Signing off on a lighter note, ill wish you all a "Happy ter Egg" again this year.

DOCTOR AND FAMILY are welcomed at a reception Sunday afternoon at the Ozona Civic Center. Dr. Louis J. Cole and his family were warmly welcomed by over a hundred Ozonans calling during the reception hours. Dr. Cole recently began the practice of medicine and surgery here coming from Ballinger, where he had practiced the last six years. In the picture are son, Jimmy, a Ballinger High School senior, Mrs. Cole (Dora), daughter Cheryl, eighth grader, and Dr. Cole. Dr. Cole's family will move to Ozona to make their home after the close of the present school year.

Ozona Lions Roar To District Track Title At Meet In McCamey

The Ozona Lions overpowered the other teams in District 5-AA and roared to an easy victory at the District Track Meet in McCamey Saturday. The Lions piled up 17 1/2 points to win the championship and Crane, taking second place, had 14 1/2 points. McCamey came in third.

The first two placers in each event now qualify for the regional meet which will be held in Lubbock April 24. The Lions will be in Andrews this weekend for a practice meet. Picking up 68 1/2 points in the field events, the Lions got off to a good start. David

Pagan won the discus with Cuatro Davidson coming in third and Greg Stuart, fifth. Chuck Womack was second in the pole vault with a jump of 13'3". Will Collett placed fourth and David Sewell, sixth. Womack won the broad jump with a leap of 20'4" and Mark Tillman placed sixth. Womack came in third in the high jump at 6' even, Will Collett was fourth and Randy Crawford tied for sixth. Pagan won the shot with a heave of 50'7", his best throw this season, and Greg Stuart came in third. Ozona Lion results in running events:

440 Relay - First, 44.8 (Ruben Tambunga, Robert Maldonado, David Sewell, Gerald Huff)

Little League Tryouts Begin Mon. Afternoon

John Harris, president of the Ozona Little League Association, announced that tryouts for the summer session of Little League baseball would begin next Monday afternoon at 4:00 p.m. All boys who plan to tryout for a team must have birth certificates.

Tryouts will last all week and the player's auction will be held the night of April 16, after which the boys will be notified by respective team managers. The first game will be a double header April 23, first game at 6 p.m. Managers and teams are: Jack Tankersley, B & B; J. C. Schroeder, Ozona Oil; Rex Fenton, Ozona National Bank (formerly Flying W); Dean Scott, Moore Oil. Umpires this year are Winston Koerth, Dorris Haire and Jack Derrington.

Fields Attends Rotary Meeting In San Antonio

A. O. Fields of Ozona was among Rotarians from 43 counties of Southwest Texas who attended the annual rotary International District 584 Conference April 2-4 in San Antonio, Texas.

Fields, a member of the Rotary Club of Ozona was accompanied by his wife. The three-day meeting reflected the theme of Rotary International President William E. Walk, Jr., "Bridge the Gaps" between people, nations and between man and his environment. Principal speakers included Raymond Seeley of Blythe, Calif., representing President Walk, and Frank Bennack, President of San Antonio Chamber of Commerce and Publisher of the San Antonio Light. Rotary International is a Worldwide association of more than 14,400 clubs with 680,500 members in 148 countries and geographic regions.

Rash Of Auto Accidents Keeps Officers Busy

A rash of automobile accidents in the city and county kept DPS officers busy the first part of the week. Damage took a heavy property toll, but personal injuries were minor. Shortly after noon Sunday Alberto Sanchez of California was traveling east in a GMC panel truck and pulling a 1969 station wagon just over a mile east of Ozona on Hwy. 290 when he lost control and hit a culvert. The panel truck remained upright, but the station wagon overturned. His two young daughters, who were traveling with him in the truck were treated and released from Crockett County Hospital, suffering only minor injuries. Damage was heavy to the overturned vehicle, but minor to the truck.

At 3:30 Monday afternoon in the 500 block of Ave H Greg Stuart was attempting to pass a pickup driven by Douglas Moore when the vehicle in front of Moore made a left-hand turn and was hit by the 1969 Plymouth Stuart was driving. Mrs. Jesuita Chipman was driving the car in the lead and was turning into a driveway. There were no injuries. The Plymouth was heavily damaged with only minor damage to the Chipman car.

Shortly after the first accident Monday afternoon, there was a three-car mishap in the center of town. A 1958 Impala driven by James Atkins was traveling south on 163 when it collided with a 1969 Pontiac being backed from a parking space by Mrs. Josefa Lopez in front of Smith Drug. The collision knocked the Lopez car into a parked car belonging to Graydon Hicks. The parked car had only slight damage, but damage to the other two vehicles was heavy.

Two accidents followed Monday night. Around 7:30 p.m. at 14th St. and the county road, a 1969 Pontiac driven by Ana Ramirez was in collision with a '62 Olds driven by Robert Maldonado. Damage was minor. Later the same night at Santa Rosa and Blas Streets a '62 Dodge station wagon driven by Napoleon Vitela was hit by a '71 Ford pickup driven by Ro-

Outpost Set In Sprayberry Area

Mallard Exploration, Inc., Midland, will drill the No. 1 Meadows as a 5/8-mile south-east outpost to the four-well Sprayberry pay of the Ozona, Northwest multipay field of Crockett County, 1 1/2 miles southwest of Ozona. Location, on a 320-acre lease, is 1,850 feet from the south and 1,807 feet from the east lines of 48-0P-GC&SF. Contract depth is 4,000 feet.

Crockett Ranchers Pocket Over Million Dollars Incentive Pay

Crockett county sheep and goat ranchers will pocket a little more than one million dollars this month in incentive payments for shorn wool and mohair sold during the 1970 marketing year. United States Department of Agriculture announced early this week that shorn wool payments will be made at the rate of 102.8 percent of the dollar return each grower received from sale of shorn wool

during 1970. Payment rate for mohair marketed during 1970 will be 105.1 percent of dollar returns. Each grower's wool payment is determined by multiplying his dollar return from sale of wool (less marketing charges) by the payment rate of 102.8 percent. The payment for mohair will be determined the same way with the multiplying factor 105.1 percent.

The percentage method of payment is designed to encourage growers to improve the quality and marketing of their wool and mohair. Under this method, the grower who gets the best possible price for his product also gets a higher incentive payment. The payment rate for wool is based on the difference between the incentive price of 72 cents per pound and the national average price of 35.5 cents received by growers. By comparison, payments on 1969 marketings were made at the rate of 65.1 percent. Payment rate for mohair is based on the difference between the support price of 80.2 cents and the average price of 39.1 cents a pound received by growers. Payment in 1969 mohair marketings were at the rate of 18.9 percent of dollar returns.

Committees Named To Host Sheep-Goat Meet

At a recent meeting in the home of Mr. and Mrs. Max Schneemann, the Crockett County Women's Auxiliary of the Texas Sheep and Goat Raisers Association made plans

and appointed committees for the District II meeting which will be held in the Civic Center next Thursday, April 15. Committees for the meeting are as follows:

Mrs. Max Schneemann, general chairman; Mrs. S. M. Harvick and Mrs. R. A. Harrell, co-chairmen; Mrs. Nat Read, secretary; Mrs. Ralph Jones, treasurer. Registration Committee, Mrs. Joe Bean, Chairman; Mrs. P. L. Childress III, Mrs. Charles Black Jr., Mrs. James Baggett, Mrs. W. E. Friend, Jr., Mrs. Jess Marley Jr., Mrs. Joe Clayton, Mrs. V. I. Ozona Representative Resigns Draft Board To Protest Verdict

Jim Marks, Crockett County representative for Selective Service Board #110, resigned his place on the draft board effective April 6. Marks sent his letter of resignation to the chairman of the board following the sentencing of Lt. Calley last week. He resigned in protest of the guilty verdict he said, Marks, a four-year veteran of the U. S. Navy and the Korean War, said, "I feel that, under the circumstances, my conscience would not allow me to classify a boy 1-A and have him drafted."

Marks has served on the board over four years. The 7-man board services five counties in the area. He had no knowledge of any action taken by the other members of the board, but said he would attend his final meeting Tuesday, which is April 6. Draft boards all over the country have literally shut down over the finding of "premeditated murder" against Lt. Calley by court martial, and it is likely that other members will resign from the local board.

School Board Members Win Re-Election

A light turnout of 105 voters cast ballots in Saturday's election for school board trustees. All trustees were returned to their posts with no write-in contest. Taylor Deaton received 99 votes; Charles E. Davidson, III, 96; Ray Boyd, 97 and George Bunker, Jr., running for the unexpired term of one year, received 95 votes. Hillery Phillips received 88 votes for County School Board Trustee, Precinct 1, and W. W. West received 96 for Trustee at Large.

THE LETTER OF THE LAW

The harsh verdict in the case of Lt. William L. Calley Jr. is certain to be a matter of hot dispute for a long time. Equally noteworthy is the overwhelming public support for Lt. Calley, running at about 100 to 1. A few thoughts on the matter would appear to be in order.

First, it is abundantly clear that the six-man military jury, in reaching its verdict, adhered to a strict, relentless interpretation of "the letter of the law," which was their right and maybe even their duty. From ancient times, mankind has endeavored (without much success) to "civilize" warfare. The famous Dutch legal genius, Hugo Grotius (1583-1645) observed some 350 years ago that the laws of nations had, even at that time, "condemned" the use of assassins to kill an enemy. Yet the Communist aggressors in South Vietnam routinely hurl hand grenades into crowds of civilian shoppers, theatres and restaurants. Thousands of loyal government workers have been openly assassinated, kidnapped and tortured by the Vietcong. Clearly, the "laws of war" are not observed by the enemy. More than that, the "doves" in America make no demands that the perpetrators of these heinous crimes against civilians should be brought to justice.

The sense of outrage felt by the American people, it seems to us, stems directly from this blatant "double standard," one rule for us, another for the Red invaders. Thus, Senator J. William Fulbright, powerful chairman of the Senate Foreign Relations Committee, sanctimoniously suggests that the "war crimes principles developed at Nuremberg" should be used against Presidents Johnson and Nixon, and against Generals Creighton W. Abrams and William C. Westmoreland. But there was no suggestion on his part that the same rules apply to Communist General Vo Giap, or Mao Tse Tung, or the Communist international rulers Kossygin and Brezhnev. As usual, his "rules" are applied selectively against the United States, but never against the enemy.

Or what about Senator George McGovern, whose public utterances have been considered so favorably by the Communist enemies that they have been used consistently for the brainwashing, the mental torture of our American prisoners held by the Vietcong in North Vietnam? Is not the "letter of the law" to apply to those who give "aid and comfort" to the enemy? Campus "revolutionaries" openly flaunt the law while college administrators close their eyes or look the other way. Rapists and murderers and killers and thieves are routinely freed by permissive courts on the thinnest of legal technicalities. Since when are laws to be used leniently against some, but harshly against others? Little wonder the public outrage against the double standard used in judging the Calley case.

If the "letter of the law" of harsh retribution is to become the order of the day, then let us begin immediately, let the arrests be made now, across the board and without fear or favoritism. And let us start with the supporters and collaborators of our enemy, the Vietcong flag wavers, the bombers, the hate-America punks, and those who by word and deed give aid, support and comfort to the Red Fascists.

Civic Clubs Hear Emergency Life Saving Measures

The saving of lives was the subject of a program presented by John M. Lukert, of the Texas State Department of Health to both the Lions Club and the Rotary Club at their respective meetings last week. Mr. Lukert, field consultant of the Health Department's Civil Defense and Traffic Safety Division, introduced a film, "Before the Emergency," dealing with the functioning of emergency medical services.

More effective and efficient emergency medical services and ways to bring these about were cited.

Among these were the formation of an advisory council on the community level to evaluate the local situation, formulate plans for improvement, and develop workable solutions; providing for the best possible equipment for ambulances, rescue units, and emergency rooms; development of better co-ordination among all phases of emergency care; establishment of radio communication between emergency facilities, including ambulances training for all personnel involved in emergency care; development of a program of practice and rehearsal to keep everyone aware of his duties and responsibilities.

Students Greet Easter Holidays With Delight

By - Sharon Barbee

The "dgh of relief" was felt by all the students of Ozona High School Wednesday, for holiday time was here a gain. Even if the Easter Bunny fails to visit us, that final school bell Wednesday happily replaced all his "could have been" presents.

Last Friday, a bright group of mothers scrimmaged the A volleyball team. The women were Mrs. Tom Sanders, Mrs. Richard Armistead, Mrs. Al Schmid, Mrs. J. L. Bishop, Mrs. B. A. Bishop, Mrs. Taylor Deaton, and Mrs. J. C. Berry.

Even though their competition was tough, the girls defeated the mothers in three games at a possible cost of a few meals.

The 1971 volleyball team captains were Pam Bishop and Janette Berry. Saturday in the district tournament at Big Lake, the Lionettes were defeated by Crane in two games. Their next encounter was with Coahoma, winning one and losing two. Two girls on the team who were not recognized worked as hard or harder than the team, the managers, Shelley Jones and Louise Perner.

District standings in volleyball: Crane, first; Big Lake, second; Coahoma, third; and Ozona, fourth.

The golf team is nearing its end in District play and will likely move on to regional. The team is four strokes ahead of Big Lake for the district championship. The tension will be off after their last tournament which will be in Stanton after the holidays.

Monty Peltio will be president of the student body of OHS during the 1971-72 school

term next year. After a close election, Chuck Womack was elected vice president. Christy Davidson was elected secretary.

"We knew you could do it" was the word in the halls of OHS Monday after the track team brought home the District Track Championship.

Blue Monday was worse than usual this week, for it was time for annual achievement tests. Discouraging as this was, spirits picked up when we found that we would have an hour to stuff ourselves at noon instead of our usual half-hour rush.

If the seniors seemed to have gained a few pounds since Monday, it could possibly be due to a barbecue supper honoring the class. Giving the party were Mr. and Mrs. Lawrence Jones, Mr. and Mrs. John Coates, Mr. and Mrs. C. H. Sinclair, Mr. and Mrs. Ruben Whitehead and Mr. and Mrs. Ed Strickland.

The tennis team left for District play in Crane Tuesday and finals started Wednesday.

Tips For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

I am going to be optimistic enough to hope that between April showers you will make the most of your gardening opportunities. Much of the success of your summer garden and lawn depends on what is done this month.

Repair winter storm damage to your garden, groom spring flowering shrubs and bulbs and give some attention to perennials. It's mulching, unmulching and remulching time, time to fertilize and time to plant. And April is a month to enjoy the results of your autumn labors.

Severe freezes in the year damaged many landscape plants throughout our area. Check damages, which are just beginning to show on some plants, before limbs, branches and twigs of trees and shrubs are obscured by new foliage. Prune away dead or damaged

wood, the first place insects and diseases attack.

Cut spent daffodils, hyacinths, tulips and others, but leave the foliage until it matures and browns, because it is manufacturing food for next year's blooms.

If you grow amellias, snip off faded blooms still clinging to the bushes and rake away all blossoms that have fallen to the ground to prevent spreading of petal blight. You can sweep faded azalea blooms from plants with a soft broom.

Hardy annuals you planted in the fall need their faded blooms and spindly stems cut back to encourage flowering until late spring.

Perennials will benefit from being fertilized now. Apply 20 to 25 pounds of a 5-10-5 fertilizer for each 1,000 square feet. When working this into the soil, be careful not to injure early bulbs or dormant perennials. Hardy asters, chrysanthemums, gerlura, gloriosa daisies, perennial phlox, canna, oxalis and others may be lifted, divided and replanted

at this time. When resetting these plants, work in a heaping tablespoon of fertilizer and a handful of bonemeal in the soil beneath each plant.

Container-grown perennials, now available at garden centers, should be set out now for late summer and autumn bloom. Ready to be transferred to permanent garden spots are carnations, dianthus, gaillardia, mum, pentstemon, Shasta daisy and others.

If any of your oak trees or shrubs need to produce a greener foliage and healthier growth feed them an acid-forming fertilizer such as ammonium nitrate or sulfate. Since our soil is alkaline, it would help to fertilize the area under the trees and shrubs with chelated iron. Which comes in dusts, wettable powder, liquids or granules. It will also cause your grass to be darker green.

Feed roses with a rose food you can get at several places, and be sure to follow directions on the label. This will help produce better roses for the flower show April 22.

PANDALE STUDY CLUB
 Members of the Pandale
 Study Club and their husbands
 honored Walter Capps, long
 time mail carrier, with an
 appreciation luncheon Thurs-
 day at the Henry Mills home
 in Pandale.
 Mr. Capps is retiring due
 to ill health and Mrs. Capps
 will take over the mail route.
 Mrs. Henry Mills gave a
 brief history of the Pandale
 post office and the Postal sys-
 tem in general and cited many
 instances of the kind deeds and
 services rendered by Mr. Capps
 to the people on his route.
 Mrs. Mills introduced Mrs.
 Welton Bunker who presented
 Mr. Capps with a solid gold
 pocket knife, inscribed with
 his name and dates.
 During the business session
 plans were discussed for clean-
 ing the grounds and building
 at Pandale Community Center.
 An Easter basket will be
 sent to each of the two boys
 the club is sponsoring at San
 Angelo Center and West Texas
 Boys Ranch.
 Mrs. R. J. Everett auctioned
 off a crocheted bath set for
 the benefit of the club's field
 trip.
 Mrs. Carl Malone won the
 door prize.
 Others present were Mr.
 and Mrs. Elmo Arledge, Mr.
 and Mrs. Ted White, Mr. and
 Mrs. W. O. Mills, Carl Mal-
 one, Mr. and Mrs. Al Mills,
 Mr. and Mrs. Henry Mills,
 R. J. Everett, Mr. and Mrs.
 Capps and Mr. and Mrs. Perry

**Co. Historical
 Committee To
 Study Marking**

The Crockett County His-
 torical Survey Committee met
 Monday in the Courthouse
 Memorial Library under the
 leadership of Mrs. R. A. Har-
 rell.
 Mrs. Joe Clayton, chairman
 of Historical Markers, reported
 research is progressing on the
 old Stage Stand located on the
 south road to Del Rio and con-
 nection with the Southern Pac-
 fic. It was located on the
 Harrell Ranch where old rock
 pens etc. still remain.
 Mrs. Harrell announced
 plans for marking the earliest
 water well in Ozona, now
 covered by the present Baptist
 Church. She stated that Mr.
 W. D. Cooper, local manager
 of the Crockett County Water
 District, reported that the local
 committee had approved pro-
 viding the historical marker.
 Henry Meadows of Midland
 stated the topographical maps
 of Crockett County are ready
 and asked that each land-own-
 er mark the location of any arch-
 aeological finds, caves, roads,
 draws, ranches etc. on their
 own land. The maps will be
 bound to form a complete re-
 cord of the county.
 Historical Appreciation
 Week will be observed in Oz-
 ona on August 1 to 7, under
 supervision of the chairman,
 Mrs. P. L. Childress Jr. and
 committee, Fred Baker, Mrs.
 W. E. Friend Jr., Mrs. Fred
 Hagelestein and Jim Marks.
 Mrs. Harrell announced
 that John Clark of the Univer-
 sity of Texas Archeological

department, will arrive with
 a crew this week to begin ar-
 chaeological salvage work at
 Fort Lancaster under contract
 with the State Parks and Wild-
 life Department.

**Diary
 of Our
 Destiny**

*And very early in
 the morning the first
 day of the week
 at the rising of the
 sun...*

*This begins the most amazing account of human
 experience ever written. And so simply, with just
 a notation of time: the hour, the day, the very
 moment!*

*But like a church bell sounding its call to wor-
 ship, that simple notation of time has become the
 clarion of a New Life.*

*So deeply has it penetrated our preoccupation
 with the routine of every-day existence that millions
 gather at sunrise to greet the dawn of each Easter
 Day.*

*What has given such meaning to one moment in
 time?*

*Its PROMISE: Christ is risen. The One Who said,
 because I live, ye shall live also--He lives!*

*This tremendous moment, for all who worship
 Him in faith, became the first entry in the Diary
 of our Destiny.*

Lion Golfers Lead As Final Tourney Nears

Coach Charles Spieker's Ozona Lion Golf Team took the district lead from the Big Lake Owls at the Coahoma tournament in Big Spring last Wednesday.

The Lions are four up on the Owls with a season total of 1580 to 1584 and have only one district tournament to go. The final tournament will be at Stanton April 14. The Lions shot a 321 on the windy Big Spring country club course to overtake the Owls.

Big Lake has a 325 team total, Crane was third with a 335 and the Owl B came in with a 350 for third. Coahoma,

the host team, was tied with the Big Lake B for fifth with 363 points.

The Ozona B had 364 points to come in ahead of Stanton and McCamey, and retain sixth place in the district standings.

Mike Williams and David Williams tied for low medalist, both carding scores of 79 for the tournament. However, Mike Williams presently holds the position of district medalist by two over his brother, David.

Other Lion scores were Lesly Russell 81, Jim Montgomery 82 and Rick Webster 86.

B team scores were Craig Williams 86, Steve Wilkins 89, Jack Baggett 96, Chris Reeves 97 and Craig Taliaferro 98.

The Driver's License Patrolman will be in Ozona Tuesday only until further notice. BABY SITTING RELIABLE - Call Gertrude Ward, 392-3175, for references call Mrs. Ralph Jones, 4-rfc

4-H Members To Sell Chocolate Benefit Center

Crockett County 4-H members will be calling on local citizens to purchase a bar of World's Finest Chocolate as part of a statewide effort to raise funds for a Texas 4-H educational center. County agent Pete Jacoby, who is coordinating the county sales campaign, says the county sales goal is 15 bars per 4-H member. The bars will sell for a dollar each. Presently, 4-H members are taking advance orders and will make delivery and door to door sales around the last of the month.

A State 4-H Center is badly needed says Jacoby, since the Texas 4-H program does not have any type of training

or camping facility. The proposed center is being developed by the Texas 4-H Foundation and will cost approximately a million dollars. It will accommodate about 175 persons. The center will be a focal point for camping-type programs, 4-H leader training, citizenship seminars, leadership training labs, international 4-H activities, project training and other Extension Service activities. When not in use by 4-H, the center will be available to other groups with educational programs.

While the 4-H'ers themselves make their contribution, a statewide development council composed of business leaders will help raise the balance of the funds for the 4-H Center, Jacoby concluded.

Mrs. E. A. Schneider of Heame is here visiting her sister, Mrs. Frank James.
