NUMBER 50

Kitty's Korner

By Kitty Montgomery

Somhow I just can't put my heart into writing this column today. After reading a clipping from the Fort Stockton Pioneer Commenting that the extra day in leap year falls on Thursday, I really felt that I shouldn't be writing it at all. However, the clipping went to say that it wouldn't happen again until 1996, so I guess I can manage to write 53 columns this one year if you can manage to read them. Surely by 1996 someone else will have taken over the job. I already feel the weekly strain on my brain and by then surely I will have earned the right to be happily weaving baskets somewhere.

Don't miss the style show Saturday at the Civic Center. You'll have an opportunity to view all the spring fashions, besides sampling the goodies at the tea table. If you haven't bought a ticket from a Forum member by Friday, tickets will be on sale at the door before the show.

Adult education classes begin Monday night, except for bridge and it begins next Tuesday night. I'm sure by now you have all decided on the course you plan to take. You will find a schedule in another part of the paper. Be sure to be in the right place at the right time.

I feel it is only fair to tell you that no matter how early you go, you can't possibly be the first one there. Timmie Mitchell and Mary Loury went last Monday night.

Bill Phillips got a real bargain awhile back, three seashores from Florida by air-mail for only \$1.40. However, establishing them in their own home, complete with furnishings and running water came at so high a price that Bill's parents tend to look on his bargain with a "tongue in cheek" attitude.

I don't usually stoop to stealing, but with the boss shearing goats and 19 Brownie Scouts on their way to tour the plant, I felt justified in snatching the following item from the Menard News.

PSALM 1968

The government is my shepherd,
I shall not work,
It allows me to lie down in good jobs,
It leads me beside still waters,
It destroyeth my iniquity,
Yes, though I walk through the valley of laziness and deficit spending,
I will fear no evil,
For the Government is with me,
It prepareth an economic Utopia for me,
By appropriating the earnings of my grandchildren,
Surely the Government will care for me all the days of my life,
and I shall live in a Fool's Paradise forever.

If this column isn't in its usual place next week, don't look for it. You'll know the boss caught me violating the penny policy.

Thought for the week: *Real play is a luxury nobody can afford.*

\$458,000 Damage Suit Charges Malpractice Against Ozona Doctor

A malpractice suit asking \$458,000 in damages has been filed in the United States District Court in San Angelo against Dr. E. L. Dyer of Ozona, news dispatches early in the week announced.

The suit, growing out of an automobile accident west of Ozona in February, 1965, is being brought by Lawrence Bynum and his wife, Helen White Bynum, of New York.

The former Miss White was injured in an auto accident on U. S. 290 10 miles west of Ozona on Feb. 16. The suit pleading declares that she suffered a severe cut on her leg, that gangrene developed in the cut and her leg subsequently was amputated.

The petition alleges that Dr. Dyer, who treated her

injuries, was negligent in allowing the gangrene to occur. Suit is for physical and mental suffering and loss of earning capacity by the alleged negligence.

A similar suit filed last year was dismissed in May, the new report said. Odessa attorney Warren Burnett is representing plaintiffs in the suit.

Highway patrol officers investigating the 1965 accident said that the car in which Miss White was riding, was driven by Miss Jacquelyn Clark, 24. Miss White's age was given as 17. Also in the car was Leleed Nelson, 45, described as Miss Clark's fiancé. The car skidded on the pavement and crashed into a culvert. Injuries to the trio at the time were described by investigating officers as minor.

Adult Education Classes Will Start Monday

Adult Education courses, sponsored by the Woman's Forum, will begin Monday and Tuesday night and be held weekly for the next six weeks. All courses will begin at 7:00 p. m. All courses are free of charge and information on the four courses to be offered follows.

Flower Arranging, Mrs. Charles Williams, instructor. Class will meet in kitchen of the high school home-making department Monday.

Knitting, Mrs. James Baggett and Mrs. Ralph Jones, instructors. Class will be held in the parlor of the homemaker department. Students are reminded to bring knitting needles and yarn Monday night.

Typing, Mrs. Pete North, instructor. Typing department, second floor of high school building. There are still plenty of places available in this class. Senior high school students may fill out the class. Pre-register by calling Mrs. Marshall Montgomery, 392-2214.

Plant Judging Team to Compete in Houston Show

A Crockett County 4-H Plant Judging team will compete in the Houston Livestock Show Plant Judging Contest on Saturday. The contest is scheduled at 8:00 a. m. on Saturday morning. Team members are Duwain Vinson, Fred Chandler and Jesse Deaton.

The team accompanied by their coach, county agent Pete Jacoby, will leave for Houston on Friday and return to Ozona Sunday.

Frank Mills is critically ill in Shannon Hospital in San Angelo.

Lions Club's Annual Broom Sale March 14

Dean Scott, President of the Lions Club has announced the date for the annual Light-House for the Blind Broom Sale for this year. On March 14th (Thursday) members of the Lions Club will be stopping you on the streets and coming to your homes selling household items such as brooms, mops, dishcloths, doormats, and a long list of helpful household gadgets. This is a great opportunity to invest in rather than donate to a very worthwhile charity.

Most of these gadgets are manufactured by totally blind people through the "Light House for the Blind" an organization established to provide jobs rather than hand-outs for people handicapped through blindness.

If you would like to place an order in advance for one of their famous Lawn Rakes or many of the other items that are often short in supply, call either Dean Scott or the project Chairman Bill Gerber.

Garden Club To Bring Floral Art Expert March 11

Mrs. Odell Freeman of Trent, Texas, well known lecturer-demonstrator in floral art, will present a program at the Civic Center Monday, March 11, sponsored by the Ozona Garden Club. The public is invited to attend the program which will begin at 2 p. m.

Mrs. Freeman, a student of Mrs. Merritt England of Merced, California, who is rated as one of the top three authors, teachers, lecturers and demonstrators in the United States, will be doing designs in still life, free style, assemblage, abstract, and the new art form known as "collage," with emphasis on line, the dynamic element of design.

Mrs. Freeman is the wife of a farmer-rancher and lives five miles out in the country.

"All my life I wanted to grow flowers," says Mrs. Freeman.

Record Number Voters Set For 1968 Elections

An all-time record 1,788 persons are eligible to vote this year in Crockett county, according to the voter's registration count, indicating a great deal of interest in politics on the part of the county's citizens.

A big year politically on the local, state and national scene, local voters will begin the year's activities with the school board election April 6. The three incumbent trustees, Bud Cox, P. C. Perner and C. R. Funtz, have announced for re-election. Jimmy Barbee is the only other candidate to file for a place on the board. However, the filing deadline is March 5.

Three of the county commissioner's offices come up for election this year, precincts 1, 2 and 3, and all are contested. The election of a commissioner in precinct 2 was necessitated by the death of Rex Halydier, whose widow was appointed to serve in his place until the coming election. The precinct 2 post will be for a 2-year term, while the other two precincts will be electing commissioners for full 4-year terms.

Incumbent Rusty Smith, commissioner precinct 3, will face six opponents in the May 4 Democratic primary. Seeking the post are Mildred Goodson, Ted Lewis, Leonard Boyd, Jack Williams, Kenny McMullan and G. H. Whitley. If a run-off is necessary a second primary will be held thirty days after the first. The winner will be selected in one of the Democratic primaries, since there is no Republican candidate for the post.

In precinct 1, the incumbent, Lefty Walker, has two opponents in the Democratic primary. Sam Perner and Jess C. Marney. Winner of this primary, or the run-off will face Republican James Baggett in the general election in November. Baggett is unopposed in the Republican primary, which will also be held May 4.

Mrs. Halydier has announced for election on her own in the precinct 2 commission.

Ozona Group To Ask Hiway Dept. For 163 Action

A delegation of Ozonans is being recruited by the Highway Committee of the Ozona Chamber of Commerce to appear at a meeting of the Texas Highway Commission to be held in San Angelo in the month of April.

The Ozona group will present its petition to the Highway Commission for action toward construction and repairs to Highway 163 south from Ozona in anticipation of the completion of Amistad Dam and the subsequent increased travel toward recreation facilities there from the north.

Construction work has been started from Ozona but funds have not been allocated to pursue the construction in the highway in south Crockett and northern Val Verde counties. Efforts will be made by the delegation to convince the Commission of the need for immediate reconstruction of several of the more difficult curves on the highway in Val Verde county to minimize danger to the traveling public.

Garden Club To Bring Floral Art Expert March 11

Mrs. Odell Freeman of Trent, Texas, well known lecturer-demonstrator in floral art, will present a program at the Civic Center Monday, March 11, sponsored by the Ozona Garden Club. The public is invited to attend the program which will begin at 2 p. m.

Mrs. Freeman, a student of Mrs. Merritt England of Merced, California, who is rated as one of the top three authors, teachers, lecturers and demonstrators in the United States, will be doing designs in still life, free style, assemblage, abstract, and the new art form known as "collage," with emphasis on line, the dynamic element of design.

Plans Progress For CofC Annual Banquet Mar. 14

Ticket sales are brisk for the annual Chamber of Commerce banquet, which will be held Thursday night, March 14, at the Civic Center at 7:30 p. m. Tickets are \$2.50 each and may be purchased at the Chamber of Commerce building or from various members.

The buffet dinner will consist of roast top sirloin of beef, herbed rice, green beans, spiced beets, green salad, fruit salad and dessert.

Following the dinner, past president Byron Williams will be honored along with the three outgoing directors, Bill Cooper, Sam Martinez, Ted Lewis and W. H. Whitaker. The four new directors, Lawrence Jones, Wayne Loury, Ray Boyd and L. D. Kirby, will be introduced along with new officers for the year. Incoming president, Dean Rippeote, will act as master of ceremonies.

Guest speaker will be Dr. A. B. Lightfoot, minister, humorist and magician. Dr. Lightfoot, pastor of the First Baptist Church in Snyder, is a native Texan. He was born in Coleman, attended Howard Payne College, Hardin-Simmons University and Southwestern Seminary. Active in all areas of civic work, Dr. Lightfoot has traveled extensively for speaking engagements throughout the world.

His color slides from all over the world help illustrate some of his speeches. A moving and dynamic speaker, chamber officials feel very fortunate in securing him for this year's speaker.

Forum Style Show Saturday Afternoon At Civic Center

The Ozona Woman's Forum will present "Fashions for HemisFair," its annual style show-tea at the Civic Center Saturday afternoon at 3 o'clock.

Over 70 models will be showing the new spring styles for children and women. Models are from families of Forum members, school organizations and other civic clubs.

Tickets may be purchased from any club member for \$1.50 or may be purchased at the door. However, only advance tickets will be eligible for door prizes.

stock, Bandera, Robert Lee, Mertz, Wall, Christoval, Rocksprings, Sterling City, Eden, Miles, Center Point, Bronte, and Ozona Limited squads are expected to represent both Iraan and Bronte who have basketball teams entered in regional competition.

Three meet records are given a good chance to fall Saturday. The shot and discus records of 52'2 1/2" and 166' 3/4" are held by Eldorado's John Mayo and the Lions' Gary Sutton, respectively. There is a possibility that Mayo may not be available to the Eagle team this week, however, two or perhaps three runners appear capable of breaking the 880 yard run of 2:05.1 held by Bernard Gomez of Junction.

Reigning over the 16th Annual Ozona Track Meet will be Queen Sharman Lawson, OHS Senior Duchesses will be Debbie Moore, junior; Bonnie Carson, senior; and Helen King, senior.

Coach Chick Womack and Assistant Grosse Moehler earlier in the week tentatively placed squad members in the following events:

Pete Snelson Launches Drive For Senate Post

Pledging an aggressive, hard-hitting campaign with a full discussion of the issues, Pete Snelson today formally announced his candidacy for the State Senate from the 25th District in the May 4th Democratic Primary.

"There will be new leadership in the Texas Senate next January and it is vital that our part of West Texas have a voice which is in step with the future, and not the past," said Snelson. "People from throughout the 21-county district have urged me to again serve in the Senate."

A native West Texan, Snelson formerly served in the House of Representatives and the Texas Senate. Redistricting resulted in the combining of parts of two senatorial districts two years ago and Snelson lost to the present incumbent by 61 votes.

"I greatly appreciate the fine support which I received in Crockett County two years ago in the race for the state senate," said Snelson, "and I am very pleased that many others have volunteered their help for the campaign (Continued on Last Page)

Committee Sets Horse Show Date

Horse show committees from the Ozona Roping Club set May 24 as the date for the 1968 Ozona Quarter Horse Show at a meeting early in the week.

The group named L. D. Kirby as show chairman and Bill Watson as secretary. Earl Acton will be the ring director.

Services of Reed Hill of Canadian, Texas, well known Quarter Horse breeder, were secured as judge of the 1968 show.

As in year past, the Ozona and Sonora Quarter Horse shows have been planned to provide a circuit for breeders. Sonora's 1968 show will be on Saturday, May 25, after the Ozona show on Friday and representatives of the two towns will confer with breeders in Kerrville in an effort to arrange a Sunday show in that city. Possibilities of a show in Junction or Fredericksburg on Thursday also will be explored.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — A rather important corner may have been turned by the State of Texas in providing transportation facilities for its people. This by clarifying where the line between state and federal regulatory power should be drawn.

Texas Aeronautics Commission took the big step when its six members voted to certify Air Southwest Co. of San Antonio as an intrastate airline competing with the large, federally regulated interstate lines.

Air Southwest plans to offer commuter service among Dallas, San Antonio, and Houston using Lockheed Electra prop-jets. It says it can offer service comparable to the large airlines and at rates lower by more than 20 per cent.

Federal-state rub is that the Civil Aeronautics Board licenses the interstate carriers and has its service and subsidy balances all worked out, without considering any state-licensed airlines.

So, Air Southwest is going to upset those balances somewhat, by taking from Braniff, Trans-Texas and Continental airlines some of the revenues now received under their charters from the CAB.

Special Session Outlook — Gov. John Connally revealed a new unofficial estimate by State Comptroller Robert S. Gilbert of available General Revenue Funds, indicating that available re-

venue for operating state government may be some \$50,000,000 higher than the comptroller's October, 1967, estimate of \$297,600,000.

Governor Connally says the import of that is "the increase in available revenues will relieve the pressures for as large a tax bill as was originally anticipated" for the special legislative fiscal session. Connally has denied rumors that he will call a special session of the Legislature in March.

L. B. J. Contract Awarded — A contract for construction of 16,673 feet of high gameproof fencing at Lyndon B. Johnson State Park in Gillespie County has been awarded to Jasper Moore of Ingram. Moore was lowest among five bidders with a project price of \$19,717.

People Pollution! — "With over population a world problem, Planned Parenthood is becoming increasingly important as a government project," says Alan Bloehaum, regional director of the Southwest Region of Planned Parenthood.

A five-state district meeting on the subject is set for March 4 and 5 in Austin. This conference will be followed by a series of state sessions on family planning. Among them will be a special family planning conference by OEO, the American Association of Planned Parenthood Physicians and the

Dyer Is Crockett County Chairman Wallace Campaign

The American Party Headquarters in Austin, Texas, the party which will be George Wallace's vehicle in Texas in his race for the presidency, announces the appointment of Dr. Edward L. Dyer of Ozona, Texas, as county chairman of Crockett County.

"We are happy to have Dr. Dyer as our chairman in Crockett County," Weaver Moore, state chairman, said. "We expect to wage a vigorous campaign throughout the state of Texas," Moore continued.

"We believe that Governor Wallace's ideas are more nearly like those of the majority of Texans than any other candidate, or prospective candidates."

ON DRAFT-AGE IMMIGRANTS

In Toronto, Canada a book is just off the press and ready to go into the mails. It's described by the publishers as a "manual for draft-age immigrants to Canada."

The publishers don't think it is going to be a runaway bestseller. They've run off only 5,000 copies, and presumably these will be mailed to likely "immigrants" to Canada who have developed more than a nodding acquaintance with their draft boards in the United States.

The book is a paperback, and contains 132 pages of advice, in detail, about qualifying for immigrant status in Canada, the prospects for jobs, school opportunities, and everything from housing and climate to culture.

The publishers have been quoted in the press as being concerned that postal authorities may intercept the mailing of the books to the candidate immigrants in the United States. Frankly, we hope that will not be the case. If there are 5,000 draft-dodgers in the United States who fancy their precious necks more highly than the way of life which produced the wealthiest, strongest and most humane nation in all history than we bid them a good passage and good riddance.

State Nursing Association. Cost of planned parenthood for one family per year is about \$15 whereas the cost of welfare support — federal, state and county — for a dependent child is about \$1,200 a year.

World Day Of Prayer March 4

World Day of Prayer will be observed Monday, March 4, in the sanctuary of the Ozona Methodist Church, beginning at 4:30 p. m.

The service is sponsored by the Woman's Society of Christian Service locally and worldwide by the National Council of Churches and Church Women United.

Women of the Asia Church Women's Conference were invited to prepare the World Day of Prayer Service for 1968. They chose Mrs. Rathie Selvaratnam of Ceylon to do this on their behalf. Mrs. Selvaratnam is chairman of the Asia Church Women's Conference.

Everyone in the community is cordially invited to attend the service.

OZONAN'S FATHER BURIED IN BRADY

Funeral services for Dennis Fields, 78, father of Mrs. Claud Leath of Ozona, were held Saturday afternoon in Brady from the Central Baptist Church, with burial in Resthaven Cemetery there.

Self Employed SS Return Due Apr. 15

Ted F. Moellering, San Angelo, social security district manager, today urged self-employed people to get their 1967 self-employment tax returns prepared accurately and on time.

The deadline for reporting self-employment income and paying the social security tax to the District Director of Internal Revenue is April 15, 1968.

Mr. Moellering said it is especially important for self-employed persons to complete the Schedule SE at the bottom of page 1 of their Schedule C-3 (or Schedule F-1 if farming is involved). It is from the Schedule SE, he added, that the permanent social security record of self-employment earnings is made.

SATURDAY DUPLICATE BRIDGE CLUB RESULTS

VOLLEYBALL TEAM

By Deborah Mills

The 1968 Volleyball teams have been chosen. The Seniors on the A team consist of Cheryl Jenkins, Ginger Glynn, and Jacquie Tankersley. The Juniors are Pat Whitley, Irene Jones, Patsy Pearl, and Debbie Moore.

The B teamers are Juniors Nannette Bailey, Chris Clegg and Simplicia Garza. Sophomores are Elizabeth Jones, Sherry Saunders, Wannetta Pearl, and Anna Mae Payne. There is one Freshman Suzy Tankersley.

The Freshman team consists of Karen Mosley, Cyndie Jane Whitehead, Joanie Baggett, Sharron Barbee, Alice Diaz, Betty Martinez, and Debbie Roberts.

Working with the girls every afternoon and traveling with them to the tournaments will be their coach, Mrs. Glenda McMullan.

ELDORADO EAGLETTS WIN DISTRICT

By Connie Williams

The Eldorado Eaglettes defeated the Iraan Bravettes last Tuesday night at the Davidson Memorial Gymnasium in Ozona to win the district championship by a score of 70-56.

The Eaglettes began the scoring early in the first quarter and by halftime had a substantial lead. Late in the third quarter Iraan brought their score within nine points of Eldorado, but it remained there throughout the entire fourth quarter.

Libby Preston and Susan Mobley were high point scorers for Eldorado while Dixie Garland was high point scorer for Iraan.

GOSSIP

It seems that Ozona was fortunate enough to be visited by some OHS exes last weekend. Robilen Miller was here from Gulf Park — I'll bet D. V. was all aglow! — Ron Seahorn and Jill Martin

were here from San Marcos. Cookie Coates spent the weekend home. She is attending school at Sul Ross.

Although our overall track team didn't win first, Ozona did have some medal winners at the Ft. Stockton track meet. As usual, winning first in the discus was Gary Sutton who also won a second in the shot put. David Huff, Lion pole vaulter, vaulted an 11'6" to capture a third place. Randel Clepper placed third in the 330 yard Intermediate Hurdles.

OHS sure misses the bright shining face of Ricky Prater (and his sarcastic remarks). We all hope he comes back soon to visit!

Here's wishing a speedy recovery to Rodney Pagan who is back in Shannon Hospital in San Angelo. We really do miss him and hope he returns soon.

Congratulations to Rodney Rutherford. He finally got a new set of wheels — or at least new to him!

The volleyball team didn't do so well at Crane, but they did come back with some new experiences — they played Midland Carver!

Seems as though we have some "High School Harry's" trying to be "College Cools"! Helen K. Beverly I and Peggy H. spent the weekend visiting with Esther W. at Texas Tech.

Who lost his cool Sunday? Our mighty Lion Band will travel to Brady Friday and Saturday to enter in the Twentieth Annual Heart of Texas Festival. We wish them luck and hope they bring back a trophy!

THE ADVENTURES OF HIRAM GOODY, Superhero

By Janet Fox

We left Hiram in the hands of thugs, who were trying to overcome him by the use of the fatal scent, Estee Lauder Perfume.

Hiram (for he had lost his super powers at the first sniff) thought frantically. He realized that within 3 minutes he would die if he didn't do something! Suddenly he reached into his pocket and removed a small ampule of ammonia and crushed it.

Almost at once he felt better. The smell of the ammonia was stronger than

WRONG NUMBER!

that of the perfume. Hiram was saved!

Hiram quickly chewed a piece of his specially coated Juicy Fruit Gum, and his strength came back, and he was Superhero, again.

He turned the thugs over to the police and flew off into the sunset. Justice had triumphed again!

Next week watch for the Adventures of Superhero when little sister tells all!

QUESTION OF THE WEEK

By Kay Fox

- Happiness Is: Christina — Not having Richard S. in Spanish 1st period.
- Simply — not having dictation in Shorthand
- Odilia — would you believe passing shorthand.
- Sue E — having two cute boys to flirt with!
- Maryan M — knowing an oldie still has some fire left!
- Mickie N — Knowing that nothing is impossible!
- Brenda B — not getting caught skipping!
- Brenda C — what happens on Saturday nights.
- Sue N — going out on weekends.

LIONS ENTER FORT STOCKTON MEET

By Peggy Hagelstein

The Ozona Lions traveled to Fort Stockton Saturday to participate in the Fort Stockton track meet.

Gary Sutton won first in discus and second in shot put. David Huff placed third in pole vault. Randel Clepper took third position in intermediate hurdles.

Ozona will have its Invitational track meet next Saturday in the Ozona Lion Stadium.

DEAR GABBY

Dear Gabby,
 I have a problem. I started going with a girl who was making A's, and we are going together. I should I tell her to drop her grades?
 Yours truly,
 Dear Puzzled,
 Stop going steady!
 Dear Gabby,
 I have a problem. This boy I care for and he says he cares for me, but I don't believe because he flirts with other girls that I don't like. She chases him and I pick fights with him. Please give me your advice! What do you think?
 Yours truly,
 Dear Jealous Girl,
 You could try to win him.

THE CHURCH FOR ALL

ALL FOR THE CHURCH
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

She's a lucky little girl. Though she's only five years old, she knows how to pray. It is perfectly natural for her to kneel by her mother's side at bedtime and "talk to God."

She has a head start over children who have never experienced this kind of communion. For there are many youngsters throughout our land who have never learned to pray, simply because no one has ever taught them. For that matter, she's ahead of a good many grown-ups, too!

No one, of course, is ever too old to learn how to pray. But those who learn young are fortunate, for constant prayer builds a faith that will sustain them all their lives. Give your child the gift of prayer by taking him to church, by enrolling him in church school, and by listening to his prayers at home, each and every night.

Blond and Gretel

By Maryan Maney

Really dead
No more to dread
Deathly still
We can eat our fill
Now all this spell is o'er
We face no more
Yes, let us happy be
Dancing happily
Now the old witch is gone
We'll have no end of fun.

Spring

By Connie Williams

In the Spring we have new
flowers
Buds and lambs and April
showers.
Little bees humming birds
In early spring are often
heard.
In spring time gave me
have much fun
Running and playing and
laughing we came.

When I Grow Up

By Duain Vinson

When I grow up a rancher
I'll be

And the rolling plains I'd
like to see
I'd ride here and I'd ride
there
At night I'll settle down
and feed my mare.
Then I'd listen to the co-
yote band
In the morning I'd wake
up to the rolling land.
I'll put on my pants, my
shirt, and boots
I'd saddle up my horse
and ride out to the chute.

In the Middle of November

By Beverly Loudamy

In the middle of November
From this land I'll flee
And always remember
What happened to me.
First things were dreadful
And then they were worse
But all of a sudden, I met
an old nurse
But that didn't do
Because she wasn't helpful

Recipe of the Week

From Kitty's Kitchen

Salmon Ring with Peas

1 pound can of salmon
drained, picked over and
flaked fine.
2 eggs, slightly beaten
1 can cream of mushroom
soup
1/4 cup crackers crumbs
1/4 cup chopped green pep-
per
1 tbs. minced parsley
1 tbs. lemon juice
1 teas. grated onion
Pepper and celery salt
1 pkg. frozen green peas
Gently combine the eggs,
1/2 the soup, crumbs, green
pepper, parsley, lemon juice,
onion, a dash of pepper, and
a good pinch of celery salt.
Stir in the salmon and spoon
into a well-buttered ring
mold. Bake 40-45 minutes in
a moderate oven (350) and
unmold on hot platter.
Cook the peas in 1/2 cup
boiling water, letting them
simmer one to two minutes
after the water comes to a
boil again. Drain and mix
gently with the rest of the
cream of mushroom soup,
well heated but not boiled.
The consistency will be im-
proved if you dilute the soup

After 7 p.m., you can call anywhere in the country for a dollar.

All long distance callers worth their salt
know that calling in the daytime is more ex-
pensive than calling in the evening hours.
(Actually, most people call during the day,
when we charge our regular rates.)
But long distance callers aren't interested
in explanations.
The only thing they care about is calling for
the cheapest possible price.
So to get more for their money, they de-
vised a scheme you might call The Waiting
Game.
The idea is to do just what the name im-
plies: Wait and wait and wait and wait.
Because they know if they can hold out till
after 7 p.m. or any time of the day on Saturday
or Sunday, they can call anywhere in the coun-
try for a dollar or less.
Which just goes to prove that anybody can
afford to call long distance.
Provided they know how to play The Game.

Southwest Cattle Raisers Meet In Santeone Mar. 25-27

The home of HemisFair '68 will host the Texas and Southwestern Cattle Raisers Association for its ninety-first annual convention, scheduled for San Antonio, March 25-27. This annual conclave will combine the fun and festivities for members and guests with the charm of this 250 year-old city in combination with informative general sessions and working committee meetings. Joint headquarters hotels are the St. Anthony and The Gunter.

The theme of this year's Cattle Raisers get-together is The Cattle Industry — From Birth to Bite. A wide range of topics will be discussed, vital to the cattle industry of the Southwest. How to squeeze more income from the brood cow herd will be covered by technical experts as well as practicing cattle producers. A close look at tomorrow's beef market will be reviewed to help the cattlemen gear-up now for the changes to come. Proposed changes in the Brucellosis program will be aired and how these changes could affect Texas will also be a vital part of the convention program. Other featured speakers will provide attending cattlemen an insight of things to come for their business.

Three Injured In Collision Tuesday Night

A California girl and a local couple were injured Tuesday night in a two-car collision 20 miles east of Ozona on hwy. 290. The girl, Linda Chenault of Buena Park, was taken to Shannon Hospital in San Angelo by ambulance, where her condition is listed as fair. Mr. and Mrs. Oscar Goodman, were hospitalized here. Mrs. Goodman is suffering from a broken foot and Mr. Goodman from bruises and lacerations.

The accident occurred when Miss Chenault, driving a 1968 Datsun and traveling west, pulled into the opposite lane to pass a truck and met the Goodman car almost head on. Mr. Goodman driving a 1967 Chevrolet and traveling east swerved to his right and averted a direct head-on collision.

Investigating officer, Orville Perry, said the Datsun was a total loss and estimated its worth at around \$1,800. Damage to the Chevrolet was \$2,000.

Accurate and Complete RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

GRADUATE TO TOTAL ELECTRIC OPERATION

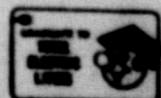

"We graduated to total electric restaurant equipment, and ours is a favorite eating spot on Highway 36!"
B. F. Gilchrist, Rising Star

Skelly Truck Terminal and Restaurant on Highway 36, Rising Star, works Reddy Kilowatt day and night. The restaurant is total-electric operation, and the Restaurant and big Truck Terminal is brilliantly illuminated inside and out. Guard Lights, Quartz Floods, and Double-Wing Fluorescent Floods turn night into day around the service area. Excellent sleeping quarters and showers are provided for the truck drivers—made more comfortable electrically, of course.

Total-connected load in kitchen—72.0 KW. Electric Range, Griddle Range, Fryers, Toaster, Hot Food Table, Food Warmer, Roll Warmer, Tea Maker, Hot Chocolate Maker, Ice Machine, Dishwasher.

Wise and Otherwise

Rambling Reflections By Dr. R. F. Curi

I have been absent from the columns of this good paper for several weeks now. I have been encouraged to have a few of my acquaintances and friends be kind enough to mention that they, too, have missed me. Being missed is always part compensation for missing.

But I have come to enjoy rambling around in various and sundry reflections in these columns and to have responses of agreement and disagreement occasionally on what I have said. The column does me good whether it helps anyone else or not. I appreciate the privilege and opportunity the Stockman gives me.

My absence has been occasioned largely by my attendance on two meetings. The first of these was at Southern Methodist University the first week of this month when more than a thousand Methodist preachers of this south central section met to hear some stimulating lectures when I hope recharged us all as I know they did me.

Bishop Paul E. Martin, Bishop at Houston, who comes to retirement this summer after fifty years in the ministry, brought some perfectly and beautifully worded meditations that called all preachers back to the simple old virtues of personal integrity and service. This is certainly a needed note in this day of mass movement and individual suppression.

I was also helped by a good discussion on COCU (Consultation on Church Union), which is a dialogue among ten large Protestant denominations looking to an organic union into one Church. Although I hear some leaders predicting it will be consummated by 1980 I doubt it will occur that soon or in my lifetime. But I am for breaking down middle walls of separation wherever possible and rejoice that Christian denominations who were involved in factious debates a generation ago now seek to find platforms of unity and cooperation.

Swinging At The Fair

When Hemisfair '68 opens April 6, in San Antonio, Texas, visitors will note one point: this is a fair in motion. Fairgoers will be able to enjoy a stately gondola glide down the San Antonio river—where Victorian houses along the banks—some 100 years old—have been restored and will be used as restaurants for various nations.

For a little faster-paced action, the Swiss Skyride will fill the bill. In cars suspended overhead from wires, riders will see a bird's-eye view of the Fair—and be able to get to any far point almost instantly. Movers who like their action sitting down can go to the revolving restaurant atop the Tower of the Americas—a staggering 622 feet above the ground—for a view of the South Texas landscape as well as the Fair, itself. This highest revolving restaurant in the Western Hemisphere will make one complete turn every hour.

But, perhaps the most swinging event at the Fair will be at the Frito-Lay/Pepsi-Cola pavilion. There, Los Voladores, the Flying Indians of Papantla will perform their spectacular feat of climbing a 114-foot pole and "flying" to the bottom. Secured only by ropes around their waists, Los Voladores will turn in a series of 32 dizzying revolutions until they reach the ground. This flying dance has been a tradition of the Totonaque Indians for centuries and will be performed exactly as it has been done in the past—with one important exception. Originally, some provision had been made for the flyers' security. But, at the Frito-Lay/Pepsi-Cola presentation, Los Voladores will be on their own.

Lovers of perpetual motion will find what they want at the Fair. For all ages, Hemisfair '68 will be a swinging event. My other meaning brought together more than 100 religious and educational leaders of the nation in three days of confrontation with current world problems.

And let me say that the outlook can be no calculation. In fact, my very blood was chilled by the enormity of the problems that baffle men around the world today. Rolled before the group were such present and impending problems as World Hunger (with documented evidence that probabilities are that food production

conscious sake have left the parent denomination which is licensed by the communist regime; irreligious responsibility among professed Christians who are currently not attending and participating in their churches as the demands of the times require.

On the encouraging side is the fact that reports seem to indicate that the hippie revolution is subsiding and that youth are becoming more responsible participants in life; expanding educational opportunities; new seriousness of Christians to understand and apply their Christian faith; sale since last October of almost 10,000,000 copies of the American Bible Society's new translation of the New Testament (done chiefly by a Southern Baptist Scholar at their seminary in Louisville, of which Jim Hancock is a graduate) known as "Good News for Modern Man"; the new awakening in the Roman Catholic Church which is bringing renewed vitality to that largest sector of the Christian world; and a perceptible growth in acceptance of the fact that after all problems must ultimately be solved on local, non-governmental levels, by Christians committed to accept and apply the Gospel of Jesus Christ.

My nature is to believe that in spite of all the floundering woe of life, God is still in charge and that a divine purpose rules the lives of men and nations. We in Ozona can be thankful that many of the immediate problems of a twisted, writhing world do not touch us directly. But we also are aware that "No man is an island unto himself," which means that all problems come home to us.

CARD OF THANKS To our Many Friends in Ozona: Please accept our sincere thanks and appreciation for the thoughtfulness expressed in the many letters and cards received.

missioners race. She will be opposed in the Democratic primary by J. P. Pogue, Bill Black and L. D. Kirby. The winner in the first or second primary, in case of a run-off will be opposed by Charles Applewhite, Republican, in the general election.

The other two county offices up for election this year are sheriff and county attorney. Billy Mills is unopposed for sheriff and incumbent Fred C. Chandler has no opponent for the office of county attorney. Both men have filed for re-election.

Other races of local and regional interest are State Senator 25th district and U. S. Congressman 21st Congressional District. Senator Dorsey B. Hardeman of San Angelo will be opposed by Pete Snelson of Midland for State Senator in the Democratic primary. Snelson, former state senator, lost to Hardeman in a close race two years ago when redistricting threw the two men into a race for the new 25th district. Winner of the primary will face Republican, Ernest Angelo, Jr., in November.

O. C. Fisher, incumbent in the recently carved out U. S. 21st Congressional District will face Gordon F. Johnson of Odessa in the Democratic primary. Republican Jack Alexander of Midland will oppose the winner in November.

A full slate of candidates, nationally and state-wide, in November assures voters of a great deal of political activity as is usual in a Presidential election year.

this year." In his formal announcement this week Snelson reviewed some of the objectives which he plans to pursue in the Legislature.

"Foremost among my legislative goals is the passage of a 'conflict of interest' law to prevent legislators from appearing for pay before state agencies," said Snelson. "A cure for influence peddling by legislators was recently cited by Governor John Connally as one of the greatest needs of our state government and I intend to work to bring this about."

Also, Snelson said that he is in favor of a change in the Senate rules so that the entire legislature will have a greater voice in the writing of the appropriations bill.

"The present rules have made it possible for certain legislators to hold an axe for selfish influence over the head of state agencies and state employees through their writing of the appropriations bill," said Snelson.

"I'm greatly concerned about the recently publicized problems of the Texas Liquor Control Board and believe that we must move with dispatch to correct shortcomings in our laws and in their enforcement," said Snelson.

"It is the duty and responsibility of the Legislature to write workable laws and to provide the financing necessary to vigorously enforce those laws."

Financial restrictions placed on the current Liquor Control Board are such that it has only 159 agents to police 254 counties with 40,000 licenses in wet areas, and 1,360 private clubs. All of the agents are paid less than other comparable state positions.

tion." "The salaries of all our state law enforcement officials must be increased to a level commensurate with their duties and responsibilities," stressed Snelson. "This, plus additional changes in the code of criminal procedure, will be necessary if we are to win the fight against crime."

Meeting the educational needs of our growing state has long had the dedication of Snelson, both in and out of the Legislature. Many point to Snelson's background of 10 years as a teacher and administrator in high school, college and junior college as important qualifications in playing a lead role in bringing about better educational opportunities for citizens and in making the teaching profession even more attractive financially and otherwise.

Born into a pioneer West Texas farm and ranch family in Ward County Snelson is active in the business affairs of the area as the owner of an advertising agency. He is married to the former Susan Sutton and they live at 2406 Shell Street in Midland with their children, Gene, 8; Sandra, 6; and Steven, 4. They are members of the Presbyterian Church.
