Full Slate Of 16 Teams Line Up For Opening Of 34th Annual Cage Tourney

A full slate of 16 teams will be on hand for the first time in several years when the 34th annual Ozona Invitational Basketball Tournament gets under way at the Ozona High School Gym, Thursday, Jan. 21.

The first game set for 10 p. m. next Thursday will be the towering Eldorado team taking on the Big Lake team with the ACHS vs. Eldorado game following at 11:30.

Afternoon games the next day will find new entrants, facing tough opposition at 1:00 p. m., Mert and Junction meeting at 2:30 and Miles meeting at 4 p. m.

The first night's slate is attractive one with Sonora and Norton meeting at 7:30, and Ozona makes their first appearance, meeting Sanderson at 9 p. m.

Friday's play will find the schools taking a holiday as has been the custom in the past, with most of the High School students and many of the sys-

tem's teachers and principals involved in some phase of the activity.

Miss Mildred North will once again head a group of high school girls, under the direction of the cheerleaders, who will be in charge of securing housing, and getting the boys to housing as the teams arrive the first two days.

The tournament is expected to draw about 200 players and coaches to Ozona with perhaps several times that number of parents, friends and fellow students following their team.

Coach Brooks Dozier, who is tourney director, will once again be in charge of the over all operation with this year's tournament promising to be a good one in terms of close play.

Big Lake will be returning to defend the title captured last year but Sonora, Miles, Eldorado, Alpine, and Menard, in addition to a couple of others, who will emerge during the tournament, will probably have a good bit to say about who wins this year's title.

10th Annual FFA Livestock Show Slated Saturday

Saturday is the big day at the Junior Livestock Show Barn when the Ozona FFA chapter boys stage their tenth annual Ozona FFA Commercial Show and grading of livestock, benefit barbecue and invitational livestock judging contest.

M. A. Barber, vocational ag teacher, will be in charge of the day's activities beginning at 8:15 a. m. with the showing of best fitted lambs, followed by the grading and showing of fat lambs, Angora kids, fine-wool ewes and fat calves, and the selection of champions.

Glen Hill, vocational ag teacher from Eldorado High School, will grade the 124 fat lambs to be shown into market grades, will judge the 17 fine-wool ewe lambs, will grade the 4 fat calves showing and will pick champions.

Spud Tatam, vocational ag teacher from Rocksprings High School, will judge the four classes of Angora kid goats and select champions in each class. About 130 kid goats are scheduled for showing.

The day's schedule will open at 8:15 with the showing and grading of lambs. At 10:15 the showing of (Continued on Last Page)

Corps Of Workers Undertake Census Count In Ozona

Workers have been covering all of Ozona today in an attempt to complete a community-wide census. Between 40 and 60 individuals will be making house-to-house contacts to fill out census blanks with basic information on each household in Ozona.

Those missed today will be contacted Saturday and Sunday of this week. All information will be turned in to the Chamber of Commerce office where it will be on file.

Another follow-up is planned in about three weeks in order to get any houses missed.

Three Ozona 4-H Contestants Place In Odessa Show

Three local 4-H members placed in the strong San Hills Hereford and Quarter Horse Show in Odessa last week with their livestock. Diltzie Bland made the best showing when she won the barrel racing contest in the youth division of the Quarter Horse Show. Diltzie also placed third in reining contest and fifth in the western pleasure class.

Rex Bland showed his two-year-old filly to fourth place in the halter class and placed second in western pleasure.

David Jacoby placed seventeenth with one of his fine-wool fat lambs in the medium-weight class.

Action Of Commissioners Raising Own Salaries Found To Be Illegal

Lions Club To Fete All-Dist. Grid Team Sat.

The annual Ozona Lions Club all-district football banquet will be held Saturday night at 7:30 p. m. at the high school cafeteria with veteran T. C. U. coach and former football star, Allie White, the speaker.

This year's banquet, which honors the Ozona football squad and members of all other district teams who were named to the honor squad, promises to be the largest in the banquet's history, since this year district 8A has nine members.

This year's all-district team will take on a little more luster than in the past also because of the fine showing in the state race made by district champion, Big Lake, who lost out in the semi-final round in something of a fluke loss to the eventual state champion.

The featured speaker was an outstanding end for T. C. U. during the Sammy Baugh David O'Brien era and has been on the TCU staff as a chief recruiter, scout, and end coach for many years. Coach White is noted for his wit and credited with being one of the better speakers from the conference schools, with a rich background in both experience and knowledge of Southwest Conference athletics.

Ozona Lion Club President Bill Watson will be master of ceremonies and Ozona School Superintendent L. B. T. Sikes will introduce visiting school officials and coaches.

The annual presentation of the Edger Glascock sportsmanship award will be made to the school chosen by a vote of the district members as having demonstrated the best sportsmanship and the members of the all-district squad will be recognized and the schools from which they came given a certificate denoting their selection to the all-district team.

After Crockett County Commissioners, at the January Court meeting Monday, had voted 3 to 1 for raising their own salaries by \$1,200 a year, from \$3,625 to \$4,825, a study by County Judge Brock Jones revealed that the court had failed to comply with statutory requirements governing salary raises for County Commissioners and the action is illegal, necessitating remedial action at a subsequent session.

Salary hikes to members of the county road crews, deputies in the sheriff's office and the clerk's office and various other county employees, made in the same action, will stand as legal, only the issue of the salary hike for Commissioners being in doubt.

State law requires county Commissioners Courts to set salaries of county officials and employees at January meeting. The law specifies that in order for the Commissioners to raise their own salaries, they must at the same time raise at least one other county official's pay by the same percentage total.

Although he had not asked for the raise, the Commissioners chose Justice of the Peace A. O. Fields for the percentage raise in order to make their own salary hike legal. But Judge Jones found that the Justice of the Peace is not one of the officials named in the statute and therefore could not be used as the legalizing officer to receive a pay hike.

Although voting for all salary raises for the list of county employees, Commissioners C. O. (Lefty) Walker of Precinct 1, was recorded as voting against the motion made by Commissioner Rusty Smith and seconded by Commissioner Rex Halydier, to raise the Commissioners' salaries. The other commissioner, Glenn Sutton, voted for the raise. The county judge does not vote except in case of a tie.

Judge Jones said that he had called a meeting of the court sometime today to discuss a course of action designed to comply with statutory requirements. The proposed salary hikes would not become effective until the court votes finally on the scale at its February meeting and if the Commissioners choose to pick another qualified county official to receive a percentage hike in salary the same as their own the action can be amended and can be made effective at the next regular meeting.

The salaries of all other county officials are at the maximum of \$6,750 per year with the exception of the county attorney and the county treasurer. At the maximum now are salaries of county judge, county and district clerk, county auditor and sheriff.

County road department employees, with the exception of County Engineer D. C. Ratliff, received blanket raises of \$10 per month in the court's action.

Deputies in the sheriff's department and the clerk's office received raises of from \$300 to \$600 a year. Deputy Von Parker received a \$300 raise, making his new salary \$5,625 a year. Office Deputies, Mrs. Eddie Arnold, Mrs. Dan McBroom and Mrs. Gertrude Perry, received \$600 a year raises. Mrs. Arnold's from \$3,300 to \$3,900, Mrs. McBroom's from \$3,000 to \$3,600 and Mrs. Perry's from \$4,800 to \$5,400 a year. Mrs. Ann Porter, deputy county and district clerk, received a \$300 raise. (Continued on Last Page)

Walker Resigns As C-C Manager; To Haskell Post

Luther Walker, manager of the Ozona Chamber of Commerce since May, 1963, two months after its organization, announced his resignation at a meeting of the board of directors Tuesday morning.

Walker has accepted a position as manager of the Chamber of Commerce at Haskell, Texas, in north central Texas, and will leave the end of this week to take up his new duties.

Mrs. James Baggett of Ozona became the first paid manager of a Chamber of Commerce in Ozona when she took over as temporary manager while the newly formed Chamber sought a professional manager.

Walker was employed with the Board of City Development in San Angelo when he accepted the Ozona position. A native of Weinert, Texas, he was assistant principal of an elementary school in Sonora and was with the Sonora Caverns organization prior to going to the San Angelo position.

Mrs. Monroe Allen, secretary in the Chamber office here, will continue in that post and will be acting manager until Walker's replacement is found. Troy Williams, president of the organization, announced. The C of C will begin receiving applications for the position at once, Williams said.

Mrs. Friend Heads Crockett Co. Historical Society; Establish Historical Library Memorial

Crockett County Historical Society held its annual meeting on Monday evening, January 11 in the courthouse with 24 members present. Joe Couch, president, presided.

A report from the executive committee was read and approved by the group. Recommendations adopted were that an historical library collection be established in the museum in memory of Miss Wanda Watson and to be called the Wanda Watson Collection. Applications having to do with the history of Crockett County will be solicited, as well as personal documents which have to do with this subject. All contributions will be most welcome. These items will remain in the museum at all times and will be used in research study only in the museum. Miss Watson was secretary-treasurer of the organization from the time it was organized in 1939 until her recent death.

For further action the Society bestowed an honorary membership on W. R. Baggett, who had been a life-long supporter of all activities of historical significance in Crockett County.

Mr. Couch announced that two volumes had recently been donated to the museum: "Sam Houston's Texas" by Sue Flanagan, and "One League to the Wind," a compilation of the Texas Surveyor's Association and given by them in memory of W. P. Conkerton Crockett county reporter.

Mrs. R. A. Harrell, museum committee chairman, expressed appreciation for cooperation of so many people had made unusual work of the Museum possible. Especially were the county judge and the Commissioners thanked for providing space for the project and help on the salary of attendant.

Memorial Park Taking Shape As Attractive Area

The county Memorial Park, recently created under a lease agreement with the Fair Association on the site of the former fair grounds, is rapidly shaping up into an outstanding beauty spot and when plans of the park board and the Commissioners Court are completed, it will be an attractive spot for community and family outings.

One hundred non-bearing mulberry trees, planted last year in the park all survived and all made good growth during the year. Bermuda grass, planted in lawn areas also made good growth as did the artistic plantings made by the Ozona Garden Club at the park entrance.

The county crews are nearing completion of the installation of a low pipe fence on each side of the circular drive through the park, to keep cars off the grass and trees. Around the drive at intervals the county has offset parking areas in which cars can be parked within the driveway without impeding traffic.

The park board is presently in need of further funds to install barbecue pits and picnic tables for public use. Plans also call for the ultimate building of toilet facilities in the area.

The Commissioners Court meeting this week, appropriated an additional \$500 for park improvements.

Two New Members To Hospital Board

Mrs. Barbara Burnett and C. O. Spencer were named by the Commissioners Court to membership on the Crockett County Hospital Board, replacing A. O. Fields and Ivy Mayfield, who resigned.

Hold-over members of the board are Jack Baggett, Ted Lewis, Mrs. J. B. Miller and Mrs. Evart White.

Lions To Open Cage Season In Big Lake Friday

The Ozona Lions will finally open their 1965 district basketball season Friday night at 8 p. m. in Big Lake after a mix up in signals revealed that no game with Sanderson was scheduled for Monday afternoon.

The Lions dropped a game to the Owls last Friday afternoon in the Big Lake tourney losing 47 to 57.

The Owls jumped into a big lead in the first half but the Lions came back strong after the intermission and at one point cut the lead to 6 points before dropping behind by 10 at the final buzzer.

The Big Lake varsity game will be preceded by a B game slated to start at 6:30.

The Sanderson mix-up came as the result of some crossed signals and it was not discovered until Monday morning that no game was set for Monday after (Continued on Last Page)

Barbara Kirby Is Award Winner In State Wool Show

Miss Barbara Kirby, daughter of Mr. and Mrs. L. D. Kirby of Ozona, won one of the top seven awards made to contestants in the Junior division of the Make It Yourself With Wool state contest held at San Marcos last week-end.

Barbara won the award for "the outfit best suited to the occasion for which she will wear it." She modeled a coat of antique gold wool. The coat had kimono sleeves that were bracelet length. It opened down the front with five buttons. The neckline has a fitted band. The side panels, and is lined with millum of harmonizing tone.

With her award winning coat, Barbara wore a gold felt hat, brown gloves and brown heels. She wore a brown wool dress under the coat for modeling.

The awards were presented at the style show Saturday night in the student center at Southwest Texas State College.

Committee Picks Slate of Nominees For CofC Directors

A nominating committee has been appointed to work up a slate of possible new Chamber of Commerce directors. The committee will be made up of the four directors whose terms expire. They are: Woody Mason, Oscar Kost, Gene Lilly, and Buster Miller. Terms of the new directors will begin on March 1, and last for three years.

They will be presented to the membership, along with new officers at the annual Chamber of Commerce banquet in March. Hold-over directors are: Troy Williams, John Held, Bill Watson, Jack Baggett, Dick Henderson, John Childress, Lowell Littleton and Joe Williams.

29 Voters Choose 3 To Water Board

Twenty-nine voters marked ballots Tuesday to re-elect three directors of the Crockett County Water Control and Improvement District whose terms expire this year.

The 29 voters were unanimous in casting ballots for Sherman Taylor, board president, W. E. Friend, Jr., secretary, and Gene Williams, director.

Hold-over members of the board are Lowell Littleton, vice president, and James Baggett, director.

"HARMONY BETWEEN MAN & SOCIETY"

The United States in the years to come, and starting right away, is to far outdo that Biblical reference to a land of milk and honey according to the 3,900 word State of the Union message delivered by President Johnson at a 9 p. m. joint overtime session of the 89th Congress on its first day in business.

And the inference was plain that if you don't happen to like milk and honey that's what you're going to get anyway. The broad objective of the "Great Society" (a strictly Federal institution), will be to "improve the quality of life for all." It will teach us "how to use our wealth as well as how to create it." It will, among other things, take over education, eradicate disease, improve our cities, beautify America (including its highways), end air and water pollution, support art, outlaw state right-to-work laws, provide hospitalization to the elderly under social security, campaign against waste and inefficiency.

Earlier in his address, the President drew the first applause in saying that we would "help men defend

their freedom," but would "put American interests first." He would, he said, follow the example of Andrew Jackson and: "Ask nothing that is not right. Submit to nothing that is wrong."

There seemed little question as to who would be the arbiter of right and wrong.

INDEFENSIBLE COMPULSION

An announced goal of major labor unions is repeal of the section of the Taft-Hartley act which permits states, if they so wish, to pass right-to-work laws forbidding workers from being forced to join a union in order to keep a job. Some 20 states have done so.

This has brought an important observation by David Lawrence. In a recent column, he points out that the Supreme Court has upheld the principal of "freedom of association." But, there is an exception, . . . when it comes to labor unions, the court has ruled that agreements between the employer and the union are voluntary. This isn't realistic, but it has enough legal support to permit the system of compulsory unionization to flourish. The result, Mr. Lawrence

Girl Cagers Drop Two In Row At LV Invitational Meet

By Ernie Boyd

The Ozona High School girls basketball team dropped two games in the annual Lakeview Invitational tourney last week, with inaccuracy from the free throw line being a major factor in the two set-backs.

The Ozona team hardly got into the contest with the Brady crew, dropping the game 39 to 17, and even though missing free throws did not cost them the game, they hit only 5 of 17, missing a number of other chances on bonus shots that would have helped the looks of their own score.

Lana Kay Alford hit for 7 points and Mary Payne 6 as the Brady defense pretty well dominated the Ozona attack.

In the Lionesses second game, a near upset occurred when the Ballinger team edged Ozona 33 to 31. Ballinger went on to oust El Dorado, making the showing a good one for Ozona.

Miserable foul shooting cost Ozona the contest, as they hit only 11 of 33 efforts, missing many more opportunities where they would have had an extra shot for hitting the first one.

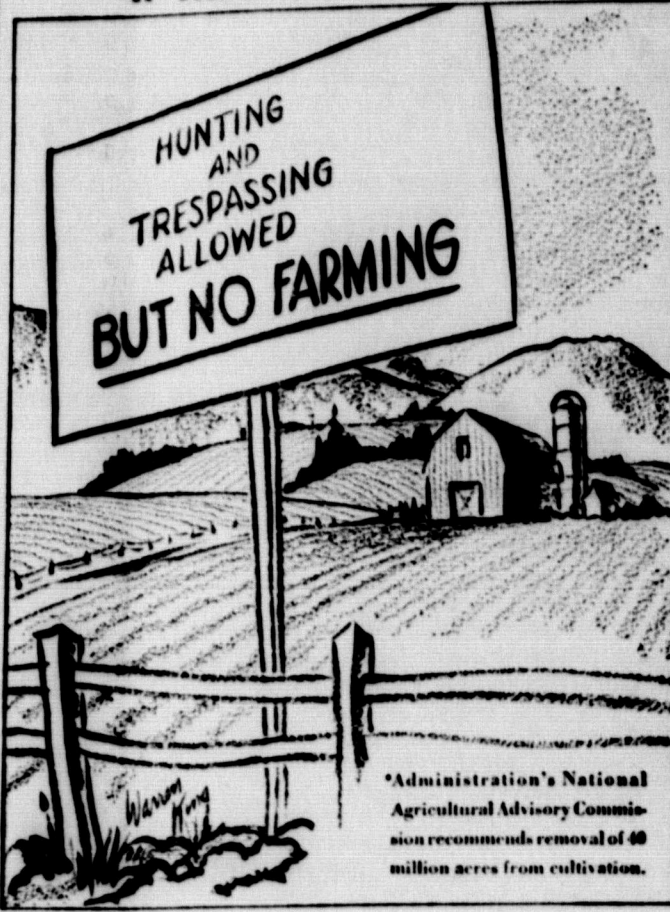

Lana Kay Alford was the game's leading scorer with 19, despite being cold as an iceberg from the free throw line.

The Ozona team will be idle this week, opening their district race against Rankin here next Tuesday night.

goes on, is that "Freedom of association" goes by the boards, as does freedom of thought and freedom of belief, whenever economic force or governmental power is used to compel a man to join an organization against his will or forfeit his job."

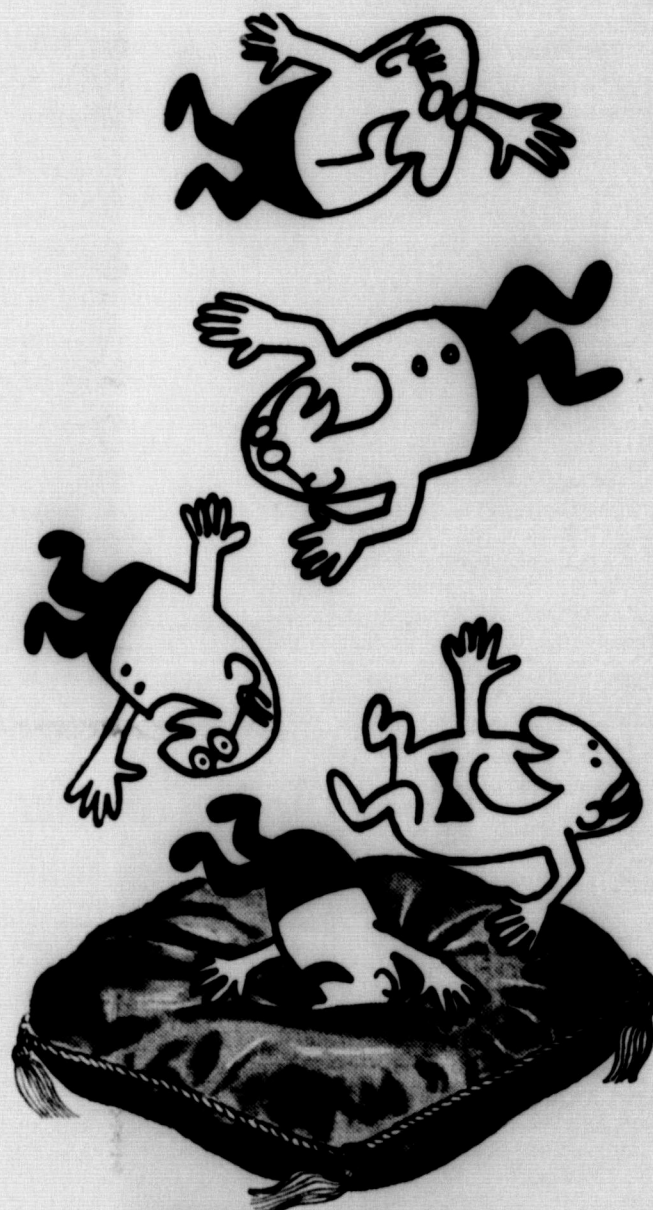

Long ago, the "yellow dog" contracts under which workers who joined unions were fired by employers, were outlawed and rightfully so. Unionism by coercion and compulsion is equally indefensible.

FIDELIS CLASS MEETING

The Fidelis Class of the First Baptist Church met in the regular business meeting Tuesday in the Fellowship Hall of the Church.

The meeting was called to order by the class president, Mrs. Edna Mayfield, led the opening prayer.

Mrs. Minta Rae Carnes, the teacher, brought the devotional.

The class voted to have its regular meeting in the Fellowship Hall the first Tuesday of each month.

Treasurer's report was given by Mrs. Clyde Bawcom. She reported the class had sent our class missionary, Miss Lola Mae Daniel, a Christmas gift of more than \$27.00.

A note of thanks was read from McKnight Hospital for the Christmas gift sent to them.

Refreshments were served to nine members. — Class reporter Cora Anderson.

Urge Early Safety Auto Inspections

Austin — Col. Earl Garrison, director of the Department of Public Safety today encouraged Texas motorists to "start the new year with a safe vehicle" securing the 1965 vehicle inspection sticker without further delay.

The Public Safety Director said that approximately one-half of the inspection period has expired and about one-fourth of the vehicles in the state have been inspected. He added that unless the inspection process stepped up, motorists must expect to find the usual waiting lines at the inspection stations when the April 15 deadline approaches.

Mr. and Mrs. James Alexander and children are moving this week to Sora. Mr. Alexander is with the State Highway Department.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Today many Towns are "waking up" to Community Development

Everywhere you go these days you see towns engaged in or planning "community development." These activities range from simple clean-up programs to business modernization, new schools, hospitals, public buildings and recreational facilities as well as commercial and industrial promotion . . . making the towns better places to live, work and play. In 1965 we will run a series of ads which will picture and describe examples of community development now taking place in our service area. This is part of our area development program in which we are dedicating our efforts to assist the towns we serve to grow and progress. Growth-conscious towns are invited to contact their local WTU manager for the services of our area development representatives.

GATHER YOUR RECORDS

Financial records are important in preparing your Federal income tax return, Director of Internal Revenue Ellis Campbell, Jr., for the Dallas District said today.

The filing season began January 1 — now is the time to get these records together. Mr. Campbell said that canceled checks, receipts, records of contributions, and other papers would all be helpful.

Taxpayers who keep good financial records during the year will find it easier to prepare their Federal income tax returns, Mr. Campbell explained. Complete records are especially important to taxpayers who itemize deductions.

Copies of prior years' returns are good guides in preparing the new return, Mr. Campbell reminded.

Sure. You might find another car as new as the Delta 88.

But not this year.

This is Oldsmobile's Delta 88. It's unique. Unique because it's new. New clear through. Styling is new. So new, not a line nor a highlight was borrowed from last year. Power plant is new. Super Rocket V-8 is the biggest in Olds history: 425-cubic-inches big, up to 370-horses strong. Transmission is new, too. Turbo Hydra-Matic, available on any Delta 88, provides up to 40% more torque from a standing start, superlative performance at all speeds. New styling. New engine. New transmission. This year, only Delta 88 lets you have all three, all new. Other cars have a lot of catching up to do.

January is the Last Month to Pay Your . . .

POLL TAX

Since Texas has not repealed its poll tax law, you will need a valid poll tax receipt this year to vote in any election — school trustee elections, bond elections or any special election which might be called. January 31 is the last day for paying a poll tax to qualify for a vote.

Since there will be no national election this year, the voter registration will be meaningless. But we are equipped and will issue registration certificates to those who demand them.

The over-60 exemption applies to persons who were 60 years old on January 1, 1964. No exemption certificate is required for over-age voters in this county. Those who have reached or will reach their 21st birthday this year may secure exemptions any time up to 30 days before an election. Exemptions are required for those reaching voting age in the year.

Remember, the deadline for paying poll tax is January 31, 1965.

EDITORIAL

By Carey Pitts

"Do unto others as you would have them do unto you."

This may well pertain to the people of Ozona in the coming week when visitors from neighboring communities come to Ozona for the Ozona Basketball Tournament. Many of these visitors will be from towns that have competed against Ozona in the past and with which various school rivalries exist.

In the ensuing week each of us will come into contact with these visitors and at these times the hospitality and good sportsmanship that Ozonans have always been known for should be observed.

In this next week when acting as hosts we should each do our best to make visitors feel welcome and at home as we have done in the past.

TESTS FORCE STUDENTS TO STUDY

By Cathy Miller

'Twas the night before finals
 And all through the

school
 Not a student was studying
 Not even the fools!

The parents were nestled
 All snug in their beds
 While visions of Shakespeare

To the kids were dead!
 The teenagers were locked
 In their rooms

With their books
 And knew if they left
 Their goose would be cooked!

Poetry this may not be
 But the truth, it most certainly is.
 Teenagers today make a big attempt at studying, but usually get nowhere fast!

A typical teenager will very politely inform the family that he does not wish to be bothered as he has to study for semester tests. He goes into his room, arms loaded down with books, and locks his door. He may even hang a "do not disturb" sign on his door. What goes on behind this door is the big mystery!

If one listens closely enough he might hear the radio going and the record player and the portable television. If the studious is a girl, she's probably sitting under a hair dryer which means the radio, record player, and TV must be turned up so they can be enjoyed.

As teenagers are notoriously famous for their ravenous appetites, one would not expect a student to study without an adequate supply of food to keep him going through all that hard work! He'll probably in one study session go through a carton of cokes, a package or two of cookies, around five sandwiches, a couple of

boxes of fritos, and maybe a whole cake or pie. That is if he's not hungry!

Parents who wonder why

"Juniors" grades aren't always up to par, might look behind that door once or twice during semester tests and find out!

FOR TEACHERS: A TYPICAL DAY?

By S. Martinez

Perhaps some of us students think that the teachers have it easy. "Sure, what do they do, except write up and grade test papers?" On the contrary, here are some rough schedule of some of our teachers.

Daily schedules:
 Mr. Cleere: Plan and memorize daily lectures for civics and American History. The tough decision for the next day: what sports jacket to wear with my red vest.

Ms. Moody: Spend day thinking of the hardest questions under the English Literature Sun! none of these wishy-washy tests for my students.

Ms. Leath on guard! Encounter Hughie C. while driving the bus. Immediately experience frightful feeling shown through blurry red eye balls. Try to control tongue to get victory.

Everything's fine until 6th period speech, when I confront Hughie again. This time Hughie sits in front of me and I must refer to my Teacher's Codes every second to keep from displaying temper tantrums.

Mr. Pelto: Plan what bird calls to whistle next. Have a bright and cheerful morning. Feel my 7 hour patience being worn out by my secretaries, take a short nap (while supposedly in conference) and relax in the teacher's lounge.

Mr. Brentz: Think up names for my unknown chemicals. Plan for a peaceful day in the laboratory making coffee. Be alert for blast.

OHS BAND TO PRESENT CONCERT AT PTA MON.

The Ozona High School Band will entertain the P. T. A. next Monday night, January 18th at 7:30 p. m.

Mr. Sanders, the OHS band director, has decided to have the band play several numbers, some of which will be Tonight, Exodus, Apache and Brighton Beach.

SEMESTER EXAMS TO BE CONDUCTED THURS.

Semester exams, which started Wednesday afternoon, will be completed tomorrow. Students now have approximately four and a half months of school. Although the holidays observed during the last few months of school will be far and few between, the students will observe a holiday next Friday, January 22, for the tournament. The other holidays will be on March 12 for the teacher's conference and on April 15-19 for Easter.

SENIORS PLAN CONCESSION STAND AT OHS TOURNAMENT

The 1965 seniors of OHS will operate the concession stand for the 34th annual Basketball Tournament, January 21, 22, 23.

The tournament will be the senior's largest project and will require more food than any other time of the year.

The seniors do appreciate all donations of sweets for the tournament and urge all citizens to come out and back the Lions and eat with the seniors.

The seniors would like to thank all mothers who have furnished sweets and sandwiches this year.

MOST BEAUTIFUL & MOST HANDSOME ARE CHOSEN

Candidates for most beautiful and most handsome have been selected by OHS students.

Five girls and five boys were chosen. The girls are Carmen Childress, Lynn Cox, Vicki Lynn Montgomery, Karen Russell, and Mary Jane Dunlap. The boys are David Childress, Joel Huff, Rick Hagelstein, Gary Pagan, and Moe Barbee.

A picture of each contestant will be sent to the annual staff of the University of Texas and "they" will select the winners, and the runners up.

FFA TO HOLD 10TH ANNUAL SHOW

The Ozona FFA will present its tenth annual commercial show, benefit barbecue and invitational livestock judging contest on Saturday, January 16 at the Junior livestock show barn. Sponsor and general superintendent of the annual show will be M. A. Barber, vocational agriculture teacher in Ozona High School.

PICTURES "RETAKE" SCHEDULE FOR MONDAY

Pictures retakes will be made Monday, January 18 by Province Studios in the High School Auditorium. Students who wish to have their pictures retaken are urged to look their best.

WHAT DO YOU LIKE BEST ABOUT THE TOURNAMENT

By Diane Couch

Brenda B — a free holiday holiday and a double chance to back the Lions to victory!

David C. — a chance to show our greatness through

our school spirit.
 Vicki A — the excitement of seeing so many people!

Bobby A — I get an extra day to sleep late and see all the girls from out of town!

Mary Jane D. — a chance for the Lions to win the tournament.

George Cox — I get to watch the B team win the tournament.

Jill G — money, lots and lots of money for the Senior trip!

Hugh C — working in the concession stand for Mr. Leath!

Moe B — to watch the Lions go all the way!

Rick H. — I get to provide a great enthusiasm and warmth from the bench!

Carmen C — getting to back the Lions on our way to victory!

Carey Pitts — it gives us something to do!

Linda L — Boys, boys, & boys!

Gary Pagan — it broadens our knowledge of basketball.

Lynda M — getting to see our boys win first place instead of Big Lake!

Mike W — talk into the tape recorder!

Janis W — one day away from the salt mines and a party every night!

Marcia H. — more money for the Seniors!

Cathy M — three guesses and the first two are boys!

Ruthella N — lots of new people to meet! Girls????

Betty H — eat all the food I can at the concession stand and watch for cute boys!

Margene R — a certain person will be home!

HOUSING NEEDED FOR BASKETBALL TOURNAMENT

Miss North, with the aid of several OHS students, is

making plans for the Basketball Tournament. Residents will be contacted sometime this week for housing accommodations. Rooms for about 100 nights are needed.

The towns that are entered in the tournament this year are: San Antonio, Miles, Ozona, Abilene, Christian College, Chavil, Wall, Big Lake, Abilene, Menard, Merzon, Junction, Sanderson, Eldorado, Lake B, and Ozona.

LIONS CLUB FOOTBALL BANQUET TO BE HELD SATURDAY

The Ozona Lions Club is sponsoring an all district football banquet Saturday at 7:30 p. m. in school cafeteria. All of the Ozona football team, honorable mentions, all district members and men of the town are invited.

Of course, there are the

PLANS ARE MADE FOR SPRING SPORTS

Many plans are being made for various sports activities. As a new semester begins, many think of track, volleyball, golf and tennis. Plans for volleyball to start Monday have been made and many of the girls already dread the sore muscles. Track will officially begin Monday also. Some of the boys have already jumped the gun and have been lifting weights and going a little running! They are preparing for a track meet ear-

ly in February at Fort Stockton.

Golf and tennis will both start sometime after the basketball season is completed.

With the basketball tour-
nament starting next week,
the boys have been practic-
ing to get out the rough ed-
ges they have had this sea-
son. The Lions begin tour-
nament play with Sanderson.
The game will also be counted
as the district game, which was
called off because of the bad
weather before Christmas.

CHILDREN KNOW

Nancy's lonely. Nobody bothers with her much these days. Mommy's always sad and upset. And when Daddy's home, the quarreling and shouting make Nancy so frightened that she hides. She couldn't put it into words, but she knows that her safe little world has fallen to pieces.

The number of broken homes grows every year. Mutual affection and mutual interests are good reasons for marriage, but they are not enough. Our ancestors used to hang the framed words "God Bless Our Home" over the mantel because they knew that He must be a member of every closely knit family circle.

No matter how difficult a marital problem may seem, it can be solved with God's help.

Church membership and regular church attendance do much to strengthen and enrich family ties. Bring your family this Sunday. Every member, from the oldest to the youngest, will be welcome.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HIGHLIGHTS
AND
SIDELIGHTS

From Your State Capitol

Austin, Texas — Surprises come fast and furious on the political scene in Austin.

First surprise of the new year was the resignation of veteran Railroad Commissioner Ernest O. Thompson.

Then came an even greater one.

Just as the Legislature was about to open and everything was in readiness under the old management... presently confronted with problems both old and new... Gov. John Connally named House Speaker Byron Tunnell to fill Thompson's old post.

Thompson, once the battling major of Amarillo and for more than 30 years a scrapper on the Railroad Commission, had been ill for many months. He had two years yet to serve.

Tunnell is an East Texan. He's the first person from the East Texas oil area to serve on the Railroad Commission in 23 years. He was just beginning his third term as legislator from the Tyler-Kilgore region and expected to preside for a second term as House Speaker.

Long Session — Most observers feel the 59th session may run through the summer. Certainly it will dominate the 1965 Texas political scene.

These results seem likely: Lawmakers will spend a record amount of money, much of it to uplift higher education. Budget proposals of both Governor Connally and the Legislature Budget Board awaited Senators and Representatives at their capitol desks.

School teachers will get the \$45 a month pay raise they are asking. But they will have to figure out who is going to foot the bill. A few more exemptions are going to be removed from the state sales tax. Just enough to balance the budget, but not enough to hurt much.

Commission on Higher Education will be reorganized along lines recommended by Governor Connally. But the successor agency may not get all the power Connally would like to have.

Stormy hearings will be held over legalizing horse race betting and sale of liquor by the drink. Both proposals may move farther than they ever have before. Maybe all the way.

A congressional reapportionment bill eventually will be adopted. However,

POINTED REPUDIATION

it's difficult to see any agreement on legislative redistricting.

Gary Being Activated — Texas Educational Foundation selected Dr. Oscar J. Baker, superintendent of school at Dickinson, as director of new Camp Gary Training Center near San Marcos.

First group of 37 teachers will arrive at the war-on-poverty training base by February 1. Then the first 300 students are due in March.

Base eventually will enroll 2,000 trainees in 45 vocational programs and basic education.

Highway Record — Before the end of 1965, Texas will have 1,634 miles of super roads. Total interstate highway system designated for Texas is 3,025 miles.

California, heretofore the leader, has a designated interstate system of 2,173 miles. Interstate construction in Texas costs \$610,000 a mile, compared with about \$1,000,000 nationwide.

Compliance Pledged — State Board of Education voted 13-5 to comply with the 1964 Civil Rights law, a necessary ingredient for acceptance of some \$37,000,000 in Federal funds for public school operation.

But the Texas Commission on Higher Education,

which will administer the new Federal college construction grant program, says it has not been requested to sign any such agreement.

Short Snorts

Sen. Murray Watson of Mart has requested the U. S. Office of Economic Opportunity to consider location of a job corps training camp at Connally Air Force Base near Waco after it is closed in 1966.

Draft quota for January is 229 men, compared with 280 for December.

State Treasury reports the general revenue fund balance is up \$25,100,000 from October.

Accurate and Complete

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

APARTMENTS
FURNISHED OR UNFURNISHED

We are contemplating building a new apartment building here in Ozona. We have already obtained the site. It will be near The Village Shopping Center, and should be finished before spring.

These apartments will be furnished, unless the tenant wishes to use his own furniture and contacts us before we buy furnishings. Any one who will sign a one-year lease may select their own color scheme (paint, carpets, cabinet, dressing table tops, etc.)

These will be modern apartments in every sense.

The grounds will be landscaped and kept by owner.

Anyone interested in something nice, new and modern may contact W. H. Whitaker at South Texas Lumber Co., or call 392-2545 or 392-3141. We would like to know your needs as to number of bedrooms, etc.

**New Successes For
Screwworm Program
Anticipated In '65**

Commissioners of the Texas Department of Agriculture are looking forward to another successful year for the program, although many stockmen feel last year's results gave little room for improvement.

Only 65 Texas counties were reported to be infested by the livestock pest in 1964, and only 223 cases were discovered. In contrast, during 1963, a total of 4,916 infestations were detected in 100 counties, while 49,484 cases occurred in 242 counties in 1962.

New Mexico had only 14 outbreaks last year compared to nearly 1,500 the previous year. Oklahoma, Kansas and Louisiana had no infestations during 1964.

Eradication program pilots flew nearly 2.7 million miles in dispersing approximately 47 billion sterile screwworm flies in Texas, New Mexico, southeastern Arizona and along the border in Mexico.

Sterile flies, reared in a large plant near Mission, Texas, with native flies and prevent production of offspring.

Eradication activities have reduced annual losses in southwestern livestock to less than \$1 million from more than \$1 million since the program began in February 1962.

Officials think they can reduce losses even more in 1965 by strengthening the barrier zone between the United States and Mexico where screwworms can exist year-round. In this barrier, which is several hundred miles wide and runs from the Gulf of Mexico to the Gulf of California, sterile flies are dispersed routinely to prevent fertile screwworms from migrating into "clean" areas and causing new outbreaks.

Stockmen can also help frequently examining their animals and promptly reporting all infestations. No screwworms have been reported in the Southwest since early in December, so outbreaks can be brought under control quickly if they are detected during early stages of development.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: Why do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. Corvair Corsa Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chargaarged! you just don't know what you're missing.

Drive something really new—discover the difference at your Chevrolet dealer's

FFA Show --
(Continued from Page One)

Angora goats will get under way. Beginning at 11:15 will be the grading of fat calves and selection of champion and from 11:30 to 11:45 the showing of range finewool ewe lambs and pen of three finewool ewe lambs and selection of champions. Champion and reserve champion prime commercial finewool, cross-bred ewe, shorn finewool and crossbred lambs will be named by the judges from 11:45 to 12 noon.

From 12 to 1:30 p. m., parents of FFA members will offer a barbecue dinner at a bargain price of \$1, tax included, the proceeds above cost to go into the chapter funds.

The afternoon session will be devoted to the invitational livestock judging contests in which neighboring FFA chapters are expected to participate. The Ozona Chapter members will enter the judging but will be competing against each other, not against the visiting teams.

Boys showing in the various classes of livestock will be as follows:

Range finewool ewe lamb class, 17 to be shown: Geo. Cox, Dwight Childress, Wesley West and Rex Bland. Breeders whose lambs are being shown are Bud Cox, P. C. Perner, and Wayne West.

Commercial fat steers: Duane Childress, Jerry Johnson, Dwight Childress and David Cooke. Calves shown were bred by John Childress and Cleophas Cooke.

Registered Angora buck kids, 7 to be shown: Bill Everett and Hugh Coates, showing goats bred by Mrs. Joe Gardner, Tommy and Bill Everett and James Trees.

Registered Angora doe kids, 13 to be shown: Bill Everett and Hugh Coates, showing goats from the same breeder as above.

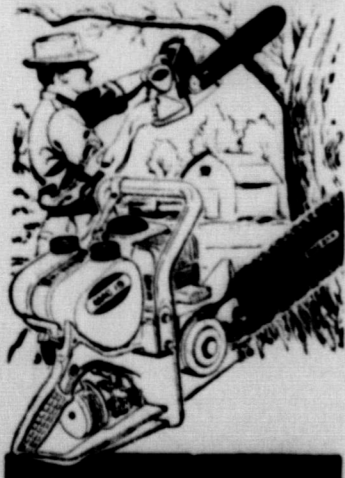

Grade Angora buck kids, 7 to be shown: Moe Barbee, and Bill Everett showing goat bred by Nat Read and Frank McMullan, Jr.

Grade Angora doe kids, 8 to be shown: Moe Barbee and Bill Everett showing Nat Read and Frank McMullan, Jr., goats.

Fat lambs 124 showing: Moe Barbee, Gary Boyd, Billy Carson, Charlie Farris, Win Saunders, Steve Tallafiero, Larry Williams, Rex Bland, Dwight Childress, George Cox, Bill Everett, Don Leach, Larry Montya, Randy Upham, Fred Childress, Billy Cloud, Larry Kilgore, Chris Lackey, Larry Lackey, Calvin Montgomery, David North, Duwain Vinson, Larry Don Webb and Wesley West.

from \$4,800 to \$5,100 a year. County Attorney Fred Chandler's \$3,150 salary was not raised but the court added \$500 a year for clerk hire.

Luis Martinez, courthouse custodian, received a \$600 a year pay hike and Mike Pena, cemetery caretaker, received a \$5 a month raise.

County Agent Pete Jacoby's salary was left at the same figure as in previous years but as has been the court's custom in the past, a \$400 addition was made to his salary for expenses in attending livestock shows.

Couch; secretary-Treasurer Mrs. R. A. Harrell, and Directors Joe Clayton, Eugene Miller, Mrs. Myrtle Mitchell and Mrs. E. H. Chandler. All will serve for one year.

Mrs. Friend spoke enthusiastically of future plans and appointed Mrs. E. H. Chandler as chairman of the museum committee. Members of this committee will be named in the near future.

The Society expressed special appreciation to Mr. Couch as retiring president and to Mrs. Mahlon Robertson and Mr. and Mrs. R. A. Harrell for their work with the Museum.

Following the business meeting a most interesting and informative program on the history of Crockett county's postal system was given by Ernest M. Boyd. Mr. Boyd has done much research on the subject and will put his findings in written form for permanent records in the near future.

Quarterly meetings will be held, the next one in April, and the public is cordially invited to attend these meetings.

Members present were: Mr. and Mrs. W. W. Baggett, Mr. and Mrs. Roy Henderson, Mrs. George Bunker, Mrs. R. R. Dudley, Mrs. John W. noon. The game would have been a make-up for the game postponed before Christmas due to cold and icy weather.

The Lions opened their entry in the Big Lake tourney with a 46 to 36 win over Wink with Winn Saunders leading the way with 19 points.

The Lions jumped out in front at the very start of the contest and were never headed, though they found it hard to get much of a lead at any time during the contest. Wink did not have a man get into double figures during the contest while Saunders and David Childress each passed the 10 mark for the Lions.

In the Big Lake contest, David Childress and Thomas Garza led the Lion attack with 12 and 11 points.

Coach Brooks Dozier will probably start Win Saunders, Bill Carson, Richard Vargas, David Childress and Thomas Garza Friday night with Rick Hagelstein, Joel Huff, George Kyle and David Jacoby slated for early duty.
