MORE IS BETTER?

"You have nothing to worry about. We now have a broader law in our state. Passage of the Federal Civil Rights Act won't affect us."

That is the substance of replies from pro-"Civil Rights" solons that are being received by protesting constituents in the 34 states presently having so-called civil rights laws on their books.

New York, to name one state, has a strong civil rights law. Thus, it is reasonable to ask Senators Javits and Keating—who are eager for more legislation of the sort at the Federal level—to what they attribute the recent disturbances and general racial turmoil in their state?

Is it that the law of the state has failed to make the minorities happy, or is not enforced, or that enforcement officials have

agreed it cannot be? Does it mean that the state will not, or cannot preserve the peace if the "major protest" now being planned for May 18 in New York City by the NAACP and CORE should get out of hand?

And what of the nationwide one-day work stoppage that is threatened for a later but undisclosed date? Are the Senatorial proponents of the Federal bill trying to tell us that in 34 states nothing will happen—except riots and mayhem and abandonment of law and order?

The experience of the recent past and the prospects for the immediate future should make it manifest that more law of the same sort—even though it is made-in-Washington—will be no more effective than present state laws and is not the answer to civil disobedience.

CATHOLICS PLAN CENSUS

The members of the Catholic Church in this area, under the direction of their pastor and a parish chairman, are planning to take up a census on this coming Sunday, May 17. The workers intend to make their calls between the hours of 2 and 6 in the afternoon.

The workers will go to each home in pairs, one to ask the questions and the other to write down the answers. It is expected that during the four hours of census-taking, all the residences assigned to each team of two will be visited.

Outdoor Meeting In City Park Planned By First Baptist Church

The First Baptist Church of Ozona will hold an outdoor revival for the first time in a number of years next month when Dr. Byron Richardson of the Texas State Board of Evangelism will be in Ozona to do the preaching.

The revival will be held at the extreme North end of the city park in front of the Church, beginning June 7, and running through the 14th.

Leading the singing for the meeting will be Steve Taylor of Greenville, South Carolina, who has a great deal of experience in evangelistic singing and is well known in Texas for his talent and dedication.

Rev. Max Brown and the church executive board have named a number of committees to be in charge of making the physical as well as spiritual arrangements for the revival.

Dr. Richardson served for three years as pastor of the Park Heights Baptist Church in San Angelo before moving to Alice, his last pastorate before accept- ing appointment to the State Board of Evangelism.

Construction of a stage and other physical arrangements have already been started by the committee in charge of that phase of the work and other committees have been meeting and planning for the meeting.

LADIES GOLF ASSN.

In golf play last Thursday, the balls for the day's play were won by Mrs. Jimmy Barbee and Mrs. Tom Mitchell. Low putts on the Mitchell trophy was won by Mrs. Mitchell and low net on the club trophy was won by Mrs. J. M. Baggett. Others playing were Mrs. Jess Marley, Mrs. Roy Thompson, Mrs. Jack Baggett, Mrs. Dempster Jones, and Mrs. Mike Clayton.

Mrs. Jimmy Barbee, Mrs. Tom Mitchell and Mrs. Jack Baggett attended an invitational tourna- ment in McCamey last Saturday.

Discovery Indicated In Shell Bailey Test; Henderson Test Flows

Shell Oil Co. No. 1 J. R. Bailey Estate, in 21-GH-GC&SF, Crockett County wildcat, 11 miles northeast of Ozona and two miles west-southwest of a 16-mile northeast extension to multipay field, has indicated production in the Ozona, East multipay field, has indicated production from the Canyon sand with the flowing of 10 barrels of new oil in three hours.

Flow was through a 12-64-inch choke and the lower perforations at 7,760 to 7,765 feet, which had been shut in 12 hours. Tubing pressure was 900 pounds.

Earlier it swabbed 15 hours, recovering 46 barrels of water and 19 barrels of new oil.

The section had been acidized with 2,410 gallons and fractured with 46,000 gallons and 51,250 pounds of sand.

Testing continued.

Broseco Corp., Fort Worth, No. 1 J. W. Robbins, in Nancy E. Everett No. 24, Crockett County Wolfcamp detrital prospect, 8½ miles southeast of McCamey, and four miles northeast of the Tippet multipay field, was continuing to test on the pump through perforations between 6,762-63 feet.

The following 24-hour gauge were reported: 52 barrels of oil and 66 barrels of water; 72 barrels of oil and 74 barrels of water; and 28 barrels of oil and 110 barrels of water.

Drilled to 8,302 feet, it recovered gas and oil on one test of the Ellenburger and oil and sulphur water on another.

Shell Oil Co. No. 1-51 Henderson, in 51-OP-GC&SF, 7½-mile west-northwest of gas production and 1½ miles west of oil production in the Ozona, North- west (Canyon) field, was flowing oil and gas from the Canyon sand.

Swabbed 24 hours through perforations at 6,363 to 6,469 feet, recovery was 35 barrels of water. It then flowed 40 barrels of wa-

ter and five barrels of oil, plus gas at the daily rate of 543,529 cubic feet, in two hours, through an 18-64-inch choke.

It then flowed 22 hours mak- ing 23 barrels of water and one barrel of oil, with gas-volume at the daily rate of 491,650 cubic feet. No choke was reported. Testing continued.

EDITORIAL

By Joel Huff

As this is the last edition of the Ozona High School Lions' Roar for the 1963-64 school year, the staff would like to take this opportunity to thank all of those who helped make this year a success for OHS.

First of all, our thanks go to the Ozona Stockman and Mr. Evert White. Mr. White has provided space in the Stockman and printed the Lions' Roar free of charge. He has been extremely patient and understanding when difficulties arose, preventing copy from the Lions' Roar from being in on time. Without his cooperation the publication of the Lions' Roar would have been impossible.

Next, on behalf of the student body, the staff would like to express thanks to the townspeople who have enthusiastically supported OHS and its activities. Ozona High School is so fortunate in having townspeople who take a sincere interest in the development of their children, both mentally and physically. Without such unselfish support no school can be successful, either in the classroom or in its extracurricular activities. To these people go our sincere thanks.

SPORTS REVIEW

By Rodney Stewart

The outlook for the 1963 Ozona Lion football season was none too good, for the Lions were thought not to have enough good boys for a strong team, but the Lions worked hard and ended the

season with a 4-6 record and a fourth place in District 8-A competition.

After having lost three starters off the basketball team, the Lions were not highly thought of in the area, but as the season progressed the team showed that it could play. The Lions ended the year with a 16-8 record including an upset over the highly touted Big Lake Owls, and an unexpected third place finish in the district.

The girls team also did well as they finished second in district and won second place in the Eldorado Basketball Tournament.

The volleyball team was one of the best ever in Ozona as they won the district title easily, but had hard luck in facing the eventual state champions in the first round of the regional meet.

The upset of the year in the district came when the Lions unexpectedly beat the Eldorado Eagles for the district track crown. A supreme effort by the boys and coaches made the season a great success.

The Ozona Golf team finished second in district play and third in the region.

The tennis team did not fare well as only one person placed as high as second in district play.

The 1963-64 sports season was a highly successful one as the Lions missed receiving the Odesa "American's" All-Sports Award by one-half a point.

GOSSIP

Is it true that we have a millionaire in our Senior class or does everyone pay \$100 for a tie tack?

Were the Juniors riding around last Thursday morning at 6:00 just for the fun of it?

Is it true that Bryan can get Russia on his radio now?

It seems as if Neiman Marcus had to buy a completely new shipment of perfume.

Does Miss McKissack have a new pet? Could it be a white rabbit?

Looks like some of our boys have started their own Little League team now.

Wonder why Diana Coates is looking forward to the end-of-school dance so much.

Congratulations Joel for winning second at state in extemporaneous speaking.

Some of the Juniors were very well informed of what the Senior were doing on this trip. What about it Douglas?

Has Santa come early this year or are the Seniors just receiving their graduation gifts?

The sophs. almost made it back with everything with the exception of Ronnie's foot and Vicki Lynn's shoes.

Wonder why Esther checks the tail lights on her car before she drives it now.

What happened to Mike Walters hair?

Did some of the Senior boys entertain at Six Flags by doing the Mexican Hat Dance?

CORRECTION MADE

Appearing in an article in last week's edition of the Lions' Roar was the statement that the women's Forum was paying the expenses of Ozona students who were to attend National Science Foundation summer programs. It is the Women's League who pays for the expenses and to whom our sincere apologies for the mistake.

A LOOK INTO THE FUTURE

By Donna Moore

This is the time of graduation test, proms, and planning for the summer's activities, but let us pretend for a moment that it is the fall of 1964. School is just starting and there is the usual mess of adjusting ourselves to our new class. The freshmen especially are having a hard time because they have been used to Junior High. They have to switch from being the bosses to being the "underdogs." At first they protest when given orders by their "elders", but they soon learn that they are only exercising the roll of being the lowly ones, being their tonsils for nothing.

The freshmen from last year are relieved to rid themselves of them can treat those "stupid freshmen" just as harshly as they themselves had been treated.

The new class of juniors are amazed to find that they have only two more years of high school. They secretly vow to make these the best of all.

And of course everyone has to notice the big seniors. At last they made it. After a year of envying the graduated seniors, they are thrilled that they now are the "topdogs." All of the underclassmen have to swear on their knees that the seniors are the best class ever.

And finally there are the seniors who graduated the past year. They are entering college

as freshmen, and they soon discover that they are starting all over on the big cycle.

Yes, this is the way it will be, but for now let's return our thoughts to graduation and final tests. After all, we have a whole summer to think about next year.

We drove 3,243 miles to make a point about our Super Turbine transmission

You can do it on the way to the grocery store

Would we drive a Buick with a Super Turbine transmission* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run?

Of course, and just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3—more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super Buick Motor Division

Turbine transmission? You bet. Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.

Let Freedom Ring!

American economy is by far the greatest in the world. Mass production stimulated by credit extension means the better things in life. Let's all be alert and responsible citizens, by taking care of our obligations on time and as agreed.

Graduation time is here, and this is one of the times when credit is used to a great extent by the American public. Our children, we feel, deserve the best that it is possible for us to provide. At this time the extra needs would stretch our pocket-books beyond their

capacity, if it were not for the ability to use our credit.

If we have been careful to always protect our credit rating, by paying our bills in a satisfactory manner, then we have no worries about our children's needs going unprovided for at Graduation — an important and a "Red Letter Day" in the lives of our youth.

Despite the fact that consumer credit is at all time high, let's be careful we do not over-extend ourselves creditwise.

NO Pictures?

Don't be sad, sweetheart. The book has no pictures, but it's a wonderful story . . . the most wonderful story in the world! You'll hear about it in Sunday School, and when you're older you'll be able to read it for yourself.

Her eager young mind is ready to learn, and she'll find it easy to understand the glorious truths of the Bible if they are presented to her in pictures, stories and songs. The happy hours she spends in Sunday School could be the beginning of an unshakable Christian faith that will sustain her all her life.

You feel that your children deserve the best. Give them an early introduction to the beauty of the Christian religion . . . give them the security of a loving Christian home . . . and know that these are the greatest gifts you could provide.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Officers Installed Committees Named At Final Forum Meeting

The Woman's Forum held its last regular meeting of the year May 9th at the home of Mrs. Bill Clegg, with Mrs. Carl Appel serving as co-hostess for a covered dish luncheon.

Three charter members, Mrs. Hugh Childress, Jr., Mrs. Elie Hagelstein, and Mrs. Marshall Montgomery were presented corsages in appreciation of their loyalty to the club since 1932.

Business attended to for the day included the installation of the incoming officers for 1964-66. Officers installed were: Mrs. T. J. Bailey, president; Mrs. Kirby Moore, first vice president; Mrs. P. C. Perner, second vice president; Mrs. L. B. Cox, III, recording secretary; Mrs. Bill Baggett, corresponding secretary; Mrs. C. O. Walker, treasurer; Mrs. Bill Clegg, parliamentarian.

Mrs. Marshall Montgomery installed the officers and used the theme of the wheel in this service. Mrs. Montgomery illustrated the Wheel idea by presenting the incoming president, Mrs. Bailey, with a corsage which symbolized the center of the wheel with the other officers serving as the spokes.

Roll Call for the day was answered as to whether or not the member had voted in the primary election.

The club voted to support the cleanup campaign which will be held in Ozona during the week of May 25 to 30.

Screwworm —

dous success of the program, ranchmen are letting many wounds and cuts go untreated. Many producers seem to feel that the screwworm is a thing of the past, Newton said, but this is not so. There is still much work to be done. One undetected case in an area can result in a population explosion of the pest which could get out of hand and reinfest large area of the state, causing a tremendous setback to the program, he said.

Every livestock producer should do his utmost in helping protect the investment in the screwworm eradication program, says Newton.

Eldorado Of Dist. 8A Wins State Track Meet

By Ernie Boyd

Eldorado High School of district 8-A won the state high school class A track title in Austin last Friday night by scoring 35 points to lead the field.

The Eagles picked up their points with a sixth place finish by Ronnie Griffin in the 100 yard dash, a fourth place finish by Lynn Meador in the 440 dash, a fifth place by Gary Turner in the 220 and a fourth place in the mile relay, all in addition to winning the 440 relay with a time of 43.7.

Eldorado finished second to Ozona in district and then captured both the regional and state meets with their depth of talented performers.

Two other district 8-A teams scored at the state meet. They were Rankin, who picked up points for a fifth place finish by Jerry McDonald in the discus, and Sanderson, who got a sixth place from low hurdler Tommy Weigand.

Ozona qualified only one man for the state meet, Scott Mahon, and he lost the flip as a result of a tie in the pole vault and did not get to make the trip.

The South Elementary 6th grade, with teachers John Hobaugh and Mrs. Weldon Maness and Principal Ernest M. Boyd along with several of the children's Mothers, visited the park at Christoval Friday. The children swam, fished and had a picnic lunch before returning to Ozona.

RICHARD WHITE

Thanks the voters of the 16th Congressional District of Texas....

"The returns of the May 2nd Democratic Primary Election were most gratifying. The voters of West Texas gave me a clear lead in 14 of the 19 Counties of the District, and I lacked a small margin of gaining a majority over the combined votes of my two opponents. For this confidence in me I wish to thank the voters of the District with sincerity and humility."

"I am working hard to insure victory in the June 6th Primary Runoff election. I want to urge all of my friends and supporters to return to the polls and help me establish a decisive victory. If you plan to be out of town June 6th, please vote absentee between May 27th and June 2nd."

"I have pledged balanced and effective representation to the people of this District. I now repeat this pledge."

"Again, my sincere thanks for the confidence you have shown me, and I will appreciate the support of all voters in the District on June 6th."

Girls Auxiliary Coronation Service

In an impressive Girls Auxiliary coronation service at First Baptist Church, three queens received their crowns and Bonnie Glynn moved up to the next highest rank in GA, that of Queen-in-Service.

The service Wednesday night had as its theme, "Arise, Shine". GA director, Mrs. George Glynn, gave the opening remarks centered around the Scripture in Isaiah 60:1, which is the Girls Auxiliary watchword. A large glittered GA emblem was centered against a pale curtain in the baptistry, with the words "Arise, shine" on either side intermingled with glittered stars. Candles and greenery added to the setting.

GA members walked down the aisles as the organist played their hymn, "We've a Story to Tell"; and were then seated in the choir loft. Mrs. Bill Cavanaugh, WMU president gave charges to the following girls who had completed the forward steps for the rank of Maiden: Michele Nations, Susan Black, Nanda Dozier, Susan Thompson, Gilda Graves, Jan Janes, Sharon Barbee and Maria Barbee. GA Counselor, Mrs. Jack Mathews, pinned emblems on these members, signifying their rank.

Deborah Mathews was recognized as Lady-in-Waiting by Mrs. Glynn, who also presented Susan Boyd and Kathy Williams as Princesses.

A trumpet sounded before each queen was announced and entered to receive her crown from Mrs. Max Brown, wife of the pastor. These queens were:

Queen Johnette from the House of Dozier; crown bearer, Michael Pelto.

Queen Judy from the House of Barber; crown bearer, Craig Barber.

Queen Lois from the House of Poindexter; crown bearer, Ronald Shaw.

Entering last was Queen-in-Service Bonnie from the House of Glynn, with her attendant, Ann Glynn, who carried the Christian Workers New Testament which was presented to this one who had gone on to do the work required of this new GA rank.

The service closed with the GA members and the audience singing "All Hail the Power" and the benediction by the pastor, Rev. Max Brown.

GIRL SCOUTS ATTEND OPPORTUNITIES WORKSHOP

Five Cadette Girl Scouts of Troop 19, sponsored by the Ozona Community Center, attended a workshop on National and International Opportunities developed and presented by Senior Scouts at the Frontier Council office. late. Donald Huff hit a Baltimore chop down the third base line and Sooner Williams made a nice play to second but the runner beat the throw as one run scored. A wild pitch got one run home and another infield tap scored the third and finished the scoring for the night.

Mason Motors, though unable to hit Huff's offerings, stayed doggedly in the ball game and cut down the Oilers on several occasions with clutch plays. The Mason team got on the scoreboard in the fourth inning when Huff walked the leadoff batter and then after retiring two batters threw wild to first base on an infield grounder to the pitcher to let the Motors score their only marker of the night.

In another top flight ball game played Monday night, Mason Motors edged Moore Oil 6 to 5 with the winning marker coming on an error in the sixth inning.

Walter Higginbottom started for the Moore team and had a shutout going when he was re-

lieved by Arturo Torres in the fourth inning. Torres was the victim of some poor fielding as the Mason team roared from behind on the strong hitting of catcher George Hester and some untimely miscues by the defense.

Torres, even though charged with the loss, pitched well and also led his team in the hitting department with a second inning double, chasing home two runs to put his team in the lead until the fifth frame.

Tony Cullins, who relieved Glyn Southard in the fourth inning, was the winning hurler.

B&B Grocers, after dropping their first two games in a rather loose fashion, jumped on Moore Oil Monday night for a 10 to 3 win. McBroom went the distance for the win and the loss was charged to Moore starter Cuatro Davidson.

Small Fashions Buyer, Mrs. Boyd, To Attend Dallas Fashion Market

Mrs. Leonard Boyd, buyer for Small Fashions will attend the annual May Fashion Market to be held May 24-29, in Dallas.

Over 7000 lines will be shown to buyers from all over the Southwest during this market.

The Dallas Market, sponsored by the National Fashion Exhibitors of America, the American Fashion Association, and Texas Fashion Creators is one of the top three fashion markets in the nation. Four major markets are held there annually, with the May Market featuring clothing and sportswear for the fall season. Merchandise selected at the May Market will be on sale in retail stores in late summer and early fall. The theme for this fashion market is, "Fall and Back To School Fashions", with emphasis on dressy fall ensembles as well as play and informal wear.

Southwestern buyers set the national pace in Dallas. The general feeling is that if a new item is well accepted across the nation, many manufacturers use Dallas to test acceptance of new designs. The Dallas Market is a major production of a yearly held in advance of the West Coast Market and of the most complete displays in the nation.

In addition to many fine sportswear and fashion cool weather apparel, accessories, and lingerie will be displayed during the Back To School Fashion Market. Children of the fourth at South Elementary with teachers Mrs. T. J. Baker, Roberta Lawrence, school principal Ernest M. Boyd, and Sonora Caverns Tuesday a picnic lunch at the amusement area before returning to Ozona.
