## \$27,000 In Screwworm Fight In Crockett

### Ranchmen Have Voted To Fund For It On Fly

Despite continuing solicitation through voluntary contributions from Crockett County ranchmen, the committee in charge of the countywide screwworm control fund reported this week...

In addition to names already reported to the committee during the past week, secured checks and contributions from thirteen additional ranchmen have brought the total number of contributors in this county to 130. There are between 75 and 100 additional operators in Crockett county who have not yet come through with their checks. The county total early this week was \$27,346.00 from the 130 ranchmen.

Committee brokers this week reported the fact that a number of ranchmen, former operators and present land owners, are vitally interested in the business, have added their names to the screwworm control fund, and are well solicited.

A new list of contributors announced by the committee includes Joe Bean, Bean Ranch, Carson, E. H. Chandler, Chandler, Chandler & Helms Childress, A. C. Hoov-Miller Estate, Allen Gann, Laughan, W. L. Nail, Jr., and J. Bailey.

Ranchmen who have not been contacted and who wish to contribute to the county's part in the fund, may send their checks to the Ozona National Bank or contact a member of the committee. The committee is located at W. West in Ozona and Joe Tom Davidson is chairman.

Crockett county fund, designed to become a part of a fund of \$1,000,000 to be raised in the west as the producers part of the screwworm elimination program, will be kept in Ozona bank until such time as other counties have come through with their part of the fund. The project is certain of success, it was announced here.

## Anderson Joins District 8-A For 1962 Athletics

Anderson seeks move east for convenience of distance

By Ernie Boyd

Anderson notified district 8-A chairman L. B. T. Sikes Wednesday that it had received unanimous approval from the other members of district 7-A to withdraw from that district and join district 8-A which had voted to allow them to enter for the 1962-63 season providing they were re-elected by 7-A.

Approval of the Interscholastic office in Austin will have received but the office has given tentative approval to move and this is expected to be received without a hitch.

Members of District 8-A, plus Anderson, met in Ozona Monday with Superintendents, High School Principals and Coaches for a meeting that lasted nearly eleven p. m. before it was agreed that Anderson would be accepted and that Junction would be provided for both teams. Anderson either gain entry to another district or get a release from the district to which they are presently assigned.

Junction will not know until Friday night whether it can get approval for district 27-A to the southeast. In view of the possibility of a change in Junction's district to the new district, a schedule including Junction and one other team was made up for

## Speaker Pleads For Turning Away From Socialism

### J. F. Longley, W.T.U. Veep, Is Guest Of Ozona Lions Club

Unless we cease to follow the delusion that the government can do all things to all men, that we need look only to the central government to meet all our needs and solve all our problems, unless we see where we are headed and do something about it, the Russian prediction that our grandchildren will live under Communism is just as certain as taxes and death.

This was the substance of a bristlingly frank talk at the American

J. F. Longley

and world situation today given by J. F. Longley, vice president of the west Texas Utilities Co., in a talk to members of the Ozona Lions Club here Tuesday.

"As I see it there are only three steps in going from the system we have to the one the Russians have and the last two are automatic," Mr. Longley pointed out.

"First, we adopt socialism. (When nearly one-third of our productive effort is required to maintain our system of government with its many facets, including numerous business activities, we are a long way down that road.

"Next, the people decided not to work. Under Socialism there is no incentive to work. You get the same thing whether you work hard, easy or not at all.

"Third, we get a dictator. He says, 'Look, bud, we've all got to get back to work.' And we all go back to work. He may not want you to work in the bank or an office. A coal mine or uranium plant might suit him better but in any case you go back to work. The selection of this dictator may be a little harsh. It may, and quite probably will involve such unpleasant things as firing squads, concentration camps and even civil war. Along here it is a little late

## Cool Front Triggers Much Needed Moisture In Day Long Fall Wed.

What today's weather men call a cool front dropped down without benefit of announcement from said weathermen Wednesday morning and triggered slow rainfall over a wide section of West Texas, falls which lasted throughout most of Wednesday and continued into the night.

The dampness, a welcome change from the unusually warm and dry weather of the past few weeks, brought a total of .25 of an inch of rain in Ozona. Heavier rains were reported in the Rocksprings country, up to 4 inches and to the west where falls of up to 1.5 inches were reported.

## Nancy Friend Gaining Support as Miss Mohair Contest Deadline Near

Support for Miss Nancy Friend, daughter of Mr. and Mrs. Bill Friend of Ozona, as candidate for Miss Mohair of 1962 is gaining momentum as the deadline for closing the contest nears.

Miss Friend, a student at Texas Tech in Lubbock is one of three finalists in the contest launched at the recent annual convention of the Texas Angora Goat Raisers Association. Her candidacy is being sponsored by the Ozona Lions Club which recently staged a ticket sale of chances on three Angora goats which were awarded winners at a drawing at halftime of the Ozona-Sonora football game.

Votes for the Miss Mohair candidates are on the basis of \$1 contribution, the money thus raised to be used in advertising and promotion of the mohair industry during the year in which the Miss Mohair reigns.

The contest will end October 31 and supporters of Miss Friend for the honor are urging Ozonians who wish to contribute to the contest in her behalf to send check or money to Ozona Lions Club Ozona, Texas or leave it at the Ozona National Bank. All such contributions will ultimately go toward promoting this important Texas industry.

Larry Albers is chairman of the Lions Club's Miss Mohair contest committee. Contributions for votes for Miss Friend may also be handed or mailed to him.

Mrs. J. M. Baggett of Ozona is on a trip to the north eastern states in company with her son-in-law and daughter, Mr. and Mrs. Hiram Brown of Austin. Mr. Brown is in the retail furniture business in Austin and is on a tour of furniture factories in the east.

## 3-Day Period Set For Ranchers To Get Doe Deer Hunting Permits

Ranchers living in the Crockett county area designated by the state Game and Fish Commission where doe deer may be taken legally have only three days, Nov. 2 through the 4th, in which to get their permits and deer tags. Game Warden Bun Carpenter announced this week.

Permits will be issued only during the announced dates, no permits to be issued after November 4. The area designated in which doe deer may be killed this year is from highway 290 south to the Val Verde County line and from the Pandale road east to the Sutton county line.

Those desiring to kill doe deer on their land must apply at the Game and Fish Commission office in the courthouse.

## Feeding Program Of 4-H Club Draws 34 Participants

### Lambs, Calves, Breeding Sheep & Colts Fitted For Show

Thirty-four 4-H club members have feeding projects under way for the coming year, according to County Agent Pete Jacoby.

Twenty-four members carrying on commercial fat lamb feeding projects for the county show in January are Bill Ross Childress, Buddy Couch, Diana Couch, Freddy Deaton, Charles Childress, Steven Hubbard, Cuatro Davidson, Bill Everett, Bill Jacoby, David Jacoby, Rex Bland, Diltzie Bland, Jill Graves, Larry Williams, Cathy Williams, Tom Davidson, Jack Applewhite, Fred Baker, Mike Baker, Dwight Childress, Duwain Vinson, Jr., Eugene Vinson, Roy Fleet Coates and Morris L. Coates. In the commercial lamb program, 70 crossbred and 50 finewool lambs are being fed.

Five 4-H members have 30 show lambs on feed for major shows. They are Penn Baggett, Bill Jacoby, David Jacoby, Rex Bland and Diltzie Bland. Three members feeding registered Rambouillet breeding sheep are Jay Miller, Keith Mitchell and Lelle Mitchell. Dwight Childress and Buddy Couch each have a steer on feed. Carrying on ranch flock projects are Frank Childress, Bill Williams and Jimmy Baggett.

Five members are enrolled in the quarter horse program and have 1961 fillies on feed as a project for the county show. They are Paul Perner, George Cox, Lynn Cox, Rex Bland and Duwain Vinson, Jr.

## GAME WASN'T OVER — Ozona B Squad Nearly Lost After Winning By Leaving Field Too Soon

By Ernie Boyd

The Ozona B team broke into the win side of the ledger in Ozona last Thursday night when they edged the Iraan reserves 14 to 8 to avenge a 14 to 6 loss at the hands of the same team several weeks ago.

Bernabe Villareal and Dubbie Scrivner scored the two Ozona touchdowns while tall Don White took a pass for the Braves' only marker.

The Ozona reserves, most of whom are freshmen, got good play on defense from Bobby Amthor, Morgan Tolle and Rick Hagelstein while Villareal and Scrivner led the offense.

Ozona scored twice before Iraan was able to make points but narrowly missed losing the game on the final play when, following a buzzer sounded the end of the game and many of the Ozona players started leaving the field. Alert play by Dub Scrivner, the last Ozona defender, saved the day, however, as the Lion halfback broke through a cordon of blockers to spill the ball carrier deep in Ozona territory.

## Annual Carnival Sponsored By PTA Set For Halloween

### Only Money-Making Event Of Year For P. T. A. Group

Ozona Parent-Teachers Association's only money-raising event of the year, the annual P. T. A. Carnival in the downtown city park, is all set for presentation next Tuesday night, Oct. 31, Halloween night, officials of the organization announced this week.

The carnival will get under way at 5:30 p. m. when the food booth will be open for benefit of those who wish to eat supper with the PTA. On sale at the food booth will be hot dogs, sandwiches, cup cakes, and coffee.

All classes in the grades through high school will participate in the carnival, each class to provide a booth of its own choosing. Each cooperating class will earn a percentage of the money its own booth makes to be kept for class purposes.

The assignment of booths to the various classes and groups is as follows:

- Kindergarten — Bean bag and dart game.
- Miss Daniel's first grade — Shooting gallery.
- Mrs. Killingsworth's first grade — Pony ride.
- Mrs. Oehler's first grade — Milk bottles.
- Mrs. Kyle's second grade — Grab bag.
- Mrs. Barber's second grade — Dart balloons.
- Miss Billings' third grade — Go fishing.
- Miss Mikeska's third grade — Clown booth.
- Mrs. Dozier's third grade — Hat stand.
- Mrs. Tabb's fourth grade — Jewelry store.
- Mrs. Whitaker's fourth grade — Yogi bear.
- Mrs. Stokes' fifth grade — Cat stand.
- Mrs. Lennington's fifth grade — Wishing well.
- Mrs. Montgomery's sixth grade — Hoopla.
- Mrs. Owens' sixth grade — Dart guns.
- Seventh grade — Horse show throw.
- Eighth grade — Basketball throw.
- Freshmen — Side show. Two performances to be held in courthouse.
- Sophomores — Country store.
- Junior — Cake auction.
- Seniors — Coke stand, pop corn, hot chocolate.
- P. T. A. — Food booth.

## Big Lake Power Stifles Lions In Last Home Game

### But Ozona Defense Is Stubborn In Face of Superior Power

By Ernie Boyd

The potent Big Lake Owls had too much for a stubborn group of Ozona Lions last week as the local school closed its home season with a 27 to 6 loss.

While many Ozona fans were disappointed at the Lions' showing after last week's fine effort against Sonora, this writer thought the Lions turned in a fine job in containing the hard running Owls as well as they did, pretty well staying in the game until the final quarter.

The Lion defense was once again led by senior tackle Darrell Rssberry who turned in a fine game with lots of help from Penn Baggett, Charlie Bingham, Hal Long and others. The line once again received great support from its corner backs, Phil Carnes and Pete Montgomery who have been stalwarts on defense all season.

Big Tommy Franklin, 205-pound hard running fullback, and the fleet halfbacks, Mike Holmes and Gary Miller, kept the Ozona defense (Continued on Page Three)

WE CAN'T STOP THE CLOCK

Whether or not the Western nations succeed in impressing Krushchev that he should call off the test-firing of his 50 megaton bomb it seems clear that he does plan to end nuclear testing before we can be ready to resume militarily useful atmospheric testing.

We may then expect to be threatened or cajoled into accepting another unsuspected moratorium such as we were evaded to three years ago — but which Secretary of State Rusk says we won't fall for again and so does UN Ambassador Adlai Stevenson.

We hope these gentlemen are right — but in view of our past gullibility and irrational concern over what the neighbors will think it is difficult to imagine we will suddenly become hard-headed about even our most obvious necessity.

As a result of the White House decision to resume atmospheric testing in the absence of test-ban action at this session of the UN General Assembly, the Atomic Energy Commission is studying the problem of reactivating the vast Pacific proving ground at Eniwetok, which would probably require several months. While tests could be resumed over the Nevada desert in a matter of weeks, it is now admitted that some of the needed tests — notably on Polaris and Minuteman warheads — require more area.

Under all circumstances, it would make sense to start in Nevada as soon as possible and move on to Eniwetok when we can. We are still three years behind.

CLAYTON FRIEND STUDENT AT TEXAS TECH FULL TIME. PART TIME AT CHRISTIAN

It seems the publicity department of Lubbock Christian College got a little over-enthusiastic when it sent a news item to the hometown newspaper to the effect that Clayton Friend, son of Mr. and Mrs. Batts Friend of Ozona, was a student in that institution.

Strictly speaking, the item was correct but it needed a little explaining. Clayton is a full time student at Texas Tech in Lubbock but is taking one course on the side at Lubbock Christian.

### Music Club Meets In Bradbury Home

The Ozona Music Club met Thursday evening in the home of Mrs. W. T. Bradbury, with Mrs. W. C. Owens and Mrs. L. R. Len- ington serving as co-hostesses with Mrs. Bradbury.

Mrs. Roy Killingsworth, club president, presided at a business meeting, after which Miss Cleona Quiett led in presenting the pro- gram. Miss Quiett gave an inter- esting comparison of opera, oper- ettas and musical comedy. Mrs. Allan Morgan sang "It Aint Ne- cessarily So" and "Summer Time" from the opera "Porgy and Bess." She was accompanied by Mrs. Morris Bratton at the organ. Miss Lucille Farmer sang "Out of My Dreams" from "Oklahoma." She was accompanied by Mrs. Buddy Russell.

Mrs. Bradbury gave a short bio- graphy of Jerome Kern and Rom- berg, then played "Old Man Riv- er" from "Showboat" and "Seren- ade" from "Student Prince."

At the close of the program, the group enjoyed a sing-song led by Miss Cleona Quiett, with Mrs. Ken Cody at the organ. Cake and coffee were served.

Others present were Mrs. Orl- ist Pridemore, J. W. Howell, Ted White, Dub Pettit, Frank James, Rudolph Oehler, Charles Williams, Ben Cusenbary of Sonora, and Miss Geneva Knox, Susan Son- flieth and Lola Mae Daniel.

### FIRST BAPTIST W.M.U.

The W. M. U. of the First Bap- tist Church met Wednesday at the church for mission study. Mrs. Bob Pitts led the opening prayer. Mrs. Harry Trulove presided. The study "Hands Across the Sea" was led by Mrs. Pleas Childress. Mrs. J. T. Keeton dismissed with prayer. There were 22 ladies present.

## YOUR COMPANY KEYS YOUR ACTIONS AND OFTEN YOUR REPUTATION

Leroy Drago

"You are judged by the company you keep" — so goes the old proverb. Very frequently we hear these words spoken, but often they are ignored.

You may say, "Nonsense, if I'm old enough to have the car when I want it, I'm old enough to choose my own crowd!" Perhaps this is so. But this doesn't mean you have to "run" with a group having within it individuals who insist on suggesting vandalous pastimes.

Notice though, that these ruffians lead their suggestions off with a casual "Say, let's —" For examples, "Say, let's go let the air outa ol' Joe Doe's tires. He's in the show, and he'll never know who did it."

Most of us, though, are not so weak that we feel ourselves compelled to follow these suggestions. Better judgment should warn us to avoid such behavior, but sometimes it does not. Whenever you feel doubtful as to whether or not you have been utilizing good judgement, keep in mind the old proverb and judge your own company. But, most important, take some time from your routine affairs, sit back, think, and judge — yourself!

## BOYS BEGIN PRACTICE FOR BASKETBALL

Basketball season will soon be here. In Ozona High School it is a sport enjoyed by all students, some by their participation in it; others by their attendance at the games.

So far, eleven boys, have turned up for practice. After the football season is over, others will join this group.

Coach Hoover and Coach Dozier will direct the basketball activities.

The following boys have already been practicing Van Miller, Billy Cornelius, Rodney and Gary Stewart, Sammy Cervantez, Moe Barbee, Larry Lackey, Lynn Merritt, Robert Flores, David Childress and Jerry Johnson.

## HIGH SCHOOL AND JR. HIGH HAVE FIRE DRILL SAME DAY

O. H. S. and Junior High both had their first fire drill for the year Monday as a result of excessive steam in the rooms.

Both schools were turned out quickly for a few minutes.

## GIRLS QUARTET APPEARS FOR LIONS CLUB PROGRAM

Beverly Alford, Vicki Carroll, Don Nell Carnes, and Jan Pridemore presented the program for the Ozona Lions Club last week.

These girls formed a singing quartet and on the program sang: "Gods Way, My Way", "Some Enchanted Evening," and "Somewhere Over the Rainbow".

The girls were treated as guests and were served a delicious dinner.

## THE LINES MAKE THE COLUMN

During half-time Friday night when the band formed their OHS cheerleaders were introduced. They led the townspeople in the yell "Two-Bits".

Ozona High School was very colorful Friday due to the bright purple jerseys the football boys wore to boost school spirit. These jerseys were loaned to the boys by the coaches but they had to be returned Friday afternoon.

At 8:15 Thursday night the cheerleaders held a pep-rally at the Daily Mart. While the girls were "catching their breath" Judy Black, head cheerleaders, asked Phillip Carnes to make a speech.

The signs in O. H. S. seem to get more original each week. Last week there were several different signs showing that the cheerleaders had put in many hours of hard thoughtful work.

There was a mass evacuation in Mr. Blacks' room Thursday fifth period. This was due to a boy getting so scared he became sick and from the appearance of those who were leaving the room he may have influenced an epidemic.

There were several sleepy band students Friday morning. Mr. Morgan requested that they be at the band hall at 7:45 that morning in order that they might practice their half-time show.

A pep-rally was held in the boys gym at 3:25 Friday afternoon. The cheerleaders did a special skit called "Play It Cool," and speeches were given by Gary Studdard, Bobby Tabb, and Tommy Everett.

There were several Exes home last week-end. Some of them were Joe Mc. Anne, Bill M., Sally, Jimmy, Ronnie, Tommy S., Reid, Golda, and Dickie F.

Each football boys' locker was decorated with a green four-leaf clover last Friday. The boy's name and number were written on the clover along with the words "Good Luck."

O. H. S. received a new student Monday morning. Her name is Dee Dee Beauchamp; she comes from Odessa, and she will be classified as a sophomore.

The band members got to see their "screen tests" Wednesday

morning due to their show being filmed last Friday night.

## "NIGHT OF JAN. SIXTEENTH" WILL BE JR.-SR. PLAY

The play, The Night of January Sixteenth, has been chosen by Mr. Leath for the Junior-Senior play this year.

It is a comedy-drama in three acts. The action takes place in a court room trial in which the audience will be asked to take part.

The cast has 23 members and tryouts for parts started Thursday.

## STAGE BAND IS ORGANIZED

A stage band has been formed by members of the O. H. S. Band. It is headed by Glenda Friend and Richard Ross.

The band met Monday night to organize and to practice. Those attending were Jan Pridemore, Vicki Carroll, Scott Mahon, Pauline Maness, Janie Gilliam, Beverly Alford, Richard Ross, and Glenda Friend. Mr. Morgan was there also.

Other players are expected to join before the band appears at the Halloween Carnival on Oct. 31 and then for assembly on Nov. 1.

## SOPHOMORES SATIRIZE SCHOOL

On Wednesday October 18, the sophomore class held the assembly. Class president, Leroy Cooper, introduced the first scene, which took place in Mr. Leath's world

history class. Keith Mitchell played the part of Mr. Leath.

The next scene was Mr. Barber's F. P. A. meeting, with Paul Perner as Mr. Barber. Douglas Moore played the part of George Blackstone, one of Mr. Barber's prize pupils.

In a scene from study hall, Andie Elliott was Miss North. There was a time when most of her students were out in the hall.

Then, there was a hall scene where members of the class showed the junior high students how to push and shove your way to your locker in high school.

The last scene was first period band class. Randy Mock was Mr. Morgan, mustache and all. The band played one song. Later, they

## Here is the most exciting new toy of the year!

The **ENCO** Energy Rocket  
Only \$2.95\* with coupon from your neighbor in a HUMBLE uniform

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of Escon, Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and wh-o-o-o-sh! The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95\* (cash, money order or check) to address on coupon.

\*plus State tax where applicable

Without coupon—You can buy the Enco Energy Rocket without a coupon for \$5.95.\* Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1244, Houston 1, Texas.

**PELTO ANNOUNCES GENERAL MOTORS SCHOLARSHIP OPPORTUNITY**

Students at Ozona high school are eligible to compete for a four-year scholarship offered by General Motors under its National Scholarship Plan, according to J. A. Peltó, principal. Competition is open to young men and women who are high school seniors and United States citizens. Interested students must apply for both the GM National Scholarship and the Scholarship Aptitude Test of College Board. They may take the S. A. Test on December 2, 1961, or on January 13, 1962.

At least one GM award is offered in each state, the District of Columbia and Puerto Rico. High school seniors awarded scholarships under the GM National Scholarship Plan may pursue any field of study and attend any accredited college or university.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various sections of the country. This is the 8th year the National Scholarships have been awarded by GM. General Motors offers other scholarship opportunities. Under the College Plan, 305 four-year scholarships are awarded annually by 182 colleges and uni-

versities located in 50 states and the District of Columbia. A list of the participating colleges may be obtained from the principal's office. Selection of award winners under the College Plan is made by the respective colleges and universities. Students wishing to be considered under this plan should apply directly to the college of their choice. Awards under both plans range from \$200 to \$2,000 per year depending on the student's needs.

This fall 1,630 students will be sponsored by GM in 219 colleges and universities under the College and National Plans.

Full details of the competition are available in Mr. Peltó's office.

TELLING AMERICA ABOUT THE BUSINESS AND INDUSTRIAL ADVANTAGES OF THE ...

**"Center of the Southwest"**

We call our service area the CENTER OF THE SOUTHWEST, because that is a literal description of it.

In a two-gun campaign, our industrial development program capitalizes on this fact.

We tell expanding industry by mail and in our national advertising that the fast-growing Southwestern market can best be served from the heart of the region.

In addition, our area development representatives tell the same story in personal contacts with business executives in large industrial centers.

West Texas Utilities Company believes in the business and industrial advantages of the CENTER OF THE SOUTHWEST.

And, we are telling America about them.

### Cross Country Horseback Rider Buys New Mount Beds Down Here For Night Before Starting 2nd Half Of 2700-Mile Florida To California Ride

Riding a fresh West Texas cowpony named "Scooter" purchased the day before at the T Half Circle Mayer ranch between Ozona and Sonora, Charles "Chuck" Horn, 27-year-old Florida "cowboy" adventurer, slogged out of Ozona early yesterday morning on the last half of a 2,700-mile cross country horseback ride from Sarasota, Fla., to Los Angeles, Calif.

The young adventurer, who is making the long ride as a sort of dream come true, left Florida in June on "Monte" a 12-year-old thoroughbred saddle horse. He carries a special delivery letter from the mayor of Sarasota to the mayor of Los Angeles and also a letter from the governor of Florida to the governor of California. These he expects to deliver in about two more months.

At Weelder, Texas, Horn's mount went lame and he bought his second, a gray named "Traveler" from a rancher near that city. The big gray showed signs of weariness when the rider was approaching Sonora and he decided to buy a new pony. The leg-weary "Traveler" was left at the Mayer ranch until Horn and his manager and advance man, Clem M. Oeth, and assistant, Mrs. Oeth, can persuade somebody to take him by horse trailer to El Paso. There he will change back to the rested gray and haul Scooter to the next change.

Oeth, pulling a trailer behind his car, is the chuck wagon for horse and rider. Oeth arranges overnight stops and arranges publi-

city for the novel traveler enroute. Chuck and Scooter spent Tuesday night at the Crockett County Fairgrounds where his horse had stable quarters and Chuck had the blue sky for his blanket. He was to have spent last night at the E-vart White ranch this side of Sheffield, a ride of about 40 miles for the day. He has been averaging about 35 miles a day from Florida.

The modern "pony express" rider and his manager are financing their own trip, asking no donations or charity, and selling nothing. They have attracted TV, radio and newspaper publicity along the entire route, the rider and his horse having appeared on nine TV programs and been interviewed by radio and newsmen from Florida across Texas.

"We have found Texans the most hospitable of all the people we have met so far on the trip," said advance man Oeth. "Nowhere have people been nicer to us than in Texas."

#### BAND BOOSTER MEET

Members of the Band Boosters Club met Tuesday night with band director Allen Morgan. The club voted to buy decals for band students to use on cars, instruments, cases, etc. The club also voted to buy a portable tape recorder for use of the band.

The band banquet will be given Feb. 13.

Members present were Mrs. Bud Coates, R. C. Pitts, S. E. Cornes, Mahlon Robertson, Joe Friend, J. B. Melton, F. M. Cooper, C. W. Gotcher, Quebe Alford, Claude Leath, G. W. Hester, Otis Pridemore, James Childress, Homer Boyd and Buster Miller.

**LEG WEARY** saddle horse approaches his last mile carrying Charles "Chuck" Horn on his cross country ride from Sarasota, Fla., to Los Angeles, Calif. The horse pictured above in front of the Sutton Co. 4-H barn, was left to rest at the T Half Circle Mayer ranch between Sonora and Ozona where Horn purchased a new mount, "Scooter," a brown gelding quarter horse. Horn and his mount spent Tuesday night in Ozona and left early Wednesday morning in a cold, drizzling rain bound for the next overnight stop near Sheffield.

Mrs. B. B. Ingham returned last week from a visit in Houston and New Orleans. In Houston she visited her brother-in-law and sister, Mr. and Mrs. Spencer King, and in New Orleans with her son-in-law and daughter, Mr. and Mrs. Nelson Boone, and children.

### Brackettville Club To Host District 8 Garden Clubs Nov. 7

The Retama Garden Club of Brackettville, Texas, will host the members of the District VIII Garden Clubs on Tuesday, November 7th.

On November 6th for any early arrivals there will be an excursion to Piedras Negras, Coah., Mexico, for shopping, dinner at the beautiful and widely known Modern Restaurant. This will be a Dutch treat trip.

Overnight accommodations may be had at Ft. Clark Guest Ranch which will be convention headquarters. Registration will be in the lobby of the guest ranch between 8:30 and 9 a. m. Nov. 7.

A highlight of the morning session will be an address by the President of Texas Garden Clubs, Inc. Mrs. Chester Kilpatrick of San Antonio.

Lunch will be served poolside at Ft. Clark. At 1:30 Mrs. Don Starnes, First Vice - Governor of Coleman will introduce Mrs. Jean Keele, Corpus Christi, associated with the Central Power and Light Company who will present "Viva Las Flores with Garden Lighting." This promises to be a very inter-

esting and informative program. Colored film on garden clubs will be shown and an exhibit in garden will be arranged in ballroom of Ft. Clark.

The Retama Garden Club extends a special invitation to the District VIII Garden Clubs to be at this meeting.

Leon Dragoo, son of Mr. and Mrs. Leonard Dragoo, is attending Sul Ross College in Abilene where he is majoring in music. His minor is art. He is an accomplished artist and some of his paintings have been hung in the registrar's office at the request of faculty members. While a student at Sul Ross he has sold a number of his paintings.

### 1962 MERCURY MONTEREY

The best-looking buy for the big-car man

**Stands out like a man among the boys for room, ride, power and quality!**

**IS BIG-CAR ROOM WHAT YOU'RE LOOKING FOR?** Discover the big-car standout—Mercury Monterey, a 6-passenger car without qualification. And luggage space? 30.7 cubic feet—enough for the gear six hunters would carry.

**AND HOW ABOUT BIG-CAR RIDE?** Mercury Monterey has the quality extras that make the difference here. Like the 120" wheelbase—longer than other cars in Monterey's field.

And the heavier weight, the more solid road "feel" that lighter cars can't match. Plus Mercury's exclusive Cushion-Link Suspension, that stops jolts before they reach you.

**PERFORMANCE? QUALITY?** Three brilliant V-8's and a thrifty "6" deliver top power, top economy, or any combination in between. And Mercury Monterey quality goes deep—from a baked-on Super-Enamel finish right

down to the tires (4-ply, where most other cars have 2-ply tires).

**NEEDS SERVICE ONLY TWICE A YEAR** . . . or at 6,000- to 30,000-mile intervals. Oil changes and minor lubrication at 6,000 miles, major lubrication at 30,000 miles. The anti-rust, anti-freeze coolant is good for 30,000 miles or two years. Brakes are self-adjusting.

**PRICE?** Down in the popular-price range.

### Notes From The County Agent's Office

By Pete W. Jacoby

Does your fruitless mulberry  
 tree turn yellow and lose its  
 leaves? Certain leaf spot type dis-  
 eases may be causing the trouble,  
 says Harlan Smith extension plant  
 pathologist.

The leaf diseases first appear in  
 the spring, and will continue to  
 build up and cause more trouble  
 throughout the season if rainfall  
 is plentiful. These spots may differ  
 in size and color and they lower  
 the aesthetic value and vigor of  
 the tree, Smith explains. Trees  
 damaged by leaf spot are also like-  
 ly to be damaged more by drought,  
 winter injury and pests than un-  
 infected trees.

If the tree has a high value,  
 Smith suggests a preventive spray  
 program to reduce the damage  
 from leaf spots. He suggests the  
 use of 2 tablespoons of Zineb or  
 Captan per Gallon of water plus  
 a spreader-sticker. A combination  
 of the two may prove more ef-  
 fective and either material may be  
 used with safety during any part  
 of the year. It is more important,  
 he says, to have the trees protect-  
 ed during times of above average  
 rainfall or high humidity.

In the case of bacterial leaf  
 spot it may be necessary to spray  
 with streptomycin or fixed cop-  
 per. A combination of the two may  
 be more effective. The use of a  
 spreader-sticker and avoidance of  
 making applications during hot  
 weather will tend to lessen the  
 damage from fixed copper spray,  
 Smith says.

The use of fertilizer and water  
 when needed will help improve the  
 health of mulberry as well as other  
 trees, he says. Foliage should not  
 be wet during the watering pro-  
 cess for this tends to spread leaf  
 spot diseases, the specialist says.

 view where she is to address a

### Rotary Clubs Advance Free World Influence Thru Communication

The best way for the forces of  
 evil to prosper is for good men to  
 do nothing. Rotary District Gov-  
 ernor Hollis Fitch of Eagle Pass,  
 told Ozona Rotarians in a talk  
 to the club Tuesday noon on his  
 annual visit to clubs in the dis-  
 trict.

The 512,000 members of 11,015  
 Rotary clubs throughout the free  
 world are exercising a tremendous  
 influence for solidarity in the free  
 world for a united front of free  
 men against communist slavery,  
 the District Governor told his lis-  
 teners. He recalled the work of  
 Rotarians in Peru and Ecuador, at  
 the suggestion of a lone Rotarian  
 in the U. S., which led to settle-  
 ment of a boundary dispute be-  
 tween the two countries which had  
 caused three wars and threatened  
 a fourth.

### Nicholas To Become Watch Repair Man At Baker Jewelers Here

Effective Monday, Oct. 30, M.  
 E. (Nick) Nicholas, manager of  
 Baker Jewelers here, will be in  
 charge of the watch and jewelry  
 repair department of the local store  
 when Clarence Key, who has been  
 in charge of the repair work,  
 leaves for a new post in Sonora.  
 Mr. Nicholas is a graduate

watchmaker and has had many  
 years of experience in this field.  
 He was employed in repair work  
 with Baker Jewelers in Marfa for  
 eight years prior to coming to O-  
 zona after M. S. Baker of Marfa  
 purchased the store here in April  
 1960.

Also at the time of the change,  
 Mrs. Nicholas will become asso-  
 ciated with the store here, assist-  
 ing her husband with the manage-  
 ment.
