IRAAN TURNS DEFEAT INTO VICTORY BY PICKING OFF LAST MINUTE OZONA PASS

By Ernie Boyd

The Iraan Braves used a 65-yard pass interception, along with a number of less easily observed Lion tactics, to upset the Ozona Lions in Ozona last night 16 to 15.

The Lions, after scoring on a relatively easy touch-down, following fumble returns, could not move in the second half as penalties and brave defensive efforts kept them off the score-board and finally set up the game-winning miscue.

The Lions drew a total of 10 penalties, all of which were richly deserved and several of them broke up their scoring chances.

The ironic part of the game was that Iraan was able to make but one first down, and that on a penalty, in the second half, and the Lions were deep in their own territory when the game-winning interception was made.

The Lions led in first downs 10 to 5, in rushing 65 to 70 and trailed in passing 95 to 0. In fact, the Lions did not attempt to pass except in desperate conditions and even then threw but two forward passes in the strictest sense, the other three being flare passes, one of which resulted in the Braves winning points.

The Lions scored first following an ill fated Iraan kicking effort, which saw a low snap result in a fumble and the Lions took over in the Brave 24-yard line. Richard Vargas finally drove over for the seven after two penalties almost killed the effort. Bob Amthor kicked the extra point and the Lions led 7 to 0.

The Braves bounced back quickly. On their next possession a pass from John Smithson to John Joy near the line of scrimmage found the Brave halfback wide open and with a little blocking and a lot of running skill, the Brave halfback covered the 49 yards to the end zone with a minimum of trouble.

The Braves then grabbed the lead when Smithson threw a two-point pass to Orville White after fumble. (Continued on Last Page)

Sen. Hardeman To Speak At 4-H Award Program

State Senator Dorsey B. Hardeman of San Angelo, will be the speaker at the 4-H awards program, Saturday evening, November 14, at 7:30 p. m. in the High School Auditorium.

Awards will be presented to 4-H members with outstanding achievements in the past year. A number of 4-H adult leaders will be honored for their efforts in behalf of the 4-H club program in the county.

A special feature of the program will be a ceremony in the 4-H by 4-H members, explaining the meaning and purpose of the 4-H program, according to county agent Pete W. Jacoby, who supervises the over-all 4-H club program in the county.

Some two hundred boys and girls are now enrolled in the 4-H club program and a large crowd is expected for the event. The public is cordially invited to attend this special 4-H program.

Chamber Office Keeping List Of Hunting Leases

The Chamber of Commerce is in position to assist both ranchers and hunters as the deer season opens Saturday.

Presently the Chamber has 10 ranchers with 12 ranches listed as available for day leasing. Any additional ranchers who would like to day-lease should call the Chamber office and give detailed information on the lease. This will then be added to lists that are mailed to prospective hunters, or used in answering telephone calls that come into the office.

Bob Scotts Send Greetings With Enticing Photos

Bob Scott, former Ozonan stationed here with the Soil Conservation Service, sends greetings from St. Croix in the Virgin Islands, where he is teaching the natives the latest in soil saving techniques and advanced agricultural methods with the SCS.

Along with the note came a color picture of Bob and Mrs. Scott basking in the tropical sun on a sandy beach in the Islands, and another showing the lush growth of crops on the farm.

The inviting pictures made Bob's closing "Come to see us" mighty enticing.

Ozona, Sonora GI Forums Install Officers At Meet

About forty members and guests of the Ozona unit of the GI Forum were present for a joint installation ceremony with the Sonora Forum held in Sonora Saturday night.

Guest speaker and installing officer was Ed Icar from San Angelo. In a candlelight ceremony, Mr. Icar installed new officers of both the Ozona and Sonora chapter for the Forum. Other area towns represented at the meeting were Del Rio, San Angelo, and El Dorado.

Ozona GI Forum officers installed in the ceremony were: Napoleon Vitela, chairman; Freddie Valdez, vice chairman; Genaro Reinberg, secretary; Al Ramirez, treasurer; Romeo Perez, sergeant at arms; Armando Reina, parliamentarian, and Bekie Diaz, reporter.

Officers of the Woman's Auxiliary were also installed at the joint meeting. Ozona auxiliary officers were: Maria Vitela, chairman; Maria Torres, vice chairman; Blanche Castro, treasurer; Chonita Vela, secretary, and Grace Reinberg, sergeant at arms.

Following the program and installation, refreshments were served and members and their guests enjoyed dancing.

GARZA PROMOTED

Key West, Fla. - Edward R. Garza, son of Mr. and Mrs. Thomas M. Garza, of Ozona, Texas, has been promoted to staff sergeant in a U. S. Air Force Support unit at the U. S. Naval Station, Key West, Fla.

Sergeant Garza, a radio operator, is a graduate of Ozona High School.

Lions Close Out Grid Season In Rankin Fri. Nite

By Ernie Boyd

The Ozona Lions will close their 1964 football season Friday night when they travel to Rankin to meet the dangerous Rankin Red Devils in a game that will probably decide second place in district 8-A.

A victory for the Lions with a Sonora loss to Big Lake, would give the Lions undisputed second place and a fine 8 won and 2 lost mark for the season.

The game will be final appearance for the nine Ozona seniors, ten counting Joel Huff, who has been out since early in the season.

Those playing their last game for the purple and gold are George Kyle, Richard Vargas, Pete Garza, Alejandro Tambunga, Mike Walters, Rick Hagestein, Bob Amthor, Sam Cervantez, Thomas Garza, and Joel Huff, who will not see action.

Rankin, while not boasting too much of a won and lost mark, has had an excellent offense all season and has scored freely. If the Red Devils can score very often against the Lions Friday, they will have a good chance unless the Lions snap out of an offensive slump which has plagued them since the Big Lake game.

In the last three games, the Lions recorded a failure to score on Big Lake, the only district team so failing squeaked by Sonora on a fine fourth-quarter effort, and bogged down completely against Iraan in the last half, when the Braves brought up a virtual nine-man line and halted the Lions ground attack.

The Lions lost a free scoring contest in Rankin last year when Roy Winters who is still in the Rankin backfield, raced around the Lion flanks for three touchdowns and passed for a fourth.

Ozona's last week loss to Iraan gave the Big Lake Owls a clear title in district play. Even had the Owls lost this week and tied for the spot they would still have been the district representative by virtue of having beaten the Lions.

Kickoff for the season's final contest will be at 7:30.

Woman's League Shapes Plans For Annual Bazaar

Plans were well under way this week for the Ozona Woman's League annual gift bazaar, a pre-Christmas project of the organization.

The Bazaar will be held December 2, first Wednesday in December, in the former Church of Christ building, across from the high school.

Store hours will be from 8 a. m. to 5 p. m. and gift shoppers are urged to take a look at the gift merchandise to be offered. Included will be gifts of all kinds in the various booths and the food booth will feature all kinds of holiday baked goods, cakes, pies and other goodies, all home-made products from member kitchens.

The Bazaar will be the League's only fund raising project of the club year. The money raised in the Bazaar sale will be used for the League's loan fund, the science scholarship fund and other worthwhile civic projects.

Offset Slated In Pure-Bean Crockett Field

I. W. Lovelady, Odessa, will drill the No. 3 Bean as a location southwest offset to his No. 2 Bean, assured second producer and location southwest extension to the Pure-Bean, South (San Andres) field, of Crockett County, 10 miles northwest of Ozona.

Location is 2,358.8 feet from the south and 2,477.5 feet from the west lines of 81 - OP - GC&SF. Contract depth is 1,600 feet with cable tools; estimated elevation, 2,607 feet.

Tidewater Oil Co., will re-enter and clean out to 1,485 feet, the total depth, and attempt completion as a location northwest extension to the same field at a failure, the No. 1 Ed Bean.

It originally was drilled by Skelly Oil Co. and Pacific Western. Plugging date was unavailable.

Location is 1,673 feet from the north and 2,470 feet from GC&SF.

1964 Census Of Agriculture To Be Taken In Nov

Plans for taking the 1964 Census of Agriculture in Crockett County were announced today by Stanley Helmers, newly-appointed census crew leader for the county. Mr. Helmers is from Girvin.

The job will be done in three stages, the crew leader announced. First will come recruitment and training of enumerators to count all farms in the county. About one enumerator each 150 farms will be needed.

Shortly after November 19, the Bureau of the Census, an agency of the U. S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to all rural boxholders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions.

In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerators will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on November 27.

Enumerators will take about three weeks to complete their work, the crew leader estimates.

The Census of Agriculture is taken every years in the years ending in '4' and '9' to gather up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy.

Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information of farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

Refrigeration & Air Conditioning Service. Have electronic leak detector to find any Freon leaks.

1/2 semi-sealed condensing unit for sale.

One 1954 2-door Belaire Chevrolet for sale. Good shape. Cheap for quick sale. John A. Doll, Phone 392-2572 or 392-2191. 34-tfc

Mrs. J. W. Owens, Pioneer Crockett Mother, Is Dead

Funeral services were scheduled for 10 o'clock this morning for Mrs. J. W. Owens, 85, a pioneer Crockett county resident, who died early Wednesday morning at her home here.

Services will be from the Church of Christ in Ozona, of which Mrs. Owens was a long-time member, with burial following in Cedar Hill Cemetery under the direction of James Funeral Home of Ozona.

Mrs. Owens was the former Timie Miller, daughter of a pioneer Crockett ranch couple, the late Mr. and Mrs. Jones Miller. She was born Feb. 10, 1879, in Bell county, the family moving to Crockett county before the county was formally organized. The family lived at Emerald township, east of present Ozona, which faded when the county was organized in 1891 and Ozona was selected over Emerald as the county seat. The Miller family built up extensive land holdings in this county, most of it still held by descendants of Mr. and Mrs. Jones Miller.

Married in July, 1899, to Mr. Owens, himself a member of a pioneer area ranching family, the couple made Crockett county home and ranching their business since. Mr. Owens was one of the nation's most prominent breeders of registered Rambouillet sheep for many years and he and Mrs. Owens traveled the show and sales circuits throughout the nation. His land holdings in west Crockett county were found rich in oil and gas and have been extensively developed over the years. Mr. Owens remains active in looking after business interests but retired several years ago from active ranch management.

Mrs. Owens is survived by her husband; two sons, Jeff Owens of Ozona, and Claude Owens of Ft. Stockton; one brother, Rob Miller of Ozona; three grandchildren and six great-grandchildren.

Ozona FFA Wins Two Firsts In District Meet

Two Ozona FFA teams topped two first places in the district Future Farmers of American judging contests held in Eldorado Wednesday.

By their district win the Ozona teams qualified for the Regional Area II finals Saturday, Nov. 21.

Eight schools from the District competed in the Eldorado meet. Ozona teams won first place in radio broadcast and in Junior chapter conducting took third in FFA quiz and fifth in senior farm skills.

Competing schools in the Concho District contests Ozona, Wall, Bronte, Robert Lee, Sterling City, Lakeview San Angelo Central, and Eldorado.

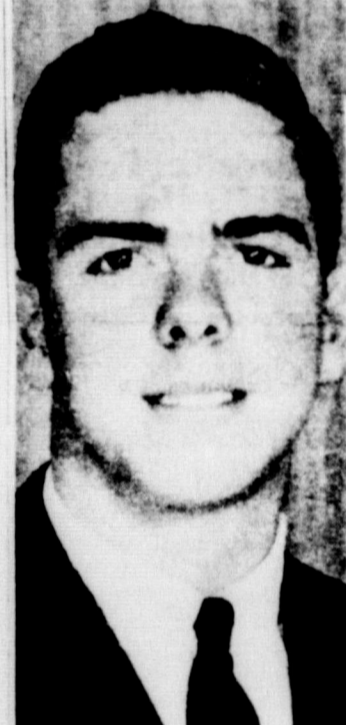

Members of the Ozona radio broadcast team are Jerry Johnson, Moe Barbee and Gary Boyd. On the Junior Chapter conducting team are Duane Childress, Larry Kilgore, Fred Chandler, Duwain Vinson, Larry Don Webb, Chris and Larry Lackey and Wesley West.

Miss Lea Smith, pioneer Ozonan, is reported seriously ill in Clinic Hospital in San Angelo this week.

Hugh Coates, Diana Couch '64 4H Gold Star Winners

Diana Couch

Hugh Coates

Hugh Coates, son of Mr. and Mrs. John Coates, and Diana Couch, daughter of Mr. and Mrs. Joe Couch, have been named 1964 4-H Gold Star winners for Crockett county. The Gold Star award is the highest county 4-H award made available by the Texas Agricultural Extension Service and state 4-H Club office at Texas A&M University.

Hugh is a senior in Ozona High School and has been a 4-H member for six years. He has fed commercial fat lambs, show lambs and quarter horses for the county and major shows and has been very active in 4-H judging work the past three years. Hugh is vice-president of the Senior 4-H Club, president of the 4-H horse club and executive officer of the 4-H rifle club. He has shown champion finewool lamb and reserve champion quarter horse at the county 4-H livestock show and has received the county 4-H showmanship award and best herdsman award.

Hugh was a member of the 1963 state champion 4-H range judging team and the 1964 state champion 4-H grass judging team.

Diana Couch is a senior in Ozona High School and has been a 4-H member for six years. She has fed commercial fat lambs for six years and one registered heifer which she showed to the grand championship in the county 4-H livestock show in 1963. Diana was secretary of the Senior 4-H club for two years, and was the 1963-64 senior 4-H club sweetheart.

Diana and Hugh will receive their Gold Star awards at the 4-H award program Saturday evening in the High School Auditorium. Both 4-H members and their parents will be held in Sonora this year.

Dist. President Speaker At South Side P.T.A. Meet

The South Elementary P. T. A. held its regular meeting Monday night at the school cafeteria, with 69 members and three guests attending.

Mrs. Arturo Torres, president, presided. Mrs. Napoleon Vitela led the group in prayer.

Jesus Castro, program chairman, introduced Mrs. Arlice Brooks, of San Angelo, District President, who spoke to the assembly on the topic "Together We Help a Child by Increasing Educational Opportunities."

The room count gave the attendance prize to Miss Lawrence's fourth grade. Refreshments were served at the conclusion of the program.

Ozona Industrial Development To Be Talked At Meeting

There will be a meeting at the Chamber of Commerce office at 2:30 this afternoon for those interested in developing new payrolls for Ozona.

Larry Milner, the West Texas Community Coordinator for Texas Industrial Commission, will lead the discussion. The Texas Industrial Commission has worked to put Texas in as the second ranking state in industrial development.

Coffee will be served to those attending the conference.

Crockett Canyon Gas Production Areas Extended

A Crockett County Canyon sand gas discovery was taking potential test and three extensions were completed.

Texas American Oil Corp. Midland, was calculating absolute flow potential for the No. 1 Victor I. Pierce, in 102-WC - Chris Engle, Canyon sand discovery, 21 miles southwest of Ozona and three miles southeast of the initial three-well portion of the four-well Ozona, Southeast (Canyon sand) gas field.

Production is being effected through perforations at 5,566 to 6,277 feet.

Delta Drilling Co. and Pauley Petroleum Inc. have completed three extensions to the Ozona, Southwest (Canyon gas - distillate) field approximately 15 miles southwest of Ozona.

The No. -2B Henderson, a three-mile southwest extension, was finalized for a calculated, absolute open flow of 1.8 million cubic feet of gas per day, with gas-liquid ratio of 64,700-1, through perforations between 6,038-720 feet. Gravity of the liquid is 54 degrees.

Location is 735 feet from the south and 2,005 feet from the east lines of 7-TCRR. (Continued on Last Page)

Glowing Tribute To Buck Bailey Is By West Coast Sports Writer

Of the many glowing tributes paid the late Buck Bailey, early day West Texas sports figure and for 35 years the colorful baseball and football coach at Washington State University, outstanding was one written by a Pullman, Wash., AP sports writer, Jack Hewins, and published in the San Francisco Chronicle along with the account of Bailey's death and that of his wife, Frances, in a head-on car collision near Albuquerque, N. M. Buck was a brother of T. J. Bailey of Ozona and was well known to many friends here and throughout West Texas.

Hewins' piece was headed "Census Counted Bailey's Friends," and he wrote:

"If you pause and listen with half an ear you can hear the echoes yet on the football grid of Rogers Field in Bohler gym, on Buck Bailey Field and on all the golf courses in the Pacific Northwest.

"The echoes were stronger in yesterday's autumn air as a shock of disbelief crushed other sounds in the wake of news that Arthur Buckner Bailey, 68, had died in an automobile accident near Albuquerque, N. M.

"Buck Bailey of the craggy face; outgoing, outspoken Buck Bailey — a giant of a man with heart and voice to match.

"Bailey was a man who had no need to count his friends as long as the census was taken regularly. They included college athletes by the hundreds—all the football players who knew him during his 34 years here as a coach at Washington State University.

"They included golfers

who won national championships and golfers who hacked around the course in 100; basketball players who remember Bailey's Angels; hunters and billiard players and rodeo riders. And umpires.

"In those 34 seasons as a baseball coach he met a lot of umpires, usually nose-to-nose, and the discussions never were in whispers.

"Often when things went wrong afield, Bailey would stride up and down before the bench, kicking bats and water buckets and growling "my gracious!" The fans, loving Buck, loved his antics."

Reports On Park Projects Heard By Garden Club

Ozona Garden Club met Monday afternoon in the home of Mrs. Evart White, with Mrs. Max Schneemann president presiding at a business meeting. Members of the Junior Garden Club, The Sprouts, were special guests.

Mrs. Bailey Post was program chairman. Mrs. Stephen Perner demonstrated how to make potpourri jars of dried rose petals. Reports were heard on local projects of the garden club, including the Live Oak Park, the City Park, the Memorial Park and Senisa plantings along the sidewalk at the north side of the Ranch Feed & Supply building. The Club expressed its

thanks for the assistance given in developing these projects. D. C. Ratiiff and his county road crew were thanked for assistance in laying out the Live Oak park and keeping it mowed, and to O. D. West for faithfully watering it. The Ranch Feed crew received thanks for their assistance in keeping the senisa planting watered and cleaned and to Pancho Lara for his pride in keeping the parks clean and well groomed.

The Junior Club members were guests for the day and gave a choral reading on conservation and the pledge. They too have contributed to beautifying the city park by planting petunias in the center bed.

Plants, cuttings and dried material were exchanged at the close of the meeting.

Refreshments were served to the following members and Junior members—Mrs. Larry Arledge, Mrs. Q. A. Brentz, Mrs. Leonard Dorris, Mrs. John Fowler, Mrs. N. W. Graham, Mrs. Floyd Henderson, Mrs. Cecil Hubbard, Mrs. Perry Hubbard, Mrs. A. S. Lock, Mrs. Jess Marley, Mrs. Ivy Mayfield, Mrs. J. B. Miller, Mrs. Stephen Perner, Mrs. Max Schneemann, Mrs. Glenn Sutton, Mrs. O. D. West, Mrs. Bailey Post

Mrs. Lawrence Janes and Mrs. J. L. Barbee, sponsors of the Junior Club, and members — Susan Boyd, Sharon Barbee, Susan McElveen, Donna Hattaway, Mitzi Friend, Pat Fitzhugh, Charlene Strickland, Joanie Baggett, Tanya Blanton, Georganne Janes, Grace Ann Tabb, Debra Wellman, and Cyndie Whitehead.

IT'S NEW!

***Equal Payment Plan**

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office...ask for complete details of the Equal Payment Plan now.

STUDENT COUNCIL MEMBERS TO ATTEND WEST TEXAS FORUM IN SAN ANGELO

Brenda Brentz
 The members of the Student Council of OHS will attend the West Texas Forum of Student Councils in San Angelo on Saturday, November 14, 1964.

Those students attending the Forum come from many different schools for the purpose of learning new ideas and plans which will help their school. The Victory flag and the Victory Bell are examples of new ideas which OHS has recently attained through the Student Council.

At the meeting on Saturday, all Student Councils will register from 8:00 to 9:30 and go to the general sessions. The students will then separate and attend group discussions on topics of problems in school. The students may choose any topic group he would like to attend. After lunch, the complete forum meets again, and gives the results and conclusions that were made during the group discussions.

The Student Council from Ozona will head a group discussion on the topic, "What are some outstanding projects that can be sponsored by the Student Council?"

THANKSGIVING HOLIDAYS TO BEGIN NOVEMBER 26

Wednesday, November 25, at 2:40 p. m. will mark the beginning of the Thanksgiving holidays. On Thursday and Friday, the 26 and 27, there will be no school, and classes will begin Monday, November 30, as scheduled.

SENIOR RETAKES TO BE MADE NOVEMBER 13

The photographs from Whit's Studios of Colorado Springs will be at Ozona

High School at 8:30 a. m. on Friday November 13 to retake pictures of those seniors who were not satisfied with their first poses, or who did not have their picture taken the first time the photographer was here. The photographer from Whit's Studios will retake pictures of the seniors only. The photographer from Province Studios of Houston who took pictures of the other classes will be here for retakes some time after Christmas.

FOOTBALL QUEEN CROWNED

By Mike Walters
 Lynn Cox, daughter of Mr. and Mrs. Bud Cox, was crowned football queen by the Lion Co-Captain during the halftime ceremonies of the Iraan - Ozona football game. The members of her court were Vicki Applewhite, daughter of Mr. and Mrs. Charles Applewhite; Vicki Lynn Montgomery, daughter of Mr. and Mrs. Bescher Montgomery, and Carmel Childress, daughter of Mr. and Mrs. James Childress. The three duchesses were presented with a bouquet of red carnations and Lynn was presented with red roses and a charm.

THE SHOW MUST GO ON

By Yvonne Martinez
 Brr! Was it cold? Everything, but my fingernails, is frozen! This is a typical statement from any one of our OHS band members as they march for an hour each cold morning. The cold is no exaggeration either for several people jump up and down in order to keep themselves warm. The drum major's lips are often frozen and thus the supposedly tweets come out as twifis! The files are bright, for the guide is often too frozen to weave about on the field. Once in a while, brave people decide to challenge the cold. (Or maybe they just forgot to bring their jackets along.)

In either case, such people appear on the field to add their lively shades of blue and purple face to a group of red noses, thus bringing variety and color to the show.

Why do these poor people suffer such hardships just to march? One may well ask. This question has been asked several times, and band members answer well by saying that the applause and cheers of the crowd at a football game, plus self-satisfaction in knowing they earned such recognition, makes it all worthwhile.

MASCOTS SHOW TRUE CHARACTER!

By Cathy Miller

Scaup the Braves! Rope the Broncos! Tar the Owls! Sting the Yellowjackets! Convert the Devils! Wing the Eagles! Roar, Lions, Roar!

Did anyone ever wonder how a school chooses its mascot? The following information was secured from the 8 other high schools in District 8-A, besides Ozona. Of course we know that the Lion is the King of Beasts and so naturally it is the best one to represent OHS! Junction, Sanderson, and Eldorado, being rather commonplace and unoriginal, chose an Eagle because they thought being able to fly would help during a sneak attack. They were fooled! Lions are also sharp-shooters!

The Yellowjackets was Menard's choice. Now, a person could see what harm a bee sting could do, but one can't overlook the fact that they are still yellow!

Rankin borrowed a character from Paradise Lost and found just as much trouble as Beelzebub did! All a team has to do to beat the Red Devils is hold a revival!

Sonora chose a horse for a fast get away. They wished they had been more speedy, for Sonora found out that the Lions are very good Bronco-Busters!

It's easy to see why Iraan chose the Braves. It fits in with their character to be classified as savages.

An Owl is hardly worth mentioning. It's ugly, with its cross-eyed eyes and pointed beak. It can't do anything and it stays up all night! No one but Big Lake would choose an Owl!

Some of these maybe just a little exaggerated. It is, however, easy to see why the Lions are the best. Yes! Yes!!

BAND TO ATTEND MARCHING CONTEST

By Sandra Martinez

This Saturday, November 14, the OHS Band will leave at 9:00 a. m. for San Angelo to compete with fourteen other class A bands in the University Interscholastic League at the San Angelo Bobcat Stadium.

Although fifty bands will be present for the marching contest, the OHS Band will compete with only fourteen other Class A bands of which seven will march before lunch and seven after lunch.

The majorettes, and anyone wishing to, will each twirl a solo Saturday morn-

ing followed by a group ensemble.

OHS Band will march at 1:28 p. m. and can be expected to arrive home around 5:00 p. m.

HERE N' THERE

By Lynda Miller

Who was the boy in the chevrolet that all the girls were following?

Who got lost in a pasture Friday night?

Jack, Derold, and Mike went to San Marcos Saturday to see Leroy Cooper.

Who is the blonde Blake Ballard is always with?

Was Moby sick Monday morning Esther? Hope she's feeling better.

What's this about wearing signs, Gary Lee. Trying to get attention, eh?

Lana, did you and Randy get lost Friday night?

What if Rick charged admission to go to his ranch? (He'd make a fortune).

Melody: Hadn't you better take drivers ed. again?

Is it true Michele's purse is the trash can in study hall?

Who's the sign snatcher in study hall? What about it Bill Bo E.?

What's this about Esther coughing in English so she can get Miss Power's good lasting cough drops?

What's every body using so many kleenexes in study hall for?

Who does Randy write everyday in study hall?

What was Esther wearing Sunday night in her pick up?

Is it true Mr. Cleere has to make coffee for a week?

What was all the excitement about Friday night after the football game Richard V.?

What were the provisions of the Peace Treaty, between Linda C and Neto V. Moe, weren't you at a dance Saturday night?

Wonder why Margene was so happy this weekend?

Where were Hugh C. and Carey P. Saturday night?

Larry W. why were your eyes so red Monday morning?

Anthella Nicholas, Sr; Mary Payne, Jr; Rosario Sanchez and Connie Williams.

Members of the B team include Bonnie Carson, fr... Edgerton, so; Peggy Hagelstein, fr; Sharon... Suzanne Lewis, fr; Beverly Loudamy, fr; Bobbie Mills, fr; Lellee Mitchell, so; Lorraine Payne, fr; and Pam Sutterfield, fr. The Lionettes will officially open the 1964-65 season against McCamey, November 1, in McCamey.

BAND JACKETS PRESENTED TO SENIORS

During the half-time Friday night, band jackets and letters were presented to the Seniors in the OHS. Letters were given to the following: George Kyle, Bob Hagelstein, Mike Wal-

ters, Carmen Childress, Yvonne Martinez, Vicki Applewhite, Mary Jane Dunlap, and Sandra Martinez.

Band jackets were presented by Mr. Sanders, the band director, to the following: Jill Graves, Marcia Haire, Hugh Coates, and Judy Ingham who was unable to attend because of illness.

CUBS COMPLETE UNDEFEATED SEASON

The Ozona Junior High Cubs completed their football year with an undefeated season. In spite of some excellent seasons this was Coach Chick Womack's first undefeated season since 1954.

Members of the A team are: Randel Clepper, Carlos Sanchez, Danny Maness, Armando Tambunga, Rick Prater, Rodney Pagan, Martin Farris, Johnny Barbee, Herberto Vargas, Danny

Rowan, Mike Thompson, Donald Rowan, David Huff, Donald Huff, Joe Bob Stephens, Fleet Coates, Sylvester Rios, and Buster Reina.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 14, 1935

As a means of combating livestock throughout Crockett county, two inspectors

whose duties will be to investigate all livestock movements by truck, will be employed in the near future in this county. The decision followed a conference of ranchers with the Commissioners Court Monday.

A WPA allotment to Crockett county for extension of the Ozona sewer system was authorized this week by the state WPA office. The allotment of \$6,443 will be augmented by a \$500 contribution by the county.

Winter slipped its icy fingers down the coat collars

of West Texans this week and leaves and summer vegetation that had thrived long past its normal time folded up and called it quits when the season's first killing frost visited Monday night.

Further light on the archeological identity of two human skeletons found in a cave along the Pecos river on the Noelke ranch recently may soon be shed by a party of archeologists and experienced excavators from Witts Museum in San Antonio who are anxious to secure permission to ex-

amine the find to determine whether or not the skeletons are those of the Texas Cave Dwellers whose age is variously estimated at around 3,000 years.

Under supervision of the athletic department of the school system, the big mud hole in the street intersection at the Powell athletic field was filled with gravel last week.

John R. Bailey is Crockett county chairman of the Will Rogers Memorial Fund drive, which gets under way this week.

The Ozona Lions chalked up another one-sided victory Monday afternoon when they took the Sonora Bronchos 31 to 0 while a big crowd of fans crouched behind pulfited coat collars as some protection against a biting cold north wind that swept over this area.

Mrs. Bill Hoover underwent a tonsilectomy in the office of Dr. Sellers Moore here this week.

RANCH RECORD BOOKS at The Ozona Stockman office.

HOW DOES LIFE GET SO TANGLED?

Interesting thing about a rope—it rarely becomes tangled when it's serving some useful purpose. It stretches firm and taut . . . reaching . . . holding.

But lay the rope aside . . . waiting without a purpose . . . and it becomes so tangled you can't even find the ends.

Life is like that! For some folks it seems an impossible tangle of conflicts, worries and disappointments. They haven't discovered how to devote their strand of years to a vital, constant purpose.

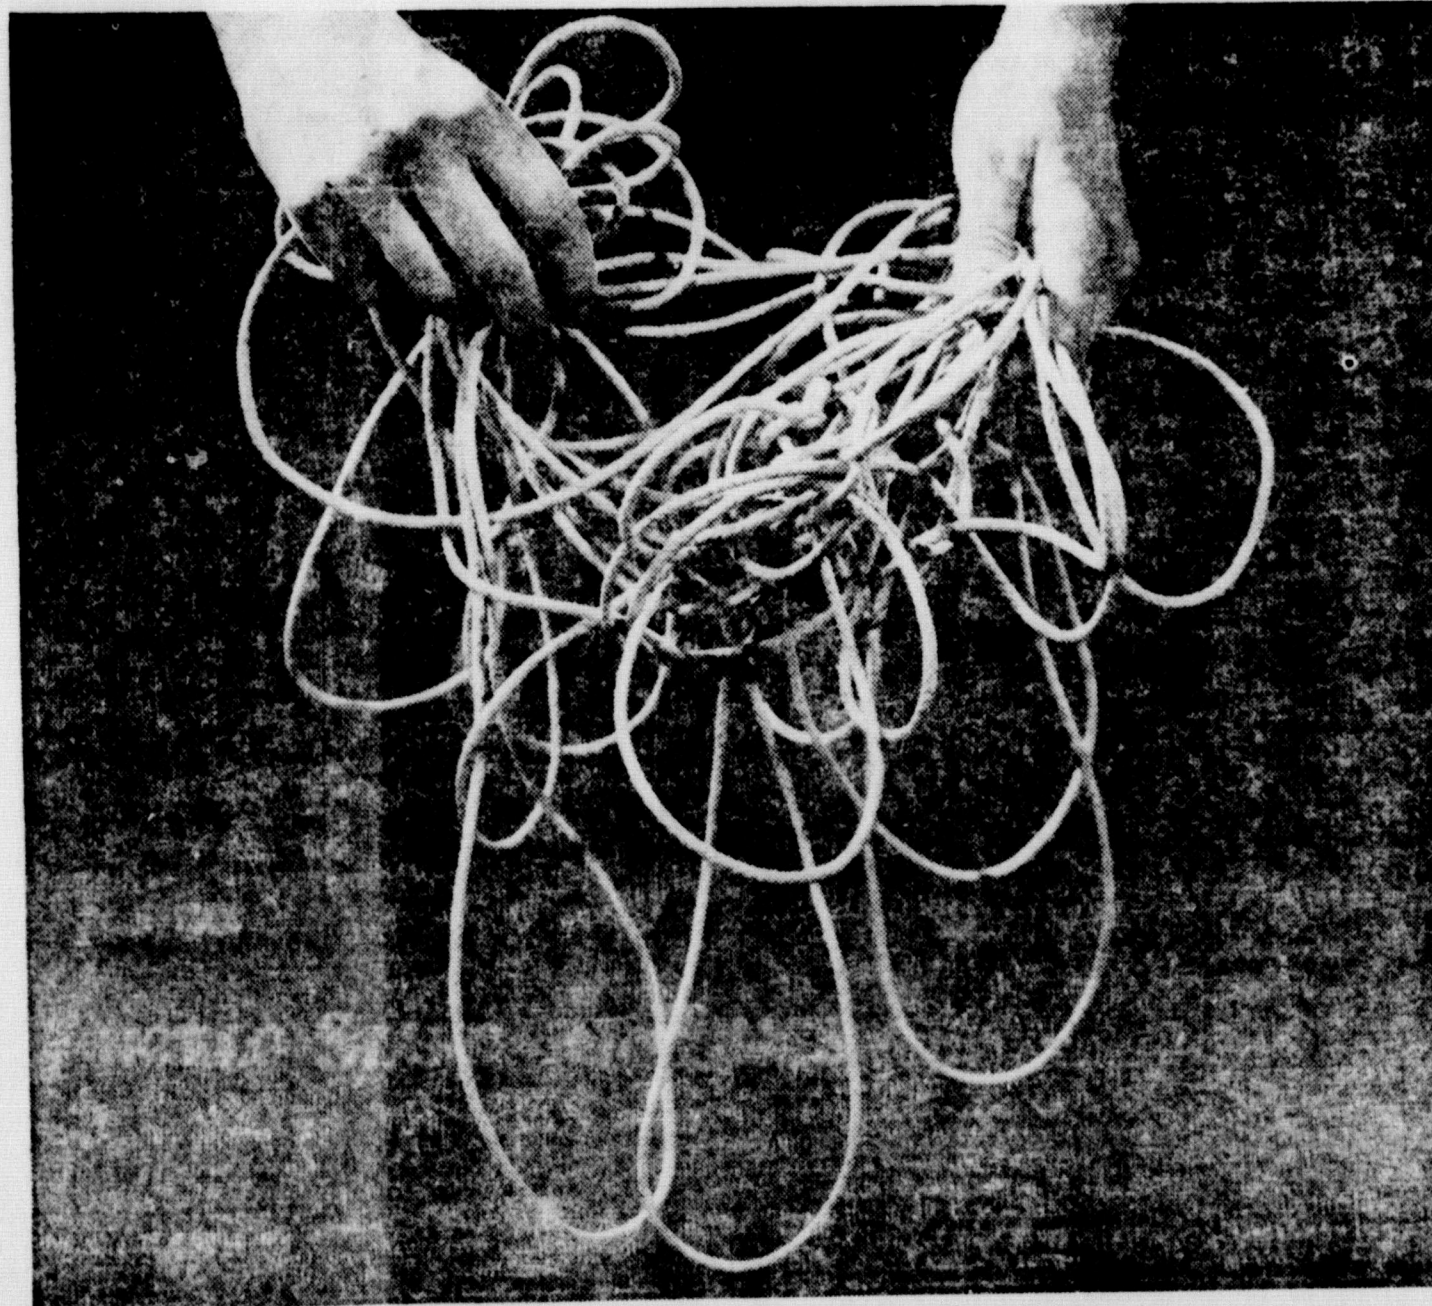

But for others life stretches firm and taut from birth to Eternity. The tangles disappear as men reach across time to hold certain truths by which God would have us live.

Life without tangles . . . life with purpose . . . discover it in Church next Sunday!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Why is Borden's *the* milk for children?

Because it's better than it has to be.

All milk must meet government standards. But Borden's Milk is always fresher and richer than the law requires. Today, 23 different checks for quality maintain Borden's century-old tradition of dairy excellence. Remember this, next time you buy milk for your children. If it's Borden's, it's better than it has to be!

Camille Adams Combines Education with Travel As Student Of Mexico At University Of The Americas

Mexico City. (Special to Ozona Stockman) — Gain- an international view- at, Miss Camille Adams, daughter of Mrs. Clay A- of Ozona, is studying the Americas, located in Mexico, once the seat of the Aztec empire.

The University of the Americas attracts more stu- dents from the United States than does any other school abroad, according to the Institute of Interna- tional Education. While en- joying the benefits of liv- ing in a foreign atmosphere, Miss Adams finds herself a familiar academic world, as all classes are taught in English by a faculty of distinguished American, Latin American, and European scholars.

Credits are transferable and from institutions of higher learning in the United States, since University is a member of the Southern Association of Colleges and Schools.

Rapidly outgrowing its present site where the university has been situated for the past ten years, UA recently acquired a new campus of 91 acres and, within a few years, the school will occupy its third building since being founded only 24 years ago.

Along with students from other countries, Miss Adams is taking advantage of the unique opportunity the University presents for a student who desires a college education and a chance to travel and learn foreign language in the country where it is spoken. Miss Adams is a graduate

of Ozona High School and has previously attended San Angelo College. She is an education major.

The cosmopolitan city of Mexico, a metropolis of five million, is rich in cultural resources with pre-Columbian pyramids, cathedrals of the Hispanic period, and ultra-modern skyscrapers making an exciting blend of the old and the new.

Classroom work is augmented by university-sponsored trips to the archeological ruins of Monte Alban in Oaxaca, the temple of Quetzalcoatl at San Juan Teotihuacan, native craft centers in Patzcuaro, and to the tropical resorts of Cuernavaca and Acapulco.

Annual TS&GRA Convention In Dallas Dec. 9-12

Governor John Connally will be a featured speaker at the 49th Annual Texas Sheep and Goat Raisers' Association convention in Dallas, December 9 to 12. The Governor will address the Annual Membership Banquet, Friday night, December 11.

A wide range of speakers and subjects has been planned for this annual conclave of ranchmen from virtually all parts of Texas. Discussions will range from estate and income taxes to streamlined methods of feeding lambs to get them onto the consumers' dining room table faster and cheaper; from wildlife and predatory animals to the intricacies of

world trade.

General sessions of TS&GRA will be December 11 and 12, ending with election of new officers and directors.

The meetings are open to all sheep and Angora goat producers. Headquarters will be the Sheraton-Dallas Hotel.

Some of the problems currently of most interest to ranchmen, said Vestel Askew of Sonora, president, are: meat and wool imports; the coming expira-

tion of the National Wool Act under which incentive payments are made; estate tax appraisals on speculative values.

Iraan —

(Continued from Page One)

king a kick to send the Braves ahead 8 to 7.

Ozona's next break came only a few plays later when Pete Garza pounced on an Iraan fumble on the Braves 19, and Richard Vargas, hit at the line of scrimmage bounced off and raced into the end zone for the second tally. This time the Lions sent Vargas crashing over untouched for two points and a 15 to 8 lead.

The Lions had another chance cut short by the clock and an official just before the half when the Lions left tackle Rick Hagelstein intercepted a Brave pass on the Brave 26. But time ran out (the official said it did) after the Lions tried two unsuccessful passes, one by tackle Bob Amthor after a faked field goal which very nearly resulted in a score, and another a flare pass which was out of bounds.

The Lions blew another scoring chance in the third quarter after recovering a fumble on the Brave 16 but two penalties, one a 15-

yarder, and one costing a down, left the Lions back on the 30 when the ball went over.

Mid-way of the fourth quarter, the Lions took over on their own 30 after a punt from Iraan and after failing to go on three downs, George Kyle was hit after he punted and the Lions got a first down on the roughing penalty.

With a new lease on life, the Lions crunched out three first downs with punishing runs by Vargas, Cox and Carson providing the keys. However, at the 15 the drive bogged down and, facing fourth and 11, the Lions tried the ill fated swing pass that Iraan saw coming before the play ever got started.

Orville White, playing a very shallow right safety in Iraan's two-back defense, saw the pass developing and started into the path of the ball before the pass was thrown. Arriving just as the ball did, the tall and fleet Brave raced the 85 yards untouched and then with the Lions leading 15 to 14, Smithson faked a pass and raced to his left just edging into the end zone for

the winning points.

The loss was a tough one for the Lions, who, despite having not played one of their better games of the year, still had the game won until the fading moments.

Canyon Gas —

(Continued from Page One)

The No. 1-B Bean, one mile northwest of the nearest production on the southeast side of the field, was finished for a calculated, absolute open flow of 1.6 million cubic feet of gas per day, with gas-liquid ratio of 64,000-1, through perforations between 5,998-6,800 feet. Gravity of the liquid is 62.5 degrees.

Location is 900 feet from the south and 660 feet from the east lines of 33-M-GC&SF.

The No. 3 Montgomery, 1/2 mile south of the nearest production on the southeast side, was finished for a calculated, absolute open flow of 5.5 million cubic feet of gas per day, with gas-liquid ratio of 80,400-1. Gravity of the liquid is 62.4 degrees.

Completion was through perforations between 6,202-778 feet.

Location is 2,620 feet from the south and 660 feet from the west lines of 18-NG-GC&SF.

Pan American Petroleum Corp., No. 3 E. H. Chandler, in 25-OP-GC&SF, location east extension to Canyon oil production in the Ozona, Northwest multipay field, one mile west of Ozona, flowed 450 barrels of oil and 125 barrels of load water in 2 hours.

Flow was through a 22-64-inch choke and perforations between 6,461-6,555 feet.

Testing continued with 1,266 barrels of load water remaining to recover.

Agents Honored For Screwworm Control Effort

County Agricultural agents of Texas have received special recognition for their efforts in connection with the screwworm eradication program. The recognition came during the state conference of the Texas Agricultural Extension Service held on the Texas A & M University campus Oct. 26-30.

Dolph Briscoe, Jr., of Uvalde, president of the Southwest Animal Health Research Foundation, presented a plaque to the agents for their assistance in organizing the project nearly three years ago, and for supporting its activities within their counties. V. G. Young, state agricultural agent, accepted the plaque in behalf of the more than 380 county and assistant agents

whose activities he supervises.

Pete Jacoby, Crockett agricultural agent, was present for the ceremony.

Briscoe said, "Never before in the history of the livestock industry have the producers of this state been so indebted to such a small group for making this successful program possible."

He pointed out that county agents served in important advisory capacities to the county committees that collected more than \$3 million from livestock producers to get the project started.

FRIDAY BRIDGE CLUB

Members of the Friday Bridge Club motored to Harper last Friday where they were entertained by Mr. and Mrs. Eldred Roach at their ranch home near Harper. A steak dinner was served at noon. High score for the club

was won by Mrs. V. I. P... guests high by Mrs. P... low by Mrs. Joe Pierce, Bailey Post, Mrs. Mel... Bunger, Mrs. Lloyd Sher... and Mrs. Tom Harris.

Others attending were Mrs. O. D. West, Mrs. W. T. Bradbury, Mrs. Joe Davi... son, Mrs. J. W. Hender... and Mrs. J. M. Baggett.

Give a good Caravelle:
from only \$10.95

BRIFF—Distinctive styling plus rugged water-proof, shock-resistant construction. Precision-jeweled movement. \$12.95
PRINCESS—Classic design plus the stamina of shock-resistant construction. Precision jeweled movement. \$12.95
CALENDAR—Styled for the performance that every man wants. Tells time and date at a glance. Waterproof, precision jeweled movement. \$14.95
MARCELLA—Beauty and durability at a price you can afford. 17 jewels, shock-resistant. \$18.95

A Caravelle keeps going while a youngster does the Twist. Or Frug. Or Mashed Potato. Or Watusi. At this price, most watches spend more time in for repairs than on a wrist. Not these. All have jeweled-lever movements. Every one is shock-resistant. Anti-magnetic. With an unbreakable mainspring. While you're gift shopping, get one for yourself. We also have lots of styles for lively adults.
