Leading the song services will be Joe Ed Liles of San Antonio, above left. Services will be held twice daily, at 10 a. m. and 7:30 p. m.

## M. A. Barber Is Named Principal South Elementary

Marlan A. Barber, Ozona High School vocational agriculture teacher, has been named Principal of South Elementary School, succeeding Ernie Boyd, who has been Principal of that school for the past ten years.

The naming of Barber was announced by Supt. L. B. T. Sikes this week after being approved by the school board in its regular meeting last week.

Barber came to Ozona from Garden City where he was head of the vocational agriculture program, and was the first teacher employed in the local agriculture program. Barber had previous experience as a sixth grade teacher on the coast.

The new Principal is a graduate of East Texas State at Commerce, is married and is the father of two children, Judy an eighth grader, and Craig, a third grader.

Mrs. Barber, who is also a graduate of East Texas State, and who is a native of Iraan, is teaching second grade in North Elementary.

## Two Rifle Teams Represent City In District Meet

Two 4-H rifle teams will represent Crockett county in district competition on Saturday. The contest will be held in Crane, with a senior and junior team entered in the competition.

Each team will consist of four members, with the three best scores totaled for the team score. The senior team will consist of 4-H members 15 years of age or older while junior team members are under this age.

First and second place senior teams in the district contest qualify to enter the state 4-H rifle contest at Texas A&M in June.

Norman Hooten, coach of the senior team, has selected the following to try out for the senior team: Roy Fleet Coates, Duwain Vinson, Jr., Lellee Mitchell, Fannie Everett, Janie Edgerton and David Lewis.

Joe Couch is coach of the junior team and will select a team from the following: Cuatro Davidson, Gary Loudamy, Jesse Deaton, Mike Baker, Eugene Vinson, Gale Cavanaugh, Marvin McKeehan, James Garvey, Steven Hubbard, Gene Williams, Jr., Buddy Couch and Ned Henry.

## 32 Still Missing From Screwworm Contributor List

Crockett county ranchmen continued to dribble in contributions to the screwworm fund during the past week to swell the total contributions in this county to \$7,410.88.

But to yesterday, 32 of the county's producers had not yet contributed to the fund being raised in Texas from livestock producers to assure continuation of the fight against the screwworm until the federal government takes over the program in toto beginning July 1. Were it not for the fact that the screwworm eradication program has been so successful to date that not one case of screwworms has been reported in Crockett county so far this year, ranchmen of this county by this time probably would have already spent ten to twenty times as much in fighting the worm this spring and probably a hundred times more in losses of livestock to the pest.

Livestock men over the state are responding liberally to the call for additional funds to match state and federal emergency appropriations to keep the program in operation during the critical period from now until July, according to reports being received here by the campaign committee.

Money being collected here is being dispatched as soon as it is received in order to keep the production and distribution of sterile flies at the Mission plant going County Agent Pete Jacoby, who is acting as secretary to the local committee, said this week.

So far in the current campaign, 113 Crockett county ranchmen, business men and interested sportsmen, have contributed to the fund, a total of \$7,410.88. Thirty-two listed producers have not yet contributed.

Following is a list of contributors to the fund since the list published in last week's Stockman:

M. Brock Jones and Sons, Dempster Jones, Hemphill Brothers, Joe B. Mayer, D. F. Coates, Jr., W. R. Baggett, Jr., Jack Wilkins, Luckett Ranch, J. S. Pierce, III, Joe S. Pierce, IV, U. S. Smith, R. L. Vaughan, Joe Friend Estate, Ted White, Fred T. Earwood, Eugene Miller, Beecher Montgomery, Jake Young, George Bunker, Jr., J. A. McMullan, Arthur Phillips, Jeff Owens and Roger Dudley, Jr.

## Shut-In Gas Discovery On Adams Ranch

W. W. Meeker of Midland has completed a shut-in Canyon lime gas discovery the No. 1-153 Adams, 4 1/2 miles southeast of the one-well Miller Ranch (Ellenburger gas) field and 13 miles south and slightly east of the Joe "T" (Strawn and Canyon gas) field, of Crockett County, 20 miles south of Ozona.

It was finalized for a calculated, absolute open flow of 200,000 cubic feet of dry gas per day, through an unreported producing section. Operator had set 4 1/2-inch casing at 5,000 feet, the to-

Operator will not file an official potential for the well until there are pipeline connections to the a- Location is 660 feet from the south and east lines of 153-O-GH&SA.

## Open House Sunday Afternoon To Show Off New Ozona Civic Center

### 8th Annual Flower Show Today; Public Invited 4 to 6

Though continued dry weather and a late freeze have retarded the development of lush spring flowers and shrubs, the Ozona Garden Club decided at midweek to go ahead with its annual flower show set for this afternoon in the Methodist church fellowship hall.

The theme of the 8th annual show is "Spring Round-Up" and naturally will assume a western tone. Mrs. Mahlon Robertson is general chairman of the show. Out of town judges will judge entries during the morning and early afternoon.

The public is invited to view the display of arrangements and horticulture specimens from 4 to 6 p. m. There will be no admission charge.

### 100 Expected At First Day Camp For Girl Scouts

The first Day Camp for Crockett and Sutton County Girl Scouts will be held May 24, thru May 28.

Site for the camp will be 5 miles north of town on the Bill Baggett ranch. Plans are underway by the Crockett and Sutton County Neighborhood Association for this year's camp which they are hoping will be an annual affair.

Officers and Committees for Day Camp are: Camp Director — Mrs. Sam Fitzhugh; Ass't Director, Mrs. Lawrence Jones; Business manager, Mrs. Mike Miller; Supply Clerk, Mrs. Cecil Stroope; Health Supervisor, Mrs. Glenn W. Webb; Song Leader, Mrs. Tommy Sanders; Campfire Program Chairman, Mrs. O. L. Richardson of Sonora, Contest Chairman, Mrs. Charles Davidson, III; Public Relations Mrs. L. B. Sands, Miss Dorothy Price.

A great deal of interest and enthusiasm has been shown by the Girl Scouts of the area, with approximately 100 planning to attend.

### Indians Explode For 9-Run Frame To Bean Eden 22-4

The Ozona Indians were on the war path Sunday as they scored nine runs in the second inning for a fine afternoon's batting practice, to outscore their opponents, the Eden Eagles by a count of 22 to 4.

Stanley Najar was the leader of the tribe with two singles and two homers, one of which was a three base hit converted into a home run. Najar's homer came in the third frame right over center field and in the sixth inning he hit the ball to the same place but it bounced off the fence just long enough for Najar to reach home plate.

The Indians will travel to Eden next Sunday to give the Eagles a chance for a win.

### Garden of the Week

As Selected by Ozona Garden Club  
The Grounds of Mrs. Alice Baker

Ozona's new civic center, just completed with the proceeds from a \$125,000 bond issue approved by the voters last fall, is to be placed on public display Sunday afternoon when an open house will be observed at the center from 3 to 6 p. m.

The public is cordially invited to visit the center during the open house hours, to inspect the shiny interior and the facilities available for making the center a useful adjunct to community life.

Acting as hosts on the occasion will be members of

### Hickman Accepts Head Coach Job At Ft. Stockton

By Ernie Boyd  
Fred (Pete) Hickman, head football coach at Ozona High School for the past eleven years, who resigned recently, accepted the position of head football coach at Ft. Stockton Tuesday night it was announced in Ozona Wednesday.

Hickman will succeed Joe Moring, who resigned to accept the Fort Stockton High School principalship last month.

The highly successful Ozona Coach stated that he had received a substantial pay raise and that he was very happy to have a chance to coach in a much larger system. Ozona is 1A and Ft. Stockton is 3A.

Hickman, during his stay in Ozona, won district titles in 1955, 1957, 1958 and tied for the title in 1960 and in spite of some very lean years, material wise, in the last few years, still managed to end his eleven-year stay with almost a 7 out of 10 winning average.

Hickman has become noted for his well conditioned and well organized teams which have been long on defense.

At Ft. Stockton, Hickman will be stepping into a tough district which has been dominated by Andrews in recent years, but even at that would be in a better position than would Ozona be if it goes 2A as appears likely now, or in a couple of more years.

Ft. Stockton has recently completed an entirely new (Continued on Last Page)

### George Glynn New President Of Lions Club

George Glynn, Ozona Shell Station operator, was elected president of the Ozona Lions Club at the club's annual election of officers last Thursday. Glynn succeeds retiring president Bill Watson. The new officers take office June 1.

Other new officers of the club will be Allie Lock, first vice president; Clarence Key second vice president; Dick Webster, third vice president, and Claude Montya and Weldon Maness, directors. Hold-over directors are Lawrence Jones and Perry Hubbard.

Bud Meinege is secretary-treasurer of the club; Dean Scott is Lion Tamer; Jim Marks, tail twister, and Miss Barbara Kirby is the Club Sweetheart.

the Commissioners Court; members of the original planning committee of citizens, representatives from each organized group in the city, who conceived the idea of the center and guided it through the planning stages to its presentation to the voters; and members of the citizens building committee, named by the Commissioners Court to assist it in the final planning and execution of the building itself.

The building, which offers an auditorium with a seating capacity of around 600 as a banquet hall; two meeting rooms, one of them equipped with a folding partition which allows for conversion to two rooms; a stage and dressing rooms, store rooms, a well equipped kitchen; rest rooms, office and foyer.

The building is located at First Street and Avenue F, across from the football field and across the street east from the medical center and hospital in northwest Ozona. Land on which the building is located and grounds around it was donated by Dick Henderson, whose ranch adjoins Ozona on the north. A plaque in recognition of this gift has been ordered and officials hoped that it would arrive in time for installation before the open house Sunday.

Invitations have been extended to citizens of Sonora, Eldorado, Christoval, Big Lake, Barnhart, Sheffield, and San Angelo to attend the open house Sunday.

### Congressman Discusses Issues In Meeting Here

Congressman Richard C. White of El Paso, making a quickie tour of the vast 16th district while Congress is in recess for the Easter holidays, met with members of his local liaison committee Wednesday afternoon and discussed some of the issues facing the nation on which Congress is being asked to act.

Congressman White explained his vote for the medicare bill as being one for the lesser of several possible evils. He appeared before the committee hearing the bill with a plan which would have set up a sort of insurance program but received a polite thanks for his effort.

The Congressman saw no present hope for revival of the bracero program, opposed by organized labor; gave hope for at least temporary delay in the move to open this nation's gates to immigrants from all over the world; expressed himself as favoring a voter law but opposing the anti-poll tax provision of it and the federal registrars; opposes the Dodd gun law which would restrict the sale of firearms and require registration of guns owned by citizens (one of the Communist rules for revolution — disarm the populace and leave them helpless); and told of an effort to induce Interior Department to open the season on the golden eagle for a period during lambing time in this section. An informal discussion of matters of interest to committee members followed.

TEXAS PRESS ASSOCIATION

**SPEAKING OF CIVIL RIGHTS**

The Supreme Court of Wyoming, by a three-to-one vote on April 7 reaffirmed the constitutionality of the state's Right to Work law.

In upholding the right of Wyoming to prohibit compulsory unionism, the Court clearly rejected the contention of the International Brotherhood of Electrical Workers (AFL - CIO) that the entire statute be declared unconstitutional.

Reed Larson, executive secretary of the National Right to Work Committee, hailed the decision as a "clear-cut victory for the proponents of voluntary union membership."

And it should stiffen the spines of at least one Congressional delegation against the day when LBJ launches his blitz to blow 14-b out of the Taft-Hartley Act.

**ECONOMICS IN ORBIT**

Those who have been sweating over tax returns (as who hasn't?) may be fascinated by the discovery that while the "regular" or administrative Federal budget for fiscal 1966 calls for \$99.7 billion in spending, actual cash spending (including that from trust funds) will add up to \$127 billion!

This startling revelation by the Tax Foundation, Inc., includes some intriguing incidental information as well. The "regular" budget represents a deficit of \$6.3 billion, while with the considerably larger "cash" budget it is only \$3.9 billion.

But that is still not all, says the Foundation. It reports that "gross spending" ("from the administrative

budget, from trust funds, from "public enterprise" funds; "revolving" funds and miscellaneous items") is expected to add up to \$155 billion. This is said to be \$8 billion more than spending for fiscal '65, and \$10 billion more than '64. Put in slightly more comprehensible terms, the Foundation figures it at \$2,547 per American family.

Perhaps the "Great Society" is higher than you thought.

Our President "whets his knife while telling his beads," is the North Vietnamese reaction to the US offer of "unconditional discussions" and a billion dollar peace prize.

"We resolutely fight to the end, that is our answer," declared the official newspaper Nhan Dan. Other editorial comment from Hanoi and Peiping is more belligerent but US Undersecretary of State George Ball doesn't think this means "Nuts!"

Just the same we're glad more troops, planes and armor are going in.

**JOE CLAYTONS, JR. EASTER VISITORS**

Mr. and Mrs. Joe Clayton Jr., of Austin, were guests in the Joe Clayton home during the Easter week-end.

Mr. and Mrs. Clayton are attending graduate school at the University of Texas. Mr. Clayton is a licensed attorney, and a member of the State Bar of Texas and the American Bar Association. He holds his BA and LLB from Southern Methodist University. Mrs. Clayton is also a graduate of SMU.

**WHAT TIME IS IT?**

News Note: Confusion in changeover dates and times should be eliminated.

**Sonora Races To Start April 24; Futurity May 1**

The Sonora Races, sponsored by the Sonora Park Association will be held April 24 and 25 and May 1 and 2.

Featured in these races is the seventh running of the West Texas Quarter Horse Futurity or 330-Yard Futurity with a \$20,000 purse.

Also featured events of the races are the 220-Yard Futurity and the 440-yard Derby, composed of last year's futurity colts.

Trials to select horses for ten berths in the 330-Yard Futurity will be held April 24, the first day of the two week-end of racing. The \$20,000 race will be held Saturday, May 1. Four out of 66 horses eligible to run are Sutton County horses. It is estimated that 175 horses will run during the four days of racing.

There will be eight races daily starting at 1:30 p. m. The association is also sponsoring a dance both Saturday nights of the races at the 4-H Center.

**Stockman's Church Feature Page Wins National Honors**

The Freedoms Foundation at Valley Forge, Pennsylvania, has announced that the Keister "Support the Church" series, which has been running in the Stockman for several months, is again the recipient of the George Washington Honor Medal. This is the 9th such annual award bestowed upon this nationally-famous feature since its origin in 1944.

The object of the Foundation's annual awards program is to honor citizens regardless of race, creed or economic status, for outstanding efforts to improve public understanding and appreciation of the basic constitutional rights, freedoms and corresponding responsibilities inherent in

the American Way of Life through the things they write, do, or say.

The "Support of the Church" series is now appearing in over 1000 newspapers throughout the United States and Canada; interestingly enough, one subscriber in Sweden. It has received enthusiastic endorsement from ministers and leaders in virtually every major denomination in the United States.

This paper is pleased to present these forceful messages to its readers and we feel that the sponsors should be proud to be a part of this influential project, reflecting high credit to their own business establishments, and helping to strengthen our churches and indeed our whole community.

Leadership of the Freedoms Foundation includes General Dwight D. Eisen-

hower, Chairman; the Honorable James A. Farley, National Vice Chairman; Admiral Arthur W. Radford, Executive Committee; Dr. Kenneth D. Wells, President.

**DUPLICATE BRIDGE**

In Duplicate Bridge, Tuesday night winners were North-South: Frank Joe Pierce, and Mrs. Parker; second, Mrs. Mrs. Evart White, Mrs. Ashby McElhinney, First, Mr. and Mrs. Fitzhugh; second, Mrs. Ron Stuart and Mrs. Brewer; third, Mrs. Wilkins and Mrs. Dockery; fourth, Mrs. ma Hayes and Dr. Robertson.

### Miss Wool Will Model At Miss Mohair Pageant

As the official representative of the Texas Sheep and Goat Raisers' Association, Miss Wool of Texas, Lynda Rhea Allen of Sterling City, has been invited to attend and participate in the Miss Mohair of the U- niverse Pageant in Brown- wood, Saturday, April 24th, according to C. Q. Davis, Jr., Brownwood, chairman.

Miss Wool will participate in the Pageant by modeling garments from her 50-piece wardrobe contributed by various leading designers of Texas. In keeping with the occasion, Lynda has se- lected wool and mohair blends from her wardrobe to model during the Pa- geant.

Miss Mohair, Becky Crouch of Fredericksburg and Lynda, as Miss Wool of Texas, have made many ap- pearances together this past year throughout the state promoting the \$55,000,000 wool and mohair industry of Texas.

This will be Miss Mohair's last official appearance as 21 contestants will vie for her title for 1965-66. Among the 21 contestants is Pettii Henry of Ozona, sponsored by the Ozona Lions Club.

### Experiment Station Field Day Apr. 29

Sonora — Plans for the 1965 Sheep and Goat Field Day at the Ranch Experiment Station near Sonora were revealed today by James H. Menzies, station animal scientist. The event will get underway at 9:00 a. m. on Thursday, April 29, with scientists from Texas A & M University, Texas Tech and the Live- stock and Forage Research Center near McGregor as- sisting station personnel.

Menzies said that visitors would get a first hand look at rams on performance tests and other station re- search projects during the morning tours. Following a "Dutch-treat" lunch served by the Sutton County 4-H Club, new research develop- ments of interest to the entire sheep and goat in- dustry will be presented by Dr. O. D. Butler, head of A&M's Department of Ani- mal Science; Dr. Ralph Dur- ham, Texas Tech animal husbandry professor; Dr. Maurice Shelton, head of sheep and goat research at the McGregor station; Dr. James W. Bassett of A&M's Wool and Mohair Research Laboratory; and Menzies.

RANCH RECORD BOOKS at The Ozona Stockman

### Screwworms Back In Texas; Treat Valley Outbreak

Mission — Screwworms have returned to Texas, ending 10 weeks of freedom from the costly livestock pest. With conditions ideal for the insect to spread, livestock producers are being reminded to stay alert for infestations so that e- mergency eradication mea- sures can be initiated to control further outbreaks.

The first screwworm case of the 1965 spring season was identified near Fairfur- rias, in Brooks County, on April 11. This was the first case reported in Texas since January 29, and its discov- ery ended nearly 16 months of screwworm-free ranch- ing operations in the South Texas county. The last pre- vious infestation was re- corded in the county on December 18, 1963, ac- cording to John L. Murphy, county agricultural agent.

The infested area is being treated with sexually-sterile flies, which mate with fertile screwworms, preventing reproduction. Nearby livestock are being sprayed.

Officials at the head- quarters of the screwworm eradication program near Mission said all of South Texas and counties close to the Mexico - United States border are vulnerable to screwworm invasion. Mild temperatures, moisture and an abundance of animal wounds make the spring season an ideal time for screwworms to migrate northward out of Mexico.

Screwworms appeared to be staging a two-pronged attack against the U. S. livestock industry. Only a few days prior to discovery of the South Texas case, an infestation was reported in southeastern Arizona, a- long the western edge of the eradication area.

Officials called on farm- ers and ranchers to check their animals frequently, treat wounds and infesta- tions and report the pres- ence of worm - infested wounds to eradication

workers, county agricultural agents, vocational agricul- ture teachers or veterinar- ians. All cases will be given emergency treatment, they said.

### CIVIC CENTER GIFTS

### PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Water is a problem with many West Texas communities, but Childress is solving it with an ambitious program. In conection with neighboring towns, there is a \$6 million dam and reservoir starting soon . . . under construction a \$4 million pipeline from the water supply to the city . . . and a pipeline system in the city. Add such things as a remodeled City Auditorium with convention facilities . . . vapor lamp street lighting downtown and on highways through town . . . remodeled Chamber of Commerce offices . . . over \$400,000 in Church construction . . . new lounge at the Airport . . . and modernizing of many business buildings. Scheduled for the immediate future are a school bond election . . . expansion of State buildings . . . and a new hospital. The Childress record is a PATTERN FOR PROGRESS in "community development," improving chances for continued economic growth and attraction of new industry plus making it a better place to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area develop- ment representatives.

**WEST TEXAS UTILITIES**  
AN INVESTOR OWNED ELECTRIC COMPANY

We're having a Chrysler sales success shindig! So who cares?

\*For the months of Dec., Jan., & Feb. in Texas

You will . . . when you check the price, looks and Chrysler's 5-year/50,000-mile warranty!

Don't miss out! Join the thousands of new Chrysler owners who have already made this discovery: 7 Chrysler models (out of a total 17) are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. And, remember this: Chrysler still carries the longest, strongest warranty in its class—5 years or 50,000 miles of engine and drive train protection. Move up to Chrysler. It's easy.

**CHRYSLER'S 5-YEAR/50,000-MILE WARRANTY WITH THIS COVERAGE:** Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1965 automobiles, provided the owner has the engine oil changed every 2 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

## EDITORIAL !

By Sandra Martinez

Summer days are here again! With this phrase still fresh on their minds, the OHS students have repossessed their energetic and carefree feelings which were latent during the winter months.

Now that summer is almost here, we are surrounded by beauty. All we have to do is notice and appreciate nature. Because there is a tendency to waste the summer days, few students ever think about the future. Fun and work can be combined and life may be appreciated more by keeping this thought in mind.

Today has been a day which will hold such pleasant memories that in the future I can look back with no regrets and smile!

## NOMINATIONS MADE

### FOR BEST CITIZENS

Nominations for the Best Citizenship Award, an award given by the Woman's Forum, have been made by the members of the high school faculty. The ten students with the most nominations are ranked by points by the teachers, and the student receiving the most points is the best citizen for 1964-1965.

Because of a three-way tie, there was a "tap twelve" instead of a "tap ten". Those students include: Janis Walker, David Childress, Rick Hagelstein, Lynn Cox, George Kyle, Pete Garza, David Jacoby, Donna Moore, Ronnie Mason, Moe Barbee, Vicki Applewhite and Cathy

## Miller.

Other students receiving votes are: Linda Leath, Frank Welch, Drake McKinney, Nancy Deland, Richard Walker, Carey Pitts, George Cox, Sandy Stokes, Bill Carson, Cynthia Appel, Cookie Coates, Thomas De Hoyos, Lelie Mitchell, Joyce Ziesemer, Jerry Johnson, Richard Vargas, Pon Seahorn, Vicki Montgomery, and Sherrie Garry.

This award will be presented by a representative from the Women's Forum at Commencement. Until that time, the winner of the award will remain unknown.

## JR.-SR. PLAY TO BE GIVEN MON. & TUES. APRIL 26th AND 27th

The Jr.-Sr. Play, "Grandad Steps Out", will be presented next Monday and Tuesday nights at 7:30 in the High School Auditorium.

The Juniors and Seniors will be selling tickets this week, and the money will be divided evenly between the two classes.

Members of the cast include Srs.: Cathy Miller, Linda Leath, Carmen Childress, Mike Walters, Brenda Brentz, Hugh Coates, Vicki Applewhite, Rick Hagelstein, David Childress, Lynda Miller, and Janis Walker. Juniors are Vicki Lynn Montgomery and Ronnie Mason.

## SENIORS ANTICIPATE DIPLOMAS

This is the time of year when Seniors of OHS can hardly wait to get their diplomas and to get away from all the loads of homework. Yet they're sad to leave OHS and all the fun they've had these past four years. Knowing that they will never have a chance to attend good ole OHS again with all their classmates.

They think of all the old friends they will be leaving behind as they are meeting new ones. They will go to a new school with strange faces and may never know all the students unless it's a small school.

They think of all the pep rallies, football games, and the Senior concession stand on Fridays.

## School Cafeteria

## LITERARY GROUP TO PARTICIPATE IN REGIONAL CONTESTS

Five members of the OHS literary group are going to Lubbock to participate in the regional events. They are Nancy Deland and Barbara Kirby, Typing; Cathy Miller and Yvonne Martinez, Journalism; Joyce Ziesemer, Persuasive Speaking.

They will leave Friday after school and will return Saturday night.

## JR.-SR PLAY PRESENTED IN ASSEMBLY

The first act of the Jr.-Sr play "Grandad Steps Out" was presented yesterday in assembly.

The play will be presented next Monday and Tuesday for the public. The proceeds will be divided between the Junior and Senior classes.

## GOLF TEAM TO TRAVEL TO REGIONAL

The Ozona Golf Team will be traveling to the Regional Golf Tournament in Lubbock on Thursday about 12:00 p. m.

The team consists of Geo. Kyle, David Jacoby, Win Saunders, Duane Childress, and Steve Taliaferro.

The boys, under the direction of Coach Dozier, will be staying at the Eldorado Motel and are expected to return on Saturday.

## OHS BAND TO PRESENT SPRING CONCERT APR. 29

The annual spring band concert will be presented in the Ozona High School auditorium Thursday, April 29 at 8:00 p. m.

Mr. Tommy Sanders will direct the band. This will be the last function for the band this current school year.

## HOMEMAKING STYLE SHOW MAY 4TH

Plans are being made for the annual Spring Style Show given by the homemaking girls. The show will include the eighth grade through high school and will be presented May 4 in the high school auditorium.

## LIONS TRAVEL TO REGIONAL MEET

Today the Ozona Lion Track Team left for Lubbock and the Regional Track meet. They will be staying at the Country Inn and are expected to return Saturday night.

The members going are David Childress, Billy Carson, George Cox, Derald Maney, George Parker, Gary Pagan, Bob Amthor, Joel Huff, and Mike Walters.

David Childress is on the 440 yard relay team, the high and low hurdles; Bill Carson is going in the Pole Vault; George Cox will run on the mile relay and the 440 relay team; Derald Maney and George Parker will run on the mile relay; Joel Huff and Mike Walters will run legs on the 440 relay with Walters also running the 220 yard dash and Huff running on the mile relay; Gary Pagan will throw the shot and Bob Amthor will throw the discus.

## GOSSIP!

By Y. Martinez & T. Ramos

Is Pete Garza charging for rides on his motorscooter?

Did Vicki A. get mixed up and join a fraternity? Sammy Cervantez has a new out-of-town friend.

Is it true that Sandy Stokes has the sharpest license plate in town? What about it Derold?

Has Thomas Garza taken up the new occupation of blackmailing to make a little money on the sideline?

Richard Vargas surely is thoughtful. He gave Sandra a very nice present.

If anyone needs a good ditch digger, please call Jack Applewhite.

Beto Ramos, did you enjoy yourself at Sonora Sunday?

Lynn who is your admirer who gave you such a pretty ring?

Queta G., did you had the measles or did you just wanted an extra? (Continued on Page 1)

People buy Jim Walter homes because they are better — not because they are cheaper

When A  
**FELLOW**  
Needs A  
**FRIEND**

A perfect picture of dejection! Perhaps it's another rainy day. Even little children have their serious moments. "What is there to do next?" "Mommy, where did I come from?" Or, "Daddy, is God up in the sky?" Little questions of little children grow into big questions by big people. Sometimes the bigger the man, the more humble the question, and of course . . . directed to God.

The place for such questions is the Church. In church, ponder the imponderables, ask the old, old questions: receive the gentle answers. Church, too, is God's Home. He's waiting for you there.

**THE CHURCH FOR ALL • ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu-

larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

will hold a one session game April 24 in the Iraan Community Center from 1:00 to 5:00 p. m. Duplicate and party bridge will be played. Duplicate games will carry a Club Championship rating. Cost will be \$2.50.

# TIPS FOR OUTDOORSMEN

by Vern Sanford

A friend of mine has three appropriately labeled closets in his den.

On the door of one hangs a sign that reads "Spinning Room," but he's not a cloth-maker. In fact, he doesn't even sew.

Closet No. 2 is labeled "Casting Room." But he's not a movie director — not even a stage director.

Room No. 3 is called the "Salt Water Room." He makes taffy, occasionally. But not in that room.

By now you fishermen have guessed what this all is about. This gentleman is an ardent angler. He's a methodical type of man and a perfectionist to the highest degree.

In closet No. 1 he has all of his fishing gear of the spinning type. Included are spinning rods and spinning reels both open and closed faced. Also lures to match. Here he keeps canvas and leather cases for transporting his spinning rods and reels. Even ultralight equipment isn't overlooked. Also a couple of tackle boxes with those extras that go with spin-type fishing. This includes extra line and extra spools with various sizes of line already wound upon them . . . and lots of other extras.

In that second closet are his casting rods and reels with the shorter rods and the thumb-operated spool-type reels. He has a variety of reels and each with a different weight line. Here again you'll find lures appropriate to that type of fishing including the heavier top-water lures and the heavier underwater jigs, etc. Needless to say, his tackle box includes a quantity of artificial worms, bottles of pork rinds in white, black, green and polkadot. Also he has a number of sliding sinkers.

This guy doesn't go in for live bait fishing so in his tackle box you won't find either in room number one or number two any corks or floats. Also, very few split shot and the only hooks evident are the triple hooks which he substitutes on the various lures. He has a penchant for sharp hooks so in all of his tackle boxes he carries a horn. He buys the sharpest hooks he can find.

Almost without exception he will substitute his own special selection of hooks for those that come with brand new lures.

In Room No. 3 is all of his salt water fishing equipment. That includes short rods (very short and very stubby for pulling in the deep sea monsters). Also the extremely long ones for surf casting. Both types of reels are in the heavyweight class and are many times larger than either of the other two types. He has a lightweight rod on hand for salt water bay fishing.

As you can tell, he's geared to go almost on a moment's notice and in each tackle box he has the customary pliers, hook ejectors — the whole gamut down to adhesive tapes, band-aids and the like. Not overlooked is a bottle of suntan ointment, for protection against the sun's rays which are more intense over salt water.

Appropriate stringers go with each tackle box.

We just wonder if his wife would allow him another closet if he went in for fly fishing. I suppose he would name it the "Fly Room" and in it would be all the gear that's necessary for that type of pastime.

We felt real good after seeing his place because the wife is always riding herd on us about the purchase of fishing gear. In fact there used to be a place in Austin called Dan's which specialized in everything

for the hunter and the fisherman. It was like a country store except not as orderly, and we enjoyed browsing around. Of course we bought something on every trip. What gear we had was stored in one closet and it didn't surprise us too much — but it did amuse us — when we came home from one buying expedition to find a sign over the closet door reading "Dan's Number Two." A gentle hint!!!!

In most cases nothing pleases the fisherman more than having a new lure or a new rod or a new reel or a new motor or better yet, a new boat. Just as in golfing, there's no end to what he can buy, nor what he wants. But we've always been inclined to believe that the tension it relieves, whether golfing or fishing or whatever you are doing outdoors and away from your job is more than paid for by the doctor bills that would have been incurred had you not taken time off to relax.

So we say to the fisherman's widow don't be too hard on him about those purchases. Sure, there's a limit — but there's also a limit to man's life. And, incidentally, fishing is good for the fem too. We know some ladies who are expert fishermen.

So not only might you go along with him on his purchases, but you might also go along with him on his trips.

You'd love it!  
And he would too!

## Hayes is Speaker At Final Meeting Of Teacher Unit

The Crockett County Chapter of the Texas State Teachers Association held its annual spring banquet at the new Civic Center Tuesday night, with Curley Hayes of Abilene the speaker of the evening. Hayes is with the public relations department of West Texas Utilities Co.

Hack Leath, President of the chapter, presided at a brief business meeting held before the dinner began and Mrs. Lowell Littleton of South Elementary was elected President for the coming school year.

T. J. Bailey, manager of the local West Texas Utility office, introduced Hayes to the group.

Hayes told the teachers and their guests that education is the only hope the world has of ever achieving any lasting peace and that the classroom teacher is the one largely responsible for how well the job of teaching the young is done.

Hayes pointed out that the United States, in spite of its huge outlays in money to foreign nations is fifth among the world's nations, rated on national income, in giving to educate the masses in the backward areas of the world.

The meeting is the only social event to which all teachers are invited during the year and is the final meeting of the unit until next August.

## CROCKETT HOSPITAL NEWS

Patients admitted to hospital since April 13th:

Keith Moffett, surgical; Mrs. Hector De La Garza, medical; Mrs. J. B. Parker, medical; Deborah Mills, medical; Mrs. B. O. Alford, accident; Mrs. Perry Bean, surgical; Actaviano Ramirez, medical; Mrs. Lucia Vela, medical; Mrs. Jose V. Rodriguez obstetrical; E. B. Baggett, Jr. medical; Norma Sanchez, surgical.

Patients dismissed: Antonio Villareal, Glenn Sutton, Mrs. Robert Browne and infant son, Joycelin Waters, Mrs. Trazell Hayes and infant daughter, Keith Moffett, Mrs. Hector De La Garza, Mrs. J. B. Parker, Deborah Mills, Mrs. B. O. Alford, Mrs. Perry Bean, Mrs. Lucia Vela.

## DAUGHTER TO INGHAMS

Mr. and Mrs. B. B. Ingham, III, who ranch in Sutton county between Ozona and Sonora, are the parents of a daughter born in Shannon Hospital in San Angelo April 11. The baby was premature and weighed 4 pounds 13 ounces at birth. She is doing fine but is being kept in the hospital until her weight reaches normal. Named Zena Louise, the baby has a two-year-old brother, B. B. Ingham, IV. She also has three great grandmothers, Mrs. B. B. Ingham, Sr., of Ozona, Mrs. Ed Mayfield of Sonora and Mrs. Willis Johnson of McCamey.

(Continued from Page One)

football plant adjacent to its brand new high school building. The new stadium and athletic set-up has been acclaimed one of the best in this section of West Texas.

The Hickman family has not decided just when they will move to the site of their new job. Mrs. Hickman, who has been teaching at South Elementary, will be employed in the Ft. Stockton system and it is expected that the move will be made soon after the close of the current school term.

**RED CROSS DRIVE**

With around \$700 contributed in the recent Red Cross drive, the drive is still far short of the local goal and being kept open for a time in an effort to increase the drive total. Mrs. Jess C. Marley, drive chairman, reported this week.

**LADIES GOLF ASSN.**

Mrs. Evart White was hostess when the Ladies Golf Assn. met at the country club Thursday. High score award went to Mrs. Sherman Taylor and low to Mrs. J. M. Baggett.

Others attending were Mmes. Early Baggett, Byron Williams, John Childress, Gene Williams, Vic Montgomery, Henry Miller, Marshall Montgomery and Marion Robertson.

**Former Barnhart Girl Assigned To Post As AF Nurse**

Montgomery, Ala. — Second Lieutenant Myra B. O'Connell, daughter of Mr. and Mrs. P. J. O'Connell of Barnhart, Texas, has completed the orientation course for U. S. Air Force nurse at Gunter AFB, Ala.

Lieutenant O'Connell who studied specialized aerospace medical subjects and hospital administration, is being assigned to Loring AFB, Maine, where she will join the nursing staff. Loring is an installation of Strategic Air Command which keeps the nation's intercontinental missiles and jet bombers on constant alert.

The lieutenant, a graduate of Flower Grove High School in Ackerly, Texas, received her training at Shannon School of Nursing at San Angelo, Texas. She was associated with Medical Arts Hospital in Brownwood, Texas, prior to entering the Air Force in 1965.

**BACK FROM NEW YORK**

Mrs. Joe Clayton and Miss Cheryl Clayton have returned home following a ten-day visit to New York City.

Miss Clayton was on spring vacation from Southern Methodist University, Dallas, where she is a sophomore. She has recently been named to the Dean's List for the fall semester.

**ENGAGEMENT TOLD** — Mr. and Mrs. Lewis Doran of Ozona have announced the engagement of their daughter, Hazel Kathleen Doran, of San Angelo, to Carl Benton Greenhaw, also of San Angelo. The prospective bridegroom is the son of Mrs. Lorena Greenhaw of Sonora. The couple plan to be married June 5 in Ozona. Miss Doran is an Ozona High School graduate and attended Southwest Texas State College. Her fiancé, a Lake View High School graduate, attended San Angelo College.

**Cancer Crusade—**  
(Continued from Page One)

has been found successful in treating a rare type of cancer found in women after pregnancy. It is the first solid tumor ever to respond favorably to chemotherapy.

The "Pap" smear was also developed, making it possible to discover uterine cancer cells in an early and curable stage.

At present there is no preventive or cure for leukemia, but the lives of patients are being prolonged with new combinations of drugs, and many scientists

believe that cures will be found for this type of cancer than for any other cancer.

Hundreds of scientists in many branches of cancer research are working long hours in laboratories across the country to find new clues to fathom the mysteries of the disease which takes the lives of more than 800 Americans a day.

**Zing into spring!**  
**Chevrolet Impala**

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

**People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)**

It looks like a big car. And is—by almost any standard you want to apply.

**Width?** Nobody builds a car as much as one inch wider. **Length?** It grew three inches this year. **Roominess?** Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. **Luxury?** Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. **How about the ride?** Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. **Price?** That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.
