## County Ranchers Get \$698,619 In Incentive Checks

Out July 3rd For 1960 Producing Year At 47.60 Rate

Incentive pay checks covering sales of short wool under the Wool Act for 1960 marking year will be ready for distribution to Crockett county ranchers Monday, July 3, Claude L. ASC office manager here, announced this week.

U. S. Department of Agriculture last week announced the amount of payment for last year's sales under the support program will be 47.6 percent of net proceeds received during the marketing year. As in the past, one cent of the wool promotion fund will be withheld and the payment rate on unshorn wool will be 80 cents per hundred pounds and the promotion fund will be 5 cents per hundred pounds.

Work is under way in the local office this week preparing drafts and checking and double checking records. Checks will be mailed for those who wish them. All checks not mailed for by 3 p. m. Monday will be placed in the mails, Mr. Russell

Ranchers in Crockett county will receive a net total of \$610,683.07 for wool payments and \$87,935 for unshorn lambs sold, total of \$698,619.22 as supplemental payment for wools sold during the marketing year from January 1, 1960 through March 31. The total pay out in this program a year ago under this program was \$646,005.47.

While staff members are busy with week preparing drafts for delivery next Monday, ranchers are urged to help in speeding up this work by not inquiring about the amount of their incentive checks. Time of time in looking up such records will delay completion of the task.

## Ozona Performers Win Most Honors In Big Lake Rodeo

Lynn Cox Top Cowgirl; Seven Ozonans Win in Rodeo Events

Ozona cowboys and cowgirls shared off the lion's share of honors and prizes in Big Lake last week at the annual Big Lake Junior Rodeo.

Miss Lynn Cox, daughter of Mr. and Mrs. Bud Cox won the saddle bronc riding over all contestants and placed second in place by Rex and son of Mr. and Mrs. R. L. and of Ozona.

Lynn piled up a big lead and won the honor won before the events were run as she won the junior pole bending and the senior flag race.

Rex won the sub junior hair curling and was third in the class pole bending.

Nancy Friend won the senior flag race and was second in the senior barrel race.

Pam Perner won second place in the barrel race and the senior pole bending while brother Rex won the junior calf roping.

Rex Bland's sister, Diltzie, tied for first place in the sub junior barrel race even though losing the barrel race. She also won the sub junior pole bending and was second in the sub junior flag race.

Betty Baggett of Ozona won the senior flag race to add another place to Ozona's efforts.

Mary Ann Pitts of Ozona won first place in the sub junior barrel race and the sub junior pole bending and the sub junior flag race, to place in all three events entered. The Big Lake Junior rodeo is sponsored by the Sheriff's posse Reagan County and was postponed a week due to the heavy rains last week.

## Funds For Expenses Of Homecoming Are Needed By Promoters

Enthusiasm is high for the homecoming of ex-Ozonans set for July 13, but solicitors for funds to finance the celebration find somewhat less enthusiasm among the populace, James Baggett, president of the Ex-Students Assn. Assn. said this week.

Among plans for the day is a barbecue dinner in the park for exes, a dance and, of course, the rodeo. There are always expenses to such an undertaking and in addition, the Ex-Student Assn. has set up an educational loan fund which will be made available to worthy Ozona student who wish to pursue higher education. Any funds above actual expenses will go into this fund, Baggett said.

Invitations have been mailed out to exes all over and many of the return cards show much interest in the coming reunion and many are planning to return.

## Miles Pierce Named President Rambouillet Sheep Breeders Assn.

Miles Pierce of Alpine, former Ozonan who has had a registered flock of Rambouillet sheep since he was 10 years old, is new president of the American Rambouillet Sheep Breeders' Association.

Pierce was elected at the annual membership meeting held last week in San Angelo.

Named vice president was J. C. Wooley of Santa Fe, N. M. who has been a director.

Elected director of District 3 was Clinton Hodges of Sterling City and Pat Rose, Jr., of Del Rio was re-elected director from District 4.

Mrs. A. D. Harvey, secretary of the ARSBA the last four years, was retained as secretary.

Eighty-eight members and guests attended the meeting at which Penrose B. Metcalfe of San Angelo was the principal speaker. Metcalfe, president of the National Wool Growers' Association, discussed legislative matters pertaining to the domestic sheep industry and problems of the ranching business.

Pierce is believed to be the first president of the ARSBA whose father also served the association as president. His father, V. I. Pierce of Ozona, was president in the early 1940s and it was through his efforts that headquarters of the group were moved to San Angelo from Marysville, Ohio, in the fall of 1941.

The new president bought his first flock of registered sheep with money he received from the sale of cattle that were given him by his grandfather, the late Joe Sellers Pierce.

Miles Pierce said he did not like to work with cattle and today restricts his ranching activities to sheep and goats — one one milk cow — on his Altuda Ranch near Alpine. He runs about 5,000 sheep and maintains a stud ewe flock of about 200 head.

Pierce and his wife, who make their home at Altuda, have three sons, Victor, 10, Julian, 8, and Anton, 3.

## Painted Broncos And Bulls Welcome Rodeo Visitors To Ozona

A welcome change from the red, white and blue bunting decorations which formerly featured townwide efforts to make visitors to local functions feel at home is visible in Ozona this week as business houses sport rodeo scenes painted on their windows with words of welcome for rodeo visitors.

The plan is a project of the Ozona Lions Club, sponsors of the Ozona Junior Rodeo, set for July 13-15. An artist family, man, wife and daughter, were engaged to paint the bucking horses and Brahma bulls on store windows in downtown Ozona and in the shopping center. "Welcome Rodeo Visitors" is the lettered message with each painting.

JEANNE'S has men's, ladies and children's short sleeve Western shirts.

## Janes Funeral Home To Open Here Saturday

Open House To Be Observed Sunday From 2 to 5 p. m.

Janes Funeral Home, Ozona's newest business enterprise, will open for business Saturday, July 1, in the newly reconstructed and altered building next door to the Ranch Drug Store, the former Longley home now owned by Mrs. Ben Lemmons.

Lawrence Janes, an experienced and licensed mortician, comes to Ozona from Sanderson, where he operated a funeral home.

The new funeral home will offer 24-hour ambulance service, and first class equipment in all its services. The company will provide an air conditioned, oxygen equipped emergency car. Mr. Janes and his assistants are qualified in both standard and advanced first aid training.

The new funeral home will observe open house Sunday afternoon, July 2, from 2 to 5 p. m. and all Ozonans are cordially invited to call and inspect the new installation.

Mr. Janes recently left an emergency ambulance here for the community's use until he could move to Ozona. The ambulance loan was made at a time when it appeared that such service was to be withdrawn in the community. Although no calls were received in the period, several volunteer drivers from among members of the Ozona Volunteer Fire Department were available to drive the vehicle during the period.

## Fort Stockton Junior Rodeo Set July 7 & 8

The Pecos County Sheriff's Posse of Fort Stockton, announces their Junior A. J. R. A. approved rodeo will take place July 7-8th.

The Posse will give a full stamped \$250.00 trophy saddle to the best all-round cowboy or girl. Silver buckles will be presented to the winner of each rodeo event.

There will be a dance at the close of the first performance for all the cowboys and cowgirls at the Fort Stockton airport. An old fashioned string band will furnish music.

Eligible to participate are in age groups of 12 years and under, thirteen through fifteen years, and sixteen through nineteen years, both boys and girls. The entry deadline is 2:00 p. m. July 7. Participants may contact Eugene Upshaw, Fort Stockton, Texas.

## Member of 1914-15 High School Basketball Team Suggests Team Reunion at Homecoming

At least one out-of-town member is planning to be here and he is urging others from out of town to do likewise and it seems highly probable that all or nearly all members of the 1914-15 hot shot basketball team of Ozona High School will be on hand for the 1961 homecoming celebration set for July 13.

"It looks like they are planning quite a big get-together for us old students of Ozona High School which is wonderful," writes Dr. J. Hollis Weaver of Houston, to his old basketball coach, Houston S. Smith, now Crockett county's judge.

"It occurred to me that all your old basketball team of 1914-15 will be there, except possibly Bill Gimmer, so thought you might put a little pressure and have the whole team and coach there."

"I heard a while ago that you were in the hospital in Galveston but too late for me to visit you," Dr. Weaver, a Houston dentist, concluded his letter to his former coach. "Surely do hope that you have completely recovered, and am looking forward to seeing you July 13." And as a P. S. — "I use the word students loosely, that is, at least in my case, Professor."

Dr. Weaver listed members of the 1914-15 basketball team as Hollis Weaver, Rex Russell, Bas-

## Teams Deadlocked In Little League Chase For Title

Moore Oil and B&B in Tie-Breaking Contest Tonight

By Ernie Boyd

The first of what might prove to be a series of Little League play-off games will get under way tonight between B&B Grocery and Moore Oil at 8 p. m.

Moore Oil, winner in the first half of play, is tied with B&B for the top spot in the second half with each team having lost one game. B&B, with one win over Moore, lost to Mason Motors last week to drop into a tie.

The game tonight will break the deadlock but the teams have one previous game rained out and should it be played there would be the possibility of a tie resulting, which, of course, might give rise to the need for a third contest.

Play in the minor league will be concluded Friday night ending the first season during which the minor leaguers have played games under the lights and under game conditions.

The selection of all-stars for the play-offs will be held July first with practice for the group to represent the Ozona league getting under way the sixth of July. The Ozona all-stars will travel to Sonora to meet the Sonora Little League all-stars in their first playoff game July 21st.

League director Roy Killingsworth stated Wednesday that a meeting to determine what course will be followed in regard to further play-off games will be held by the director and the managers of the teams involved following the game tonight.

"It was a pretty fair gravel court basketball team, too," Coach Smith (who was teaching in the schools then) recalled. "We played Sonora, Elorado, Sherwood Mertz and some other teams and never lost a game that season." — And that is a pretty good record.

## Ira Carson Installed As Rotary President

Ira M. Carson, elected recently as the new president of the Ozona Rotary Club, was installed in office at the club's regular meeting Tuesday noon.

Mr. Carson succeeds John M. Hobaugh, who has served as the club's president the past year.

Herman Knox was installed as vice president.

## OZONA TEENAGERS TO ATTEND ROCKSPRINGS RODEO

A large group of Ozona teenagers plan to attend the Rock-springs Rodeo in Rocksprings July 4th. Pam Perner, Betty Baggett and Nancy Friend plan to enter the competition while July Black, Janet North, June Bunker, Joe Warren Friend, Tommy Stokes, Glenda Friend, and Tommy Porter among others plan to be on hand.

## STORES CLOSE ONE DAY FOR 4TH OF JULY

Ozona business men voted this week to close one day only, Tuesday, July 4th, in observance of Independence Day. Mrs. Hubert Baker, Retail Merchants Assn., conducted the poll to determine whether or not business men would favor closing both Monday and Tuesday for the holiday.

## SCD Supervisor From Subdivision 4 To Be Named At Friday Meet

A special election to name a supervisor from subdivision No. 4 of the Crockett Soil Conservation district to fill a vacancy will be held Friday, June 30, in the Soil Conservation District office in the Hotel Ozona.

Bill Clegg, who has been serving as a supervisor from District 4, the south central section of Crockett County, has announced his intention to resign because of the press of business. Land owners in the district will meet at the SCD office in the Hotel Ozona at 2 p. m. Friday to name a successor.

The subdivision No. 4 includes all land lying west of the Ozona-Comstock (divide route) road (or Johnson draw) and south of U. S. Highway 290 and east of the county road following Howard draw to the Val Verde county line.

## Cattlemen Look At Proposed New Farm Bill At Angelo Meet

Fort Worth, Texas — The effect of the omnibus farm bill upon the livestock industry will be in the spotlight at the quarterly directors' meeting of the Texas and Southwestern Cattle Raisers Association in San Angelo June 30 July 1.

Traditionally, cattlemen have opposed any price supports and production controls on cattle. Discussions at the TS&GRA meeting are expected to center on the effect the new bill would have upon those in the cattle business and to what extent the bill embraces practices which are related to beef production and marketing.

Other action at the meeting will include a review of the present brand laws in Texas, consideration of submitted samples for an official emblem for the Association an analysis of activities of the National Livestock and Meat Board, and committee reports on a number of other subjects of particular interest to cattlemen.

## Midland Country Club Scene Of Luncheon To Honor Miss Childress

Miss Genelle Childress, bride-elect of Ronald Lewis Berry of Grand Prairie, Texas, was honored at a luncheon Saturday in the garden room of the Midland country club house.

Hostesses were Mrs. Harry Holcomb of Midland, Miss Kathryn Weaver of Lubbock and Mrs. Truman Hutson, also of Lubbock. After the luncheon, guests gathered at the Holcomb home in Midland for an afternoon of visiting.

The luncheon table was decorated with white, green and yellow flowers and white doves. Two of the hostesses, Miss Weaver and Mrs. Hutson, were bridesmaids at the wedding of Miss Childress' parents, Mr. and Mrs. Pleas Childress. Another bridesmaid in that wedding was also present for the Midland party. She was Mrs. Har-din Perry of Fredericksburg, who was a house guest and Mr. and Mrs. Pleas Childress here last week.

Among those besides the honoree's mother present for the luncheon were her grandmother, Mrs. R. E. Hardberger, her aunts, Mrs. Lowell Littleton, Mrs. John Childress, all of Ozona, another aunt, Mrs. Grady Mitcham of San Angelo and Misses Linda Millsbaugh and Frances Childress of Ozona.

Miss Childress and Mr. Berry plan to be married here August 26.

A son, Roy Lee, born to Mr. and Mrs. J. Y. Burleson of Sheffield, on June 22 at the Crockett County Hospital in Ozona.

## Floyd McMullan, Big Lake Rancher, Found Shot Dead

Brother of Ozonan Is Found Dead In San Angelo Park

Floyd McMullan, 58, prominent West Texas ranchman and brother of Frank McMullan of Ozona, was found dead in Ben Ficklin park near San Angelo Wednesday afternoon. A bullet from a 30-30 rifle had shattered his head. The weapon was found beside the body.

Justice of the Peace J. B. Holberg of San Angelo rendered a verdict of "death by gunshot wound, self-inflicted." Mr. McMullan was said by relatives to have been worried over business problems.

Mr. McMullan was well known in ranching circles, being a director of the Texas Sheep & Goat Raisers Assn. His wife is president of the TS&GRA Ladies Auxiliary and a member of the Miss Wool of America Pageant committee.

He was a member of the Masonic lodge and of the First Presbyterian Church of San Angelo.

Surviving are the widow; two sons, Johnny and Kenny McMullan of Big Lake; a daughter, Miss June McMullan of Big Lake; two brothers, Frank McMullan of Ozona and D. K. McMullan of Big Lake; three sisters, Mrs. Lewis Hersey of Big Lake; Mrs. Allen J. Watts of Midland, and Miss Bill McMullan of San Angelo, and four grandchildren.

Funeral services will be held at 10:30 Friday morning from Johnson's Funeral Chapel in San Angelo. Place of burial was pending.

## Regional Meeting Of Soil Conservation Dist. Supervisors In Del Rio

Alvin Harrell, chairman of the Crockett Soil Conservation District, and Dick Ketchum, S. C. S., attended a regional Soil Conservation District Supervisors problem and discussion meeting at Del Rio on June 21, 1961.

The meeting was attended by supervisors from the Crockett Soil Conservation District, the Devils River District, and the Maverick District. Others attending were Paul Waiser, Assistant State Conservationist; L. F. Stewart, Field Planning Engineer of the State Soil Conservation Board; A. F. Leesch, member of the State Soil Conservation Board; and Leo Merrill, Sonora Experiment Station.

The purpose of the meeting was to discuss ways and means of getting more conservation on the land. Paul Waiser gave an address on the progress of Soil Conservation Districts in Texas. Alvin Harrell discussed the progress and problems of the Crockett SCD. Supervisors of the Devils River and Maverick Soil Conservation Districts discussed progress and problems of their districts. Leo Merrill discussed the problems of grassland management. Lunch was furnished by the Devils River District Supervisors.

**'OPERATION ABOLITION' IS AUTHENTIC**

One of the most potent weapons the forces of patriotism possess in their way against the forces of the Mistaken is the House Committee on Un-American Activities. Striking evidence of the Committee's potency is being brought forth daily. This evidence comes in the form of bitter attacks on the Committee and its motion picture, "Operation Abolition." This is the film that shows the communist-inspired and communist-led student riots against the Committee when it held hearings in San Francisco last year.

It is doubtful that any single weapon in the last twenty years has done so much damage to the Mistaken program of infiltration of youth on college campuses.

This film, being shown widely over the nation by private individ-

uals, the American Legion, church groups, civic groups and patriotic societies, has thrown the Mistaken youth program off balance and has put the anti-freedom forces on the defensive in the area of youth activities.

"Operation Abolition" produces documentary evidence that the same thing that happened in Tokyo and in Caracas and other Central and South American countries can happen here and did happen in San Francisco. Nearly a thousand copies of this powerful film have been distributed. And how the Mistaken enemies of freedom are yelling!

That is the evidence of the film's effectiveness, of course. Unless the film presented the truth and presented it effectively we would not be witnessing the present attacks on it and the House Committee from Mistaken writers and speakers.

Along with these efforts, an organized campaign has been put into motion by various high-sounding committees, the main function of which seems to be placing their propaganda material in strategic hands wherever the film is scheduled to be shown and trying to create doubt as to the authenticity of the picture.

But the film is authentic. Its authenticity has been attested to by the sheriff of San Francisco, by the mayor of San Francisco, by the judge who tried those who were finally arrested, by seven ministers who were eye witnesses, and by FBI Director J. Edgar Hoover.

Mr. Hoover prepared a report compiled from the original reports of communist underground agents in the San Francisco Bay area, giving dates, locations, and blow-by-blow details of the careful plans which the Mistaken apparatus on the West Coast had drawn up weeks in advance of the House Committee hearings in San Francisco. These advance plans foretold what happened. They called for the use of students in a demonstration against the Committee naming the various contacts on college campuses, the student leaders, the instructions that were given, and all the other factors that led to planned violence.

This FBI report gives its own play-by-play account of the con-

tinuity of events in the riots themselves, and it corroborates in detail the story as told in the film, "Operation Abolition."

It is an established fact that every individual and every organization actively engaged in the forefront of the defense of America against the international conspiracy becomes the immediate target of attack and vilification by communists, fellow-travelers, their stooges and innocent but beguiled Americans whose opposition to the Committee has nothing to do with the authenticity of the film.

**WATCH THAT DOLLAR BILL**

Inexperienced individuals go into business during boom times, and go broke in bad times.

This happens in all lines of activity including farming, and especially during wars.

We saw it in the first World War, and particularly in the second World War, after which, labor, industry and farming all wanted to continue on the war wage and profit basis, and states, cities and the people wanted federal hand-outs on a gigantic scale. No one likes to admit this, but the facts are inescapable in spite of economic theories and political talk to the contrary.

We are now feeling the effects of a generation of waste and inflation. The causes of it are paying for work not done, paying for over-production of crops which could not be sold, higher and higher taxes and federal and state debt, and skyrocketing peacetime federal spending over and above defense needs.

It doesn't take a Sherlock Holmes to discover that our national policy of taxation, waste, extravagance and penalization of savings is causing inflation that is pricing our products out of world markets and constantly increasing the cost of living, as it drives down the purchasing power of the dollar.

To prove to yourself what is happening, paste a dollar bill on your kitchen wall. Mark a red line across half of it for purchasing power already lost. Then remember that you individually vote for the measures and the office holders who pass the laws and spend the money that is taken from you

in taxes. Also remember that you are the government and that the laws and men you vote for must reach into your pocket to get money to spend—in other words, you are spending your own money in the public waste you tolerate.

Watch your dollar bill on the wall and see where the red line goes if waste and greed go unchecked.

**Membership Meetings Urged by TS&GRA For 10 Districts In State**

Letters have been sent from the headquarters of the Texas Sheep & Goat Raisers' Association in San Angelo to the 10 district membership chairmen over the state.

The letters, said Tom Wallace, executive secretary, request that the chairmen make arrangements to have membership meetings within the next two or three weeks. Wallace said the association office and the field representative, Frank Fenton of Coleman, would be assisting in conducting these meetings.

The membership chairmen, and the districts they represent, are: John T. Williams, of Sanderson, District 1; Edwin S. Mayer, Jr., of Barnhart, District 2; Tully Pratt of Brackettville, District 3; R. O. Sheffield of San Angelo, District 4; Fred T. Earwood of Sonora, District 5; Jim Priour of Ingram, District 6; Col. V. Z. Cornelius of Goldthwaite, District 7; R. R. Coerth of New Braunfels, District 8; C. L. McIver of Leona, District 9, and Bark Browne of San Antonio, District 10.

Wallace said that last year eight district meetings were held with attendance being more than 1,100 members.

Mr. and Mrs. Joe Clayton staged an ice cream party in their backyard Friday night honoring Mr. and Mrs. Bill Black. The honored guests were presented with a charcoal broiler.

Mr. and Mrs. Dub Reeves had as their guests last week, Mrs. Reeves' brother, Jack Green, Mrs. Green and their sons from Fort Worth.

and Mrs. Frank Friend of San Angelo, were the receiving line.

Mrs. Carl Colwick conducted the program, which consisted of two songs by Mrs. Bryan McDonald, accompanied by Mrs. Neal Hannah, a reading "A Friend or Two" by Mrs. A. W. Jones, Club reminiscences by Mrs. W. E. West, and closed with the singing of "Blest Be the Tie That Binds"

The past president who were present were Mrs. Frank Friend, Mrs. W. R. Baggett, Mrs. W. E. West, Mrs. Paul Perner, Mrs. N. W. Graham, Mrs. Joe Pierce, Mrs. W. E. Smith, Mrs. A. C. Hoover, Mrs. Lee Childress, Mrs. Ira Carson and Mrs. George Bean. Mrs. W. E. West and Miss Fussell presided at the table.

An outstanding occasion for the Texas Club Women during Miss Fussell's term was the benevolent gift of \$92,000 from Mrs. Clara

Driscoll of Corpus Christi, to retire the note on the permanent headquarters building in Austin, which made the Texas Federation of Club Women the proud owners. Each one of the then 1,000 clubs was paying \$5 per year just to meet the interest on the note, and raising funds as best they could. The local club was notified of the magnanimous gift by Miss Ethel Foster, the State chairman of finance.

Mary Elizabeth Fussell was the daughter of J. M. Fussell and his wife, Sarah Elizabeth Evans Fussell, of Laneville, Texas, in Rusk County, which was her birth place. She attended school in her local community and received a BS degree from the West Texas State Teachers College in Canyon.

She taught in Henderson, Texas, before coming to the Ozona School system where she taught first grade for many years, in fact teaching second generations when she retired to make her home with her sister, Mrs. Charles Williams, Sr.

She was always interested in learning, taking special courses in

the University of Texas and Colorado, as well as special work at Chautauqua, New York, and North Texas State Teachers College in Denton.

She was an active member of the Methodist Church, teaching in the children's department of the church school and was superintendent of the primary department many years. At her death, a cross was placed in the sanctuary in her memory. She is buried in Cedar Hill Cemetery, Ozona.

Her principal hobbies were reading, writing, art and club work to which she gave herself faithfully, holding many offices. She enjoyed the contacts and enthusiasm of district and state conventions, returning to share them with others.

**The News Reel**

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, June 30, 1932

Ozona received more than two inches of rain in the general soaking which visited West Texas Monday. The fall was sufficient to put Johnson draw bank full and traffic over the draw was tied up most of the day.

Eight new families have moved to Ozona within the past two weeks to make their home here during the next few months while the deep test is being drilled on the J. S. Todd ranch. Most of the newcomers are from Oklahoma City and Tulsa.

Richie Miller of Santa Anna has leased the filling station and accessories department at the Ozona Motor Co. and will take charge July 1. Joe Forehand and Forrest (Stump) Palmer will continue to operate the service part of the garage.

Two registered Hereford bulls and two registered Rambouillet rams, raised by Crockett county breeders and given to the Ozona Baseball Club for auction at the annual rodeo this summer will be given away here on July 5. The rodeo and sale having been called off tickets will be sold entitling the holder to a chance at one of the animals. The bulls were given to the baseball clubs by Joe T. Davidson and Joe Pierce and the rams by V. I. Pierce and J. W. Owens & Sons.

State Senator Benjamin F. Berkeley of Alpine, candidate for reelection from the 29th Senatorial district, was here Tuesday in the interest of his candidacy.

The Crockett County Commissioners Court meeting as a board of equalization last week, tacked on approximately \$300,000 to the taxable valuations of the county by raising the renditions of various firms, mostly oil companies, doing business in the county.

Box, Iraan hurler, lost his temper in the game with the Ozona Giants here Sunday and as a result also lost the ball game 6 to 5. The Giants, trailing by two scores, in the last of the ninth, with two out and two on, and Jack Sharp hit a grounder to first. Pitcher Box covered the bag but Umpire Oberkampf ruled he overstepped the bag and Sharp was safe. Box hurled the ball at the umpire's head but Oberkampf ducked and the ball went into the outfield. It being a live ball, the runners took off and all three scored. But by agreement, Sharp was sent back to third and the score was tied. Two more innings were played before the Giants finally pushed across the winning run.

Absentee voting for the first democratic primary, July 23, will begin Monday, County Chairman Houston Smith announced this week.

Contract for surfacing the Old Spanish Trail, Highway 27, from Ozona east to the Sutton county line with one course caliche base will be awarded by the State Highway Commission in Austin tomorrow. Award of the contract will put three construction crews at

work near Ozona. Caught in one of the swollen draws south of Ozona Monday were Mr. and Mrs. T. A. Kincaid, Jr. They were forced to abandon their car and wade ashore and although the water virtually covered the car it was only slightly damaged.

**Notes From The County Agent's Office**

By Pete W. Jacoby

Brown patch causes much concern in all sections of Texas each year. Though more common in areas of high rainfall, it begins to occur in West Texas in July.

First symptoms of the disease appear as brown circular areas from 4 to 48 inches in diameter, even though they may frequently be larger. During the latter stages of infection circular patterns may run together and no longer be evident.

Since the fungus is most active on the outer borders of these circular patches, these areas may take on a "smoke-ring" appearance. Leaves usually start dying back from the tip and when sufficiently infected may be pulled easily from the stems. After a few weeks the grass tends to start growing back in the center of the brown patches. Rarely does the occurrence of this disease cause loss of stand.

Proper lawn management reduces the chances of a lawn being attacked by this fungus disease. Watering lawns in the late afternoons should be avoided as well as letting thick mats of grass clippings accumulate. Water should not be allowed to stand on the lawn and if necessary one should fill in low soil.

Applying such fungicides as PCNB (Terraclor), Kromad, or Tersan before the time for brown patch to appear is the most effective means of control. If the disease is already present, apply the fungicide within 24 hours following a rain or watering. Where combination of fertilizer and fungicides are used care should be taken to avoid applying excess amounts of disease control chemicals.

### Woman's Forum Plans Next Club Year Meeting

Projects and budget were discussed and plans for other activities for the coming club year were discussed when members of the Woman's Forum met in the home of its president, Mrs. P. C. P. Wednesday.

President announced standing committees which will function during the year and department names were named. Following the meeting, members enjoyed a picnic in town and played tennis in the afternoon, Mrs. W. C. winning high score.

Members present were Mmes. Simon, Carl Appel, T. J. Charlie Black, N. D. Black, Hugh Childress, Bill Clegg, Hagelstein, Tommy Harris, Jones, Joe Sellers Pierce, Marshall Montgomery, P. C. W. T. Stokes, Paul Tucker, Walker and Jack Williams. Standing committees for the year were announced as follows:

President: Mrs. Bill Childress, Mrs. Beecher Montgomery, Mrs. Joe Sellers, Mrs. C. L. Williams, Mrs. Ele Hagelstein, Mrs. L. B. Cox, III, Mrs. Pete Jacoby, Information Counselor: Mrs. Jones, Secretary: Mrs. Ralph Simon, Treasurer: Mrs. Jess Marley, Public Welfare: Mrs. Charlie Black, Entertainment: Mrs. C. O. Walbridge club: Mrs. Jack Harvick.

Department chairmen include: International affairs, Mrs. Childress; legislative and public welfare, Mrs. P. L. Jones; Americanism, Mrs. T. J. conservation, Mrs. Boyd Texas heritage, Mrs. W. T. and American home, Mrs. P. C. Perner is Forum president; Mrs. Bill Clegg, first vice president; Mrs. Tommy Harris, secretary; Mrs. Charlie Black, treasurer and Mrs. L. B. Childress, parliamentarian.

Nelson Long and son, Hal, returned to Ozona following a visit to Huntsville last week.

### Dept. Public Safety Predicts 25 Will Die In Texas 4th of July

The director of the Texas Department of Public Safety announced today previous holiday experience in Texas indicates 25 persons will meet violent death on the Fourth of July, 1961.

Col. Homer Garrison, Jr., said the release of this official prediction "is intended to serve as a challenge to all Texans to prove our estimate is too high."

In announcing the grim forecast, Garrison said the DPS will place in effect "Operation Deathwatch" effective from 12:01 a. m. to 11:59 p. m. on July 4, during which traffic deaths, homicides and suicides, and fatal accidents other than traffic will be tabulated against the prediction.

The department's Statistical Services Manager, N. K. Woerner, estimates that 11 persons will be killed in traffic accidents during the 24-hour period, that five will be victims of homicide or suicide, and that nine will die in drowning and other types of fatal accidents.

"The department's purpose in conducting such an operation is to focus public attention on the fact that holiday driving is more dangerous than usual because more vehicles are on the highways — as well as to compile data which is vital to the constantly-changing problems of traffic supervision," Garrison said.

"In addition to the 'Deathwatch' the department will augment the regular Highway Patrol force with some 150 uniformed patrolmen from the Motor Vehicle Inspection and License and Weight services during the 24-hour period in an effort to keep down the violations that cause accidents."

Miss Gracia Swanson, former Ozonite, was here last week for a brief visit with Mr. and Mrs. Bascomb Cox. Miss Swanson is supervisor of nurses at a tubercular sanatorium at Glendale, Maryland.

### HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — State Capitol is having a relatively quiet period — somewhat like the "eye" of a hurricane.

Legislators are at home, and Gov. Price Daniel has gone to Hawaii for the National Governor's Conference. Officially, the "time out" ends July 10 when the special tax session begins.

But despite the lull, sharp gusts of differing opinion are still blowing. Before leaving, Gov. Daniel issued a parting blast at lobbyists in particular and critics of his anti-sales tax stand in general. He is thinking of asking for tighter lobby control measures, particularly in regard to reporting of money spent to influence legislation. He also accused opponents of his tax plan of being unwilling to compromise.

Lawmakers are having their say before the Daniel-appointed committee to study tax measures. Sen. Wardlow Lane, sponsor of the Senate-passed sales tax bill, took a firm view of the "compromise" talk. Legislation compromised on taxes in 1959, he reminded, and the state government ended up more deeply in debt.

As to lobby control, Sen. Lane said the Legislature had already taken the measure that the governor had said would do the job. In general, Sen. Lane urged "a stop politicking and get on with the job."

**Parent Liability Upheld** — In a recent case, the Supreme Court refused to change a lower court decision that the low holding parents liable up to \$300 for damage caused by their children is constitutional.

Challenging the law was a father whose 15-year-old son had stolen and wrecked a car. Three courts upheld the constitutionality of the law and the father's responsibility.

possibility. It holds parents liable for "malicious and willful" destruction of property by children between 10 and 18 years of age.

**Insurance Hike Forecast**—Higher auto insurance premiums are predicted by officials of the State Board of Insurance.

Board has the matter under advisement after a public hearing. New rates, if set, will go into effect Aug. 1.

Increases suggested by both industry spokesmen and the Board's actuarial staff are the same. They are 8.7 per cent for comprehensive private passenger coverage, 8.1 per cent for collision, 23.6 per cent for liability, and 16.1 per cent for medical coverage.

A Department study showed that premiums were down as a result of the new safe driving plan and that claim costs were up because of the costliness of replacements on today's automobiles.

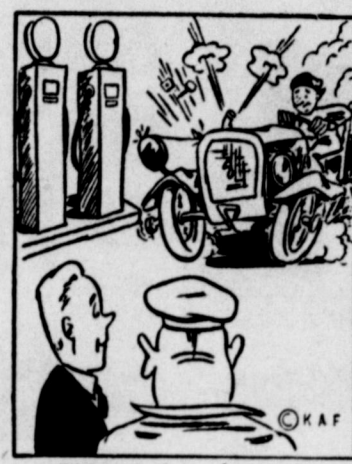

**Gas Tax Rulings Asked** — Probability of a strong push for a gas tax in the coming special session was indicated by Gov. Daniel's request for opinions from Atty. Gen. Will Wilson on the constitutionality of two such proposals.

One is a proposal by Rep. Bob Eckhardt of Houston which would require the holders of contracts for dedicated gas reserves to guarantee the state a tax of at least one cent on each 1,000 cubic feet of gas produced.

Another, by Rep. eGorge Hinson of Mineola, is a rewrite of the severance beneficiary tax passed in 1959 and since held unconstitutional by the courts. Gov. Daniel has said that the 1959 bill would have stood up in court if it had been enacted as he recommended.

Do you really want to live in the good old days — or is it just a dream?

**THIS IS A GOOD DREAM**  
In homes served by WTU, the average cost of a KWH of service is 20% less than it was 10 years ago.

**"What program did you watch when you were little, Mama?"**

It's easy for us to forget the comforts we have today. If we don't watch ourselves, all we think of is the hurry and bustle of the day.

The "good old days" to the little girl pictured above are just a few years ago to some of us. We forget that TV's so now. Yet most of our wonderful electric servants have been developed in just a generation!

As still more new ones come along, it's good to know that there will be plenty of electricity — from companies like this one — to run them. And the more new appliances you use, the less your electricity will cost per average kilowatt-hour.

Now think about it for just a minute — do you really want to live in the "good old days" without your electric servants — or is it just a dream?

More's a bargain for Mom!

For less than 3¢ the average family, served by WTU, can each a complete meal the modern electric way... and enjoy the cleanliness and convenience of **Flambeau Electric** lighting.

**On the job for you!**

Long after you and your family have gone to sleep, our drivers are still on the road — heading your way with gasoline to power your car, oil for heating your home and hundreds of other oil products that make for better living.

In America's progressive and competitive oil industry, every oilman has a special job. As your local oil jobber and distributor, our job is to see that this community gets ample supplies of oil products where and when they are needed.

This is our pledge that we'll never let you down — never stop trying to bring you even better service in the future.
