## Jackson Denies New Trial Plea In Vacancy Suit

### Verdict For Defendants Declares Against Vacancy Contention

District Judge W. C. Jackson Saturday overruled a motion for a new trial presented by attorneys for the plaintiff in the vacancy suit filed by S. B. Phillips, Jr., against the J. S. Todd and J. M. Shannon estates and interested oil companies and royalty holders.

A verdict in favor of the defendants in the suit was returned by a Crockett County jury last Thursday afternoon following a five-day hearing of testimony presented by the opposing sides. The jury's verdict was based on special issues presented to it by Judge Jackson, who entered judgment in favor of defendants declaring that no vacancy existed in the disputed area. Attorneys for the plaintiff indicated that the case would be taken before the Court of Civil Appeals on appeal from the district court here.

More than a dozen attorneys, some of the state's biggest legal lights, spent a week in Ozona in trial of the case. Attorneys represented various interested oil companies having holdings in the contested area, individuals interested in the acreage and the Shannon and Todd estates, as well as the plaintiff.

The plaintiff sought to show that a vacancy existed between lands of the Todd and Shannon estates, a strip some half mile wide and about ten miles long.

## Training Course Precedes Forming Of Cub Pack Here

### First Of Three Night Course To Start Next Monday

Under sponsorship of the First Baptist Church, a three-session training course for parents, to acquaint them with the Boy Scout Cubbing program with a view to organization of a Pack here, will be held at the Baptist Church, the first session planned for next Monday night.

Rev. Clyde Childers, pastor of the church and chairman of the attendance committee, met with members of his committee at the church Monday night of this week and laid plans for the training course.

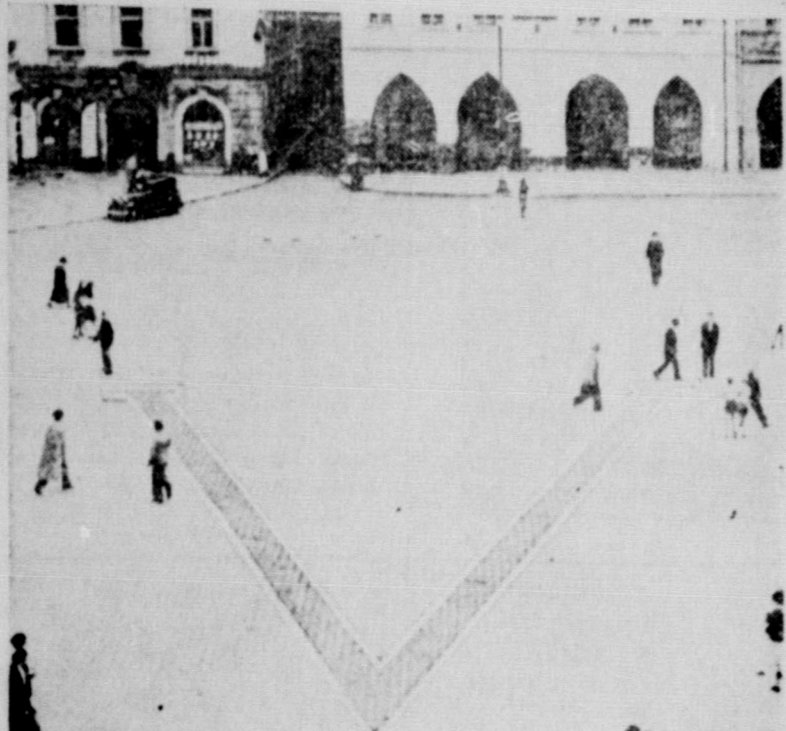

Joe Galbraith, field executive for the Concho Valley Council in this district, will conduct the three-night training course. Mr. Galbraith will advise with parents on the advisability of the Cubbing program and its benefits to the boys and to the Scout movement. All parents of boys 9, 10 and 11 years old are invited to attend the course.

The first session of the training course under Mr. Galbraith's direction will be held at the Baptist Church next Monday night starting at 7:15 o'clock. The second session will be held at the same hour the following Monday night and the concluding session the following Thursday night.

Members of the attendance committee, the group charged with responsibility of soliciting attendance of parents of boys of Cubbing age, are Rev. Childers, chairman, Boyd Lovelace, neighborhood Scout commissioners here, Mrs. Armond Hoover, Mrs. John Mitchell and Mrs. Claude Hill.

Apparent widespread interest on the part of parents and boys alike organization of a live Cub Pack, according to Rev. Childers. About 25 boys are expected to be enrolled in the pack. Every boy in the community 9, 10 or 11 years of age will be eligible for membership in the Pack. The Baptist Church will sponsor the Pack, provide a meeting place and assist in its successful program.

## But This 'V' Is for Sieg

Attempting to steal the thunder of "Col. V. Britton," who is the sparkplug of the British "V for Victory" crusade, the Germans release this photo to a skeptical world. It shows a great "V" inscribed in a public square in Prague, Czechoslovakia. The V stands for Victoria, an ancient German word for victory, long superseded by the familiar "sieg" of modern Germany.

## Rotary Hears Accounting Of Water System

### Joe North Recounts Progress Of Plant Improvements

An accounting of operation of affairs of the newly created Crockett County Water Control and Improvement District No. 1, a district embracing roughly the town of Ozona, created in order that the people of Ozona might buy and operate the city water supply system, was given before the Rotary Club Tuesday by Joe North, chairman of the Board of Directors of the district.

Mr. North recited the extensive improvements that have been made to the system, including the drilling of two new wells and tapping of what is believed to be an inexhaustible supply of pure water, installation of two centrifugal electric pumps capable of producing a maximum of 670 gallons of water a minute, and a project now under way for construction of a sanitary water reservoir, and lay-

## Band Mothers Study Needs Of School Bands

### Committees Named; To Meet Monthly On Third Thursdays

Committees for the year were appointed when the Band Mothers Club met Thursday afternoon in the High School auditorium. Twenty-seven members were present.

The club decided to meet monthly, on the third Thursday of each month immediately after the chapel program.

Cyril Pingelton, band director, reported 43 members in the senior band and 23 in the junior band. He also read a list of instruments needed for the band.

Mrs. L. B. Cox, president, named the following committees for the coming year:

Telephone: Mrs. Hubert Baker, Mrs. Hudson Mayes, Mrs. Cecil Hubbard, Mrs. Hillery Phillips and Mrs. Ray Dunlap.

Transportation: Mrs. Tom Owens, Mrs. O. D. Busby, Mrs. Fleet Coates, Mrs. Hugh Gray and Mrs. R. E. McWilliams.

Social: Mrs. S. M. Harvick, Mrs. Wayne West, Mrs. C. C. Pharr, Mrs. Bryan McDonald, Mrs. George Russell and Mrs. George Montgomery.

Instrumentation: Mrs. Morris Dudley, Mrs. L. B. Townsend, Mrs. Joe Patrick, Mrs. Neal Hannah and Mr. Pingelton.

## Property Tax Paying Period Opened Oct. 1

### State, County, School Collectors Join In Raiding Rolls

With the federal government's new defense tax program just gone into effect, the taxpayer is already groggy but the state, county and school tax collectors have no qualms about jumping on the punch-drunk victim with their reminder that its taxpaying time again on that type of taxes.

But the government uses power persuasion, the state, county and schools have offered an attractive discount to induce the wary taxpayer to "kick in" promptly.

The taxpaying period opened October 1, and to encourage early payments, a graduated scale of discounts will be operative this year as in previous years. The discount on all taxes, except poll taxes, will be 3 per cent if paid during the month of October, 2 per cent if paid in November, and 1 per cent for payment in December. After that month, no discount will be available and taxes must be paid before February 1 or become delinquent.

Another saving can be made all this month by the taxpayer who is delinquent on taxes prior to the year 1940. Delinquent taxpayers may save all accumulated penalty and interest on delinquent taxes if all such taxes are paid before November 1, 1941. Under this law, remitting penalty and interest on delinquent taxes if paid before November 1, the total amount delinquent must be paid on all property before the remission will be operative.

Five taxpayers had already deposited the amount of their taxes to await the opening of the taxpaying period, according to Claude Russell, deputy collector under Mrs. W. S. Willis, sheriff. These simultaneous first-taxpayers were three ranchers, an oil company and a non-resident, the deputy collector said. Roy Parker was the first to pay a poll tax.

## Soldiers Returning From Maneuvers In La. Pass Thru Ozona

Some 5,000 soldiers, returning from army maneuvers in Louisiana, were passing through Ozona early this morning on their way to base at Fort Bliss in El Paso.

The soldiers were scheduled to spend the night in Ozona, but bad weather had evidently slowed down their progress and most of the traveling contingent spent the night between here and Sonora, it was reported.

## 'Last Pose'

Gen. John J. Pershing, A.E.F. commander, who has just observed his eighty-first birthday at a Washington, D. C., hospital, where he underwent his annual physical checkup. He told photographers this was the last time he would pose for the next 50 years.

**QUITS OHS FACULTY**—Guinn Caruthers, manual training and science teacher in Ozona High School for 11 years, resigned that position, effective Wednesday, to accept a similar teaching position in Conroe, Texas, High School.

## Guinn Caruthers Resigns; To Take Post At Conroe

### Manual Training Instructor In Ozona High For 11 Years

After eleven years as a member of the faculty of Ozona High School, teaching manual training and science, Guinn Caruthers has resigned that post to accept a similar teaching position in the High School at Conroe, Texas. The resignation became effective at the close of the school day yesterday. Mr. Caruthers will advance to a much larger school, the Conroe High School having an enrollment of nearly 600 pupils. Conroe is in Montgomery County, about halfway between Houston and Huntsville, in a thickly populated area, with a large oil producing field nearby.

While a member of the school's teaching staff, Mr. Caruthers has had an active part in other civic activities here. He has served the last two years as Scoutmaster of local Boy Scout Troop 53 and is a member of the local Rotary Club. During the past summer Mr. Caruthers and a former member of the local school faculty, Miss Norine Allison, were married. Mr. Caruthers' parents reside in Paradise, Texas.

The resignation resulted in a shift in the local school faculty. W. E. McCook, principal and manual training teacher in the Latin-American school being shifted to Mr. Caruthers' position as manual training teacher. He will also teach world history. L. B. T. Sikes, relieved of the class in world history, will take over the post as teacher of physics. Joe Ripple, who was added to the Latin-American school faculty this year, has been elevated to the principalship of that school. Mrs. McCook is temporarily substituting as teacher in the Mexican school until replacement teacher can be employed.

## Two Amerada Wells Completed In Todd, Light Production

Two extensions to the Todd deep production field in Crockett County, 15 miles northwest of Ozona, were completed yesterday after official gauging for small daily potentials.

No. 1-B Todd, three-quarter mile northwest outpost, flowed 85.32 barrels of pipeline oil in 24 hours through half-inch choke on tubing. It was treated with 10,000 gallons of acid between 6,048 and 6,065 feet after plugging back from 6,300 to 6,255.

No. 1-C Todd, 2 3/4 miles west outpost, was finaled for a 24-hour flow of 86.7 barrels of oil plus 218.68 barrels of water through quarter-inch choke on 2-inch tubing.

## Lions Conquer Junction Birds By 26-8 Count

### Rampaging Beasts Lay Waste to Eagle Nest; Big Lake Next

Still smacking their lips over the first blood of the season drawn from the Rankin Red Devils the previous Saturday, and thirsting for more, the rampaging Lions of Ozona High School invaded the Eagles' nest in Junction last Saturday and scattered feathers all over Kimble County in a rousing 26 to 8 victory over Frank Hubbell's crippled crew.

This was the first District 7-B fracas of the current season, the Rankin game being a season warm-up.

Next Saturday the Lions of Coach Dan Patterson will be in action again on their home grid, entertaining the Owls of Reagan High School at Big Lake. The game has been called for 2:30 Saturday afternoon, with the pep squads, bands and drum corps of each team scheduled for halves formation marching and music, presaging a colorful encounter for home supporters of the squad. Admission prices will be 20 cents for children and 45 cents for adults, including federal tax.

Football has revived in a big way in Ozona this fall, with Ozona's first winning combination in several years of gridiron drouth. But Coach Patterson has assembled a fighting crew this year and with a little more seasoning will be ready for the best the district has to offer.

It was the Lions all the way in Junction Saturday. In the first frame, Hannah heaved a 30-yard aerial to Hokit to put the ball on Junction's 20. Successive plays advanced the ball until Hannah took it over and then converted the extra point. In the second quarter, a lateral, Cox to Hokit, (Continued on Last Page)

## October Opens With Two-Inch Rainfall Here

### Shearing Crews Being Delayed By Continued Showers

Most West Texans are loathe to confess an abundance of rain and more especially to wish for dry weather, but with shearing time at hand and screw worm infestation causing losses, guarded expressions are being heard from ranchmen to the effect that a few weeks of dry weather would be more beneficial to the ranch industry just now than the continued rains.

Shearing crews are running from ten days to two weeks or more behind schedule. But, though slow, the shearing operation continues between showers and with a little favorable weather the fall clip will be off the backs of Crockett sheep and ready for buyers at today's favorable prices.

But in spite of the delay of shearing crews and insect pests, the abundant fall rains are redoubling assurances of one of the best winters in many years for livestock.

One of the heaviest downpours of this record rainy year fell in Ozona early Wednesday morning, registering 2.3 inches of moisture in less than an hour. Heavy clouds and intermittent showers continued through the day.

With October kicked off with a two-inch fall, the year 1941 seems well on the way to establishing an all-time record rainfall. Already this county's average annual fall has been more than doubled with a total fall for the year well past 30 inches. Books were closed on September Tuesday night for a total of 4.78 inches in that month, with the previous month, August, brought a total of 7.82 inches.

THURSDAY, OCTOBER 2, 1941

A RULE WELL BROKEN

The President breaks a personal rule when he accepts the honorary chairmanship of the committee arranging the sesquicentennial observance of the adoption of the Bill of Rights. Sponsored by the Council Against Intolerance in America, this occasion exerts such a strong appeal to Mr. Roosevelt that he will abandon a custom of long standing and take the proffered post. He could hardly have selected a better time for this departure, or sacrifice a rule for better purposes. For the American Bill of Rights seems peculiarly to symbolize all the decencies that men are fighting for today, and everything that tyranny detests. In it there is tolerance, and a recognition of the dignity of the individual, and a deep concern for the rights of minorities, and an impassioned emphasis on liberty. Through it there moves the eternal spirit of justice and moderation, of respect for others, of consideration for the opinions and creeds and convictions of all. In a few weeks the Bill of Rights will be 150 years old, and time has only served to accentuate the wisdom and the foresight underlying it. With its guarantees of the freedom of religion, of speech and press, and of the right of the people peaceably to assemble, it is a light to those everywhere living in the shadow of despotism, and a rebuke to the intolerant. The honorary chairmanship which Mr. Roosevelt has accepted represents a rule well broken. It is entirely fitting, while the world is racked by bigotry and oppression, that he give this recognition to an anniversary so deeply rooted in the cause of freedom.—Minneapolis Tribune.

EVEN IN POLITICS!

A Confederate veteran at one breath snuffed out 92 of the 95 candles on his birthday cake. Now if he will only refrain from burning the other three at both ends.—Washington Evening Star.

Say: "I saw it in the Stockman."

GREEN ON DEMOCRACY...

William Green went to St. Louis to address the national convention of the Hod Carriers' and Common Laborers' Union—the first convention that the little group of self-perpetuating dictators which controls this union has permitted to be held in 30 years. To Mr. Green came a rank-and-file delegation asking his help in a fight to make the union "clean and democratic." The president of the American Federation of Labor had often deplored racketeering and gangsterism in the labor movement. Would he now cease to deal in pious generalities and become specific? Would he give moral support, if nothing more, to workers who know that their union is cursed with racketeering and gangsterism and who are willing to stand up and battle for regular conventions, honest election and proper accounting of union funds? Not William Green. "I know nothing of your internal affairs," he said. "There are bound to be disputes and arguments in such organizations, but it is not my place to settle them." And then this leader of labor launched into his discussion of "the one great question before the world." It is, he said, the question of dictatorships against democracy.—New York World-Telegram.

"PROPAGANDA," Ltd.

America First speaks a special language, all its own. For example, the word "propaganda" means, to a Firster, any statement made by an interventionist. Thus the Senate's isolationist-managed "investigation" of propagandists in the motion pictures was aimed solely at anti-Nazi films. The word "election" also has a special meaning to an isolationist. It means an election in which he wins. Thus the election which returned Roosevelt to office is deliberately smeared and sneered at in isolation addresses as "no true choice," though Mr. Norman Thomas, who graces America First meetings with his presence, was quite definitely a national candidate. America First also seems to believe that the word "peace" describes, in some curious way, the situation in which this country finds itself today.—New York Post.

AS GOOD WITHOUT IT...

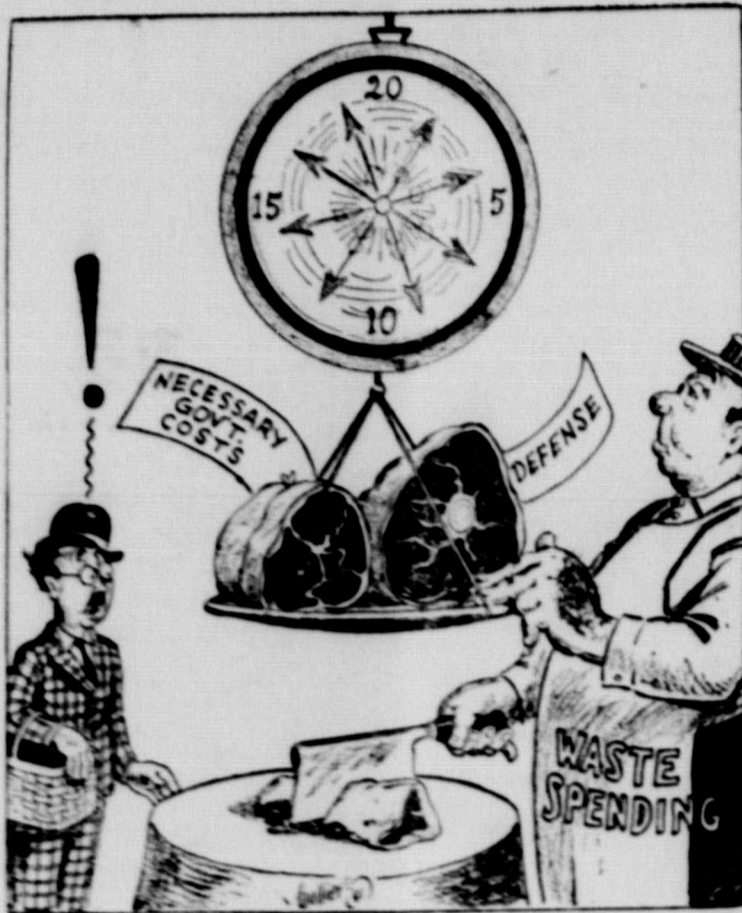

A researcher reports that according to tradition, the kitchen is the only place in the house where mistletoe should be hung and only there does it give the liberty of kissing. We blush to think how many girls have been taken advantage of, so to speak, illegally.—Cincinnati Enquirer.

Nicotinic acid is a vitamin found naturally in wheat and other foods. It has none of the qualities of nicotine found in tobacco.

About 150,000 pounds of aluminum were used last year to make wing and leg bands for poultry in the United States.

Between 1890 and 1940 there was a sharp increase in ownership of small part-time farms near large cities.

HEY! TAKE YOUR HAND OFF!

THIS BUSINESS OF Living

BY SUSAN THAYER

History Is Made At Home

History is being made these days. History—that men and women will read hundreds of years from now and marvel at, as we read and marvel at the difficult beginnings of this wonderful country. And it's being made in our homes just as surely as it's being made in the factories and camps of America.

But how can history be made in your home, you ask? There's nothing special going on there. Just the usual things—three meals a day... bed making... cleaning... the washing once a week...

But these "usual" things are what men and children, as well as women, live by. They're the comforts and freedoms and associations for which we work and support our government and fight, when it's necessary.

Home. It's not only what we work for. It's the thing that supports and stands back of us all. It's where men and women rest and eat and talk and laugh and get ready to go out to do their part in these factories and these camps. It's where children grow strong and intelligent, imbued with ideals of freedom and independence as uncompromising as those of our forefathers. It's where they come at night when they're tired and hungry and puzzled; perhaps disillusioned at what's going on in the world, to find peace and comfort and good food.

Never before in all the colorful years of this country's history has home been more important than it is today. Not even in the days when the little log cabin on an unfriendly frontier was the last outpost of civilization; the place where the necessities for living, now turned out by our factories, were painfully produced. For today the thing vital to this country is morale; the vision and confidence that our future will be even greater than our past. And this type of morale can only be created in the homes of a country.

An important speaker said recently. "The eyes, hopes and prayers of free men everywhere are on American industry in this world crisis. All who oppose the scourge of oppression sweeping out of central Europe to day look to our factories—to American industrial management and American labor to produce the bombing planes, the guns and tanks and other weapons of modern war which may once more turn the tide in favor of democracy, peace and freedom."

But this industry, toward which free men are looking, can only function at its greatest efficiency if the men and women in it find daily strength and courage in their homes, which it is woman's great, historic destiny to manage!

The Floyd County Rural Electric Cooperative at Floydada recently was allotted \$152,000 by the REA to build 216 miles of lines serving 389 members in Crosby, Dickens, Floyd, and Hale counties.

MEN OF FINANCE...

In these days of strife and confusion it would do us all good to scrutinize a little closer the history of the United States. Most of us have a general idea that it was a hardy though simple business to create a new nation. It was hardy, but far from simple. Between the written lines of history in which political and military battles predominate, is the intricate story of the growth of an economic system. Each new development in this system took place to meet a definite need. When the great trek westward began a hundred years ago, countless thousands of people invaded millions of square miles of wilderness. When they reached their destination a great majority of them had nothing with which to begin life. In Oklahoma when the famous Cherokee strip was opened to the mad rush of land-hungry settlers, many found themselves stranded and penniless with little more than the clothes on their backs. They were unable to buy the plows, teams, harness, seed, lumber, food, and other necessi-

ties that enterprising merchants shipped across the prairies, until other enterprising individuals came with funds to loan to the settlers.

The latter were "bankers." They were as essential as the sheriff with his long-barreled Colt. And in a sense they were equally as daring. Few communities or farming centers could have been developed without the local banker who, with dreams of a future for his district, backed worthy citizens in need of financial assistance.

There is far too strong a tendency to deprecate the men of finance. This country could not have been built without them, and it most assuredly will have no free and independent future without the continued operation of private financial institutions. The sooner we all understand that fact, the more rapidly will we forge ahead as a nation.

Tumbler pigeons, so called because they perform a backward flip, will form one of the numerous interesting displays in the Pigeon Show at the State Fair of Texas. More than 30 breeds of pigeons have been entered in the show.

DEFENSE BOND Quiz

Q. How do I get the highest return on my investment in Defense Savings Bonds?

A. By holding each Bond for its full term of years you will secure the full maturity value. A Defense Savings Bond of Series E increases in value 33 1-3 per cent if held for 10 years.

Q. Is the Government concerned over whether I buy my Defense Savings Stamps at post offices, banks, savings and loan institutions, retail stores, or elsewhere?

A. No. The Government is interested in having as many persons as possible take a hand in the National Defense Program. Toward that end the Treasury is making Bonds and Stamps available for purchase in the largest number of places possible.

Note.—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at retail stores.

Helping hand

One reason you see so much advertising is this:

It helps people with something to sell to find customers.

It helps those folks called "consumers" to find out about things they want to buy.

All of which his another way of saying, advertising saves a lot of time for everyone.

That's why advertising pays—on both sides of the counter.

### Smart Styling Is Chevrolet Feature In Its 1942 Line

New massiveness, contributing to the smartest styling ever designed for the nation's No. 1 sales volume motor car, characterizes the Chevrolet offering for 1942, according to company engineers. The new car is presented in three lines ranging from an economy model that incorporates unusual refinements to a luxury line surpassing all previous presentations in the lowest-price field.

As in past years, the new car is presented in the Master Deluxe and Special Deluxe series. The Fleetline series, introduced mid-season last year in sedan only, is represented again by sedan, known as the Sportmaster, and the new Fleetline six-passenger Aerose-dan, said to be one of the most attractively styled models in the entire showing.

The same attention to finished detail that is apparent in the exterior of the new models is noted at once inside the car. Smart styling, fine materials, and excellent design have produced the most beautiful and comfortable interiors that Chevrolet ever has offered.

**Around OUR PLACE**  
by Fred Jefferson

All my life I have been informed by persons in the know that since Eve ate the apple man has been born with an inherent sense of shame and an all-consuming desire to hide his nakedness with clothes. And while I would be the last to contradict tradition, I must confess that I did pause and wonder a bit the other day upon learning that 18-month-old Rusty Russell has been toddling up and down the sidewalks at town clothed only in his diapers, and offering to sell them for a nickel cash or swap for an ice cream cone.

One might be tempted to ignore Rusty's boldness and lack of shame, shrugging it off as an isolated case, an exception that proves the rule, but for the fact that last winter his 3-year-old cousin, Bumpy Russell, was discovered circling the house at high speed on a tricycle with not one stitch of clothing protecting him from the icy blasts.

Be it said for Bumpy that when blue fingers and chattering teeth made him aware of his nudity, he did step long enough to go into

the house and return with a bit of flannel which he spread out upon the tricycle seat, thus hiding from prying eyes his little goose-pimpled rear.

Even these two incidents might be passed off as merely a family trait were it not for the case of 5-year-old Marjorie Marsh, who, with a Gypsy Rose Lee swing to her hips, stepped out into the street the other morning stripped to a red bandana handkerchief which she wore in lieu of the better-known fig leaf.

Her mother caught sight of her through the window and was horrified, but the concern of Marjorie's 7-year-old brother was passive, to say the least.

"Get Marjorie out of the street George!" she commanded sharply. "Aw, she's all right, Mama," said George. "She's got her tail light on."

And there's the case of Jackie Polk, who learned to take his first steps by first removing his dress and holding it out in front of him while he followed it around.

Fear of bringing down around my ears a hail of protest against my writing propaganda for the cult of nudism, I avoid drawing any conclusions from the above paragraph and pass on to quote from the brush-country sage and philosopher, Pecos Turner.

"Humans dress up and cow punchers dress down," Pecos observes. "When I see a man raise from his bed and reach for his hat, then his shirt and vest, never baring his hindquarters to the elements till he slips into his pants—well, he don't have to show me no rope burns in his hands. I can tell from his manner of dressing that back along the trail somewhere he's quit his bed in the open when the ground was froze and there was icicles hanging in the flanks of the cows he's nursing."

And to prove that the sins of the children can be visited upon the father, even unto this generation, I cite the case of G. A. Walker, bishop of his church, who reached for his pocket Bible and drew out a pack of poker cards which scattered like gally-colored leaves among the aghast members of his Bible class.

Walker's sons considered this outrageous switching of cards for Bible a highly entertaining joke on their parent.

#### SONS TO TIMS

Mr. and Mrs. Ed Tims are parents of a boy born here Tuesday. Mr. Tims is employed by C. C. Luther, Cosden agent and feed dealer.

Say: "I saw it in the Stockman."

### For Civilian Defense

Alice Marble of California, assistant director of civilian defense in charge of physical training for women, looks over some civilian defense insignia. Miss Marble was formerly national singles tennis champion.

### Behind The Scenes In American Business

By John Craddock

NEW YORK, Sept. 29—SUB-CONTRACTING—As defense production grows ever greater, it keeps demanding more and more of the materials non-defense industries need to keep going. Big non-defense industries, for the most part, can switch over, do defense work. Smaller ones can't. This has been deepening the peaks and valleys of employment, causing worker migrations, "priorities unemployment." The action of Floyd B. Odum, director of the new OPM contract-distribution division, in calling upon 56 companies holding major defense contracts to "subcontract on a large scale," marks intensification of effort to iron out those "wrinkles in our economic map." He called on the companies to assign their "ablest executives" to this problem. It's understood he plans to expand vastly the number of field offices of the old Defense Contract Service, eventually having 150 of them. At present there are 30.

These 56 companies now hold about 75 per cent of the defense supply contracts. More "clinics" like that held here last week, in which prime contract holders get together with "little fellows" who want to get subcontracts, are expected throughout the country.

BITS O' BUSINESS—Fall shopping upturn (as if such were needed) sent nation's department store sales for week ending September 20 up 12 per cent, best gain in several weeks. . . . Men's suits next spring will run to fewer fancy colors and distinctive weaves, may be single-breasted, with unpleated, zipperless trousers—all on account of scarcity of materials and need for clothing army and navy. . . . Meanwhile fall sales running 20 per cent ahead of last year, despite price rises, of which there will be more in coming months. . . . Munsingwear operations at highest level in many years, due to 20 per cent gain in civilian sales and \$1,000,000 worth of army-navy underwear orders. . . . A similar picture in a much different field: Minneapolis-Moline, the power implement firm, has defense orders totaling \$11,000,000—on top of a 25 per cent rise in regular agricultural equipment sales.

NAZI EDGE CUT—The ability of American defense industry to even up the eight-year head start of the Nazis is borne out by a report last week on the progress of this country's new synthetic rubber industry. Comparison in this field is especially pertinent, for in Germany necessity has driven government-subsidized research and production of synthetic rubber at high speed for many years. It was only last year that the first American-made synthetic rubber tires reached the open market. Yet under a \$2,750,000 contract announced last week by the Defense Plant Corporation, a single American company will soon have a synthetic rubber capacity almost

equal to Germany's at the start of the war. By the end of next year, the company expects to be producing man-made rubber at the rate of 17,000 long tons a year. The Department of Commerce estimates that Germany was producing 20,000 tons a year in 1939. The output will be 10 times that of the whole United States for last year.

THINGS TO WATCH FOR—Fluorescent lamps in the shape of plates or discs, rather than the long tubes, have been made possible by a new process, and are expected to be suitable for mounting in conventional ceiling outlets or floor lamps for homes. . . . a new floor finish called penetrex which is said to enter into combination with the wood fiber itself, forming an especially hard and tough finish because it's in the wood rather than just on top of it. . . . an "improved and simplified converter" by RCA which picks up FM (frequency modulation) broadcast signals and converts them into amplitude modulation waves than can be tuned in by a conventional long-wave receiving set. . . . "left-handed" checkbooks—in which the stubs are on the right-hand side so southpaw writers can make entries more easily; the St. Joseph Bank of South Bend, Ind., thought up this innovation and had calls for 52 of them in the first month!

Mrs. Mae Gray is able to be up after an attack of pneumonia.

Two University of California scientists have made synthetic starch from glucose, but it is not expected that industrial use will be made of the process. This is the first instance of starch being made by any means except the action of plants themselves.

A real Eskimo family, with several children, is the feature of the Eskimo Village on the State Fair of Texas' new independent Midway. Almost members of the family are a pack of sled dogs and several bears.

Mrs. George Davis and Mrs. A. O. Fields and daughter spent several days in San Angelo last week visiting Mr. and Mrs. Guy Davis and Mr. and Mrs. S. F. Scotchorn.

Jake Young, Jr., small son of Mr. and Mrs. Jake Young, was reported improved the middle of the week after being seriously ill with a throat infection.

Mr. and Mrs. C. J. Van Zanit left Sunday to spend a few days on business and visiting at Tulla, Texas, where they have agricultural interests.

Mr. and Mrs. Boyd Lovelace left early Sunday morning to visit Carlsbad Caverns but upon reaching there found that New Mexico floods had washed out roads leading to the caverns. They turned the day's outing into a visit at El Paso.

### The New Tax Law Means

## Accurate Ranch Records Are More Essential Than Ever Before!

The new tax law will place the greatest burden in history on American taxpayers. The government will be more demanding in its accounting of the tax bill, and every transaction will count heavily in the final accounting of the tax bill.

Thus, it is more essential that those in the ranch industry keep accurate records of their business—records that will facilitate the filing of income tax returns and perpetual proof of their accuracy.

## Mrs. W. R. Phillips Honored At Shower

Friends gathered at the home of Mrs. W. R. Phillips Friday night to honor her with a surprise "going away" shower. Mrs. Phillips left Wednesday of this week for Santa Rita, N. M., where she will spend the winter with her daughter and son in law, Mr. and Mrs. T. W. Dendy.

Pop corn and candy were served to Mrs. John Brown, Mrs. J. A. Sparks, Mrs. J. E. Boyd, Mrs. Russell Crosby, Mrs. C. W. Taliaferro, Mrs. E. A. Crisman, Mrs. Frankie Jones, Mrs. Louis Powers, Mrs. Lizzie Alexander, Mrs. Lloyd McGuire, and Mrs. J. S. Whatley.

Those sending gifts were Mrs. Bruce Harp, Miss Betty Bratcher, Miss Lola Taylor, Mrs. Pink Beall, Mrs. Jones Miller, Miss Leta Powell, Miss Pearl Young, Mrs. A. B. Cummings, Mrs. R. F. Powell, Mrs. J. O. Secrest, and Mrs. J. E. Newkirk.

Mr. and Mrs. J. L. Hicks, who ranch across the Pecos in Terrell County, left Sunday for Burnet to be at the bedside of Mr. Hicks' father, J. L. Hicks, Sr., who suffered a stroke of paralysis Sunday morning.

Office Supplies at the Stockman.

## Lester-Smith Nuptials Told

Mr. and Mrs. Jim Smith have announced the marriage of their daughter, Emily, to Haskell Lester. The wedding took place August 30, in Fort Stockton. The Smiths, former residents of Ozona, now live in Alpine.

Mrs. Lester was a graduate of Ozona High School, class of 1939, and has been employed as a secretary in the Border Patrol offices. Mr. Lester is a graduate of Austin High School, where his parents reside and is employed by the government on a soil conservation project.

## Going-Away Party For Ozona Couple

Mr. and Mrs. Lloyd McGuire, who are leaving for Winters to make their home, were honored with a going away party at the Davidson ranch Thursday night. Dominoes and Chinese checkers were played during the evening.

Ice cream and cake were served to Mr. and Mrs. Tom Powers, Mr. and Mrs. Welton Smallwood, Mr. and Mrs. J. A. Sparks, Mr. and Mrs. Louis Powers, and Mrs. Lizzie Alexander.

Miss Dollye Cooke was rushed to San Angelo Saturday night where an emergency appendectomy was performed. She is reported to be resting well.

Mr. and Mrs. Frankie Jones, and son, Frankie Joe, spent Sunday in San Angelo.

Mr. and Mrs. Bruce Harp and children have returned from Odessa where Mr. Harp worked for a week.

## DO PLATE SORES BOTHER YOU?

If your gums itch, burn or cause you discomfort, druggists will return your money if the first bottle of "LETO'S" fails to satisfy. SMITH DRUG CO. 4-14

## Mrs. Arthur Kyle Las Amigas Hostess

Mrs. Arthur Kyle was hostess to Las Amigas Bridge Club at her home Friday afternoon. Mrs. C. J. Van Zandt and Miss Mildred North won high and second high score awards. Mrs. Richard Flowers won bingo.

A salad plate was served to Mrs. C. J. Van Zandt, Mrs. Richard Flowers, Mrs. Rex Russell, Mrs. Bill Baggett, Mrs. Ed Dean, Mrs. Bryan McDonald, Mrs. G. L. Nearsta, and Miss Mildred North.

## Ace Club Guests Of Johnnye Boyd

Miss Johnnye Boyd entertained the Ace Club Saturday at her home. Mrs. Eddie Bowers won the award for high score and Miss Elisabeth Biser won the award for low score. Miss Mary Alyce Smith took the bingo game.

Cake and soft drinks were served to Mrs. Eddie Bowers, Mrs. Joe Friend, Mrs. Bill Baggett, Mrs. Bill Friend, Mrs. Vic Montgomery, and Misses Elisabeth Biser, Estelle Carruth, Jean Drake, Mary Alyce Smith, Catherine Childress, and Betty Bratcher.

## Bobbie Fields Has Birthday Party

Mrs. A. O. Fields honored her daughter, Bobbie, with a party on her fifth birthday at her home, Saturday. Mrs. F. S. Seothorn and Mrs. Guy Davis of San Angelo assisted.

Cake and dice cream were served to Nancy Davis of San Angelo, Shirley and Billie Bob Lannon, Joe Van Zandt, Shirley Kost, Hugh Russell, and Frankie Joe Jones.

Miss Ethel Mayes, daughter of Mr. and Mrs. Hudson Mayes, underwent an emergency operation for appendicitis in a San Angelo hospital Friday. She was reported doing well this week.

Mr. and Mrs. Bob Austin, who were here last week visiting Mrs. Austin's parents, Mr. and Mrs. J. R. Kersey, left the end of the week for their home in Fort Worth.

Mrs. Luther Parker is recovering from a slight illness.

## Social Calendar

Thursday, Oct. 2—Fellowship League to give supper at Methodist Church.

Friday, Oct. 3—Mrs. W. R. Cabaness to entertain Friday Night 42 Club at Rendall's Drive Inn.

Saturday, Oct. 4—Mrs. G. L. Nearsta to entertain Las Amigas with breakfast at Rendall's Drive Inn. Ace Club. Twentieth Century Club.

Tuesday, Oct. 7—Mrs. Jake Young to be hostess to Sunflower Club at Rendall's Drive Inn.

Wednesday, Oct. 8—W. M. S. of Baptist Church. W. S. C. S. at Methodist Church.

### WINDOWS OF LIFE

"Now . . . his windows being open in his chamber toward Jerusalem"—Daniel 6:10. In a play named Windows, by John Galsworthy, one of the characters, an old window cleaner, speaks of the windows in all kinds of buildings in the city that get dirty. Then after a little he wisely suggests that our life windows get dirty, too. They get dirty with prejudices and envies and hatreds and unforiveness. Things outside look ugly from such windows.

There are three windows of life that we should keep clean. First, the window that looks out on life. It is through this window that we see other people. We cannot see the best in their lives if the window is dirty. That which dirties the window will dirty them in our sight. The true beauty of another life can never be seen through such a window.

The second window looks in. There is a little holy of holies within every one of us. Where do our thoughts go when we turn them loose? Like homing pigeons they go home when released. How earnestly we should keep that window clean that looks into the home of our thoughts.

The third window looks up. It is easy to let this window get cloudy with material things. Our own selfish plans sometimes make this window dirty. If we say to Him, "Not Thy will but mine be done" we will hide from ourselves the face of God.

Daniel was wise. He kept his windows open toward Jerusalem, toward the Temple of God. It became a natural part of his life to pray toward that Temple and then to quietly wait for the answer of God.

Let us strive, beginning today, to keep all these windows clean that we may be able to see all things in their true beauty.

(The writer is indebted to Dr. C. Roy Angel for much that we have said above.)

### METHODIST CHURCH

Eugene Slater, Minister

Calendar of Services  
Sunday School—9:45 a. m.  
Morning Worship—11:00 a. m.  
Epworth League—6:45 p. m.  
Evening Worship—7:45 p. m.  
Woman's Society of Christian Service, Wednesday—3:00 p. m.  
Choir Rehearsal, Wednesday—7:30 p. m.  
Board of Christian Education, Wednesday—7:30 p. m.

We are urging that every family in the church be fully represented in the church this Sunday. Rally Day in the Sunday School, sharing in the World-Wide Communion service at the morning hour, and the consecration of our teachers and officers at the evening hour combine to make this Sunday a high point in the year. To all our members and friends, old-timers, new-timers, once-in-a-whilers and never-wasers, we say "come to Sunday School and Church this Sunday."

## Mrs. Townley Is Luncheon Hostess

Mrs. Harlan C. Townley entertained with a buffet luncheon and bridge at her home last Friday. A patriotic theme was used in decorations, place cards, tallies, and gifts.

High score award went to Mrs. J. P. Pogue and the bingo gift to Mrs. John Newkirk. Other guests were Mrs. Ray Dunlap, Mrs. Byron Stuart, Mrs. Maggie Deland, Mrs. Ray Wilcoxson, Mrs. John Oaks, Mrs. Oscar Kost, Mrs. R. J. Adams, Mrs. Cleophus Cooke, Mrs. O. Z. Fenner and Mrs. Alvin R. Scheel.

## Frankie Jones Birthday Party

Mrs. Frankie Jones honored her son, Frankie Joe, with a party Friday at her home on his fifth birthday. Mrs. A. O. Fields, Mrs. Carl Lannon and Mrs. J. A. Sparks assisted the hostess.

Cake and punch were served to

Bobbie Fields, Gussie Sparks, Douglas Capps, Ralph Cabaness, J. G. Huffstetler, Melvin and Nathan McIntyre, Allen Hair, John Lee Henderson, Shirleen and Billie Bob Lannon, and Earl Sparks.

Mr. and Mrs. I. G. Rape have moved into the home they recently purchased from A. H. Wilson. The home was remodeled and completely refinished.

Mr. and Mrs. A. O. Hoover returned Tuesday from Ranger where they had been visiting his mother.

Mr. and Mrs. Charles E. Davidson, Jr., have moved into their beautiful new brick home recently completed on the west half of the old Davidson homestead property on Broadway.

Mr. and Mrs. Ernest Dunlap spent Sunday in San Angelo.

OUR INNERSELVES

By ADELE KEETON
Sir Thomas Browne once said, "there is another man within me that is angry with me."
Richard Taverner said, "the conscience is a thousand witnesses."
Are we living against our inner-self, or are we trying to keep peace with him? These two quotations are very true. When we do something wrong, the other man inside of us is angry with us. Although we may have no other witnesses to our wrong, our conscience is equal to a thousand witnesses. No one but us and God may ever know of our wrong, but we will have to live with our conscience and should hope to live with God through eternity. This fact alone is enough to encourage us to do right.
Ever since God created man, there has been a constant warfare in him. The conscience tries to make us do right, while we, ourselves, are tempted to do wrong. Surely we should let our conscience be our guide. What are we doing? Is our conscience winning this warfare, or are we killing our conscience? I have been well said that a person who has no conscience has nothing. None of us would want to kill the most vital part of our body, so why should we kill our conscience? If we let our conscience win this war, we will never have any regrets. A conscience is wise and sturdy; consequently, for the best advice, when in doubt, consult your conscience or your innerself.
OHS

SPORTS

By EDDY COOK

It looks as if the Lions have a good fighting start this year on the football field. With their "taking Junction down a notch," they also expect to "put a few of Big Lake's night Owls to sleep."
This year there is no individualism on the team, but a great deal of cooperation. "Our team could have made a lot of yardage last year if there hadn't been several one-man teams on the field," said Coach Patterson. "There is not a boy on the field that is indifferent toward the other boys," said Coach Patterson, "and that is the way we're going to win district this year." Let's help those Lions ruffle those Owls feathers on our home field Oct. 3.
OHS

Wayne West Game Captain Of Lions

The selection of the captaincy of the second game of the grid season for the Ozona Lions went to Wayne West.
"Sonny" weighs 220 pounds, is 16 years old, and plays left tackle. This is his fourth year to play on the first string. He is a good offensive man and uses his size to the best advantage.
Against the Junction Eagles he played his best game by being level headed and a good blocker. He proved to his teammates that they had made no mistake.
Wayne is a graduating senior, interested in all kinds of sports, especially hunting and fishing. He is an exception to the old adage of "brawn and no brains" by being an above average student in his academic work.
OHS

The 10,000 head of livestock which will compete for \$100,000 in prize money at the State Fair of Texas have an estimated value of \$1,500,000. The Grand Champion of the 1940 State Fair's National Hereford Show was sold for \$10,100.

OZONA, TEXAS, THURSDAY, OCTOBER 2, 1941

NUMBER 3

SENSES OWENS-MAYES

Coach Patterson Gives Credit To Boys

Dan Patterson, coach of the Ozona Lions, has led the football boys in two victorious games this season. Being a very modest man, Coach Patterson, refuses to take much of the glory for producing this winning team. He attributes most of the glory to the fact that the boys are training better and working harder his year than ever before. He said, "I have never

Coach Dan Patterson

seen a group of boys work harder or work together better in my life. They all are working for the betterment of the team."

Since this is the first time since 1932, when Ozona beat Junction 6 to 0, that Ozona has won over Junction, it is only natural that the Coach is quite proud of the boys and that the boys are rather proud of themselves.

Coach Patterson said that the victory over the Junction Eagles could not be attributed to any one player. "There were eleven stars during the whole game Saturday," he proudly stated. "Of course, one or two boys made a few outstanding plays; but as a rule, it was the whole team working together that made the most outstanding plays."

When asked about his outlook on the season, Coach said, "I refuse to predict." But the OHS student body predicts a winning team the rest of the year, if the boys keep working as they have thus far. Some of these boys who may never otherwise have a chance may be privileged to see a "Bowl" game by winning the district championship.
OHS

Miss MacWilliams New OHS Secretary

The Ozona High School now has a new secretary. We are sorry to say that Jean Drake has resigned, but we are very glad to say that we have a new secretary to fill her place. She is the daughter of our deputy sheriff, Mr. McWilliams. Miss MacWilliams' full name is Verna Lene. She graduated from Big Lake High School and from Texas Tech College. She worked at the court house before becoming secretary for the school. Miss MacWilliams requested that we all call her Mac and it seems that all of the students like that for a name.

Jean Drake, the former secretary, has now gone to work for Kirby Moore. We hope she enjoys her new job.
OHS

Pupil Of OHS Submits To Appendectomy

One of the few things that every high school pupil hopes will not happen to him has happened to Ethel Mayes. Thursday night she was taken to the Shannon hospital for an appendectomy. She went on the operating table around 10 o'clock Monday morning.

Thinking that she had probably marched too much or had eaten too many hamburgers, Ethel paid little attention to her so called stomach ache. Her mother, however, paid quite a bit of attention to it and took Ethel for a visit with the local doctor, which resulted in a trip to San Angelo and an operation.

The astonished and somewhat scared Ethel will be home again in eight days, according to the doctor's report. It really wasn't so bad, because now she will never have to worry about appendicitis, and will surely recover soon.

Ozona Lions Beat Junction In First Conference Game

The Ozona Lions roared into Junction early Saturday morning and gave the Junction Eagles a good "picking."

The local lads left Ozona High in private cars about 8:30. They reached Junction at 11:30 and, after eating a prescribed meal, left for the football field. The game started at 2:30 p. m.

On the whole, the Ozona team looked good, but Bud Cox, Billy Hannah, Roy Coates, and Floyd Hokit captured the eyes of the spectators. Wayne West and Carl Thurman set up the power house and let the other linemen and line backers play the defensive.

The Lions scored in the first quarter with Hannah going over the line after a set up 30-yard pass from Hannah to Coates. Cox made the extra point.

In the second quarter, Cox came through center, lateraled to Hokit for the touchdown.

A lateral in the third quarter from Cox to Coates accounted for 94 yards. The ball was picked up on Ozona's 6 and a punt from Junction, Hannah made the score 20 for the home squad.

In the fourth quarter, Hannah intercepted a pass on his own 35 and ran the field for a touchdown. Good blocking and broken field running was responsible for this score.

Junction scored two points in the first quarter when McDonald centered the ball too high. They scored again on the last play of the game, making the final score 26-8 in the favor of the Lions.

Starting line up for Ozona—Ends, Hokit and Williams; tackles, West and Thurman; guards, Lemmons and Coates; center, Carson; quarterback, Cox; fullbacks, Hannah and Coates; halfback, Montgomery. Starting line up for Junction—Ends, Foley and Meredith; tackles, Fox and Horton; guards, Collier and Cox; center, St. Clair; quarterback, Andrews; halfbacks, Camp and Herron; fullbacks, Dagen.
OHS

Band Marches Down Junction's Main Street

Last Saturday before the Ozona-Junction game the band and pep squad marched down the main street of Junction. They met at the court house at 1:30 p. m. and marched from there to the end of the block. The drum major gave the signal to halt and the band played "Our Director." The pep squad leaders led the pep squad in "The School Song." The band and pep squad did not march during the half. They are going to start work early this week in order to be able to put on a good performance next week-end at the Ozona-Big Lake game.
OHS

HOME MAKERS' CLUB MET IN HOME OF GEM ELLA DUDLEY ON TUESDAY FOR PATRIOTIC PROGRAM

Adele Keeton the H. E. Club president for this year called the first meeting, Tuesday, Sept. 23. The club met in the home of Gem Ella Dudley. A patriotic theme was carried out. Everyone present wore red, white and blue. The meeting was called to order. The first business to be discussed was this year's dues. They were decided to be 50c a term. An extended discussion of how the money was to be spent followed. The meeting will be held on the first and third Tuesday, as last year. The committees appointed for the year are as follows:

The year book committee, Mary Perner, Susie Hokit, Claudie Everett, Joyce West; project committee, Rozelle Pharr, Florence Luther, Mary V. Garham; scrap book committee, Louise Bean, Marie Williams, Nan Tandy, Barbara White and Aliene Cooke; publicity committee Joy Coates, Ruth Townsend, Pris Baker, and Melba Cullins; program committee, Mary Faye Lucas, Norma Lovelace, Adele Keeton, and Susie Hokit; social committee, Lottie Jo Owens, Mary Perner, Joyce West, and Gem Ella Dudley.
After the business meeting the

Editor-in-Chief Falls While Getting Action Picture Of Lions

As you know the Ozona Lions defeated the Rankin Red Devils as well as the Junction Eagles. During this game with Rankin, a certain well known person of Ozona fell and hurt his leg. This person was none other than "The Stockman's" Editor-in-Chief, Mr. Evert White. It seems that while in the process of getting a picture of the Ozona Lions in action, Mr. White fell in the rushing to follow the ball down the sideline. The accident was nothing serious, just a bad bruise. Although he did get hurt, he got some "action" pictures of our squad going full blast. All the members of high school hope that Mr. White will have the pictures developed and published in the "Lions Roar" or "The Stockman."

OHS EXCHANGE

We like 'em! You read 'em! We say them one way and spell them another, for example: Kee (quay); sodder (solder); vittles (victuals), kernel (colonel), to mention just a few.
Yes, the authorities now consider the following correct English: None of the boys are coming; he will try and do it; go slow; we want him to at least try it. (Won't this make some school teachers tear their hair!)

Hold tight, but sorosis is not a disease, it's a woman's club.

Some of the 20 ways of spelling the sound sh: ce (ocean), ch (chivalry), s (sugar), si (mansion), and ti (position).

Webster's dictionary now accepts angry as one of the meanings of mad. (Looks like if enough people say a thing, the authorities finally give in!)

Here's the word for it: If you're "sick from over-indulgence in liquor," the adjective to describe your condition is—hold your seat—crapulous.

And pediculous means infested with lice, or, in a word, lousy.

The 28-letter antidisestablishmentarianism has been nominated as the longest word in the English language; but Dr. Alex Cannon, who claims the invention of the lie detector, calls the instrument by the 31-letter name of psychostelthokyrtographmanometer (try that one on your mandolin!)

Against the rules to end a sentence with a preposition? Then try correcting this one: "He's not one to be made fun of."

Centuries ago, lewd meant ignorant, silly meant blessed.

Norman Lewis, "Our Curious Language."
OHS

Negro Day is one of the most heavily attended at the State Fair of Texas. Negro Day this year is on Monday, October 13, and negroes from every section of Texas and parts of Oklahoma, Arkansas, and Louisiana will attend.

Girls Sextette And Boys Quartet Formed Recently

Following the suggestion of C. S. Denham, a boys' quartet was formed in high school. It consists of Billy Hannah, who sings first tenor; Bill Carson, who sings second tenor; "Red" McWilliams, who sings baritone, and "Bud" Cox, who sings bass.

The boy's quartet made their first appearance when they entertained at the banquet given by the Rotary Club for the football squad on September 17. They sang "Nut Brown Maiden" and "God Bless America."

Not allowing the boys to get ahead of them, a sextette was formed among the girls of high school. Mary Elizabeth Gray and Ethel Mayes sing alto, Gem Ella Dudley, tenor, and Mary Perner "Sug" Owens and Joy Coates, soprano. The girls call themselves "The Gay Ranchitas" and have made, "I Want To Be a Cowboy's Sweetheart" their theme song. They have not as yet made their first appearance, but will do so soon in the future.

Mr. Denham has agreed to back both the quartet and sextette by buying the various music which will be needed for them. Miss Anderson is the sponsor for the girls sextette.

The quartet and sextette have newly been organized, but many programs have been planned in order for them to entertain the Rotary Club, PTA, Music Club, and many of the other various clubs.

THE WISE OLD OWL

By RUSSELL and COATES

It's been said that a Cox never gives up, but he \_\_\_\_\_ Say, that's an embarrassing thing for your date to say isn't it, Bud?

Lottie seems to study more when Roy and Bud are around. Or, is it all study? Well, Bud failed in geometry the morning after, so take it your way.

Bill learns more about technique every night. Also, it seems that he has developed his "come hither" look. Anyway you look at it (her), it's (she's) pretty good.

Must you go to sleep in geometry class, Marvin? Try to keep better hours. After all, you know, you are a football boy.

Dick, Ethel, Jimmy, and Gem Ella seem to have discovered some very "shady" nooks the other night.

Melba, these out-of-town girls do work a hardship, don't they? Barbara is rather nice though. At least, Jack thinks so.

Miss Kirbie winks at everybody. Bud, so don't feel too good about her winking in class.

Gee, Charlie, who is she? For everyone's information, Charlie carries a lock of hair and a picture in his wallet. My, but these Juniors are romantic!

Were you having a little trouble the other day, Billy? Was it that funny?

Nan, tell us who "Bobby" is. Is he good-looking or does he have a good technique? Maybe it's both! Boochie, didn't you know that honesty is the best policy?—even if good candy is concerned.

Dot, were you out Monday night? I hope not, because it wouldn't look good in the gossip column. Or would it?

Melba, isn't 11 o'clock a little late to be out with two boys like Jack and Virgil—and alone?

James, will you please make up your mind? Is it Joyce or Mary E. Gray?

We won't call names, but two Juniors and two Sophs played "hookey" to go to court. Wonder what for?

Jimmy, we thought you were rather bashful. Maybe it was Mary's charm that helped you out at the picnic. Whatever it was, you certainly gave her a good chase, even though you didn't catch her.

Whq did you want to go to Buck Horn Saturday night, Sug? Wasn't one dance enough?

For the first time since "Fats" has been playing football, he met his match in 220 pound Bunny Smith at Junction, Saturday. Our congratulations are extended.
(Continued on Page Seven)

SEEN

Lila Lee, Joe Bob, J. H., Dorothy Capps, and some other Sophomores "walking the streets" Monday night. "Fats" Thurman had the pleasure of fixing the three flats on their car.

Gem Ella breathing all the fresh air that she could. "You should be healthy in a few weeks," Gem.

Some Sophomores following a gray Buick. Could Bland and Sug have been "putting on a show"?

Adele breaking up a "crap game" among Mary Elizabeth, Pris, and Margaret. Claudia helped by taking her dice from them.

Margaret and James F. playing hands in Geometry class. Shame on you two!

The football boys playing a swell game at Junction.

HEARD

"Da-da-da." "No, it's Da-da-da." Well, anyway, maybe Mary P. and Billy H. will get it straightened out some day.

The Chappo gave Joy's bracelet to Bland. "Chappo! Is that the right technique?"

That pleasure comes before geometry. Mr. Sikes, no wonder that you're always disappointed in the geometry tests.

Lila saying something about "some more jokes." She was certainly red when she discovered she was talking to Mustard.

Roy and Bland discussing the "fuz" on Bland's face in geometry class. Roy seems to think that Bland needed a shave. Where does the geometry come in, boys?

Trees were moving along at quite a rate of speed and the wind was strong coming through the window, suddenly Mary E. discovers that Joy must be driving fast.

FELT

Very hungry. Bud, you certainly have a resistance. He ate no cookies at the League meeting Monday night. Remember your waistline, Bud.

Very disappointed, since a fine partner (Ethel) took down with appendicitis. Every one is hoping to see you up and around again soon. Best of luck from all, Ethel.

TASTED

Cookies and more good cookies at Joyce West's. The worship committee turned out to be regular "haws" for chocolate cookies (all but L. B. C. who is in training!).

Some very good eats after the Ozona and Junction football game. The sweet draught of victory. Nice going, football boys. That's the way it's done.

Echoes From The Library

by Florence Luther

Opportunity is knocking at your door.

Thirty-eight different occupations are discussed in "Careers for Men" by leaders in each with the object of helping you find your best chance for business advancement.

Accountancy, advertising, architecture, banking, editing, insurance, journalism, merchandising, motion pictures, the stage, and writing are only a few of the business opportunities covered in this volume.

The book was compiled to meet the needs of a modern world, to save space in apartments, offices, and school rooms, to save time by putting at your fingertips all the essential facts to be found in the old-fashioned bulky reference sets. So why not spend a few minutes looking over it since opportunity is knocking at everyone's door today.

ed to the Ozona football boys for the swell game in Junction. Let's see you beat Big Lake the sage way, boys.

Billy, which is hardest, geometry or English? Maybe Mary can give almost as good answers as Billy can.

More squeaks and squaks are being heard everyday. Yes, you guessed it, it's that sorry "German Band."

"Little Squab" McWilliams really knows how to get around. Football or otherwise. We are proud of you, Billy!

### Two Pictures Featured At First Assembly Of School Term

The first assembly of the school term was held last Thursday, Sept. 24. The program opened with a few brief announcements by Supt. C. S. Denham.

Miss Rebecca Anderson, grade school music teacher had the audiences stand and sing "America." After being seated Miss Anderson then directed another song, "Today is Monday."

Following the sing-song two films were shown. The first was entitled, "Views of South America." Some views of the picturesque mountains of Argentina were shown. Other scenes showed some of Brazilian dancers, the beautiful city Buenos Aires, and some scenes of Rio de Janeiro.

The other film was taken from one of the Major Bowes Amateur programs. Shown on the program were a negro quarter, a family

scene singing "By the Old Fire-side," a young lady singing "I Never Say Never Again," and concluding the film, a cowboy quartet.

In closing Mr. Denham remarked "if you happen to think of it, let's beat Junction."

### Charles McDonald Host At Press Club

The Press Club met at the home of Charles McDonald Sept. 29. Adele Keeton called the meeting to order. Rozelle Pharr read the minutes of the last meeting and called the roll. Garrett McWilliams was appointed assistant sports editor. Gem Ella, Garrett, and Louise were elected into the Press Club. The next meeting will be at the home of Mary Elizabeth Gray.

Gem Ella Dudley sang "The Cross-eyed Cowboy on the Cross-eyed Horse." Rozelle Pharr gave a talk on writing the news. Margaret Russell played the piano and the group sang.

The motion to adjourn was made by Charles McDonald and was seconded by Mary Perner.

Refreshments were served to Mary Perner, Joy Coates, Mary E. Gray, Adele Keeton, Rozelle Pharr, Jim Ad Harvick, Miss Kirbie, Ed- dy Cooke, Florence Luther, Mary Faye Lucas, Claudie Everett, Louise Bean, Margaret Russell, Gem Ella Dudley, Lottie J. Owens, L. B. Cox, Dorothy Capps, and host Charles McDonald.

OHS

In 1929 the average factory worker had \$887 to spend on non-food items; in 1941 he will have \$1,045 or 18 percent more. In 1929 he had to pay one-third of his wages for food, but in the first half of 1941, only one-fourth. In addition, the prices for non-food goods have decreased enough since 1939 so that the money spent on them buys 35 per cent more this year.

### International Fair At Eagle Pass Five Days Starting Oct. 22

Featuring the first annual Camp Meeting, Show and Races of the American Quarter Horse Association, Eagle Pass, on the Texas-Berrian border, is arranging an impressive program for its second International Fair and Livestock Exposition this year.

The second International Fair will be held in historic Fort Duncan park at Eagle Pass during a five day period, from Oct. 22 to 26.

As was the case in the First International Fair of last year, the motif for the exhibits and entertainment will be international in aspect, bringing together the best livestock, agricultural and industrial products of Southwest Texas and Northern Mexico, and the outstanding riders and ropers, and entertainers of two nations.

Exhibit and Entry applications are coming in with every mail to the International Fair Association at Eagle Pass, giving rise to the confident prediction that this year's fair will be larger, more varied and better attended than last year's which set a record in this respect.

There will be three days of rodeo, staged by Earl and Jack Sellers of Del Rio. The toughest riders and ropers and the prettiest cowgirls of the Southwest will take part in the contests. Many of these have achieved national renown in Madison Square Garden contests at New York.

There will be five days of horse racing, at the rate of six races a day, climaxed on the final day with the Eagle Pass Derby for a purse of \$200.00. Each of the races will have a substantial purse, and some of the best registered quarter horses of the country have already been entered for competition.

The Quarter Horse Association of America will hold its first annual Camp Meeting during Fair Week. On October 26 the Association will stage a Quarter Horse show, judging registered quarter horses in four classes. Money prizes will be awarded to class winners, in addition to silver cups for grand champion stallion and grand champion mare.

### Humble Distributes Schedules Of 1941 S'west Conference

Pocket-size Southwest Conference Football schedules, showing the dates and location of all games in which Southwest Conference teams participate, were being distributed last week by the Humble Oil & Refining Company, as a tie-in with its broadcasts of Conference games, which started Sept. 27. The schedule, which proved extremely popular last year, is so designed that it will fit into a vest pocket, a man's wallet or a lady's pocket-book; or it can be laid flat under the glass top of a desk.

Besides these schedules, which can be secured free at Humble outlets as long as the supply lasts, the Humble Company is also distributing attractive windshield pennants. Vividly printed in official school colors, and ready-gummed, there is a pennant for each Southwest Conference school, and the fans can take their choice. These are also free, while they last.

As another special service to broadcast fans, there will be a list of broadcasts for each weekend, posted in all Humble stations the preceding Wednesday. These placards will carry a complete broadcast schedule, including time, stations and announcers.

### Quail Shooting To Be Best In Years, Says Game Dept.

AUSTIN, Oct. 1--Here's a little secret that the executive secretary of the Game Department doesn't want anybody to know anything about, except the people of Texas:

The Lone Star State, he avers, has one of the best quail crops in years, and scattergun addicts are going to have plenty of fun when they take their dogs into the fields this season.

It's a little early to begin talking about quail populations and quail shooting, for the season doesn't open until December 1st, but that is the very reason he brought the subject up today, the executive secretary said.

For dove hunters are in the fields blasting away, and it is not infrequent at all for them to flush a husky covey of quail, or even some small ones, and the Game Department head warned sportsmen to lay off the quail until it is legal

to shoot them. The season, he repeated, opens December 1. It will continue through January 16, 1942.

Several things have contributed to this year's good quail population. Heading the list is the excellent rainfall that fell almost all over the state in the early months of the year. The rainfall stimulated an abundant growth of quail food plants, and other plants that quail use for cover or shelter. It also provided plenty of drinking water for the birds.

### \$300,000 Building At A & M To House State AAA Offices

COLLEGE STATION, Oct. 1--The future home of the Agricultural Adjustment Administration in Texas will be completed in about six months, B. F. Vance, administrative officer in charge of the state AAA, has announced.

Construction of the \$300,000 three-story brick and re-inforced concrete building, at the intersection of the Sulphur Springs road and former Highway 6 on the west side of Texas A. and M. College campus, was begun Sept. 3, when final plans were approved. The building is being constructed by the college for rental to the AAA. Vance pointed out.

When completed, the building will be 281 feet long, 44 feet wide with 22-foot end wings, and a total office space of about 44,000

Threshed Hygera For Sale THIS YEAR'S CROP Delivered in Ozona in 20,000 lb. lots at \$1.60 per hundred. C. W. YANCY Eldorado, Texas

square feet, the AAA official said. Included on the first floor, besides offices of executives and administrative officers, will be the state AAA committee, district fieldmen and conference rooms. Other departments on the ground floor are the supply and duplicating offices, and a photographic dark room.

Along with marketing quota, commodity loan and crop insurance personnel on the second floor will be the receiving, filing, scheduling, auditing, correspondence, computing and adjustment units, Vance said. The AAA equipment repair shop also will be located on the second floor.

Equally important is the third floor where the general accounting, statistical and fiscal offices will be located. Plans for the third floor also include an aerial photography laboratory.

The basement will be used for storage of supplies and state AAA records.

According to census figures, the average acreage per farm in the United States in 1940 was 174, compared with 154.8 in 1935 and 156.9 in 1930.

Three thousand or more troops who recently participated in army games in Louisiana will be an attraction at the State Fair of Texas. They will participate in National Defense Day, on Sunday, October 12, and will demonstrate all kinds of army equipment on this and other days of the fair.

Cafe Esplanade, the State Fair of Texas, new dine and dance spot, is the largest in the Southwest. It seats 3,000 persons with east and west dance floor of 7,000 square feet. It features the music of Orrin Tucker's Orchestra, Wee Bonnie Baker, and a six-act floor show three times daily.

ing of 8-inch mains and fire hydrants through three blocks of the business district.

Mr. North declared that the potential water supply of the city had been more than tripled with the new equipment while the cost of operation had been reduced several times over.

When the present tank building and installation of mains is completed, the board will have exhausted the funds provided in the district bond issue for improvements. The board chairman indicated that the directors were considering the question of whether to continue water rates at their present level and build up funds with which to continue improvements, to reduce rates sharply and suspend improvements, or to make some reduction in rates but maintain a high enough level to continue improvements and extensions to build up a first class distribution system over the town. Present rates are to be maintained through the winter months, with a reduction of around 25 per cent in the spring contemplated. Mr. North

### Here's a Preview of 1942 Ford

DEARBORN, Mich.—A distinctive frontal design sets the style for the new Ford passenger car line for 1942, introduced recently at a preview for the nation's automobile editors. The new Fords will be shown to the public soon in all Ford dealers' show-rooms. A rustless steel radiator grille blends gracefully with an entirely new front contour which fea-

tures a new arrangement of headlights and parking lamps. Offered in three lines—the Super DeLuxe, DeLuxe and Special, the 1942 Ford has a distinctive trim for each series of cars. Engineering improvements emphasize comfort and safety. The Super DeLuxe and DeLuxe lines are offered with either the famous V-8 or the new Ford "6" engines.

### Lions Conquer—

(Continued from Page One)

earned another marker, the play starting on the Junction 40.

Again in the third quarter, a lateral took the Eagles unawares, the play being good for 94 yards and another touchdown. Ozona had received the ball on their own 6 on a kick from Junction. Cox took the ball and galloped down the field, lateralled to Coates when the going got rough and Coates scored. Hannah circled the end for the extra point.

An intercepted pass in the fourth brought the Lions' last tally. The Eagles were connecting with a passing attack when Hannah intercepted on his own 35 and raced 65 yards for a score, with perfecting blocking by Byron Williams clearing the path.

The Eagles chalked up two points in the second quarter when a bad pass from Ozona's center went out of bounds for an automatic safety. The additional six points came on the last play of the game, Camp going over from the one-foot line after the ball had been worked down from the Ozona 35. Lions second stringers were in the game at the close and although charging viciously, couldn't hold out to the final gun to prevent the Junction score.

The starting line-ups:  
Ozona—Hokit and Williams, ends; West and Thurman, tackles; Lemmons and Coates, guards; Carson, center; Cox, quarterback; Hannah and Coates, halfbacks; Montgomery, fullback.

Junction—Foley and Meredith, ends; Fox and Horton, tackles; Collier and Cox, guards; M. St. Clair, center; Andrews, quarterback; Camp and Herron, halfbacks; and Dagen, fullback.

**FIRST BAPTIST CHURCH**  
Clyde Childers, Pastor

Schedule of services:  
9:00 Sunday School.  
11:00 Morning Worship.  
2:00 Deacons Meeting.  
3:00 Monthly Conference.  
7:00 Training Union.  
7:45 Evening Worship.  
Wednesday—  
3:00 W.M.S. Circles Meet.  
7:45 Mid-Week Worship.  
8:30 Choir Practice.

The enthusiasm with which all of our people have entered into the fall program of the church and the attendance on the services is very encouraging. We urge each member to be faithful to all the services possible that we may maintain our present level of interest in the work.

Next Sunday is Junior Day in our Church and we are urging that all our Junior boys and girls be present. The pastor will preach on Fortune Telling.

We are all looking forward to our revival which will begin October 20th and continue through the 31st. We are very fortunate to have Dr. Porter M. Bailes of Tyler to preach and Mr. Carl Head of Freer to direct the music. Let us begin now to pray daily for this service of services.

### Delay Issuance Of New Drivers License In Tex.

### Week Or Ten Days To Be Required To Complete Forms

AUSTIN, Oct. 1.—Issuance of long-awaited new drivers licenses in Texas, scheduled to begin Oct. 1, will be delayed a week or ten days, State Police Director Homer Garrison announced today.

Garrison said paper stock for the printing of applications and other supplies ordered more than two months ago, have just now been received. "Several days will be required for printing and distributing the applications," he said. "We're going to get started as soon as humanly possible."

Due to be renewed by Dec. 31 are all old licenses numbered from 1 to 450,000. Licenses bearing numbers above 450,000 will be renewable at later periods.

Applications for renewal will be available from Highway Patrol offices, driver's license examiners, sheriff and police departments, bands and other public places, or by writing direct to the Department of Public Safety in Austin.

Applications must be executed on a typewriter or printed in ink and mailed to the department in Austin along with a 50-cent money order or cashier's check. Stamps or personal checks will not be accepted. The new licenses, good for two years, will be mailed to applicants from Austin.

Persons renewing licenses will not have to take an examination unless they have had records for traffic violations or collisions.

### Toby's Comedians Coming Monday For Three Nights Stand

Announcement is made in Ozona that the Original Toby's Comedians, appearing in a brand new tent theatre, will be here for a three night engagement starting Monday night, October 6. This company comes here highly recommended as having a good, clean entertainment, featuring Billy "Toby" Young, who is surrounded by a young and capable cast. Only the latest plays and vaudeville will be presented, and preceding the play, a thirty minute overture will be given by the orchestra, featuring Dolly Young and her solo-vox.

Pictured above is Billy Wellington, leading man with the company, who has made a decided hit throughout West Texas. The regular territory of Toby's Comedians is through Missouri, Arkansas, Oklahoma and Kansas, and this is positively the first appearance of this company in Ozona and should not be confused with any show of a similar title. No doubt large audiences will greet this popular company during their three night engagement starting Monday night, Oct. 6.

### Williams Grocery Observes Birthday With Week-End Sale

J. H. Williams & Sons are celebrating their tenth anniversary in business in Ozona this week-end with a giant store-wide sale of groceries.

A page ad on Page 3 of this issue of the Stockman lists special prices on merchandise from the front door to the back wall of the store, specials offered in appreciation for ten years of patronage from Ozona customers. The special prices are good for three days instead of the customary two—Friday, Saturday and Monday.

The Williams store started with a small stock in a small building on the corner where the Frank James home stands. A fire razed the building and destroyed the stock, after which the Williams family opened in the present location, expanding their business as the years went by until it is today one of the largest stores in the city.

### SAVE ON SHOW TICKETS
