I have noticed an unusually large number of dogs roaming the town and in no time at all there will be a rash of pet killings. This is just a yearly thing. Your pet gets into a ranch pasture and gets poisoned, an unfortunate incident. Stock men cannot be blamed for protecting stock from animals. However, the present situation never fails to bring out the evil demon "the poisoner," who has no conscience and had no intention of throwing his poisoned bait into the yards of children. Although he has been found, the things he leaves behind have killed many pets and put the lives of children in jeopardy. It is a time for parents of children and owners of pets to be particularly alert. The city of Menard has had a "Poisoning Reward." Donations are being taken from the citizenry at the banks there. According to an article in the Menard Ledger, the fund was because of the necessity of finding and convicting the person or persons responsible for depositing poison throughout their city. I hope their efforts are fruitful so, it will be the first I have known of a poisoning getting his come uppance, though there are all kinds of ways against the indiscriminate poisoning.

Keith Bailey called in play from the local golf course with a hot scoop. It was that Sandra Childress, of Ozona's most highly rated women golfers, was off on #1 hole and her ball right through the drain pipe and on to the way. This just must be because it was corroborated by another pastor, Rev. Berkeley. He said he would be nearer to believing a prayer for myself, I could easily live it. After following Tom and the golf course during tournaments these past years, there is no story about golf ball I would even question.

We almost had an injured player on the basketball court Monday night, or I might be badly injured official. I did turn his ankle and it was both coaches and members of the teams to get him back on his feet. The cause was ice or a spill being spilled from the box and come in five flavors: Assorted Sandwich, Mint, Butter-Flavored Shorties, Peanut Butter and Pecanettes.

Mrs. Vic Montgomery is adult cookie sales chairman in Crockett County. The cookies sell for 50¢ a box and come in five flavors: Assorted Sandwich, Mint, Butter-Flavored Shorties, Peanut Butter and Pecanettes.

I took my car for its annual oil, grease, oil etc. early in the week and half of the Panhandle's top soil blew into my car. How things have changed. I can remember when a rain and polish job on my car brought a rain shower.

I hope to see you all in Ozona tomorrow night to cheer the Lions on to the district basketball championship. They have a good chance. They are fancy dribblers, they can steal the ball from the opponents, they block well and they hustle. I hope and pray they can get the ball in the basket, because after all that's what it's about.

DISTRICT CHAMPS? It all depends on Friday night's game with the Golden Cranes of Crane. The Lion Varsity cagers shown here with their coaches, and the Golden Cranes have identical district records and will play in the Iran Gym Friday night to decide the championship. Coaches are Jim Williams, junior varsity coach, Charlie Spieker, varsity coach, and Bob Hinds, B team coach.

7th Annual Chamber Banquet Set Tonight

A large crowd is expected to attend the 7th Annual Ozona Chamber of Commerce Banquet tonight at the Civic Center.

Registration begins at 7:00 and dinner will be served at 7:30. Jim Reese, mayor of Odessa and an outstanding young Texan will be the guest speaker.

Another highlight of the banquet will be the selection of best citizen for 1970 and presentation of the award.

Last year's recipient was Jim Marks, who was also outgoing president of the chamber. Those who have not purchased tickets may do so at the door.

Lawrence Janes, outgoing president will give the welcome address and turn the meeting over to C. O. Walker, recently elected president who will serve as master of ceremonies and introduce guests and chamber officers and directors.

Ray Boyd, another outgoing director, will introduce Mr. Reese.

Miss Schauer Wins High School Honors

Ellen Kay Schauer, daughter of Mrs. Blake Schauer of Victoria, and the late Mr. Schauer, is one of three Victoria High School students selected to participate in the 1971 secondary high school program of a Presidential Classroom for Young Americans.

The students are selected from four high schools in each congressional district and only 350 students attend each of the two weekly sessions.

Miss Schauer has been an Ozona visitor almost every summer. She visits at the ranch home of her aunt, Mrs. Jack Ward, often.

DISTRICT FINALE - In the last District game for the Ozona Lions, Greg Stuart shoots a basket as Stanton defenders scurry around. Mickey McBroom goes in for the rebound. The Lions won handily and closed out the second half of district play with a 2-3 reply. Don Ingram photo.

Melissa Zapata Receives Betty Crocker Homemaker Award

Melissa Ann Zapata has been named 1971 Betty Crocker Homemaker of Tomorrow for Ozona High School. She was chosen on the basis of her score in a Dec. 1 written knowledge and attitude examination for which 650,000 senior girls throughout the country were enrolled. From General Mills, sponsor of the annual education program, she will receive a specially designed award. Additionally, her selection makes her eligible for state and national honors, including one of 102 college scholarships totaling \$110,000.

The 1971 Betty Crocker All-American Homemaker of Tomorrow -- the national winner -- will be awarded a \$5,000 educational grant. She will be selected this spring from 51 senior girls representing each state and the District of Columbia.

State judging centers on the performance of school winners in the Dec. 1 test, with personal observation and interviews added factors.

The only national scholarship program exclusively for high school senior girls, the Betty Crocker Search for the American Homemaker of Tomorrow was instituted by General Mills in the 1954-55 school year to emphasize the importance of homemaking as a career.

Re-Entry Slated; Gas Discovery In County

Continental Oil Co., Midland, will attempt to re-open lower Pennsylvanian production in the Escondido multipay field of Crockett County with the plugging back to 8,320 feet at its No. 3-1 I. M. Shannon, former Ellenburger producer one location west of the depleted lower Pennsylvanian First Co. Court.

Jury In 64 Yrs. Hears Land Suit

History repeats itself, so they say, but sometimes it's a long time in doing so. For example a county court jury was impaneled by the county judge here this week, the first since the year 1907.

The county court case which necessitated the calling of the county court jury is styled State of Texas vs. Ethel Hemphill, et al, a condemnation suit for Interstate 10 right of way.

Serving on the jury are Glenn Webb, Joe Galvan, Mrs. John Aguier, Jack Davee, Richard Armistead and James W. Lively.

Serving on the last county jury which was dismissed in 1907 were W. D. Jones, Lee Henderson, Bob Metcalf and John Bailey.

District Title At Stake When Lions Face Crane Friday Night

The District 5-AA Basketball championship will be decided at Iran tomorrow, Friday, night when the Ozona Lions take on the Crane Golden Cranes in what fans are calling "shoot out number 3."

The Lions bested the Cranes in the first half of district play in a three-minute overtime on the home court. In the second half of play the Cranes, playing on their home court, downed the Lions. Both teams having identical district records of 8-2, necessitates the third encounter and the winner will take all.

Crane has it over the Lions in height, but the Lions are a speedier group and a great deal will depend on the Lions' shooting ability, which has not been up to par. Crane has a high-scoring team, but in the two earlier encounters, the Lions have managed to hold down the scoring of the big birds.

The Lions out-hustle every team in the district and if they can get hot and hit the basket, they should have a slight edge.

David Pagan, top scorer for the Lions on the season, was injured early in the Stanton game Friday night and has seen no action since. However, he is expected to be back at full strength for the Crane game. He is capable of scoring 20 points a game as are Will Collett and Mickey McBroom.

Greg Stuart, who plays a tough defensive game has been ill, but will be fully recovered for shoot out number 3. Jim Montgomery and Ruben Tambunga will be taking every opportunity to steal the ball for the Lions. Montgomery missed a practice game with Comstock here Monday night due to a virus, but is back at full speed, and should be in top defensive form.

Don Olson, senior starting guard for the Lions, plays a consistent ball and is capable of making baskets as well as Montgomery and Tambunga.

David Sewell, promising young sophomore guard, and Mike Jenkins, junior post man, have seen action during the season and will probably prove able substitutes tomorrow night, along with David Williams, senior guard.

The Lions finished the regular season (continued on last page)

SUZY TANKERSLEY IS BASKETBALL SWEETHEART

Suzy Tankersley, daughter of Mr. and Mrs. Jack Tankersley, was selected by the 1971 Ozona Lions as basketball sweetheart.

The announcement was made at halftime during the Comstock-Ozona game Monday night. Basketball captains David Pagan and Jim Montgomery made the presentation of a gold charm.

Suzy is a senior student, a cheerleader and was an outstanding guard on the Lionette basketball team.

Mrs. Jones is Memorials Chairman and accepts donations throughout the year in that capacity.

In a 60-53 win over Big Lake the previous Tuesday Rick Webster led the Lion scoring with 22 points followed by Peltz with 13, Whitley with 12 and Huff with 8.

Smut Mail May Now Be Turned Back At P.O.

As of February 1, postal patrons may take advantage of a new law protecting them and their families from the onslaught of unsolicited sexually oriented advertisements and materials.

Applications for listing your name and the names of children in your family under the age of nineteen are available at the post office. You list your name with the U. S. Postal Service, stating that you do not wish to receive any sexually oriented material through the mail.

The U. S. Postal Service compiles a reference list of such names and makes the list available at a fee to mailers. The law prohibits any commercial solicitation of names on the reference list. Any mailer who sends you a sexually oriented advertisement, after your name has been placed on the list, subjects himself to both civil and criminal action by the U. S. Government.

KING AND QUEEN OF HEARTS - Crowned at the annual sweetheart banquet, sponsored by the Ozona First Baptist Church and held Saturday night at the Civic Center, are Darolyn Wilson and Keith Bailey Jr. The banquet is an annual event staged by the senior department of the Baptist Sunday School. BLAME THE PRESIDENT

"The President has usurped the power of Congress. He has involved us in an unnecessary war. He has fumbled this war. It is a bloody and costly failure."

"Not a spark of genius has he, not an element for leadership. Not one particle of heroic enthusiasm."

"Money you have expended without limit, and blood poured out like water. Defeat, debt, taxation, and sepulchers—these are your only trophies.... Should the war go on? I answer no—not a day, not an hour."

"Stop the war! Withdraw your troops from the invaded states."

All of this may sound familiar, but don't let it fool you. These, writes Tom Mahoney, in the February, 1971 *American Legion Magazine*, are a few examples of the vitriolic press, pulpit and platform criticism directed more than a century ago—at the conduct of the Civil War by President Abraham Lincoln!

"All American Presidents have been targets of abuse," reports Tom Mahoney. But Abraham Lincoln seems to have been subjected to more than his fair share. "(An) important issue in 1864 was peace. Grant and Sherman's slogging soldiers were winning victories but with heavy casualties. The country was weary of the war and bored with it. Desertions from the Union Army reached 600 a day. Lincoln was accused of 'criminally prolonging' the struggle which some of his critics termed 'unjustifiable and sinful.'"

But the name of Lincoln will long outlive that of any of his detractors. In 1962, a poll of 75 historians voted him the greatest of American Presidents.

One of President Lincoln's most extreme critics, found Mr. Mahoney, was the *Chicago Times*. Can you imagine trying to live down a blower such as the *Chicago Times* report of the ceremony dedicating the Gettysburg battlefield, which read:

"We pass over the silly remarks of the President; for the credit of the nation we are willing that the veil of oblivion shall be dropped over them."

J. C. Barnes Oil Co., Midland, will drill the No. 1-C Harris as a 9,500-foot Fusselman project 1/4 mile southeast of Strawn and 3/4 mile southwest of Pennsylvanian detrital production in the Enconrado field of Crockett County, 15 miles northeast of Iran.

Location, on a 160-acre lease is 660 feet from the south and west lines of 11-3-WCRR.

The field has two Pennsylvanian detrital and currently has two Strawn wells.

The field opener, King Resources Co., No. 1 Continental Harris, was finished Feb. 25, 1969, from the Pennsylvanian detrital for 192 barrels of 44.3 gravity oil through a 14-64-inch choke and perforations at 8,522-56 feet; and March 11, 1969, from the Fusselman for 122 barrels of 45.5 gravity oil, plus 338.4 barrels of water, through a 1/2-inch choke and perforations at 8,945-46 feet.

Field designation was granted only for the Pennsylvanian zone and later the two zones were combined and are produced commingled as Pennsylvanian detrital.

Texas Oil & Gas Corp., Midland, No. 1 Fulton-University, in 3-33-University, second Devonian producer and a 1-1/8 mile northeast extension to that pay and indicated third Simpson producer and a 7/8 mile east extension to that pay in the Perner ranch field of Crockett County, 16 miles southeast of Sheffield, flowed an unreported time, making a spray of water and condensate plus gas at the rate of 950,000 cubic feet daily.

Flow was through a 16-64-inch choke and perforations at 8,502-524 feet. Testing continued.

Simpson production was indicated with the flowing of gas at the rate of 750,000 cubic feet daily on a 1-inch choke while bottomed at 9,500 feet.

SENSING the NEWS

By Anthony Harrigan

EXECUTIVE VICE PRESIDENT

Southern States Industrial Council

ORGANIZED "POOR" TO THE NORTH

Toronto, Canada--While the United States has difficulty with welfare unions and militant groups funded with public money, it hasn't a monopoly on this type of problem. Canadian taxpayers also are required to fund protest groups that want to put the public treasury.

Earlier this winter, Canada's organized "poor" held their first national meeting in this northern metropolis. They had a field day with more than \$65,000 of public money. Five hundred delegates attended the conference, supposedly representing more than 250 welfare and low-income groups across Canada.

Helen Wallace, a London Free Press staff writer, noted: "In spite of the fact they were appointed to represent Canada's poor, some of them appeared to be a comfortably dressed, middle-class looking set." This observation won't surprise Americans who have noticed that many recipients of federal food stamps in the U. S. drive to the supermarket and wear good clothes. Those who make a career of "poverty" seem to do quite well.

There was nothing solid or middle-class about the 60 resolutions the conference approved. For instance, the conference of Canadian "poor" people approved resolutions demanding release of both Quebec "political prisoners" and Angela Davis, the communist teacher held in connection with a murder charge in California.

Though this militant group wants increased funding from Canadian taxpayers, the conference participants were unwilling to let the public know what happened in their sessions. The press was evicted from the meeting. The decision to close the conference to the press was made by a select committee headed by Peter Robinson, a member of Toronto's Black Liberation Front.

One gimmick proposed by the conference is a national "poverty" newspaper. Canada's taxpayers would be expected to pick up the tab for this sheet. This is a propaganda device that apparently hasn't occurred to the organized "poor" in the United States. Indeed, participants in the Toronto meeting seemed especially determined to attack the Canadian press. They went so far as to blame

poverty in Canada on "the major media owners."

Both Canadians and Americans should pay close attention to meetings of this sort. Extremists of every variety, including enemies of freedom of the press, anti-poverty programs as efficient means of funding radical activities, in funding the organizations of the "poor", governments in effect create new political organizations that have the objectives of denying energetic citizens the fruits of their labor.

Opportunities abound in Canada, as in the United States. Canada's Far North represents the last frontier on this continent. People are needed in the Northwest Territories, Yukon, northern Manitoba and elsewhere to open a great region and make it fully productive. But the organized "poor" aren't interested in the challenge of hard work in a stern environment. They aren't interested in self help. Their real objective is radical political action and in extracting money from self-reliant citizens. This is a phenomenon common to both Canada and the United States.

RECIPE OF THE WEEK

From Kitty's Kitchen

Baked Fruit Casserole
1 cup graham cracker crumbs
1 cup chopped pecans
1 cup brown sugar (packed)
3 tbs. orange juice
1 tbs. grated orange rind
1 cup white raisins
2 apples peeled, cored, and sliced

2 peaches peeled and sliced (frozen peaches may be used)
Mix all the ingredients lightly and spread in a rather shallow casserole. Bake 30 minutes in a moderate oven, 375°.
Serve warm with hard sauce.
Hard Sauce
Cream together 1/2 cup butter and 3/4 cup brown sugar. Add 14 tablespoons brandy or brandy flavoring, drop by drop, to taste. Chill well.

Sour Cream Apple Tart
5 cups sliced and peeled apples
1 cup dairy sour cream
1 cup butter or margarine
1 cup sugar
8 eggs separated
2 tbs. flour
1 lemon, juice and grated rind
1/4 teas. salt
Sugar
Fine bread crumbs
Blanched, shredded almonds
Cinnamon

Melt the butter in a large skillet and cook the apples, stirring frequently until tender. Combine 1 cup sugar, sour cream, egg yolks well beaten,

flour, and lemon. Mix well and pour over the apples. Continue to cook, over very low heat, stirring constantly, until the custard thickens. Pour into a good-sized casserole and cool. Beat egg whites until stiff but not dry, adding salt when whites are foamy. Fold into the cooled apple mixture. Make a mixture of equal parts of sugar, crumbs, and nuts, stir in cinnamon to taste, and spread over the casserole. Bake in a slow oven, 325°, 45 minutes, or until firm. Serve either hot or cold, with vanilla-flavored whipped cream or ice cream.

WASHINGTON NEWS LETTER

Cong. O. C. Fisher

Has President Nixon embraced the Keynesian theory of deficit spending? Partisans are arguing it both ways. For good or ill, whatever it's called, it is quite a reversal of fiscal policy.

The President's \$229-billion budget, with a built-in \$11.6-billion deficit, marked a turn-about from the past. Only a year ago Mr. Nixon told the nation: "We must balance the federal budget so that American families will have a better chance to balance their family budgets."

Only 20 years ago the federal budget was \$43 billion. Now it's \$229 billion. It will be recalled that the first \$100-billion budget came in 1965, on the eve of the Great Society's massive welfare drive and zooming deficits. The current annual deficit is estimated to be \$18.6 billion.

Budget means spending, and spending is supposed to be politically stylish with those who are on the receiving end. The theory is that taxpayers don't feel the pinch, so long as the money to cover deficits is borrowed. Little attention is given to the expanding public debt, annual interest on which is now \$19.6 billion!

Generous spending, irrespective of deficits and inflation, is the hallmark of liberals. It's supposed to coral votes.

In a sense, budgets serve as of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982.

"(e) Texas Water Development Bonds are secured by the general credit of the State and shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on Tuesday, May 18, 1971, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to authorize the issuance of One Hundred Million Dollars (\$100,000,000) bonds to provide financial assistance to cities and other public agencies for water quality enhancement purposes, providing for the improvement and continuance of the water resources program, and establishing an interest ceiling on Water Development Bonds at 6% per annum."

Wallace Delegate TSTA Convention

Two area educators, Bob Wallace of Ozona and Mrs. Smith Neal of Sonora, will be official, voting delegates at the 92nd annual state convention of the Texas State Teachers Association March 11-13 in Dallas.

Wallace will represent the Crockett County Local Association and Mrs. Neal, the Sonora Teachers Association. They are among the 1,330 certified members of the 1971 House of Delegates which will meet on the last day of the convention to discuss and act on proposed amendments to the TSTA constitution, new poli-

NUMBER THREE ON THE BALLOT (SJR 13) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 51-a, of the Texas Constitution, be amended to read as follows: "Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations as may be by the Legislature be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care and for the payment of assistance grants to and/or medical care for, and for rehabilitation and other services to or on behalf of:

(1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years;

(2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

(3) Needy blind persons;

(4) Needy dependent children and the caretakers of such children.

The Legislature may prescribe such other eligibility requirements for participation in these programs as it deems appropriate.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care and for the payment of appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars (\$55,000,000) during any fiscal year.

Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for the care of children and the caretakers of such children."

For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

Spring is just around the corner, it is necessary to fully and take advantage of every favorable opportunity afforded by the weather of spring work, everyone is concerned with the absence of rain.

Perennials can be used with dramatic effect in many planting compositions such as accent plants, shrubby plantings, color around a bird bath, patio plantings, odd corners and drifts or masses against a wall or fence.

By a narrow squeak, Ozona High School Lions wound up their 1942 basketball season on the home court Tuesday night with a 23-21 victory over the Big Lake Owls.

Putting Things In Order

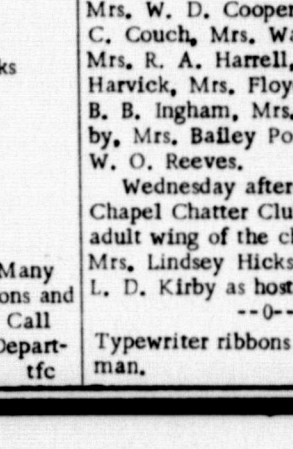

In this age of medicare, social security and homes for the aged, sometimes people forget an important part of growing old - tranquility!

Yes, tranquility and peace are just as important in growing old gracefully as is sufficient insurance or all the other means with which we show our concern for the elderly.

Put Things In Order

Have you ever noticed that old people have a knack of putting things in order? In fact, they need everything tidy, neat and sure. Certainly their greatest need is for peace and security - but this can come only when they are at peace with God!

If we want to reap the harvest of friendship with God in our old age, then we must cultivate our relation with Him - when we are young and able. Regular church attendance and worship is your assurance of peace and tranquility during your own gentle lengthening years. It will be a heaven-sent reward and one which you cannot, will not, want to miss.

District Title —

(Continued from Page One) gular season Friday night when they hosted the Stanton Buffaloes in a fast furious game that saw Pagan going to the bench with a sprained ankle early in the first period. However, the Lions were never in trouble and outscored the Stanton crew in all but the third quarter. The final score was 53-43.

Montgomery was high-point man for the Lions with 15, Stuart had 10, McBroom 8, Olson 6, Jenkins and Collet 4, Sewell 3, Pagan 2, and Tambunga 1.

In a practice game with Comstock Monday night the Lions had all they could do to squeak by with a 47-46 victory. However, Comstock went undefeated to win their district championship and have a gold mine in 67" Webb Williams, who scored 30 points in Monday night's game. Having two starters, Pagan and Montgomery, on the bench didn't seem to hamper the although it was tough and go throughout the game. McBroom and Tambunga shared high point honors for the Lions with 11 points each and Collet and Jenkins had 8 each. Sewell scored 6, Olson 2 and Stuart 1 to round out the scoring for the Lions.

Game time tomorrow night at the Iran Gym is 7:30.

Gas Discovery —

(Continued from Page One) 30 miles southwest of Ozona, three miles west of the V.L.P. (multiphase Clearfork oil and gas) field and 1 1/2 miles northwest of a proposed Clearfork discovery which was recompleted as a producer in the Ozona (Canyon) field.

Drilled to 6,985 feet and plugged back to 6,912 feet, it was finished Nov. 23, 1970, for a calculated, absolute open flow of 1,350,000 cubic feet of gas per day, with gas-liquid ratio of 30,358-1, through perforations at 5,941-6,576 feet.

Location is 1,585 feet from the south and 1,320 feet from the west lines of 2-A-TCBR.

The proposed Clearfork oil strike, The Canyon Co. Ltd., No. 1-101 Childress, was finished June 20, 1968, to pump seven barrels of 32 gravity oil, plus 23 barrels of water, through perforations at 2,350-80 feet. Production was assigned to middle Clearfork in the V.L.P. field and it later was recompleted from the Canyon.

J. S. Abercrombie Minerals Co., Inc., Houston, No. 3 J. S. Todd, in 17-YZ-ELARR, indicated second producer and a location northwest extension to the Double R (Cinoidal) field of Crockett County, 18 miles east-southeast of Iran, was continuing to swab through perforations at 6,759-66 feet.

Swabbed four hours, recovery was 31 barrels of fluid, 42 per cent water and the remainder new oil; and then swabbed five hours, recovering 49 barrels of fluid, 34 percent water and the remainder new oil.

The discovery, the firm's No. 1 Todd, was finished May 12, 1970 to pump 147 barrels of 40.2 gravity oil, with gas-oil ratio of 953-1, through perforations at 6,808-20 feet.

Lt. Houston Is Awarded Medal For VN Action

Vietnam--U. S. Air Force Lt. Ronnie L. Houston of Ozona has been awarded the Distinguished Flying Cross for extraordinary aerial achievement in Vietnam.

Lt. Houston, son of Mr. and Mrs. San W. Houston, distinguished himself as an F-4 Phantom fighter bomber navigator during a rescue mission near Kham Duc. He and his aircraft commander attacked numerous enemy firing positions which were hampering rescue forces in evacuating a downed airman.

Despite intense ground fire and adverse weather, Lieutenant Houston's expert navigational skill aided in rescuing the airman, enabled his flight to destroy all weapons sites in the area and escort his flight leader's damaged aircraft to an emergency airfield.

He was presented the medal at Phu Cat Air Base where he was serving with a unit of the Pacific Air Forces, before returning to the States last month.

Ozonans Help Parents Observe 60th Anniversary

Mr. and Mrs. George Turner were in Pecos over the weekend to help Mrs. Turner's parents, Mr. and Mrs. Wm. Keene, celebrate their 60th wedding anniversary.

Mr. and Mrs. Keene, who resided in Ozona in the late 20's and early 30's, were married Feb. 12, 1911 at the home of the bride's parents a few miles from Johnson City. They have resided in Pecos the past 28 years.

Other Keene children are a son, C. E. Keene of Huntington Beach, Calif., two more daughters Mrs. R. B. Hughes of Azle and Mrs. H. K. Lawson of Stanton. They have seven grandchildren and 6 great grandchildren.

Others attending the celebration were Mrs. R. B. Hughes, Mr. and Mrs. H. K. Lawson, Mr. and Mrs. Duane Hilliger and daughter, Wendt, Larry and Glenn Lawson and a

longtime family friend, Mrs. Opal Vickers.

Among the many beautiful gifts was a money tree, presented to the Keenes by their family.
