NUMBER 42

Kitty's Korner

By Kitty Montgomery

The holidays are over and the majority of the bowl games came to an end as of New Year's day. Good grief, it is nice to be back at work with no blaring television, screaming fans and razzle-dazzle parade. What a relief to sit here and hear the clatter of the presses, the click of typewriters, the banging of the linotype and the roar of the trucks. Anyone who didn't have enough football over the weekend to last them until next season will have some kind of football nut.

Of course, if the Cowboys had won I guess I would be leaning forward to the Super Bowl. As it stands now, I could care less. I did think they outplayed the Packers by a wide margin, but a couple of lousy calls from the officials in the first quarter took care of that.

— k k —
I really had not planned to go to the basketball tournament in San Angelo Friday, but after a surprise call from Tom informing me his car had burned up and he, Tom and Philip were foot, I went up to pick them up and played for the finish.

After seeing the Lions finish third place, I spent a lot of time people-watching. Basketball fans are as entertaining to watch as the games. We sat behind five others from one of the teams playing for the championship. They played and coached much harder than the boys and coaches and by the time the game was over they were exhausted.

One little woman in particular was a riot. She was very dignified with a beautiful up-swept hairdo, very neat in attire and seemed very composed while the boys were playing Miles for third place. However, once her team came onto the court she did a complete about-face. She started with an Indian yell and never let up. By the time the game was over her hair was a mess, her clothes disheveled and her face alarmingly red.

I was just thinking how much better contained Ozona mothers are during a sports event, when I realized I didn't really know. I don't indulge in people-watching when Ozona plays, I am too busy coaching and playing myself. Oh, well.

— k k —

If you plan on sending any packages or mailing notes in town or out, you had better do it before next Sunday. Rates go up considerably as of that date. No more mailing bills or paying bills in town for 4 cents. From now on it will be 6 cents and the cheapest message you can send will be 5-cent postal card. Gee, I remember when post cards were a penny and a three-cent stamp would send a letter anywhere.

— k k —
Everyone seems to be affected with the post-holiday season let down this week. Some are tired, some are blue and me, I just can't seem to get my motor running right. I keep telling myself to think, but my brain won't cooperate. However, I couldn't help but smile a little when I noticed the scoreboard next to the courthouse annex yesterday. Shows that someone managed to keep a sense of humor through it all.

— k k —
The bank must be almost ready for occupancy. I noticed the fire-plug on the corner has been painted a shiny black and fitted with a new cap.

HAPPY HUNTERS — Twelve boys from West Texas Boys Ranch near Tankersley are showing broad smiles as they display the nineteen deer they harvested on the James Baggett ranch in south Crockett county. The hunt is an annual affair staged by the Crockett county rancher for the Ranch boys. Law enforcement officers of the area cooperated in teaming up with the boys for the successful hunt.

30 Members Groom Livestock For Annual FFA Commercial Show

The Annual Ozona FFA Commercial Livestock Show will be held Saturday, January 13, at the Junior Livestock Barn.

Thirty boys, members of the FFA Chapter and Vocational Agriculture students, are in the midst of their feeding demonstration projects. Altogether they have 47 crossbred wethers, 28 crossbred ewes, 35 finewool wethers, 18 finewool range ewes, 5 calves and approximately 20 Angora breeding goats on feed and readying for the show.

Frank Randolph, Vocational Agriculture teacher at Iraan, will judge the sheep and calves and Jim Carpenter of Ozona will judge the goats.

The fat lamb and calf classes will be graded according to USDA standards and the finewool range ewe and Angora goat classes will be placed.

Judging of classes will begin at 8:00 a. m. There will be a benefit barbecue at noon, followed at 2:00 p. m.

Graveside Rites For Roy E. Kirby Held Here Sat.

Graveside services for Roy Edward Kirby, 73, were held Saturday afternoon at Cedar Hill Cemetery with Dr. R. F. Curl conducting services. Funeral services were held in Stephenville Saturday morning.

Mr. Kirby died at 11:00 a. m. Friday in a Stephenville Hospital. He was a resident of Ozona many years ago before moving to Jacksboro. A retired ranchman, he had lived in Stephenville the past 2½ years.

Survivors include the widow; two brothers, Chelsea Kirby of Christoval and Douglas Kirby of San Angelo; three sisters, Mrs. Audra Moore and Mrs. Fay Drake, both of Ozona, and Mrs. Bill Whitley of Wichita Falls, and several nieces and nephews of Ozona.

with an invitational livestock judging contest.

In the group of feeders who will be fitting and showing their animals are Fred Chandler, David North, Duwain Vinson, Wesley West, Charles Childress, Fleet Coates, Buddy Couch, Dennis Douglas, Don Edgerton, Bobby Mayfield, Joe Bob Stephens, Mike Baker, Gale Cavanaugh, Morris Lee Coates, Tommy Conner, Kenneth Davis, David Hoover, Steve Hubbard, Lynn Southard, Dan Stephens, Eugene Vinson, Sooner Williams, Jim Bob Bailey, Perry Cavender, Jerry Cloud, Tom Davidson, Alton Everett, Richard Mayfield, Craig Williams and David Williams.

Patrols Formed For New Year By Scout Troop 163

Boy Scout Troop 163, sponsored by the Ozona Community Center, met Tuesday evening and formed patrols for the new year.

The Flaming Arrow Patrol elected Pete Maldonado as patrol leader with the following members: Willie Fierro, Juan Garcia, Gabriel Longoria, Mariano Maskill and Ricky Martinez.

The Indian Patrol Leader is Fred Vela with David Herrera, Louis Longoria, Carlos Ramirez, Carlos Robledo and Steve Vargas as members.

The Flying Hawk Patrol chose Melecio Martinez as leaders with members Juan Borrego, Pano Perez, Tony Borrego and Armando Robledo.

Scoutmaster is Pete Zapata and Troop Scribe is Juan Garcia.

Mrs. Pridemore's Mother Buried In Coleman Sunday

Funeral services for Mrs. Pearl Sparkman Whitley, 85, mother of Mrs. Ottist Pridemore, were held Sunday afternoon in Coleman.

Mrs. Whitley died Saturday morning in Overall-Morris Memorial Hospital in Coleman.

Need Rooms For Visiting Teams To Cage Tourney

During the basketball tournament to be held in Ozona January 18, 19, and 20, there will be a need to house approximately 85 boys coming from surrounding towns. If you are interested in keeping some of these boys in your home the night of the 18 or 19, please call the school office at 2-2494.

4-H Clubs Name Christmas Light Contest Winners

The Electric Projects of the Limazona and Tejas 4-H Clubs has announced the winners of the Christmas Lighting Contest which they sponsored for the Homes in their neighborhoods.

Mr. and Mrs. Napoleon Vitela won in the Overall Division and received the electric knife which was donated by West Texas Utilities Company.

The Nativity Division was won by Mr. and Mrs. Nato Tambunga, Sr. and they received the electric can opener donated by Foxworth Galbraith Lumber Co.

Mr. and Mrs. Samuel Cervantez won in the Door Division and were presented with the electric percolator, donated by South Texas Lumber Co.

Town Mailing Jumps Two Cents Under Rate Hike

Postmaster Floyd Hokit announced this week that the rate change in postage to become effective January 7, will raise the current 4-cent per ounce in town rate to 6 cents. The rate for city mail will be the same as for out-of-town mail under the rate change.

Regular postal cards will be 5 cents and air-mail cards 8 cents.

Ozona Horse Wins Honors At Odessa

Talent Bar, quarterhorse stallion owned and exhibited by P. C. Perner of Ozona, won reserve champion honors at the Sand Hills Hereford and Quarter Horse Show in Odessa.

St. Bar, owned by Bobby French Anachaco Ranch at Brackettville, was named champion stallion at the halter show, with the Ozona horse catching reserve honors in the final judging.

Year End Sees Spurt In Crockett County Oil Development Activity

Injuries Few, Damage Light In Holiday Mishaps

The recent holiday period was one of the most uneventful on record as far as traffic accidents were concerned for Ozona and Crockett County. In spite of heavy fog and hazardous road conditions, local DPS patrolmen investigated only six mishaps during both holiday weekends. One of the mishaps was in Sutton County.

A county car belonging to the sheriff's department and parked in the 1100 block of Beall St. was damaged to the extent of \$140, when a 1967 Ford driven by an Abilene woman backed out of a drive way across the street and hit the door of the parked vehicle. The mishap occurred Christmas Eve.

Three accidents occurred on New Year's Eve, two in the city limits and one around 14 miles east of town on Hwy 290. The first mishap occurred in front of the Flying W Motel on Hwy 290 when a 1966 Chevrolet driven by Carlos Burns of Odessa hit the rear of a 1966 Ford truck as it was attempting to turn into the motel driveway. Burns slammed on his brakes, but slid into the rear of the truck due to the slippery highway. There was no damage to the truck, but the car was damaged to the extent of \$300. No one was injured.

A minor wreck was investigated just after noon at the intersection of Ave. AA and Hwy. 290. A 1959 Rambler, driven by Diana Deaton, (Continued on Last Page)

A number of wildcat locations, extensions to new and old fields, and widespread new production of both oil and natural gas featured a stepped-up year-end activity in Crockett county oil production areas.

The county gained locations for four wildcats, a prospect recovered slight shows on drillstem and a discovery was finalized, among the activities recorded in the waning days of the old year.

King Resources Co., Denver, Colo. filed applications to drill two more Canyon wildcats in southeast Crockett County, approximately 21 miles southeast of Ozona and in the vicinity of a shut-in Canyon prospect and its re-entry operation.

The No. 1-116 J. M. Baggett, a 5,500-foot rotary test, is 1½ miles southeast of the re-entry and two miles southeast of the shut-in Canyon prospect. Location is 1,320 feet from the north and west lines of 116-0-GH&SA.

The No. 1-166 Emma Phillips Adams, a 6,000-foot ro-

Ozonan's Father Dies In Kerrville

Funeral services for Samuel F. Drake, 70, father of Mrs. Taylor Deaton, were held Saturday in Kerrville.

Mr. Drake died Friday in a Kerrville hospital, after being a patient there a week.

FIRE DOUSED

Ozona firemen were called out Thursday afternoon to extinguish a fire in a coin laundry on Ave. J. The blaze started in a dryer.

Damage was negligible. Cause of the fire was accumulated lint in the top of the dryer.

Ozona Lions Cop Third Place In San Angelo BCD Tourney; Vargas Is Named to All-Tournament Team

The Ozona Lions captured the 3rd place trophy in the big San Angelo BCD Holiday Tournament with an 80-72 win over Miles, and Beto Vargas, who averaged 16.5 for 4 tourney games, was named to the All-Tournament team.

Tonight the Lions will meet Ricksprings in a first round match in the Big Lake night, Friday and Saturday night, Friday, and Saturday. Game time for the Lions tonight is 6:30 p. m. A Lion win would place the Lions in the 6:30 game on Friday night; should the Lions lose to the high scoring Angoras, their next action would be at 2:30 p. m. tomorrow afternoon.

Last Tuesday night, Ozona dropped a 66-37 decision to the potent Big Lake Owls with David Huff (10 pts.) and Marlin Farris (8 pts.) pacing the OHS scoring. Lion B-teamers lost only their second game of the season as they were edged 52-48 by the Owls. Tommy Jenkin (17 pts.) and Charles Childress (14 pts.) led the Lion B-team.

But the OHS Freshmen put the Lions in the victory column with a 38-14 win over the Big Lake Freshmen. Mike Haire with 9 pts. and Donald Olson with 8 pts. were the leading scorers for the freshmen.

In the San Angelo Tournament during the Holidays,

Beto Vargas

the Lions advanced to the semifinals with wins over the San Angelo Sophs, 51-47, and Winters, 37-33. In first round against the San Angelo Soph the Lions had to come from behind the 2nd half as they trailed at halftime 17-27. With Vargas hitting for 12 of his 19 points in the 3rd (Continued on Last Page)

tary test, is 2½ miles north-east of the shut-in prospect and 2½ miles north of the re-entry operation.

Location is 1,320 feet from the north and west lines of 166-0-GH&SA.

The re-entry, King Resources No. 1 Clay Adams Estate, recently was scheduled to plug back to 5,500 feet and reportedly made a 200,000 cubic feet of gas per day through an unreported Canyon section.

The re-entry, King Resources No. 1 Clay Adams Estate, recently was scheduled to plug back to 5,500 feet. Originally drilled by Honolulu Oil Corp. and Herman Brown as the No. 1 Emma Lou Adams, it was abandoned March 9, 1961, at 12,827 feet.

Tom Brown Drilling Co., Inc., Midland, will drill the No. 2 Clayton as an 8,000-foot Strawn wildcat in Crockett County 25 miles north-east of Ozona and ¾ mile west and slightly north of its No. 1 Clayton, a two-mile northeast extension to the Ozona, Northeast (7,250-foot Canyon gas-distillate) field.

Location is 1,320 feet from the south and west lines of 2-A2-GC&SFW feet.

The No. 1 Clayton, scheduled as an 8,200-foot Strawn wildcat, was drilled to 8,013 feet and finished Nov. 18, 1966, for a calculated absolute open flow of 2.6 million cubic feet of gas per day, with gas-liquid ratio of 43,250-1, through perforations at 7,424-642 feet. It was completed as a Strawn discovery.

C. Gary Garlitz, et al, Midland, will drill a 1,000-foot rotary San Andres wildcat in the Ozona (Canyon sand) field of Crockett County, ¼ mile south of the depleted one-well Millsbaugh (Glen Rose) field and 20 miles southwest of Ozona. It is the No. 2 Millsbaugh.

Location is 1,787 feet from the north and 467 feet from the east lines of 15-2-IGN. Elevation is 2,114 feet.

The Millsbaugh opener, Garlitz' No. 1 Millsbaugh-Standard, was finished Sept. 8, 1965, to pump 10 barrels of 20.2 gravity oil from open hole at 368-431 feet. It was scheduled as a 1,000-foot San Andres wildcat.

C. Gary Garlitz, et al, will drill the No. 2-62 Holt as a ½-mile south outcrop to his No. 1 Jack & Nettie Holt, San Andres opener and lone producer from that pay in the initial portion of Holt Ranch (Continued on Last Page)

Deer Harvest In County Off 20% From Last Year

Hunting season ended with the kill twenty percent lower than last year in Crockett County, according to a report from Raymond Davee, game warden for the county. However, Davee said hunting violations increased fifty percent over last year.

Officially 400 antlerless deer were taken with 600 buck. The turkey harvest numbered 25 while 12 mule deer were killed. The majority of the harvest was taken the last two weeks of the season.

Davee said unseasonably warm weather during the first weeks of the season accounted for the slow start and was also a possible factor in the increased hunting violations since most occurred at night.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Any way you look at it, 1968 shapes up as the most action-packed political year for Texas in more than a decade.

It will start with a wide-open governor's race in the Democratic primary perhaps the roughest since 1956. Also, there may be some other close races for less exciting offices. And of course, the presidential battle will hold the November general election spotlight. If Texas Republicans make good their threat to field a strong candidate for governor, and it seems they will, there will be plenty of action on that front almost the year around.

There is no sure way of predicting at this point whether U. S. Sen. Ralph Yarborough, Lt. Gov. Preston Smith, Secretary of State John Hill, former Atty. Gen. Waggoner Carr, Dallas radio man Gordon McLendon, Houston attorney Don Yarborough or an unheralded dark horse will emerge the Democratic nominee for governor. Neither is it clear who the Republicans will put up to oppose him. Congressman George Bush of Houston? Sen. John Tower? An unknown?

While Texas national Democratic convention delegates obviously will be pledged to support President Johnson, state Republican leaders have not tipped their hands as to their favorite candidate for nomination.

Although the winners can't be picked in advance, red letter dates can be marked on the 1968 political calendar. Here are the main ones:

- Feb. 5 — Last day for filing as candidate in primary.
- May 4 — First primary election and party precinct conventions.
- May 11 — County party conventions.
- June 1 — Second primary election.
- June 8 — State conventions to pick national convention delegates.
- Sept. 17 — State conventions to pick Texas party leadership (executive committees) and write the state party platforms.
- Nov. 5 — General election.

Remember that, to participate in any of the action, you must register (it's free) with the county tax assessor-collector or authorized de-

puty by January 31. Registration is simple and can be accomplished through the mail on forms provided by most newspapers.

Short Snorts

John C. White has announced for a 10th term as Texas Commissioner of Agriculture.

State Securities Board reports handling a record volume of \$650,400,000 in permits to sell securities during the year, an increase of \$100,000,000 over 1966.

B. F. Masters, president emeritus of Kilgore College, resigned the State Board of Education effective January 1.

Texas Commission on Alcoholism estimates there are 300,000 alcoholics in the state and warns that one out of 10 who drinks is an incipient alcoholic.

Texas Water Development Board is putting together a number of studies made since the preliminary water plan was unveiled in 1966 for meeting the water needs of 30,000,000 Texans to the year 2020.

Despite an approximate increase of 14 per cent in Texas hospitals' costs in the past year, Texas Hospital Association Executive Director O. Ray Hurst says the total cost per patient day in general hospitals here still is four to six per cent below the national average of \$55.82.

Mary Jo Walker, Don A. Patrick Marry In Houston

Mr. and Mrs. John W. Walker announce the marriage of their daughter, Mary Jo to Don A. Patrick, son of Mrs. Bessie P. Patrick of Del Rio. The couple was married Dec. 31 at 6 p. m. in Harmony Chapel in Houston, Texas.

The bride wore a dress of beige linen and a corsage of four pink carnations. Maid-of-honor was Mrs. Jack Ramsey, sister of the groom. Best man was Mr. Charles Patrick, brother of the groom. A reception was held in Mr. and Mrs. Jack Ramsey's home after the wedding.

The bride is a 1966 graduate of Ozona High School and of Columbia Secretarial College in Odessa, Texas. She is presently employed with Couch Mortgage Company in Houston.

The groom is a graduate of Del Rio High School and attended Southwest Texas State where he was a member of Pi Kappa Alpha. He is employed with Sunray DX

Oil Company in Houston and is attending the University of Houston night school.

Mr. and Mrs. Patrick will reside in Houston at 1860 Branard St., Apt. No. 4.

DUPLICATE BRIDGE

Afternoon Duplicate Bridge play will resume Saturday afternoon at the Country Club. Players are asked to be on hand at 1:45, in order that play may commence promptly at 2:00 p. m.

All bridge players are invited to participate. It is not necessary to bring a partner, as players will draw for partners before play.

In order to keep the Ozona Duplicate Club operating, more interest must be shown in both Saturday afternoon and Tuesday night play.

The Home Demonstration Club will meet Monday at the Civic Center at 1:30 p. m.

Accurate and Complete

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

THE STOCKMAN RANCH RECORD BOOK

McGalliard-Mahon Marriage Told

Mr. and Mrs. James L. McGalliard of Northridge, Calif., have announced the marriage of their daughter, Sandra, to Scott L. Mahon of Ozona on September 3, 1967 in Tahoe City, Calif.

Mrs. Mahon, a student at the Harris College of Nursing of Texas Christian University in Fort Worth, will receive her Bachelor of Science degree in Nursing in June. She is a member of Pi Beta Phi sorority.

Mr. Mahon, is also a student at T. C. U. where he will receive a Bachelor of Business Administration degree in June. He is a member of Sigma Chi fraternity. The son of Mr. and Mrs. Dixon Mahon of Ozona, Scott is a graduate of Ozona High School.

Mrs. Scott Mahon

CROCKETT HOSPITAL MEMORIAL FUND

List of donors to the Crockett County Hospital Memorial Fund since December 5th, 1967:

Mr. and Mrs. Vic Montgomery in memory of Mr. Roy E. Kirby, Mr. Carleton Phillips, and Mr. Samuel F. Drake, father of Mrs. Taylor Deaton.

METHODIST WSCS

The WSCS of the Methodist Church met Wednesday morning at the church to begin a study on "The Faiths of Men."

Dr. R. F. Curi will teach the study in five weekly lessons.

Next week the study will feature a movie, "The Unbelievers," a 44-minute film.

Seventeen members were present.

Houseguests of the J. B. Millers during the holidays included their daughter and her husband, Mr. and Mrs. Leon Robinson, of Lordsburg, New Mexico, and Mrs. Miller's sister, Mrs. Dar Whittenburg and children, Tom and Melanie, of Fort Stockton.

Mr. and Mrs. Allie Armentrout visited their son, Georg Armentrout, and family in Hurst, Texas last week. They witnessed the Dallas Cowboys and the Cleveland Browns game in the Cotton Bowl.

New Postal Rules Permit Airlift Of Packages Overseas

Packages up to 30 pounds for American Military personnel served by Army and Fleet Post Offices overseas now can be sent by air. Transportation at special low rates, Postmaster Floyd Hokit pointed out this week.

Area residents using this new airlift service will get much faster delivery on parcels to military personnel overseas, Hokit said. The airlift is available on a space-available basis upon payment of the domestic parcel post surface rate plus a flat \$1.00 fee.

Packages weighing up to 30 pounds and not more than 60 inches in combined length and girth qualify for the new special airlift rate.

Postal patrons can get the airlift service on packages mailed to all military personnel at APO and FPO addresses overseas, and in Alaska, Hawaii and Puerto Rico.

Parcels on which the \$1 fee is paid get air transportation all the way — from here to the port of embarkation, and from there to the overseas base. Postal patrons formerly had to pay air parcel post rates to get similar service. In many instances the new airlift rates are considerably below comparable air parcel post charges.

For example, a 15 pound package to Vietnam pays \$3.35 for the new airlift service. The air parcel post rate for the same package is \$9.79.

It may not always be to the mailer's advantage to use the airlift service. On some light packages air parcel post rates may be lower than the airlift charges. Patrons should check with the Post Office for information on the best way to mail parcels to servicemen overseas. The new airlift service will go into effect Jan. 7, 1968.

The regular postage on parcels mailed to servicemen overseas is based on the distance the packages is hauled within the United States. No charge is made for carrying the package between the U. S. port and the overseas base. Until Jan. 7 airlift parcels to servicemen overseas may be restricted to packages weighing up to five pounds. Upon payment of the regular parcel post rates these packages get service transportation to the port of embarkation and are lifted from there to the overseas posts on a space available basis.

SAN ANTONIO—Millions of Texans will be licensed to publicize HemisFair 1968 next year. All private passenger cars and trucks will carry a license plate similar to the one being held by Miss Danielle Hutchinson, 20-year-old secretary with the international exposition. The plates, which go on sale February 1, must be on vehicles by April 1, five days before the opening of the 184-day Texas World's Fair. Reduced priced tickets and bonus books are now on sale in 280 cities throughout Texas.

Mohair Council Membership Meet In Sonora Jan. 19

Annual membership meeting of the Mohair Council of America is to be Friday, January 19, in the Sonora 4-H Club Center, said Walter Pfluger of San Angelo, secretary-treasurer. Members are invited to attend the Board of Directors meeting at 10:30 a. m. Lunch will be served to all members at noon. General membership meeting starts at 1:30 p. m. Members will elect a new slate of Directors.

DR. H. B. TANDY MEMORIAL FUND

List of donors to the Dr. H. B. Tandy Memorial Fund since December 5th, 1967:

Anonymous (name withheld at the request of the donor) in memory of Mrs. Jerry Beasley, Mrs. George Crocker, and Mrs. Nora Brown.

Mrs. Billy Mills returned to her home here early this week after undergoing surgery in a San Angelo hospital.

his firm's mohair product development work, including draperies, flame-proof upholstery and tufted carpeting. Officers and directors of the Council will report to the membership on Council work since July 1.

The Miss Mohair program will be reviewed. A Council committee recently met with a committee of the Texas Angora Goat Raisers Association and agreed for the Council to assume cost and responsibility for publicity and promotion of the reigning Miss Mohair, Christina Hotis of San Angelo, through the remainder of her year with the title. It was agreed that the Miss Mohair program in the future will be merged with the Miss Wool of Texas program and that one girl will represent both the mohair in the United States and wool industries in Texas. Details will be worked out in the coming week.

Miss Hotis has several appearances tentatively scheduled, including one at HemisFair in San Antonio.

 for apprehension and conviction of guilty parties to every theft of livestock in Crockett County — except that no officer of Crockett County may claim the reward.

Billy Mills
 Sheriff, Crockett Co.

FORTY-TWO CLUB

Mr. and Mrs. Max Schneemann entertained the 42-Club in their home Thursday night.

Mr. and Mrs. Herbert Kunkle won high, with 84 going to Mr. and Mrs. Tom Montgomery. Low went to Mr. and Mrs. Earl Aeton and Mr. and Mrs. Cecil Hubbard won the bingo prize.

Others attending were Mr. and Mrs. Leonard Boyd, Mr. and Mrs. J. W. Johnigan, Mr. and Mrs. Roy Killingsworth and Mr. and Mrs. Ivy Mayfield.

Guests were served lemon pie and coffee after play.

SON TO MILLERS

Mr. and Mrs. Michael Miller are the parents of a baby boy, born Monday, Jan. 1, at Shannon Hospital in San Angelo. The baby weighed 6 pounds and 14 ounces and has been named Matthew Sterling. The Millers have another son, Miles, 2.

Maternal grandfather is Otho Rink of San Angelo and paternal grandparents are Mr. and Mrs. J. B. Miller of Ozona.

Frank Mills is in Reagan Memorial Hospital in Big Lake undergoing medical treatment. Mr. Mills became ill the day after Christmas and entered the hospital.

come Look at the snow, mommy!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There she was — blue eyes, rosy cheeks, thirty-five pounds of joy bundled up in a warm, wooly snowsuit. How could I resist her request — even if the ironing weren't done, and there'd be no pie for dinner. I pulled on my parka and went outside to join her.

We walked through the frosty winter world together and I seemed to see it anew through the eyes of a three-year old. Our commonplace street was miraculously frosted and furnished in silvery whiteness. From every corner beauty sparkled and shone.

And then we came to our church. It looked like a beautiful Christmas card, with the snow glistening blindingly from icy windows. Susie exclaimed, "Oh, Mommy, look—God is shining through!"

"Through the eyes of a little child" . . . this thought rang through my head, and I prayed that God's presence would always shine for her through the windows of God's Church.

WAR WITHOUT DOVES

We recently had occasion to go through some old newspaper clips covering World War II. We were struck by certain differences between that conflict and the war now being fought in Vietnam.

Soon after we got into the war against Germany, Italy and Japan, Jimmy Doolittle bombed Tokyo and the American people went wild. Later, when Berlin, Hamburg and Tokyo were devastated by bombing raids there was enthusiastic response. The consensus was: "Good going. Hit 'em again. Harder."

Nowhere did we find any news stories saying that this group of clergymen, that bunch of professors or a certain association of distinguished lawyers or businessmen deplored the civilian casualties incurred. Nor did we find any pictures of pickets carrying banners demanding that we stop such bombing.

We looked in vain for stories telling of individuals or groups insisting that we negotiate with Hitler, Mussolini and Tojo. And apparently no unofficial envoys traveled to Berlin, Rome or Tokyo to set the stage for negotiations. Instead, we read a lot about "unconditional surrender,"

and there was general agreement that we should accept nothing less than this — even when it became known that Germany and Japan were ready to negotiate. We found many a full-page ad calling for negotiation with Hitler & Co.

There were not even any speeches on the floor of the Senate deploring the strong actions calculated to win the war. That famous body seemed to include no doves, as far as we could see. In fact, the membership seemed to be hawkish as all get-out.

There was quiet even on the campuses, where you'd expect to find a certain amount of non-conformity if not rebellion. But in those days no one burned draft cards, the American flag was safe from desecration and we found nothing to indicate that any high-spirited collegians had burned in effigy the President or the Secretary of State for not bringing the boys home from Europe, forthwith.

Strange isn't it? But then of course we were in a different alignment. The Soviet Union was then our great and noble ally, and somehow that seems to make all the difference to a great many people.

Sensing The News

By Thurman Sensing
Executive V. P. Southern States Industrial Council

As the year draws to a close, Americans watch with dismay as raids are made on the nation's gold supply by gold speculators in Europe including the French Republic which was once a staunch friend of the United States. Attempts are being made to undermine the value of the dollar and, thereby, to jeopardize the entire U. S. economy.

This is a grave danger which requires across-the-board effort by the federal government. On the foreign front, the nation needs to stop the flow of gold to France. U. S. Sen. Vance Hartke (D-Ind) has proposed a legislative ban on further shipments of gold to France until they resume payments on their World War I Debt to the United States. This debt exceeds \$6 billion. It is high time that the Johnson administration publicly remind the French that they owe this sum to the American people. Of course, it is only a part of the much vaster sum that the United States has devoted to the protection or assistance of France in this century.

Halting the gold flow by law is only one part of the remedial effort that must be undertaken promptly to protect the dollar. Action at home also is needed. What sort of action is required has been succinctly stated by Prof. James C. Dole of the Department of Finance at the University of Texas.

Prof. Dole has stated that the U. S. should take these steps: "(1) Balance the federal budget by cutting non-defense spending; (2) balance our international payments by eliminating all foreign economic aid; and (3) take steps to stop the wage-price spiral."

Unfortunately, the Johnson administration apparently is unwilling to take steps of this sort. Instead of cutting non-defense spending, the administration continues to press for new or expanded Great Society programs. The administration bitterly resisted deductions in the foreign aid program this year.

Mr. Johnson also is unwilling to incur the enmity of the union bosses by suggesting that wages as well as

prices should be restrained. Settlements in the automobile industry, imposed by the union monopoly, virtually guarantee an additional round of inflation in that key industrial sector. When a manufacturer wants to go up on his prices, he faces heavy administration pressure. But the union bosses are not reprimanded by the White House when they upset the wage structure in the country. That's the political pattern of the Great Society.

Holding the line on public spending of a non-defense character and restraining inflation constitute truly vital tasks for this nation in the year ahead. Americans have before them the horrible example of Great Britain. The British are in deep trouble because they have spent more than they earned and because wages were allowed to shoot up to the point where British goods priced themselves out of markets.

Not all the blame should be heaped on the White House, to be sure. If the U. S. is to return to fiscal responsibility, there must be a concern for fiscal responsibility at the grassroots and in the state legislative assemblies.

Observers of the state legislative scene note that inflation also is hitting hard at state governments. Costs of public education and other programs are soaring. In addition state governments are under heavy pressure this winter to provide pay raises for public employees that state revenues often do not cover. In short, the states are being urged to engage in fiscal irresponsibility, to spend more than they have or to dip into reserve funds created for a rainy day. As this is an election year, the state legislators are especially vulnerable to the pressure for pay hikes.

It is essential, therefore, that there be a national mobilization (and a mobilization within each state) of responsible public opinion in

behalf of curbs on spending. Thoughtful citizens will have to organize to let national and state legislators know that a period of austerity is needed if the country is to weather the period of rough economic weather ahead.

Though the United States is rich in material and human resources it cannot ignore the laws of economics or engage in giveaways when revenues are down or confidence in the nation's money has dipped somewhat.

Mr. and Mrs. Tommy Everett and son, Cody Bob, of Las Cruces, N. M. and Mr. and Mrs. Jerry McElwain and children, Tye and Carey, of Denison returned to their homes last week after spending the holidays with their parents, Mr. and Mrs. Tom Everett.

chrome. Must be about the fanciest fire plug anywhere around. I can't ever remember having seen a black one before. Hope they can find it if they should happen to need it some dark night.

Tournament —

(Continued from Page One)

quarter, Coach Speiker's crew cut the margin to 7 pts. as the final quarter began. With Don Huff hitting for 8 of his 10 pts. in the final stanza, OHS outscored the Sophs 16-5 in the 4th quarter for the 51-47 victory.

In a defensive struggle, OHS clipped the Winters 5 in second round action with a 37-33 win. Once again, the fighting Lions came from behind, as they trailed 0-10 at one point in the first quarter. Marlin Farris and Larry Kilgore scored 10 and 8 pts. The Lions met the powerful Bronte Longhorns in a semifinal game and were beaten 62-77 by the hot shooting Longhorns. Down 39-23 at halftime and 60-35 at the end of the 3rd stanza, the Lions again fought to the final whistle and outscored Bronte 26-17 in 4th quarter Vargas paced the Lions with 21 pts. and Farris added 12.

Four Lions hit for double figures in the 3rd place game as the Lions put on their best offensive show of the season. Ozona hit for 61% of their shots in the second half. In the 80-72 win, Farris and Vargas had 20 pts. each, with Randel Clepper and Don Huff pitching in with 14 a piece.

Injuries Few —

(Continued from Page One)

backed into a 1964 Ford, driven by Mrs. Brent Moore of San Angelo. Both cars were stopped on Ave. AA when Miss Deaton, deciding she was too far into the intersection, backed up and hit the front of the Ford. Damage to the Ford was \$60. There was no damage to the other vehicle and no injuries.

The most serious accident occurred around 3:50 p. m. Mrs. Bertie Spoonst, traveling west on Hwy 290 in a 1965 Plymouth, was hit from the rear by a 1966 Chevrolet pick-up driven by Simon Longoria. The pick-up skidded sideways when the brakes were applied, striking the left rear of the car. Mrs. Spoonst and her daughter, Nancy Gideon, a passenger in the car, both complained of back pain but were not hospitalized. Damage to the pickup was estimated at \$450 and to the Plymouth \$200.

The first accident of the new year occurred Monday morning about 2 miles west of town on Hwy. 290 when a 1967 Ford, driven by Jerry Wayne Williams of Houston, missed a curve, ran off the shoulder of the road hitting two guard posts, skidded back across the highway and came to rest against a fence. The car traveled 475 feet from the time it left the highway until it came to a stop. Both Williams and his wife, a passenger in the car, escaped injury. The vehicle sustained around \$600 worth of damage. The accident was apparently caused by the driver dozing at the wheel.

Officers investigated an accident in Sutton County 21 miles east of Ozona Tuesday afternoon. Ray E. Lewis of San Antonio was driving a 1962 model truck, pulling a large tandem trailer, when the trailer broke in half. The driver was uninjured and the truck was not damaged. The trailer sustained \$3,000 worth of damage and the highway where the mishap occurred was damaged.

Investigating officers were Patrolmen Orvil Perry and James Cumbly, DPS.

Pvt. James T. Willmon, son of Mr. and Mrs. Gene Willmon of Ozona, was home on leave during the holidays. Pvt. Willmon is stationed at Fort Polk, La.

Oil Activity —

(Continued from Page One)

multipay field of Crockett County, 10 miles northwest of Ozona.

Location is 1,980 feet from the south and 467 feet from west lines of 62-OP-GC&SF. Contract depth is 1,500 feet with rotary; elevation is 2,560 feet.

The discovery, completed by LaGorce Oil Co. and Garlitz-Howell, was finalized April 1, 1954, for a calculated, absolute open flow of 2,300,000 cubic feet of gas per day through perforations at 1,402-417 feet.

The field has one Canyon gas producer and five Ellenburger oil wells 4 1/2 miles to the east.

Chambers & Kennedy, Midland, No. 1 Clara Couch, in W. Brewer No. 100, prospective unidentified pay opener surrounded by shallow oil production and two miles southeast of Cisco gas and 3 1/4 miles southeast of Wolfcamp oil and gas production in the Clara Couch field of Crockett County, 7 1/2 miles northeast of Sheffield, recovered 1,100 feet of gas and 23 feet of slightly oil and gas-cut drilling mud on a drillstem test in an unidentified zone.

Tool was open an unreported time on the test taken at 5,796-5,896 feet. Flowing pressure was 14.32 pounds; one-hour initial shut-in pressure was 295 pounds; and two-hour final shut-in pressure, 452 pounds.

The project, slated for 6,300 feet to test the Strawn reef, was preparing to take a drillstem test at 5,935-50 feet.

Production, possibly Wolfcamp, was indicated earlier with the recovery of 5,575 feet of oil and 60 feet of gas-cut mud on a test at 5,690-760 feet.

Blanco Oil Co., San Antonio, recompleted as a Canyon gas-distillate discovery and suggested field designation of Ingham (6,400-foot Canyon) for its No. 1 University, former producer in the Ingham (Devonian) field of Crockett County, 10 miles east of Sheffield.

It was finalized for a calculated, absolute open flow

of 260,000 cubic feet of gas per day, with gas/liquid ratio of 280,000-1. Gravity of the liquid was 58.9 degrees.

Production was through perforations at 6,397-6,400 feet; 6,408-410 feet and 6,416-420 feet in 5 1/2-inch casing set at 7,374 feet. Tubing pressure was 640 pounds; casing pressure, 780 pounds.

Original completion was Aug. 15, 1959 by J. E. Jones Drilling Co., Midland, for a calculated, absolute open flow of 960,000 cubic feet of gas per day through perforations at 7,041-053 feet.

A re-entry operation, it was originally drilled by Neville G. Penrose, Fort Worth, to 8,230 feet, and abandoned Oct. 22, 1951.

Location is 4,650 feet from the west and 1,980 feet from the south lines of 1-29-University.

Chambers & Kennedy, Midland, were drilling below 6,160 feet in lime and chert on a 6,300-foot Strawn reef contract after recovering gas and sulfur water on a drillstem test at its No. 1 Clara Couch, in W. Brewer No. 100, prospective pay opener surrounded by shallow oil production, two miles southeast of Cisco gas and 3 1/4 miles southeast of Wolfcamp oil and gas production in the Clara Couch field of Crockett County, 7 1/2 miles northeast of Sheffield.

Recovery was 490 feet of gas and 1,820 feet of salty sulfur water on the one-hour test at 5,935-50 feet.

Production was indicated earlier with the recovery of 5,575 feet of oil and 60 feet of gas-cut mud on a test at 5,690-760 feet, probably Wolfcamp.

A test at 5,796-5,896 feet recovered 1,100 feet of gas and 23 feet of slightly oil and gas-cut mud.

Maxwell Oil Co. Ft. Worth, completed an unidentified oil discovery in Crockett County, 17 miles north of Ozona and 1 1/4 miles southeast of the depleted Block 39 (Ellenburger) field and eight miles northeast of the Ozona, North (Canyon) field, which formerly produced from the Ellenburger and upper Pennsylvanian.

It was finalized for daily flowing potential of 390 barrels of 44 gravity oil, no wa-

ter, with gas-oil ratio of 1,400-1. Production was through an unreported choke and perforations at 6,098-6,102 feet, which had been washed with 500 gallons of mud acid. Tubing pressure was 540 pounds; casing pressure, 1,600 pounds.

Drilled to 7,930 feet, where 5 1/2-inch casing was set, it is plugged back to 7,700 feet. Top of pay was picked at 6,098 feet on kelly bushing elevation of 2,529 feet. The Wolfcamp was topped at 5,230 feet; and the Ellenburger, 7,755 feet.

Location is 660 feet from the north and east lines of 19-39-University.

King Resources Co., Denver, Colo. will drill the No. 1-117 J. M. Baggett, a 6,000-foot Canyon wildcat, in southeast Crockett County 1 1/2 mile southeast of its re-entry operation, and 4 1/2 miles southeast of a shut-in Canyon prospect, 24 miles southeast of Ozona and 15 miles south-southeast of the Joe T (Canyon and Strawn) field.

Location is 1,320 feet from the south and east lines of 117-0-OH&SARR.

The shut-in project, W. W. Meeker, Midland, No. 1-153 Adams, was drilled to 5,000 feet and reportedly made 200,000 cubic feet of gas per day from an unreported Canyon section.

The re-entry, King Resources No. 1 Clay Adams Estate, was scheduled to plug back to 5,500 feet. Originally drilled by Honolulu Oil Corp. and Herman Brown as the No. 1 Emma Lou Adams, it was abandoned March 9, 1961 at 12,827 feet.
