Vehicle License Plates For 1963 Now On Sale Here

Passenger Plates To Start At JY 7675; Black On White

Auto license plates for 1963 went on sale last Friday at the Crockett county tax office.

Passenger license plates for Crockett county this year will carry the prefix JY. The numbers start at 7675. The local office is supplied 1500 plates for the year, expecting to sell from 1,000 to 1,100 to April 1.

The new color scheme will be black numbers on white background.

Truck license tags will carry the prefix 2M and will start at 8150 in this county. Farm truck license plates start at 8P-3250.

New regulations on trailer licenses go into effect this year. Different prefixes will be used to designate weight ranges, the first group up to 10,000 pounds, the second from 10,000 to 18,000 pounds and the third from 18,000 pounds up.

Another change in regulations affects auto dealers and the purchasers of new cars.

Permanent metal tags are bought by the dealer as before, but the cardboard tag bearing the dealer's regular license number must carry the words "Buyer-Texas-1963" printed in red ink on white cardboard. Tags for the dealer's exclusive use for moving cars before sale to a customer will be printed in black and carry the title "dealer-in-transit."

Such tags must be attached to the license plate holder rather than being displayed in the car window.

The collector's office reminds vehicle owners that the low requires the collector to examine certificate of title and last year's registration papers before issuing a new license. Therefore, you will save time if you remember to take your title and registration papers along when you go to get your new license plates.

Allie Lock Wins In Harlingen Tourney

Harlingen, Texas — Lonnie Wendland of San Antonio is the 1963 champion of the Life Begins at 40 Golf Tournament that was held here, Jan. 28-Feb. 2 with a capacity field of 256 golfers from 21 states and Mexico. Wendland defeated Henry Richards of Jacksboro, 1-up in the finals of the championship flight.

Texas' most-popular tournament for the older golfers was held, except for one day, in spring-like weather, while most of Texas and other states were experiencing freezing temperatures.

Among the trophy winners in the eight brackets into which each flight was divided was Allie Lock of Ozona, paired in the first flight. Lock defeated Eli Rubin of Hallettsville, 2 and 1. Lock also won a golf bag in addition to the trophy.

Delay Ballot Count To Allow Full Vote For C of C Directors

Additional time was being allowed for all ballots to be returned in the mail voting for selection of a board of directors for the projected new Ozona Chamber of Commerce, organization of which was decided at a recent mass meeting of business men.

Ballots, containing the names of some sixteen or seventeen nominees for places on a 12-man board of directors, were mailed out last week to those who signed the register list at the meeting. Anyone who wishes to become a member of the Chamber and who wishes to have a vote in the selection of directors, is invited to get a ballot at the office of Jack Baggett, who acted as temporary secretary at the organization meeting, or to call Dixon Mahon, who was acting chairman at the meeting.

Lions Push Into Tie For Second In District Standing

Meet Eldorado Here Friday Night For Tie Breaker

By Ernie Boyd

The Ozona Lions won two district games over the week just past to push into a tie for second place in district 8-A. They downed the Iraan Braves 80 to 76 in a double overtime last Friday and then downed a fired up Sanderson team 61 to 49 in Sanderson Tuesday.

The Lions will face a showdown for the second place position in Ozona Friday night when they meet Eldorado, the team with which they are tied.

The Lions lost a close 58 to 60 decision to the Eagles in Eldorado in the first round and would like to avenge the earlier loss.

Tuesday night the Lions will face league-leading Big Lake in Ozona.

The Iraan contest began as a run away, with the Lions surging into a commanding 20 to 4 lead in the first quarter. But as the Lions relaxed, the Braves started a determined comeback, forging into a 69 to 69 tie at the end of the regulation game.

The Lions very nearly lost the contest in the first overtime with a steal by Pete Montgomery and a basket by Brent Moore tying the score just before the extra period ended.

In the second overtime a basket by Scott Mahon, two free throws by Pete Montgomery and a steal and layup by Rodney Stewart sewed up the contest before Iraan was able to make its final goal.

Brent Moore led the Ozona scorers with 21 points followed by Stewart with 16 and Robert Cox with 15. Pete Montgomery scored 12 points making four Lions who broke into double figures.

Iraan was led by Buddy Lane.

First Class Of Vocational Nurses Is Graduated Here

Mrs. Chas. Williams, RN Presents Caps to Her First Graduates

Crockett County Hospital School of Vocational Nursing, an approved school directed by Mrs. Charles L. Williams, R. N. nurses supervisor at the hospital, has graduated its first class.

Receiving their L. V. N. Caps at graduation ceremonies yesterday were Mrs. June Meadows, Mrs. Ann McKnight and Mrs. Ed Cranfill. At brief graduation exercises at the hospital, Jess Hall, minister of the Church of Christ in Ozona, addressed the graduates and caps were presented by Mrs. Williams, their instructor during the past twelve months of on-job training. A social hour for all members of the hospital staff and visitors followed.

The second class of candidates seeking to become Licensed Vocational Nurses is now in training at the hospital and will receive their caps in January of next year, having started a month earlier in the year than last year's class. Three trainees are enrolled in the second class.

Girl Cagers Win Over Sanderson To Cinch 3rd Or Better

The Ozona high school girls basketball team assured itself a finish no worse than third Tuesday night when they downed the Sanderson girls 24 to 19.

Ozona jumped into a 7 to 1 lead in the first quarter and was never behind in the contest which saw few field goals and no good percent of free throws scored.

Lana Kay Afford and Shidley Wagner each hit for critical points late in the contest to maintain Ozona's lead while Pauline Maness and Dina Fay Coates managed to control the backboards on defense to hold the home team at bay.

Sanderson made its most determined bid for the lead late in the fourth period when it pulled within two points, 17 to 19, but Shirley Wagner hit three of four free throws to pull the club safely ahead.

The win was the second in district play for the Ozona girls both wins coming at the expense of the Sanderson girls who have not been able to win.

Ozona will face Eldorado in Ozona Friday night and then end its season against Rankin in Ozona the following Friday.

OZONA BAND MAN HAS RUN IN WITH DEER

Eddie Green, Ozona High School band director escaped without injury last Saturday when his car struck a deer between Ozona and Del Rio.

The deer attempted to leap Green's car but crashed through the windshield, causing extensive damage to the automobile.

Ozona B Team Cops Consolation Honors At McCamey Tourney

By Ernie Boyd

The Ozona B team captured consolation honors in the McCamey B team tourney last week, and even though they were the only class A school in the meet, all others being from 2 and 3-A schools.

Coach H. O. Hoover's reserves took a 66 to 36 drubbing in the first round from the tree-top-tall Stanton Buffalo reserves. The Ozona team remained fairly close, trailing by 10 points, 24 to 14 at the half but the Buffs great height advantage began to tell in the last two periods. David Childress led the Ozona attack with 15 points.

In the consolation round, the Ozona team first met Monahans, winning 38 to 29 in a well played game that once again saw Childress lead the Ozona attack with Lynn Merritt the number two Ozona scorer.

The Lion reserves met a rather inept Alpine team in the finals and won with ease. Second stringers played most of the way winding up with a 38 to 19 win. Lynn Merritt led the Ozona attack with David Childress the runner-up.

Father Of Mrs. Post Is Buried In Ralls

Funeral services for Will Marr, 89, father of Mrs. Bailey Post of Ozona, were held Friday at Ralls, with burial following in Ralls Cemetery.

Mr. Marr, Ralls insurance agent, former druggist and furniture store operator there, died in a Lubbock hospital Thursday following a brief illness. Mr. Marr had lived in Ralls since 1913, the family moving there from Haskell in that year. His wife died in Ralls several years ago.

Surviving are three daughter, Mrs. Post of Ozona, Mrs. T. H. Richards of Glendale, Calif. and Mrs. Velma Bryant of San Antonio; a son, Dr. Wm. L. Marr of Galveston, a professor at the University of Texas School of Medicine in Galveston and practicing physician in that city; nine grandchildren and four great grandchildren.

Mrs. Harvick Named To Office In Auxiliary Of Natl. Wool Growers

Mrs. S. M. Harvick of Ozona was elected second vice president of the National Wool Growers Auxiliary as the women's group met in conjunction with the wool growers in Las Vegas.

Mrs. Roy Laird, Dubois, Idaho, was elected president succeeding Mrs. S. M. Eranbrack of Provo, Utah, Mrs. Herbert Corn of Roswell, N. M. is first vice president, Mrs. Merle Heller of Hammond, Idaho, secretary-treasurer, Mrs. John Aleman of Buckeye, Ariz., auditor, and Mrs. James Moore of Goodland, Kan., historian.

Mrs. Harvick has been state chairman of the Texas Mike It Yourself With Wool sewing contest since 1960.

County Ranchmen Contribute To Fly Control Fund Here

Leaders Ask Voluntary Response To Letter Plea

Following the mailing of a letter by committee chairman Wayne West to all Crockett county ranch operators announcing launching of a new drive for funds to support the screwworm control program, checks from voluntary contributors are coming in to the Ozona National Bank, workers reported this week.

Present busy times for ranchmen has delayed the person to person solicitation which is to be made among ranchmen and sportsmen of the county in an effort to raise as much additional money as possible toward assuring success of the program. But the enthusiasm among ranchmen for the program, whose success was demonstrated to some extent last summer and fall with the limited fly drops available, has led to a voluntary response to the appeal by letter far beyond the expectations of local drive leaders.

An additional one million dollars must be raised by livestock men between now and March - to assure continuation of the screwworm fly control program in the Southwest. Unless such producer funds become available, the federal matching funds will be withdrawn and the program must necessarily be halted.

An appeal for voluntary contributions to the fund, to save the time of committee workers, has been issued by local leadership in the hope that a substantial sum might be raised in Crockett county immediately.

With the help of this winter's cold weather, which is believed to have pushed back the screwworm front at least the north half of Texas, leaders of the program are confident that if it can be continued that the fly will be held to the Mexican border this summer and the fight will be won.

Volleyball Girls Find Rough Going In Odessa Tournament

The Ozona High School girls volleyball team found the going pretty rough in the annual Odessa Invitational tourney last week as they lost all four games the A and B teams took part in. These were the first games played this year by the local girls.

The Ozona A group, with three regulars returning from last year, were unable to cope with Imperial, a year in and year out west Texas power, and then ran into Crane the defending 2-A state champion, and found things even worse than with Imperial.

The B team lost their opening game to Odessa and fell out of the tourney by also losing their second contest.

The Ozona teams were rather shy in experience and have been hampered by lack of practice.

Writer Suggests Revival Of Community Council In Lieu Of a Chamber of Commerce For Ozona

The word is that Ozona is going to have a Chamber of Commerce — perhaps this is needed for community progress and if so, fine. But as we understand the proposal it will be necessary to pay a large salary to a manager, rent office space and incur other expenses in order to operate. This brings several questions to our minds:

Several months ago the idea of reorganizing the Ozona Community Council, and the reasons therefor, were submitted in the Ozona Stockman. Small response came. But the idea originally behind a Community Council was good and we feel worth reconsideration.

The idea: Already we have a governing body consisting of a

County Judge and four Commissioners, elected by majority vote and paid high salaries, presumably because of a desire on each one's part to make Ozona all that it can be as a place in which to live and earn a living. A community Council consists of elected representatives of all groups in the community whose job is to serve as a forum for open discussion and debate of any idea for community betterment. This would be time consuming but practical for a group such as this. Once an idea is openly discussed and debated by such a representative group could not the official group take it, knowing that it has been given serious consideration, and see to promoting it if they concurred in the finding of the Council? A dou-

ble check on any idea would only make for more solid advancement.

Most will agree that Ozona has some advantages as a place in which to live and should we not be reminded that most of its citizens have always been willing to give of their time and means in order to make it an even better place. For many years of solid and substantial progress the commissioners were paid only small per diem amounts for their time spent in meetings. And then they gave freely many hours of their time to carrying out the findings of the court. We know that it is true that we cannot go back in time but could we not build on some of these original concepts?

We fail to see that neighboring communities which have such or-

ganizations as the above projected one have accomplished any more in real progress than has been and can be, accomplished in Ozona without additional expenditure of large sums of money.

We once again humbly submit the idea of the Ozona Community Council for consideration and ask that it at least be considered. It did work and it can work again at no additional cost to its citizens except an expenditure of time and effort. We believe that our people would give these gladly to help our town progress. Worthwhile projects, properly presented to our people, have never failed to be financially underwritten when the time came to do so.

Sincerely,
Mrs. R. A. Harrell

UNFINISHED BUSINESS

What ever happened to our demand for on-site inspections in Cuba to assure ourselves that Russian "offensive" weapons were removed?

The point is unavoidably brought to mind by the Senate speech of Senator Kenneth B. Keating in which he warned of the continuance of a Russian military buildup in Cuba such that "it will be impossible to get them out with conventional weapons".

The Senator claimed "confirmed and undeniable evidence that the Soviets are maintaining the medium range sites they had previously constructed in Cuba" and added:

"There has been no Soviet move to dismantle these sites or withdraw the launching equipment, as one would expect if the Soviets intended in good faith to keep these missiles out of Cuba in the future.

"On the contrary, the Soviets' 24-hour maintenance of these sites gives rise to the very real possibility that Russia hopes to return the heavy missiles to the island and get them into commission — or, even more ominous — that they may have missiles left on the island and need only to wheel them out of caves."

He had no "confirmed evidence", said Senator Keating, that ground-to-ground missiles remain in Cuba, but that the continued Russian activity raises "serious questions."

"Without on-site inspection," he said, "it is hard to see how we will ever know the true missile situation in Cuba."

And, as we indicated above, it is also hard to understand why there have been no on-site inspections. Perhaps, with Mr. Keating's evidence as a starter, the Senate should undertake to find out.

FALSE DAWN

Any indication of awareness of America's low estate in the concert of nations on the part of a member of the official Executive Family should be at least slightly encouraging. Testimony of Treasury Secretary Dillon before the joint House-Senate Economic Committee revealed alarm in high Administration circles over De Gaulle's rejection of Britain's bid for membership in the European Common Market and the fear that France may pressure European banks to demand US gold for the US dollars owed them. The realization that our gold stocks could thus be wiped out and the dollar lose its prestige as a free world currency, the Secretary indicated, has set the Administration on its heels sufficiently to consider moves to protect our own country!

And now that we have virtually eliminated protective tariffs under the Trade Expansion Act, passed by the last Congress under Administration pressure, Mr. Dillon may go protectionist, forcing us to "take a new look at our trade policy."

And well he may be alarmed. The "dumping" of foreign goods in the US market at prices ruinous to our own industries is already well under way. Aluminum and steel pipe from the Common Market countries, steel pipe from England and Japan, railroad car wheels from England and cotton textiles from Japan; glass, paint, plywood; shoes, cement and chemicals from low-wage countries — all these and many more are inundating our markets, idling more US workers. And under the Trade

important field. The director Mrs. Beall Barbee was ed doing well this week in a hospital last Thursday.

ALL **BIG** THINGS

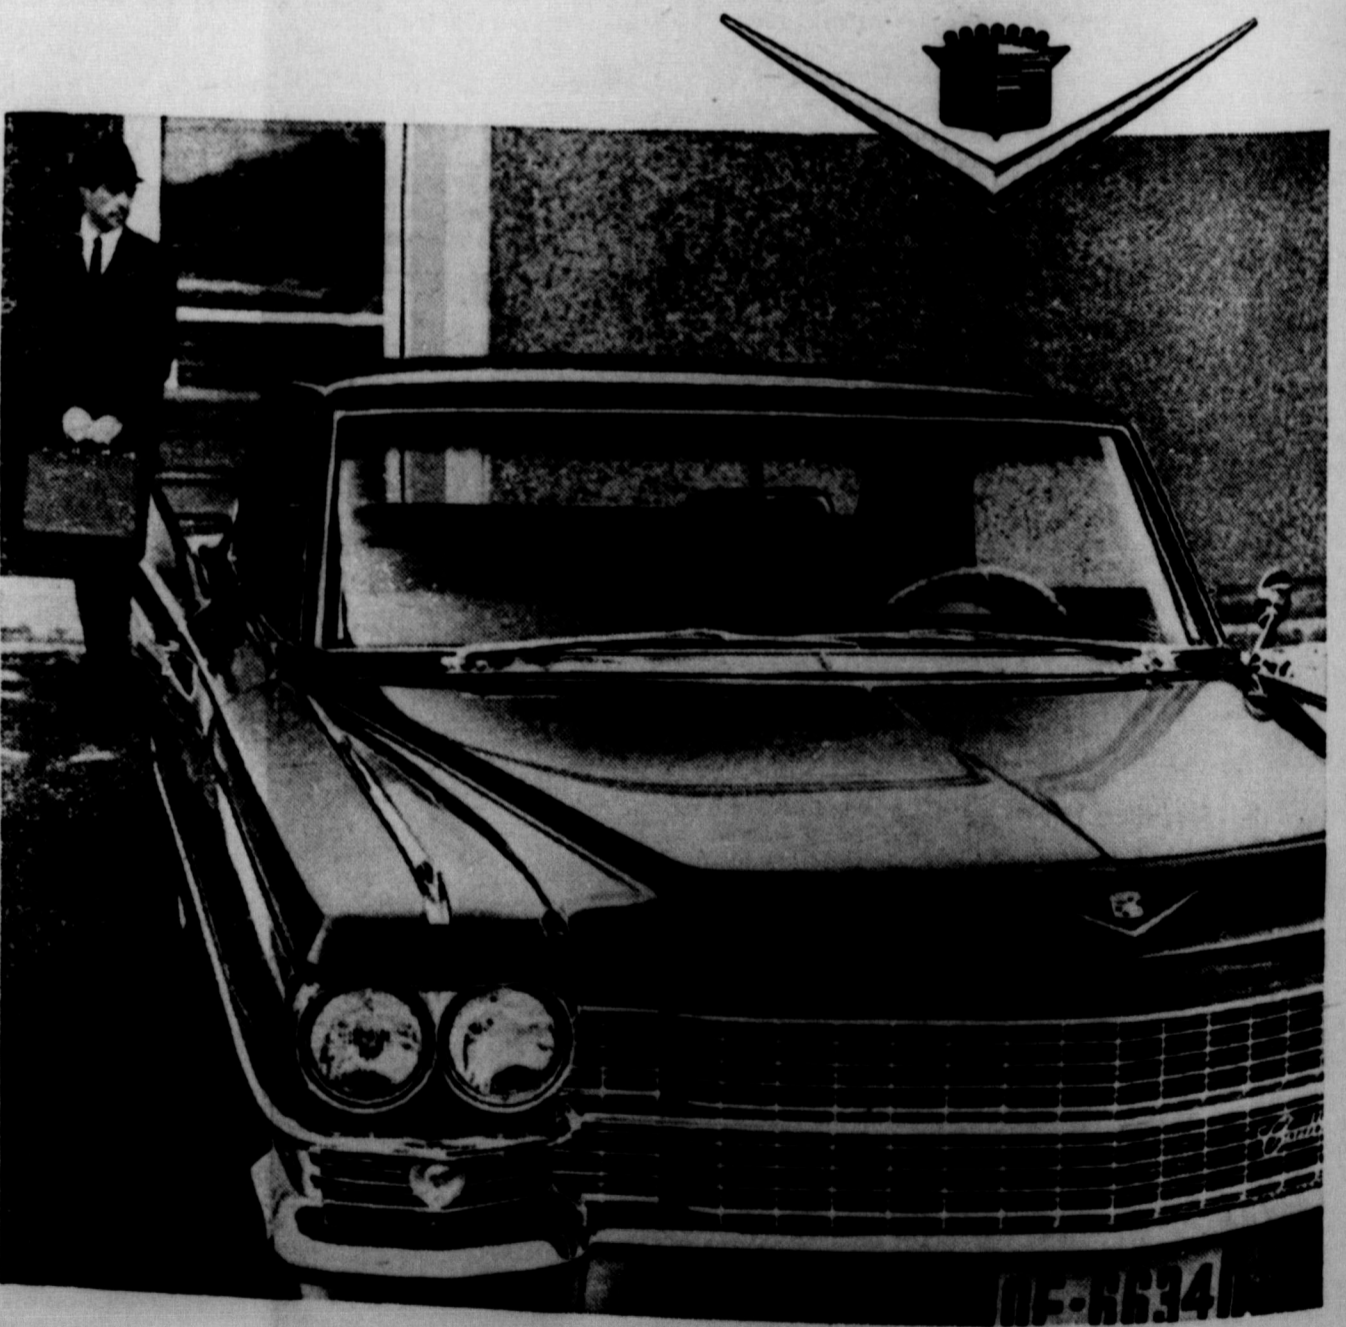

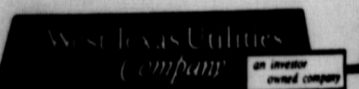

DON'T HAPPEN IN BIG CITIES

Prood cities of small and medium size are scamed throughout the West Texas Utilities service area, plus some small towns and villages.

But collectively they compose the vital and fast-growing Center of the Southwest, where major business and industrial development is taking place.

For example: a nationally-known packing company has established a lamb processing plant here... an existing manufacturer has developed machinery for a new process which is the hit of the footwear industry... one of America's great business complexes has constructed a major textile-producing factory... a wool weaving plant has been built and expanded... a leading regional supply company will soon start plant construction... and dozens of other operations are bursting out all over the area.

Yes, it is very true. All BIG things don't happen in the big cities. Our service area faces GROWTH UNLIMITED, and our own expansion plans are grand to measure and meet the electric service needs of this dynamic area, the CENTER OF THE SOUTHWEST.

Tax Refunds May Be Taken In U. S. Bonds

Taxpayers were reminded today of the new plan allowing them to take their tax refunds in United States Savings Bonds, by Ellis Campbell, Jr., Dallas District Director of the Internal Revenue Service.

Beginning with the 1962 Individual Income Tax Return, eligible taxpayers will be given the opportunity of taking their refunds in Series E Savings Bonds, in addition to the standard options of cash or applying the refund to next year's tax. When Savings Bonds are chosen, the smallest possible number of the highest denomination bonds will be issued, along with a check to cover any remaining balance of a dollar or more.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House.

He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members.

Bill Boosts Oil Quotas — A bill which would make the Railroad Commission allow much greater oil production in Texas has been introduced in the House of Representatives.

Rep. Lloyd Guffey of El Campo has proposed that the commission set 14 days as the minimum operation monthly by any well.

He also wants new fields unprospected until production reaches 10,000 barrels daily.

Every well also would be permitted to produce at least the "average daily capacity allowed by the commission for the preceding 60 days."

Not For JP Court — Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Hollowell of Grand Saline, chairman of the House investigating committee.

Hollowell said his committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

No Teen-Age Tattoo — Rep. J. E. Ward of Glen Rose has introduced legislation that would make it unlawful to tattoo any person under 18 years of age.

Ward's bill declares that it is important to prevent young people from acquiring tattoos which may be disfiguring and impossible to remove without scarring.

It also noted that disease may be transmitted by the tattooing process.

Women's Rights — More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment they've battled for through several legislative sessions.

Sold on Screwworm Program — Governor Connally met with farm and ranch leaders and told them he's still a strong supporter of the Screwworm Eradication Program, but won't request the legislature to make emergency appropriations until he sees the results of the program's fund drive.

"I am completely sold on the

program," Connally said, "and I am confident the livestock industry will raise the remainder of its quota by March 1."

He said requirements for a state contribution to the eradication program will be considered after March 1. "I do not think we will have difficulty in securing state appropriations, if the producers can meet their commitment," the governor predicted.

Mr. and Mrs. Madden Read were in Austin early in the week visiting Mr. Read's mother, Mrs. Nat B. Read, who is reported doing well after undergoing surgery to repair a broken hip suffered in a fall recently.

EDITORIAL

By Ronnie Houston

When the second semester comes around each year, it often brings a lag in school work. This is probably caused by a sudden sweeping epidemic of laziness following the mid-term examinations.

We might define this sudden lack of interest as "spring fever," except for one drawback — it is not spring. However, the weather has been unusually warm lately.

Most students are interested in passing their work. Even though it is only the first six weeks of the second semester, the grades that are made now and later determine whether or not we pass the second semester.

Seniors, in particular, are interested in second semester grades. For them to be exempt from finals, a certain average must be maintained. Then too, graduation is just around the corner, and failure might keep some from graduation.

Those out for athletics must keep their grades up in order to remain eligible next year. In order to do so, one must pass three solids. Solids are all courses except band and p. e.

Each of us has his own special reason to want to pass. If for nothing else, just the satisfaction. It's a great feeling.

AYER STAFF TO MEET WEEKLY

Ayer sponsor Miss North has announced that she will need five or six annual staff members to work every Monday night until

the annual is sent off for printing. The members will meet in the library at 7:00 p. m. on Monday nights.

NOTICE TO SENIORS

Seniors are expected to pay a fee amounting \$4.15 for the rental of their caps and gowns, according to Principal J. A. Peltó. A \$2.00 deposit is to be paid when ordering graduation announcements. Mr. Peltó urges this be done immediately.

THE TIME HAS COME TO THINK OF TIMES TO COME

By Ernie Hanson

Perhaps the most important thing that most seniors have on their minds at this time of the year, and will, for the rest of the year, is graduation and the college days ahead.

Preparing for college is not the easiest thing in the world to do. The thought of having to leave all of the old friends and the family causes some thought even by the most "toughened" seniors. All of the girl-friends and boy-friends must be left behind, and the halls of Ozona High will remain only as a memory of the past.

When invitations and the senior trip begin to face the senior, he begins to realize that all this is soon going to be gone.

Graduation time is a happy time, but to the silent senior, it is also time to begin a new life.

WEATHER WISE

By Penn Baggett

After days of shivering in class and listening to the howling winter winds, we have been surprised by Mother's Nature with a few days of warm weather.

The versatile students have been amazingly quick to adjust to the change, and, at first glance around OHS, one could have easily mistaken the last days of January an these first few days of February as springtime.

Heavy coats and other winter garb were shunned, and short-sleeved shirts and blouses are now a common sight. In place of the screaming wind and screeching radiator pipes, the birds have begun to sing, and windows can be opened in the afternoons without causing anything more than a cool breeze through the rooms.

The most obvious effect of the warm weather is reflected among the droopy-eyed, nodding-headed sufferers of premature cases of spring fever. Best they enjoy it while the can, for past West Texas weather reports lead us to believe that "the fever will soon be frozen."

BEVERLY HILLBILLIES RANK FIRST IN NATION

By Cheryl Clayton

"The Beverly Hillbillies," now topping the television popularity list, is quite a change from the usual programs.

The viewer has no worries of complicated brain surgery, gun-fight showdowns, tension packed trials, and plans for apprehending criminals. The adventures of a Hillbilly Family, suddenly worth millions of dollars, transplanted in a Beverly Hills Mansion, provide light and humorous entertainment. The identical twins, Jethro and Jethrine, are truly identical because they are played by the same persons.

Max Baer, Jr., son of the former heavy-weight boxing champion, looks like a typical Lil' Abner as he plays Jethro. After donning a curly wig, full skirt, lipstick, and with a "dubbed in" voice, he becomes a convincing girl.

Regardless of the extent of the Hillbillies popularity, the actors have become well established in the acting profession.

VOLLEYBALL GIRLS GO TO ODESSA TOURNAMENT

The Ozona High School volleyball team went to the Odessa Volleyball Tournament last Thursday and Friday.

Girls making the trip and on the 'A' team are Floydine Moss, Senior Pat Womack, Junior; Jeanne Hes-

ter, Junior; Vicki Good, Junior; Maria Valadez, Junior, Kay Noelke, Junior; Janis Walker, Sophomore; Carmen Childress, Sophomore and Linda Leath, manager, Sophomore.

They defeated Monahan 38-19 to capture consolation trophy. The Lion's B team was defeated last Saturday. They then defeated Monahan 38-19 to capture consolation trophy.

SPORTS WHIRL

The Lions finally overcame the Iran Braves in a double overtime last Friday night. Trailing 20-4 at one time, the Braves just "couldn't miss" in the second half, and at the end of regulation play the score was 69-69. At the end of the first overtime the score was 74-74, but Ozona came through to win 80-76.

Ozona's volleyball team traveled to the Odessa Invitational Volleyball Tournament last Friday. They lost their first game to Imperial who is favored to win the tourney. Crane downed the Lionesses in their second game to eliminate O-

zona from the tournament. The Lion's B team was defeated last Saturday. They then defeated Monahan 38-19 to capture consolation trophy.

Once again, the district meet will be held in Odessa. Lake is heavily favored because of state spirit Mike Holmes, but should win competition from Ozona dorado.

The boy's freshman and High basketball teams were defeated last Saturday. The freshman team lost to Rankin 56-18 in the first game to win consolation. The team lost to Rankin 56-18 in the first game to win consolation. The team lost to Rankin 56-18 in the first game to win consolation.

The district golf meet will be held in Big Lake, April 6. Coach Brooks Doster will be the director of the Journalism regional as no other are entering the meet. EDITOR FACES SMALL PROBLEMS
Andie Elliott

Andie Elliott, general editor of the Ozona Stockman, is certainly not an easy senior. Gracie Chandler has had out.

The costly graph paper (used for arrangement of sample pages by the editors) vanished Monday night — one girl had an all over it by mistake.

Being the only person who knows the standard size for annuals and pages also presents an editor with a problem. When asked by name, the "chief" automatically replies, "pictures, 5 by 7, 7 1/2 by 10 1/2."

There is always the problem of those who come to annual staff meetings to read sample pages, drink cokes and gossip. Usually turns out to be just at everybody.

Gracie found that no one could do the required eighteen pictures a sample page. One girl came with 24 pictures, then discov-

ered she was using the wrong pictures. Diana Coates could only manage 14 pictures, then also found that she had the wrong size pictures.

Its no wonder that Gracie literally pulls her hair, not to mention long-suffering Miss North!

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Feb. 8, 1934

One of the most novel and attractive homes in West Texas will be that of Mr. and Mrs. Scott Peters of Ozona when remodeling work now in progress is completed. Walls of native rock, carefully select for color, shape and strength are being erected around the present structure.

Theft charges were filed here against David Anderson in connection with the alleged theft of a bag of wool from P. T. Robison.

A call will be issued in the next few days for the annual meeting of stockholders of the Crockett

County Fair Assn. to be held at Hotel Ozona Saturday, Feb. 17.

The stage is all set for the third annual Ozona invitational basketball tournament at the high school gym Friday and Saturday of this week. Ten teams are entered.

Mrs. Bryan McDonald was elected president of the Ozona Music Club at its regular meeting Thursday in the home of Mrs. Joe Pierce.

In a prepared statement submitted to the Stockman this week by Andres Aguirre on behalf of shearing captains of this section, the captains vigorously deny implications in recent published statements that they are behind the Shearers' Union in its campaign to raise shearing prices this spring. The shearing captains declare they are not affiliated with the unions in any way.

The athletic department of Ozona High School is making use of a handsome \$7.50 first aid medical kit, the gift of I. G. Rape, owner of the Ozona Drug Store.

Movie fare for the week: Mae West in "I'm No Angel"; Fay Wray and Nils Asther in "Madame Spy" and Ken Maynard in "Gun Justice."

Evangelist Horance W. Busby of Fort Worth will come to the Church of Christ starting Feb. 18 for a revival meeting.

J. W. Westfall, captain and start forward of the Ozona High School basketball team, was selected on the all-tournament team, and won a \$2,000 insurance policy paid for one year on his selection as best all-around sportsman of the recent Big Lake tournament.

The new 1934 Dodge and Plymouth cars are now on display

here in the showrooms of the Palmer-Moore Co., local agents.

A carport from Camerons will not only protect your car but will also provide a covered area for outdoor living and children's play area. No money down. Call Wm. Cameron & Co., Phone 22601. for complete details.

Four different ways to make going more fun than getting there

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the Jet-smooth Chevrolet, about as luxurious as you can go without going overboard in price; the low-cost Chevy II, a good-looking car that would send any family packing; another family favorite, the sporty Corvair, whose rear-engine traction will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, Corvette—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already? The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

Miss Jacquelyn Sue Williams Becomes Bride Of Paul H. Shacklette In Ceremony Saturday

Miss Jacquelyn Sue Williams, daughter of Mr. and Mrs. Troy Williams, became the bride Saturday of Paul H. Shacklette, of Balboa, Canal Zone.

He is the son of Mr. and Mrs. Hayward H. Shacklette of State College, Pa.

The Rev. John Calvin Williams of Oklahoma City, bride's uncle, performed the ceremony at the First Baptist Church. Mrs. Joe Pierce IV was soloist and Mrs. Earl Malone, organist.

Mrs. Richard Nix of Grandfield, Okla., was matron of honor. Miss Deanna Reel of Lufkin was maid of honor. Miss Melaney Schroyer of San Angelo was her cousin's flower girl.

Frank David of Columbus was best man. Seating the guests were Robert Albers of Austin, Richard Nix of Grandfield, Bill and Larry Williams, both brothers of the bride.

The bride wore a floor-length white gown with the lace bodice featuring a scalloped neckline. The organdy skirt was overlaid with lace panels. A short train extended from both sides of the skirt. Her fingertip veil of tulle extended from a crown of pearls.

FIRST BAPTIST WMU PROGRAM MEETING WED.

The Woman's Missionary Union of the First Baptist Church met Wednesday morning in the fellowship hall of the church.

The business meeting, presided over by Mrs. Glynn Russum, opened with group singing followed by prayer led by Mrs. Harold Shaw. Mrs. Jerry Perry brought the devotional and read the calendar of prayer.

Mrs. Bill Greer was elected chairman of the Lola Mae Daniel Circle and Mrs. Jim Carpenter was elected social chairman. The Annie Armstrong offering goals were set at \$200 for the WMU and \$500 churchwide. Plans were made for the coming Y. W. A. Focus Week. Others present were Mmes. Ted Lewis, Quentin Brentz, Bob Pitts, Myrtle Mitchell, Dudley McCary, J. T. Keeton, Jack Matthews, Donald Carr, Jess Sweeten, W. C. Smith, Joe Bean, Huey Ingram, Pleas Childress, A. G. Walters,

She carried a large white orchid surrounded by tiny white orchids.

The bride is a graduate of Ozona High School and attended Howard Payne College at Brownwood and the University of Texas at Austin.

The bridegroom is a graduate of Canal Zone Junior College and attended the University of Texas. He is a civil engineer.

A reception was held at the church's fellowship hall. The couple will reside in the Canal Zone.

GARDEN REMINDERS
Earwig, a formidable insect now invading both house and garden.

A spray of diazinon applied to round foundations of a house is a good check for this pest. It is the insect which when disturbed gives off a very unpleasant odor.

Continue to put in pussy willow on any mild day. The peak bloom comes in March and April. Now is a good time to begin dormant spraying done.

PAINTING OF O. E. S. HOME — The above painting of the Eastern Star home at Arlington, done by Mary Schweining Johnson of Sonora, former Ozonan and member of the Ozona chapter, was presented to Mrs. Thelma McReynolds of Dallas, Worthy Grand Matron of Texas, at a recent school of training for Chapters in this district, held at Big Lake. The Worthy Grand Matron and other Grand Matrons were present at the Big Lake meeting. Mrs. Johnson is a Past Worthy Matron of the Ozona chapter and presented the painting of the Arlington home to the Worthy Grand Matron on behalf of the Ozona and Sonora Chapters.

All Benefits Of Brush Control Cited In Ranch Operations

Spring is just around the corner and it is again time for making plans for controlling brush," according to James Glynn, local Soil Conservation Service Technician. Plans are being made for the operation, effectiveness of brush control and benefits to be derived are the major determining factors.

Points out that in controlling the cost of brush control, the ranch should be considered on the basis of how it will help the operation of the ranch. For example, a ranch consisting of 300 acres has a brush problem. The control cost per acre may be high on the 300 acres, but will benefit the entire ranch. Therefore, the cost should not be tied to the specific acreage being controlled. As an example, where the cost of the total control job is \$1,200, the cost per acre on the 300 acres would be \$4.00 per acre, or a cost of \$10 per acre when figured on the entire 12,000 acres benefited from the control.

It is mentioned that higher returns are realized from brush control when pastures are rested for at least three months following brush control operations. The rest period allows the range grasses to make use of the additional nitrogen and nutrients being re-

Ozonan's Son-In-Law NM Jaycees Delegate

Kenneth W. Corder of Jalisco, a son-in-law of Mrs. S. A. Coose of Ozona, husband of the former Jo Nell Coose of Ozona, was picked as one of the delegates to represent New Mexico at the second annual United States Junior Chamber of Commerce Governmental Affairs Seminar to be held in Washington, D. C. this week.

Corder was awarded the trip to Washington in a statewide contest of governmental affairs chairmen. Delegates will stay in Washington through Friday of this week, meeting with government groups for discussions of topics of interest. On his return, Corder is scheduled to address the winter board meeting of the New Mexico Junior Chamber of Commerce in Farmington.

Corder is employed by El Paso Natural Gas Co. and lives with his wife and two sons, Ken, Jr., 13, and Steve, 8, at Jalisco.

BASKETBALL AT ABILENE

Lanny Brentz, student at Hardin-Simmons University in Abilene, sends a clipping from the H-SU Brand describing the victory of the H-SU Cowboys over the Abilene Christian Wildcats 90-74 which launched the Pokes into the lead in the city race. The Cowboys had previously beaten McMurry of Abilene. The victory over ACC marked the first for H-SU over ACC in a varsity contest in a major sport, according to the Brand article.

Who can doubt that it would be just as binding on Russia as the test ban moratorium the Reds broke in 1961?

What do they have to compete with our middleweight Fairlane?

FAIRLANE 500 2 DOOR HARDTOP

not a thing!

Fairlane is in a class by itself. It gives you the winning combination of big-car room, ride, performance — yet it handles and costs more like the compacts!

To illustrate, let's compare the middleweight Fairlane with the compact Chevy II which some people mistakenly feel is in the same class. Fairlane is almost 15 inches longer. It has more leg room, front and rear — and 3 1/2 cubic feet more trunk space! Choice of two spanking V-8's or a spunky Six!

Next, compare the middleweight Fairlane with the big GREATEST CHOICE OF QUALITY CARS UNDER ONE ROOF...SEE YOUR

Woody Mason Motor Co.
P. O. Box 848 OZONA, TEXAS

Chevy. Fairlane is a foot shorter, far easier to park and handle. Yet, amazingly, Fairlane has more effective front leg room... about the same effective head room... practically the same trunk space! Plus Ford's exclusive money-saving twice-a-year or 6,000-mile maintenance! Yet Fairlane is priced hundreds lower — even lower than some compacts! Come see your Ford Dealer... compare for yourself!

A smile. Not like Mona Lisa's faint and secret amusement, but a smile open and frank and sunny as the day.

"Ah sure am," she said. "Ah'm a hostess for TWA."

We saw the Da Vinci masterpiece together, and it was all Walter Pater said. Mona Lisa's eyes followed us no matter where we stood. I think she was watching that newer edition of feminine beauty with just a trace of envy.

CALVARY BAPTIST WMU

The Calvary Baptist W. M. U. met in the home of Mrs. Lonnie Dorris for a Stewardship program and business meeting Wednesday.

Mrs. Carl Hedrick gave the calendar of prayer. After a short business meeting, Mrs. E. C. Alford led the group in the Stewardship program. Mrs. William D. O'Bryant read an article on "Why The Tithes" and "How to Be Better Stewards for Christ." Mrs. R. B. Stephens read some clippings from the column written by Evangelist Billy Graham appearing in the San Angelo Times.

Mrs. Carl Hedrick led the group in the closing prayer. Hostesses served refreshments. Present besides those mentioned was Mrs. Odie Haire. The next meeting will be in the home of Mrs. Haire.

hart who topped both teams with 24 points but the second half play of Rodney Morgan and John Roberson, who scored ten field goals and two free throws between them in the second half was a major factor in the Brave rally.

In Sanderson Tuesday night, the Lions met a Sanderson team which bore no resemblance to the one seen here during the tourney and had a tough scrap on their hands before easing off with a 61 to 49 win.

The first quarter ended with the Lions ahead 13 to 9 but they extended their lead to 31 to 16 at the half and led by 20 points at the end of the third period when the reserves took over and finished the contest.

Robert Cox, who saw only limited action beyond the first and third periods, led the Lions with 19 points while Brent Moore, who also sat out a large portion of the contest, was credited with 11 points.

Johnny Benavides, a red hot shooter for the Eagles, was the game's high scorer with 22 points, a major portion of which came in the last half after the game was out of reach.

CUB CORNER

Den 4 met in the Connally Stewart home for regular meeting. Curtis Stewart, denner, led the group in song and flag ceremony. Work was begun on the Blue and Gold Banquet to be held Feb. 28. The boys made place cards for the table. Work was done on achievements and a balloon game was played. Cubs present were George Allen, Jim Brotherton, Joey Conn, Archie Elmore, Ned Stephens and Curtis Stewart.

Woman's Forum Names Committees For Game Night Set For Feb. 23

The Woman's Forum met Tuesday afternoon in the home of Mrs. Carl Appel, with Mrs. Ele Hagelstein as co-hostess.

A program on "First Ladies", an interesting letter from Mrs. Sam Logan from Afghanistan and appointment of committees and other planning for the benefit Forty-Two-Bridge Game Night highlighted the meeting.

The club has corresponded for several years with Mrs. Sam Logan of Sonora, whose husband is on an agricultural training mission to Afghanistan. An interesting letter about the Logan's return to Afghanistan was read.

Plans for the game night to be staged at North Elementary Auditorium Saturday night, Feb. 23, were discussed, after which the following committees were named:

Hospitality: Mrs. James Childress, Mrs. John Coates, Mrs. Hugh Childress, Jr., Mrs. Dempster

Jones. Tickets: Mrs. Charlie Black, Jr., Mrs. B. B. Ingham, Jr., and Mrs. W. T. Stokes.

Publicity: Mrs. Brock Jones and Mrs. Kirby Moore.

Chairs and Tallies: Mrs. T. J. Bailey, Mrs. Bill Baggett and Mrs. P. C. Perner.

Prizes: Mrs. L. B. Cox, III and Mrs. Tommy Harris, Jr.

Playing Tables: Mrs. Marshall Montgomery and Mrs. Ele Hagelstein.

Coffee: Mrs. C. O. Walker, Mrs. Jack Williams, Mrs. Beecher Montgomery and Mrs. Ralph Jones.

Serving Tables: Mrs. Pleas Childress, Mrs. Pete Jacoby, Mrs. Ralph Simon, and Mrs. Joe S. Pierce, III.

Cakes: Mrs. Fred Hagelstein, Mrs. Joe Clayton, Mrs. Bill Childress, Mrs. W. H. Whitaker, Mrs. Carl Appel and Mrs. Nip Blackstone.

The game night will be the club's only money-raising event of the year. It replaces the annual Spring Fashion Show, sponsored for many years by the group. Tickets for the game night are now on sale. If you are not contacted, call any member of the ticket committee.

Taxpayer Needs Identifying Number On 1962 Tax Returns

Taxpayers were reminded today by Dallas District Revenue Director Ellis Campbell that under a recent law they are required to enter their identifying "tax account" numbers on 1962 income tax returns filed in 1963.

For the individual, this is the social security number, or the number issued for tax purposes if he has never had employment under social security coverage.

Use of identifying numbers is essential to electronic processing of returns, now being installed nationwide by Internal Revenue. Campbell said. He added that it is the taxpayer's responsibility to delay any refund due.

JUNIOR SPROUTS MEET
