Vintage Buggies Display Highlights History Week

Several buggies of ancient vintage from the collection of Bud Harrison, Ozona antique buggy fancier, were displayed at the park last week during Local History Appreciation Week.

All the buggies are old, but Bud's favorite is an auto top cut under surrey, manufactured by the Moon Buggy Co. of St. Louis, Mo., sometime between 1897 and 1910.

The buggy has an interesting history. It was sold in San Antonio, Texas by Wallace Bros. Dealers in Horse Drawn Vehicles, sometime during the years mentioned.

The buggy was sold to the family of Amy Fritter of Fort Clark near Brackettville. The Fritter family was very well known in this part of the country. Mr. Fritter was owner of a saloon, ranch and various business interests in Brackettville.

The cut under body of the buggy was made for town driving in order that short turns could be negotiated easily. Cost of the entire rig in 1900 was \$36.47. The most

expensive part was the running gear with wheels at \$6, 27, and the least expensive part was an axle nut wrench at 4 cents.

Harrison says "In the modern age of astronauts, space exploration and fantastic speed, it is a real pleasure and peace of mind to drive along in a buggy without the sounds of motors, etc. You can hear birds and sounds of Mother Nature and really appreciate America."

Head football coach Rip Sewell will be sidelined this year during practice and possibly for the first two or three games. He left Tuesday for Houston where he is scheduled for surgery tomorrow. Taking on Sewell's duties will be John Richey who has been Sewell's assistant coach the past two years. He will be assisted by junior varsity coach Jim Williams. Richey will continue to work with the line and Williams will work with the backfield.

Coach Bob Hinds will be working with the junior varsity with the help of a junior high coach, yet unnamed.

The Lions were issued football shoes yesterday and will begin two-a-day practices Monday. The Lions will be in full dress Monday and pose for

photos for the local and area papers. Pictures will be taken at 8:00 a.m.

Out of ten lettermen, the Lions have six returning starters. David Sewell, 160 pound junior, started at defensive halfback last year and saw some action at quarterback on offense. Ruben Tambunga, defensive and offensive starter at halfback, is a junior and weighs 160 pounds. Mike Jenkins, 190-pound tackle and a senior is another returning starter. Chuck Womack, 160-pound senior, was another defensive halfback for the Lions and is a returning starter. Bill Edger-ton, 170-pound guard, and Ricky Crawford, 165-pound center, both seniors were defensive starters for the Lions last year.

Other returning lettermen are Gary Whitley, 165-pound junior fullback; Cheo Vargas, 160-pound senior fullback; Gerald Huff, 165-pound junior quarterback, halfback, and R. Andy Crawford, 160-pound junior end.

Players up from the B team with two years experience under their belt and an 8-2 season last year, will make up the bulk of this year's varsity.

Heading up the list of junior varsity players moving up this year are Monty Pelto, 155-pound senior quarterback who directed last year's team through its successful season; Mike Wellman, 150-pound junior fullback, and Timmy Evans, 150-pound junior halfback. First Water Well Marker Dedicated In Fri. Ceremony

An interesting highlight of Local History Appreciation Week was the dedication of the Official Texas State Historical Marker for the town's first water well Friday night.

A brief history of water development in the city was given by Water Board Manager Bill Cooper. County Judge Troy Williams gave the dedicatory remarks and made the dedication.

The marker was a gift from the Water Development Board, Sherman Taylor, chairman. Mrs. Ira Carson told those gathered for the ceremony exactly where the well was located. A special guest was Mrs. Paul Perner (Elizabeth Odom) who was mentioned on the marker as one of the children who hauled water from the well in a toy wagon.

Judge Williams dedicated the marker to E. M. Powell, early town surveyor and public benefactor and to the pioneer settlers of Ozona.

The marker was unveiled by Mrs. Joe Clayton, Marker Committee chairman, and Mrs. L. B. Cox, committee member. Mrs. R. A. Harrell introduced the speakers.

A musical jamboree in the park, under the direction of Jamie Knox, concluded activities Friday night.

Heavy Damage Results From Two Accidents

Two accidents were reported in the county Saturday, one in town and the other seven miles west of Ozona on Hwy 290.

The first accident occurred at Hwy. 290 and Ave 1 next to the Dairy King. A 1971 Oldsmobile, driven by Barbara Boerner, and traveling east was making a left-hand turn into the Dairy King and failed to give right of way to a Mustang driven by Grace Ann Tabb, traveling west on 290. The two cars collided, causing heavy property damage, but there were no personal injuries.

Highway patrolman John Harris, DPS, was investigating officer in both accidents.

Spirit Of Lion Country Band To Organize Monday

The Ozona High School Band, Spirit of Lion Country, will meet Monday, Aug. 16, for organization and practice at 7 p. m. All students who are interested in band should be on hand at that time, according to Tommy Sanders, band director.

The first session will last until 9 p. m. The band will meet again the following day, Tuesday, Aug. 17, in a night session from 7 until 9.

Wednesday through Friday there will be two practices a day, 8 until 10 a. m. and 7 until 9 p. m.

All practices will be held at the band hall.

Commissioners Laud Work

Hospital Board Gets Green Light To Manage Facility

Several members of the hospital board met with the commissioners court Monday morning at their regular meeting. Joe Couch, speaking for the board, asked the court for a vote of confidence and received it, along with commendation for a job well done.

The board asked to meet with the court after tempers flared at a meeting of the board last Thursday night at the hospital when the subject of a "Hospital District" was brought up by County Judge

Troy Williams. Jim Peck, secretary of the board, pointed out that the formation of a hospital district, which would be a separate taxing body from that of county and school, would involve the hospital in even more politics.

A hospital district would levy and collect taxes for the operation of the hospital, as well as its own operation (administrative salaries, office expense, etc.) and a hospital board would still be a requirement. In the opinion of the pre-

sent board, too much politics has made it impossible for them to function and operate the hospital.

Couch, in asking for the court's opinion, said that every member of the board had gained experience and were well aware of the rules and regulations under which it is supposed to operate. He said the board felt that it had received much unwarranted criticism and that if the court felt the members were not doing their job as a hospital board and were going to continue with interference in hospital projects, the members wished to resign as a board.

Couch went over the rules which regulate the board and discussed the board's authority. He said the board no longer wanted to work long and hard on a project and at the last minute have its direction changed. He said the board wanted to do its job and relieve the court of hospital responsibilities but had been hindered in its duties at almost every turn.

After a brief discussion, during which all four commissioners expressed approval for work done by the board, Judge Williams asked for a motion that the court give the hospital a vote of confidence. Commissioner Jack Williams made the motion and Commissioner Glenn Sutton seconded it. The vote was unanimous.

Mrs. Frank Tillman, acting hospital administrator, read the minutes of the board meeting to the court.

The court was told that the board is actively seeking registered nurses, having none on duty at the hospital at the present time, and a hospital administrator, with priority given to the latter.

Edwin Kirkland has applied for the position of administrator and comes highly recommended by Dr. Cole, staff physician, and other sources. He has had a number of years experience in hospital administrative work.

The first order of business for the board is the hiring of an administrator and members of the court were told that this will be accomplished soon.

The new administrator will be given full power to hire and fire personnel and make purchases as long as he stays within the hospital budget, the board and court agreed.

The court agreed to the purchase of a much needed instrument for the hospital laboratory which costs under \$600.

In another motion, the board was given complete au-

Register Next Week For New School Year

School registration gets under way next week. All elementary school students will report to register the first day of school, August 23, but all junior high and high school students are required to register next week.

High school students will register in rooms 2 and 3 in the high school building. The schedule follows:

Seniors, Tuesday, August 17, 1:30 until 3:30 p. m.

Juniors, Wednesday, August 18, 9 a. m. until noon.

Sophomores, Wednesday, August 18, 1:30 until 3:30 p. m.

Freshmen, Thursday, August 19, 9 a. m. until noon.

Junior high students will register Wednesday and Thursday, seventh graders each morning from 8 o'clock until noon and eighth graders from 1 o'clock until 4 each afternoon.

Both Foy Moody, high school principal, and Charles Womack, junior high school principal issued guidelines on information which will be needed for each student who registers for the fall term.

Officials need to know parents first and middle names, student's house and street number, occupation of parents and student's telephone number.

Sister of Two Ozonans Dies In San Angelo

Funeral services for Mrs. Jack Ransom, 72, sister of Dempster Jones and Ralph Jones, both of Ozona, were held Tuesday morning in San Angelo.

Mrs. Ransom died at San Angelo Nursing Center shortly after noon Monday.

She was born Mollie Jones, Oct. 29, 1898, in San Angelo. Her husband, the late Jack Ransom, was a retired executive vice president of Central National Bank in San Angelo.

Mrs. Ransom was active in various civic affairs and was a member of First Presbyterian Church in San Angelo.

Other survivors include a son, Jack Ransom, Jr., of San Angelo; a daughter, Mrs. Fred Dobson of Vancourt, and four grandchildren.

MERCHANTS CELEBRATE HISTORY WEEK with old fashioned sidewalk sale. Here at Brown Furniture Co., Mrs. LaVon Parker, manager, and Mrs. Merlin Schoenhals display the store's wares to some early shoppers. The sales ladies are wearing old fashioned dresses which were popular some time around the turn of the century. Note the old fashioned cane bottom chairs at the right, and the area rug at left which is similar to hand hooked rugs which decorated many early day homes.

TIME FOR DISCIPLINE IS UPON US

The days of the great outpourings of self-depreciation and self-deception are drawing to a close. The beginnings of a popular movement to downgrade and prohibit the sale of speed drugs, hallucinatory pills, and narcotics are slowly emerging.

With the greatest danger to the United States and to freedom for all mankind looming, the time for individual and national discipline is upon us. If through one more mistake on our part, the Russians should gain a clear and unbridgeable advantage over us in atomic weaponry and their delivery to targets, the day may not be far off when we would have to answer the inevitable call for our surrender with submission.

Instead of filling our heads with drugs that induce escape from the stark reality that is ahead of us, we must clear our minds in order to be able to offer the best possible advice to our political leaders. The idea of trusting the Russians with the destiny of our country and our lives in another dubious treaty is abhorrent. At least all disarmament treaties with them should be self-enforcing, that is, requiring inspection of foolproof rigidity.

Thomas Paine was so right when he said: "These are the times that try men's souls." Let us be worthy of the men and women who gave us this nation.

Spelling Bee Features History Appreciation Wk.

The Ozona Community Center celebrated Local History Appreciation Week with an entire day, Friday, devoted to the games and spelling bees of long ago. Both young and old participated and some 230 persons were on hand, many of them in costumes reminiscent of the past.

Mexican dances were a highlight of the past history, leading to the square dances of early days.

The special day was dedicated to the first member of the Center to receive his Master's Degree, Thomas F. Lopez, who is presently a school evaluator and is involved in the bi-lingual educational program in California.

Prizes were awarded to Felice Delgado, Stanley Najjar, Sylvia Ramirez, Randy Ramos, Lupe Villareal, Mabel Delgado, Ishmael Villareal, Elao Delgado and Carmen Delgado. Miss Ginger Glynn was dressed as a typical teacher of the day and assisted with all the activities.

Mrs. Jacoby To Get SR Degree

Mrs. Pete (Jimmie Gwynn) Jacoby will be among the 292 candidates for graduation at Sul Ross State University who will receive degrees in exercises at 7 p.m. Friday, Aug. 13, at the University's Jackson Field.

Mrs. Jacoby will receive her Master of Education degree in elementary education. Mrs. Jacoby has been an elementary teacher in the Ozona School System for several years.

Dr. Norman McNeill, president, will confer degrees. Fifty-eight graduate students have applied for master's degrees, and 144 seniors, bachelor's degrees.

Janis Walker, who has been visiting her parents, Mr. and Mrs. C. O. Walker, most of the summer has returned to Irving to take up her teaching duties. She spent some of the summer traveling in the United States and visiting Mexico City and Acapulco.

WASHINGTON NEWS LETTER

By Congressman O. C. Fisher

President Nixon's pending trip to Red China raises many questions. While the prudence of his decision to go is fraught with grave doubt, so far as net good can be expected, the wisdom of the journey is now moot because the decision has been made. We can only wish him luck.

Communist China is a cut-throat international outlaw. The Maoist regime has been sustained by slaughtering tens of millions who offended or opposed them. The United States has always been their chief whipping boy, often demeaned as "imperialists," "butchers" and the like.

In this backdrop, what can Mr. Nixon hope to achieve? Can it be that the leopard has indeed changed his spots and a miracle has been wrought? Any significant success of the President's mission seems to hinge on that tenuous and unlikely development.

The U. S. delegation may want to discuss the security and integrity of Taiwan, our loyal friend which we are treaty-bound to defend against sworn Communist plans to some day overrun.

And what about Communist worldwide subversion practices as a suggested subject for discussion?

Then, there's the matter of Americans unjustly held as prisoners by Red China for more than 25 years. And U.S. POW's held incommunicado by the Mao-supported Hanoi regime.

The admission of Communist China is, of course, a likely topic. In response to any overtures from the Mao-Chou En Lai twosome, Mr. Nixon can hardly be expected for diplomatic reasons -- to remind those apostles of war, subversion and aggression that unless there's a confession of guilt and a change of heart, the genial hosts would be most uncomfortable and out of place around a peace-promoting table like the UN is supposed to be.

Nor can the President be expected to observe that unless there's a complete switch by the Reds, the U. S. can ill afford to allow an American base of operations for those who are committed to practice espionage and subversion throughout the world.

Grandson Of Ozonans Performs Dramatic Rescue

College Station -- Two 1967 graduates of Texas A&M, both currently Air Force officers stationed at Maxwell Air Force Base, Ala., are credited with saving the life of a man involved in a boating accident. Quick thinking by Capt. John H. Bonner of San Angelo and 1st Lt. Sammy W. Pearson of Calvert led to the dramatic rescue on the Coosa River in Alabama.

The two long-time friends witnessed two men thrown from another boat and saw the boat hit one of the victims. Lt. Pearson drove his boat to give aid when the pair noticed the runaway boat was making a tight circle and was about to hit the second man. Pearson headed his boat between the runaway boat and the victim in the water. Capt. Bonner was pulling the second man into the boat when the runaway boat hit at an angle which permitted Pearson to jump aboard and stop the engine.

The first victim hit by the boat died and his body was recovered two days later, after Bonner and Pearson organized other boaters in a search of the area for him.

Capt. Bonner, a grandson of Mr. and Mrs. Tom Harris of Ozona, is a Squadron Officer School student at Maxwell and has permanent assignment at Mather Air Force Base, Calif.

Capt. Bonner often visited his grandparents in Ozona as a youngster. His mother was living with her parents here when Capt. Bonner was born in a San Angelo hospital. His father, John Bonner, Jr., was a fighter pilot and on active duty in the European war theater at the time.

Tips For Gardeners

From The Ozona Garden Club By Mrs. Bailey Pqst

Since coming to Ozona we cannot remember having such wonderful and refreshing rains as those of the last few weeks. The whole picture and atmosphere has changed in such a short time. Toss, the trees, shrubs, grass and plants have taken on a new luscious green that nothing but rain furnished.

Those of you who plan a fall garden will need and want to get started now. There is still time to make sowings of snap beans, spinach, lettuce, beets, kale, radishes, turnip greens, carrots and others. Carrots from seed sown early this month, left in the ground and covered with a heavy layer of straw or leaves after freezes, may be dug all winter and will have very much better table quality than stored carrots. You will need to plant more seed of vegetables or flowers in the fall than you would in the spring due to germination of seeds being poorer at this season.

Young strawberry plants from pots or runners may now be planted in a rich carefully prepared bed in a sunny position. Seeds of many perennials give satisfaction if sown in a cold frame or shaded spot outdoors where the soil can be kept uniformly moist. Some to include are columbine, Tall larkspur, Tibbera and Shasta daisies, hollyhocks and snapdragons. If you plan to grow your own pansies, the seed should be planted now in moist soil.

Cuttings of holly as well as other evergreens such as Abellia, Photinia, Privet, Yucca and Barberry, may be rooted this month in cold frames, or in a sheltered place outdoors. They must be shaded from direct sun until well rooted. Set the cuttings in a firmly packed in a mixture of peat moss and sand, or in a bed made by spreading a two-inch layer of sharp sand over a bed of a mixture of top soil, peat moss and sand and packed firmly. Keep moist.

Keep feeding the anthems liquid fertilizer about every ten days. After the rains you can expect many weeds and packed soil. Cultivate carefully to keep down weed growth, and conserve moisture. If you have no mulch, a shallow layer of loose, cultivated soil provides insulation between soil moisture, hot sun and drying winds.

If you have a Gladiolus that has finished flowering, water should be withheld gradually and when all signs of growth have disappeared the pot may be set on its side in a frost proof place, and allowed to dry out completely. They should be potted in January in the usual soil, and when growth is well advanced one-half cup of liquid manure or other fertilizer should be given once a week. Good drainage is essential. The soil should be kept moist, but never wet. Plants should be in the light, but not in the sun. Leaves matted in the summer will soon in moist sand or water, and finally grow a bulb which will bloom the next year or may be grown from seed.

RECIPE OF THE WEEK

From Kitty's Kitchen

If your family has an aversion to beef liver, disguise it in this delicious casserole. You will have no complaints.

- Liver-Noodle Casserole
- 8 slices bacon
- 1 pound beef liver, sliced
- 2 cups noodles
- Salt
- 1 can (10 1/2 oz.) tomato puree
- Sweet basil
- 4 slices mozzarella cheese

Cook bacon until crisp and set aside to keep warm. Saute liver in some of bacon fat until cooked through, then cut in 1" cubes. Cook noodles in boiling salted water until tender and put in shallow baking dish. Top with liver and tomato puree. Sprinkle with salt and basil to taste and arrange cheese slices on top. Bake in moderate oven (350 degrees) 15 minutes or until cheese is melted. Crumble bacon on top and serve.

You'd probably love to have a car like this to fool around with. But suppose you had to drive it day in and day out?
We Americans are used to having the latest, and we don't like to live with what seems out-of-date to us. For that reason, a good many of us don't go to church. We tell ourselves that church was great for Grandma and Grandpa, or maybe even for Mom and Dad, but it has no place for us in this jet age.
If we believe this... then it is we who are out-of-date! The Church today is a modern institution in touch with the world around it. It helps us cope with the problems of modern life, teaching us to change with a changing world. Let's catch up with the times. Let's attend church.

...nee Georganne Janes...

METHODIST WSCS
The Woman's Society of Christian Service met in the Parlor of the church Wednesday for a business meeting and program. Mrs. James Lively opened the meeting and the prayer was given by Rev. John Berkley.

Mrs. A. S. Lock discussed the up-dating of the Methodist cookbook, asking for favorite recipes not only of members, but anyone in the community. Recipes must be in by Sept. 15 and may be mailed to anyone on the committee, Mrs. Lock, Mrs. R. A. Harrell, Mrs. Bill Cooper, Mrs. Bailey Post, Mrs. Stephen Perner or Mrs. L. D. Kirby. The books will be ready for Christmas giving and the proceeds will benefit the Ozona Community Center.

Mrs. Harrell, district president of the San Angelo District, announced the fall mission workshop will be held Sept. 12 in St. Luke's Methodist Church in San Angelo, and that the District Annual Meeting will be held Sept. 16, at Trinity United Methodist in San Angelo.

The program was given by Mrs. Douglas Fisk, Mrs. John Berkley and Mrs. Harrell, who were the delegates to the annual school of missions this year held in July at Houston-Tillotson College in Austin. Dr. John King, president of this fine Negro college and his staff were very gracious hosts, the delegates reported. They also reported some interesting studies, Bible study on the Book of Matthew, New Generation in Africa, Technicals, and Future Shock, dealing with world poverty.

Following the program a covered dish luncheon was held in the home of Rev. and Mrs. Berkley. Present were Mrs. Lock, Mrs. Roy Killingsworth, Mrs. B. B. Ingham, Miss Dorothy Price, Mrs. Pete Jacoby, Mrs. Jim Duffley, Mrs. M. C. Couch, Mrs. Roger Dudley, Mrs. Doug Fisk, Mrs. Stephen Perner, Mrs. Bailey Post, Mrs. Harrell, Mrs. Bill Cooper, Mrs. Lively, Miss Ethel Wolf, and Mrs. L. B. Cox, Jr. --6--

Karen Sewell Becomes Bride Of David Huff

Karen Dee Sewell, daughter of Mr. and Mrs. L. T. Sewell, became the bride of David Earl Huff, son of Mr. and Mrs. R. V. Huff, in an evening ceremony Saturday, August 7, at the Ozona First Baptist Church, Rev. Jim Hancock, pastor of Second Baptist Church in Odessa and former Ozona pastor, officiated.

The bride, given in marriage by her father, wore a formal gown of white Alencon lace and silk organza. The empire bodice featured a high ruffled collar and sheer lace sleeves. The skirt was organza over taffeta. She carried a bouquet of yellow rosebuds.

Matron of honor was Mrs. Billy Spencer of Plains. Bridesmaids were Grace Ann Tabb, Jenni Womack, Christy Davidson and Kathy Sewell, sister of the bride.

The attendants wore yellow empire gowns featuring short puffed sleeves with daisy trim. They carried bouquets of yellow daisies.

Donald Huff served his brother as best man. Groomsman were Gary Loudamy, Kirk Boyd, Charles Dupree of Temple, and Charles Childress. Ushers were David Sewell, brother of the bride, Gerald Huff brother of the bridegroom, Will Collett, and Gregory Stuart.

Nuptial music was furnished by Mrs. L. B. Cox, III, at the organ.

The church altar was flanked with candelabra entwined with ivy.

A reception followed the wedding in the fellowship hall of the church.

The couple will be at home in San Marcos where both are students at Southwest Texas State University.

The bride is a 1971 graduate of Ozona High School and her husband is a 1969 graduate of OHS.

While some years are good car years, 1971 has been a

VINTAGE YEAR FOR CHRYSLER ROYAL

ONE OF OUR BEST YEARS. It takes something special to come up with a Vintage Year. But that's what '71 has been for Chrysler-Plymouth. We like to think our slogan 'Coming Through' has had a lot to do with it, because it's our pledge, a dedication to one purpose: To come through with the kind of automobiles you want—in style, size and price—also in quality you can live with for years to come. A good example is Chrysler Royal.

OUR FINEST OF THE BIG. Chrysler Royal did what few luxurious cars can do. It allowed people who put a premium on comfort and space to move up with ease. For despite its full Chrysler size and quality, here was the opportunity of driving Royally at our lowest Chrysler price.

NOW, A GREAT SELECTION COMING THROUGH FINAL CLEARANCE PRICED. '71 has been a vintage year for Chrysler-Plymouth. Quality shines and shows in every line. A drive in a Chrysler Royal, Plymouth Duster, Satellite or Fury will prove how tight and sound our '71 models have come through. See our great selection. We think you'll agree a quality car at a final clearance price is what 'Coming Through' is all about for us. For you.

1971. It was a very good year.

Jim Brown, Former Ozonan, Waits 7 Years For Kidney Transplant

Jim Brown, former Ozonan and 1957 graduate of Ozona High School, was the subject of a feature story in the Iowa City Press-Citizen recently. Jim, son of Mr. and Mrs. C. F. Brown, will be remembered by many Ozonans as an outstanding athlete and student. He is presently residing with his mother at 712 Fourth Avenue Place, Coralville, Iowa, and is waiting for a kidney transplant. He has been waiting for a new kidney for seven years.

thority to run the Medical Building. Since the contract with Medica Diversified has been terminated, it is necessary that the board be in charge of the various medical offices, including rentals, maintenance, etc. The board also reported to the court that it had been approached by a registered nurse, but wanted to wait until an administrator could be hired before taking action. Board members present were Joe Couch, Mrs. Huey Ingram and Jim Peck. Absent were W. O. (Dub) Stokes and Frank McMullan, Jr.

In other business, the court received monthly reports from county department heads, approved payment of bills and attended to routine matters.

the junior varsity. He is a 160-pound sophomore fullback.

Other junior varsity men who will be looking for places on the varsity are centers, Joe Martinez and Jack Baggett; and guards, David Weant, Steve Wilkins and Sam Tambunga; Gary Mitchell, 175-pound sophomore tackle will probably start at one of the tackle slots, others are Fred Vela, Bill Turland and Saul Torres and Jimmy West.

Ends are Dean Shaw, Ricky Webster, Oliver Payne, Rick Hunnicutt and Eddie Beaird. There will be two scrimmages before regular season play, probably with Fort Stockton and Robert Lee.

The first three games are with Junction, Eldorado and Coleman, all out of town. The first home game will be with Sonora. The Lions will play Iraan, Big Lake and Coahoma here, Crane and Stanton out of town and back home for the final game of the season with McCamey.

State Disaster Relief Agents In Meet Here

The Crockett County Disaster Relief Committee met Monday night at the Chamber of Commerce with three state men who are specialists in defense and disaster relief.

Guests were R. F. Schnatterly, instructor in Civil Defense training, Texas A&M University; Richard K. Buckland, Regional Liaison Officer for the Division of Defense and Disaster Relief; and Lt. Joe Mlan-deka, Department of Public Safety District Disaster Chairman.

Lawrence Janes, chairman of the local committee, said the meeting was very informative and the local group had profited a great deal by it, receiving plans and guidelines they had not had in previous meetings.

In a two-hour lecture by Schnatterly, the group learned how to use resources and coordinate facilities in case a tornado should wipe out half the town.

The working plans and guidelines give instructions for a minor disaster, involving as few as ten people, and well as for a major disaster, affecting as many as 1,000 persons.

It is up to the general committee to put local emergency plans together and the responsibility of each committee chairman to work out their individual plan, such as housing, transportation, communications, etc. All will be coordinated under the county government.

Loel Clayton returned yesterday from Pampa where she had been visiting the W. E. Reynolds family. She flew from Amarillo to Midland, and her mother, Mrs. Mike Clayton, picked her up there.

He is one of 41 patients in dialysis at Veterans Administration Hospital in Coralville. Jim Brown was preparing to be discharged from the Army in Germany in 1964 when he became ill. His illness was diagnosed as pneumonia and generally run-down condition. In the process of treatment, his kidney malfunction was discovered.

He began dialysis (a process of cleaning impurities from the blood, the normal function of the kidneys) May 8, 1964, at Brook Army Hospital in San Antonio. One of his doctors there was Dr. Richard Freeman, who is now on the Iowa City kidney unit.

In 1966 Brown was transferred to Iowa City Veterans Administration Hospital, one of the few hospitals accepting renal patients at that time.

His mother accompanied him, leaving his father, an area supervisor for a pipe line company, in Ozona. The father has since been transferred to Crane, but still maintains the family home on the east hill here. He visited his family in Iowa City in April of this year.

Young Brown is now 32 and has seen a change in the entire system of dialysis. He now spends 14 or 15 hours in the hospital for each of his two weekly dialysis sessions.

He credits his mother's cooking with bringing him to his present level of health, which is much better than that of a few years ago.

Only a kidney transplant will eliminate the long hours of dialysis, and the Browns are hoping for a donor soon. The waiting has worked a hardship on the entire family.

Committee Says Thanks For Help In History Week

Members of the Crockett County Historical Survey Committee take this means of expressing appreciation for the fine participation in the just concluded County History Appreciation Week. Citizens were generous in sharing their heirlooms for display and merchants and the Chamber of Commerce arranged attractive window displays. The Crockett County Museum also attracted many visitors.

Although no specific events were planned for the youth, it was they, along with the senior citizens who visited the Display Room most often and seemed to enjoy it the most. They asked numerous intelligent and searching questions and were interested in the answers. Sharon Coates shared historical articles concerning pioneer citizens -- thank you, Sharon. Crockett County is indeed rich in its young people.

Miss Dorothy Price and Miss Ethel Wolf, assisted by Miss Ginger Glynn, held an interesting program all day Friday at the Ozona Community Center.

Many were on hand for the dedication of the marker for the first water well Friday night. Appreciation is expressed to those who participated and to the Water Board for donating the marker.

A 'thank you' to Jamie Knox, who was responsible for the jamboree in the park.
