Open 8-A Season Saturday Night In Iraan

Home Shifted To Saturday Night For Iraan Homecoming

By Ernie Boyd

Ozonia Lions will open their district 8-A season in Iraan Saturday night when they meet the Iraan Braves in the first district game for each team.

Iraan is celebrating its homecoming and asked the Lions to play Saturday night instead of Friday night, to which they agreed. The kickoff is set for 7:30 p. m.

Neither the Lions nor the Braves have been very successful thus far in the 1963 season, the Lions having won two and lost three and the Braves not faring quite so well.

The Lions will enter the race in a little better condition than in the case last week and should be a top try after losing two games to Sonora and Robert Lee in successive weekends at home.

Comparing the mutual opponents the two teams have faced, Iraan team has not fared quite as well as Ozonia but will have the advantage as well as playing before home coming crowd.

The Lions played much better last Friday than the score indicated, with fumbles contributing greatly to the efforts of a Robert Lee team which did not need any help from the Lions.

The spattering Ozonia offense had some time to adjust to the changes in the backfield, and Paul Perner, which occurred in the backfield, and should look better, this week after those adjustments made.

Walters, who missed much of the action in the Robert Lee game, will be back at full time available this week and in addition Coach Fred Hickman had the opportunity to test Alejandro Tamayo under fire for extended periods of action. The Lion B team without last season passed the test with flying colors, thus giving the Lions a little more depth on offense, something that has been almost non-existent.

The Lion's passing game, after (Continued from Page One)

the Ozonia Students Controlled At SWTSC

San Marcos — Nine students from Ozonia were among the 3,850 students to register for the fall semester at Southwest Texas State College.

They are James Monroe Baggett, IV, Kathy Doran, Nancy Reed, Sandra Arlene Gotcher, James Holden, Robin Jones, Marjorie Pogue, Jann Smith, and Sandra Blaker.

Friday To Be Lions Candy Day In Ozonia For Benefit Of Blind

Friday, October 18, is going to be "Candy Day for the Blind" in Ozonia.

The Ozonia Lions Club on that day will be selling candy all over Ozonia, seeking help for the blind, one of the club's major projects.

Candy Day contributions go to support Hadley School, where sightless are taught Braille and recorded correspondence courses, and to Leader Dog School, where blind men and women are trained guide dogs.

All services are available to the blind at no cost to them.

Look for the Lions wearing yellow caps and offering you candy and help them help the blind on Candy Day, Friday, October 18.

SCOUTS MEET

Club Scout Pack 153 will hold its first meeting tonight at 7:00 p. m. at North Elementary school.

organizing this year's dens. For the first time a Webelos Den will be organized for boys between 10 and 11. All boys between 8 and 11 are invited to attend this meet-

Garden Club Will Plant Cenizo Along Downtown Building

Under the supervision of the Ozonia Garden Club, a border of cenizo plants will be set out along the north side of the Owens building on Highway 290 in downtown Ozonia. Removal and replacement of dirt in the strip between curb and sidewalk got underway early this week and the native plants, also called desert sage, will be set out later.

The Garden Club, meeting Monday in the home of Mrs. Cecil Hubbard, voted to sponsor the project and also voted to landscape and plant the triangle area at the entrance to the Crockett County Memorial Park. This project will be undertaken this winter.

The club was presented with markers to be placed in yards designated "Gardens of the Week."

Mrs. Stephen Perner discussed the culture and care of peonies. Peonies should be planted in the fall, in full sun, well drained, rich soil, with the eye about one inch below the surface. Mrs. Tom Clegg gave the horticulture tips. Sixteen members were present.

Make It With Wool District Contest To Be In Del Rio Dec. 14

Miss Loretta White, home economics teacher in Ozonia High School and Crockett County director of the Make It With Wool Contest has announced that the district contest is to be held in Del Rio Saturday, Dec. 14 in the Roswell Hotel. Garments will be judged at 9 a. m. and a fashion show at 3 p. m.

Countries comprising District 8 includes Crockett, Val Verde, Edwards, Kinney, Menard, Sutton, and Schleicher.

Several girls in Miss White's sewing classes are planning to enter the competition for this year's wool garment making honors. The contest is divided into four groups of contestants, the sub-deb, junior, senior and adult.

Mrs. John M. Jones of Del Rio is the district chairman of the Make It With Wool contest. Entry blanks must be in Mrs. Jones' hands by Nov. 15. Blanks may be obtained from Miss White in the high school H. E. department.

Mr. and Mrs. Henry Patrick and Mrs. Don Westlake, spent the week-end here visiting his mother, Mrs. Joe Patrick.

Mr. and Mrs. Leslie Wink of Robert Lee, who were in Ozonia last Friday to see the Ozonia vs Robert Lee football game, had the pleasure of seeing son, Robert, throw a 39 yard scoring pass to grandson Dennis Gartman for Robert Lee.

Mr. Wink's grandson, is older by a year than his uncle Robert, who plays quarter-back.

THROW IT TO GRANDSON, SON!

Prolific Gasser In West Crockett Sets RRC Record

770 Million of Daily Estimated Production Beats Area Records

A west Crockett county gas strike set a new production capacity record for District 7-C of the Texas Railroad Commission. It was announced Wednesday, with recompletion of Hunt Petroleum Co. No. 1-9 University Strawn gas producer in the Lancaster Hill multipay oil and gas field, 25 miles west of Ozonia.

It was finished for a calculated, absolute open flow of 770 million cubic feet of gas per day, with gas-liquid ratio of 34,500-1. Gravity of the liquid was 59.5 degrees; gravity of the gas 685 degrees.

Production was through perforations between 6,526-6,536 feet. Original completion was June 4, 1962 for a calculated, absolute open flow of 4.6 million cubic feet of gas per day, with gas-liquid ratio of 43,120-1 through the above perforations. Gravity of the liquid was 61 degrees.

Location is 660 feet from the south and 2,400 feet from the west lines of 9-29-University.

Previous largest gasser in District 7-C is Holland Oil Co. of San Antonio No. 1 Marjion Hays in 135-72-TA-NO in the Paint Rock multipay gas field of Crockett county, which was finished Oct. 11, 1951, for a calculated, absolute open flow of 338 million cubic feet of gas per day, through Glen perforations between 3,376-338 feet.

Largest gas producer in the Permian Basin area is Phillips Petroleum Co. No. 2-D Packet, 26-191-TCRR, in the Packet multipay field of Pecos County, 31 miles southeast of Balldridge, Texas, finished in Oct. 1956, for a calculated, absolute open flow of 570 million cubic feet of gas per day through Devonian perforations between 10,556-10,678 feet and then was recompleted for a calculated, absolute open flow of 2.4 million cubic feet of gas per day.

Mr. and Mrs. Henry Patrick and Mrs. Don Westlake, spent the week-end here visiting his mother, Mrs. Joe Patrick.

Mr. and Mrs. Leslie Wink of Robert Lee, who were in Ozonia last Friday to see the Ozonia vs Robert Lee football game, had the pleasure of seeing son, Robert, throw a 39 yard scoring pass to grandson Dennis Gartman for Robert Lee.

Citizens Meeting Launches Plans For Community Building For Ozonia

U. T. Course In Salesmanship To Be Offered Here

Four-Day Course To Be Of Benefit To Sales Persons Here

A four-day course in salesmanship and selling will be offered Ozonia business men and sales people at the Chamber of Commerce office October 28 through 31, it was announced this week by Luther Walker, C of C manager.

Mrs. Mary Frances Bowden from the University of Texas will conduct a sales training course entitled "Selling Techniques" from 7:30 to 10 p. m. each of the fourth evenings.

This training course is made available by the Distributive Education Program of the University of Texas Education Agency. It will help people who sell do a better job, the Agency declares.

During the four-day program, discussions will be held on how to secure and hold the customer's attention, how to satisfy the customer's wants and needs through the use of proper job knowledge, and how to help the customer make the proper buying decision.

Mrs. Bowden has had broad experience in personnel administration, training in retail and service jobs and retail merchandising.

The courses is open to anyone interested. Those desiring more information may call Raymond Seaman or the Chamber of Commerce office. Fee for the ten hour course will be \$2.50.

Pierce Cattle To Be In Sale Pens Today For Saturday Sale

The 108 head of registered Herefords that are to be sold in the second V. I. Pierce production sale in San Angelo Saturday are scheduled to arrive at the West Texas Livestock Auction pens Thursday morning, V. I. Pierce of Ozonia announced.

The cattle may be seen Thursday afternoon and all day Friday.

Also at the West Texas, but for exhibit purposes only, will be Pride Lad 3d, a reference sire and one of the top bulls of Pierce's registered herd. Many of the get of Pride Lad 3d are to be offered in the auction.

Sale time is 12 noon with Bert Reyes of Beeville, the auctioneer.

Five Persons Hurt In Accident Near Ozonia

Five persons were injured Sunday when two cars collided on U. S. Highway 290 about fifteen miles east of Ozonia.

Mr. and Mrs. J. E. Laney of Hale Center, Texas, were seriously injured when their car was in collision with one driven by Manuel Villareal of Ozonia. Manuel and Joe Villareal and Connie Villareal, all occupants of the other car, were also injured in the wreck and required hospital treatment. Both cars were almost total losses.

DISTRICT 8A TO BE EXPANDED TO NINE TEAMS IN 1964-65; SONORA, JUNCTION & MENARD ARE ADDED

By Ernie Boyd

The Texas University Interscholastic League released the district alignments for the 1964-65 and 65-66 school years late last week with Ozonia becoming the center of a nine-team district.

In addition to increasing the size of district 8-A the league moved the number of students needed for 2-A assignment up from 200 to 215, which kept Big Lake from going 2-A, and returned Sonora from 2-A to 1-A after a two-year hitch.

In addition to keeping Big Lake down and returning Sonora, the new district gained Menard as it returns from four years in class B.

The present district includes Sanderson, Rankin, Iraan, Big Lake, Eldorado and Ozonia, and did have Junction which sought and got into district 26-A. Junction has now been returned to district 8-A and Sanderson, which sought and gained entry into 8-A after being assigned to a district farther west, was assigned to 8-A this time without strings.

Thus the new district will include on the west, Sanderson, Iraan, Rankin, and Big Lake, in the center Ozonia, Sonora, and Eldorado, and on the east, Junction, and Menard.

Even though no indication has (Continued on Last Page)

As is always the case during

A meeting of representatives of all civic organizations in Ozonia, held at the Chamber of Commerce building Tuesday night, launched a movement, which if carried to successful conclusion, will bring about the realization of the dreams of hundreds of Ozonians which have been cherished for many years, the construction of a community building for Ozonia for use as a meeting place for all kinds of public gatherings.

It was a meeting called by the Chamber of Commerce, in response to many requests, for the purpose of sounding out local sentiment regarding the possible construction of a community building — and the enthusiastic sentiment in favor of a practical, usable and attractive community house indicated that the years of dreaming and planning might at last be on the way to realization.

The meeting was presided over by Oscar Kost, Chamber of Commerce president, who explained that the Chamber had called the meeting of representative citizens as a means of sounding out sentiment on the community building idea. Mr. Kost explained that the Chamber is not sponsoring the project but took the lead in calling the meeting as a means of sounding out public sentiment and coordinating activities in the event there is a genuine desire for such a community improvement.

Attending the meeting as officers or members of the various civic organizations were Mrs. Bill Clegg of the Woman's Forum; Mrs. Boyd Baker of the P. T. A.; Mrs. Otis Pridermore of the Ozonia Music Club; Mrs. O. D. West of the Ozonia Woman's Club; Mrs. Max Schneemann of the Ozonia Garden Club; Mrs. R. A. Harrell of the Crockett County Historical Society; Mrs. Leonard Boyd of the Ozonia Women's League; County Judge Brock Jones, James Glynn of the Ozonia Lions Club, and Oscar Kost, President, Luther Walker, manager, and Evert White of the Ozonia Chamber of Commerce.

Each group representative was asked to report on the meeting to his or her organization and to assist in sounding out citizen sentiment on the project.

A general planning committee was named at the meeting to gather all available information, to visit area towns where similar buildings exist and to examine them and otherwise assemble all the information possible for later presentation to the people.

Members of this committee are (Continued on Last Page)

Everett Receives Top FFA Award At Natl. Convention

'American Farmer' Degree Conferred At Kansas City

Tommy Everett, son of Mr. and Mrs. Tom Everett of Ozonia, a sophomore at Sul Ross College and a member of the local FFA chapter, has been awarded FFA's highest degree — that of American Farmer. At the National FFA convention in Kansas City last Thursday this honor was conferred upon Tommy by the national president, Kenny McMillan of Bushell, Illinois, and the entire membership of the national association which has over 400,000 members.

One tenth of 1% of the 400,000 FFA members of 50 states, Puerto Rico and the Virgin Islands may be awarded the American Farmer degree. The constitution states that this award is won by FFA members that have been out of high school for at least one year. These boys must have been an active member of the local chapter for the four years while in (Continued on Page Six)

TIGHTEN THE REINS FIRST

In his TV broadcast from Washington telling us how good we are going to have it with that \$11 billion tax reduction to spend (in 1966) on new cars, dishwashers, homes, conveniences, etc., President Kennedy promised "an even tighter rein on Federal expenditures."

He said spending would be limited "to those activities which are fully essential to the nation." He said: "Spending will be controlled and our deficit will be reduced."

But he didn't say when this new policy is to start.

He didn't mention which activities would be scrapped, or even pared down.

He didn't say we were going to forget about the moon, or scratch Tito (or anybody else) off our gift list, or leave area redevelopment to the areas that want to redevelop themselves with all that money they're going to save on taxes, or even tell the REA to quit lending at 2 1/2 percent that the Government is paying 4 percent to borrow.

But, no doubt, those expenditures are not merely "essential" but "fully essential".

Even more puzzling was his statement that there are less civilian workers on the Federal payroll now than there were ten years ago, since we read only days ago that in July the Post Office, Agriculture and Treasury added a total of more than 9,000 and that the grand total now stands at more than two-and-a-half million.

We hope the Congress in considering passage of a tax cut in the face of continuing deficits and a national debt whose altitude de-

Bunker, Mrs. Joe Pierce, Jr., and Mrs. Carl North.

fies imagination will recall the region that is paved with good intentions — and not consign the nation to it.

Right To Write

LETTER WRITING WILL HELP
By
Maisie Turner Waters

Every voter should be vitally interested in electing states' Rights Constitutional candidates in next year's elections. The surest way to do this is to have elections in which only qualified voters do the voting. For this reason vote to keep the poll tax on November 9, 1963.

Already, across the State, left wingers are organized to repeal the poll tax. Why? Is it not logical to think that their purpose is to make it easier to elect their own candidates? And, without the poll tax, won't vote frauds of every kind be easier to get away with? Without the poll tax, won't bloc voters — who vote as they are told — be herded to the polling booths like cattle to the market?

The opposition is well organized and working hard; excuses will not win this battle. It is hard enough at best to have honest elections and the poll tax is one way to insure them. Why not contact every friend and acquaintance possible, urging them to vote to Keep The Poll Tax. Go all out and fight for this cause! We had better keep the poll tax if we hope to win with Constitutional States' Rights candidates next year. Let's Win on this November 9th and again in 1964!

If you wish free material to help in your campaigning, and printed cards to mail out to your friends, write to: "Texans for the Poll Tax", Box 9691, Dallas, Texas. There is no charge for this, but gifts will be appreciated by them. I'm told.

Sincerely,
Maisie Turner Waters

Congressman ED FOREMAN Reports

October 13-19 is National Newspaper Week. In other times it might not require notice from the average American. But these are not ordinary times. It is vitally important that all American citizens alert themselves to the necessity for an absolutely free press.

The United States has seen the growth of a dynamic and responsible free-enterprise newspaper industry — one that has been the guardian of this nation's social conscience — one that has fought crime, prejudice, disease, governmental corruption, and every other evil that our society has faced. One that Americans have every right to be proud of and fight to protect.

From 1882 when the secessionists were finally declared unconstitutional until the advent of the managed news policy of the Kennedy Administration, no serious attempt has been made to keep the newspapers of this country from printing all of the news. But today we see the federal government casting dangerous shadows across the future of the American free press.

In one of its first moves, the present administration embraced the managed news policy. A policy that worked effectively during the Bay of Pigs invasion, the Cuban blockade crisis, and in no telling how many other unknown situations to keep the American public in the dark.

This year the administration under the direction of the Department of Agriculture established a government controlled, government sponsored market news service over a nationwide, leased teletype network to newspapers and

radio-television station

This is a long step beyond "managed news" — it goes further than withholding vital information, twisting facts and misquoting figures. It sets up a system whereby the government can distribute its own news as it sees fit, with one probable effect of putting long established and successfully operated commercial news services out of business. This is also the first dagger thrust into the vitals of the free press. Make no mistake about it, freedom of the press is a constitutional right that is second to none in keeping this nation free.

It is the duty of all Americans to stand up and cry out in rightful wrath at any administration which would dare set up a government controlled news service. Information is distributed in Russia through the Tass News system and it is all too evident how abysmally ill informed the Russian

people are. Americans realize that if we are to have our freedoms then we must stand up and reverse this trend of controlled press.

Robert Lee Steers Completes Lions 38-0 Final Non-Dist.

Winkton Coke Co. Had Size, Speed Great Ability

By Ernie Boyd

Winkton Ozona Lions completed their final non-district game of the 1963 season to a big win over Robert Lee Steers last night 38 to 0.

The Lions gave the Steers a two and three yard loss in non-play as they open the district flag chase in Iraan Saturday at 7:30 p. m.

Winkton, in dropping their first game, gave a considerable exhibition of tackling and defensive play than was the case against Sonora, but gave the Steers and comfort to the enemy by allowing the ball five times to three of them leading to Robert Lee scores.

Winkton, due to its excellent fumbles, the Lions were able to get off but forty-two plays during the game, netting 100 yards rushing and 10 passes as compared to 56 plays and 100 yards rushing and 57 passing. Winkton intercepted one of the Steers passes.

Winkton won the toss and chose the kickoff, which was made by the Steers big, fast 215-pound fullback, Rusty Dodson.

Winkton ran the kickoff back to outside their own 30 and on second down fumbled, the Steers recovering the bobble. However, the Lions held and then set out with Cooper getting a 34-yard kick, with no run.

Winkton punched the Lion line before a stiff defense and their ground attack and on down quarterback Robert Dodson passed to end Dennis Garter for the game's first score, Dodson plowing over the two points.

Winkton kicked off and the Steers hit through for what would be a first down but fumbled and the Steers recovered, this deep in Ozona territory. Early in the second quarter after a Winkton Ozona defense forced the Steers to grind out the distance in inches, the Steers got help from the officials and crossed from the one for the game's second score.

Winkton did manage two first downs following the next kickoff, but to kick and then forced

Robert Lee to kick before fumbling the ball away on their own 12 with less than 17 seconds remaining in the second quarter. A pass from Wink to Coalson in the end zone brought the score to 24 to 0 at the half.

The Lions continued to fumble away what opportunities they might have had in the second half, but, despite the mistakes, did hold the visitors to two touchdowns, one a 68-yard run by Dodson in the fading minutes of the fourth quarter.

Really, much of the Lions trouble came from the lack of size and speed in the backfield, a fault that can be laid at on one's door. The Ozona backs ran hard and it was this in part that brought about most of the Ozona fumbles, plus some lax and at times some highly questionable officiating.

Regardless of how the game was called, however, the Robert Lee team was in complete command and they did not need any help from anyone. The Steers had big, agile boys in the line and the line gave ball carriers and passers a fit, with good pursuit, but in the backfield the undefeated visitors had speed, size and great ability.

The Lions managed but two first downs in the first half and they came late in the second quarter although they fumbled away two others after they were assured. The final half was a little better, the Lions chalking up four for a total of six as compared to 15 for the visitors.

The Lions emerged from the contest without injury even though Scott Mahon had to leave the contest late in the fourth quarter due to a hard blow.

HIGH SCHOLASTIC RATING

Janis A. Bunker, daughter of Mr. and Mrs. Welton Bunker, Jr., of Cuero, has received a letter of commendation for her high performance on the National Merit Scholarship Qualifying Test given last Spring in Cuero High School, where she is a senior. Janis is a granddaughter of Mrs. Welton Bunker and the late Mr. Bunker of Ozona.

About 32,000 students throughout the country are being awarded letters of commendation in recognition of their achievements, although they did not reach the status of semi-finalists in the current Merit Program. The semifinalists and commended students together constitute about 2 percent of all high school seniors.

Roy Killingsworth, Junior High Principal, and J. A. Pelto, High School Principal, returned to Ozona Tuesday after having attended the secondary school Principals conference in Corpus Christi Sunday and Monday.

PUMPVILLE NEWS

HOBBY CLUB MEETING Oct. 8, 1963

By Mrs. Andy White, Reporter

Mrs. Newma Billings was hostess. The meeting was held in the club house at Pumpville, Texas. Dinner was served to the members and guests. Mrs. E. P. Bradford gave the invocation. The guests for dinner were E. P. Bradford, Jim Powers, Harvey Hall and Mrs. Charlie Schnaubert. After dinner was served and the members had a social visit, Mrs. Billings called the meeting to order.

A box supper was planned for Nov. 2. Entertainment will be planned for the supper. Several other projects are in the making for future time. Two new members were welcomed into the club. Mrs. Jimmy Randale and Mrs. Pat Smith.

Members present were Mrs. Jim Powers and grandchildren, Miss Faye and Miss Kate Walsh, Mrs. E. P. Bradford, Mrs. T. H. Eastman, Mrs. Newman Billings, Mrs. Andy White, Mrs. Harvey Hall, Mrs. Bob Morris, Mrs. Sidney Smith, Mrs. Robert Pavlica. With Mrs. Jimmy Randale were her children Tate, Nancy Jane and Licky.

Mrs. Sidney Smith will be hostess for the next meeting. The Club will make Christmas decorations for their annual party.

Mrs. Jimmy Randale won the door prize.

SCS Advises Check Of Land Use To Avoid Over Grazing Damage

"Now is the time of year to check range grazing use" according to James Glynn, technician with the local Soil Conservation Service. The purpose of checking grazing use at this time is to determine if the range has enough grass to safely carry the present number of stock until spring. If the range cannot safely carry the present number of stock, then adjustments can be made before extreme over use has occurred.

Glynn stated that many cooperators of the Crockett Soil Conservation District have already made some adjustments because of below normal rainfall.

He said rangeland that is over grazed this fall will not make fast, efficient growth next spring. The ability of a grass plant to produce fast top growth is dependent upon its root system. Plants that are overused cannot produce a deep root system necessary for maxi-

mum growth. Therefore, proper use of rangeland will depend upon adjusting livestock so that no more than 50% by weight of the major grasses be removed at the beginning of the next growing season in the spring.

The local Soil Conservation Service will be happy to assist ranchers in planning and checking

proper range use

Mr. and Mrs. Kerry Tandy of Eastman, Georgia, are the parents of a son, Hart Bland Tandy, born September 27 in Eastman, according to word received by friends here. Kerry Tandy is the son of Mrs. H. B. Tandy and the late Dr. Tandy of Ozona.

Mr. and Mrs. Doyle Elmore and children left Ozona Saturday for Dublin, Texas, where the Elmores will make their new home. Doyle has been the owner of Elmore's Gulf Station and has been active in civic affair, serving as President of the Lions Club this year prior to his resignation last week.

WHICH WILL IT BE?

Hot, for sure... if you have a Gas water heater! Gas replaces hot water as fast as you use it (for one-fifth the cost of the other kind). If you're not getting all the hot water you want when you want it... bring your hot water system up-to-date with a new, super-fast recovery Gas water heater. You'll be in hot water all the time.

Now five kinds of Chevrolets for all kinds of people!

JET-SMOOTH LUXURY CHEVROLET—For luxury-loving people. Rich new styling, finer appointments in all four series and 15 models. Engines up to 425 hp*, manual or Powerglide® transmissions.

NEW CHEVELLE—For peacemaking people. A totally new kind of car with small-car handling, big-car comfort! Styling that makes expensive cars jealous. Three series and 11 models, and a full choice of engine and transmission teams!

CHEVY II—For practical people. Chevy II with new V8 power* for fun-on-a-shoestring. Stretches the shoestring further with 4- and 6-cylinder engines. Chevy II's six models in two series all act like they're bigger, more expensive cars!

CORVAIR—For fun-loving people. More fun than ever from Corvair's new bigger engine! Same Corvair handling and riding ease in 9 models—including the 150-hp Turbocharged Spydere!

CORVETTE—For sports-minded people. Corvette now rides softer, smoother—but loses none of its gusto because its big V8 offers versions from 250 to 375 hp*!

Want to get together with other car-loving people? Go see your Chevrolet dealer... he likes all kinds! *optional at extra cost

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT — OZONA HIGH SCHOOL

Lions Roar Staff

Joel Huff, Jr., Editor
 Shirley Wagner, Sr.
 Richard Ross, Sr.
 Leroy Cooper, Sr.
 Scott Mahon, Sr.
 Keith Mitchell, Sr.
 Rodney Stewart, Sr.
 Johnnie Rae Johnigan, Jr.
 Linda Leath, Jr.
 Janice Walker, Jr.
 George Kyle, Jr.
 Rick Hagelstein, Jr.
 Donna Moore, Soph.
 Lucille Childress, Soph.
 Candy Griffin, Soph.

In contrast to previous years, the Lions' Roar Staff will be composed entirely of volunteer members. This is in view of the fact that there is no journalism department in OHS this year.

EDITORIAL

By Donna Moore

Yesterday the students of Ozona Public Schools received their report cards. These cards are issued at the end of every six weeks period and they record an average of the student's grade for the past six weeks. Each student is required to show this card to his parents, and he must return with either parents signature on it.

For some, this procedure is tragic. If he has failed to keep up his grades for the six weeks, he will receive a low grade on his report card. However, this is for the students benefit. In most cases he will start the new six weeks with an "I will try harder" attitude, but there will always be some who will continue to make his past grades.

On the whole, the students of Ozona Public Schools have no reason to fear report cards day.

WHAT IF . . .

By Janice Walker

What if . . .
 Everybody made all A's?
 Mr. Cleere's voice hadn't changed?
 Mr. Moody had more hair?
 Miss McKassack were 6 feet tall?
 Mr. Green's family didn't have trouble with their cars?
 The Juniors didn't sell mums every year?
 There were no senior rings?
 OHS had coke breaks?
 Everyone got a parking place?
 We won state in football?
 Everyone in band could march?
 We had a powder puff team?
 Football was over and Bryon

could wear his boots again?

KOMA went off the air?
 Miss North cut out somebody's heart?

Girls didn't wear blue jeans on Friday?

Janus W. wrote her own articles for the paper?

Mike W. listened to western music all the time?

There were no football dances?

Scott didn't comb his hair all the time?

Dude didn't have contacts?

Leroy had a red convertible?

Rodney didn't have his own cheering squad at football games?

Linda didn't like Moe?

Fred drove a sports car?

OHS were the "Owls" instead of Lions?

Freshmen didn't date Sophs?

OHS didn't furnish the car's for drivers Education?

Johnnie Rae didn't use all the gas out of Joe Boys' car?

We didn't have a "Lions Roar"?

All the cheerleaders lost their voice?

All the girls got boy hair cuts?

There weren't any teachers in OHS?

There weren't such a thing as a detention hall?

All the students went on a strike?

The Freshman lockers were on second floor?

Mr. Hoover had brown eyes?

The Sophs had a Hootenanny instead of a Christmas dance?

OZONA DELEGATES ATTEND NATIONAL FFA CONVENTION

Keith Mitchell, Tommy Everett, and Mr. Barber arrived in Ft. Worth Monday night, where they joined the Texas delegation and traveled to Kansas City on a special train furnished by the Santa Fe Railroad.

Tuesday was the day of registration and meeting boys of other states. All fifty states, Puerto Rico, and the Virgin Islands were represented.

An inspiring vesper service was held Tuesday night. It began a strong religious atmosphere which lasted throughout the convention.

On Wednesday and Thursday business was conducted, reports were read, and speeches and addresses were heard, by the Mayor of Kansas City, the Wisconsin State Director of agriculture, the Governor of Maine, the master of the National Grange, and the Secretary of the U. S. Department of Agriculture.

Thursday night there was a very

impressive ceremony of the selection of the Star Farmer of America, the best farm boy in the Future Farmers of America organization.

Friday was F. F. A. day at the American Royal Live Stock and Horse Show. Friday night the ceremony of installing the new officers was carried out. At the conclusion of the convention the Harry Firestone Show took place. The best actors in the country are hired by Mr. Firestone who presents the show free, solely for the FFA members.

A person's faith in vocational agriculture is justified when he sees 5,000 boys as these working together or hears people like John H. Reed, Governor of Maine, say: "My leadership ability is the result of the FFA program that I had."

P. T. A. MEETING

According to Mrs. Boyd Baker, President of the P. T. A. the High School Cafeteria will be the meeting place next Monday October 21, at 7:30 for the P. T. A.

The Rev. Max Brown will speak on "The Family A Firm Home Base."

GOSSIP!

By Shirley Wagner, Linda Leath

It seems that one of our cheerleaders likes school so well that she spends at least one hour after school for three days!

Who was the person that had to do push-ups in Algebra II last week?

Is it true that Cookie Coates had a wreck while driving Mr. Sike's car during her Drivers Ed class?

Wonder why Patsy Sessom was miserable Tuesday night? Could it be because she had two dates to turn up in one night?

Dude really enjoyed half-time Friday night because he had the

honor of crowning and "kissing" Diana, our Band Sweetheart.

Is it true that Fred Baker has a new girlfriend? Who is she, Fred?

Some Junior boy seems to have a dislike for mums. He will not buy a Sophomore girl one.

Be careful when you see Connie Bradford coming in a car! She has a bad habit of running into cattle-guards!

Who was the out-of-town girl that came to visit Dubby this week-end?

It seems Vicki and Mary Jo had some excitement, Sunday! Wonder where they went???

Does Ruthella really have a boyfriend from every town or is she just trying to fool people?

Janis, Carmen, Rae, and Linda L. were in Abilene over the week-end for the ACC vs Northwest Louisiana game.

There were several exes in town over the week-end. Among them were Pauline Maness, Janet North, June Bunger, Roberta Johnigan, and Robert Cox.

Looks like the old basketball girls are about to start those long hard practices.

Is it true some of the Junior girls have blisters from selling mums?

Who's the boy that makes a habit of running into his teachers?

FISH TAKE TEST

On Monday and Tuesday, October 21st and 22nd, the Freshman will be given the Freshman FACT Test. This test will be given by Mr. Pelto, and will last all day Monday and Tuesday.

This is administered every year to Freshman. It will be given in the school cafeteria. Further instructions will be given to Freshman by Mr. Pelto on Monday.

LIONS TO IRAAN'S HOMECOMING OPPONENT

Ozona has been chosen as Iraan's opponent in their home coming game. Many of Iraan's former high school students will attend the game which will be held Saturday night in Iraan. There will be a pa-

rade at 3:30 p. m. preceding the game which will start at 7:30 p. m.

CAR OF OZONA TEACHER'S PARENTS STOLEN

Last Week-end Mr. Green's parents had a poor welcome on their visit to Ozona. Early Saturday morning their new car was stolen while it was parked in front of Mr. Green's house in the teacher addition. The car still had the dealer's license on it making it hard to trace.

The Juniors finished selling mums yesterday and turned in their orders. Those who have ordered mums can expect to receive them about 6 p. m., October 23, the night of the Big Lake game to be played here at 7:30 p. m.

LETTER TO STAFF FROM FORMER EDITOR

Dear Staff,

I just had to drop a note to tell you how much I enjoy Lions' Roar this year. I think you are doing a marvelous job. I miss everyone so much, and look forward to your part of the Stockman each week.

Keep up the good work and give my best regards to all.

As Always,
 Vicki Carrol Awbry
 Former Editor

PELTO AND KILLINGSWORTH ATTEND CONVENTION

J. A. Pelto, principal of Ozona High School, and Roy Killingsworth, principal of Ozona Junior High School, attended the annual Secondary Principal Convention held in Corpus Christi this week.

The principal were gone Sunday, Monday, and Tuesday.

SENIORS EXPRESS THANKS

The Senior Class of 1963-64 would again like to take this opportunity to thank their mothers for their help in preparing food for the concession stands. The class has received many contributions from people other than their mothers. These are deeply appreciat-

The class has done excellently well, so far and they are forward to a really fine year.

NEW LANGUAGE FOR SHORTHAND CLASS

One would almost believe that a new language is formed when listening to hand students sixth period.

For instance, the word pronounced like in shorthand is a . . . (dot). The letter "m" ten as a straight line.

For a while the student spelled the words, but now are writing words. With respect, it looks much like "scratching" which will be used by the girls and will be ten, so hopes Mrs. Tallad a rate of several words per (The student find this a little to believe at this time.)

Mr. Pelto is another who that his secretaries learn shorthand so that he can faster.

From now on, whenever son happens to be in the of room one during sixth, he will know that it is not gauge class but shorthand.

can't open the door

It's a fact every parent must face! The Church is eager to provide our children with religious training. And our children need this training. But **THEY** can't open the door.

We must come with them. We must worship every Sunday . . . and take an active part in the classes and activities of the Church for adults — not for ourselves alone.

For a child values supremely the example of his parents. If they love their Church — he loves it too! If going to Church is too much trouble for them — it's too much trouble for him too!

God gave us these little souls to love . . . to nurture . . . to raise to Christian manhood and womanhood. And God gave us churches . . . to enrich our lives and theirs.

And God gave us doors . . . to open!

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu-

larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

high school and have an outstanding record. Each American Farmer degree winner must have earned while in high school the degrees of Greenhand, Chapter Farmer and State Farmer.

Among some of the projects owned by Tommy the past five years have been lambs for mutton, cows for calf production, developing billy Angora kids, developing Angora doe kids, range goats for mohair and kid production, Rambouillet sheep for wool and lamb production, and a sow for pig production. And at the present time young Everett is a member of the Registered Angora Goat Breeders Association and has a registered flock of Angora goats. From these animals Tommy has had a number of prize winners at the local FFA show.

Other honors won by Tommy which helped him win the Kansas City award from the national convention included: awards won for working on a large number of judging teams representing the Ozona FFA chapter. He was named Star Chapter member, award winner at annual Range camp held at the A&M adjunct at Junction. As a junior he won the Lone Star (State) farmer degree (only 2% of the Texas FFA boys may make this degree each year, according to the constitution). He was a Texas winner in Farm and Ranch Mechanics his senior year as well as a Texas winner of a scholarship from the Forney Foundation for being a state winner in welding.

Last year Tommy was named the Texas State winner in sheep, goats, wool and mohair production by the Texas Sheep and Goat Raiser's association. This honor won for him an expense paid trip to the National FFA convention in Kansas City, Missouri, in October 1962.

Keith Mitchell, son of Mr. and Mrs. G. K. Mitchell attended the National FFA convention this year for being the second Ozona FFA boy to win the Texas Sheep, and Goat Raiser's award. The projects that made him the top sheep and goat raiser in the state are lambs for mutton, registered Rambouillet sheep for wool and lamb production, developing breeding Angora bucks, developing Angora does, range goats for mohair and kid production, and range cattle for calf production. Keith, too, has had a number of prize animals at Ozona FFA's local show. Keith has been on a number of Ozona FFA judging teams that have placed high throughout the state. He was named star greenhand, star chapter member and this summer was awarded the highest degree given by the Texas FFA association, that of State Farmer degree.

Keith was named one of the outstanding range campers at the A&M adjunct at Junction in the summer camp of 1961. He has won first place in public speaking at the Concho district contest for the past three years and this past year placed second in Area II contest. He has held the office of Concho district president for the school year 1962-63 and at the present time is first vice-president of the Area II association.

M. A. Barber, local chapter adviser, attended the National FFA convention with the two Ozona FFA boys and the Texas delegation of over 350 boys. The trip was made on a special Santa Fe train that made up in Ft. Worth last Monday night and returned late Saturday night.

Woman's Forum Has Guest Day Program

The Woman's Forum observed Guest Day Tuesday at the Ozona Country Club with special guests present from the Ozona Woman's Club and the Woman's League.

Mr. and Mrs. Frank Foster of San Angelo and Mrs. Joe Krelow of Eldorado exhibited interesting pieces from their collections of art objects from Italy, Spain and the Scandinavian countries.

Mrs. Max Schreemann of the Woman's Club and Mrs. Jim Dudley of the Woman's League were at the tea table. Hostesses were Mrs. Dempster Jones, Mrs. Brock Jones, Mrs. Jack Williams and Mrs. P. C. Perner.

Mrs. Tom Clogg won the attendance prize. About fifty guests were present.

Mr. and Mrs. Pete Jacoby and son, David, and Kenny Trade, Mr. Jacoby's nephew, who is staying here with the Jacobys while attending high school, went to A&M University last week-end to visit Bill Jacoby, another son, a student at A&M, and to witness the A&M University of Houston game.

Y. W. A. Officers Installed Sunday

The Y. W. A. of the First Baptist Church met Sunday at the church with six attending. Officers were installed by Counselor Mrs. Harold Shaw.

The new officers are: President and social chairman, Fennie Everett, daughter of Mr. and Mrs. Tom Everett; vice president and enlistments chairman, Lucille Childress, daughter of Mr. and Mrs. Pleas Childress; program chairman, Helen Hayes, daughter of Mr. and Mrs. Jerry Hayes; Prayer chairman, Patricia Allen, daughter of Mr. and Mrs. Monroe Allen; community missions, Jacque Meadows, daughter of Mr. and Mrs. H. F. Meadows; stewardship chairman and music, Nancy Deland, daughter of Mr. and Mrs. Earl Deland; secretary-treasurer, Diana Coates, daughter of Mr. and Mrs. Bud Coates; and mission study and publicity, Sharleen Vinson, daughter of Mr. and Mrs. J. R. Vinson.

The YWA, under the leadership of Mrs. Shaw and Mrs. Myrtle Mitchell, meet every Sunday at the church. Any high school girl of any denomination is invited to attend.

DUPLICATE BRIDGE CLUB

Duplicate Bridge Club winners Tuesday night were as follows:

North-south: Mr. and Mrs. T. J. Bailey, first; Mrs. Ruth Schubert and Mrs. Inez Hickox, second; Mrs. W. E. Friend, Jr., and Mrs. Jack Wilkins, third, and Mrs. J. M. Short and Mrs. Robert Cox, fourth.

East-west: Mr. and Mrs. Roy Killingsworth, first; Mrs. Joe Pierce and Mrs. J. M. Baggett, second; Mrs. Ashby McMullan and Mrs. John Lee Henderson, third and Mrs. Wilma Hayes and Mrs. Pat Wood, fourth.

High team 1-game — Miller's Enterprises 912; Stuart Motor Co. 818; Baker's Jewelry 812.

High individual 1-game — Charles Annett 260; Roy Coates 217; Jesse O'Rear 213.

WALTZ THROUGH WASHDAY
with an automatic Washer and Dryer

You'll feel like waltzing the first time you try your new flameless electric automatic washer and dryer and be amazed at the time, effort, and money you save. Just think... you'll be able to complete your washday in time for that bridge game with no backache, tired feet, or dry chapped hands and your wash will emerge really clean without previous scrubbing. It may rain, but not matter, by washing and drying at your convenience instead of the weather's, you can cut down your wardrobe of clothes and linens... Think of the savings!

Come join our happy housewives waltzing through washday... automatically!

The News Reel

—30 years ago—
 The Ozona Stockman
 The Ozona Stockman, Oct. 18, 1934
 Sunday, Rev. J. H. Meredith completes his seventh year of service at the Ozona Methodist Church and in all probability the end of his pastorate here, the largest in the history of the church. It is considered almost inevitable that the Methodist Conference in San Antonio next month will assign Rev. Meredith to another charge.
 —30 years ago—
 The Baylor University football team takes the field against the TCU Pollywogs in Waco on Saturday. Buddy Moore, Ozona's star player in the 1934 Baylor freshman game, is expected to see service in one of the halfback posts. Coach Jim Crowe reported to Coach Jim Crowe that the Baptist team three weeks ago and has remained on the field despite the reduction from 50 to 50.
 —30 years ago—
 A record of no tardies for the year was hung up by students of Junior High School last week, M. Collins, principal, reported.
 —30 years ago—
 Effective with his month's service with the West Texas Utilities Co. terminating the room count feature from the local domestic rate, E. Bajer, district manager, announced while on a visit here last week. Public objection to the present residential rate structure was given as one of the reasons for the change.
 —30 years ago—
 Some promising football material was uncovered Friday when Junior High Longhorns, led by Leo Williams, trampled the Ozona Frogs, captained by Willy Beecher Montgomery. Williams, at quarterback, was the standing ground gainer for the

winner and Montgomery, Schneemann and Lemmons led the attack for the losing Frogs.
 —30 years ago—
 Tom Squyres was at once lucky and unlucky when his name was called as the winner of the first money prize night cash prize of \$12.50 at the Ozona Theatre. Squyres was not present to claim the loot.
 —30 years ago—
 Purchase of a second quota of 1,000 head of drouth stricken cattle in Crockett county this week was ordered by the drouth relief agencies of the government.
 —30 years ago—
 With a new confidence to bolster their efforts and another week of intensive training and practice, Coach Ted White's Ozona Lions charged out on the gridiron a new team last Saturday and walloped the Menard Yellowjackets 7 to 0.
 —30 years ago—
 B. B. Ingham, prominent Crockett county ranchman and county commissioner, was rushed to a Temple hospital Sunday suffering from an acute attack of appendicitis. He underwent surgery early Monday morning. Doctors are watching closely for signs of peritonitis, but otherwise his condition is good.
 —30 years ago—
 Mrs. Kate Moore is here from Bay City to spend the winter with her daughter, Mrs. Joe Pierce, and family.
 —30 years ago—
 Mr. and Mrs. Max Schneemann are the parents of a boy born Sunday. The newcomer has been named William Schneemann.
 —30 years ago—
 Joyce West celebrated her seventh birthday Saturday with a party for a number of her friends. The little girls played games and were given toys as favors. Ice cream and birthday cake were served.
 —30 years ago—
WILLING WORKERS MEET
 The Willing Workers Circle of Ozona Methodist Church met Wednesday morning in the ranch home of Mrs. Dempster Jones with Mrs. W. O. Mills, Jr., Circle Chairman, presiding. Mrs. Leonard Garrett was welcomed as a new member.
 "The Church Beginning Where We Live" by Mrs. Earl Cranston was the study. Scripture from Acts 11:38 thru 47 was read followed by prayer. Three aspects of the church, Historical, Personal and Life of the Community were considered and discussed. Mrs. Chas. Williams, Sr., gave some of her impressions gained on her recent trip to the Holy Land. Others attending were Mrs. W. D. Cooper, S. M. Harvick, Keith Mitchell, Joe Pierce, Jr., L. D. Kirby, Joe Sellers, Pierce, III, Paul Perner, J. S. Pierce IV, Hilary Iglehardt and Joe Williams.
 —30 years ago—
 Mr. and Mrs. Sonny Henderson were in Dallas over the weekend to attend the Texas U. vs. Oklahoma U. football game played in the Cotton Bowl Saturday afternoon.

 Jim Nugent state representative from this district, was visiting friends in Ozona yesterday. Nugent, whose home is in Kerrville, was here on business.

Grayburg Wildcat, Henderson Offset Feature Oil News

Lancaster Hill Test Swabs; J. W. Henderson Test Flows

B. M. Hanson, Midland, will drill the No. 1 Noelke, a 2,200-foot cable tool Grayburg wildcat in Crockett County, five miles southeast of Iran and 1/4-mile southwest of the Noelke multipay field, but separated by a failure.

Location, on a 320-acre lease, is 660 feet from the south and east lines of 64-1-I&GN.

It is also 1/2-mile west-northwest of the depleted opened and lone producer in the Noelke, South (lower Soma sand) field Hanson No. 1 Noelke-Moore, finished Nov. 29, 1962, to pump 23.32 barrels of 25 gravity oil, plus 30 per cent water, through perforations between 1,634-48 feet. It became depleted March 27, 1963.

Shell Oil Co. will drill the No. 1-27 F. R. Henderson 3/4-mile southeast and the same distance northeast of oil production in the Ozona, Northwest (Canyon oil and gas) field of Crockett County, and one mile northwest of Ozona.

Location is 660 feet from the south and 1,980 feet from the east lines of 27-OP-GC&SF. Contract depth is 7,000 feet.

The field has one gas and four oil producers.

Shell Oil Co., Texas American & Dual Drilling Co., Midland, No. 1-7 J. W. Henderson, in 7-BBB-GC&SF, assured second producer and one-mile southeast extension to an undesignated Canyon sand, 21 miles southwest of Ozona flowed

35 barrels of oil and 13 barrels of water in 24 hours, plus gas at the daily rate of 1,899,000 cubic feet.

Flow was through on 18-64-inch choke and perforations at 5,749 to 6,346 feet. Tubing pressure was 925 pounds.

The project has recovered 62 barrels of oil above the load; there are 1,473 barrels of acid water remaining to recover.

Testing continued.

I. W. Lovelady, Grover, McCurdy and Hoffacker, Odessa, were preparing to plug back to an unreported depth, possibly for tests of the Strawn, at the No. 1 Skelly-University, in 2-29-University, indicated 1/2-mile south extension to Strawn production in the Lancaster Hill multipay field, after swabbing salt water at the hourly rate of 13 barrels through

Fusselman perforations at 7,359 to 7,402 feet.

Strawn production was indicated with the flowing of gas at the maximum daily rate of 1,250,000 cubic feet and the recovery of 475 feet of heavily gas-cut drilling mud on a drillstem test between 6,980-7,020 feet.

—oOo—
 Mrs. J. M. Baggott left this morning for a visit in Austin with her daughters, Mrs. J. B. Pace and Mrs. Hiram Brown, and their families.

Reliance HOMES BY FOXWORTH-GALBRAITH

Doctor and Mrs. Earl Gaston of Kingsville, Texas, have announced the engagement and approaching marriage of their daughter, Margaret, to Joe Leasel Clayton, Jr., son of Mr. and Mrs. Joe Leasel Clayton of Ozona, Texas. Miss Gaston is a senior at Southern Methodist University. Mr. Clayton will graduate from SMU School of Law next May. A December wedding in the First Presbyterian Church in Kingsville is planned.

SON TO BABBS

Mr. and Mrs. Kent Babb of El Paso are the parents of a son, Wesley Kent, born in El Paso October 8. Mr. Babb, a graduate of Ozona High School and former Texas Western and San Angelo College grad star, is teaching and coaching in El Paso. The new baby is a grandson of Mr. and Mrs. Ernest Spackman of Ozona.

The home of Mrs. John R. Hannicutt will be the meeting place for the Ozona Woman's League on October 22. Mrs. Hilary Iglehart and Mrs. Brooks Dozier will be assisting hostesses.

J. A. Pelbi, High School principal, will introduce the guest speaker, Keith Mitchell, current recipient of the League's science scholarship.

Boyd Clayton, P. L. Childress, Jr., Massie West

Directors

Citizens Meeting —

(Continued from Page One)

serving as individual citizens, not as representatives of their clubs or organizations, and following their appointment named a chairman and secretary. Mrs. Boyd Baker was named chairman and Mrs. Leonard Boyd, secretary. Other members of the committee are Mrs. O. D. West, Mrs. Max Schneemann, Mrs. R. A. Harrell, Mrs. Ottis Pridemore, Mrs. Bill Clegg, Evert White, John Childress and Joe Couch.

As a first move in the process of gathering information, Luther Walker of the Chamber of Commerce, was instructed to write letters to Chambers in surrounding towns to find out which have similar community buildings which the committee might want to visit.

The group present discussed possible sites for a community building and sentiment seemed to be favorable toward locating it in the new County Memorial Fair Park, which is now in process of being landscaped and developed for com-

munity use. The site would provide ample parking space and would be a suitable complement to the attractive new park facilities.

The proposed new community building would provide a meeting place for all local organizations and groups, for conventions and other types of meetings, for entertainments, stage or musical productions, for youth gatherings, dances, etc. It would doubtless feature kitchen and catering facilities, separate club and meeting rooms, an auditorium, stage, with movable partitions to provide a maximum of audience space while at the same time making available closed rooms for separate parties or meetings.

Services of an architect will be sought by the planning committee and when a suitable plan is developed, estimates received and site decided, a petition will be presented to the Commissioners Court asking for an election to vote the necessary bonds for its construction. Adequate maintenance and supervision will be included in any plan for the community facility.

Lions Open Dist. —

(Continued from Page One)

getting off to a good start this season, has melted into almost nothing and with limited speed in the backfield as well as almost no size, the Lions must pass effectively if their running game is to work at all.

Many of the Lion fumbles have not been from faulty ball handling any more than from hard contact before the play got well under way, and this may be expected to happen until the Lions can force the defense to relax a little with the threat of going overhead with some success.

Last Friday, the Lions were facing a quick, big defense with most of its secondary bunched near the line of scrimmage, but the Lions were not able to do anything with it and as a result may see a number of other teams try like defenses along the way.

The Lions will open with the following team on defense: ends, Mike Walters, 155, and Bryan Montgomery 160; tackles Rick Ha-

gelstein, 180; and either Joe man or Buddy Farris, 200 middle guard will be Bob A 190 and the linebackers Pete Garza, 158, Richard 130 and Joel Huff, 150.

In the secondary will be Cooper, 145, Sam Cervante and Scott Mahon, 140.

In case the Lions are on the lineup will have Doug and Thomas Garza at end guards Huff and Garza, and Amthor. In the backfield, will be at quarter, Mahon Vargas at halfbacks and gomery at fullback.

DISTRICT 8-A

(Continued from Page One)

been given, it is expected the Lions will retain McCamey opening game opponent and from these only one other is left to the schedule maker's choice.

The Lions may be able to off the expanded schedule a good deal of enthusiasm as looks like they will be up from the last several years.
