week.

A bridge-luncheon Wednesday, May 24, in the home of Mrs. Clay Adams was in honor of Miss Friend. Hostesses were Mrs. Adams, Mrs. Arthur Phillips and Mrs. Charles Garlitz. The luncheon featured beef Stroganoff and stuffed carrots.

Used as table decorations were wood carvings of Western figures and scenes, work of the late Clay Adams.

Mrs. Lindsey Hicks was high scorer in bridge and presented her prize to the honoree who was also given a gift by the hostesses, a white china cigarette lighter.

Others enjoying the hospitality were Mrs. Cap West, Mrs. Boyd Clayton, Mrs. Hillery Phillips, Mrs. George Bunker, Mrs. Bob West, Mrs. Joe Pierce, IV, Mrs. Bill Childress, Miss Ann Baggett, Miss Childress, Mrs. James Baggett, Mrs. Bill Black, Mrs. J. T. Dockery of Santa Anna, Mrs. W. E. Friend, Jr., Miss Janice Spencer.

The hostesses presented Miss Friend with a five-piece place setting in her plated silver. Mrs. Glen Richardson was high score winner and Mrs. Hicks won bingo.

On Friday, May 26, Mr. and Mrs. Jake Young, Mr. and Mrs. George Bunker, and Mr. and Mrs. Hillton North honored Miss Friend and Mr. Whitehead with a Mexican dinner at El Sembrero Cafe. An attractive table centerpiece featured red carnations, centered with black and straw dolls and burros, depicting a Mexican scene.

The hosts presented the honoree couple with a matched set of Chetam blankets, sheets and pillowcase in "Heavenly Rose" de-

sign. After dinner, the group went to the Young home for visiting and after-dinner candies. Mr. and Mrs. W. E. Friend, Jr., Mr. and Mrs. Glen Richardson, Wesley and Wade Richardson were others present.

Miss Janice Spencer was hostess in her home Saturday afternoon at a bridge and canasta party to honor Miss Friend. A sandwich plate was served.

Other guests were Mrs. Glen Richardson of Sonora, Mrs. Ralph Mayer of Sonora, Mrs. Tom Robison, Mrs. Cap West, Miss Eda Ann Robison, Mrs. Bob West, Mrs. W. E. Friend, Jr., Mrs. Joe Pierce, IV, Mrs. George Bunker, Jr., Miss June Bunker and Miss Ann Baggett.

High score award went to Mrs. Mayer, Miss Friend was presented a gift of bathroom scales.

Fifty Years —

(Continued From Page Four)

Society and for many years directed the planting of the city park. Being the daughter of a charter member, Mrs. Carson has been interested in club work most of her adult life. She has held many local offices and was Sixth District chairman of Art and Folklore. At one time she was State Chairman of Music.

Mr. and Mrs. Carson have traveled extensively in Mexico the States and Canada, with a trip planned this summer by car and boat to Alaska. Being an expert photographer, she has made colored slides of places of interest on all their trips. She has an interest, such as painting in oils and water colors, collecting Indian lore and Texas literature, gardening and photography. At present she is collecting data and colored prints of the wildflowers of Texas which she plans to publish. She has shown her colored slides with accompanying talks to many clubs in this area.

Futura's the one that never cramps your style...

Some luxury compacts make you choose between your friends... and your luggage. But not the new Falcon Futura.

In a Futura you not only get a luxurious interior with individually contoured bucket seats, a handy console between them, wall-to-wall carpeting, and all the extras; you also get room for three people in the back seat, plus...

... a big roomy trunk. You put luggage in its place, not in the back seat which is reserved for your friends. Futura doesn't cramp your style—or your budget either! It's America's lowest-priced* luxury compact. It costs you less to run, too. Read about Falcon's record-breaking Mobilgas Economy Run win below!

NOTE: Under the test conditions of the Mobilgas Economy Run, a Falcon, with standard shift, scored 32.6 miles per gallon... best gas mileage of any 6- or 8-cylinder car in the 25-year history of the Run! (Another Falcon was second, with 31.6 mpg!) Drivers of all cars were experts... and really out to win. But Falcon topped 'em all!

Stop, Swap and Save now... during your Ford Dealer's Swapping Bee

Notes From The County Agent's Office
By Pete W. Jacoby

The Peace Corps, which came into being on March 1, 1961 with the issuance of an Executive Order by President Kennedy, is in operation. Applications are being accepted.

The Corps, according to V. G. Young, state agricultural agent for the Texas Extension Service, represents an opportunity for individual citizens to work directly with people of other countries to provide economic, social, or educational assistance and to further the cause of peace through personal relationships and the development of mutual understanding.

He adds there is much similarity between the Corps and the International Farm Youth Exchange which has been a part of the 4-H Club program in the nation since 1949. This interest in such programs has brought local county extension service agents into the picture, says Young.

The agents now have sufficient information on the program, according to Young to answer most questions from interested persons. Young advises persons interested in getting more information and the details on how the Corps will operate to contact the local county extension office.

A metal covered building without adequate grounding is not protected against lightning. W. S. Allen, extension Agricultural engineer, says that proper grounding of such buildings, especially metal roofed structures, will prevent many fires.

Lightning protection is very important, inexpensive and easy to provide, Allen continues. All buildings with metal roofs or sides can be protected by grounding the roof at all four corners. This can be done by flattening the end of a piece of 1/2 or 3/4 inch galvanized iron or steel pipe and bending it so that it may be attached by bolts to the drip edge of the roof. For support, galvanized steel screw hooks should be placed on the side of the building and bent shut over the pipe.

After the pipe has been firmly attached to the roof, it may then be attached by galvanized wire rope clamps to a 1/2 or 3/4 inch pipe driven eight to ten feet into the ground. This ground pipe should be placed as close as possible to the building's foundation, Allen explains.

These lightning rods may not be as fancy as those of grandpa's day, but they serve the same purpose of property protection and fire prevention. Their installation could save you a great deal of money by preventing lightning damage, Allen concludes.

Mohair Blending In New Clothing Fabrics Benefits Texas Growers

San Angelo, — Texas mohair producers should be encouraged over prospects of manufacturers' plans to merchandise early next spring clothing of a mohair-wool-synthetic blend.
A recent issue of the Daily News Record (New York) said "there is a definite awareness of mohair and all major worsted system mills have incorporated mohair in their man-made fiber blended fabric ranges. Last year, initially only one volume unit incorporated mohair in a blend of one-third Dacron polyester fiber, one-third mohair and one-third wool."
"This year," the paper continued, "many of the blends have 55% of the Dacron fiber, while mohair is about 25% and the remainder 20% wool."
The cloths are slightly heavier than the generally accepted 7 1/2 ounce for blend tropicals and this

is said to be the main reason, along with general consumer acceptance, for the thought incorporated these cloths into the early spring clothing package.
Some observers say that mohair has been helped "considerably" by blending with man-made fibers.
Foreign fabric mills supplying some of the imported mohair blends indicate sales in their individual cases are becoming very extended. Cloths of the mohair-wool-synthetic blend are expected to be in the hands of the retailer by spring, 1962, the paper added.
Trading in Texas mohair has been on the quiet side during the recent days. Offering prices have been 9 1/2 cents per pound for grown hair to the warehouse and original spring kid, \$1.40 to \$1.50 per pound to the warehouse. Sold spring mohair in Texas is estimated at about 3.5 million pounds.

Latest information on mohair sales in South Africa indicated slight price decline, but prices are still very strong when compared with Texas mohair prices.
In sales at Fort Elizabeth in mid-May, prices were quoted as follows: superfine kid, \$2.81 to \$2.97; fine, \$1.86 to \$2.28; yearling hair, \$1.36 to \$1.86; fine adult hair, \$1.21 to \$1.36; medium, \$1.10 to \$1.21; stained, \$1.07 and \$1.81 cents.

**Siren Signal
System Established
to Inform Citizens**

Ozona Volunteer Fire Department, in a recent meeting, decided on a fire siren signal system for Ozona by which citizens are able to determine if a siren is to signal a fire or some other disaster.

Therefore, for the benefit of the community members, the siren will sound one long, continuous blast to indicate a grass or brush fire in Ozona, while the regular tone of the siren indicates a fire in town.

After every fire of any kind is signalled by the regular tone of the siren, a long continuous blast, extending a full two minutes, will indicate a community disaster. Men and townspeople generally are anxious that the disaster signal never be necessary but should be such an event — it might be a flood (but unlikely that dams protect the city), an enemy attack, an explosion, big fire, etc. — the long blast on the siren will inform them. The siren will sound for two minutes, then completely and sound again the tone has died.

Men are anxious that Ozona desist from following the truck on fire runs. Cars coming on the area of a fire often firemen in making hose connections and in handling the fighting chore. It is a viola-

tion of the law to hamper firemen in fighting a fire but the local department is anxious to get the cooperation of everybody so that it will never be necessary to ask the law's help in the matter.

Miss Susan Boyd, daughter of Mr. and Mrs. Ernie Boyd, is spending a few weeks with her grandparents, Mr. and Mrs. M. E. Boyd and Mr. and Mrs. Dan McDonald of Sulphur Springs, Texas.

LITTLE COLONEL

By Bob McKinley

"I can lick any angel in the house."

**Fantastic Records Set
By Former Ozona Jr.
Athlete At Hobbs, N.M.**

By Ernie Boyd

Joe Jacobs, son of Mr. and Mrs. Paul Jacobs formerly of Ozona and now of Hobbs, New Mexico, confirmed the opinion of his Ozona coaches this school year when he had an outstanding year in athletics in the much bigger Hobbs Junior High.

Ozona Junior High Coach Chick Womack expressed the opinion that young Jacobs could play anywhere when he left Ozona last year and that the larger school would only offer greater opportunity.

Young Jacobs, who was a seventh grader this year, played quarterback on the 8th grade team which won 9 and lost 0, played as a starter on the Hobbs Junior High basketball team, scoring 223 points during the season and established a number of Jr. High track marks during the year.

Joe ran the 100 in 10.9 the 220 in 23.7 and set a record in running the 50 in 6.1.

In addition to his accomplishments on the athletic fields Joe as usual finished the year with a straight A average in the classroom. He was also president of his class and on the Student Council.

908 Avenue J
EX 2-3152

Mr. and Mrs. J. A. Pelto and children have gone to Tyler where Mrs. Pelto and the children will stay with Mrs. Pelto's parents while he attends reserve camp in San Antonio. After completion of his Air Force stint, the Peltos

will go to Virginia, Minnesota, to spend the balance of the summer before returning to Ozona where Mr. Pelto is high school principal.

Mr. and Mrs. John Hobaugh left Sunday on a trip that will carry

the mto Tulsa, Oklahoma, in time to be present at the celebration of Mr. Hobaugh's father's 95th birthday. Mr. and Mrs. Hobaugh plan to visit relatives in Oklahoma and Mineral Wells, Texas, before returning to Ozona.

\$2,964.00*

is the surprising Chrysler price that's making Chrysler owners out of skeptics! Here are full-size reasons why: Unibody — one-piece, welded body construction that reduces rattles. Alternator — provides battery-saving current for accessories even in crawling traffic. Torsion-bar suspension — smooth, steady, road-gripping ride. Firebolt V-8 engine — class champ in Mobilgas Economy Run. Join the fast-growing club of Chrysler converts. Today!

Chrysler

*You'll find this Chrysler suggested retail price (exclusive of destination charges) on the Newport 4-Door Sedan at your local dealer's. Modest extra charge for whitewall tires and wheel covers. Newport won its class in recent Mobilgas Economy Run.
