Rev. Jim Hancock

Rev. Jim Hancock New Pastor First Baptist Church

Rev. Jim Hancock began his duties as pastor of the First Baptist Church Sunday. He came to Ozona from Matador with his wife, Patsy, and two children, Jana, 2, and Jay I. He had been pastor of the First Baptist Church there for two and a half years.

Rev. Hancock is a native of Lubbock and graduated from Lubbock High School. He attended Texas Tech. before transferring to Baylor where he graduated. He attended the Southern Baptist Theological Seminary in Louisville, Ky., where he was youth director at Kenwood Baptist Church.

He served a pastor of the Patriot Baptist Church in Madison, Indiana before accepting the pastorate in Matador.

He replaces Max Brown, who left here several months ago to become pastor of the First Baptist Church in Hamlin.

Spencer Welding Gets Contract For Maintenance Bldg.

Contract for erection of a steel maintenance building on a lot just east of the school cafeteria was awarded to C. O. Spencer, local welder, at a meeting of the school board Tuesday afternoon when bids on the project were opened and read.

Spencer was awarded the contract on his low bid of \$10,359.70. Lily Welding Service of Ozona had the second lowest bid, \$12,061.23. M. Ray Steel Buildings bid \$12,574 and Brian Hall of El Paso bid \$13,792.

The building will house equipment and supplies for the building and grounds maintenance crews of the school and offices and records pertinent to that department.

The pre-fabricated steel structure is to be erected on a concrete slab.

Confessed Forger Gets 2-Year Term

Thomas Fred McClain pleaded guilty before District Judge Charles Sherrill Monday after waiving jury and received a 2-year sentence for forgery.

McClain, who was indicted by the grand jury in its last session, was charged with passing a forged check to Ozona Oil Co.

Pfc. Lucio Mendez, Jr., son of Mr. and Mrs. Lucio Mendez, received the Distinguished Trainee Trophy upon completion of his U. S. Army training at Fort Ord, California recently.

Pfc. Mendez, who attended schools here, left May 24 for an assignment in Germany.

Red Cross Drive Said Short \$250 Of Chapter Goal

Crockett County's 1967 Red Cross Fund Drive is still lagging \$250 from the local chapter's goal, Drive Chairman Hanson Clark said this week.

The chapter was assigned a goal of \$1200, partly to replenish the local chapter funds and the balance to go to the national organization which has been pressed the past year because of relief demands resulting from the widespread damage from storms, floods and other disasters.

Persons who have not yet been contacted for a Red Cross donation are asked to bring or send their donations to the Ozona National Bank, to the Stockman office or the Crockett County Water District office — or hand or mail it to Mr. Clark.

Dr. Curl New Ozona Methodist Church Pastor

Members of the Methodist Church held a far well party for Rev. Leonard Garrett and his family Tuesday night before the Garrett moved to Mission Wednesday. Rev. Garrett will pastor the First Methodist Church there.

Dr. R. F. Curl will replace Rev. Garrett as pastor of the Ozona Methodist Church. Dr. and Mrs. Curl will arrive today and he will be on hand for both services Sunday.

Dr. Curl has been superintendent of the San Antonio District of the Southwestern Texas Methodist Conference for the past four years and has been a member of the Judicial Council of the Methodist Church since 1956. He taught at Perkins School of Theology at S. M. U. before accepting the post in San Antonio. Before his teaching assignment, he pastored many churches including the First Methodist in Del Rio.

Dr. and Mrs. Curl have a son and a daughter, both married and grandchildren.

Armstrong Tops Field Of 80 In Ozona Tourney

A field of 80 golfers from Ozona and the surrounding area participated in the annual Invitational Golf Tournament at the Ozona Country Club over the weekend.

Boots Armstrong of Big Lake won the championship flight with a 27-hole total of 104, followed by Troy White, also of Big Lake, with a 108. Beanie Burleson of Midland was third at 109 as Bill Clegg of Ozona and H. C. Allen of Big Lake tied for fourth at 111.

Thirty-two golfers started out in the championship flight and after nine holes the bottom sixteen were moved to the president's flight for the remaining 18 holes.

Jerry Davis of Big Lake won the president's flight with a 117. Les Baker of San Angelo was second with 118. Third place winner was George Johnson of Sonora with 119. George Kyle and Terry Page of Big Lake tied for fourth with 120.

First flight winner was Charles Bailey, runner-up was John Childress with consolation going to Winston Koerth. Consolation runner-up was T. J. Bailey.

P. L. Childress was winner (Continued on Last Page)

Young Couple Critically Hurt In Hiway Crash

News was received here this morning that Mrs. Davis died of her injuries late Tuesday night at Wilford-Hall Hospital, Lackland AFB, San Antonio.

A young man and his wife were critically injured about 8 o'clock Monday night when the 1960 Falcon they were driving went out of control on a curve on Bachelor Hill 21 miles west of Ozona on Hwy 290.

The car, driven by Frederick Davis, Jr., USN, and traveling east toward Ozona, went out of control when it ran off the right side of the highway onto the shoulder. In trying to regain control, the driver careened across the highway and crashed into the canyon on the left side of the highway, rolling over several times before coming to rest at the bottom of the canyon.

Davis, 22, was accompanied by his 17-old-wife. Both were critically injured and after examination in the Crockett County emergency room, were transferred to Shannon Hospital in San Angelo, suffering multiple fractures, lacerations and internal injuries.

They were flown to Wilford-Hall Hospital at Lackland AFB early Tuesday morning where both are listed in critical condition.

On leave from the Navy, the young couple was believed to be on their way to New Orleans.

Bill Everett Wins Sheep-Goat Raisers Award

Bill Everett, son of Mr. and Mrs. Tom Everett of Ozona, won the Texas Sheep & Goat Raiser Award at the Area 11 FFA Assn. Convention in San Angelo last weekend. The award, presented by the TSA&GRA, is given to the FFA student having the most outstanding Sheep & Goat production program in the area.

Bill competed in various FFA activities throughout his high school career. In vocational agriculture classes he participated in different leadership contests including junior and senior chapter conducting, FFA quiz and junior farm skills. He also competed in range, wool and mohair contests. Bill has been a member of the Livestock Judging Team, qualifying for the state contest both years he was a member, and has participated in the Area and State FFA Convention activities. He was awarded the coveted Lone Star Farmer Degree at the State Convention last summer in Austin.

His project program has included feeding lambs for mutton production and breeding Angora goats for the past four years. He started his agriculture program with 38 Angora does for breeding and since that time has increased his herd to 103 breeding does, 30 does for development and 10 Angora bunnies. All are registered goats.

After winning the Area Award, Bill will be eligible for the State Award. His records will be sent to the State Checking Committee where the State winner will be determined. Winner of the State Award will be announced in July at the State FFA Convention in Dallas.

Court Adopts New Safety Rules For Swimming Pools

The Crockett County Commissioner's Court met Monday and adopted two new rules for the county swimming pools, which will be strictly enforced by the operators of the pools.

The first, and most important, rule states that all children under six years of age must be accompanied by a responsible person. This rule will be enforced by the pool manager.

Second, all children from 6 to 12 must be able to swim to the satisfaction of the pool manager in order to be allowed admittance to the pool without supervision.

Prices this year have been raised to 15 cents for children and 35 cents for adults.

Moore Oilers Sack Up First Half LL Title

In Little League play Thursday, Moore Oil won the first-half championship by downing Flying W Ranchers 2-1 in the most exciting game of the season. Good pitching and outstanding defensive plays gave fans thrills by the dozens. After trailing 1-0 from the third inning, the Oilers scored 2 runs in the bottom of the sixth to wrap it up.

Jeffrey Stuart pitched an outstanding game for the Ranchers, backed up by some of the finest defensive play of the season from his team mates, including 2 double plays. Tony Borrego started for the Oilers, giving up one run on three base hits in the third inning. He was relieved by Ned Stephens, who held the Ranchers to no runs and no hits in the last three innings. Stephens had 7 strike-outs in the three innings. Borrego had one strike-out and Stuart none.

Ozona Oil won its third straight game of the season in the first game of the night against B&B Grocers by the lop-sided score of 13-7. Jack Baggett was the winning pitcher and Melecio Martinez the loser. The highlight of the game was four home runs, two by the Oiler's Gerald Huff (one a grand slam), one by Jack Baggett and one by B&B's Sammy Tambunga.

Thursday night ended first-half play for the teams. Moore Oil had a 6-3 record, followed by Flying W with a 5-4, B&B third with 4 wins and 5 losses and Ozona Oil bottom with 3-6. There will be no games this week and second-half play will begin next Monday night at 6:30 with Flying W pitted against Ozona Oil and Moore Oil playing B&B Grocers.

Baseball Friday Night-Tigers vs Eldorado Eagles

Ozona Tigers baseball team will host the Eldorado Eagles on the Powell Field diamond here Friday night.

The Tigers are fresh from a 6 to 1 victory last Sunday afternoon here over the Del Rio Rams.

The Tigers will go to Del Rio Sunday afternoon for a game with the powerful Del Rio Texans. The Texans, bolstered by a hot-shot hurler from Mexico, thrashed the Tigers soundly on the local diamond earlier in the season.

Funeral Service Here Sunday For Mrs. Augustine

Funeral services for Mrs. W. H. Augustine, 92, were held Sunday afternoon from the Ozona Methodist Church with Rev. Leonard Garrett officiating. Burial was in Cedar Hill Cemetery under the direction of Janes Funeral Home.

Mrs. Augustine died Friday in the Crockett County Hospital after a lengthy illness.

She was born November 3, 1874, in Collin County, Texas. She was married to Wm. H. Augustine November 23, 1898. They moved to Ozona the same year. Mr. Augustine, who preceded his wife in death in 1931, was in the ranching business and served as sheriff of Crockett County from about 1920 until 1928.

Survivors include 2 sons, Walter W. Augustine and Robert Augustine, both of Ozona; three daughters, Mrs. Hurst Meinecke of Ozona, Mrs. Helen Taylor of Houston and Mrs. Karl K. Kreamer of Houston; two brothers, Charles George of Dallas and John George of Fort Worth; six grandchildren and three great-grandchildren.

Cars Damaged In Street Collision

An automobile accident at the corner of Ave D and 8th St. late Monday afternoon damaged two automobiles, but the occupants escaped without injury.

Marilyn Millsbaugh, driving a late model Chrysler, was traveling east on 8th St. After turning right onto Ave D, the automobile was in collision with an old model Chevrolet driven by Elizabeth Jones and traveling north on Ave D.

Damage to the automobiles was estimated at around \$150 on each vehicle.

Tippett Field Gets Triple Pay And Dual Opener

A dual pay opener was indicated and a three-pay confirmation completed in one Crockett County field, completion attempt was slated at a dual prospect confirmer in another field.

A dual gas-distillate discovery was indicated one location southwest of the 5,000-foot Wolfcamp detrital oil opener in the Tippett West (McKee) Ellenburger and detrital oil field, with the flowing of gas from two zones at Shell Oil Co. No. 1-36 Tippett, a 36-31-H&TC, nine miles south of McCamey.

Operator perforated at 4,862-68 feet, 4,970-74 feet; 4,956-68 feet; 5,050-54 feet; and 5,058-60 feet.

Perforations at 4,862-68 and 4,870-73 feet, possibly Hueco, have not been tested.

The field has three Ellenburger, four McKee and four 5,000-foot detrital producers. One of the detrital producers, which was a 3/4-mile east extension to that pay, was triply completed as a Hueco oil discovery and a third 4,950-foot Wolfcamp producer and a 1 3/4-mile northwest extension to that pay in the Tippett multipay oil and gas field.

The Tippett, West field gained its third Ellenburger well and a location east-southeast and the same distance south-southeast extension (Continued on Last Page)

THE LAST STRAW

That does it!!
A few days ago the Associated Press filed a story from Calcutta, India, which reads: "India has its own equivalent of Mother's Day and Father's Day. It's called Gopastami. But instead of honoring parents, the country's Hindu majority uses the occasion to worship cows. The festivities open with the raising of a slogan saying 'Go Mata Ki Jai' ('Long Live Mother Cow'). Then the annual ritual begins, with the washing of the cows' feet and the garlanding."

And that's as far as we could bear to read.
The India folder in the file drawer says that four administrations in Washington have borrowed \$5.5 billion dollars from US taxpayers so as to make economic grants to India. The precise number of millions of dollars' worth of military aid sent to India is "classified".

India's own Board of Agriculture, if you'll pardon the expression, has estimated the loss from maintenance of useless cattle at \$385 million — a year. The rat population of the country, estimated at 24 billion rats, consumed 26 million tons of cereal grains last year, and the year before that, and probably more in earlier years.

And people parade shouting "Long Live Mother Cow".
The cows have to be smarter than people.
Not too many years ago the moon was an inspiration to lovers and poets. A few years from now it's just going to be another airport.

OUR RECORD IN ASIA

The mass protests against United States involvement in the Vietnamese war, which drew 125,000 people to New York and some 50,000 to San Francisco a few weeks ago, stirred debate concerning the purpose of the peace movement, the character of the participants and the effect of their actions on the course of the war in which this country is now engaged.

In the first place, there seems little doubt the general effect of peace activities is to prolong and intensify the war in Viet Nam. Such demonstrations are reported as a matter of news in the U. S. press as well as by news media throughout the world. Not understanding the workings of a free press, the daily newspaper in Hanoi, the official government voice has observed, "The thunder of protest is rumbling from one (U. S.) city to another. This clearly shows that the movement against the aggressive war in Viet Nam has become a mass movement which is drawing millions of people into a resolute struggle. It really has become a second front against U. S. imperialism right on U. S. soil."

Although few in numbers, there is apparently no question but what communist party members have provided much of the leadership for the hard core anti-Viet Nam campaign. The vast majority of the participants in the movement are not communist and are either ideologically ignorant or determined to ignore the character of their associates. Communism, whether it be Russian, Chinese or North

Vietnamese has a common interest in preventing military or political victory against its objectives in south-east Asia. Russian interest in an early end to the war has been lessened by Chinese agreements to permit free passage through Chinese territory of Russian arms and supplies destined for North Viet Nam. This has assured the military ability of Hanoi to continue the war and lessened the danger of Russian shipping running head on into the U. S. Navy should a coastal blockade be established. As a result of this new flow of military assistance and the false encouragement which Hanoi has gained from peace protests in the United States, any realistic hope of ending the war this year is gone.

It now seems clear that the communist purpose in prolonging the war is to extend the conflict if possible into the election season of 1968 on the theory that this would afford greater opportunity to writing concessions from the Johnson Administration. But, as many authorities point out, there could be an opposite reaction — U. S. escalation of the war compelled by the fact that any settlement resulting in U. S. political or military retreat in south-east Asia would destroy American prestige and influence in that area of the world and be rejected by the vast majority of people in the United States. It appears that North Viet Nam, as well as our peace marchers in this country, have become pawns at this stage in history to be used at will by the strategists of international communism in their long term struggle to triumph over the civilization and democratic philosophies of the Western nations, most notably the United States.

This struggle, focused now in Viet Nam, comes against the backdrop of genuine American success in Asia. Since World War II, this country's capital and guidance have resulted in the redevelopment of Japan, soon to rank third in industrial power and now established as a stabilizing force in a large part of Asia. Taiwan is a self-supporting na-

tion prospering and running its own affairs. Thailand, a strong U. S. ally, has entered a period of rapid development. Indonesia without Sukarno and rid of communism has the way open to move ahead. Even India, still spinning its wheels and resisting change, may yet have to take hold of its problems and help itself. The American record in Asia should be more generally recognized. Stabilization of Viet Nam would open the door to real Asian progress, and there is no question but that the tactics and the timing of the U. S. presence in that country holds vast import for hundreds of millions of Asian people.

Washington News Letter

Congressman O. C. Fisher

The Great Society is not popular in the 21st district. More than 8 out of every 10 (84%) feel that way about it. And by a similar percentage they want more military action in Vietnam in order to achieve a decisive victory.

Returns on the recent questionnaire have been very satisfactory — giving us a fairly accurate cross-section of public opinion in our 27-county district. Tabulation of answers have been completed, and the results are most revealing.

If choosing between a reduction in nondefense spending and a tax increase, 91.1% favor the former. And nearly three-fourths (73.2%) oppose

extending medicare to disabled who are under the age of 65. And three-fourths want no increase in social security to provide more benefits.

A thumping 97% dislike the idea of having the government guarantee a minimum annual income of \$3,000, whether recipients work or not.

Open housing (allowing a property owner to sell or rent to whom he desires) is favored by 89.3%.

Like wise, they solidly oppose (87.3%), giving Federal jurisdiction over selection of juries in State courts. Our people are also united in their belief that labor unions should be under the anti-trust laws, with 81.8% feeling that way.

Allowing each state to apportion one house of its state legislature on factors other than population, was favored by 45.6%, with 33.9% op-

posed, and 20% favor it. The Great Society favorite — has Sam subsidize rent was manged by ping 90.2% against only 5.7% favor this scheme elig would pay no more of their monthly rent, with the balance paying the balance.

The War on Poverty worth the cost, of 87.5%. Only 6% program has been money.

More than two favor our Right-to-work and 82.2% thinking and prayer permitted in public on a voluntary basis.

The United States has a rather blue-nosed attitude toward some sports and pastimes, and our government supposedly reflects the will of the people. We have no complaint with the law. One was terrifically popular here in America until outlawed. This was cockfighting, the violent game to the death between courageous, fighting cocks. In other parts of the world, the sport is acceptable and popular. The cocks are fine examples of valor and perseverance, regardless of the odds. It is to be supposed that the reason for the illegality of cockfighting here is that it has gotten a shady reputation from its connection with gambling.

FIRST GROUP: It is important to you who enjoy the privileges of credit being extended to you. If you pay your bills promptly, by the tenth - you are in a "select group", and you maintain your place in this group by continuing to pay your bills on time.

SECOND GROUP: It is important to the merchants who grant you this credit privilege. They learn on whom they can depend to maintain their standard of good business and friendly relationships. They appre-

ciate the opportunity of being able to choose from this "select group" the "cream" of the customer "crop".

THIRD GROUP: It is important to your local Retail Merchants Association - the Credit Bureau - who is able to keep your credit rating in this "select group" only as you yourself maintain it by payment of all bills promptly. We are sorry when we are forced to drop your name from this group because you have defaulted in your "promise to pay promptly."

Remember we only KEEP the record - we do not MAKE the record.

Recipe of the Week From Kitty's Kitchen

Strawberry Dessert

2 envelopes unflavored gelatin. 2 pkgs (10 Oz each) frozen strawberries thawed. 1/2 teas salt. 1/2 cup sugar. 1 cup milk. 6 egg whites. 1 pint cream (whipped). Sprinkle gelatin over milk in 2 1/2 quart saucepan to soften, place over low heat. Stir constantly until gelatin dissolve, 3 to 5 minutes. Remove from heat, stir in strawberries. Beat egg whites with salt in large bowl until stiff, but not dry, grad-

ually add sugar; beat until very stiff, fold in strawberry mixture, fold in whipped cream, turn into mold and chill until firm.

Perfection Dessert

1 large graham cracker crus. 1 cup Eagle Brand milk. 2 lemons. 1 can crushed pineapple, drained. 1 can Queen Ann Cherries, drained and chopped. 1 cup pecans, chopped. 1 pint whipping cream. Mix fruit and nuts into the condensed milk and juice of the lemons. Whip cream into fruit mixture and pour into crus. Top with remaining whipped cream. Two delightfully delicious deserts for the hot weather we are having, full of calories but will worth indulging in.

LET'S MON PLAY BALL

Larry is in seventh heaven. He got his baseball suit yesterday, and is finally a full-fledged member of the neighborhood team.

He is the youngest one in the lot, and certainly the smallest. But he packs a great deal of leadership ability in that half-pint frame. We had not lived in our neighborhood one month, before he was bat boy and unofficial mascot. In just a few short weeks, morale improved. Two of the boys nicknamed, "Loudmouth" and "Fatso" became "Speed" and "Lefty." The boys began to cooperate and play better as a team. They moved steadily upward in the league.

You can imagine what this did to our spirits. How proud we were, and yet humble too, for we knew we could not take complete credit for his sense of fair play. You see, he has been brought up in the Church as well as in our home. It's a wonderful feeling to realize that in such a few short years our son has shown the influence of Christian training.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol Austin, Texas — Six proposed changes in the Texas Constitution were approved by the 60th Legislature for submission to the voters this fall — November 11.

These proposals are as follows: SJR 6 authorizing counties to pay medical, doctor and hospital bills of county law enforcement officers injured in line of duty.

HJR 12 providing for a \$74,000,000 parks development fund bond issue.

HJR 17 reviewing the Veterans' Land Program and authorizing a total of \$400,000,000 in bonds.

HJR 3 allowing counties to put tax money in one general fund.

HJR 27 permitting state officers and employees to hold other non-elective positions under the state or U. S. governments where there is no conflict of interests and where the state might actually benefit.

HJR 37 allowing cities and other units within hospital districts to levy taxes for participation in mental health and mental retardation community centers.

Fourteen additional amendments were approved by the Legislature for voters' consideration on November 5, 1968. These include the following:

SJR 14 giving the legislature power to authorize cities and counties to issue revenue bonds to build industrial plants for operation by private concerns.

SJR 3 revision provisions for investment of the state employees retirement system and changing provisions for its administration.

SJR 4 providing for contributions to teacher retirement system on the basis of full salary of members (contributions now are limited to \$50 a year).

SJR 24 permitting the legislature to exempt from ad valorem taxes equipment used in air or water pollution control.

SJR abolishing the state property tax by 1976.

SJR 37 allowing Dallas County to issue road bonds on vote of a majority of property taxpayers.

SJR 41 raising state welfare spending ceiling from \$60,000,000 to \$75,000,000 a year.

HJR 16 providing for ad

James G. Brown & Associates, Midland, were running pipe, size and seat unreported, at the No. 1. C. T. Harris, in 12-3-WCRR, Crockett County unidentified multipay prospect, 23 miles southwest of Big Lake and 1 1/4 miles north of the Escondido (Ellenburger, Fusselman and lower Pennsylvanian) field.

Drilled to 9,410 feet on a 9,600-foot Ellenburger con-

tract, it flowed oil at the estimated rate of 50 barrels per hour and gas at the estimated rate of 5 million cubic feet daily on a test at 8,583-93 feet, possibly lower Pennsylvanian or Devonian. Reversed out was 21 barrels of oil. Total recovery was 71 barrels of 44 gravity oil.

Also it flowed gas the estimated rate of 15 million cubic feet and oil at the estimated daily rate of 600 barrels during the eight hours the well was out of control when it blew out as drilling reached 8,937 feet, possibly in the Fusselman.

McGrath & Smith, Inc., Midland, has shut in preparatory to taking potential the No. 1-B Todd Ranch, in 47-UX-GC&SF, indicated second producer and 1,750-foot southeast extension to the Howard Draw (1,165-foot San Andres gas) field, 20 miles northwest of Ozona.

Production was assured earlier through perforations at 1,151-84 feet.

The discovery, the firm's No. 1-A Todd ranch was finished Jan. 23 for a calculated absolute open flow of 26.5 million cubic feet of dry gas per day through perforations at 1,165-1,222 feet.

Mrs. Sam Bosworth of Galveston has been a visitor in the home of her sister, Mrs. Mae Gibbs.
