Postal Savings No Longer Earn

United States Postal Savings Certificates which are on deposit at post offices will cease earning interest for depositors today.

Over 90 million dollars is still in the program, which was discontinued a year ago today, and no deposits have been accepted since that time. June 30 all money remaining in the fund will be turned over to the Treasury Department until liquidated. The money will be available for payment without time limitation when proper claims are received.

Postmaster Floyd Hokit suggested that Postal Savings depositors close out accounts and invest in U. S. Savings Bonds or the new Freedom Shares which will pay 4.7% interest on May 1. Holders of Postal Savings certificates may redeem them at the post office where they were issued. The postmaster in charge will provide all necessary forms and assistance.

SUPPER BRIDGE

Mr. and Mrs. Carl North and Mr. and Mrs. Tom Montgomery were hosts to the Supper Bridge Club Friday night at the El Sombbrero Restaurant.

Winning high score prize were Mr. and Mrs. Roy Killingsworth, with Mr. and Mrs. Gene Lilly winning low. Mr. and Mrs. Bill Cooper won the bingo prize.

Postal Rate Hike On International Mailing Announced

An increase in international surface and airmail rates will go into effect Monday, May 1, except for mailings to members of Armed Forces overseas and mail addressed through APO and FPO designations, postmaster Floyd Hokit announced today.

The first increase in international rates since 1961, the Postal Department proposed the rate raise in order to help offset a deficit of around \$16 million in international mail operations.

Specific information on the new rates can be obtained from the service window at the post office. An increase of 13% is the overall average in the international rate.

Rates for Canada and Mexico correspond to U. S. domestic rates, which are set by Congress, and are not being changed at this time, Hokit added.

Romanticism Theme Music Club Meet

The Ozona Music Club met Thursday evening, April 20th in the home of Mrs. R. A. Harrell with Mrs. J. C. Schroeder as assisting hostess. The meeting opened with group singing of the Club Collect and the Hymn of the Month.

Following a brief business meeting Mrs. Rudolph Oehler, president, presented the program on "The Triumph of Romanticism", giving interesting facts and comments about the lives of Schumann, Mendelssohn and Chopin. Piano compositions by these composers were played by Mrs. George Russell, Jr., playing "Venetian Boat Song No. 1" by Mendelssohn, Miss Judy Barber, pupil of Miss Cleona Quitt, played "Scherzo in E Minor" by Mendelssohn and "Whims" by Schumann, and Karen Chapman and Theresa Shaw, pupils of Mrs. Oehler, played "Hunting Song" by Mendelssohn and "Nocturne" by Chopin, respectively.

A saad plate was served to eighteen members and guests. The evening closed with informal singing accompanied by Mrs. Steve Kenley.

By A. R. Rutherford

In the history of sports, basketball is the first and so far, only deliberately invented game ever to become a success. All of our popular sports have naturally evolved from more primitive forms with the result that they keep developing along the lines that make them popular. However, basketball was at first considered too tame as invented by James Naismith, physical education instructor at the YMCA training school at Springfield, Massachusetts. It was the Oriental devotees of the game to take the sport iron out its unpopular kinks, and make it a popular success.

EDITORIAL
 Do we appreciate the law officers enough? We fail to realize that these people are there only to help us not to hinder us. They are not interested in ruining our fun. They are just doing their job protecting us from others and ourselves. These people spend many hours away from their families protecting the rest of the community. They have seen terrible wrecks, murder people, and destroyed property. They know we like to drive fast and hot rod, but they also know what the final outcome can be. Let's think about what these men are trying to do for us, not what we think they are doing against us.

QUESTION

What makes you madder than anything else?
 Eugene V—getting thrown off a shetland pony.
 Tony C—breaking a pole the day before Regional.
 Joe Bob—running out of energy on the last lap of the mile run.
 Mrs. Tallafarro—students who think that school is already out.
 Barbara D—being called stupid!
 Kay Fox—my brothers.
 Lenora—for some one to say they're coming over and they don't show up.

SUMMER SCHOOL

For those who have not yet heard, Ozona High School will have a summer school program in effect this summer. Subjects to be taught are Algebra I and English I. The classes will last 7 to 8 weeks, five days a week, for three to four hours a day.

Classes will be held in the morning starting at 8 a. m. The charge of the course will be \$30 for the entire course. Brooks Dozier will be the Algebra I instructor, and Joe Mariett will be English I instructor. The starting and closing dates will be released later and the classes will be held in the new library. Contact Mr. Peito or Mr. Sikes, for further information.

SPORTS!

by Janie Edgerton
 Several of the members of the Lions Truck Team traveled to Lubbock for the Regional Truck Meet. Ozona qualified for the finals in all events but the hurdles. Tony Cullins placed 4th in the pole vault at a height of 11' 6". George Cox won the 220 while Maggie Galindo placed 4th in the Mile Run.
 Ozona's mile relay team consisting of Derold Maney, Fleet Coates, Rodney Pagan, and George Cox won 1st place. Gary Sutton won both the Discus and Shot Put Events. The team totaled up 67 points and brought home a Regional victory. Congratulations, boys! Good Luck at State, May 6.

BAKER JEWELERS

Recipe of the Week
From
Kitty's Kitchen

For a truly elegant spring brunch, serve your guests Lemony-Herbed Eggs in Pastry Boats.

They are a gourmet item, but really quite simple to prepare. The boats are easily made with pastry mix, and then filled with poached eggs, topped with a simple herb sauce which has been livened with lemon juice and enriched with grated parmesan cheese.

Pastry mix for one-crust pie.

8 four inch heavy aluminum foil circles.

1/2 cup melted butter
1/2 to 1/2 cup lemon juice
1 cup grated Parmesan cheese

1 tbs. chopped chives
1 tbs. chopped parsley
1/2 teas. tarragon
8 eggs

Prepare pastry according to directions on package. Roll pastry to 1/8 inch thick; cut into 8 four-inch circles. Prick with a fork. Place pastry circle on aluminum foil circle, bend up 2 sides and pinch ends together to form a boat. Place on baking

sheet and bake in 450 degree oven until golden, about 10 minutes. To make herb sauce combine remaining ingredients except eggs, and heat. Poach eggs. Arrange eggs in pastry boats and serve with warm herb sauce.

Sarasota, Fla.—Mr. and Mrs. B. L. Taylor of Ozona, Texas enjoyed a visit to Sarasota, Jungle Gardens while vacationing on Florida's Lower West Coast. Here the visitors mingle with flamingos and other rare and unusual wild fowl from every Continent, which roam freely in these world-famous Gardens.

New Multipay —

(Continued from Page One)

Second McKee producer and a location east and slightly south extension to that pay was indicated with the flowing of 70 barrels of 43.2 gravity oil in 35 minutes, plus gas at the daily rate of 600,000 cubic feet daily, at Gulf No. 3-E Tippet, in 36-31-H&TC.

On the one-hour test at 5,825-70 feet, gas surfaced in four minutes, mud in 14 minutes and oil in 17 minutes. It cleaned to pits 25 minutes and then flowed the above gauge. Recovery below the circulating sub was 90 feet of mud. Flowing pressure was 737-1,367 pounds; two-hour final shut-in pressure, 2,463 pounds.

Drilling was scheduled on a 7,000-foot Ellenburger contract.

The field opener, Chambers, & Kennedy, Midland, No. 1 Amacker, was finished Dec. 22, 1966 for 126.89 barrels of oil through a 14-64-inch choke and McKee perforations at 5,850-864 feet; and for 144.04 barrels of oil through a 12-64-inch choke and Ellenburger open hole at 6,598-939 feet.

The proposed Hueco opener of the Tippet field, Southwestern Natural Gas Inc., Houston, No. 2 Tippet, was finished April 13 for 240 barrels of 39 gravity oil, plus 10 barrels of load water, through a 16-64-inch choke and perforations at 4,880-4,930 feet.

A triple producer, it was finished as a third 4,950-foot Wolfcamp producer and a 1 3/4-mile northwest extension to the same field, for 168 barrels of oil through a 16-64-inch choke and perforations at 4,971-982 feet; and as a second 5,000-foot detrital producer and a 3/4-mile east extension to that pay in the Tippet, West field for 192 barrels of oil through a 16-64-inch choke and perforations at 5,017-030 feet.

Shell Oil Co. No. 1-37 Tippet, in 37-31-H&TC, one location northwest of Southwestern Natural 2 Tippet, recovered 460 feet of very slightly gas-cut mud on a straddle packer drillstem test at 4,870-4,960 feet, identified as lower Leonard. Operator was taking pressure.

Slated to 5,700 feet, it was bottomed at 5,970 feet.

Mr. and Mrs. Oscar Kost and Mr. and Mrs. Al Fields spent the weekend in Houston and Galveston.

Girl Scout Plans Discussed At Meet

A special meeting of Girl Scout Troop 13 was held Thursday night in the home of troop leader Mrs. Lawrence James. Parents of the girls were in attendance and troop problems were discussed.

The meeting was called to order by the president, Georgette James, who led the group in the Girl Scout Promise. Charlene Strickland called the roll, with each Scout answering with a Girl Scout law.

A discussion period followed, which included the flower show, driver's education and the coming day camp. The group voted to have a complete home unit for the troop at the camp.

Mrs. Sam Fitzhugh, assistant leader, asked for volunteers to paint unit boxes. The entire troop volunteered and the chore was completed Saturday.

The girls voted in favor of meeting throughout the summer.

Charlene Strickland, program chairman, presented Debra Wellman, who wore an old fashioned Scout uniform, and Miss James who wore a modern Scout uniform. A panel discussion followed on scouting from its beginning until the present. The entire troop took part.

The refreshment committee served cherry pie and coffee or tea. After thanking the mothers for being present, the meeting was adjourned.

GIRL SCOUT PARTY

Girl Scout troop 80 Cadettes sponsored a party Monday for children from the ages of 3 to 7.

The Scouts served sandwiches, cookies and punch to the group.

Scouts present were Christy Davidson, Rhonda Elledge, Deborah Matthews, Wynonne Webb, Devonna Bemming, Sandra Sands and Beverly Whitehead.

Members Exchange Historical Tales At Society Meet

The Crockett County Historical Society met Monday evening, April 24, in the Civic Center for its regular quarterly meeting. Following a brief business session Dr. W. B. Robertson, president, called on members and guests to give talks on some phase of County history.

A most interesting discussion followed with Mrs. Leonard Garrett and Mrs. James Weant exhibiting a small portion of their bottle collections. Mrs. Garrett told how middens, or dumps, reveal much about the lives of local people — what they ate, medicines used, perfumes and powders used, among other things. She stated that "Glass Purpling" was among the oldest of hobbies with examples at least 4,000 years old being in existence. Only glass made before 1900 turns the vivid hues with exposure to sunlight over long periods of time due to the chemicals used in the glass making process. Newer methods do not use many of these materials. Mrs. Weant and Mrs. Garrett pointed out that the collecting of such glass has become a significant business in many areas.

Mrs. Ted M. White gave notes from her thesis on the construction of the Ozona Junior High School building pointing out its many contemporary details in spite of its many years of use. The building is still most comfortable and adaptable to modern use.

Dr. Robertson exhibited a mattress made of buffalo hair which was owned and used by his great-grandfather, an early citizen of Menardville. It is still springy and easily laundered, Dr. Robertson stated.

Ted M. White told a humorous story of a search for gold participated in by several local citizens, and Mrs. B. B. Ingham related the story of a traveler on the Pecos. Mrs. R. A. Harrell displayed a map of the trails in Texas from 1840 to 1800, pointing out Fort Lancaster on the shorter Lower Road from San Antonio to El Paso.

The next regular meeting will be the fourth Monday in July and the public is cordially invited to all meetings of the Society.

BANANA SPLIT PARTY HONORS SENIOR GIRLS

Ozona High School senior girls were honored at a banana-split party Monday afternoon at the home of Mrs. L. D. Kirby with Mrs. Ted White co-hostess.

Those present were Jill Applewhite, Esther Williams, Gloria Gilbert, Cora Kay Coates, Robbier Miller, Connie Bradford, Lelle Mitchell, Cynthia Appel, Barbara Davidson, Patsy Walker, Kay Kyle, Kathy McAllister, Lenora Farris and Janie Edgerton.
