CLASSIFIED RATES — 5 cents per word first insertion; 4 cents per word each additional insertion. Minimum charge 50 cents per insertion.

#### WYOMING MAKES 20

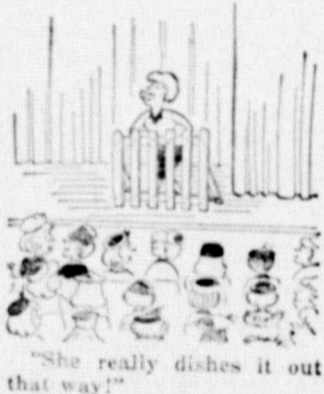

Last February 6 Wyoming passed a Right-to-Work bill. The margin was substantial — 33 to 23 in the House and 16 to 11 in the Senate. And this was accomplished in the face of the most aggressive sort of opposition.

Wyoming's act makes it the 20th state to forbid compulsory unionism. The principle of Right-to-Work, aside from differences of detail in the various state laws, is plain. Neither union nor employer can demand that a worker join or not join a union. The decision is entirely up to him.

Right-to-Work is thus a force — and a highly important force — on the side of individual freedom. Then, beyond that, it is a force in favor of better, more responsible, labor organizations. A union which must sell itself on the basis of worth and service is a very different sort of union than one which can compel people to join and pay dues, whether they want to or not, or go jobless.

Wyoming's action — like that of the 19 other states which preceded it in passing Right-to-Work laws — is in perfect consonance with the needs and the public sentiment of these times.

#### My Neighbors

"She really dishes it out that way!"

#### A Creek In My Back

By Allan R. Bosworth

Author of "New Country" and other historical & fictional works

The year's at the spring  
 And day's at the morn;  
 Morning's at seven;  
 The hillside's dew-pearled;  
 The lark's on the wing;  
 The snail's on the thorn;  
 God's in his Heaven —  
 All's right with the world!  
 — Browning

The year's at the spring,  
 The rocket's at zoom;  
 The Bomb's at the tick;  
 Berlin's at the Wall;  
 Sputnik's on the wing;  
 Castro's Cuba's at doom;  
 Vietnam is at sick —  
 All's wrong with DeGaulle.

I suppose the prophets of doom have been with us ever since old man Noah made his famous weather forecast. Fortunately most of them have been had prophets. Several times within this century charlatans professing to have a hot line to Supreme Headquarters have retired to the hills, taking along varying numbers of susceptible suckers, there to wait an hour and the end of the world — only to be either openly disappointed or secretly relieved.

As a very small boy in March, 1910, I can remember considerable hysteria attending the 29th observed passage of Halley's Comet, which swings around every seventy six years. It was sure, they said, to set the world on fire with its flaming tail. It made a rather spectacular display, all right, and scared me into a more faithful attendance at Sunday School for awhile, but nothing really happened. Except that we lost Mark Twain, who had been born during the previous appearance of Halley's Comet, and had predicted

### Bonds That Unite

By L. D. Warren, Cincinnati Enquirer

that he would go out with the next one. He did.

Now there are people who predict that the world will be fried in a series of atomic blasts, and, of course, they may have something. They are only waiting for Russia to press the button. I take comfort in the thought that we have more buttons than Russia, and that because of this the button will not be pressed.

But there is one recent prophecy which worries me, indeed. The makers of women's girdles and brassieres say that our vitamin-enriched diet means that by the year 2000, the average American girl will shape up at 38-38-38.

They can't do this to me, of course, because I will no longer be around. But I don't think it should be allowed to happen to posterity, either. Thirty eight is fine for the two end numbers (I use the term advisedly) but let's have no straight line as the shortest distance between two points.

Genetics being what it is, or what they are, these days, I could quite possibly be here to see Halley's Comet swing her tail across the sky in 1986, and I have no doubt that this time astronomers will be able to measure her with scientific exactness. But I will still have an academic interest, that year, in those other measurements they will take at Atlantic City.

If Miss America of 1936 turns out to be 38-38-38, you can put me down with Mark Twain and let me go out in the blaze of Halley's Comet. I will have had it.

#### Welding Course For Adults Being Taught In Vocational Ag Dept.

An oxy-acetylene welding short course for adults is being held this week under the sponsorship of the Ozona High School Vocational Agriculture Department, according to M. A. Barber, teacher of vocational agriculture.

Charles H. Yates, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M College, is the instructor for the course. He is headquartered at Texas A&M College.

Mr. Yates holds a B. S. degree from Texas A&M College in Agricultural Education. He taught vocational agriculture and farm shop for a period of 15 years. He also taught automobile mechanics, electricity, electrical and acetylene welding and woodworking in the Jasper County vocational school. He has had two years experience as a draftsman, and two years

experience as a welder.

Attending the nightly classes all week are Graham Childress, Nat Read, George Glynn, Bill Black, Frank McMullan, Jr., Bud Cox, Boyd Baker, Tom Everett, Charlie Boy Davidson, Walter Sparks, Bill Clegg, Sam Perner, Erby Chandler, Kenny McMullan, Doyle Elmore, Tom Powers, W. O. Mills, Chas. Huffman, Leo Bawcom, Jimmy McMullan and Bud Beauchamp.

#### Miss Mildred North Life Member P T A In Recognition of Work

Miss Mildred North was presented with a Texas Life Membership to the Texas Congress of Parents and Teachers Monday night at the regular PTA meeting. This membership is given by the local unit in recognition of her work with and for the children and community.

Mrs. Roy Killingsworth, program chairman, introduced Claude Leath, who presented the one act play cast of "Sparkin'" which will be entered in interscholastic league competition at Big Lake on March 29. The hillbilly comedy was played by Gail Johnigan, Arlene Gotcher, Cheryl Clayton and Penn Baggett.

The Sixth District Spring Conference was announced to be held in San Angelo March 27. Headquarters will be at the Sarah Bernhardt Theatre of the San Angelo Central High School. Any one wishing to go as a delegate is urged to contact Mrs. Boyd Baker, president.

Rev. J. R. Vinson gave the devotional. Mrs. W. T. Stokes won the room count.

Letters will be in the mail this week to each member giving them the proposed National Congress legislation program. Included will be a ballot and a self addressed envelope to return the ballot.

"Heard a fellow say he was putting all of his money in taxes because it's the only thing sure to go up." — Hollisdaysburg (Pa.) Register.

"An unbiased person is one who has the same bias as you have." — Sauk Rapids (Minn.) Herald.

#### Ozona Finishes In Sonora Invitational Track Meet Saturday

By Ernie Boyd

The Ozona High School track team finished in fifth place in Sonora last Saturday in the day-night meet which was the 10th annual Sonora Invitational Track Meet. The team finished with a record of 100 points, which is the highest ever for the school.

Big Lake proved to be the meet's big surprise as the Lake squad scored in the strength than in last year's ozona showing and will have a great deal of strength in sprints, the weights, and the pole vault.

Big Tommy Franklin led the Owls 440 relay team and led up points in the shot and discus while Charles Moore was year's champion in the 100 yard dash. In the 200 yard dash only conference representative do so while Jerry Aly placed in the broad jump.

Big Lake's appearance on the scene as a contender does seem to be any bigger than the Lions than to Eldorado maybe not as much as the Eagles were almost certain to up a good many points in shorter distance running events that will now fall to Big Lake.

The Lions once again bulk of their points in the pole vault as well as from Pete Montgomery who placed in the shot and discus.

Penn Baggett and Roy Killingsworth placed in the 100 yard dash and the 200 yard dash.

As predicted before the meet the competition would be from outside schools and the Sonora and Crane schools had in the meet to take first and second place.

The Lions should encounter opposition this week as they travel to Eldorado for an invitational meet. The Lions have had a record of not doing too well in Eldorado meet and in any case not be favored to win.

Host Eldorado along with Sonora and Big Lake are expected to be strong contenders but all the teams entered is not sure at the time of this writing.

Port O'Connor Defies a Hurricane's Fury

In September of 1961, the Texas Gulf resort and fishing center of Port O'Connor suffered almost total destruction from Hurricane Carla.

But the proud, determined and energetic community of about a thousand people, refused to admit defeat. Today, homes, business buildings and fishing facilities have been rebuilt larger, more permanently and with a fresh, new look.

Port O'Connor's amazingly complete

come-back is another reason why we say that big things are happening in General Telephone towns.

Yes, towns in our service area are on the move. Community improvements are under way, local resources are being developed, new industries are coming in. If your town seeks additional information about this expansion, we are at your service. Just write our Community Development Dept., Box 1001, San Angelo, Texas.

this zone on a drillstem test between 8,520-91 feet with the recovery of 180 feet of 43 gravity oil and 105 feet of slightly oil and gas-cut mud; an earlier test between 2,365-8,440 feet returned 272 feet of slightly oil-cut drilling mud and one pint of free oil.

Humble Oil & Refining Co., Midland, was preparing to run casing, size and seat unreported, for completion attempt in the Canyon at its No. 1-CR State University, in 30-30-University, re-entry project 4 1/2 miles northeast of the one-well Cox, North (Strawn gas) field of Crockett County, 18 miles west of Ozona.

No other information was available. The cleaned out depth is 7,050 feet.

Originally drilled by Sinclair Oil & Gas Co., as the No. 1-94 University, it was abandoned Dec. 28, 1948 at 10,026 feet in barren Ellenburger.

**Peak Day Load Hits New High For Pioneer Natural In January**

Amarillo, Texas — A record peak day load of 370,287,000 cubic feet of gas was put through Pioneer Natural Gas Company's pipeline system this past January 11, according to figures released today by Billy G. Grant, superintendent of the Company's gas measurement department at Amarillo.

During a severe arctic snap throughout Pioneer Natural's service area in middle January, temperatures dipped to 16 below zero at Lubbock. In Amarillo and surrounding areas, the mercury dropped to 9 below. Other areas throughout the system, which serves 41 Panhandle-South Plains counties, had similar numbing weather. The previous peak load was 312,118,000 cubic feet on Jan. 9, 1962.

## EDITORIAL

Hanson

Year about this time, the spring begins to fill the air with the laziness of the humidity. It seems to bud into full bloom.

As the time of year rolls around, students begin to feel the approach of the school year and the let down just a little bit stronger.

It is the time to realize that the year is really the important time because with the school comes the plague of examinations and final

if the urge to let down a little bit is tempting, the realization of these should be enough to keep students on their toes until the bell rings.

## "RING HAS SPRUNG"

Houston

"Ring has sprung" a they say some old disease comes on. That is, for some who wonder, a malady contaminating millions each year known as "ring fever".

"Ring fever" brings no headaches, or other vile symptoms only gifts are a lack of and listlessness.

Some of us have contracted the already. All some want to keep, eat, and rest.

When did you say you were I guess I'll just eat a snack and rest awhile.

## THINKING AHEAD

By Carletta Hedrick

These next few weeks and months will be used by students for thinking ahead. Since the seniors are getting out of school in a short time, they, more than any one else, are probably "looking to their future."

The seniors are trying to decide whether to go to College, and if so, to which college.

Some may be planning to get a job as soon as they graduate. In all these cases, however, some thinking ahead is done.

With only a few weeks of school left, the time has come to take some action — applications to colleges and for summer jobs must be made soon.

## TWENTY DOLLAR DAY AT THE CONCESSION STAND

Two weeks ago at the Ozona Track Meet, everybody was in a big hurry to see the track and field events that were going on, on the field, but no one was interested in the twenty-dollar bill that lay in front of the concession stand.

The poor little twenty-dollar bill lay in plain sight of everybody that passed it, but no one would notice it.

Finally, as fate will have it, a little boy of about five years old wandered up to the concession stand to fill his stomach with the best that the Senior class had to offer. He saw the twenty-dollar bill, picked it up, got his coke, and walked off none the wiser as to what he had found, but happy that his thirst had been satisfied.

## LIONS GO TO SONORA

The Ozona Lions picked up 45 points last Saturday to claim sixth place in the Sonora Relays at Sonora. The meet entries were composed of teams from class 2-A and class A, and class B.

Leading the Lions for the second time this year was Pete Montgomery with 28 points. Pete won

both the high and low hurdles, placed third in the pole vault, and ran on the fourth place 880 yd. relay team.

The only other Lions to place were Penn Baggett, who took fourth in the shot put; Rodney Stewart, who placed fourth in the discus and ran on the 880 yd. relay team; Scott Mahon, who won fifth in the discus; Joel Huff, who ran on the 880 yd. relay team and placed sixth in the discus; and Robert Cox, who ran on the 880 yd. relay team.

The Ozona Junior High Cubs have competed in three track meets so far this year. The first of these meets was a dual meet with Eldorado in Ozona last Thursday. The Eagles won the meet with the majority of their points coming from the relays.

Last Saturday the Cubs entered the Sanderson, Jr., High track meet in Sanderson. In the seventh grade division Ozona placed second, while the eighth grade placed fifth.

The Cubs traveled to Sonora last Monday to take second place in the meet.

## STUDENT COUNCIL REPRESENTATIVES ELECTED

The following students were elected as student council representatives for next year. Eight grade: George Cox and Jill Applewhite, freshman class; Ronnei Mason and Lynn Cox, Sophomore class; Moe Barbee and Linda Leath, and for the Junior class: Dade Melton and Janet McAlister.

## INTERSCHOLASTIC EVENTS BEGIN IN BIG LAKE, MARCH 29

District Interscholastic League events will begin Friday, March 29, with the one-act play contest in Big Lake.

OHS's golf team will compete Monday, April 1, in Big Lake for district honors. The tennis team will travel to Rankin April 2, and literary and writing events will be held in Rankin on Wednesday, April 3.

District competition will be top-

ped off with the district track meet, to be held in Ozona April 6.

Because eligibility slips must be turned in ten days prior to competition, the main office is now working on the entry list.

## NOTICE

"Sparkin'" Ozona's entry in the Interscholastic League One Act Play Contest, was presented at a meeting of the Parent-Teachers Association last Monday night. The play will be entered in the district contest on March 29 in Big Lake.

## MR. BARBER TO ATTEND MEETING IN AUSTIN

Mr. M. A. Barber, recently elected one of three Directors of Area II, will attend a statewide vocational Agriculture Directors meeting in Austin tomorrow and Saturday, Mr. Barber will hold his office for three years.

## BEGINNING OF THE END FOR SENIORS

With little more than eight weeks of the school year remaining, the seniors of OHS are slowly coming to the realization that this is the "beginning of the end". Soon there will be senior parties, invitations to address and Thank You notes to write. Applications to colleges must be made, and summer school must be considered. It is evident to the graduating class that soon friends, family, and high school will be left for another world.

Some of the seniors anticipate the end of their high school education; some are sorrowful. It may be found, however, that a certain percentage of the seniors cannot see the forest for the trees. Too much worry about what happens after graduation may cause too little worry about the main problem. Graduating!

## 22 BAND MEMBERS TO GO TO CONTEST SATURDAY

Twenty-two members of the OHS band will attend a solo and ensemble contest Saturday, according to director Eddie Green. The contest will be held in Abilene at McMurray College.

These who plan to attend are Donna Moore, Candy Griffin, Suzanne Lewis, Lynn Cox, Pat Womack, Brad Harris, Shirley Wagner, Janet McAlister, Celia Houston, Barbara Kirby, Nancy DeLand, Kay Patterson, Mary Jo Walker, Dub Scrivner, Janis Walker, Marcia Haire, Helen McCaleb, Pauline Maness, Joe Martinez, Dade Melton, Doyle Lovell, and Hugh Coates.

## SENIOR AVERAGES TO BE COMPILED

Seniors of OHS will soon know their individual class standings. Their final "four year" averages will determine whether a student is in the top quarter, top half, third quarter, and so-forth, of his graduating class.

Because of the bookwork involved, the averages are compiled before a senior's actual transcript is completed; for this reason the "four year" averages are actually four years less one six weeks period.

Due to the fact that this year's senior class has only 23 members, there will be no more than six persons to a quarter. This means that a "top quarter" student would be among the top six students in his class.

## EASTER

The last seven days of Lent, called Holy Week, include Palm Sunday, Maunday Thrusday, Good Friday, and Easter, falling this year on April 14.

Easter is now celebrated on the Sunday after the first full moon following the spring equinox. For

this reason Easter moves between March 22 and April 25.

The holiday's name comes from Eostre, a goddess whose festival was held in celebration of the renewal of life in the spring.

Eggs came to be associated with Easter because, after being forbidden food during Lent, they were served on Easter Sunday. Dying them bright colors suggested joyousness.

## Skip the sulphur and molasses-- get a CHEVROLET SUPER SPORT

Chevrolet Super Sports\* have a charm that soothes your springtime yen for romantic adventure as fast as you can slip into a bucket seat. (Especially the Impala's, with its adjustable new Comfortilt steering wheel.) Front bucket seats are a great start, but Super Sports also feature plush all-vinyl interiors, special interior-exterior trim in tasteful touches, and a veritable feast of goodies we call performance options\*. Chevrolet and Chevy II Super Sports invite adventure in convertible or coupe form. That same Super

Sport zing applies to the Corvair Monza Spyder, very breezy with its air-cooled 150-horsepower rear-mounted engine, and 4-speed shift\*. Ditto for the new Corvette Sting Ray, a magnificent thoroughbred among pure-blood sports cars with not a single sacrifice in comfort. Both Spyder and Sting Ray come in coupe or convertible styles. All Chevrolet Super Sports are like spring days—you've got to get out in them to savor them. So catch yourself a passing zephyr and wait on down to your Chevrolet showroom.

Models shown clockwise: Corvette Sting Ray Convertible, Corvair Monza Spyder Convertible, Chevrolet Impala Super Sport Convertible, Chevy II Nova 400 Super Sport Convertible. Center: Soap Box Derby Racer, built by All-American boys.

### HIGHLIGHTS AND DELIGHTS State Capitol

Texas—A \$3,000,000,000 bill has been passed by the House and cleared the Senate, the bill cleared the House and cleared the Senate, the bill cleared the House and cleared the Senate...

**Tuition raises Proposed** — Representative Atwell picked up a recommendation by the Commission on Higher Education to double state college tuition, and filed a bill to raise it from \$50 to \$100 a semester.

Governor Connally has ignored the commission's suggestion.

Rep. Dick Morgan, Republican from Dallas, chose "a good compromise." He introduced a bill to raise tuition to \$75 a semester.

Children of members of the Texas National Guard who have been killed in the "cold war crisis" since 1950 will be provided free tuition in state colleges, if a bill by Representative Parmer is passed.

**States Rights Stand** — The House passed a resolution to ask Congress to call a constitutional convention to leave legislative responsibility to state legislatures. Rep. Bill J. Parsley of Lubbock said, "This may be the last time the state can take a stand on what may be the last of state's rights."

If the proposed amendment is adopted by a sufficient number of states, Texas could insure a rural-dominated legislature, despite urban growth.

**LADIES GOLF-BRIDGE**

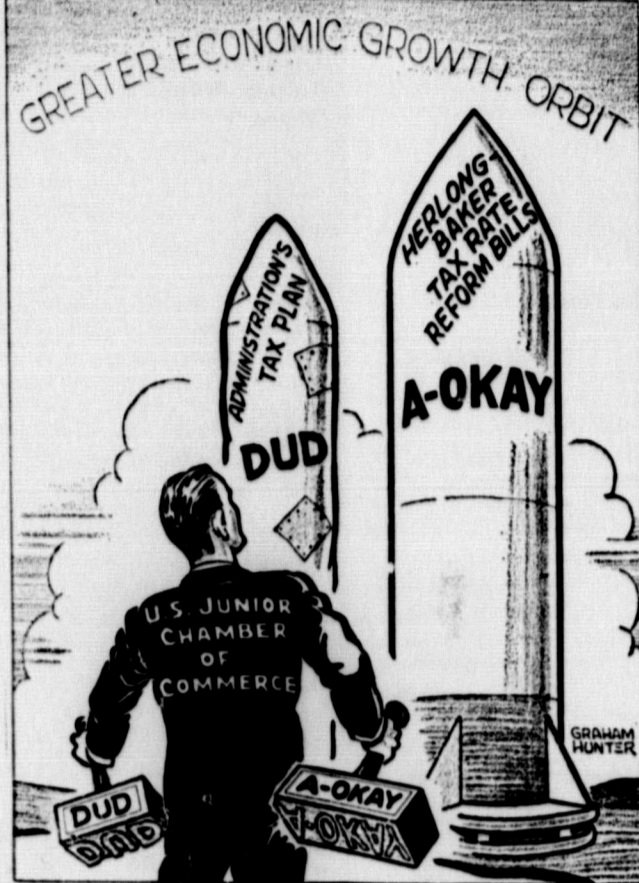

Mrs. P. C. Perner was bridge hostess at the country club last Thursday when the Ladies Golf-Bridge Association met. High score prize went to Mrs. George Bunker, second high to Mrs. Clay Adams and bingo to Mrs. Ashby McMullan.

Others present were Mrs. Gene Williams, Joe Friend, Byron Williams, Mike Clayton, Lloyd Sherrill, C. O. Walker, Gene Lilly, Armond Hoover, J. M. Baggett, Ewart White, Mahlon Robertson, Sherman Taylor, Hillery Phillips, Brock Jense, John Childress, Pat Wood and Mrs. Bill Grimmer from Winfield, Iowa.

Pierce Miller, son of Mr. and Mrs. Eugene Miller of Ozona, made the fall semester honor roll in the School of Business Administration at the University of Texas, the school has announced.

### DECISION FOR NATIONAL WELL-BEING

### Ram Performance Test Program Slated Sat. At Experiment Station

Crockett County ranchmen are invited to attend a special ram performance test program at the Sonora Experiment Station on March 23. County Agent Pete Jacoby announced today. Visitors are urged to arrive at the station by 10 a. m. for informal talks and inspection of rams on test. Following a barbecue lunch served by the Sutton County 4-H Club, the afternoon session will be opened by H. M. Phillips, editor of the Sheep and Goat Raiser.

The main address will be delivered by Earl Rudder, president, Texas A&M College. Rudder's interest in the sheep and goat industry is more than casual. Mr. Jacoby pointed out. His 12-section ranch in Menard county is devoted primarily to the production of fine wool sheep and Angora goats, and his selection program stems from research done at the Sonora station and the college's wool and mohair laboratory.

Other program highlights will include "Results of 1962-63 Ram Test," by Jim Menzies, station animal husbandman; "Nutritional Diseases of Lambs" H. O. Kunkel, associate director, Texas Agricultural Experiment Station; "Lamb Carcass Evaluations," by O. D. Butler, head of A&M's Animal Husbandry Department; and a discussion of problems confronting the sheep and wool industry by Jimmie Powell, president of the Texas Sheep and Goat Raisers Association.

The Sonora station is located about 28 miles south of Sonora and just north of State Highway 55. Dr. W. T. Hardy is station superintendent.

### MRS. HARRELL LEADS STUDY ON DIMENSIONS OF PRAYER

Meeting in the fellowship hall of the Methodist Church Wednesday morning the Woman's Society of Christian Service con-

tinued the study on "Prayer" by Douglas V. Steere, under the leadership of Mrs. R. A. Harrell. Theme of the lesson was "Be Still Before the Lord, and Wait Patiently for Him".

The worship center was arranged by Mrs. Stephen Perner.

Talks were made by Mrs. L. B. Cox, Jr., on "I Come from God", Mrs. W. R. Fleming on "I Belong to God," Mrs. Paul Perner, "I Return to God" and Mrs. W. O. Mills, Jr., gave a comparison on Meditation and Contemplation.

Coffee hostess was Mrs. L. B. Cox, Jr.

Others attending were Mrs. S. M. Harvick, Mrs. A. S. Lock, Mrs. Joe Williams, Mrs. W. O. Reeves, Mrs. Ewart White, Mrs. Keith Mitchell, Mrs. N. W. Graham, Mrs.

L. B. Cox, III, Mrs. Joe Tom Davidson, Mrs. V. I. Pierce, Mrs. Chas. Williams Sr., and Mrs. Joe Pierce.

### Ozona Girls —

(Continued from Page One)

Sanderson filling out the three Guards chosen on the second team included Jimmie Fields of Rankin, Beverly Bradford of Sanderson and Carol Shipp of Rankin. Pauline Maness and Lana Kay Akord of Ozona were named honorable mention.

Of the four Ozona girls named to the honor team only Miss Maness is a senior.

### Screwworms —

(Continued from Page One)

flies before they spread.

Reporting of an outbreak of screwworms will in no wise result in any sort of penalty for the ranchman, officials point out. There will be no quarantine, no mandatory spraying of livestock. Ranchmen are being urged to take all precautions to avoid a screwworm outbreak, thus minimizing the chance of re-infestation of a area of winter kill.

Sterile fly release from the Mission plant during the week of March 3-9 was 101,227,450, most of them dropped in the Rio Grande Valley. Ten confirmed screwworm cases were reported in the Southwest last week, all from counties in Texas' Rio Grande Valley. The intensive battle is under way to prevent spread of the screwworm flies out of these counties.

### 200 Delegates —

(Continued from Page One)

and Bees. Mrs. L. B. Cox, III, will accompany.

The Tuesday morning session will open with a past president's breakfast at 7:30 followed by additional registration at 8 a. m. The morning session will be at 9 a. m. in the sanctuary of the church and will feature an address by the state president of the Texas Federation of Women's Clubs Mrs. A. T. Carleton of Houston. Various reports will be heard until noon when convention delegates will be entertained at a Texas Heritage luncheon in the fellowship hall of the church.

Featured speaker at the banquet session will be Delbert Downing of Midland, former manager of the Midland Chamber of Commerce and outstanding after dinner speaker.

The Ozona Community Center dancers will entertain with a group of Mexican folk dances as the concluding entertainment number of the convention. Mrs. A. G. Lee closing the convention shortly after 3 p. m.

Delegates are expected from Ballinger, Blanket, Brady, Bronte, Brownwood, Christoval, Cisco, Comanche, DeLeon, Eastland, Eldorado, Goldwaite, Gorman, Junction, Llano, Mason, May, Melvin, Menard, Mertzon, Paint Rock, Rising Star, Ranger, Rochelle, San Angelo, San Saba, Santa Anna, Sonora, Sterling City and Winters.

### LEGAL NOTICE NOTICE OF INTENTION TO ISSUE WARRANTS

Sealed Proposals Addressed To: M. Brock Jones County Judge Ozona, Texas

for the construction of a grandstand and other park improvements for agricultural, horticultural and mineral exhibits at the Fairgrounds in Crockett County, Texas, will be received by the Commissioner's Court at the County Court House, District Court Room, Ozona, Texas, until 2 o'clock, P. M., on the 8th day of April, 1963. Bids will then be publicly opened and read aloud, after which the bids will be considered by the Commissioners' Court and award of contract made as soon thereafter as practicable. Any bid received after the closing time will be returned unopened. Each item may be bid separately.

In case of ambiguity or lack of clearness in stating prices in the

Proposal, the County reserves the right to adopt the prices written in words, or to reject the Proposal. The County reserves the right to reject any or all bids and to waive any or all formalities, and to require a performance bond and bid bond.

Plans and specifications may be obtained at the office of the County Clerk, Ozona, Texas.

No bid may be withdrawn, after the scheduled closing for receipt of bids, for at least thirty (30) days.

Notice is also given that it is the intention of the Commissioners' Court of Crockett County, Texas, to pay all or a part of the contract price in interest bearing time warrants, and it is the intention of the Commissioners' Court to pass an order on the 8th day of April, 1963, authorizing the issuance of interest bearing time warrants against the Permanent Improvement Fund of said County in an amount not to exceed \$15,000.00, bearing interest at a rate not to exceed 3% per annum, and maturing at such times as may be fixed

by the Commissioner's Court orally or otherwise, with a maximum maturity not to exceed (2) years from their date of issuance. The County reserves the right to void any and all warrants incurred in above described construction.

The County will make payments for the contractor in accordance with the terms of the contract provided the contractor complies with the terms of the contract and deliver the warrants as required to the party with whom the County has made such arrangements.

This notice is given pursuant to a resolution of the Commissioners' Court of Crockett County, Texas, adopted on the 18th day of March, 1963. M. Brock Jones, County Judge, Crockett County, Texas.
