Lions Play Van Horn In Big Lake Tourney

Coach Charles Spieker's Ozona Lions own a 7-6 record going into the Big Lake tournament this afternoon. They begin district play next Tuesday night in McCamey. The Lions will play a highly respected Van Horn squad in the first round of play at 6:30 this evening. A win will head them toward the championship and they will play Friday around 6 or 7 p.m. A loss will see them playing for the consolation trophy, in which case they will play at 2:30 tomorrow. The Van Horn team reached the regional finals last year and have most of their men back so the Lions will have their work cut out for them. However, Coach Spieker feels that the Lions have made great improvement and will reach their peak before district play begins. The Lions have been in trouble point-wise, but in their last game managed to hit almost half of their shots, which is an improvement. Coach Spieker had praise for the defensive abilities of Jim Montgomery and Ruben Tambunga, his two speedy guards, and said that Greg Stuart at post was one of the most improved ball-players since the season began.

Winter Drops Temperature To New Low Here

After summer temperatures on New Year's Day, the temperatures plunged Sunday after a dry windy cold front moved into the area. Clouds and brief drizzle came on the leading edge of the front Saturday afternoon, but there was not enough moisture to even record as a trace. After a pleasant Sunday morning wind from the slow-moving front whipped into the area and the low Monday morning was reported between 19 and 22 degrees above zero. The low Tuesday morning was reported anywhere from 5 degrees above zero to 15. An official reading was not available, but residents were well aware that winter had arrived. The cold hung on Tuesday in spite of bright sun all day and a slight warming trend followed Wednesday. The area still has been without any measurable amount of precipitation since mid-October.

ANOTHER EAGLE SCOUT for the George Olson family. Gerald Olson receives the rank of Eagle from Scoutmaster Garland Young in a recent Boy Scout Court of Awards. The Eagle is the highest rank a Boy Scout can attain and there are now three in the Olson family. Father, George, received the coveted rank in 1946 in Natalie, Texas, older brother, Donald, earned the award here several years ago, and now Gerald, OHS freshman, has earned the rank.

ALL-STATE GUARD - As selected by the Fort Worth Star Telegram is the Lions' Tom Davidson. Davidson was named to the first team offense for Class AA All State Football team, the only West Texas boy to make the team. Davidson, team captain, and four-year letterman received All-District honors as a sophomore when he was named to the second team offense. As a junior he made second team offense and defense in All-District and this past football season as a 185-pound senior, he was a unanimous choice for first team offensive guard and received second team honors on defense as linebacker.

Eagle Scout Rank Conferred On Gerald Olson At Court of Honor

Highlight of the Boy Scout Court of Honor held at the Civic Center last week was the presentation of Eagle rank to Gerald Olson by Scoutmaster Garland Young. The highest rank in Boy Scouting, to earn the rank a boy must have completed work on 22 merit badges. Other boys receiving merit badges toward their Eagle Scout rank were Larry Netherland, David Bean, Billy Dixon, Steve Wilkins, Dean Scott, and Andrew English. Other scouts earning and receiving merit badges were Judd Montgomery, Wilson Hill, Bobby Armistead, Tommy Hoover and Tony Hoover. Jerry Weant and Steve Scott. Completing work for advancement to Second Class were Bobby Armistead, Tony A. Davee, Brian L. Gries, Tommy Lee Hoover, Jerry Weant, Steve Scott and Tony Hoover.

Mrs. Bartholmae Funeral Service Held Here Sat.

Funeral services for Mrs. Albert H. (Thelma) Bartholmae, 66, were held Saturday morning from the First Baptist Church with services in Alpine at 5:00 p.m. with burial there under the direction of Jones Funeral Home. Mrs. Bartholmae died Thursday in Crockett County Hospital after an illness. She was born May 7, 1904 in Texas. She had been a resident of Ozona the past four years. She was married to Albert H. Bartholmae in 1959. The couple moved to Ozona from Alpine when he retired. Survivors include her husband, a daughter, Jane Woodman of Gould, Okla., and two brothers, Bruce Roark of Devine and Leroy Roark of Clint.

B Team Plays In McCamey Tourney

Coach Jim Williams' Lion junior varsity will be in McCamey this weekend to participate in the annual McCamey B-team tournament. The junior Lions will play Rankin JV tomorrow afternoon at 6:30. A win will schedule their next game at 11 o'clock Saturday morning and a loss will point them toward consolation with a game at 9:30 a.m. During the holidays the junior varsity won one and lost one. They edged Lakeview 48-47 in a real thriller. Randy Crawford led the Lions with 17 points. In another close one with San Felipe of Del Rio Saturday night the JV lost by one point, the score being 43-42. Gerald Huff led the Lion attack with 12 points and Monte Peltto was close behind with 11.

Member Pioneer Crockett Family Buried In Austin

Funeral services for Mrs. Myra Estes, 84, daughter of a pioneer Crockett County family, were held Monday afternoon from Cooke Funeral Home Chapel in Austin. Mrs. Estes died Friday in the Methodist Nursing Home in Lockhart after a long illness. Mrs. Estes was the daughter of Mr. and Mrs. J. W. Odum, pioneer Crockett County couple. She was a sister of Mrs. Paul Perner of Ozona. Other survivors include two daughters, Mrs. Hudson Tuma and Mrs. Leio Krueger, both of Austin, and a brother, Bill Odum of Del Rio. Mr. and Mrs. Marshall Montgomery, Mrs. Boyd Clayton and Mrs. Lindsey Hicks were in Austin for the services.

Sheriff Warns New Air Rifle Owners On Use

Sheriff Billy Mills issued a warning this week about the indiscriminate use of air rifles, a fairly common after-Christmas gift the past few years. His office has received several complaints since the holidays of damage by air guns. The same guns, no doubt brought Christmas Eve night by old Santa himself. Damage has been limited to windows and street lights, but Sheriff Mills warned that many of the new high-powered guns were capable of inflicting severe bodily injury or even death when placed in the hands of an inexperienced boy. This is especially true when several boys and several air guns get together. He urged that parents supervise the young man with a new air gun and stress the dangers that go hand in hand with the gift. He pointed out that this is a good time to teach youngsters responsibility with firearms and respect for same.

Ozona Gas Field Gains Extension

The Ozona (Canyon sand) field of Crockett County gained a 1/2-mile east extension on the southwest side with completion of Monitor Natural Gas Co., Midland, No. 2-53 Clegg, 35 miles southwest of Ozona for a calculated, absolute open flow of 2 million cubic feet daily, with gas-liquid ratio of 214, 341-1. Gravity of the condensate was 58.4 degrees. Held Recovering After Injuries From Fall Here

John Held, who was injured in a fall from the awning in front of the Hiway Cafe a week ago Tuesday, is reported making satisfactory recovery in Shannon Hospital in San Angelo. Mr. Held was transferred to the San Angelo facility shortly after examination by a local physician and placed in the intensive care unit where he was in critical condition until late last week. He was moved to a private room over the weekend and reports are that he will be released in a few days. His injuries included internal bleeding, a concussion, nine broken ribs and a broken bone in the shoulder.

WHO HAS WHAT RIGHTS?

Guest editorial by Dr. Howard E. Kershner, Editor of CHRISTIAN ECONOMICS, published by the Christian Freedom Foundation, Inc.

THE FRIENDS COMMITTEE on National Legislation has issued a statement declaring that an adequate guaranteed income is "a matter of right." Since this view is typical of that held by "liberals" in general, comment is in order.

A society which concedes the "right" of an individual to wealth produced by another, will not long remain free and self-governing or be able to maintain prosperity. Once the right of the state to take the property of some and give it to others is firmly established, the process will go on until the last bone of the last taxpayer is picked bare and all are reduced to the near-poverty line.

Does a man who has worked little and produced little have a "right" to the property of a hardworking individual whose property represents the distilled sweat of his brow? Who has a better right to property than the man who has produced it?

The thrifty have a Christian duty to help the needy, but the latter have no "right" or title to a portion of their wealth.

To assert one's right to the wealth of others is coveting and, if implemented, stealing. Society did not rise above the level of savagery until it recognized the right of men to enjoy the fruits of their labors without danger of despoliation by others. That is why coveting and stealing are forbidden, not only by the Ten Commandments, but by parallel statements in other religions.

If people have a "right" to the wealth of others, they will produce less and less wealth of their own. Already too many live from the labor of their neighbors. We need less talk of rights and more of responsibilities. Under the proposal of FCNL one could loaf or drink or gamble away his own income and then rely on the necessities of life upon the dispossession of others.

A BIT OF ADVICE TO A FELLOW WORD MECHANIC

It's not our policy to go about criticizing the ancient and honorable practice of press agency. After all, most press agents are former news men who earned their spurs at one or more newspaper desks; and many newspaper editors are former press agents who decided to get respectable. So if we're not blood brothers, we are, at the least, fairly close cousins in the art of communication.

Nevertheless, we note one recent press release which we simply cannot let pass without comment. It came from the typewriter of Charlie Baker, who used to be a press agent for the CIO and now, we understand, fills a similar function, with a fancier title, for the ADL (Anti-Defamation League) and the IAD (Institute for American Democracy). The release, which was also a fund-raising appeal, led off with the alarming news that "Incredibly our America is starting to come apart at the seams. The whole democracy decisionmaking process is imperiled."

Now, that is indeed shocking news, especially to patriotic folk who care about "our America." We think this appeal to patriotism by Mr. Baker to be highly commendable.

But just who are those responsible, according to the release, or causing America to "come apart at the seams"?

Believe it or not, but among others they are: Mr. H. L. Hunt, Texas oil millionaire; former Dean of law school of Notre Dame University; Clarence Manion; Former FBI man, Dan Moot; all former FBI men in the American Security Council; former commander of the U. S. forces in South Vietnam, General William Westmoreland; successful rags to riches businessman Patrick Frawley; conservative Jesuit Priest, Father Daniel Lyons; subversive Activities Control Board member, Otto Otepka; former U.S. Air Force intelligence officer and present head of the Church League of America, Major E. C. Bundy, etc.

Good grief, Baker! You've been in the business long enough to know that no one except those characters to the left of the communists will print stuff like that. We know you have a job to do, but you'll be doing yourself a favor and earning your salary if you tell your bosses that they've got rocks in their head if they actually believe their "alarming news."

MARBLE POLISH at BROWN FURNITURE CO. 43-1c

WASHINGTON NEWS LETTER

Cong. O. C. Fisher

The second session of the 91st Congress has caused many observers to raise questions about the statesmanship and quality level of the present U. S. Senate. Had the Senate attended to the nation's business as the public has a right to expect, the work of this session would probably have been concluded last July or August.

Instead, that august body dilly-dallied with meaningless repetitious talkathons to the point where the appellation of "wind cave" has been used to describe it.

For example, the Senate debated for 7 weeks an amendment which would have forced withdrawal of U. S. troops from Cambodia by July 1, even though the President had announced all troops would be pulled out by the end of June.

While that exercise in futility was taking place there were 8 House-approved annual appropriation bills and other urgent measures waiting in the wings for attention. The Senators stalled for about a month each on whether to confirm appointments of Judges Haynsworth and Carswell to the Supreme Court -- while urgent public business was standing by and delayed. And these are but a few examples that could be cited.

On and on it went, and finally two weeks before Christmas the Senate discovered that urgent legislation had to be acted upon, at a time when progress on any bill would be impeded by arbitrary action by any one member, or by several members. And so the biggest logjam in modern legislative history occurred. Like a ship without a rudder, the Senate floundered aimlessly in a sea of confusion and helplessness.

Finally a few actions were taken and others postponed. Certainly the Senate has added no laurels to its willingness to function in a responsible manner. Like Nero, the Senate fiddled while the public's business was ignored or neglected.

In any event, maybe the Senate has learned a lesson. Happy New Year!

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL
By--Vern Sanford
Texas Press Association

Austin, Tex.--As expected, Texas will be paying higher auto insurance rates next year. But rates will not be as high as first proposed.

State Board of Insurance has announced an average statewide 13.6 per cent increase for all classes of vehicles and coverages. Actually, that's about a 14 percent overall increase for private passenger cars.

In establishing the rate, the Board, for the first time in its history, took into consideration insurance company income from investments and all other sources. But it backed off from the "net worth concept" which would have produced still higher rates.

LAWMAKER PAY HIKE PUSHED--A sub-committee of House Speaker Gus Mutscher's blue-ribbon "Committee of 100" termed legislator pay "unrealistically low" and said the \$4,800 limit should be stricken from the State Constitution.

Sub-panel, headed by Newspaper Publisher S. B. Whittenburg of Amarillo, recommended that a six-member commission be named by the governor to fix legislative pay and expense account boundaries.

VOTE FOR 18-YEAR-OLDS--County tax assessor-collectors have been notified that voter registration certificates should be issued to applicants 18 years and above and those who will be 18 by March 1, 1972.

Secretary of State Martin Dies Jr., chief state election officer, has sent out instructions for implementing the U. S. Supreme Court order giving 18-year-olds the right to vote in federal elections.

Certificates issued to those under 21 will be labeled for "federal elections only until 21 years of age." Same document will contain birthdate so it can be used for state and local elections after applicant turns 21.

WE NEED A NEW DOCTOR!

Seven million motor vehicle owners will soon be receiving by mail the three-part renewal application form.

Form and required fee after February 1 should be taken to county tax office, or orders can be placed through mail by adding \$1 for handling costs and postage. At least 30 days before registration deadline should be allowed for delivery of plates ordered by mail.

Presentation of last year's registration receipt or certificate of title is no longer necessary with renewal application form.

BUILDING CONTRACT LET --State Building Commission approved contract for a new seven-story state office building to be located five blocks north of the capitol.

Stokes Construction Company of San Marcos submitted the low bid of \$7,076,596.

Alternative bids were also accepted for five possible additional floors, with the contractor to hold the enlargement offer open until Sept. 1.

1971. You've changed. We've changed.

Change. That's what it's all about this year. And that's what we mean by putting you first.

Caprice. The biggest, most luxurious Chevrolet ever. A complete change. Bigness in itself is nothing. But if it allows you to lengthen the distance between the front and rear wheels (which we did), then you've got something. You've got a smoother ride. The idea in the 1971 Caprice was to give you the looks and comfort of a six- or seven-thousand-dollar car, without asking you to pay anywhere near that much for it. And above all, to build in as much dependability and security as possible. So we changed the body structure for 1971, too. We made it stronger. And we made it quieter by putting a double layer of steel in the roof. Caprice, as you can see below, is a lot of luxury at a Chevrolet price.

Vega. The littlest Chevy ever. It wasn't changed from anything. Before building Vega, we read everything we could get our hands on about little cars. We talked to owners. We studied little cars up one side and down the other and, literally, tore them apart. We found out what made them tick, or why they didn't tick. What ticked were gas economy and dependability. What didn't were underpowered engines, cramped quarters and getting blown around in the wind. In our little Vega, everything ticks. It's not just another little car. You didn't want that. It's one little car that does everything well.

See what we mean by putting you first? Now at your Chevrolet dealer.

Carry your wintertime comfort with you!

Never be caught cold! Take a portable electric room heater for your comfort when you travel in wintertime, especially if there are children along. It'll save many a sniffle, and lots of cold feet!

See your electric appliance dealer or WTU. They have portable electric room heaters in many sizes and prices. You'll find the one you want!

About yourself and GOD

Do you believe in the tremendous capabilities of man? Christians do... Do you, on the other hand, believe that man is quite helpless to overcome many of the forces that threaten his progress? Christians do... How can the same religion support such contradictory views? Well, we take for granted that a tank-load of gasoline will propel an automobile many miles. But there are cold mornings when we can't even get the engine started. What is missing? A spark! A continuing series of sparks! Never over-simplify the functioning of the human soul. Like the internal-combustion engine it can be powerless when denied the fire that unlocks its energy. To be himself—to be all that God intended him to be—a man needs God. Bring your hopes and frustrations to church next Sunday.

PAGAN LAYS ONE IN. Ozona Lions cagers work the ball in for a two-pointer in a recent contest. David Pagan has avoided two defenders to hit the net. Helping are, left background, Will Collett and number 21 in the foreground is Jim Montgomery. The Lions will participate in the Big Lake tournament this weekend and start district play in McCarney with the Badgers Tuesday night.

Debra Arledge To Wed

Mr. and Mrs. Larry W. Arledge announce the engagement of their daughter, Debra Louise, to Joe Leslie Brown of Sanderson, son of Mr. and Mrs. L. L. Brown.

A graduate of Ozona High School, the bride-elect has completed secretarial training at Lubbock Christian college at Lubbock.

Mr. Brown, a graduate of Sanderson High School, atten-

ded Southwest Texas Junior College at Uvalde and Sul Ross University at Alpine. He is presently an employee of Southern Pacific Railroad in Sanderson.

No date has been set for the wedding.

BROWNIE SCOUT TROOP 224

Brownie troop 224 met on Jan. 4. Leanne Arledge led in "My Country 'Tis of Thee." Kelly Schmid led the Brownie Promise and Kim Sinclair led in the Pledge to the Flag.

Patty Chappell and Dalia Parker were absent. We welcomed our new member, Alpha Kennedy and discussed our cookie sale which begins Feb. 12 at 4:00 p.m. Mrs. Harris gave us some pointers on selling. Each girl will have 24 boxes to sell.

Other members present were Tammy Adams, Lori Clayton, Jennifer Marley, Malinda Hokin, Tammy Harris, Molly Wornack, Kay Thompson and Tilly Cramer.

OUTDOOR SKETCHBOOK

THE STATE RECORD OF SOME SORT HAD TO HAVE BEEN SET RECENTLY WHEN MERSHELL SHEPHERD OF HOUSTON BIT INTO 12 PEARLS WHILE TRYING TO EAT A SINGLE OYSTER. HE DIDN'T EXACTLY STRIKE IT RICH THOUGH. DEPARTMENT BIOLOGISTS SAY PEARLS FOUND IN OYSTERS ALONG THE TEXAS COAST ARE OF POOR QUALITY AND COME FROM THE WRONG TYPE OF OYSTER.

CAMPERS WHO PUT AWAY THEIR GEAR WHEN AUTUMN ROLLS AROUND MAY BE MISSING THE BEST TIME OF YEAR FOR OUTDOOR ACTIVITIES IN TEXAS. THE WEATHER USUALLY IS EXTREMELY PLEASANT, AND MANY STATE PARKS ARE WELL EQUIPPED TO OFFER FACILITIES FOR OVERNIGHT CAMPING EXPEDITIONS.

but I don't see how I can hack it on Tuesday nights. Frankly, I don't see how they can either and stay eligible grade-wise that is. I think we got took when the schedules were made out.

The Daniel Sanchez family, whose home burned Christmas night, destroying all their belongings, can use some help from the community. They have two little girls, ages 2 and 3 and a four-month-old baby boy. I am sure they can use most anything in the way of household goods and clothes. I have their sizes if you'd care to help out and the Ozona Community Center is the gathering place. Miss Wolf and Miss Price probably can give any other information one might want. Nearly everybody has something they can donate if it's only money. So look around and see if you can't help out. I understand that the most desperately need is for baby clothes at the moment.

The firm estimates that it will prepare over 9 million returns nationwide this tax season.

Baker cited many reasons for acquiring the local franchise. H & R Block's rapid growth, their fair schedule of charges, and the need for low cost quality service in Ozona were prime considerations.

"The Block satellite franchise training program, their acceptance nationwide and their strict adherence to a written guarantee were instrumental in my decision to associate with H & R Block," Baker said.

H & R Block Franchise To Fred Baker

Fred Baker, owner of Ozona Stenographic, recently announced his affiliation with H & R Block, an income tax service with offices nationwide.

The local office will be located in the old bank building at 910 Ave. E, and Baker will operate it along with his other business, Ozona Stenographic, which he opened in that location several months ago. The local H & R Block office is a part of the 5,000 offices Block will operate nationally this

RECIPE OF THE WEEK

From Kitty's Kitchen

Try this recipe for an easy supper dish. We like it at my house.

Cheeseburger Casserole
1 pound ground round
1 cup minced onion
1 cup minced bell pepper
1 (8 oz.) can tomato sauce
1 cup catsup
1 can biscuits

Brown meat, onion, and peppers in heavy skillet. Pour off drippings. Add dash of black pepper, catsup and tomato sauce, and heat. Layer with 3-ounce package sliced cheese in a 2-quart casserole. Place biscuits around edge and bake in pre-heated 400° oven for 20 to 25 minutes or until biscuits are brown.

Mr. and Mrs. Bryan McDonald and son, Bill, and his family, were Ozona visitors during the New Year's holiday weekend.
