Barbecue Dance Form Friday Program

Roping Event To At 1; Chamber Commerce Sponsor

Chamber of Commerce committee in charge of arrangements for annual steer roping program, sponsored by that organization and held next Saturday afternoon at the Crockett County Fair Park report all in readiness for the event.

Afternoon roping will begin at 1 p. m. with roping teams entering a 4-steer average team contest, with an entry fee of \$10 per team.

At 5 p. m. ropers and spectators, a number of the \$1 admission tickets will be treated to a barbecue at the fair grounds and followed by a special night roping event which will pit the ten top teams in an afternoon competition in a 4-steer match for ten percent of entry fee plus \$22 per team.

Afternoon and evening entertainment will be topped off with a dance at the fair grounds platform with Pete Tesgardien of San Antonio and his orchestra providing the music.

P. P. Perner is general chairman of the roping. James Baggett is chairman and Doyle Elmore is chairman of the barbecue supper program.

Tickets are on sale at the Chamber of Commerce office and in many places of business in town. Advance tickets will be available at the gate on show day.

Motor Co. Plans Party To Show Chrysler Friday

James of James Motor will have free coffee and drinks next Friday when he will have the formal showing of Chrysler and Dodge cars.

The new Chrysler and Dodge being announced this week will be on public display for the first time Friday. You are invited to visit the James Motor showroom and see the new Chrysler and Dodge cars for 1964.

75 Ozona People Attending Colleges And Universities Over Nation

Seventy-five Ozona young people have left Ozona for at least 20 college campuses in the last few days as the reported trend toward a college education for more and more Ozona people is borne out in Ozona.

The seventy-five count does not include several college students who have graduated elsewhere and whose parents have moved to Ozona, nor does it include over 30 Ozona graduates whose parents have since moved to other schools.

Texas Tech in Lubbock remains the top school in the eyes of Ozona graduates as 13 OHS graduates will have already enrolled there this fall.

Those with eight is in second place in popularity followed by a number to the field, Southwest State at San Marcos. The San Marcos school will enroll several Ozona girls this fall but will have a single boy.

Arroyo College, which drew several students from Ozona last year, is expected to total six this year. Several students reaching the end of the two years transferred to other schools, got married and will wait until the third year to attend at San Angelo. SAC began a four year college by an act of the Legislature last spring but has not yet in fact for another year.

Clayton, son of Mr. and Mrs. Clayton, is nearing the

Friday Night Is PTA Carnival Night Here; Show Plans All Ready

Friday night is P. T. A. Carnival Night in Ozona — the annual home grown carnival which yearly attracts jam packed crowds in Ozona's downtown city park and features the P. T. A. financial nest for the balance of the school year.

The carnival, in which classes of all grades participate, benefits the class funds as well as P. T. A., the latter sharing with the classes in the receipts from the various booths and shows sponsored by each class.

The cold drink stand, operated by the Senior class, will open immediately after schools close. The food booth will open at 5:30. It is operated by the P. T. A. Other booths will open around 5:30 and the carnival will be under way.

There will be the usual Country Store, the cake auction, the Side Show, the Crazy Hats, a Talent Show and numbers of chunking and pitching booths to gobble up nickle, dimes and quarters.

Man Indicted, Tried, Convicted On Forgery Count

Kenneth Gene Taylor Gets 3 Years For Check Forgery

A Crockett county grand jury, impaneled Monday morning by District Judge Charles Sherrill, returned one indictment, charging Kenneth Gene Taylor with forgery and passing of a forged instrument.

Taylor, who gave Fort Stockton as his home town, was arraigned later in the day and entered a plea of guilty to the charge and drew a three-year term in the state penitentiary.

Taylor was charged with passing a forged check at Ozona Drug. The check was signed Mrs. Fannie Everett by R. J. Everett.

Taylor was employed for a time on the Everett ranch.

The grand jury was dismissed subject to call. District Attorney Dixon Mahon assisted in presenting the evidence to the grand jury.

Louis D. Carothers
District Governor of Lions

Dist. Gov. Carothers Pays Official Visit To South Side Lions

The Ozona Southside Lions Club welcomed Louis D. Carothers, District Governor of District 2-A1, Lions International, Wednesday, September 18, at its regular meeting at 7:30 p. m.

The purpose of his visit was to advise and assist the officers, directors and members on matters pertaining to Lions administration and Lions great program of humanitarian service.

Lion Carothers is one of the 408 District Governors who supervise the activities of more than 17,000 Lions Clubs. Lions International was formally founded in 1917, in Dallas, and during the past 46 years has become the largest, most active and fastest growing service club organization in the world. There are Lions Clubs in 122 countries, or geographical locations, of the world with a membership of some 684,000. The Lions Clubs special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the community and the nation, and to help create and foster "A spirit of generous consideration among the peoples of the world."

The Ozona Southside Lions Club is an active unit of the International Association of Lions Clubs and is dedicated to community betterment in all its aspects. Felipe Castro is president of the young Ozona club.

Canyon Sand Discovery Indicated On Carson's

A Canyon sand gas-condensate discovery virtually was indicated in Crockett County with the flowing of gas at the estimated rate of 1,250,000 cubic feet daily, plus a heavy flow of condensate, for 30 minutes at Texas American Oil Corp., Midland, No. 1 Carson in 2-21BGN, 25 miles southwest of Ozona and 4 1/2 miles southwest of the firm's No. 1 Henderson, recent Canyon sand gas discovery.

Flow was through 14 sets of single perforations at 5,401 to 6,123 feet. Casing pressure was 1,110 pounds; tubing pressure, 810 pounds.

The project has been shut in and will continue to test.

The section in July had been acidized with 3,000 gallons and fractured with 50,000 gallons and 59,000 pounds of sand.

Total depths is 6,401 feet, plugged-back depth, 6,217 feet.

Mrs. Bruce King Early Day Ozonan, Is Buried Here

Former Linora Dudley Of Pioneer Family, Died In Houston

Funeral services were held at 10 o'clock Saturday morning from the Ozona Methodist Church for Mrs. Bruce Spencer King, 66, wife of the head of the voice department in the University of Houston department of music, and member of a pioneer Crockett county family.

Mrs. King, daughter of the late Mr. and Mrs. Elam Dudley, early day Crockett county settlers, died in a Houston hospital Wednesday after a long illness.

Services were held at 10 o'clock Friday morning from Faith Lutheran Church in Houston, where Mr. King is choir director. Services both in Houston and in Ozona were conducted by the Rev. Forest E. Dudley, retired Methodist minister of Dallas, and brother of Mrs. King. Burial was in Cedar Hill Cemetery here, with Janes Funeral Home in charge of arrangements.

Mrs. King, the former Linora Dudley, was born in Coleman and came with her family to Crockett county when a very small child. She and Mr. King had made their home for many years in Houston where he is connected with the University of Houston music department. The couple had no children. Mr. and Mrs. King were members of the First Methodist Church in Houston.

Surviving are the husband, one sister, Mrs. B. B. Ingham, Sr., of Ozona; three brothers, Roger Dudley, Sr., of Ozona, Rev. Forest Dudley of Dallas and J. M. Dudley of Bertram.

Paul bearers were nephews, They were Roger Dudley, Jr., Lee Dudley, Jim Dudley, Walter Dudley, Dudley Ingham, B. B. Ingham, Jr., B. B. Ingham, III, Carl Conkling.

Army Men Train Fire And Sheriff's Dept. In Handling Explosives

An explosives ordnance reconnaissance course for members of the Ozona Volunteer Fire Department and the Sheriff's Department was given here the first three days of this week by a team of instructors from the 546th Ordnance Detachment, U. S. Army, at Fort Sam Houston, San Antonio.

Sgt. George Ellis and Sp. 6 Arthur Woods, both explosives and ordnance experts, led the instruction in the nine-hour course completed here last night. Purpose of the course, requested by the Fire Department to acquaint members with problems of explosives, is to aid civilians in identification of military type explosives and proper procedures upon discovery of the presence of an ordnance piece in the community.

A demonstration of the force of explosives and the difference between the force of confined explosion and an unconfined one was given at the county caliche pit south of town Wednesday afternoon. Using ordinary blasting caps, the Army men demonstrated the scattered force of an unconfined explosion and then bored a small hole in a 4x6 inch log and inserted a tiny blasting cap which all but disintegrated the log.

The final session of the course Wednesday night had to do with nuclear weapons, stressing the safety measures taken in the transportation of nuclear weapons and the impossibility of a nuclear detonation by accident.

Sgt. Ellis and Specialist Woods are two of eight men at Fort Sam in the ordnance detachment which responds to requests from civilians in identifying or disposing of explosives. Where local fire department or police units request such service, the training course prepares local officials to take care of any situation involving military ordnance developing in the area.

Junior High Player Suffers Broken Leg In Football Practice

Gary Lee Sutton, son of Mr. and Mrs. Glen Sutton, suffered a broken leg in football practice this week and was lost to the Junior High football team for the season.

Sutton's leg was broken between the ankle and knee and was set at the Crockett County hospital Wednesday. Sutton is reported to be getting along nicely.

The injury was the first major one to occur in Junior High football during the 12 years in which Coach Charles Womack has been tutoring the Ozona entry.

Sutton was one of coach Womack's mainstays on the 1963 eleven and will be sorely missed by the team.

Lions Show New Strength In 14-6 Win Over Bronte

Offense Finding Mark To Cash In On Rugged Defense

By Ernie Boyd

The Ozona Lions unleashed a yardage and time consuming defense last Friday night which, coupled with continued good defensive play, led the Lions to their first win of the young season over the Bronte Longhorns, 14 to 6.

Richard Vargas and Paul Perner led the Lion ground attack with 101 and 68 yards respectively and quarterback Leroy Cooper, who directed the Lion attack with considerable skill, was third, racking up 53 yards rushing and completing 4 of 8 passes for 40 more yards.

The Lions, two touchdowns came on drives of 79 and 82 yards with Cooper scoring each T. D. after the ball was put into position by key plays.

Halfback Bryan Montgomery, who played an outstanding game at end on defense, got the first drive off and going with a 27-yard scamper down the east sideline and from there with Perner, Cooper and Vargas alternating, the Lions drove to the Longhorn 15. It appeared the drive would stall there until Perner shot through the middle to pick up a first down on the one from where Cooper sneaked the ball in.

The Lions effort at two points was not good when a pass to Richard Vargas from Cooper sailed too high.

Ozona Delegation Attend Hearing Of Hiway Commission

Seek Designation Of Brownfield To Ozona Highway 137

County Judge Brock Jones members of the Commissioners Court, other county officials and members of the Chamber of Commerce highway committee will go to Austin next week to appear before the Highway Commission on behalf of highway improvements affecting Ozona and Crockett county.

The group, possibly joined by other delegations from counties between here and Brownfield, Texas, will ask the Commission to designate Highway 137 from Brownfield continuous all the way to a point two miles north of Ozona where Ranch Road 865 intersects Highway 163. A designated through highway would be a convenience to travelers from the north headed to Del Rio, and later to Amistad Dam, and to San Antonio and South Texas. The committee will also seek improvement on Highway 33 from Big Lake south.

Making up the local delegation will be Judge Jones and Commissioners C. O. Walker, and Rusty Smith, District Attorney Dixon Mahon, County Attorney Bob Owen, Troy Williams, C of C highway committee chairman, Oscar Kost, C of C President, Luther Walker, manager, and Buster Miller, member of the CC committee.

While in Austin, the Ozona group will also confer with Frank Hildebrand, chairman of the new state tourist agency, and with Allen Seawright, coordinator of the Texas Industrial Commission, a state agency set up to assist local communities in attracting new industries.

The Ozona delegation will make still another call while in the capital city. They have arranged a conference with Raymond Vowell, executive secretary of the Texas Board for Special Schools and Hospitals. This conference will explore the possibilities of state use of facilities at the abandoned USAF radar base five miles east of Ozona.

Dual Production From Discovery On J.W. Henderson Est.

Wildcat Slated To Explore Pennsylvanian; Couch Well Tests

Crockett County gained a dual discovery and location for a wildcat the past week.

Signal Oil & Gas Co., Midland, has completed its No. 1 Cities Service - W. Henderson Estate, Crockett County dual Simpson gas discovery, 20 miles southwest of Ozona and 2 1/2 miles west-northwest of an undesignated Canyon sand gas-distillate discovery.

From the upper zone it was finalized for a calculated, absolute open flow of 1,075,000 cubic feet of dry gas per day through perforations between 11,561-573 feet, which had been acidized with 1,000 gallons.

From the lower zone, it was finalized for a calculated, absolute open flow of 455,000 cubic feet of dry gas per day through perforations between 11,870 - 885 feet, 5,000 gallons.

Drilled to 12,191 feet, it is plugged back to 11,910 feet.

Location is 724 feet from the south and 826 feet from the east lines of 1-SL-T&SL.

Texas American and Dual Drilling Co., Midland, will drill a 7,500-foot Pennsylvania wildcat in Crockett County, 21 miles southwest of Ozona and 2 1/2 miles southeast of Texas American's No. 1 Henderson, undesignated Canyon sand gas-distillate discovery, 20 miles southwest of Ozona. It is the No. 1 J. W. Henderson, Jr. (Continued on Last Page)

TOWARD PEACE — MOSCOW-STYLE

President Kennedy, in what sounded like a last-ditch appeal to the public to demand of their senators that they ratify the test ban treaty, described this agreement as "a small step toward peace."

But it may be a longer step than he realizes toward a peace of intimidation — leading, in further graduated steps to surrender to the Red juggernaut at whatever time the steadily expanding Communist world can demand our capitulation without risk.

Under the treaty (which we would observe,) we must abandon — according to expert testimony — efforts to develop and perfect nuclear defense against missiles, which Russia is said to have. We would likewise be stopped in any effort to match Russian missiles in the upper megaton ranges — which, some way, we shouldn't want to anyway.

If, under the treaty, there were Russian violations, we could only wring our hands impotently and — lacking the means of proof — listen helplessly to Red denials. And, if it suited the USSR, its constitution provides for abrogation, not in three months as with us, but in three minutes.

On ratification, we will have taken step one, as specifically projected in the three-stage "US Program for General and Complete Disarmament" (Department of State Publication 7277) introduced at the 18th General Assembly of the UN and released to the public just two years ago. Under this program we would abandon our armed forces to the UN "Peace Force" — that so recently "pacified" Katanga.

And, on ratification, we may expect the Administration to proceed with that "non-aggression" pact that Khrushchev has indicated may be as useful to him as the test ban treaty. But before ratification, it seems it is impolite of us and of Senator Barry Goldwater to suggest that Khrush purge him-

self of his aggression against us in Cuba — if only to make our "image" somewhat less ludicrous.

May every US Senator search his conscience well before he votes to confirm this deal with the enemy who intends to bury us — a deal in which we have made all the concessions and a step, however small or great, toward the sort of peace that Munich bought.

PAGING THE P-TA

If you ask President Kennedy, as the indomitable Mrs. May Craig of the Maine Newspapers did at his press conference, he does not approve, as a parent, the idea of moving a child out of one neighborhood into another and back again every day to achieve a "racial balance" in his school.

Nor, apparently, does he approve of it as President, since he took pains to point out that this practice that has thrown so many communities into an uproar is strictly a "local issue."

Perhaps this declaration of the Chief Executive will embolden timid and confused school administrators to abandon the outrageous and costly idiosyncrasy of daily "color-line kidnapping" to make their schools look the way they think the Attorney General wants them to look.

And it should remind the mothers and fathers whose local taxes pay for the schools that we do not yet have Federal "Aid" to Education — and that we had better not have it. Furthermore, we want that unalienable right to the "pursuit of happiness" to include the right of children of all colors to go to school with their own neighborhood friends and playmates.

"There is a new drink called Foreignade, the refreshment that never pauses." — Brookville (O.) Star.

"What this country needs is another holiday — a day set aside to celebrate having survived the others." — Okeechobee (Fla.) News

Congressman ED FOREMAN Reports

Whatever Happened To Uncle Sam

You remember Uncle Sam, don't you? Quiet a man was Sam. There was a lean, hard look to his face, the kind of look that even whiskers didn't soften much.

And a steely sort of look to his eyes. (We used to wonder if the artist who first drew Uncle Sam somehow had the American Eagle in mind.)

He spoke softly, but he carried a big stick. Other nations very early learned they couldn't get away with any monkey business when they dealt with Uncle Sam.

He stood squarely for what America was — both feet rooted firmly in the soil and toil of American tradition.

No one ever knew for sure just where Uncle Sam came from. Some think he rode with Paul Revere. His feet bloodied the snow at Valley Forge. He was looking on when they signed the Declaration.

He stood with Lincoln at the crossroads of a nation's destiny. And wept a strong man's tears with Lee and Grant at Appomattox.

He went "over there" with Pershing and the boys. He thirsted and bled and endured with those who made the long march called "Bataan." He was there at Bastogne when they wrote another American saga with the single word — "Nuts!" He wept again with all of us on the V days that signaled the end of a terrible threat to our country.

Yes, quite a man, Sam. Our kind of man. The kind we need so desperately now to keep our country strong and alert and tough and independent and honest with itself and with its world. But what has happened to him? Where has he gone? Have you felt him around?

No. For sure he was not at the Bay of Pigs. Whatever the reason, Uncle Sam as we know him is a little out of focus. Perhaps some of

our new-day thinkers have sort of put him out to pasture as something we needed once but find a little old-fashioned now. Perhaps they don't feel comfortable with his gaze beating into their consciences.

We believe he's just waiting in the wings thinking and watching, waiting to be called again because he is so deeply needed. We think it is high time Uncle Sam was brought out of retirement.

We Republicans want him back in action. Not because he belongs to us more than to any other good American. But because he needs a place to live and think and speak and work. Because America needs him and our party has a home for him.

Teachers Introduced At Opening PTA Meet

The Ozona P. T. A. held its first meeting of the year in the high school auditorium Monday night. Rev. Sterling Walker, Church of Christ minister, gave the evening devotional.

Supt. L. B. T. Sikes introduced principals of the various schools and they in turn introduced teachers in their schools. Also introduced was Mrs. Lawrence Jones, new third vice president and finance chairman for the Association.

Mrs. Roy Killingsworth gave the program outline for the year and Mrs. Joe Couch gave a talk on the first topic, "The P. T. A. Family — Who and What."

Announcement was made of a workshop to be held in Eldorado Oct. 1. Plans for the PTA carnival here Friday night were reported progressing well.

Duplicate pennants were awarded to Mrs. Kyle's second grade and Mrs. Barber's second grade after a tie for the attendance award.

Members of the executive committee were hosts to approximately 80 members attending.

FOR SALE — Wringer type Maytag washer. Practically new. Call 392-2010. 708 Avenue G. 2tc

expenditures of \$305,000,000 to acquire and develop 373,000 more acres of Texas parks by the year 2000.

Connally, lauding the report, suggested organization of a citizens group to follow through on needed parks programs. He also revealed he is studying possibility of buying part of the 72,000 acre J. C. Hunter Guadalupe Mountain ranch as a State Park.

Parks experts who prepared the report argue that proper development of the recreation, historical and scenic areas would boost the state's economy 1200,000,000 a year.

Water Warning — Chief Engineer John Vandertulp of the Texas Water Commission warns that the five wet years since 1957, when the last drought broke, have lulled community leaders to sleep. As a consequence Texas cities and industries are in danger of running shy of water.

Vandertulp reports that existing reservoirs will not supply present cities and industries with sufficient water if another seven-year drought develops.

NEW DODGE—New styling, engineering refinement and top-quality manufacturing techniques distinguish the standard-size, low-price Dodge for 1964. Buyers have a choice of 22 models. The attractive new Dodges go on display at dealerships on September 20.

Lubbock A&M Club To Serve Barbecue Before A-M-Tech Game Oct. 5

The Lubbock A&M Club is sponsoring an Aggie Barbecue preceding the Texas A&M vs Texas Tech football game in Lubbock on October 5, 1963 at the U. S. Army Reserve Building, 1819-4th Street (near the Texas Tech Stadium). Time 5 to 7 p. m. price \$2 per person.

The Lubbock A&M Club also has a limited number of football tickets to be sold with the barbecue ticket (\$2.00 plus \$4.00) at the total price of \$6.00 per person.

The Texas Aggie Band will be in Lubbock on October 5 for the game and will be served at the barbecue.

For tickets write or call James W. King, Box 457, Lubbock, Texas 79408.

WILLING WORKERS CIRCLE

The Willing Workers Circle of the W. S. C. S. of Ozona Methodist Church met Wednesday morning in the home of Mrs. V. I. Pierce with Mrs. W. O. Mills, Circle chairman, presiding.

"You are Christ Sent" was the theme of the program led by Mrs. Joe Williams. "The Holy Spirit" was sung and Scripture from First

Corinthians, Chapter 12, V 12 thru 31 was read. It was pointed out that women serve in far and near areas for Christ with their hands, heads and hearts. After group discussion of various problem situations, "O for a Thousand Tongues" was sung and the dismissal prayer rendered. Others attending were Mrs. L. D. Crane, Mrs. L. D. Kirby, Mrs. Joe Pierce, Jr., Mrs. Paul Perner, Mrs. J. A. Fussell, Mrs. Keith Mitchell, Mrs. Joe Pierce IV, Mrs. Hilary Iglehart, Mrs. W. D. Cooper, Mrs. Bud Cox, and Mrs. Joe S. Pierce III.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT — OZONA HIGH SCHOOL

Lions Roar Staff

Joel Huff, Jr., Editor
 Shirley Wagner, Sr.
 Richard Ross, Sr.
 Leroy Cooper, Sr.
 Scott Mahon, Sr.
 Keith Mitchell, Sr.
 Rodney Stewart, Sr.
 Johnnye Rae Johnigan, Jr.
 Linda Leath, Jr.
 Janice Walker, Jr.
 George Kyle, Jr.
 Rick Hagelstein, Jr.
 Donna Moore, Soph.
 Lucille Childress, Soph.
 Candy Griffin, Soph.

In contrast to previous years, the Lions' Roar Staff will be composed entirely of volunteer members. This is in view of the fact that there is no journalism department in OHS this year.

LIONS 'B' TEAM NIPPED BY ELDERADO, 8-0

The Ozona B Team opened its 1963 football season last Thursday by allowing Eldorado to slip by them 8-0.

Tonight the Lions 'B' team will play Sonora's 'B' team in Sonora at 7:00 p. m.

This year the 'B' team will play an eight game schedule with all 'B' team games being played on Thursday at 7:00 p. m. following the Junior High games to be held at 5:30 p. m.

The 'B' team schedule

Sept. 12 — Eldorado	There
Sept. 19 — Sonora	There
Sept. 26 — Iraan	There
Oct. 3 — Eldorado	Here
Oct. 10 — Sonora	Here
Oct. 17 — Big Lake	There
Oct. 24 — Iraan	Here
Oct. 31 — Big Lake	Here

The 1963 'B' team includes a roster of twenty-one boys. All players are Freshman or Sophomores.

They include George Cox, Bobby Vinson, David Lewis, Drake McKinney, "Beto" Ramos, Pablo Diaz, Oscar De Hoyos, Joe Ed Fay, Alamo Fielder, Thomas De Hoyos, David Jacoby, Steve Coloman, Sandy Stokes, Baltazar Fierro, David Cook, Charles Daniels, Gary Elmore, Larry Dan Montya, Glen Seathard, Pui Seaborn, and Mike Prader.

SENIORS TO RUN COKE BOOTH

The Senior class will have the "Coke Booth" at the P. T. A. Carnival held tomorrow night.

The Coke Booth will open at 2:36 p. m. and close at 10:00 p. m.

All drinks will sell at 15¢ each.

BEWARE!

Don't be alarmed if you notice a driverless V. W. rolling down the road. More than likely Miss McKissack just left her car in neutral again.

JUNIORS HAVE CAKE AUCTION

The Junior Class will sponsor the cake auction at the PTA Carnival to be held tomorrow night in the park. The auctioning will take place in the center of the park at 7:00 p. m.

All people wishing to donate cakes are asked to have them in the park by 5:30.

"Mustard" Williams will serve as the auctioneer for the Junior Class.

FRESHMEN PRESENT SIDE SHOW

The Freshmen will present the Side Show at the PTA Carnival tomorrow night. There will be two presentations beginning at 7:30 and 8:30 p. m. These performances will be held in the court house.

The "Fish" will feature "Gypsy" con-can girls, Chet Atkins, and many more performers.

AG BUILDING REARRANGES SHOP

The vocational agriculture building's shop is being rearranged to make more room to work in oxy-acetylene and electric welding, electricity, and simple motors. The wooden lumber rack is being replaced by a metal one suspended from the ceiling, and a concrete slab is to be built at the back of the building.

SPORTS COMMENTS

Last Friday night in Ozona, the Ozona Lions defeated the Bronte Longhorns 14 to 6. The game showed the Lions to be a rapidly improving ball club.

The Lions now have won one game and lost one. The loss com-

ing at the hands of a big McCamey team is the Lions season opener.

This week the Ozona team has an open date, but get back into action next week when they travel to Rocksprings. Besides the Rocksprings game, the Lions have two other non-district games these being with Robert Lee and Sonora.

The first district game will be played in Iraan on a Saturday night, October 19. This is due to the fact that it is Iraan's homecoming.

The Lions play five district games this year of which two will be played at home. For the benefit of the Ozona fans non-district games will start at 8:00 p. m. and District games will start at 7:30 p. m. All the games, except the Iraan game, are to be played on Friday night.

GOSSIP

Is it true that the Sophs. lost some of their boxes about 2 o'clock Sunday morning? That will teach them to keep the door locked.

Wonder why Jim Brock was popping so much pop corn at the game Friday night?

What is this we hear about Mr. Peto trying out for the Miss America Contest?

I hear the Spanish classes are learning all about romance — can you explain Miss McKissack?

Halloween is coming early this year in OHS — bats have been seen sleeping in lockers and watching films with the football boys.

Why is it that Patsy is so happy now? Could it be cause Mike G. is back?

I understand that the boys rings have been going around and around this week in OHS.

What is this about a new name the coaches have for the football team — "Three fat turkeys and a kiddee?"

Have some of the football boys already started track?

Does Mr. Cieser enjoy spelling everything in American History or does he just have a stopped up nose?

ANNUAL STAFF SELECTS NEW MEMBERS

Members of the 1963 Ayer Staff met last Monday to elect a new Annual Staff.

Returning from last year are Frieda Kaye Noeike, Editor; Diana

Coates, assistant editor; Janie Gilham, and Pat Womack. Keith Mitchell and Brad Harris will serve as photographers.

Of the new members, one Sophomore, Steve Tahaterro, will be trained for photography.

Among the Seniors selected are Dolores Allen, Jacque Couch, Carlleta Hedrick, Dude Melton, James McAlister, Alice McKee, Patsy Sessom, Rodney Stewart, and Shirley Wagner.

The new junior members are Janis Walker, Linda Leath, Margene Robinson, Judy Ingham, Carmen Childress and Vicki Applewhite.

OHS RECEIVES NEW PARKING SPACE

Construction is now in progress for a new parking space across the street from the Davidson Memorial Gymnasium.

The new parking lot will almost double the parking space available under the old parallel parking system.

Students are requested to stay away from the site while work is going on.

KEITH MITCHELL COMPLETES TOP SCORE ON NATIONAL TEST

Keith Mitchell scored within one point of making the semi-finals on the 1963 National Merit Scholarship test which was given to Juniors last March. To qualify for the semi-finals a score of 143 was required. Results of the test showed that Audie Elliott, who is now living in San Antonio, also was close with a score of 137.

Although they did not make the semi-finals the two pupils are eligible to receive letters of commendation which may be sent to students ranking above a mark of 136. Out of 777 schools in Texas, 25,385 Juniors competed for scholarships in the test which is given on a national level. Keith ranked in the top 518 in the state.

LESSONS IN MODERN ENGLISH

Much is said today about the weird originality of the language of the modern teen-ager. In every part of the country teen-agers seem to develop a language which they alone can interpret.

The teens of OHS are no exception. Many parents may wonder

just what their children are learning at school when they come home repeating such unique expressions as: "My teacher did get a tight jaw this afternoon just because Sam gave her a zooch." Or perhaps, the parent overhears their child asking the latest riddle: "Say Tim, why did the elephant lie across the jungle path?"

"I don't know."

"To trap the aunts."

At this point they both will break into hysterical laughter.

For the benefit of those adults who do not comprehend this modern abstract English, here are a few definitions of some of the more popular expressions.

Da (may be pronounced dee or dee uh uh): I am in complete agreement with you.

Tight jaw: condition of extreme anger.

Just a dab: extremely.

Zooch (or just ooah): I disagree completely.

Later (usually used at the end of a sentence): I'll see you after while.

Get it on: proceed with great vigor.

We hope that these few definitions will help some confused parent to better understand his or her teen-age child.

SOPHOMORES RUN COUNTRY STORE

The Sophomore class will be in charge of the "Country Store" at the P. T. A. carnival held tomorrow night.

Claiming that their prices are the most reasonable in town, they urged everyone to shop at their store. Merchandise to be sold includes such stock as pickles, preserves, pottery, games, and numerous other items.

NINETY MEMBERS MAKE UP OHS BAND

The Ozona High School Band of 1963-64 gave its first home performance last Friday night at Lion Stadium.

After losing only five members and gaining about thirty new members, the band now has about ninety members. Of that number about seventy-five perform in the marching band.

Last year the band did well in its first year under the direction of Eddie Green, as it won sweepstakes award, the highest award a band can achieve.

BAND ROSTER FOR 1963-64

Oboe: Yvonne Martinez

E♭ Clarinet: Pat Womack
 Bassoon: Donna Moore, Bobby Knox
 Flutes: Ramona Powers, Sandra Martinez, Celia Houston, Barbara Kirby, Nancy Deland, Cynthia M. hon, Fannie Everett, Leelee Mitchell, Margie Valdez, Esther Williams.
 B♭ Clarinets: Brad Harris, Delores Allen, Carlos Vicks, Ag Candy Griffin, Leanne He Ki Good, Carmen Childress, Montgomery, Linda M. Ingham, Jesse Rains, Miley, Cooke Coates, Mary Jill Applewhite, Bob N...

- Deep shelf storage door holds eggs, butter, even 1/2 gallon milk containers.
- Model FPI-16B-63 available in 4 colors or white.
- Frigidaire dependability, too.

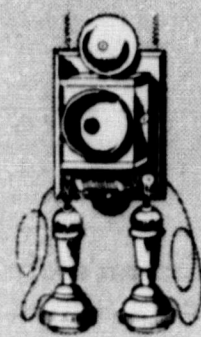

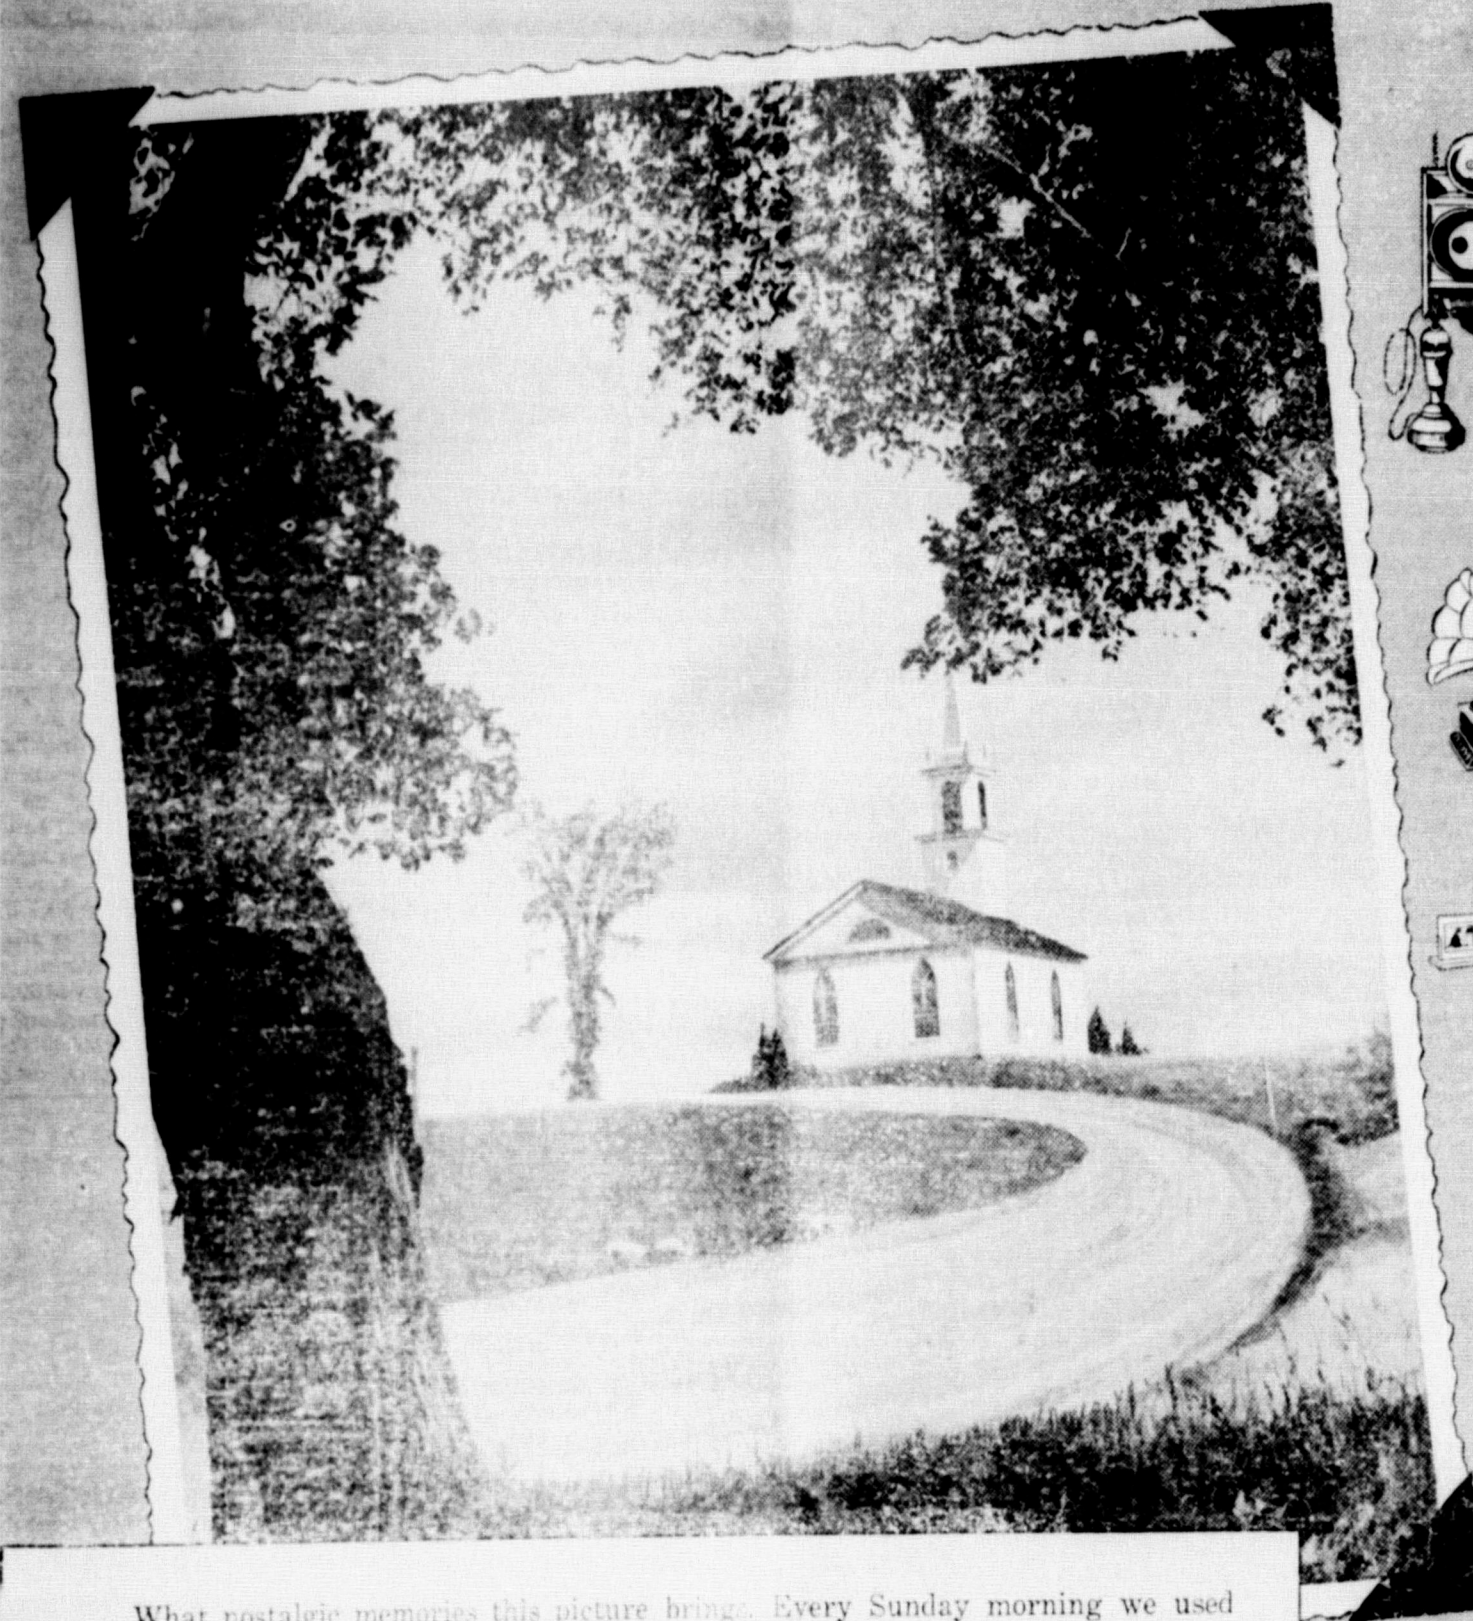

THE FAMILY REFRIGERATOR

West Texas Utilities Company "an investor-owned company"

FROM OUR OLD FAMILY ALBUM...

What nostalgic memories this picture brings. Every Sunday morning we used to drive to Church in Pop's old "flivver," picking up the Parson on the way.

Today I live in a great city. I ride commuter's trains, and dictate letters, and spend endless hours "in conference."

But I've never forgotten our Church in the field. It plowed deep furrows in my life, and planted the seeds of real happiness.

Now I worship in a big city church. You might think it would be different; but it isn't. Folks are just as friendly. The Truth is just the same. And God is just as close.

You see, in the country or in the city, Christians are conscientious people trying to be better. And for folks like you and me who worship God, the Church — big or little — is *home*.

Shown here with a 6 1/2-foot Sweptline pick-up body, the W-200 has a 146-inch wheelbase. The standard engine is a 140-horsepower, 225-cubic-inch Slant Six.

Woman's Club Plans Years Activities At Business Meeting Mon.

Ozona Woman's Club President Mrs. O. D. West called members of the club for a business meeting in her home Sept. 16 at 9 a. m.

Plans for the club's new year were discussed and projects adopted by the club for the new year were outlined. Projects include donations for local cancer fund, Red Cross, march of dimes, heart fund, Crockett County Welfare, T-B Association, Gonzales Warm Spring Foundation and CARE program. A Christmas box to the state orphanage at Corsicana, the Club House fund, the annual clean up campaign, cleaning and beautifying the road to the cemetery, cooperation on the President's Council and civil defense were other projects of the year.

Special project include donations to the District Fiske Scholarship Fund and to cooperate with other civic clubs in beautifying the new memorial park.

Mrs. West announced a new member, Mrs. O. H. Goodman, and the resignation of Mrs. J. B. Miller.

Mrs. Hubert Baker announced that TFWC Club House note paper is for sale to aid the state club

house maintenance fund.

Mrs. West announced her appointment of an election-year nominating committee consisting of Mrs. Taylor Word, Mrs. Roy Thompson, Mrs. J. W. Henderson, and Mrs. Evert White.

The program chairman, Mrs. Max Schneemann, presented the year books, whose theme is Places, Projects and People. The first regular meeting of the club will be on Sept. 24 at 7 p. m. in the garden of the Ira Carson home, for a patio supper with husbands and guests to enjoy colored slides and comments by Mrs. Carson on Places Around the World, from their summer vacation.

The State Board meeting will be in Austin on Sept. 30 to October 1. Mrs. Hubert Baker will attend as a member of the Education Department.

Others present for the business meeting were Mmes. Ivy Mayfield, J. W. Henderson, Hubert Baker,

Woman's Forum In Program Meet Tues.

The Woman's Forum met Tuesday afternoon in the home of Mrs. B. B. Ingham, Sr., with Mrs. John Coates and Mrs. B. B. Ingham, Jr., as hostesses.

The thought for the day's program was in keeping with the theme of this year's study "We bequeath to our children love of good life."

Mrs. Kirby Moore, leader of the day's program, discussed a topic entitled "Let's Stop Exalting Punks" and Mrs. Ralph Simon, Jr. talked on "Out of a Morals Revolution, a Moral Revelation."

Mrs. Fred Hagelstein related a story about that ugly word, — "Work".

Plans are being made for the club's guest day which will be held on Oct. 1.

Refreshments were served to the following: Mmes. Bill Baggett, W. H. Whitaker, Pete Jacoby, Eie Hagelstein, Buster Miller, Charlie Black, Marshall Montgomery, Oscar Kost, Jack Baggett, Bill Childress, Hugh Childress, Kirby Moore, Joe Pierce, C. O. Walker, James Childress, Jack Williams, P. C. Perner, Ralph Simon, Fred Hagelstein, and T. J. Bailey.

TAX MAN SAM SEZ:

This is the time of year when Fathers worry about how much summer income their sons and daughters earn before going back to school. For 9 years (since the 1954 Code) Dad has had an income tax exemption for his son or daughter if he provides principal support. There are still a lot of Dads who fail to understand that although Sue may have to file a tax return on her own income because she made more than \$600, he can still claim an exemption for Sue on his own tax return. She claims her own exemption on her

return. Dad will also claim his return. As long as Dad provides principal support and is a full-time student or under course, if she gets married files a joint return with the husband, Dad loses Sue an exemption.

"Regards to you and even in Ozona," Major Bill Bowman former commanding officer at Ozona Air Force Station, mentioned at Fort Knox, Kentucky. "We enjoy reading your Family wishes they were there," Major Bowman wrote a note accompanying his subscription renewal to the Stockman.

Week Off To Give Ozona Lions Chance To Show Up On Play

After Open Week-End Lions Take On Rock Springs There

By Ernie Boyd

The Ozona Lions will take an open week-end this week as coaches have a chance to work on mistakes made in the first two weeks of the season and get additional time for instruction for the more inexperienced members of the squad, of which there are quite a few this year.

The Lions emerged from the week-end game without injury and are now looking forward to invading Rock Springs next week.

Last year the Lions were surprised and beaten by a good Rock Springs team and no doubt the Lions will be shooting for a repeat with the home field advantage this year.

The 1963 Lion prospects, while not too bright, have improved with the showing of a number of boys out for the varsity squad for the first time this year.

Up from the B team are such well used performers as Mike Baker, Buddy Farris, Tom Asberry, Sammy Cervantez and now legs Tambunga, who missed the last week of school.

From year before last's B team, the Lions have gained Bob Amador, Rick Hagelstein and Joe Chapman and from even a year before that Paul Perner. The Lions had only six lettermen returning and the fate of the team has rested in the hands of the new recruits who have thus far been somewhat better than expected.

Who now could get better rapidly with game experience.

The team is short on speed but has shown that it can run some plays very effectively.

Passing is the long play and the lack of touchdowns provided so far by Pete Montgomery last season, but with work the new Lions are going to make Ozona proud to claim them and the prospects for the year to come are now much improved.

Phone news to the Stockman

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 20, 1934

Approximately 25,000 head of sheep had been bought by the government from Crockett county growers up to last night in the government's whirlwind drouth relief sheep buying program, following the now nearly complete cow buying program.

The annual Methodist picnic will be held at the Baggett grove Friday afternoon, after school, it was announced this week by Rev. J. H. Meredith, pastor.

The first issue of the "Lions Roar," Ozona high school mimeograph newspaper, made its appearance on the school campus Friday. John Henderson is editor; Jeannetta Willis and Mary Williams, society editors; Ray Boyd and John D. Whately, sports editors; Jack Baggett, Athleen Dudley, Taylor Deston and Ernestine Watts, reporters.

Jane Augustine, daughter of Mr. and Mrs. Walter Augustine, seriously ill in a San Angelo hospital, is now able to dispense with the oxygen test and to take nourishment.

With the possible exception of Jeff Davis county, Crockett county has the best record for a law abiding citizenship of any county in West Texas, Judge Joe Montague declared in his charge to the grand jury following its assembly Monday morning.

Earlier arrival of the daily mail from Barnhart, a welcome change from the standpoint of local business houses, became effective Monday of this week because of a change in schedule of train arrivals.

Two young men who had a tire and tube installed on their car at a Barnhart filling station and then drove off with a cheery "Be seeing you" and without paying for the tire and tube, were later arrested in Big Lake and held on a theft charge. The tire and tube were recovered.

Drouth and want and other miseries now facing the world, are God's way of showing his disapproval of the ways of the world and will ultimately work for the good of the world in bringing it back to its senses and a realization of its dependence on Him in the opinion of Arthur Hoover, prominent Crockett County rancher, who expresses his view in a letter written especially for the Stockman and published in this issue.

Sweetheart of Texas Western College, Miss Toni Wiggs invites everyone to the gala Sun Carnival in sunny El Paso, Texas, from Christmas to New Years. This year's theme? Famous sweethearts of course.

QUILTING done, \$5.00 per quilt. Fast service and nice work. Call 392-2540. 1tp

Andres Borrego, charged by indictment of the grand jury in session here this week, with assault with intent to murder, will probably face trial in the 112th District Court here Friday morning. Borrego is charged with shooting of Seferino Garcia here recently.

Mrs. Addie Armentrout, 62, died in a San Angelo hospital Wednesday as a result of blood poisoning resulting from opening of a small pimple on her forehead.

GENERAL TELEPHONE TOWNS ON THE MOVE

Van Heusen Shirts come to Augusta

When the Augusta, Arkansas Industrial Development Corporation set out to secure new industry, they came up with one of America's largest and most respected manufacturers of men's shirts.

The Phillips-Van Heusen Corporation, makers of famous Van Heusen shirts, was brought to this 2300 population town about a year ago. They employed local workers, instituted an intensive training program, and completed the first products in the brief time of 14 days. Such aggressive ac-

tion by local citizens and company officials has caused the plant to become a major factor in the local economy.

It is another reason we say General Telephone towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

GENERAL TELEPHONE

OF THE SOUTHWEST

You'd think it was our car!

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us! There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street—because it's a good way to compete for your business. It's the competition between independent businessmen like us—that benefits you—the motorist.

MOVE UP TO CHRYSLER '64

Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport.

Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

Solid protection for a solid investment... 5-year-50,000-mile warranty. Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Be sure to watch Bob Hope and the Chrysler Theater, NBC-TV, Fridays.

Dual Production —

(Continued from Page One)

Location is 2,310 feet from the south and west lines of 7-BBB-GC&SF.
It is also 4 1/2 miles east-south-east of Signal Oil & Gas Co. No. 1 Cities Service-Henderson, the dual Simpson strike.
The No. 1 Henderson was finished April 16 for a calculated, absolute open flow of 5.6 million cubic feet of gas per day, with gas-liquid ratio of 13,200-1. Production was through perforations between 6,200-568 feet. Gravity of the liquid was 65.8 degrees.
Shell Oil Co., Midland, No. 1-21 Couch, in 21-QR-HE&WT, indicated 1 1/2 miles northeast extension to the Ozona, Southwest (Canyon sand gas-distillate) field of Crockett County, eight miles southwest of Ozona, flowed 15 barrels of condensate and three barrels of water in 24 hours, plus gas at the daily rate of 632,000 cubic feet.
Flow was through a 12-64-inch choke and perforations between 6,284-820 feet. Testing continued. Tubing pressure was 400 pounds.

CARD OF THANKS

Thanks to so many friends for your prayers, visits, cards, gifts, food and other kindnesses extended to my family and me while I was in the hospital and since I have been home. Christian friends and prayers have been a great comfort to me. We are deeply grateful.
Sue Moore & family

Lions Show —

(Continued from Page One)

The Lion lead, achieved on the first points they had made this year, was a short-lived thing. The Longhorns tied the score within seconds as Jimmy Wells took the Lion kickoff back 73 yards for a T. D. without a Lion ever getting near him.
Leroy Cooper broke up the Longhorn passing attempt for two points and the score at the end of the third quarter was 6 to 6.
The Lions got their winning effort under way when Vargas fielded a Longhorn punt on the Lion two yard line and made it back to the 21. From the 21 yard line the Lions launched a drive that carried deep into Longhorn territory but like the first drive almost died.
Facing fourth down and 8 yards for the first, Cooper threw to Vargas who made a beautiful catch to set the Lions up and two plays later Cooper went over on the quarterback sneak. This time the Lions added two points as Vargas circled

left end for the needed yardage.

Even though the appearance of a Lion offense was the big news in so far as the Bronte game was concerned, it was still a rugged Lion defense anchored by Pete Garza, Bobby Amthor Joel Huff and Bryan Montgomery that kept the Longhorns at bay and gave the Lions a chance at the ball.

Even though the Lions got great play from their more experienced linemen, they also got improved play from Rick Hagelstein, who had a good night, and Mike Walters, who is coming along rapidly.

One key to the improved offensive play was the running of Paul Perner which, in addition to giving the Lions much needed size and speed at the fullback post, also greatly improves the effectiveness of the forward wall by sending two-year letterman Joel Huff back guard where he teams with new comer Bob Amthor and two-year letterman Pete Garza to give the Lions a very strong center of the line on offense.

The visiting Bronte team had some size and was expected to be a faster team than the McCamey

Badgers, but if they were it did not show. The Lions were particularly effective in bottling up the wide plays with Montgomery and Garza along with the tackle on either side stacking up the plays with great regularity.

The Lions emerged from the contest with great statistical edge but Coach Fred Hickmon commented after the game, twenty first downs should be good for more than 14 points.

None the less, the win was a sweet one for the Lions who held Bronte to five first downs, only two in the last half and to a total of 76 yards, all of which came on rushing plays. The Longhorns went to the air seven times but could not connect and the Lions intercepted one and dropped another.

In addition to Vargas, Perner, and Cooper, Montgomery had 38 yards on only five tries and Randy Upham got 12 yards on three runs with Darrel Maney getting 7 on one effort.

Leroy Cooper, in quarterbacking the Lions to their first win, showed considerable skill and daring

in directing a wide open which kept the defense
