## Another \$23,000 In Range Checks To Ranchers Here

### Second Group Completing Work Receive Govt. Payment

Nineteen more Crockett county ranchers cooperating in the 1940 AAA range conservation program, received government checks averaging over \$1,000 each during the week, representing payment on 100 percent completion of this year's approved range practices.

The nineteen ranch operators received checks amounting to \$23,201.13, the checks now being distributed from the office of C. J. Van Zandt, county agent.

The group of checks arriving Saturday was the second received by ranchmen in this county on this year's work under the AAA program. The first checks came last week amounting to a total of \$23,070.28.

Ranchmen who have received payment under the program to date are those who have completed 100 percent of this year's allotments in range improvement work. Those not completing 100 percent of allotments will not receive payment until after November 30, deadline set for completing the work and getting final approval for payment. Miss Katherine Goodwin, office secretary, said this week that a third group of applications for payment would probably be ready for dispatch the state headquarters sometime this week.

## Over 200 Attend FHA Conference Here Mon. Night

Considerable interest in home building under the FHA plan was indicated when more than twenty persons were present for an FHA conference held in the district court room here Monday evening.

E. S. McAdams, mortgage conference representative of FHA from the San Antonio office, was present for the conference and explained the FHA plan in detail and answered questions from the audience on different phases of the plan. Mr. McAdams showed a series of stereopticon views of houses built under FHA. He is holding a series of similar meetings throughout this section.

## Red Cross Roll Call Total To \$330; More Due

### Workers Yet To Report May Swell Total To Over \$350 Mark

Fourteen additional memberships secured since last week's one-day roll call drive have swelled the 1940 Red Cross membership drive to a total of \$330, reports made yesterday by Miss Mildred North, Roll Call chairman, indicated.

With three committees not yet reported, Miss North was confident that this year's total, now already a record-breaker, will go well over the \$350 mark. Total memberships to date are 289.

The Roll Call, officially open from Armistice day to Thanksgiving, will be kept open here until after November 28. The corps of volunteer workers who conducted the drive made a complete circuit of the town with splendid results. Those who were not contacted in that drive may still make their contribution to this worthy cause and be officially enrolled to Red Cross membership by seeing Miss North, any of the Roll Call workers or at the Stockman office.

Miss Mary Frances West, who is a student at Draughon's Business College in San Antonio, is home to spend the holiday week-end with her parents, Mr. and Mrs. Wayne West.

## Atlanta Armory Destroyed

A view of the early-morning fire that swept through and destroyed the 179th Field Artillery National Guard armory in Atlanta, Georgia. The damage to the building and to equipment for the army was estimated to be about \$500,000. Pending investigation, authorities would not comment on the possible cause of the blaze.

## Modern Telephone System For Ozona Asked In Petition

### Business Firms to Reimburse Co. By Paying Higher Rate

A petition, in which they agree to pay \$1 a month higher rental charge for telephone service in order to induce the company to install a modern telephone exchange in Ozona, was being signed by the business men of Ozona this week. The petition was being circulated by committees from the Ozona Junior Woman's Club, which adopted as its project for this year the modernization of Ozona's "side-winder" telephone system. A committee from the club visited offices of the San Angelo Telephone Company, owners of the local exchange, in San Angelo recently and were informed that the petition method, which must originate with the town, and agreement of the business firms to pay the additional monthly rental was the only way in which the company would consider the improvement. The company, an official told representatives of the club, is "satisfied" with the system as it now is in Ozona.

More than half of the business houses in the city had signed the agreement after the first few hours of solicitation. The document is expected to be completed in the next few days and submitted to the telephone company for action.

## 140 Aliens Have Registered Here

A total of 140 aliens have registered under the alien registration act passed by Congress, according to a report this week by Postmaster J. R. Kersey, under whose direction the registration is being carried on.

Nearly 200 are expected to be registered here before the deadline set in the act for December 27, the postmaster said. Severe penalties are imposed on aliens who have not registered by the deadline date.

## SHERIFF WILLIS IMPROVES

Sheriff W. S. Willis, who was returned to his home here Saturday from the U. S. Veterans hospital at Legion, is improving rapidly and was able to take a short ride in a car this week. Mr. Willis underwent two operations for removal of his left leg, the last resulting in amputation at the hip, the operations being made necessary by infection.

## Tidwell Shows To Make Week's Stand Here Opening Mon.

The T. J. Tidwell Shows, well-known carnival organization, will be in Ozona for a week's engagement starting Monday night, Nov. 25th. There are many high class riding devices with this show, including Ferris Wheels, Merry-go-round, Tilt-a-Whirl, Scooter, Merry-Mix-Up, and several rides especially for the kiddies.

All new tented theatres are carried, the featured show on the midway being "Harlem," with 14 people, and their own band and orchestra. Other shows include a big circus sideshow, featuring a real troupe of African Pygmies, "Monkey Village," with over 50 monkey actors, a big snake show, "Congo," two musical revues and several others. Tidwell Shows have been playing Texas for many years, but this is their first visit to Ozona and no doubt will be greeted by capacity crowds.

## Churches Hold Thanksgiving Service Nov. 28

### Rev. Moss To Preach At Inter-Church Service At 9 A. M.

Rev. J. D. Moss, minister of the Church of Christ, will deliver the sermon at the annual inter-church Thanksgiving services to be held next Thursday morning, November 28, at the Methodist Church.

Rev. Eugene Slater, pastor of the Methodist Church, and Rev. Clyde Childers, pastor of the Baptist Church, will also participate in the services.

The union Thanksgiving service is a traditional one in Ozona, when congregations of all churches of the city combine in a Thanksgiving morning worship with the ministers taking turns at preaching. The entire community is urged to attend next Thursday morning's service in expression of thanks for the blessings the community has enjoyed the past year. Services will open at 9 o'clock.

## TAKES HOTEL LEASE

Miss Velma Musick has taken over management of the Ozona Hotel. The Hotel was until recently operated by Mrs. Millie Jordan who became the bride of Robert Reinheimer in a marriage ceremony performed in Coleman recently. Mr. and Mrs. Reinheimer are residing temporarily at Mansfield, Texas, but plan to make their home in Arkansas.

## New Boy Scout Committee Is Selected Here

### Group To Name Chairman, Scoutmaster This Week

A new seven-man Scout committee was named by a Scout committee from the Parent-Teachers' Association and local workers in the Scout movement at a meeting here Tuesday night.

Members of the new committee include Dan Paterson, Bryan McDonald, Fleet Coates, Rev. Eugene Slater, Marbury Morrison, Strick Harvick and Evert White.

The Parent-Teacher Association, meeting Monday afternoon, agreed to sponsor the Scout organization another year and named to its Scout committee Mrs. Ira Carson, Mrs. Strick Harvick and Mrs. Neal Hannah. This committee, with Ira Carson, retiring chairman of the Scout committee, Leslie Nance, neighborhood chairman for Troop 53, and Scoutmaster-elect Guinn Caruthers, met Tuesday night to discuss plans for revival of Scouting here and to name the new committee.

The new committee is scheduled to meet sometime before next Tuesday night, the next Scout meeting, to name a chairman for its own group and to confirm the selection of a new Scoutmaster for Troop 53. Guinn Caruthers, manual training and science teacher, in High School, has been named to the Scoutmaster post pending selection of the new committee, and probably will be asked by the new committee to continue the work.

## Ozona Girl Among Southwest Queens At Ft. Worth Show

### Billie Gene Lithicum Feted At All-American Rodeo

FORT WORTH, TEXAS—WILL ROGERS DAY—Queen Billie Gene Lithicum of Ozona was today the guest of Mrs. Fannie Mae Pangburn, nationally known maker of the famous Pangburn's chocolates, in a surprise party at the Will Rogers Memorial Coliseum at the same time Fox Movietone News cameramen were taking pictures of the regal ladies for national release. Since the arrival of Mrs. Will Rogers, widow of the late Will Rogers, Bill Rogers, Jr., and daughter, Mary, Fort Worth has become the Mecca of the West.

The entire city dressed from top to foot with Western atmosphere opened its doors wide to the queen of the West. Since Her Majesty, the Queen, arrived, all Fort Worth has vied for the honor of extending to her real Western hospitality. Miss Ozona has been a favorite for the highest honor, the title of Queen. All the entrants were lavish in their praise of genuine Fort Worth hospitality. In addition to a tour through the large Pangburn Candy factory, Miss Ozona was photographed many times, one photograph shows Miss Ozona as she was greeted by Mrs. Pangburn on which occasion she was presented with a package of "Ragtime" chocolates. Afterward Miss Ozona and the others were entertained by the Fair Department Store, refreshments were served, while live manikins modeled the latest Fall and Winter styles. A trip through Justin Cowboy Boot factory was one of the highlights of the day of entertainment.

The gala day will be climaxed with Miss Lithicum and the other Southwestern beauties attending a Grand Ball held in their honor at Hotel Texas where the Queen will be presented to the mayors of several cities of Texas, the governors of Texas and Oklahoma, Rochelle Hudson, and Leo Carrillo, motion picture stars from Hollywood. ## Old Mexican School Building For Sale; Board Asks For Bids

A handsome new brick building having been completed this fall to house pupils of the Mexican school, a section of the old lumber building which served as quarters for the Mexican school for many years is to be sold.

The school board this week is advertising for bids for the structure to be opened November 30. Only the east wing of the building, or the older part, is to be sold. The section of the building to the west, which was moved in from Powell field when additional room was needed for the growing enrollment, is to be retained by the schools for storage and whatever other use may be found for it in conjunction with the new building.

Bids from prospective purchasers are to be received by Scott Peters at the Ozona National Bank and are to be opened at 2 o'clock Saturday afternoon, November 30.

## Sonora Musicians Present Fine Arts Program Here Sun.

Seven members from the Sonora Music Club presented a fine arts program at the Baptist Church here Sunday afternoon to a large and appreciative audience. The visitors were presented here under auspices of the Ozona Music Club.

In the group were Mrs. O. G. Babcock and daughter, Gertrude, Mrs. Edgar Shurley, Miss Marie Watkins, Miss Letta Mae Garrett, Miss Thelma Reese, and Mrs. J. L. Nisbet. The Ozona Club entertained the visitors with a tea at the church following the program.

## Local Drug Firm Celebrates Tenth Year In Business

Mr. and Mrs. I. G. Rape are this month observing their tenth anniversary as operators of the Ozona Drug Store.

Mr. and Mrs. Rape came here a few months before buying the local business to manage the local store of the then Orange Cross chain. In November of 1930 they bought out the business and have operated it since as the Ozona Drug Store. The store has been expanded under their management to one of the best stores in this section. Recently the famous line of Rexall products was added to merchandise offered from the store. Mr. Rape reports this year the greatest year in the firm's history.

## Eldorado Champs Crush Lions To Finish Season

### Local Score Only Tally In Dist. Against Eagles

Although hopelessly outplayed in every department, Coach Dan Paterson's Ozona Lions, in their last game of the 1940 season, had the satisfaction of knowing they were the only District team able to score on the Champion Eldorado Eagles in last Saturday's game on the Lion gridiron. The final score was 38 to 7.

The Eagles, who, by the way, were not up to the standard of teams of past years from the Schleicher capital, rolled up a total of 38 points but breaks of the game accounted for some of the tallies.

The Lions scored their lone touchdown in the final minutes of play on a long pass from Hannah to Roy Coates, the only touchdown scored by a district team against the Eagles this season.

Mrs. Bob Murchison of Fort Stockton spent last week here visiting her mother, Mrs. Mary Perner, and other relatives.

## Grover Hignight Becomes County's Number 1 Soldier

### Volunteer Fills First Quota From Crockett County Board

Without fanfare, Grover Hignight, young Crockett County ranch hand, became this county's No. 1 contribution to Uncle Sam's first peace-time draft army for a year's training in the nation's unprecedented national defense program.

Hignight left Ozona at 2 a. m. Wednesday morning by bus for Fort Bliss in El Paso where he was to report to the Army induction station Wednesday for a year's military training.

This county's No. 1 soldier was one of several volunteers who offered their services in the nation's defense training program from this county. His was the first application processed from among the group of applicants for voluntary enlistment for the one-year training period.

From estimates of the State's quotas in the December and January call, the Crockett county board is anticipating its next call not before January. The December quota for the state is small enough that it is likely no demand will be made on the local board, with possibly four men to go, with discounts probable from volunteers between now and then, in the January call.

## Pair Fine Dogs Disappear From Demp Jones Ranch

Dempster Jones, who ranches east of Ozona, is hunting two lost dogs, black Cocker Spaniels, a male and female, the latter mother of six "hungry pups."

The dogs followed a ranch hand in a pick-up to the highway sometime last Saturday and have not been seen since. The pups are just a little over a month old. The orphans have been made "bottle babies" while Mr. Jones has posted at \$25 reward for information leading to recovery of the pair of grown dogs.

## AAA Cooperators Name Committee Members In Dec.

### Producers Elect Local Administrators Of Program

COLLEGE STATION. — Practicing the democracy they believe in, farmers and ranchers all over Texas will gather in community meetings December 13th or 14th to elect the men to administer the AAA program locally during the coming year.

At each of these meetings of AAA cooperators, three men will be elected to serve as community committeemen during the coming year. At the same time, delegates will be selected to attend a county convention to be held the following day.

Delegates to the county conventions will elect three committeemen to administer the program in the county. In addition, two alternate committeemen will be elected.

"The committee set-up is the most important phase of the entire program," George Slaughter, chairman of the state AAA committee declared. "These men are chosen because of their administrative abilities, and on them depends the success or failure of the farm program in their counties."

Farmer-control of the program is an actuality, not just an idea, the chairman continued. He cited the cotton marketing quota referendum to be held December 7 as one example of the "economic democracy" practiced by the farmers. (Continued on Page Five)

Scouting Grows

For more than 30 years the Boy Scouts of America have been best known for their Good Turns. In our day-to-day life we sometimes smile good-naturedly at these daily efforts to be of assistance to others; during times of stress our appreciation has often been more active.

Those of us who entered the period of the World War ignorant of the values of scouting soon began to know about it. Scouts sold Liberty Bonds and Thrift Stamps; they collected untold tons of fruit pits for gas masks; they located thousands of walnut trees for the infant aircraft industry; they distributed literature for the government.

The Boy Scouts are preparing for a nationwide long-term Good Turn. Paralleling in their own way the government's huge defense program, they are launching their own program for strengthening and invigorating Democracy. Troops are being built up to their full strength of 32 scouts each. Now emphasis is being given to advancement through the Scout ranks, so that every member will be at the peak of his efficiency.

Really Rolling

The nation's big defense program is really going full blast. A short time ago, we notice, ground was broken for a structure that represents the largest individual aircraft production expansion effort in the country, perhaps in the world. It will increase the production of one particular type of plane from the rate of eight a day to around seventy a day. And it shows how fast industry can move—the moment government gives the go-ahead signal.

Robert P. Patterson, Assistant Secretary of War, was there for the ceremonies, and declared: "The rearmament program has gathered good momentum and is going forward fast."

And Emil Schramm, Chairman of the Reconstruction Finance Corporation, offered a mild word of approval for industry, saying there had been "no sidown strikes by industry."

Anyway, the defense program is really moving along. And even at this early stage, there seems to be no doubt that industry is producing rapidly and efficiently enough to put fear into the heart of any potential aggressor who is even dallying with the thought of striking at our country and our way of life.

An Obligation

It will be the task of historians of the future, with all the evidence at their disposal and with the passions of the campaign dissipated by time, to weigh and evaluate the factors that led to the reelection of President Roosevelt for a tradition-shattering third term. For us, as American citizens, our duty is crystal clear. It is to vigorously support the President whenever we believe him to be right, whatever our party affiliation, and to oppose him on principle, without bitterness or rancor, when we believe him to be wrong. That is the way democracy can and will be preserved. A healthy, free minority is vital to our system of government.

On November 5, the people bestowed on the President an honor given to no other Chief Executive in our history. And on that day, the President accepted his gravest responsibility. He and the Congress are confronted by problems and obligations of an importance which is without precedent since the Civil War. In his appeal to the people for a third term, he said, time and again, that he will make us strong, that he will keep us at peace, that he will preserve the American way. All Americans look forward to the consummation of that program.

The opposition party need feel no regrets. Wendell Willkie made a gallant campaign, and he fought a good fight. Tens of millions of our citizens voluntarily enlisted under his standard and voted for him because of the principles he stood for. He cemented together that intelligent, responsible opposition which is so essential to democratic government. He will remain a force to be reckoned with in American life.

Never Forget

Today, as many an historian has been pointing out, we are witnessing an attempted world revolution. The purpose of Nazism, Fascism and Communism are, basically, to destroy the established economic and social orders of the world, and to put in their place an entirely different order.

In attaining that revolutionary goal, the first step invariably taken by the total governments, when seizing power in their own countries, has been to take over all sources of credit—to take control of money out of private hands, and place it in the hands of the ruling clique. The dictators realize that whoever controls a nation's money and credit, controls that nation in every phase of life.

There is a lesson in this for the United States. Under our system, the people control their money. Those who take care of it for them such as the banks, are simply the people's fiscal servants, and are subjected to the most stringent public regulation. That system has worked. It is the system of private enterprise—the system of democracy—the system of a free and sovereign people.

There are those who would change this system and give the government an infinitely greater control over the nation's money and credit. Often their arguments are plausible. But, if they have their way, the only possible end will be economic dictatorship—total dictatorship. Those are hard words, but Europe has shown us how true they are. Let them not be forgotten here.

The Texas oil industry is the largest carload customer of Texas railroads.

Attack Widens

Reports that a German warship attacked a British merchant ship in mid-Atlantic may indicate a widening of the Nazi effort against British shipping. And that brings with it the possibility that the United States may soon be called upon to redefine its attitude toward the belligerents. If Hitler really hoped for President Roosevelt's defeat—in spite of the fact

that Wendell Willkie was just as hostile to the Nazis as Mr. Roosevelt—it may be that Der Fuehrer held off his all-out blockade attempt for fear of helping the party in power. Now that the election is over, Hitler may be less anxious to avoid offending us. If that is

so, we may be in for some serious moments before much more time elapses. — Brooklyn Eagle.

The average depth of oil wells completed in Texas in 1939 was 3,700 feet compared with 3,000 feet for the entire United States.

NOTICE OF HEARING

THE STATE OF TEXAS COUNTY OF CROCKETT To the resident property taxpaying voters and land owners and to all other persons interested in the creation of Crockett County Water Control and Improvement District No. 1:

NOTICE IS HEREBY GIVEN that a hearing will be held at 10 o'clock a. m. on the 2nd day of December, 1940, at the office of the State Board of Water Engineers in the City of Austin, in Travis County, Texas, upon a petition for the creation of a water control and improvement district in accordance with the following order:

ORDER SETTING PETITION DOWN FOR HEARING Office of the State Board of Water Engineers Austin, Texas)

On this 30th day of October, 1940, the State Board of Water Engineers convened in regular session, at their regular meeting place in the City of Austin, in Travis County, Texas, with the following members present, to-wit:

C. S. Clark, Chairman, A. H. Dunlap, Member, A. W. McDonald, Member.

A petition signed by more than fifty persons owning land within the proposed district was presented to this board, praying for the creation and establishment of Crockett County Water Control and Improvement District No. 1, in Crockett County, Texas, which petition is in words and figures as follows, to-wit:

PETITION FOR WATER CONTROL AND IMPROVEMENT DISTRICT

THE STATE OF TEXAS COUNTY OF CROCKETT To the honorable commissioners court of Crockett County, and to the honorable state board of water engineers, Austin, Texas:

Pursuant to articles 7880-1 to 7880-147, inclusive, revised civil statutes of 1925, and all amendments thereto, we, the undersigned land owners within the boundaries hereinafter set forth, hereby respectfully petition your Honorable body for the organization of a water control and improvement district within the terms and provisions of Section 59 of Article 16 of the Constitution of Texas, and in respect to the organization of such district respectfully show as follows:

I. That the name of said district shall be "Crockett County Water Control and Improvement District No. 1."

II. That said proposed district contains an area of approximately 970.27 acres, more or less, and lies wholly within the County of Crockett and State of Texas.

III. That the boundaries of said proposed district shall be as follows, to-wit:

Beginning at the NE corner of survey 23, Block OP, the NE corner of the original Townsite of Ozona,

Thence West 5280 feet to the NW corner of survey 23, Block OP, Thence South 5280 feet to the SW corner of Survey 23, Block OP,

Thence East 1275 feet to a point in the south line of Survey 23, Block OP,

Thence South 2640 feet, Thence East 4845 feet, Thence North 4540 feet, Thence West 840 feet, Thence North 3380 feet, to the place of beginning.

IV. That the area of this proposed district is urban and industrial in nature, but not incorporated under the laws of Texas relating to the creation of cities, towns or villages, and the proposed district has expectancy for net revenues from operation of its waterworks system and its sewer system, as contemplated by Chapter 32, Acts of the Forty-Third Legislature enacted at its Third Called Session, in 1934.

V. That the number of land owners within the boundaries above set forth is more than fifty and accordingly this petition is sufficiently if same is signed by fifty or more of such land owners.

VI. That said proposed district is to be organized under the provisions of Section 59 of Article 16 of the Constitution of Texas, as provided in Chapter 25, General Laws enacted by the 39th Legislature at its Regular Session, in 1925, and amendments thereto.

VII. That the purpose of the organization of said district shall be for and include the control, storing, preservation and distribution of its waters and flood waters, the

waters of its rivers and streams, for irrigation, power and all other useful purposes, and all works, facilities, plants and appliances, in any and all manners incident to, helpful or necessary to the collection, transportation, processing, disposal and control of all domestic, industrial, communal wastes, whether of fluids, solids or composites, and further to gather, conduct, divert and control local storm waters, and other local harmful excesses of water; the same to be accomplished by any and all mechanical or chemical means or processes incident necessary or helpful to such purposes, to the end that the public health and welfare may be conserved and promoted and the purity and sanitary condition of the state's waters protected, effected and restored.

VIII. That the general nature of the work to be done is the purchase, improvement, construction, installation, maintenance and operation of a waterworks system, and the purchase, improvement, construction, installation, maintenance and operation of a sanitary sewer system. However, this brief statement of the nature of the work to be done is not intended to exclude or prevent the construction, installation, maintenance and operation of such additional lawful improvements as occasion may require at some future time.

IX. That the necessity exists for the organization of such district, to provide for the purchase, improvement, construction, installation, maintenance and operation of such waterworks system and sewer system, so as to promote and protect the purity and sanitary condition of the State's waters and the public health and welfare of the community.

X. That said projects are practicable and feasible, due to the availability of water and the nature of the soil and contour of the land, and due to the further fact that a waterworks system and a sewer system have been constructed in this territory which are not adequate to the needs of the proposed district, and which may be purchased at a reasonable price, and will serve and be a benefit to all the land within said district, and will be a public benefit and utility.

XI. That in order that the Board passing on this petition may better understand the purposes, utility feasibility and need or necessity thereof with reasonable detail and definiteness, there accompanies this petition a copy of the plans and report of J. S. Barlow, engineer, covering said projects, which shows in detail the proposed plans of purchase, improvement, construction and installation of such waterworks and sanitary sewer system, and that same are feasible.

XII. That negotiations are now under way for the financing of such projects, and according to the plans and specifications of J. S. Barlow, engineer, it is estimated that the present waterworks system can be purchased for approximately \$52,500.00, and that the extensions and improvements thereof will cost approximately \$22,500.00, and that such sewer system will cost approximately \$10,000.00, aggregating approximately \$85,000.00.

WHEREFORE, your petitioners respectfully pray that this petition be set down for hearing, as provided by law, and that a date be fixed for such hearing, and that notice of such hearing be given, as provided by law, and that such hearing be held and that thereupon this petition be in all things granted, and that the proposed Water Control and Improvement District be created and that directors of such district be appointed, as provided by law; and your petitioners hereby further pray for all and further matters and relief and orders necessary and appropriate in the premises, to which they may be entitled, even though not therein specifically mentioned.

Respectfully submitted, this 30 day of October, 1940.

AND IT APPEARING that it is signed by more than fifty holders of title to land therein, being resident land owners in the proposed district, and that said petition has been filed by the County Clerk of Crockett County and recorded in a book kept for that purpose in the office of said County Clerk, and that it is accompanied by a deposit of \$250, to pay all cost which may be incurred in such proceedings, and that it is in due form and for lawful purposes as provided by Section 59 of Article 16 of the Constitution of Texas and Statutes enacted pursuant thereto and that such petition should be

heard by this board; IT IS THEREFORE ORDERED by the Board of Water Engineers of the State of Texas, that said petition be and the same is hereby set down for hearing before the Board of Water Engineers at the office of said board in the City of Austin, in Travis County, Texas, at 10 o'clock a. m. on the 2nd day of December, 1940. Upon such hearing, any persons whose land is included in or would be affected by the creation of such district may appear and contest the creation thereof and may offer testimony to show that such district is or is not necessary, would or would not be a public utility, and would or would not be feasible or practicable. Also any interested person may appear at such hearing and offer testimony with reference thereto.

A copy of this order, or notice containing the same, shall constitute proper notice of such hearing, and such notice shall be given by the sheriff of Crockett County, Texas, by posting a copy thereof on the bulletin board used for posting legal notices at the Court-house door of Crockett County, Texas, at least fifteen days prior to the date of such hearing, and shall cause a copy thereof to be published in a newspaper of general circulation in the area of the proposed district once each week for two consecutive weeks, the first publication thereof to be at least twenty days prior to the date of the hearing. The sheriff shall make due return of service thereof with copy and affidavit of publication attached on the original notice prior to the date of hearing.

It was moved by Member A. H. Dunlap, and seconded by Member C. S. Clark that the foregoing order be passed, and upon the question being called for it was unanimously passed, all members voting aye and none voting no.

Passed, approved and ordered at Austin, Texas, this 30th day of October, 1940.

SHERIFF'S NOTICE OF SALE THE STATE OF TEXAS County of Crockett.

WHEREAS, by virtue of a certain alias execution issued out of the County Court of Eastland County, Texas, on the 9th day of October, A. D., 1940, wherein Continental Supply Company, a corporation, is Plaintiff, and W. T. Graham, is defendant, on a judgment rendered in said court against said Defendant and in favor of said plaintiff, for the sum of two hundred thirty-six dollars and 91-100 (\$236.91) dollars, with interest thereon at the rate of six per cent per annum, from date of judgment, together with all costs of suit; I have levied upon and will on the 3rd day of December, A. D., 1940, between the hours of ten o'clock a. m. and four o'clock p. m. at the Court House door of said county, proceed to sell for cash to the highest bidder, all the right, title, and interest of the defendant, W. T. Graham, in and to the oil, gas and other minerals underlying, as well as the oil and gas lease hold estate in the following described real estate, situated in Crockett County, Texas, to-wit:

The 3 1/2 of the SW 1-4 of the NE 160 acres of Section 30 Block GG, H. E. & W. T. Railway company Survey, Abstract No. 5491, Certificate No. 1291, containing 20 acres more or less

as well as all of said defendant's right, title and interest in and to the oil wells located thereon and the personal property used or obtained in connection therewith; said interest being levied upon as the property of the said W. T. Graham.

The above sale to be made by me to satisfy the above described judgment for \$236.91 in favor of Plaintiff, together with all costs of suit and sale, and the proceeds to be applied to the satisfaction thereof.

Symbols of Thanksgiving..

SHOCKS of grain in a moonlit field... Pumpkins... Turkey... Fruit. Those are the symbols of Thanksgiving, handed down by our ancestors. Today, though, we can be thankful for much besides a bountiful harvest... thankful for the American way of living that has grown out of private initiative and enterprise... thankful for the Freedom which has been inherited from those ancestors through reverence for the Constitution.

And we can be thankful for the modern comforts of every-day home life provided by Electric Service, which has been made both plentiful and cheap. This is our contribution to Thanksgiving, this plus jobs for a thousand men and women and almost one-half million dollars annually in taxes.

**Save 2% On Taxes By Paying In November**

In order that those who desire may take advantage of the saving offered, this notice is given taxpayers of Crockett county regarding the discount schedule on state, county and school taxes.

Discounts inaugurated last year on state taxes and followed by the county with similar discounts on county and school taxes, are to be operative again this year, with 3 per cent, 2 per cent and 1 per cent savings possible by prompt payments.

The discount dates, with the amount of discount allowed on the total tax bill, for the balance of the tax-paying period are as follows

**2 Per Cent Discount**

On taxes paid Nov. 3 to Dec. 2, inclusive

**1 Per Cent Discount**

On taxes paid Dec. 3 to Jan. 1, inclusive

No discount is allowed on first half payments under the split payment plan. However, the same discounts are allowed on second half payments, payable before July 1. Second half payments made in April are discounted 3 per cent; in May, 2 per cent, and in June, 1 per cent.

### LETTERS To The Editor

#### "A Broken Heart"

Dear Editor:  
My baby boys has had his little heart broken by someone who put out poison in the south part of Ozona sometime Tuesday. His little black and white rat terrier dog, Sonny Boy, ate the poison and died. My baby can't understand where his dog is nor why it doesn't come when he calls.

To this dog poisoner, whoever you are, I just want you to know you have broken a little boy's heart by killing his harmless pet, a little dog too small to bite you, too tiny to kill a sheep and too little, even, to have voice enough to disturb anyone with his bark. There could have been no more harmless pet, yet you indiscriminately throw poison about to rob a lonely little boy of his companion and pet. Sonny Boy was vaccinated against rabies as a precaution, still you kill him.

If you could hear my baby's pitiful cries, see him searching in bewilderment for his pet, I wonder, dog poisoner, if it would make any difference. I wonder if you would stop and think the next time you have the fiendish urge to put out poison to kill innocent little children's equally innocent pets?  
HIS MOTHER.

#### MORE RAIN FALLS

Slow rains again visited this section this week to add to the stores of moisture in the ground for the winter season. The fall here was light but beneficial because of the moisture already in the ground from recent heavy rains.

Mrs. T. A. Kincaid is reported improving this week after an illness lasting nearly two weeks. Mrs. Kincaid is in San Angelo, a guest at the St. Angelus hotel, where she is under care of physicians.

### Texas University Library Gets Rare Book Collection

Austin, Texas, Nov. 20. — Five rare religious books—part of the first library brought to the American continent—have been acquired by the University of Texas Library's Latin-American collection. The volumes were secured late in 1937 as a part of the private library of Joaquin Garcia Icazbalceta, Mexican collector and scholar. Included is copy of the first European edition of Sir Thomas More's Utopia, published in Switzerland.

These 400-year-old books—with the original owner's signature still legible—were among a collection of 150 brought to the New World in 1528 by Juan Zumarraga, first bishop of Mexico and sponsor of the first American printing press.

O. H. ADVANTAGES by ArmentROUT

"I wish we had a larger locker room. If we did have, we could get around more easily," stated a football boy not long ago.

But did this boy stop and think of his and the student body's advantages? Had he, a Thanksgiving period might have followed.

Let's take a look to the many advantages that the Ozona students have over the surrounding schools.

First of all, this clean, beautiful high school building is something of which anyone can be proud. (The clean rooms and halls are very frequently, however, covered with waste paper! This should be stopped immediately.)

Then, too, the excellent school faculty should be highly praised by the students and is. Reading on down the list of advantages, we finally stop at one in particular, the school library. The O. H. S. library is a very good example of what a school can do if it will. This library has a very good collection of almost every type of literature—prose, poetry and fiction.

Now, let us mention again the locker rooms. These rooms are of modern design and build. The hot and cold water, lockers, and all of the equipment is of the best material obtainable. These rooms are not, if I may dispute this certain boy's remark, too small. The rooms are, certainly, crowded when twenty or twenty-five boys get into them. When a group of boys get together, any space becomes a small matter.

In this closing paragraph, I should like to leave the impression of these two thoughts upon the student's mind. Don't leave waste paper lying on the floors and halls! And, think twice before you complain about the Ozona school buildings.

Editor's Musings

By ADELE KEETON

- \*Last football game
\*Waste of energy
\*Importance of well-balanced mental diet.

As everyone knows by now, the Ozona Lions played the last game of the season last Saturday with Eldorado. The Lions have won only one game this season, but that is not the important thing. The important thing is whether or not each player has done his best. Although the Lions didn't have very good luck this year, they really did play some good games. I am sure that the Lions played just as hard as any other team, and I know that they all did their best, which was quite a bit. Our boys showed very good sportsmanship all through the season. After discovering that it never pays to be poor sports they began to lose faith in anyone who was a poor sport. It can never be said that the Ozona Lions were poor sports or didn't do their best.

On the bulletin board in the English room is a picture of a squirrel going around in a circle. The squirrel is only wasting his energy, because he is only going round and round, not getting anywhere. Many students are just like that. They waste their time in their study halls and find something more interesting to think about in their classes than the thing that they are studying. A student who does that usually finds his grades rather low when the report cards come out. It is really work there is usually no cause for one to get behind if he uses his energy for a purpose instead of going in circles, getting nothing done. So let's bring all of our grades up by using our energy instead of wasting it.

Since last week was book week, many students made posters pertaining to good books that are in our library. One poster which was very impressive was one on which was written "Is your mental diet well-balanced?" This is really a good question to think about. One good way to balance your mental diet is to read good, educational books. There are many such books in the high school library. One shouldn't read strictly fiction and

Lions First to Score on Eagles

The Eldorado Eagles flew over the Ozona Lions, Saturday, for a 38-7 win. Ozona scored its lone tally by a pass from Hannah to Coates, who was already on golden sod.

The Eagles made their first of six touchdowns against the Lions in the opening period by an off tackle play.

The Lions, outweighed by at least 20 pounds per man, fought the birds all over the field, however.

The second quarter of the game showed two more touchdowns manufactured by the Eagles. The Eagle drop kicker made both of the extra points.

The score at the half stood 20-0 in favor of the Eldoradans.

The second half showed some real fighting spirit on both teams. The third and fourth periods disclosed three more touchdowns for the Eagles. But by this time the Lions began to co-operate, and Hannah slung a long pass to R. Coates for the Lions' one and only pay dirt play.

The umpires were J. W. West, head linesman, San Angelo; Whitehead, referee, San Angelo; and Tid Jones, umpire, San Angelo.

The game is the last game for the Lions this season. The Eagles, however, will play several more games in the 7-B bi-district meet.

Wilson, fullback, Lemmons, tackle, Colquitt, quarterback, Smith, center, and ArmentROUT, left end, are the only men that the Ozona squad will lose next year.

Eldorado loses about ten men.

CALL MEETING HELD IN STUDY HALL

Mr. Denham called a meeting in Study Hall at 9:00 o'clock Monday morning. It seems that someone wished to know when the football awards were to be given. Mr. Denham announced that they would be presented next Wednesday in assembly, as they should be here by that time. Assembly will be held on Wednesday of this week because of Thanksgiving holidays. He also announced that the annual football banquet for fathers and sons would be held December 10th in the hall on the third floor of the high school building.

Brother Moss, newly arrived minister of the Church of Christ, spoke to the students on the purpose of Thanksgiving. Brother Moss came to Ozona from the Church of Christ in Phoenix, Arizona. This was his first appearance before the student body of O. H. S. He gave them a very fine lecture.

STUDENTS ENJOY SHOW

The Ozona High School enjoyed a moving picture show, "Oliver Twist," in the auditorium Friday afternoon, Nov. 8.

The picture, "Oliver Twist," was taken from a novel of the same name written by Charles Dickens. Other than "Oliver Twist," Charles Dickens has written these books: "A Tale of Two Cities," "The Life of Our Lord," "Christmas Carol," "David Copperfield," "Bleak House," "American Notes," and "Old Curiosity Shop."

The hero of the story was a poor boy, the unfortunate victim of society. The serious purpose of "Oliver Twist" was to show the evils under which the poor suffered.

Honoring our coach, Mr. Patterson a comedy, "Cowboy Blues," starring Mickey Mouse, was held preceding the full length picture.

Everyone in the entire high school saw and enjoyed these treats. The parents and other outsiders were also invited to see the picture.

nothing else. If he does, he will find that his mental diet is lacking. He should read other types of books to balance his mental diet. I think that it would be a good thing if everyone in the high school would read enough variety in books to be well-balanced mentally, don't you?

THE Prowler

By Gem Ella Dudley

Shorty, you should read about "How to care for the ill." Sometime I think you should be spanked and other times I wonder if it would do any good.

Apologies to a certain "Sunny." The Prowler will be more careful about the information it receives from now on.

Now that we're finally going to have the H. E. party, it will be Bean and Wardlaw, Bean and Wardlaw stepping out as one. More power to ya!

A few boys did their best to see some girls thrown off a horse Saturday. You wouldn't know anything about that, would you, Leslie, Floyd, Tinks, Lorain, and a few others?

Mr. Sikes, surely you didn't disappoint your "pupils" on purpose by not showing up at the dance, did you?

Fountain pens are scarce, aren't they, Priss? Poor Priss spends most of her time looking for a fountain pen.

The "La Conga" is fun, isn't it, girls? Especially when we don't know how it's done.

I wonder whether Bland's decision to be out of town this weekend was an accident or otherwise. How about that, Bland?

Congratulations, Boachie. You know why, I think, or don't you?

Some bright people made the remark, "Why have Thanksgiving; we don't have anything to be thankful for?" But on second thought they changed their mind. Personally, I think Thanksgivings are pretty good things, don't you?

Just wearing a plain ring is nothing, but when someone wears an out-of-town senior ring, that's news, isn't it, Dot?

Don't tell me that about four little girls who are falling or have fallen for some guy! How about that, Bertie, Billie, Zella, and Lila.

Who ever heard of hot cakes making anyone sick? If you haven't ask Woots and Floyd if they have. What's the matter, Woots, can't you take it?

"Fort Worth" had the pleasure of entertaining Tom Ed during the week-end, or was it vice versa, Tom?

Congratulations to Leroy, who finally racked up enough courage to dance, Saturday night.

Now that hunting season is here, most of the boys went "bear" hunting. Did you have any luck, boys?

Billy, you seemed to have done O. K. Saturday night. Who was she?

Sug, honestly, I can't keep up with you. Listen, brat, who rates the top, now?

Helen, couldn't you collect your quarter? Come now, Roy, be a good sport; we did win the volleyball game, you know.

The very idea! The way two little girls carry on. Margaret and Ethel, shame on you.

Whats this I hear about Helens becoming very gallant? Marjorie and Mary V. might tell us.

Adele, were you the happy owner of a 1941 senior ring Monday? Just what kind of a trade was that?

The sudden disappearance of Mary E. Saturday night scared the wits out of some people. And later on, Rozelle and Florence disappeared. The ghosts must have been walking!

Hm! Hm! I wonder why Herndon was gathering information on Rozelle. Has he told you some of the "swell" compliments yet, Rozelle?

NEW PUPIL ENTERS SCHOOL A new pupil, Herndon Bauermann, entered our school last Thursday. Herndon, who is classified as a junior, is eighteen years of age. He comes from Miles, Texas. When asked if he liked the girls, Herndon's reply was, "Oh, I like them pretty well."

Though his favorite sport is basketball, he likes football about as well.

Herndon is taking four subjects, bookkeeping, mechanical drawing, American history, and English III.

He is the second new pupil to enter our high school in two weeks. Ozona High School will soon reach the mark of one hundred if new students continue to enroll.

GRADE SCHOOL NEWS

FIRST GRADE NEWS

We made a calendar. It had a pilgrim boy on it. He was carrying two pumpkins. We colored him. Claude Hill.

Mrs. Moore came into our room this morning. She is teaching us some songs for a program. We sang some other songs to her. She sang a "fish" song for us. We liked it.

Mildred McCaleb

Patsy told us a story about the first Thanksgiving. We colored some turkeys. We put them on the blackboard.

June Perner

We joined the Junior Red Cross. We brought money for it.

Darlene Lovelace

We have new shelves for our tennis shoes. We wrote our names on pieces of paper and tacked them on the shelves.

SECOND GRADE NEWS

Martha Ann Haynes went to Hobbs, New Mexico. She is going to stay ten days.

Tommy Laxon

Tommy came to see me. Tommy and I rode goats. We played like they were horses.

Tommy and I are friends.

Raymond Brownrigg

There is a very pretty place back of our home on Patrick's ranch. We call it Prairie Dog Town. Every time we go up there, they poke their little heads out of their holes and bark. When we get nearly to them, they run back in the hole. It's fun to watch them.

Marilyn Hubbard

Tom and I went riding on our bicycles. We went up the waterworks hill and passed P. E. and Sleta's house. We had a good time.

William Miencke

FOURTH GRADE NEWS

We went to the auditorium Friday afternoon at 1:00. Mr. Denham told the fourth grade how the world travels around the sun. He had Nat Read and Bernard Lemmons on the stage to help him. Nat represented the sun and Bernard represented the moon. After his discussion of how the world travels around the moon, he showed us a picture show. We enjoyed his discussion and the picture show very much.

I think we understand the revolution of the world much better now.

Edith Lou Piner

FIFTH GRADE NEWS

Tuesday, we put our monthly magazine together and passed. One was given to everyone in the first through the seventh grades.

We have been on things for book week. We have made posters representing good books.

We are making costumes for the Indians in the play we are going to have the 26th of this month.

Ann West

SIXTH GRADE NEWS

Each pupil in the sixth grade is to choose a famous man or woman and he is going to tell the story of that person's life, Thursday. On Friday, we are going to have a quiz program in our room over the lives of those famous people. Fred Curry is going to give out the questions. All the boys and six girls are going to be asked the questions. The rest of the girls are going to be the students; as Kay Kyser has on his program.

Doris Bean

SEVENTH GRADE NEWS

The seventh grade has been having some very interesting book reports given by high school students. Florence Luther gave "The Story of Our Lord," Roselle Farr gave "Representative Short Stories," Sonny West gave "Virginian," Jessie Hancock gave "Spring Came on Forever," Billie Laxson gave "Call of the Wild." We enjoyed these reports very much and wish to thank these people for giving them.

The seventh grade presented the chapel program last Thursday. It was the Armistice program. They sang two songs, "My Buddy," and "I Am an American." They then presented a play, "Eleven Million." The characters were: the minister, Joe Carroll; the banker, Arthur Phillips; general, James Chapman, the munitions maker, Henry Elledge, Jr., the mother, Barbara White; the sweetheart, Nan Tandy; the nurse, Ruth Townsend. The nurse sang a solo, "The Rose of No Man's Land." The rest of the class were soldiers.

Rev. Slater Delivers Patriotic Address to Assembled Students

November 11 Occasion for Speech On Common Defense

At the regular assembly hour Thursday, Rev. Eugene Slater of the Methodist Church spoke on the subject "National Defense" to the students of Ozona and to assembly guests.

Rev. Slater does not consider our present program of armament our greatest defense. He said: "This public school is the symbol of one of our greatest factors of common defense. Let's see if we can see how it is not like 'Jack and the Beanstalk.'"

"The development of self-government of the people, by the people, and for the people, is essential to the people of our nation.

"Our machines are against us. Probably the high school students don't remember when autos did not have self-starters; probably the grade school thought there had always been self-starters on the cars.

Another point in common defense, is dignity of human life. It means the preservation of liberties. A true quotation which is often times used is: 'People are more important than things.'

"That's correct; they are. No one should ever say about you what one person said about another before the Civil War. That is, 'How much can I get this man for?'

"Education at its finest will always point you to something beyond-to-God—a reality.

"Behind the law of physics, chemistry, biology, mathematics, and all other sciences is God. While watching the Latin-American Boy Scouts salute the flag and pledge their allegiance to the flag of the United States, I realized as they repeated the last line, 'liberty and justice for all' that we have really stood in their way many times."

Home Ec Girls Make Bed Jackets

The Ozona Chapter of the Future Homemakers under the direction of Miss Allena Kinney started Monday, November 4, making hospital jackets for the Red Cross.

All members of the club are helping with the jackets. This was selected as a club project to help with the national defense program.

The American Red Cross flags which flew from the flag poles of the Latin American and High School buildings were made by 4 of the Future Homemaker pupils. They were Gem Ella Dudley, Helen Mayes, Dorothy Capps, and Frances Bean. These flags were used to help promote the Red Cross drive.

The Future Homemakers of Ozona are willing to cooperate in every possible way with the Ozona Red Cross Chapter.

### LION'S ROAR— Continued from Page Six—

#### Junior High Students Entertain High School

Since last week was national book week, the high school and junior high exchanged book reviews. Three pupils from junior high presented three skits, in which they gave book reviews. In the first skit, Arthur Byrd Phillips had to tell a young indifferent lady about a book before he could persuade her to purchase it. The second scene was in a hospital where Joyce West was practicing telling a detective book which she was going to try to induce a sick friend to read. She seemed to be as nervous as some high school students about to "tackle" a book review. The third scene was in a broadcasting station, X. Y. Z. Barbara White was continuing a mystery story told in a very dramatic form. When at the height of interest—she could finish that exciting story by sending in merely \$25—and a countless number of "Krispy Krunches." All three of these skits were enjoyed immensely by the sophomore and senior classes.

The high school students that gave book reviews went on to the junior high on four different days. Sybil Luther and Rozelle Pharr went the first day; Wayne West and Jessie Hancock, the second; Zella Thurman and Bobby Lemmons, Vera McCaleb and Lottie Owens the last day. These students were selected as the best speaker from the entire high school.

The purpose of this exchange of book reviews is to make the students more book conscious and to make them realize that books are their best friends.

#### H. E. III Girls Entertain Faculty

The H. E. III girls gave a formal dinner for the school board and their wives, Wednesday, Nov. 14, 1940. Mary Frances Bean and Sybil Luther were hostesses for the dinner. Those who served were Allene Cook, Marjorie Ross, Louise Bean, Melba Cullins, and Claudie Everett.

The menu consisted of grape juice cocktail, baked ham, candied sweet potatoes, peas, stuffed tomato salad, rolls, coffee, and minced meat pie.

Mary Elizabeth Gray sang two songs, "Stardust" by Carmichael, and "God Bless America," by Berlin. Miss Graydon played "In the Time of Roses." George B. Armentrout played a trombone solo, "Love's Old Sweet Song," by Molloy. Helen Mayes played the dinner music.

Those present besides those who served were Mr. and Mrs. L. B. Cox, Jr., Mr. and Mrs. Ira Carson, Mr. and Mrs. C. S. Denham, Mr. and Mrs. Scott Peters, Mr. and Mrs. Madden Reed, Mr. and Mrs. Paul Perner, L. B. T. Sikes, Misses Mary Frances Bean, Sybil Luther, Mary E. Gray, Helen Mayes, and George B. Armentrout.

#### Ozonia Beats Barnhart In Volleyball Game

Coach Mitchell of Barnhart and his volleyball girls came to Ozona to play the Ozona volleyball team, coached by Miss Allena Kenney, on Friday, November 15, 1940 in the high school gymnasium.

The Ozona girls defeated the Barnhart team with a score of 32-16. This was the first out-of-town game for either team to play. Ozona made the first points, with Barnhart never gaining the lead. The starting lineup was Ethel Mayes, Mary Perner, Helen Mayes, Florence Luther, Mary Elizabeth Gray, and Rozelle Pharr.

#### Famous Composer's Film Shown Here

Friday afternoon, beginning at three-fifteen, three shows were shown to the Ozona Junior High and High School in the auditorium.

The first show was a brief story of some of the experiences of Stephen C. Foster when he wrote the song "My Old Kentucky Home." He was born in Pittsburgh, Pa., in 1826 and died in New York in 1864 at the age of thirty-eight. He composed the music and wrote the words to over 125 popular songs and melodies, among which are "Old Folks at Home," "My Old Kentucky Home," "Swanee River," and many others. We know his today as one of America's greatest song writers.

The second show gave a few details of Carrie Jacobs Bond's life and some of the interesting places from which she found the words to write songs of her most popular pieces. Carrie Bond was born at Janesville, Wisconsin, August 11, 1862. She has composed about 175 songs, among which are: "Just A-Wearying for You," "I Love You Truly," "A Perfect Day," "Lifes Garden," "Lovely Hour," and many more favorite popular pieces. She also has written books for younger children as well as for older people.

The last show was a French orchestra. The pupils were not required to stay for it.

In order to have time for these shows, afternoon classes were held only forty-five minutes.

#### McDonalds Entertain Football Boys

Mr. and Mrs. Bryan McDonald and Charley honored the football boys with a supper at the McDonald home Saturday, November 16.

The decoration theme carried a Thanksgiving idea throughout. Since the boys had just played their last football game, they ate heartily.

The menu consisted of the following:

lowing: roast turkey, dressing, potatoes, peas, cranberry sauce, and pumpkin pie.

Those present were Coach Patterson, Charlie McDonald, Billy Hannah, George Armentrout, Mr. Guinn Carruthers, Mr. and Mrs. Arthur Kyle, Mr. Clay Ridgeway, Mr. and Mrs. McDonald, L. B. Cox, Mervin McLaughlin, Stanley Lemmons, Bobby Lemmons, Boochie Coates, Shorty Colquitt, Mr. Sikes, Elton Smith, and Vernon Wilson.

#### Basketball Season Off to Peppy Start

As Father Time walks around the "seasons" he comes to basketball season once more. Basketball is a very popular sport with the boys who play it and with the people who watch it. Ozona high school ought to take the Ranch District cup once more this year. Ozona will have such lettermen as Donald Wilson, George B. Armentrout, Billy Hannah, Ed Leathwood, Byron Williams, and Bobby Lemmons back with us. For recruits Ozona will have Roy Coates, Mervin McLaughlin, Wayne Babb, Bland Tandy, Bill Carson, and L. B. Cox. Coach Patterson doesn't have the schedule

#### Future Homemakers Hold Meeting

The Future Homemakers of Ozona met at the home of Sybil Luther for their regular meeting Tuesday. A scavenger hunt was planned and discussed. It will be held at the home of Lottie Jo Owens Friday night.

A play entitled "Plain Jane Steps Out," was presented. The play was a one-act comedy on MEN, MANNERS and MAKE-UP. The characters were Jane, a hearty and happy thoughtless college girl, Margaret Russell; Kate, smooth, witty, and somewhat calculating as college girls go, Mary Gray; Ann, charming, lively, and a remarkably good little college girl, Sybil Lutner.

When the meeting adjourned, refreshments were served to Norma Lovelace, A. L. Keeton, Dorothy Capps, Mary F. Lucas, Claudie Everett, Gem Ella Dudley, Frances Bean, Louise Bean, Melba Collins, Peggy Holt, Billie Laxson, made out, but he said that Ozona will have a tournament sometime in January. Lion supporters hope that they have a successful season as they have had in past years.

Bertie Brownrigg, Zella Thurman, Helen Mayes, Lila and Ailene Cook, Mary Craham, Margery Ross, Sybil Luther, Mary E. Gray, Margaret Russell, Lottie Jo Owens, Joy Coates, and Miss Kinney.

Norman Rendall, son of N. E. Rendall of Ozona, a student at the University of Texas at Austin, has enlisted in the United States Navy and after a physical examination at Houston this week, if successful, will report for induction at San Diego. Norman scored 99.6 on his mental examination.

Eleven sets of twins, coming from five of the six Methodist conferences in Texas and New Mexico which support the Methodist Home, participated in the 50th anniversary celebration of the orphanage on its campus at Waco, Texas during the past weekend. Nine sets are shown:

smallest, Joe and Bill Harris, and at the left another set of twins from the same family, Jerry and Virginia Harris of Jasper, East Texas; looking down, John Savage and twin brother Joe from Petty, South Texas; Mavis and Avis Davis, Beaumont; Melvin and Elvin

Alexander, Elysian Fields. The two grinning boys behind are Boyce and Boyd Jones from New Mexico, and on the last row are Ruby and Ruth Welch from Marshall; Valdene and Morene Reno from Slaton, Northwest Texas; Eugene and Margaret Simpson, Denison.

## Methodist Home At Waco Celebrates Fiftieth Anniversary Of Founding

### Institution Has Educated Over 300 Orphan Children

Waco, Texas, Nov. 20.—(sp1)—Celebration of the fiftieth anniversary of the Methodist Home, which has sent 300 orphans out into the world equipped to take care of themselves as well as if they had been brought up in private homes, was held during the weekend of Nov. 20-23 on the campus of the institution at Waco, Texas. Bishop A. Frank Smith of Houston gave the Founders Day address Nov. 20, and Methodist ministers, lay leaders and friends of the orphanage from the six conferences covering Texas and New Mexico which the Home serves attended.

Important changes in the care of children since Methodist leaders established the home a half-century ago, are commented upon

by its superintendent, Hubert Johnson. A chief one is the change in housing from dormitory to cottage, where children in the same age group can have homelike surroundings and be cared for as individuals. Individuality among them is stressed far more than it used to be, in hope of fitting them for happy, useful lives. The 400 now in the Home now have their own student government, their football team, and an outstanding choral club. The vocational schools, which offers lessons and experience in printing, mill work, shoe repair, machine repair, cosmetology, home and farm duties, has as its aim fitting every child of the Home to earn a living when he graduates.

Methodists of Texas and New Mexico pledge something over \$100,000 yearly to maintain the Home. This is not sufficient to keep up the plant also, but in the last few years individual friends have donated several buildings.

One is a girls' cottage given by Mr. and Mrs. J. J. Perkins of Wichita Falls, and the latest is a chapel on the Home grounds, gift of Dr. Travis M. Harrell

### MRS. TOM SMITH FRIDAY CLUB HOSTESS

Mrs. Tom Smith was hostess to members of the Friday bridge club and guests at her home last week. Three tables of players were present.

Mrs. Tom Harris was awarded high score prize for the club. Mrs.

Mike Fiend drew low score award and Mrs. Early Baggett, bingo. Mrs. Hillery Phillips was given guest high award.

Others present were Mrs. Joe T. Davidson, Mrs. Wayne West, Mrs. Carl Colwick, Mrs. Hudson Mayes, Mrs. W. E. Smith, Mrs. S. M. Harvick, Mrs. Ben Robertson and Mrs. J. W. Henderson.

### A DECADE IN YOUR SERVICE!

This Month We Celebrate

## OUR 10th ANNIVERSARY IN BUSINESS IN OZONA

It is with gratitude that we mark this month as the tenth anniversary of our business life in Ozona as owners of the Ozona Drug Store—gratitude to a loyal group of customers and friends who have made our venture here a success and ten years of happy relations.

In the ten years we have headed this store, we have built up a stock of quality merchandise second to none in towns much larger than Ozona. We say this not boastfully but in token of our appreciation to you who have made it possible for us to thus improve the stock and fixtures to make this one of the best drug stores in West Texas. Your loyalty and your patronage have made it possible, and as this anniversary rolls around, we cannot but pause to express to you, our friends, our thanks.
