UNION OF NON-WORKING STIFFS

There is a movement under way to organize "welfare clients" into a union to get bigger unemployment checks and unspecified fringe benefits. These promoting such a union point out that the reliefers represent a highly potent political force and they intend to use it to get everything that is coming to them.

Where "welfare clients" have banded together, their front men have been able to get more people on welfare rolls and obtain higher handouts for all the "clients." Government officials are dismayed at how this has boosted relief costs and say that a powerful welfare union mean a welfare state in short order, with a back-breaking load placed on the non-bum element.

While it is alarming to realize that there are millions of parasites in this country who are greedily demanding more, we think there is an antidote.

No, we don't advocate a taxpayers' strike or any kind of a sit-down, aimed at getting the freeloaders off the backs of people work for a living. We think the antidote can be found in something that is happening right now, the tremendous amount of mail being sent to Washington and to State Capitals, telling the politicians that taxpayers have had enough.

It's a truism that he who pays the piper calls the tune, and it's the working people of America who pay the piper, not the indigent politicians. Know this and that fact will not be changed by a union of "welfare clients."

Incidentally, apart from not voting for politicians who won't give them what they want, we wonder what

members of a welfare union would do in case of a strike. Stop not-working?

SENIOR OF THE WEEK

By Jacquie Tankersley

The Senior of the Week this week has brown eyes and black hair. His favorite food is steak while his favorite color is red. If given his choice of a car, he would take a Yellow Malibu SS. If you haven't already guessed who this Senior is, he is John Deltroy.

After graduation John plans to join the army. His most memorable experience in high school has been football where he was a guard on the varsity for three years and Captain this year. This may be the reason his favorite teacher is Coach Gerber.

John's pet peeve is a laser, and when asked what advice he would give up coming lower classmen, he replied, "Boys — Go out for sports."

HOMECOMING EVENTS

By Cheryl Jenkins

Tomorrow night is the night of the Homecoming game with the Ozona Lions hosting Irsan. There are quite a lot of activities that go along with the game.

Tonight there will be a snake dance followed by the traditional bonfire at the football field. The classes have been collecting boxes and the class that wins will receive five dollars.

Tomorrow night after the game there will be a dance at the Civic Center with music by the Midnight Riders.

There are also two contests that take place Homecoming week. Each class makes a sign and the winner will be chosen by the teachers. Also students who have cars may decorate them and the winner will be chosen by the cheerleaders. The prize for this is a box of candy.

TEACHER OF THE MONTH

By Kay Fox

Miss Mildred North has been selected for this month's teacher of the month.

Miss North received her BBA degree with honors from Baylor University in Waco. She received her Masters degree in Library Science from the University of Texas.

Ozona received Miss North as a teacher in 1931 as a commercial teacher. She taught from 1931 until January of 1942 when she went into government work in Washington D. C. during the war.

She then returned to teach in Ozona in 1946. In 1949 she became librarian of Ozona High School.

Miss North belongs to the Teacher's Bridge Club and is an Eastern Star member.

Her hobbies, which are bridge and photography, occupy most of her spare time.

CLASS MEETINGS

By Peggy Hagelstein

Class Meetings were held last Wednesday in Ozona High School for each class to attend to their business.

Since the freshmen had no business, they supported the Student Council by buying out the coke machine and supported the Office Fund and Bob Moore by buying out the candy machine.

Discussion of the Christmas Dance was the topic of the sophomores' class meeting. In order to raise money for the dance, the sophomores plan to have the concession stand for the A and B team home basketball games.

The juniors' responsibility is the Junior-Senior Banquet and Prom. The theme of the banquet was decided during their class meeting.

Because the seniors need money for their "Senior Day" they are raising money by selling zip-code books and mums. In the Halloween carnival the senior raised more money by having the food booth and the sponge throw. Included in the food booth was a hamburger supper.

DEAR GABBY

Dear Gabby,

I have a problem, would

you believe that I can not get to like any of my teachers! This really may not be such a big problem but I would like to know what I can do about this! None of my teachers like me either and they are always ignoring me; therefore, I fail every course I take!
 Help me! Hated!

Dear Hated,

It seems like you do not try to get along with your teachers. Until you do I guess you have to take a little of that.

Dear Gabby,

My problem is I have a

lower freshman who has a terrible stepping on people. If she could break she would be a lot the long run. So please help me? So actually help me? Thanks, A freshman (Continued on P. 5)

Parallel lines always converge at the same point on the horizon. If we stand in the center of a highway, and look straight ahead, we discover that the lanes seem to disappear at one central point. The artist must deal with this curious fact when he paints a canvas. We call it perspective. It is the way our eyes see the picture. If we stand at a different position, the scene changes, and the vanishing point is moved to a new place on the horizon. By changing our position we change our perspective.

This is true of life. How we look at our afflictions and our troubles is very largely determined by our inner attitude. In a very real way our ideas about God will determine our perspective.

The Church can help you to place all areas of life in balance. Many people today are confused and disturbed because they see things in the wrong perspective. Visit your church this Sunday and see if the world doesn't look better next week!

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ozona-Rankin

Continued from Page One) by Pete Diaz, and a 38 sprint to the one by Coates set up the first Lion score as the third quarter got underway. Coates got the score from the 1. A pass play for the 2 points failed.

Less than 2 minutes later Ozona scored again when QB David Huff heaved a long one to twin brother Donald, and the slim Lion end went the last 18 yards untouched for the score. The pass play for the TD covered 59 yards. Webb added the extra point.

It wasn't three minutes later when Coates darted over left guard, cut back to the right, and raved by the last Red Devils for 41 yards and his 4th paydirt run. Webb again kicked the extra point, giving the Lions a 41-6 lead.

On the last play of the 3rd stanza, Ozona scored TD number 7 when the 165 lb. Coates bulldozed over from the one yard line. On the preceding play, Coates had packed up 42 yards before being pushed out of bounds at the 1. Webb kicked his 3rd extra point.

The final Ozona TD came when Clepper saw running from a halfback spot, crunched a 64 yard Lion drive with an 11 yard scoring run. Webb's placekick was through the uprights for the 5th point.

Throughout the game the Ozona defense was invincible against the rush and the Lion secondary, although playing without regular Rodney Pagan, did a good job against the quick passing of QB Pita. The Lion forward wall's blocking was sharp and crisp, allowing the Lion runners good shots at daylight.

OHS garnered 24 first downs to the Red Devils' 10, 463 yards rushing to a 6, 146 yards passing to 117. Ozona completed 6 of 9 passes with no interceptions while Rankin connected on 6 of

Colt 20. After running for another first down, Tambunga plunged in for the TD. The try for extra points was no good and the Cubs had a 14-12 halftime lead.

Ozona's final score came when Tambunga dove in from the 5, after a drive downfield. The Colts scored again in the waning moments of the game.

Womack was the outstanding defensive player, getting credit for the most tackles and recovering several Colt fumbles.

It looked as if the Lion-B might come up with a win, when on the first possession junior halfback Carlos Sanchez picked up five first downs on as many plays and went over for the TD. Try for extra points failed and the score was 6-0.

After Sanchez ran 80 yards for a Lion-B touchdown it was wiped out by a clipping penalty and a fumble on the Lion 10 yard line gave Sonora the ball and a TD. The PAT was good for 2 points and the Broncos lead 8-6 at halftime.

Sonora received the ball after the half and drove down for the score. The PAT was no good and it was 14-6 Sonora.

Sanchez got loose in the 4th period and scampered 90 yards for a Lion TD. All alone from beginning to end, Sanchez bounced off, ran over and faked his way through the Sonora defenders. Sanchez's fine perfor-
