Former Ozonan Dies In Houston After Seizure

Mrs. Jerry Beasley, 28, died at 11:00 a. m. Wednesday in a Houston hospital after being stricken with a cerebral hemorrhage at her home in Houston the previous Wednesday night. Funeral services are pending at James Funeral Home. Mrs. Beasley never regained consciousness after the seizure. She had been in apparent good health before the fatal attack.

Mrs. Beasley, the former Cecilia Ann Cooke, was born in Boerne February 10, 1939. The daughter of Mr. and Mrs. Cleophas Cooke, she lived in Ozona all her life until her marriage to Jerry Beasley in Ozona in 1956. They had been residing in Houston for the past two years, where she was employed with NASA. Mrs. Beasley was a member of the Baptist Church, a descendant of one of Crockett county's pioneer families.

Surviving are her husband two daughters, Karen, 10 and Leann, 8; one son, Wade, 6, all of the home; her parents, Mr. and Mrs. Cleophas Cooke, two brothers, David Cooke, of Ozona and Bob Cooke of Morehead City, N. C.; her maternal grandmother, Mrs. S. E. Norris of Boerne; two nephews, and numerous aunts, uncles and cousins.

Iran To Oppose Jr. High Cubs In Opener Tonight

Ozona Junior High Cubs will open their current football season tonight when they play Iran on the home field. The Lion-B will follow in a game with the Brave-B team. The first game starts at 6 o'clock.

The Lion-B dropped its opener Saturday night at Junction by a whopping 40-12 score. The first half proved disastrous for the young Lions, as a fired up Junction team ran over them for 5 touchdowns and ran successfully for the extra two points twice. At halftime the score was 34-0 with the big Junction defense allowing the Lions only one first down.

However, the second half saw the Lions moving the ball on offense and the defense held the Eagles to only one id. The Lions got on the scoreboard late in the third quarter, when a drive downfield saw half-back Tommy Jenkins hit paydirt from 15 yards out. The try for the extra point failed. Late in the fourth quarter, the Lions scored again on a 40 yd. pass play from qb Jim Montgomery to end Cuatro Davidson, both freshmen.

South Elementary PTA Opens Season

Mrs. Walter Spiller's third grade won the room count. Refreshments were served after the meeting.

Miss Gracie Chandler of Gatesville has been visiting with her parents, Mr. and Mrs. E. H. Chandler for a few days.

BEAUTY OUR HERITAGE— MIDLANDER 'DISCOVERS' OZONA ONLY TO FIND MANY FRIENDS HAD ALREADY DISCOVERED ITS BEAUTY

Every Ozonan who takes pride in the place where he lives, all those who have, through the years, worked for a cleaner, more beautiful town, must feel a special glow of satisfaction upon reading the brief letter below, received by the Stockman the past week from a lady in Midland.

In the course of business, the Stockman publisher made inquiry about a product of a Midland firm and it fell the lot of Mrs. Virginia Campbell of Campbell Paper Co. of Midland to transmit the information. Along with the information, Mrs. Campbell charmed her correspondent with the following attached letter:

"Mr. White: "Let us offer you and the people of Ozona an informal compliment on your lovely town.

"My husband and I have driven through it many times on our way to Austin and each time it appears as a sub-tropical oasis in the middle of a desert. Once last fall we were so impressed with it that we drove all through the town just looking at the huge old trees, the well kept lawns and all the flowers.

"There is so very much atmosphere and color and we just knew we had 'discovered' something. But upon returning to Midland, and remarking about it to various people, we found that they, too, had made the 'discovery.'

"At the dedication of Midland's new County Exhibit Building, Judge Barbara Culver gave the speech and told everyone that with work and planning, Midland could not only be active in the arts (an art exhibit was on display there) . . . but could have the art make the town beautiful . . . as Ozona was beautiful.

"With our heat and sand, alkaline water and cost of plant material, it will take Midland 25 years to approach Ozona . . . if then."

On behalf of all prideful Ozona householders, gardeners, and the ghosts of the pioneers who planted the seeds of pride, as well as the roots and seeds from which sprang today's beautiful town, our thanks, Mrs. Campbell, for your inspiring letter!

New HE Teacher County Chairman For Wool Contest

Miss Jalyne Lawson, Ozona High School H. E. teacher, has recently been appointed county chairman of the Make-It-Yourself-With-Wool Contest. She will be in charge of all entries in Crockett County. Anyone interested in entering the contest may contact her at the Homemaking Department at high school.

The contest is divided into four divisions, sub-divisions include girls between the ages of 10 and 13; junior division will be ages 14 through 16; senior division consists of girls from 17 through 21 and those 21 and over will compete in the adult division.

P. O. Dept. To Distribute Zip Code Information

Postmaster Floyd Hokit announced yesterday that Zip-a-List kits will be distributed to all local box holders during the period Sept. 10, 18 and Oct. 1. Persons not receiving mail through boxes may request a kit at the post office window.

Patrons are urged to use the postal cards in the kits to obtain zip codes needed for addresses in their personal mailing lists. Each boxholder will receive eight cards with spaces for the addresses to be zipped by the post office and for the return address. No postage is needed. Users are reminded to print clearly and include their return address in order that the post office will know where to deliver the completed forms. Without the return address, it is impossible to return the forms. In addition to the kit, which is folded like a closed accordion, a separate card will be delivered to remind residents of the local zip code.

The project is part of the Postmaster General's program to make zip codes more accessible to the mailing public and thereby increase the use of the codes in mailing addresses.

Zip code is necessary all year round, says postmaster Hokit, but it is more important than ever around the holiday season. Zip Code increases mail accuracy and assures prompt delivery.

Japanese Girls Entertained Here

Cheryl Clayton spent last week entertaining two Japanese college girls, Eiko Kozumi and Hideho Yoshida of Tokyo. The two girls had finished the summer session at Harvard before their visit to Ozona.

They visited the county offices, the museum and other points of interest in town, before visiting a local ranch to watch sheep shearing. Miss Clayton was a guest in the home of Miss Kozumi when she visited Tokyo last year.

Winners in Tuesday night's Duplicate Bridge Club play were: First, Mr. and Mrs. Evert White; second, Mrs. Wilma Hayes and Miss Mildred North, and third, Mrs. Robert Cox and Mrs. Tom Montgomery.

Genar Reinberg, who has been employed as a serviceman in Ozona for the past 6 years by West Texas Utilities Company, has been transferred to Fort Davis, where he has assumed his new duties as local manager for WTU. The announcement of Reinberg's transfer and promotion was made this week by District Manager W. K. Ramsey of San Angelo.

Born in Musquiz, Mexico in 1935, Reinberg has spent the greater portion of his life in the Ozona area. Before joining WTU in 1961, he was employed by the Ranch Theatre in Ozona, and worked five years for the F. P. Findley Drilling Company.

Ranchmen Urged To Report Sales Of Wool, Mohair

Chiff Elder, Crockett County ASCS office manager, reminds ranchmen who have sold wool, unshorn lambs or mohair that they should come by the office and sign applications for 1967 incentive payments.

"You will need to have the dates of shearing and the number of head shorn, as this information must be entered on the applications. Also be sure to report any purchases of unshorn lambs, this includes unshorn buck lambs," Elder added.

Some funds are still on hand for 1967 conservation practices, Mr. Elder said. Ranchmen who plan to do such work are asked to call the office before starting the work.

STUDENTS COUNCIL PLANS PROJECTS

By Peggy Hagelstein

The Student Council of Ozona High School met last Monday morning to decide on new projects for this year.

Among the projects that the Student Council discussed for raising money were selling fruit cakes, selling bumper stickers, and sponsoring a car wash.

This Saturday afternoon a car wash will be held at Stuart Motor Company. Charge for the car wash will be \$1.00.

Members of the Student Council also plan to attain a flag and flag pole for the football field as one of their projects for this year.

TRAFFIC SAFETY AROUND SCHOOL

By Anna Mendez

Traffic! Traffic! Traffic! Seems to be the problem everywhere, everytime of the year, but to us it is most important this time of the year around our school.

Everybody is hurrying to and from school especially during the lunch period. We don't have too many accidents, but we also would like to keep it that way. Once in a while we have little accidents, not serious, but occasionally there is little damage done to another car.

Each one of us could prevent such accidents if we would only follow these suggestions.

1. Travel at 15 miles per hour or slower.
2. Watch for other students as they cross the street.
3. Stop behind cross walks.
4. Be considerate by parking correctly and staying off red painted areas when parking.

There could be other suggestions, but four should be enough to make us stop and think about safety at our school.

QUESTION OF THE WEEK

By Helen King

What would you do if you found an Vapuclibia in your locker?

Larry — Turn it loose in the hall.

Connie — Dress it in purple and gold, it may help our school spirit.

Kay F — Sell it.

Lupe M. — Put it in a jar.

Cheryl — Turn it loose on students that don't yell in the pep rally.

Jim Bob — Give it to Mr. Kenna.

Deborah — Take it with me to class, maybe it would help me.

Janet F — Shut my locker door and quietly steal away.

THE OZONA HIGH SCHOOL CHOIR

By Kay Fox

The Ozona High School Choir, under the direction of Mr. John Kenna, meets at 7:30 to 8:00 every morning in the High School Auditorium.

At the present time there are 63 members in the choir. Most of the members are girls, but there are quite a few boys also.

Elections were held for the officers of the choir on August 31. The President is Gary Sutton; Vice President, Fred Chandler; Secretary, Connie Williams; and Treasurer, David Huff.

The choir has been singing "I Believe" the "Fighting Lions", the school fight song which Mr. Kenna wrote, and "Haria".

The choir plans during the school year to give several concerts, to go on singing tours, and to participate in the Spring Contest.

GOSSIP

By Marjorie Carnes

Have there been many unfortunate wrecks lately? Was that the choir caroling in the hall last Thursday?

Debbie and Larry better watch out in the hall between classes.

We want to welcome Mike Winder back to OHS.

Are there three seniors boys that had rather go hunting instead of going to the game? Or could they just not find a ride?

What was all the excitement Wednesday? Could it have been the annuals?

Why was everyone dressed up Monday afternoon?

What has Debbie M. been flashing a round lately? Could it be Larry K's ring?

Would you believe mushy letters make Chris C. sick? Why is Marsha in a daze? Could it be Derold has left for college?

It is true Sharon L. gets a big thrill by being called "Bunny Girl"?

What is the outcome of World War III, Jacquie and Rodney?

Mr. Wells, do you believe in falling Juniors?

The Twirlers attracted some attention Friday at the Pep Rally by doing the Strip.

Sutton may think he is strong, but odor is not everything.

When Mr. Wells went to school at B. H. S., what did he do on Friday nights?

DEAR GABBY IS BACK IN TOWN

By Connie W.

Dear Gabby, who wished her identity to be kept secret for security reasons, has arrived in Ozona just in time for everyone's back-to-school problem.

Gabby, whose column will be printed weekly in the Lion's Roar, is anxious to hear all of your problems and will try to have answers for everyone.

If you have a problem, don't hesitate to write Gabby a letter and mail it in her mail box found in the library. The mail will be delivered directly to Gabby by one of the staff members on the Lion's Roar.

GRADES IMPORTANT?

By Cheryl Jenkins

Everyone in high school should try to keep up his grades while in high school. Many Seniors can tell lower classmen that this is an extremely important thing to do. If they fail to do this by the time they are Juniors or Seniors, they will wish they had because it is getting harder to get into college and students with a C average may find it difficult to enter a college.

It is essential to start good study habits during the high school years. If one waits until he is a Junior or a Senior, it may be too late.

SCHOOL SPIRIT!

By Lupe Maldonado

Ozona High School has always had great school spirit, but this year some of it is missing.

Any school which has such a great football team and fight song as ours will surely feel proud as its boys come out on the field. If our boys can take a beating for us, whether we win or not, I am sure we can try just as hard to back them up. By backing up our boys, they will have confidence and a desire to win.

"Winning State" can be our battle cry. So come on, lets try.

JOKES! JOKES! JOKES!

By Bonnie Glynn

How long does it take a teenage girl to do her homework? Exactly the same length of time it takes her mother to do the dishes.

Johnny: Mother

He: Since I met you I can't sleep, I can't eat and I can't

She: Really? Why Not?
He: I'm broke.
Interested: Have an accident?
Victim: No thanks. I just had one.
Confused Groom to clerk: He said, I was told to buy a casserole or camisole. I can't remember which.
Clerk: That's easy. Is the chicken dead or alive?
Just the same, said Noah's wife, I'd feel a lot safer if you'd look up that pair of

TAKE ME, DADDY

Little arms reach up. I stoop and lift the precious weight of baby son into my arms and smell his sweetness. Prayers of praise and thanks fill my heart.
 Cuddling him close, I remember the night of his birth when Mary and I were told that our baby could not live until daybreak. How we prayed in those early morning hours, holding hands and clinging fast to our belief that God in His goodness would spare our son. How grateful we were for the courage and strength God's love and nearness supplied. How glad we were for the Church where we had learned to love and worship the God who gives us all life.
 Do you wonder that Sunday morning finds us both in church joyfully worshipping and giving thanks to God?
 Attend the church of your choice. Whatever your need, it stands ready to help.

extra point for McCamey's first 7 points.

Twice the Lions drove inside the McCamey 20 during the second half but were unable to push on in for a TD.

Late in the fourth quarter McCamey drove some 80 yds for the tying TD with most of the yardage coming on two plays. Nearly 40 yards was picked up when officials called the Lions for pass interference. The final 36 yards and the TD came on a desperation pass from Landers to McMartyon, who caught the ball right at the Lion goal, the attempted place kick to put the McCamey crew ahead was stopped when the Lion forward wall, led by tackle Gary Sutton, put on a big rush and forced the kicker to hurry his attempt.

The Ozona defense against the McCamey running game was double tough, allowing the Badger runners only 50 yards net rushing, while Lion rushers picked up 187 yards.

The Lions led in first downs 11-7. Ozona gained 84 yards in the air on 5 completions out of 15 attempts, with 2 intercepted, while McCamey gained 148 yards on 6 of 13 attempts, with 2 intercepted. The Lions were penalized 90 yards on 6 penalties and McCamey 15 yards on only 1 infraction. Ozona punted 4 times for 26 yards; McCamey 6 for 34 yards.

Last year, over a quarter million owners of other low-price cars were won over to Plymouth. It started a movement, a momentum, a beat.

And the Plymouth win-you-over beat goes on.

Inside, Fury's options don't have that "added on" look. The Auto-Pilot is on the turn signal lever. Air conditioning outlets are part of the instrument panel. And the beat goes on.

This is the 1968 Plymouth Fury. It still looks long and low and wide. Only richer. And much more beautiful. And the beat goes on.

We made our 2-door sedans look like hardtops. And we created a new low-cost high-performance car called the Road Runner. Its horn goes. Beep-Beep! And the beat goes on.

This is the 1968 GTX. One in a whole new line of mid-size cars for '68. GTX, Sport Satellite, Belvedere, Road Runner. We've given them all new styling for '68. And the beat goes on.

There are 64 new Plymouth wagons and compact cars for an entire year. And we could build a new car every day. We could build two exactly alike. And the beat goes on.
