NUMBER 1

On Sale Variety Show Benefit Center

Mohair To Model Program April 4; Local Talent

The Lions Club launched a ticket drive for its spring variety show at the Community Center benefit, next Thursday night at the school auditorium, and the odds are in favor of receiving rain in April, May, and June.

Average amount of rain received in April is 1.43, May is 2.43 and June has an average of 2.30. Also in our favor for 1963 is the fact that the month of April has exceeded the average only once in the past six years and in the last four years the month of May has been below the average. Records indicate that when one inch or less of moisture was received during the first three months of the year, April and May are usually good rain months. Six out of seven years with these conditions the past 32 years produced from 1.59 to 5.95 inches of rain in April. So far 1963 has produced .05 in January, .95 in February and zero in March, according to the government rainfall gauge at the Ozona Fire Station.

Two very talented performers yet to be contacted but who will present Eddie and his High School orchestra, the vocalists, a group of performing a few Spanish songs, a novelty number and a piano duo and even a ballad.

The group of Ozona children will perform the Spanish songs before the Federation convention in Ozona and are under the direction of Dorothy Price, one of the teachers of the Community Center.

The Chamber of Commerce called attention this week to the newly organized chambers' membership drive, now in its end.

The Chamber of Commerce membership and finance committee is composed of Joe Wilcox, Woody Mason, Gene Lilly, Walter Miller, plus other workers. Those who have not contacted and who wish to join the Chamber of Commerce should contact a member of the committee or officer or director of the Chamber.

AF Bowlers at Eagle Pass Tournament Here

A bowling contest was held at Ozona Air Force Station between Ozona and a visiting team from Eagle Pass Air Force Base. Ozona won four out of five games played to win the title. There was only a ninety difference in total pins between the two closely matched teams.

The Eagles Pass team consisted of Garlin Vaughan, James A. Salador Andes, Edward J. John Jensen, and Dave J. The Ozona team members were Sam Burks, Ralph Rohrer, Gurney, Art Littlefield, Devine, Bob Ferrell, and Clay.

Ralph Rohrer had an average of 196 for the games and visitor Ed Tringle the next best average of 185. Devine of the Ozona team had the high game honors with a 210. Both teams had over a 170 overall and it is apparent these two squadrons have fine bowlers representing them.

Miss Nancy Friend — Miss Mohair of 1962-63 to model wardrobe at variety Show

BUT THEN, ON THE OTHER HAND —

IF WEATHER PATTERNS FOLLOWED, IF ALL NATURE'S IN TUNE; IF ALL IS RIGHT, IT MAY RAIN IN JUNE!

By County Agent Pete Jacoby

What are the chances for rain these next few months and this year? Rainfall records over the past 32 years indicate that the odds are in favor of receiving rain in April, May, and June. Average amount of rain received in April is 1.43, May is 2.43 and June has an average of 2.30. Also in our favor for 1963 is the fact that the month of April has exceeded the average only once in the past six years and in the last four years the month of May has been below the average. Records indicate that when one inch or less of moisture was received during the first three months of the year, April and May are usually good rain months. Six out of seven years with these conditions the past 32 years produced from 1.59 to 5.95 inches of rain in April. So far 1963 has produced .05 in January, .95 in February and zero in March, according to the government rainfall gauge at the Ozona Fire Station.

Rainfall records over the past

32 years also indicate that low rainfall years are usually followed by high rainfall years. The year 1934 with 10.98 inches was followed by 27.30 inches in 1935, 7.70 inches in 1948 was followed by 29.90 inches in 1949. The 1953 rainfall of 12.77 inches was followed by 24.70 in 1954 and 9.11 inches in 1956 followed by 22.55 in 1957. Records show that we had 10.87 inches in 1962. On the other hand, just in case your hopes are rising, 7.23 inches in 1951 was followed by 8.27 in 1952 and this amount followed by 12.77 in 1953.

In the 32 years of rainfall records (1931-62), 16 of those years have exceeded the annual average of 18.17 inches and 16 have been below the average. The largest amount of moisture received during any one month in the 32 year period was 12.46 in June, 1954, the month of the Ozona flood. The largest amount of rainfall received in any one year was 38.08 in 1941 and the lowest year was 7.23 inches in 1951.

See Rain Record on Page 3

Ozona Track Team To Enter San Angelo Relays To Serve As Final Warm-Up For District Meet Slated Here Next Week

By Ernie Boyd

Coach Chick Womack will take his Ozona High School track team to San Angelo Friday where they will attend the annual San Angelo Invitational track meet which will attract high school, college and University teams, with all three division titles to be run off Saturday afternoon at Bobcat Stadium.

Ozona's best chances of scoring will be with Pete Montgomery in the high and low hurdles and the pole vault even though Coach Womack plans to give each member of his young track team a shot at the point making business in his field of events.

The San Angelo meet will be the final warm up for the district 8-A meet which will be unreeled in Ozona Saturday of next week. The Lions did not have a very good day as a team in the Eldorado invitational meet last Saturday even though Pete Montgomery won both hurdles events and placed second in the pole vault to win high man honors in the meet.

Sonora won the meet by winning the mile run and the mile relay to edge host Eldorado while other district teams continued to show sharp improvement to further dim the faint hopes the Lions might have had previously.

Iraan and Rankin both showed up at the Eldorado meet with larger and better squads which indicate that they will appear in strength one week from Saturday when the district meet comes off in Ozona.

Among the bright spots in the week's showing was a fine leg on the 880 relay by Rodney Stewart who has been a rapidly improving runner the last few weeks and a place in the hundred yard dash by Robert Cox who has also been winning places in the weight events.

Robert Cox, Rodney Stewart, and Penn Baggett have been regular point getters in the weight events and when the district meet comes along the Lions will be relying heavily on these three boys to score in the shot and discus events.

On the less bright side of the picture has been the performance of some of the younger distance men who looked good early but who have not yet been able to win. Taking part in the district meet for the first time this year will be S. Anderson, something of an unknown quantity, Rankin with at least two good point makers, Iraan with an increasing shadow and Big Lake and Eldorado who now loom as the decided favorites.

SAVELLS WIN DUPLICATE

Mr. and Mrs. Bill Savell won first place in duplicate bridge play Tuesday. Tied for second place were Mrs. Joe Pierce and Mrs. J. M. Baggett and Mr. and Mrs. Ewart White. In fourth place were Mrs. Frank McMullan, Sr., and Mrs. Ashby McMullan.

The local duplicate club is open to new players at any of its Tuesday night sessions. Newcomers may join at any time. Play is in the Boy Scout cabin.

Seven Teams To Vie In Tenth Annual Ozona Volleyball Tournament

The tenth annual Ozona Invitational volleyball tourney will be held at Davidson Gym Friday and Saturday of this week with six teams seeking the title which will be defended by last year's champion Big Lake High School.

Among the six teams seeking to unseat Big Lake this year, in addition to Ozona, will be San Angelo, Iraan, London, Ozona Freshmen and Sonora.

Play will be confined this year to Friday night, Saturday afternoon and the finals will be staged Saturday night.

Miss Geneva Knox will be tournament director and will coach her Ozona team, which is considered a strong favorite to cop the title this year particularly if they can recover from a seige of illness that has plagued the team recently.

Jess Hall moving to Michigan

Jess Hall To Assume Pastorate Of Church In Dearborn, Mich.

Jess Hall has announced his resignation as a minister of the Church of Christ here in Ozona and along with his wife, Frances, will be moving the first of April to Dearborn, Michigan, where he will begin work with the Dearborn Valley Church of Christ in that city.

The Halls came to Ozona more than two years ago from Paducah, Kentucky, where he had been preaching for the previous five years with the Lone Oak congregation of Paducah.

Mr. Hall will be preaching his last sermons at the Ozona church next Sunday morning and Sunday night. As the Halls leave Ozona they wish to extend every good wish to their many friends in this area and a very cordial invitation to call on them in Dearborn.

Mrs. M. Tambunga, 70, Buried Here Tuesday

Mrs. Manuela Tambunga, 70, died Sunday in Hudspeth Memorial Hospital in Sonora. An Ozona resident 65 years, she had been an invalid for about two years.

Funeral services were held Tuesday at 5 p. m. at Our Lady of Perpetual Help Catholic Church. Burial was in Cedar Hill Cemetery. James Funeral Home directing.

Survivors include her husband, Alejos Tambunga, Sr.; six sons, Nato, Alejos, Jr., Santiago, Ruben, Rene and Americo Tambunga, all of Ozona; four daughters, Florenca, Carlota, Sofia, and Olivia all of Ozona; 57 grandchildren and 30 great-grandchildren.

Planning Approved On Interstate 10 Through Five West Tex Counties

Austin, Texas—The State Highway Commission today okayed advance planning and right of way studies for a long stretch of Interstate Highway 10 between State Highway 17 near Balmorhea and the Kerr County Line.

The committee authorized planning and determination of right of way requirements on the route across Reeves, Pecos, Crockett, Sutton, and Kimble counties.

NEAR 200 HERE FOR DISTRICT CONVENTION CLUB WOMEN

Ozona and its three federated women's clubs, played host this week to nearly 200 club women, delegates and visitors to the annual Heart of Texas District, Texas Federation of Women's Clubs, convention held at the Ozona Methodist Church Monday and Tuesday.

Host clubs were the Ozona Woman's Club, the Woman's Forum and the Woman's League. Mrs.

Convention Sidelights . .

Every member of the executive committee of the Heart of Texas District was present for the convention. Mrs. A. G. Lee, president, of DeLeon, Mrs. Glenn Lewis of San Angelo, Mrs. J. O. Mills of San Angelo, Mrs. A. A. Stewart of San Saba, Mrs. G. W. Rollins of DeLeon, Mrs. Richard Moseley of Rochelle, Mrs. Ray Jacoby of Junction and Miss Mollie Bierschwale of Mason compose the board.

Six past presidents of the District were guests of Mrs. Hubert Baker of Ozona at a past president's breakfast at the HiWay Cafe. Present were Mrs. Joseph M. Perkins of Eastland, Mrs. C. D. Bruce of Santa Anna, Mrs. Hubert Baker (1951-1952), Mrs. Gilbert Theriot of San Angelo, Mrs. Richard Moseley of Rochelle, Miss Mollie Bierschwale of Mason, Mrs. L. E. Dudley of Abilene, all past District presidents. Other guests were state president, Mrs. A. T. Carleton of Houston, Mrs. G. W. Rollins of DeLeon and District President, Mrs. A. G. Lee.

There were four Life Members of the Federation present. They were Mrs. A. C. Hoover of Ozona, Mrs. James S. Horton of Eastland, Mrs. Raby Miller of Cisco and Mrs. George Rollins of DeLeon.

Texas Federation officers present were Mrs. A. T. Carleton, state president, a featured speaker at the convention; Mrs. L. E. Dudley of Abilene, State Parliamentarian, who is also General Federation chairman of literature and drama, and was voted an honorary member of the District; Mrs. Joseph M. Perkins of Eastland, GFWC chairman of resolutions, Mrs. J. L. Ginnings of Pilot Point, TFWC first vice president, attending the convention to announce her candidacy for State president. Mrs. John Ward, TFWC recording secretary, an instructor at Sul Ross State College, attended the Texas Heritage Banquet.

Ozona's string band composed of Hubert Baker and A. E. Gilliam on electric guitars, George Senne on the violin, and Hartley Johnigan playing the bass violin, were enthusiastically received by convention delegates at the Texas Heritage banquet Monday night at the Country Club. The string (Continued on Last Page)

FOR LIONS CLUB QUEEN —

Choice of the South Side Lions Club of Ozona as their candidate for the District 2A-1 Queen Contest May 4-5 in Midland is Miss Margarita Lara, daughter of Mr. and Mrs. Alejos Lara, Sr., of Ozona, a junior in Ozona High School. The contestants will be judged on beauty, poise and personality.

Marshall Montgomery of the Woman's Forum was general convention chairman and directed a massive work of preparation accomplished by local committees from all the clubs, and the conventioners were lavish in their praise of the hospitality and the smooth-moving convention.

Guests were welcomed by County Judge Brock Jones and Mrs. P. L. Childress of the Foun. Invocation was by Jess Hall of the Ozona Church of Christ, Mrs. A. G. Lee of DeLeon, District president, directed the two-days work of the convention.

The convention theme was "Texas, Our Texas." Speakers stressed the Texas Heritage and a Texas Heritage banquet was staged Monday night at the country club at which Mrs. Glenn R. Lewis of San Angelo, district vice president, presided. Program features included violin selections by Mrs. M. A. Barber, a ventriloquist routine by Mrs. Tom Ed Montgomery, and vocal selections from Porgy and Bess by Mrs. Joe Pierce, IV, and Eddie Green, with Mrs. Bud Cox at the piano. The program was introduced by Mrs. Jim Dudley of the Woman's League.

Mrs. Hubert Baker of Ozona, district president 1951-52 was hostess at a past president's breakfast Tuesday morning at which every living past president was present.

Mrs. A. T. Carleton of Houston, State President, AFWC, and Delbert Downing of Midland, former manager of the Midland Chamber of Commerce, were featured guest speakers at the Tuesday sessions. Mrs. Carleton spoke on the importance of the General Federation, stressing its work in the field of scholarships and libraries. Mr. Downing spoke on Texas Heritage.

Mrs. James Baggett of Ozona, past president of the Women's Auxiliary of the Texas Sheep & Goat Raisers Assn. also addressed the closing afternoon session, speaking on legislation and the importance of keeping informed. Mrs. Baggett urged her listeners to keep up with what is happening in the field of government and to make their wishes known to legislators both state and national.

Reports of clubs, departments and committees and announcement of annual awards occupied much of the closing session. A group of children from the local Community Center, directed by Miss Dorothy Price, presented a program of Spanish and folk dances as one of the closing entertainment features.

The convention accepted the invitation of Brownwood to hold its 1964 District convention in that city.

Volleyball Girls Cinch District Tie With Pair Of Wins

Brace Of Wins Each Over Big Lake, Iraan Week-End Feat

The Ozona High School girls volleyball team scored wins over chief rival Big Lake, and Iraan over the week to cinch a tie for the district title.

The Ozona team, which has been greatly hampered by illness and injuries, accomplished a two-straight victory over Big Lake in Ozona last Friday, dumping the visitors 15 to 7 in the first game and then sewing up the two-of-three match by winning the second in a thrilling come-from-behind 9 to 7 win.

The Ozona team, which had won the first of the games rather easily, trailed Big Lake most of the way in the second contest and with 2 minutes, 33 seconds left, closed to a 6 to 7 deficit.

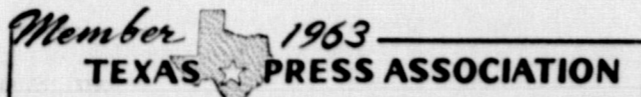

For the next 2 1/4 minutes the two teams battled without scoring (Continued on Last Page)

THE AWAKENING

In its recent presentation of the detailed story of the Cuban crisis, "While America Slept," followed by a forum at the National Press Club in Washington which presented the views of nine outspoken Latin American leaders...

The startling account of official reluctance to accept for three long months the fact of the Russian arms build-up in Cuba, the amazing secrecy, completeness and speed with which preparations were made for action, once the President had made a decision...

And in their general agreement that we had, indeed, been caught napping, and that "Castro-Communism" and Communist subversion must be wiped out — all-out invasion, complete isolation and collective action were suggested — these nine distinguished patriots from Argentina, Brazil, Costa Rica, Cuba, the Dominican Republic, Mexico and Venezuela provided us also with a preview of the proceedings of the six Central American chief executives and President Kennedy in Costa Rica.

In fact, as we read of the unanimous and total commitment of the seven American Presidents to the eradication of Castro-Communism, we may well ponder the impact of the Forum in Washington on the conference in San Jose. It could well be that, through timely publication of the Digest condensation, the forthcoming book by James Daniel and John G. Hubbell has exerted historic influence on the Hemisphere before it is even published!

The reports from Central America echo the summation of Dr. Manuel A. DeVarona, former president of the Cuban Senate at the Forum: "The grave crisis that the Americas face today requires the urgent adoption of a strategy for victory. Only such a strategy will lead to an era of unlimited political, economical and social progress, that will remove forever the red clouds of slavery which hang over the entire Hemisphere."

Rev. Bill Fleming, pastor of the Ozona Methodist Church, is conducting a preaching mission at the New Home Methodist Church in the Lubbock district. In the pastor's absence, Judge Marvin Blackburn of Junction spoke last Sunday morning and next Sunday the congregation will hear J. E. Loveless of San Angelo.

Quote of the week on Cuba — (From the hearings on H.R. 2440): Mr. Wilson: "Let me ask you bluntly: Do you think the Monroe Doctrine has been violated? Secretary McNamara: "I don't personally believe it has, but this is a question for the State Department to answer and for the lawyers to answer and not for me."

Notes From The County Agent's Office

By Pete W. Jacoby

Watch for screwworms — if a case is found, collect at least 10 worms in a sample bottle and report the case to the county agent or Delbert Stewart, Screwworm Program Inspector, or you can call the Screwworm Eradication Program office at Mission, Texas, collect, the number is Justice 5-1646, Mission, Texas.

Two recent outbreaks of screwworms in Kinney and Uvalde counties were jumped on and stamped out before they could spread according to reports received. Ranchmen should be on the alert to keep screwworms from starting, such as dousing all wounds and cuts and keeping a close watch on new born animals that are highly vulnerable to screwworm attack. C. G. Scraggs, president of the Southwest Animal Health Foundation, has stated it would be traitorous for a man not to report anything he thinks is a screwworm case. A few cases that are not treated and reported at this time could ruin and waste everything that has been done up to now, he said.

The first screwworm case reported last year was discovered on April 1st on the Hugh Childress, Jr., ranch. The next cases were discovered during the week of April 20th in the county.

Crockett county is due for brucellosis recertification this year according to a report received by the county agent from the Animal Disease Eradication Division of the United States Department of Agriculture. A contract is being worked out with Dr. James McMullan to do the testing for the recertification in the county. 25 herds in the county having suspects and reactor cattle in the tests made three years ago all have to be tested this year and in addition 37 other representative herds have to be tested for the county to receive its recertification.

Eight Crockett county ranchmen who used the back-tag method in the Market Cattle Testing Program, when shipping cattle to market are to be exempt from the recertification test in recognition of their participation in the program. 40 head of cattle were tested and found negative in tests made in 1961-62 from the following herds: Bill Black, P. L. Childress, Jr., Dick Henderson, Floyd Henderson, Brock Jones, Mrs. Jake Short, Max Schneemann and Frank Smith. The county is being given credit for these cattle in its recertification test.

"Every man in America is proud of his right of life, liberty and the happiness of pursuit." — Blakesburg (Ia.) Excelsior.

EGGHEAD MUD-SLINGING

CAN'T BESMIRCH ADVERTISING'S GOOD NAME.

A Creek In My Back

By Allan R. Bosworth

Author of "New Country" and other historical & fictional works

Spring was soft in the air the other morning. There was fresh yellow on the forsythia, and golden daffodils had suddenly bloomed on the hillslope, and Nature seemed in her most benevolent mood. But Spring is always touched with violence as well as beauty, and when I stepped out on the back porch I found a forlorn scatter of bird feathers. Fortunately, it happens only a very few times in a year, but Nature occasionally insists on striking a balance between my bird feeders and my five well-ted, innocent-looking cats.

I immediately called the cats for muster. They came smartly, wanting to know if it was fish or hamburger for breakfast.

"Neither," I told them coldly. "All of you are on the report. Attention to roll call! Blackie?"

"Here!" Blackie sneered. His heart is as dark as his skin, and nobody rules him.

"Tom Tigger?"

"Yo!" said Tom. He is a troubadour, with the voice of an Irish tenor in a Dublin grog.

"Thomastina?"

"Here, sir!" she piped. Thomastina spends her life looking for warm spots.

"Foggy?"

"Present!" Foggy said. She is an outdoor girl. She wears baggy gray clothes, and I think maybe she can start a fire by rubbing sparks from her tail.

"Pearl?"

"Glumph!"

Pearl's voice was muffled, and that looked like two feathers clinging to her chin. She is not only the mother of the other four, but is everybody's little mother, including Whistler's.

"Pearl," I said sternly, "one of our aircraft is missing. What do you know about it?"

She arched her eyebrows coyly. "If you mean the bird," she said, and gave a small, ladylike burp. "It was one of the most disgraceful exhibitions I have ever seen!"

"What was?"

"Why, that bird! That bird came up to the porch, and made a landing — like this." She used her front paws for airplane wings. "Then she sat here, and — well — she undressed! Right in front of everybody!"

"Pearl!" I rebuked.

"She just took everything off!" Pearl insisted. "You can see her clothes scattered everywhere. The hussy!"

"Now, wait a minute!" I said. "I think somebody caught that bird, and I think —"

"Never," said Pearl with a shudder, "never has my faith in the inherent decency of creatures been so shaken; And do you realize that this happened not long after the White House was picketed by the Society for Indecency to Naked Animals?"

"I read about that screwball outfit," I admitted. "I understand they passed out leaflets saying

"The honeymoon is really over when there are more bills than coos."

Clothe all animals . . . protect our children from the sight of naked horses, cows, dogs and cats."

"That's right," Pearl said, polishing her nails. "Did you get that last word — cats?"

"What have you got in mind?" I asked her.

"Well," she said, "leotards, for one thing. And a bra. I dreamed I was out bagging mice in my Tabbyform Bra. And I'd like a bikini."

"I want some sneakers and a pair of brass knucks," Blackie said.

Thomastina piped up, "Could I have an electric blanket?" And Tom Tigger said, "Put me down for a rig, like, man, cool. And a guitar."

Foggy said, "I want a poncho and a pup tent."

"A pup tent?" Pearl exclaimed. "Are you going to have puppies, of all things?"

I never did find out who got the bird, or if the bird just took off its clothes, like Pearl said. Maybe it was a jaybird.

LEGAL NOTICE NOTICE TO BIDDERS

Sale of Crockett Soil Conservation District Farm Equipment

The Board of Supervisors of the Crockett Soil Conservation District No. 235, will receive sealed bids until 7:30 p. m. April 10, 1963, at which time bids will be opened and read at the Soil Conservation Office, Hotel Ozona, Ozona, Texas for the sale of:

Democratic freedom was fine for colonial America but what will we have in 1976?

THE PEOPLE WANT TO KNOW -

big government - - enemy of freedom

Big Government — over-stuffed, extravagant, proliferating, and insatiable for power and money — is the natural and historical enemy of freedom and private enterprise. The world has yet to learn whether the basic human rights of democratic freedom can survive under the sprawling incubus that Big Government with its hordes of employees tends to become.

Two Ozona Students Among Tops UT Fall Semester Honor Roll

Roy Neil Killingsworth, son of Mr. and Mrs. Roy Killingsworth of Ozona, and Miss Diane Phillips, daughter of Mr. and Mrs. Arthur Phillips, were among students making the fall semester honor roll of the college of Arts and Sciences of the University of Texas.

Young Killingsworth was among the 42 students scoring top scholastic ratings on the semester honor roll. Out of 8,926 students enrolled in the College of Arts and Sciences, 560 were named to the honor roll, the top 42 students summa cum laude, highest scholastic rating.

Miss Phillips was among the next 81-student group cum laude, second highest ratings. Students making more than 39 grade points were eligible. (An A accounts three a B is worth two and a C counts one.)

Mrs. Billye Lapham, Former Ozonan, Dies After Long Illness

Mrs. Billye Lapham, 35 years old, the former Billye Laxson, a 1944 graduate of Ozona High School and daughter of the late Bill Laxson of Ozona and Mrs. Alma Laxson Lilly of Midland, Texas, died recently in a hospital at Clinton, Mich., where she had been a patient for six months. She had been in ill health the past 14 years.

Mrs. Lapham was born in Ozona March 27, 1927. She was graduated from high school in 1944 and in September of that year married Eugene Lapham of San Angelo. The couple moved to Detroit, Mich. and had lived at Wampiers lake near Clinton since 1946.

Survivors include the husband, two sons, Dennis and Glenn; the mother; two brothers, Tommy Laxson of Midland and Sellers Laxson of Eldorado, and a sister, Mrs. C. A. Thompson of Missouri.

By Joel Huff

Recently a man was in his workshop repairing furniture. His four year old son entered the shop dragging behind him a bicycle that had been run over by the family car.

"Daddy, fix my bike," requested the boy.

Being busy the father glanced quickly over the twisted frame and told his son that he couldn't fix it. The boy just stood there for several minutes and then, looking up to his father, said, "But Daddy you haven't tried yet."

Not being able to resist such a plea, the father examined the bicycle more closely and discovered that the damage was repairable.

Today many situations arise at home, school, and in all areas of life that at the moment seem difficult or hopeless. Many times when we are busy with something small, one of these situations arise. We glance quickly over the job and then turn for help saying, "I can't do it." Frequently it is true that we just haven't tried yet.

EDITORIAL

By Ernie Hanson

"Happy is the man who findeth wisdom," a statement that is well remembered by the seniors who will be saying goodbye to their alma mater this year and by the Seniors who will follow in the years to come.

The modern world holds much for the person who has a liberal education and a well-trained mind. Wisdom can make a full man and a full man can make a happy man.

Happiness, in a world of automation and atomic energy can not be built on money, and money is not all that the world has to offer.

fer. To a young man or woman, it can offer a family, a job, and all the happiness imaginable. It can offer the highest rewards in any field of human endeavor and any chance to obtain an education should be considered a privilege, even by the "free American" who often takes many things for granted.

OPEN-AIR CLASSWORK

Coach Brooks Dozier trig class seems to be enjoying themselves and their new-found freedom.

Each day during 4th period, the class members can be seen making their way around the school bearing their surveying instruments.

A course designed to track the fundamentals and shooting angles, leveling, and measuring distance is underway, calling for field work each day.

The boys don't really mind too much having to get out of school. They just "grin" and bear it" as the old adage goes.

BANQUET TO HONOR SENIORS TONIGHT

The First Baptist Church has invited all OHS Seniors and their dates to a banquet, March 28, 1963.

The banquet, held each year in honor of the graduating class, will once again be held in the church, beginning at 7:00 p. m.

JUNIORS TO ORDER SENIOR RINGS

The incoming seniors, as the juniors prefer to be called, will be measured for their long awaited senior rings on April 3rd, at which time a five dollar deposit will be required. The rings, Mr. Pelto hopes, will be received the first week of the next school year.

The juniors of OHS have received this news with varying degrees of elation. A few of the girls are already floating around in the clouds, while the boys main comment seems to be "how much do they cost!"

One junior girl expressed a wish that the rings would arrive the last day of school — this year!

All the juniors are anxiously awaiting both being measured for and receiving their senior rings.

PETE MONTGOMERY HIGH INDIVIDUAL AT ELDORADO MEET, 65½ POINTS FOR OZONA

For the third consecutive time this season, Pete Montgomery was the high point individual of the Ozona Lion Track team. Pete accounted for 36½ of Ozona's 65½ points last Saturday at the Eldorado track meet. Pete placed first in both hurdles and the pole vault, took third in the broad jump, and ran on the 80 yd. relay team.

Other Lions who placed in the meet are as follows: Robert Cox, who ran on the 440 and 880 yd. relay teams, placed fourth in the 100 yd. dash, and took sixth in the shot put; Rihcard Vargas, who ran on the 440 yd. and mile relay teams; Rodney Stewart, who ran on the 440, 880, and mile relay teams and placed fifth in the discus; Joel Huff, who took fifth in the 440 dash and ran on the 440 and mile relay teams; David Childress, who ran on the 880 and mile relay teams and placed fifth in the high hurdles; Penn Baggett, who won third in the shot put; Scott Mahon, who took third in the pole vault; and Ronnie Houston, who tied for sixth in the pole vault.

Next Friday and Saturday the Lions will travel to the San Angelo Relays, and on April 6 the district track meet will be held in Ozona. Eldorado is the district 8-A favorite this year with Big Lake picked for second and Ozona chosen for third.

Carmen Childress, queen, Janie Gilliam, Vicki Applewhite, and Arlene Gotcher, duchesses, will reign at the district meet and present the medals and trophies.

PLAY CONTEST IN BIG LAKE TOMORROW

"Sparkin'", Ozona's one-act play entry will be presented in Big Lake for district honors tomorrow.

The play is scheduled to be given at 2:00 p. m. in the Regan County High School auditorium.

"Sparkin'" was presented for assembly yesterday.

WHAT IF . . .

The seniors didn't go to Dallas for their senior trip?
Mr. Pelto's coffee pot broke

down?

Senior rings cost \$35.00?

Miss North really did cut student's hearts out?

Juniors had to write a research papers?

Ozona won the district track meet?

We didn't get out for summer vacation?

OHS had carpeting and air conditioning?

All OHS students making an 'A' in a course were exempt from final exams?

Coach Cleere bleached his curly locks?

We didn't have a coke machine? We had a candy machine?

Seniors had to take final exams? P. E. were required for all high school students?

BOYS SEEK REVENGE

Male members of OHS have been given an opportunity of "re-

venge" for their sufferings during the 32nd Annual Invitational Basketball Tournament.

The boys, who no doubt had their pride and egos injured when the charms of OHS girls were turned from them to visiting teams during the tournament, can now retaliate. A volleyball tournament will be held in Ozona this weekend, and the visiting girls will probably be assured all the "hospitality" that could be desired.

Much to the despair of the avenging boys, the teams will not be housed in Ozona. This rules out showing the visitors the "night lights" of our town.

Because of this handicap, the boys will likely fail to match the attentions showed during the basketball tournament, but the situation of rivalry should help prove that Ozona is one of the friendliest towns in the West.

OZONA TAKES HONORS IN BIG LAKE

The Ozona girls took home the Big Lake Invitational Basketball Meet. There were 10 teams entered and Ozona finished being defeated by Big Lake, McCamey, Big Lake, Lake and Crase teams each.

Bill Ashcraft of Big Lake was the low scorer of the meet with a 79. Douglas Moore, who had the third low score of 83, which was a John Howard of Big Lake.

Douglas Moore, who was George Kyle, David Rick Hagelstein forward team. Five boys on a team two rounds of state basketball. (Continued on page 5)

The News Reel
 A re-run of "The Ozona Story"
 as gleaned from the files of
 The Ozona Stockman

From the Stockman, Mar. 29, 1934

Although the accompanying low
 temperatures resulted in heavy
 losses among the goat population,
 West Texas ranchmen were shout-
 ing in jubilation this week over
 bountiful rains that soaker most
 of West Texas over the week-end,
 ending a drouth that has held this
 immediate area in its grip for the
 past 16 months.

Dr. F. T. McIntire, who has
 practice medicine and surgery
 here the past three years, has an-

nounced his plans to lease Ozona
 about April 15 to become associat-
 ed with the aSn Angelo Medical
 and Surgical Clinic in San Angelo.
 Dr. H. B. Tandy has purchased
 Dr. McIntire's practice and equip-

Prospects for a successful season

Prospects for a successful season
 for the Ozona Giants, Crockett
 county's entry in the West Texas
 Independent League, brightened
 up considerably this week with
 the reported recruiting of four
 seasoned players to bolster weak
 spots. Two pitchers, one a left-
 hander, a catcher and an outfield-
 er, all from San Antonio, are to
 cast their lot with the Giants for
 the coming season.

C. S. Denham, principal of the
 Ozona High School for the past
 six years, was elected superin-
 tendent of the Ozona schools by
 vote of the school board in session
 Saturday night. Mr. Denham suc-
 ceeds John L. Bishop, who recent-
 ly resigned after serving as super-
 intendent here six years.

A move toward a clean-up and
 sanitation plan having as its ob-
 jective a permanent policy of
 cleanliness and sanitation for O-
 zona was initiated at the regular
 meeting of the Ozona Woman's
 Club when the civic committee of
 the club instructed to work with
 the Commisoiners Court on the
 project.

LEGAL NOTICE
NOTICE TO BIDDERS
NOTICE OF INTENTION TO
ISSUE WARRANTS

Sealed Proposals Addressed To:
 M. Brock Jones
 County Judge
 Ozona, Texas
 for the construction of a grand-

stand and other park improve-
 ments for agricultural, horticultu-
 ral and mineral exhibits at the
 Fairgrounds in Crockett County,
 Texas, will be received by the
 Commissioner's Court at the
 County Court House, District
 Court Room, Ozona, Texas, until
 2 o'clock, P. M., on the 8th day
 of April, 1963. Bids will then be
 publicly opened and read aloud,
 after which the bids will be con-
 sidered by the Commissioners'
 Court and award of contract made
 as soon there-after as practicable.
 Any bid received after the closing
 time will be returned unopened.
 Each item may be bid separate-

In case of ambiguity or lack of
 clearness in stating prices in the
 Proposal, the County reserves the
 right to adopt the prices written
 in words, or to reject the Propo-
 sal. The County reserves the
 right to reject any or all bids and
 to waive any or all formalities,
 and to require a performance bond
 and bid bond.

Plans and specifications may be
 obtained at the office of the Coun-
 ty Clerk, Ozona, Texas.

No bid may be withdrawn, af-
 ter the scheduled closing for re-
 ceipt of bids, for at least thirty
 (30) days.

Notice is also given that it is the
 intention of the Commissioners'
 Court of Crockett County, Texas,
 to pay all or a part of the contract
 price in interest bearing time war-
 rants, and it is the intention of the
 Commissioners' Court to pass an
 order on the 8th day of April,
 1963, authorizing the issuance of
 interest bearing time warrants a-
 gainst the Permanent Improve-
 ment Fund of said County in an
 amount not to exceed \$15,000.00,
 bearing interest at a rate not to
 exceed 3% per annum, and matur-
 ing at such times as may be fixed
 by the Commissioner's Court, seri-
 ally or otherwise, with a maxi-
 mum maturity not to exceed two
 (2) years from their date, for the
 purpose of evidencing the indebt-
 edness of Crockett County to be
 incurred in above described con-
 struction.

The County will make arrange-
 ments for the contractor to dis-
 pose of the warrants hereinmen-
 tioned at not less than par, and
 the contractor must agree to de-
 liver the warrants at such price

to the party with whom the Coun-
 ty has made such arrangements.
 This notice is given pursuant to
 a resolution of the Commissioner-
 ers' Court of Crockett County,
 Texas, adopted on the 11th day of
 March, 1963.
 M. Brock Jones, County Judge,
 Crockett County, Texas. 52-3tc

YOUR FAIR SHARE . . .

Most Texans, we believe, are fair-minded folks.

They believe in fair play, square dealing, and mutual respect for personal and property rights. Those who want to take advantage of their neighbors are the exception.

Sometimes it may be hard to define "a fair share." This can occur in dividing oil or gas production, when two or more land-owners are involved.

As we all know, oil and gas don't pay any attention to fence lines.

Here in Texas many wells have been allowed to produce more oil or gas than they should have because they were drilled on very small tracts. That extra oil or gas came from under the neighbors' land.

Some oilmen made a regular practice of this type of operation. Obviously, one owner got more than his fair share - others, less.

People in 26* out of 29 oil-producing states have found a way to divide their oil and gas so each owner get what is rightfully his. They simply put their small acreage together and share the costs and income. This system is known as **POOLING**.

Such a system is needed in Texas. It is proposed in a bill now before the Legislature, **HOUSE BILL 510**. When the neighbors cannot agree, the Railroad Commission would set up a drilling block and see to it that the rights of all owners are protected . . . all costs and proceeds equitably divided.

Oilmen who have made fortunes at the expense of others could not be expected to support House Bill 510. They are bitterly opposing it. But the responsible oilmen of Texas are overwhelmingly for it. So are the informed citizens who want to see justice done.

Ask your Senator and Representative at Austin to support House Bill 510 - so Texas, too, will have a reasonable and legal way to assure to each landowner his **FAIR SHARE**.

(This ad paid for by Committee for Equitable Development of Texas Oil & Gas Resources, 341 Mellie Esperson Building, Houston 2.)

\$400,000
 a year to keep
 the power flowing

Workmen replace blading veins which become eroded due to high-pressure steam flow. Highly skilled technicians are on call night and day. The moment trouble starts, their work begins. Much of the equipment is repaired on a regular maintenance schedule, before trouble appears.

The repaired unit is lowered back into its bearings by huge cranes, and the alignment minutely inspected before bolts are secured - just one of the countless jobs performed regularly by West Texas Utilities' maintenance crew to assure you an uninterrupted flow of electrical power.

Ready to go in the generating room at Oak Creek plant, the gigantic turbine does its job to generate power for West Texas Utilities customers in the vast West Texas area. Because the flow of electrical power is so dependable, you can enjoy living better electrically.

Ozona Hosts Miss Wool Beauties On Stop Over April 3

Downtown Greeting to Be Followed by Luncheon by Auxiliary

Ozona will host the 21 candidates for the title of Miss Wool of America, plus the present Miss Wool, Miss Carolyn Barre of Yoakum, in a brief appearance here at midday next Wednesday, Apr. 3.

The group, heading a caravan of cars carrying some 75 to 80 San Angeloans, are headed for a swing through Mertzon, Barnhart and Ozona to Del Rio and into Mexico, and back through Sonora, Eldorado and Christoval to San Angelo, a goodwill tour preceding the Miss Wool Pageant at the Coliseum in San Angelo Saturday, April 6.

Here the girls, each traveling in a white Oldsmobile convertible, will be greeted in an assembly opposite the downtown park. Miss Nancy Friend, Miss Mohair of 1962-63, will introduce the candidates and Miss Barre, and Oscar Kost, president of the Ozona Chamber of Commerce, will present each with a gold charm, a map of Texas with the word 'Ozona' engraved on it, a gift from Ozona.

A group of young men from the Ozona Air Force Station will escort the young ladies from their cars to the platform where they will be introduced and given the souvenir. G. C. Magruder, Miss Wool Pageant chairman, will introduce other members of the caravan. Mr. Magruder will be introduced by James Baggett of Ozona, also a member of the Pageant committee.

From the downtown reception, the candidates and members of the caravan will be guests of the Ozona unit of the Woman's Auxiliary to the Texas Sheep & Goat Raisers Association at a luncheon in the fellowship hall of the Methodist Church. After the luncheon the caravan will leave for Del Rio and the balance of the day's trip.

"Highway sign in North Haven, Conn. 'Driver who has one for the road has state trooper as chaser.'" Florence (Ala.) Herald.

WOOL BEAUTY — Candy Anderson of Salt Lake City, Utah, is one of the 21 Miss Wool finalists who will appear in the Annual Miss Wool of America Pageant. The pageant will be in San Angelo, Saturday, April 6. Candy, who attends the University of Utah, is 20 and has brown hair and blue eyes.

Twenty-one Beauties From Over U. S. Converge On San Angelo To Compete For Title of Miss Wool of America

San Angelo — Twenty-one beauties from over the nation will converge in San Angelo Sunday, March 31, to vie for the honor of reigning as Miss Wool of America through the coming year.

At the Miss Wool of America Pageant, to be held in the new San Angelo Coliseum Saturday evening, April 6, the winner will be selected to climax a busy Wool Fiesta Week.

And the choice this year will be a difficult one, inasmuch as "Every one of the lovely young women this year will be a real competitor," according to G. C. Magruder, Jr., Mertzon ranchman and chairman of the pageant committee.

Pictures and biographical personality and statistical information accompanying the nominations bear out the chairman's prediction that "It'll be a contest of

beautiful women this year."

Emphasizing that pageant tickets now are on sale at the St. Angelus Hotel here, and by mail order, Magruder added: "The pageant, the major promotion for the wool industry, is of basic interest to West Texans. And we urge all West Texans to attend."

He said a different stage arrangement this year makes every seat in the house a good vantage point from which to enjoy the parade of beauties and the incidental entertainment. Seats, all reserved, are \$1.50, \$2.50 and \$3.50.

Two Texas beauties will participate in the pageant, Carolyn Barre of Yoakum as the current Miss Wool of America, and Katharine Anne Spence of Austin as the present Miss Wool of Texas and Texas' nominee for the 1963-64 national title.

Toping the entertainment will be The Four Saints, a versatile musical quartet which has achieved review acclaim and spectator commendation in exclusive theatre, music hall, convention and television appearances the last year.

John O. Hickman of Denver, executive secretary of the American Sheep Producers Council and a polished entertainer, singer and speaker in his own right, will be a "hit" as the fashion commentator describing the costumes to be modelled by the beauties, show

sponsors predict. He will be the pageant's first masculine commentator.

Emcee of the entire show will be Cactus Pryor of Austin, a radio personality of Texas' capital. His brother, Wally Pryor, will be producer of the 1963 pageant.

ROPING CALVES for sale after March 20. Sid Harkins, Box 487, Phones DI 5-2240 or DI 5-2675, Sanderson, Texas, 51-4tc.

HIGHLIGHTS AND SIDELIGHTS From State Capital

Austin, Texas — "Hi Partner" — have you suggested a name for "The Longhorn State"? Better get your pencils and per out and start thinking everybody's doing it.

Reason is, there's a bill in the Texas House of Representatives calling for a slogan to be imprinted on our auto license plates. Three choices are given in the bill. They are "Long State" ... "Vacation State" and "Texas Has Everything".

Latter slogan was sent to newspaperman, Bob Bry, publisher of the Marble Fallslander.

Come to think of it, what's wrong with "Hi Partner" — two words we used in naming this column? Sounds like a friendly welcome of a Texas state or out of state.

Cost of adding a slogan to Texas tags would run only \$150. Or just the cost of the dies.

Speaking of license plates — bill by Rep. Ray McEwen of Paso would eliminate the tag. Saving to the state \$4 million annually.

Auto Inspection Deadline — Homer Garrison, Jr., director of the State Department of Public Safety, has sent out a memo to Texas drivers who do not have their 1963 auto inspection certificates that April 15 is the deadline.

If Rep. Terry Townsend of Midland has his say the \$1 auto inspection fee will be raised to \$2. Rep. George Richardson of El Paso said he will oppose any increase.

Legislative Wind-Up — Governor Connally and House Speaker Byron Tunnell seem to agree the 58th Legislature should wrap up its business before the May 1 deadline. This should please Legislators. They stop getting usual \$12 per day living allowance 20 days before that line.

But many are afraid the shark bill may hold them back.

Accurate and Complete RANCH RECORDS Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

Miss Sandra Dietz, Miss Mohair 1963-64

A pretty Hill Country girl, whose home town will be host to the Annual Show, Sale and Miss Mohair Coronation of the Texas

Angora Goat Raisers' Association August 1-3, has been chosen to represent the Mohair industry as its official ambassador and will begin her reign as the 1963-64 Miss Mohair on August 1.

She is Miss Sandra Dietz, 21 year old daughter of Mr. and Mrs. Edgar Dietz of Fredericksburg, and was selected as one of the three finalist in a contest last August 2. Sandra was determined the winner by the officials of the T. A. G. R. A. on September 6, and

TOO HIGH FOR US — SO INDIA BUYS IT

Senator J. Glenn Beall (R-Md.) reports that last Fall the United States gave up the idea of buying a Geneva, Switzerland chalet for the embassy there because it was too expensive.

Recently, the Senator said, India, which has received more than \$4.6 billion in U. S. foreign aid, purchased the building.

New Travel Brochure Pictures Attractions For Tourists In Texas

Austin, Texas — Tourists unfamiliar with Texas are expected to get an eye-opening look at the state as the result of a colorful new travel brochure released today by the Texas Highway Department.

The 32-page booklet, "Texas — Today's Frontier," is one of several devices used by the State Highway Department to assist Texas in winning a fair share of the burgeoning national travel market.

"Texas realized \$471 million from tourism in 1962, an increase of \$31 million over 1961," explained D. C. Greer, state highway engineer. "But the potential is far greater."

"Before our state can command this potential, however, we must overcome some unfortunate misunderstandings as that Texas is all a vast desert, arid and highly uninviting as a vacation land. The new brochure, coupled with the state's first series of travel posters and the holiday-oriented 1963 highway map, punctures this idea.

Together they emphasize Texas as a land of infinite variety with its roots in gaiety and excitement. The concept is embodied in the theme that yesterday's frontier has yielded to "today's fun-tier."

en-months program of social work in the community. The fund being raised is to make needed repairs to the building, all funds raised locally being matched by WSCS board.

The Center is under the direction of the Methodist Woman's Society of Christian Service but in Ozona has branched far beyond denominational lines to minister to the needs of all who will allow it to help without respect to religious creed.

Among the more outstanding contributions the center has made in recent years has been the extensive work in keeping children in school, in working to help children graduate and in helping deserving young people through college. All of these projects now have living proof of their effectiveness.

As the Center has grown and its program has grown it has drawn talented and willing people to its aid from all walks of life in Ozona and has been able to present to a real community effort in adult education and all the way down to a pre-school kindergarten. The Center has not only attracted local attention but has become well known for its work over a wide area of West Texas.

Mr. and Mrs. Henry Patrick and son, Don, spent the week-end here visiting Mr. Patrick's mother, Mrs. Joe Patrick.

Volleyball —

(Continued from Page One)

and with 18 seconds remaining, Ozona broke through Big Lake's service in a point duel that lasted over a minute.

Miss Geneva Knox rushed in two subs, Sandra Martinez to serve and Lucille Childress at the net and the subs came through like champs as Ozona scored the tying point after the clock ran out and then with a couple of beautiful spikes by Diana Faye Coates scored two straight points to win the game and the contest.

The Ozona B team did not fare nearly so well, dropping a close first game decision winning a hard played second game and then falling 15 to 3 in the deciding game.

Tuesday night the Ozona team continued to experience hard luck as Pauline Maness was still unable to play from an illness the week before and in addition Diana Faye Coates caught the flu and missed the contest.

Facing Iraan the Ozona team played well despite the loss of starters as the Ozona team won the first contest 15 to 9 behind the serving of Vickie Good and the fine spiking of Pat Womaack.

In the second game, the Ozona team once again had to play catch up after taking an early 3 to 1 lead. Iraan forged ahead 8 to 7 and 9 to 8 before the Ozona team broke loose for four straight points to win 13 to 9.

Sandra Martinez was a big fac-

tor in the second game victory as her fine floor play and set up work stayed off several determined Iraan bids.

The Ozona B team won a two-of-three game set with the Iraan B team even though a determined Iraan rally in the final game almost turned the tide before the Ozonians braced to win.

Sidelights --

(Continued from Page One)

quartet's hillbilly music was a big favorite of the banquet guests as were the children dancers from the Community Center under direction of Miss Dorothy Price and Miss Ethel Wolf.

Awards won by Ozona clubs were first place in club reports by the Woman's Forum; first place in the division of Literature and Drama in the fine arts division by the division chairman, Mrs. W. T. Bradbury of Ozona. The Three Ozona clubs swept the Class B competition in press books, Ozona Woman's Club winning first, the

Woman's Forum second and the Ozona Music Club third.

The convention theme of "Texas, Our Texas" was emphasized by decorations of redbud blossoms, woolly lambs and miniature sacks of wool. Delbert Downing of Midland was guest speaker on the topic, Our Texas Heritage, and charmed the 150 guests who heard him. He was introduced by Mrs. Everett J. Gindstaff of Ballinger, convention program chairman.

Convention guests from 124 towns and clubs declared they had had a good convention, and Mrs. Joseph M Perkins of Eastland, past president and now General Federation officer, attended the first district convention held in Ozona in 1927 and she praised the host clubs and the host town for staging one of the finest district conventions in years.

"I was anxious to come back to Ozona again just to see if the people were as gracious and as hospitable as before," she said. "I found them so, indeed."

Vaudeville Music Program Topic For Ozona Music Club

The Ozona Music club met March 21, in the home of Mrs. Sherman Taylor, with Miss Geneva Knox and Miss Lucille Farmer as co-hostesses. Mrs. George Russell, Jr., was in charge of the program. She spoke on vaudeville music. Miss Grace Ann Tabb played "Sweet Rosie O'Grady," and "Ta-Ra-Ra-Boom-de-ay."

A sextet composed of Mrs. Roy Killingsworth, Mrs. W. C. Owens, Mrs. Frank James, Mrs. George Russell, Jr., Mrs. Brooks Dozier, and Miss Roberta Lawrence, sang "By the Light of the Silvery Moon," "After the Ball," and "In my Merry Oldsmobile."

The club collect was sung, along with group singing led by Miss Cleona Quiett. Delicious refreshments were served to those mentioned and Meses. Ottist Pridemore, J. W. Howell, Ken Cody, Leon Patterson, Roy Harrell, and Quentin Brentz, Miss Wanda Wat-

GUARD YOUR PROPERTY RIGHTS

Texas House Bill No. 510, the Forced Pooling Bill, is now before the House Oil & Gas Committee. If passed and made law, this bill would force the small independent oiloperators out of the oil industry, take away landowner's property rights, and nullify the power that royalty and mineral owners presently have to protect themselves from drainage.

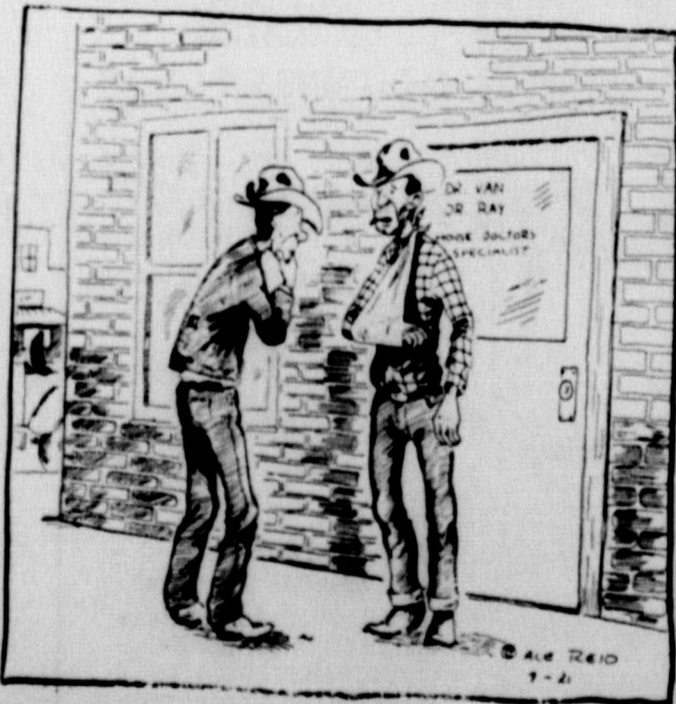

House Bill No. 510 would:

- (1) Deprive land and mineral owners of the right to negotiate and contract for leases.
- (2) Provide that if a landowner does not want to participate in the drilling of a well, he can be forced to pool — with the drilling party taking all oil and or gas production until such production equals 200% of the driller's cost. Many wells in Texas never produce 200% of their cost.
- (3) Allow major leaseholders to hold large leases without a well by allowing them to put one acre in a forced pool unit.
- (4) Provide that, if a landowner's property is confiscated for pooling, his only right of appeal is before the District Court of Travis County.
- (5) Be retroactive.
- (6) Make Texas taxpayers and Texas school children suffer higher taxes and loss of income because of the lessening of market value on state owned lands.
- (7) Lead to the destruction of the free enterprise system by giving a governmental agency the power to confiscate property when a well-defined need cannot be proven to exist.
- (8) Provide for no limitation on the size of units. Thus, a man with a 40 acre tract in 1964, could find himself holding in 1965 the same 40 acre tract, but in a 640 acre unit. Thus, his interest is cut from 40/40 (or 8/8) to 40/640 (or 1/16).

I urge you to write your Representatives, your Senators, and your friends all over the state, asking them to vote against the Forced Pooling Bill — the bill that would lead to government control and governmental competition with private enterprise. — R. H. Pickens, Dallas.
