Teams Vie In Ozona's Annual Cage Tourney

By Ernie Boyd
The thirty-fourth annual Invitational basketball tourney got under way this morning with fifteen teams seeking the title being defended by the Big Owls.

The game pulled out of the arena rather unexpectedly on Monday, leaving a gap in the sixteen team bracket. Fair and cool weather is predicted for the remainder and fair weather always lends to large numbers of fans following the teams as they play across toward a conclusion.

Ozona will have both its A and B teams engaged in play and while neither is expected to be a championship threat, the teams, playing on their own floor, and pretty well in the district race, will play some of their best ball this week and seek their way into Saturday's play unbeaten.

Big Lake will be returning to defend its title with roughly the same personnel that won the title last year, and may find the biggest opposition from teams in the eastern zone of the district such as El Dorado and Sonora.

Alpine, a two A team and ranked in the tournament for the first time in a number of years, counted on to take a battle for the title but their untimely departure ended that threat.

Despite changes in the lineup last year, which called for stopping of the clock each time the ball went out of bounds, thereby creating more play time, no scoring records were broken.

Fifteen Track hopefuls Begin First Practice

By Ernie Boyd
About fifteen boys have begun track workouts at the stadium this week as the first call for the 1965 Ozona High track team was issued.

A number of the fifteen have been working out since Christmas and a good number of others will not be in the squad until after the basketball season.

The Lions, who will be out to defend their 1964 track title in the district meet to be held here in April, expect to be stronger in a number of departments than was last year's team, with the district increasing in size from six to nine teams, the picture in the title chase may be changed considerably.

Several new performers will lend strength to Coach Chick Womack's squad which has much of last year's talent returning. Chief asset to come to the Ozona squad in all likelihood is Rodney Pagan, a gifted athlete who moved to Ozona from Garden City. Pagan has looked particularly good with the shot and discus but also has good speed and will be used in some running events.

Adding strength to the squad will be Mike Walters, who became eligible just before the district meet last year and who won what might have been the decisive points in that meet. Walters will be here giving continued on Last Page)

B&B Food Store Given Brighter, Lighter Interior

Bud Loudamy's B & B Food store in downtown Ozona is taking on the brighter, lighter look this week as work is bearing the finish on the complete refurbishing of the store's interior.

A new fiber board section ceiling has been installed and more and larger fluorescent lights have added considerable brightness to the interior. Also helping in the lightening and brightening process is a complete interior wall and woodwork paint job.

Lions Drop Two In Weekend Cage Play In District

By Ernie Boyd
The Ozona Lions opened their 1965 district 8-A title chase on two losing efforts over the past week. They dropped a 54 to 40 decision to Big Lake in Big Lake last Friday and then a 66 to 46 decision to Rankin in Rankin Tuesday night.

Lack of firepower was largely responsible for the Big Lake loss as not a single Lion got into double figures, despite a rather relaxed defense exhibited by the Owls.

Alton Wilburn, who has not been very impressive in early outings this season, poured in 18 points against the Lions and got plenty of help from Johnny Howard and Bum Reavey.

The Lions really never got in the contest as they trailed at the end of the first quarter, and, though they remained close three quarters, never seemed able to move up any on the Owls, who finally pulled away in the last quarter to put the game entirely out of reach.

The Rankin game was pretty much a replay of the Big Lake contest, though David Childress did hit for 15 points for the Lions.

The Lions never did cope with the Red Devils running game and in addition to getting few cheap buckets of their own gave up too many to the opposition. Ricky Miller and Robert Brummitt led the Rankin attack which swept to a 22 to 9 lead in the first quarter and outscored the Lions in every quarter thereafter. (Continued on Last Page)

Southwest Gas Field Extended By Texaco Strike

The Ozona, Southwest (Canyon sand) gas field of extreme southwest Crockett County gained its fifth producer and a 3-mile southeast extension with completion of Texaco Inc. No. 1-B Evelyn Henderson, 21 miles southwest of Ozona.

It was finalized for a calculated, absolute open flow of 3.3 million cubic feet of gas per day, through perforations at 5,792 to 6,377 feet, which had been acidized with 2,500 gallons and fractured with 75,000 gallons and 75,000 pounds.

Total depth is 6,650 feet, where 5 1/2-inch casing was set.

Location is 990 feet from the north and 1,220 feet from the east lines of 6-BB-C. H. Powell Original Grantee.

Crockett county Commissioners traded their projected \$1,200 a year raise in salary for a \$25 a month (\$300 annual) raise in their expense allowance at a called meeting of the court last Thursday afternoon.

The special session followed the regular meeting Monday when most county employees were granted pay

raises, and the Commissioners, by a three to two vote, raised their own salaries by \$1,200 a year only to find that they had not complied with provisions of the statutes which require a like raise, percentage wise in the salary of at least one other county official as designated in the statute.

The court had chosen Justice of the Peace A. O. Fields for the raise but the office did not qualify under the law and at the adjourned session of the court Thursday, County Attorney Fred Chandler was picked to receive a pay raise so that Commissioners might qualify their own pay hike.

But the motion of Rusty Smith, Precinct 3 Commissioner, seconded by Prec. 2 Commissioner Rex Halydier failed of passage by a 2-2 split vote, Commissioner Glenn Sutton of Precinct 4 changing his vote to "No" and Prec. 1 Commissioner C. O. (Lefty) Walker staying with his previous stand against the raise.

County Judge Brock Jones, although the tie vote had blocked approval of the motion, nevertheless took a stand on the question and broke the tie vote with a "No" vote.

The Court then approved a motion to raise the travel allowance from \$50 a month to \$75 a month and that carried. The \$25 a month raise will bring the Commissioners' total pay to \$4,525 a year, the base pay of \$3,625 plus \$900 a year expense allowance.

STILL VALID

As everyone knows, the Administration is giving the medicare plan top priority. Unfortunately this highly controversial proposal is charged with emotion. Then, to make a bad matter worse, it is doubtful if any but a small fraction of the people — including those over 65 whom medicare is supposed to benefit — have any knowledge of the problems it would create.

Some little time ago, Chairman Mills of the House Ways and Means Committee pointed out that hospital costs will continue to rise and that this will require increases in the amount of earnings taxable for social security, to which medicare would be attached. Then Congress would be faced with two alternatives: 1. To go along with a total social security program "which we would know was actuarially unsound", or 2. To commit itself "into the indefinite future to a steady but wholly uncontrolled increase, due to the hospital part of the program, in the amount of wages taxed for social security purposes."

We might have to accept one of those unhappy alternatives if medicare were the only way to meet the health needs of the aged. But the fact is that existing programs, public and private, are doing an ever-improving job in this area. The Kerr-Mills Act, providing aid under a federal-state plan for the needy, is liberal and broad — much broader, in truth, than medicare, which is essentially only a limited hospital and nursing-home program.

Medicare, finally, would threaten the very solvency of the social security system. Its cost, in all probability, would be far greater than the optimistic estimates of its supporters. The considerations which caused Congress to refuse to approve it in the past are more valid and compelling than ever with continued inflation staring us in the face.

Girls Win From Rankin

Each Ron Murdock's Ozona High School girls basketball team began its display on a winning note in Rankin Tuesday as they edged up a 54 to 41 win over the Rankin girls.

Kay Alford led the Ozona attack with 26 points. Payne had 13 and Carnes 14 to round off the scoring as the Ozona team grabbed an early lead and stood off all Rankin efforts to win rather than to lose.

Even though Martha Love and Janice Owens both scored 16 points for Rankin in Ozona defense of Lynn Vicki Montgomery and Vicki Miller, with some help from reserves, they well kept the Rankin girls in check.

The Ozona girls will make their postponed district game with Sanderson next afternoon and a session of the tournament Saturday afternoon if the Ozona girls can find a way to win that one, victory over Iraan here Tuesday night would mean a strong possibility to capture the Western title in district 8A.

Mrs. L. B. Cox, III, sketched the life and works of Rembrandt. During his lifetime, Rembrandt painted around 700 pictures, at least 500 of them still preserved.

Guests, other than Mrs. L. B. Cox, III, and Mrs. Davidson, were Mrs. Lloyd Sherrill, Mrs. Edward Dyer, Mrs. John R. Hunnicutt, Mrs. T. J. Bailey, Mrs. Lowell Littleton and Lou Cox. Eighteen members were present.

APARTMENTS

FURNISHED OR UNFURNISHED

We are contemplating building a new apartment building here in Ozona. We have already obtained the site. It will be near The Village Shopping Center, and should be finished before spring.

These apartments will be furnished, unless the tenant wishes to use his own furniture and contacts us before we buy furnishings. Any one who will sign a one-year lease may select their own color scheme (paint, carpets, cabinet, dressing table tops, etc.)

These will be modern apartments in every sense.

The grounds will be landscaped and kept by owner.

Anyone interested in something nice, new and modern may contact W. H. Whitaker at South Texas Lumber Co., or call 392-2545 or 392-3141. We would like to know your needs as to number of bedrooms, etc.

January Is the Last Month to Pay Your

POLL TAX

Since Texas has not repealed its poll tax law, you will need a valid poll tax receipt this year to vote in any election — school trustee elections, bond elections or any special election which might be called. January 31 is the last day for paying a poll tax to qualify for a vote.

Since there will be no national election this year, the voter registration will be meaningless. But we are equipped and will issue registration certificates to those who demand them.

The over-60 exemption applies to persons who were 60 years old on January 1, 1964. No exemption certificate is required for over-age voters in this county. Those who have reached or will reach their 21st birthday this year may secure exemptions any time up to 30 days before an election. Exemptions are required for those reaching voting age in the year.

Remember, the deadline for paying poll tax is January 31, 1965.

EDITORIAL

By S. Martinez

"Ring out the old, ring in the new." These words by Tennyson may very well express the atmosphere of this week, the first week of the second semester. The beginning of this semester will not only give us an opportunity to better our grades, but it will also provide for much more excitement.

Among other things, the Basketball Tournament will contribute to this excitement. While some students are busy working at the concession stands, others are preparing for the One-Act play, the University Interscholastic League in April, volleyball, track, and such other extra curricular activities.

For some of us, this week may mean that half our work is over and we can now rest, but for others it will be an opportunity to better not only their grades but their lives.

OHS GIRLS HAVE HAVE A FIELD DAY

By Cathy Miller

Boys, boys, everywhere and all the girls did flirt!! Would anyone like to guess the number of couples who will call it quits just before the basketball tournament? With all the boys in town, who could blame the girls for not wanting to be tied down?

Miss North is caused extra headaches trying to house the invaders. All the girls try to pick names that sound like they go with cute

boys. Parents do their best to find extra room for the 6 boys, daughter dear has selected!

Instead of blue jeans on the last day of the week, the girls will wear dresses, and one can be sure their hair will look its best. Some of the girls probably spend hours in front of the mirror practicing their feminine charms and smiles that never seem to work on Ozona boys.

When the tournament day arrives girls look as if their smiles are frozen on! The boys' most common comment is, "Here she comes. Look at her smile. Ozona's own Little Town Girl!"

SPRING SPORTS UNDERWAY

By Mike Walters

Many activities occur during the spring semester at OHS. Among these would be track, volleyball, golf and tennis and also the last half of the basketball season.

Many plans have been made by the people who participate and coach these various sports. Golf and tennis will start sometime after basketball season is finished.

Track season officially began last Monday. The boys are preparing for a meet on February 27, at Ft. Stockton. The boys out for track and weight lifting are Pablo Diaz, Chuy Tijerina, Thomas De Hoyos, Mike Prater, George Parker, Gary Pagan, Hugh Coates, James Willman, Beto Ramos and Mike Walters.

STUDENT COUNCIL OFFICERS ARE NOMINATED

By Carey Pitts

Ozona High School's student Council selected candidates to run in the election held to select new council officers for the coming school year on January 18.

The election will be held on February 3. On this day during the assembly, the various candidates and campaign managers will cite their various qualities of leadership.

The candidates selected are President, Ronnie Mason and Sandy Stokes, V-President, Randy Upham and George Cox, and Secretary - Treasurer, Lyn Cox and Esther Williams.

The new officers term will begin at the start of the new 1965-66 school year at which time they will replace old officers Joel Huff, president; Moe Barbee, v-president; and Vicki Applewhite, Sec - treas.

SENIORS TO WRITE PAPER ON A VOCATION

By M. Haire

The Seniors have started on the first of two research papers they will write this semester. They will write about a vocation in which they are interested, the two research papers are in addition to the Seniors' regularly required work.

The Seniors appreciate aid in securing information concerning a vocation.

WHAT IF

By Margene Robinson

What if everyone had failed their mid-term exams

What if none of the guest teams showed up for the tournament?

What if Lynda Miller and Karen Russell didn't know any gossip?

What if Carey P. wasn't a brone rider?

What if Hugh C. was a great orchestra conductor?

What if Jack A. wasn't a hard on cars?

What if Mr. Moody wasn't keeping score during the tournament?

What if the Seniors didn't have to write research papers?

What if Barbara K wasn't so daring?

What if Linda L. was six feet tall and could protect herself?

What if Mr. Moody had to buy research cards for all of the Seniors?

HERE N' THERE

By Lynda Miller and Karen Russell

Robben, your jeep is always being repaired? What do you do to it?

We are sorry to lose one

of our good friends, Jackie M., come to see us again!

Mary Ann P. don't you know a ninety is passing? Janis W. I like that ring you're wearing.

There is some girl in high school I'd love to give a etiquette book. Really now Cathy M. what did you order at the cafe!

Some girl really must be desperate to wear a football jacket, since they wear their brothers.

I hear there's going to be a party every nite of the tournament after the games are over.

Why can't some of the Freshmen do their school work without getting some of it from other Freshmen? Are they that dumb?

Cynthia I'm glad to know you and John are giving it another try at going steady.

If you're noticed how happy Margene is it's because Douglas is home.

Why are so many students changing classes.

David C. where have you been going lately to cause you to have a flat tire last Sunday nite?

Look's like we're going to have to bar Sonora's window to keep people out. Eh Jack?

Peggy, did you fall out of Moby when Beverly was driving?

Hughie who were you with Monday night?

Does Jack have to tear up his car to find a parking place?

Who kicked Randy out of his car Monday nite?

Who came to see Karen and Melody on a surprise visit this week-end?

Jerri Lynn, are you trying to be like Ester letting your car run away.

Beverly why do you have so many visitors in Study Hall? Could it be because of

that Senior that sits in front of you.

Sammy C., everything seemed to turn out just right for you Sunday afternoon.

What are Jill G's plans for Thursday nite? Yvonne, Tommie, and Concha seemed to find the movie very amusing Sunday night.

Alejos, Richard and Fermin, why all the smiles Monday night at the concert?

Who flooded the O H S halls Tuesday morning after having a slight accident?

Angelina O. who was that draling boy you met Sunday?

Who is Conchaplata? Chuy T. did you really receive a slimy bone for a present one of your birth-days.

Fermin G. why are you always hiding?

What if Hughie's accelerator on his car didn't always get stuck?

How old will you be Tuesday Cathy M.?

DO'S AND DON'TS FOR THE TOURNAMENT

By Janis Walker Linda Leath

Each year students are reminded to be a good host to the visiting towns in our tournament. This year a list of do's and don'ts for each of us to follow are listed:

Do sneak in the back door you're not hurting anyone but your school; they don't need the money anyway.

Do use last year's pass again this year.

Do make sure you're late to work, Seniors, you don't want to go on a senior trip anyway.

Do spill popcorn and cokes down peoples backs, that's just part of the

game.

Do boo the referees! You know more about the game than they do.

Do yell the most sarcastic remark you can at the visiting teams. It's not your duty to be nice.

Do steal from the seniors. They have money running out of their ears anyway.

Do throw trash on the court, there's nothing the janitor would like to do more than sweep the floor.

Don't yell loud and support your team. They can make it without your help.

Don't speak to the people from other towns. Be just as ugly as you can!

Don't buy from the seniors; go somewhere else to get your food; they don't want to go on a trip anyway.

Don't get to the game until the most exciting moment; then you can walk in front of everyone and block their view.

Don't bother to find your own parking place; just park behind someone or in the middle of the street.

These "may" be a little sarcastic, but let's all remember to keep up the tradition of OHS and be well mannered and polite at this year's 34th annual basketball tournament.

YBALL PRACTICE HAS BEGUN
 Volleyball practice began this afternoon under the supervision of Miss G. Knox. These girls are expected to be in the teams with the boys.

DACH DOZIER ENDS ASSEMBLY
 Brooks Dozier presided at the assembly. He spoke about the present and how the school is expected to be a great one in the future.

MEETINGS TO BE HELD WEDNESDAY
 Meetings will be held next Wednesday at an assembly. It is expected that the girls will be measured for the new gowns at the meeting while the classes continue their activities for the year.

YBALL WORKOUTS TO BE HELD IN GYM
 The girls will have their tryouts on Tuesday.

LIONS ROAR

(Continued from Page 4)
 asks her friend. No, she had volleyball practice yesterday, answers the sore volleyball player.
 The above conversation may well be heard by many of the O. H. S. students throughout all this week, as the volleyball girls started their season Monday afternoon.
 As most of them were not used to such strenuous exercises right after school, the moans and groans coming from the workouts this week sounded as if they were coming from a torture chamber rather than volleyball workouts.
 If one were to ask an exhausted volleyball girl if her workouts were up to her expectations, more than likely he wouldn't get an answer for the girl would probably be too tired to talk.
 Swollen and jammed fingers plus sore muscles are such characteristics of volleyball practice, but obviously the girls like it so much they keep going back for more.

JR-SR. PLAY TRYOUTS HELD
 Play try-outs were held last Tuesday. From the juniors and seniors, Mr. Leath picked those best suited for

the parts. The chosen cast will rehearse until time for the play. Mr. Leath is not certain of the exact date of the play but it will be sometime in the spring.

THROUGH THE CENTURIES . . .

Through cold, snow-covered fields, underneath ice-encrusted trees, the river runs its course.

This brings to mind the Christian Church. It was founded upon the teachings of Jesus who lived His life and did His work unperturbed by the coldness of many of His fellowmen and of the ruling officials. He knew that His work would stand because it was founded upon truth. It not only stood, but has flowed steadily on for centuries. It is still going on today in

His churches.

If you do not attend church services why not go this coming Sunday, and identify yourself with this steady flow of the best for which life stands?

There is always room in the river for one more drop of water. There is always room in the Church for one more worshipper.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

RANCH RECORDS
Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. See us. We deliver: a lot of power, not promises.

Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size — the factory doesn't build jr. editions. And nearly half our '65 models are priced only a few dollars a month more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. When you get ready to plunk down the cash, remember: If you're going to pay the price of a Chrysler, get one. See us. We deliver.

considerably more speed to the team.

Coach Womack and Cleere hope to have six or seven good quarter milers and hence a good mile relay.

David Childress, the Lions leading hurdler last year, will be back, as will Bill Carson and Sammy Cervantez, the team pole vaulters last season.

In addition to Pagan, the Lions will have Bob Amthor and Rick Hagelstein, both of whom had begun to make their presence felt in the weight events last season.

The Lions will not enter any meet before the Fort Stockton relays late in February and will not be ready for much team action until at least the middle of March.

In the B games, Ozona fared a little better as a strong Big Lake team rallied in the final quarter to pull out a 47 to 37 over Ozona in a see-saw contest. David Stokes and David Lewis led the Ozona attack, which was hampered by fouls and a sudden cool spell in the final period to make the difference as pronounced as it was.

In Rankin Tuesday, the Ozona team pulled out a squeaker with a 33 to 32 win over Rankin. George Cox led Ozona with 10 points.

fa fifth with 1,005 points. Fuks and Dee Lux were the two top scorers. Other leaders were Mike Green from Midland FFA with 368, Wayne McGuinness, Eldorado alternate, with 358, and Bob Hall, Iraan alternate, with 354 points.

Ozona FFA boys judged, but did not participate against the visiting teams. Ozona's five high boys were George Cox with 369, Billy Carson with 352, Jerry Johnson and Randy Upham, tied at 349, Steve Tahaferro and Rex Bland, tied at 346.

asked to be present at 3 p. m. at the kick-off meeting.

The appeal of the Marching Mothers over the years on behalf of their crippled polio victim and our response produced one of the greatest medical victories in history — the development of the vaccine which eliminated infantile paralysis as a threat to the children of America.

Now the Marching Mothers come again, this time seeking help in finding the answer to the tragic question, the why of birth defects.

The March of Dimes is looking for the right answer. It is doing something about birth defects by establishing treatment centers for stricken youngsters and financing research scientists who are investigating these mysterious ailments.

WOMAN'S LEAGUE

Ozona Woman's League met last week in the home of Mrs. Perry Hubbard, with Mrs. Roy Coates as assisting hostess.

Mrs. Brooks Dozier, program leader, introduced Mrs. John R. Hannicutt, who spoke on Club Federation.

Mrs. Joe Bean, president, presided over a business session. A note of thanks from the State School in Austin for a Christmas box sent by the club was read. The Christmas bazaar cleared \$641.40 for the club's treasury, it was reported.

Meeting with the group was County Judge Jones who explained its purposes. For their interest from a tourism angle, Judge Jones invited Mrs. Sherman Taylor of the Silver Spur Motel and Troy Williams, president of the Chamber of Commerce.

Other members of the committee are R. A. Harrell, Mr. and Mrs. Eugene Miller, Mr. and Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. Fred Hagelstein, Mrs. E. H. Chandler, Mrs. W. E. Friend, Jr., Miss Leta Powell, Joe Couch, and Evert White.

Bob Lee, for the last eight years with Mustang Chevrolet in San Angelo, has joined the Wooten Motor Co. here as general manager. Mrs. Lee's family joined him here this week. They are renting in the Chandler addition.

SHOPPING FOR A LOAN
on your farm or ranch?
You are wise to do so and we welcome the comparison that you will find in your shopping.
Texas farmers and ranchers have used over \$900 million in Federal Land Bank loans. They find this loan suits them best and we think you will too.
For example — on a Land Bank loan you get long terms — up to 40 years — and a reasonable interest rate with full prepayment privileges. We have no fees, make no charges, and there are many other good features about a Land Bank loan. May I have the opportunity to tell you about them?
Without any obligation come in and let me show you how these and the many other good features of a Land Bank loan will suit your credit needs.

Fort Lancaster -

(Continued from Page One)

fort is being desecrated by souvenir hunters and vandals, it was reported, and a committee was named to take up the matter with the landowners and state and federal authorities looking toward steps to insure the historic site against further damage.

The committee will be interested in any and all objects, documents, pictures, stories and legends of interest in a county historical collection. One of its major interests, too, will be the continued maintenance and expansion of the Crockett County Museum and plans for making it more available to the public for inspection. The State's interesting history is being offered as one of the tourist attractions and the local committee considers the museum and Fort Lancaster to be this area's major attractions.

Meeting with the group was County Judge Jones who explained its purposes. For their interest from a tourism angle, Judge Jones invited Mrs. Sherman Taylor of the Silver Spur Motel and Troy Williams, president of the Chamber of Commerce.

Other members of the committee are R. A. Harrell, Mr. and Mrs. Eugene Miller, Mr. and Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. Fred Hagelstein, Mrs. E. H. Chandler, Mrs. W. E. Friend, Jr., Miss Leta Powell, Joe Couch, and Evert White.

Tournament —

(Continued from Page One)

observe a holiday tomorrow as a large number of students and faculty members will be involved in carrying out the many duties which arise in such an operation.

An interesting card has been arranged for the first night's play which will see, Ozona, Big Lake, and Sonora in action.

Play will get under way at 8 a. m. Friday and will continue through three sessions, morning, afternoon and evening.

Ozona will meet Sander-son in its first game at 9 a. m. tonight and a good game could be on tap, since Sander-son is somewhat improved over last year and the Lions have not reached the level of play they displayed last season.

The Ozona B team has been impressive this year, and with only two of the A squad returning next winter, members of the reserve squad take on added importance.

Winn Saunders, the tallest of the Lions, will return next year as will Bill Carson and David Jacoby, who spends part time on the A team and part time on the B team. But these will be the only returnees from the varsity and the balance of next year's team must be made up from the B squad. However, it is too early to think about next year and if the 1964-65 team makes a mark for itself it will just about have to be in the present tournament.

W. T. Anderson of Farmington, N. M., visited his mother, Mrs. Cora Anderson, here last week. Mrs. Anderson and son visited her sister, Mrs. L. Evans, in San Angelo last Saturday.

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with any of the quicker engines for the '66 Pontiac, it saves the roaring for whenever you need it. When you don't need it, the extra potent engines let you just loaf along. This loafing gives you the kind of economy you wouldn't expect from a looker like the '66 Pontiac. See your Pontiac dealer. He'll show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.
