Colorful Parade Kicks Off Rodeo and Homecoming

Queen & Their Courts, Class Floats, Horse- men Featured

The Ozona Lions Club and the Ozona Ex-Students Association led their efforts last week to present the people of Ozona with a first class parade marking the observance of Ozona fourth homecoming and the opening of the 1961 annual Ozona Lions Club Rodeo.

One of the largest crowds in recent years viewed the parade which featured a number of visiting beauties, class floats, rodeo queens and contestants and a bevy of cowboys and cowgirls colorfully dressed and of ages and sizes.

The class of 1939 won the best float award and was presented to the opening night rodeo crowd in the day following the decision of the judges.

Miss Wool of Texas drew strong response as she passed and was greeted gracefully on an open convertible. Miss Carolyn Barre of Okm, chosen Miss Wool of Texas Monday night in San Angelo, is making her first official appearance.

Miss Wool was not the only beauty in the parade, however, as Patsy Phelps of Ft. Worth, representing the Southwest Texas Gentlemen's association, Miss Sun-Callen of Menard, Miss Mohair, home town girls Miss Bever-Alford, representing the Oil Industry, and Miss Jan Pridemore, Ozona Lions Club sweetheart, all were charming entries in the parade.

The visiting beauties were all members of the court of Mrs. Alma West, the 4th annual homecoming queen, and the Queen occupied the front convertible in the parade.

Miss Judy Black, this year's Rodeo Queen, led an attractive group of young ladies who aspire to be the new queen crowned Saturday night. All of the girls were mounted and wore colorful western apparel.

The class floats were mostly of humorous note beginning with the class of 1925, three members which were walking with signs that back then people and particularly school kids walked wherever they went. The group was followed by a car on whose side was a sign stating that the class was "not what it used to be" transportation was at hand.

These striding 1925 grads were Mrs. Boyd Clayton, Marshall Montgomery and Mrs. R. A. Harrell.

Most of the floats jabbled fun at their own lack of effort to produce an outstanding float or high points of the era when they were seniors in high school.

All-Stars To Face 1960 Team at Park Tonight

Benefit Game to Send Team Into Playoff In Sonora Monday Night

A benefit game to be played for the purpose of supporting this year's Little League All-Stars will be played this year team against last year's team at the Powell field park tonight.

Manager Bud Cox stated that what would be passed among the fans during the contest in order that fans might have a chance to help defray the expense of taking the team away from home for the playoff games scheduled to be played under way Monday night in Sonora.

The 1961 team will be wearing for the first time, an all-star uniform, recently purchased by the Lions Club for the Little Leaguers with funds contributed last summer by Ozona citizens and with money refunded from the area journey.

RODEO BREAKS ATTENDANCE RECORD; MISS JAN PRIDEMORE CHOSEN NEW QUEEN FOR 1962

The fourth annual Ozona Lions Club Junior Rodeo came to a successful close Saturday night before a large crowd which broke the overall attendance record for the show.

Miss Jan Pridemore, 17, daughter of Mr. and Mrs. Ottis Pridemore was crowned Queen for the coming year by Miss Judy Black. This year's queen, Miss Pridemore a blue eyed blond is a senior in Ozona High School and was selected Lions club sweetheart and pianist this year.

Butch Edwards, a skilled young cowhand from Odessa was chosen All-Around, for his performance during the three night show where he won the 13 to 15 year old competition in bull riding, pole bending and finished second in ribbon roping.

The sportsmanship award went to little Miss Carla Beth Black of Alpine who failed to place in either event she entered but gave each effort all she had, and accepted the results with good grace.

Thursday night's crowd was the largest of the three nights as Saturday night's crowd was doubtless cut some by threatening weather but all three nights performances were run off before big crowds.

Much of the delight of home town fans, the rodeo displayed the talents of many home town riders, but at the same time had plenty of outside competition which brought on fast times and spirited competition.

Pam Perner was the only Ozona girl to win an event, and Rex and John Bland were the only boys to win events, but most of the events had Ozonans finish somewhere in the money.

Three dances held on the fair grounds slab following the performance each night were very well attended. The Thursday night affair was sponsored by the Ex-Students Association and the Friday and Saturday night dances by the Lions Club in conjunction with the rodeo.

Results of the individual events were as follows:

Pole bending, Boys 12 and under 1. John Bland, Ozona; 2. Gene Perry Edwards, San Angelo; 3. Rex Bland, Ozona; 4. Quatro Davidson, Ozona.

Barrel Race, boys 12 and under 1. Rex Bland, Ozona; 2. George Cox, Ozona; 3. Gene Perry Edwards, San Angelo; 4. Stephen Hubbard, Ozona.

Pole Bending, Boys 13-15 1. Butch Edwards, Odessa; 2. Bryan Montgomery, Ozona; 3. Hugh Coats

Ozona; 4. Slim Henderson, Eldorado.

Calf Roping, Boys 16-19 1. Barry Burk, Waggoner Oklahoma; 2. Jimmy Powers, Sonora; 3. Benton Wardlaw, Del Rio; 4. Zane Powers, Sonora.

Steer Wrestling, Boys 16-19 1. Barry Burk, Waggoner, Okla.; 2. J. Bassett Smith, Plainview. (Burk the National American Junior Rodeo Assn. President).

Ribbon Roping, Boys or Girls 13-15 1. Butch Overturf, Odessa; 2. Butch Edwards, Odessa; 3. Bob Caruthers, Ozona; 4. Irene Eppernauer, Columbus, New Mexico.

Bull Riding, Boys 13-15 1. Butch Edwards, Odessa; 2. Butch Overturf, Odessa; 3. John Merck, Sonora; 4. John Haga, Del Rio; 5. (tie) David Wardlaw and Tooty Whitworth, Del Rio and Rocksprings.

Bull Riding, Boys 16-19 1. Bobby Kelley, Stanton; 2. Zane Powers, Sonora; 3. Wesley Franks, Sonora; 4. Charlie Howell, Sonora; 5. Larry Dublin, Barnhart.

Barrel Race Girls under 12 1. Sharon Westfall, McCamey; 2. Gay Shoupe, Alpine; 3. Vicki Lynn Montgomery, Ozona; 4. Marilyn Mineca, Alpine.

AMONG HOMECOMING FLOATS Class of '39 Chased Education Like Hound After Coon Up a Tree

The Ozona High School Class of 1939 won honors in the big parade last Thursday when their float on which Beecher Montgomery and Mrs. Jack Baggett were riding won best float award.

The float featured a dead tree, a live coon and a real baying coon dog. The theme of the float was "We Chased an Education in '39" and had the two 1939 grads seated on a log at the rear of the scene watching the dog as it bayed at the coon in the tree top.

The announcement of the winner was made at the opening performance of the rodeo with the float making a tour of the arena.

Runner up honors went to the class of 1948. The float featured the faculty, represented by a goat, attempting to pull the class, represented by a donkey, out of the school door and to graduation, into the grey of the cap and gown.

Third place went to the class of 1925, three members of which were walking and carrying signs which read: "We Walked in 1925", "We Still Can" and "But we don't like it." The trio was followed by a car which had a sign stating that this car was to pick up the class members in case they were "not what they used to be." Mrs. R. A. Harrell, Mrs. Boyd Clayton, and Marshall Montgomery were the three class members carrying the signs.

Angora Goats for FFA Spring Show To Be Shorn August 15th

Marlan Barber, Agriculture teacher at Ozona High School announced Monday that the Angora goats to be fed in this year's FFA commercial feeding program are to be sheared at the Junior Livestock show barn August 15.

All of the goats are to be sheared on this date in order that the goats may have the same number of days for hair growth before the spring show, Barber stated.

As was the case last year all goats will be sheared after the show in order to study the comparison of fleeces.

FFA boys interested in the feeding program are asked to select their goat projects in the next few weeks. Last year the chapter members fed some 60 bucks and does that were shown in both registered and grade classes.

Miss Susan Chandler of Stephenville was a visitor in the home of her Aunt and Uncle Mr. and Mrs. E. H. Chandler of Ozona last week.

LONE STAR WINNER — Tommy Everett, son of Mr. and Mrs. Tom Everett of Ozona, won the highest honor in FFA work when he was awarded the Lone Star degree at the hands of the State FFA organization in convention in Dalais this week. Only about two percent of boys in FFA work ever qualify for the Lone Star degree, which denotes unusual achievement in FFA work.

OZONA EXES REMINISCE IN NOSTALGIC EXERCISES AT HOMECOMING REUNION HERE

Students From Ninety- One To Now Got Rec- ognition

James Baggett was re-elected president of the Ozona Ex-Students Association last Thursday morning as a well filled auditorium at Ozona High School took part in the official business meeting and a delightful program opening the fourth Ozona Homecoming celebration.

Elected to serve with him were: Bill Seahorn, first vice president; Jack Baggett second vice president; and Mrs. A. O. Fields, secretary.

The meeting opened with the invocation by Rev. Morris Bratton of the Methodist Church and then followed the welcome given by Supt. L. B. T. Sikes and the response by Clayton Puckett of Ft. Stockton.

Following the business meeting which was presided over by president Baggett, a program with Ernest Dunlap as master of ceremonies and with Mrs. Lowell Littleton and Mrs. T. J. Bailey as producers, delighted the group which ranged from three students in Ozona's first school to graduates who received their diplomas only a few weeks ago.

Mrs. A. C. Hoover, Mrs. W. E. West, and Walter Dunlap all students in the first Ozona school in 1891 were introduced to the group.

Members of the graduating classes from 1913 to date were asked to stand by classes and all but eight classes since that date were represented. Surprisingly, six of the unrepresented classes came after 1941.

Judge Houston Smith gave the group a brief account of the activities of the 1915 Ozona High School basketball team and introduced five members of that group in order to present them with gold basketballs in recognition of their

Money Was Scarce But Materials Were Cheap In Beginning When School Houses Were Under Construction In Crockett County, Records Show

Three students of the first Ozona Public School were present last Thursday at the fourth observance of homecoming in Ozona.

The three students, all still of Ozona, were Mrs. A. C. Hoover, Mrs. W. E. West, and Mrs. Hoover's brother, Walter Dunlap.

Mr. Dunlap, in recalling the first school, which began in the fall of 1891, stated that the first building, a frame, one story structure was built almost on the site of the present school cafeteria and was a one room affair even though the building was divided in the middle by a curtain.

A bill submitted to the school board early the next year either for the lumber used in that building or one built during that term showed that he board had purchased 19 2x6's 18 feet long, 10 2x6's 16 feet long, 8 1x12's 20 feet long, 4 1x10's 20 feet long, 6 1x6's 14 feet long, 8 1x12 feet long and 11 thousand shingles for \$21.67. A note at the bank had to be secured to carry this and two or three other bills like size.

Teachers that year were a Mr. Quinlan and a Miss Ketchepaw both of whom were described as being yankees. In any case they drew \$30.00 a month for five or six months and then school was dismissed because funds for its operation were exhausted.

Unlike the situation now, there were then several other areas in the county where schools were established. None of the records at hand indicate which of the schools came first. In 1893 there was a school at Emerland, on or before 1895 there was a school at Hinde with a Miss Belle Smith as teacher. Miss Smith taught for a number of years in the county.

accomplishments which were not rewarded at that time.

Members of the team present were Dr. J. H. Weaver of Houston; Welton Bunker, Ozona ranchman; Bascomb Cox, Ozona ranchman; Wayne West, Ozona ranchman and banker, and Ernest Dunlap, Ozona ranchman.

Mrs. Fred Schoubrouk, the former Miss Jan Jones, was the ex-having come the longest way to homecoming. Mrs. Schoubrouk, whose husband recently graduated from the University of Oklahoma, is now residing in Los Angeles, California.

Bud Cox, a member of the 1941 district and bi-district champion football team, gave a short review of that season and following that the cheer leaders for the periods from 1921 to 1931, from 1931 to 1941, from 1941 to 1951 and from 1951 to 1961 were called to the stage to lead a yell for the students who were in high school during those periods.

Theme of the program was "Remember When" and songs, readings and antidotes carried out that thought.

Mrs. George Russell, Jr., and a quartette composed of Ross Hufstedler, Herman Knox, Roy Thompson and Ele Bright Baggett sang for the group and Haskell Leath and Mrs. Royce (Lula Mae) Smith, a teacher in the Ozona schools in the late twenties, gave readings. Mr. Leath did a take off on the old but popular declamation tourney with his reading of the Poem "The Alamo" while Mrs. Smith called to mind the importance of the home town with her reading of the poem "My Home Town".

Following the close of the program the group, plus a large number of additional exes, joined in a barbecue dinner in the city park.

about the cost of desks in 1892, was informed that new desks at the factory were \$3.00 each, or \$4.25 delivered to the nearest railroad depot.

At that time the Judge, who was ex-officio county school supt. noted that the county had 100 double desks and ten benches without desks attached. He further noted that the library had one volume in it.

Money was scarce in those days, Walter Dunlap recalled, and children did not go to school until they were eight since no one could afford to pay tuition for under age.

The era of the wooden buildings was a short one in Ozona, however. The old stone building was erected shortly after 1900 and is still a monument to sound construction and utility. Its thick stone walls make the building warm in the winter and cool in the warm months and its roomy interior now houses the Junior High in a very efficient manner.

In these two weeks, you will be treated to a fresh approach in your Stockman as we turn over the editing job to our capable assistant editor, Ernie Boyd. We know he'll do a good job, otherwise we could not have taken this vacation, and we hope we'll also do a better job when we return.

Ozona's Kin; Albert Brown Buried Monday

John Albert Brown, 80, of Lampasas died last Saturday following a heart attack suffered about an hour before. He was the uncle of Mrs. Leo Bawcom of Ozona and was the brother-in-law of Mrs. Bawcom's father who was laid to rest here last week.

He was a prominent business man in Lampasas having been a resident there for 77 years. He also was engaged in the Wool and Mohair business and in ranching since 1936 and at a time worked as a cotton buyer and a broker for grain and beans.

Born October 26, 1881, in Austin County, and moved to Lampasas with his parents when he was three. In 1904 he married Minnie Terry of Lampasas.

He was a deacon a large part of the fifty years during which he was a member of the Baptist Church, and had recently received a fifty year pen from the Masonic Lodge.

Dr. Marvin Rape of Houston and Dr. Joe Rape of Arlington, former Ozonans, sons of the late I. G. Rape, Ozona druggist for many years, and Mrs. Rape now of Arlington, were Ozona homecoming visitors this week.

Eight Ex-Patients From Ozona Invited To Gonzales Reunion

Gonzales — Eight Crockett County people have been invited to attend the nation's most unusual reunion.

The reunion will be a gathering of former patients of the Texas Rehabilitation Center of Gonzales Warm Springs Foundation and will be held at the Center near Gonzales Sunday, August 13.

About 350 of the Center's former patients will return to TRC on that day to visit with their physically disabled friends and to share common experiences. It will be a strange looking homecoming, because many of those attending will be in wheelchairs or on crutches.

The first annual reunion was held five years ago when TRC former patients met at the Center to organize the United States' first former patients' association. The organization has as its goals benefiting its members, helping other physically disabled people, and supporting the program of the Gonzales Warm Springs Foundation.

The people from Crockett County who have been invited to attend the reunion are Carlos Dominguez, Mary Hope Garcho, Andres Galindo, David Herrera, Antonio Flores Mendez, Moriana Perez, Brent Saunders, and Billy Troy Williams, all of Ozona.

Rain Storm Dumps 1.8 Inches of Rain In Ozona Sunday

Wind And Lightning Damage House And Service Station Here

A heavy thunderstorm accompanied by high winds and a good deal of thunder and lightning hit Ozona about 2 p. m. Sunday afternoon dumping 1.8 inches of rain and causing some damage.

The Roy Henderson ranch home west of town was believed to have been struck by lightning and the resulting fire did considerable damage before the Ozona fire department put out the blaze.

Glen Sutton's Chevron Station had one of the large front glass windows blown out and a number of limbs were blown from trees around town and in the city park.

Reports of heavy rain to the southeast with reports of from four to five inches were common but to the north the rain faded rather

quickly. Along U. S. 290 to the west, the rain fell all the way to the Pecos river but amounts were not uniform and reports from down the Pecos indicated the rain did not extend very far to the south of the highway.

The rain with its driving winds and some light hail came as a severe weather alert was in effect for the area.

Rain over the West Texas area was scattered and the Ozona report was one of the heaviest of any populated place in the state Sunday. For Ozona the rain was the first since the big rain back in June.

Ozona Golfers Travel To Big Lake Sunday Ozona Tourney Set

A good number of Ozona golfers are expected to travel to Big Lake this weekend to take part in the annual Big Lake Country Club Invitational Golf Tourney.

Following a lull in golf tournaments in the area for the past few weeks, the Big Lake Meet will mark the start of several tournaments in the area in the next month, including the Ozona tourney slated for the local club August 5th and 6th.

The Ozona Tournament will have seven flights in addition to the championship flight, with scores submitted for entry attested to by the players local pro.

Prospective entrants may either call in, or mail in, their scores to Marlan Smith, Box 952, Ozona, Texas or phone 392-2520.

In addition to the golfing, there will be a barbecue and a dance.

Mr. and Mrs. Foy Moody, and daughter Karen, returned to Ozona from Comanche, Texas, where Foy finished the requirements for his Master of Education at East Texas State. Moody and the children spent most of the six weeks visiting friends and relatives at various points East Texas and Oklahoma.

Mr. and Mrs. H. P. McClintock of Fowler, Colorado, have visitors in the home of Mrs. McClintock's parents, Mr. and Mrs. Charlie Davidson of Ozona this week.

Mrs. Sam Fowler of Ft. Worth, Texas, her daughter Mrs. Joe Cope and her son Joe Cope were visitors in the home of Mrs. Fowler's sister Mrs. Dorothy Fowler last week.

Nancy Friend Second Runner- Up at Ft. Stockton

Nancy Friend, daughter of Mrs. Spot Friend of Ozona, was chosen second runner up in the Miss Southwest of Ft. Stockton water polo tournament last Saturday night. The 20-year-old daughter of Sul Ross was the winner of the trophy. Mrs. Hickey of Crane was runner up in the contest, the part of which had to be canceled because of a rainstorm. Friend, who finished third in the seventeen candidates in various towns over the area, was sponsored by the Ozona Lions Club. Miss Friend was chosen most popular by her class mates at Ft. Stockton High School this fall and will graduate in the spring.

A big water carnival at the Sanche Springs swimming pool drew over 1000 spectators for the two night shows. The crowning of Miss Southwest Texas on Saturday night. Miss Friend has not sent an entry to the contest in several years due to her conflict with the Ozona Junior High School. Miss Friend took part in the parade on Thursday and Friday nights and then took part in the beauty parade on Saturday.

Miss Lucy Harris of San Francisco, California, is a visitor in the home of Miss Camille Adams. Miss Harris and Miss Adams are in the same sorority at the University of Colorado. Following Miss Harris' visit to Ozona Miss Adams will return to San Francisco with a visit in the Harris home.

NATIONAL FARM SAFETY WEEK JULY 23-29, 1961

Drawn for Texas Farm and Ranch Safety Council by Harold Maples - Courtesy, Ft. Worth Star Telegram

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, July 21, 1932

A special meeting of the executive committee of the Sheep and Goat Raisers Assn. of Texas has been called by President T. A. Kincaid to be held in Sonora July 28 for the purpose of considering the resignation of Mr. Kincaid as head of the livestock group.

Canning of meat for use in providing food for needy families here during the coming winter months may be undertaken by the local chapter of the American Red Cross with the cooperation of the Lions Club. M. M. Fulmer, Red Cross chairman, presented the plan to the Lions Club Monday and the club pledged its support.

Plans for an educational campaign to place before the people of Ozona the need for more community loyalty and stricter adherence to the by-at-home principle are being studied by a committee from the Ozona Lions Club.

Strong and unqualified endorsement of its tax program has been received by the West Texas Chamber of Commerce from Governor Ross Sterling.

Mr. and Mrs. Bert Couch honored Mr. and Mrs. Louis Pyatt with a dinner at their ranch home last Sunday. Mrs. Pyatt was Miss Lois Couch before her marriage on July 7 in Fort Stockton.

Contractor application of a caliche base and double bituminous surface treatment on Ozona-Barnhart highway the entire distance between the two towns will be awarded by the Highway Commission on August 2, according to advice received by Eline Martin, resident engineer for the Department here.

A total of 19,943 predatory animals were slain by trappers working under the direction of the Predatory Animal Control division of the U. S. Biological Survey during the year ending June 30, county officials here have been informed. In addition, 1,615 unborn young were destroyed.

Miss Alma Johnigan returned Sunday from Alpine where she has been attending Sul Ross State College summer school.

 Sheriff, Crockett County

Private First Class Billy L. Taylor, son of Mrs. Della Taylor of Ozona, has been recently graduated from the U. S. Field Artillery School at Fort Sill, Okla., where he has completed the communications course.

Miss Elizabeth Fussell left today for Boulder, Colo., where she will attend the University of Colorado summer school.

Mr. and Mrs. T. A. Kincaid, Jr., and Mr. and Mrs. W. E. Friend, Jr., entertained the Sunflower Bridge Club with a depression party Tuesday night. Guests came in shirt sleeves and house dresses and rooms were decorated with wildflowers and mesquite branches. Prizes included Duke's Mixture for the men and tooth paste for the ladies. Table covers were old newspapers and punch was served in paper cups with a frozen dessert served at the end of the games.

Mr. and Mrs. Roy Henderson wish to take this opportunity to extend to each member of the Ozona Fire Department, the Sheriffs Department, and the members of the Leonard Bros. Drilling crew, for their freely given help in putting out the fire at our ranch home last Sunday. The service was deeply appreciated.

Crockett County Goes Over Top in Cancer Campaign This Year

Leaders of the 1961 Cancer Crusade in Crockett County have been commended by official of the Texas Division of the American Cancer Society for their part in what appears to be a record-breaking year for cancer control education and fund-raising in Texas.

Crusade Chairman Mrs. H. B. Tandy has been notified by the Society that an all-time high for Texas is now within reach before this year's activity concludes in August.

Crockett County has reported total Crusade funds raised of \$1,287.18. The county's assigned minimum share of state goal was \$750.00. It is one of 112 counties in Texas which have already gone over the top.

With more than \$1,100,000 already reported, Texas has in prospect a new record contribution to the control of cancer. The highest year previously was 1959, when Texans put \$1,189,563 into the fight against cancer. State officials now predict that when the books are closed on the current Crusade at the end of August, this record will have been surpassed.

In a letter of commendation received by Mrs. Tandy, Texas Division Chairman Edwin T. Phillips, Jr., and President John H. Childers, M. D., pointed out that the key to this promising report is the thousands of hours of volunteer work done.

CARD OF THANKS

Mr. and Mrs. Roy Henderson wish to take this opportunity to extend to each member of the Ozona Fire Department, the Sheriffs Department, and the members of the Leonard Bros. Drilling crew, for their freely given help in putting out the fire at our ranch home last Sunday. The service was deeply appreciated.

Back in 1776 in this month of July, the original 13 colonies wrote and signed a Declaration which established them as free and independent states.

In the 185 years since then, the United States of America has grown to 50 states and has become the most powerful Nation on earth.

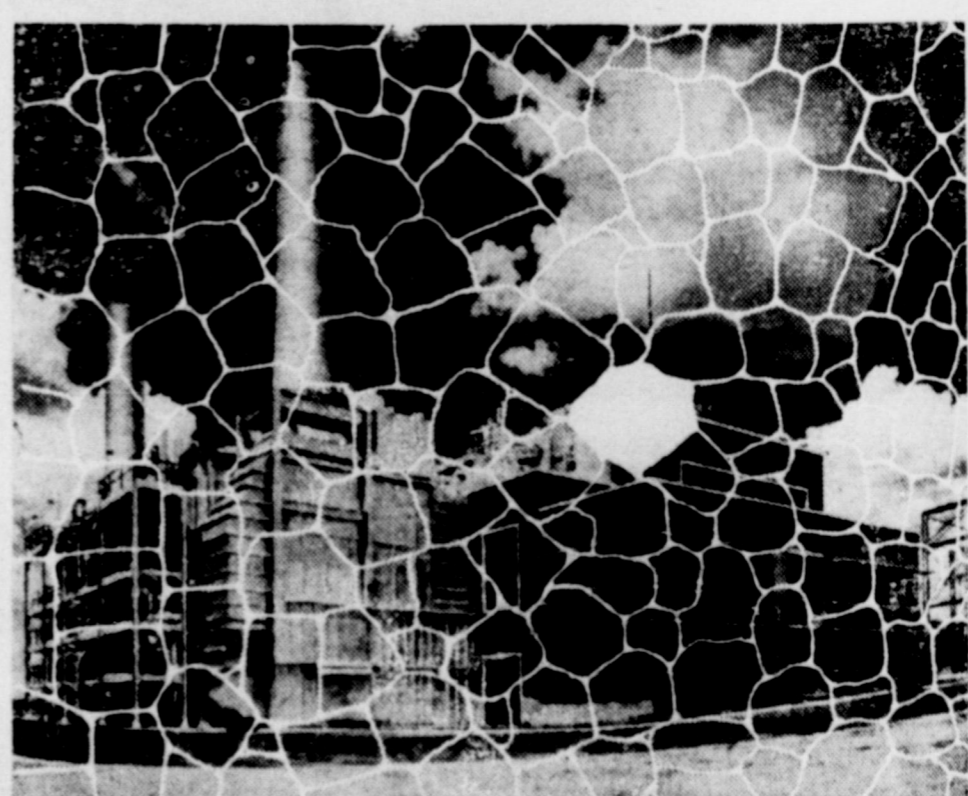

But of more significance today, in a world filled with turmoil, it stands as a mighty bulwark against tyranny and the threat of oppression.

HIGHLIGHTS AND DELIGHTS from State Capitol

Texas — After years of debate on whether to have a sales tax, the debate now has narrowed down to whether to have a sales tax on specified items or one on all items.

It is known as the Pennsylvania sales tax. It is favored by Governor Price Daniel as a way of raising \$303,000,000 of revenue. He feels it is needed to pay for the items on the list. The items on the list would include a 2 percent sales tax on food, except food to be eaten at a restaurant, drug, clothing, less than \$10, feed, seed, books, farm machinery, and gas and electricity manufacturing.

A bill to raise the sales tax on prescription drugs, clothing, food, except food to be eaten at a restaurant, drug, clothing, less than \$10, feed, seed, books, farm machinery, and gas and electricity manufacturing.

The Senate passed last session a bill to raise the sales tax on food, except food to be eaten at a restaurant, drug, clothing, less than \$10, feed, seed, books, farm machinery, and gas and electricity manufacturing.

The Senate passed last session a bill to raise the sales tax on food, except food to be eaten at a restaurant, drug, clothing, less than \$10, feed, seed, books, farm machinery, and gas and electricity manufacturing.

items is, in the governor's eyes, a "general sales tax," against which he is dead set.

Objectors to the Pennsylvania tax contend it would be one long pain in the neck, both for state tax collectors and retail merchants, to keep up with what is in the long, long list and what isn't. Too, they point out that new products are constantly coming on the market and would be tax-free.

Atty. Gen. Will Wilson appeared at the hearing as one of the critics of the Daniel (Pennsylvania) plan.

Spending Bills Pushed — A general appropriations bill and a bill to raise teachers' salaries are moving through both houses with little re-hashing. Senate quickly approved a two-year appropriations bill calling for spending of \$2,469,000. It is essentially the same as the Senate appropriations bill in the regular session.

Both Senate and House education committees approved bills that would give public school teachers an across-the-board raise of \$810 a year. House passed the teachers' bill on the floor, 141 to 1. Senate committee also approved

education bills providing for educational films, driver education, assistant principals for larger schools, and five days sick leave a year for teachers.

Money Needs Upped — State Comptroller Robert S. Calvert had a new revenue forecast for legislators the beginning of the session that showed an expected revenue from existing sources at \$24,000,000 less than the January forecast.

Part of the difference between the old and new forecasts was due to some \$6,000,000 in additional school and welfare payments authorized during the regular session. Most of the rest of the drop was attributed to a decline in revenue from auto sales taxes and franchise taxes.

Calvert also estimated that the general fund deficit at the end of the fiscal year Aug. 31 will be \$64,000,000. This is \$1,000,000 more than his January prediction.

Teacher Training Hit — Member of the Commission on Higher Education looked over a 140-

page report on teacher education courses being offered in state colleges and decided that there was too much folderol.

A number of legislators also have been critical in recent months, both of the content and the amount of time spent on teaching method courses. State Board of Education has recently reduced the number of method courses required for teacher certification.

Commission on Higher Education members expressed hope that the college administrators could and would do for themselves the necessary pruning in education course offerings.

"The best way for a housewife to have a few minutes to herself at the close of the day is to start doing the dishes."

LL All-Stars —

(Continued from Page One)

cal managers will field a team featuring a number of the leagues' better hitters in the past few years and with what most observers feel will be fairly deep pitching.

The probable lineup for the all-stars tonight will be George Cox behind the plate, Rex Bland at first, Ronnie Mason at second, Humberto Ramos at third, Oscar Flores at short, with Randy Upham, Dean Eversole and Juan DeHoyos in the outfield.

Tony Garza will probably start on the mound for the stars with Randy Upham a possible choice. Should Upham start Garza would take this place in the outfield.

Last year's stars will be minus one starter, Ronnie Mason, who is on this year's team, but otherwise will have most of its starters on hand and will be favored to down this year's team due to added age and strength which means a lot at 12 years of age.

The All-Stars will begin their

1961 playoffs in Sonora Monday night July 24th, and will advance only if they are able to win. The big home field advantage will be the Sonora team.

Notes From The County Agent's Office
By Pete W. Jacoby

Insect infested lawns can be a nuisance to people as well as pets. Chiggers, fleas and brown dog ticks are usually the culprits when a lawn is avoided instead of enjoyed. C. F. Garner and R. L. Ridgeway, extension entomologists, say that if proper control measures are used, however, these pests can be eliminated with a minimum of work and expense. Specialists recommend the application of dusts or sprays of chlordane, toxaphene or lindane to infested grass and ground litter. An emulsion spray usually gives the best results. For treating small areas, use a compressed air or knapsack sprayer and apply 2 1/2 to 3 quarts of spray per 1,000 square feet. If dust is used, apply 5 percent chlordane to 40 to 50 pounds per acre or 20 percent toxaphene at 10 to 15 pounds per acre (approximately 1 pound per 1,000 square feet).

Fleas usually enter the home on dogs, cats and other animals. They deposit eggs loosely on their hosts, and these eggs fall onto the ground, into cracks in the floor or similar places. Since fleas spend their early developmental stages in the soil, they often become a nuisance on the lawn and around outbuildings. These places should be treated with a 2 1/2 percent malathion dust or dipped in a 1/2 percent malathion dust. Garner and Ridgeway say that dogs should be dusted thoroughly with 4 percent malathion dust or dipped in a 1/2 percent malathion water solution. A commercially prepared 2 or 2 1/2 percent malathion solution is recommended for control of fleas in the home.

Diazinon has been approved for the control of fleas in outdoor areas, and this material may be substituted for any of the previously listed chemicals, the specialists continued. Brown dog ticks, which are resistant to chlorinated hydrocarbon insecticides, also can be controlled with diazinon. This material can be purchased in a 25 percent powder or in a 25 percent emulsifiable concentrate. Lawn pests can be controlled by mixing two quarts of emulsifiable concentrate with 25 gallons of water, and applying this mixture at the rate of one gallon per 1,000 square feet of infested area. To 2 1/2 fluid ounces (5 Tablespoons) mix smaller amounts of spray, use of the emulsifiable concentrate to one gallon of water. The 25 percent emulsifiable concentrate.

cent wettable powder may be used at the rate of 4 pounds of powder to 25 gallons of water. For dog tick control only, spray the area of the lawn that the dog frequents. Ticks are not usually found in areas that are free of shrubbery. Sprays should be applied underneath shrubbery and on grass growing next to buildings. Infested kennels and other quarters should be sprayed thoroughly. The specialists say that it may require two applications at ten day intervals to completely control the ticks. Do not use this material on animals, they warn.

The specialists conclude with a few words of warning. Most insecticides are poisonous and should be handled with care. Read the manufacturer's label and follow directions when mixing and applying insecticides. In using any insecticide, avoid contact with the skin and eyes, wash thoroughly after handling the material and avoid contamination of feed or food stuffs. Children should be kept away from treated areas for several days after application.

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

An entire American industry has found that their chickens have come home to roost.

But what is not only unusual, but also refreshing, is the acknowledgement by the American men's apparel manufacturing industry that they have contributed to the situation which has now placed them in peril.

In an open statement, the leading U. S. manufacturers of men's clothing announce that the flood of imports from 10 and 12 cents per hour labor nations is not only threatening their businesses, but also the jobs of over a million American workers.

They also announce they are raising a million dollar fund to defend their industry from ruin.

For quite some time, the nationwide membership of the National Federation of Independent Business, have requested a curtailment of low labor cost imports. A year ago a special Senate committee headed by Sen. Pastore warned of the crippling impact of foreign imports on the American textile industry.

The men's clothing manufacturers now publicly confess, "Let us admit when government permitted a flood of fabrics from low wage countries to engulf American mills, many apparel manufacturers rushed to buy the imports, to the detriment of our own textile industry, and ultimately ourselves."

Included in this industry group is Hickey-Freeman, one of the nation's finest clothing manufacturers, Hart Schaffner & Marx, Eagle Clothes, and other reputable U. S. manufacturers.

Thus fine firms created their problem. Because these are the makers of men's suits who made it a fetish to call attention to their products, and especially their higher priced items, were made from imported fabric. Thus their customers, sold on the superficial idea there is extra value in an imported cloth, are easily sold into better tailoring must be better, too.

It would be refreshing if these prestige name manufacturers would start proudly promoting suits made with such famous American made wools as Forstman, Botany, Milliken and others.

Obviously, it should be the duty of government to help the men's clothing industry avert destruction.

But by the same token, the industry should recognize that it also has a responsibility to other segments of the American economy. Some members of the industry who have been busily engaged buying up big retail outlets to operate captive stores should search their souls even more to see if they can justify operating in competition with independent retailers who depend on for substantial share of their sales.

In other words, they have already awakened to the dangers of carrying water on both shoulders. Perhaps now is the time for them to fully understand and recognize all the factors that must be healthy to maintain a prosperous independent American economy.

Accurate and Complete RANCH RECORD Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Roundup Time For Boys' Ranch Extends High Month of August When Ranchmen Will Be Asked To Donate Livestock For Benefit Sale

It's Roundup Time in more than the name of the song to every- connected with Boys Ranch Texas near San Angelo. It them of the annual Fall Sale of donated livestock was instituted last year and has already become vitally important to the Ranch's hard-budget.

Whole month of August will elap time this year. That's generous West Texas ranch- men are asked to donate what- stock they can afford — it be a good calf for a worthless old ewe — for onations of livestock for ranch will be attended to acting Auctions and Wagon over the area. Donated will be accepted and sold of Boys Ranch of West without handling charges, auction firm at any regular ring the month. Proceeds sale will be entirely net, not only to generosity of men who gives the live- but to the auction company

Ranch of West Texas is to 55 to 60 boys, who, be- circumstances utterly be- their control, desperately place where they can get and good training so ne- for a chance to become tizens. Along with this sym- attention and education, also require housing, three a day, and decent clothing. year, a single special sale duces Livestock Auction in ngelo yielded several thou- dollars. But stockmen who red the sale saw that many were unable to donate ck because they couldn't pastures for that single pur- because they weren't able stock from far distances in- ngelo. For those reasons, ear's roundup sale is spread hout August and is being d by 14 leading auction firms ous parts of West Texas. al "Wagon Bosses" will also ate in the campaign, con-

tacting prospective donors, ex- plaining the program, and oth- erwise rendering all possible help to stockmen and auction operators in making the drive effective. These Wagon Bosses will be active west of San Angelo where no auctions exist. Stock from their localities will be sold in San Angelo.

It's an area-wide effort to give West Texas stockmen an opportu- nity to do whatever they can to help a cause they'll all agree is worthwhile — and to lend a help- ing hand to some boy they may never meet but whose chance for a better life depends on their gen- erosity.

Seventh Annual Range Camp For 4-H & FFA Set For Junction

College Station, July 20 — The seventh annual Youth Range Camp for 4-H and FFA boys will be held at the Texas A&M College Ad- junct: near Junction from July 30- Aug. 5.

According to B. J. Ragsdale, extension range specialist, it will again be sponsored by the Texas Section of the American Society of Range Management. Its pur- pose, he added, is to recognize and develop youth leadership and give advanced training in range man- agement to 30 outstanding Texas youth.

Formal instruction will be given at the camp while on-the-ground information will be presented as a part of visits to the Awbrey Kothmann and Pierce Hogget Ranches in Kimble county and the Ranch Experiment Station at Son- ora, Ragsdale said.

The Camp as usual will be staff- ed by experienced men in the field of range management. They are members of the staffs at sev- eral Texas Colleges, the Soil Con- servation Service, Texas Agricul- tural Experiment Station, Texas Educational Agency and Texas A- gricultural Extension Service.

Would you trade your pocket change for \$1,000?

Just 63¢ a day will do it

You'd be surprised how much the money you carry in your change pocket, saved regu- larly, can add up to.

By putting away only 63¢ a day for one month, you'd have enough to buy a \$25 Series E Savings Bond. Keep it up for forty months, and you'd find yourself owning a neat stack of Bonds worth \$1000 at matu- rity. The nice part about this \$1000 nest egg is it only costs \$750. And you pay for it with money that probably would have gone down the drain.

- SOME ADVANTAGES OF U. S. BONDS**
- You can save automatically with the Payroll Savings Plan.
 - You now earn 5 1/2% interest to maturity.
 - You invest without risk under a U. S. Government guarantee.
 - Your money can't be lost or stolen.
 - You can get your money, with interest, anytime you want it.
 - You save more than money — you help your Government pay for the peace.
