Funeral Monday For H. Childress, Retired Rancher

Funeral services were held at 5 o'clock Monday afternoon from the Ozona Methodist Church for Hugh F. Childress, 82, retired ranchman and member of a prominent Crockett county ranching family, who died shortly before midnight Sunday in the Crockett County Hospital after a long illness.

Services were conducted by the Rev. Leonard Garrett, pastor, with burial in Cedar Hill Cemetery under direction of James Funeral Home. Palbearers were Bud Coates, Clinton Glover of Abilene, Richard Flowers, Boyd Clayton, Lowell Littleton, C. O. Walker, Marshall Montgomery and Lee Dudley.

Mr. Childress was born July 9, 1882, in San Angelo, the son of William F. Childress and Mary Harris Childress. He came to Crockett county as a young man and spent most of his life in the ranching business in the area. He was married in September, 1906, to Kate Perner in Ozona. The young couple homesteaded land along the Pecos river in the Cedar Canyon area, later ranching on leases in the vicinity of Ozona.

Mr. Childress was a long time member of the Methodist Church and of the Masonic lodge. Last fall he was awarded a 50-year member pin from the Ozona Masonic lodge.

Surviving are the widow of Ozona; one son, Hugh Childress, Jr., of Ozona; two daughters, Mrs. Ele Hagestein and Mrs. John Coates, both of Ozona; one brother, Lee Childress of Ozona; four grandsons and one great-grandson.

Good Rains Over County Improve Range Prospects

Ozona logged .95 or an inch of rain May 30 which, added to .25 picked up the day before, brought the rain total for last week to 1.20 inches and 2.76 for the month of May.

May proved to be a wet month in the county as measurable rainfall fell on 10 days during the month.

While Ozona was getting about an inch on the 30th, most sections of the county west to the Pecos and south to the county line counted from 1.50 to 4.00 inches of rain.

High waters closed State Highway 163 south and forced a number of fishermen along the Devil's River to go to Comstock in order to get back to Ozona by way of Sonora.

The good rains last week greatly enhanced summer pasture prospects which have been improving rapidly during the damp days of the last month, though to many the rain was the first in several weeks.

Rain was measured in Ozona on May 10th, 12th, 13th, 14th, 16th, 17th, 18th, 19th, 29th and 30th with a trace June 1st.

Chances of additional showers later this week seemed good, according to weather reports Wednesday, which were predicting rain in northern portions of the state as a new cool front approaches.

Two LL Teams Wind Up Tie At Half-Way Mark

By Ernie Boyd

The first half of the Ozona Little League season came to a close last Monday night with the Flying W Ranchers and the Ozona Oilers tied for first place.

One game between the two is yet to be played and no decision as to how the game may be worked in had been reached at press time.

Flying W tied up the first half race 10 to 9 last Monday night on a highly controversial home run which ultimately proved to be the difference. Both teams played rather poorly during a great part of the contest, few earned runs being scored by either side during the contest.

If the first game was rather loosely played, the second contest was a real treat as B&B scored 20 runs on just 4 hits to chase Moore Oil 20 to 7 in four frames.

Both Ozona Oil and Flying W sailed through their final games of the first half Monday night. Ozona Oil dumped floundering Moore Oil 13 to 2 and Flying W sailed past B&B 10 to 0. In the latter contest, Gary Don Notgrass pitched a one-hitter in scoring the shutout.

Final standings, pending a decision of the committee on the postponed game, leaves Flying W and Ozona Oil with 6 wins and 2 losses, B&B with 3 wins and 6 losses and Moore Oil 2 wins and 7 losses.

Play in the second half is scheduled to get under way tonight.

47 Roping Teams Enter Steer Tie Event Here Sun.

The Ozona Roping Club's team roping, held at the Fair grounds Sunday afternoon, drew forty-seven teams from over Texas and New Mexico, including former world champion calf ropers, Jim Bob Altizer of Del Rio and Toots Mansfield of Big Spring.

Larry Howard and Harry Howard of Crane were the big winners in the competition with Richard Walker and brother Morris of Cotulla, an former Ozonan Jody Jones, now of Llano, also boasting considerable success.

The Ozona Club plans to hold a roping each month with the public invited. Club officials expressed their appreciation for the help and cooperation of numerous citizens which made the roping possible.

MEETING CANCELLED

A scheduled meeting of the Woman's Society of Christian Service of the Methodist Church at the ranch home of Mrs. Ralph Jones next Wednesday has been cancelled.

Jimmy Davee To Take Over V. A. Job In Ozona Hi

Jimmy Davee, Vocational Agriculture teacher at Balmorhea for the past three years, has accepted the position of Vocational Agriculture teacher in the Ozona Public Schools beginning July 1, it was announced this week by Supt. L. B. T. Sikes.

Davee will succeed Marlan Barber as head of the Ozona High School Agriculture Department, and in doing so will become the second teacher in the department, which was created in the Ozona system ten years ago. Barber has been named South Elementary principal, succeeding Ernie Boyd, resigned.

Davee is a native West Texan, having been reared on a ranch near Sterling City. He graduated from Garden City High School where he was salutatorian, attended San Angelo College and graduated from Texas Tech where he was the highest ranking graduate from the School of Agriculture.

Since going to Balmorhea, Davee has had notable success with his pupils in livestock judging contests in the area and he will be well acquainted with the type of program being carried on here.

Davee is married to the former Melba Boatright of San Angelo and the couple have two sons, Sammy 3, and Tommy, nine months. Both Mr. and Mrs. Davee are members of the First Methodist Church of Balmorhea.

The Davee family is expected to move to Ozona later this month after he has completed his duties for the current year in Balmorhea.

San Saba FFA Sweeps Grass, Range Judging

San Saba FFA won both the grass and range judging contests held last Thursday in Ozona for area 4-H and FFA members and received the Ozona National Bank Trophy as top team in the contest. The winning team was coached by R. J. Powell, San Saba Vocational Agricultural Teacher.

Team members were Larry Smith, Terry Smith, Jimmy Biggs and Dick Ellis. The Crockett County Water District trophies went to Larry Smith of San Saba FFA as high individual in grass judging and Mark Jacoby of Sutton County 4-H individual in range judging.

The Sutton County 4-H Junior team of Scott Jacoby, Tom Green, Roger Langford and Debra Wardlaw won both the grass and range judging contests in the junior division.

Awards for both contests to individuals and high teams were furnished by the Crockett County Soil Conservation Board of Supervisors. A noon barbecue was served by the Crockett County 4-H Mother's Club and Ozona FFA Chapter in the city park. Fifteen judging teams of some seventy-five contestants participated in the judging contests.

Complete results of team placings and high individuals are as follows: Grass Judging, Senior Division: 1. San Saba FFA, 2. Sutton 4-H, 3. Crockett 4-H, 4. Sutton 4-H, 5. Ozona FFA. High individuals, Senior Grass: 1. Larry Smith, San Saba FFA, 2. Terry Smith, San Saba FFA, 3. Mark Jacoby, Sutton 4-H, 4. Jimmy Biggs, San Saba FFA, 5. David Rutherford of Clyde.

Barbee, who was vice president of the Area this year, was also runner up for Forney Scholarship won by Holman Jones of Hamlin.

As area winner, Barbee will now compete for the state award at the state convention to be held in Houston.

Another Ozona chapter member: who were in consideration for honors were Keith Mitchell, who was named an alternate for the Star American Farmer Award. Mitchell was a 1964 Ozona High graduate.

Gary Boyd competed in the area public speaking contest and Barbee made a report to the convention on his trip to Europe last summer, with colored slides for the convention members to see.

Penrose Metcalfe was the featured speaker in the opening session of the convention Monday. Metcalfe was honored by the convention in recognition of his active support of education and vocational agriculture in particular, down through the years.

Crockett Wool Judging Team Is Second In State

The Crockett County 4-H Club senior wool & mohair judging team came in a close second to the state winning San Saba 4-H team at the State 4-H Wool & Mohair Judging Contest in San Angelo last Saturday. Only eighteen points separated the two top teams that had some twenty-five judging teams in the state contest. David Jacoby was second high individual and Rex Bland was fifth high in over-all wool & mohair judging. Steve Taliaferro and Janie Edgerton made up the team membership.

Two Crockett County junior 4-H range judging teams placed second and third in the first State Range Judging Contest held for the junior division in San Angelo last Saturday. The State 4-H Range Judging Contest was moved from Texas A&M to San Angelo this year and allowed Jacoby, Crockett 4-H, 6. Ray Glasscock, Sutton 4-H, 7. Dick Ellis, San Saba FFA.

Flying W Egg Truck Overturns; Scrambled Eggs

A truck loaded with 235 cases of Flying W Cage Eggs being transported by the Flying W Ranch Cage Egg Company here overturned on Highway 163 about eight miles north of Ozona late Saturday — the result, a damaged truck and about 35 cases of scrambled eggs.

Howard Mock, driver of the truck, escaped with only minor injuries. He lost control of the truck when he struck the back of a slow moving car on the highway, a tourist couple driving slow because of two bad tires. The truck swerved off the highway and in an attempt to miss a tree in the right of way, Mock cut the truck wheels sharply and it overturned.

Around 200 undamaged cases of the eggs were removed from the wrecked truck to be sorted again.

ain Cuts Shortens G-S Day Camp 4 Days of Outings Enjoyed By More Than 100 Ozona-Sonora Girls

Ozona's and Sonora's first Girl Scout Day Camp Bag was concluded abruptly Friday morning, following the flag raising ceremony due to a downpour rain. Most of the eight girls were rushed to town because of lack of shelter. Those who had been able to keep dry under tarps and tents found it too muddy to enjoy camping and too hot to cook after the rain returned to town for lunch. Sonora leaders and campers departed for home after returning to camp to collect gear and clean unit homes. Thurs ended four days of fun and fellowship. Thursday was a full day of campers. Contests were held at the camp headquarters directed by Mrs. Charlie Davidson. Contests and winners were as follows:

Brownies — Square Knot Contest, 1st, Unit 7, 2nd, Unit 1, Team Relays, 1st, Unit 8, Team 2nd, place, Unit 1, Team

Juniors — Knot Tying, 1st, Unit 2, Team 1; 2nd,

Unit 6, team 1. Juniors, String Burning, 1st place, unit3, Team 2; 2nd, place, unit 4, team 1.

Thursday evening's open house at the camp was an enjoyable event for campers and guests. Many visitors from Ozona and Sonora arrived to visit in camp between 6:30 and 7:30 p. m. and remained for the campfire program at the headquarters area.

The large campfire which had been laid by Cadette campers from troops 19 and 121 during the day, was lit at 7:30 with an impressive ceremony. Three adult unit leaders of Cadettes, Mrs. Nancy Miller, Mrs. Judy Childress, and Mrs. Johnny Rae Chapman lit three flares, giving the three parts of the Girl Scout Promise as they lit them. The ten cadettes from the two Ozona troops lit flares from the leaders and ignited the fire with them and each gave one of the ten Girl Scout Laws as she put her flare in the campfire. Then all campers sang "Girl (Continued on Page Five)

WRITE 'EM OR WEEP!

At the bitter end of the President's long - delayed Labor Message came the tail that wagged the dog — the reluctant and apologetic recommendation that Congress remove from the Taft-Hartley Act the 44 words of Section 14(b) that empower the states to protect their workers against compulsory unionism.

This recommendation was offered, the President said, "with the hope of reducing conflicts in our national labor policy that for several years have divided Americans in various states have availed themselves of the labor freedom made possible by 14(b), while those of 31 states have not as yet done so. Simply stated, the President would remove the "conflict" by scuttling the right to work without paying union dues where it is now state law, while terminating the chance of ever having such liberty in all the

others.

The President did not say he is asking repeal of 14(b) to pay off his election debt to the AFL-CIO chieftains who ordered out their troops and opened the union treasuries to campaign for him in a big and effective way. If this is not so, Mr. Johnson might have achieved his stated desire to "ensure uniform application of our national labor relations policy" by proposing a Federal open-shop law ensuring to all workers in all states the right and privilege of voluntary unionism!

And this reform might have been accomplished far more easily and have added considerably more luster to the LBJ "image." Every Congressman knows — and certainly the President should — that the American people do not want compulsory unionism. The latest of several public opinion polls attesting to this pegs the opposition at

two-to-one. No less an authority than Speaker McCormack has expressed doubt of enough House votes to pass a repealer of 14(b).

But it would be foolhardy to think that a President with LBJ's reputation on Capitol Hill would now ask "early and favorable consideration" of this proposal if he did not feel sure of getting it.

If the President has his way, the freedom to join or not to join a union will, overnight, become a bitter memory. Unhorsed for a time in 19 states, the membership drives of the labor bosses restored to the saddle will make Genghis Khan look like a Boy Scout. But it cannot happen if every American who wants right-to-work laws will tell

ASC Office Urges Completion Report On All Practices

Ranchers are reminded that any approved practices that have been completed under the 1965 Agricultural Conservation program, should be reported by filing the Practice Approval and Application for Payment—Form ACP-245 with the ASCS Office, Cliff Elder, office manager, reminded in a letter to producers this week.

Anyone having an approval for an ACP practice who has decided not to carry out the practice, should notify the ASCS Office so the cost share may be reissued to other producers.

Mr. Elder also reminded that producers should file 1965 receipts for shorn wool mohair and unshorn lambs after each sale, at the ASCS Office in order that they may be checked and filed for the 1965 marketing year. "If you mail us your sale receipts, please show the number of head shorn and date of shearing on the document," the letter said.

Invading Indians Scalp Ozonans In One-Sided Duel

Tough Ballinger pitching held the Ozona Indians at bay Sunday afternoon at Powell field as the Ballinger Indians scalped the local Indians 6 to 0.

Ozona could manage but there hits during the afternoon, getting one in the third, one in the sixth and a final rap in the eighth.

Meanwhile, Ballinger picked up two runs in the first, two more in the second and then added a final two in the fifth as insurance, which was not needed.

Ballinger scored their 6 runs on 10 hits, including a home run by the lead off-man in the first frame.

The Ozona team will travel to Ballinger Sunday for a return contest.

Odessa Permian Players Present Musical 'Oklahoma'

For its final production of the season, Odessa Permian Playhouse will present Rogers and Hammerstein's fabulous musical "Oklahoma!"

With a cast of forty, the ambitious undertaking will precisely follow the original Broadway script, from the warm and sprightly nature followed by the stage beginning lines of the opening song, "Oh, What Beautiful Mornin'" which sets the mood for the ensuing deluge of iridescent solos, duets and profane numbers, including "Surrey With the Fringe on Top" and "People Will Be We're in Love", to the final finale title song "Oklahoma!"

The masterful interpretation of its unforgettable score, the justly famous choreography and an unusually strong book make "Oklahoma!" into a musical unit which produced a hit that has stood the test of thousands of performances and remains an American classic which never fails to delight.

Performances at the High School will be June 4, 5, 11 and 12. Reserved tickets may be obtained by writing Western Book Shop, 808 N. 10th, Odessa, or at the Gate. Together," led by Beth Sanders, camp leader.

Each of the eight units sang skits and songs for the camp. Unit 1, made up of Brownie Girl Scouts, "Chick-a-dees" under leadership of Miss Maladez. Unit 2, supervised by leader Miss Dorothy Price gave an enjoyable "We Girl Scouts rather fight than sh." The campers of Unit 3 presented the very interesting "Story of the Broken Old Car." Unit 5 entertained the camp with their "Wonder Wizard Machine". The Girl Scouts of Unit 6 appeared as the Beetles in their rendition of "Double Double Mint Gum." Brownies of Unit 7 gave a skit of "The Story of the Lion Hunt" as one of the leaders, Mrs. Nelda Moore, read the story. The "Fly-Up Brownies" of Unit 8 delighted the audience with their western songs accompanied by their homemade guitars and directed by their leader, Mrs. Thelma Moore.

Gifts were presented by Mrs. Carolyn Pennington to the camp helpers with the help of Mrs. Mildred Webb and Mrs. Mary Alice Dunlap. Mrs. Charlie Davidson presented a gift to Mrs. Billie Hayes, helper in unit 4; and Melissa Zapata presented a gift from campers and staff to Mrs. Sam Fitzhugh, Camp Director. Mrs. Davidson also presented ribbons to the campers who were winners of the morning contests.

All campers, led by the camp song leader, concluded the program by singing their favorite songs — "Do Your Ears Hang Low", "Hum-By-ya", and "Green Trees" followed by "Taps". The entire group of campers and visitors hurried to the camp immediately after the program to get away from the threatening storm. After the cloud passed over, the Ozona campers of Unit 1 who had planned to stay at camp during the night, went to the Girl Scout house to spend the night, accompanied by leaders Mrs. Beth Sanders and Mrs. Billie Joe Hayes. Part of the Ozona campers and all of the Sonora Campers of Unit 6 and their leaders, Mrs. Gloria Kerbow and Mrs. Janita Richardson of Ozona and Mrs. Thelma Moore of Ozona returned to camp to spend the night which was an enjoyable experience for all in spite of disturbances of night noise.

Most of the Ozona campers of Unit 6 spent Wednesday night in camp accompanied by leaders Mrs. Thelma Moore and Mrs. D. Hattaway and Mr. and Mrs. Sam Fitzhugh.

The Camp was inspected Wednesday morning by the Camino Council Field Advisor, Mrs. Joyce Smith of San Angelo, who remained to eat a camp cooked dinner with one of the units. During the week the campers had several guests for the meals they prepared. Among these were the camp nurses and the camp director and her husband. It was regretted by all that Mr. Bill Baggett was unable to appear at camp as the campers were anxious

to thank him personally for being generous enough to let the Girl Scouts use his land for the Day Camp site.

Many local residents were responsible for helping to make the Day Camp a success. Those to whom special thanks go are Noel Dean Scott who delivered pints of Gandy's milk to the camp each day for the campers milk break and was also good enough to carry meat and ice from the store; Bill Seahorn for the use of his water tank for camp water supply; all the mothers from Ozona and Sonora who gave their time to carry girls to and from the camp site each day, and to all the daddys who helped set up the camp site and clean up and store equipment when camp was over.

The Camp Court of Honor proved to be a great help in keeping the camp running smoothly. This group met each day at 1:00 at Camp Headquarters. It was made up of two girls from each unit and the Camp Headquarters staff. General planning and organization took place in these meetings and the cooperation of these girls was greatly appreciated. The services of Sylvia Vitela and Mary Frances and Mary Jane Martinez, staff of Las Amigas, the camp newspaper, were very greatly appreciated by all for the fine wonderful issues of the paper.

The day camp staff consisted of the following: General Camp Director; Mrs. Sam Fitzhugh of Ozona, Sonora Camp Director; Mrs. Janita Richardson of Sonora, Business Manager; Mrs. Mike Miller, Supply Clerk; Mrs. Cecil Stroope, Contest Chairman; Mrs. Charlie Davidson, Song Leader; Mrs. Tommy Sanders — all of Ozona.

Unit leaders and campers attending the camp are as follows: Unit I — Miss Ethel Wolf, Mrs. Cherrie Davis, Mrs. Joe Tom Davidson, Miss Maria Valadez, and Monica Delgado, Patricia Ann Fierro, Sharon Fierro, Sylvia Flores, Carmen Galvan, Diane Gomez, Josephine Longoria, Laurie Ann Longoria, Linda Kay Martinez, Ernestina Maskill, Elma Porras, Rosalba Rodriguez, Romelia Vela, and Wanda Devon Wilson.

Unit II — Miss Dorothy Price, Miss Lupe Arredondo.

Do you ever feel trapped? Do the walls of a meaningless life seem to close in on you sometimes? Here's good news! Every life has a gate, and it is never locked. But it only opens from one side . . . your side.

Seek for the gate with all your heart, and you will find it. Open it, and you will enter a world full of meaning and beauty. You'll step from darkness to light . . . and never look back.

The key? It's waiting for you in Christ's teachings. His Church will help you to find it, and in His service you will discover life's real purpose. Go to church this Sunday, and hear God's words of promise and comfort. They are meant for all who yearn to widen the cramped horizon of their lives. They are meant for you.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Political and Legislative history has been written in the 59th lawmaking session just ended.

Highlights:

● A \$3,600,000,000 budget providing for expanded services in every area of state government and affecting every citizen — his pocket-book especially.

● Record improvements in higher education, including creation of the powerful coordinating board for Texas colleges and universities.

● A \$101,000,000 salary raise for school teachers, \$70,000,000 of which will be paid by the state.

● A sweeping overhaul in the entire system of state mental hospital and tuberculosis control administration.

● Major public welfare expansions, including a proposed constitutional amendment to permit full state participation in the new federal medical care program for the aged, blind and disabled. A provision of the amendment would qualify non-citizens who have lived in the state for 25 years or more.

● Overhaul and extension of the state's program

for water control and development.

● Congressional and legislative redistricting which will change the makeup and complexion of future legislatures, shifting the balance of power from rural to urban areas.

● If voted approve proposed constitutional amendments, the Senate will be enlarged from 31 to 39 members and terms of the governor and other state-wide-elected officials now limited to two years, as well as those of state representatives, will be extended to four years.

● **Press Right Upheld** — A conference committee report on the new Code of Criminal Procedure, which contained the nation's toughest restrictions on pre-trial news coverage, was rejected.

Revised information restriction states:

"It is the duty of the trial court, the attorney representing the state, the attorney representing the accused, and all peace officers to so conduct themselves as to assure to the defendant a fair trial upon the presumption of innocence and at the same time afford the public the benefits of a free press."

A legislative resolution directs a study in the area of information on pre-trial activities.

SHORT SNORTS

President Johnson was a legislative visitor for the unveiling of his portrait on the east wall of the State Senate Chamber.

A filibuster by Sen. Bill Moore of Bryan during the critical final days of the session kept from passage a bill by Sen. Andy Rogers of Childress, which would have directed the Texas A&M University regents to turn down applications for admission by women, other than members of the families of faculty and students and women who want to take courses not offered elsewhere.

Killed in the Senate was the bill which would have required that county tax assessor-collector levy and

collect a property tax on automobiles and prohibiting license plates from being issued until the tax was paid.

Texas Parks and Wildlife Quail Hatchery at Tyler is shipping bobwhite quail to be used by game wardens in supplying owner stocking requests.

Miss Andie Elliott, whose parents, Capt. and Mrs. Edward Elliott were stationed here at the Ozona Radar base for several years, was a visitor in Ozona last week. Miss Elliott attended San Antonio College this past year and plans to enter Trinity University this fall. Capt. and Mrs. Elliott now reside in San Antonio.

Two From Ozona Complete T.C.U. Ranching Course

Fort Worth — Pleas L. Childress, III, and James A. Baggett, both of Ozona, were among the 21 graduates of Ranch Training students at Texas Christian University honored at a graduation dinner May 28. Pleas is the son of Mr. and Mrs. P. L. Childress, and Jim's parents are Mr. and Mrs. James Baggett.

The event, held in Brown-Lupton Student Center, is the climax of a year of work which has included classroom instruction in addition to almost 8,000 miles of travel in visiting outstanding ranches in the

Southwest. It marks the ninth class to finish the TCU program which was begun in 1956.

Guest speaker for the affair was Editor Walter R. Humphrey of the Ft. Worth Press, recognized for his leadership in agriculture through the Press Soil Conservation Awards Program.

The Ranch Training Program, presented in a nine-month unit, provides the opportunity to study all phases of ranch operation at first hand. The course, includes intensive classroom instruction in basic principles of land, grass, livestock, records and marketing as well as field work to illustrate how these principles are applied in actual situations. Enrollees may

earn 32 hours of college credit and certificates of completion of the course.

ATTEND CONFERENCE

Attending the Southern Texas Annual Conference of the Methodist Church convening today at Trinity Park Methodist Church in San Antonio, will be pastor Rev. Leonard Garrett and Mrs. Garrett, R. A. Harrell, alternate, and Mrs. Harrell, and Mrs. Harrell from the Ozona Methodist Church.

Dr. J. Wallace Hamilton, pastor of the Pasadena Community Church of Pasadena, Fla., will be the conference preacher.

Castigates LBJ For Right-to-Work Law Repeal Stand

William T. Green, of Fort Worth, President of the Texas Manufacturers Association, on hearing the President's new labor message, said, "This is the greatest disservice any responsible governmental official could do to the workingmen of this nation and to the businesses that provide them with employment."

"Right to work laws were never aimed at destroying Unions in this country. Rather they were brought into being to maintain a healthy balance between labor and management. This they have done."

"Actually, the issue boils down to one point - compulsory unionism as opposed to voluntary unionism. Union leaders feel they cannot gain the power they so avidly seek without compulsory unionism, therefore they want Section 14B of the Taft-Hartley Law repealed."

"There has been a general shift in governmental power and control over the past 20 years from the local state scenes to Washington, D. C. With it has come some surrender of personal freedoms. There has also been a corresponding shift in power and control from labor union members to their leaders. With this shift, freedom of action by union members is moving in the direction of forced compliance with the decisions and policies being made by a few union leaders - frequently contrary to the overall wishes of their membership."

compliance with the decisions and policies being made by a few union leaders - frequently contrary to the overall wishes of their membership.

"A concerted effort must be made by all Americans who are truly interested in the future of the United States to thwart this power-grab attempt on the part of union leaders that now has the sanction of no less than the President of the United States."

Nonie Conklin Receives Degree

Miss Linora Jane (Nonie) Conklin, daughter of Mrs. W. P. Conklin of Ozona, was among the 107 graduates of Texas' oldest university, Southwestern University at Georgetown, receiving degrees at the 125th commencement exercises last Saturday.

Miss Conklin majored in Music Education with a minor in piano for the Bachelor of Music degree. She was a member of the Organ Guild, Student Christian Association, the Spanish Club, University orchestra, choir and band.

John Rosenfield of the Dallas Morning News editorial staff, delivered the

commencement address. Bishop W. Angie Smith, resident Bishop of the Oklahoma-New Mexico Area of the Methodist Church, gave the baccalaureate sermon.

Mr. and Mrs. Frank Janes and family left Saturday for Ruidosa, New Mexico, where they plan to attend a camper rally and then travel on to Colorado where Mr. Janes will attend the University of Colorado at Boulder for a summer course.
