I see young couples say the time when they are around together. . . . will be prohibitive, at a round trip to the cost about three million operating expenses. Of course, there will be a federal subsidy that. Divide the cost by 300 passengers, tax and the price of service to those travelers, and I figure no one would make the trip except movie moguls, and Billie Sol Estes try to buy before they are

New Names In Football For 1962

District Becomes Loop; 3 Added, 3 Dropped

I picked up three new names and dropped two old ones in the management of school football this year resulting in names appearing on the schedule while two names that were on the schedule for last year have been dropped.

Names on the schedule for this year are Junction, a new foe who did not play since leaving the Oklahoma and Stanton. The team will find themselves in a district in the team organization for years and will find no longer in the dis-trict remaining on the

Miss Jan Pridemore
Queen of 1962 Ozona Junior Rodeo

Rodeo Queen Jan Pridemore To Reign Over 5th Annual Ozona Junior Rodeo

Reigning as Rodeo Queen over the activities of the fifth annual Ozona Junior Rodeo to be staged at the Fair Grounds July 12, 13, and 14 will be Miss Jan Pridemore, 18, daughter of Mr. and Mrs. Ottist Pridemore of Ozona.

Jan, a blue eyed, ash blond, was chosen queen from among a number of fine candidates, on appearance, horsemanship, and general attitude.

Miss Pridemore is a 1962 graduate of Ozona High School where she was salutatorian of her class and plans to enter Baylor University this fall where she will major in music education.

During the 1962 rodeo, Jan will reign as queen until the new queen is selected on the last night of the show.

Jan excelled in a number of fields during her high school car-

eer having won first division honors in state music club contests, first place in the Make It Yourself With Wool contest on both local and district levels and represented her school in extemporaneous speaking in Interscholastic League competition, winning second in district and advancing to region.

Miss Pridemore was Lions Club sweetheart her senior year where she served the club as pianist. She has been first pianist and now organist at the first Baptist Church for the past two years.

Jan loves horses and likes to ride which might be understandable since her father is a well known West Texas horse buyer and dealer, but Jan says that the pace of activity for the past year has greatly curtailed the amount of time she has to devote to her hobby but next week she plans to catch up some on lost time.

Bob Scott, With SCS In Virgin Islands, Back Home On Leave

Bob Scott, formerly stationed in Crockett county as work unit conservationist with the Soil Conservation Service, and one of the men most responsible for early completion of the protecting flood water dams above Ozona after the 1954 flood, was visiting friends in Ozona this week.

Mr. Scott, Mrs. Scott and their children are on a two months leave from his job with the Soil Conservation Service in the Virgin Islands where he went on leaving Ozona last year.

"There is a great challenge in the Virgin Islands," Scott said. He works with farmers and ranchers in all of the islands while based on St. Croix Island. He is assisting the agricultural operators in overcoming problems of soil and management peculiar to the area.

He will return to the Islands in late July. He and his family will visit friends and relatives in Lubbock and Fort Worth during the remaining period of his leave.

Miss Jayne Cole, daughter of Mr. and Mrs. Dan Cole of Ozona, and Miss Becky Cullins, daughter of Mr. and Mrs. Dan Cullins, have been accepted as students at the Shannon Hospital School of Nursing in San Angelo. The girls will begin their training, which will extend over three years, on September 4.

Crockett 4-H Club Members To Attend Leadership Camp

Three members of the Crockett County 4-H Club under the leadership of County Agent Pete Jacoby will attend a two-day district Leadership Camp at Scott A-bel Camp near Clouderoff, N. M., next week.

Boys making the trip will be Jack Applewhite, David Jacoby and Larry Williams. The group will leave Ozona Tuesday, attending camp Wednesday and Thursday and return to Ozona Friday.

There will be approximately 150 boys and girls from the district attending the leadership camp where the group will receive training in all phases of 4-H Club work and leadership.

Mahon To California For Surgery On Arm

Dixon Mahon, District Attorney of the 112th district will attend the opening of court in Fort Stockton the first part of next week and will leave toward the end of the week for California for surgery on his arm.

Mr. Mahon, who lost his left hand in a gun accident here a few months ago, will report July 16 to the University of California Medical Center Hospital in Los Angeles where he will undergo surgery preparatory to the fitting of an artificial hand whose mechanical manipulations will be controlled by muscles in the arm.

Frank F. Friend To Be Buried At 4 p.m. Here Today

Pioneer Crockett Land Surveyor and Rancher Dead at 87

Funeral services will be held at 4 o'clock this afternoon from the Ozona Methodist Church for Frank F. Friend, 87, a pioneer Crockett county ranchman and land surveyor, who died at Memorial Hospital in San Angelo late Tuesday. He had been hospitalized there nearly a year.

Mr. Friend was in charge of the resurvey of the more than 2 million acres of University lands in West Texas and spent more than ten years in the project. He had operated an 18-section ranch in Crockett county since the death of his father, Joseph W. Friend, but in the meantime had enjoyed a most colorful career, including the surveying work, shipyard work and his hobby, the building of powerful telescopes with which he surveyed the heavens and studied the stars.

Services will be conducted by the Rev. Morris Bratton, with graveside rites by the Ozona Masonic Lodge of which Mr. Friend was a charter member. Nephews will act as pallbearers.

Mr. Friend is survived by his widow, the former Sarah Ollivia Byrd, whom he married in Ozona Oct. 4, 1904; two daughters, Mrs. Floy Friend Hume of San Angelo and Mrs. Earl W. Sudderth of Dallas; a sister, Mrs. Pon Seahorn of Ozona; three grandsons, two great granddaughters and two great grandsons.

Workers Perfect Final Plans For Rodeo July 12-14

Top Hands Of Area Expected To Enter 5th Annual Event Here

Dozens of last minute jobs were being undertaken this week as preparations for the Annual Lions Club Junior Rodeo went into their last week before the big opening day Thursday, July 12.

A parade featuring the famous 539th Air Force Band based at Randolph Field in San Antonio, Miss Nancy Friend, Miss Mohair-elect, and a number of other attractions will open the rodeo.

The band was secured through the efforts of Major W. C. Bowman, commanding officer at the Ozona AFS and will possibly remain only long enough to attend the barbecue which will be held in the city park following the parade.

The rodeo itself will include competition in both junior and senior divisions for both boys and girls and the three night performances will begin at 7.45 each evening followed by a dance at the (Continued on Page Three)

Arthur Pelto, Father Of Ozona School Man, Is Dead In Minnesota

Arthur Pelto, 70, died suddenly at his home in Virginia Minnesota last Friday and was buried Monday according to word reaching the Stockman this week.

Mr. Pelto was the father of J. A. Pelto, the Ozona High School Principal, who along with his wife and children are in Minnesota for the summer.

Mr. Pelto was a native of Finland, having come to the United States as a young man, settling in Virginia, Minn., where he worked for many years in the great iron mines of that area.

Mr. Pelto had been retired for a number of years following a heart attack, but had been in relatively good health.

Survivors include his wife, one son, J. A. Pelto of Ozona, and one daughter of Virginia and five grandchildren.

Miss Betty Baggett

Betty Baggett To Represent Ozona At Ft. Stockton

Ozona Miss to Appear In Annual Water Carnival Show

Miss Betty Baggett, 18, daughter of Mr. and Mrs. Jack Baggett of Ozona, was chosen by the Ozona Lions Club to represent the club at the Ft. Stockton Water Carnival to be held July 19 and 20.

Betty was a spring graduate of Ozona High School and was a cheer leader last year. She plans to enter T. C. U. in Ft. Worth this fall.

The Lions Club representative is a former resident of Ft. Stockton before her parents moved to Ozona several years ago.

Miss Nancy Friend represented the Club in the Carnival last year and was later elected Miss Mohair for the coming year.

Window Decor For Spirit Of Rodeo Goes Up In Ozona

Bucking Broncs, Bulls Appear On Business Windows In City

Ozona began to assume a rodeo atmosphere early this week when business houses began getting colorful rodeo paintings on their display windows.

Buck Hawkins and his wife from Helotes, Texas, near San Antonio, doubles as a sign painter and a bronc rider in the rodeo business, usually doing his painting in the early part of the week and entering rodeos on the weekends.

Buck got into the sign painting work more or less by accident when he was injured in a rodeo fall in 1949 and took up sign painting until he was able to work again.

The idea of painting rodeo signs came from one of Buck's associates and has proven to be a good sideline for his rodeo work or at times the reverse is true when his luck isn't so good on the broncs.

The painting of rodeo signs has become very popular as a means of rodeo advertising and Buck works mostly through civic organizations who contract the work and have the assignments ready for him when he comes on the scene.

The painting is a team job with Buck doing the outlining and his wife filling in the painting until they get enough outlines ahead for both to start the filling in process.

The painting itself is colorful, needs no storage and, with West Texas winds what they are, does not present the problem of installing as other types of decorations do

Rodent Control Man To Be Here For Prairie Dog Eradication Work

V. R. Smith, field man for the Rodent Control Service, Texas Fish and Wildlife Service, Lubbock, Texas, will be in Crockett county during the week of July 16 for the purpose of eradicating any prairie dog towns in the area at the request of owners.

Any ranchman having prairie dogs and wanting them eradicated should contact Pete Jacoby, county agent. The only expense to the landowner will be the cost of materials used in the eradication.

School Building Bond Issue Up To Voters Saturday

Approval of Issue Will Not Raise Taxes; Cite Office Room Need

The first step toward modernizing a school operation that has quadrupled since construction of the present high school building, in numbers of students and faculty members as well as budget expenditures, will be taken Saturday of this week as the school board asks voter approval of a \$50,000 bond issue to construct a school administrative office building and a superintendent's home.

Construction of an office building to house the business end of the school operations would take out of what amounts to a hallway in the present high school building the records and administrative end of the biggest business in Crockett county.

Built to accommodate a high school of less than 80 pupils and a system of less than 25 teachers the office quarters provided for the school's administrative staff was geared to the school's size at the time of construction of the building in 1932. Now more than four times as large a student enrollment and a teaching staff twice as large, the office quarters have long since been outgrown and now present a real problem in handling the school's business and expanding records.

The proposed new administrative building will be built on the lot now occupied by the old residence which serves as a superintendent's home, next to the Davidson Memorial gymnasium. It will be approximately 38x38 and will contain adequate quarters for school offices, record storage, conference quarters, etc. The present office space in the high school will serve the principal as office quarters and record storage.

Approval of the new bond issue will not necessitate a raise in the local tax rate. The district, whose area embraces all of Crockett county, has a property valuation of over \$32 million and an outstanding bonded indebtedness of approximately \$130,000.

The school board plans to raze the frame structure now serving as a home for the school superintendent and either buy a suitable home if one is available or build one to serve as a home for the superintendent. The schools already owns 34 teacher housing units built in years past, providing housing for members of the teaching staff.

Voting in Saturday's election will be at the courthouse, with ballots available in only one voting place in the county. Voters who originally vote at polling places outside of Ozona in the county will be required to come to Ozona to vote in the bond election.

Ozona LL All-Star Squad Is Selected; Meet Sonora 19th

Strong Squad Picked To Play in League Elimination Series

By Ernie Boyd

The 1962 Ozona Little League All-Star were named this week and will open playoff play Thursday July 19 when they face the Sonora All-Stars in Ozona.

Sonora will be expected to field a strong squad again this year after defeating Ozona last summer for the first time since it began play.

In spite of a year which did not seem to come up to the level of play that the Ozona League has had on occasions in the past, the Ozona all-star squad could be very good one as there were a number of outstanding individual stars in the league this year from whom a very strong squad has been se-

Coleman Rodeo Set For July 11-12-13-14

Coleman's 2th annual RCA professional rodeo will be held in Coleman Wednesday through Saturday, July 1-14, with night performances only, beginning at 8 p. m.

Afternoon parades will be held each day at 5 p. m. with a dance at the National Guard Armory following each rodeo performance, featuring the music of Don Allen and his Sunset Ramblers of Lubbock.

Rodeo producer Buettler and Son of Elk City, Okla., will furnish the livestock. In addition to the bare-back bronc riding, steer wrestling, saddle bronc riding, calf roping and bull riding, stellar feature attractions are included on the program.

There will be a special matched calf roping event each night, between Bill Teague of Crane and Ray Wharton of Bandera, two of the nation's top ropers. Another feature will be the cowgirl's barrel race.

Mrs. Joe Pierce is in Ruidoso, N. M., this week visiting with Mrs. Wayne W. West at the West summer home in Ruidoso.

Ozona will not be without its own talented performers as Carey and Mary Ann Pitts, Pam and Paul Perner, the Bland youngsters, Nancy Friend, Jay Miller, Frank Childress, Huey Coates and numbers of others.

OZONANS VISIT ALBUQUERQUE

Albuquerque, (Special) — Mr. and Mrs. Ross Hufstler of Ozona, Texas visited historic "Old Town" in Albuquerque, this week.

Gay and colorful Old Town Plaza, dating back more than 250 years is a favorite rendezvous for both visitors and residents, and was Albuquerque's original town-site.

The Plaza is ringed with charming, candle-lit restaurants, picturesque shops and patios, and art shops and galleries. Old Town is the center of one of the West's most prolific and best known art colonies.

Joe Patrick, local electrician, is reported much improved at the Crockett County Hospital where he has been for several weeks following a recent heart attack.

Rutherford's Vote For Trade Bill Said Against Best Interests Of Texas

Ed Foreman of Odessa, Republican Candidate for U. S. Congress from Texas' 16th District, today charged that Congressman J. T. Rutherford voted against the best interests of Texas, and particularly the oil and cotton producing area of West Texas, when he voted in support of President Kennedy's sweeping trade expansion bill last week.

Foreman said, "This new bill gives the President unprecedented authority to drastically lower and even eliminate tariffs in many instances. The bill provides more federal spending of our tax dollars to compensate industries hurt by tariff cuts and weekly allowances to displaced workers up to 6 per cent of their normal pay — much higher than general unemployment insurance levels — for periods up to a year and a half."

"But the most devastating part of the new bill," continued Foreman, "is the lack of any provision to assure adequate protection for the oil industry which is so vital to this state. Texans have paid unusually high for the continuing oil import program that has crippled our domestic program so drastically and brought on the levying of a sales tax upon the citizens of this state. The President has given no indication whatever that he intends any action in this matter and efforts to have realistic quotas imposed on oil imports have met continued disappointment."

"Again, we find our Congressman voting away our, and his, rights to the President to make our decisions for us and look after our problems, and along with them, our freedom of choice in our community and personal affairs."

LETTERS To The Editor:

Hurray for the Supreme Court. It is now official from the highest source what a lot of us have known all along. God has been banned and sex sanctioned. Yessir, in one fell swoop, our high court has banned prayer in the public schools but refused to ban a publication which features nude men. Could be we need to do some robe shaking in Washington — what do you think?

Sue Arledge

Do you know that we Americans pay for the postage on communist propaganda which moves to this country? Do you know that this material is not open to censorship while any mail of ours that goes to a communist country can even be confiscated? There is a bill (HR7927) to increase postal rates — it has passed the House of Representatives but not the Senate — it contains an amendment prohibiting the Post Office Department from distributing, free of charge, any material which the Attorney General declares to be communist propaganda. How do you feel? Write your Senators — John Tower and Ralph Yarborough Senate Office Bldg., Washington. Sue Arledge

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — State-owned islands along the coast, and submerged lands in inland waters, now are available for lease for industrial purposes.

Leasing for industry was authorized last year by the Legislature. First step in the program was for Gov. Price Daniel to select the men to serve on a committee to advise the School Land Board on leasing procedures.

Daniel now has named — Chrys Dougherty of Austin, an attorney, and Dr. Armstrong Price of Corpus Christi as the advisors.

School Bus Bargains — Prices of school buses are falling. State Board of Control, which buys buses for all the school districts on sealed bids, found that the price of 72-passenger buses has fallen by about \$1,200 this spring.

Leases Go Up — but there was a note on higher prices, too. For many years, the University of Texas lands in West Texas have been leased for oil and gas with only one-eighth royalty reserved for the University of Texas and Texas A&M College, which share in the proceeds.

This year, the royalty was raised to one-sixth, and only 9 of 101 tracts offered for lease were passed

over by the oil company bidders who bought them at an auction sale. Cash bonuses averaged \$38.64 an acre.

Textbook Storm — The special House of Representatives committee which had some stormy hearings wound up its business with an internal storm.

Rep. W. T. Dungan of McKinney held the final hearing all by himself in Dallas. Other four members boycotted the meetings, then voted to expunge it from the record.

Each member will write his own report to the House on the procedures by which textbooks are selected.

During its stormy life, committee

heard one member called a "card playing communist" by a lady in Amarillo. He filed suit against her, and apparently the folks back home didn't believe her, because he won re-nomination.

Parks Folder — An attractive new folder describing for tourists the facilities and location of state parks is being made available by the State Parks Board.

A fishing scene at Lake Brownwood State Park is the colorful cover for the booklet.

More Oil Suits — More and more lawsuits are being filed out of the East Texas Field crooked hole investigation.

Latest was a \$13,000,000 suit

filed by the attorney against operators of a well. He contends that through a crooked hole the "deviation" process wells wound up under else property had quite awhile. But the indication that it was that far back.

Now why would Martha put laundry in the freezer?

Flameless electric living is a way of life, nowadays. Sometimes this wonderful way of life in the world of women brings about strange sights—sights that are incomprehensible to the mere man. Once a man sees things more marvelous, even, than laundry in the freezer. That's because Martha . . . and all the Marthas served by West Texas Utilities Company . . . knows better than anyone (even us) the many ways to live better, electrically.

All right, Mister—why does she put laundry in the freezer? Ask the inventor; she will also show you other ways her family uses flameless electricity for a better life.

International Audience Observes Delicate Ear Operation on Ozonan

The spectacular success of a rare and delicate ear operation in a Houston hospital recently so impressed a visiting ear specialist from Casablanca, Morocco, that he asked the State Department to extend his visit here.

And the patient who underwent the delicate surgery and emerged with a "good hearing" ear was Ivy Mayfield, Ozona contractor.

The surgery was performed in Houston by Dr. Fred R. Gilford, well known research worker in ear surgery in Houston.

A comparatively new technique, the operation is known as stapedial surgery and involves the freeing of parts of the inner ear and transplant of a small section of a blood vessel taken from the patient's wrist to make a new operating part for the delicate mechanism by which mammals hear.

Observing the operation was Dr. Mohammed Ben Mebarek, an ear

surgeon employed by the Moroccan Ministry of Health, and in the United States for study and observation of American techniques. Dr. Mebarek followed the case from preparation to completion, the Ozonan said. The operation was done with local anaesthetic and at its conclusion, Dr. Gilford called Mr. Mayfield's name and asked him if he could hear.

"I sure can," the Ozonan replied joyously. His hearing will be better than 90 percent in the operated ear, physicians told him, and he plans later to have the same operation on the other ear. But with the one ear he will be able to discard the hearing aid he has worn for many years.

Mr. and Mrs. C. S. Denham of Lubbock were visitors in Ozona over the past weekend. Mr. Denham was superintendent of schools here for many years.

James A. and Jordice Harvick of Monterrey, Mexico, have been visiting with their grandmother, Mrs. S. M. Harvick of Ozona.

WEDDING PLANS of Miss Joan Bower, daughter of Mr. and Mrs. Edwin G. Bower of Dallas and granddaughter of Mrs. Vera Baker of Ozona, to Charles M. Martin, son of Mr. and Mrs. Emory L. Martin of Dallas, were announced recently. The couple plan to be married August 16 in Dallas. Miss Bower was honored at a brunch Saturday morning in the home of Mrs. J. M. Baggett here, with Mrs. Baggett, Mrs. James Baggett, Mrs. Duane Oswald and Miss Sally Baggett as hostesses.

Niece Of Ozonans To Be Married In Abilene

Mr. and Mrs. John Sayles, Abilene, announce the engagement of their daughter, Marjorie Frances, to John Edwin Grist, son of Mrs. John Walter Grist of Canadian and the late Mr. Grist.

Miss Sayles is a graduate of Abilene High School and is a junior student at Texas Technological College. She is a member of Zeta Tau Alpha sorority. She was presented at the Abilene Cotillion Club's 1961 Christmas Ball.

Her fiancé is a graduate of Canadian High School and will be graduated August 25 from Texas Technological College where he will receive a Bachelor of Business Administration degree.

He is president of the 1962 senior class at Tech and was named Distinguished Military Student. He also received the All-College Recognition for Leadership award. He is a member of Phi Gamma Delta fraternity, of Scabbard and Blade and of Saddle Tramps.

The couple will pledge marriage vows on Monday, August 27, at eight o'clock in the evening. The Rev. Joe David Ruffin will read the nuptial. Service at Central Presbyterian Church.

The bride-elect is a niece of Mr.

and Mrs. R. L. Bland, Jr., whose children will be members of the bridal party. Miss June Bunger, daughter of Mr. and Mrs. George Bunger, Sr., will be a bridesmaid in the wedding.

MISS HELEN HENDERSON ON TRIP TO HAWAII

Miss Helen Henderson, daughter of Mrs. Claude Russel of Ozona, is in Honolulu with a student group for a 6-weeks study course at Kapaa on the island of Kauai.

The group left last week with a stop-over at Disneyland and then traveled to Hawaii by jet. The tour will include trips to various islands and students will have an opportunity to visit in Hawaiian homes.

The return trip will be made via Seattle for a 2-day stop at the world's fair.

SHOW SAFETY FILM

A film stressing safe driving — and showing some of the results of the not-so-safe driving — will be shown at the Calvary Baptist Church Friday evening, July 13, at 8 p. m.

The film will run 45-minutes to an hour. Everybody is invited. There will be no admission charge. Teenagers especially invited.

Jim Scott Wins July Fourth CC Golf Tournament

Art Kyle Noses Out Veteran T.J. Bailey For Runner-Up

James Scott turned in a one under par 35 on the last nine Wednesday afternoon to pull away from Art Kyle, Jr., and T. J. Bailey to win the 1962 Ozona Country Club championship.

Kyle and Bailey finished the 18 holes deadlocked but Kyle picked up one stroke on the second hole to win runner up honors.

Scott held a one stroke lead at the end of the first nine, posting a 37, while Kyle had a 38, and Bailey a 40, but three straight birds on number 5, 6, and 7, after Kyle tied the match up on number 4 brought the victory.

Bailey also posted a 35 on the back nine to gain two strokes on Kyle but could not gain on the winner.

Beecher Montgomery and Mustard Williams both faded early and were not in close contention after the first nine.

In the first flight Red Greer posted a fine 71 despite hacking out a 7 on number 5, to win the flight followed by Jim Dudley. The consolation honors in the Championship flight went to Allie Lock with Brooks Dozier winning a playoff to garner the runner up honors.

In first flight consolation Tom Ed Montgomery was the winner and Billy Conn was runner up.

In the second flight Buddy Russell won over Joe Clayton who was runner up while Charles Garlitz won the consolation and John Childress was runner up.

Third flight play found Gene Williams the winner followed by P. L. Childress, Jr., while the consolation honors went to Warren Talieffero with Melvin Richardson second.

In the fourth flight Dub Reeves was the winner with Bill Carson second. Consolation honors went to Roy Thompson with Jack Baggett runner up.

In the fifth and final flight George Bunger was the winner with Joe Logan runner up. Consolation play went to Dick Kirby with George Bunger, Jr., runner up.

First round matches found the following results:

Championship flight, James Scott over Bill Clegg 4 & 2, Beecher Montgomery over Brooks Dozier 1 up, T. J. Bailey over Arthur Kyle 2 & 1 and Art Kyle, Jr., over Joe Williams 1 up.

In the first flight the first round was as follows: Jim Dudley, bye, Red Greer over Tom Montgomery 1 up, Sherman Taylor over Floyd Hokit 4 & 3 and Pete Jacoby over Billy Conn 3 & 2.

Second flight: J. G. Hufstедler over Dick Webster 1 up on 10 Bill Pinkston over Charles Garlitz 2 & 3, Sonny Edmiston over George Bunger, Jr., 1 up, Jack Williams over Eddie Nations 3 & 2, Joe Logan over Gene Lilly 2 & 1 and George Bunger over Dick Kirby 1 up on 10.

Third flight: Vic Montgomery over Warren Talieffero 3 & 2, Gene Williams over Melvin Richardson 2 & 1, Bill Cooper over Armond Hoover, Jr., 2 & 1 and P. L. Childress, Jr., over Charles Williams 2 & 1.

Fourth flight: Dub Reeves over Roy Thompson 2 — 1, B. W. Stuart

over Boyd Clayton 1 up, H. A. Harmon over Jack Baggett 2 & 1, Bill Carson over Oscar Kost 4 & 3, Sonny Edmiston over George Bunger, Jr., 1 up, Jack Williams over Eddie Nations 3 & 2, Joe Logan over Gene Lilly 2 & 1 and George Bunger over Dick Kirby 1 up on 10.

In women's play Wednesday morning, Mrs. Demp Jones scored a 36 with her handicap for low score in the 9 hole medal play to take the club championship follow-

ed by one stroke by Mrs. Ann M. ley with a 37.

Third place in the women's tournament went to Mrs. Alice Mullian who scored a 41.

A Junior tournament held Tuesday almost produced a dress sweep, but George Bunger broke it up by capturing the title with David Childress as runner up.

In B flight Dwan Childress was the winner and Charles Childress was runner up.

Mrs. Clay Adams and daughter, Camille, in New York for a visit while awaiting Camille's ship for Europe, met and visited Mr. and Mrs. Roy Killingsworth and son, Roy Neal, who were visiting in New York prior to Roy Neal's going to Camp Hunt in upper New York State as counselor.

Roy Neal and Camille visited Greenwich Village and other spots of interest prior to his departure for camp.

Mrs. Adams and Camille saw two current Broadway productions before Camille sailed for Europe. Her ship is due to dock in Rotterdam, Holland, today.

Mrs. Adams returned to Texas by jet this week and the Killingsworths are on their way home down the east coast.

Oil Conservation Unit In Crockett Featured In Article

The Cities Service - operated World, West (Strawn) conservation unit in Crockett County is featured in West Texas Today, publication of the West Texas Chamber of Commerce.

The article is titled "No Disposition of Oil Reserve Here." It states that the World, West Unit has been cited in trade journals and technical association meetings as "one of the best examples of early-day attention to pressure maintenance and the automatic approach to attaining the ultimate in long-life reservoir conservation and oil recovery."

With the fine control on reservoir conditions now possible through highly-automated production-testing and programming, Cities Service estimates there will be 6.5 million barrels of oil to be recovered before the oil production phase is terminated.

And, through automation, the right arm of conservation, it is estimated the field has 10 more years of oil productive life, the article states.

Mr. and Mrs. Ira Carson and family attended the annual Carson family reunion held Saturday and Sunday at Granite Shoals lake near Marble Falls. Attending from Ozona besides Mr. and Mrs. Carson were their children and grandchildren, Mr. and Mrs. James Childress, Bob and Carmen; Mr. and Mrs. Bill Clegg and Chris, and Mr. and Mrs. Bill Carson, Billy and Bonnie.

Miss Lola Mae Daniel Assigned To Formosa For Missionary Work

Miss Lola Mae Daniel, former Ozona teacher who retired from teaching this spring, has been assigned to Formosa by the Southern Baptist Foreign Mission Board and will fly to Formosa in mid-August to begin her work there.

Miss Daniel is in Ozona this week to pack her personal effects for shipment to Formosa and Sunday the First Baptist Church will observe a Miss Lola Mae Daniel appreciation day.

In going to the foreign mission field Miss Daniel is fulfilling a long existing desire. However, the work will not be entirely new to her since she has been active in summer mission work for several years, having spent two summer terms in Alaska.

Before retiring Miss Daniel taught first grade at North Elementary where her work on that critical level has received high commendation.

In teaching the last school year, Miss Daniel fulfilled the requirements for retirement, having acquired the time in service and age level required for retirement.

A Creek In My Back

By Allan R. Bosworth
(Continued from Page One)

now to be known as village elders and to sit in tribal council, who were most fortunately born. We came in the Years of the Horse. We hung around long enough to see the horse whinny, plaintively, back up, and take a rear seat. We saw a few things happen. . . .

Back here in my old home town, I remember freight wagon outfits rattling down from a railroad that was 85 miles away, with bells on the hamestraps making Santa Claus music in July. I remember the horse-drawn stage from Ozona to San Angelo — it changed times four times in the 85 miles, and made the run in ten hours. In 1908, the line was motorized with a two-cylinder, Model F Buick, cranked from the side and equipped with carbide headlamps. The price went up to \$7.50 one way, or \$14 round trip.

The Wright Brothers made their first powered flight at Kitty Hawk five years before. But Kitty Hawk was a long way away, and the idea of flight was even farther. A railroad later came within 29 miles of my home town. We were fond of listening, on the party-line telephone, for the whistle of the locomotive as it pulled in, hauling a string of cattle cars with one forlorn passenger coach hooked on the rear.

Well, we saw the spur of transportation. There is still no railroad, under in a county twice the size of the State of Rhode Island, but the highways are paved, and trucks roll smoothly down from the millhead and beyond. Airplanes are still not — Ozona people now flown all over the world. The cowboy has been motorized — he still can ride a horse anywhere, but has swapped his saddle for the upholstered seat of a pickup truck. For really tough going, he uses a jeep.

The cowboy of today reads the paper — maybe a day late — watches TV, and dreams of Getting Away From It All and seeing the Taj Majal by moonlight. Maybe, now, he will even dream about getting into orbit, circa 1980, and visiting the moon. More power to him. There is

1/2 cup grated American cheese
Directions:
To your favorite pie crust add the curry powder and parsley and mix it.
Dice vegetables and parboil lightly in small amount of water 15 minutes.
Mix vegetables with lamb, lamb gravy and seasoning to taste. Pour into deep casserole and cover with pie crust. Sprinkle with cheese and bake in 375 degree oven for 45 minutes.

only one disturbing factor to an old ranch hand of the freight wagon, stage coach and carbide-lamp days — I note that, by and large, we still measure engine output in the terms of "horsepower." The cowboy's cutting horse, turned out to pasture, may get quite a horse laugh out of that . . .

lected.
Named to the team were Marlin Farris, George Cox, Oscar Flores and Catarino Cervantez all from Hampton Moore Oil. From B&B Tony Garza, David North, Gary Lee Sutton, and Fleet Coates were chosen. Mason Motors had three members of its team picked. They were Johnny Lee Barbee, Deany Eversole, and Allen Merritt and Ozona Oil had two, Calvin Montgomery, and Alfred Groesbeck. One other member of the team remains to be named.

The squad had good depth and unusual versatility with most of the better player being skilled at a number of positions, allowing the manager to get his best nine on the field without sacrificing skill and experience.

Two years ago when the Ozona team advanced so far, it was not thought at the start that the O-

zona pitching would be strong enough to carry the team, but the reverse proved to be the truth as the pitching had both depth and class.

In action this year the best looking pitchers have been Tony Garza, Catarino Cervantez, George Cox and Allen Merritt about in that order. All four are fine hitters with Cox and Merritt possibly having the edge in average with Garza having the edge in powder.

The squad has excellent catching and the balance of the squad chosen seem to be above average players.

In the week's play just completed Moore Oil downed Mason 9 to 6 and Ozona Oil 9 to 8 as Coach Bud Cox gave his reserves considerable experience. George Cox homered for Moore in the Mason contest.

B&B won both of its games, bouncing Mason 7 to 2 and then Monday night winning a pitching duel 2 to 1 over Ozona Oil. Pitcher Tony Garza went the distance and teamed with battery

ARE YOU INDEPENDENT?

July the Fourth is a symbol of American independence.

Are you one of the fortunate Americans who are completely solvent and independent? If so, you are to be commended, because you are a wise manager of your finances.

Unfortunately, too many people are not independent today, either because they live beyond their means or they are just plain negligent in their paying habits. Any-

one can have a temporary setback, but one who stays behind regularly with his bills is irresponsible. This person not only harms himself, but brings embarrassment to his family, friends, and relatives.

Resolve to start this month to gain your Independence From Creditors!

Remember — "You run down your credit when you run up your bills."
